STREET DIRECTORY OF MONTREAL

AND OF

Westmount, Verdun, Outremont and Montreal West

FOR 1921-22

THE STREET DIRECTORY is presented in a condensed form. Being a street guide the occupation after the name is left out.

Full information will be found in the ALPHABETICAL and in the CLASSIFIED BUSINESS SECTIONS.

The numbers appearing in the intersections represent the number of the Street intersected at the point of Crossing.

Where a number appears without a name, it shows there was no occupant early in May, or the party was absent at the time of taking information, and in a few instances that the name was refused.

Changes in the City Wards were received too late for alteration this year in the headings of the different Streets.
