SEVERE FIGHTING CONTINUES ON TWO RUSSIAN FRONTS

Troops of Czar Continue to Advance Despite Numerous Enemy Counter Attacks in Bukowina. Teutons Again Lost Heavily, and Another Group of Sixteen Officers and 766 Unwounded Men Made Prisoners. In Belgium the French Artillery Kept Up Activity and Bombarded Positions Held by Enemy With Effect.

ENERGETIC FIGHTING ON RUSSIAN FRONTS

Petrograd, Jan. 4.—(Special)—A statement given out by the Russian War Office says:

"On the first of January our detachment holding Hamadan, Persia, rendered military honors to the British flag, which was hoisted over the British consulate.

"In the region of Czartorysk (in Volhynia, Russia), and on the upper Stripa, we repulsed enemy attempts to approach our trenches. The enemy sustained heavy losses.

"Northeast of Czernowitz (Bukowina) the fighting continues with unabated energy, our forces continuously advancing despite numerous enemy counter-attacks. The enemy losses have been very great. We took another group of sixteen officers and 766 unwounded men prisoners, without counting the great number of wounded remaining on the battlefield."

ARTILLERY FIGHTING IN BELGIUM

Paris, Jan. 4.—(Special)—The War Office last night gave out the following statement:

"In Belgium our artillery continued its activity. Its batteries, together with the Belgian artillery, carried out a bombardment which seemed to be effective against a battery of the enemy stationed to the east of St. Georges. To the east of Bosinghies and in the region of Steenstraete we have successfully shelled groups of the enemy.

"South of the Somme we bombarded the German first line trenches near Nompierre. A supply train which came under our fire in the region of Hallu, south of Chaulnes, was scattered.

"In Champagne a fresh attack with grenades, directed against our positions to the west of Taligny, failed. "In the Vosges there has been an artillery duel of great intensity in the sector of Hirsstein."

BRITISH TROOPS ATTACK ENEMY NORTH-EAST OF LOOS

London, Jan. 4.—(Special)—The following British official statement was given out last night:

"On the southern part of our front a small party of our troops made a successful bombing attack last night. To-day our artillery effectively bombarded several portions of the enemy's lines. Hostile artillery is active northeast of Loos and east of Ypres."

ITALIANS REPULSE HUN ATTACKS

Rome, Jan. 4.—(Special)—The following statement was given out by the Italian War Office last night:

"In the region of Lagnasol, north of Falzarego, the enemy exploded several mines, releasing an avalanche of rocks, which, however, caused no damage. On the Carso, Sunday, the enemy attacked our positions on Monte San Michele, but was repulsed with heavy losses."

HEAVY FIGHTING AT DARDANELLES

Constantinople, via London, Jan. 4.—(Special)—The Turkish War Office last night gave out the following statement:

"On the Dardanelles front there have been heavy battles with bomb throwing on both wings and a temporary artillery fire along the whole line."

SITUATION IS SERIOUS

Loss of American Life on Persia Most Serious Yet to Confront J. S. Government

PREPARED TO TAKE ACTION ON ANY FACTS THAT MAY BE ESTABLISHED.

Washington, January 5.—President Wilson started to Washington from Hot Springs, Va., last night to take personal charge of the nation's foreign affairs in the new crisis brought about by the sinking of the British steamship Persia, with a loss of at least one American life. The situation is regarded in official circles as being the most serious to confront this Government since the submarine operations of the Central Powers began. The President probably will lay the facts thus far established before his cabinet to-day. The destruction of the Persia, following closely upon the crisis precipitated by the Ancona disaster, may result in the United States determining to settle immediately all the questions involved in the submarine warfare. The subject is expected to find its way to the floor of the House and Senate to-day, when Congress reconvenes after the holidays.

The United States is represented last night as being prepared and determined to take any action that the facts concerning the Persia, yet to be established may warrant. Officials still are trying to view the situation with an open mind, but it is apparent that they are disturbed by the reports received from consular agents at Alexandria and Cairo, Egypt. Every effort will be made to establish the truth of the report that the Persia was torpedoed without warning. Secretary of State Lansing contemplates taking no step until the complete details are known.

ALLIES SURE TO WIN DECLARES DR. VAUGHAN

SAYS THAT THERE MUST BE NO PEACE UNTIL MILITARISM IS CRUSHED.

London, Jan. 4.—That there must be no peace until militarism is crushed, and that God in his own good time will give the Allies a great and glorious victory, is the declaration of the Rev. Father Bernard Vaughan, the famous Jesuit preacher, in a statement on the war and its progress. He said:

"It is my fixed conviction that if God is to draw all the good he wants out of this physical evil, it will have to roll on till the nations engaged in it and scourged through it are brought by the pains and losses of it to sink to their knees, praying God: 'Spare, oh, spare thy people, and forgive us our trespasses as we forgive them that trespass against us.'"

That stage in this hideous, hellish war has not yet been reached. Meanwhile I am satisfied God in his own good time will give to the Allies a great and glorious victory against a foe who started out to Kaiserize Prussia, to Prussianize Germany, and to Germanize the world.

"World dominion or downfall." It is going to be downfall, crashing and lasting.

We have but to look back upon the last eighteen months to be satisfied that Pan-Prussianism in theory is Pan-Paganism, while in practice, as witnessed by Belgium, Poland, the Armenians and Serbs, it is Pan-Brutalism.

Whatever else may be said against the Allies, it cannot with any ground of truth be denied that they have played the game and played it in full recognition and observance of the claims of international laws and Christian laws of warfare.

Our motives are right, our hands are clean, our cause is good, and thus I proclaim our victory shall be lasting and righteous.

NO BRITISH WOOL FOR UNITED STATES

London, Jan. 4.—Licenses for the shipment of English wool, Australian cross-bred wool and top merino tops to the United States are not being granted. It is believed that American purchases this season in the Cape and Australia and New Zealand, estimated at a half million bales, will not be allowed to be shipped. The wools bought privately up-country are the first to be discriminated against.

LOCAL OPTION VOTED DOWN

Toronto, January 4.—Local option was voted on in forty-four municipalities yesterday. Eight towns took a vote, but in none were the local optionists successful. Three cities defeated it straight and five others failed to get the necessary three-fifths majority. Four repeal contests were held, by-law being sustained in three, Owen Sound, Finch and North Gower, with Newboro yet to hear from.

WAITING FOR COMPULSORY BILL

Cabinet Ministers To Put Finishing Touches to Measure Which Will be Introduced To-morrow

ESTIMATED THAT THERE WILL NOT BE MORE THAN ON OPPOSITION SIDE.

London, Jan. 4.—(Special)—Before the House of Commons reassembles to-day the Cabinet will meet to put the finishing touches on the draft of the compulsion bill, which will be introduced to-morrow. Thus far there has been no official statement as to the scope of the bill, and the greatest interest is manifested by the general public as to the attitude the measure will take toward Ireland.

The Press Association, which declared that Ireland would be included in the operation of the act, estimates this morning that the number of members of the House who will vote against the bill will not exceed forty, and adds that a considerable diminution of this total is likely as soon as the facts and figures in the report of the Earl of Derby, Director of Recruiting, are made public. Some of the newspapers protest vehemently against the inclusion of Ireland.

IRELAND NOT INCLUDED.

London, Jan. 4.—The Daily Chronicle's parliamentary correspondent says that Ireland will not be included in the scope of the compulsory military service bill.

Sir John A. Simon to-morrow will make a statement explaining the reasons for the decision. No other ministerial resignations are expected.

It is estimated in the past year that Great Britain has advanced £400,000,000 sterling to her Allies.

PERSIA TROOP SHIP SAYS BERLIN

ALSO CONTENDED THAT VESSEL CARRIED GUNS FOR DEFENCE.

Berlin, January 4.—Officials of the German admiralty declared yesterday that the liner Persia on every voyage from England had carried British soldiers and supplies for the British army in Egypt, that it was under the direction of the British admiralty and that it carried guns for defence. Deep regret was expressed over the fact that at least one American is believed to have been lost when the Persia was sunk. No details of the liner's destruction have been received here.

Comment on possibilities of complications with the United States is withheld pending receipt of official confirmation of the reports that the vessel was sunk by a submarine.

McNEELY'S BROTHER IS MISSING

INTENDED TO SAIL ON THE PERSIA, BUT DID NOT.

Raleigh, N.C., January 4.—Consul Robert Noy McNeely's brother, C. D. McNeely, supposed to have accompanied the American representative on the Persia, did not sail on that vessel and has been the anxious concern of his family for weeks. This was learned through the Waxhaw Enterprise, a weekly newspaper, owned by Dowd McNeely and G. L. Nesbit, McNeely editing it. In the last issue, printed December 29th, Nesbit apologized for the absence of excellence in his papers, saying: "As readers of the Enterprise know, Mr. McNeely has been absent two months, having left without making any arrangements to carry on his work. All efforts on my part to locate or communicate with him have failed." Letters, dated in Florida, have been received in North Carolina since McNeely's abrupt leaving, but none within a fortnight. His mother is too ill to interview and knows nothing of either's fate.

Total Number That Enlisted Under Lord Derby's Recruiting Scheme is 2,829,263

OVER 400,000 MEN REJECTED BY THE RECRUITING OFFICERS AS BEING UNFIT FOR SERVICE.

London, Jan. 4.—(Special)—Lord Derby's recruiting figures for the period between October 23 and December 15 show that 1,150,000 unmarried men and 1,679,263 married men presented themselves for service. Of the grand total of 2,829,263 married and single men, 103,000 unmarried and 112,431 married men enlisted immediately; 850,000 single men and 1,344,979 married men were attested for future service. Of the single men, 207,000 were rejected, while 221,853 married men were not accepted by the recruiting officers.

MAY HAVE NEW TELEPHONE LINE

Stanstead Folks Don't Like Prospect of E. T. Co. Increase

MAY BUILD INDEPENDENT LINE AND SEEK CONNECTIONS WITH OTHER COMPANIES

Stanstead, Jan. 4.—(Special)—For some time past there has been considerable talk of a new telephone company in this vicinity.

A number of the most interested parties decided to call Mr. C. J. Wright of Sherbrooke to look over the situation and to advise them in the matter of forming a company and going ahead with a farmers and operating system. It is possible that a start will be made this winter as it will be a good time for the farmers to get out poles which many of them are willing to do. After going over the situation and in view of the fact that the E. T. Telephone Co. are raising their rates it was about decided to go ahead with the organizing of a local company at once. It is understood that possibly connections from other companies will be sought for in the near future.

SAWYERVILLE MAN FALLS AT FRONT

Pte. Wilfrid Osgood Went With the 13th Battalion in First Contingent

WAS WELL KNOWN — MEMORIAL SERVICE WILL BE HELD IN METHODIST CHURCH.

Sawyer, Jan. 4.—(Special)—News has just been received of the death of Private Wilfrid Osgood, of the 13th Batt., C.E.F., in France, on the 23rd of December last, when he fell in action. The news was received with very great sorrow by Pte. Osgood's many friends. He was the first Sawyerville boy to enlist for overseas service, and was the first to give his life for his country. He enlisted at the first call for recruits at the very beginning of the war, and went to England with the First Contingent. Arrangements have been made to hold a memorial service at the Sawyerville Methodist Church on Sunday next at 10.30 a.m. It is expected that a large number will be present as Pte. Osgood was well known and greatly liked, and many will desire to do honor to the memory of the brave boy who has given his life for his country.

WILL NOT ACCEPT RESIGNATION OF WAR MINISTER

London, Jan. 4.—(Special)—Major General Nicholas Bosboom, Dutch Minister of War, has tendered his resignation, but it has not been accepted.

Major General Bosboom has been subjected to serious parliamentary criticism, says the correspondent, because he has been suspected of a desire to make the Dutch army the instrument of a small, aristocratic circle with German sympathies.

DR. BELAND IN BERLIN JAIL

Believed to Have Done Something to Increase the Enmity of Hun Officials

MADAME BELAND IS ALSO SERIOUSLY ILL IN THE GERMAN CAPITAL.

(Montreal Gazette Cable.) London, January 4.—Hon. Dr. Beland, former Postmaster-General of Canada, of whom news was received at the High Commissioner's office in London last week, is now reported to be in a Berlin jail having an unpleasant experience, which is rendered worse by the fact that Madame Beland is seriously ill at the German capital.

Hon. Dr. Beland, according to advices received in London, has done something to increase the enmity of the officials in Berlin, who had him removed from the civilian internment camp at the capital. The ex-Canadian minister was in Belgium when the war broke out, and was taken prisoner of war by the Germans.

PREVENTION OF ESPIONAGE IN CANADA

Ottawa, Jan. 4.—There is reason to know there are enemy agents, male and female, at work in every grade of life capable of speaking English fluently and posing frequently as officers, sailors, soldiers, salesmen or advertisers, says a memorandum on the prevention of espionage in militia orders just issued. The memorandum is one issued to His Majesty's forces in Great Britain, which commanding officers in Canada are directed to promulgate.

CLERKS HELD UP JEWELLERY STORE

THREE ITALIANS HELD UP MONTEAL JEWELLER AND TWO OF HIS ASSISTANTS.

Montreal, Jan. 4.—A daring attempt to hold up and rob a large west-end jewellery store yesterday afternoon was frustrated by police from the St. Henri station, who at the point of their revolvers captured three young Italians, two of whom, themselves with drawn revolvers were covering the proprietor of the store and his assistants, while the third was setting about rifling the store. The capture was made without the firing of a shot the trio calmly allowing themselves to be made prisoners when they found themselves looking into the muzzles of police revolvers.

The scene of the attempted coup was the store of Armand Desroches, 2015 West Notre Dame street. Mr. Desroches and his three shop assistants were working about the store shortly before 6 o'clock.

ANOTHER P. & O. BOAT LOST

Report is That All on Board the Vessel Were Saved Before She Sank

CONSUL McNEELY WAS NOT AMONG SURVIVORS FROM PERSIA LANDED AT MALTA

London, January 4.—The Times learns that the Peninsular and Oriental liner Geelong, of 5,000 tons, has been sunk in the Mediterranean. All on board the vessel were saved.

SURVIVORS OF PERSIA

London, January 4.—The Peninsular and Oriental Steamship Company has received a despatch from Malta saying that eleven more survivors of the steamer Persia have been landed, including Lord Montagu.

Robert N. McNeely, the American consul at Aden, was not among the survivors landed at Malta.

The Peninsular and Oriental Company says the survivors consist of three English, one Italian, and several Lascars.

A Cairo despatch to the Evening News says that the jewels of the Maharajah of Kapurthala, valued at £800,000 sterling, were lost aboard the steamer Persia. The members of the Maharajah's suite were aboard the ship, but the Maharajah himself intended to join at Port Said.

A despatch to Reuters' Company from Gibraltar says Edward Rose, the Denver, Colorado, lad, who was a passenger on board the steamer Persia, left the Persia when she put in at Gibraltar, and left there immediately for Spain.

The management of the Peninsular and Oriental Steamship Company say they have authorized no statement regarding a gun on board the steamer Persia. There is, however, no reason to doubt that the vessel carried one 4.7 gun astern for defensive purposes.

REQUISITIONS ALL BRITISH SHIPS

Government Has Issued Order Affecting All Vessels on Foreign Trade

STEP TAKEN SO THAT THERE WILL BE NO SHORTAGE OF FOOD IN UNITED KINGDOM.

London, January 4.—The Government is taking stringent measures to see that the prevailing shortage in ships shall not interfere with the shipment of food and other necessities to ports in the United Kingdom. Vessels are being requisitioned right and left for the shipment of wheat from the Americas, and in shipping circles it is reported that the Admiralty intends to call in the British ships that are now trading between foreign ports. The latter measure is expected to particularly affect British ships trading between South America and the United States. Shippers here predict that such action would have a disastrous effect on this trade. Shipowners in England and neutral shippers regard the new-born energy of the Government with misgivings, as requisitioned wheat ships are receiving only thirteen shillings, compared with the normal rate of seventeen shillings. The first hint a vessel receives that it is to be requisitioned is a telegram from the Admiralty toward the free end of its voyage.

What are Peps

Peps are the new treatment for coughs, colds and lung troubles. They are little tablets made up from fine extracts and medicinal essences. When put into the mouth these medicinal ingredients turn into healing vapors, which are breathed down direct to the lungs, throat and bronchial tubes. The Peps treatment is direct. Swallowing cough mixtures into the stomach, to cure ailments and disorders in throat and lungs, is indirect. Wonder what upset your stomach— which portion of the food did the damage—do you? Well, don't bother. Millions of men and women to-day know that it is needless to have a bad stomach. A little Diaphragm occasionally keeps this delicate organ regulated and they eat their favorite foods without fear.

The box was filled to overflowing with picture books, toys and dolls. The whole to be sent to the Children's Memorial Hospital, Montreal, for the little ones who lie there on beds of sickness, and who are denied the privilege and joy of celebrating Christmas as all children love to do.

Dora Jones, a little tot four years of age, delighted the audience with her rendering of the song, "The Night Before Christmas." The work of the Primary Class was especially good, and many of their friends expressed their opinion that the exercises were too short, and that if the exercises so well rendered were twice as long, their enjoyment of them would have been in proportion. After the last chorus, "Haste Ye With Gladness," was sung by the school, the audience rose and sang, "O Canada," and "Praise God From Whom All Blessings Flow." The trees were then relieved of their burdens. Each class received presents from their teachers, and teachers from their classes. Special prizes were awarded for regular attendance at Sunday School to the following members: Russel Martin, Gifford Martin, Muriel Jones, Ethel Martin, Ross Healy, and to the following members of the home department for perfect lessons learned: Miss Lewis, Miss Sarah Lewis, Miss Ella Stinson, Olive Stinson, Thelma Mills, Vienna Mills, Francis Mills, Willie Gee, Winifred Gee, Lyall Duffy and Jas. Clarke. After which this very pleasant and profitable evening was brought to a close by singing, "God Save the King."

HATLEY
An intercessory service for the cessation of hostilities and a restoration of peace between the warring nations was held in St. John's Church on Friday morning at ten-thirty.

There was the usual attendance at the Methodist Church for the annual Christmas service and sermon, and in the evening upwards of fifty braved the severity of the weather to listen to the programme to be given by members of the Sunday School, but as many of the children were unable to be present, it was found necessary to postpone the exercises, and in place, an impromptu sermon was delivered by the Pastor, Rev. F. Williams.

Six young recruits passed their holidays in this place, five coming from the 117th E. T. Regiment and one from the Grenadier Guards. Private Edward Kerr, of the 117th, who was at the home of Mayor A.E. Gage where he spent several years, was taken quite ill with la grippe on Christmas Day and was unable to join his regiment until Wednesday.

Mr. L. F. Emery, who is in his 76th year, and who has been poorly for several weeks, is now somewhat improved.

Mr. and Mrs. R. Tweed and family recent guests at the home of Mr. and Mrs. Wm. Cunningham, at Hatley Centre.

Mr. and Mrs. Wm. Fleming and Master Richard Fleming of Granby, Quebec, were guests of their daughter Mrs. L. C. Benoit for the holidays.

Mr. James Fleming of Meacham, Sask., was also guest of his sister, Mrs. L. C. Benoit.

Mr. L. C. Benoit went to Moel's River for week-end.

A few friends were entertained at "Westonholme," by Mr. G. H. Aylmer Brooke, on New Year's Eve, to watch beside the dying year, and to salute his successor, "Le Roi Est Mort, Vise Le Roi." As the hour of midnight was striking, "Auld Lang Syne" was sung by the company who shortly afterward separated.

A pleasant surprise was given Mr. and Mrs. O. H. Glidden, on New Year's Eve, to remind them that twenty years of life had passed since they spoke the marriage vow. The hours were passed with music and conversation, the usual refreshments being served during the evening.

DUNHAM.

Santa Claus made his annual visit
to the Sunday School scholars of the
Methodist Church on Christmas Eve.
The good old man arrived in a rather
troubled state of mind owing to
having lost his package of toys,
books, etc., which he intended for the
children, but as soon as he had rested
a few minutes he looked about, and
to his great surprise found that
they were already there. He soon
set about distributing the gifts, and
the pleasure he gave the little ones

Now AS
A MOTHER

don't you have the good of your
family at heart? Don't you want
to get for your family the very
best? For internal ailments—the
best medicine? For sores and skin
diseases—the best ointment? If so,
get Zam-Buk. Mothers who have
used Zam-Buk say there is nothing
to equal its soothing, healing power
in cases of skin diseases and in-
juries, and nothing so suitable for
sensitive skins.

This is because Zam-Buk is com-
posed entirely of medicinal herbs
and extracts, and is free
from the poisonous coloring mat-
ter and harsh minerals found in
ordinary ointments.

Children, having once used Zam-
buk, will cry for it when they
meet with an accident. They know
how quickly it stops the pain, and
heals.

Use it for burns, cuts, bruises, skin
injuries, piles, eczema, blood-poison, ulcers,
chapped hands and feet, etc., etc.

ZAM-BUK

How To Get Rid of a
Bad Cough

A Home-Made Remedy that Will
Do It Quickly, Cheap and
Easily Made

If you have a bad cough or chest cold
which refuses to yield to ordinary re-
medies, get from any druggist 2 1/2 ounces of
Pinex (50 cents worth), pour into a 16-
ounce bottle and fill the bottle with plain
granulated sugar syrup. Start taking
a teaspoonful every hour or two. In 24
hours your cough will be conquered or
very nearly so. Even whooping cough is
greatly relieved in this way.

The above mixture makes 16 ounces—a
family supply—of the finest cough syrup
that money could buy—at a cost of only
50 cents. Easily prepared in 5 minutes.
Full directions with Pinex.

This Pinex and Sugar Syrup prepara-
tion takes right hold of a cough and gives
almost immediate relief. It loosens the
dry, hoarse or tight cough in a way that
is really remarkable. It also quickly
beats the inflamed membrane which ac-
companied a painful cough, and stops the
formation of phlegm in the throat and
bronchial tubes, thus ending the persist-
ent loose cough. Excellent for bronch-
itis, spasmodic croup and winter coughs.
Keeps perfectly and tastes good—child-
ren like it.

Pinex is a special and highly concen-
trated compound of genuine Norway
pine extract, rich in gualacal, which is
so healing to the membranes.

To avoid disappointment, ask your
druggist for "2 1/2 ounces of Pinex"—do
not accept anything else. A guarantee
of absolute satisfaction, or money prompt-
ly refunded, goes with this preparation.

PUT CREAM IN NOSE
AND STOP CATARRH

Tells How To Open Clogged Nos-
trils and End Head-Colds.

You feel fine in a few moments.
Your cold in head or catarrh will be
gone. Your clogged nostrils will be
open. The air passages of your head
will clear and you can breathe freely.
No more dullness, headache, no
hawking, snuffling, mucous discharg-
es or dryness; no struggling for
breath at night.

Tell your druggist you want a small
bottle of Ely's Cream Balm. Apply a
little of this fragrant, anesthetic
cream in your nostrils, let it pen-
etrate through every air passage of
the head; soothe and heal the swollen,
inflamed mucous membrane, and
relief comes instantly.

It is just what every cold and cat-
arrh sufferer needs. Don't stay
stuffed-up and miserable.

MARRIAGES

KING-KENNEDY.

Coaticook, Jan. 4.—(Special)—A
very quiet wedding was solemnized
on New Year's Day at the home of
Mr. C. A. Kennedy, when Miss Ruby
Kelly Kennedy was united in mar-
riage to Mr. Rufus King, of Rich-
mond Hill, N. Y. The ceremony,
which took place at high noon, was
performed by the Rev. A. Wilkinson,
pastor of the Methodist Church,
Coaticook, and was witnessed by
only the immediate relatives of the
bride. The bride, who was unat-
tended, was becomingly gowned in Af-
rican brown silk and was given away
by her father. The groom was sup-
ported by Mr. C. W. Kennedy, brother
of the bride. The drawing-room,
where the ceremony was performed,
was prettily decorated with cut
flowers and evergreens. The bride
stood under an arch formed by the
two flags, the Union Jack and the
Stars and Stripes, which were taste-
fully draped together. After partak-
ing of delicious refreshments, the
happy pair left on the afternoon train
for New York.

The bride's going-away gown was African
brown broadcloth with velvet coat and
brown picture hat. The bride, who
is one of Coaticook's most popular
girls, was the recipient of many
beautiful gifts, among which was a
handsome bracelet, gift of the groom.
The best man also received a hand-
some gold scarf-pin from the groom.

Among those who attended the wed-
ding were the Misses Jarrett, Miss
A. Duncan, Miss Myrtle Hallett, Miss
Gardner, Mr. Mule Lee, of Gard-
ner, Mass.

McELROY—IRWIN.

West Bolton, Jan. 4.—(Special)—
On Wednesday, Dec. 23, at the home
of the bride's parents, Mr. and Mrs.
F. W. McElroy, their eldest daughter,
Edna, became the wife of Dr. J. J.
Irwin, of Waterloo. The ceremony
was performed by the Rev. I. Nelson,
of Knowlton, in the presence of only
the immediate relatives, among which
the bride and groom left for Foster,
taking train for a week's trip to
Toronto and other places of interest.
On their return they will reside in
Waterloo, where the groom holds a
lucrative position as a V.S.

Tuesday evening prior to their
marriage the doctor's friends from
Waterloo, Knowlton, West Bolton
and Foster gathered at the Foster
House Hotel, Foster, and tendered
him a banquet and presented him
with a splendid mahogany bedroom
set. The presentation was made by
Mr. L. J. Jodoin, N.P., of Waterloo,
who acted as chairman. The doctor
replied in feeling terms and thanked
the donors for their gift. Mr. A. W.
Thomas did all in his power to make
the occasion pleasant for his most
intimate friend the guest. A very
pleasant evening was spent in speech-
making and song.

Who Names The Price?

How well do you sell your services? Who names the price when you, untrained, seek a job from place to place? Your prospective employer looks you over, and, if he cares to consider you at all, names a humiliating figure at which you can go to work.

But when prospective employers seek you and your services because you have trained ability, you name the price and select the firm for which you prefer to work.

There's a world of difference as regards the question, "Who names the price?"

How to Cook Roman Meal Porridge

Invariably use double boiler, or set
boiler in basin of boiling water. Have
water boiling in both vessels, that in
inner one salted to taste. Slowly stir
in one cup Roman Meal to each two
cups water. Cover, set in outer vessel,
and never stir again even while serving.
For early breakfast cook at evening
meal and warm in morning, using a
little less Roman Meal. It's dark, nut-
brown, granular, rich porridge. It
is nourishing better than meat, prevents in-
digestion and positively relieves consti-
pation at "money back." Ask your doc-
tor. All grocers, 10 cents and 25 cents.
Made by Roman Meal Co., Toronto.

attentive to their religious duties,

by bestowing the Episcopal blessing

ROADS BLOCKED AT STANSTEAD.

Stanstead, Jan. 4.—(Special)—The worst storm for years raged here all day Sunday and Monday, about two feet of snow falling which drifted continuously. All highways are blocked. The snow rollers and plows were doing duty all day.

THE LATE MR. HORACE MCCLARY OF SOUTH STUKELY.

South Stukely, Jan. 4.—(Special)—One of our oldest and respected residents in the person of Mr. Horace McClary, passed away at his home on the 29th inst., after a comparatively short illness in the 78th year of his age. He was the eldest son of the late David McClary and wife, Abigail Eaton, and was born at Compton, his parents removing to West Bolton when he was young. There he grew to manhood and after his marriage to Miss Melissa Sears of the same town, he removed to Clifton township, Compton, where they resided a number of years. They returned to West Bolton for a time and from thence to South Stukely where they have resided many years, and where in February, 1914, they celebrated their golden wedding. For many years Mr. McClary has been a member of the Seventh Day Advent Church, himself and wife being charter members when the church was organized in this town many years since, and he was a firm believer in the doctrines and teaching of the church of his choice.

He leaves a widow who has been in poor health for years; two sons, R. H. McClary, of Knowlton, and D. T. McClary, of this town; two daughters having predeceased him, Mrs. D. Gustin, of South Stukely, and one who died when young. Two brothers, Mr. Harvey McClary of Knowlton, and Mr. Harrison McClary and sister, Mrs. Rufus Blunt, both of West Bolton, also four grandchildren.

The funeral was held in the Advent Church on Friday, the 31st inst., and attended by many relatives and old friends. Elder A. V. Olson, of Montreal, assisted by Rev. M. Gibb (Methodist) conducted the services, Elder Olson preaching a short but impressive sermon from a number of the last verses in the 15th chapter of 1st Corinthians. The bearers were Messrs. P. W. Brown, W. S. Purdy, J. W. Booth and W. P. Dimick, the funeral director being from Knowlton. A quartette composed of Mrs. W. S. Purdy, Mr. I. S. Jones, of Montreal, and Mr. and Mrs. W. H. Knowlton with Miss Florence Peters as organist, sang very sweetly the beautiful hymns, "Asleep in Jesus," "It is well with my soul," and "Go, bury thy sorrow."

The burial took place in the family lot at Duboyce cemetery, West Bolton, where the body was tenderly placed, there to rest "Until the day"

Granby, January 4.—(Special)—One of the Northwest Mounted Police attracted considerable attention on the streets on Thursday having rounded up his man near Roxton. He brought him to Granby where they took the train en route for Winnipeg.

STORM BAD AT LAKE MEGANTIC.

Lake Megantic, Jan. 4.—(Special)—Another heavy southeast snow storm raged here all day on Sunday, giving us several inches more snow and making traffic specially on the country roads, very heavy. And such a heavy fall of snow on the new ice on the lake will make it dangerous, so that travel on it will be delayed for some time unless there is a very cold snap soon.

THE MEN'S ASSOCIATION OF THE THREE VILLAGES.

Stanstead, January 4.—For some years it has been felt that there should be some place in this community where the young men could obtain opportunities for healthful recreation and social life. When, through the efforts of temperance workers, the saloons were closed it became imperative that having taken away their only rendezvous we should provide another and far better one. After very careful consultation a representative gathering of over one hundred men of Derby Line, Rock Island and Stanstead decided to open rooms for the above purpose. Officers were appointed and instructed to secure funds and rent and equip suitable quarters. As the result of this the following arrangements have been made:

The basement of the Border Theatre, which is undoubtedly the best situation in town, has been leased for three years. It has been very nicely finished in British Columbia fir and contains a reading room, lunch room, class room, billiard room and smoking room. Educational classes will be started in whatever subjects the boys want most. For the present the College gymnasium will be used for physical work. The committee intends to spare no effort in making the equipment satisfactory and in giving the plan an earnest trial for the period of three years.

It has been thought best to make the membership fee low enough so no man may be debarred. It has, therefore, been placed at two dollars per annum. To cover the balance of the

expense for equipment and maintenance, men who believe in the idea are subscribing most liberally. The committee requires about one hundred dollars more for furnishings and one hundred dollars annually for three years.

Rock Island is a busy and growing place. The large new factory of the Union Twist Drill Company will attract a good many more young men of a good class who should have such a place as the association aims to provide.

LATE MRS. LYMAN SHURTLEFF, COATICOOK.

Coaticook, Jan. 4.—(Special)—The funeral service was held today in connection with Mrs. Lyman Shurtleff, who passed away Sunday night at the home of Mr. and Mrs. I. F. Huntington, with whom she was living. The Rev. A. Wilkinson officiated and Mr. N. C. Snyder acted as manager.

Mrs. Shurtleff, who was in her 80th year, was the daughter of the late Mrs. Shurtleff, who had lived in Coaticook with her parents seventy-four years ago and lived here continuously till her death. She was born at Plymouth, Mass., distinguished by the Mayflower and the Pilgrim Fathers. She had likely lived in Coaticook longer than any other person living there now. Coming to Coaticook when there were only a half dozen houses, there she lived to see it grow to a thriving town. The site of the town was then practically owned by Richard Baldwin and Horace Cutting. The girls of her childhood have either left the place or passed away, but two of her young boy friends in the person of Messrs. D. P. Baldwin and A. H. Cutting still are in Coaticook. Her father built two buildings on Main street which remained intact until quite recently. She married the late Lyman Shurtleff who died in Coaticook some thirty years ago he being the eldest brother of the late T. T. and Otis Shurtleff, and of Mr. Frank Shurtleff, now residing in Coaticook. The only relative of laid up and I have to do all our the deceased, except through mar-

riage, was her son, Dr. W. L. Shurtleff, K.C., Mrs. Huntington, with whom she had lived for some time, being an adopted sister.

The body was deposited in the vault of Mt. Forest cemetery to await burial in the lot of her son in the spring.

IN SEVERAL STORES, IN FACT.

An itinerant fortune teller entered a downtown office the other day and the bookkeeper, just for a lark, let her tell his fortune.

"There is trouble in store for you!" the woman told him. "Trouble in store is right," replied the bookkeeper. "My wife is laid up and I have to do all our Christmas shopping."

VON HINDENBURG OR COPPER? There is a story of one German attempting at smuggling which is amusing. It has been reported on good authority that Germany at one time ordered in Sweden several hundred thousand copper busts of von Hindenburg for early delivery. The Englishmen did not like this. They did not

object to Germany honoring the great hero by placing a statuette of him in every home in the Fatherland as she chose, but they did insist that if the statuette were to come from Sweden they would have to be of wood, papier-mache, or some other innocuous substance—but not, not of copper.—The World's Work for December.

2,000,000
Belgians
Depend on us
for Bread!

Since shortly after the German invasion, the Belgians have depended for food entirely on the "Commission for Relief in Belgium". Their own store of food, even if not destroyed or pillaged, would last only three weeks—they have had no chance to raise more—and the ruthless Germans refuse to supply them!

Backed by the

Belgian Relief Fund

so generously contributed in the British Empire and the United States, the neutral Belgian Relief Commission has imported enough wheat, flour and other foods to feed the whole nation so far. The great majority of the 7,000,000 Belgians left in the country have been able to pay for their daily allowance of bread—but a steadily growing number have no money left.

Unless we are willing to let these hundreds of thousands of women, children and old men starve, they must be fed at the expense of the Belgian Relief Fund. To make this possible someone must contribute nearly \$3,000,000 a month—every month—all this winter!

No people under the Allied Flags are as well able to contribute generously as we Canadians! No cause has ever been more deserving of help! In the name of Justice and Humanity—for the sake of our own self-respect—let us give all we can to help our martyred Allies!

Cheques to be made payable to "THE TREASURER, BELGIAN RELIEF FUND," 59 St. Peter Street, Montreal, or to local committees."
