TONIC INVIGORATOR.

BESIDES the Condensed Beef prepared from the best parts of the animal, the preparation contains Quinine, Peruvian Bark, and numerous herbs and roots grown for their tonic and healthful properties.

This is the only Condensed Beef that does not require cooking or warming. It was especially manufactured under the direction of Baron Von Liebig, before the late Franco-Prussian War, for the German soldiers. Its food qualities are much greater than those found in any ordinary specific or Appetizer, and its nutritive properties are sufficient to sustain the body without the addition of solid food.
