

Fire Guts Apartment

The Westmount Examiner

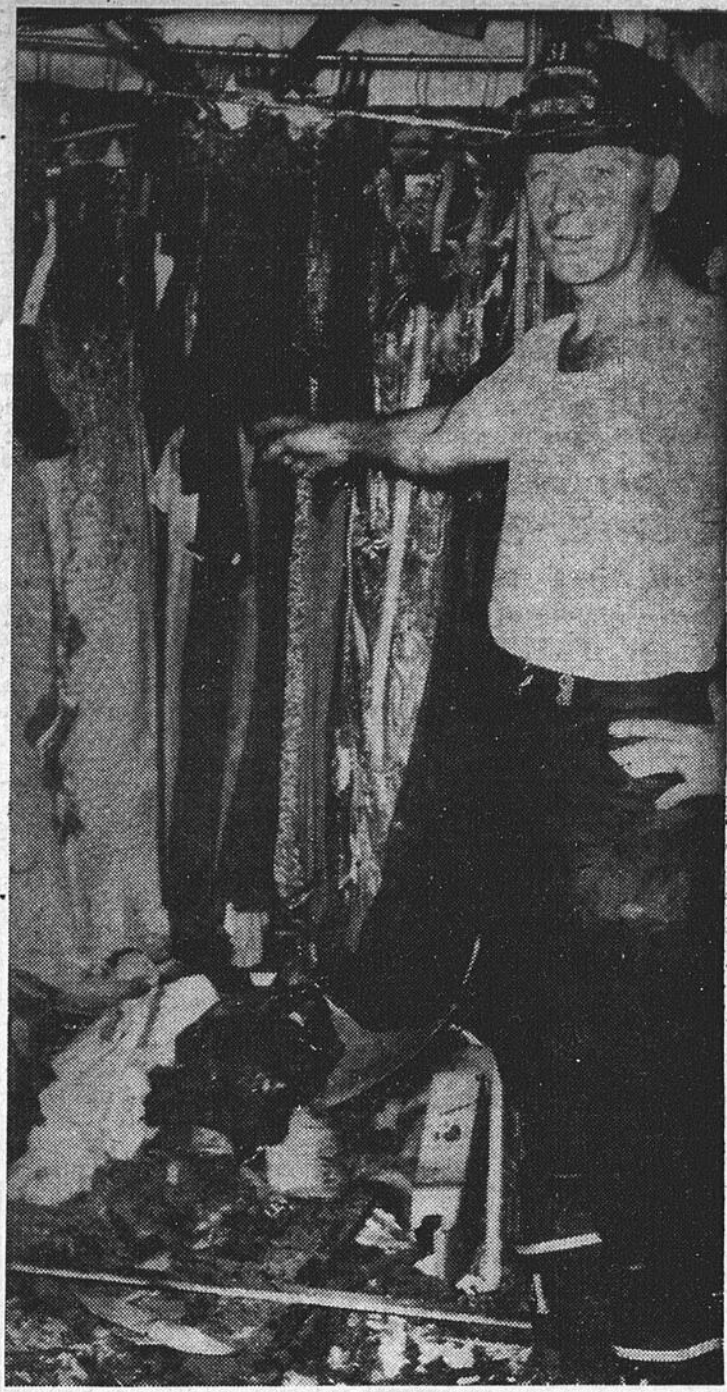

VOL. XXVIII, No. 30

WESTMOUNT, FRIDAY, JULY 26, 1957

TWELVE PAGES

RUDE AWAKENING: Hundreds of Westmount residents watched firemen dump smoking furniture out of a blazing apartment at 4118 Western avenue Wednesday night. Cause of the fire, which broke out in the west end of the second floor, is unknown, but the alarm was turned in by Larry Hughes, 1170 Greene avenue, who reported flames shooting out of the upper floors. Using five streams of water, 20 firemen, under Deputy Fire Chief Edward Harper, brought the fire under control a half hour after it was reported. A tenant, MRS. RITA SAMUELS, was forced to leave her third floor apartment barefoot by the rear fire escape. TOP: Mrs. Samuels borrows a pair of shoes from her neighbor, MISS JEAN HUGGARD, while she waits for the firemen to finish cleaning up. TOP RIGHT: FIREMAN BILL BLACK points to a closet full of charred clothes in the room where the fire is believed to have started. —Acme-Harrison Photo

'Low Bid' Contracts Mean Low Standards Rotarians Are Told

Governments' policy of awarding contracts to the lowest bidder leads to a price war that lowers standards, John Squire told Westmount Rotarians Wednesday.

Secretary-Treasurer of E. G. M. Cape and Co., he was talking on the problems and functions of a general contractor.

"Government contracts, especially expensive ones, get a lot of publicity, said Mr. Squire" but very often private enterprise is engaged in projects far more spectacular. For instance my company is working at the moment in the Blind River area to develop the uranium deposits there. In one year 1956 to 1957 it cost more money than the entire St. Lawrence seaway project."

"To the turn of the century", said Mr. Squire, "there was no such a thing as a general contractor. The architect or engineer designed the building and supervised the erection himself. Later on, building became more complex and specialists developed in many fields. Since the early days of the century construction has altered completely. We no longer use the rubble stone foundation. Today's houses are radically different. We use thin slab floors and the walls are much lighter

(Continued on page 2)

Police Department Figures For June

During the month of June the City of Westmount maintained its reputation as a bad place for thieves and other undesirables to operate.

Lacking a substantial criminal element of its own most of the crimes committed were by out-of-towners and 24 arrests were made.

The traffic department was equally efficient and during the month 212 parking tickets were issued, 149 speedsters were summoned and 28 roadhogs who ignored the traffic lights were also brought to book.

A total of 365 Court tickets were issued, and 68 people arrested on traffic charges. Some 89 traffic accidents were reported in which 33 people were injured.

There were no traffic fatalities and the average daily accident figure during the month was 2.2.

STRUCK BY TAXI

Mrs. E. Robertson, 73, 2591 Cadillac street, suffered a fracture of the left leg and a scalp wound, shortly before eight o'clock yesterday morning as she was crossing Sherbrooke street, about 70 feet west of Clarke avenue. She was removed by ambulance to the Montreal General Hospital where her condition is reported as 'fair'.

Church Girds For Fray

Westmount's mayor and council — in rejecting the petition of Westmount Park-Emmanuel Church against the proposal to place an artificial ice rink across Western avenue from the church buildings — have really stirred up a hornet's nest.

The church militant is girding its loins for further fray.

In receipt of a letter from the city refusing to consider

any change in the plans to place the rink at Lansdowne and Western avenues, church officials are making plans to increase the pressure of public opinion in the hope that all is not yet lost.

Rev. Callum Thompson, pastor of the church, will take as his sermon text on Sunday morning "Save the Trees, but Sacrifice the Church?"

A letter has gone out to

every member of the congregation — which numbers close to 1,000 — urging "If you love your church, its worship, and its organizations, make your voice heard now."

A barrage of letters to newspapers, to Mayor Sydney Bruneau, to members of the council is going into the mails beginning today.

Unless a victory is won, the church officials believe, the church meetings, especially during the week, will be disturbed by canned music blaring from a loudspeaker from an open-sided structure; and it is anticipated that even Sunday worship will be disturbed.

At a meeting of the church board of management Monday the board members received a full report on the presentation of a petition to reconsider the site of the rink to the mayor and council. Following receipt of the letter from the city re-

(Continued on page 3)

Hill Stall No Excuse For Speed Says Judge

Westmount police report "slightly improved" driving manners on Westmount's three "speed offence" roads.

Improved road habits were attributed to widely publicised warnings that further speeding offences on Victoria avenue, Grosvenor avenue, and Cote St. Antoine road would be met by severity from police courts.

Westmount Municipal Judge Bernard Rose said almost all of 100 daily speeding charges were laid because of infringements on the three thoroughfares.

Many speed and traffic law violation charges have been laid during the past two months as result of a "crack-down" policy launched by Westmount police.

Police said that the 20 mile an hour intersection law was the most disobeyed.

Judge Rose said that acceleration to avoid hill-stalls was no

excuse for breaking the speed limit.

He said courts would co-operate fully with police in dealing with offenders.

For driving at 55 miles an hour on St. Catherine st., a recent speeder was fined \$50 and costs.

In cases where speed exceeded 60 miles an hour, Judge Rose said that driving permits were usually suspended.

Said Judge Rose, "We intend to enforce all traffic laws, whether they are municipal, provincial or federal."

Next Week's Weather

By ERIC NEAL

July 27 to August 3

A good holiday week with sunny, sultry days with morning fogs or mists, and high humidity.

Hot through the week, with scattered thunderstorms to clear the air a little.

Relatively warm days with cool nights to end the week, with light breezes. Good holiday weather will continue another ten days.

WOVEN in WESTMOUNT

By DONALD L. HENDRY

AN ADAPTABLE ALTERNATIVE . . . during the heated controversy on Westmount's artificial ice rink project, no one has dared to ask whether a half a million dollars is too much to spend on one sports project for our

suburb — especially when there appears to be no foreseeable income from the rink. There is an alternative plan which seems to be more reasonable and should not meet with as many protests as the present plan.

The city could take the lead from Montreal and build just the rink without the superstructure. This would be an asphalt surface under which the cooling pipes could be laid. The asphalt area can then be used in the summer for such sports as tennis, basketball, lacrosse, shuffle board, etc. During the late fall the rink is flooded providing a smooth surface until spring. The city could save a considerable amount of money with this plan as well as not having to contend with the protests about the incongruity of the rink building. The money thus saved could be devoted to perhaps another such rink as well as a much needed swimming pool.

BETWEEN THE DOTTED LINES . . . H. Joseph and Company, realtors on St. Catherine street in Westmount, have reportedly liquidated their Chateauguay Gardens Enterprise . . . Westmounters with Elwood and Fitzroy telephone exchanges will have their numbers changed sometime in the coming year . . . they could have fooled us but the title of the concrete (abstract) statue in the garden at the corner of Lansdowne and Sherbrooke is "Weeping Woman" . . . it wouldn't be such a bad idea to move the stop sign on the southeast corner of Prince Albert and Chesterfield so that

north-bound motorists on Prince Albert could see it clearly . . . if you're interested, there's still one penthouse available in the eleven storey apartment building now under construction at Western and Redfern Avenues . . . why doesn't the Parks Department admit its defeat and build a stairway at the southeast corner of Prince Albert Park? There's a well worn path leading up the grass hill and the bushes have been broken to provide an entrance . . . several delinquents appeared in Westmount Courts this week after breaking benches and dumping two ping-pong tables in the pond at Westmount Park.

A PRECIPITATED PETITION . . . Westmount's controversial artificial ice rink issue which has been editorialized on the pages of Montreal's prominent newspapers has even reached recognition on CJAD's News Quiz. On the program's Wednesday edition a question was asked — "The following three men were in the news items in which they were heard? "One of the names was that of the Reverend Callum Thompson of Westmount Park Emmanuel Church who was in Wednesday's news concerning his comments on the city council's refusal to grant the church's petition protesting the rink site across the street from the church on Western avenue. No one was able to answer the question even though a resident of Greene avenue was phoned.

NAMES IN THE NEWS . . . the REVEREND CALLUM THOMPSON of Westmount Park Emmanuel Church will preach a sermon this Sunday entitled "Save the Trees BUT Sacrifice the Church?" It will cover the switch of the rink site to a location across from the church after protests that the aesthetic effect of Westmount Park would be spoiled by putting the rink at Sherbrooke and Melville avenue . . .

Penny Carnival Proves Popular At Local YMCA

Two hundred boys and girls of the "Y" Summer Fun Club and their parents and friends enjoyed the Penny Carnival held at the Y.M.C.A. this week. Ring toss, dart throwing, horse shoe pitching and bingo were some of the games operated by the youngsters in their annual games night.

One of the most popular booths was the pistol range where young and old lined up for their turn at shooting out candles with water pistols.

Ann MacGregor, as fortune teller, had a fascinated audience as she foretold the future to the youngsters who drew lucky cards.

Proceeds of the evening's fun will be donated to Y.M.C.A. World Service work. The pennies will go to help in the training of "Y" Secretaries in 30 countries round the world as they learn how to conduct "Y" programs, camps, physical education programs, progressive farms and many other things that we accept as commonplace.

Highlighting this week's program was a trip to Weston Bakery where club members saw how bread, cakes and cookies are produced in a modern bakery.

Granby Zoo was visited by two bus loads of boys and girls on Wednesday. The outing included visiting the animals, eating a picnic lunch and enjoying the kiddie size rides and other novelties at the Zoo.

There are still three weeks of fun packed activity left in the "Y" Summer Fun Club. Any boy or girl from 9 to 15 may join in the fun by registering at the "Y".

than the heavy masonry used previously."

"The role of the general contractor today is primarily that of a co-ordinator", he said. When we submit tenders for a contract we have to call in specialist sub contractors for such things as plumbing and electrical fixtures. We have to try to pare costs as low as possible and still leave a margin for profit. It is a partnership rather than an organization and the subject of costs is very important to the contractor."

"In the trade itself, we have our own specialists and the most notable of these is the supervisor or superintendent. There is a great difference between erecting an ordinary domicile and a million dollar industrial plant. The superintendent of the latter naturally gets a larger salary than the man superintending the building of a house, he continued.

The business of contracting is tied up with the economy of Canada and in many ways acts as an economic barometer, he said. Students of the construction business have identified definite cycles of twenty years when the industry slumps and booms. If these patterns are correct then 1953 was a peak period and we are gradually moving to a less prosperous period.

Mr. Squire concluded, "An interesting development which is becoming more apparent as the industry gradually becomes more complex is that we are reverting back to the system prevailing at the turn of the century as Architects and engineers are once more playing a larger part in general contracting."

GEORGE COTE will return home shortly with a chiropractor's degree and a new wife, from sunny California . . . GERRY SELKE and family had no trouble cooling off during the recent hot weather since they are the proud owners of what is one of Westmount's few private swimming pools . . . WILLARD THOMPSON a 21 year old Upper Lansdowne resident is one of the fifteen hundred entrants in the National Model Air Plane Championships at Willow Grove Pennsylvania . . . did DOUGLAS BREMNER shoot the bison who's head is mounted on his boulevard front porch? . . . BILL DUNLOP has finally replaced the red "V" in the Esso Service sign at his Grosvenor and Sherbrooke service station . . . FRED and THEO MAYER have left the shoe business for greener fields and will operate their building as a real estate venture until further developments.

JUST ME . . . I envy those now enjoying paid summer vacations . . . I've never been with one concern for a full year . . . getting the short end of the stick when holiday time comes around . . . We will be interviewing the players and officials at the Davis Cup matches at the Mount Royal Tennis Club this weekend again for CFCF.

Fun Club Group Passing Tests With Alacrity

Boys and girls of the Summer Fun Club at Westmount YMCA were successful in passing the following swimming tests this week:

Beginners fifty foot test was passed by: Anthony Willis, George Hariton, John Szekeres, Edgar Pelger, Anne-Marie Sirois, Susan Svendsen, Susan Hudson, Ingrid Csejy.

Card one test consisting of forty yards, crawl stroke, front dive, back flutter kick and ducking for an object was passed by: John Galt, Kevin Knelman, and Heather Lauer.

Card two test which consists of a hundred yard swim, front dive from diving board, back crawl sixty feet and a proper surface dive was passed by Shelage Bonn.

Card three test, two hundred yard free style, running dive from board, side stroke sixty feet, and several water stunts, was performed successfully by Beth Marchant.

The card 5 test was passed by Ronald Parker. This is a pre-life saving test and requires surface diving, side stroke with one arm inactive, swimming on the back without arms and the difficult disrobing test in the water.

LOTS OF FUN

Over 226 children take advantage of the facilities on Westmount's playgrounds, says the report of the city's general manager. Of these 47 are at Staynor, 75 at Westmount and 104 at Prince Albert. Weekly attendance figures for all three playgrounds are 226.

Health Department Issues June Report

City of Westmount's health department reports that during the month of June, 24 cases of infectious diseases were investigated.

Whooping cough, diphtheria and tetanus cases amounted to 25. A total of 790 children were inoculated with anti-polio Salk vaccine.

Four doctors and four nurses* were in attendance at the city's clinics. Some 250 families are now registered with the child health centre.

Two x-ray clinics were held during the month and a total of 47 persons examined. A total of 28 of these were negative, 2 are under observation with 16 pending.

The x-ray examinations are carried out in conjunction with the Anti-T.B. League of Canada. The clinics are in the Victoria Hall. All food handlers and persons in direct contact with the public are required to obtain in a health card. X-ray examinations are obligatory for them.

If any symptoms of the disease are noted, the person concerned is referred to the Royal Edward Institute for treatment.

Few Fire Calls In Past Month

Vigilant measures adopted by the City of Westmount fire department paid off in a significant drop in the numbers of fires in the city during June. The brigade received 44 calls, four of which were false alarms, and 32 minor outbreaks and other scares.

There were only 12 actual outbreaks of fire and none of these were serious. The fire prevention section issued 48 notices and 49 cautions to owners of properties that had fire hazards. A total of 262 premises and 212 apartment house lockers were inspected as well as 79 fire extinguishers.

Church Girds For Fray

(Continued from page 1)

jecting the petition, the board instructed the committee in charge of the fight to oppose strongly any site situated closer to the church than the concrete wall at the southern boundary of the tennis courts.

While some of the city's clergy are out of town on vacation, many of those who could be reached appeared to be in sympathy with the plight of Westmount-Park-Emmanuel.

One clergyman in particular was decidedly outspoken in his opinion of the 'high handed methods' used by the city to select the proposed sites, and stressed particularly the problem of noise that was bound to arise from such an arrangement.

While the opinion of some of the clergy is that the Ministerial Association should not be involved in the affair — privately, the individual clergymen appear to sympathize with Rev. Callum Thompson.

An argument against the Lansdowne-Western site that is gaining favor with the general public, is the belief that the project will cost an additional \$50,000 to \$100,000 if erected on the site, because of the fact that this ground was largely built up with refuse of all types when the area was levelled, and pilings for the foundation will have to be sunk to great depths before firm footing is found.

Work Proceeds 'On Schedule' On City Roads

The City of Westmount' embarked on an ambitious program of public works during the month of June.

Wednesday a city hall official announced that one-third of the program had already been completed and the rest will be finished within the next two weeks.

The areas are being resurfaced with asphalt and the following streets are now completed: Braeside Place, Belvedere Place, Belvedere Circle, Carleton avenue, Delavigne road, Douglas avenue, Murray Hill, Parkman Place, Renfrew avenue, Sydenham avenue, Forde avenue between Cote St. Antoine and Montrose avenue, and on Montrose between Aberdeen and Murray.

The work of raising manholes, changing broken gullies and preparing the road surface on Greene avenue and St. Catherine street prior to covering the tramway tracks with asphalt has also begun.

New Home Of St. George's Rises On The Boulevard

By RALPH BROWN

The old St. George's school, founded in 1930 and which to date has three Rhodes Scholars to its credit is making way for the new.

On The Boulevard at Ramesay avenue, a modern, three storey brick building is being erected. When completed in the fall it will contain 14 classrooms in addition to a gymnasium, a dining room, a laboratory, a library, a music room, a craft room, a clinic and offices and it will accommodate some 275 students.

Hitherto students attending St. George's had to leave after completing 9th grade, but the new school will enroll children in nursery and educate and guide them through matriculation.

The unique feature about this independent, co-educational, non-denominational, non-racial elementary and high school is its approach to teaching.

It follows a method which is described as progressive. As Miss Matthews, the principal explains, the class programs are not rigid but vary from year to year depending upon the I.Q. of the class.

The idea is to progress at a rate which is neither too fast nor too slow for the students to follow and understand. Brilliant students are given work at an accelerated rate and their talents are carefully developed. Mrs. Forbes, public relations director, reports: "St. George's is equipped to handle the gifted child —

Canada's most neglected resource." In the high school there is no (Continued on Page 9)

WE SAY

Let's Not Hide The Indoor Rink

WILL we ever get our indoor skating rink?

It is unlikely the City will proceed with this worthy project without some degree of unanimity on siting.

The doctors (and tree lovers) objected to Westmount Park.

The churchmen now object to Western and Lansdowne.

The bakers could object to the Glen.

When back we said we thought the original park site ideal. It would have been central, a setting befitting a structure to be proud of.

Later we agreed Western and Lansdowne was a reasonable compromise and hoped that would settle it.

We still think a rink for the healthful recreation of our youth and a church are compatible, side by side. Surely they are complementary.

And we must agree with Mayor Bruneau: a structure of this purpose should not be hidden away.

Integrate Railways In Traffic Planning

CITY Councillor E. T. Asselin's suggestion that the CPR build a station at the Cavendish boulevard underpass has a lot of merit.

With the Great West End growing more populous every year and the City's streets becoming so crowded that traffic is slowed almost to a walk, other methods of moving people to and from their downtown jobs soon will have to be found.

The railway lines that

encircle the city provide an obvious solution.

Mr. Asselin could have gone a lot farther.

For example, a station at the Decarie boulevard underpass, near Namur street, and use of the Cote St. Luc station for passenger traffic would provide quick transportation to and from the centre of the city for thousands of residents of Saint Laurent, Snowdon, Cote St. Luc and north-western Notre Dame de Grace.

Diesel or electric trains, similar to those used in Toronto's subway or on Cleveland's rapid transit system, could make the trip from Outremont to downtown Montreal in less than half an hour, from Decarie boulevard in 20 minutes, and from Cavendish underpass in 10. Trains could run either on the present rail lines—an extension of present commuter services—or on lines paralleling the railways, as they do in some cities.

Neither of our railways

Tea Room Urged For Murray Park

Sir: Regarding the article on Murray Hill Park.

I sincerely trust it will always remain such, for it, of all the parks of the city, to my mind's eye is not only a fountain of Nature's beauty but its outlook is its main attraction when the trees are bare enough for the eye to see the river and its pan-

oramic view.

A pity tourists do not see it as a rule. It would attract more tourists if a public tea or lunch counter were arranged. I would be glad to assist if such a thing were opened.

A Canadian.

Let Departments Get Together

Sir: As one of the numerous residents of this district who travel to and from the Laurentians, I would like to know why the CPR no longer stops the trains at Ste. Agathe long enough for passengers to get much needed refreshments. The railway's restaurant is still in operation, but few passengers have a chance to patronize it.

Even on the new Dayliner coaches, the trip from Mont Laurier can be quite long and I am sure a snack would be welcomed by the majority of the passengers, especially if the stop at Ste. Agathe comes at meal time.

Perhaps the department that runs the restaurant will get together with the department that runs the trains and arrange to restore the 10-minute stop that once applied to all trains to and from the north.

Incidentally, the buses all stop at Ste. Agathe for a coffee break.

Laurentian Traveller

History Related Of Post Office

Sir: The Westmount Examiner says we are to have another post office in Westmount.

I would like to tell you how we came to get the one on Greene avenue, at the turn of the century.

The first post office was at the corner of Greene and opposite the Royal Bank. Now a restaurant, it was a very dilapidated place, and was run by two maiden ladies who were as cheerful as a wet Sunday.

So the trades people of those days thought it was time we had an up-to-date post office.

So a Mr. Jackson who had a

By the Way . . .

I only want to help

EVERYONE springs forward with a cure for smoking. One letter says, "Place the tongue at the roof of the mouth for a few moments and the urge to smoke will disappear." Here are a few tips:—

Smear your cigarets with marine glue and asafoetida.

Always put the lighted end in your mouth.

Soak every cigaret in water and use spent matches which won't strike.

Pierce holes in the cigaret so it won't draw.

Put the match in your mouth and throw the cigaret away.

Use a dummy holder blocked at both ends.

Facing facts

THE problem of how to take exercise without missing a moment of the television program has been solved. You fit a stationary bicycle to your armchair, and pedal violently while you are watching the screen. All that is needed now is a tiny refrigerator to attach to the chair, so that you can eat your pre-cooked frozen food-slices without moving. Some watchers are buying bed-chairs in which to sleep between television hours. They are awakened by a steel hand which grips the throat and offers the victim an energising pill.

—Beachcomber

drug store, a wooden frame building where Brooks pharmacy stands, decided to canvas eastern Westmount with a view to getting one. He had a good reception, and contacted our member of Parliament, Mr. R. S. White, who had it passed.

Then came the choice of sites. Mr. Jackson's block of land on Greene avenue where the White Rose gas station is situated, and the lot where Steinberg's are. It really kept Mr. Jackson poor paying taxes. So he thought, after all his labors in canvassing the city, they would choose his land.

But site of the post office chosen was that of a grocery store owned by a Mr. Elliot.

Adjoining the Jackson property was the Murray estate, very old residents who ran a florist store of Beaver Hall hill. On their death, the heirs ran into difficulties and the property was sold for taxes, so then we had our first theatre. Later, the Murrays' old home was an eyesore and everyone wanted to know why the City of Westmount would not condemn it.

But the contractor who built the theatre had a wide vision. He bought it for a song, sold the materials to a demolition firm, then sold the land as a parking lot to the theatre and Steinberg's.

Dec-Aar

Political Catechism Suggested By Rose

Commonwealth II
By
The Venerable
R. Kenneth Naylor, D.D.,
Rector, Trinity Memorial Church

In the Commonwealth our obligations run in two directions — external and internal. The external relations are purely voluntary and even idealistic. The Colombo plan is a good example of such relations in which the wealthier members of the family assist the less fortunate members to get on their own feet, and become more completely self-supporting. A similar plan embracing the West Indies would be of very great help to the West Indies and also to Canada. We cannot afford to have a poverty stricken member of the family on our own door-step: what begins as idealism might well end as good business and good citizenship. It could mean the exchange of oranges and bananas for wheat.

The internal relations should be the subject of continual experiment. Anyone who wants to pursue the study can find the material for it in the Papers and Reports presented to the Duke of Edinburgh's Conference last year (published by Oxford University Press in two volumes). One of the most interesting reports comes from the Sudan where some five or six years ago the British authorities, knowing

that they were going to pull out shortly, set about the provision of a solid economic core for the new community. They took 1,000,000 acres of unproductive land to develop. But they had no money, and so they enlisted the aid of a group of London financiers who had a concession in the Sudan. But, again, they did not want to do a job and impose it on the Sudanese, so they called in the heads of the villages involved, and the project became a three-way concern. At the end of five years the British authorities pulled out and left the Sudanese with a sound economy based on irrigated cotton; the London financiers pulled out, after making a good return on their money; and the Sudanese remain their own masters. The teller of the story, however, notes one serious error: there was not enough friendly contact

Day Season and the completion of
The Greater Temple Emanu-El, we
are now registering families who
are unaffiliated and who wish to
join Congregation Temple Emanu-
El. For information call the Temple
Office, Fitzroy 2405.

between the three parties, with the result that the Sudanese felt suspicious of the Europeans.
There is a lesson there for the Commonwealth Economic Conference in September. There are many parts of the Commonwealth to be developed; and there is no reason why such development should not go on on a co-operative basis, to the very great advantage of all concerned. But back of the development there must be the friendly trust of all the parties concerned.

Christian Science

Today's need of the spiritual sense of truth will be emphasized at Christian Science services Sunday.

The Lesson-Sermon on "Truth" will include the following from Psalms (145:18): "The Lord is nigh unto all them that call upon him, to all that call upon him in truth."

Correlative passages from "Science and Health with Key to the Scripture" by Mary Baker Eddy will include the following (272:3-5): "The spiritual sense of truth must be gained before Truth can be understood. This sense is assimilated only as we are honest, unselfish, loving and meek."

The Golden Text is from Psalms (98:1,3): "O sing unto the Lord a new song; for he hath done marvellous things: . . . He hath remembered his mercy and his truth toward the house of Israel: all the ends of the earth have seen the salvation of our

Temple Emanu-El

Sabbath Services during Summer Weeks: Under the auspices of Temple Brotherhood, services are held Friday Evenings in the Temple Community House commencing at 8.15 o'clock. These services are conducted by the laymen of the Congregation with Bernard Figler, presiding at the Organ. Memorial Anniversaries to be observed at this Service are the following: Ralph Davis; Mrs. Mollie Packer; Abraham Feldman; Louis Bernstein; Abraham Yaphe; Max Schacter; Mrs. Nancy Shapiro Kossman; Joseph Asch; Mrs. Perle Bloom Hirsch; Mrs. Sara Winer; Moishe Pinkusiewicz; Mrs. Ita Pinkusiewicz.

Social & Personal

Mrs. P. C. Armstrong, of Westmount, who has been visiting Mr. and Mrs. Ludlow Haskell at Cap a L'Aigle, Que., has returned home.

Mr. and Mrs. S. F. Tilden, of Westmount, are spending some time at Jasper Park Lodge, Jasper Park, Alta.

Miss Lumena Desjardins will leave shortly by air for Europe where she will visit Lourdes, Paris and Rome.

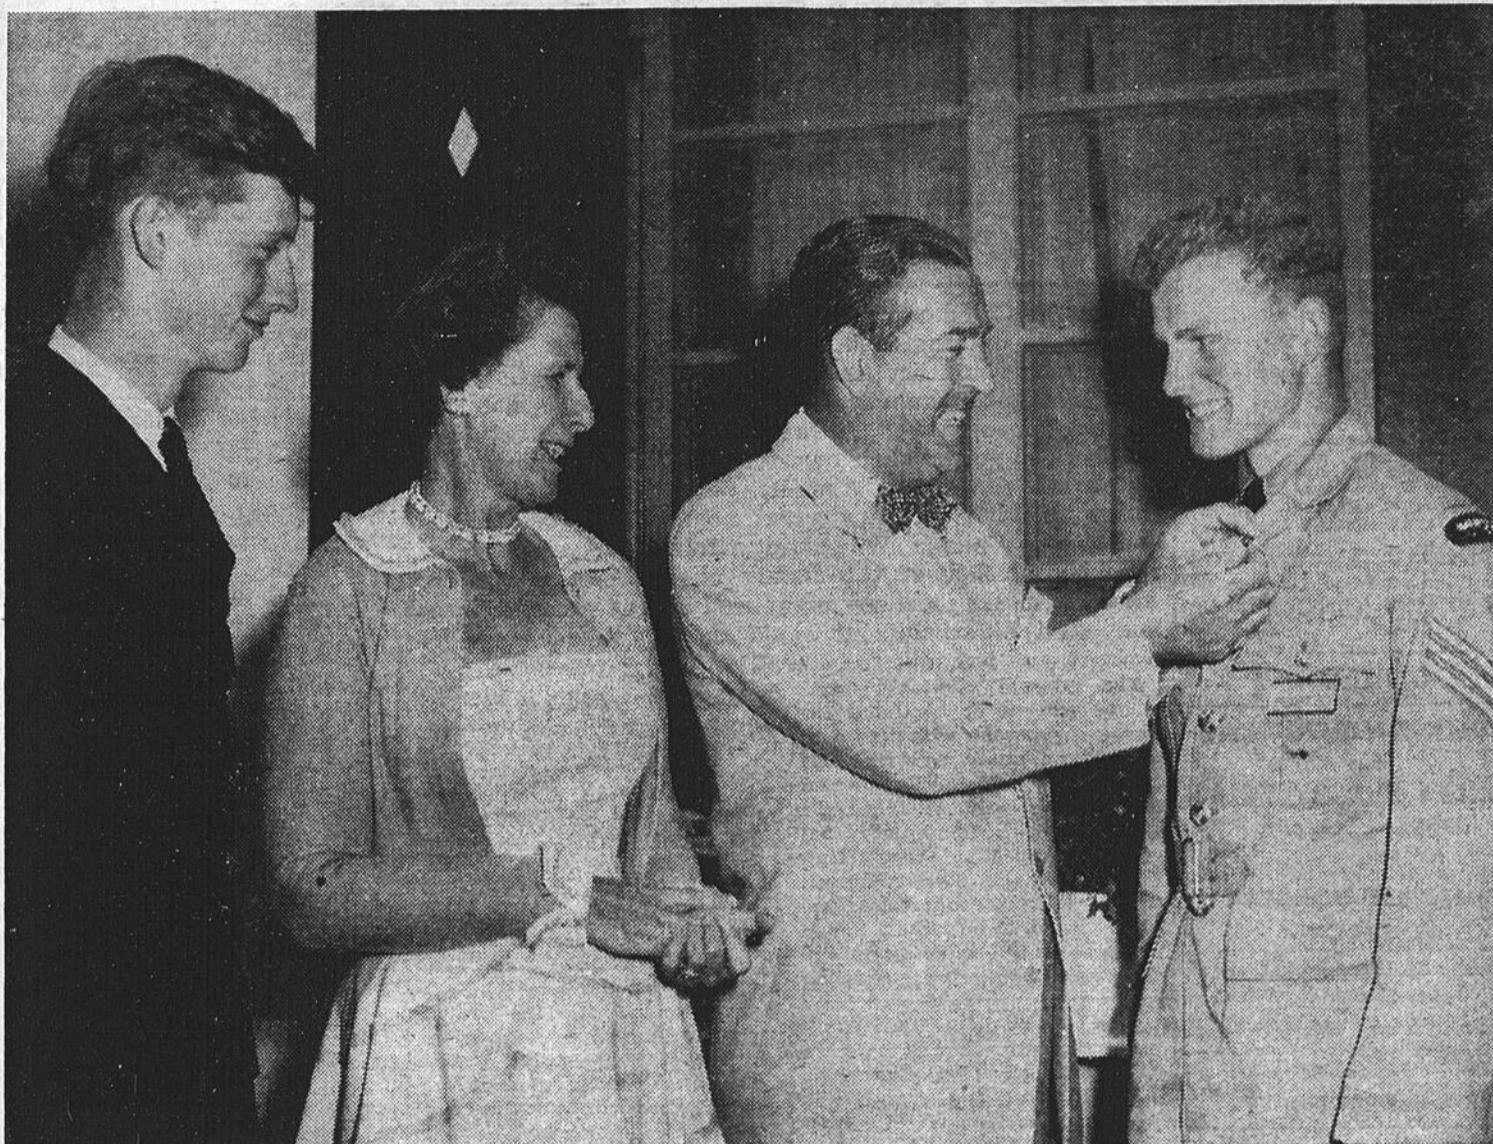

Mr. and Mrs. John Budden have returned from a stay at Banff, Alta.

Miss Yolande Tasse returned last week on the Homeric after spending a year at the College-Franco-Britannique in Paris, France.

Mr. and Mrs. Edgar Reynolds have returned from a visit to Kennebunkport, Maine.

Mr. and Mrs. Paul Beique are spending this month at the Maiour Richelieu, Murray Bay, Que.

Miss Gail Eakin, daughter of Mr. and Mrs. W. R. Eakin jr., was among the debutantes presented to Her Majesty, the Queen at the Presentation Party

held recently at Buckingham Palace.

Brig. S. J. L. Hill, DSO, MC, and Mrs. Hill and Miss Gillian Hill sailed Tuesday on the Empress of England for England.

Mr. and Mrs. Hugh Boudy and their son, Mark, have re-

turned from the Hermitage Club, Lake Memphremagog, Que., where they spent a month.

Mr. C. Douglas Taylor, Honorary President of the Air Cadet League of Canada, and Mrs. Taylor, entertained a party of 33 Air Cadets representing the United Kingdom, Sweden, Holland, Denmark and Norway, at their summer home at Ste. Agathe on the weekend. Mr. Taylor is shown here pinning a souvenir Air Cadet Lapel Pin on R. W. Osborne of Nuneaton, Warwick. Looking on with Mrs. Taylor is Cadet Sten. Soderstrom of Sweden. Next step on the Cadets' tour of Canada is Algonquin Park, where they will enjoy a week-long typical Canadian outdoor holiday.

Baby Ferguson Is Christened

The christening of the infant daughter of Mr. and Mrs. J. Louis Ferguson took place recently in St. Leo's Church, Westmount, the Rev. Father Lucien Thibodeau officiating.

The baby wore an heirloom christening robe and was given the names of Denise, Anne-Marie. The godparents were Mr. and Mrs. Jean Paul Charbonneau of Quebec City.

Following the ceremony, the Hon. Mr. Justice and Mrs. J. P. Charbonneau, grandparents of Denise Anne-Marie, entertained at a reception.

She was about to go out on her first real date and she asked her mother, "What shall I do if he tries to kiss me good-night?" "Well," said her understanding mother, "I suppose you could whisper for help."

The summer camp for girls in the League's main project is a sum-

Junior League Plans An "Autumn Fantasy"

Mrs. R. B. Spence, Mrs. Harry Bennett and Mrs. Bruce Gillespie are members of the Money-raising Committee of the Junior League of Montreal whose annual party in aid of community activities "Autumn Fantasy" will take place Friday evening, October 18, at the Windsor Hotel.

Mrs. Gillespie is chairman of the Canvassing Committee in charge of donations; Mrs. Bennett is co-chairman and Mrs. Spence is chairman of the Money-raising Committee. The League's main project is a sum-

mer camp for girls in the Laurentians.

Lady Hardinge and her daughter Hon Gay Hardinge are spending a holiday in Martha's Vineyard, Mass., guests of Mrs. Russell Bell.

Miss Jane Wilbraham, of Brook House, Cuddington, Cheshire, England, has arrived to spend several months with her uncle and aunt, Mr. and Mrs. H. E. Plant.

Mr. and Mrs. Alfred Rittenberg left Tuesday on the Empress of England to spend some time abroad.

ENGAGEMENTS

Mr. and Mrs. O. Cecil Clarke, of Vancouver, have announced the engagement of their daughter, Pamela, to Mr. Robert Owens, son of Mr. and Mrs. O. N. H. Owens of Westmount. The marriage has been arranged to take place Saturday, September 14, in the Church of St. James the Apostle.

The engagement has been announced of Miss Mary Regina Roche, daughter of the late Ivor Francis Roche and of Mrs. Roche, of Westmount, and Mr. Fintan Joseph Heffernan, son of Mr. and Mrs. Fintan Heffernan, of Montreal.

The marriage has been arranged to take place Saturday, August 31, in the Church of the Ascension of Our Lord, Westmount. Mr. Heffernan received his degree in Engineering from McGill University, Class of '57 and has been awarded an Athlonè Fellowship.

Lancashire Calling

A meeting of the Lancashire Club will be held Saturday, July 27, at 8 p.m. in the Sheraton Mount Royal Hotel, Peel street, Montreal. Further details from John Crossley, Hu. 8-2027 or Sid Sumner ME. 1-1145.

Mary-Ruth Mount, Mr. Peter Mundy

In Westmount Baptist Church, the marriage took place recently of Mary-Ruth Coverdale, younger daughter of Mr. and Mrs. Albert E. Mount, to Mr. Peter John Mundy, son of Mrs. T. J. Mundy and the late Mr. Mundy. Rev. Edgar Bailey officiated at the double ring ceremony. Mr. Galt MacDermot played the wedding music, and Mr. Victor Chapman sang during the signing of the register.

Given in marriage by her father the bride wore a gown of eggshell brocaded satin fashioned with a full skirt having a front panel. Her elbow length veil fell from a small tiara of seed pearls, and she carried a Colonial bouquet of American beauty roses.

Miss Joyce Daniel, as bridesmaid, wore an ankle length gown of Dior blue lace and taffeta, with a bandeau of Talisman roses, and carried a Colonial bouquet, also of Talisman roses.

Mr. Burland Boyce was best man, and ushers were Mr. Herbert Gillingham and Mr. Donald Dunlop.

Following the ceremony a reception was held in the church hall.

Mr. and Mrs. Mundy will reside in Ville d'Anjou.

Audrey Cheese, Colin A. Spencer

The marriage of Audrey Mary, widow of Paul S. Cheese and daughter of Mr. and Mrs. R. C. Stevenson, to Mr. Colin Alexander Spencer, son of Mr. and Mrs. C. A. Spencer, took place quietly Friday afternoon, at half-past three o'clock, in Trinity Memorial Church, the Ven. Archdeacon Kenneth Naylor officiating.

The bride was attended by Miss Joan Cullen and Mr. Wilson Spencer acted as best man for his brother.

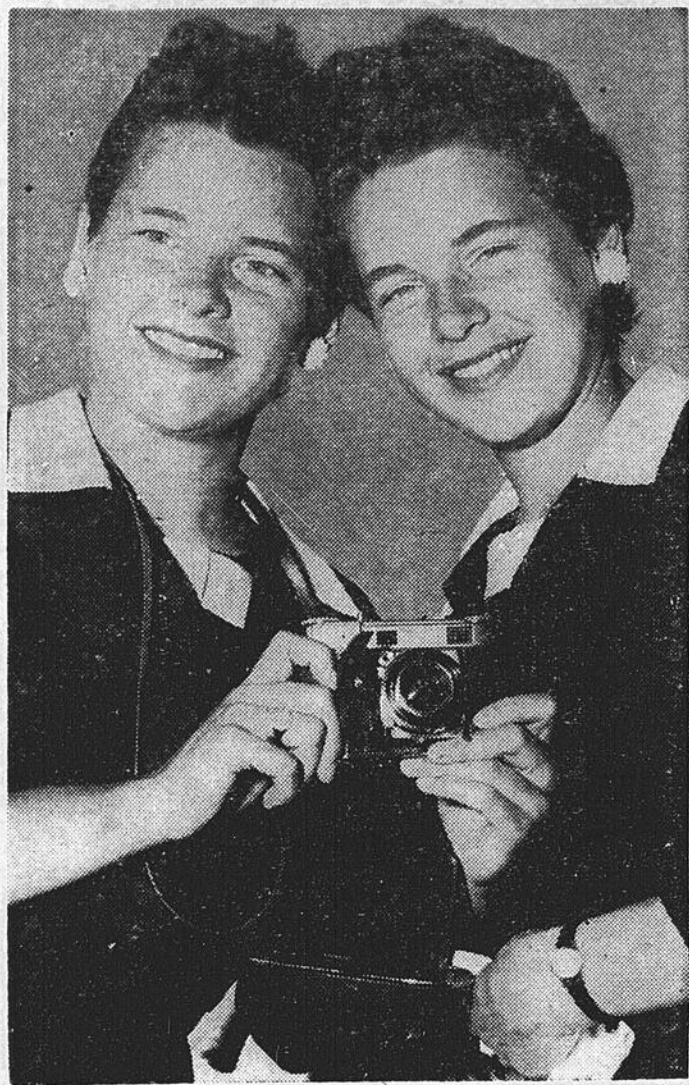

Not many of the sight-seeing expeditions travelling through Alberta miss the opportunity of seeing the grotesque skylines and weird canyons that stretch for miles in the graveyard of the dinosaurs situated in the Red Deer River Valley.

Skinny men, women gain 5, 10, 15 lbs.

Get New Pep, Vim, Vigor

What a thrill! Bony limbs fill out; ugly hollows fill up; neck no longer scrawny; body loses half-starved, sickly "bean-pole" look. Thousands who never could gain before are now proud of shapely, healthy-looking figures. They thank Ostrex Tonic Tablets. Helps build up body skinny because of poor appetite due to lack of iron. Improves digestion, nourishment, puts flesh on bare bones. Increases pep. "Get-acquainted" size only 60¢. Try famous Ostrex for new pounds, pep, vim, vigor, this very day. At all druggists.

Smart Twins Return

MARGARET AND CAROLINE SMART, 21-year-old Westmount twins, are shown as they arrived home from a seven-week vacation in Europe on the Cunard liner Saxonica. They received the trip as a reward for graduating from Marionopolis College, each with a BSc. They plan to be research chemists.

Guides' World Camp in August Will Be First Time in Canada

Some 1,500 Girl Guides representing 38 countries will attend the first world Guide Camp ever held in Canada. They will camp at Doe Lake near Huntsville, Ont., 120 miles north of Toronto, from Aug. 8 to 19.

Canadian Girl Guides are working hard to erase any difficulties that might crop up regarding language, diet or dress. They live happily together by the Girl Guide laws. One of these laws aim to show the world that individuals from every nation can be: "A Guide is a friend to all, and a sister to every other Guide."

The camp chief will be Mrs. W. Rankine Nesbitt of Toronto, chief commissioner of the Canadian Girl Guides.

OUTDOOR LIFE

The campers will sleep in tents, and all cooking will be done on charcoal stoves outdoors. Swimming, canoeing and hiking are on the daily round of sports activities.

An exhibition of Canadiana including specimens of Indian, Eskimo and French-Canadian culture will acquaint the foreign

The official opening ceremonies include the breaking-out of the colors of all 38 countries represented. All delegates will take part in a giant campfire occasion.

Eighteen registered nurses and two doctors will be on hand to handle any medical emergencies.

The catering staff figures that the 50,000 meals during the 12-day holiday will require nearly 18,000 quarts of milk, 1,500 dozen eggs and 7,000 pounds of butter, among other items.

ACROSS WORLD

Among the Guides, 400 are expected from the United States, including Alaska and Hawaii. Chosen Guides will come from Australia, New Zealand, Burma, Ceylon, Pakistan, the Philippines, Japan and Greenland.

From Europe will come representatives from Belgium, Denmark, Finland, France, Greece, Italy, the Netherlands, Norway, Spain, Sweden, Switzerland and Great Britain.

A graduate student working on juvenile delinquency, says Reader's Digest, reported to his university sociology seminar that he was having difficulty gathering data. His project was to telephone a dozen homes around 9 p.m. and ask parents if they knew where their children were. "My first five calls," he lamented, "were answered by children who had no idea where their parents were!"

Elizabeth Oliver, John Leigh Are Wed In St. Matthias Church

The marriage of Elizabeth Kathleen, daughter of Mr. and Mrs. Charles H. Oliver, of London, England, to Mr. John Leigh Bishop, son of Mr. and Mrs. J. Leigh Bishop, of Westmount, took place recently in St. Matthias Church, Westmount, the Rev. Kenneth Keefe officiating, assisted by Canon A. R. Kelley. Mr. Alan Rhodes played the wedding music and white gladioli and pompoms arranged with greenery and candles in candelabra were used to decorate.

The bride, who was given away by Mr. Eldrige Cate, QC, was in a gown of Swiss organdy and Chantilly lace over poul de soie, fashioned with a fitted lace bodice having a sabrina neckline and short sleeves, and a very full skirt of organdy applied with lace and falling into a chapel train. Her short veil of tulle illusion worn over the face, was held by an Elizabethan headdress of seed pearls and she carried a semi-cascade bouquet of pink Sweetheart roses and stephanotis.

Mrs. Julian Chipman, as matron of honor, wore a bouffant frock of pink chiffon, with a floral headdress and carried a semi-cascade bouquet of white and pink carnations.

Mr. Trevor Bishop acted as best man for his brother, and the ushers were Mr. Julian Chipman and Mr. Earl Schwartz.

Mrs. Bishop, mother of the bridegroom, wore a gown of sapphire blue chiffon, with a matching maline hat, and a corsage bouquet of Joanna Hill roses.

The reception was held at the Montreal Badminton and Squash Club.

Later, Mr. and Mrs. Bishop left for the New England Coast, the bride travelling in a beige sheath frock and jacket of silk, and wearing a honey beige straw hat and accessories and a corsage bouquet of red roses.

Among the out-of-town guests were Mr. and Mrs. A. D. Watson, Mr. Andrew Watson, Mr. and Mrs. Stirling Ferguson, Mrs. F. B. Reid, Miss E. Bishop, of Ottawa, and Mrs. Andrew A. Kingborn, of Toronto.

CWL Fashion Show

Mrs. James E. Berry, President of the Montreal Archdiocesan Council, The Catholic Women's League of Canada, announces that the Annual Fashion Show in aid of the Council's immigration work will be held Monday evening, September 23, in the Ballroom of the Ritz Carlton Hotel, with fashions by D'Allaird's Limited, Mrs. M. B. Kennedy will be the convener of this event, assisted by Miss Frances Carroll, Immediate Past President.

CARE Helps Local Hungarians; Sends Gifts To Other Lands

Language problems present great difficulties to Hungarian refugees arriving here. Until quite recently, it was impossible for them to get Hungarian-English dictionaries. Some of them who had contacts back in Hungary were able to have the books sent out them but these were a very small percentage of the ones who had little or no knowledge of the English language. CARE is now distributing dictionaries and phrase books which should help them. Association with English-speaking people and opportunities to get their "ears" trained to the sound of the English words is an important factor in solving the language difficulty. The books

should give them the confidence they may need to speak English. In past months CARE supplied over one million dollars worth of food, clothing and blankets to Hungarian refugees in Austria and Yugoslavia, the gift of the people of Canada and the United States.

SELF HELP PROGRAM

The sewing machine Canadian women and their daughters take for granted is still a thing of wonder, priced beyond reach, to most of their sisters around the world.

In Greece, it would take a seamstress three months to earn the local price of the simple treadle model CARE delivers at a contribution cost of \$90.

In Korea, her counterpart would have to work 13 months.

At those wages, actual savings are seldom possible. If an average farmer in southern Mexico could manage to save 7% of his meagre yearly earnings, it would take him 15 years to buy the machine for his wife — "and by then, since life expectancy is under 40 years, she would probably be dead."

Those are typical comparisons sent to CARE headquarters by its Mission Chiefs in Europe, Asia, the Middle East and Latin America. Their consensus: new machines, provided by Canadians as part of CARE's Self-Help Program to help the needy help themselves, are working miracles at training girls and women to become self-supporting.

Social emancipation often follows. In Pakistan, for example, hundreds of women gave up "purdah" (their traditional seclusion from public view) in order to attend sewing classes at

a community centre recently equipped with a machine.

NO ELECTRICITY

Many CARE sewing machines have been the first ever seen in isolated villages. The women in Chilill, Mexico, were so frightened at sight of the machine delivered to their village that the tribal chief had to use it before they could be persuaded to take their turn.

To help the greatest numbers learn and earn, CARE distributes sewing machines only where they will be available for group training and use: to vil-

Christian Science Church of the Air On Sunday Morning

A nation-wide audience will hear a Christian Science Program entitled "A God at Hand" in the CBS RADIO "Church of The Air" series, Sunday morning from 9.30 to 10.00 a.m.

Carried by WCAX Radio, Burlington, Vermont,—620 on the dial— the speaker will be Dr. Frederick G. Roberts of Wilmette, Illinois — a Christian Science practitioner. A quartet and soloists will supply the music.

lage or community centres, to girls' vocational schools, and to co-operative workshops for widows and other women who must augment family income.

Earning power was shown dramatically in Choony Moo Ro, Korea, where 50 war widows received a total of 18 machines to start a garment industry in a discarded army tent. In six months, they were not only supporting themselves and their children but they had saved almost half the cost of building combined work-and-living quarters. CARE donors then provided the remaining funds needed for the building.

Because of the lack of electricity in most underdeveloped lands, all the machines CARE buys are distributes are the treadle type. Contribution costs vary according to the kind of machine most suited to each area: \$55 for India; \$75 for Hong Kong; \$90 to other countries. Donations in any amount may be sent to the Self-Help Program at CARE of Canada, Ottawa, to help provide sewing machines, or other economic, health and educational supplies, wherever most needed.

There were 38,568 classroom Branches of the Canadian Junior Red Cross in 1956. The membership covers every province.

Why is the telephone still working, Mummy?

It's most unusual when a storm affects your telephone. It's reassuring to know that it has a habit of staying on the job.

The reason is that your telephone operates from banks of giant batteries in the telephone exchange. Should power go off for any reason, these are charged by a Diesel motor standing by for just such an emergency.

So the uninterrupted service you enjoy is no accident. It takes forethought, equipment—and money. All are necessary if you are to have the best possible telephone service 24 hours a day.

Incineration Details Are Released By City

Some 938 tons of garbage and 1645 tons of ashes were collected in the City of Westmount during the month of June. This cost the city \$8,730 in salaries and equipment. The cost per individual dwelling was 16 cents and a total of 59,944 collections were made. A total of 215 inspections of garbage cans were made and 26 new cans were placed in service.

New Home . . .

(Continued from page 3)
 division between the sciences and classical studies. Students are taught both. Broader education is another principle of the system. In addition to book-learning the teachers are keenly interested and aware of a child's attitudes. Developing these along the right lines is part of the progressive teaching method. To make a child aware of his responsibilities in work and progress is an important part of education, says Principal Matthews.

The school also uses the project method in teaching. As an illustration let us consider the study of Ancient Rome. Students are not simply required to remember the names and dates of certain events but are questioned as to what particular aspect of life they are interested in. If a student replies boxing then he is assigned the duty of writing a paper on boxing in Ancient Rome. The object of this is to make the student acquainted with research. When each student is assigned a subject, much of Ancient Roman life has been covered. Further, the papers are read to the class and each student becomes responsible for all the information that has been covered.

In brief these are some of the guiding principles behind the progressive teaching method.

Considering their success in the past, the new school will be a welcomed addition to the educational institutions of Westmount.

A new jet-powered KC-135 Stratotanker made by Boeing, the August Reader's Digest reveals, can refuel the latest jet bombers in mid-air at high altitude while both airplanes are travelling at a speed close to 600 miles an hour. Previously refueling had to be done at speeds of about 250 miles an

Mrs. H. T. Doran Buried Monday

Requiem mass was said Monday in the Church of the Ascension of Our Lord, Westmount, for Mrs. Henry T. Doran, who died Friday at her residence 24

Springfield avenue, after a brief illness.

The former Mary Aveline, she was born in Bristol, England, and came to Canada more than 30 years ago.

She is survived by her husband; a sister, Mrs. Janet Clarke; and a nephew, John Clarke.

Interment was at Cote des Neiges Cemetery.

BAND CONCERT

A concert will be given Monday at 8:30 p.m. in Westmount Park by the band of the Royal Montreal Regiment, led by Bandmaster W.O.2 A. Fleming. The program will include four marches, Trois Rivières Tricentenaire, Entry of the Gladiators, Namur, and The Red Cloak; a cornet duet, Ida and Dot; and various other selections such as Pacific Waves, Laurentian Echoes and Let Me Call You Sweetheart.

Even small apparently insignificant scratches may become infected unless they are kept clean and protected from germs. Cuts, scratches, burns or other lesions may cause trouble unless they are cleansed and covered with a sterile dressing. Small ready-made dressings are easy to apply and are usually efficient.

You Say

(Continued from page 4)
 tator's wishes regardless of their own views.

Position and promotion depend upon a complete subservience to the educational code formulated by the totalitarian minister of education or propaganda.

In the higher institutions of learning, the students are taught what will advance the policies of the regime in power.

EARLY INDOCTRINATION

The child is early indoctrinated with a fervent belief in the infallibility of Fascism, Nazism or Communism. He absorbs this teaching because of his respect or fear of his teachers. He cannot ask questions and develops a totalitarian conscience which makes him easily-manipulated material to serve the ends and carry out the plans of the oligarchy, in war and peace. He is told, that capitalism and democracy are prejudicial to the welfare of the masses and should be destroyed. The virtues of totalitarianism are extolled and its champions, inculcate that faith essential to the maintaining of the regimented staff.

It has been well said: "That the mind of a child is wax to receive and marble to retain." We want our children to grow up to respect their parents and become liberty-loving citizens. A great church has evolved a catechism the precepts of which are early drilled into the memory of those who belong to its communion and designed to promote morality and obedience to parents and lawful authority. The education which the child obtains at school, church and the home makes generally for a high type of citizenship.

CATECHISM NEEDED

In view of the distorted conceptions of democracy and capitalism presented to the children in totalitarian lands, steps should be taken by the governments and educational authorities in the democracies to prepare a political catechism that will contain the basic principles of democracy and the liberties, rights and opportunities that it gives for both youth and adults. Any and every form of total-

itarianism should be denounced and repudiated, as contrary to the teachings of our great lawgivers and leaders, both secular and religious.

If instruction of this nature was given, the child growing into man or woman could not be easily seduced into becoming a recruit for communism or any other revolutionary cult.

The child should also be taught, that in a democracy respect for law, order and human liberty calls for co-operation with established authority, and that the protective forces of the nations or the community established as they are for its benefit, places an obligation upon the law-abiding citizen to at all times aid the officers of the law. This would certainly tend to lessen that juvenile delinquency that is becoming of increasing concern to both parents and the state.

The aid and co-operation of the press, local and metropolitan as well as the radio should also be enlisted.

A nation whose children are taught at the receptive age, the principles and blessings of democracy as compared with communism or reactionary fascism will not become a victim of insidious and distinctive propaganda.

Giving the fanatical nazi or communist his own way, he would imprison or liquidate all who will not accept his pernicious and vicious dogmas and doctrine. The school and the printed page can generate an immunity against totalitarianism that will not only benefit the community and the nation but civilization.

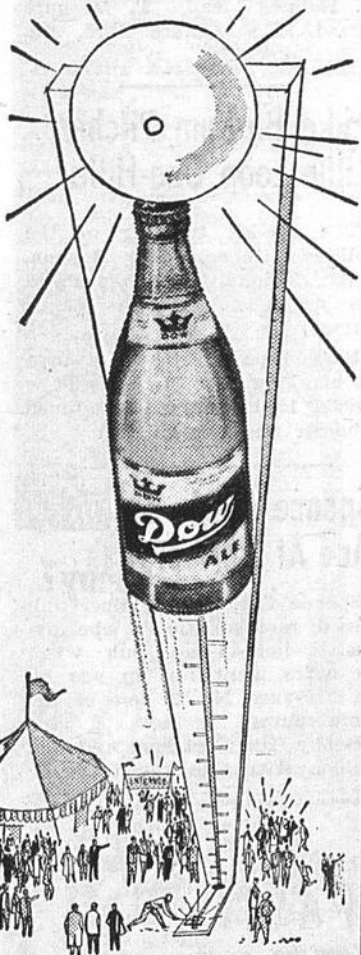

If democracy on all levels is worth saving, it should begin with the political catechism suggested in a preceding paragraph.

The need for and the advantages of free discussion have been fully demonstrated at meetings of local communal organizations, and the opinions expressed in your columns by your editors and correspondents.

A free press and a popular government are only possible in a democracy.

Westies Show Power At Bat

Westmount scoring 181 for 4 defeated Adastrians 177 in the Montreal and District Cricket League at Lower Canada grounds Saturday.

The West Indians 88 for 4 upset Wanderers with 87, and at Verdun the home side with 143 for 4 were too good for Stelco all out 138.

Canadair took the lead in the 'B' division over West Indians when they won 96 to 75.

Westmount won the toss and surprisingly sent the Adastrians in to bat.

Al McKinlay and Ian Rennie opened quietly but gradually pushed the score along to 40 when McKinlay was caught for 26.

The next three wickets fell cheaply when Mel Rilston joined Rennie who was soon after bowled for 33 in attempting to pull a straight one to leg.

Rilstone continued to score freely and was finally caught in the slips after making 42.

The innings closed at 177 with Sam Marshall taking 4 for 34, John Davis 2 for 22 and Vere Lewis 2 for 30.

Westmount openers Winston Kelly and Paul Jardin immediately attacked the bowling. Kelly was out LBW for 26. After Gerry Taylor had scored 18 and John Davis 30, Dave Lawless and Dick Crony became associated and freely hit the bowlers to all parts of the field and passed the 177 with 10 minutes to spare.

TENNIS POPULAR

Tennis is a popular pastime in Westmount. Figures just released show that during the month of June 7,058 people played on the municipal courts. Of these 3,368 on Western, 1,848 on King George and 282 on Devon. Adults numbered 1,560. The city had 17 tennis courts in operation.

THE CHAMPIONS, who beat out the Lachine pair for the Provincial double title, Bob Fender, left and Chris Childs of the Verdun Lawn Bowling club.

Ladies' Open, Close Golf Tourney July 30

North America's oldest golf course, Royal Montreal, will be the site of the Canadian Ladies' Golf Union Open and Close Championships July 30 to August 10, and it could be the final National tournament held at this historic site.

Royal Montreal, first established in 1873, will shortly be moving to a new location due to city expansion.

This will be the seventh time the CLGU tournament has been held at Royal Montreal, the site of the original Ladies' Open in 1901.

This annual gathering of lady

golfers has been expanded over the years, and today is a ten-day tournament which includes Ladies Close Championship; Inter-Provincial and Junior Inter-Provincial team matches; Junior Ladies amateur championship; and the Ladies Open Championship.

The Tournament was last held in Montreal in 1951 at Laval-sur-le-lac.

Royal Montreal has two championship courses each with a par of 77.

The South course, considered the finer of the two, has been selected for the 1957 championships.

There are three par 3 holes on the south course, eight par 4, six par 5 and one par 6.

Westmount Inter Playground Results

The Westmount Municipal Inter-Playground competitions held at Westmount Park are as follows:

SHUFFLEBOARD

Doubles
Stayner — Ray Mader, Bobby Carter 56; Prince Albert — Hal Sherback, Constant Nucci 1; Westmount — John Nicolson, Karl Ulrich 30; Stayner — Fred Power, Larry Dallas 26; Westmount — Doug Fisher, Steven Ertl 27; Prince Albert — Gordie Kyle, George Shaw 16.

CHECKERS

Westmount, David Woodfine defeated Stayner, Joe Stechlinski; Westmount, Richard McNally defeated Stayner, Mieczyslaw Radomar; Stayner, Wayne Cummings defeated Prince Albert, Joan Lally; Prince Albert, Constant Nucci defeated Stayner, Mark Ono; Prince Albert, George Shaw defeated Westmount, Jean Shapiro; Prince Albert, Pierre Cote defeated Westmount, Eva Sztetanowska.

HORSESHOES

Westmount, Pierre Carpentier 7; Prince Albert, Hal Sherback 0; Westmount, Morgan Turner 7; Prince Albert, Gordie Kyle 0; Westmount, Doug Leadbetter 11; Stayner, Richard Holden 8; Westmount, John Nicolson 16; Stayner, Gordie Cole 11; Stayner, Hugh Rosenberg 11; Prince Albert, Constant Nucci 8; Stayner, Ray Mader 11; Prince Albert, George Shaw 3.

TABLE TENNIS

Stayner, Bob Brison 11; Prince Albert, George Shaw 9; Stayner, Frank Robinson 11; Prince Albert, Hal Sherback 6; Prince Albert, Constant Nucci 11; Stayner, Wayne Dallas 8; Westmount, Pierre Carpentier 7; Stayner, Roger Lafleur 0; Stayner, Hugh Rosenberg 11; Westmount, Donald MacKay 4; Stayner, Bob Carter 14; Westmount, Doug Leadbetter 12; Westmount, Doug Fisher 11; Prince Albert, Gordie Kyle 8; Prince Albert, Brian Wood 11; Westmount, Pat Fennell 5; Westmount, Richard McNally 11; Prince Albert, Maureen Haigh 3.

FINAL STANDING

Westmount, 22 points; Stayner, 16 points; Prince Albert, 10 points.

Fender, Childs Capture Double Lawn Bowling Crown Over Lachine

By GEO. E. JONES
(Sports Editor)

VERDUN Lawn Bowling club pair of Bob Fender and Chris Childs won the Province of Quebec double title at Notre Dame de Grace green edging out Lachine's pair of Tom Hunter and John Barrie.

Going into the 20th end, Lachine scored four points to close Verdun's scoring gap 20-18, but Fender scored the last shot in the last end for a 21-18 victory. Lachine led 5-0 after the opening three ends. Then Verdun scored seven in the next three ends to take the lead they never gave up.

At one time, the 16th end, Verdun were leading 18-12 their biggest lead. In the 20th end, Lachine scored four points leaving the last end to settle the issue, despite the two point lead by Verdun.

This leaves only the single to be competed which is now underway for and all Quebec teams will be complete for the Dominion title series which are scheduled for the Westmount Club greens in August.

The St. Lambert club four are the other Quebec representatives who were declared some weeks ago. They are Walter Eaves, A. Greene, J. Malley and H. White.

To reach the final at NDG, Chris Childs and Bob Fender beat out another Verdun club pair, Dave Kennedy and Bob Rankin.

Prior to this victory, Childs and Fender beat out the Riverside pair of H. Coles and A. Young.

The Lachine team of J. Barrie and T. Hunter downed the pair from Mt. Royal, C. Weeks and J. McGee.

In the previous round of play, Barrie and Hunter beat out the twosome from Westmount, J. Knox and J. Henderson.

District Footballers Cut From Roughriders

Ten Canadian players were cut from the roster of Saskatchewan Roughriders this week by coach Frank Filchok.

Dropped from the squad were Montreal and district recruits Mario Chartrand, Eastward and Fred Clerment, Lakeshore, centers; guard Les Pelley, Eastward; end Russell Weir, Verdun Bearcats and quarterback Don Langley, Verdun Bearcats. Other Canadians dropped hailed from the West and Ontario.

International Baseball Starts Star Balloting

Balloting for an International League all-star team began Monday and closes August 8, president Frank Shaughnessy announced.

The team selected will meet the Brooklyn Dodgers in the league's second annual All-Star game August 19 at the ball park.

A city-unit vote will be used to select the all-stars, Shaughnessy said. Each city will pick teams and players selected will receive one league vote, making a total of eight votes for each position.

The rush of rugged waters is a ringing sound at Kakabeka Falls, where nearby one of the Ontario Government fish hatcheries may be seen.

Red Sox Are LL 'B' Champs

Red Sox, who won the first half of the American 'B' section of the Kiwanis Little League Baseball without a loss, were turned back in their first loss of the season when the White Sox beat them 17-4. The Reds have a playing record of 7-1.

White Sox are second with a 5-4 record; Orioles 2-4 and Indians 1-6. The Reds were declared the 1957 champions and pennant winners.

In other games: Reds won two games. They edged out the Indians 11-9 and again the Indians were on the short end of a 13-6 count. Indians suffered another loss last week when the White Sox beat them 20-10. Orioles came up with a 12-2 win over the White Sox.

FINAL STANDINGS

	W	L	Per
Red Sox	7	1	.875
White Sox	5	4	.553
Orioles	2	4	.333
Indians	1	6	.143

Riverside Wins Over Townies, NDG

The Riverside Lawn Bowling Club of Lachine broke a 32-year-old dry spell on the weekend by scoring a convincing victory at the St. George Club in the annual tournament for the Walter Hager Memorial Trophy.

The Trophy was first competed for in 1952 and presents a stern test for all participants, three matches in one evening.

Riverside, the only club to cop all three matches turned aside all opposition chalking up victories over Mount Royal 16-5, Caledonia 13-8 and NDG 16-5, giving them a total plus of 27. The winners' victory rink was: W. Holmes lead, T. Measure second, S. F. Gillate third, and F. Bertolin skip.

Mike Barkum Pitches Little Loop One-Hitter

The one-hit twirling of the Phillies' pitcher, Mike Barkum, in the National 'B' loop, grabbed the spotlight in Little League action.

Barkum paced his squad to a 4-0 blanking over the Reds as he fanned 15 batters and slammed a homer and two singles.

Spence Clark Scores Ace At Marlborough

Spence Clark of Marlborough gained membership in the exclusive hole-in-one club when his drive went for an ace on the 230-yard No. 9 hole of the home course.

Bobby Hill, Bert Snor and Ken Weldon witnessed the feat

Paddlers At Otterburn Saturday Competing For Dominion Berths

CARTIERVILLE Boating Club slipped at the 53rd running of their home regatta when they failed to place in all of the 17 events, missing out in two, but at the same time scored 77 points, two from tying their all time record of 79, established in Lachine two weeks ago.

The Carts paddled to 11 first places, which included nine of this 11 where they picked up more than the five points allotted for first place.

High wind in the afternoon and high water, four feet above normal height at this time of the season, saw eight new course records broken and two new times set.

Where did the other clubs place in the aggregate? Lachine was their usual second with 36 points, while Chateaugay still the best of the second division clubs with 18. Otterburn came out of the battle with 8½ points and Grand Trunk finished with 4½.

Of the new times set two went to the Chats in the senior four and the junior double blade tandem. Lachine, in winning the junior double blade single with Les Melia swinging the paddle set a new time.

Melia broke the junior time which was also better than what the senior single has set. His time was 3:55, 11 seconds better than the old time and three

seconds faster than the senior record time.

THE TRIALS

It will be the Eastern Trials at Otterburn Park on Saturday with the first race starting at 10:00 a.m. and the afternoon card starting at two o'clock.

Sixteen of the 17 events have already their entries set for the Dominion August 3 at Ottawa's Mooney's Bay. These crews have gained automatics by having the highest aggregate after the Carts' meet. Cartierville have 11 automatics; Chats and Lachine two each, and Otterburn one.

The remaining crews will be fighting for second or third so they will compete in the Dominion. Three entries per event from each of the CCA divisions will paddle in the National meet.

Otterburn have the juvenile war canoe entry while Cartierville have the 1,000 and 1,500 metre war canoe entries. This seems strange not to have veteran Doc Whittall of Lachine in one of these events. He will have to battle the division for his Dominion place on Saturday.

Double blade events are shared between Cartierville's Lou Lu-

kanovich and Allan McCleery; Lachine's Les Melia, Wally Harris, George Ward, Bob Smith and R. Cardinal. Chats have the junior double blade event sewed up.

Lachine and Cartierville have much of the juvenile events in the bag. Chats have shown power in their four single blades.

Carts Have 18 Point Meet Lead

Cartierville Boating club after winning their 53rd home regatta went out on Sunday in the four 10,000 metres events and scored three firsts with Lachine scoring the other.

Cartierville takes an 18 point lead for the Eastern division meet on Saturday at Otterburn. Lachine have nine points to add to their total next Saturday.

The results are as follows:
Double Blade Single—1, Melia, Lachine; 2, Cordner, GTBC; 3, Lukanovich, Cartierville; 4, Blank, Cartierville.

Single Blade Tandem—1, Bossy, Bossy, Cartierville; 2, Andor, Berecz, Lachine; 3, Beaumier, Fortin, Radisson; 4, Stahl, Pascal, Cartierville.

Double Blade Tandem—1, Lukanovich, McCleery, Cartierville; 2, Melia, Harris, Lachine; 3, Duffey, Duffey, Chateaugay; 4, Hemmings, Yurchuk, Cartierville.
Single Blade Single—1, G. Bossy, Cartierville; 2, Stringer, Lachine; 3, Kelly, Grand Trunk; 4, Hinton, Cartierville.

Carters Swamp Cotts

Carters drubbed Cotts, 22-7, in the Snowdon Married Men's League.

Bernie Phillips and Julius Kravitz got four hits each for Carters while Harold Sugar connected three times for the losers.

William Morris beat Morein's 23-9, Julius Glazer got two homers and Jimmy Chalmers and Fred Michaels got four hits apiece — all for the winners.

Judy Darling Wins Tourney

Judy Darling of Whitlock won the Quebec Women's golf championship at Beaconsfield defeating Janet McWha of the Country Club 3 and 1 in the 36-hole final.

Teddy Berube of Laval-sur-le-Lac won the consolation event, defeating Joyce Alston of Ottawa 4 and 3.

Miss Berube aced the 148-yard eighth hole with a four iron.

Miss Darling, who is also Provincial junior champion, staged a whirlwind start to go 4 up at the end of the first nine holes. She won the 10th and 11th and was six holes to the good after 12.

Miss McWha won the 13th, but needed an eagle to do it, as Miss Darling picked up a birdie three. They finished the morning 18 with Miss Darling 5 up.

Miss McWha played her best golf on the first nine of the afternoon round, carding an approximate medal score of 37 and reducing Miss Darling's lead to two holes.

However the Whitlock youngster hung onto her advantage and closed out the match on the 17th green.

Miss Darling had an approximate medal of 78 for the morning round compared with an 81 for her opponent.

Bearcats Start Drills Monday, Aug. 5

PRACTICES for the Verdun Senior Football Club will get underway Monday night, August 5, at the Verdun Auditorium Stadium at 7:00 sharp.

All positions on the team are open as only a few hold-overs are expected to return.

Head coach Jim Tsonos will supervise the workout while Gord Nelson handles the linemen and Jack Gillies will work with the backfielders. Both Nelson and Gillies will be remembered for their outstanding play with the team last season.

For further information call PO. 6-8891.

Bill Kerr Is President Of Pro Golf Association

Bill Kerr, professional at the Beaconsfield Golf Club, was appointed president of the Canadian Professional Golfers Association at the annual meeting. Kerr will be serving his fourth term as head of the country's golf professionals.

Senior Tennis Opens Monday

The senior tennis tournament, for players over 45 years of age will take place at the Mount Royal Tennis club courts, starting Monday.

Entries will be accepted until noon Saturday, July 27. Matches will be played in singles and doubles. Entries may be sent to the following: Mount Royal Tennis Club, attention Secretary, 2106 Grey Ave., DEXter 2863; Henry Johnson, c/o Johnson Wire Works Ltd., 530 Decourcelles St., WELlington 7311; Dr. Georges Leclerc, 418 Sherbrooke St. East, BELair 7647.

Synchronized Swim Saturday

Swimmers from Quebec City and Montreal and district will converge at St. Margarets Saturday, for the annual Provincial Synchronized championships. The competition will be held in the Cochand pool.

Among the trophies at stake are the Provincial Cup; the Margaret Sharpe Trophy; the Cochand Trophy for duets and the Peg Seller Trophy for diving.

The meet is sanctioned by the Quebec Section of the Canadian Amateur Swimming Association's synchronized division.

Joyce Luke, an official of the Association anticipates most of last year's champions will be back and some very promising new challengers.

For the past few years, these championships have been dominated by a strong contingent from the Quebec City clubs.

Grocers Headed For Snowdon Fastball League Pennant Again

THE veteran team of the Snowdon Major Fastball League, Grocers are headed for another pennant and require just one win against one loss for Combines to win that flag.

As previous meetings have gone into the records, Verdun has played good ball against the Grocer crew. The Grocers, leading the race since the schedule opened, went 13 points ahead of second place Combines and now need the magic number of one win or one defeat for Combines to take the flag. They hope to get that win tonight.

Grocers took Combines 7-2 with Percy McCracken scoring his 13th win in 14 starts. It was the team's 19th win against one draw and three losses. Two years ago Grocers won their last flag.

It was announced that all games scheduled for Westbury Park, Van Horne avenue have been cancelled. They will be played on other parks when the revised schedule for the balance of the season is released tomorrow.

The reason given by a league official is that games at Westbury Park do not pay the expenses incurred. The league moved to Westbury when MacDonald Park was made smaller.

FBI Golden Gifts held onto third place with a 4-3 win over Verdun last Thursday after being pressed by Pepsi Cola and Dow. The latter two teams are more or less fighting for fourth place, the last of the playoff positions.

Grocers had a 7-6 lead over Pepsi when the rains stopped their game in the seventh. It will be completed at a later date.

MANY GAMES

Dow Brewery in their effort to hold onto fourth or move into third place scored a 3-0 win over FBI. Then in the night game, Dow were leading 3-1 when the rain stopped play in the second frame.

A full slate of games is set for the teams next week.

Three games are set for Sunday with Grocers and Verdun playing two each and Combines and FBI one each. No games are slated for Saturday night.

Verdun and Grocers tee off at Trenholm Park at two o'clock. In the evening at the same park, Grocers meet Combines. In the evening at Verdun, the Sportsmen will clash with FBI.

Dow are entered for one game. Monday they take on Combines at Trenholm Park and on Tuesday it will be Pepsi and Verdun at Willibrord Park, Verdun.

Ace Holden who has lost quite a few games by the small margin of runs came into his own last week when they beat Verdun 4-3, but it was a close call.

Verdun rallied in the last inning of play with three runs and

PERCY McCracken

Pepsi	22	9	12	1	19
Verdun	22	5	17	0	10

left men on base when Holden got his third man out. The game was played in one hour and 20 minutes.

Pete McManaman was the big hitter for FBI with two hits in three trips with Eddie Johnston and Willie Houle both hit twice for the losers.

TIED FOR FOURTH

Dow Brewery went into a fourth place tie with Pepsi once again, the second time in 10 days when they came from behind a 2-0 count to beat Verdun 4-3.

Leading 2-0 in the fourth, Brewers climbed and scored three runs. Verdun tied the count at 3-3 on a homer by Rousseau.

An error at home plate, with the runner out by 10 feet saw Dow score the winning run and two points that tied them for fourth place.

Albert Ryan was relieved by Paul Saindon, but the damage was done. Claude Cool also homered for the Verdun crew.

Ace Holden scored his first mound win after seven setbacks.

Buddy Atchison Leads Snowdon Loop Batting

Playing-coach Buddy Atchison has rapped 21 hits in 75 times at bat to lead the Snowdon Fastball League in the batting department with a .413 average. Teammate Ricky Tomlinson follows closely behind with a .388 average.

Boy, I'd like a beer!

Bet he'd like a "CROWN"!

After work...or play...at home...or away...
you'll enjoy a cool, clear, refreshing

"CROWN" LAGER BEER

CROWN & ANCHOR Lager Beer is a MOLSON product
