Hannam Presents Forumla To Curb Surplus

Dr. H. H. Hannam, president of the Canadian Federation of Agriculture last week discussed with the federal cabinet a formula for the curbing of rising dairy surpluses.

Included in the proposals is a 14 cent a pound cut in butter prices to consumers, while producers would continue to receive 64c a pound for top grades. This would cost about \$40 million per year based on annual production of 350 million pounds.

Other proposals were that surbs on milk production be instituted, that deficiency payments on milk used for manufacturing be restricted to 1961 levels, fluid milk production beyond the needs of door-to-door demand would be discouraged. Skim milk powder, now selling at cheap prices, would get a 12c support price and an immediate federal-provincial school milk system would be started.

visitations through the four recreation directors in the Ottawa Valley.

In Pontiac tickets can be obtained free from the Pontiac Printshop, in Shawville Quebec on a first ask first served basis. Tickets for three or four couples each Saturday are available for teenagers from Pontiac. Call in person or write or phone Shawville 75 for your ticket and it will be delivered to you by the quickest possible way. Those attending program MUST be at the studio in Pembroke by 3:30 at the latest. Dancing is from 3:30 to 5:30 and is on the air from 4 to 5.

All tickets are for couples only. When picking up tickets you must leave your names at the Printshop. If all tickets for one week are used a waiting list will be kept.

Any teenager in any Pontiac County town is invited to take part and enjoy this new program.

And when you aren't on the show — watch for your friends — Saturdays at 4 p.m. on Channel 5 CHOV-TV Pembroke.

Many people wonder why the show is called "Hilltop"! Channel 5's studios are located high on a hill overlooking Pembroke and the Ottawa Valley; hence "HILLTOP".

Martin Meiter Says

Something Should be Done To Reduce Wolf Population

Wolves were a major topic of discussion at the three day Outfitters Association meeting in Quebec last week. Martin Meiter of Chapeau, being the only Pontiac person to attend the convention held in conjunction with the meeting of the Fish and Game Commission, reports that other than from this County there was a good attendance.

License fees, liquor permits for outfitters, wild rice to attract water fowl, better tourist accommodations, the conservation of game and better management were also studied.

It was pointed out by the Game Commission that \$20,000 had been spent last year in the extermination of wolves in Quebec. This amount was paid to eight trappers for the trapping and killing of wolves. None of it was spent in Pontiac County and since the bounty was taken off wolves on April 1, 1961, these animals have increased in great numbers and have killed practically all our deer and other small game including partridge.

Bruce Baily of the Game Commission had made arrangements in advance for Martin to demonstrate a wolf set that has been proven to be very successful and much interest was shown in this. It is a special trap, with bait made of Mr. Meiter himself, who is willing to show the method to anyone in the County who is interested in destroying wolves.

The method originates in the States where they have completely exterminated the wolf population with bounties as high as \$5,000 for one wolf. With wolves out of the picture there, the state of Pennsylvania alone has an annual deer kill around 150,000 bucks and 140,000 does in order to keep the herds down.

Also plentiful in Pennsylvania are wild turkeys, bear, squirrels and all other game which make it a veritable hunter's paradise. Martin Meiter attributes much of this to the lack of wolves there.

Martin's efforts to improve conditions in Pontiac have led him to attempt calls on both our MPP Raymond Johnston and our unofficial representative Wallace McDonald in Quebec during the Opening of the Provincial Legislative Assembly but he could find neither of them, nor did either appear to take part in the Outfitters and Game Commission conference.

Feeling rather frustrated at the seeming fact that Pontiac County has no representation in Quebec, on either side of the house, Martin reports that the Game Commission seems to be under the impression that all the damage to deer is being done by poachers and not by wolves.

This, he feels is an unrealistic view as the wolves are doing their carnage every day of the year and 24 hours a day, whereas a poacher or farmers just kills now and then, making good use of the meat after the killing.

Also the poacher is being inhibited by the wardens while the wolf goes scot free.

A survey among the life-time farmers of Pontiac reveals, says Mr. Meiter, that one wolf will kill on an average of 200 deer each year which is a very fast depletion of the deer herd complementing an alarming increase in wolf packs.

One of the contributory factors is the many abandoned farms where in days past each farmer would take his toll in wolves each year. Mr. Meiter counts these abandoned farms in the thousands. Also there has been a radical decline in full time trappers because they can make more money doing other work. Some few hold on to their trapping leases but are not devoting their full time to it as in the past, merely working the closer lines, mostly over the weekends.

Mr. Meiter proposed at the convention that the bounty be put back on wolves at a rate of \$30 to be paid by the Quebec Government. He also stated at the convention that Pontiac County has the potential to make one of the biggest tourist centers in all of Canada. All it needs, he felt, is good leadership.

Shawville C of C

Shawville Chamber of Commerce executive met last night at Pontiac House and made several plans for action. A well has been considered for the park as well as other improvements.

A committee was formed to name a slate of officers for election in March.

Consideration was given to increasing the memberships among district merchants and businesses as these are the people who would derive most benefit from an active Chamber.

Provincial

Election Expenses Limited

At Quebec:

A radically revised Quebec Election Act came before the Quebec Legislature last week. It sets a 25c per elector limit on party election expenses; and 50c per elector limit on money spent by individual candidates. Candidates polling more than 20% of the votes cast in their constituency would have 15c per elector reimbursed by the government, at a total estimated expense of \$1 million per general election. Only parties presenting candidates in 60% of the constituencies would be allowed to incur the 25c per elector expense. However, individual candidates of parties falling below this level could still spend 50c per elector but the party itself would be barred from publicity during the election.

Each candidate would be obliged to have an official agent whose signature would be required for every penny spent during the campaign. Candidates

Quebec Farmers Don't Produce Enough To Feed Province

Annual report of the Co-op Federree of Quebec, made public at the annual meeting last week in Montreal, stated that "with the exception of a few dairy products and broilers, situated close to the largest consumer's market in the country, Quebec farmers have not been able to produce enough to meet the needs of the population in this province".

General Manager Raynald Ferron reported the farmers were caught in a price-cost squeeze so that profit margins have declined. He saw the dairy industry which used to have "remarkable stability" facing a critical situation. This has arisen from accumulating surpluses of butter and powdered milk.

The Quebec Federree reported sales last year of nearly 118 million, almost double the sales of ten years ago. It has 55,000

members representing about half the farmers in the province of Quebec.

Teenagers

Your Own Show On Channel 5

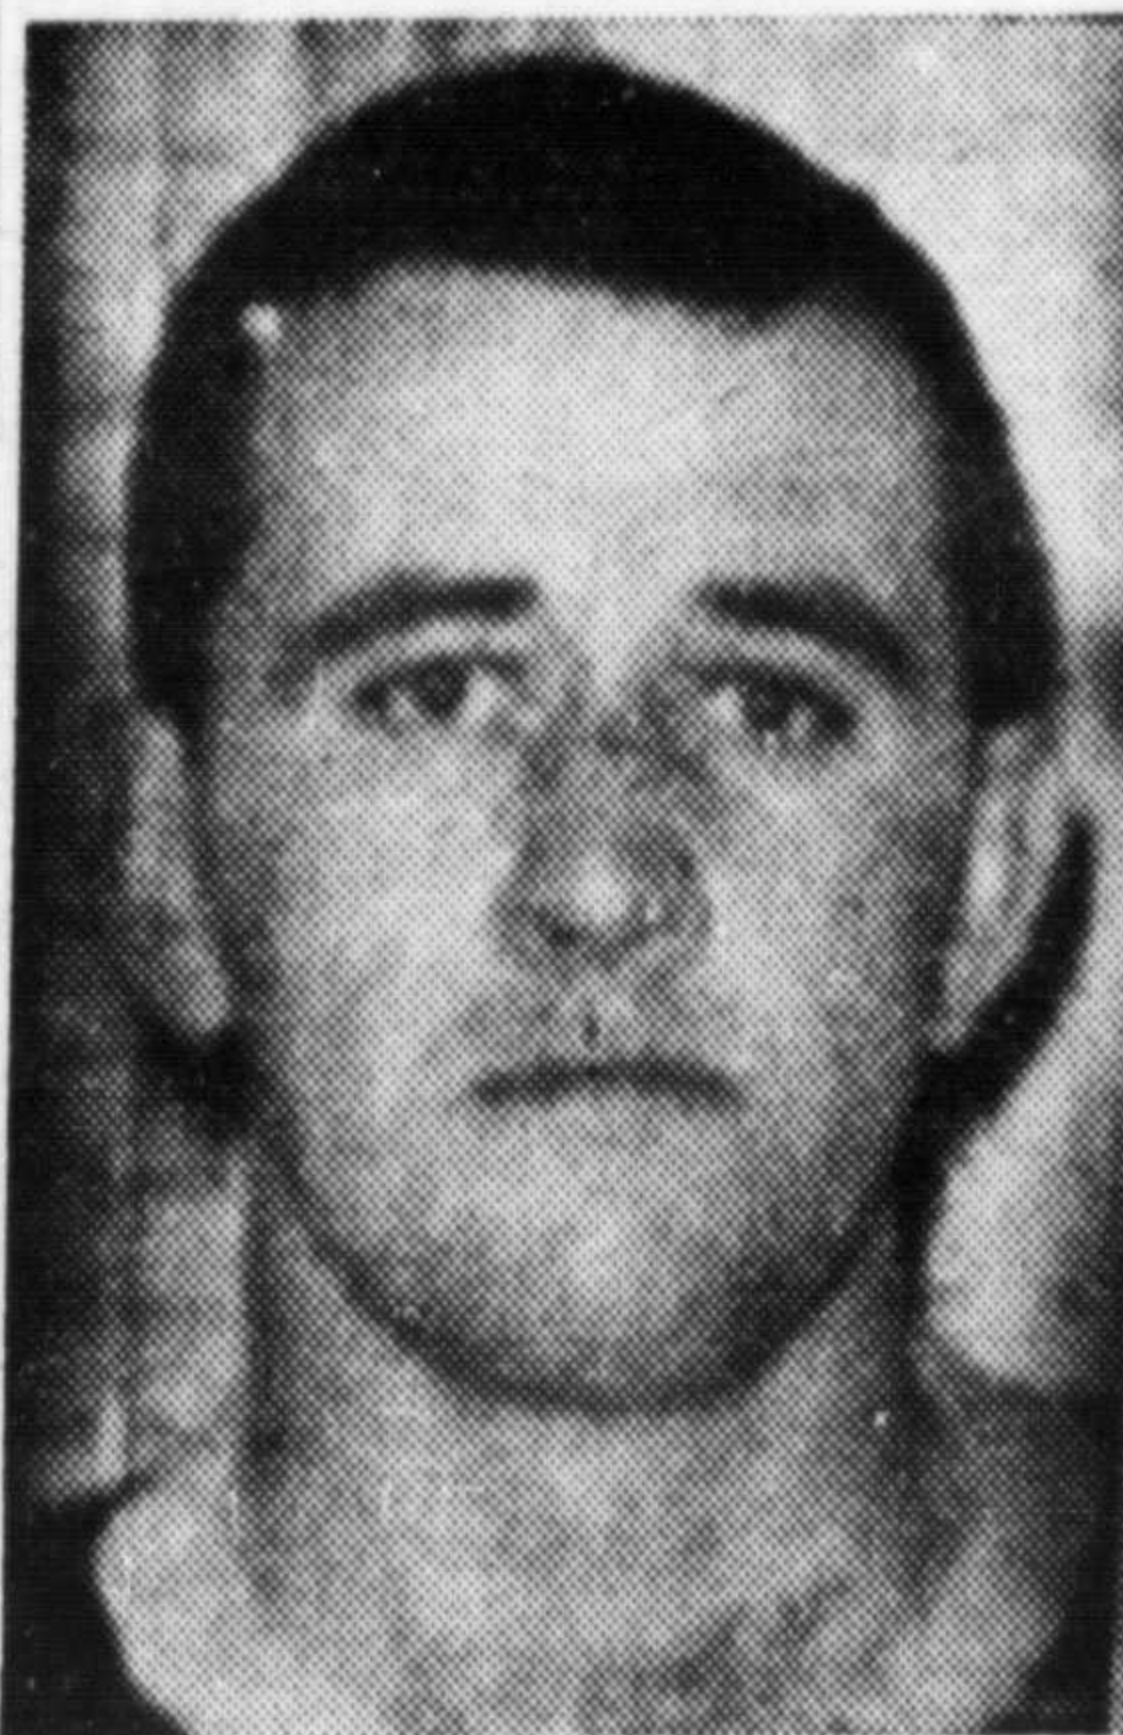

The teenagers of the Upper Ottawa Valley have found the program they like best. Its "Hilltop", the latest teenage studio dance party to be televised. It's a fast moving hour show filled with gimmick dances. "Twist" contests and record give-aways.

Special guests appear every week on "Hilltop". Miss Sheila Levoy, one of Canada's top dancers, appeared on the show last week and taught the twist, a dance that is sweeping the nation, not to mention the Ottawa Valley. Future guests include a Hawaiian girl, demonstrating the Hula and recording stars, sports celebrities and newspaper columnists.

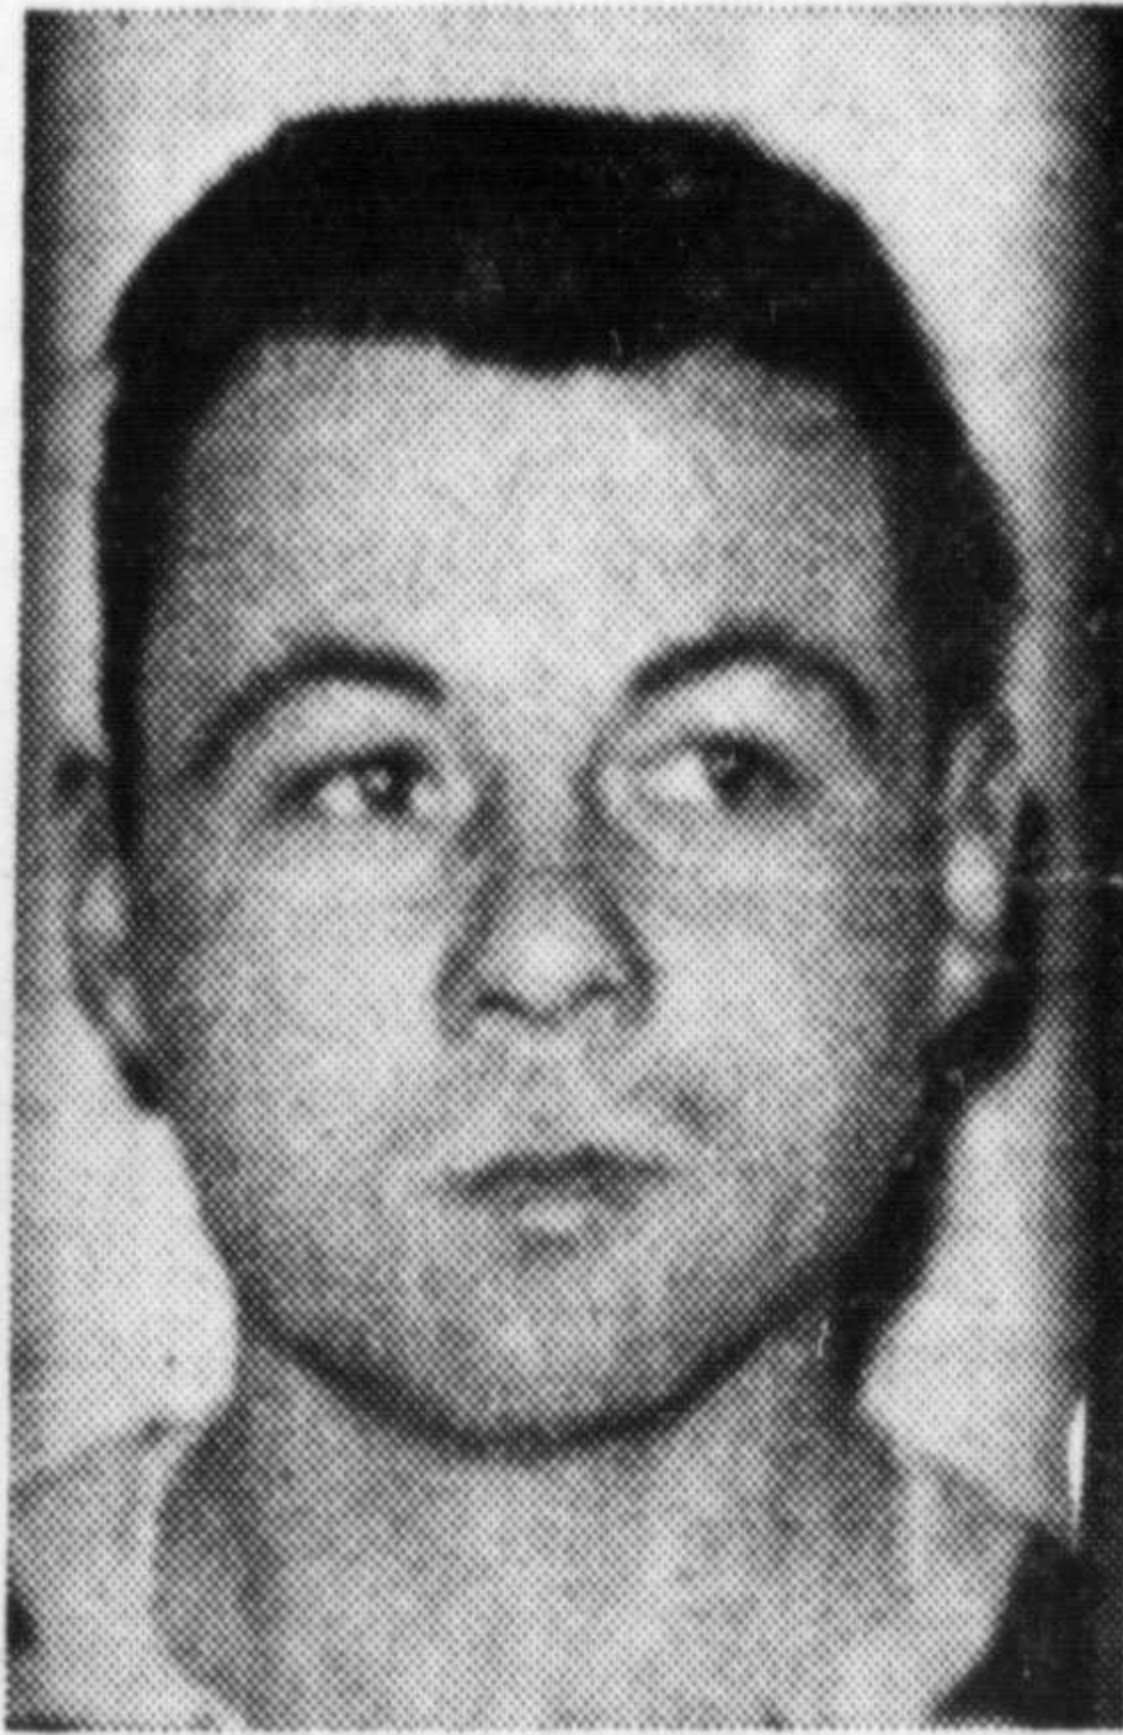

A new Channel 5 personality John McDermid, hosts 'Hilltop' aired at 4:00 Saturday afternoon on CHOV-TV in Pembroke. "Big John" as he is affectionately called because of his six foot one inch frame and size 13 shoes, doesn't feel out of place in front of a Teenage audience, as he emceed many private gatherings and teen club parties and dances.

Due to the tremendous response of this program, participation is on an invitation "only" basis and producer Brooke Duval is distributing the written in-

LET IT LIE

Don't fight it. Every year during just such a snow storm as we are enjoying (?) today a number of middle aged men drop dead shovelling out their driveways. It isn't worth it.

Far better it would be to sit down and let your mind explore the consequences of not shovelling your car out. Imagine what you will have to do to get where you have to go, how long you will have to postpone your day's work, who will be inconvenienced by your delay, what it will cost in dollars and cents and so forth. After you have done these mental calisthenics and weighed the possibility of popping off against leaving the snow lie where it fell it may have been removed by some other means.

It's cheaper to pay a dollar to some young lad with energy to burn than to pay your life for one day's use of the car.

But if you must shovel, don't for heaven's sake try to impress the neighbors with a wide snow shovel. They're nice for scraping a light fall off the walk but loading and lifting the heavy stuff on a wide shovel does things to your back.

Best advice we have today about the snow is just let it lie.

The marriage took place at St. Paul's Anglican Church, Shawville on Wednesday morning of Miss Alma Brownlee, eldest daughter of Mr. and Mrs. Joseph Brownlee of Clarendon to Robert Hulbert Armstrong, son of Mrs. Armstrong and the late Frank Armstrong of Shawville.

There was a large attendance at the theatre to witness the plays put on by grade 10 and 11 of Shawville High School, "Slippers of Cinderella" was done by grade 10 and love scenes from Shakespeare's "The Tempest" was offered by grade 11. Miss McMonagle, the director of the plays, was presented with a bouquet of flowers.

Sixty years ago by W. A. Hodgins:

Alexander Elliott was Mayor while John Wheeliham, James M. Hodgins, Wm. B. Hodgins, Henry Smiley, Wm. Eades and John A. Armstrong were the Clarendon Councillors. 1876 to 1879 was a time of great financial stringency. Practically no money was in circulation. The only article for which cash could be obtained was eggs. At this time there were very few hens in Clarendon and they were poorly fed and the prices were ridiculously low, six cents was the low mark and ten cents the high. William McDowell went into the business of gathering eggs and shipping to the States and to him belonged the honor of being the first Exporter in the township. During the first year, egg cases and fillers were unknown, flour barrels and wooden boxes were used. The eggs were packed in fine straw and hay and carefully headed. 90-100 dozen could be packed in a barrel. The first cases made their appearance in 1878 and were made to contain 49 dozen. Butter was under ten cents a pound.

Pork was marketed dressed and good pea-fattened hogs only brought 3 3/4 to 4 cents a pound in trade, no cash was obtainable.

Letters To The Editor A. A. Established

The A. A. group in Campbell's Bay, Quebec, is now known as Pontiac No. 1, and meets twice weekly. Monday 8:30 p.m. (closed for alcoholics only), Friday 8:30 p.m. (open for alcoholics and non-alcoholics). This group meets in the Campbell's Bay Court House.

A. A. members in the area, deeply appreciate the newspaper coverage and co-operation extended to them, in establishing the first of many such groups in the Pontiac.

Slowly, but surely, other groups will come into being as a result of this effort.

Yours sincerely,

Grains of Sand

What do ya know? We did it! Here it is only Wednesday and The Equity is out.

The folks coming back from Florida aren't as tanned this year as usual. Perhaps all those "things into space" are cutting down on the sunshine.

Best happy birthday wishes to William Cameron who was ninety five (95) on Sunday, not 91 as reported last week. Sorry we lopped off those four important years.

The Rotarians are organizing their carnival for children for March 3 at the Agricultural Hall rink. Costumes are the order of the day there and now is the time to be thinking up some original ideas.

And the Minto Follies are coming up from Ottawa February 24 — next Saturday — also at the Ag. Rink. That's getting to be the busiest place in town which leads some people to wonder how we ever managed without it which leads to interesting reminiscing.

We thought we had a new reporter from Coulonge but we haven't heard a word since we mailed her the stamped envelopes and paper. Also we seem to be missing a lot of news from Quyon. Anyone can contribute news to The Equity. Try it and see — it's easy!

Looking back over their twelve years in the service of the community provided a pleasant meeting for the Lions Thursday night. Guest speaker was Citizen of the Year Rosaleen Dickson who brought notes on all the fun and tribulations the Lions had experienced (And it was two blue spruces they donated to the park.)

Quyon United Church Women

The meeting of Quyon United Church Women was held at the home of Mrs. Wyman MacKechnie, Feb. 1st with 12 members and three visitors present.

The President, Mrs. Ron MacKechnie took the chair and Mrs. James Horner conducted the devotional period. The roll call was a project for the U.C.W. to work on in 1962. Plans were made to try to carry out several of the projects. Some of them are to buy new tables for the church basement. Money was given to the work committee to buy material for articles for the work box.

A bazaar is scheduled for early in April with several food sales during the summer and a bazaar and supper planned for October. Discussion on starting a library in the church was carried out.

The meeting closed with prayer after which refreshments were served.

This week is a good time to reflect on the many wonders that electricity performs at the flick of a switch. It's also a good time to add to your staff of electrical servants . . . a good time to see the bargains at your appliance store. Modern living is so much easier, happier, healthier and relaxing.

It is appropriate that National Electrical Week should be observed at the time of Thomas Edison's birthday. His contributions to modern living are well known. NOW—during National Electrical Week—is the time to visit your appliance dealer for a demonstration of the new electric dishwashers, ranges, freezers—you'll be glad you did.

Pontiacs Win Again 5-2 Over Deep River

In the UOVHL Shawville Pontiacs defeated the rugged Deep River Rockets here in the Agricultural Rink Saturday night Feb. 10. The attendance was not as good as usual, but it is expected that the Toronto - Montreal NHL game on TV and a nice warm chair at home, accounted for this, in many cases. To you folks who did stay at home, we hope you'll return this week. No matter how good the quality of hockey on TV remember that it is all confined to the size of a TV screen and the largest they make is still only 24"

square. So come out folks, get a full size life-life view of something in real colour. Don't forget to come prepared. Don't shiver and shake, bring your blanket and thoroughly enjoy yourself.

Shawville opened the scoring at the 14:53 mark of the first period when Desi Keon netted on assists by Paddy O'Donnell and Earl Powell. The score remained 1-0 at the end of the first, but that does not mean that the period lacked excitement. Our not too well loved friend of the spectators, Chaput of Deep River (No. 11 if you are interested) suddenly remembered he was back in Shawville, so did a little tripping to earn himself a two minute penalty. At 17:44 Findlay of Shawville and Backer of DR tangled, each receiving penalties, 5 min. for high sticking and two minutes for roughing, respectively.

Second period began not with goals, but with penalties. Saunders received a two minute rest for cross checking at 7:10 and Keon two minutes for the same offence at 9:05. It was during Keon's absence that D.R. had the upper hand and Thurkill banged one in assisted by Turner and Evraire to tie the score 1-1. Then D.R.'s Mohns took a penalty for tripping at 12:15 and Shawville had the advantage at which time Keon came up with another nice one, assisted by Fraser and Powell.

AT 14:53 Slade of D.R. and Brian Murray didn't exactly have a friendly teaparty, so each ended up with two minutes for roughing. The seemingly quiet Brian is learning tricks from some other out of town boys and earned himself the reputation of being bad man of the night, because

no sooner back on the ice than he and Mohns of D.R. encountered one another on unfriendly terms and Brian was handed out a 5 minute sentence. Thus ended the second period 2-1 for our boys, but still nothing to brag about.

It seems the boys talked the situation over during the second intermission and decided to cut out all nonsense and get down to business, because that is exactly what they did when they returned. Deep River made Shawville sit up and take notice at 1:40 of the third when Grant Childerhose scored assisted by Evraire and Thurkill to tie the game 2-2. D. Keon, really packed full of speed, power and goal scoring capabilities at the very sight of Chaput, went all out to prove to him, that despite the handicap of his facial injuries, he knew how to score. He therefore got himself a hat trick at 6:04 assisted by teammates Fraser and O'Donnell to give Shawville the lead again 3-2. At 9:17 Slade of D.R. was sentenced to two minutes for cross checking, which was the only penalty meted out in the final period. Shawville boys behaved well during the last period, although it was very obvious that Powell kept reminding Chaput that he was back in Shawville again and introduced him to the boards several times. Our boys have promised that they will never tolerate any more nonsense from him when he visits here. Regardless of the fact that Shawville was leading, Saunders hated to go home without netting a goal (he usually manages one per game). So Kelly and Richardson promised to help him which they did, to score at 16:22 to make it 4-2; a more comfortable lead. Our new player Ralph McKenny seems to hit it off in popularity with his team mates as well as the spectators, and if size has anything to do with it, we think he will be able to ward off any would be attackers. He finished the game to put our boys ahead 5-2 by scoring at 11

High News

By Sandra A. Horner

Our "Western Quebec Champions" met defeat in Buckingham against Lachute with the victors having a score of 4-2 over SHS boys.

In basketball, there was one win and one defeat over the weekend. Buckingham boys had a slight win over the SHS boys with a score of 33-31. SHS girls defeated Buckingham girls with a score of 22-16, this being the first win of the season for the SHS girls. Okay gals, let's see what you can do in your next game! The only way is up.

The "Science Fair" will be held during Education Week with the probable date March 7. There are two divisions, Junior and Senior. The winners in each division will receive a year's subscription to any science publication of their choice to a value

seconds before the end of the game, assisted by Richardson. Congratulations on your win boys! Maybe you will be able to shake off that musty cellar smell before the season ends. It was also noticed that the combination plays among the players had greatly improved and some of those who attend regularly are quoted as saying this was the best game they have seen the Seniors play here.

In making a choice of the 3 stars it was very easy to pick the first namely, Desi Keon with his three goal effort; secondly, Ron Price who played brilliantly in the net despite his head injury last week at Deep River. It was a little difficult to make a decision on the third, but we feel sure Paddy O'Donnell overshadowed the others considerably, so we were happy to have him place among the stars this week.

Wednesday night the boys will play against the Trailermen in Pembroke and we hope they have some fans from home. Friday night Trove return here.

Just a word of criticism from a spectator who is also voicing for several others: get started on time if possible! Do not keep fans waiting until they become disinterested or even worse, half frozen. Sometimes they don't return after a few games like this. 8:30 should be the deadline!

Deep River:- goal, Wise; Mussell, Slade, Mohns, Brum, Childerhose, Chaput, Gareau, Backer, Jay, Turner, Thurkill and Evraire.

Shawville:- goal, Ron Price; powell, Saunders, Richardson, O'Donnell, Kelly, Fraser, Findlay, Thomas, D. Keon, J. Keon, Brian Murray, McKenny and Murphy.

Ron Thomas was on hand as spare goalie for our boys as was Pete Purvis for Deep River. Robert Hobbs was official timekeeper and goal judges were Howard Mahon and Earl Bean. C. Lemenchick officiated assisted by Ray Young and Ted Hayes completed referees report.

St. Paul's Sleigh Ride

Friday night 75 pupils and teachers of St. Paul's Sunday School attended a sleigh ride. Teams and sleighs were provided by Messrs Harry McCleary, Chris and Louis Judd. After the ride everyone returned to the Parish Hall for games under the leadership of Mr. Pearley Smith superintendent. A bean supper, served by members of the Junior Guild was heartily enjoyed.

Friday, March 2, Shawville High is planning to have a "Carnival de Shawville" in the Agricultural Rink. There will be

C LASSICAL STYLE. There's bright-eyed eagerness — and a dash of regal distinction in Chevrolet's rich new style for '62. A wonderful blend for a remarkable car.

H ANDLING EASE THAT'S EXCEPTIONAL. Chevrolet has the smooth, easy handling you've been looking for. Due in part to its Ball-Race steering gear that almost eliminates friction.

E XCITING NEW PERFORMANCE. Pick your economy — pick your power! Chevrolet offers a tremendous choice: six engines that range from a 135 hp gas miser 6 to an all-out V8 performer that boasts 409 horses!

V ALUE NO OTHER CAR CAN MATCH. Automotive value has two categories: Chevrolet and all others. Your best buy bar none in the showroom, and your best sale bar none at trade-in time.

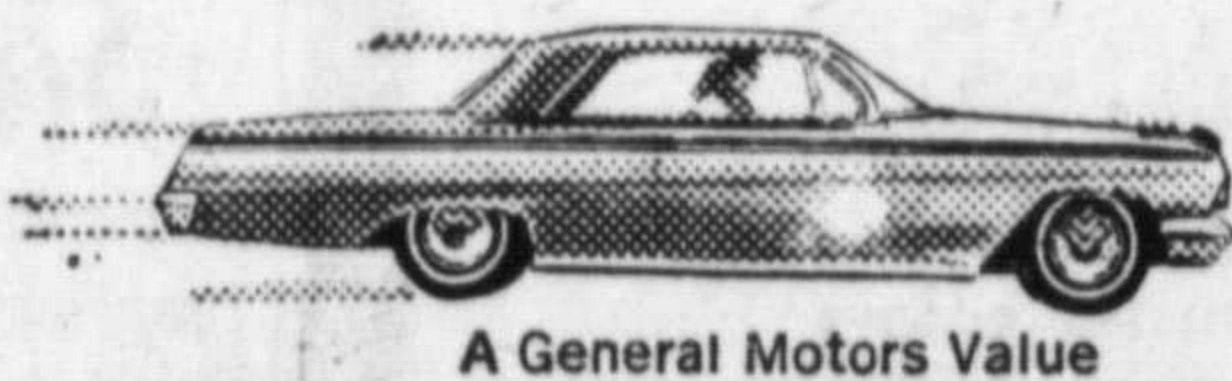

R IDE THAT'S "JET-SMOOTH". Four big coil springs level bumps to mole-hill size — and then vibration is dampened at 725 insulating and cushioning points. What's left? Just a Jet-smooth ride!

O PEN SPACES FOR COMFORT AND CONVENIENCE. If you're high, wide and handsome... and even if you have five friends along, Chevrolet pampers you — with space to spare.

L UXURIOSLY APPOINTED. Other cars may be as luxurious as Chevrolet — but only if they cost much, much more. That's a benefit of leadership: more Chevrolets made... more opportunity to give you more for your money.

E XTRAS THAT ARE STANDARD EQUIPMENT. Every model of Chevrolet comes complete with such quality extras as electric windshield wipers, deluxe steering wheel, foam cushioned front seat, front armrests, dual sun visors, cigarette lighter, glove box lock and crank-operated ventipanes — at no extra cost!

St. Thomas Bristol Typical Mission

(From Montreal Churchman)

A typical mission Church in the Diocese is St. Thomas', Bristol, Que.

The mission dates back to 1870 when the Rev. R. D. Irwin arrived.

The decision to build a Church was made in February 1871 and \$100 subscribed. Mr. Irwin left the parish later that year and in January 1872 the Rev. Thomas Johnson began the building plans. Bristol was made an independent mission at a Deanery meeting in Hull in 1873 and shortly after that the Incumbent, Mr. Johnson, was killed in an accident. It was not until March 1875 that a contract could be let for building the Church. In that year Mr. Johnson's mother and sister came to see where he had served and a generous contribution was made by the family towards the building of the Church which was

mel, Mrs. Jack Russell; Caretaker, Lem Hodgins.

On behalf of the congregation Mr. Reuben Smith thanked the organist and choir leader for their faithful duties. He also thanked the official board for allowing the Scouts and Cubs their meeting space in the basement of the new building.

On behalf of the congregation Dr. S. E. McDowell made appropriate remarks of appreciation to Rev. and Mrs. Johnston for their leadership and spiritual guidance during the past year.

Refreshments were served by the ladies of the United Church Womens organization.

named St. Thomas. The Ven. Archdeacon J. F. Morris was baptized in St. Thomas' in 1888 and later confirmed there by Bishop Carmichael.

At the turn of the century the Church tower was erected under the leadership of Archdeacon Morris' father, who was warden and lay reader, delegate to Synod, etc.

"My memory is pretty clear on it," said Archdeacon Morris. "We cut the lumber in the woods, squared the timber, completed the spire, hung the bell and painted up to the roof."

The late Dr. G. Abbott-Smith

OBITUARIES

Mary Agnes Moyle

Mary Agnes Moyle passed away in her 58th year February 6th at the residence of Father J. E. Austin in Osceola, Ont., where she had been housekeeper. Death was caused by a heart attack.

Miss Moyle was the eldest daughter of the late John M. Moyle and Agnes Mulligan. Her sisters Loretta (Mrs. Austin Clarke) Quyon, Margaret (Mrs. Jack Kelly) of Ottawa and brothers Joseph, John and Harold of Creighton Mines survive.

The funeral was from W. J. Hayes and Sons Funeral Home in Shawville on Friday, Feb. 9th. Rev. Fr. J. E. Austin was assisted in the service by Deacon Rev. Father Thomas Klatt and Sub-Deacon Rev. Fr. Shulist at St. Mary's Church, Quyon. Burial was in Pontiac cemetery with pall bearers Wilfrid Gaven, Bill Jurke, Percy Moyle, Jack Kelly, Austin Clarke Jr. and Jackie Clarke.

Bert Woolsley

Mr. Bert Woolsley of 1919 Lawrence Ave., Weston, Ont., died suddenly January 29 in his 9th year. He collapsed while shopping in a Weston Shopping Centre.

Mr. Woolsley was a son of the late Solomon Woolsley and his wife Mary Ann Rutledge. Born in North Onslow, he attended school in that district. He went west when a young man, served overseas in World War I and returned to enter the barbering business. Many residents of Shawville will recall when he had his business in part of the Turner Building on Main Street.

He married Dorothy Ralph, daughter of the late Mr. and Mrs. Bob Ralph of this district. About 20 years ago he moved to Almonte where he lived for some time before moving to Weston where he has resided ever since.

Surviving besides his wife is a sister Emma (Mrs. Eldon Clarke) of Winnipeg and a brother George of Ottawa. Funeral was conducted from the Ward Funeral Home.

John Joseph Henderson

John Joseph Henderson died of a heart ailment at his home Wyman, Que. on Saturday, February 10 in his 87th year.

Mr. Henderson was born at Wyman, July 9th 1875 and was the son of the late James Henderson and his wife Emma Sheffield. He has lived and farmed in this area all his life.

On June 15, 1903 he married the former Dorothy Rose Gilpin in Arnprior. Surviving besides his wife are four sons, Garnet, Merwyn, Percy and Russell; one daughter Muriel (Mrs. Norman Conroy); 7 grandchildren; one brother George of Ottawa and one sister Mrs. Jack Lucas of Wyman.

Mr. Henderson was affiliated with Knox - St. Andrews United Church, Maryland. Funeral service was conducted on Tuesday Feb. 13 by Rev. J. B. Small from the Hayes & Sons Funeral Home thence to Norway Bay cemetery for burial.

Pall bearers were Messrs John Smith, Everett McCriston, Clarence Erwin, Ervin Gilpin, Keith Draper and Earl Lucas,

was also born at Bristol and confirmed at St. Thomas'.

There was a resident priest at Bristol Corners until a few years ago. Bristol Corners is now Bristol and attached to Quyon.

In the year 1888 there were reported 33 families, 38 communicants, the stipend from the parish was \$100, the mission fund grant \$400, the total \$500. In 1958 there were nine families and 20 communicants.

Skating Party

The girls of St. John's and St. Luke's G. A. had a very enjoyable skating party at the home of Mrs. K. Dowdall, G. A. leader. The girls who didn't skate went sliding and everyone enjoyed themselves. Following the party the group were served refreshments by their leaders and after a short worship service returned home.

THE ART OF SAYING NO

"Another one?" "No, thank you, my family is expecting me." "One for the road?" "Sorry, I'm driving. Besides, I have work to do." Doesn't it make good sense to know when to refuse? The man who knows when and how to say no is a happy man. He's loved, respected, admired, a success in the art of living. The benefits he enjoys are within the reach of everyone with a correct sense of proportion. Learn the art of saying no at the right moment, and see how much happier your life can be.

With The Curlers

Two tense games this week saw the end of the Shawville Curling Club Shield contests. After a long schedule for both men and women with each team playing each other and then going into playoffs the shields went to skips Leslie Dale and Janet Young. In each case it was decided by the last rock in the tenth end.

Leslie's victory came Monday night with Stan Green, Carson Hodgins and Benson Elliott in a tight game against Ronnie McCredie, Wally Hodgins, Roly Armitage and Ross Finnigan. The gallery was packed and the suspense was killing.

The same night Janet Young took out Evelyn McDowell with a score of 15 to 1 which put her into the finals against Mary Kehoe who had defeated Freda Tanner in another dramatic game 12 to 0.

Tuesday's final game between the sisters, who had vied in the finals last year too, was played on keen ice. The last few ends were almost silent as the men had left the ice and everyone was trying hard to concentrate. Janet, with Mayfred Dodds, Helen Towell and Joan Orr came out victorious over Mary with Grace Nichols, Rosaleen Dickson and Liz Stranacher. The nearest player of the game, whose rocks most often stayed where they were intended to stay, was Liz, despite the fact that half way through the game she came part way down the ice, still holding the rock. It was that kind of a game.

Meanwhile, farther afield, Nellis Hodgins and Bruce Horner journeyed to the Seignory Club for a bonspiel which annually pits Ottawa against Montreal.

Broomball At Waltham

Waltham girls broomball team defeated Campbell's Bay girls on Thursday, Feb. 8 by a score of 4-0. Jeanette Gagnon was the winning goalie. Captani of the team, Theresa Kelly scored all four goals assisted by Elaine Cole with 3 assists and Maureen Spottswood with 2. This line is more commonly known as "The Sweater Girl" line. They will play a return match Monday Feb. 10 in Campbell's Bay.

Girls on Waltham team were: Jeanette Gagnon, Diane Marchand, Charlene Chassie, Theresa Kelly, Elaine Cole, Maureen Spottswood, Kathleen Landry, Marie Landry, Jo Ann Spottswood, Linda Durocher, Stella Heaney, Judy Still, Clarissa Dupuis and Mary Campbell.

Referee was Barry Harkins; coach George Gagnon.

Bruce filled in on a Montreal rink while Nellis skipped one from the Ottawa Club of which he is a lifetime member. By coincidence the draw brought the two Shawville men against each other and Nellis brought home the honours. His Club won the bonspiel.

Shawville W I Valentine Dinner

Shawville W. I. held its February meeting in the Shawville High School cafeteria on Feb. 12, commencing with a Valentine dinner at 7 o'clock at which over 30 attended. Guests were the executive members of Pontiac County W. I. and ladies who last year played in the Canasta and Bridge Marathon but are not W. I. members.

Mrs. R. R. Smith opened the business meeting by welcoming these guests. Mrs. Keith Hodgins convener of the exhibit committee reported that plans had been made by these ladies when they met last week at Mrs. Allan Black's. Several ladies offered to make the exhibits, but list of volunteers was not completed.

Mrs. Mahlon Hayes reported on the success of the card party held recently and thanked all those who had assisted. Mrs. Art Hayes Citizenship convener reported on the layettes that had been completed and reported that a donation of these had been made to our own local hospital and another to the Unitarian Services. Reports were given from conveners of Health and Welfare and Education, namely Mrs. Gerald Green and Mrs. Hosmer Turner respectively.

The nominating committee who will bring in a new slate of officers at the annual meeting are Mrs. W. J. McKinley, Mrs. Leslie Dale and Mrs. Wm. Shaw.

Mrs. J. O. McKinley will represent this W. I. at the Boy Scout banquet Feb. 14. The monthly collection of "Pennies for Friendship" was made. Mrs. Art Turner, Pontiac County W. I. President brought greetings from the other Institutes of the County and also from the Provincial Board. She will attend the semi-annual board meeting of the Q. W. I. on Feb. 16 and 17 at the YWCA Montreal. Mrs. Roland Graham, county secretary and Mrs. H. Turner, county treasurer thanked the ladies for their hospitality.

A contest "Know your Federal Ministers and their offices" was won by Mrs. Bert Horner, she being one of several ladies who knew all of them but won on a tie-breaking question.

Mrs. Larry Lamb showed several close-up colour slides of flowers and many beautiful summer and winter scenes right in our own locality portraying no less than post card beauty.

Veronica Margaret Ann Baird Weds Edward Albert Zacharias

A quiet pretty double ring wedding ceremony took place at Yarm United Church by Rev. L. Emard, when Veronica Margaret Ann Baird daughter of Mr. and Mrs. Wm. Baird was united in marriage to Edward Albert Zacharias son of Mr. and Mrs. Fred Zacharias of Ottawa.

The bride was given in marriage by her father. Attendants

were Betty Chamberlain niece of the bride and Mr. Erwin Beck. The bride chose a fawn colored wool Windsor style dress with a fawn Jackie Kennedy style fur hat and accessories and grey fur jacket. Her corsage was made of red roses and lilly of the valley.

Supper was served to immediate relatives at the Fort Inn. For

their honeymoon trip they went to the U.S. The young couple will reside in Ottawa.

The Early History of Pontiac Families

from the files of Rev. Jos. E. Gravelle

Perhaps a word of explanation, of why we give a number to each person on our family lists, would help some in making use of this way to trace their direct line, either upwards or downwards, on their family tree. We must first find the name of the person we are interested in. An occasional date inserted will help in finding about the place to look where that name will be. When we find the name we want, remark the number given to that person. You will find that same name and number appearing twice, first as one of the children in his father's family, and then second as starting a paragraph for his own family.

As the numbers are all in numerical order, both of all the

children and of the parents, it will be easy to glance up or down the lists to find that same number, first as a child and later as a parent. In compiling a long list, such as this, it is to be expected that some omissions and errors will be discovered. Then rather than start a completely new numbering from beginning to end, letters of the alphabet are added to the numbers, where this insertion or correction is to be made, as is done when many apartments come under the same street address.

Let us now illustrate this by an example. If you were a Hodgins and were told that you belong to the family of "Councillor" William, you search and will find him under 17, opening a paragraph. His children follow and have been given numbers from 89 to 98. If we go up the list we will find 17 William with his wife's name in brackets, under the name of his parents — 2 WILLIAM and Maria STONEY. (Remark that it is not Storey as previously given). Then farther up, under the name of his grandparents — GEORGE and Mary WILLIAMS.

Should we go down the list from 17) Councillor William to find his children's families, we come to 89) WILLIAM ADAM, listed with Councillor's grandchildren, which in turn have each been a number. MARY, the first child, was given number 286. Under paragraph 286, we find the ARMSTRONG family with Mary's children, and so on.

To determine how closely you are related to any other person on the long list, follow up the two lines till you come to your common ancestor. Count your-

self and the other steps going up, but not including that ancestor. Deduct one from your total, as the first generation were brother and, not cousins. The total you arrive at indicates your relationship. Should there be one more in your cousin's total than in yours, for instance, seven in his and only six in your total, then you can say that you are the sixth cousin of his father, or that you are 6th to 7th cousins, or again 6th cousins, once removed.

If you are a Hodgins and come under the published list, or can connect your name to it, you have then more than seven hundred and fifty relatives of the Hodgins name, besides many others, in the families affiliated to yours.

89th Birthday For Mrs. Stewart Hodgins

Mrs. Stewart Hodgins celebrated her 89th birthday Saturday, Feb. 10 at the home of Mr. and Mrs. Kenneth Armitage of Shawville where she is spending the winter months.

A very pleasant evening was spent with her son and his wife Mr. and Mrs. Lawrence Hodgins of Charteris and a few of her grandchildren, Basil and Julia Hodgins, Kenneth Armitage and family, Mr. and Mrs. Kenneth Tubman and family of Yarm and Mr. and Mrs. Harvey Smith Shawville.

Mrs. Kenneth Armitage was unable to be present as she was spending the weekend in Montreal with her daughter, Dorothy Armitage of McGill College.

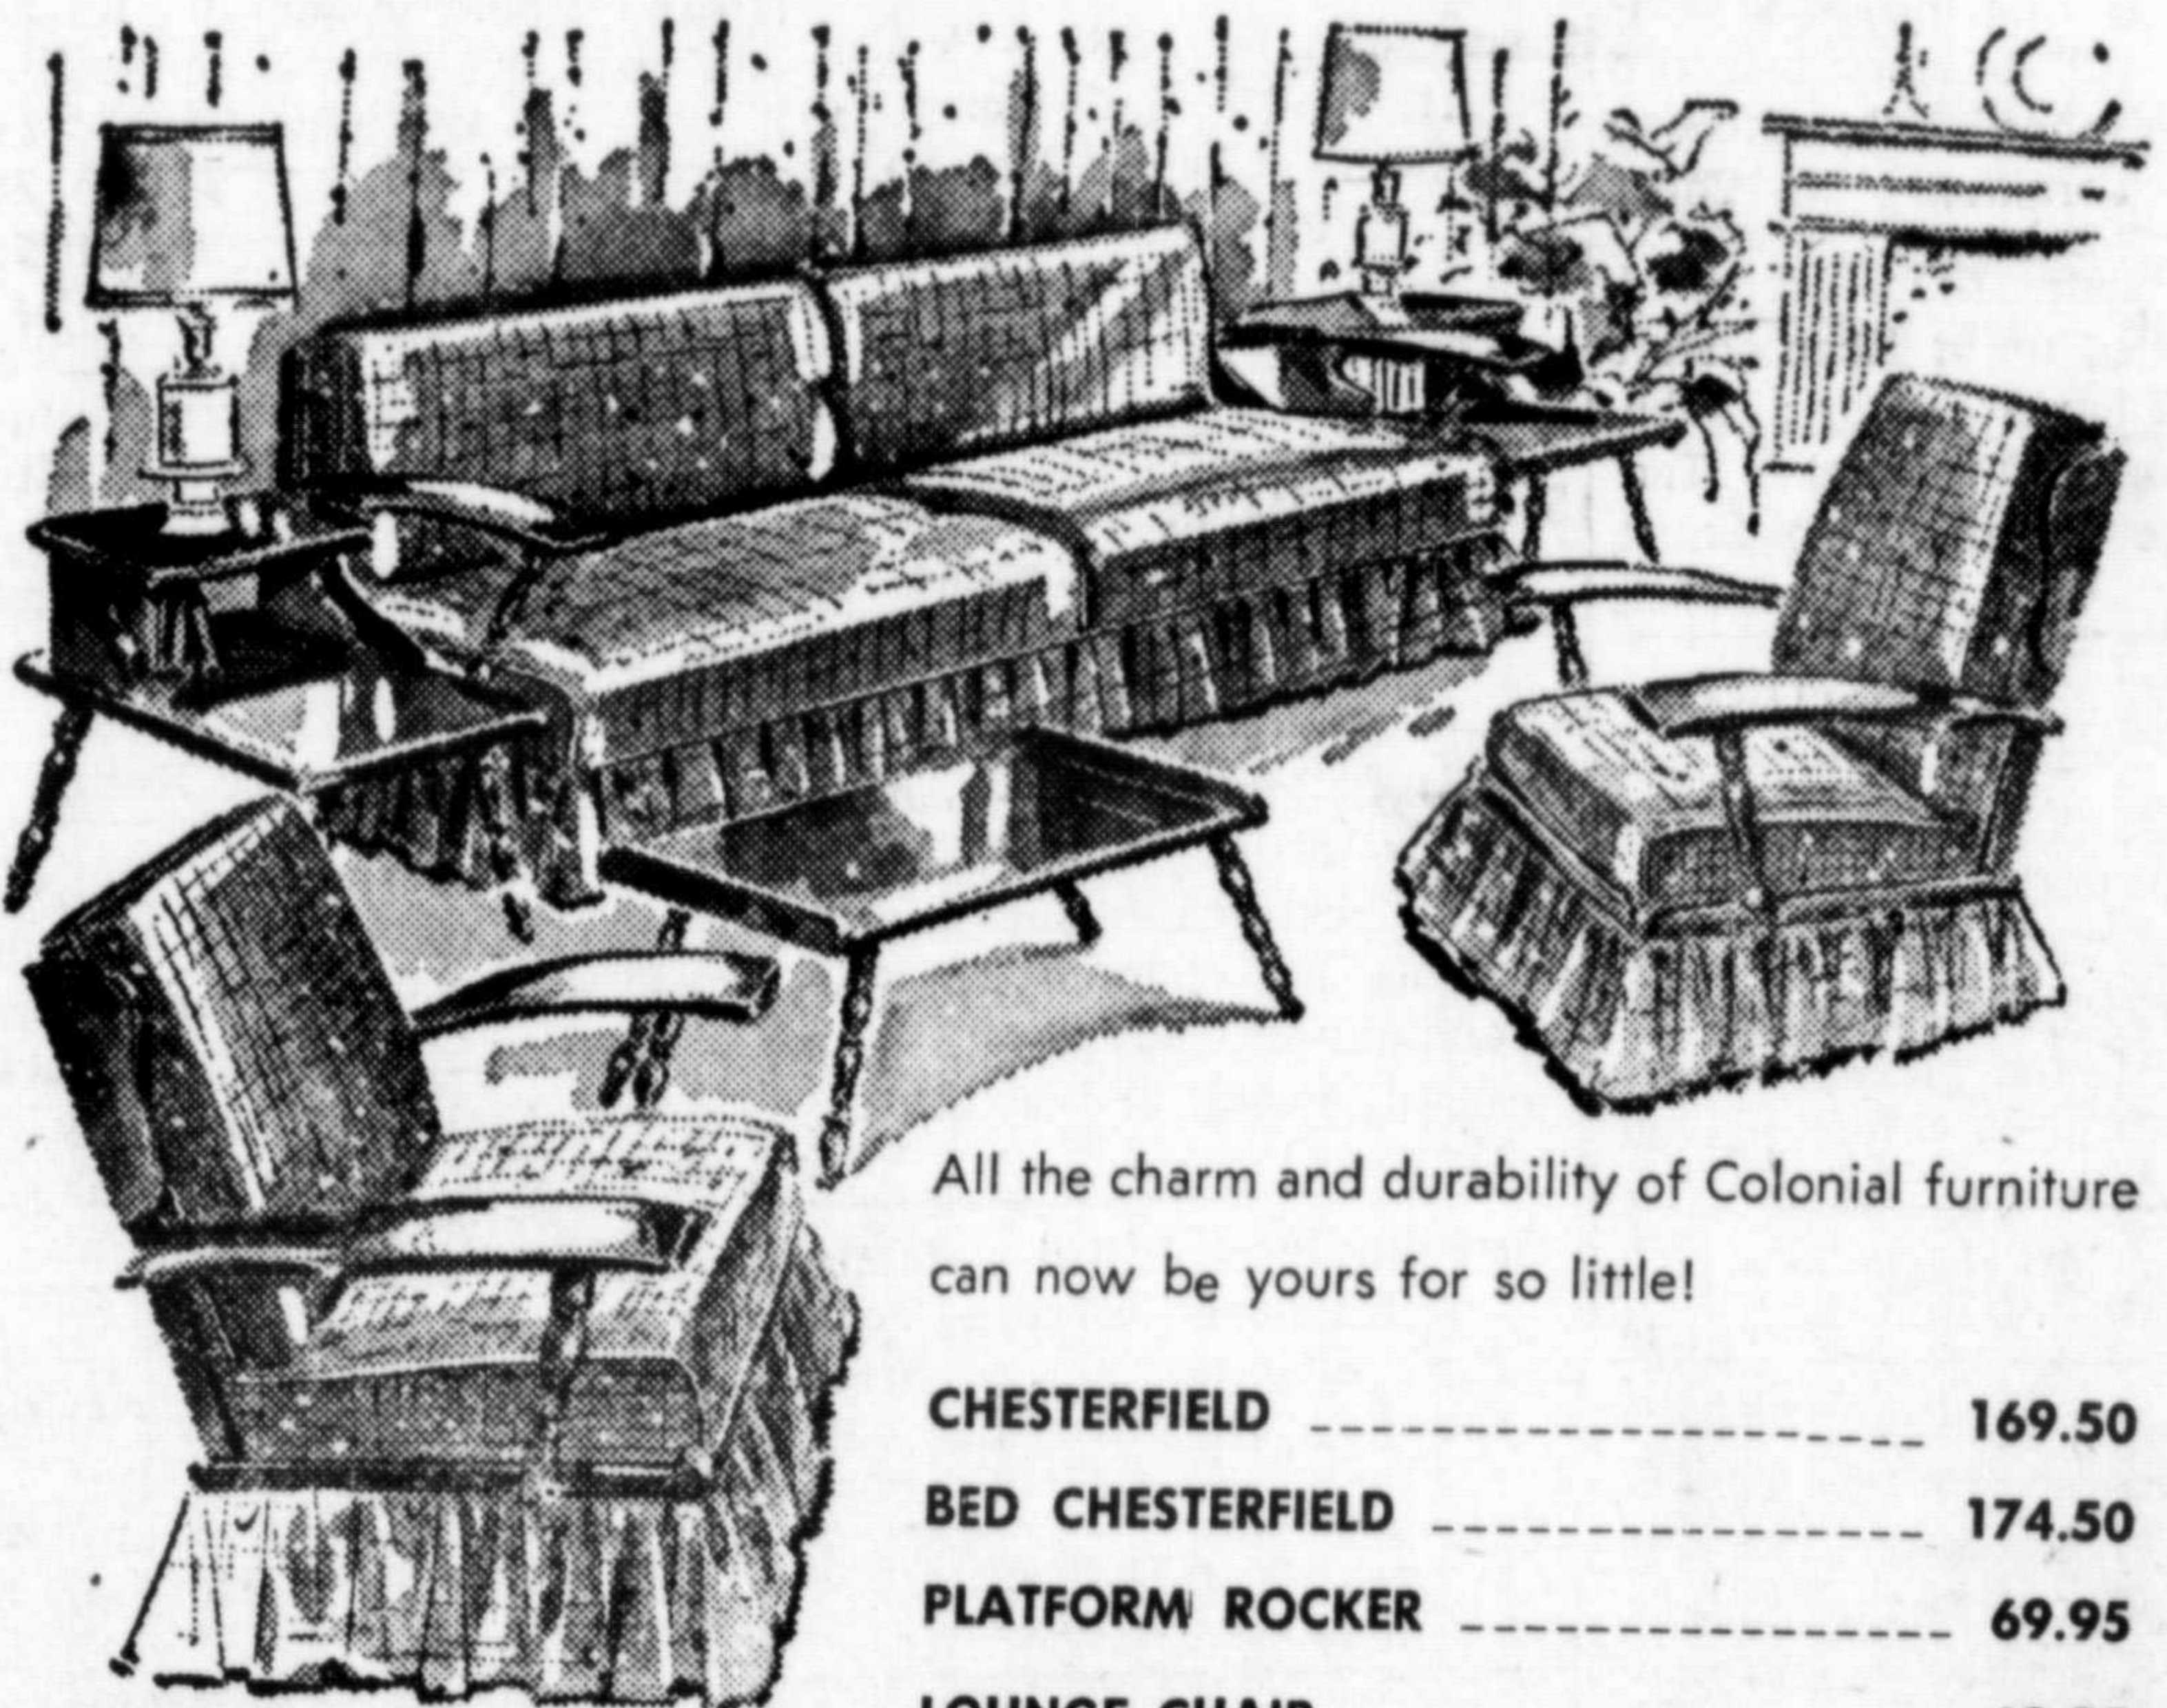

The bright spot of the day for her was when Mr. and Mrs. Jerry Wager and family of Creighton Mines, and Mrs. Wager of Pembroke visited her in the afternoon. Mrs. Jerry Wagner is Mrs. Hodgins granddaughter. We wish to report that Mrs. Hodgins has spent a very enjoyable and well past year and we hope she will have many more of the same.

Witnesses Theme

Uniting Men In A Split-Up World

The three day circuit assembly of Jehovah's Witnesses commenced Friday, February 9th at the Coliseum in Ottawa with 667 in attendance for the opening sessions.

On the following morning, encouraged by the instruction received Friday, hundreds of ministers went out in the Ottawa area to willingly express their hope to others. Conviction motivated these to participate in the door-to-door ministry to bring words of peace and hope to their neighbours.

The afternoon was highlighted by a water baptism of sixteen persons ranging in ages from 13 to 54 years symbolizing their wholehearted dedication to do God's will. They are now ordained ministers.

Among the candidates were: Jessie Dennie, Almonte; Roland Lavigne, Luskville; Miss Barbara James, Renfrew; Bill Copping, Mr. L. Smith, Mrs. Huguette Neidy and L. Baschenis all of Ottawa; Evelyn Wager, Kemptville; Willa Wright and E. Wright of Galetta and G. Burnham of Maberly.

To complete the Saturday afternoon program, Mr. Harold Miller of Cobden, in straightforward language, emphasized the Christian's ministerial responsibility in his discourse, "Publicly Proclaim God's Will".

The Saturday evening program

Bristol W. I.

The Bristol Women's Institute held their regular meeting at the home of Mrs. Earl Findlay with Mrs. James Corrigan assisting.

The roll call was a Valentine to be sent to a shut in. Report was given on the card party, which was very successful.

Plans were made to exhibit at Shawville and Quyon fairs and most of the articles given out. The program was in charge of the president Mrs. Corrigan who read several articles on Technical and vocational training.

An Auction sale was held and refreshments were served by the two hostesses. A program and nominating committee was appointed.

Fort Coulonge

Mrs. Bruce Baxter and Mrs. Wesley Rancourt and daughter Mirielle attended the ice follies in Montreal over the weekend.

Mr. and Mrs. Charles Wakelam spent the weekend in Ottawa visiting relatives and friends.

Diocesan Council Meets at Vinton

The Pembroke Diocesan Council of the Catholic Women's League held its second Regional Conference of the year 1961-62 at Elizabeth's Parish Council, Vinton, Quebec, on Sunday, Feb. 14th. The Conference was held in the Catholic School where Reverend T. G. May, Director, and Mrs. E. Hearty Pres. and members of Vinton Parish Council extended a warm welcome to guests. Large representation came from Quyon, Maryland, Portage du Fort, Bryson, Calumet Island and Campbell's Bay Parish Councils which make up this Region, as well as members of the Provincial and Diocesan Executive and Sisters of St. Joseph from Campbell's Bay.

Mrs. Greg Gervais, Deep River, Dioc. Pres. chaired the meeting.

The Guest speaker, Rev. D. D. Donahue, Principal of St. Mary's Teaching College, Chapeau, spoke on the new encyclical of Pope John XXIII Mater and Magistra, which deals with the Social and economic doctrine of the Church. This was written to bring us up to date on the new social problems that face the Church in modern times. He reiterates the doctrine of Pope Leo XIII, whose encyclical "Rerum Novarum" was the first social encyclical to be published by the Heads of the Church, as it was necessary in the changing times, it also recalls the encyclical of Pope Pius XI "Quadragesimo" Anno published forty years later to bring the doctrine of the Church to a changing world and remind them of the social doctrine as proposed by Pope Leo XIII.

Mrs. Delbert Hearty introduced Father Donahue and he was designed to show the delegates where further improvement could be made, by analyzing their ministerial activity during the last six months.

To hear the widely advertised public address, "Uniting Men In a Split-Up World", 1014 persons assembled in the Coliseum.

Unity in a split-up world can only be attained," said Jack MacPherson, "when men apply the two great commandments to their lives, that is, to love God with all their heart, mind, soul and strength and to love one's neighbour as oneself (Matt. 22: 37-39).

"That this is a very practical suggestion", continued Mr. MacPherson, "is demonstrated by Jehovah's Witnesses in 185 lands who are now united as one "New World Society" regardless of their race, social position or former political affiliation.

was thanked by Mrs. Edward Kavanagh, Vinton.

Organization Convener, Mrs. C. Myles Pembroke, in speaking on her convenership dwelt principally on the directive from the Provincial Convener and her predecessor, Mrs. J. Conway. She stressed the importance of Regional Meetings. She recommended Past-Presidents as Membership Conveners. She urged the membership of 18 to 25 year bracket in the Parish Council.

February being Catholic Press Month, Mrs. A. Labelle, Waltham Dioc. Publicity Convener, speaking on the Press as a media of Publicity, quoted His Holiness, Pope John XXIII, who said "One of the most powerful means by which to serve the word of God is the Catholic Press" Mrs. Labelle showed ways the C.W.L. could be instrumental in this work when reporting the monthly meeting. She urged press conveners to show their appreciation for coverage of the C.W.L. work by sending letters of "Thanks" to the press, radio and T.V. managers often.

Rev. B. Hunt, Portage du Fort, Rev. S. Shulist, C. Bay, Rev. T. G. May, Vinton, Rev. T. Klatt, Quyon, directors present, expressed their appreciation for the great work the C.W.L. does in the parish, and each contributed valuable suggestions for enhancing the C.W.L. program.

Reverend Father T. Klatt stressed the necessity of Study Clubs, using the subject "Rerum Novarum", that Catholic people should have knowledge of the principles of the encyclical and apply them. He greatly favored the Christopher movement, which prepares people to be leaders, who will impart their knowledge to others. He advised Press Conveners to send C.W.L. activities taken from the Diocesan Directives in all fields of C.W.L. work, to be printed in the Church Bulletin.

High tribute was paid Reverend Father T. G. May P.P. and Past Diocesan Director, for his great contribution to the Catholic Women's League, by Reverend S. Shulist P.P. Campbell's Bay. Father May on commenting on the application of the principles of Rerum Novarum, suggested that Parish Councils in this area to do their utmost to induce an industry to establish in each of these towns, that there would be a pay roll at all times, and that Government representatives for Pontiac be approached in this regard.

A sumptuous dinner was served following the adjournment, by members of the Vinton P. Council.
