

3 COUNCIL SEATS OPEN

Nomination Will Close March First

Westmount Private Bill 173 is now law increasing the number of aldermen from 5 to 6. As a result it is now necessary to elect an additional alderman to serve out the remainder of 1956 term of office.

In addition, Alderman T. W. Bassett and Alderman Alan Turner Bone who have been serving on the Council have found it necessary to resign for personal reasons which makes it essential to elect 2 further aldermen to replace them for the balance of this year.

The City of Westmount on 17th February gave public notice of the election and nominations are to be in by 1st March. As is customary, the Westmount Municipal Association is nominating 3 individuals for the 3 vacant aldermanic positions and they will be elected by acclamation unless there is opposition.

A nominating committee composed of members of the executive of the association as well as outside representatives from the community has selected the following:

A. Sydney Bruneau, an advocate and Queen's Counsel who has practised law in Montreal since 1917 and been a resident of Westmount for over 20 years;

Michael Garber, an advocate and Queen's Counsel, member of the firm of Garber & Blumenstein and a resident of Westmount for many years;

Hugh G. Seybold, Vice-President of Drummond McCall & Company Limited, an engineer and long time resident of Westmount.

"These men are well qualified by their character and ability to serve as aldermen and are able and willing to carry out this important public duty in the interest of all our residents, we have had sound efficient and forward looking civic administration for many years and we know that these men will continue this tradition in Westmount. We urge your support of these candidates for aldermen", the association says in its latest advice to members.

Civic Group Is Concerned Over Strike

It is the children who are the losers in the present strike of male teachers for more pay, it is pointed out by the Westmount Municipal Association in a letter sent to John P. Rowat, chairman of the Greater Montreal Protestant School Board, and to Ed Storr, president of the Protestant Men Teachers Association.

The letter follows:

"The recent cancellation of extra curricular activities by male teachers in all Protestant schools coming under the jurisdiction of the Greater Montreal School Board is viewed with much concern by the Westmount Municipal Association. It is an important matter to all parents that our school children receive school guidance and supervision in sports and play just as in classroom studies.

"The Association is not attempting to take either side in the present controversy. We are, however, asking that negotiations be actively carried on by both parties to reach an agreement and thus bring the present stalemate to a speedy end.

"We strongly urge the Protestant Men Teachers' Association of Greater Montreal to do everything possible to reach a conclusion.

"Remember it is our children who are suffering and who are the ultimate losers."

'Y' Gives Fine '55 Report

"Westmount 'Y' has completed its 44th year 'playing a worthy part in serving the youth and adults of the community and in a rather wide constituency beyond the borders of Westmount' Hugh C. Nourse, chairman of the board of management, reports in his annual statement.

N. A. Millington, executive director, in reporting on the

achievements of the branch, paid particular tribute to the volunteer leadership, and the house committee under the direction of Norton Fellowes.

On the financial side, it was reported by E. L. Hamilton, chairman of the finance committee, that a small deficit of \$609. was experienced on an operation which totaled \$41,498 and

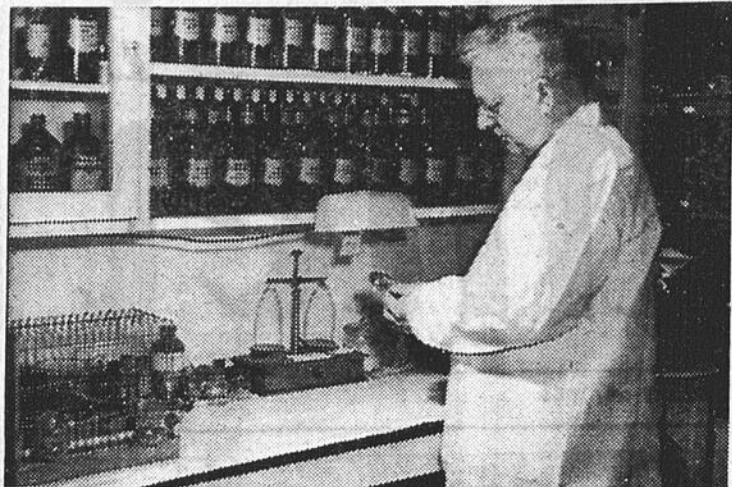

that actual revenue from the activities, separate from campaign income, was \$24,763.

There were 1204 members on the rolls during the year, it was reported by joint chairmen J. L. Dampier and Norton Watson, and in all some 83,657 persons were recorded as having used some or all facilities, of which 42,929 were at special events.

Victoria Pet Supplies, located for the last 27 years at 357 Victoria ave., is finally moving away — but not too far away.

Charles A. James, owner of the pet shop, says that over the years, the business has grown to such an extent that the present location just isn't big enough to provide the kind of service he likes to give. Therefore after May 1, Mr. James' many customers will find him located at 5041 Sherbrooke street west, in the store now occupied by Alwin Refrigeration and Appliances.

As many people know, the specialty of this pet shop is the boarding and caring for of birds, and during the summer months there are sometimes as many as 200 of them boarded here. Mr.

James also operates a regular bird clinic which looks not unlike a modern drug-store dispensary.

A druggist by profession, Mr. James has 50 years of bird-treating experience behind him and seldom hesitates to say he knows his business; and it is by no means limited to the local citizenry. People from as far away as Ottawa board their birds here and his advice has been sought after by many out-of-town bird-owners.

In his new location, Mr. James hopes to be able to board many more birds than he does now. Speaking of the larger premises, he said, "We can't serve customers any better, but we'll have a better place from which to serve them."

March 1, is nomination day to fill three aldermanic seats now open. Should the nominations be contested, an election will be held March 13, location of polls to be announced.

It appears as if some theatres these days are attended by teenage groups bent not upon seeing the show for its own merits, but on causing as much disturbance as they possibly can.

Time was when a man and his wife could go to a show and not be subjected to uncouth, and very often downright obscene remarks from the back rows.

Perhaps those young smart-alecs think it clever to use words that most other people have forgotten; or does it just mean that their minds are not capable of tilting with an adult picture?

Another complaint a lot of people have, is the sale of potato-chips. There is nothing wrong with potato-chips, but in a show

Purim Observance Begins Saturday

Purim, one of the merriest of Jewish holidays, will be observed throughout the world beginning at sunset this Saturday.

Based on the Book of Esther in the Bible the holiday of Purim commemorates the stand taken by the Jews against a Persian tyrant, Haman, who demanded that all men bow down to him. When Mordecai refused to obey, Haman turned his wrath against all the Jews and sought to destroy them. The plot was thwarted by Esther, kinswoman of Mordecai, whom the king of Persia had selected as his queen.

The word, Purim, means lots and refers to the manner in which Haman set the date for his expected massacre of the Jewish people.

The celebration of Purim ranges from the solemn to the playful. At Synagogue Services, the Megillah (or Scroll) containing the story of Purim is re-read and prayers are offered in thanksgiving for the love of freedom implanted by the Almighty One in the soul of man. Parties, plays, pageants, and festive meals add a touch of gaiety to religious school and home observances of the joyful day. Gift-giving also part of the holiday celebration.

ed 26. The average attendance over a four-week period has been 15 per session. Last Thursday, honorary membership cards were issued to the members. A committee is being formed to handle program details.

Printing Week Will Be Marked March 18 to 24

Thousands of Montreal and district printing craftsmen and other graphic arts specialists are mobilizing to make their fellow-citizens more conscious of what printing means to civilization and how it has shaped their daily lives.

They have chosen March 18-24 as Montreal Printing Week, and the theme, "The Power of the Printed Word."

More than 500 years of continuous advance in the art of printing, from the time of the first moveable type invented by Johann Gutenberg in Mainz, Germany, will be given the public spotlight in a program being arranged by the Montreal Club of Printing House Craftsmen.

Feature of the week will be the personal appearance of Bishop J. Fulton Sheen at the Montreal Forum, where some 12,000 are expected to hear his public address on the evening of March 18. (Tickets are now on sale at the Campion Book Shop, 1249 Metcalfe St.). All proceeds will be donated to charity without regard for race, color or creed). The popular prelate, whose television program, "Life is Worth Living," is viewed weekly by more than 10 million people, will be making his first appearance in Montreal since nine years ago.

Other public features include mobile exhibits of presses in actual operation in public places and in large store windows; distribution of "Printing Week" book marks by libraries and book stores; use of special "Printing Week" stamps on correspondence from all printers.

In addition, guest speakers representing the printing industry will address service clubs during Printing Week.

The V.O.N. is not government subsidized or controlled. It is supported by nursing fees, municipal grants, a share in Community Chest Funds, donations and subscriptions.

Hon. G.C. Marler, A.M. Henderson Address CWNA Executive Session

Two prominent Westmount residents — Hon. George C. Marler, Federal Transport Minister and A. M. Henderson, O.B.E. — addressed a meeting of the directors of the Canadian Weekly Newspaper Association at Ottawa this week.

Mr. Marler quoted leaders in the steel industry as having expressed the opinion that there will be an increase of some 60,000,000 tons in steel-making capacity within the next 15 years. He added that if the expansion in U.S. steel production takes place according to prediction, there will be a substantial increase in the volume of iron ore shipped from Seven Islands and moved over the Seaway. He thought that "it seems likely that iron ore will be the most important single item of traffic on the Seaway."

Indicative of the increase in direct overseas traffic with lake ports, Mr. Marler quoted figures to show that in the past six years the traffic out of the port of Toronto had increased from two lines with eight ships to twenty lines with 110 ships in operation. These ships had, in 1955, brought

imports into Toronto from 54 overseas ports in 19 different countries and transported exports

McGill Cosmopolitan Club Members Speak At Rotary

McGill University students from the Barbados Islands, Scotland, Ireland and France were special guests Wednesday at the Westmount Rotary Club's annual international student's luncheon.

Heading the group was Bill

Manning from Barbados, president of McGill's Cosmopolitan Club. Others from the same country were Stephen Grannum, Frank McConney and Charles Evelyn. Remainder of the party included Ian Nicholls, Scotland; Mark Launay, France, and Joan Hogan, Ireland.

First of three speakers Mr. Manning briefly outlined the objectives of the Cosmopolitan Club at the university. The club is primarily a social organization which aims at promoting goodwill among Canadians and students from abroad and uniting nationalistic clubs on the campus.

The speaker, now doing post graduate studies in chemical engineering, said a lack of tolerance and difference of tastes were among the chief obstacles the club tries to overcome in its social undertakings.

Barbados, with 220,000 people in an area 21 by 14 miles, has the highest population density per square mile of any country in the world, the meeting was told by Stephen Grannum, a

fourth year Arts student, speaking on his homeland.

He termed the economy of the country as "not strong" and dependent mainly on the sugar industry and tourist trade. Politically it is one of the oldest of England's colonies but is moving toward self-government in the proposed Caribbean Federation.

The exploits of such famous Canadians of Scottish origins as Sir John A. MacDonald, MacKenzie King, Alexander MacKenzie and James McGill were cited by the final speaker, Ian Nicholls, an international exchange student, also doing post graduate work in chemical engineering.

Though Scotland has had no parliament since the 18th century union and its representatives must sit in the British house he pointed out that Scotsmen of all ranks and stations retained a strong national character and pride. Commenting on the country's economic expansion, he said it was becoming less dependent on tourist trade and some of "the picturesque glens are now the sites of hydro-electric projects."

While thanking the students on behalf of the club, Percy Delgado expressed the wish that when they return to their native countries "they will interpret to their people the keen desire of Canadians and Rotarians particularly toward furthering international good will . . . and peace."

The students were introduced by Harry Houston, international service committee chairman. President Ernest Mills was in the chair.

A diplomat is a person who can be disarming even though his country isn't.—Sydney Brody

to 44 ports in 19 different countries.

Mr. Henderson, who is vice-chairman of the executive council of the Canadian Chamber of Commerce and secretary-treasurer of Distillers-Seagrams, spoke of the high cost of government, particularly for ordinary costs and for welfare, exclusive of defence costs.

In discussing the recent Canadian Chamber of Commerce brief to the Federal Government, he stressed that the Chamber was anxious to drive home to the government the fact that its fiscal and monetary policy must be designed to preserve a free, competitive healthy business structure.

Troubled Women Given Care Sheltering Home Report Shows

A shifting population of troubled women were given care at the Sheltering Home during 1955, it was reported yesterday Tuesday at the Red Feather agency's annual meeting held at the Home, 1675 Lincoln Ave. Despite the overall prosperity of the community, some women of all ages found themselves unable to cope with problems which they faced, Miss Jean Van Vliet, superintendent, reported.

A total of 123 women were admitted for care in the course of the year. Of these 63 were under 25 years of age; 47 were between 25 and 50, and 13 were

'Romeo, Juliet' Opens March 7

The Loyola College Dramatic Society's production of "Romeo and Juliet" has now been in rehearsal since the middle of January. Director John Buell has scheduled his rehearsals so that the two weeks preceding the March 7 opening may be devoted to a polishing of the intricate dancing and sword fighting scenes.

In the title roles are David Waters and Jeannine Bienvenue. The cast also includes: Peter Charnock (Tybalt); Stephen Kierans (Mercutio); Judith Ayers (Nurse); Eric Jensen (Benvolio); Pierre La Traversie (Friar Lawrence); Julian Gwyn (Capulet); Beverley Ewart (Lady Capulet).

The play will run for four nights: Wednesday, Thursday, Friday and Saturday, beginning March 7. Tickets may be had at the box-office on the nights of the performances.

older than 50. Operating mainly as a referred agency at the disposal of other welfare services in the city, the Home gave temporary care to most of the women; only a few pensioners remain as location residents. In general, those coming to the home are helped over an emergency period, extending from overnight shelter to care for a few months.

Mrs. James Barr, honorary recording secretary, reporting on behalf of the board of management, described the year as normally active and successful. Total of 5,546 days care was given, and except for a few self-referred clients who sought the help of the Home on their own, all women came from sister Red Feather services, and from the Social Welfare Court. Much appreciated support from well-wishers in the community was noted in Mrs. Barr's report.

Small or large installations in houses or industrial plants promptly carried out.

Hill Theatre. The story of the play is set in Italy, and is peopled by Americans and Italians.

Ruth Dahan, who plays Signora Fioria at whose pension the people in the play are boarding, was born in England. Her father is Turkish; her mother French. In Montreal, she has been busy playing in French TV, acting for Frontier Films and the National Film Board. She played the lead in the Mountain Playhouse production of Coward's Hands Across the Sea. In England, she had experience in repertory and films.

Francesca Zolowski, who is Signora Fioria's maid, is a naturalized Canadian who was born in Russia. She speaks Russian, Ukrainian, Polish, French, English and what she modestly calls "a little Italian".

Adolf Mueller, who appears as Renato Di Rossi, is another European who has lived for a considerable time in Canada. He is an experienced player, who has been in many MRT productions. Last autumn, he had a leading role in Trinity's The Duke in Darkness.

Dino Narizzano, who plays Vito, is Italian by birth, and this advantage has enabled him, at the request of Ramer Henry, who is directing The Time of the Cuckoo, to check the accents of other members of the cast.

Kay Ryan is a Canadian. She plays the leading role of Leona Samish. In MRT's first production this season, she appeared as Ruth Sherwood, the sister of My Sister Eileen. Last season, she had another leading part with MRT: that of Sister Mary in Bonaventure. She has played also for the Mountain Playhouse and Trinity Players.

MRT's production of The Time for the Cuckoo will play for six nights at West Hill Theatre. This departure from their usual Wednesday to Saturday run was decided upon by MRT because the advance sales for this play were particularly heavy, because two nights of MRT's last production, The Apple Cart, were completely sold out, and because the record of The Time for the Cuckoo on tour in the United States indicates that

the play has wide appeal. It is MRT's belief that a Monday to Saturday run will prove justified by the demand for seats.

Arthur Voronka appears as Eddie Yaeger in the cast of The Time of the Cuckoo, in addition to having designed the play's setting. He has also directed for Grosvenor Productions, and played at the Mountain Playhouse, for the National Film Board and for French TV.

Westmount Friendship Club Meetings are Well Attended

The Westmount Friendship Club, whose members are senior citizens of Westmount, is aptly named, it has a friendly and happy atmosphere. The weekly meetings held on Wednesday afternoons are well attended, even in inclement weather and when there are special meetings, enthusiasm is even more evident.

Two recent events were great. The first was a special afternoon of card games, which was enjoyed by all. Members, after their

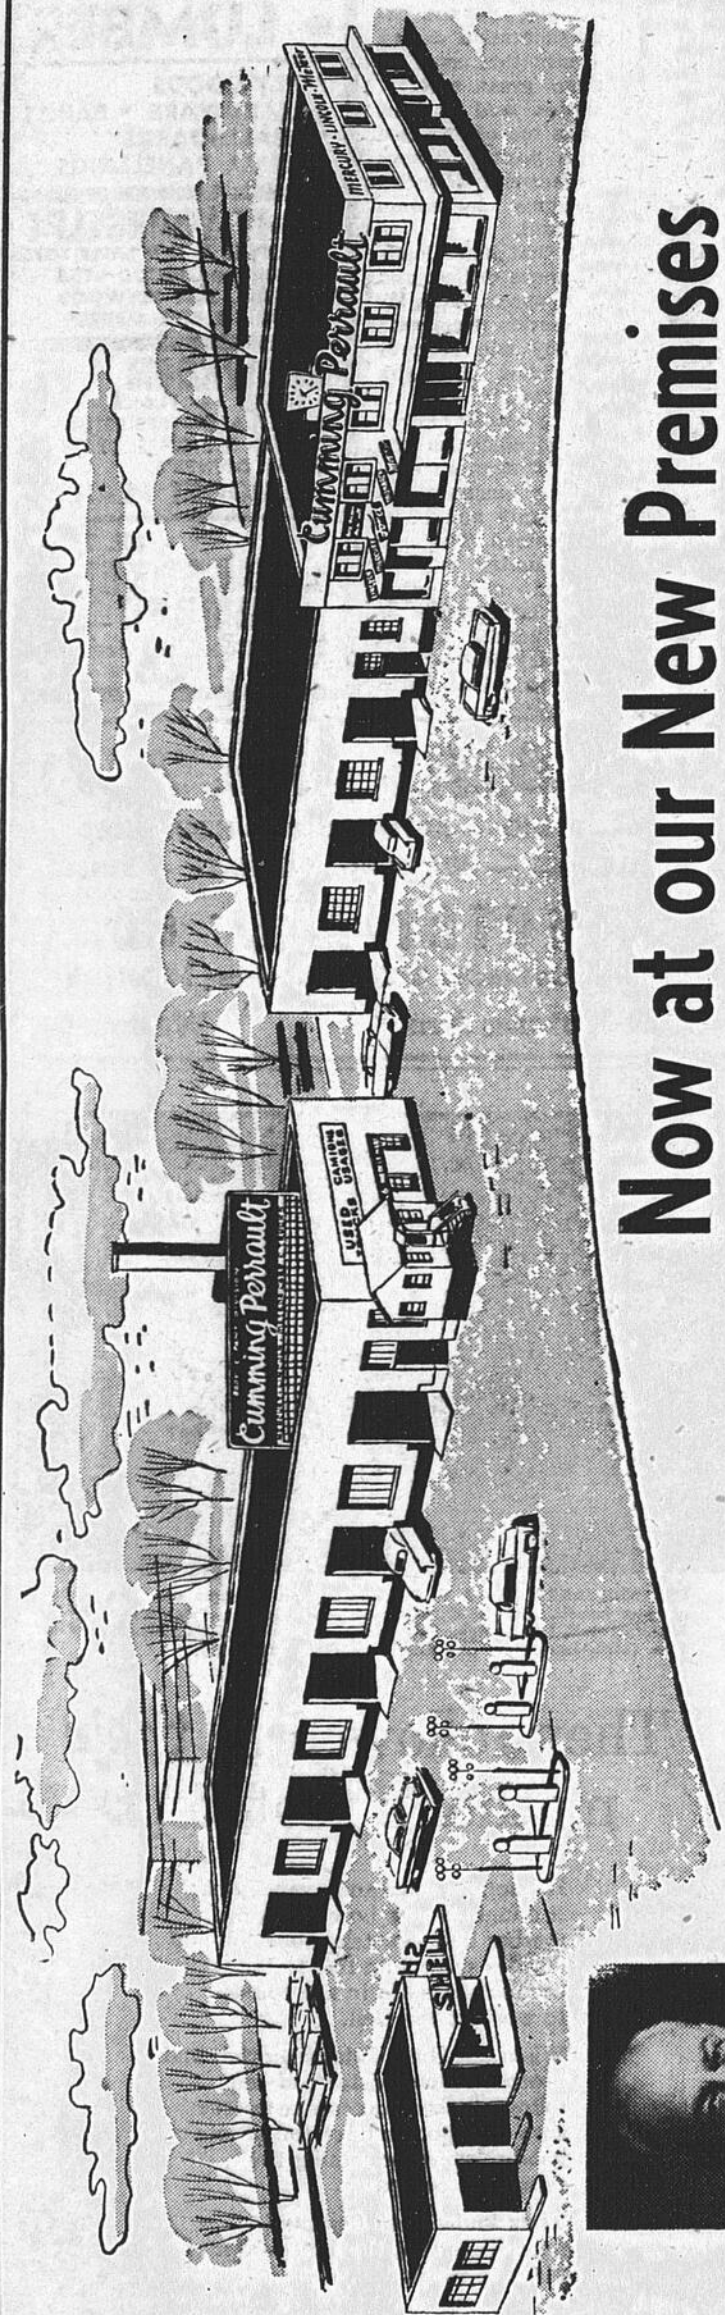

trio, Walter Jackson, Jo Beauchamp and Hugh Hamilton. Their repertoire included magic tricks, Banjo-mandolin solos and songs. After tea, seventeen lucky winners were awarded door prizes.

Another gala affair was a "Valentine Party" when members each brought a guest. The hall and tea tables were attractively decorated with Valentine motifs for the occasion. Mrs. A. E. D. Tremain poured tea at

the "Head Table" where the following members celebrating their birthdays were seated: Mrs. M. Campbell, Mrs. A. Seely, Mrs. S. Tressider, Mrs. C. Walker, Mrs. P. McCuaig, Mrs. J. Burtles, Mrs. S. D. Bevvridge, Mrs. R. Poppe, Mrs. F. Fane, and two committee members, Mrs. John Anderson and Mrs. Fred V. Thompson. Mrs. J. Weir Brown, the "Club Leader" announced the names of the birthday celebrants, who then blew out the candles on two large

birthday cakes, whereupon all the members and guests sang "Happy Birthday". Mrs. Thompson played the piano for a "sing-song", led by Mrs. Frank Binmore, which brought to a close a very pleasant afternoon.

Any elderly residents of Westmount, desirous of joining the Club, will receive a warm welcome on Wednesday afternoons at 2:00 o'clock in the "Westmount Athletic Grounds Club House", St. Catherine Street West.

Tax Laws Change Seen In New Succession Act

A new succession duty act will change the conception of laws and practices in this field, H. Heward Stikeman, 48 Aberdeen Ave., local tax expert, told the monthly luncheon meeting of the

Life Underwriters Association of Montreal last week.

He said the act, likely to be passed at the current session of the Federal Parliament, would particularly affect Quebec, un-

der this province's Civil Code.

"There is a possibility that, under the new laws, estate taxes will replace succession duties," he declared. Succession duties are paid individually by each heir of an estate, depending upon the amount left to the individual and the relationship of the individual to the deceased. Estate duties are levied on the estate as a whole.

Mr. Stikeman addressed the annual English-speaking public relations dinner of the Association, at which the Montreal district underwriters had as their guests bank managers and other bank executives. The luncheon was in the Queen's Hotel.

"Life insurance men and bankers must have an active interest in this particular legislation," he said. "We should see if we can add our advice for the legislators, to ensure better business and a better economy for the nation."

Mr. Stikeman said he hoped the proposed Federal law would provide the means to utilize life insurance for tax savings, "if indeed it doesn't exempt it completely from succession duties."

"Everyone accepts succession duties much as income tax," he declared. "These are both con-

sidered reasonable and legitimate sources of the revenue needed to keep the country going. But often they run across one another."

"The thing to fear is that succession duties will become a liability to individuals and to the corporate structure as a whole. Perhaps this could be escaped if some loans were freed to become deductions for succession duty purposes. This whole question is a most important one to the economy."

Mr. Stikeman noted that banks lend money with interest charges, but that these are not deductible from succession duties. "Perhaps this situation could be reformed, at no great cost."

The tax expert said current succession duties too often place companies in a position where they have burdensome financial obligations because succession duties must be paid.

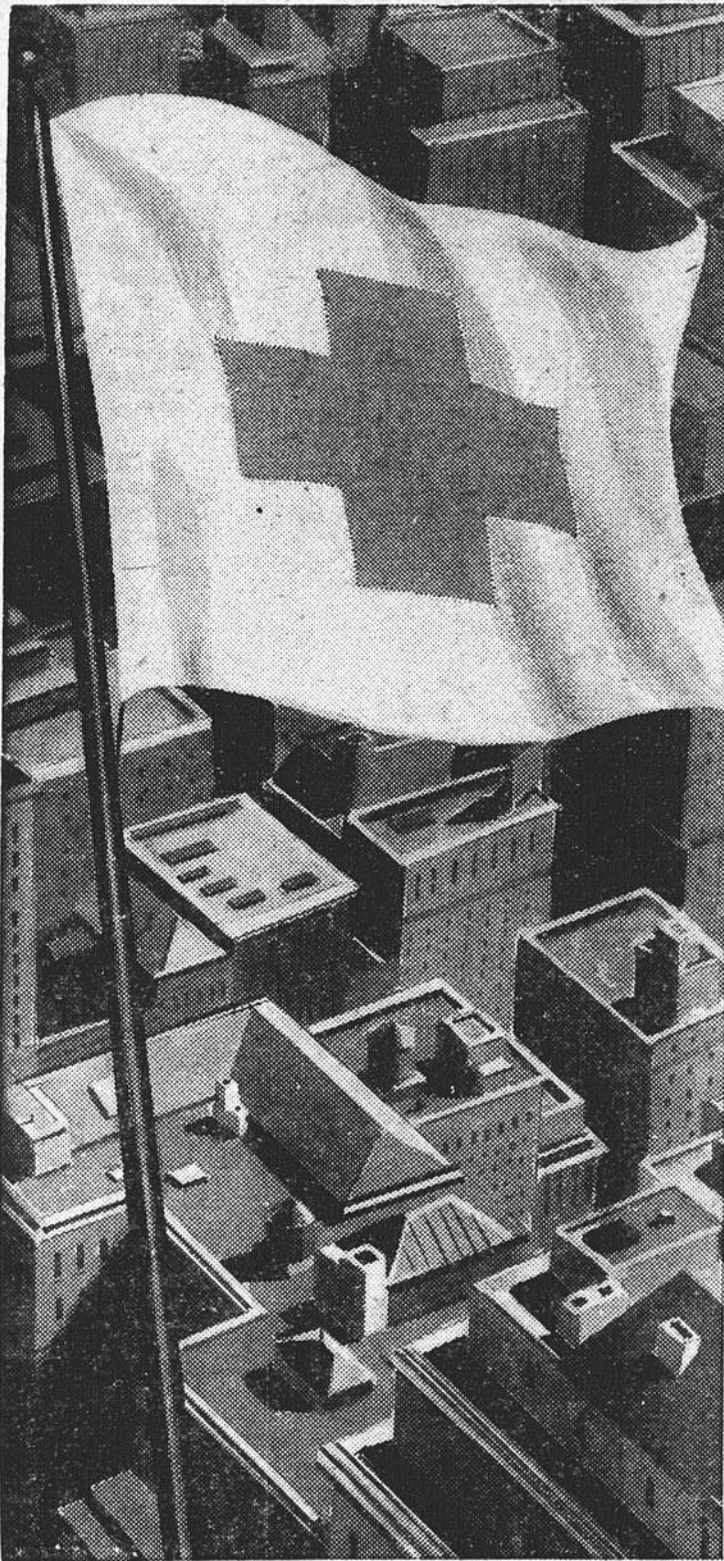

He suggested that bank loans be freed from these duties, and be tied in with special life insurance for succession purposes, "so that everybody will be protected — the widow, the heirs and the corporation."

"If we can cure one or two of these fundamental obstacles and irritations, we will open an avenue to stimulating business, because physical plants and customers will be retained. The economy of the country will be strengthened and will grow. There will be no interruption of business to pay purely immediate and temporary duties."

Mr. Stikeman said the motto

in this reform should be "conservatism at all costs. We must keep the authorities informed. If we do so, they will be pleased to help. Succession laws are not a trap for the wicked, they are a pitfall for the unwary."

Mr. Stikeman is a graduate in arts and law of McGill University, and in law of the University of Dijon, France. He served as legal counsel to the Federal Income Tax Department, and, during the Second World War, was assistant deputy minister in the same department. He is the author of several books, articles and lectures on tax subjects.

Funeral Service Held For Harold Crabtree

Funeral service was held Tuesday for Harold Crabtree of 58 Forden Crescent, who died Saturday in his 71st year. Mr. Crabtree was a prominent Canadian business executive who gave help to "several worthy causes".

Born in Lancashire, England but a resident of Canada for 66 years, Mr. Crabtree was, until recently, chairman of the board of Howard Smith Paper Mills Ltd. and subsidiaries. He also was president and chairman of the board of Canada Paper Mills Ltd.

Commenting on the death of Mr. Crabtree, James Muir, chairman and president of the Royal Bank of Canada, said "Canada has lost just about its most efficient business executive. His rare judgment, tenacity of purpose, vision and experience were unsurpassed. We can ill afford to lose men like him."

B. C. Gardner, former chairman of the board of the Bank of Montreal, said "The citizens of Montreal have a good reason long to remember him."

One of Mr. Crabtree's major achievements in recent years was his chairmanship of the \$7,000,000 campaign in 1951 for the modernization and expansion of the Royal Victoria Hospital of which he was a governor.

In addition to other posts, he was chairman of the board of Fraser Companies Ltd., chairman and president of Woods Manufacturing Co. Ltd. and a director of the Royal Bank of Canada, the Montreal Trust Co., Sun Life Co. and other Canadian corporations.

Mr. Crabtree was a past president of the Canadian Manufacturers Association, Canadian Pulp and Paper Association and past chairman of the executive committee of the Canadian Chamber of Commerce.

During the Second World War, he was president of the Allied War Supplies Corporation and, for his efforts in this work, was made a Companion of the Order of the British Empire.

He was a member of the Mount Royal Club, the St. James' Club, the Montreal Club, the Royal Montreal Golf Club and the Royal Montreal Curling Club.

He is survived by his wife, the former Louise Stafford, a daughter, Mrs. Edgar Davidson and a son, H. Roy Crabtree, and three grandchildren.

The Victorian Order of Nurses cares for the sick, the injured, the aged and maternity patients in their own homes.

TELEPHONE FAMILY. Mrs. J. E. Masse, seated on the right, was once a Bell operator herself. Now all six daughters shown here are members of Bell's Montreal staff. Left to right: Suzanne, Micheline, Lise, Mrs. Masse, Denise, Rita (Mrs. Lavigne) and Claudette (Mrs. Gauthier).

They followed in their mother's footsteps

It happens over and over again.

A daughter sees how much her mother likes her telephone job and decides she would like to follow in her footsteps. So in she comes to work at the Bell.

When daughter follows mother and brother follows sister and son follows father you can be pretty sure that people have found lots of good reasons for joining the telephone company.

They know from firsthand experience that the Bell is a good place to work.

Canadian Save the Children Fund Appeals To All Who Love Children

The Save the Children Fund is a voluntary, private organization to protect child-life wherever menaced, regardless of race, creed or colour and to help raise the standard of child welfare throughout the world.

It depends upon the voluntary support of those who believe all children should have the best possible chance in life.

Founded in Europe

After the first World War, an Englishwoman, Eglantyne Jebb, experienced in child welfare, visited the war zone of Europe and saw for herself the terrible effects of war on little children who had forgotten how to smile.

It was on behalf of these children dying of hunger in Europe, that Miss Jebb founded The Save the Children Fund in London, England, in 1919.

Many other countries followed the example of Britain, thus forming a great International Union at Geneva, Switzerland, now known as the International Union for Child Welfare, to which all Save the Children Funds belong. Today there are active Save the Children Funds in Britain, Sweden, France, Denmark, Finland, Italy, Canada, United States, Peru, India, etc.

In 1921, a Canadian Committee of the Britain Save the Children Fund was formed to help feed children starving in Russia as a result of famine. It carried on as part of the British Fund until 1946, when it became The Canadian Save the Children Fund, Incorporated, (abbreviated to CSCF).

Public Speaking Contest Takes Place This Week

The eighth annual Public Speaking Contest sponsored by the McGill Alumnae Society will be held this spring when high school girls of Montreal and other parts of the province will compete for a silver rose bowl as first prize.

The semi-finals are taking place this week at Miss Edgar's and Miss Cramp's School and at Westmount Junior High School. Each high school in the Montreal area will send a representative to these semi-finals. The judges will be Mrs. Dent Harrison, President of the Women's Auxiliary of the Julius Richardson Convalescent Hospital; Mrs. R. T. Stackhouse, President of the Westmount Women's Club; and Mrs. B. Sternthal, President of the Cancer Research Society.

Regional contests are also being held for schools from Quebec City, the St. Maurice Valley, the District of Bedford, the St. Francis River District and the District of Valleyfield. The winners will then compete in the finals at Royal Victoria College on Tuesday, March 13, at 8:15 p.m.

The contest is held annually and is open to girls in grades 10, 11 and 12 of public and private high schools in Montreal and outlying districts. The following are among the competitors from the Montreal area: Jill Pattison, Helen Snyder, Julie Adams, Donna Piper, Marjorie Schwartzman, Margaret Strain, Marilyn Lightstone, Phoebe Redpath, Heidi Rumscheidt, Gale Henning, Sandra DeBanks, Judy Houston, Bonnie Jennings, Rhoda Weiner, Diana Ross, Gale Griffith, Sandra Kovacs and Beverley McDonald.

The winner will receive \$25 and the silver rose bowl to be kept by her school for a year. Last year's winner was Miss Judy McDougall of the Trafalgar School for Girls. A second prize of \$10 and a third of \$5 will be awarded. Each finalist will also receive a silver spoon. Miss Joan Marsters is Chairman of the Education Committee of the Alumnae Society which sponsors the contest and the Secretary of the Committee is Miss Joan Findlay.

Ladies' Committee Plan Fashion Show At Museum

The Ladies' Committee of the Montreal Museum of Fine Arts is arranging a special evening on Tuesday, March 6 from 8:30 p.m. until 11 p.m.

The highlight of the evening

will be a preview of fashion from famous couturiers of London and the continent, modeled in the unique setting of the museum.

The presentation of these fashions, made possible by the courtesy of the Henry Morgan Co. Ltd., will be from 9:15 p.m. until 10:15 p.m. Tables, all unreserved, will be available throughout

the upstairs galleries from 8:30. There will be music, two bars and light refreshments.

The purpose of this event is to raise money for the museum funds, and to provide an entertaining evening.

The English chairman of the ticket committee is: Mrs. Lawrence Hart, 459 Argyle Ave., Westmount 6.

Doubt and Faith I

By Rev. Canon R. Kenneth Naylor
Rector of Trinity Memorial Church

It was Tennyson who noted the fact of real faith in honest doubt. That question of honest doubt, or the doubt of honest people, in regard to the Christian Faith must be seriously faced, but it must be kept in proper perspective. Faith is a necessity in every sphere of life. The scientist has faith in the dependability of the natural world. The farmer has faith in the recurrence of the season. The doctor has faith in his skills. The teacher has faith in the ability of his pupils to grasp the truth as he presents it. The historian has faith in the correctness of the records with which he deals. Each of them sets up a standard of faith with which he compares his own. Those standards, however, are subject to change with changing circumstances.

With the Christian Faith it is not quite the same. The circumstances in which we live change, but the Faith remains constant, enshrined in creeds which were formulated centuries ago. It is argued that the creeds should be changed with the times, because they do not square with the assured results of our modern science.

This is no new argument. From the days of the New Testament onwards there have been very sincere people who have

been strongly attracted to the moral teaching of the Gospel and have tried to accommodate the Gospel itself to the science and philosophy of the day, simply by removing from the Gospel anything that was offensive to the popular science.

For example, in the first and second centuries it was taken for granted by the philosophers that God could not possibly come into contact with human sin. There-

fore the Incarnation must be ruled out. It was an equally assured result of the philosophy of the day that the Son of God could not suffer. Therefore the Crucifixion was a sham. In just the same way the scientists and philosophers of the late nineteenth century declared that miracles cannot happen. Therefore the Gospel must be re-written without any miracles. In fact, the story of Christianity can be written in terms of the attacks made upon it by the clever men of each generation who could not accept the simple fact of the intervention of God in human affairs. The attacks have been perfectly sincere, and they should be met with the same sincerity. So for a few weeks I propose to take up some of these questionings which have come into my hands. I have used the word "attacks", but in this case the word does not fit. They

Catholic Girls Voluntary C'mittee Assist Unfortunate Young Girls

The Catholic Voluntary Committee annual meeting was held recently at which the President Mrs. John Corbett reviewed the year's work.

A successful year's program was undertaken to rehabilitate ten English-speaking Catholic girls at Marian Hall, Beaconsfield, Mrs. Corbett noted.

The committee, organized by the Federation of Catholic Charities, helped the girls at Marian Hall with clothing, sports equipment, and entertainment projects. The girls housed at the institution, run by the Sisters of Good Shepherd, are there as a result of broken homes and poor housing.

Mrs. Corbett noted that the girls changed noticeably during the year. They showed less restlessness and developed thoughtful and gentle manners.

A highlight of the year was a Christmas party when the girls enjoyed a private film showing and a special dinner.

A Christmas concert was also held.

A Girl Guide company was formed at Marian Hall during the year. The committee felt this was an important step in helping the girls adapt after rehabilitation.

Birthday gifts were sent to the girls throughout the year. At Christmas, each committee member donated gifts and helped organize a special dinner.

Mrs. Corbett emphasized the small size of the voluntary committee, and stressed that further members would be needed in the near future. She also noted that a study of the Hall is dealing with problems of eventual enlargement of Marian Hall. She said that a great number of girls were awaiting admission.

Members of the voluntary committee include Mrs. John Corbett, president; Mrs. J. Beaudoin Handfield, vice-president; Mrs. Joseph Langley, secretary; and Mrs. James McMahon, treasurer.

German rearming, when fully under way, will produce some 500,000 troops for about the same money Canada spends for 120,000.

West District V.O.N. Auxiliary Reports Busy and Successful Year

The annual meeting of the West District V.O.N. Auxiliary was held Wednesday February 8, in Victoria Hall, reports presented showed a very successful year. 511 articles having been completed. This included knitted articles, sleeping garments, summer dresses, and nurses' aprons. In addition many quilts were made and sold. This year assistance was given to elderly patients who were helped during the summer season by giving fruit juices, soaps, powders, etc.

At Christmas, gift baskets of fruit were taken to 11 shut-ins, and 59 children were sent clothing, toys and a bag of candy included in each basket.

In the absence of Miss Dowling, District Supervisor, Mrs. Keep who substituted for Miss Dowling read a very full report commenting on the very busy year the Nurses had, 21,242 visits were made to 2,348 patients of which 80% consisted of the Old Age Group.

Prenatal Groups

The Prenatal Groups met every two weeks consisting of 10 women in each group. 54 fathers-to-be attended in all. Mrs. Keep closed her report by assuring the members that the Nurses joined in thanking them for all assistance they gave during the year.

Mrs. Doris Small, Director of V.O.N. Nurses read a very wonderful report, giving full details of the efficient staff, and how the services have improved over the past year.

Close observation pointed out 58.3 Nurses active during the year. She also pointed out that chronic illness could be avoided by prevention, if only more people would consider, and take more precaution.

Officers Elected

The Officers for the coming year are as follows: Hon. chairman, Mrs. J. M. Horton; chairman, Mrs. T. D. Handrahan; vice-chairman, Mrs. W. F. Graw; secretary, Mrs. J. A. Murray; treasurer, Mrs. J. N. Poole; treasurer of emergency fund, Mrs. T. Dickison.

Conveners

Mrs. D. Johnston, Mrs. C. McDonald, Mrs. H. Highway, Mrs. H. Swift, Miss Mary Hope.

At the close of the meeting tea was served.

RCAF Silver Cross

At the next meeting of the RCAF Silver Cross Mothers to be held on Monday, February 27, in the Y.W.C.A. on Dorchester St., a talk will be given by Mr.

John A. Howell, Paints Div. of the C.I.L. His subject will be "Paints in the Home and Pitfalls to avoid". Tea will be served after the meeting and members are asked to bring guests. Time 2:30 p.m.

Lady Scott I.O.D.E. Review Year's Work

At the annual meeting of the Lady Scott Chapter, Imperial Order Daughters of the Empire, held recently at the home of Mrs. Henry Munderloh reports were read covering the year's work.

Two high school girls received assistance towards their education and in the case of one of them textbooks were supplied as well. The bursary at the St. Laurent High School was continued and magazine subscriptions sent to the library. A book review competition was sponsored on this school and 4 books given as prizes. Support was given to the Municipal Chapter's bursaries and to the Provincial Chapter's bursaries and scholarships. Also seven National funds received contributions, among them Korean Projects, Seamen's Amenities, and British and European Relief.

Under Services at Home and Abroad, books and money were sent to the Library at the Montreal Sailors' Institute. Money was also sent to the Lorna Turpin Fund, Greek Hospital Shipment, and the Municipal Chapter's Darby and Joan Club. Approximately \$440 was spent on the Service Hospitals, particularly at Ste. Anne's Hospital. The work at this Hospital was made possible by the generous assistance of the Electrical Club of Montreal and included a potter's wheel, kiln, and pyrometer, games for the blind, records, special treats, Christmas gifts, magazine subscriptions, etc. The hospital was visited regularly throughout the year.

The officers for the coming year are: Regent, Mrs. J. H. Birks; 1st Vice-Regent, Mrs. C. L. Evans; 2nd Vice-Regent, Mrs. Gordon Paxton; Secretary, Mrs. Frank Tomlinson; Corresponding Secretary, Mrs. John Roy; Treasurer, Mrs. C. C. Corneille; Educational Secretary, Mrs. W. Arthur Steel; Echoes, Mrs. H. F. King; Services at Home and Abroad, Mrs. Norman MacKinnon; and Standard Bearer, Mrs. Colin Copeman.

RT. REV. REGINALD J. PIERCE, D.D., Anglican Bishop of the Diocese of Athabaska, (right), was the guest of honour Friday afternoon at a tea given by the executive board of the Scout Ladies' Auxiliary of the Montreal district, in Scout headquarters. Presiding was Mrs. F. A. Hinchcliffe (right), president of the Board; and shown with her is Mrs. A. E. Anderson, past president (left). His Lordship was introduced by R. C. Stevenson, O.B.E., vice-presidents of the Canadian General Scout Council and chairman of the Scout association's financial appeal for \$150,000. The Bishop spoke on the work in his diocese and illustrated his talk with slides. He was thanked by Mrs. H. W. Lawson; and afterwards, Mrs. Hinchcliffe presented him with a pair of Scout book-ends as a memento of his visit. —Graetz Bros. Photo

Speirs-Miller Show Draws Capacity Crowd

Once again Betty Speirs and Peter Miller demonstrated that 'know how' and showmanship are the ingredients of successful showmanship. On Monday last a delightful evening was provided before a capacity audience at Victoria Hall. Commencing with the tiny tots who modelled the smartest in children's wear by Madame Archambault of Verdun and concluding with a full scale Fashion Show by the senior and professional models of the Studio who wore the latest creations from Juliette's famous salon in Westmount, a program was run through with smoothness and precision.

A pleasing note of variety was maintained by Peter Miller and a select group of his talented dancers which included Emily Allen, Pat McCabe, Beverley Burns, Sandra Ives, Ross Patton, Leslie Burns, and Evelyn Anthony who wore smart stage outfits and theatrical footwear by Johnny Brown. A colorful ballet ensemble was artistic in the extreme, while prominent among the boys were Peter Streit, Stephen Ives, Edward Hoffman, Craig Clements, Donald Beauchamp and James Miller.

Fashion Show was superbly done by Betty Speirs Miller, who, during the intermission read a list of the various celebrities present, which seemed to include everyone of note in the field of Dress Manufacturers, Commercial Photographers, Television, Radio and Advertising Agencies. The work of Peter Miller as Stage Manager left nothing to chance and the program was run off without delay. Mr. Miller's capable backstage crew included Diane Erly, Lillian Burns, Heather Stewart, Priscilla Burns and Henriette Joaffe, with Madame Hiriart, beauty specialist from Paris, on Make-up. Technicians were Ray Ives on Microphones and Sound, and Peter Ferguson on Runway and Stage Lights. May Kent was a capable accompanist.

Trinity Scout Aux.

The Ladies' Auxiliary of the Trinity Memorial Cub and Scout groups will hold the monthly meeting in the church hall, Marlowe Ave., on Monday at 8 p.m.

Prior to the regular business session the Cub Pack will present a short skit for the enjoyment of the mothers.

All mothers of this Auxiliary are asked to make every effort to attend this meeting and will be tendered a warm welcome.

Earl Of Bessborough I.O.D.E. Holds 25th Annual Meeting

The twenty-fifth annual meeting of the Earl of Bessborough Chapter, Imperial Order Daughters of the Empire, was held Thursday evening, February 9, at the home of the Regent, Mrs. A. W. Myers.

The reports read by the officers and conveners showed an active year. Donations to educational and welfare work amounted to \$518.57. Educational Work consisted of donations to Provincial and Municipal Bursaries, as well as a donation to West Hill High School and Arts and Letters Festival, sponsored by the Notre Dame de Grace Community Council. Welfare work under the heading, Services at Home and Abroad, covered donations to Montreal Boy's Association, Girls' Councilling Center, Boy Scouts Association, Special Jamboree Fund, St. Andrew's Youth Centre as well as to local Hospitals.

The Chapter raised \$541.31 by holding rummage sales, card parties, military whist and marathon bridge.

The officers for the year 1956-57 are: Regent, Mrs. A. W. Myers; 1st vice-Regent, Mrs. A. Wallace; 2nd Vice-Regent, Mrs. J. A. Mitchell; Secretary, Mrs. R. H. Grant; Treasurer, Mrs.

A. W. Wileman; Educational Secretary, Mrs. A. E. Watts; Echoes Secretary, Mrs. A. Watson; Standard Bearer, Mrs. Fred Woodman.

Canadian Red Cross Women Volunteers Do Splendid Work

Women's work is never done, but despite the multiplicity of household and family duties, thousands of women in all parts of Quebec find time for voluntary work.

Last year volunteers forming the Women's Work Committee of the Red Cross prepared 645,000 garments for Red Cross relief work and dressings for the blood donors' clinics.

Shipments included 45,000 articles of clothing for distressed families in Pakistan, Lebanon, Yugoslavia, Mexico, Egypt, Great Britain and France.

Red Cross services are carried out almost entirely by volunteers, the vast majority of them women. Besides cutting, sewing and knitting garments, the volunteers handle telephone appeals for blood donors' clinics and refreshments for the donors. Last year 50,000 patients visits at war veterans' hospitals were carried out by Red Cross volunteers who distributed thousands of cigarettes, candy and other comforts to the veterans.

A group of volunteers organized as the Red Cross Corps are usually the first on the scene when fire, flood or other disaster occurs, bringing Red Cross relief to the homeless.

Besides these emergency duties, the Red Cross "girls in grey" do V.A.D. nursing duty at blood clinics, staff Red Cross libraries in veterans' hospitals, drive paraplegics and other disabled people to clinics and vocational schools, meet trains, ships and aircraft to assist travelers needing their services, and help the Red Cross campaign committees with many office duties.

B'nai B'rith Women's Annual Journal 'Woman's Work' Is Dedicated To Canada

"Woman's Work," a journal published annually by the B'nai B'rith Women of Montreal, is this year headed by Mrs. Max Bailey as Convener-in-Chief with Mrs. David Wolff as Vice-Chairman.

The fourth annual edition of Woman's Work will be dedicated to Canadian Women of many origins, whose activities, interests and talents are indelibly woven into

the rich and colourful tapestry that is Canada. The theme — Canada — "The Land We Live In," will be followed throughout the publication, with the different ethnic groups residing in the communities receiving the most emphasis.

This journal is listed in Canada by the National Library in Ottawa under two categories, Sociology and Home Economics and reaches approximately 10,000 readers across Canada and parts of the United States, thereby giving it national status.

The forthcoming edition will also feature a "Do-It-Yourself Section, a Children's Corner, and a Sports Section along with household hints, first aid tips, recipes and fashion highlights. It will be a 6 x 9 inches in size with a spiral binder enabling it to lie for convenience when opened.

All funds realized from this Journal are used for B'nai B'rith philanthropies and agencies. To mention but a few: The B'nai B'rith Youth Organizations; BBYO, largest Jewish youth organization in the world, reaches 24,000 young people between the ages of (14-26) in 1,100 chapters in the United States, Canada, Israel, England, with intensive activities in the spheres of religion, social service, patriotism, culture and athletics. This program is supervised by a staff of professional youth workers assisted by B'nai B'rith men and women who serve as volunteers.

Through its Youth Organization, B'nai B'rith seeks to build up a reservoir of proud, integrate socially responsible Jewish men and women who will be prepared to play a positive role as citizens in the world of tomorrow. Locally, the Youth House is located at 5319 Jeanne Mance St.

They maintain Hillel Foundations on over 200 campuses across Canada and the U.S.A. for students who enjoy a home away from home. In Canada, Hillel Foundations have been established at McGill, located at 3460 Stanley St. serving the students at McGill; at Kingston, serving Queen's University and at Toronto for the students of Toronto University. There are also Counsellorships at St. George Williams College, Montreal; Western University at London, Ont.; at Dalhousie Uni-

versity in Halifax and at MacDonald College, at Ste. Anne's Que.

B'nai B'rith is proud of the National Jewish Hospital, Denver, Colorado. Engraved in stone "None may enter who can pay on the portals of its entrance is — none may pay who enter." This hospital, established in 1899 is devoted to the sturdy and care of the most baffling forms of Tuberculosis. Co-operated with the World Health Organization, B'nai B'rith has established a program of International Fellowships for post-graduate study in Chest Diseases.

The Bellefaire Child Care Service in Cleveland Ohio, has sheltered over 5,000 children since its founding in 1868. Special classes on the Bellefaire grounds provide education for children not ready to adjust to public school routines and to prepare them for public school. A non-profit institution, its program is recognized as one of the foremost in the country.

Rev. Canon R. K. Naylor Outlines Anglican WMS

The work of the Fellowship of the West, the Anglican Church's youngest missionary society, was briefly outlined by Rev. Canon R. K. Naylor at an open meeting of the Evening Branch of the W. A. of Trinity Memorial Church, held in the church hall. The special feature of the evening was the showing of The Aluminum Company's film — "The Kitimat Story".

"It is against this background," stated Canon Naylor, "that the Fellowship of the West missionaries, Rev. Graham and Mrs. Tucker were doing the church's work in the Kitimat and Kemano area." Rev. Mr. Tucker, it was pointed out, was originally employed by The Aluminum Company at Kitimat as an engineer but he is now in the full-time ministry of the church.

The Business and Professional Women's Branch of the W. A. of the Church of St. James the Apostle were the special guests of Trinity Evening Branch on this occasion.

It was also pointed out that the work of the W. A. extended not only to Western and Northern Canada but throughout the whole world and each branch made its contribution in clothing and money towards this work.

Mrs. G. V. Barnum thanked the representatives of The Aluminum Company for showing this film.

Refreshments were served at the close of the meeting.

The P of Q auxiliaries have raised over \$300,000 in the past year. This is, however, only one of the services rendered, a spokesman for the auxiliaries stated. "Money is necessary," she added, "behind the work and the effort entailed in raising it, lies something far more valuable — a spirit of service and devotion, which is the very essence of our democracy."

Registration will take place at 10:30 a.m. Monday, April 16, followed by greetings to delegates by Mrs. J. Cecil McDougall, auxiliaries president. Dr. Gerald LaSalle of the University of Montreal, will discuss the primary role of the hospital auxiliary: education of the public; Mrs. J. Beaudoin Handfield — the qualifications of Leadership; Mrs. J. Ralph Boutin — summarization; while the guest speaker at luncheon, Raymond P. Sloan, editorial director, the Modern Hospital, New York, will give an address on the role of the auxiliaries in hospital public relations.

Samuel S. Cohen, executive director, Jewish General Hospital, will discuss the administrative aspect of relations between the auxiliary and the board of directors, and Miss Alice Girard, MA, director of nurses, St. Luc Hospital, nursing and the voluntary worker.

On Tuesday, April 17, reports will be given and auxiliary presidents will speak. Dr. J. Gilbert Turner, executive director, Royal Victoria Hospital, and president of the Canadian Hospital Association, will bring greetings from the association, and Dr. Gustave Gingras, medical director, Rehabilitation Institute of Montreal, will speak, following lunch, on the modern concept of Rehabilitation.

Church Choir Entertains Aux.

At the meeting of the Women's Auxiliary of the Queen Elizabeth Hospital, a very fine and enjoyable musical program was presented on Feb. 15 by members of St. Paul's Church Choir, Lachine, under the direction of W. A. Gough. The following program was presented: —

1. The Quartet singing Sweet and Low. 2. Solo entitled Catch Me, rendered by Barbara Taffs. 3. Solo, Ave. Marie, by Eileen Cloudsdale. 4. Duet, Turn ye to me, by Eileen Gorloff and Dorothy Harris. 5. Solo, Habanera from Carmen rendered by Eileen Gorloff. 6. Trio, Cradle Song, by Eileen Gorloff, Eileen Cloudsdale, and Dorothy Harris. The accompanist was Ada Webb.

The president Mrs. J. Cooper Antliff presided. Tea was served to the guests and members by the hospitality committee. The tea hostesses for the afternoon were Mrs. J. H. Darcy and Mrs. A. A. Demarais.

In future the regular monthly meetings of the Woman's Auxiliary will start at 2.30 p.m. instead of 3 p.m.

Municipal Hockey Leagues

Termite

Raiders won the municipal termite hockey championship on Saturday morning in a sudden death game played at Prince Albert Park. Peter Blakely took complete charge of the counter as he scored seven goals in the 8-0 whitewash over Royals.

Mosquito

Maple Leafs won the mosquito crown as they edged Wings 3-1 in a hard fought sudden death final. Leafs left 2-1 at the end of the first period on goals by Mike Collins and Constant Nucci. Sandy Tilly scored for Wings on a pass from Ronnie McJannet. Michael Dwyer sewed up the game for the winners early in the third period with an unassisted goal.

Pee Wee

St. Leo's eliminated Wings in the Pee Wee semi final play-off 6-2. The Saints took the first of a two game total series by a 5-0 count. Marty O'Halloran led his teammates with two goals and one assist.

The Wings played their hearts out in the second game and came up with a well earned 2-1 victory. Jimmy Roy was brilliant, scoring both goals. David Tyldsley was far and away the hardest workman on the ice. George Spare was outstanding for St. Leo's. St. Leo's will meet Unity for the Municipal Pee Wee Championship.

Bantam

St. Leo's and Unity battled to

a scoreless draw in the first game of a two game total series played at L.C.C.

Both goalers, Bobby Stewart of Unity and Emidio Ponzi of St. Leo's came up with brilliant stops.

This series could go either way as both teams are very evenly matched.

Midget

Cataracts enter the final game of the Midget series with a seven goal margin, having blasted Unity 8-1 in the first meeting of the two game championship series. Gord Merritt scored four goals, Mike Shaw got a pair, Jimmy McGivern and Billy McEwen notched one each. Howard Hickey scored for Unity. Final game of the series will be played today at the Forum, starting at 6 p.m.

Bubbling over with enthusiasm and spirit, but not overconfidence, Unity Boys Club senior B cagers will seek to nail down their second city championship in four years when they meet McGill Indians tonight at 8.30 p.m., at the UBC court.

Coach Maurice Mariasine's cagers scored a stunning 71-45 upset over Ron Sharp's collegians in the opening tilt of a two game total point series last Tuesday, at McGill's Sir Arthur Currie gymnasium.

The win gives them an almost unbeatable 26 point lead, but Mariasine stressed that his team will not be taking any chances. "We're still playing one game at a time," he said.

Unity racked up a 13 point lead in the first half of the series opener, and then came back even stronger in the second half to outscore McGill 42-29.

The lopsided win on the spacious McGill court came as something of a surprise. Earlier in the year the Indians had scored a 55-51 decision over Unity on the same floor.

It also surprised because the Indians had finished as league leaders, losing their opening game to Unity 82-66 and going on undefeated from there. U.B.C. finished second.

But Unity came up with one of its best team games of the year, continuing a streak started in the semi-finals, and showed considerably more drive and spirit than McGill.

Ian McIntosh came up with a big game and led the UBCers with 27 points. Jack McKissock put on one of his best displays of the season and scored 12

markers. Dave Barnard, who plays on the same line with McIntosh and McKissock, also came up with a standout effort. The work of this trio played a major part in the Unity victory.

Backcourt, UBC got some fine ball handling from Buddy Naismith and Harry Haukkala. The winners put up a very stout defence, and limited McGill to only 14 field goals during the game.

McGill managed to start well, and early in the tilt held an eight point margin. But Mariasine's marauders chugged on steadily, and closed the gap quickly. They led 20-16 at the break.

In the second half, Unity showed their usual late drive, and outran the collegians on the big court. UBC continuously used a fast break which proved most effective.

The Indians hurt their own chances committing 25 personal fouls, and the margin of victory would have been higher if the UBCers had been hitting better on their foul attempts. But Unity made up for it in field goal shooting.

Two McGill players were tossed out of the tilt, Tim Leary in the third quarter and Eli Solomon in the fourth. Leary's loss hurt Sharp's crew considerably.

Mariasine has cautioned his players against overconfidence in the second game, and plans to use the same fast breaking techniques that have proved so successful in recent endeavors.

Scoring

Unity (71): Peterson 8, Murphy 1, McKissock 12, Haukkala 3, Brown 5, McGrail 5, McIntosh 27, Naismith 3, Barnard 7.

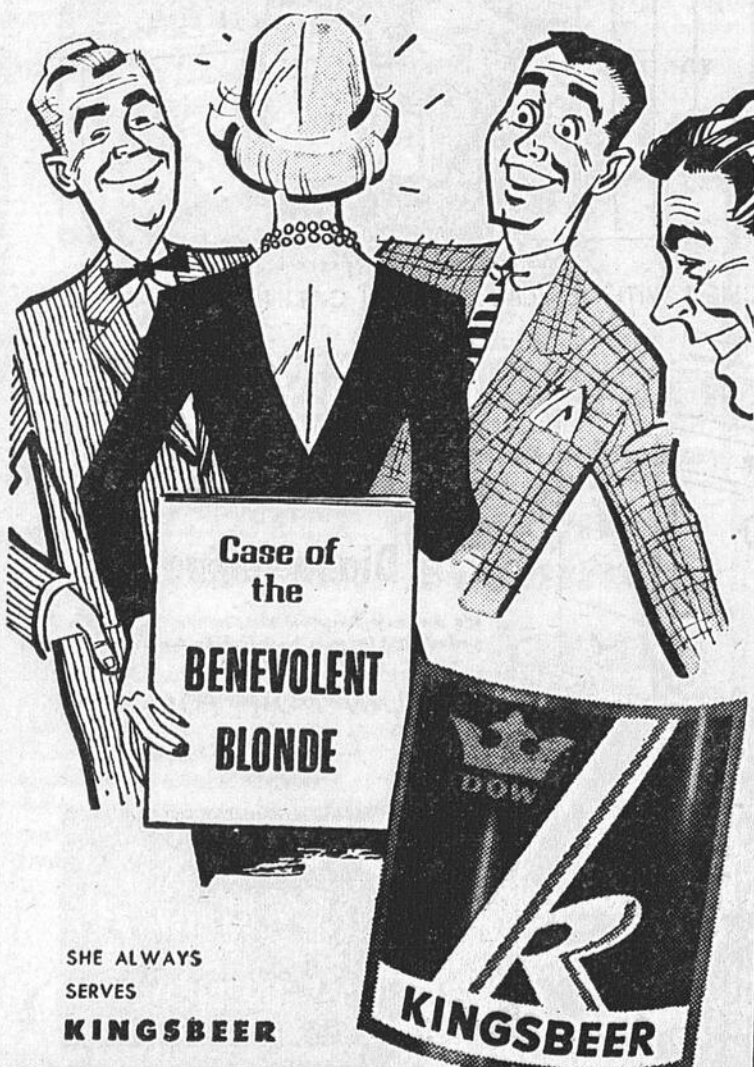

McGill (45): McLaren, Thompson 4, DeZwirek 4, Fradet 4, Solomon 8, Litwick, McClure 1, Leary 4, Shuster 9, Cohen 4, Schieder 7.

Drysdale Is Signed By Baseball Royals

The Montreal Baseball Club announced this week the signing of rookie pitcher Don Drysdale to his 1956 contract. Drysdale, who is only 20 years old, played for the Montreal Royals last year and had an 11-11 record.

He is regarded as one of the best young prospects in the Brooklyn organization. He will report to Vero Beach on February 22nd for the early training camp with the Dodgers. In his first year in Triple -A baseball Drysdale dazzled the fans with his strike outs and had a 3.44 earned run average.

St. Leo's Win Twice, Take Senior B Lead

St. Leo's senior B hockey club chalked up two victories in regular league play to move into first place in the loop standings by a one point margin.

However, coach Andy McGillis' crew may have only a short tenure in the lofty spot, as runner up Catholic High boast a game in hand over the Academy squad. The latter have a season

record of six wins, one loss and one draw, good for 13 points.

Last week the Saints scored a close 1-0 win over D'Arcy McGee, and clipped St. Thomas 4-2.

The Saints had to wait until the 10 minute mark of the third period to pull out the victory against the pesky McGee team last Friday.

Brian Patterson shook himself loose at center ice, and stick-handled in close. He made no mistake in picking the open corner of the net.

Both goalers gave an outstanding performance, with Peter Armstrong earning the shutout.

St. Thomas contributed towards the Academy drive to the

top last Monday at Verdun. Brian Patterson, Gordon Dooley, Jimmy Grant and Billy Gallagher accounted for the St. Leo's goals. The tail end St. Henry crew put up a good fight before going down to their fifth straight defeat. By contrast, it was the fifth straight victory for the Academy.

Academy Sports Shorts: St. Leo's undefeated Mosquito Maple Leafs defeated Wings 3 to 1 last Saturday in a sudden death game for the City Of Westmount Mosquito Hockey title. Mike Dwyer, Mike Collins and Constant Nucci were the marksmen for Jimmy new champs.

St. Leo's Bantam Park team bowed out of the Westmount Bantam playoffs, going down to a last minute heart breaking defeat to Unity Club, in a two game total goal series played at Lower Canada Rink to decide the City of Westmount Bantam hockey title. The score was 2 to 1, with Unity deserving of congratulations but the Academy Bantam seconds have done far better than expected and Phil Drummond and his boys need not feel too bad about the defeat.

'Y' Senior Cagers Top Ville LaSalle In Exhibition

Westmount YMCA senior basketball team showed more polish around the basket to beat Ville LaSalle 53-36 in an exhibition game, Saturday.

The Westmount team were led by Randy Brooks with 13, Roy Smith 12, and Phil Harrison with 9. Ville LaSalle were topped by F. Avreau with 11 and Stykes with 7.

Ville LaSalle led in the early minutes of the game, but Westmount came back to lead by 12 points at the half. Ville LaSalle tried to come back in the second half, but in their effort they ran up too many fouls. Westmount worked the ball in the final minutes to hold on for the win.

UBC Juveniles Extend String, Top Montreal East

Dick McGrail's Unity Boys Club juvenile basketball team added another victory to their string last Saturday, to retain second spot in the Montreal Boys Basketball League standing.

The UBCers, led by Terry Gray and John McDonough, trimmed Montreal East YMCA 54-45. A return tilt is scheduled for tomorrow at Montreal East. Gray had 18 points in the game, and McDonough 16. Richard Simmons with nine

and Richard Cessford who potted four were standouts at guard for the Unity forces. David Cunningham had five and Guy Adam two to complete the scoring.

BIDDY HOOPLA

Franke Robinson and Ray Mader hit for 18 and 17 points respectively to lead the Unity Biddy hoopsters to a 51-24 win over Point St. Charles Lions last week. The victory jumped UBC into the City of Montreal Biddy Basketball lead, where they seem sure to end. One game remains on the schedule.

Robinson, Mader and Morgan Turner have been named to the Biddy all star team that will represent Montreal against Kingston, Ont., here March 9 and 10. No matter who wins, Montreal will continue on to Jersey City,

N.J., for the national playdowns March 22, 23 and 24, since Kingston have declined.

MIDGET

Last week, Unity's Midget cage squad won a regular schedule contest versus Neighborhood House by one point and an exhibition game versus Weredale House by two points.

At Neighborhood House Kenneth Annable was the hero with but four seconds to go in the final stanza letting go a long one from center to score the winning point.

And at Unity on Saturday afternoon, the team eked out a 35-33 victory over Weredale House in a closely fought and exciting game. Fred Simms was top man for Unity with 15 points and Robert Gaylor was Weredale's best with 14 points.

Wheelers Clinch 1st, Crush Electricians

Wheelers clinched first place in the St. Laurent Intermediate Hockey League last Saturday, in their first year in the local puck loop.

They chalked up their 11th win in the past 12 games by edging past MacRae Electric 3-1, to garner the league pennant. Royal Pharmacy upset Michaud Freres 5-4 in the other half of the weekly doubleheader, leaving a possible tie for the runner up spot if Michaud beats MacRae this week.

The league will wind up regular schedule play this Saturday, at the St. Laurent Arena, with

MacRae and Michaud meeting in the first tilt, and Wheelers against Royal Pharmacy in the second match. Action starts at 2 p.m.

Pete McManaman counted single goals in the second and third periods to lead Wheelers to their victory over MacRae. The game was hard fought all the way, with both teams checking closely.

Peter Mitchell opened the scoring at 7.30 of the first period, on an unassisted effort. John Hersey had just returned to the ice a few seconds before to bring the Wheelers back to full strength.

Terry Gray evened the count when he tallied MacRae's goal at 8.45 of the second canto. Ross Murray assisted. But only a little over a minute later, McManaman took a pass from George Robertson, at 9.50 and beat MacRae goalie Doug Brambell easily for what proved to be the winning marker.

McManaman came back at been removed a few seconds earlier in favor of a sixth forward shooting the puck into an empty MacRae net. Brambell had 14.45 of the third period to count the insurance marker. It was an

unassisted goal, with McManaman, in a last ditch attempt to tie up the game.

Royal Pharmacy's close victory over Michaud was the second of the year for the winners. The Pharmacists came up with a new star in Marshall, who scored twice and assisted on the other three tallies.

Michaud went ahead at the 30 second mark, with Cliff Lehman scoring after passes from Bob Sleeth and Vince Ramsay. The Pharmacists tied the count at 10.16, with Bill

Rattray scoring. Ritchie Bell and Marshall got assists.

Bell scored at 11.45 to give Royal Pharmacy the lead, taking passes from Marshall and Rattray, to close out the first period.

Marshall put the Pharmacists ahead 3-1 at 4.15 of the second period, with assists going to Rattray and Bell. They added to their margin at 9.30, with Perkins scoring from Bill Ranson and Marshall.

Michaud put on a terrific drive in the third, which paid off with three goals, just short

of a tie. Sleeth started the scoring, at 8.10, with Ramsay helping. Jim Cairns continued at 11.40, taking a pass from Don Malone, and Ron Kenwood finished the scoring at 12.32 from Moe Malone. After Kenwood's tally Michaud yanked goalie Jim Kerr for the remainder of the game, but could not put the puck behind Pharmacists netminder Shugg.

Expect 333 Total In Golden Gloves Shulman Announces

A record of at least 269 entries with the final total expected to reach 333 once the out-of-town entries are in, was announced recently by Harry Shulman, of the YMHA's boxing committee, which is undertaking the sponsorship of the 1956 Golden Gloves.

Shulman also released the dates of 13 preliminary shows and the semi-finals and finals.

A special selection committee, to weed out potential open class fighters attempting to gain entrance to the novice division, will be headed by Jimmy Reagan. Board members will include Sylvio Mireault, Pat Supple and Rudy Marineau. Don Dewar will also sit in on the committee in an advisory capacity.

The first Golden Glove show will get underway at the Rosemount Boys Club on March 8.

The semi-finals are slated for Mount St. Louis April 23 and 24 with the finals at the Forum, April 30.

ERNIE MCKENZIE, known for and wide as the "Friendly Trainer with the Southern Accent," has opened a physical therapy studio in Westmount, it was announced recently.

Trainer for the past two years with the Montreal Alouettes, McKenzie is well liked by Montrealers and showed the feeling is mutual by opening his own place here, at 4296 St. Catherine St. W.

Prior to coming to Montreal McKenzie was associated with Lark coach Doug Walker at Wake Forest, NC, for several years.

In 1951, as a tribute to his work on those afflicted with Polio, he was presented with a Plaque for his "outstanding contribution to humanity" by the County of Wake Forest.

During the War he enlisted with the United States Navy and later was in charge of the Physical Therapy Treatment within the 3rd Naval District of New York.
