1876-77.

MONTREAL BUSINESS DIRECTORY.

Montreal being the great commercial centre from which the Eastern Townships derive most of their supplies, and from whom it gets a large portion of manufactured goods and produce, it has been thought advisable to introduce in this work a BUSINESS DIRECTORY OF MONTREAL, of the leading houses, (arranged in alphabetical order according to names), such as banks, insurance companies, merchants, manufacturers, professional men, &c. This addition will not exclude from the *Classified Business Directory* any of the subscribers or advertisers, in which will be found the names of all who have patronized the undertaking; they will also have the benefit of carefully prepared Indexes.

SUBSCRIBERS.
