HON. MR. GOUIN AT CHATEAUGUAY.

St. Chas. Seminary Library

Gave No Intimation of Early Election.

PREMIER DEFERRED DISCUSSION ON THE ABITIBI AND L'EPINE MATTERS TILL AUGUST 11TH.

Chateauguay, Que., Aug. 5.— The Liberal demonstration which took place here Saturday afternoon was attended by about one thousand persons from Montreal, who were brought here by special train, but the attendance from the surrounding country was slim. There were, however, altogether, from 1,200 to 1,500 present when Premier Gouin delivered the address of the day, which was an able effort from a ministerial standpoint.

Those who went to hear the Premier discuss Mr. Bourassa and the so-called new movement were disappointed, as apart from the declaration that a third party could never make any headway in this province, Hon. Mr. Gouin made no allusion, whatever to the federal member for Labelle. The Premier announced, however, that he would discuss the Baron Lepine letters at St. Eustache on Aug. 11th, but he uttered nothing that would lead to the supposition that a general election is at hand, although he stated that the vacancy in the representation of this county would be filled before another session.

The meeting, which had been successfully organized by Messrs. R. Latulippe and Pamphile du Tremblay, took place in the square before the village hotel. Mr. Vital Crepin, a leading Liberal of the county, occupying the chair. First, Mr. Latulippe read the Premier an address from the Montreal Liberal clubs, which was followed by a brief speech from Mr. Brown, M.P., for the county, welcoming Hon. Mr. Gouin to the district.

THEIR MAJESTIES REVIEW FLEET.

Twenty Miles of Frowning Might Inspected.

NEW HOME FLEET MADE A DISPLAY UNPRECEDENTED UNDER SUPREME COMMAND OF ONE ADMIRAL.

Portsmouth, August 5.—Wonderfully inspiring, picturesque, stately and significant was the ceremonial in the fair, quiet waters of the Solent Saturday, when King Edward and Queen Alexander reviewed from the royal yacht Victoria and Albert a magnificent assemblage of ships of war, led by the leviathan Dreadnought. This great display, unprecedented under the supreme command of one admiral, constitutes the new home fleet and spread out in seven long lines, with the softest and richest scenery in all England on either hand, telling of the delights of peace, it formed more than twenty miles of frowning might, and showed, in the 200 ships of war, every type of naval construction from the battleship to the submarine.

Every vessel was decorated with a rainbow of bunting and manned by bluejackets, whose cheers as the King and Queen steamed through the lines, resounded through the wooded slopes of the Isle of Wight, and from the Hampshire shore to the New Forest.

As night drew her curtains down on this display of British sea power there was a signal from the royal yacht. At it each ship became outlined in electric lights. Strikingly magnificent was this picture, set off by the mirror of the dark waters. Then the searchlights of the warships played on the clouds overhead, and formed an irridescent canopy that seemed to bar out everything lying beyond the charmed centre. Day and night the weather was most propitious.

King Edward, after the review, decorated all the admirals taking part with the Victorian Order, including Admiral George Stanley Bosanquet, who receives the cross.

This splendid array of vessels, great and small, formed a floating steel city with a population of 35,000 officers and men.

The lot of warships forms the largest home fleet in the British Navy. Dotted through the three central lines were no less than six flagships, headed by the Dreadnought, flying the pennant of the commander-in-chief, Vice-Admiral Francis C. Bridgeman. The five other flag officers were Rear-Admirals Harry S. F. Niblett, Frank Finnis, Albert A. L. Montgomery, George A. Callaghan and Spencer H. Login.

The splendid naval panorama was witnessed by scores of pleasure yachts, clustered off the ivy-colored walls of the Royal Yacht Squadron castle at Cowes. On board were gatherings of persons prominent in society. King Edward's famous old racing cutter Britannia on which Their Majesties are to live during the regatta, was moored near the castle.

The royal review was a personal triumph for Admiral Sir John Fisher, for the Home Fleet represents his ideas of naval policy, which he initiated when he came to the Admiralty.

"Jacky" Fisher, as he is familiarly called, is little of a courtier, but perhaps for that very reason he enjoys high favor at court, and his prestige in the eyes of the King is not likely to suffer from the display made Saturday, which more than stands comparison with the great jubilee review of 1897, when 128 pennants were flying, or even with the greater gathering ten years later for Queen Victoria's Diamond Jubilee, although Saturday the Channel and Atlantic squadrons were not levied upon.

WORKMEN WILL CELEBRATE LABOR DAY.

Procession and Picnic Decided Upon.

COMMITTEE APPOINTED TO COMPLETE ARRANGEMENTS.

The adjourned labor meeting for the organization of a Labor Day celebration was held at the Chateau Frontenac Saturday night. Mr. Leon Caroll was in the chair. A large and enthusiastic attendance was present. All matters before the assemblage passed off nicely and the meeting was chronicled a grand success. Committees were appointed under the following names: Organization, parade, programme and fund. The first two and last named committees are comprised of 3 or 4 members each, while the programme committee has eight members. Labor Day being observed on the first Monday in September, this year falls on the 2nd day of that month. On this day the workmen of this city will band together and make it a gala day. A request has been forwarded to the proper authorities to the effect that this day be observed as a civic holiday. Saturday night following the appointment of the committees and the arranging of the date several important things in connection with the arrangement of such an event as this were brought up for discussion.

The route, which in all probability, will be followed is, starting from the Chateau Frontenac, up Aberdeen, along Alexander, Galt, Belvidere, Liverpool, Queen, Melbourne, Moore, Dufferin ave., Wellington and then to East city. The procession will end in a grand festival on either the Exhibition grounds or in Victoria Park. A delegation will wait upon the authorities of the E.T.A.A. for permission to celebrate on the grounds. Should satisfactory arrangements in this connection not be made, Victoria Park will be resorted to. A band and perhaps more than one, will head the procession, and will also be in attendance on the grounds.

A most hearty invitation has been extended to outside clubs and unions to come to Sherbrooke on Sept. 2nd, and join in making the day a success. Amusements in various forms will be provided.

There will also be an evening programme.

SEARCH FOR MISSING SHERBROOKE MAN.

No Trace Can be Found of Jim Bush.

AN INCIDENT WHICH INDICATES SOME PLAN IN HIS MIND IN THE MORNING.

A diligent search was made yesterday in an effort to clear up the mystery of Jim Bush's disappearance. So far not a single clue has been secured. Yesterday, an early start was made down the St. Francis River. Jeff and Ben Bush and R. A. Bartlett went down one side of the river and up the other. A close search was made around the boom at Brompton, and, also, along the river bank, but without any result. On returning from down the river they went as far as the Quebec Central bridge, and then landed and searched the bush on each side of the river, still without result.

The brothers are very much concerned over Jim's disappearance. They cannot advance any theory as to why he should leave. While they have fears that he may be in the river, they think that his soft felt hat would have been found. His coat he left in the shop.

It was learned in the course of a conversation, this morning, with Ben Bush, that on Saturday, the 27th of July, Jim left with another workman for East Sherbrooke in his boat as was his usual custom. When they arrived at the market Jim said that he wanted to make some purchases, a very unusual remark for him to make, as he generally allowed some one else to do his marketing. This was in the morning before he went to the shop to work. It also develops that a brother, who is an invalid at home, was looked after a good deal by Jim. This brother has to have a certain number of pills daily, and it was Jim's custom when he left home for work to leave out the required number to be taken during the interval that he was away. On the day of his disappearance when he was leaving at noon he left out the required number in their usual place, and made the remark that if he did not return in time that the box containing the pills would be found in a certain place.

"This," said Ben, "makes me think that he had his mind made up to do something when he left home at noon, either to commit suicide or get out of town. I can hardly think he would do the latter as he was not one that cared to go around. If he is above ground we would be indebted to any one who might see one answering his description. He is about 5 ft. 7 inches, slightly built, walks with a limp and has a shattered hand."

LIGHTNING MADE THINGS VERY LIVELY.

Played Frantically Around Brompton Road House.

RIPPED UP TREES AND TORE WIRE FROM SCREEN DOOR.

The thunder storm breaking over the city on Friday at 1 p.m., which had threatened all the morning was by no means as severe in Sherbrooke as in other places.

Mrs. Rose Berwick, who lives on the Brompton road, a few miles from town, had a terrifying experience. She was standing near the open door when there was a tremendous crash of thunder, and at almost the same instant the lightning struck a tree in the yard, ripping off the bark and throwing it in all directions. It then flew to another tree, splitting it in two, and then entered the house and cut the wire from the screen door as neatly as if it had been done with a knife. Then it went out, leaving Mrs. Berwick with barely strength enough to close the door.

At the same time her son, who was at the back of the house, was paralyzed in the arm for some time by the electric fluid.

STRANGLING CASE A MYSTERY.

MORE ARRESTS, BUT NO LIGHT ON CRIME.

New York, Aug. 5.—With several persons held in custody on the suspicion that they may throw some light on the murder of Katie Tietschier, whose mutilated body was found in an East Side cellar, the police Saturday confess that they have been baffled at every turn in their search for the slayer. Four more persons were detained early Saturday by the police in the hope that some clew of the murderer's identity will be developed. The police are anxious to find a man who is known as "Jake," who is said to have known the Tietschler child and whose description fits the man who was seen to give the child candy and kiss her while talking to her on the street the day before she disappeared. Four brothers, Thomas, Louis, Giovanni and James Esposito, who keep a fruit stand in front of the house on First avenue, where the child's body was found, were taken into custody by detectives Saturday. The police found that the Espositos used the cellar, where the body was found, for the storage of waste cases and pushcarts and that they made frequent visits to the cellar during the day.

The police are working on the theory that the child must have known the murderer otherwise it would have been difficult to have lured her into the cellar. The theory is also held that the slayer knew about the cellar and knew all about the habits of the people in the neighborhood. In the thronged streets of the East Side the appearance of a stranger is quickly noted by the residents who know all their neighbors and their habits as a result of a close propinquity. The appearance of a stranger talking to Katie Tietschler would have been quickly observed and hence the police are strong in the opinion that the child came to her death at the hands of one who is known in the neighborhood.

HUNDRED POLICE EXILED.

ATTEMPT TO CHECK THE BELFAST DISAFFECTION.

Belfast, Aug. 5.—One hundred disaffected members of the local police force were exiled Saturday morning to remote and isolated parts of Ireland. One hundred and fifty more will be sent off.

The strike situation is much more hopeful. Chief Secretary for Ireland Birrell arrived here Saturday, and will use his personal influence to secure a peaceful settlement of the difficulty. Although the hotheads still talk of defying the authorities, among the cooler men there appears to be a greater spirit of compromise. When the constables paraded Friday to the various barracks to receive their weekly pay, there was not a murmur of discontent.

The trade disputes also are in a fair way for settlement. The coal men have arrived at a compromise with their employers on the basis of an increase in pay and the men abandoning the demand that their employers must recognize their trades union.

BRITISH CONSUL ATTACKED.

FIVE OF HIS SERVANTS KILLED—WARSHIPS FOR CASABLANCA.

Tangier, Aug. 5.—The British torpedoboat destroyers that arrived here from Gribraltar have gone to Cape Spartel to try to establish radiographic communication with the French cruiser, Galilee at Casablanca. It is stated that Mr. Carlton, the British consular agent, and his servants were attacked at Alcazar. Five of the servants were killed. Mr. Carlton is safe. Alcazar is surrounded by hostile natives.

CAR STRUCK AUTOMOBILE.

THREE WOMEN KILLED AND TWO OTHER PERSONS INJURED.

Jackson, Mich., Aug. 3.—Three women were killed and two other persons were injured when a suburban trolley car struck an automobile here Friday night. The dead and injured all belong in this city. The dead: Mrs. Levi Palmer, Miss Bernice Oliver and Mrs. Pulver. The injured are Mr. and Mrs. Oliver.

BUSINESS ACTIVE ON COWANSVILLE BOARD.

22 3-8 for Fresh and 22 1-8 Salted Top Prices.

21⅞c. AND 22c. RULING PRICE — CHEESE ALSO STRONG— 10⅞c. TO 11 1-16c.

Cowansville, Aug. 5.—(Special.) — The Saturday's session to the E. T. Dairymen's Exchange was a bull market from start to finish. None of the preceding Saturday's slow bidding or listlessness was evident, and prices boomed and sales were quick and snappy. President Thomas L. Burnet presided and Vice-President A. J. Bouchard acted as auctioneer. There was a large attendance of salesmen and buyers and the session lasted less than ninety minutes.

The maximum number of creameries, 26, offered 1,627 packages of butter for sale and obtained as high as 22¼c for salted, and 22⅜c per pound for fresh butter. Many creameries sold for 21⅞c and 22c.

Twenty-two cheese factories boarded 1,099 boxes of cheese and, like the butter, it was sold with a demand for more, and the price of cheese rose towards the finish of the market to as high as 11 1-16c, although many sales were made at 10 7-8c and 11c.

Mr. John A. O'Dell paid the highest prices for cheese and salted butter, with Messrs. Sweet and Beatty getting into the same class in butter buying. Messrs. Thacker and Date took, for their firms, all the offerings of fresh butter at the top price.

A resume of the day's business follows:

REPORTS FROM OTHER BOARDS.

Brockville, Aug. 3.—To-day's session of the Brockville Cheese Board witnessed a sharp advance in prices from the offers of the past few weeks and a determined tendency on the part of salesmen to hold out for still higher bids. In consequence of this determination not a box was sold on the board when the president announced its adjournment.

After lengthy dickering, the salesmen and buyers got together on the curb. The former held out a long time for an advance, and while it was given in a few instances, for cool, cured lots,

MAN INJURED IN SAW MILL.

East Richford, Vt., Aug. 5.—(Special)—Mr. Tom Davis was very seriously injured in the mill here recently by a piece of board flying from a saw, and striking him in the abdomen.

His condition instead of getting better has been steadily growing worse.

ELECTRIC LIGHTS MAY BE INSTALLED IN EAST ANGUS.

East Angus, Aug. 5.—(Special.)—It is rumored that Mr. H. A. Worby will soon install electric lights in this town. It is sincerely hoped that this will soon materialize, as it will be a great improvement and convenience to the streets which are at present unlighted.

COOKSHIRE BOY HAD BAD FALL.

Cookshire, Aug. 5.—(Special)—Wyatt the young son of Dr. Johnston, met with a serious accident Sunday evening. He fell through an opening in the loft of the stable, striking on the floor below. He was immediately carried to the house where it was found that though no bones were broken, he had received severe injuries to his head and is in a very serious condition, causing great anxiety to his parents.

KNOWLTON CONFERENCE NOW IN PROGRESS.

Knowlton, Aug. 5.—(Special)— The Knowlton Conference is now formerly opened and the sessions will continue until the 18th.

The executive met on Saturday evening, transacting preliminary business and adjourned till Monday.

At the Sunday morning service there was a good attendance.

Rev. J. M. Orrock, of Boston, Mass., preached in the Methodist Church yesterday morning, taking as his topic, "The First Miracle," Mr. Ritchie Bell spoke in the evening.

At the 3 p.m. meeting in the Auditorium 250 were present. Mr. Ritchie Bell led in the singing and Mrs. Bell presided at the organ. Rev. Mr. Capel gave a fine introduction to the devotional meeting, and there were several short addresses.

Rev. E. M. Fuller, of Burlington, Vt. and Rev. Dr. J. Balcom Shaw, of Chicago, will arrive to-day.

Everything points to a successful series of meetings.

DRIFTED OUT TO SEA.

Knowlton, Aug. 5.—(Special.)—That a "miss is as good as a mile" proved itself in the happy escape from drowning of a couple of the young sons of Mr. A. D. Taylor, who live near the lake. They had come to the house and asked for swimming tights, but their sisters did not think they should go near the water without older heads with them and refused the permission. After playing around the house a while they wandered off to the shore again. The next thing was an alarm that the boys would be drowned, and Miss Beatrice Taylor ran down as soon as possible to investigate. She found that the boys had been playing in a large flat bottom boat that is usually held to the shore by an anchor, but this had been removed recently and they had not noticed its absence and their movements in the boat had floated it out, and a slight breeze had carried it out beyond wading depth. Mr. Geo. Benoit saw them after a time and rowed with all speed to them and towed the very much frightened youngsters to the boat house. It is likely they have had their fill of water sports for this season, and with the breeze that was on at the time it would not have taken long for them to have reached the "other shore," if they had been content, and if they had lost their heads it would have resulted badly indeed.

MARRIAGES.

GARRATT—HOWARD.

A very pretty marriage was solemnized in the Methodist Church, Marbleton, Que., on Thursday, August 1st, 1907, when the Rev. Rufus Garratt, of Wellington, Ont., and Miss Elthea Annie (Dolly) Howard, daughter of the Rev. E. S. Howard, Marbleton, Que., were married at 12 m. The bridal party entered the prettily decorated church, to the strains of Gounod's "Marche Romaine," (Praise ye the Father), played by Mrs. H. E. Frye, of Sherbrooke, sister of the bride.

The bride was gowned in white silk sheen batiste. She wore a long veil, caught up with bridal roses, and carried white roses and lilies of the valley. The bridesmaids, Miss H. Allen, of West Lake, Ont., and Miss Bessie Brouard, of Inverness, Que., wore cream dresses, and carried pink roses, and white sweet peas. The pages, Masters Howard Frye and Howard Lahue, nephews of the bride, were in white. The flower girls, Miss Vera Frye, niece of the bride, was in white, and carried a basket of white flowers, and Baby Lahue, namesake niece of the bride, wore pink silk muslin, with allover white lace, and carried white flowers. The bridegroom was supported by his brother, Ralph Garratt.

After leaving his daughter at the altar, the Rev. E. S. Howard performed the ceremony assisted by the Rev. C. S. Deeprose, of Sherbrooke, and the Rev. Mr. Sanderson, of Lennoxville.

After the ceremony a reception was held at the Parsonage, where a sumptuous repast was served, presided over by the bride's mother, gowned in black satin, with jet trimming.

Friends from out of town were Mr. and Mrs. H. G. Frye and family, Mr. and Mrs. Ben Howard, Mr. and Mrs. Siler, all of Sherbrooke; Mr. D. H. and Waldorf Howard, Mr. E. E. Howard, B.C.L., and wife, of Montreal; Mrs. Sam Mooney, Master Eric Mooney and Miss Bessie Brouard, of Inverness, Que.; Mr. and Mrs. M. M. Lahue and family, of Lowell, Mass.; the Rev. S. Bridgette, of East Angus; Mrs. Cunningham and Miss Hatty Allen, West Lake, Ont.; Mr. Ralph Garratt, of Minnesota, U.S.A., and Miss Alice Garratt, of Wellington, Ont., brother and sister of the bridegroom; Dr. and Mrs. McDonald, Mr. and Mrs. McFadden, Mr. and Mrs. Currier, and the Rev. Newton Kerr were also present.

The many beautiful presents, including cut glass and silver showed in what estimation the bride is held, cabinet of cunning workmanship. The bride's gifts to her bridesmaids were white fans, and a beautiful doll; to the pages, sterling scarf pins.

The Rev. and Mrs. Garratt left on the 7.45 train, amid showers of good wishes, and confetti, for Clayton, N. Y., via Sherbrooke and Montreal.

The bride's going away dress was grey tweed with allover lace waist and white hat.

After spending a couple of weeks in New York State, they will reside in Wellington, Ont., and will be at home to their friends, after October 1st.

RICHMOND—BROWN.

(From Morning Press, Santa Barbara, Cal.)

At the home of the bride's parents, 1034 Bath street, at 12.30 o'clock yesterday, Miss Jessie Louise Brown, the daughter of Mr. and Mrs. Aaron L. Brown (formerly of Lennoxville, Que.) became the bride of Mr. Charles Percival Richmond. The ceremony was performed by Rev. R. L. Bruce, pastor of Grace Methodist Episcopal church.

Standing beneath branches of palm leaves, profusely decorated with roses, the words were pronounced which made the happy couple man and wife. The bride, who was unattended, was given away by her father. She is an attractive brunette, with charming personality and was daintily robed in a white silk mull gown, becomingly made over pale blue silk. She carried a bouquet of bridal roses. The only ornament worn was a beautiful gold chain and locket.

Only the happy couple's most intimate young friends attended the ceremony. In spite of the request not to send presents, many beautiful gifts were received. Mr. and Mrs. Richmond left on the 3 o'clock train for a two weeks' tour through the southern part of the state. The bride's going-away gown was a beautiful brown silk suit, with hat to match.

Mrs. Richmond is a native of Lennoxville, Quebec, Canada. She came to Santa Barbara, with her parents, about three years ago, and has made many friends here, being very popular in her set. Mr. Richmond is fron Killingly, Conn., coming to Santa Barbara about two and a half years ago. He holds a position with The Morning Press. The couple were a target for a shower of rice, which was thrown at them by their friends as they boarded the train.

DOUBLE DROWNING AT VARENNES.

Prominent Young Couple Met Death Yesterday.

SHIRLEY DAVIDSON AND MISS EILEEN HINGSTON—BODIES NOT YET BEEN FOUND.

Montreal, Aug. 5.—(Special.) — A double drowning tragedy took place at Varennes on Sunday, when Shirley Davidson, son of Mr. Justice Davidson and Miss Eileen Hingston, daughter of late Sir William Hingston, were drowned.

Davidson was the week-end guest at Lady Hingston's summer residence, some miles down the river. Sunday morning the two went sailing and a few hours after the canoe was found without signs of the occupants.

It is believed that a sudden lurch threw Miss Hingston out, and Davidson jumped in to rescue her.

The strong current probably swept the canoe beyond his reach and they were too far from shore to swim.

Neither bodies have been found.

Davidson was a civil engineer by profession.

The monthly general meeting of the Sherbrooke Football Club will be held to-night at 7.30 o'clock at the Windsor Hotel.

FIVE KILLED IN AUTO RACE.

Racing and Touring Cars Collided in France.

ANOTHER HORRIBLE ACCIDENT — DUST SHUT OFF DIVER'S VIEW.

Bordeaux, France, Aug. 5.—A fatal automobile accident has just occurred near here, by the collision of two cars five men were killed and two others mortally wounded. One of the cars was competing in the Criterion Cup race. It collided while running at full speed with a touring car. Among the men killed are the editors of two newspapers. The racing car left Paris Saturday morning. It is said that the dust over the road prevented the drivers from seeing the other car.

On account of this and other accidents resulting from the efforts of the contestants to make speed, the Government has ordered that the Criterion Cup race come to an end. The cars had still 434 miles to go.

EAST ANGUS.

Leonard Gorham left Thursday afternoon for his father's cottage, Breeches Lake, D'Israeli, where he will remain for a few days trout fishing.

Mr. H. Soeter has arrived in town with his family and will reside in one of Mr. Robert Westgate's houses.

Miss L. M. Willard leaves to-day (Monday) for Beebe Plain, where she will be the guest of Miss E. S. Tomkins'.

The great number of people arriving here owing to the fact that the mills are again in operation, has necessitated the repairing of many of the company's houses.

Miss L. M. Willard, of East Angus, who has creditably passed her second year in medicine at Cornell, has just received word that she has successfully passed the examinations given by the N. Y. State Med. Licensing Board, in the subjects given at the end of the second year. The remaining subjects, qualifying one to practice medicine in the State being given at the end of fourth year. This is another successful Eastern Townships person who is to be congratulated.

McGowan, of Bedford, in Knowlton for the week end.

A great many of the heads of the families boarding in Knowlton seem to have gotten an extra day on the week end last week, as Friday evening brought a lot to town, the regatta being adequate attraction.

The committee of inspection sent out by the Cemetery Association returned on Friday night, having visited eight American small towns and villages, as well as Stanstead and Rock Island, and will have an interesting and instructive report to give at the next meeting of the directors which will be held Aug. 13th at the county house.

Autos and motor cycles began Friday again to make the town lively. Having had so much rain they had not been able to get about for over a week's time.

Austin Wilson is working at telephone repairing about the village, while waiting for the school season to open. Having received his A. A., he will try teaching this fall.

Arrangements will be made for a new date for the Tennis Club tournament which was postponed on account of the rain. Now that the regatta is over something else can be thought of.

CHEESE AND SUNDAY LABOR.

(Montreal Gazette.)

In some sections of the country, notably Cowansville and Brockville, threats have been made that if the cheese and butter factories are operated on Sundays prosecutions will be entered under the Lord's Day Act. The Cowansville Dairy Board has decided to come to the assistance of the first maker summoned under the act. The making of cheese and butter is not included in the list of things which, under the act, may be done on Sunday. The "caring for of milk and cheese" is included, but it is doubtful if "caring for" could be interpreted as permitting the manufacture of cheese and butter. There is another clause, however, clause (w) of section 12, which would appear to allow the operation of butter and cheese factories on Sundays. This clause makes permissible "Any unavoidable work to save property in case of emergency or when such property is in imminent danger of destruction or serious injury." Cheese and butter factories are not commonly operated on Sundays except during July and August, when the weather conditions are such as to make keeping of milk more or less hazardous. Comparatively few farmers possess the means of cooling and preserving milk during a heated spell such as is apt to occur without warning during July or August. If "all operation connected with the making of maple sugar and maple syrup in the maple grove," are held under the law to be a work of necessity, the utilization of milk in the manufacture of butter and cheese in order to prevent its destruction or serious injury may also be regarded as a work of necessity. But it is not necessary to search among the clauses of section 12 of the act for authorization for the operation of butter and cheese factories during the heated months of the year. It may be found in clause 12 itself, which permits any "work of necessity," the exceptions noted thereunder being intended, as the clause states, to insure "greater certainty, but not so as to restrict the ordinary meaning of the expression 'work of necessity or mercy'" to the works cited. It has, therefore, been held to be within the discretion of the magistrate to interpret the meaning of "work of necessity or mercy." In the spring and fall months of the factories on Sunday does not exist year the necessity of operating the and might well be held unnecessary.

If you and your job do not get on together prosperously, get a separation and advertise for a new one.

His Future Assured.

The telephone rang in a certain broker's office one morning this week, and the broker himself answered.

"Yes," said he, "this is it. I'm Mr. B. What can I do for you? Whom do you want, then? Oh, all right; hold the wire. Here, Jimmy, some one to talk to you."

Jimmy, a diminutive, towheaded office boy, approached and seized the receiver.

"Yep, dis is Jim. Oh, yep; hullo yerself. Sure, dat was him talkin'. Wot? Hully gee! Dat so? A'right—yep—goodby yerself.

"Say, Mr. B.," the diminutive one remarked to the broker, "dat was Eddy, de head office boy, an' he says ter me ter tell yer he resigns his job right now by de phone 'cause he don't like de way yer talked t' him yesterday. He says he kin live anyhow, an'"—

"All 'right," the broker interrupted. "The mistake he made was in not demanding my resignation. However, he'll own an office some day. We will now proceed with the day's business, James."—New York Globe.

Hans' Nightmare.

Venefer I go on a party und eat more dan four bologna sausages, I always don't sleep goot dat night. Vell, I goes to de doctor's shop und tells him yust about how dat vas, und he said I haf de nightmare. Den he writes somedings in Swede on a piece of paper und sends me ofer to de hardware shop to get dat paper full of somedings. Vell, I says at mineself, "Vhen I vaste money dat vay my name ain't Hans Fritz von Splattzengatzmeyer." So I trows de paper on de street und starts home. On de vay I met a house mit a sign on de door: "Scarlet measles. Keep out." Den I goes along, und I met anudder house mit a sign on de door: "Small pox. Keep out." I tinks dat's a pooty goot scheme, so I goes home und takes a paint brush und writes on my door: "Nightmare. Keep out." Und de nightmare don't bodder me since.

GRANBY.

One of Mr. S. Booth's trotters established a new record on Friday afternoon on Main street sidewalk. Mr. Booth hitched the horse in the Town Hall shed for a few minutes, when the animal broke away and crossing Main street took the sidewalk making a close connection with C. H. Bradford's store, the cart grazing the casing of his plate glass window, knocking over a box of goods and narrowly escaping two young ladies, who sidestepped into the door. Then crossing the street, it left the cart and portions of the harness on the coping at R.W. Bradford's store. The horse was caught on Drummond street none the worse for the impromptu race.

Mrs. D. K. Cowley gave a delightful afternoon party, on Thursday, in honor of a number of former Granby girls who are now visiting at their homes and a few friends. The guessing contest was an amusing feature of the afternoon, prizes being won by Mrs. Kimpton, Mrs. Jenkinson and Mrs. C. H. Bradford. Among the out-of-town guests were Mrs. George Lewis, Cranbrooke, B.C.; Mrs. H. Jenkinson, of Sioux City, Iowa; Mrs. Knight, Malden, Mass.; Mrs. J. Roeder, Brighton, Mass.; Miss Baillie, Minneapolis; Mrs. Condon, Philadelphia; Mrs. W. Morton, Cranbrooke, B.C.

Miss Evelyn Giddings entertained a number of friends to a most delightful whist party on Friday evening, in honor of her guest, Miss Rosalind Taylor, of Magog. Prizes were won by Miss Florence Mitchell and Mr. Gardner Bradford. Dainty refreshments were served and a most enjoyable evening spent.

Miss L. McLeod very pleasantly entertained a few friends on Thursday evening.

Among recent arrivals are Mrs. C. Grimwood, Montreal; Mrs. Curley, of Cowansville, guests of Miss Obryn; Misses Neil, Waterloo, guests of Mrs. J. Stanley Neil; Mr. S. Blais, visiting friends; Senator and Mrs. Merril, of South East Dakota, guests of Mr. and Mrs. W. F. Giddings.

COWANSVILLE.

Mr. George Tibbits had the misfortune to severely wrench and sprain himself Friday last, in trying to handle a heavy hay-rick alone. It toppled over onto him, pinning him down by the chest and severely laming him for days after, but Mr. Tibbits managed to raise the weight and free himself without help and is again out and moving slowly about necessary work.

Dr. William S. Cotton is suffering from lumbago and Mr. B. C. McNab is scarcely able to move from an attack of rheumatism.

NOYAN.

Mrs. McMillan, who has been a guest of Mrs. W. J. Derick for a few days, has returned to Montreal.

Mrs. Carrie Derick, of Northampton, Mass., is visiting her sister, Mrs. L.J. Fadden.

Mrs. O. Esty, of Montreal, is spending a few weeks with Mrs. R. B. Derick.

Mrs. (Dr.) McPherson and her sister, Miss Minnie Donelly, of New York, are boarding at Mrs. S. B. Derick's.

The congregation of St. Thomas Church held a special meeting on Sunday last to discuss the question of having a "Harvest Home," this fall. It was decided to have the function on the 4th of Sept.

Mrs. W. Wilson is confined to her bed again. Her daughter, Miss Florence, has arrived home from St. Albans.

A travelling man struck town one night recently with a bear and by his many tricks and manoeuvres pleased the old as well as the young.

The new Customs House is nearing completion. It will be up-to-date in every respect and will add greatly to the appearance of Noyan Jct. A large flag staff will be erected where the Union Jack will flutter in the gentle breezes.

DIXVILLE.

Arrivals include: Messrs. E. O. Baldwin and E. Webster, of Coaticook, on Saturday; Mr. Fenton Damon home from Bolton, Vt., for a few days.

Departures include: Mr. L. Wright, to Sherbrooke on Friday; Mr. and Mrs. Smith, North Coaticook, on Saturday; Messrs. R. G. Smith and E. Cutler attended the market at Coaticook on Saturday; Mr. C. Allen, B.A. to Hereford, on Saturday; Messrs. R. Byron and H. W. Childs to Coaticook.

The funeral of the late Mrs. Martin took place here in the Baptist church on Saturday afternoon. The deceased has been living here with her daughter, Mrs. R. Poole, for the past few months.

Mr. G. Hetu has closed his cheese factory—for the present.

ROSENBERG.

Miss Chamberlain, of Frelighsburg, and Miss Sanborn, of Montreal, were the guests of Mr. and Mrs. George Mitchell on Thursday.

Miss Mabel Bockus is spending a week with her sister, Mrs. Roberts.

Messrs. Jos. Crothers and William Roberts are changing work during haying. That of Mr. Roberts is finished, and they are now beginning that of Mr. Crothers.

EDUCATIONAL REFORM.

(Waterloo Advertiser.)

Hon. W. A. Weir is working on a scheme to improve the status of elementary education throughout the province. He is about ready to submit his proposals to Premier Gouin and his colleagues. Happily the funds of the province will permit the granting of more liberal aid in the support of public instruction. The provincial finances for the past year show a clear surplus of half a million dollars. The readjustment of the federal subsidies will add $600,000 a year to the provincial revenue. Taking it altogether, Premier Gouin is going to be in a position to give an impetus to education and particularly to help the poor country schools. Mr. Weir's scheme is doubtless based on the giving of more generous assistance than has been possible in the past. In order to obtain the best results the Government should pursue a policy of helping those who help themselves. That is to say, that increased grants should be contingent on the municipalities doing more than they are doing now to maintain efficient schools. It is only fair to say that the people generally are displaying more interest in education than they have done for a generation or more. They are becoming alive to the importance of educating their children and are prepared to make some sacrifice to secure that end. Scores of municipalities have increased their rates of taxation. Others are still in the old rut, but the Government may succeed in dragging them out of it.

Paroid Roofing-

The Roofing With a Money-back Guaranty

Buy one lot of Paroid; open it; inspect it; apply it to your roof, and if then you are not satisfied that you have the best ready roofing made, send us your name and address, and we will send you a check for the full cost of the roofing including the cost of applying it.

Paroid Lasts Longest

Because it is made of the best felt—made in our own mills (established in 1817); other manufacturers buy their felt outside and simply saturate and coat it.

Because it is soaked (not dipped) in a saturating compound which makes it water proof in every fibre.

Because it is coated on both sides with the strongest, thickest, smoothest, toughest, most flexible coating used on any ready roofing. Don't take our word alone for it. Compare Paroid with any other. You can see and feel the difference. Paroid does not break or crack in the coldest weather or run in hot weather

Because it is applied with our patented square, rust proof caps—water proofed on both sides—the only caps that will not rust, work loose and cause leaks.

These are some of the reasons why we can give Paroid so strong a guaranty; why it lasts so long—why it is so largely used by governments, railways, factories and farmers everywhere.

All we ask is that you try it on our money-back guaranty.

Paroid is made by F. W. Bird & son, Hamilton, Ont. Established in U.S. 1817. Don't take a substitute but send for samples and prices to

It frequently happens that when securities, are desirable purchases, investors are temporarily unable to avail themselves of the opportunity.

In such cases, I am prepared to buy for my customers, at prevailing prices, such securities as they may select, upon the payment of a fraction of the purchase price, the balance to be carried at a moderate rate of interest.

An opportunity now offers to those who have money to make investments which will return a much larger rate of interest than has been the case for some years, and later on the opportunity will have passed.

On the Montreal list there are plenty of good stocks yielding 6 to 7½ per cent., while in New York some of the industrials are now yielding 9 to 10 per cent.

Harriman's Union Pacific yields the investor over 7½ per cent.

Make The Stable Work Easy and Pleasant!

Our stable fittings do just that, and increase the profits from the stock well.

HEATH'S LITTER CARRIER, illustrated here, takes at least half the hard work away from cleaning out stables. The tub lowers to be filled, then winds up and runs out easily on the overhead track, dumping directly into the spreader as desired. Every part is made for solid service.

Our PRESSED STEEL WATERING BOWLS, always within reach of the stock, and always supplied with fresh water, are far more convenient and a great deal better for the animals than an old trough in the yard. They are cheap and easy to install and rust proof.

Our U BAR ROTARY STANCHIONS make it possible for even a boy to tie up a herd in half the usual time. They give the cattle plenty of freedom, but prevent them from injuring one another, making stalls and stalls unnecessary.

Write for our catalogue No. 16. It will give you some valuable information on how to lighten your work.

LOSS BY FIRE IS $100,000.

Hotel and Furniture Fatcory at Ste. Therese Destroyed Saturday.

FIRE BROKE OUT IN THE FACTORY WHERE ONE HUNDRED MEN WERE EMPLOYED.

Ste. Therese, Que., Aug. 5.—One of the most destructive fires that ever visited this locality broke out here Saturday afternoon, and, despite the efforts of the local fire engine and a willing bucket brigade, the factory of the Dominion Furniture Manufacturing Co. was destroyed, as well as the hotel kept by Mme. J. Forget.

The total loss will be about $100,000, on which there is about one-half insurance. The greatest loss the town will suffer is the throwing out of work of one hundred men, who have been long accustomed to steady employment.

The rapidity with which the flames spread defied the efforts to stay them. In a few minutes everything was in flames.

The main building, where the manufacturing was carried on, was 160 ft., and from there the fire spread across an opening of fifty feet to the finishing room, and again to the store room, two carloads of furniture for local points were pulled away in time, but two other carloads waiting to be loaded were destroyed, as well as everything else inside the building. In the space of an hour the whole factory was in ruins. Nothing but the stone foundations were left and the brick walls of the drying kiln.

A shed in the rear of the Junction Hotel, which is situated near the factory, caught fire. The hotel had been from the first in danger and a considerable quantity of the effects were removed in time. From the shed, the flames extended to the hotel, and, in a short time, it was reduced to a heap of brick and mortar.

Around the factory was a pile of lumber that was also destroyed. It consisted of 600,000 feet of birch, and was worth $10,000. This was a huge bonfire, and the way the flames roared and were carried along by the wind made the safety of the town a matter of doubt till the change of wind took place, shifting the danger to another quarter. Another pile of lumber of about 500,000 feet, near to the birch, was also in danger. A quantity of hay in an open field that separated the two piles caught fire, but it was stamped out in time and the lumber was saved.

The fire kept burning all the afternoon and through the night. Even yesterday it was still smoking and the debris was still hot in some places.

The Dominion Furniture Manufacturing Company has been doing a business of $10,000 a year for several seasons, and the loss of the factory at the approach of winter will be severely felt. Manager Fleet was unable yesterday to say whether they would rebuild or not, but thought such a decision was likely, as there were heavy orders ahead, and the site was a good one. The effect of the loss of the factory may be known when it is said that the monthly pay roll is over $2,700. Manager Fleet estimated the loss of the company at fully $90,000, on which there was $40,000 of insurance.

Mme. Forget estimates her loss on the hotel at $10,000, of which there is a light insurance.

The directors of the Dominion Furniture Company are Messrs. Gunn & Langlois, of Montreal, and Messrs. Fleet, McLellan and Desjardins, of Ste. Therese. The company did a large business all over Canada in general household furniture, and had a large stock of material on hand. The retail store owned by the company in which there was a stock of some three thousand dollars, was saved by the exertions of the firemen.

The origin of the fire is not known.

CASES BEFORE JUDGE MULVENA.

Liquor Case From Weedon Dismissed.

SEVERAL CASES HEARD AT WATERLOO—CRUELTY TO ANIMALS CASE.

Before Judge Mulvena, Joseph Grenier, of Emberton, asked for a speedy trial on a charge of unlawfully escaping from custody and pleaded guilty. He was sentenced to two months at hard labor.

WEEDON LIQUOR CASE.

In the case of J. F. Morkill, et al against Philippe Rousseau, of Weedon, the latter was charged with illicit possession of liquor. After hearing the evidence on both sides, the case was dismissed. The evidence showed that eight bottles of wine were found in the possession of the defendant. The liquor was found in defendant's bedroom, which is in the same building, where he carries on a small bakery and store. The evidence for the defence was to the effect that there being no license in the township of Weedon and adjoining townships, the defendant, in partnership with his father-in-law, had been in the habit of purchasing gin for their own use by the case. The defendant denied that he had every sold any liquor to any of the persons whose names were mentioned to him or to anyone else, and that he had been in the habit of using gin with milk for his stomach's sake. The Court held that the finding of liquor in large quantities either in the private house or in the place of business created a presumption in law that it was there for the purpose of sale, and that the officers were entitled to seize it, but that there was no law prohibiting persons from buying liquor for their own use in any quantity he chose. The possession of liquor merely placed upon the defendant the onus of explaining how and for what purpose he became possessed of the liquor. The Court held that this had been satisfactorily done in this case and dismissed the complaint.

JUDGE MULVENA AT WATERLOO.

Judge Mulvena was in Waterloo on Saturday.

Denis Kelly, against whom a charge of cruelty to animals had been laid by the Society for the Prevention of Cruelty to Animals, appeared and pleaded guilty to the charge. He stated that since the charge had been laid he had killed and horse and buried it, and had paid the costs. He was allowed to go on suspended sentence.

The case of the Collector of Revenue for the District of Bedford against a hotelkeeper in one of the adjoining municipalities for selling liquor to a drunken person was adjourned to the 3rd September at the request of the defendant to procure a witness who is now absent from the country.

In the case of N. Rockwell against A. Bissonnette, a fine of $1 was imposed.

ARBITRATION COURT AT THE HAGUE.

Proposition Adopted Regarding Establishment of a Permanent One.

COMBINED SCHEME FOR A WORKING PERMANENT CURT MAY BE PRESENTED TO SPECIAL COMMITTEE.

The Hague, Aug. 5. — Another American proposition—that for the establishment of a permanent court of arbitration at The Hague, and one which will occupy a place in history, obtained success Saturday in the subcommittee which had the matter in hand. Twenty-seven delegates voted affirmatively and twelve abstained. This means that the proposal was unanimously approved.

The vote on the proposition was as follows:

In favor of — Germany, Argentina, Brazil, Bulgaria, China, Chili, Colombia, Denmark, Santo Domingo, Ecuador, France, Great Britain, Guatemala, Italy, Japan, Mexico, Montenegro, Norway, Panama, Paraguay, Holland, Peru, Portugal, Russia, Sweden, Venezuela and the United States.

The following abstained from voting, some of them because they were without instructions from their governments: Australia, Belgium, Spain, Greece, Roumania, Servia, Siam, Switzerland, Turkey, Uruguay, Luxemburg and Salvador.

It is quite probable that Great Britain, France, Germany, Russia, and the United States will agree to present to a special committee on Tuesday a combined scheme for constituting a working permanent court of arbitration. Besides the details already known, a section regarding the expenditures will doubtless be arranged like that of the Universal Postal Union at Berne, the various countries being divided into different classes, according to their population, and bearing a proportionate share of the costs.

FINE OF $29,240,000 FOR REBATING.

Imposed Upon the Standard Oil Company.

PROBABLE THAT PROCEEDINGS WILL NOT BE COMMENCED AGAINST THE CHICAGO & ALTON.

Chicago, August 5.—Judge Landis in the United States District Court, Saturday, imposed a fine upon the Standard Oil Company, of Indiana, of $29,240,000, the maximum amount upon 1,462 counts of the indictments on which the company was recently convicted of rebating. The judge also recommended that a call be issued for a special grand jury, which is to consider the other party to the rebating operations of which the Standard Oil Company was found guilty, and it is, therefore, probable that within a short time proceedings will be commenced against the Chicago & Alton Railroad Company for the alleged commission of similar offences.

Only a few of the lesser officials of the Standard Oil Company were in the court room.

Judge Landis commenced reading his decision at ten o'clock and consumed approximately one hour before he announced the penalty.

A despatch from Chicago says:—The Standard Oil Company will take an appeal to the United States Court from the fine imposed by Judge Landis, Saturday.

DEATHS REPORTED

MRS. BOWEN, HILLHURST.

Coaticook, Aug. 5.—(Special.) —Mrs. Herbert E. Bowen, of Hillhurst, passed away Saturday morning after a long and painful illness aged 37 years.

DONALD KERR, OF INVERNESS.

Inverness, Aug. 5. — (Special)—The old pioneers of Inverness are passing away. On the last day of July, Mr. Donald Kerr, one of our oldest and most respected citizens, passed over to the great majority. Whilst Mr. Kerr was of a quiet and unassuming disposition, he was, nevertheless, called on to serve the community in many ways. He served as a School Commissioner, by unanimous election for twelve years from July 1889 to July, 1900, and for several years before that period. At the organization of the Village Municipality he was elected a Village Councillor and has held that position ever since by unanimous election. He was a life long consistent member of the Presbyterian Church.

MRS. MARY HANSON.

Barnston, Aug. 5.—(Special.) —Mrs. Mary Hanson, wife of Lewis Hanson, of Barnston, died at the home of her son William in Chelsea, Mass., on Monday, July 29th, aged 72 years.

Mrs. Hanson was dearly beloved by her family, and her death is deeply regretted.

She leaves three sons and one daughter to mourn her loss.

The late Mrs. Hanson had been a great sufferer from Bright's disease, and a complication of other ailments for the past year. Two weeks previous to her death she had a shock. During these last two weeks she suffered greatly.

A short funeral service was held at the home. All the children were present.

Rev. Clarence Seamons, of the Advent church, in Chelsea, officiated, and there was also a quartette by Mrs. Charles Young, Miss Annie Foster, Mr. Walter Brown and Mr. Seamons. The funeral cortege then proceeded to Holland, Vt., where prayers were said by Rev. Ames, followed by interment in the Holland cemetery.

There were many beautiful floral tributes.

BUTTER MAKING COMPETITION.

Mr. George H. Barr, the Dominion Commissioner, in charge of the Dairy and Cold Storage Commission branch, visited Sherbrooke Saturday, to inspect and advise as to the arrangement of the new dairy building on the Eastern Townships Agricultural Association's fair grounds. As a result of his visit, the dairy department of the Fair will offer a butter-making competition, to be held Tuesday, September 10th, and Wednesday, Sept. 11th, in the second week of the Dominion Exhibition. This competition will be open to all, creamery workers, and farmers, their wives, daughters or sons, alike. Thirty pounds of ripened cream will be supplied free to each competitor, and a full set of utensils, except for the print stamps, which each competitor may furnish if he wishes to do so. No objection is made to competitors using their own utensils, however, if they so prefer.

The judging will be done on the following points: The quantity and quality of butter produced, the method of working and making, the cleanliness of the utensils and the care of them at the conclusion of each day's work. Butter will be made up into pound prints and wrapped in parchment paper.

OVER 40 PERSONS WERE KILLED.

Railway Bridge Over the Loire Gave Way.

ENGINE, BAGGAGE AND ONE PASSENGER CAR PLUNGED IN RIVER — TWENTY-FINE BODIES RECOVERED.

Paris, Aug. 5.—A train which left Angers at 11.30 yesterday morning, for Poitiers was derailed at Pont de Ce, and between forty and fifty passengers were killed. When the train left Angers it was almost full, as is usual in the case of local trains in France on Sundays. At Pyramide all the seats were occupied. Just as the train entered upon a bridge spanning an arm of the river Loire at Pont de Ce, a sudden cracking, grinding sound was heard, and the locomotive left the rails at the first arch, and the bridge gave way. The locomotive, tender, baggage car and the first passenger car fell into the river, and all their occupants numbering between forty and fifty, were killed. Twenty-five bodies have been recovered. The driver was engulfed with his engine. The fireman had a miraculous escape. The work of rescue is very difficult, as there are no houses within a mile, and there are few boats. The current of the river runs strong at this point.

FISH AND GAME REGULATIONS.

EXTRACTS FROM REGULATIONS GIVING FEES, ETC.

The Record has been asked frequently to publish again an abstract of the fish and game law, and is pleased to do so.

The following are the regulations respecting Fisheries and Game in the Province of Quebec.

FEE FOR HUNTING LICENSE.

For persons not domiciled in the Province of Quebec and who are not active members of a Club duly incorporated in the Province, $25.

Persons not domiciled in the Province who are active members of Fish and Game Clubs duly incorporated and who wish to hunt in the Province, $10.

FEE FOR FISHING LICENSE.

Every person not domiciled in the Province of Quebec whether he be or be not a member of a club which is the lessee of a salmon river, shall pay for the privilege of fishing for salmon in the Province, $25.

For fishing for any other kind of fish, every non-resident shall, if he does not belong to an incorporated club, pay $10.

If he be an active member of a duly incorporated club which is the lessee of a fishing territory, he shall pay for fishing within the limits of the Province $5.

OBLIGATIONS OF LESSEES OF HUNTING AND FISHING RIGHTS.

The President or Secretary of every Fish and Game Club shall, at the end of each hunting and fishing season, send to the Department a sworn statement giving the name and address of every person who shall have hunted or fished on the Club territory, specifying after the name of each person, whether such person is an active member of the Club or not, the fee paid, etc., on blank forms to be supplied by the Department.

The Club shall be responsible for all licenses which shall be or should have been issued for hunting or fishing within its territory.

The same regulation applies to lessees of salmon fishing rights.

WANDERERS DEFEATED BY CAPELTON 14 TO 12 IN SATURDAY MATCH.

The Wanderers met their Waterloo on Saturday afternoon at the hands of the Capelton boys. After nine innings the game was called with the score at 14—12 for the visitors.

The game started off rather brisk, Capelton getting in three runs and the home boys 2. At the end of the second innings the score was 5—2 for the visitors. With the visitors shouting and the home boys a little depressed, the third innings was started. This did not change the score. The 4th innings brought a series of fast and effective play from the home boys which kept the visitors guessing.

This was the time the Wanderers ran their score card up to 10 runs, They needed them. Nothing extraordinarily exciting occurred in the 6th and 7th innings, nor even in the 8th, at the end of which the score stood 12—9 for Sherbrooke. The 9th innings was started with both sides prepared to win, Wanderers to hold their own and the C.A.A. boys to walk ahead of the opponents. Capelton went to bat first in the person of McCabe. Every player got a bat in this innings and of these five brought in scores. Now with a lead of two runs, Capelton had changed the general aspect of the game, in their favor. But Wanderers had another bat. Surely they would make three runs at least. This is the way they did it: Taylor first to bat, never reached first; next came Johnston who got around to about second or third. Then R. Newton stepped to the plate but he like the first never reached first. McDonald had no better luck and the side was out.

The errors by players of both teams were many. But in this art probably both clubs were equally well talented.

This was the greatest misfortune the home boys have run up against so far this season. In fact, it was wholly unexpected and what's more should not have occurred.

The following is the score by innings:

Wanderers—2 0 0 8 0 1 1 0 0—12.
Capelton—3 2 0 0 0 1 2 1 0 5—14.

The following is the team line-up.

Wanderers.		Capelton.
S. Newton	c.	Baland
R. Wildes	p.	Blue
J. Griffith	1 b.	Beattie
McDonald	2 b.	McCabe
A. Moore	3 b.	G. Dore
R. Newton	s.s.	C. Wiggett
A. Johnston	r.f.	Hallenby
D. Taylor	c.f.	F. Dore
Lefebvre	l.f.	F. Davis

Umpire—Dr. Trenholme, of Island Pond.

The St. Francis League match, Magog vs. Waterville, at Waterville, did not take place on Saturday.

The Magog Club did not go to Waterville, but it is understood gave as a reason the same story that they could not get a team together.

COATICOOK PLAYS A CLOSE GAME.

Coaticook, August 5. — (Special) — The baseball match on Saturday afternoon between the Nationals and The Pen-Angle Juniors, both Coaticook teams, resulted in a victory for the latter team of 9 runs to 8.

The game was close and exciting from a spectator's point of view. A fine triple play was made by Girard, by a short stop catch.

The line-up was as follows:

Pen-Angle Jrs.		Nationals.
B. Shaw	p.	E. Gilmour
H. Henderson	c.	N. Trudeau
A. Leclerc	1 b.	C. Dallaire
G. Audet	2 b.	E. Major
A. Gauvin	3 b.	M. Laroche
A. Girard	s.s.	A. L'Heureux
J. Champagne	l.f.	J. Laroche
J. Kelley	c.f.	H. O'Neill
A. Grady	r.f.	R. Laliberte

Umpire—G. Landers.

CLOSE GAME AT BAXTER FLAT.

Rock Island, Aug. 5.—(Special.) — Quite a large number attended the ball game in Baxter Flat on Saturday afternoon.

The score was 5—4, in favor of Buchanan's team.

The line-up was as follows:

5 runs.		4 runs.
Buchanan (Capt.)	Catcher	Seguin
Gilmore	Pitcher	Morrill
St. Pierre	1st base	Parsons (Capt.)
Peron	2nd base	Cosbey
Ingraham	3rd base	Pike
Jenkins	Short Stop	Schmalon
Lacasse	Left field	Nason
Wallace	Centre field	Belvillis
Laythe	Right field	Little

Umpire, J. A. Hunt.

M. L. C. BOYS DEFEATED ON SATURDAY BY MAGOG JRS.

The boys of the Maple Leaf Club were unsuccessful on Saturday, even on their own grounds, against the Magog Juniors. After nine innings, the game was given to the visitors by the score of 15 runs to 7.

The score was more than doubled, but the M.L.C. boys could not seem to attack them in their weak spots and stop them from running the score up the way they did.

A few startling plays were made but otherwise the game proceeded in a quiet and businesslike manner. From the third innings the game was Magog's and they kept a good lead to the end.

The teams were comprised of the following players:

Magog—McTavish, F. Wing, A.Wing, E. Plante, J. Mitchell, E. King, D.Williams, L. and E. Osborne.

M.L.C.—Wiggett, H. Tate, R. Hovey, W. Hovey, G. Griffith, W. Gill, R. Tate, E. Walley, G. McLeod.

FOOTBALL.

SHERBROOKE WINS INTERESTING MATCH WITH BEEBE PLAIN.

Sherbrooke and Beebe Plain football teams met Saturday afternoon on the grounds of the Sherbrooke Lacrosse Club in an interesting contest, which, it was said, would practically decide the Eastern Townships championship and the holders of the cup donated by the Foresters.

The "Association" game was played, and the result was a victory for Sherbrooke by 6 goals to 0. There was quite a good attendance of the public to watch the match, and the new C.O.F. band contributed musical selections before the match and at half time.

Both teams were heavy and played with much determination, but the locals evidently had the advantage of more practice than their opponents. They were quicker on their feet, and, therefore, secured the ball in the majority of mix-ups. The defence of the the visitors was, also, weak, which aided the local team. There was too little team work on both sides. Players were too much inclined to kick hard and raise the ball in the air, while more dodging and passing would have been more effective.

At the end of half-time the score stood 5 to 0, for Sherbrooke, Forsythe scoring four and Roberts one. Sherbrooke only secured one goal in the latter half.

Association football is an extremely interesting game to watch, though little has been seen of it in the Townships of late. It is to be hoped that these matches indicate a revival and that a football league will be a regular feature of the sport in this district in the future.

The teams lined up as follows:

Beebe Plain.		Sherbrooke.
J. Philips	Goal	C. Sangster
Bryan	R. Back	G. Owan
McAulay	L. Back	Foulds (Capt.)
McIntosh	Half Backs	H. Banks
Court	Half Backs	G. Rilal
Vouelle	Half Backs	A. McDonald
Beattie	R. Wing	J. Sangster
Seggie	R. Wing	R. Roberts
Clark	Center	W. Taylor
Davidson	L. Wing	A. Forsythe
McCandlish (Capt.)	L. Wing	C. Hatch

Referee, McDowell, of Capelton.

T. LEE QUIMBY'S SUCCESS IN MASSACHUSETTS MATCHES.

Mr. T. Lee Quimby, business manager of the American Horse Breeder, a native of Boynton, in Stanstead county, is making quite a name for himself at golf.

In the Hatherly Club's annual golf handicap at North Scituate, Mass., a few days ago he won the net prize with scores of 88—18—70.

The victory carried with it a much-prized cup, the third Mr. Quimby has won this year.

Mr. Quimby is spending a few days at his old home in Boynton.

WATERS TO MEET CLARK FOR VERMONT GOLF CHAMPIONSHIP.

Manchester, Vt., Aug. 5.—Merrill K. Waters, who is defending the title in the sixth annual Vermont State golf championship on the Ekwanok links, Saturday afternoon met Edward M. Clark, 3d, his clubmate, in the final 18-hole contest for the coveted honor. The champion defeated H. L. Edwards, Ekwanok Saturday morning in the semi-final round by 4 up and 3 to play. Edward W. Clark, 3d, won from ex-Champion Paul Waterman in the semi-final round by 3 up and 2 to play.

In the second round of the laconic tournament, played last week, Waters defeated Clark by 3 up and 2 to play. The summary of the championship division, semi-final round:

Edward W. Clark, third, Ekwanok, beat Paul Waterman, Ekwanok, 3 up and 2 to play.

Merrill K. Waters, Edwanok, beat H. L. Edwards, Ekwanok, 4 up and 3 to play.

SUCCESSFUL REGATTA AT KNOWLTON.

FINE WEATHER AND LARGE ATTENDANCE FOR INTERESTING EVENT.

Knowlton, Aug. 5.—(Special.) —The Brome Lake regatta on Saturday was in every sense a successful event. There was a large attendance, the weather was ideal and everything passed off, according to programme, excepting the yacht race which had to be postponed.

The results were as follows:

Single canoe—1 Bailey, 2 Whiting.

Swimming race (boys under 12—1 Symonds, 2 R. Taylor.

Single scull—1 A. Benoit, 2 J. Tibbets.

Crab race—1 A. Benoit, 2 A. Moore.

Lady and gentleman canoe—1 Miss Moore and B. Whitley; 2, Miss Whitley and B. Spain.

Double scull (boys under 15) — 1 T. Benoit and C. Shepard; 2, Symonds and Henning.

Swimming race (boys 13—16)—1 Arthur Moore, 2 J. McKeown.

Tandem canoe (ladies)—1 Miss Whitley and Miss Moore; 2, Miss Hunter and Miss G. Moore.

Double scull—1 Al. Benoit and B. Shepard; 2, R. Kennedy and M. Tait.

At 8 p.m. there was an illuminated boat parade, about twenty-five boats taking part. This was most effective. The club house was brightly illuminated and the scene was like a fairyland. There were fireworks from various points.

Dancing was the chief item of the evening programme, and participated to the music of the piano.

Sir Melbourne Tait distributed the prizes with a few happy remarks in each case.

Mr. Fay made a speech, thanking all for the interest shown in the regatta, now a recognized institution in Knowlton.

The officers of the regatta were as follows: Referee, John Fay; judges, Sir Melbourne Tait, Judge Lynch, Jas. Mackinnon; clerks of course, J. O'Halloran, J. R. Kennedy, Dr. Harris; announcer, C. K. Temple; starter, W. R. Granger; committee, C. K. Temple, F. N. Williams, H. A. Whitley, W. R. Granger; entry clerk, Jas. Wilson.

THE MASSAWIPPI CANOE CLUB.

PROSPECTS GOOD FOR REGATTA NEXT SATURDAY.

The Massawippi Canoe Club will hold their twelfth annual regatta at North Hatley on Saturday afternoon next, August 10th at 2 o'clock. The club has taken great pains to make it a success in every way, and the only thing necessary to ensure this is a fine day. A fine list of events and prizes

are up and entries are already. The sailing will be a feature as the same class will compete performances so far this races should be close

Entries for many events from Magog, Knowlton and other places.
