## Next week's weather

By ERIC NEAL

MARCH 25 TO 31

We can always count upon pleasant conditions for Easter, although sometimes a little windy. Sunny days. Clear, cold moonlit nights. Morning mists.

Two "frontal" systems crossing Ontario and Quebec towards the end of the week will bring a final taste of winter. Light snows, freezing drizzle and ice pellets, together with cold, gusty winds. Local thunder activity probable.

Temperature range: nights and some days during the week: south 15 and 50°F; Laurentians 10 and 35°F; north 5 and 25 to 30°F. Rain 1/4". Snow 2 to 3".

### Honored members of the police force

Promotions were awarded by Alderman Daniel Doheny, Q.C., Commissioner of Public Safety to six stalwarts of the Westmount Police Force. They are shown here receiving their new ranks. From left to right may be seen Mayor M. L. Tucker, Chief Inspector A. E. Jones,

Inspector M. J. Millar; Inspector H. Ward; Alderman Doheny; Lieut. J. R. Mackenzie; Inspector E. A. Jameson; Sergeant W. R. Richardson and Director of Public Safety, E. C. Harper.

## Congratulations of City Council extended for work

Police promotions and the signing of an agreement authorizing the City of Westmount's sponsorship of the Plaza of the Universe at Expo 67 were the highlights of the regular Council meetings held at City Hall Monday night. Alderman Gross moved the item which was duly seconded and carried unanimously. The project is estimated to cost \$135,000 and will be in the centre of the "Man the Explorer" area and will be admired by thousands of visitors.

Congratulatory handshakes were the order of the evening when six of Westmount's police officers were given well-deserved promotions for their loyalty and work on behalf of the city in cutting down crime, and keeping law and order paramount in everyone's mind.

The six officers receiving promotion were:

A. E. Jones raised from Lieut. Detective to Chief Inspector.

E. A. Jameson, from Lieut. to Inspector.

M. J. Millar, from Lieut. to Inspector.

J. R. Mackenzie, from Sergeant to Lieutenant.

H. Ward, from sub-Inspector to Inspector.

### Atwater library closed until Tuesday

The Atwater Library will be closed for the Easter Weekend, beginning 9 p.m. tonight, March 23 until Tuesday 9 a.m., March 28.

**JEWELLERY HAUL \$1,000**  
An apartment located at 4870 St. Catherine St. W., was reported burglarized. The occupant, Andre Dulude, claimed a loss of \$1,000 in jewellery taken from the premises.

## Apartment blaze probed

A stubborn fire which necessitated the laying of ten streams, gutted the 17 apartment block located at 4330 Sherbrooke street west, at Redfern last Saturday.

The blaze which spread from its origin on the second floor to the roof gave the local brigade some tough work before it was extinguished.

Sixty firemen under the leadership of Director of Public Safety Edward Harper and Deputy Fire Chief T. Hovenden responded and set to work immediately to see all the apartments cleared of their tenants.

All of the residents had to

leave their apartments quickly and were looked after by relatives and friends.

The blaze became so threatening that all available off duty men were called in to fight the fire and were assisted by a group of Civil Defence workers under the command of Instructors W. Kavanaugh, B. Carique and W. Black who happened to be at fire headquarters following their rescue demonstrations

on the Selby street buildings.

Fire headquarters reported that the fire call was given by phone and in a matter of seconds men from fire Headquarters were on the scene. The fire was not under control until 4 p.m. and caused extensive damage to the upper apartments and the lower floors by water.

Cause of the blaze is unknown but is being investigated.

## Post Offices closed tomorrow, open Mon.

Tomorrow, Good Friday, March 24, will be observed as a statutory holiday at the Montreal Post Office. There will be no Letter Carrier Delivery. Postal Stations and Sub Post Offices will be closed all day.

However, at the General Post Office and Postal Station "Place d'Armes" only, the public lobby will remain open from 8 a.m. till noon, for the convenience of box-holders. Mails will be received and despatched as usual. The Special Delivery Service will operate as on Sunday. Street letter box collections will continue as on a Sunday.

"Easter Monday" will not be observed as a statutory holiday, from the standpoint of service given. There will be a regular letter carrier delivery service that day. Postal stations and sub offices will remain open all day. Mails will be received and despatched as usual. Special Delivery service and street letter box collections will be made as on a normal week day.

The Westmount Public Library will be closed all day Good Friday, March 24th, and all day Easter Monday, March 27th, but will be open as usual on Saturday, March 25th, from 10 a.m. to 6 p.m.

Banks will close Friday and Saturday. Open Monday. Usual Friday night hours will be observed Thursday night.

Garbage collection will be made on Monday instead of Friday.

### W.M.A. reports increased roster

The Westmount Municipal Association at the March meeting of its Executive, announced that The Association now has 2,071 members.

The Recreational Committee reported that the opening date for the swimming pool this year will be May 19. The rink will close its doors for skating before April first.

The Traffic and Circulation Committee reported that a traffic light has been scheduled for the corner of Clarke and Maison-neuve (formerly Western) avenue. Because of the increased traffic caused by the extension of Dorchester Blvd., the light will replace the stop sign at this corner.

# Weredale House influence to persist

## Vernon McAdam will continue as National Director, Boys' Clubs of Canada

In announcing the retirement of Mr. Vernon McAdam and Mrs. Mary Craig from the post of Executive Director and Associate Director respectively after fifty years of service at Weredale House. The Examiner last week published a comprehensive report on their lengthy service.

The Examiner concludes this information with a second instalment this week. The formal retirement from active participation will become effective on May 1st and Weredale House has announced the deferment of its 96th Annual Meeting from the usual time in February until April 19th to coincide with the planned retirement.

### (Second Installment)

ALTHOUGH retiring from Weredale House, Mr. McAdam will continue his work as National Director of the Boys' Clubs of Canada, a national organization which now comprises more than eighty boys' clubs located in 58 different Canadian communities with its head office located in Weredale House. Regional offices are located in Vancouver, Toronto and Moncton.

In 1918 Mr. McAdam built and directed the first summer camp for underprivileged boys at the

site on Lac Masson which is now occupied by de L'Estrel Hotel. In its first year, for want of a better name, it was simply called "Camp Boy," and as he was then endeavouring to interest the newly-formed Rotary Club, the first service club in Montreal, in work for youth, the camp was renamed Camp Lewis in memory of a former editor of the Montreal Star and a Rotarian who had given his life for his country in Flanders Field.

Although a change in site took place many years later, Camp Lewis continues to serve many thousands of Montreal boys under the direction of the Montreal Boys' Association, an organization operating boys' Clubs and summer camps, of which he was a founding member of the Board of Directors in 1930.

### FIRST SECRETARY

With the organization of the Montreal Council of Social Agencies in 1920, Mr. McAdam was the first Secretary of the Children's Division of that organization and he has served both that organization and the United Red Feather Services in many vol-

untary capacities. At the request of the Rotary Club of Montreal of which he officially became a member in 1925, he was General Chairman of Montreal's first Boys' Week program in 1926 and again in 1927.

This "Week" devoted to the interest of youth saw for the first time cooperation of churches of all denominations, synagogues, schools, service clubs and social agencies combining in the interest of making the needs and problems of youth better known to the citizenship at large. This special week which involved boys' day's in church, school, industry, recreation and at home closed with a mammoth parade of ten thousand boys along Sherbrooke Street, with a salute being taken from the steps of the Royal Victoria College by the Late Sir Arthur Currie, formerly Commander-in-Chief of the Canadian Forces Overseas and at that time Principal of McGill University.

Mr. McAdam was honoured for his pioneering efforts in this inter-racial and inter-religious goodwill amongst youth at a dinner provided over the now The Honourable Mr. Justice Frederick T. Collins of the Superior Court of Montreal. Mr. McAdam was one of the founding members of the Negro Community Centre, many years later chairing a campaign committee of the Rotary Club of Montreal that raised \$40,000 to modernize and enlarge the quarters they now occupy. A lifetime membership in this organization was awarded to him in 1961.

### SMALL BEGINNING

When he took over the direction of the Boys' Home in 1920 only 25 boys were in residence, and it was heavily saddled with a debt incurred through its efforts a number of years previously in the establishment of a Boys' Farm and Training School at Shawbridge and in the development of Boys' Club activities and playgrounds then practically non-existent in our city. An appeal to the Rotary Club of Montreal brought an early response and the members of that club raised \$28,000 on an objective of \$20,000 to wipe out the bank overdraft. It was then decided that the Home concentrate on the main purpose for which it was established, that being to provide a home for boys who would otherwise be homeless, regardless of creed, colour or condition, and with its rapid growth overcrowding the premises together with the deterioration of the

neighborhood in which it was located.

An appeal was made again to the Rotary Club of Montreal to sponsor a campaign for a new building which was to be known as Weredale House. Mr. McAdam was the campaign-manager, and this campaign for a quarter of a million dollars in which \$286,000 was raised, was at that time, the largest campaign objective ever sponsored by a service club. At the close of the campaign, the total cost of which was \$472,38 was underwritten by a member of the Rotary Club who had previously contributed, in order that every cent raised be devoted to

# Honor plaque unveiled

Last Tuesday Westmount High School had a very special assembly. The guests all had a distinction, for all were past Award of Honour winners of the school. The purpose of the assembly was the presentation to the school of a beautiful wooden Award of Honour plaque, containing the winners' names.

For thirty years Westmount High School Old Boys' Association has been presenting an Award of Honour to the boy considered by his classmates to have performed the greatest ser-

vice to the school and to have best combined the qualities of honor, scholarship and sportsmanship. Since the Alumnae Association was formed in 1948 a similar award has been made to the outstanding girl.

## We Say

### Welcome to spring, flowers and Easter

THIS week sees, in this order, the first day of spring, the opening of Westmount's annual flower show, and Easter.

Spring simply couldn't come too soon. Though we can still get some whiplash in the form of late storms, everyone we talk to is relieved that the end is upon us. No recent winter seems to have had people more fed up. Good riddance.

Even if there is miserable weather before we swelter once more, the annual spring flower show is bound to cheer up the lovers of horticulture. At this writing the conservatory is being given the last touches by Messrs. Aho, Pacey and their staff. No Westmounter should pass up this display, opened last evening by Mayor Tucker.

And an early Easter fits the season's mood. The Resurrection of Christ suggests also the resurrection of all life.

### Expo fails to awe Belmont Park in '67

BOOSTERS that we are for Expo 67, we are pleased and full of admiration for the brave announcement:

"Hear ye! Hear ye! Belmont Park opens April 29. Youpi!"

That's in the Rex Billings manner.

Take no notice of a passing fancy, due to open the same time, on Iles Notre Dame, Ste. Helene and Ronde; that's only a one-season flash in the pan.

Belmont Park, with its

rides, its patates frites, its sideshows and its popcorn is an institution which goes on unperturbed by upstart competition.

Belmont Park's 1967 probably will be its biggest year ever.

And it'll be around in '68. Which is more than can be said for Expo.

## You Say

To The Editor:

Thanks to the many public-spirited editors and publishers of the press of this country, growing numbers of the general public are now well enough informed about muscular dystrophy to confidently and hopefully take part in MDAC's program to exterminate this tragic disease.

The growth of our medical research program, and the success of our 1966 campaign to support that program, strikingly demonstrate the role of the press as the leading instrument of public education on the many complex social issues that face us today.

Thank you again for your outstanding cooperation in this public health endeavour.

## Paragraphs on Philately

By MARK WEINER

The changeover to decimal currency in New Zealand will necessitate the printing of new stamps in decimal currency. All £.s.d. stamps will be withdrawn from sale on July 9th as the new stamps printed for the changeover will be issued on July 10th. The stamps will retain the existing designs with the value for decimal currency. There will be eighteen values in the new set, as there will be no need for stamps of equivalent decimal values, the 2½d, 1s.3d and 1s.9d designs will not be reissued.

On March 29th, to mark the diamond jubilee of the Koninklijke Nederlandse Vereniging (The Royal Netherlands Navy League), the Netherlands Antilles will issue four special stamps. Popularly known as "Onze Vloot" (Our Fleet) the organization began as a means to publicize the Naval and Mercantile fleet of the Dutch Kingdom. In succeeding years the activities of Onze Vloot expanded to include serving the seamen's spiritual and material needs. The four stamps (6, 10, 20 and 25 cents), portraying various ships and the "Onze Vloot" emblem, were designed by Oscar Ravelo, of Willemstad, based on suggestions and pictures supplied by Onze Vloot and were printed by offset process. To also mark this occasion Onze Vloot is staging an exhibition of ship models, maps, pictures, drawings and other memorabilia related to the Dutch Navy and Merchant Marine.

Colourful wild flowers will be featured in the series of special stamps "British Flora" which will be issued on April 24th. The block of four different 4d stamps depicts the hawthorn and the bramble, the morning glory and viper's bugloss, the ox eye daisy, coltsfoot and buttercup, and the bluebell, red campion and wood anemone. The 9d stamps portrays the dog violet and the 1s.9d stamp the primrose. The stamps will be printed multicolor by photogravure process and will be issued with or without phosphor lines. All six stamps will be of horizontal format and twice normal size. A special cacheted First Day Cover will be prepared for the occasion.

Once again ships on stamps, a series of five stamps in the form of a vertically elongated sheet, devoted to Soviet-made fishing vessels, was issued by this country on Feb. 28th. The background of all stamps is turquoise blue with shades ranging from dark to pale. The stamps depict — a trawler-fish factory; a refrigeration ship; a crab canning ship; a medium fishing trawler; a medium Black Sea seiner. The left part of every stamp bears a decorative drawing of a fish, different on each stamp and the drawing is overprinted with the denomination figure which is 6 kopecks. Printing was by offset and perforated 12.5:12.

A rather interesting duo each a 7 won value were issued by Korea on March 2nd and 3rd. The first stamp was to commemorate the State visit of President Heinrich Lübke of Germany, and portrays the two Presidents. The second stamp was for the National Tax Day and depicts a stylized design of industry with an outstretched hand

# YOUR MP REPORTS FROM OTTAWA

It is unfortunate that nuclear energy is usually associated with the menace of the atomic bomb. Canadians are spending much more time and money on peaceful uses of nuclear energy, the most important of which is the generation of electricity.

The latest step in our effort to develop low-cost nuclear power is the construction of a reactor by Hydro-Quebec and Atomic Energy of Canada Limited at Gentilly on the south shore of the St. Lawrence about half-way between Montreal and Quebec. It is expected to start up in 1971 and will have a capacity of 250,000 kilowatts. (The Manicouagan hydroelectric development will have a capacity of 5,600,000 kilowatts.) The fact that Quebec, which has the cheapest and most abundant hydro-electric power in the world, has decided that it will eventually require nuclear power indicates what a vital role this form of energy will play.

Canada's interest in harnessing the atom dates back to our wartime collaboration with the United States and the United Kingdom. The first operating reactor outside the U.S., called ZEEP, started up in 1945 at Chalk River. Currently, Atomic Energy of Canada Limited is designing projects worth half a billion dollars, including nuclear power stations in India and Pakistan which I hope to visit next month during a trip to those countries.

A primary requirement for a nuclear reactor is a plentiful supply of uranium. Canadian reactors use natural uranium, which is cheaper than the enriched uranium used in American reactors. Once it has been used, natural uranium does not have to be chemically processed and it can be simply and safely disposed of.

Canada has been one of the world's leading producers of uranium since the metal became important as a fissionable material. Since our uranium ore reserves represent about 35% of all known reserves outside the Communist bloc, and since world demand is expected to multiply at least four times in the next decade, the outlook for the sale of uranium is very promising.

A second requirement for the Canadian type of reactor is a supply of heavy water, a form of water composed of deuterium instead of hydrogen. It takes about 30,000 tons of water to produce a single ton of heavy water. Formerly we obtained our heavy water from the United States, but plants are now

holding a coin, representing the payment of tax. This is a most unusual stamp topic, as most people do not like to be reminded of this necessity.

being constructed in Nova Scotia and Saskatchewan.

Finally, among the resources needed for the development of nuclear technology is skilled manpower. A.E.C.L. is building a permanent training centre not far from Chalk River at which Canadian technicians, and technicians from countries which purchase Canadian reactors, will be trained.

A.E.C.L. believes that as nuclear power becomes an economic necessity in many parts of the world, many countries will decide to adopt the Canadian type of reactor. This will create an export market for generating stations, a large range of components, heavy water, and uranium fuel. Our potential share of this market in the next ten years is estimated at \$1.5 billion.

When an atomic pile is ready to start a chain reaction, scientists describe it as "going critical". The expression could be applied to the nuclear power industry in 1967.

### NEW CAMP FORMED

With the great increase of the number of boys under care in the new building, overcrowding at Camp Lewis resulted in an appeal to the newly-formed Rotary Club of Westmount to sponsor a campaign for a new camp, to be known as Camp Weredale which was opened in 1934, with the title to the property and the work of Camp Lewis being deeded to the Montreal Boys' Association for the continuance of its work in this connection.

The Rotary Club of Westmount interest in Camp Weredale and continued to maintain contact and following the disastrous fire which destroyed the main dining room two years ago, they contributed \$25,000 towards the construction of new facilities which were officially opened last summer. Mr. McAdam now is senior active member in the Rotary Club of Montreal and was its President in 1958-59. Additions to the facilities of Weredale House were made necessary in 1946 and again in 1956 for which in excess of \$200,000 was raised by quiet campaigns amongst the Governors and their friends. Through the acquiring of additional adjacent property in Weredale Park, Weredale House was able to make land available for the construction of Red Feather Headquarters on Atwater Avenue, later the erection of a new headquarters for the Children's Service Centre in Weredale Park, with one of the additions to Weredale House being specifically to provide National Headquarters the Boys' Clubs of Canada.

The story of Westmount in picture and words has been published in an historical album covering the city's history from Indian times to 1920. The work is the result of three years endeavor by the students of Westmount High School and developed as a centennial project. The book is entitled "Old Westmount" and has a sketch of the old Hurlbise House on Cote St. Antoine Road adorning the cover. The volume contains fascinating facts and figures on the early French settlers, fur traders, street names, landmarks, sports, clubs, city administration and schools as well as interesting original photos from famous collections and manuscripts with reference to sketchers and maps. Copies may be obtained by applying to Old Westmount Club c/o Westmount High School, 4350 St. Catherine St. W. Westmount.

Andre Martin of 24 Selby St., Westmount was one of four persons injured in the blast which wrecked May Ten Loo's laundry at 5734 Decarie boulevard last Wednesday. Martin was a workman employed on the premises and had a narrow escape from

death. This was the second blast which has occurred in this area within five days.

A photographer's delight for scenic winter beauty may be found in Westmount Park these days. It will not last long as the warming spring sun will soon transform the trees and bushes into a drab picture. Shutter bugs may for the next few days take advantage of the winter scenes the park now offers to the camera lens. During the past winter, the pedestrian walks have been kept clear by daily snow removal through the medium of mechanical snow blowers and a walk through the park has been a delight in spite of the bitter cold on occasion. Following each snowfall and there have been plenty this winter, the park has offered a delight to the eye and an off the beaten path retreat from slushy streets.

## Paperbacks available for juniors in library

In order to keep pace with today's modern young teenage readers, the library is adding something new to its teenage reading section.

The addition is a section of paperback books. Paperbacks have been used in this way in many libraries across Canada and the United States with great success. Now it is time for Westmount to try a similar experiment.

The new section features attractive, good quality paper copies of such classics as Harper Lee's "To Kill a Mocking Bird, Albert Camus' "The Plague" and Gustav Flaubert's "Madame Bovary."

The collection includes classics from French, German, Russian, British and Canadian literature, to mention only a few. Not only are the old favourites included . . . titles like "One pair

of Hands" by Monica Dickens or "Three Men in a Boat," by Jerome K. Jerome. New Popular titles are also included with such successes as Truman Capote's "In Cold Blood" and Boris Pasternak's "Doctor Zhivago."

The books are in circulation at this time and are located in a special section of the Young Adult department. The loan period is for 28 days.

## Weredale House influence to . . .

(Continued from page 4)

at Shawbridge lost its Director to war services, at the request of the President, the late Sir Edward W. Beatty, Mr. McAdam took on the added responsibility for a four-year period as Executive Director of the Boys' Farm and during this period, in close collaboration with Sir Edward and the late J. W. McConnell, over \$400,000 was raised and spent on modernizing the facilities and increasing the capacity at the Boys' Farm and Training School. It was immediately upon completion of this extra stint, that he took on the formal development of the Boys' Club Movement in Canada as its National Director.

Mr. McAdam cites as amongst the pleasant satisfactions he has had in his work, the long association with those who have worked with him. In addition to Mrs. Craig he is pleased to note that his successor at Weredale House is to be Mr. George Bruggan, who has been his Assistant Director for more than thirty years; also to know that Camp Weredale will continue to be directed by Mr. Norman J. Kneeland, Principal of Northmount High School who originally joined the staff as councillor while at university and who has two sons who are students at McGill University and senior members of the Camp Staff. Mr. Kneeland's father was also associated with Mr. McAdam for a period of more than twenty-five years in the educational work of Weredale House. Amongst those he numbers as his "protéges" in youth work are the first director of the Hull Home for Boys in Calgary, the former director of the Knowles School for Boys in Winnipeg who is now the head of the Big Brother Association

of Hamilton and the National Director for Canada of that organization; also the founder and present Director of Boys' Village, Toronto, a pioneering concept for the care of emotionally disturbed children.

In addition to Mr. McAdam's work with Weredale, the Boys' Farm and the Boys' Club Movement, he has at various times been consultant to the Government of Newfoundland in the development of its program for the care of delinquent youth, to a trust company in the evolution of the Hull Home for Boys in Calgary and in the choice of sites and development of plans for the Girls' Cottage School at St. Bruno.

### HONORED FOR SERVICES

His formula and presentation resulted in the acceptance by the United Red Feather Services of such local boys' clubs as the Rosemount Boys' Club, the Unity Boys' Club, the East End Boys' Club and later the Dawson Boys' Club of Verdun. He is a charter member of the Canadian Association of Social Workers and a member of the Corporation of the Professional Social Workers of the Province of Quebec, and amongst the honours he has received are the distinguished service award of the Boys' Clubs Professional Association, International, the Coronation Medal, and citations from the Catholic Boys' Services and the Rosemount Boys' Club.

When asked about some of his personal experiences, Mr. McAdam said that probably the longest trip he ever took in his life was from his home in Amherst to Montreal in 1917, when he sat up all night because in those days you paid your own way to take up a new job. Probably his most "frightening"

experience came a few days later to find that his new employer went off to a convention and left him in full charge with many of the boys in residence older than he was.

His most "frustrating" experience came part-way through the development of the plans for the establishment of Weredale House in Weredale Park which not only necessitated the approval of the City Council and the residents of the area, the approval of Council and Social Agencies and the underwriting of the campaign for funds, delays which resulted in the option of the property expiring and then to find within a half hour a prospective donor to the campaign had purchased the property for his own use. The next forty-eight hours were the most "frustrating", but all is well that ends well.

The most "trying" time was when the fire at camp broke out in the middle of the night through undisclosed causes and came within a few minutes of getting out of control. The "proudest" moment was the unveiling of the Roll of Honour at Weredale which probably, for the first time, gave some tangible evidence of the results of the work. Of the 328 names inscribed thereon, 78 were listed as N.C.O.'s and 34 as commissioned officers ranking as high as squadron-leader in the Air-Force, lieutenant-commander in the Navy and a major in the Army. Sixteen were cited for bravery or distinguished service ranging from "Mentioned in Despatches" to an "O.B.E."

"The 'happiest' moments for Mrs. Craig and myself" said Mr. McAdam "come through the success and achievements as our boys grow into manhood. Graduations from universities, appointments to positions of trust, recognition in their fields of endeavour, acceptance on the part of old boys of added responsibilities in their church, in their community and in politics, all bring happy thoughts in which we feel we share the reflected glory of their achievements. My personal satisfaction, I trust,

will be continued through seeing the work and influence of the Boys' Club Movement continue to grow and to become fruitful in the lives of those the Boys' Club serve, although not in the area of urgent needs such as demonstrated in the work of Weredale House but nevertheless in the congested areas of our towns and cities throughout the country.

Up to this point it has been my

## New taxi rates in effect

Taxicab rates in Westmount are now in line with those of Montreal following the amendment to By-Law 543 and the changes are now made to read that the initial charge will be made to include the first one-seventh of a mile or fraction thereof a charge of 40 cents will be made and for each additional one seventh of a mile or a fraction thereof five cents will be charged.

Waiting time shall be paid for at the rate of five cents per minute and will include time consumed by unavoidable delays or stops and also time consumed while standing at the direction of the passenger.

Meters on all taxis operating in Westmount have now been changed to conform with the new rates.

privilege to be a participant, an active participant, in the official opening of 32 new Boys Club buildings stretching from St. Johns, Newfoundland to Vancouver, B.C. The knowledge that I have been a part of the movement that creates a local desire for this work, that I have aided directly or indirectly in the raising of funds, the choice of sites, the planning of buildings and the commencement of programmes that are worthwhile, makes me happy that I chose this particular field of endeavour and that the good Lord has granted me health and enjoyment in it."

### DIRECT FROM IRELAND FIRST TIME IN MONTREAL

CCA presents

The Celebrated Irish Festival Company

# Feis Eireann

An evening of exciting Irish songs and colorful dances performed by a dynamic company of 22 artists.

No country can rival Ireland in the role that music has played in its affairs, nor in the love its people hold for its song. And probably the history of no land could be told so completely through its folk airs and composed songs.

This is the motif underlying the program offered in FEIS EIREANN. It is a rich and varied program, transporting its listeners to many colorful regions of the land, through various periods of history, and into every emotion of the human spirit. It will be presented by the cream of Ireland's vocal artistry.

There will be a special salute to the Four Provinces — Ulster, Munster, Leinster and Connaught. The program will be enlivened by stately and sprightly dances of unique Irishness. An evening of joyous song and lively dances awaits the FEIS EIREANN audience and even persons who do not have a drop of Irish blood in their veins will be enchanted and thrilled.

### Selby St. blaze

The old Fire Demon jumped the gun on the Selby street complex and the vacant house located at 142 Selby street went up in flames prematurely at 11.15 p.m. on March 17, St. Patrick's night.

Firemen were called and upon arrival the block was blazing fiercely necessitating the laying of six streams to quench the flames which lit up the whole district. No one was injured and the fire was soon under control.

### National museum bird display

Recently completed renovations to the National Museum's Bird Hall in Ottawa include a number of bird habitat dioramas, an exhibit of winter feeding stations, a collection of birds with recorded songs which the visitor can listen to, and a highly instructive 3-D display showing the development of a chicken inside the egg.

Areas of Canada represented in the new dioramas range from the Southernmost point of Ontario to the High Rockies. There is an enchanting view of early spring in Point Pelee National Park, considered to be one of the most interesting spots for bird study in North America; and a superb diorama of early summer at the Columbia Ice-fields shows a number of alpine birds which inhabit the edge of the timberline.

Another exhibit shows the autumn Hawk migration at Port Stanley, Ontario, where thousands of the woods-dwelling hawks gather each fall; and a fourth shows the spectacular courtship of the Sage Grouse. The scenic backgrounds for these four have been painted by Perry Wilson, one of the foremost diorama artists on the continent.

In the winter feeder display, which includes mounted specimens of Ring-necked Pheasants, Cedar Waxwings, Snow Buntings, Cardinals and many others, all in a fresh fall of snow, the Museum shows how feeding stations can be erected in the family backyard to attract some of the birds which stay with us throughout the winter.

good enough? never!

And that 'never' is probably the most important word in our vocabulary: because it means that we are constantly on our toes—looking, searching, planning for improvements.

Improvements in methods and equipment—to give you even better service. Our engineers—at Bell, at Northern Electric

## Easter Fun Week program to extend to April 1st

The stage is set and excitement runs high for Easter Fun Week. We hope all members and their parents are now aware of the program being planned by Tom Stephens for the Easter holidays from March 28th to April 1st. Games, Contests, a Bike Rodeo, A White Elephant Sale, Obstacle Races, Cross Canada Runs, A Penny Carnival, An Early Bird Breakfast, Prizes, and treats for all ages and the Grand Finale a trip to Ottawa. If you haven't signed up for any or all of these events do so immediately. Oh, we forgot, there is also a Splash Party being held at Point St. Charles Club, A Jelly Bean Guessing Contest and a Colouring Contest.

**BIRTHDAY PARTY:** Last Saturday saw the following Club members invited to celebrate their birthdays at the Club at a gala Birthday Party — Marcel Belanger, Pierre Bousquet, Franc Gagnier, Cherry Lee Higgins, Diane Chapman, Carole Fournier, Lynn Bowen, Sandra Lord, Elaine Murphy, Johanne Fournier, Gail Smythe, Debbie Standing, Billy Underwood, David Malloy, Pierre Ste. Marie, Robert Taylor. We celebrate the accumulated birthdays each month for those members who are ten years of age or younger. Congratulations to you all.

**MISS ANDERSON ENTER-TAINS:** This is indeed the month for gaiety at Unity. A real Party atmosphere pervades. Miss Anderson a very faithful volunteer at the Club who has the reputation of being another Elsa Maxwell, combined a St. Patrick's and Easter Party on Saturday afternoon. She produced a beautiful cake in the shape of an Easter Bonnet, beautiful decorations and refreshments and all the trimmings that make her parties such a success. Thank you Miss Anderson.

**GIRLS' VOLLEYBALL:** We are indeed proud of our Volleyball team (Girls'). They have had a very wonderful series of wins. Last week they defeated Rosemount by scores of 21-9, 21-13. Keep up the good work girls.

**LEADERS' CORPS:** Miss Greta Allen, who is now acting as The Girls' Worker at Unity reports that a new group is being formed for girls twelve years of age and

over. This is to encourage and train girls in leading groups in the following arts and Achievements. Grooming and Poise, Arts and Crafts, Games and Activities including Free Movement. This group activity will be led by Miss Allen, Miss Sue Soles and Miss Maureen Reuben.

**TORONTO BOUND:** Montreal's loss is Toronto's gain to use an old cliché. We are loosing Tom Stephens who has held the position of Program Director at Unity for the past year. Tom is a very talented gentleman, he was responsible for the very successful

production of "Pirates of Penzance" at the Club. He is a humorist of note, an excellent pianist, an artist, a singer and a great organizer. As Tom would say "I didn't know I was so good." All joking aside we will miss Tom sorely but wish him Godspeed and the best of everything at Dover Court Boys' Club in Toronto. We will miss his humor, his piano, his songs and cheerful disposition. Good Luck Tom.

To the staff of The Examiner, Our Readers, Club Staff and Members "A Very Happy Easter."

**Baha'i celebrate New Year tonight**

BAHA'I NAW-RUZ - The Baha'i World Faith celebrate their New Year on the First day of Spring and with it begins their year 124 B.E. (Baha'i Era).

This New Year is very special to the Canadian Baha'is as it is not only the 100 years of Canadian Confederation, but also the centennial of the public Declaration of The Founder of the Baha'i Faith, Baha'u'llah, at which time he wrote to all the crowned heads of Europe and leaders of the world proclaiming his station, the principles of the Baha'i Faith and man's destiny based upon the oneness of God, the oneness of Religion and the oneness of Mankind.

The Baha'is of Greater Montreal are planning a New Year's Celebration to be held at Victoria Hall, tonight. A buffet is planned after which entertainment and dancing will conclude the evening.

"Easter - the greatest day in the year! 'IN OUR KIND OF WORLD WHY IS EASTER SO IMPORTANT?'" is the title of the Sermon to be given by the Minister, Rev. Dr. D. B. Grant at the eleven o'clock Worship Service on Sunday. There will be Easter music by the Choir.

In the Crib Corner and Nursery, infants and other small children will be cared for while their parents are in Church.

These are great days in the Christian Year! St. Andrew's misses its much-loved Sanctuary, but in the well-appointed Auditorium of the Westmount High School, the members worship happily together. Last Sunday our New Members were received and welcomed at the Communion Service, and next Sunday all will share in the wonder and glory of Easter."

**Westmount Baptist Annual Communion**

On Good Friday, at 11:00 a.m., the Annual Communion Service for the Baptist Churches of Montreal will be held in Westmount Baptist Church.

On Easter Sunday there will be special sermons and music. Dr. Harold W. Lang will be the preacher at both services. In the morning the topic of his sermon will be "THE GOSPEL OF THE RESURRECTION", and in the evening "ON THE ROAD TO EMMAUS".

The Church School meets on Sundays at 10:00 and 10:45 a.m. The 10:00 a.m. class is for seniors, and the 10:45 a.m. for primary and juniors.

The midweek meeting on Wednesday at 8:00 p.m. for Prayer, Praise and Bible Study.

## Christian Science Sermon subject

How the meaning of the Resurrection provides enlightenment and guidance to every individual in his daily experience, will be set forth at the services in all Christian Science churches on Easter Sunday. The Bible Lesson will feature these words of Christ Jesus as recorded by John: "I am come that they might have life, and that they might have it more abundantly." Correlative passages from the Christian Science textbook will include:

"Jesus' deed was for the enlightenment of men and for the salvation of the whole world from sin, sickness, and death ("Science and Health with Key to the Scriptures" by Mary Baker Eddy).

The Soviet pavilion at Expo 67 has a floor area equal to six football fields. Its most prominent feature is a soaring rectangular roof which reaches a height of 138 feet.

## Easter - Pagan or Christian?

Readers may be surprised to learn that the Christian festival of Easter began to gather pagan associations in the centuries immediately after the death of Christ. The Latin word for villager, *paganus*, for instance, gives a clue to its link with Roman customs and religion.

A villager of course, knows far more about nature and her changing moods than his city cousin.

The villager rejoices as the days lengthen after the spring equinox. He responds to the return of the birds, the budding of trees, and the breakup of winter's hold on lake and river. Such signs spell new life for the *paganus* or villager.

The plain fact is the Christian Church early lifted the pagans' recognition of new life in spring to the observance of a deeply religious festival. Easter became the high point in the Christian year celebrating Jesus' resurrection.

The Gospels stress three things about the resurrection: light, assurance and mission. The women, early at the empty tomb, saw angels in shining raiment. Next came the assurance: "He is not here, he is risen." And finally, the directive: "Go and tell."

The *paganus* and the equinox

## Easter music at Dominion-Douglas

Easter Sunday will be observed in Dominion-Douglas Church in three Services. At 9:30 a.m. there will be Holy Communion. The Teens of Centenary and Dominion-Douglas will meet for breakfast preceding this Service and attend in a body.

At 11 a.m. Special Easter Music will be sung by The Choir including *Te Deum* by Vaughan Williams. Dr. Smith's sermon will be "The Mystery of Easter." At 7:30 in the evening his topic will be "Stories of The Resurrection."

**Melody Players prepare musical**

The Instant Melody Players, a group of performers, are presently rehearsing an original musical satire entitled "FRANKLY FEMININE", written and directed by Marilyn Karpman. Produced by Ruth Blanshay with sets by Estelle Leiter, the musical accompaniment is by Miriam Simon. Appearing in the cast are Mesdames Ellen Cohen, Gerri Greenblatt, Mona Goodman, Roslyn Lieblich, Rose Mindel, Vera Ostroff, Barbara Rosenthal, Gert Shykofsky and Doreen Thuna.

Before the actual rehearsals began on this "road show", several groups had invited them to appear on their programme. These performers are well known for their past entertaining musical productions at the Jewish General Hospital and for last year's "Has Anyone Seen My Mother?" in aid of the Montreal Oral School for the Deaf. (This production is now being recreated by a company in Flint, Mich.)

"Frankly Feminine", with its lively music is a "mini" script compared to other shows that the group has done, with very little scenery but with the gimmicks to make it suitable for performances in any type of community hall.

Anyone wishing to invite the Instant Melody Players to perform for their function is asked to call Mrs. H. Blanshay at 481-9476 or Mrs. H. Lieblich at 739-2676.

Brown sugar being moist, clings when used to glaze cured meats as ham. Holds spices too. If a spreading paste is preferred, brown sugar mixes smoothly with prepared mustard or tart fruit jelly.

Instant Melody Players prepare for their musical satire "Frankly Feminine". From left to right, Rose Mindel, Clarke Avenue, Vera Ostroff, Grosvenor Avenue and Gert Shykofsky, read the new script by director Marilyn Karpman.

**Kennel Club sets dog shows date**

The United Kennel Club of Montreal announces their Championship All Breed Dog Shows will be held in the Town of Mount Royal Arena, 1050 Dunkirk Ave. on Saturday, April 22 and Sunday, April 23.

The interest in dog shows has increased markedly in Montreal and surrounding areas during the past year with more and better attended Sanction Shows being held. For most exhibitors who attend a Sanction Show, the next step is a Championship Show where points towards a dog's Championship may be earned.

At the Shows this year there will be Judges from both Canada and the United States. Last year there were approximately 75 different breeds shown at the United Kennel Club Shows and there is every reason to expect there will be as many or even more this year.

There is a Penny Sweepstake in conjunction with the Sunday Show, a Parade of Champions on the Saturday as well as Junior Showmanship Classes for children.

### ● SOMETHING NEW IN DOG OBEDIENCE TRAINING

A special group for young handlers. Montreal's dogs are back in School for the Spring Term, with youngsters aged 9-15 years, at a lower cost than for adults, in a special class. Mrs. Casgrain says she still has room in the early class on Thursdays (7.30 p.m.) if applications are in before the first lesson with dogs, March 30th. This is the group reserved for young handlers.

Mrs. Casgrain likes to encourage children to train their dogs, as she believes there are lessons to be found here in patience, perseverance, responsibility and consideration.

The bond between owner and dog is further cemented by working and learning together.

## The Reddy needs our help

### WESTMOUNT'S HOSPITAL APPEALS TO CITIZENS

When the present alterations and additions are completed early in 1968 "The Reddy" will be one of the most up-to-date hospitals in the Province of Quebec.

The additions to the hospital include a new east wing which will contain operating rooms, a staff cafeteria, rooms for patients and a new psychiatric unit for both day and bed patients.

The west wing, finished now, is called the Percy Walters Building, and is temporarily used as offices, until space can be made available in the renovated older building for this purpose.

When that time comes it will be turned over to nurses and internes as living quarters. The hospital hopes then to begin a training program for Nurses As-

sistants which is now impossible because of lack of space.

The building program was begun in 1963 after Percy Walters, an old friend of the hospital left it one million dollars in his will. The hospital appealed then to the public for more funds, and when their objective was realized the program started. This was the last time the hospital asked for additional support.

### CENTRAL LOCATION

Close to the Metro and Bus Terminus. "The Reddy" is providing hospital service in a densely populated area and handles many types of emergencies. Over 2,000 accident cases were treated at the Reddy in 1966.

### A GENERAL HOSPITAL

Providing all essential services, it has a very large outpatients clinic, and people from all over the city make use of it. This greatly needed service is not covered by the Quebec Hospital Act, and the Reddy has had to borrow to keep it going. Income from bed-patients is not up to capacity at the present time because of the new building program, but this is expected to be corrected when the new rooms are ready next year.

### HOME CARE

Under its Home Care Service, the first and for nearly a decade the only one in Canada, this Hospital extends continued care in their homes to patients who would otherwise occupy a hospital bed.

### PSYCHIATRIC UNIT

Psychiatric treatment is playing an increasingly important part in modern medicine. The new Psychiatric Unit will provide this service to the Reddy patients, thus enabling many people to return to normal living.

### TO BRIDGE THE GAP

The present appeal is for money to bridge the gap between income and running expenses, and is in no way connected with the building program. Subscriptions are asked for by mail, to insure a minimal operating expense for the campaign, and those who have not received a request are asked to send a check anyway.

This is Westmount's only hospital, and one which for close to one hundred years has been serving the community. Let us hope that the Reddy will find our citizens appreciative of its fine services.

## Juvenile hockey stars thrill rink visitors

**TERMITE:** Raiders, coached by Frank Cavanagh, won the Termite Championship, downing the Guards in the third game of the best two out of three final series by a 6-5 score.

Guards had evened the series at one game each as the result of their 4-0 shutout on Saturday morning. John McCrae, team captain, scored two goals in each period to lead his team to victory in the third game. Dean Kelly scored twice and assisted twice for the losers. It was a thrilling game, as indicated by the score 2-2 at the end of the first and 4-4 at the end of the second period. Two hundred spectators were in attendance.

Herewith is the Championship Roster: **CAPTAIN:** John McCrae; **A-CAPTAIN:** Tim McHugh; **Bruce Bronfinan,** John Chipman, **Ken McCallum,** Geoffrey Wickham, **Andrew Cottingham,** Jamie O'Connell, **Michael McVey,** Gary Johnston, **Jonathon Tratt.** **COACH:** Frank Cavanagh.

**MOSQUITO:** Bulls, under the guidance of Coach Jack Wilson, won the Mosquito Championship, taking the second straight game in a best of three series by a 4-1 count. Jamie Shapiro was top man for the winners with two goals and two assists. Andy Craig and Michael Zinay had singles. Jimmy Hogle scored for the losers. The champions will be presented with their crests at the Recreation Department Annual Awards Night to be held in May.

Herewith is the Championship Roster: **CAPTAIN:** Andrew Craig; **A-CAPTAIN:** Jamie Shapiro; **A-CAPTAIN:** David Hague, **Maurice Hudon,** Mark MacIsaac, **Craig MacLaine,** Charles Gutelius, **Bobby Graul,** Robert Beaulieu, **Michael Zinay,** Bruce Macaulay. **COACH:** Jack Wilson.

**PEE WEE:** Huskies took a one-game lead in the final series, edging Mules 4-2. Chris Smith scored two. Jan Holland and Andrew Locke had one each. Peter Smith and Alain Chaput scored for the losers.

**BANTAM:** Hawks took a one-game lead in the Bantam final series, edging out a 4-3 win over the Rangers. Craig Shannon paced the winners with two goals. Richard Paterson and Michael Sarwer-Foner closed out the scoring. Jim Dodge was best man for the Rangers, scoring twice.

Standings as at Tuesday a.m., March 21st.

**TERMITE** — Raiders took a one game lead in the final Playoff Series edging Guards by a 4-2 count. **John McCrae** was outstanding as he scored all four goals. **Tim Hyde** and **Doug Selby** tallied for the losers as well as picking up an assist each. The third game in the series will be played Saturday, March 25 at 9:30 a.m.

**MOSQUITO** — Bulls crushed the Mules in their opening series encounter 6-2. **Jamie Shapiro** scored twice and added two assists. Other scorers were **Mark MacIsaac** 2, **Bobby Graul** and **Michael Zinay** 1 each. **Robert Beaulieu** and **Andrew Craig** had 2 assists each. **Pierre Mallette** and **James McCallum** scored the losers goals with **Jimmy Hogle** assisting on both goals.

### Geirge Grier of Westmount buried Monday

A private funeral was held Monday for George Grier, 87, of Westmount, who died Friday. Mr. Grier was for more than 50 years president of G. A. Grier & Sons Ltd. He was also president of other companies.

Mr. Grier was a founding member of the Montreal Indoor Tennis Club, and a life member of the Royal Montreal Golf Club.

He took a particular interest in the work of the Canadian Bible Society and the Overseas Missionary Fellowship.

Survivors include: a sister, Mrs. Kenneth B. Thornton; two sons, Arthur and Reverend Andrew and two daughters, Hollis H. Blake and Mrs. James W. Knox.

His wife, the former Winifred Savage, predeceased him.

The third game in this series Saturday, March 25th if necessary.
