World News In Brief

New York, Oct. 23.—(P)—City officials intervened today to head off a work stoppage by 7,000 Western Union employees here which would cut off New York City from virtually all telegraphic communication with the rest of the United States for the second time this year.

Activists, after federal conciliation efforts collapsed yesterday, Deputy Mayor Thomas L. J. Corcoran sent telegrams to Joseph L. Eagan, Western Union president, and Joseph Selby, head of the C.I.O. American Communications Association representing the employees, announcing he would appoint a special meeting today "to assist in bringing about a settlement of this dispute."

Mr. Corcoran asked company and union to continue another week the contract which expires at midnight tonight. The A.C.A. position has been "no contract, no work."

Quebec, Oct. 23.—(C.P.)—Approximately 10,444,270 lbs. of creamery butter was produced during the month of September as compared with 11,133,615 pounds during the same month in 1945. It was announced by the Bureau of Statistics of the Department of Trade and Commerce here yesterday.

Approximately 5,044,620 pounds of cheddar cheese was produced last month as compared with 8,475,791 lbs. during September last year.

Calcutta, Oct. 23.—(C.P.)—Hindu-Muslim disorders raging since Oct. 10 through two East Bengal districts threatened today to spread to other parts of the province, centred in Calcutta.

A "state of emergency" was proclaimed for Dacca municipality in the area northwest of the troubled Noakhali and Tippera districts.

The arrival of thousands of refugees from the disturbed region was believed mainly responsible for heightened Hindu-Muslim tension in Calcutta, scene of a summer communal massacre. Seven persons were stabbed, two fatally, here yesterday.

Gurkha troops and government police worked their way into the interior of the Noakhali and Tippera districts to crush lawless elements still killing, burning and looting. Relief parties went along to take food to isolated communities threatened with famine because of the disturbances.

Jerusalem, Oct. 23.—(C.P.)—A new manifesto by the so-called Stern Gang, a Jewish underground organization, threatened today a "drastic intensification of the war against the British." London dispatches meanwhile reported that Lt.-Gen. Sir Evelyn Barker, commanding British forces in Palestine, would be relieved of his post soon.

The Stern manifesto, which followed by less than 24 hours threats to shoot all British officers carrying arms, said more and more mines would be placed in the path of military vehicles, and claimed credit for blasting two railway engines near Jerusalem Monday night.

Lewis Moves Up Deadline On Threatened Coal Strike

Washington, Oct. 23.—(P)—John L. Lewis today stepped up the tempo of his attack for fresh wage concessions from the federally-operated soft coal industry, whipping out a sharp new ultimatum to Interior Secretary Krug.

Mr. Lewis told Mr. Krug to meet him in Washington on Nov. 1—and no later—or face a walk-out by Lewis' 400,000 soft coal miners 20 days earlier than the Nov. 20 deadline set previously.

The 66-year-old boss of the A.F.L. United Mine Workers Union thus underscored his demand that Mr. Krug re-open the whole question of wages, hours and other matters involved in the Lewis-Krug agreement which followed the government's seizure of the pits last May 22.

Meanwhile, labor experts looked for possible repercussions from this pre-winter controversy which could affect Pennsylvania's 75,000 hard coal miners. Almost the entire hard coal output goes into heating homes and buildings.

If Mr. Lewis is successful in his demand for renewing wage negotiations for soft coal miners, similar demands may be expected of the hard-coal producers—and Mr. Lewis can open his hard coal contract on 10 days' notice.

U.S. - Russia Split Chief Worry As Delegates Meet For U.N. Assembly Opening

Union Claims Intimidation By Policemen

Striking Bush Workers Allege Provincial Force Threatened Legal Pickets—Five Held After Flare-up.

Timmins, Ont., Oct. 23.—(P)—Ontario Provincial Police continued today to keep a watchful eye on striking bushworkers in this area following charges by union men that the policemen had tried to "intimidate" the strikers.

The strike for higher pay, improved working conditions and union security today entered its 11th day as the striking Lumber and Sawmill Workers Union (A.F.L.) and operators of mills and woods camps scattered across the Northern Ontario bushland from here to Port Arthur continued to issue conflicting claims as to its effectiveness.

A special council meeting last night heard Police Chief Albert Lepi say that the small detachment of P. 12-1-1 sent here early in the strike had not interfered with union pickets at mills in the Timmins vicinity.

Mare Leclerc, president of the union local, said: "On the picket lines this morning the Provincial Police officers told the strikers that if there were any trouble union leaders would be picked up. That is intimidation and for the sake of the records we were picketing well within the town limits."

Bruce Magnuson, union secretary, said the union was trying to run an orderly and peaceful strike. Mr. Leclerc appeared in Magistrate's Court earlier in the day on a charge of wilful damage arising from the alleged overturning of a Feldman Lumber Company truck. He was released on \$100 cash bail.

Police held five men as material witnesses following a brief flare-up of violence in the Timmins area and charged Leo Barrette of Timmins with unlawfully counselling strikers. The men in custody were identified as Jean Paul Lord, Simeon Allard, Albert Martineau and Leopold Blanchette.

The men were taken into custody in a camp near the E. E. Wicks mill near Timmins after A. Lalibert, 57-year-old night watchman at the mill, told police he had been knocked down while resisting a disturbance among piles of lumber.

Donald J. Munro, woods manager of the Libby Power and Paper Company, said in Sault Ste. Marie, Ont., that the strike was about 10 per cent effective in two company camps and that no demands had been made to Abitibi. He said other Abitibi plants were not affected.

President Truman Expected to Emphasize "Patient but Firm" Foreign Policy Toward Russia Laid Down by State Secretary Byrnes as General Assembly Session Is Inaugurated This Afternoon.

By JOHN M. HIGHTOWER
New York, Oct. 23.—(P)—With permanent peace as their goal and the split between the United States and Russia as their foremost worry, the delegates of 51 United Nations gathered today to hear President Truman open their first great assembly on North American soil.

Mr. Truman was due here during the afternoon. State Secretary Byrnes preceded him last night.

A United Nations luncheon is one of several affairs designed to make this a festive day in the history of the United Nations. But in the midst of the confident welcoming speeches, most delegates privately expressed their concern over the tensions existing between the United States and Russia. Every major issue was being examined in that light—in the American delegation as well as in other official groups here.

Against that background Mr. Truman had to speak and it was generally expected he would take the opportunity to support and emphasize the "patient but firm" foreign policy toward Russia laid down by Mr. Byrnes in his report last Friday on the Paris Peace Conference.

Mr. Truman was due at La Guardia Airfield from Washington about 3:40 p.m. E.S.T.—only 20 minutes before the scheduled opening of the assembly.

London, Oct. 23.—(P)—Prime Minister Attlee called today for a review of the use of the veto in the United Nations Security Council.

"His Majesty's Government is certainly of the opinion that there should be a review of the use of the veto with a view to restraining it to its original intent," Mr. Attlee told the House of Commons in the second day of a foreign affairs debate.

Winston Churchill, wartime Prime Minister, was to follow Mr. Attlee in speaking for the Conservative opposition.

Mr. Attlee told the House: "If we are to achieve a peaceful world, states of diverse character must be prepared to tolerate each other and work together."

ing of the general assembly session in its new—but perhaps temporary home—on New York's World's Fair site at Flushing Meadows.

The Canadian delegation held meetings yesterday at its hotel headquarters, preparing assignments of duties among the chief and alternate delegates and advisers.

Prime Minister Mackenzie King was due to arrive here this morning and will join his associates here but not as an official delegate. The arrival of John Bracken, leader of the opposition in the House of Commons, yesterday completed Canada's delegation.

Foreign Minister Paul Henri Spaak, of Belgium, assembly president, was slated to bring the session to order at 4 p.m. After a welcoming speech by Acting Mayor Vincent Impellitteri, of New York, Mr. Spaak was scheduled to speak briefly and introduce Mr. Truman.

Prior to the formal session Mr. Impellitteri invited the delegates to City Hall for a reception to be followed by the luncheon. A reception by Mr. Truman at a mid-town hotel this evening climaxes the day's program.

While plans for the opening day were long on speeches and parties and short on down-on-earth grappling with the problems of organizing world peace, the general assembly will get to work on its real tasks tomorrow, beginning five or six days of what the diplomats here call "general debate."

LIDICE'S DESTROYER HANGED

Prague, Oct. 23.—(P)—Kurt Daluege, convicted of sanctioning the destruction of Lidice, was hanged today after the 11th-hour suicide attempt was frustrated by guards who found poison in a cigarette tube smuggled into Daluege's cell.

The former Nazi protector of Bohemia and Moravia was convicted by a Czech people's court of ordering mass executions in revenge for the assassination of Reinhard Heydrich, known as "Hitler's hangman."

Loan Doomed By Red View On U.S. Policy

Byrnes Threatens That America Will Limit Financial Aid to Friendly Countries—Bank Control Cited.

Washington, Oct. 23.—(P)—Russia's request for a \$1,000,000,000 American loan appears doomed today unless Soviet leaders cease their criticism of United States foreign economic policy.

Similarly, Czechoslovakia and Poland may find it difficult to win approval of their requests for loans totalling \$850,000,000 from the Anglo-American dominated World Bank.

State Secretary Byrnes himself made clear at his press conference yesterday that the United States will limit its future financial aid to friendly countries who do not brand dollar credits as instruments of economic enslavement.

Mr. Byrnes' pronouncement was designed on the surface as a reply to numerous questions why his government last week suddenly cut off a total of \$30,000,000 in American aid to Czechoslovakia.

But officials said privately the secretary's remarks were directed mainly at the Russian leaders who unleashed a barrage of criticism

Privy Council Ex-Granby Resident Freed; Quashes Bank Benning Spy Trial Begins Act In Quebec

Holds as Ultra Vires Provinces' Legislation to Seize Accounts Unclaimed After 30-Year Period.

London, Oct. 23.—(CP Cable)—The Privy Council, in a judgment handed down today, found ultra vires of the Quebec Legislature, the 1933 statute relating to ownership of bank deposits unclaimed after 30 years.

The judgment, read by Lord Simon expressed the view that the Provincial Legislature had entered the field of banking which was a federal responsibility under the British North America Act.

The act in question was an "act respecting certain vacant property without an owner" under which the Quebec Attorney-General instituted proceedings against the Bank of Montreal in November, 1940.

The action alleged the bank was a "credit institution" within the meaning of the Act and that deposits held by the bank more than 30 years were "vacant property and without an owner."

The Quebec Court of King's Bench supported the Attorney-General's claim. The Bank of Montreal and the Attorney-General of Canada appealed to the Privy Council which found for the appellants and ordered the respondents to pay costs.

The judgment said none of the judges who dealt with the case in Canada accepted the contention that the statute did not apply to banks in general and the Bank of Montreal in particular. The Privy Council agreed with this view.

The real issue was a constitutional question: Does the exclusive power of the Canadian Parliament to legislate in the matter of banking, established under the British North America Act, establish the validity of provincial law dealing with unclaimed bank deposits and second, do provisions of the Dominion Bank Act conflict with Quebec Legislation, rendering it invalid.

Slump In Auto Production

Ottawa, Oct. 23.—(P)—Automobile production in Canada slumped in September, presumably as a result of strikes, and total output for the first nine months of the year only slightly exceeded the corresponding period of 1945, the Dominion Bureau of Statistics reported today.

The nine-month total was 120,845 units, compared to 118,618 in 1945. The 1946 total included 63,788 passenger cars, of which 21,023 were earmarked for export. For the 57,058 commercial vehicles produced, 26,725 were for export. The September total was 11,543 against 12,293 in September, 1945. Of the 6,304 passenger cars turned out last month, 4,524 were for sale in Canada.

MARIEVILLE MAN KILLED

St. John's, Que., Oct. 23.—(C.P.)—Georges Coderre, 60, died yesterday from injuries received three days ago when his automobile was struck by a train at a crossing near Marquette.

A companion in the automobile at the time of the crash, Antonio Verville, 40, was seriously injured. Hospital authorities report his condition as fair.

Army Board May Clear Up Goering Suicide Mystery

By THOMAS A. REEDY
Nuernberg, Oct. 23.—(P)—Col. B. C. Andrus, Nuernberg prison commandant, said today the mystery of Hermann Goering's suicide a week ago may be cleared up during the day in a public announcement by a United States army board appointed to investigate.

The board was said to be ready to disclose the contents of the three notes Goering left behind when he swallowed a capsule of cyanide only two hours before he was scheduled to swing into eternity at the end of a hangman's rope.

One of these notes, addressed to Col. Andrus, was said to contain clues as to where the boastful Reichsmarshal got the poison, how he hid it until the right time and how he managed to slip it into his mouth without being caught by a watchful sentry.

The other two notes, it was reported, were addressed to Frau Emmy Goering and to the German people.

At the same time, Col. Andrus announced that he had received official notice of British rejection of Franz von Papen's request for entry into the British zone of occupation. The acquitted former diplomat previously was turned down by the French.

Military government officials conferred with von Papen to determine where in Bavaria he wished to go and Col. Andrus said he would be taken there some time today.

Von Papen is almost certain to be arrested at once for trial by a denazification court, as was the acquitted former Reichsbank president, Hjalmar Schacht, now in jail near Stuttgart. Hans Fritzsche, the Stuttgart man freed by the International Military Tribunal three weeks ago, is awaiting trial by a denazification court here.

Reward Is Posted For Windsor Gems

London, Oct. 23.—(P)—Agents for the Duke of Windsor today offered a reward of \$2,000 (\$3,000) for the return of jewels stolen from the duchess last week. Announcements concerning the reward, which appeared in London newspapers, listed among the missing jewelry a ring set with a 56-carat aquamarine and another with a 41-carat sapphire, as well as a diamond clip, brooch and bracelet, sapphire earrings and a necklace.

Scotland Yard, meanwhile, was faced with three new major thefts. The loss of jewelry valued at \$8,000 (\$24,000) was reported by the manager of a gold-dealing firm in the Piccadilly area, who said thieves had rifled his showcases after cutting burglar alarm wires. Jewelry valued at \$750 (\$3,000) was reported taken from the hotel room of Mrs. Esmé Laughton, a relative of actor Charles Laughton, and a trunk containing a mink coat and other articles valued at \$2,000 (\$8,000) was stolen from the apartment of Mrs. M. Sharp, Canadian writer.

Union Seeks Labor Unity In Dominion

Officers of Canadian Mine-workers (C.M.W.) Have Approached Representatives of AFL in Move for Co-operation.

Truro, N.S., Oct. 23.—(P)—Officers of the United Mine Workers of America (C.M.W.) District 26 had approached representatives of the American Federation of Labor in a move to achieve unity in the labor movement, the officers disclosed in their annual report to the district convention here today.

"It is obvious to all of us," the report read, "that the progress of labor both nationally and provincially is badly retarded by the division of the trade union movement into two groups."

"Realizing that in Nova Scotia it is particularly essential that the trade union movement achieve unity your officers have approached the A.F.L. centre in Halifax with proposals for unity action."

"We are glad to say that there are many leading Trades and Labor Congress unionists in that city who are fully prepared to work together and your officers have strong hopes that the discussion will meet with success in the near future."

"Needless to say, if our hopes are realized, a most important step forward will have been taken."

The report, placed before representatives of 13,000 Nova Scotia and New Brunswick coal miners, gave no further details of the "proposals for unity action."

The report also informed delegates they would be asked to consider formulation of a policy to guide officers in negotiating a new agreement with coal operators to replace the one expiring January 31, 1947.

"The considered opinion of our district officers relative to the demands during our coming negotiations has been given to your policy committee for its and your consideration," the report said, but it did not disclose the nature of the proposed demands.

The current agreement provides for a minimum daily wage of \$5.50. The officers said the reconstruction of the coal industry could not be fully discussed at the convention without the report of the Carroll Royal Commission on coal which has not yet been handed down. But it recalled that the union's basic demand as placed before the commission more than a year ago was for "some form of government control of the industry."

"We believe it to be essential, not only that our membership, but everyone in Nova Scotia understand that the maintenance of maximum production in our industry is vital to the welfare of the Maritime."

"This basic fact should make everyone realize that public control is essential."

"Furthermore, the rest of Canada must be brought to an understanding that basic national interests imperatively demand an assured maximum supply of Canadian coal—Canada must make itself as independent as possible of foreign sources."

"This is not a policy of nationalism—it is merely common sense in an unstable and rapidly developing world of great political and social developments in which coal is still the key industrial material."

Urge Farm Course Be Given Teachers

Quebec, Oct. 23.—(P)—The annual convention of directors and professors of agricultural schools and leaders of rural youth yesterday adopted a resolution favoring the inauguration next year of agricultural and pedagogic courses for rural school teachers.

Jean Charles Magnum, Provincial Director of Agriculture, and president of the convention, said agricultural instruction here was well oriented but certain improvements pertaining to school equipment, standardization of teachers' salaries, distribution of certain subsidies, uniform programs and general improvement of school buildings, were needed.

Louis Perron, Department of Agriculture, said special rural schools in the province were making progress in the matter of primary and agricultural education of farmers' sons.

Borderline Citizen Qualifies For Bond

Only persons who are able to provide a residential address in Canada can qualify for purchase of the Canada Savings Bonds which are on sale now. This regulation presents a problem for Canadian citizens living in border towns, particularly when their homes are partly in Canada, partly in the U. S. J. M. KIRWIN, Rock Island, garage owner, was literally a borderline case, his home standing squarely astride the Quebec-Vermont border. Luckily his front door is in Canada and he was able to make his bond purchase without difficulty. He is shown at left receiving the bond from GORDON PETRIE, Royal Bank manager in Rock Island, who sold it to him. Looking on, but standing on the other side of the border is JOHN KIRWIN, JR. Mr. Kirwin (right) is shown making the required stop at the border as he drives his car to work in the morning. He is a familiar face to Customs official JES. GOSSELIN who sees him every morning as he takes his car out of the private garage, which stands in the United States.

further the coal pile in the cellar is going to go this winter. With the coal situation still far from bright, every day of warm weather gained this fall means not only a financial saving but a growing improbability of hardship from a fuel shortage in the months to follow.

against American economic policy during the Paris Peace Conference. Both Foreign Minister Molotov and Vice Foreign Minister Vishinsky levelled accusations of "dollar diplomacy," "economic enslavement" and "economic imperialism" against the United States plans for aiding eastern European countries.

Although Mr. Byrnes maintained that the United States does not intend to follow a general policy of refusing aid to the Slavic states, officials acknowledged that the only criticism of American motives thus far has come from Russia and its neighbors.

The bank's articles of agreement decree that only economic factors should be taken into consideration in reaching loan decisions and that the "political character" of the applicant is not to be weighed.

However, the United States controls 37 per cent of the bank's voting power and, with Britain's 15 per cent, could swing any decision based on hard realities.

BORDER HOME IS CONFUSING IN BOND SALE

Rock Island, October 23—Many citizens in this borderline community had to have a close look at their home addresses before purchasing their Canada Savings Bonds. According to regulations governing the sale of bonds purchasers must supply a Canadian residential address and Rock Island is squarely astride the Quebec-Vermont border.

Many a Rock Island home straddles the frontier and the imaginary line dividing the U.S. and Canada is no respecter of stone, brick or wooden walls. In some homes the kitchen, the bathroom and half a bedroom may be in Canada with the balance of the residence in the U.S. Sometimes the jig-saw puzzle is reversed, but in all cases the front door governs the place of residence and those people who step out of their homes on Canadian soil meet the "Canadian address" stipulation.

Such is the case of garage owner J. M. Kirwin, whose apartment is crossed diagonally by the invisible border line, about 100 feet south of Canadian Customs office. The front entrance to the apartment house is two feet inside Canada and all the apartments on the right hand side of the entrance are also entirely on Canadian soil, although some of them are occupied by American citizens. At the left of the entrance, apartments are partly Canadian and partly American.

Jack Kirwin himself occupies such international premises on the ground floor and, being a Canadian citizen with a Canadian address, he is entitled to the purchase of a Canada Savings Bond.

In fact, he bought one without any difficulty last Saturday from Gordon Petrie, the local branch manager of The Royal Bank of Canada.

Although such Canadian citizens as Gordon Petrie, Jack Kirwin are residents of long standing in Rock Island and despite the fact that they are well known to Customs officials, the law compels them to report to these officials every time they cross the border, which is several times each day.

"But such formalities do not hinder activities in Rock Island," says bank manager Petrie. "In fact, I dare say the sale of Canada Savings bonds in this community compares favorably with that of other Canadian districts."

Two More Districts Reported To Have Exceeded Drive Quota

A report from the local headquarters of the Sherbrooke Hospital Building Campaign today stated that two additional canvassing districts have oversubscribed their quotas and that two had attained their objectives. Richmond, under the joint chairmanship of Dr. C. E. Manning and K. C. Nourse, has exceeded their quota by \$192 and Cookshire with Ives Pope and R. J. Gage as joint chairmen has likewise gone over the top. Reports from Mableton and Lime Ridge show that while canvassing there is not yet completed, those districts have met their obligations.

Although the drive was brought to a close last week-end, headquarters' offices are remaining open for canvassers to complete their lists. A review of the drive figures would indicate that although there still remain some outstanding industries and special names, the general canvass list for the whole of the E.T. has responded well. However, the final outcome will depend largely on the returns from a number of leading industries.

Canvasser officials announced from their offices in the Canadian Bank of Commerce Building, Dufferin Avenue, that any person who has not been contacted and who wishes to make a donation to the building campaign, is requested to phone 5573 and arrangements will be made for a canvasser to call immediately.

Ratepayers Voting Tomorrow On By-Law For \$650,000 Loan

Increase in the population of this city and development in all branches of commerce and industry as well as housing accommodation has necessitated a loan of \$650,000 by the City of Sherbrooke to cover expenses incurred in the opening of new streets, embellishment and establishment of additional parks and a number of other public improvement projects.

Tomorrow property owners will be called upon to approve of this loan which is incorporated in by-law No. 664. Eight polling stations have been established in the five wards of the city and will be open to voters from 9 a.m. to 8 p.m.

FINE WEATHER BOON FOR ALL E.T. RESIDENTS

The weatherman, a fellow who is accustomed to taking plenty of abuse for not being able to satisfy everyone, unquestionably deserves a big round of applause and a pat on the back for the job he has done for residents of the Eastern Townships this fall.

Almost everyone, whether he be city resident, farmer or construction worker, is eminently satisfied with the remarkably fine weather which has prevailed locally for the last two months. Temperatures almost equalling those of summer months have been the order of the day and several widely separated days of heavy rainfall have relieved what might otherwise have been a very dry period.

Among those benefiting most from this weather condition are the farmers throughout the Eastern Townships. According to information from the Dominion Experimental Farm at Lennoxville, many of them have not yet completed harvesting their potato and root crops, particularly turnips, and these warm and rainless days are proving a boon in this respect. Fall ploughing, too, is proceeding under comparatively good conditions, for the heavy rain last Friday helped soften the land. Another benefit resulting from this short period of rainfall is an improvement with respect to wells used by farmers in the district for watering their stock. Earlier in the week wells located some distance from Sherbrooke had been reported dry for the first time in years, but Friday's downpour has relieved this condition.

Farmers, however, are not the only ones to profit from these sunny days. To construction workers engaged in rushing to completion badly needed buildings for commercial and private use, the weather has been especially kind. What the absence of prolonged periods of rain and cold weather has meant in terms of dollars saved it would be hard to say, but the amount must be considerable. City residents, too, can say "Good morning" these days and really mean it. Not only able to walk about costless and in comfort, they are making delightful mental calculations of how much

MAN SLIGHTLY INJURED WHEN STRUCK BY CAR

Albert Gosselin, 58, residing at the Queen's Hotel in this city, suffered light injuries to his right arm and leg when struck by a taxi on King Street last night at nine o'clock.

The accident occurred as the victim was crossing the street opposite 27 King West. He was immediately taken by the driver and owner of the taxi, Joseph Lamontagne, of 38 Marquette Street, to Dr. L. Groleau for treatment. There an examination revealed nothing sufficiently serious to warrant hospitalization and Gosselin was allowed to return home.

\$2,603 SUBSCRIBED
The Catholic Charities Campaign, with an objective of \$22,000 has reached a total of \$2,603 on the second day of the drive. Amount received at the local headquarters yesterday was \$1,238. The drive will extend over a period of ten days, coming to a close on the last day of the month.

The campaign funds will be divided among a number of local charitable institutions.

LODGINGS FOR VETS SOUGHT IN LOCAL HOMES

Twenty-five English-speaking veterans attending the local Veterans' Rehabilitation School on Lansdowne Street are seeking lodging in this city. These veterans, mostly from scattered points in the Eastern Townships, are taking advantage of the Federal Government's classes at the local school to resume practical and theoretical studies cut short by the war. A local school has been established to rehabilitate these veterans and guide them in the proper channels back to civilian life. A great number of French-speaking citizens have provided lodging in their homes for their corresponding numbers at the school but only a few English-speaking vets have been able to find accommodation locally for the six months period which will see completion of the trade courses.

An appeal has been sent out from the school to provide room and board for these veterans and on generosity of the citizens of Sherbrooke will depend the success of this venture, for if the vets are unable to find accommodation, their training will necessarily be curtailed.

For further information, one should call Lucien Robichaud, Director of the Tourist Bureau, at 2854.

Public Is Warned By R.C.M.P. Against Counterfeit \$5 Bills

Local offices of the Royal Canadian Mounted Police are very much on the alert at present to spot counterfeit five dollar bills, almost perfect specimens of which have been flooding certain sections of Ontario, Corporal R. W. Murray Smith told the Record this morning.

In advice to Sherbrooke Headquarters of the R.C.M.P. the bills are described as of excellent workmanship and those at present seized, bear the following numbers all preceded with the letters L/C: 3815452, 3815599, 3815439, 3814340, 3816344, 3816355.

The circular also states that the bills have been carefully examined by the British-American Banknote Company and have been found to be "rank counterfeit."

Rev. W. Rowe Re-Elected Head Of E.T. Colonization Society

Rev. W. J. Rowe, of Bury, was re-elected president of the Eastern Townships Protestant Colonization Association at the annual meeting held in the Chateau Frontenac Hotel.

In his report Rev. Mr. Rowe noted that the road work done in the Colony this year was one of the largest efforts made to date in this direction. Such an activity, he said, is only possible through the combined efforts of the local Member of the Legislature and the Provincial Government.

Funds were set aside for repairs to the church hall at the Colony, in Newport County, eight miles from Island Brook. Lack of material has delayed the work for some time.

It was reported that through the Colonization Department, which loaned a bulldozer, the total acreage cleared in Lawrence Colony during the past year was the best in the history of the Colony.

As nearly all the land in the Lawrence Colony has been allotted to settlers, application has been made by the Association to the Colonization Department for additional acreage to accommodate a number of applicants now waiting for lots.

Re-elected with Rev. Mr. Rowe was R. W. S. Nutbrown, secretary-treasurer. Both were accorded a vote of thanks for the work accomplished by them during the past year.

New members elected were C. D. French, M.L.A., of Cookshire, W. H. Bradley, of Sherbrooke, and L. B.

ily be curtailed.

For further information, one should call Lucien Robichaud, Director of the Tourist Bureau, at 2854.

PROF. COHOON SUCCUMBED TO HEART ATTACK

Well-known to many older residents of the Eastern Townships who attended Stanstead Wesleyan College at Stanstead, Professor James Wilfred Cohoon, of Allison University, Sackville, N. B., suffered a heart attack while driving to classes yesterday and died in his automobile.

Head of the Department of Languages and Ancient History at Mount Allison, Prof. Cohoon was a native of London, Ont., and had been on the University staff more than 28 years. He graduated from the University of Toronto in 1906 and later studied at Princeton University.

Before joining the Mount Allison staff, he taught for several years at Stanstead Wesleyan College. During the First Great War he served overseas three years as lecturer and instructor.

Severe Rationing In England Is Described To Rotary Club

"If our standards of living, life in England is virtually impossible," declared Stuart Richardson at the weekly dinner meeting of the Sherbrooke Rotary Club last evening.

Mr. Richardson, publication manager for the Northern Electric Company, Montreal, has just returned from his first visit to the Mother Country in eighteen years and he gave Rotarians a complete picture of how the Englishman is faring today as compared to both pre-war and war years.

He described in detail the tremendous devastation of certain sections of London, particularly around St. Paul's Cathedral, but found that since his last visit, the traditional British reserve had practically disappeared. This latter condition he attributed to the "mutual sharing" of all the British peoples of the hardships of war.

The speaker, noting that rationing of foodstuffs was more severe than during the war, quoted some figures on the ration basis of so much per person per week. Adults by this table receive three ounces of bacon, two ounces of tea, one quart of milk three-quarters of an ounce of fat, either lard, margarine or butter, two ounces of cheese, half a pound of sugar and one shilling and four pence worth of meat, "which amount would buy roughly one large lamb chop." He said that the rationed item most resented by the Britishers was bread, "a dirty grey colored loaf, practically tasteless and most unappetizing."

He also mentioned the congested conditions of all the larger cities and towns, the shortages of all items of clothing and building materials and the poor living conditions, "all the aftermath of war."

"Still," he said, "the British people accept these sorry conditions with little or no complaint, principally because every person in that country feels that now the war is over, little else matters."

Mr. Richardson said that Canadian servicemen had left behind them "good impressions" of the Canadian people and the Canadian ways of life and that the British people will be forever thankful of the one billion dollar credit which this country gave to England at the outset of the late war.

In conclusion the speaker said, "If anyone of you are contemplating cutting off your parcels to England, don't do it, the people of the British Isles are more in need of Canadian parcels than ever before and even though they do not ask for your help, you can be assured that nothing will be more welcomed at this time."

President W. S. Sutherland read a letter from International President Earl Goss who on behalf of Rotarians in Holland requested the local Club to send American magazines from 1940 to the present day.

Forest Keene will receive the magazines for shipment. Peter Pollock and thanked by Ross Peter Pollock and thanked by Ross Thayer.

Seated at the head table with the speaker and president were: Phil Mathias, Jack Quinn, R. L. Curphey, Peter Pollock, Miller Hall, G. M. Wiggitt, Ross Thayer, Harold McConnell and a guest, Carl Hill, of Boston.

Report on the international meeting with the Lancaster and Whitefield Clubs when the local club journeyed to Lancaster, N.H., on Monday, was given by Miller Hall. He noted the excellent attendance of the locals which numbered thirty and formed as large a delegation as the total membership of the Lancaster Club.

JOHNS-MANVILLE**

NEED EXTRA LIVING SPACE ???

In these days of severe housing shortages, many people are seriously considering building extra rooms in wasted attic or cellar space. An excellent material for the job is Johns-Manville Flexboard.

Here is the ideal wallboard. Rock-like in composition — it is made from fireproof asbestos and cement — Flexboard can be bent to conform to moderately curved surfaces. Yes, J-M Flexboard is really tough, but you'll find its large 8 feet by 4 feet sheets easy to handle, easy to nail and easy to saw.

In addition, Flexboard is "just the thing" for modernizing the kitchen or bathroom. Excellent for exterior finishes too — Flexboard is rot-proof, moistureproof and never needs paint to preserve it. For complete details and interesting folder, see your nearest J-M dealer, J. S. Mitchell & Company, Limited, 78 Wellington St. North, Sherbrooke, Que., Telephone 2300.

PROPERTY OWNERS OF SHERBROOKE

VOTE THURSDAY, OCTOBER 24th

YOU CANNOT REMAIN INDIFFERENT WHEN THE PROGRESS AND ADVANCEMENT OF YOUR CITY IS AT STAKE —

The loan of \$650,000 which will be submitted to you on Thursday, the 24th instant, will serve to pay the cost of improvements rendered necessary by the extraordinary development of the City. Hundreds of houses erected during the last few years have called for the opening of new streets, the construction of paving and sidewalks, the laying of new sewers, water and gas mains, the establishment of new parks and the purchase of modern machinery and equipment for general maintenance and construction work.

All the wards of the City will receive their share of these improvements.

This loan will not cause an increase in the Real Estate Tax rate.

As property owners, you must make it your duty to go to the polls and register your votes, thus supporting your Council.

Do not forget the date: THURSDAY, October 24th.

Do not forget voting hours: From 9 A.M. until 8 P.M.

Assuages Own Troubles

Jilted Woman Finds Solace In Praying
For "Unknown Woman"

Dear Miss Dix: Not long ago you published a letter from a woman who had been jilted by the man she loved and expected to marry, and who was so miserable that she was contemplating suicide. I have had the same experience and I want to tell her about it because it may comfort and help her.

The man I loved and to whom I was engaged calmly wrote me that he had married another girl. I thought I would die or go out of my mind when I read that letter, but while I was reading it a thought came to me like a flash—somewhere, at this very moment, some other woman is being handed a cable which tells her that the man who was her very life, perhaps her husband, or maybe her sweetheart or her son, has been killed—and I was given strength in that moment to say: "Oh, God, take my heart-break and in return comfort that woman, whoever she may be. She may not even believe in You, and that will make her grief all the more bitter and hard to bear."

CALLS HER "UNKNOWN WOMAN"
And as the days and weeks wore on I felt I had almost come to know her. I call her my "unknown woman," and so certain did I feel that God had accepted my sacrifice that I almost welcomed the spells of loneliness and misery because I felt that I was really helping her. Now here is the wonder of it: The more I welcomed these heartaches the less frequent they became, and now I can think of the man without bitterness and can even pray for him.

If the woman who is thinking of suicide because the man she loved was unfaithful to her could adopt an unknown woman with a greater sorrow, I believe it would help her. The idea may sound fantastic, but I know it saved my reason.

A STRANGER WHO HAS BEEN THERE.
Answer: The idea isn't fantastic. It is one of the most profound truths in the world that the only cure for our own sorrow is assuaging someone else's sorrow. The grief that is self-centered is like a cancer that eats out our own hearts. It is only when we put our own troubles aside and try to help someone else that we find healing.

When we have the faith and the philosophy to take life humbly, as it comes to us, and to say, "Who am I that I should be saved from the common lot of humanity?" we are given the strength and the courage to bear our griefs. When we wipe the tears from others' eyes, we dry our own.

Dear Miss Dix: We are a young couple with six years of happy married life behind us. I thought everything was all right with us when suddenly my husband came home one evening, packed up his clothes and left, telling me that he was in love with a girl who had been a frequent visitor in our home.

My husband does not want a divorce, but he says that he never intends to come back to me. The situation is bewildering. I cannot understand it. Do you?

A GROGGY WIFE.
Answer: Apparently the modern husband is adopting a new technique in dealing with the Other Woman problem. He tells his wife that he is tired of her and in love with some other girl young enough to be his daughter, but he doesn't want a divorce. This bewilders the wife. But the explanation is plain enough. The philandering husband wants to hide behind his wife's skirts. He doesn't want to marry the poor, silly girl and he has a perfect alibi for not doing so as long as he can say that his cruel wife won't give him a divorce. It saves money and it saves his face. And it leaves the door open for him to come back home when he gets tired of chasing skirts and wants peace and

Dear Dorothy Dix: My brother is 40 years old. Married. Has four children. He is an office manager and in this man shortage has 10 high school girls in his employ. He wants to know how to keep these girls off of his neck. He is very formal with his office force at all times, but he does not seem able to protect himself against wolverines, and he wants to know what to do next.

Answer: Maybe if he would throw a few of them out on their necks he could keep them off of his, but there is no denying he is in a hot spot.

The Record will be pleased to receive any letters to this Dorothy Dix column. These will be forwarded to Miss Dix who will answer them as quickly as possible.

The engagement is announced of Ethel May Ross, only daughter of Mr. Francis Ross, recently of Coaticook, and the late Mrs. Ross, to Ivan Austin Bryan, eldest son of Mr. and Mrs. Alber Bryan, of Way's Mills. The wedding will take place in November.

Mr. and Mrs. R. B. Creighton, of Toronto, announce the engagement of their niece, Miss Vera Jean Coon, of Toronto, to Mr. James William Hodge, of Sherbrooke. The wedding will take place in December at Toronto.

The weekly meeting of St. Peter's Guild was held in St. Peter's Church Hall, Monday afternoon. During the business period, over which Mrs. Reid Moe presided, plans were made to hold the Christmas sale and tea on Monday, November 25. Afterwards, Mrs. George Parsons and Mrs. W. G. Hunter, hostesses at the tea hour, served refreshments.

The annual mitten tea and regular meeting of the Women's Association of Plymouth United Church was held in the church parlor, with Mrs. H. B. Johnston presiding.

One hundred and thirty-four mittens were on display, all being greatly admired. During the business period, plans were made for the coming Christmas sale and turkey supper which is to be held November 27 and 28. Committees were appointed, as well as a nominating committee for new officers of 1947. These were requested to report for the next meeting. At the conclusion of the business meeting, tea was served by Mrs. Sarah MacLagan and Mrs. J. H. Lynn. Mrs. J. Burke presided over the prettily appointed tea table, which was covered with a lace cloth and centred with a lovely bowl of pink roses.

The annual sectional meeting of the Sherbrooke-Melbourne district, of the Presbyterian Church in Canada, was held in Melbourne with a good representation from the Asbestos, Sherbrooke and Melbourne Auxiliaries. Mrs. W. E. McIvor, auxiliary vice-president, was in the chair. Several hymns were sung and Mrs. G. Lovett sang "We Thank Thee O Father," accompanied at the piano by Miss M. Armstrong. Several very encouraging reports were given, and Dr. C. M. Kerr, as guest speaker, gave a very inspiring address on India. Tea was later served by the Melbourne Auxiliary. Those attending from Sherbrooke were Rev. and Mrs. E. A. Wright, Mrs. G. H. Parker, Mrs. C. Turner, Miss Helen Ross, Mrs. K. Murray, Mrs. A. Morrison, Mrs. J. Sawyer, Mrs. P. Powers, Mrs. O. H. Parker, Mrs. W. McIvor, Mrs. W. Elliott, and Mrs. A. Jobel.

Rev. and Mrs. B. B. Brown, of Montreal, are expected to arrive today to participate in the centenary program of Trinity United Church. While in Sherbrooke they will be the guests of Mr. and Mrs. P. R. Pollock, Bowen Street South.

Week-end guests of Mr. and Mrs. Norman White, Vimy Street, were Mr. and Mrs. Ernest Ross, of Lemuresville, Mrs. Robert White, Mr. Arter White and Miss Jean Campbell, of Inverness, Miss Nancy Grady, of Lennoxville, and Mr. William Downes, of West Burke, Vt. On his return to West Burke, Mr. William Downes was accompanied by Mrs. Downes, who had spent the past three weeks as the guest of her daughter, Mrs. Norman White.

MARRIAGES

SIROIS-WHITE
Coaticook, Oct. 23.—The marriage of Helen Alberta, younger daughter of Mr. and Mrs. Jay N. White, of Coaticook, to Mr. Yvon Sirois, of Coaticook, took place September 30th, at St. John Church, Coaticook, with Rev. L. Lemay officiating.

The church was decorated with baskets of hydrangeas, and the guest pews were marked with clusters of hydrangeas, tied with white tulle.

Music during the service was rendered by the organist, Mrs. Wilfrid Vincent.

Given in marriage by her father, the bride was gown in an American Beauty suit, with three-quarter length coat, brown accessories and a corsage of gardenias.

The groom was accompanied by his father, Mr. J. A. Sirois, Mr. W. D. O'Neill, of Coaticook, and Mr. Jules Sirois, cousin of the groom, of Coaticook, were ushers.

Mrs. Jay N. White, mother of the bride, wore a black crepe dress, black hat with touches of pink and a corsage of pink roses.

Mrs. J. A. Sirois, mother of the groom, was gown in grey, with black accessories and wore a corsage of American Beauty roses.

The reception following the ceremony was held at the home of the bride's parents, at 38 Union Street. The bride's party received in the living room where tall standards of gladioli formed the background. Baskets of gladioli were also placed about the room.

The young couple later left on a motor trip to Quebec City, Ste. Anne de Beaupre, Lac Beauport, and many points of interest.

Mr. and Mrs. Sirois will reside in Coaticook.

Out-of-town guests were Mr. and Mrs. Stuart Bourque, Mr. and Mrs. Berth, and Miss M. Villeneuve, of Montreal; Mr. and Mrs. J. A. Sirois, Mr. Maurice Sirois and Mr. and Mrs. Fred J. Peck, of Sherbrooke; Mr. and Mrs. Anson W. Rowe, of Lennoxville, Mr. and Mrs. E. Sirois, Miss Fernande Sirois, and Miss Raymonde Sirois, Mr. Jules Sirois and Mr. Andre Fortier, of Coaticook, and Mr. D. Quinter, of Fall River, Mass.

FALL MEETING
OF W.M.S. HELD
AT COATICOOK

Coaticook, Oct. 23.—The regular fall Thanksgiving meeting of the W.M.S. was held at the home of Mrs. E. Beerworth, Cutting Street. Mrs. Rogers was in the chair.

The meeting was opened with hymn 388, "O Master Let Me Walk with Thee," followed by prayer by Mrs. J. White, Sr.

The secretary and treasurer's reports were read and approved. Mrs. A. C. Jenks then took charge of the worship service and gave some very fine thoughts on "Thoughtful and thankful people, gratitude and thanksgiving out of thanks living." She used as her Scripture reading the 100th Psalm and closed with a beautiful solo, "Dear Lord, Forgive," rendered by Mrs. Leonard Akhurst.

The guest speaker was Rev. J. Hocking, who gave a most interesting talk on experiences in various churches in England and the continent.

Mrs. A. A. Hopkins thanked the speaker and soloist.

The meeting closed with hymn 378 and the Mizpah Benediction, following which a social half hour was much enjoyed by all.

General Notes

Mrs. Guy Howe and daughter, Miss Jean Howe, of East Hereford, are week-end guests of Mrs. Howe's sister, Mrs. Myrtle Pyne.

THE MARJORIE GROUP

At the meeting of the Marjorie Group of the Women's Association of the Richmond and Melbourne United Church, which was held at Mrs. Marjorie Fraser's, 4 Cleveport Avenue, final arrangements were made for the "Autumn Tea" held on October 23, when the "Nearly New Shop" project was introduced.

The members were requested to bring in four articles for a fish pond and green tea and white tissue paper at the next meeting, which will be held at the home of Mrs. Richard Pinning.

TEACHERS HOLD FIRST MEETING AT RICHMOND

Richmond, Oct. 23.—The first regular meeting of the St. Francis Valley Teachers' Association was held at St. Francis College High School, Richmond, with the president, Mr. Ian Hume, B. A., in the chair. The meeting was called to order at 4.45 p. m., when the president welcomed the large group of district teachers and introduced the guest speaker, Mr. Lewis Evans, Upper School master of Bishop's College School, Lennoxville.

Mr. Evans spoke on the topic, "The Teaching of Story Writing in School." After reviewing the desirability of good class composition, Mr. Evans outlined possibilities for the improvement of motivation in story writing and the technique of plot development. The value of the daily paper as a source of plot material was suggested and illustration was given of story development from a typical press clipping.

Mr. M. Dunsmore, of Asbestos, on behalf of the Association members, thanked Mr. Evans for his talk.

Supper was served in the Household Science department by the senior girls of the school under the supervision of Miss W. Ross, Household Science specialist.

At 7 p. m. a business session of the Association was convened. Plans were finalized for the Fall Track Meet which was held at the Richmond Fair Grounds on October 19. Two additional trophies were offered for competition—one for junior class pupils and one for competition by the smaller schools of the district. Consideration was given to a program of study and it was decided that the Association would study and prepare reports on Citizenship, Health, Attend-

ance and Guidance topics. Plans were made for the observance of Education Week.

The next meeting of the Association is scheduled for November 22, at the Windsor Mills High School.

THE Y. P. U.

Election of officers was the order of business at the regular meeting of the Y. P. U. of the Richmond and Melbourne United Church.

The following officers were elected: President, Arnold Healy; vice-president, Marion Smith; secretary, Ethelwyn Ewing; treasurer, Norman Skillen.

Plans were made to have there one act plays by the Y.T.C. Club, of Ulverton, entitled "Pat's Matrimonial Adventure." "Yes, We have no Baking Powder" and "The Bachelor's Baby," to be presented in the Memorial Hall on Wednesday, October 23, at 8 p. m.

Mr. Arnold Healy was appointed to attend the Young People's Convention in Cookshire.

THE LITTLE HELPERS OF ST. ANN'S CHURCH

Mrs. George Walker, superintendent of the "Little Helpers" of St. Ann's Church, presided at their annual party, which was held in the Parish Hall.

Sherbrooke Plays St. Hyacinthe In An Exhibition Tilt Tonight

Sherbrooke Senior Hockey club will play its initial game on Sunday, November 3, when the Cornwall Flyers will meet the rejuvenated local club, according to a statement released by Dr. N. A. Dupuis, president, at a meeting of the executive held last night.

Everything points to a prosperous season ahead. The reserved tickets are selling well, in fact 500 have already been handed out, with many more being asked for each day. Coach Ivan Dugre, who has had his men at St. Hyacinthe

for the past ten days, says they are rolling right along and when the lid is lifted they should be in high gear. The club will play its first pre-season tilt tonight when they stack up against the Saints in an exhibition fixture.

With Verdun Maple Leafs officially accepted into the league the local fans will have twenty-five home games, of which twelve will be Sunday games and six or seven will be played Saturday evenings, with the balance on week days.

Durnan Prepares For Stiff Battle For Honors In Goaling Department

With the return of Johnny Mowers completing the old "Big Three" of the National Hockey League net-minding, goalie Bill Durnan of the Stanley Cup Montreal Canadiens may prepare now for a first-class struggle to defend his stranglehold on the Vezina trophy which he held these last three years.

Durnan, like the Canadiens themselves, has drawn accusations of "ersatz king" of the netminders from some observers, who contended through the latter war years that the test of greatness of both the team and its individuals will come in this season when the roster of returning stars from the services is completed.

The other two of goaltending's Big Three, Frankie (Mr. Zero) Brisek of Boston Bruins and Walter (Turk) Broda of Toronto Maple Leafs, rejoined their clubs late last season and this year will be their first full test. Now manager Jack Adams of Detroit Red Wings has decided that the 31-year-old Mowers is "ready to go."

That means the old big three and the Johnny-Come-Lately Durnan all will be showing their wares to-

RAMBLERS ARE SURPRISE OF HOCKEY LEAGUE

One of the early surprises of the American Hockey League is the performance of coach Lynn Patrick's New Haven Ramblers. The Ramblers, who finished last in the circuit's Eastern division last season while operating under the name of the Eagles, are currently only one point behind the unbeaten Hershey Bears, the Eastern sector's leaders.

Composed of former and prospective members of the New York Rangers of the National Hockey League, the Ramblers have won three games while losing one and tying another.

The Ranger farm club defeated St. Louis Flyers, 6-3, last night in the only game played in the circuit. Although piling up a 3-0 lead by a first period goal by Norm Tustin and second game markers by Hal Brown and Joe Bell, Ramblers were tied by Flyers early in the final session. Second period tallies by Flyers' Paul Glavin and Norm Rinstad brought St. Louis close and they tied it up with Pat Mercavy's solo effort.

But Bell scored his second of the night to put Ramblers ahead while Alex Shibley and Norm Burns followed through with the clinchers.

Three games are scheduled for tonight. Providence Reds meet the Bruins at Buffalo, the last place Eastern division Philadelphia Rockets clash with the Bears at New Haven and the Western division pace-setting Cleveland Barons entertain Springfield Indians.

U. MORIN AND D. LEGER SHARE LOOP HONORS

Maroons won three straight strings from Blues in a regular game played in the Kayser Day Men's Bowling League at the New Wellington alleys. The triumph makes Maroons sole occupants of fourth place in the league standing.

Whites downed Browns, two strings to one, and Reds beat Greens in the same way. The results left Greens and Whites tied with Reds for first place in the league standing.

Best efforts were pretty well distributed among the teams. U. Morin of the Browns, with 180, rolled the high for one string, and D. Leger of the Whites upset the pins for a high of 439 for three strings. As far as the team totals are concerned, Greens wound up with the team high for one string, 684, as well as with the team high for three strings, 1857.

Stanley (Bucky) Harris Rumored As Next New York Yankee Pilot

New York, Oct. 23.—(AP)—Stanley (Bucky) Harris, a suave baseball diplomat, is the new manager of New York Yankees—that is if the latest rumor is true.

Harris, appointed executive assistant to Larry Macphail, Yankee president, a month ago, was said by the New York Daily News to have been "sold" on the post at a secret meeting yesterday.

The Daily News asserted Harris was given a two-year contract at \$40,000 a year.

Harris, who first gained fame as the "boy manager" in guiding Washington Senators to the 1924 American League pennant, last was in the majors in 1943 when he piloted the National League Phillies until he resigned in mid-season.

He went to Buffalo in 1944 as general manager of the International League Tons, a post he kept until named Macphail's assistant shortly before Bill Dickey resigned as Yankee manager in the closing days of the season.

The Daily News related that Harris, before the world series, twice turned down the managerial post, but during the series games at Boston, confided to a close friend

that if the job were offered to him again, he would accept.

"This (third) offer, obviously, came immediately after the series when Yankee executives met at French Lick, Ind.," the Daily News asserted. "From there the scene shifted to yesterday's secret meeting here, where final details were worked out—with the inclusion of Dressen as No. 1 aide."

The Daily News asserted Harris will be the backbone of the Verdun squad although the Verdun coach may have some hidden cards up his sleeve.

So much for the bouquets.

Korzowski, too young for the draft, had a great year as a freshman.

He is such a threat that he is employed as sparingly as possible as a guard against his being injured.

In William and Mary's first four games, against such as Miami of Coral Gables, The Citadel and VPI, Korzowski carried 16 times for a net gain of 377 yards, an average of 23.6, which is really tearing it off. Only once—in the opening game—did he lose ground.

Korzowski chucked 10 passes, completed five for 144 yards and two touchdowns and had receivers drop three that were in their arms. In 26 attempts, his overall gain was 521 yards. Runs

tion, which has produced some plays.

VERDUN HOST TO ATHLETICS ON WEEK-END

Sherbrooke Athletics travel to Montreal Saturday to meet Verdun Grads for a league game in the Q.R.F.U. Intermediate League.

Although Verdun are holding down cellar berth position in the League they are no easy team to beat. This is the final encounter between these two squads and Sherbrooke took the first tilt 8-6, in Sherbrooke.

The Athletics are beginning to roll and a win Saturday will put them on top of the League, tied with Eastward, providing the other teams remain idle.

Coach Hobbs was well satisfied with the showing his gridders put up against Dawson, winning 6-1, but he believes they have not yet reached their peak.

If Ken Jackson can fire passes like he did last week against the astonished Dawson aggregation and the remainder of the squad continue to play heads-up ball Verdun will have a tough battle on their hands.

Gus Ginnell and Eddie Groves will be the backbone of the Verdun squad although the Verdun coach may have some hidden cards up his sleeve.

After this report, male and female members of the club received prizes for achievements on the links during the 1946 season.

George Christian presented Stan Morse a prize which Rosenbloom's of Sherbrooke had donated and which was the symbol of the club championship. Harry Fowles, Jr., was the runner-up. Lee Watson and Leslie Pettigrew won cups which J. P. L. Stewart had donated. Frank Jones captured the Downs Trophy, which Bishop's College students competed for. Ernie Chalmers was second. John Keuh-George Martin of Boston, and Ralph Zaneli of Providence, R.I.

The rival veteran welterweights clasped for the 13th time at the Boston Garden last night and after 10 rounds of bruising battling, the officials turned in findings that resulted in a draw verdict.

They started their fistie feuding as amateurs back in the early '30s. While (an amateur) Zaneli won seven straight times from the Bostonian, George took five wins in a row after they turned professional. Martin weighed 149 1/2, Zaneli 146 1/2.

JACKIE ROBINSON WILL PLAY WITH LOS ANGELES BASKETBALL CLUB

Los Angeles, Oct. 23.—(AP)—Jackie Robinson, negro star of Montreal Royals, who led the international baseball league in batting last season, moves into professional basketball ranks this winter.

Robinson has signed to play with the Los Angeles Red Devils, newly-organized club affiliated with the National Pro league. Owner-coach Jack Duddy of Pasadena said Robinson has already started practicing with the Red Devils for a schedule which opens here Nov. 8.

from scrimmage included two for gain of 46 yards, one for 50, one for 74 and another for 75. He intercepted one pass, returned it 21 yards, returned two kickoffs 66.

But the most perplexing point about William and Mary is how Fordham led a tailback like Tommy Korzowski get out of its own backyard with all that name to carry.

Coaticook Bible Society Branch Holds Gathering In Guild Hall

Coaticook, Oct. 23.—The regular meeting of the Coaticook branch of the British and Foreign Bible Society was held in the Guild Hall with Rev. Mr. Gorman and the congregation of the Baptist Church being hosts to the society.

After the address of welcome and the opening religious exercises under the leadership of Rev. Mr. Gorman the meeting was turned over to the local president, Mr. S. A. Meade.

Mr. Meade read the collectors reports of their house-to-house canvass. Mrs. Ralph Hayes, of the Anglican Church, collected \$88.20 the largest amount collected from a single congregation in the history of the local branch. Miss Olive Parker collected \$12.10 from the Baptist Church and Mr. Stanley Beerworth \$18 from the United Church. These with a plate collection of \$6.76 made a total of \$75.06 for the year. Mr. Meade thanked the collectors for their work and introduced Rev. Mr. Booth, B.A., D.D., of Montreal, district-secretary of the Montreal branch of the Society.

Rev. Mr. Booth presided over the election of officers for the ensuing year. The officers elected were Mr.

S. A. Meade, re-elected president; Mr. William Wallace, re-elected vice-president, and Mr. Stanley Beerworth, secretary-treasurer; Rev. Mr. Church, honorary president; Rev. Mr. Gorman, honorary first vice-president, and Rev. Mr. Hockin, honorary second vice-president.

Rev. Mr. Booth then gave a most interesting and instructive illustrated lecture on the history of the English Bible, in which he brought out many points perhaps little known.

A hearty vote of thanks was proposed to Rev. Mr. Booth for his lecture by the Rev. Mr. Church and was heartily applauded.

The president requested Rev. Mr. Hockin to close the meeting with the benediction.

After the meeting, those present were permitted to examine a large and varied lot of books and tracts published by the Bible Society including the Testament and the Bible in many sizes and bindings. Rev. Mr. Booth returned immediately after the close of the meeting to his cottage on Lake Memphrémagog.

LIFE can Begin AFTER 40, IF..

Around 40 our energy lessens. But, experience has taught us to do our work with less effort. The years ahead should yield the greatest accomplishments, the most enjoyment and happiness. They can, too, if we avoid the kidney and bladder disorders such as Backache, Headache, Rheumatic Pains, Lassitude, Loss of Sleep and Energy which so often attack these around 40. For over half a century Dodd's Kidney Pills have been helping men and women to keep kidneys and bladder in good order. If you are nearing 40, or past it, for the sake of your health and a happier future use Dodd's Kidney Pills today! 175

MAKE YOUR BREAKFAST A Grape-Nuts BREAKFAST!

2 Tablespoons are all you need

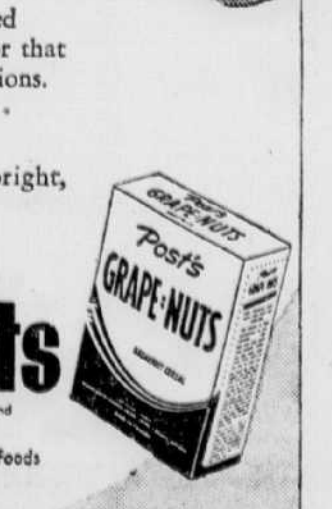

A much smaller serving of Grape-Nuts than other ready-to-eat cereals will amply satisfy your cereal needs.

Double-baked by a special process Grape-Nuts are made from two grains, not just one. Sun-ripened wheat and malted barley give you that "sweet-as-a-nut" flavor that has been enjoyed by families for generations.

14 to 16 servings in every package.

"THERE'S no getting away from it, Kellogg's Corn Flakes are still pretty scarce! The World Food Crisis is quite a way from being over, I guess—and popular items like genuine Kellogg's Corn Flakes aren't easy to find. But I know you'll ask for them again, Mrs. Graham—they're the favourite of four out of five!" Yes, now as always, Kellogg's is still the greatest name in cereals!

This way you make your dollars grow

Just plant your dollars in the new Canada Savings Bonds and you'll feel very happy when you see what happens. They really make your savings amount to something. They put your money to work earning more money day after day, year after year.

At any time you can cash your Canada Savings Bonds at full face value, with interest, at any bank. But you won't want to cash them because every \$100 Bond pays \$2.75 interest each year for 10 years. They are the finest investment available today for your personal savings.

You can buy Canada Savings Bonds in units of \$50, \$100, \$500 and \$1000—up to \$2000 per person. Your bonds will be registered in your own

name, providing protection against loss.

But please remember this point. These are "Serve Yourself" Bonds. This time there will be fewer salesmen. They will not be able to call on everyone. So it's up to you to take advantage of this fine investment opportunity—without delay. You can buy them at any bank; authorized investment dealer; stock broker; trust or loan company—for cash or by the Monthly Savings Plan. Where your employer offers a Payroll Savings Plan you can buy Canada Savings Bonds by regular deductions from your pay.

In a recent survey 82% of those Canadians interviewed said they wanted to keep on buying bonds. Better put in your order today.
