Finals of the 2010 summer Jeux du Québec: Gatineau officially in the race!

On May 24, 2007, the committee working on bringing the 2010 summer Jeux du Québec finals to Gatineau launched its official campaign. Partners, stakeholder and some four hundred young people from école secondaire Nicolas-Gatineau met on the school grounds for the occasion.

The campaign slogan came out loud and strong as they stood together to express their enthusiastic support for Gatineau's bid!

The summer Jeux du Québec finals involve sports competitions that put our young athletes from the Outaouais and Quebec to the test, as well as festivities and activities for all and much more! This is also the opportunity to host thousands of Quebecers of all ages, who will come to visit us from every part of the province.

Show your strong support for Gatineau's bid to host the 2010 summer Jeux du Québec finals! [Signez notre registre d'appui.](#)

For additional information about the campaign, check our Web site at www.gatineau2010.ca.
