WESTMOUNT, FRIDAY, FEBRUARY 11, 1944

PRICE:— TWO CENTS

Miss A. Peverley Booked To Address Roslyn H. and S.

Miss Anne Peverley, Public Health Nurse of the City of Westmount, will be the speaker at the third meeting of the Roslyn Home and School Association to be held on Monday, February 14th, at 8.30 p.m. The subject will be on "School Health Service."

A few remarks will also be made by A. Lovell Phillips, newly elected chairman of the Westmount Board of School Commissioners, and by Dean Le Mesurier, the vice-chairman respectively. Other members of the Westmount School Board have been invited to attend.

After the main part of the meeting the teachers will receive the parents in the classrooms and samples of the work of the pupils will be displayed. This occasion furnishes the opportunity for parents to meet teachers but obviously a teacher cannot spend much time with any one parent. Arrangements can be made to discuss individual problems at a future time.

It is reported that no permanent decision has been made by the Protestant Committee on the question in regard to the length of the school year, and it is believed that, for the time being, there will be no change in the length of the school year.

Glen Magee, student of Westmount High School, has accepted the position of supervisor of class hockey at the school rink, it has been announced.

During the recent Aid to Russia Campaign a large amount of clothing has been received at the school for distribution to this worthy cause.

Although the Roslyn Home and School Association has recently acquired a number of new members to the association, it is desirous of an increase of a potential membership of 500.

Weredale's Work Wins High Praise

The 73rd annual meeting of the Boys' Home, at Weredale House was held on Tuesday evening, with Morris W. Wilson, C. B. E., Chancellor of McGill University and president of the Royal Bank of Canada present, and who moved the adoption of the reports.

Mr. Wilson commented on the work carried on in the Home and at Weredale Camp, and said that there was nothing more that could be desired referring to the homelike atmosphere, and that it had gone as far away from the institutional idea as it could.

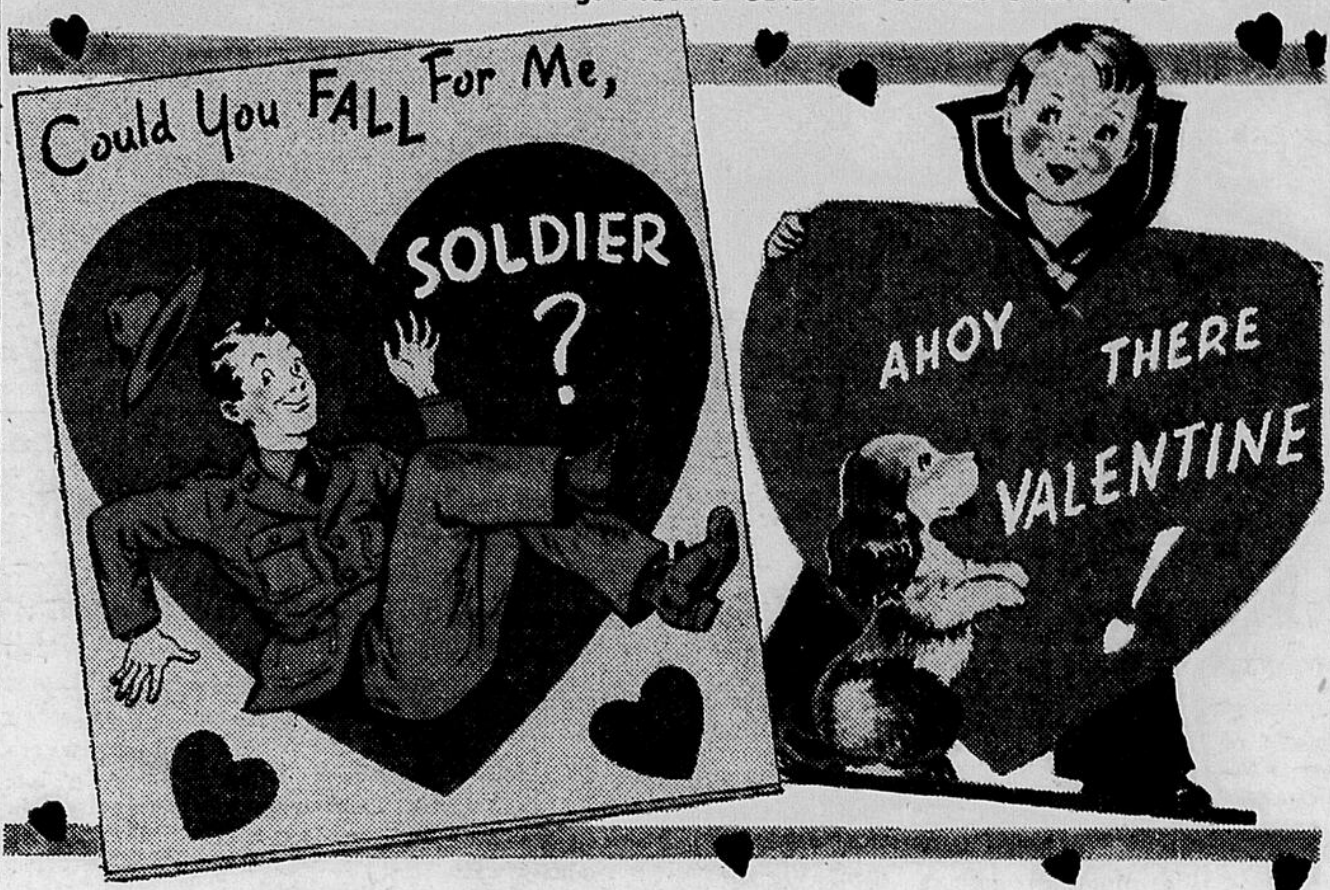

Reports presented to the meeting included that of Arthur W. McMaster, president of Weredale House; Vernon F. McAdam, secretary-manager; D. Binny Robertson, C.A., honorary treasurer; Dr. A. J. Martin, honorary physician; and G. Horsley Townsend, chairman of the nominating committee.

Following the reports there was a presentation on the stage of a camp fire program, in which

NOW EVEN OLD ST. VALENTINE HAS "JOINED UP"

This Year's Romantic Greetings Feature Cards for Service Sweethearts

Wars come and wars go, but young love goes on forever. So, knowing that it's quite likely that the lad of your heart is a soldier, sailor, or maine, St. Valentine has fixed up some extra special cards this year. There are cards

addressed to khaki darlings, like that illustrated at left and others especially designed to send to sailor sweethearts, like the one at right. There is quite an array of service cards available and you shouldn't have any trouble

expressing your romantic sentiments in any mood you like—Serious, frivolous or humorous. In addition, of course, there are scads and scads of "regular" valentines for non-service folk, including, of all things, a valentine addressed to Grandpa!

D.F.C. Winners Back From Overseas

Two West End heroes of the air war over Europe, both squadron-leaders and wearing

Sqdn.-Ldr. Ian Ormston, D.F.C.

the ribbon of the Distinguished Flying Cross, were welcomed home last week-end after periods of overseas service ranging up to four years.

Sqdn.-Ldr. Ian Ormston, D.F.C., who is the son of Mr. and Mrs. Charles Ormston of 3843 Harvard Avenue, only 22 despite his high rank, is returning home for a second time, on this occasion because of injuries received in a flying accident.

Ormston was awarded the D.F.C. in May, 1942, when he had completed nearly 100 operational flights. Describing him as "a skilled and determined pilot," the citation which accompanied the decoration said, "He displayed exceptional keenness to engage the enemy." At that time he was credited with the destruction of three Nazi air-

craft, another probable and a share in downing a fifth.

He enlisted in August, 1940, and went overseas the following year. He returned in August, 1942, and after a period of duty at Bagotville, went back to England last May.

The young squadron leader was seriously injured in a flying accident last December. His aircraft reportedly crashed while landing and he suffered a fractured spine.

Returning with him was Sqdn.-Ldr. M. W. Beveridge, D.F.C., son of Mr. and Mrs. J. B. Beveridge, of 3241 Cedar Avenue, who flew Boston Night Fighter and Mosquito bombers for nearly three years.

Sqdn.-Ldr. Beveridge, former McGill football player, won his

Three Local Men Win Commissions

Among the local men recently graduated at different training schools, recently announced at No. 3 Training Command headquarters are: S. G. B. McIntosh, of 459 Clark Avenue, who graduated at No. 5 S.F.T.S., Brantford, Ont., and Sgt. William Dargrave of 166 Selby Street; and Sergeant A. G. MacKenzie, of Westmount, who graduated at No. 9 S.F.T.S., Centralia, Ont.

Winchester Ave. Blaze Quelled By Our Firemen

Quick and efficient work by members of the Westmount Fire Department when they were called out to the home of H. F. Franklin, 30 Winchester Avenue, a noon on Tuesday, resulted in the firemen soon controlling an outbreak of fire which was confined only to the living room of the home.

It is reported that the fire was caused by a child playing with matches which destroyed the venetian blinds, rugs, drapes and started in a smouldering chestfield

Norwegian Minister Speaks At Rotary Lunch

Sven H. Ostedal, Minister of Norwegian Information, was the speaker at the Westmount Rotary Club luncheon on Wednesday in Victoria Hall, when his subject was "Norway—Fighting Ally." Chester McBride, president of the club, was in the chair.

Deputy Fire Chief Thirty Years In Service To Retire

Deputy Fire Chief William Burriss, popular member of the Westmount Fire Brigade completed 30 years of service on Wednesday, and will retire on March 31st, it is announced.

Born at Stockton, Durham, England, on March 11, 1883, he came to Canada in 1894 but returned to England in 1898 and joined the Royal Navy, in which he served until 1913. He served in the Boer War and on retiring from the navy in 1913, returned to Canada and joined the Westmount Fire department.

On the outbreak of the Great War, he again enlisted in the navy in which he remained until 1918. After demobilization, he returned to Westmount. On July 2, 1929, he was promoted to acting lieutenant, and two years later was made lieutenant.

A. Lovell Phillips On Central Board

Announcement was made on Wednesday night following a meeting of the Westmount School Board, that A. Lovell Phillips, 88 Church Hill Avenue, chairman of the Westmount Protestant School Commission, was named Westmount representative to the Montreal Protestant Central School Board. Mr. Phillips succeeds Col. F. M. McRobie, of 647 Grosvenor Avenue, who resigned

A. LOVELL PHILLIPS

recently after many years of service on both the Westmount and Central Boards.

Born in England, Mr. Phillips received his early education there later continuing his studies at McGill University.

During the last war he served overseas with both the Canadian and Imperial armies. In January he was re-elected for a second three-year term on the Westmount School Commission and at that time also was named chairman of the board.

He is president of the Canadian Steel Strapping Co., Ltd., of the Leeming Miles Co. Ltd., and of the Canadian Staples Co., Ltd. For some months he has been acting as a special assistant to D. W. Ambridge, director-general of naval ship building.

Westmount Early Closing By-Law For Drug Stores Ruled Illegal

Parts of the Westmount early closing by-law for druggists which infringe upon Westmount druggists' rights to sell articles permitted to them as defined by the Quebec Pharmacy Act was decided by Mr. Justice Tyndale, in the Superior Court, on Tuesday, to be illegal and ultra vires, and were accordingly struck from the by-law by the court.

The action to upset the by-law which requires drug stores in Westmount to close daily at 7 p.m. except for the sale of prescriptions, medical supplies and other specified articles, was taken by the owners of Macy's Drug Stores Reg'd. They contended that the early closing by-law was ultra vires of the powers of the Westmount City Council and was further illegal because it came in conflict with the right given to pharmacists by the Quebec Pharmacy Act, because it conflicted with the Federal Lord's Day Act, because it was oppressive and discriminatory, and because it benefitted no one in Westmount and caused prejudices to the plaintiffs.

With regard to the conflict

with the Quebec Pharmacy Act, His Lordship came to the conclusion that a municipal by-law could not legally restrict the professional activities of the members of a duly constituted profession, which is regulated by a special statute. Outside their professional activities, however, such members of a profession are not entitled to any special privilege, he declared.

Under the Pharmacy Act, His Lordship pointed out, the professional activities of pharmacists are concerned with the retailing, dispensing, and compounding of drugs or poisons. In this particular field, governed by the Pharmacy Act, the City of Westmount had no right to legislate. His Lordship believed.

His Lordship concluded that the by-law is illegal and ultra vires insofar as it purports to restrict any licenced pharmacist from carrying on business as a druggist otherwise than by selling goods in a shop or purports to restrict the activities of any pharmacist within the field described by the Quebec Pharmacy Act.

Penfield Praises Mission Hospital

Appointed by the Canadian Government to study medical institutions in Russia and China, Dr. Wilder Penfield, of Montrose Avenue, and Director of the Montreal Neurological Institute, reports the medicine "sound" and the teaching "well done" in the United Church of Canada Mission Hospital at Chungking.

Always filled to overflowing, this hospital has two hundred and twenty beds and is under the direction of Dr. A. Stewart Allen, a graduate of McGill University. On the staff are twelve Chinese doctors, twenty-eight graduate Chinese nurses and ninety Chinese nurses-in-training. Dr. Allen and his Western staff of one supervising nurse and two assistant doctors are supported by the United Church Mission. The Chinese staff is supported by the hospital from its proceeds and gifts.

This hospital effort of the United Church of Canada should be applauded, says the doctor, for through it the Western way of life is best presented.

D.F.C. WINNERS

(CONTINUED FROM PAGE 1)

Distinguished Flying Cross last November for an incident over France which cost the Luftwaffe two planes. The 28-year old flier enlisted in April 1940, and went overseas in March of the following year. This is his first visit home and later expects to report for instructional duties.

On one occasion last year

WEREDALE'S WORK

(CONTINUED FROM PAGE 1)

many of the boys of the home participated, under the leadership of Ribton Jonas, director.

Chester W. McBride, president, Rotary Club of Westmount, seconded the adoption of the reports, saying, "This institution is among the very best of its kind, and the success has been made possible by the work and cooperation that the staff and others have given to the institution."

The following officers were elected for the current year: F. N. Southam, honorary president; J. H. Birks, Arthur Cross, P. S. Fisher, G. Hogg, Morris W. Wilson, A. B. Wood advisory board; Arthur W. McMaster, president; Eliot S. Frosst, Norman Holland, C. F. Ritchie, vice president; D. Binny Robertson, C.A., honorary treasurer; Franklin G. Webber, honorary secretary; Arthur J. Martin, M.D., honorary physician; Charles A. Hale, K.C., honorary solicitor. The board of governors is composed of: E. Campbell Budge, G. W. Bourke, Arthur H. Campbell, James E. Dodds, James A. Eccles, Eliot S. Frosst, Norman Holland, F. H. Hopkins, P. E. Jarman, Cyril H. Lander, Gordon Mann, A. W. McMaster, Irving P. Rexford, C. F. Ritchie, D. Binny Robertson, G. Horsley Townsend, James H. Webb, Franklin G. Webber.

Sqdn.-Ldr. Beveridge attacked and damaged three enemy aircraft over their base in northern France. The planes could only be classed officially as damaged, however, because in each case the enemy aircraft was lost to view after his shots had found their mark.

ENTERTAIN TROOPS

The Mary Beetles 1944 Varieties Troop Show will be presented at Loyola College Tuesday in aid of Armed Forces Entertainment.

Dan Cupid Plans To Parade Far And Near

(By Nina Le Boutillier)

'Dan Cupid' plans to ride high this February 14th because it is Leap Year and he will carry many a St. Valentine Love message to the lads and lassies in the Armed Forces. Tokens of love and sentiment are sure to be tops with His Majesty's Tars who will in all probability sail the seas all the better with a gay message tucked away on the deck.

Cheery greetings will also be conveyed to "Mom and Dad" at home from the girls and boys in the services and to all up and down this fair land of ours, who find themselves through the emergency of war, living in new communities and strange settings. They will be sure to treasure remembrances of some kind or another.

For most of us, St. Valentine's Day never arrives without memories, maybe it was a thrilling message slipped through the mailbox, or a tiny card tucked in a few flowers, but whatever it was, the day makes you want to remember someone you love.

Valentines have mastered the pace and tempo of war times and we are told curiously enough that it was really a war that was responsible for the festival of this day. Although the origin is somewhat obscure, the story goes that in the year 270 A. D. the Roman Emperor Claudius II, forbade the marriage of soldiers going to war, and the good priest Valentine took pity on the young people and secretly married the sweethearts. All went until the Emperor found out what was going on and he had poor Valentine thrown into prison, where he languished and died a martyr to love.

From this time on, this date has been celebrated in memory of the Patron Saint Valentine, and this is how the custom arose between young people to send love missives and gifts to each other.

The day has long been popular in the Old Country, in fact for nearly 2000 years there has been some observation of the anniversary in some appropriate form. An old chronicler tells of tokens given to English and Scottish maidens who wore their billets for several days tucked away in their bosoms or sleeves, and this little sport often ended in true love. Dickens tells us in a chapter of the Pickwick Papers of Sam Weller's composition of a Valentine to an Ipswich maiden about the love he bore for her. The

origin of sentimental verses, beribboned love-knots and notes has also been traced to the Roman feast of Februa Juno, where men chose their partners by lottery, a custom that survived in England in the 17th century, when nobility had Valentine lotteries, as described in Samuel Pepys' diary of 1677, — "To their allotted Valentines, gentlemen sent gifts."

While new valentines come, the old ones go on for ever, and high in favor this year are salutations and expressions for the Armed Forces, as follows:—

"Ahoj there Sailor. Protect me, You're so big and strong, And I'm so weak and will'in, To Be Your Valentine."

"Over here, over there, Or Wherever you may be, I'd like you for my Valentine, You're sure the One for Me."

"Here's to An Ace of A fellow, Who rates High With Me, Wish Him Luck, Where'er he flies O'er land, In Air or Over the Sea."

A suitable one for 'Mom' reads something like this, — "I know you used to try your best, To raise a little Saint, Tho' pantry

raids and pinching cake, was all I used to do. These are just part of my memories, Mom, In this Valentine to You."

Among the special days of the year the feast of St. Valentine seems to be the most internationally sentimental, and as the saying goes "All the world loves a lover," and we as homemakers can do much to keep this tradition up.

All talk of other bottlenecks has quieted down since "Selective Service" started channel-jamming with a brass band.

KNOW YOUR WESTMOUNT

Q—Is it true that Westmount was once known as "Notre Dame de Grace"?

A—Yes, the valuation roll of 1878 in the City Hall is entitled "Valuation Roll of and for the Municipality of the Incorporated Village heretofore called 'Notre Dame de Grace' now called 'Cote St. Antoine.'" The incorporation of the "Village of Notre Dame de Grace" was under Letters Patent of December 9th, 1873, and the foregoing change in name occurred in 1879. In 1890 the status was changed from the "Village of Cote St. Antoine" to the "Town of St. Antoine"; then in 1895 to the "Town of Westmount," and the "City of Westmount" was created in 1908.

* * *

Q—Why does not Westmount dispose of its snow by putting it into the manholes of sewers as is done in Montreal?

A—Snow is not disposed of in this manner for two principal reasons. The first is that the size and rate of flow in the sewers is not such as to take care of the volume of snow which the trucks bring after a heavy fall; the second is that trucks employed in this manner block traffic, and generally the whole procedure is slow. On the other hand, the practice is to take the snow to

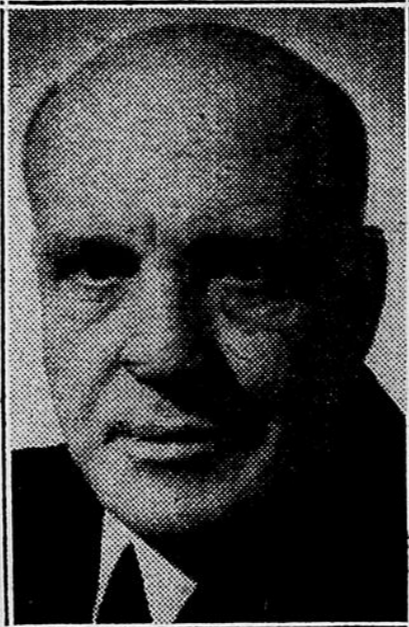

the melting pond connected with the civic powerhouse and incinerator on Glen Road, and there to dump the snow into the melting pond, heated and agitated by steam which is derived from the burning of combustible garbage and refuse and also, from the burning of coal, so that the snow and ice are turned into slush which overflows from the pond and is carried into a main trunk sewer capable of carrying the load.

The dumping platform is designed to accommodate seven trucks at a time, and each truck dump its load of approximately 10 cubic yards in one minute or less. This saves a tremendous amount of truck time as there is no waiting or standing idle, nor is there any traffic snarl. The convenience of the pond's location eliminates long hauls and thereby saves truck time. After a heavy snow storm involving a large windrow of snow the mechanical loaders are capable of loading the trucks rapidly enough so that each truck can make up to four trips per hour to the pond. The longest hauls are about two per hour and the average for the whole city about three per hour. As the trucks are hired on an hourly basis by the City, the melting pond technique saves considerable money.

Sir Thomas Feechan says the CBC is weak. Well, it is only held together with tax.

Westmount High Head To Retire

H. B. Parker, M.A., principal of the Westmount High School, who will retire at the end of the present school year, after 40 years in the teaching profession, has served the Westmount Protestant School Board 34 years in the capacity of teacher and principal.

H. B. PARKER, M.A.

His home is at 422 Lansdowne Avenue.

Born in the Eastern Townships of United Empire Loyalist stock, Mr. Parker received his education at Feller Institute, Grande Ligne, and at McMaster University, where he honored in mathematics and was granted the M.A. degree. His first principalship was at Sutton Academy, after which he taught for three years in the United States. In 1910 he came to Westmount.

In an interview Mr. Parker spoke of the 7,000 pupils with whom he had association during his long service at the school, and of the 1,200 of these students who were now on active service.

"Equatorial" Longueuil Files Claim

SEVERAL cities have competed for the honor of being the birthplace of Homer—now it is Longueuil's turn to boast of seeing pheasants down in their vicinity this winter. "Truthful James" claims that the reason for this is that they are located nearer the equator. Phooey to Longueuil—an authority on bird-lore says that pheasants do not thrive in equatorial regions but prefer the cool fresh breezes of the mountain slopes. Referring to the pheasant which flew over to Stoney Point recently, Joseph Foreman thinks it probably is one that got away from Westmount mountain, that the Verdun and District Sportsmen Association in co-operation with the City of Westmount released. Further still Carroll C. Sait reports that pheasants are so common in Westmount, Montreal and Outremont, that they like to see the odd crow or robin just for a little diversion. An invitation is also extended to Percy Wright at Dixie to visit these parts and see the species of Bob-Whites.

Westmount Stamp Club Plans Active Program

The well known Westmount Stamp Club is at present carrying on an active program for its junior members. At each meeting special items for the juniors are carried on, and prizes are reserved for their benefit.

On the 17th of February a special Red Cross auction will be held. At these auctions stamps are donated by members or friends and are auctioned off, the total proceeds being turned over to the Red Cross.

Much activity is now being shown by the club for their ninth annual exhibition to be held in Victoria Hall during the early part of April.

All persons interested in stamp collecting are cordially invited to attend our regular meetings held weekly in Victoria Hall at 7.30.

THE WEEK AT VICTORIA HALL

Feb. 14th — Westmount Women's Red Cross; Westmount Lodge A.F. & A.M.

Feb. 15th — St. John Ambulance Brigade Meeting; Westmount Chapter R.A.M.; N.D.G. Women's Club Board Meeting.

Feb. 16th — Westmount Red Cross Annual Meeting; Westmount Rotary Club Luncheon; Electa Chapter, O.E.S.

Feb. 17th — Organ Recital by L. A. Guillemette; Jersey Channel Island Society Bridge; Westmount Stamp Club.

Feb. 18th — Scottish War Relief Concert; N.D.G. Women's Club Business Meeting; Montreal Shriners No. 1.

Feb. 19th — Johnny Holmes Orchestra; Caledonian Society Military Whist.

WESTMOUNT, FRIDAY, FEBRUARY 11, 1944

ADDING TO CANADA'S PRESTIGE

THE COUNTRY is still talking of the implications of the Toronto speech of Lord Halifax. Few things arouse Canadians as much as a constitutional argument when our own position is involved. This, however, is no time to get into any kind of argument with Britain or any other member of the Commonwealth or to give any grounds for fiction with any of the United Nations outside the Commonwealth. The statement of Mr. King on the matter was, therefore, read with relief by most Canadians who felt that the Prime Minister had not only fully guarded Canada's interests but had actually strengthened the high esteem in which this country is held not only in the British Empire but among all the United Nations, particularly Russia. Of the sincerity of his, and the country's, goodwill toward Britain, there is no doubt. Our acts of the past four years are eloquent proof of it, if any proof is needed. And the nations outside the Empire take that for granted. However, it was in his refusal to endorse any proposal that would imply future rivalry among Britain, Russia, and the United States and his rejection of any plan that might commit Canada to a course inconsistent with her interests and geographical position between the United States and Russia that will add to Canada's prestige. He served notice that Canada will go to the peace conference with frankness and goodwill, without any previous commitments, and with no intention of joining any bloc which might, even by implication, cause any friction among our Allies.

WHAT PRICE VICTORY?

THE DAYS are moving quickly toward the bitter and decisive phase of this terrible drama of a world at war. General Eisenhower, who has made no rash or foolish statements, has said that victory will come in the west in this year 1944. Joseph Lister Rutledge will say in next week's Liberty Magazine.

Victory! It is easy for us to seize on the word as though it were something without cost, something already accomplished, he will say. It is easy to delude ourselves, as we have deluded ourselves too often in these four and

a half years of war. "Hitler is mad," we said with a strange confidence, as though a mad-mad leading a mad nation might not be the world's undoing.

"The Maginot Line," we said, as if there were alchemy in the word to protect us from the inevitable. Then it was revolution in Germany. We waited day by day, confident of its coming. When that failed we thought of bombing Germany into submission in a short space of time and at relatively small cost. But Germany has survived the blows as Britain survived them. Now, because events turn in our favor, we think of victory as almost won, though we ourselves did not accept defeat when the successes were the other way. We are deluding ourselves when we believe that victory can be ours without a bitter cost.

The other day Peyton C. March, the old gray general who as Chief of Staff put two million Americans into France in the Great War, offered slim comfort to those who believe the war almost won.

"You can't whip Germany," he said, "by whipping somebody in Senegambia. This country is in for a shock when the able-bodied soldiers start pouring out and the wounded start pouring in. This war hasn't even started. Wait until Germany and Japan start fighting on their own soil. Look at Russia, where even the children fight inch by inch to hold their fatherland. We can lose this war right here at home, thinking it's almost over."

These are cold words. They are worth remembering. They tell of something we too must learn. When the story of this war is fully told, the word "Ortona," and the names of other battles yet to be, will be written on Canadian hearts by sacrifices as cruel as were those of Vimy and Passchendaele and Cambrai.

Yes, victory may come in 1944. But before that day comes, before we must face its terrible cost, it will be well for us here at home to search our own hearts. For youth will be searching its heart in these days, praying for life, praying for courage, praying for devotion, praying in that unselfish comradeship that makes courage and devotion possible.

And we—we men and women at home as we sit by our bed at night, dimly realizing that the trial is at hand and that it will touch us all—what will we be thinking? Will we be wondering whether we should take holiday from the shift? Of ways to circumvent this rule or that? Of whether we couldn't use our money to better advantage than investing it in this cause? Of what personal advantage we can secure from the strained situations advanced by war?

Or will we be thinking of the boys, to whom life is as dear as it is to us, who are holding these young lives so lightly, waiting for the hour, ready for the sacrifice?

Surely the price of victory is a common price, a common sacrifice.

THE FORUM

Conducted by HOWARD S. ROSS, K.C., D.C.L.

In Which Subjects of General Interest Are Discussed

The opinions expressed in this Forum are not necessarily those of this newspaper, and it does not accept responsibility for them.

Social security will be adopted in increasing measure by all democratic countries. The Marsh and the Beveridge Reports are evidence of this. It does seem to be the best of all investments to ensure the physical and mental health and vigor of a country's most important capital — its working population. In a debate on the Ten Hours Bill in 1847, Macaulay stated a fundamental truth when he said:

"Never will I believe that what makes a population stronger, and healthier, and wiser, and better can ultimately make it poorer. You try to frighten us by telling us that, in some German factories, the young work seventeen hours in the twenty-four, that they work so hard that among thousands there is not one who grows to such a stature that he can be admitted into the army; and you ask whether, if we pass this bill, we can possibly hold our own against such competition as this? Sir, I laugh at the thought of such competition. If ever we are forced to yield the foremost place among commercial nations, we shall yield it, not to a race of degenerate dwarfs, but to some people preeminently vigorous in body and in mind."

After one hundred and fifty years it is still freedom we lack; not political freedom now but—what shall I call it?—creative freedom: freedom to work, freedom in work. We shall surely have to abolish unemployment, but unless at the same time we make the work my job or our job, we shall still be slaves amid brief mountains of goods, and the day of the common man, the world citizen, will not yet have dawned." — Prof. James McBride Dabbs.

There should be a law making it compulsory for a man to type-write his name under his signature. Then you could read it.—Toronto Telegram.

N.Y. Times captions an editorial "A Good Word For Proof-readers": It is a wise editor who gives those fellows a boost — otherwise they let his spelling go through as is.—Ottawa Citizen.

Recently, a complete through bus between Dawson Creek, B.C., and Fairbanks, Alaska, went into operation. The buses had been in use for several months and in September carried more than 6,500 passengers a distance of 2,160,000 miles. The passengers were mainly construction workers or other persons having legitimate business in the area, but now the Whitehorse-Fairbanks stretch of the Highway is open to regular bus service. The buses are the largest leased from the Greyhound Corporation and operated by the U.S. Northwest Service Command with headquarters in Whitehorse. Last summer, they were sometimes held up by slides, floods and slippery grades, but the Highway has been constantly improved and by the time Canada takes over it should be fit for tourist bus service.

American war production not only has staggered the Axis but dumbfounded the Allies and surprised many Americans. In the final analysis of what won the war for the United Nations the great output of American factories will rank at the top.

So strong has the current of finished products become that it is necessary to slow it down. An ordnance plant at Saint Louis discharged 10,000 workmen, followed by similar action by plants at Dallas, Kansas City and other places because the government couldn't use the output or didn't have storage facilities. The Saint Louis plant was making small arms ammunition.

It is apparent from these facts that the United States has caught up and passed some of its manufacturing schedules. It means that skilled mechanics will be available to step into plants turning out airplanes and other war machines still in great demand. It means that the time is approaching rapidly when civilian goods will be available again.—Post-Record, Sydney, N.S.

"Life is a warfare, in which victory comes only to those who, having suffered defeat, just then begin to fight. Defeat comes only to those who have been free to

STOP ME

If—

A lawyer made his way to the scaffolding where a gang was working, and called for Michael O'Neill.

"Who's wanting me?" inquired a voice from above.

"Mr. O'Neill," the lawyer shouted, "Did you come from Drogheda?"

"I did."

"And was your mother named Kathleen and your father Michael?"

"They wor."

"It is my duty to inform you that your aunt Mary who married the millionaire, Richly, has died in New York, leaving you a fortune."

There was a short silence, and then a commotion up above.

"Are you coming, Mr. O'Neill?" the lawyer asked.

"In wan minute," was the answer, "I'm just stopping to wallop the foreman."

—Stanley World.

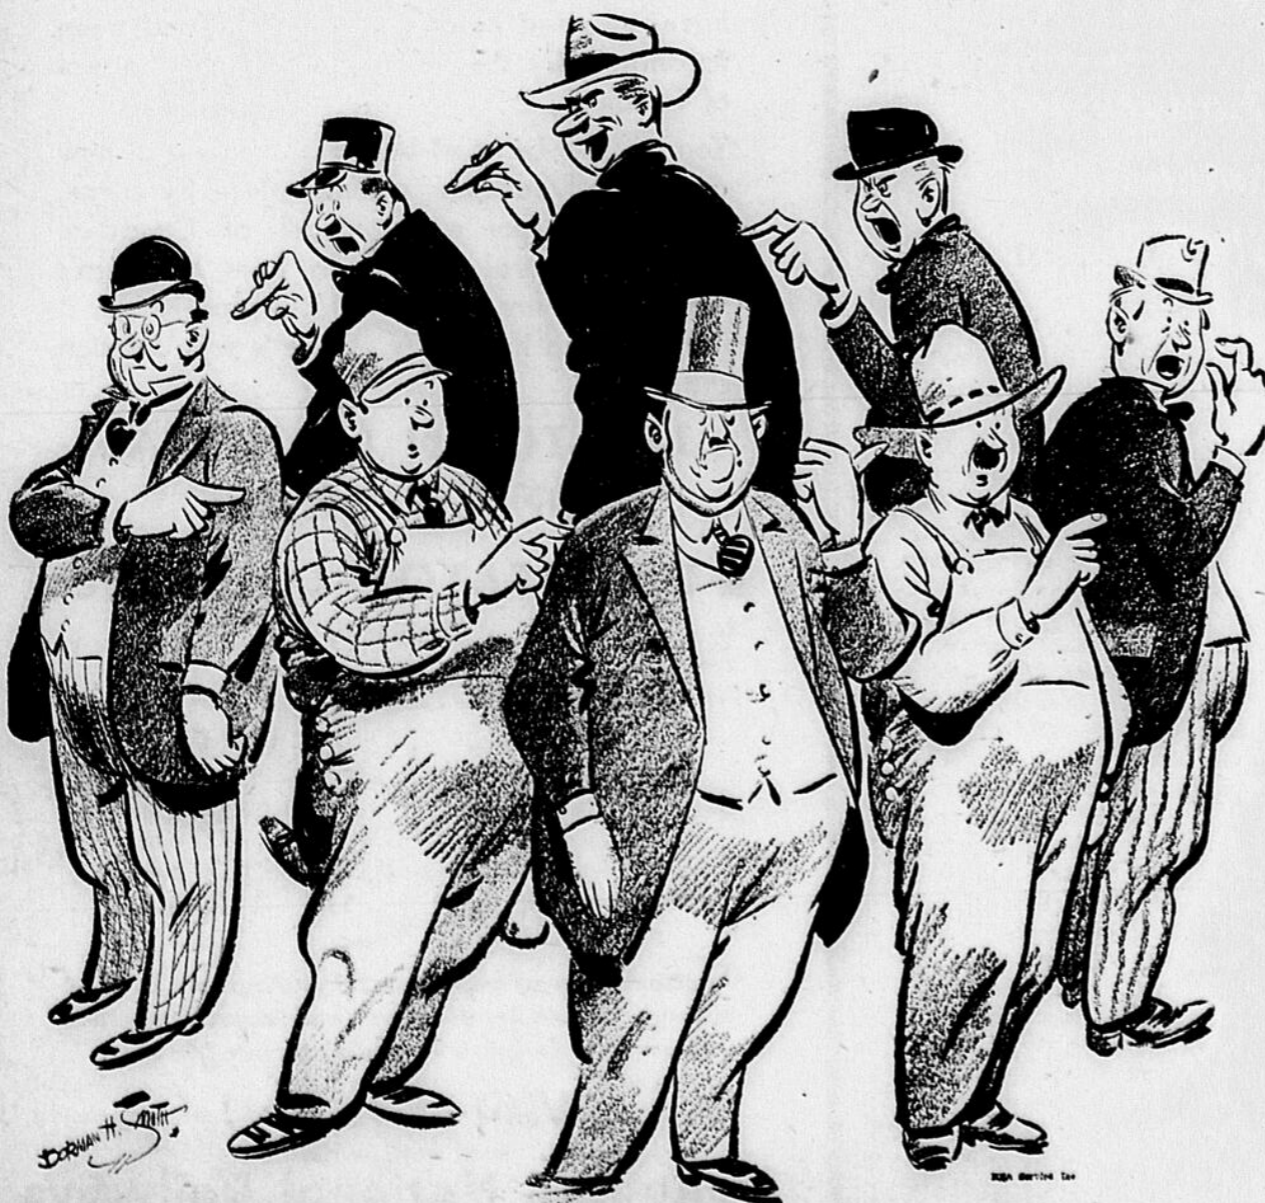

Close Schedule

A northern passenger on a small Mississippi River steamboat in the deep South was considerably perturbed when he heard the captain say his craft would be delayed some four or five hours, pending arrival of some expected cargo. He sought out the officer and expressed his regret that the craft would be late in arriving at New Orleans.

"Late?" said the captain. "Why I reckon we'll get in 'bout on time."

"But I just heard you say we'd be delayed here for four or five hours."

"Shucks," said the placid riverman, "we don't run on a schedule as close as all that."

"SURE, INFLATION CONTROL IS SWELL—FOR HIM!"

The Church Calls to Worship

St. Luke's Church

The induction of the new elders, Messrs. A. B. Lindop, R. A. Norman, H. E. Vale, and E. C. Reid, will take place in St. Luke's United Church at the morning service, next Sunday, when the minister, Rev. R. E. Spencer, will speak on the subject "The Duty of Praise". In the evening the series on Vital Questions will be continued with the third topic "Can Human Nature Be Changed?"

The Woman's Association has completed plans for the Valentine Luncheon to be held in the Church Hall tomorrow at 1 p.m. when the special speaker will be the Rev. F. W. Norwood, D.D., of St. James United Church, and there will be a short musical programme. The men of the congregation are cordially invited to be present on this occasion.

The Half-Way Club invites the adults of the congregation to a showing of entertaining and instructive films, to be presented by the Junior Board of Trade, at 8:45 o'clock, on Saturday evening, Feb. 19th. The programme will also include music and refreshments. A silver collection will be taken, part of which will be donated to the War Services Committee for overseas parcels.

The Boy Scouts and Wolf Cub Pack members will parade to service on Sunday morning, Feb. 20th.

St. Andrew's Church

St. Andrew's Church is looking forward with pleasure to hearing Rev. George Goth deliver a special sermon to young folks on Sunday evening. Mr. A. Leonard Griffith, of St. Andrew's will take the evening service in Westmount Park congregation. The exchange is symbolical of the cordiality existing between these two neighboring churches.

At the morning service Dr. Kerr hopes to be back in his own pulpit and to preach on "The Herald of Good News."

Following the annual meeting last Monday all organizations in the church are setting out to make good records for the year. The young people have three organizations with large memberships in each. The Alpha Omega meet after church every Sunday evening and is led by Mr. Leonard Griffith. The Junior Red Cross meets every Monday evening with membership exceeding one hundred. In addition the Senior Bible Class, led by Mr. Griffith, appeals to a third group of young folks. Miss Jeanne Guess has organized a Junior Red Cross of young ladies who meet Monday evenings.

Calvary Church

A musical festival featuring Gospel messages in sacred song by "The Singing Strouds", the Rev. and Mrs. Victor Stroud, consecrated radio and operatic stars from the United States, will make the services in Calvary United Church, both morning and evening, on Sunday next of unusual interest for all who can attend.

These outstanding artists will sing several numbers at the morning service at 11 a.m. and will render a full programme at the evening worship hour of 7.30. They will also give a complete recital in the church auditorium on Monday at 8.30 p.m. All are earnestly requested to work for the success of these services and to pray for a rich outpouring of God's blessing both on the singers and upon all who attend that the messages may find a way to the hearts of all who hear, fostering a deeper loyalty to our Divine Lord and Master and inspiring greater service in His cause.

The minister of Calvary Church,

J. J. Weatherseed Gives Fine Recital

A very comprehensive, chronological programme of music was played by John J. Weatherseed, F.R.C.O., organist of St. George's Church, at the first of a series of recitals in the Church of The Advent on Saturday afternoon.

The programme, comprising four groups of diverse styles, covered a period from the 15th Century down to the present day.

Purcell's lovely "Evening Hymn", beautifully played, made a striking contrast to the equally well played "Suite from the Water Music" by Handel, which ended the first group of music by early composers.

The second group was devoted entirely to Bach. Three contrasting Choral Preludes were played in just the right spirit, and with registrations that enhanced the mood of each.

In the third group Haydn's "Scherzando" gave the organist an opportunity, of which he made very real use, to display the lighter tonal qualities of the new memorial organ.

The five numbers of the final group were all choral preludes. Parry's "Old 104th" was brilliantly played. Mr. Weatherseed's own choral prelude was an interesting and scholarly treatment of an old plain song, "In dulcis memoria." "Praise to the Lord", a somewhat robust item by the late Martin Shaw, brought a splendid recital, marked by sound musicianship in every department, to a close.

—C.V.F.

Westmount Baptist

Westmount Baptist Church have a most interesting program for the week-end. At the Sunday morning service the sermon theme will be: "High Power or Power From On High — Human Dynamos or Divine Dynamite?"

In the evening the service will be unusual and interesting in character. It will be conducted by the men of the congregation, assisted by the minister. Ten business men will participate. Six of these will be minute men, giving one minute testimonies. Dr. Johnston will give a brief address entitled: "The Man At The Open Window . . . Courage of the Highest Kind." Westmount choir, under the direction of Hibbert Troop, will contribute a noble ministry of music at both services. In the morning they will sing: Solo, "Come, My Beloved" — Handel, and Chorus, "Lord for Thy Tender Mercies' Sake" — Farrant, and in the evening, solo, trio and chorus — "The Heavens Are Telling Me" — Haydn.

The Westmount mid-week fellowship meets on Wednesday evening at 8 o'clock. Christian men and women of the city and community are invited to share in the inspiration and friendly fellowship of these large and helpful gatherings.

Capt. the Rev. T. W. Jones, M.A., D.D., will conduct the services of worship and deliver the spoken messages. At the morning service the theme will be based on The British and Foreign Bible Society report for 1943, "Mightier than the Sword."

The evening service will be entirely a service of song with the congregation singing great Gospel hymns shown upon the screen, the pastor telling the story of these old favourites, while the artists, "The Singing Strouds" will render an inspiring program of sacred solos and duets.

Dominion Douglas

Next Sunday morning in Dominion-Douglas Church Dr. Lloyd Smith will continue the series suggested by the Canadian Committee of the World Council of Churches and will take as his theme: "A Christian World Order."

Church School assemblies at 3.00 p.m. in all departments.

Mr. R. J. D. Morris, B.A., will speak in the evening.

The young people's Union will meet following the evening service and all young folks are invited.

Sewing circle holds its regular session on Monday at 2.00 p.m.

The Women's Association meets at 10.00 a.m. Tuesday with luncheon at 1.00 p.m.

Every Wednesday from 10.00 a.m. to 5.00 p.m. the Red Cross unit meets in the large gymnasium where there is plenty of work for everyone who will come and help.

At the Ladies' Literary on Friday, Feb. 18th, the speaker will be Rev. Martin P. Reid, P.P., whose topic will be "Some Bullies and Villains in Dickens." The soloist will be Gwynneth Davies Saunders, soprano.

For both he that sanctifieth all of one: for which cause he (Jesus) is not ashamed to call them brethren.—Hebrews 2:3.

WIDE SCOPE OF WORK REVEALED BY CLUB'S ANNUAL REPORT

A creditable year's work was reported at the twenty-fourth annual meeting of St. Matthias' Social Service club, held in the Parish Hall.

The Secretary's report showed that four elderly couples were helped each month financially, and each couple received an extra cheque at Christmas time. The "Sunday-School by Post" was also given a sum of money, and the club donated its share toward the upkeep of the Parish Hall.

Twenty-seven layettes were distributed, two to private cases through members, and the balance to various hospitals and institutions.

A total of 665 articles were sewn or knitted by members or friends.

The treasurer's report showed total receipts for the year to be \$732.84, disbursements \$495.28, with a balance on hand of \$237.56.

The Rev. Canon Gilbert Oliver presided during election of officers, and afterwards spoke encouragingly of the work accomplished during war-time difficulties. Those elected to office for the ensuing year are: Hon. President, Mrs. Gilbert Oliver; President, Mrs. M. Baldwin; 1st. Vice-Pres., Mrs. G. S. Payne; 2nd. Vice-Pres., Mrs. S. J. Scadding; Secretary, Mrs. Barry Smith; Ass't. Sect'y., Mrs. H. I. Watson; Treasurer, Mrs. A. E. Renault; Ass't. Treas., Mrs. E. S. Cushing; Work Conveners, Miss G. Kenrick, Mrs. S. E. Oliver and Miss M. Stewart; Cutters, Mrs. I. A. Brophy and Mrs. W. E. Thompson; Tea Conveners, Mrs. A. E. Morrow and Mrs. W. R. Hill; Telephone Convener, Miss Bryson; Commercial Representative, Mrs. A. E. M. Warner.

Westmount C.W.L.

The regular monthly meeting of the Westmount Sub-Division of the Catholic Women's League will be held in St. Leo's School Hall on Friday, February 18, at 3 p.m. It will be "Sisters of Service" day with Mrs. L. O. Reynolds as convener. The speaker will be one who has recently returned from overseas.

There will be music and refreshments.

mond Shaughnessy and Mr. Arlington Smithers.

Following the ceremony a reception was held at the home of the bride's mother.

BELCHER—MCKIEL

The marriage of Caroline E. Marie, elder daughter of the late Harold H. McKiel, and of Mrs. McKiel, of Saint John, N.B., to Mr. Robert A. Belcher, son of Mr. A. Belcher and of the late Mrs. Belcher, took place recently at St. Luke's Church, Saint John, the Rev. L. M. Pepperdine officiating.

The bride, who was given in marriage by her uncle, Mr. George M. McKiel, wore a frock of Queen's blue triple sheer, a hat to match with a shoulder length veil and carried a bouquet of Better Time roses.

Miss Jean McKiel, who was her sister's only attendant, wore pink sheer trimmed with silver sequin embroidery and wore a tiny hat of flowers. Her bouquet was of blue iris and pink roses.

Mr. Gerald McKiel acted as best man and the ushers were Mr. David F. Smith and Mr. Paul Logan.

The reception was held at the residence of the bride's mother. Later Mr. and Mrs. Belcher left for Toronto, the bride travelling in a two-piece ensemble of turquoise under a sealskin coat and wearing a small hat of turquoise feathers and black accessories. They will reside here.

Care Of Plumbing Explained By Watson To Mothers' Club

The Catholic Mothers' Club of Westmount at their meeting on Tuesday in St. Leo's School Hall, heard an interesting and instructive address by Mr. Charles E. W. Watson on "Minor Plumbing Repairs." Mr. Watson is vice-president of the National Association of Master Plumbers and Heating Contractors of Canada. One of the most important things, he pointed out, was to know the location of the main stop taps for both gas and water pipes, and also to know how to operate them. All members of the family should be familiar with their location and operation. Placing tags on these valves is a great help and testing to see that they are in proper working order is essential.

Liberal use of hot water will prevent stoppages in baths, basins and sinks. Chemical pipe cleaner should not be used if the pipe is completely blocked. A plumber must remove these chemicals before he can clear a stoppage and many plumbers have been badly burned while removing them. Hot water or chemical pipe cleaner should not be used in a closet bowl, as the bowl is a massive piece of china and if expanded rapidly will crack.

When you call a plumber, the speaker advised, be specific and if you are asked questions do not be annoyed. Your plumber is simply trying to save you money by avoiding an extra trip to his shop for tools, and materials, which he has not forgotten, but which would not be needed for the work which you have described. A full plumber's kit

weighs several hundred pounds and it is therefore physically impossible for him to carry all the tools which might be required. Thousands of dollars worth of damage may be saved if you can locate and shut off the stop taps in your house in an emergency.

The best way to save coal, said Mr. Watson, is to avoid overheating your home. Leaving the garage unheated will save fuel but if the roof of the garage drains through the garage, damage will result by the freezing of the down pipe.

Mrs. E. T. Reynolds presided at the meeting and Mrs. C. J. Shaw thanked the speaker.

After Mr. Watson's talk a moving picture dealing with plumbing was shown and following this Mrs. John O'Neill Gallery, president of the Junior League of Montreal and chairman of Crime Prevention and Juvenile Delinquency Week, spoke to the gathering on matters pertaining to this subject. She was thanked by Mrs. W. H. O'Reilly.

Wartime refreshments were served.

SEWING MACHINE NEEDED

The Red Cross Group of St. Stephen's Church are handicapped in their efforts, by lack of sufficient sewing machines. The gift or loan of a sewing machine would be very much appreciated by the ladies. Anyone able and willing to help out may get in touch with these workers by telephoning Wellington 4175.

MRS. F. MCCRACKEN ELECTED PRESIDENT KIWANIS RED CROSS

The annual meeting of the Montreal Kiwanis Ladies' Red Cross Branch was held recently at the Red Cross Rooms, 5041 Sherbrooke Street West. Mrs. Fred C. McCracken, President, was in the chair, and in her address stressed the need for continued effort to keep the work for the Red Cross always to the forefront, commenting "while we may look upon our past achievements with satisfaction, we must realize there will be much to do in the rehabilitation period after the war."

Mrs. James O. Meadows, 1st Vice-President and convener of work, gave a very comprehensive and interesting account of the year's work completed and shipped to Canadian Red Cross headquarters: 1,653 comforts for the armed forces; 5,535 hospital supplies which included the making of 5,406 surgical masks in a specified time; 1,139 civilian clothing articles; 11 Women's Auxiliary Service articles — a total of 8,338 articles for the year ending December 31st, 1943.

Mrs. Douglas Bremner, 2nd Vice-President, presented her report of the three outside groups who completed 1,460 articles for the branch.

The meeting was attended by Thomas W. Hodgson, President of the Kiwanis Club of Montreal, and Henry T. Fyon, Liaison Officer between the Kiwanis Club and the Ladies' Red Cross branch, who both addressed the branch and extended congratulations on its achievement.

The following officers were re-elected: President, Mrs. Fred C. McCracken; 1st Vice-President and convener of work, Mrs. James O. Meadows; 2nd Vice-President, Mrs. Douglas Bremner; Treasurer, Mrs. Walter Zeller; Secretary, Mrs. Lawrence S. Marsh; Board Members: Mrs. W. R. Moreland and Mrs. Robert H. Bryan.

Nowadays the salespersons say no before you can describe what the article's like.

Purim Preparations

The annual Purim Festival in the form of a carnival and masquerade and Purim play will take place on Sunday afternoon, March 5th, in Temple Community House.

Sisterhood

A rummage sale will be held in Temple Community House on February 22nd, 23rd and 24th. The Sisterhood will engage in sewing all day Mondays, and an open programme meeting, devoted to Purim Festival observances, will take place on Wednesday evening, March 8th.

Sodalities

The Union of Parish Sodalities will be the guest of the Young Ladies' Sodality of the Church of the Ascension of Our Lord, at the general meeting to be held on Monday, at 7.30 p.m. in St. Paul's Academy.

Red Cross

The annual meeting of the Westmount Branch of the Canadian Red Cross Society will be held in the Green Room, Victoria Hall, on Wednesday, at 3 p.m. All Westmount members of the Red Cross are urgently asked to attend.

ALLIED CHILDREN ARE AIDED BY GRANT FROM WOMEN'S CLUB

The forthcoming Loan Exhibition of Dutch Paintings was the subject of a short talk by G. P. Luden, consul-general of the Netherlands, to the Montreal Women's Club in the Mount Royal Hotel.

Mrs. E. C. James, chairman of special war work committee, moved that the sum of \$100 be presented to the Art Association of Montreal in aid of the fund being raised for the children of Great Britain, the Netherlands and other occupied countries. It was decided to send a hundred dollars to Lady Reading, chairman of the women's voluntary services for civil defence, in London, England, for the welfare of the children in the bombed areas. A successful visit to St. Anne's Military Hospital under Mrs. Lorne Cumby, chairman of the visiting committee for this month, was also reported by Mrs. James.

Mrs. T. G. Delgado, chairman of the membership committee. Mrs. Walter Brown, chairman of personnel; Mrs. C. L. Henderson, chairman of the Children's Library; Mrs. J. H. Norris, chairman of the welfare committee, and Miss H. Hannah, delegate to

Westmount "Y" Bridge To Benefit Members Of "Y" In Uniform

The Women's War Service Committee of the Westmount Y. M. C. A. are holding a mixed Valentine Bridge on Tuesday, at 8 p.m., in the Westmount "Y" building. The proceeds will be used to send parcels to the "Y" members in uniform.

Mrs. J. W. Henderson will act as chairman, assisted by the following committee: Mrs. J. P. Anglin, Mrs. J. B. Brodie, Mrs.

the Province of Quebec Society for the Protection of Birds, also gave reports of their committees' work. The meeting was under the chairmanship of Mrs. E. M. Briggs, the president.

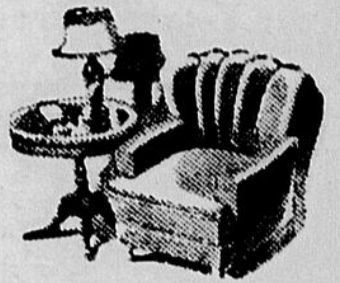

Walter Gilpin, Mrs. Arthur Lang, Mrs. R. Drain, Mrs. W. H. Spearman, Mrs. E. I. Taylor, Mrs. Walter Scott, Mrs. S. S. Kneeland, Mrs. F. McHattie, Mrs. W. H. Lewis and Mrs. W. S. Johnston. There will be door prizes and refreshments.

Melville Ladies

The regular work meeting of the Ladies' Aid Society of Melville Presbyterian Church will be held at 2.30 p.m. on Tuesday in the church hall.

NEWS OF THE THEATRE WORLD

At York Theatre

No matter how heartily you have ever laughed, prepare to laugh louder and harder when you see Paramount's hilarious comedy with music, "True to Life," which opened last night at the York United Theatre.

The picture stars Mary Martin, Franchot Tone, Dick Powell and Victor Moore with Mabel Paige and William Demarest in two riotous supporting roles. It tells the story of two high-salaried radio writers, Tone and Powell, who are about to be canned because their program suffers from lack of reality. Tone, the debonair man about town, seeks new inspiration in night life, but Powell goes among the people. He winds up in a diner in Sunnyside, Long Island, where he meets Mary Martin, the counter girl.

Mary, believing him to be down on his luck, takes him home with her to her zany family which consists of Pop (Victor Moore) who works in a bakery by day and invents unpatentable things by night; Mom (Mabel Paige), the boss of the house; Uncle Jake (William Demarest), chronically unemployed; Twips (Beverly Hudson), the kid sister with a yen for Mary's boy friends; Clem (Raymond Roe), the young brother who wants to be a doctor but can't wait 'til he grows up.

Mary arranges for Powell to live with them until he finds a job and Dick proceeds to use the family for a true to life radio program. He sends Tone a ver-

AT THE WESTMOUNT SUNDAY!

Alan Napier, Marguerite Chapman and George Sanders in a scene from the exciting thriller "Appointment in Berlin," which opens on Sunday at the Westmount United Theatre playing until Tuesday night.

Mary Beetles To Present Variety Show On Tuesday

The Mary Beetles 1944 Varieties will present their Troop Show to the public on February 15th, in

batim account of the daily happenings in the family and these are immediately put on the air by a duplicate radio family.

Dick tries to keep the family from listening to their radio, but, of course, the time comes when he is exposed. It is an uproarious time, as is everything preceding and everything following. The romantic triangle of Dick, Tone and Mary is also very humorously handled.

Loyola College Auditorium, in aid of Armed Forces entertainment. Long considered a favourite with the troops everywhere, the Varieties assure the public of an evening glittering with talent and variety.

Sparkling with rhythm, comedy and striking production numbers, this show boasts a cast of over forty-five entertainers. Outstanding among the attractions, are the Harmonettes, trained and directed by Barbara Patterson. This constitutes a singing line composed of a group of lovely girls whose voices blend in distinctive harmony. Always specializing in original settings, these talented girls are presenting for the first time a unique arrangement of Gounod's "Ave Maria."

The dancing is contributed by the Dancing Cadettes, under the direction of Jeanna Rodier. Included in the cast are Violet Graham, Lois Boudreau, Sonia Hammond, Dean McIlhorne, Cornelius Mahoney, Bill Turnbull, Desmond McDermott, Kaya, Doris Kimber, Mary Saunders and Jeanne Rodier, and, as accompanists, Ruth LeCras, Ken McCrindle and the Six Gentlemen of Jive.

Barbara Patterson is the versatile Mistress of Ceremonies and the entire production is under the direction of Mary Beetles.

Door Committee And Ushers Named For "Cry Havoc"

The door committee, under the chairmanship of Mrs. M. J. G. Hogan, for "Cry Havoc", a drama in three acts by Allen R. Kenward, which is being presented by the Drama Group of Westmount Women's Club tonight, will include: Mrs. H. B. Pope, Mrs. C. S. Fortier, Miss Gardner, Mrs. J. M. Bernard, Mrs. C. B. Climo, Mrs. W. D. Fowle, Miss Rose Greenway.

The ushers will be: Chairmen, Miss Enid Fortier and Miss Peggy French; the Misses Brenda Borrie, Mavis Spencer, Mary Simpson, Mabel Holland, Irene Rowe, Cardin Rowe, Beryl Lucas, Hazel Day, Margaret Jackson, Lillian Bennett, Olive Snyder, Elith Hayman, Kay Flanagan, Olive Snyder, Betty Evans, Ruth Jenkins, Margaret Ross, Gwen Williams and Shirley Thompson.

MILITARY WHIST PLANNED

The Caledonian Society is holding a military whist in the Oak Room of the Victoria Hall tomorrow evening starting at 8.30 p.m. Numerous prizes have been donated and there will also be door prizes.

Phoebe MacKellar To Impersonate Shakespeare Gems

Phoebe Erskine MacKellar will give a presentation of Shakespeare's characters in "Gems From Shakespeare," at Tudor Hall, tomorrow (Saturday) at 3 o'clock.

Mrs. MacKellar, who is president and founder of the Montreal Play Reading Club and has produced the Com's Shakespeare Festival for seven consecutive seasons at Como, has recently returned from a tour as far east as Halifax and north as far as Arvida, where she has been pre-

senting Shakespearean character and interpretation programs to a number of private and public schools and has acted single handed to nearly 3,000 school children.

Unusual and natural talent is shown by Mrs. MacKellar in diction and technique in every scene and the speed with which she changes from one impersonation to another is remarkable. Her costumes are artistically and skillfully designed and add much to the general effect of the entertainment, which has the effect upon her audience to stir up keen interest in Shakespeare and an enthusiasm to study his works.

On Saturday, Mrs. MacKellar will interpret six characters from "As You Like It," and plays both Shylock and Portia in "The Merchant of Venice," and in "MacBeth" the duologue scenes up to the murder of Duncan.

2nd Exciting Film

Thrills Race Thrills Across The Mystery-Filled Desert!

"ADVENTURE IN IRAQ"

with John LODER - Ruth FORD - Warren DOUGLAS

NEWS OF THE THEATRE WORLD

At The Monkland

What happens when a movie star accepts an invitation to a college prom, much to the consternation of the fan who invited her, forms the background for the hijinks on the screen of the Monkland United Theatre, where M-G-M's Technicolor scintillating musical, "Best Foot Forward," is now showing.

Lucille Ball plays a movie star who accepts a fan letter invitation from young Tommy Dix to attend the prom as a publicity stunt. Lucille has her doubts about the whole affair but her press agent, William Gaxton, is confident the resulting fanfare will turn the trick of having her option picked up. Tommy, who never expected Lucille to accept, is devastated, but not from joy. For he has invited his best girl, Virginia Weidler, to the dance and besides, Winsocki tradition does not include movie stars. Tommy's solution is to take Lucille as Virginia in spite of Lucille's protest. Complications set in when Virginia arrives on the scene with good samaritan intentions of nursing Tommy through his "illness."

Miss Ball is stunning in several Irene creations and delivers her lines with gusto. The film introduces several promising newcomers to screen audiences. These are Nancy Walker, who shows promise of becoming a female Mickey Rooney; Tommy Dix, the little boy with the big voice; June Allyson and Gloria De Haven, two bundles of energy.

LAUGHTER

He laughs the most, he cries the most,
Admits the most, denies the most,
He takes the most and gives the most,
He takes the most and gives the most,
And that is why he lives the most.
—Al Bryan.

Thus times do shift; each thing his turn does hold;
New things succeed, as former things grow old.

AT WESTMOUNT THEATRE

After piloting "Watch on the Rhine" for a run of 15 months, Herman Shumlin took the play right into Hollywood and put it on film for Warner Bros. The picture, starring Bette Davis and Paul Lukas, is now playing at the Westmount United Theatre.

In "Watch on the Rhine" Paul Lukas, who starred in the stage production, was certainly at home before the camera. Lucille Watson, George Coulouris, Frank Wilson and Eric Roberts recreate the key roles they played for over a year on the stage.

Hollywood's contribution to the film cast leads off brilliantly with Bette Davis, who, as twice winner of the Academy Award, is anybody's bright particular star. Geraldine Fitzgerald, Beulah Bondi, Donald Woods and Henry Daniell, all seasoned and tested players, add to an impressive supporting cast.

"Watch on the Rhine" (as a play) was marked by the New York critics as Herman Shumlin's best production, after they had

already learned to expect any Herman Shumlin production to be superbly cast and mounted.

It appears that neither Warner Bros. nor Shumlin are leaving anything to chance in preserving, for the screen version, the values of a play that received the New York Drama Critics' award for 1940-1941.

Golden Eagles Rack Up 11th Win Of Season Schedule Undefeated

Dougie Alexander's Golden Eagles cinched first place in the final standing of the juvenile section in the Westmount Municipal Hockey League when they racked up their ninth, tenth and eleventh wins of the season to finish their league schedule undefeated. The Golden Eagles were forced to the limit before they copped their last wins, taking one from the Claremont Barracks team 6-2 and eking out a 3-2 decision over the Staynor club. The third victory was an easy one over the Monarchs by a 10-2 count.

In the fourth juvenile game of the week, the Monarchs shut out the Staynor club 6-0 to retain their hold on second place in the section standing.

Bad weather forced the cancellation of the last scheduled game in the section between the Staynor and Claremont Barracks teams slated for last Monday night. The game will not be played but the teams will commence their playoffs immediately. The Golden Eagles and Monarchs were slated to meet on Wednesday night in the first game of a two out of three game series with the second tilt scheduled for this evening and the third if necessary, to go on tomorrow afternoon.

In the other series the Claremont Barracks and Staynor teams

met at Westmount Park on Wednesday night in the first game of a two game total goals to count series. The second game of this series will be played at the Staynor rink on Monday night.

The winner of these two series will meet in a two game total goals to count series starting on Wednesday night at Westmount Park. The second game of the series will be played on Friday night or Saturday afternoon, depending upon the winner of the Claremont Barracks-Staynor series.

Frankie Read of the Golden Eagles outscored two teammates, Bill Coles and Dave Harvie, to capture the individual scoring crown. Read tallied 12 goals and 15 assists for a total of 27 points.

The first ten players in the scoring list were as follows:

	Pts
Frank Read	27
Bill Coles	19
Dave Harvie	18
Jack McKissock	17
Jim de Lalanne	12
Iain Fraser	11
Warren Chippendale	10
Rupert Rubens	10
Donn Bissiere	9
Harry Cox	7

The final standing of the section, with one game between the Army and Staynor wiped off the schedule, is as follows:

	W.	L.	T.	Pts
Golden Eagles	11	0	0	22
Monarchs	6	4	1	13
Army	4	5	1	9
Staynor	3	7	0	6

Calvary United, St. Luke's Tie 2-2

BY R. GROOME

Calvary United Cub Pack Hockey Team earned its second point in the league standing last Saturday, fighting to a 2-2 draw with St. Luke's United. The game was a complete success as far as Calvary were concerned, as it marked their first goals in the league this year. The game was fought on fairly even terms throughout, Calvary opening the scoring on a goal by Craig. This was equalized when Cain netted the puck for St. Luke's, to knot the count at 1-1. Then St. Luke's took over the lead on a solo effort by Workman. Play continued scoreless for some time and then Calvary scored the tying goal and

ST. LEO'S SPORTS By BILLY HAROLD

Two intermural games are scheduled for this afternoon with the Maroons meeting Rovers and Canadians clashing with Red Wings. Saturday morning finds the Intermural League again in action and this time it is Red Wings playing Rovers and Maroons engaging Canadians. On Saturday afternoon our Bantam B team will play their second game of the Q.A.H.A. play-off series with Skychiefs. The Senior B squad will have an all important game when on Wednesday they take on Catholic High School at the Forum.

Our Bantam B gang finished their schedule without suffering a defeat, chalking up ten straight victories, most of them by one-sided scores.

An old-fashioned custom will be revived this evening with the holding of a sleigh drive by the students of fourth high. After returning from the drive there will be a social evening with refreshments added to round out what promises to be a most enjoyable time.

Our Bantam A and Bantam B teams have accepted the friendly challenge to play in Valleyfield on Saturday, Feb. 19th against Gault High School teams. A group of over twenty-five boys are expected to make this trip with the games being played in the modern Valleyfield arena.

Two streaks came to an end last week when our Bantams were beaten for the first time in league competition since 1942 and D'Arcy McGee broke into the win column in the Senior Interscholastic League for the first time since 1941 and this little item just goes to prove you can't win all the time or lose all the time.

Kevin Reynolds of our last year's Bantams is definitely the class of this year's Loyola Junior Hockey Club.

Johnnie Vidricaire of the Senior B team and a newcomer to the school is fast gaining in popularity on account of his aggressive play on the defence and his willingness to co-operate.

The Senior B second line which has only one goal this season so far for their efforts would do well to concentrate in improving their passing before expecting better results around the enemy nets.

A notice of particular interest to the Scotch student of the school is that the girls of St. Paul's Academy are holding a Sadie Hawkins Social on the night of Feb 19th at Victoria Hall and one of the boys who has been asked to bring something has promised to bring his brother.

also the last goal of the game on a nice combination between Fowler and Craig, Fowler scoring the goal and Craig getting the assist.

A week ago last Saturday, Calvary were shut-out by Queen Mary to the score of 4-0. Queen Mary's forward lines were playing good hockey, but the defence weakness came near to costing Maidment in the Queen Mary net, his shut-out. Mackenzie opened the scoring late in the initial period, marking up the only score in the period. In the final period, play was much faster, and Queen Mary scored three more goals about 4 minutes apart. The first was scored by Pittman from Mackenzie, who then scored the final two goals from MacLean and Pittman respectively. Shots on goal were 22-4 for Queen Mary.

Following is the league standing to Date:

	P.	W.	L.	D.	F.	A.	I.
Queen Mary	5	4	1	0	15	9	8
St. Matthews	4	3	0	1	19	2	7
Dixie	5	2	1	2	15	5	6
Calvary	4	0	2	2	11	2	6
St. Luke's	4	0	2	2	7	16	3
Hampstead	4	0	3	1	2	17	1

Midget "A" Section Race To Make The Two Team Playoff Series

The race in the midget A section of the Westmount Municipal Hockey League is still in a hectic stage with three clubs, Royals, Golden Eagles and Falcons tumbling all over each other in an effort to make the two team playoff series.

Going into last week, all three teams were tied for first place with 10 points. During the week the Royals and Golden Eagles played each other twice and gained exactly nothing as they split games with the Royals copping the first 6-5 and the Golden Eagles winning on Saturday afternoon by a 3-1 score.

The Falcons of course are now two points behind their rivals but they have one more game to play with the Golden Eagles and a win in this encounter will force a three way tie for first place. The Falcons-Golden Eagles game was supposed to be played on Monday night but weather forced the postponement of the game till Wednesday.

The way things look now some sort of playoffs will get underway to-night at Westmount Park. If the Falcons won Wednesday's game, the team with the highest goal average will be named as the first place team and the other two clubs will play a sudden death game to-night to decide the second place team.

On the other hand if the Golden Eagles win or draw, they will meet the Royals to-night in the first of a two out of three game series for the championship.

A pair of goals by Ralph Edmison and Basil Boxer along with single counters by Bob Woodburn and Bob Smith brought the Royals their 6-5 win over the Golden Eagles. Fred Dejean and Harold Young each potted a pair of goals for the losers with George McLanders adding the fifth.

Fred Dejean, Harold Young and Ian Macaulay registered the winning goals for the Golden Eagles in their victory over the Royals by the 3-1 count with Bob Woodburn tallying the lone goal for the losers.

Jim McCarthy of the Falcons remained at the head of the individual scoring race, his 18 points being three more than Bob Smith of the Royals and five more than Basil Boxer another Royal player. McCarthy still has one more game and can add to his lead.

The standing of the section with one more game to be played is as follows:

	W.	L.	T.	Pts
Royals	6	3	0	12
Golden Eagles	5	1	2	12
Falcons	4	2	2	10
Olympics	0	9	0	0

St. Leo's Bantams Finish Schedule Without Defeat

Andy McGillis' St. Leo's Academy hockey team finished their schedule in the bantam section of the Westmount Municipal Hockey League without defeat, winning three games during the week — one of them a four pointer. The students had little trouble in winning any of the games handling the Mohawks a 10-0 drubbing and the Sky Chiefs a 13-0 shellacking, the four pointer was with the Regals who gave them more opposition than looked for, as the cellar place team scored the initial goal but went down to defeat by a 10-2 score.

The Golden Eagles kept pace with the St. Leo's team by plastering the Regals 15-1 and the Staynor club 12-3. The Staynor game was a four pointer so that the six points from these games placed Bob Beal's club in the runner-up spot in the section standing.

Other games during the week were won by Staynor over the Mohawks by default and the Sky Chiefs eliminated the Mohawks when they took a four pointer from them by the score of 10-1.

The bantam playoffs are scheduled to get underway this evening but the teams participating have not been decided upon as yet. The Staynor and Sky Chief teams were slated to meet on Wednesday night to decide the third and fourth place teams. The winner of this game will meet the Golden Eagles tonight and tomorrow afternoon in a two game total goals to count series. The loser will meet the first place St. Leo's Academy team. The St. Leo's vs. winner of the Staynor-Sky Chiefs game was slated to start last night with the second game tomorrow afternoon.

In both of these preliminary series, if one team captures the first game by more than five goals, the series will be terminated and that team will be declared the winners.

If by any chance both of the preliminary series are completed in the first game, the final series for the championship, a two out of three game affair, will be started tomorrow afternoon.

There are those who, in their post-war plans, still believe it possible to strengthen the weak by weakening the strong.

Staynor Club Trim Down Panthers 9-4

Richard Lord's Staynor club ended the season on the top of the midget B section in the Westmount Municipal Hockey League when they handed the Panthers a 9-4 trimming down at the Staynor rink last Friday night. A win for the Panthers would have forced a deadlock for first place.

The two clubs will now meet in a two out of three game series for the championship. The first game of the series is slated for this evening at the Staynor rink while they will play the second game of the set-to-tomorrow afternoon at Westmount Park. The third game if necessary, will be played at the Staynor rink next Friday night.

Malcolm Turner accounted for the Panthers singlehanded in last week's game, scoring six times and assisting in another goal. Other counters for the winners were tallied by Ronnie Brambell, two, and Jack Martin, one. Donnie Wadsworth, Rene Chatelois, Garth Gilhooly and Dave Barnard counted one apiece for the losers.

To get a job done better, a change of heart will often do more than a change of hands.

Westmount Highlights

by Buddy Cochrane

The Senior "B" hockey game won its first game of the season out at Loyola on Monday when they goose-egged the junior high to the sweet tune of 4-0. Bill Macdonald was the man who got the shut-out and Macauley and Chippendale were the stars of the game with two goals apiece...

Pee Wee Panthers Shut-out Grads 3-0

Ross Gillingham's Panthers broke the deadlock for first place between themselves and Pete Hennessey's Grads in the Prince Albert pee wee section of the Westmount Municipal Hockey League when they shut out the Grads 3-0 on Saturday morning. Up till this game, both teams had been undefeated.

In the other two games of the tripleheader, the Hurricanes tied Grads for second place when they swamped the Thunderbolt 9-0 and the Tomahawks and Spitfires battled to a 1-all tie.

Four games will be played tomorrow with two of the teams attempting iron man stunts by playing a pair of games in the same day. The Thunderbolts meet the Panthers at the Prince Albert rink in a game starting at ten o'clock. At ten forty-five the Spitfires meet the Hurricanes, also at the Prince Albert rink.

Down at the Westmount Park rink the Thunderbolts play the Tomahawks and the Spitfires meet the Grads with both games slated to get underway at one o'clock.

Last Friday, the basketball team played host to West Hill (it was their last home game) and emerged victors by a 27-20 margin. The way things stand now, if the locals win the rest of their games, they will end up champions... Members of the building who have not yett seen Ilba's choice collection of signs are really missing something... Tom Earle coached the Roslyn school hockey team to a championship this year.

The Listening Group will meet Tuesday night to discuss more "Of Things To Come." Membership has been picking up of late but new members are more than welcome.
