THE  
DECKER BROTHERS  
PIANOFORTES

The DECKER BROTHERS have created a new era in Pianoforte manufacture, and their Instruments to-day are unquestionably the finest made in either Europe or America.

No Piano ever introduced into Canada has so immediately and so indisputably established its claim to the HIGHEST position as the "*Decker*," nor has a claim ever been more ungrudgingly accorded.

CAUTION.

As unscrupulous parties, from time to time, seek to palm off inferior or worthless Pianos upon the public, by naming their wares "DECKER PIANOS," purchasers are advised that the only Piano entitled to the name of "*The Decker*" is manufactured by DECKER BROTHERS, 33 UNION SQUARE, NEW YORK, and the Sole Agents in Montreal, are
