

DRASTIC INCREASES IN INCOME AND SALES TAXES ANNOUNCED IN FEDERAL BUDGET SUBMITTED TODAY

Sales Tax Increased from Four to Six Per Cent. and List of Exemptions Curtailed—Excise Tax on Imports Increased to Three Per Cent.—Exemptions Under Income Tax Reduced, With Rates Increased—Large List of Nuisance Taxes Imposed.

OTTAWA, Ont., April 6.—To balance the budget by increasing the revenue \$55,000,000, E. N. Rhodes, Minister of Finance, in his budget speech in the House of Commons this afternoon, announced the following tax changes:

Sales tax increased from four per cent. to six per cent. A limited number of articles, not primary products, now exempt, are made subject to the sales tax. The sales tax changes are effective April 7th.

Excise tax on all goods imported into Canada increased by two per cent. New rate three per cent.

Income Taxes.—The personal exemption in income taxes is reduced, for those with dependents, from \$3,000 to \$2,400, and those without dependents, from \$1,500 to \$1,200.

The twenty per cent. reduction now allowed from tax payable under established schedule of rates is discontinued.

In addition, five per cent. surcharge on the amount of tax payable is to be imposed on all taxpayers, personal and corporate with net incomes in excess of \$5,000. The corporation rate is increased to eleven per cent. Provisions relating to family corporations, will be repealed.

Income tax changes will apply to taxes on the 1931 income.

Insurance Taxes.—The tax of one per cent. on premiums received by insurance companies except life, marine and certain forms of mutual fire companies, is re-imposed. British and foreign companies, maintaining deposits with the Dominion, will also pay this tax. A tax of fifteen per cent. is imposed on gross premiums paid to other insurers.

Cheque Taxes.—On cheques, money orders over \$5 and on promissory notes, bills of exchange, etc., the rate is increased from two cents to three cents on amounts up to \$100, and six cents over \$100.

A five cent tax is placed on telegrams, cables and radio messages, and long distance telephone calls.

On railway sleeping car berths, the tax will be ten per cent, with a minimum of twenty-five cents, and ten cents on chair car tickets.

These special taxes on cheques, tickets and messages will become effective May 2nd.

In view of the near approach of the Imperial Conference, the Minister stated, no change is made in the customs tariff, except on one item relating to extension to March 31, 1933, of special rates on repair parts for farm implements.

BOTH LEADERS KEEP SILENCE OVER RESULTS

**Future Relationship of Premier
Taschereau and Camillien
Houde Veiled in Mystery as
Neither Side Talks.**

MONTREAL, April 6.—What will be the future relationship of Premier Taschereau and Camillien Houde? This is the question today puzzling political observers, not only in Montreal, but through the Province of Quebec. Will Mr. Houde take the hint that his future presence in politics is not desirable, and hand in his resignation as leader of the provincial Conservative party? Some are inclined to take the view that he will quit, but others, some of them very close to the outgoing Montreal mayor, are of the opinion that he will bide his time and that another two years will see him back for "la revanche!"

If Hon. Mr. Rinfret is to be a watchdog at the City Hall, it seems evident from what can be learned in learned places, that Mr. Houde will be the watchdog outside the City Hall. He is known to hold the view that unemployment will not, cannot, allow the anti-Houdist regime now on the threshold of power to fulfill its promises to the voters and taxpayers of economy driven to the extreme. And if subsequent months reveal no improvement in the employment situation and the works being done in behalf of the jobs do not accord with the views of the ex-mayor-to-be, it may be taken for granted that Montreal will hear from him.

Meanwhile Premier Taschereau paid a visit to Montreal yesterday, but had little to say in connection with the election results. In spite of his endeavors to maintain silence on municipal affairs, it was plain to be seen that the election of Hon. Fernand Rinfret brought no tears to his eyes, or to the eyes of his supporters.

One thing the Premier did make clear, however, was that he hoped that the defeat of Mr. Houde would mark the end of party politics in municipal affairs. This, he felt, would bring greater satisfaction to all concerned, as the prevailing system resulted in a glorious mix-up of municipal, provincial and federal politics, ending no one knows where.

TWO INSURANCE MEASURES ARE ULTRA VIRES

Ontario and Quebec Join in Opposition to Bills Now Before the Senate of Canada, Says Charles Lanctot.

QUEBEC, April 6.—"The two insurance bills now before the Federal Senate committee on Dominion jurisdiction of insurance companies are ultra vires." This was the conclusion reached at a conference between representatives of the Ontario and Quebec Governments, according to a statement here by Deputy Attorney-General Charles Lanctot. The conference was held in Toronto on Wednesday last.

The conference's views are set forth in a letter that has been sent to Senator Arthur Meighen, Government leader in the Senate and sponsor of the insurance bill, Mr. Lanctot said. The letter requests that a third bill relative to Dominion and British insurance companies which is slated to come before the Senate shortly, be delayed "so that the whole matter can be dealt with at once."

"W. H. Price, Attorney-General of Ontario, has written a strong letter to Senator Meighen," Mr. Lanctot added, "and both provinces intend to oppose jointly the bills in question."

CHICAGO SCHOOL TEACHERS GET PART OF THEIR WAGES

CHICAGO, Ill., April 6.—Chicago's school teachers have received their first pay for work they've done in 1932.

A pay roll of nearly \$2,500,000, the second in cash within the last two weeks, was made possible by the approval bond experts gave the city's agreement to buy some 1931 school board tax anticipation warrants.

MONTREAL, April 6.—Under the terms of a new agreement, 2,000 commercial telegraphers and associated employees of the Canadian National Railways Telegraph Department from coast to coast will take a ten per cent. reduction for one year from May 1, according to an announcement made today.

Presented His First Budget Today

HON. EDGAR N. RHODES, Minister of Finance in the Bennett Cabinet, who presented his first budget in the House of Commons this afternoon. This budget calls for many increases in taxation and reduction in expenditure in an effort to make the books of the country balance during the coming fiscal year.

BUDGET HIGHLIGHTS

The following are the highlights of the budget speech delivered in the House of Commons this afternoon by Hon. E. N. Rhodes, Federal Minister of Finance:

Debt increase, (including special expenditure)	\$119,505,000
Canada will balance budget and meet all obligations.	
Ordinary expenditures	\$373,743,000
Ordinary revenues	\$327,719,000
Unemployment relief and wheat bonus cost	\$49,282,000
Wheat bonus will cost \$11,000,000 as compared with \$7,000,000 estimate.	
For "direct" relief Dominion contribution 1931-32 (major portion applying to Saskatchewan drought areas), estimated at	\$8,957,000
Temporary assistance to provinces to meet maturing obligations in New York	\$11,637,190
Exchange—mainly premium on gold purchased from mines Exchange payment offset on revenue side by credits of \$2,248,000 from sale of New York exchange and discount on sterling purchased to meet London requirements.	\$3,635,100
Further credit against exchange payment through \$506,000 realized in purchase of sterling securities for sinking funds.	
Net expense on premium discount and exchange	\$881,000
Decline in taxation revenues in common with other countries.	
Post office revenues will show increase of	\$1,500,000
due to raise in postage rates and use of stamps for excise.	
1932 C.N.R. estimates	\$61,500,000
Eastern line requirements	\$5,217,000
Favorable trade balance increases.	
Strength of banking and financial institutions manifested.	
Canada met all external debts on due dates	
Optimism for Imperial Economic Conference in Ottawa.	
Expectation of new trade treaty with France.	

COMPARATIVE STATEMENT ISSUED OF REVENUES AND EXPENDITURES OF CANADA FOR FIVE YEARS

OTTAWA, April 6.—In presenting his first budget in the House of Commons this afternoon, Hon. E. N. Rhodes, Minister of Finance, gave the following table of comparative revenues and expenditures for the past four years and the year just closed. These figures are in thousands, the 000s being omitted in each cash.

	1927-28	1928-29	1929-30	1930-31	1931-32
REVENUES					
Receipts from					
Taxation	\$364,706	\$395,921	\$378,551	\$296,276	\$273,348
Non-Tax					
Revenues	58,012	59,543	62,860	53,311	54,371
Consolidated Fund					
Receipts	\$422,718	\$455,464	\$441,411	\$349,587	\$327,719
Special Receipts	7,129	5,476	4,771	6,622	7,022
	\$429,847	\$460,940	\$446,182	\$356,209	\$334,741
EXPENDITURES					
Ordinary Expenditure	\$336,168	\$350,953	\$357,780	\$389,558	\$378,748
Capital	20,636	22,809	22,561	28,232	16,975
Special	3,566	2,187	9,839	16,789	55,138
Loans and Advances					
Non-Active	18,494	13,646	8,262	5,488	3,390
Totals	\$378,864	\$389,595	\$398,442	\$440,057	\$454,246

EXPENDITURES UNDER UNEMPLOYMENT AND FARM RELIEF ACT TOTAL SEVENTY MILLION DOLLARS

OTTAWA, April 6.—The total expenditures for works under the Unemployment and Farm Relief Act were \$70,469,675, Hon. E. N. Rhodes, Minister of Finance told the House of Commons this afternoon in presenting his budget, of which the Dominion share was \$26,586,763. The works were divided among the provinces as follows:

Province	Total Works	Dominion Share	Prov. & Mun. Share
Prince Edward Island	\$ 272,250	\$ 125,000	\$ 147,250
Nova Scotia	2,546,869	999,923	1,546,946
New Brunswick	1,911,870	749,692	1,162,178
Quebec	14,612,975	4,643,808	9,969,167
Ontario	27,869,177	8,790,833	19,078,344
Manitoba	6,665,495	2,931,987	3,733,508
Saskatchewan	5,519,843	2,759,922	2,759,921
Alberta	5,171,235	2,585,612	2,585,623
British Columbia	5,999,971	2,999,986	2,999,985
Totals	\$70,469,675	\$26,586,763	\$43,882,912

FINANCE MINISTER LOOKS TO IMPERIAL ECONOMIC CONFERENCE FOR LEAD IN RETURN OF PROSPERITY

WILL COMPLETE GRANBY-MAGOG HIGHWAY WORK

**Despite Drastic Cuts in Estimates
of Road Department, Work on
Important Thoroughfare Is to
Be Continued.**

MONTREAL, April 6.—The principal new construction to be undertaken by the Government this year is the completion of the Granby-Magog section of the Sherbrooke-Montreal highway, Hon. J. E. Perrault, Minister of Roads, said yesterday. The new construction programme has had to be considerably curtailed due to lack of funds.

Naturally, Mr. Perrault said, this means that fewer men will be employed than was the case last year, but there should be plenty of farm work in the province to help out. The lack of snow this winter has put many of the highways in a worse condition than that of last winter, he remarked, and a good deal of attention will be necessary to put them in good shape.

"I appeal to the innate sense of courtesy of motorists this summer I hope they will not indulge in road-hogging. They must not forget that Quebec has speed laws and that the stopping of railway crossings is to be rigidly enforced. I have given particular instructions that truck and auto buses are not to travel at excessive speeds. They have been very much of a public danger, not only to others but to their occupants. I am quite determined that this menace shall cease and intend to punish offenders not only by a fine, but by the cancellation of their licenses. Tourists find the province an ideal place for a motoring holiday and there must be nothing in the actions of drivers to give them cause to feel they are not perfectly safe. It only requires a little consideration for others to bring about the state of affairs I desire."

Mr. Perrault is going to continue his educational work with the object of having legislation passed making it compulsory for all licensed drivers to carry lights. The trouble at the moment, he indicated, was with the farmers. They feel that, if they are compelled to carry lights and an accident happens nevertheless, they will be saddled with the whole blame. Mr. Perrault would like such law to be enforced in the province.

HIGHER RATES FOR TOBACCO BEING SOUGHT

British Empire Tobacco Federation Decides to Frame Proposals for Submission to the Chancellor of the Exchequer.

LONDON, April 6.—The first bid for higher preference rates for Empire-grown tobacco was made at yesterday's meeting of the British Empire Tobacco Federation. It was decided to frame proposals for submission to the Chancellor of the Exchequer in connection with the Imperial Economic Conference to be held at Ottawa.

Chief Empire tobacco imports to Great Britain come from Southern Rhodesia and Canada, while tobacco is produced in various other parts of the Empire.

EARTHQUAKE RECORDED
SHANGHAI, April 6.—An earthquake which lasted several seconds shook the cities of Hankow and Nanking this evening.

THE WEATHER

FAIR, NOT MUCH CHANGE IN TEMPERATURE

Pressure continues low off the Nova Scotian coast and a trough of low extends from Manitoba southward to New Mexico, while pressure is high in Ontario and the Western Provinces, rather cold farther east, with sleet and rain in the Maritime Provinces.

Forecast: Moderate northerly winds; fair tonight and Thursday; not much change in temperature.

New England States: Partly cloudy tonight; slightly cooler in southwest portion. Thursday partly cloudy and cooler.

Temperature yesterday: Maximum 47, minimum 9.
Same day last year: Maximum 45, minimum 25.

Some One Nation or Group of Nations Must Assume Leadership and Point the Way to Economic Improvement, Declares Hon. E. N. Rhodes in Budget Speech in House of Commons—Hopes for Early Renewal of Trade Treaty With France—Federal Debt Increased \$119,505,000 in Year.

OTTAWA, Ont., April 6.—Canada's increase in debt for the fiscal year just ended is \$119,505,000. Of this total only \$51,024,000 arises from the excess of ordinary expenditure over ordinary revenue. Special expenditures, including \$49,282,000 for unemployment relief and wheat bonus totalled \$55,138,000. These statements were outstanding features of the budget speech of E. N. Rhodes, Minister of Finance, in the House of Commons today.

The net result of the accounts for the year were summarized by the Minister in the following brief paragraph:

"With ordinary revenues of \$327,719,000 and ordinary expenditures amounting to \$378,743,000," Mr. Rhodes declared, "the resulting deficit on ordinary account is \$51,024,000, which has occurred as a consequence of the decreased yield from taxation and notwithstanding the reductions made in expenditures. Special expenditures, including \$49,282,000 for unemployment relief and wheat bonus as previously detailed, total \$55,138,000. As an offset to this amount, \$7,022,000 was received in special revenues, leaving a balance not provided from income of \$48,116,000. In addition, there are the capital expenditures of \$16,975,000 and loans and advances non-active of \$3,390,000. The amount, therefore, of the increase in debt for the year is \$119,505,000."

It was the first budget speech of the Minister of Finance. It was likewise the third budget brought down by the Bennett administration. Crowded galleries marked the occasion. On the floor of the chamber every seat was occupied as the former Premier of Nova Scotia, with the mantle of Minister of Finance on his shoulders, filled the role which had been held by other Maritime sons—Tupper, Tilley, Fielding and his own chief-tain, Prime Minister R. B. Bennett. Long before the hour scheduled for the opening of the House groups of people began to gather for admission.

And before he had proceeded far, the Minister gave notice that it was the intention of Canada to "face our problems with determination and at whatever sacrifice, fully meet our obligations, balance our budget and preserve our national credit in the eyes of an observant financial world."

Striking a note of vigorous optimism, Mr. Rhodes exclaimed at one stage, as the plaudits of the members rang forth, "May I say I do not propose to indulge in prophecy. But I do desire to record my firm conviction that we are not far removed from events which will herald the dawn of better days, that these qualities of courage, resourcefulness and thrift which characterized our forefathers are not lost to the present generation, that our struggles and difficulties of today will serve as a challenge to greater effort on the part of governments and people to the end that Canada will be found in the vanguard of those nations who successfully emerge from the greatest testing time in modern history."

Of the coming Imperial Economic Conference, the Minister spoke in terms of the highest hope and confidence. "While the world is close knit today in matters of trade and finance as never before in its history," he asserted, "and we cannot expect normal or prosperous conditions apart from the general world trend—nevertheless some one nation, or group of nations, must assume the leadership and point the way."

The Minister paused and then continued: "To that end an opportunity is afforded to the representatives of the British nations, whose representatives will assemble in Ottawa at the Imperial Economic Conference in July next. If the members who assemble here meet in an atmosphere charged with determination to approach their deliberations from the viewpoint of mutual advantage, there will result measures which will give a marked stimulus to Empire trade. And while these measures are primarily designed to stimulate trade within the Empire, they will release forces and establish currents which may well flow beyond our borders to the eventual benefit of the world at large."

To his predecessor in office—the Prime Minister—Mr. Rhodes paid tribute. "The time for the 1931 Conversion Loan was admirably chosen," he declared. "Its execution was attended with outstanding success, and its effect upon our financial position has been marked. That this is so is due entirely to the vision of the Prime Minister whose conception it was and under whose guidance it was conducted. The total expenses in connection with the Conversion Loan was slightly over one-half of one per cent."

YEAR'S FINANCIAL OPERATIONS ARE GROUPE UNDER FIVE HEADS BY MINISTER OF FINANCE

OTTAWA, Ont., April 6.—The review of the year's financial operations would be under five headings, Mr. Rhodes informed the House. These were as follows: (1) A brief reference to events which have so profoundly disturbed international finance and the consequent reactions on our own situation.

(2) The financial operations and accounts of the Dominion for the fiscal year ended March 31st, and in this regard it will be understood that the figures are not final but represent the closest estimates that can be made.

(3) Canada's trade and commerce. (4) The estimated revenue and expenditure for the fiscal year 1932-33, and (5) Ways and means for securing the revenues required to meet the estimated expenditures.

He proceeded to a brief review of the past year. "I had," the Minister said, been "replete with financial difficulties and problems, many without precedent." Canada, in common with other nations, was in the midst of a period of declining prices and diminishing revenues.

The proposals of President Hoover for a moratorium were touched on. The steady withdrawal of gold from countries whose reserves had already been reduced led to the cessation of the use of gold as a medium of exchange and its hoarding. Finally, said Mr. Rhodes, the world was startled by the announcement on September 21 last that Great Britain had been forced off the gold standard.

These events, and others following upon them, had been reflected in the position of Canada. "It goes with-

IRISH REPLY RECEIVED BY CABINET

LONDON, April 6.—The reply of the Irish Free State government to the recent British note regarding abolition of the oath of allegiance which the land annuities was received here this morning.

It was considered improbable however, any intimation of its contents would be given until it is considered by the cabinet, after which J. H. Thomas, Secretary for the Dominions, probably will make a statement in the House of Commons.

TWO RUSSIAN YOUTHS TO FACE A FIRING SQUAD

Death Penalty Imposed After Both Men Had Admitted They Attempted to Assassinate Official of German Embassy.

MOSCOW, April 6.—Death before a firing squad faced Judas Stern and Sergei Vassiliev today, two Russian youths convicted of attempting to assassinate Dr. Fritz Twardowski, counselor of the German Embassy.

The death penalty was imposed by the Soviet Supreme Court after a two-day trial during which the two young men confessed they shot the German embassy official. The penalty was demanded by Nikolai Krilenko, Soviet Russia's "relentless prosecutor."

During the trial Krilenko sought to link Stern and Vassiliev with an anti-Communist organization in Poland, which, he said, once marked for death Michael Kalinin, president of the Soviet Union.

The prosecutor drew an admission from Vassiliev that the latter had been influencing Stern to "make the assassination attempt." "I am morally bound not to involve others," he said.

DAUGHTER WAS BORN LAST NIGHT TO GLORIA SWANSON

Noted Screen Actress Has Been in London for Some Time With Her Latest Husband, Michael Farmer.

LONDON, April 6.—A daughter was born last night to Gloria Swanson, motion picture actress. Miss Swanson has been in London for some time with her husband, Michael Farmer.

Mr. Farmer said the mother and child were both "very well." He and his wife, who had been staying at a hotel, moved into a Mayfair house on Monday.

Miss Swanson and Farmer, wealthy Irish sportsman, were married secretly at Elmsford, N.Y., last August. Their wedding was not announced until November 6th, when it was disclosed by the officials who issued the license and performed the ceremony.

The couple had another wedding ceremony at Yuma, Ariz., on November 9th, after Miss Swanson's decree of divorce from the Marquis de la Faisne de la Courtray became final. She has another child, Gloria, now ten years old, the daughter of Herbert Somborn, California executive of Chicago and California, who was Miss Swanson's second husband.

Her first husband was Wallace Beery, motion picture actor.

MOUNT EVEREST IS DESCRIBED BY NOTED SPEAKER

Enthusiastic Audience in Convocation Hall of Bishop's University Listened to Instructive Address by Capt. John B. Noel.

The attempt to overcome nature's last major challenge to man—the ascent of the yet undefeated Mount Everest—was graphically described last night by Capt. John B. Noel, official photographer of the Mount Everest Expedition, to an enthusiastic audience in Convocation Hall at Bishop's University under the auspices of the National Council of Education.

In the first half of his story the noted explorer dealt with the beauty of Kashmir, "The Paradise of the Earth," augmenting his address by moving pictures and colored slides which show him to be a Master-photographer. The habits and industries of the Kashmiri people, including the making of pottery and the production of wool, as well as impressions of the Taj Mahal, famous as the world's most perfect piece of architecture, were thus pictorially expressed.

Since thirteen lives have already been sacrificed in the struggle to arrive at the summit of Everest, it was pointed out by Capt. Noel that "the attempt was more than a mere sporting proposition," but was indeed the expression of man's innate desire to be master of all he surveys. Base-camps must be established at intervals, ever and ever higher, it was discovered, in order that the final attempt to surmount the 29,000 foot monster be made from a distance short enough to preclude the possibility of being overtaken by nightfall, or of running short of the life-giving oxygen so essential at such high altitudes. Interesting pictures were taken at long range by means of special telescopic lenses, including the last sight of Mallory and Irvine as they disappeared forever only eight hundred feet from their goal. In concluding his remarks, Capt. Noel stated that we all have problems in our lives comparable to the struggle to scale Everest, and that by showing the same pluck and determination exhibited by the members of the expedition we can overcome them, even and ever higher, it was announced, we can help to bring about the progress of mankind.

The speaker was thanked by Dr. E. E. Boothroyd, vice-principal of the University.

MONTREAL, Que., April 6.—"Reductions on a sliding scale, ranging from eleven to three per cent, in the salaries of the professional, administrative and maintenance staffs of McGill University will be put into force on June 1, for as short a period as possible," it was announced following a meeting of the Board of Government here.

The higher salaries will receive the largest percentage cut. It was also announced that students' fees will probably be raised in the near future.

POLICE SAY FREDERICK APPLETON CONFESSED TO MURDER AT MILBY

Employee of Alberic Couture, Brutally Slain in His Home at Milby, Placed in Custody Last Night Following Investigation by Sherbrooke Authorities—Provincial Detectives Reach Scene of Crime—Inquest Tonight.

FOLLOWING his arrest by the Sherbrooke police in this city early this morning, Frederick Appleton, twenty-eight years old, is alleged by provincial detectives to have confessed to the brutal killing of Alberic Couture, forty-one-year-old resident of Milby.

Appleton confessed to the crime, detectives say, after a grueling cross-examination which lasted four hours, giving robbery as the motive.

Alberic Couture was discovered murdered in his home at Milby yesterday morning. His battered body was found on the floor of his blood-stained bedroom, wrapped up in many blankets. A wrench, still wet with blood, lay near the body of the murdered man, and it was apparent that this implement had been used to commit the crime.

Appleton, who had been employed by the murdered man, had been seen by Milby residents on the night previous to the discovery of the crime, but had mysteriously disappeared yesterday morning. Pending the arrival of the provincial police, who did not reach the scene of the murder until late last night, the Sherbrooke police conducted a search for the missing man.

Appleton was placed in custody by Captain J. A. Prunier and Constables W. Vachon and J. Thibierge. The man was found in a local hotel and went quietly with the police authorities. To the rapidity with which the local police located the man much credit is due. As soon as word was received at headquarters that Appleton had been seen in this city, the district was quickly combed, and the man placed in custody within a few hours.

Provincial detectives Auguste Guyon and Henri Fournier, accompanied by two finger print experts, Detectives Ritcher Danis and Raoul Nolin, and Dr. Rosario Fontaine, medico-legal expert of Montreal, arrived in Sherbrooke at ten o'clock last evening, and immediately proceeded to Milby. Upon their return to this city they learned that Appleton had been located and forthwith began an interrogation which they say resulted in Appleton's full confession.

Detective Guyon said this morning that Appleton admitted having killed Couture following an argument between the two men in connection with the paltry sum of two dollars—two weeks' salary which Appleton claimed, Couture owed him.

According to Detective Guyon, Appleton declared, after a long, severe cross-examination, that he had attacked Couture in his room as the latter was about to retire. He killed Couture with a heavy monkey wrench and then wrapped up the man in bed clothes. Apparently Appleton did not realize the Couture was dead, and he did this to prevent an outcry on the part of the unfortunate man while he, Appleton, made his escape.

Appleton, the detectives allege, said he walked from Milby to Lennoxville. The murder had been committed between the hours of ten-thirty and twelve. Having reached Lennoxville, Appleton took a taxi to Sherbrooke, where he rented a room for the night. The following morning he rode by taxi to Magog, where he spent the day. At four o'clock he started to walk back to Sherbrooke and was within a few miles from this city when he was given a lift by a car at a local hotel, where he was located by Captain Prunier and his men.

Couture was a weak man, suffering from severe paralysis, but he was galvanized to sudden strength when attacked in his room. This is evident by the fact that disorder which prevails in the small chamber where the man was battered to death "Appleton said that Couture put up a strong fight when he attacked him." Detective Guyon said this morning.

When he was arrested, Appleton is said to have been on Couture's clothes, with the exception of socks and shoes. His own trousers and shirt were found upstairs in the room of the murdered man. He had about eighty dollars on his person.

Frederick Appleton is well known in this district. He comes from A. Gershot, England, and had been in this country since 1919.

Dr. Rosario Fontaine, medico-legal expert of Montreal, conducted an autopsy upon the body of the murdered man this morning, while the detectives investigated the scene of the crime. A number of finger prints were photographed, clear, incriminating ones having been found upon pieces of glass from the broken oil lamp.

The inquest will not be held until this evening. Coroner Bachand was called to St. Marie de Beauce this morning, and will not return until tonight. The inquest will be held at Milby, the house where Couture was murdered.

Standing in the ghostly shadows of lantern-light, a small crowd of people, including the brother and nephew of the deceased, acquaintances from Milby and strangers drawn to the scene of the crime through morbid curiosity, last evening awaited the arrival of the provincial police and further developments in the sensational case.

But the hours dragged by and the provincial police did not arrive. A military policeman from the Sherbrooke force stood outside the building, within which was the mutilated body of Alberic Couture. A few scattered stars alone in the heaven above, but the night was dark and the swaying lamps as the owners came and went threw weird shadows against the building. Many cars arrived upon the scene, remained for a short while, and then departed, but apart from the movements of these vehicles and the guarded undertone of men's voices, a dead silence reigned, a silence that intensified the grimness of the situation and the ugliness of the crime that had been committed within the dark, gloomy-looking building.

Low voices could be heard speaking of Alberic Couture, the victim of the brutal slaying, whose body was found on the floor of his bedroom, wrapped up in blood-soaked bed clothes. Nothing in the house had been touched. A considerable number of people were on guard all day and prevented anyone from entering, except the au-

HOPEWELL FOLK EXPECT RETURN OF YOUNG BABE

Colonel Charles Lindbergh Appeared Cheery Yesterday, Which Led Villagers to Believe that He Had Good News.

HOPEWELL, N. J., April 6. — Optimism — unexplained but insistent — coursed through this hill village today as reports went the rounds that the Lindbergh baby would be home soon.

Neither the police nor any one else in authority would sponsor the expectation. Villagers drew deduction from the cheery mien of Col. Charles A. Lindbergh as he turned out yesterday, cedar brand in hand, to help battle a brush fire that menaced his home on Soudland Hill.

Others recalled that he was cheerful and unworried shortly before he took off for Paris and said you couldn't tell from looking at him what he was thinking.

Lights gleamed in the home last night. The state police force quartered at the estate was being diminished, despite an announcement by Col. H. Norman Schwarzkopf, its leader, that no one had requested withdrawal.

The air of hope rested ultimately, however, on two mysterious aeroplane flights Col. Lindbergh made over Martha's Vineyard and adjacent waters of the Massachusetts coast, in a reported attempt to establish contact with a small yacht.

The fact that lights have been seen in the nursery from which twenty-one-months-old Charles A. Lindbergh, Jr., was stolen on March 1st, also fed the flame of hope, as did the continued absence from his Norfolk home of John H. Curtis, one of three intermediaries who believe they have established contact with agents of the kidnappers.

But police said they were unaware of any reasons to think prospects had brightened.

The island of Martha's Vineyard was a centre of interest again yesterday. Not many miles off shore five coast guard vessels hovered, while an amphibian, like the one fishermen said they saw Lindbergh piloting on Sunday, flew over Nashawena Island.

Later a dragger, believed to be the Alva, steamed past Martha's Vineyard. A civilian was said to have boarded this craft on Sunday, and this was linked with the visit of the plane.

Mystery still marked the visit to Great Britain of Major Charles H. Schoeffel, of the state police. Instead of going to Glasgow, as he was reported intending to do, he stayed in London yesterday. In Glasgow lives the mother of Betty Gow, the baby's nursemaid.

Col. Schwarzkopf disclosed that investigations abroad showed that none of the Lindbergh servants had any criminal record before coming to this country.

DEATH CLAIMS A WELL-KNOWN COATCOOK MAN

Mr. Michael Dougherty Dropped Dead Yesterday Afternoon Shortly After Returning to His Work After Partaking of a Hearty Dinner.

COATCOOK, April 6. — Coatcook was deprived by death yesterday afternoon of one of its best-known and highly respected citizens in the person of Mr. Michael Dougherty, who dropped dead shortly after returning to his work.

Mr. Dougherty, who was one of the senior employees in the Penman's Limited plant and had worked at the same mill for over fifty years, returned to his home on usual yesterday noon, partook of a hearty dinner and was apparently in the best of health. Shortly after one o'clock he returned to the mill and complained of feeling ill. Medical aid was summoned, but before the doctor had arrived Mr. Dougherty had passed away.

Mr. Dougherty, who was in his seventy-fourth year, was a valued employee and was universally loved by his many business associates and friends. His family of large circle of friends, although he had never held public office, Mr. Dougherty always maintained a lively interest in Coatcook's progress. The deceased was a man of fine character and principle, and his sudden death shocked and grieved the entire community.

Mr. Dougherty leaves to mourn his sudden passing his wife, one Miss Sarah Shaw, of Coatcook; one daughter, Dorothy, wife of Customs Officer B. B. Smith, of Coatcook; and two sons, Messrs. John Dougherty, of Newport, Vt., and Norman Dougherty, of this place.

The funeral which will be attended by the Oddfellows, will be held at Christ Church, North Coatcook tomorrow afternoon at three-thirty o'clock immediately after the funeral of Benjamin A. Sisco, who will be buried from the home of his sister, Mrs. A. A. Hopkins, at two-thirty o'clock.

BOSTON, Mass., April 6. — Federal inspectors of steam vessels investigating the collision of the coast guard cutter Aquanet and the four-masted schooner George W. Elzey, Jr., in Nantucket Sound on February 27, yesterday placed responsibility for the collision on Captain M. H. Kroeger, of the sailing craft.

The inspectors found Captain Kroeger at fault because the schooner's lights were not visible.

FINANCE MINISTER LOOKS TO IMPERIAL ECONOMIC CONFERENCE FOR LEAD IN RETURN OF PROSPERITY

(Continued from page 1)
This gold has been used to meet obligations in New York and has been sufficient to keep the Dominion out of the exchange market and at times to provide external gold funds for the National Railways and provinces. From the viewpoint of Canadian commerce, the policy was generally advantageous.

"With respect to the internal situation, the needs of industry, of crop-marketing agencies and of public bodies harassed by falling revenues, made it obligatory that credit facilities in Canada continue to operate smoothly and at reasonable cost to borrowers. Also it was imperative that there be no flight from the Canadian dollar through fear of inflation. This could be accomplished only by maintaining domestic confidence and by preserving a reservoir of credit which could be drawn up to meet any external crisis."

The Minister successfully accomplished under a policy of reserve, by the order-in-council of October 1st, which, while maintaining the redemption rights under the Dominion Notes Act, permitted the expenditure of gold only under license issued by the Minister of Finance to charter the Dominion Note of October, the note issue, including those issued under the Finance Act, was \$144,468,871, and the gold holdings represented over 45 per cent of the face value of the issue. On the 19th of March, 1932, the issue, including those issued under the Finance Act, was \$142,896,193, and the gold holdings represented over forty-five per cent.

"The number of licenses issued to March 1st was 182, representing to the value of \$2,896,566. Of this amount, \$859,286 was on the Dominion's account, being gold purchased from the mines. The balance was the property of miners, banks and individuals who deal in gold."

"Well may Canadians look back with satisfaction over what has been accomplished. An external debt has been met on the dates. The \$72,000,000 principal amount of external debts, payable by the public bodies of Canada and maturing before March 31st, was provided for partly by repayment of the sum of \$101,322, which date only \$33,000,000 for the final amount is represented by debt owing abroad, and this balance is so arranged that orderly redemption can be carried out without embarrassment. The holders of Canadian securities with obligations for external payments have received their eighty millions of interest as it became due."

"This accomplishment, together with the strength of our banking system and stability of our financial institutions generally, has contributed greatly to the return of confidence, as exhibited in the improvement of the Canadian dollar in the exchange market, and in the higher quotations for Canadian public securities."

The Finance Minister then turned directly to the financial situation. He dealt first with revenues for the fiscal year 1931-32, which ended on March 31st last. In common with all other countries, Canada had experienced a marked decline in taxation revenues. Of the major sources, the income tax alone had brought in approximately the sum estimated at \$61,000,000 even. Customs receipts had fallen to \$102,800,000 as compared with \$131,209,000 in the fiscal year 1930-31. Total receipts from taxes would show an increase from \$20,784,000 in 1930-31 to \$41,271,000 in the year just closed. Sales receipts consequently were almost doubled. The Minister's table also indicated an increase of approximately \$5,900,000 in the returns from stamps and transportation taxes, the total amount collected last year being \$18,600,000.

Public service revenues were then dealt with by the Minister. "Collections from the various services," he said, "it is estimated, will total \$54,000,000. Post office, which is the major contributor under this head, will show an increase of \$1,500,000 over the year 1930-31, and because postage stamps may now be used for certain excise stamp taxes. The post office revenues are estimated at \$31,742,000, as against expenditures estimated at \$34,550,000. This does not include disbursements made by other departments on account of post office, nor does it, on the other hand, give any credit for handling the mail of the various branches of the public service free of charge."

Interest on investments, being payments from harbour commissions, boards, etc., financed by way of loans from the Dominion, and including the regular payments by Roumanian on its loan, is estimated will total \$10,000,000. In this is included the interest paid by the chartered banks for advances under the Roumanian loan. It is estimated will amount to \$3,600,241, as compared with \$59,924 last year."

The Minister then turned to a review of the ordinary expenditures of Canada for 1931-32. He said: "The ordinary expenditures for the year are placed at \$378,700,000, which is approximately \$19,000,000 less than was estimated. The expenditures on services for which provision is made annually by vote actually were \$25,000,000 less than the amount authorized by Parliament. On the other hand, certain statutory expenditures, such as subsidies to provinces, old age pensions and exchanges, exceeded the estimate by \$6,900,000."

"Over \$2,635,000 was in connection with exchange, mainly the premium on gold purchased from the mines. This expenditure was largely offset on the one side by credits totalling \$2,248,000, resulting from the sale of New York Exchange and the discount on sterling purchased to meet London requirements. A further credit of \$506,000 was realized in the purchase below par of sterling securities for sinking funds, which made a net expense for the year on premium, discount and exchange of \$881,000."

The amount voted for capital expenditures for 1931-32, proceeded from Mr. Rhodes, was \$13,861,000. Of this sum it was estimated \$16,975,000 had been spent during the year. This was appreciably smaller than in the preceding fiscal year when expenditures on capital account were \$23,200,000. The principal items of expenditure were: Hudson Bay Railway, \$5,215,000; Welland Canal, \$2,940,000; St. Lawrence River channel dredging, \$4,200,000 and the Research Building at Ottawa \$1,700,000."

The government had been forced to make certain special expenditures, and with respect to these, Mr. Rhodes made the following reference: "It is estimated that special expenditures will amount to \$55,100,000, as compared with \$16,789,000 on this account in the previous year. The chief items are wheat bonds and unemployment relief."

"The wheat bonus will cost \$11,000,000 as compared with the estimate made originally of \$7,000,000, the increase being due to the fact that the crop proved to be greater than was anticipated."

Turning to expenditures under the Unemployment and Farm Relief Act, the Minister presented tables showing the expenditure by provinces and indicating the share of the Dominion, the provinces and the municipalities.

"For direct relief," the Minister continued, "the Federal contribution chargeable to the 1931-32 accounts is estimated at \$3,957,000, the major part of which applies to the drought areas in Saskatchewan. To sum up, these special expenditures for unemployment and farm relief in the fiscal year 1931-32 will be \$13,250,000 under the legislation of 1930, and \$25,000,000 under the legislation of 1931, a total of \$38,250,000, and the balance of the drought areas in Saskatchewan, the next fiscal year will be \$16,000,000, not including provision for direct relief beyond the actual disbursements mentioned above. The latter requirements are difficult to estimate, as they are governed by the different conditions of the situation in the different provinces. It requires a considerable period after the actual relief payments are made for the accounts for the Dominion's share to reach Ottawa."

"Having dealt with expenditures for unemployment and farm relief, it was appropriate, on the subject, to refer to further assistance rendered to Provincial Governments by way of loans. It is a matter of common knowledge that for some months various provincial bodies have been unable to issue securities on the New York market, where they have had obligations falling due. In order to protect the credit of Canada as a whole, temporary assistance was given to certain of the provinces in meeting their obligations, but in no instance was the government undertaking the role of banker to the provinces. The redemption of maturing provincial debts in New York until it was satisfied that every other avenue had been diligently explored by the province without success. The sums \$11,377,199 under this head total \$11,377,199. The Dominion loaned, where they have had obligations falling due. In order to protect the credit of Canada as a whole, temporary assistance was given to certain of the provinces in meeting their obligations, but in no instance was the government undertaking the role of banker to the provinces. On Display Today

The New Ford V-8 Cylinder

THE INTRODUCTION of the New Ford Eight marks one of the most important events in the history of the automobile. To millions of motorists it brings a wholly new standard of value in low-price car.

When you see the New Ford Eight and drive it, you will realize that it is the complete answer to your motoring needs. Here are beauty and safety and comfort. Here are exceptional speed and acceleration, the smooth-flowing power of an eight-cylinder engine, reliability and economy. Here are silent second speed and silent synchronized gear shifting. Here, in a word, is all you desire in a motor car at an unusually low price.

The beautiful New Ford V-8 is now on display in this city. There is also an improved Ford four-cylinder 50-horse-power engine operating with new smoothness. It is available in the same fourteen body types as the V-8.

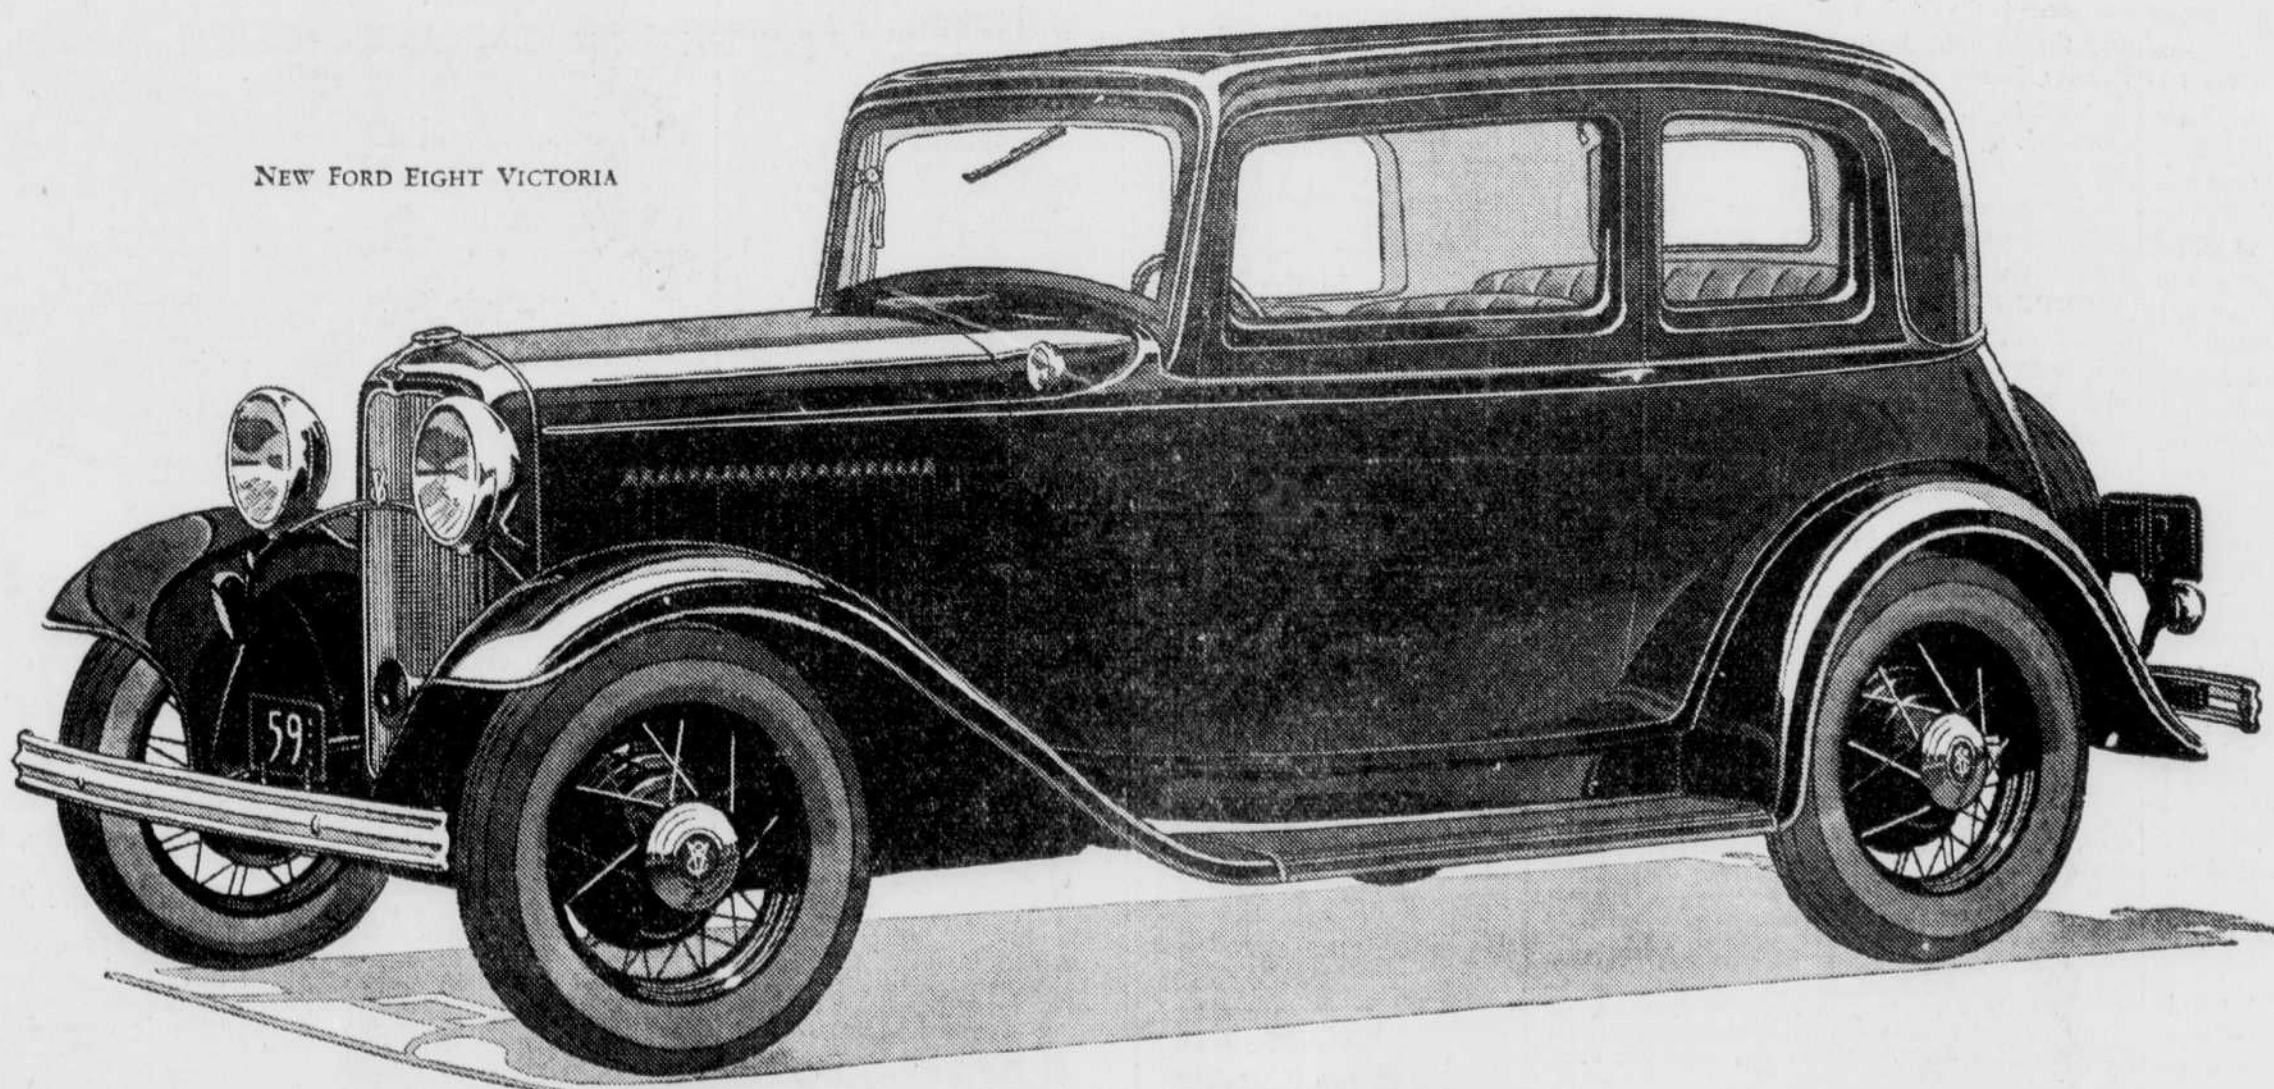

NEW FORD PRICES

THERE IS NO DEATH.

Grenville Kleiser.

"Death? There is no death,
Successor from earthly strife
Is just a simple step
Into the larger life.

"Death? There is no death.
A task, a sigh, a tear,
Then comes transition
Into the perfect sphere.

"Death? There is no death.
A broad and open door
Through which you gently pass
To life for evermore."

DISMISSAL OF POSTMASTERS.

"Yes, commissioners' report found postmaster guilty of active political partisanship." This reply to enquiries about the dismissal of postmasters throughout Canada has been given by the Postmaster-General in the House of Commons quite frequently, too frequently, in fact.

The Minister does not reflect that such a dismissal is also an act of political partisanship, and that in dismissing an official he becomes equally guilty of the offence. Reprisals of this sort do not pay the party. When an enquiry is made in such cases, the commissioners are usually partisans, and as such are not fit to be judges.

It is peanut or post card politics, and there is no justification for it in the counter charge that ex-Postmaster-General Veniot was also guilty of the same offence.

It should be sufficient to advise and to reiterate advice to government officials that when once they accept office they should observe a masterly inactivity in all political matters, and refrain from taking part in any political questions, more particularly after the dissolution of Parliament. They are public servants, and as such should not even be drawn into political discussion. This is akin to a gentleman's agreement.

Yet to indulge in petty politics of this sort where postmasters receive small salaries of \$400 or thereabouts, should be a matter beneath the dignity of the head of any department. It would be easy to put a stop to it if a full stenographic report of the Postoffice enquiry were made public, and the informants and their tools were given a meed of publicity in each district affected.

Still, the wise office-holder ceases to have politics, for a still tongue is always his best asset.

THE FIRST IMPERIAL CONFERENCE

Harking back some thirty-eight years Prime Minister Bennett referred to the first Imperial Conference held in Ottawa in 1894, when the late honorable Sir Mackenzie Bowell was enjoying a brief tenure of office as the Premier of Canada.

The chief matter of discussion at the Conference was the establishing of an Empire cable service, and with Canada it was the launching of an all-round steamship service around the world, with a subsidized line of boats from Vancouver to Australia. Mackenzie Bowell toured the country to explain this first effort in Empire unity, and visioned the beginning of a movement which may culminate at Ottawa in drawing closer the bonds of commercial union within the British Empire.

Though we may not always live to see the full fruition of our hopes and ideals, many men can take solace in the thought that, as did Sir Mackenzie Bowell start things, the Canada-to-Australia service was launched, and though it was a losing venture at first, it was backed by private capitalists who ultimately found it profitable.

Every big thing has its little beginnings. Listening to Mackenzie Bowell at a meeting of the Canadian Club in Toronto many years ago, we learned to be proud of the name of "Imperialist," which some small politicians think is an epithet.

DAWDLING ALONG IN THE WAY OF THE BABBLING BROOK.

The Beauharnois power project must not be crippled by government intervention nor destroyed by public or political operation. Because a few financial buccanniers were grossly prodigal with the funds raised so easily from a \$30,000,000 bond issue does not detract from the soundness of the installation.

Failure of all adventures in public ownership, and the frantic efforts to cover up the recurrent deficit by secrecy and through insidious methods of accountancy, have reached the limit. Clever young cashiers have carried on in this way for years before being found out.

Only the man who looks at business in the superficial way, or with a total lack of understanding can continue to believe in the economy of public ownership. It is simply a transfer of the burden from one shoulder to another when it appears to break even.

The municipality is out its taxes, and the property becomes another of the iniquitous exemp-

tions, which shift their share of the taxes to the private owners.

Burning their fingers badly on public operation of United States railways fifteen years ago the Washington Congress dropped it like a hot potato, but we in Canada are still in the trance state caused by the staccato shriek of "Hands off the C.N.R.!"

British Columbia is trying to sell its \$65,000,000 provincial railway for \$20,000,000, with no takers.

The greedy Senators who wrecked the good name of the Beauharnois Power development by taking away from its bond funds \$750,000, should be compelled to return the money to the Treasury.

We plod along with unstable finances brought on by almost criminal extravagance, and a full year has passed away without restitution or retribution. But that is just the way all governments diddle-dawdle along in the management of public affairs.

INSURANCE COMPANIES WERE NOT BLAMELESS.

Litigation which was calculated to exhaust the purse and patience of a claimant under the Workmen's Compensation Act was the cause ascribed for the setting up of the Compensation Board. This is an autocratic and absolute tribunal, the decision of which Board is final. To make it the more absolute the Quebec Provincial Government took upon itself the collection of insurance fees based on those already being paid to existing liability insurance companies.

Policyholders in these companies did not voice any strong objection, as research showed that in the payment of legal costs, by litigious clients, too much money was being wasted in court costs.

In cases of liability costs on motor car insurance it might be well for the motor organization to make a similar research and bring to light such insurance companies as are too fond of going into court when claims are made upon policies issued.

There is one company in Montreal, with offices on Place d'Armes Square, which has gained an unsavoury reputation in dodging its losses. In gathering the Insurance Reports from such companies for yearly publication the solution would be to have the reports made of how many court-contested claims were recorded each year, so that the public could avoid the defaulting companies.

Had this method been carried out in connection with workmen's accidents whilst employed we might have avoided the adventure in public operation of insurance, which is a risky undertaking at its best for any government.

EDITOR'S NOTES.

Would it not be a sight for sore eyes to read in your evening paper some day of an influential member of Parliament getting up in the House and telling, actually showing, some of the economies which would reduce taxation by reducing the budget of need? Still, why dream of ghosts, for "there ain't no such animal." The species does not exist. They may dispense such talk on the hustings, but the palatial door of the House of Parliament seems to lead to the halls of extravagance and the worship of the tax guillotine.

Reading over the modern budget reminds one of the man who would pay his debt to you if you would lend him the money to pay it. The Budgeteer is the original gold-digger, and at Ottawa they should make Aggie MacPhail the Minister of Finance, just to complete the simile. Governments do want to sit in the lap of the taxpayer and be spoon-fed.

The man who fans fanaticism into a blaze is always in peril of his own life, and few such men survive the flames of their own fire. All the original Bolsheviks have gone to their reward, and history will record their miserable existence as one leading from the cowardly butchering in a cellar of a whole family. Trotsky is alive, but he is an outcast who is sick of life.

Temperamental is the polite name for laziness, whether it be mental, physical or washing dishes.

THIRTY YEARS AGO TODAY

From the Files of the Sherbrooke Record.
April 6th, 1902.

A successful sale was held by the Sunshine Society, the proceeds being used for the purchase of fruit for the boys of the Sherbrooke Reformatory. Musical numbers were given by Master Forbes Hale, Misses Mary Hale, Claire Streeter, Idell Hubbard, Olive Spearling, Maybird O'Neil, Jean McLeod, Stella Spearling, Clara Webster and Kate Lawrence.

A eucharist party in aid of the Protestant Hospital was held in the Art Hall, the guests being received by Mrs. T. J. Tuck and Mrs. E. J. Williams. The prizes offered were won by Mrs. L. S. Channell, Miss Emily Bradford, Mrs. Royer, Kenneth Robertson and L. A. Bayley.

At St. Patrick's Church the marriage took place of Miss Katherine Tracy, daughter of the late James Tracy, to Gustave Richard, Rev. P. J. Tracy, of Pembroke, Ont., brother of the bride, officiated at the ceremony.

At a meeting of the Protestant School Commissioners, the resignations of Misses Gertrude MacLagan and Marie Louise Dupuy from the teaching staff of the Kindergarten department were accepted with regret.

Paul Kruger publicly announced at Cologne that before any plans for peace in South Africa were considered the Boers must be assured of complete independence.

A checker tournament for the championship of the Eastern Townships was held at Scottstown, with a large number of entrants. The first prize, a gold medal, was won by Rev. Father Maitais, of Sherbrooke.

Rev. E. C. Fiset officiated at the marriage of Miss Maria Stenson, daughter of M. T. Stenson, Collector of Customs, to Frederick D. Hewett, a large number of relatives and friends being present.

C. K. Bartlett left to reside at Gorham, N. H., having taken a position as telegraph operator for the Grand Trunk Railway at that point.

Social and Personal

Members of the Lennoxville Women's League of St. Andrew's Church met yesterday afternoon at the home of Mrs. Robert Ray, Warren street, Lennoxville. During the business session, Mrs. James McKelvie occupied the chair and the usual routine work was disposed of. After the meeting a pleasant social hour was enjoyed, when the hostess, assisted by Miss Doris Ray, served delicious refreshments.

A very enjoyable card party was given last evening under the auspices of the Seventh Troop Boy Scout Mothers' Auxiliary at the home of Mrs. S. Robinson, Cambrai street, who with the hostess, Mrs. George Singleton, received the guests. Cards were played at four tables, and prizes were won by Mrs. E. W. Stocks, Miss L. Hodge and Mrs. J. Daniels. At the close of the card party delicious refreshments were served by the hostess, Mrs. Singleton, assisted by Mrs. Robinson, Miss Gladys Riff and Miss Dorothy Robinson. The next meeting will be at the home of Mrs. J. Daniels, McManamy avenue.

Members of the Church of the Advent basketball team were delightedly entertained at supper last evening by St. Agnes' Guild. Under the convener'ship of Mrs. William Peak, assisted by members of the Guild, a sumptuous supper was served in the church hall to members of the team who attended after their class at the Y. M. C. A. The table was attractively decorated in the club's colors of red and white, with streamers and lighted red candles. After supper a social evening was enjoyed, games and other amusements passing the time very pleasantly. A hearty vote of thanks was extended to the Guild for their splendid hospitality, which was greatly appreciated by the members of the team.

There was a good attendance at yesterday's meeting of the Victorian Order of Nurses, Sherbrooke Branch, which Mrs. Andrew Saugster, the president, presided in the V. O. N. room at the MacKinnon Memorial. The minutes were read and the treasurer, Mrs. J. Rosenbloom, reported a small balance on hand, stating that the net proceeds from the exhibition for allowing space and also to Mrs. G. T. Armstrong, Bryant's Ltd., Mr. McAllister, of the 54th Armory, Mr. Price and Mr. Drummond for kind assistance. The monthly nurses' report was given by Miss Dwyane, who stated that the past month had been an exceptionally busy one. There were forty new cases, thirty-one dismissed, nineteen free, 351 nursing and Child Welfare total of 503 visits. The receipts amounted to \$73. Ten clients had been attended and three mothercraft classes held. One nurse has returned to full time, following the voluntary salary reduction made by the nurses to help during the present financial stress. The question of finance was, as usual, of paramount importance and occupied much time at the meeting. Among the various ways and means of raising funds the following were submitted, church collections, a rummage sale early in May, a fashion show by members of the Junior Welfare League and a public concert by the Schubert Music Club, part of the proceeds from which will be for the V. O. N. It was also decided that Miss Dwyane would attend the annual meeting of the Order in Ottawa on May 11th and 12th.

Friends of Mr. F. H. Leech, Queen street, will regret to hear that he is confined to his room through illness.

Mr. and Mrs. Dave Duffy, Drummond Road, are in Megantic, where they were called by the death of Mr. Duffy's father, Mr. James Duffy.

"And Home Came Ted," the sparkling comedy which was so successfully presented on Monday evening under the auspices of the Young People's Society of St. Andrew's Church was repeated last evening, when the church hall was again crowded to capacity. At the close of the performance Mrs. J. R. Graham, who so efficiently directed the play, was called to the stage and given a splendid ovation by members of the cast and the audience, each and every one of whom appreciate her wonderful help and capabilities as directress and stage manager.

Mrs. A. G. Nakash entertained the members of the Ladies' Guild of Plymouth United Church last evening at her home on High street. Miss Vina Brownlow, the president, presided during the business session, when \$10 was voted to the Child Welfare Clinic of Sherbrooke. Reports were presented from the play, "The Ghost Walks," which had been so successfully presented under the auspices of the Guild, and from which the proceeds were most satisfactory. Following the business meeting, a social time was enjoyed, during which the hostess served dainty refreshments, assisted by Mrs. Edgar Kellett and Mrs. Robert Smith, the latter presiding at the attractive table.

The Anglican Young People's Association of St. Peter's and St. Paul's Churches are again busy on their annual contest plays. In a few days they will have their dress rehearsals. At present the players are doing good work and the coming contest should be of the usual high standard. St. Peter's are staging "A Jack for Every Jill," and those taking part are Messrs. J. Quinn, D. Johnson, J. Moore, G. Barlow, Edwin B. Moore, Misses Doris Gardner, Phyllis Taylor and Dorothy Hall. A similar comedy entitled "Popping the Question" will be presented by St. Paul's Y.P.A. with the cast of Messrs. Ronald Smith and John Robinson, Misses Rhoda Oak, Hilda Robinson and Lillian Smith and Mrs. T. H. Year. The third play (non contest) "The Mysterious Parcel" will be played by Mrs. T. H. Year and Miss Lillian Smith.

Mr. C. B. Howard, M. P., finding it impossible to attend the Y's Men's Club meeting tomorrow night, the club has been very fortunate in securing Professor Boothroyd, of Bishop's University, as guest and speaker. During this meeting the team captains and financial campaign workers will be guests of the club. Last evening after the performance in St. Andrew's Church Hall, Rev. and Mrs. J. R. Graham entertained the members of the cast delightfully at "The Manse," Portland avenue. Upon her return from the church hall, Mrs. Graham found a beautiful bouquet of roses awaiting her from the "cast" who took this pleasant way of expressing their

CITY BRIEFLETS

VETERAN C.P.R. OFFICIAL INSTANTLY KILLED

George C. Wells, a veteran official of the Canadian Pacific Railway, was instantly killed near St. Agathe station late yesterday afternoon when struck by the engine of the Montreal-Mont Laurier train. Mr. Wells, who suffered from deafness, was walking alongside the track, and it is believed, failed to hear the approaching train.

ROADS ARE OPENING UP

Navigation is open between Ayer's Cliff and Sherbrooke, for there arrived at our office on Wednesday, Messrs. L. L. Clough and A. H. Slack, who motored down in their limousine just to make a call on the Record and find out when the afternoon mail would resume to bring them their evening paper the same evening of publication.

"L'ALLIANCE FRANCAISE" HEARD NOTED FRENCH LECTURER

The sixth of a series of outstanding lectures arranged for members of L'Alliance Francaise was delivered in the City Hall last evening by Rev. Canon J. B. Audin, of Paris, France, who took as his subject, "The Young French Girl." The speaker presented four portraits of different types of French girls of today, and about these revealed a story of much appeal and interest. The audience listened with rapt attention to the address, which was both instructive and entertaining. During the winter months L'Alliance Francaise have had the opportunity of listening to six outstanding speakers. Last evening marked the completion of the series, which has proved most successful in every detail.

SOCIAL SERVICE ORGANIZATION MET

The problems of carrying relief to many needy families were dis-

cussed at the regular weekly meeting of the Social Service organization held yesterday in the Whiting Block. As usual, a large number of cases requiring special investigation were referred to the committee, while the regular relief was granted to other families.

POULTRY ASSOCIATION ELECTS OFFICERS

Mr. J. P. Grondin was again chosen to head the Sherbrooke Poultry Association at the annual meeting held last night in the offices of

the Sherbrooke Pure Milk Company. The other officers for the coming year were selected as follows: Honorary president, Mr. C. J. Wright; 1st vice-president, Mr. Alfred Roy; 2nd vice-president, Mr. Frank Bradley; secretary-treasurer, Mr. George Lothrop; directors, Messrs. M. T. Armitage, R. Morin, C. J. Wright, J. P. Grondin, A. Roy, Frank Bradley and George Lothrop.

The financial report for the past year as read by the treasurer showed that the funds of the Association are in a satisfactory condition.

midnight.**THE LADS OF TODAY ARE THE
MEN OF TOMORROW**There are the Men of Yesteryears,
the Men of Moment and the Men of
Today, but we will this week have
the pleasure of entertaining the Men
of the Future. Eight two score young
lads who proudly proclaim them-
selves as newspaper boys, who de-
liver readers their copy of the
Record each evening, will dine withthe chief members of the staff at the
Magog House, Friday, April 8th.
Henry Ingram, the man who gives the
Magog the "at home" atmosphere,
has promised thirty growing lads of
the newspaper world a real dinner,
and Chef Gervais, so long the maitre
of the Magog, is taking more care
of the repast than he did when the
present Premier was a guest at the
hotel—in July, '28.It has been said that every Record
carrier boy makes good in the
world, and that many hundreds of
prominent business and profession-
al men boast of the days when they
were important links in a chain of
news which permeates and permeates
to the utmost corners of the world.
Who knows but that one of the
guests of the Record at the Magog
on Friday may be chief editor
within a score of years? For every
boy who keeps his eye fixed on any
map ahead can sit prettily there with-
in two decades.**CORRECTION IN EASTER EX-
AMINATION RESULTS AT
HIGH SCHOOL**Through an unintentional error
on the part of the Sherbrooke High
School officials in preparing for
publication the list of successful
students in the recent Easter ex-
aminations, the name of Miss
Brenda Clowery, of grade X-B, was
omitted.Miss Clowery had the honor of
having the highest percentage of
ninety-one, which was the highest
in the whole school.**FOUND GUILTY OF FALSE
PRETENCES**Joseph Bernard, of Coaticook,
was found guilty this morning in
the Magistrate's Court of obtaining
goods from the store of Joseph F.
LaRoche under false pretences.
The hearing, which was started last
Friday, reached its conclusion this
morning, and sentence will be pro-
nounced next week. Bernard was
charged with obtaining four hun-
dred dollars worth of merchandise
from the LaRoche general store on
the strength of a financial state-
ment which he submitted to the
manager of the Banque Canadienne
Nationale at Coaticook, S. Marcot-
te.The charge of attempted mur-
der against Ernest St. Pierre, of
Lake Megantic, was this morning
reduced to grievous assault, and
the accused entered a plea of not
guilty to the accusation. His hear-
ing was set for next week.She: "I am tired of this hat. I
can't bear to see it any longer."
He: "Put it on your head and
you won't see it."**LABORATORY YIELDS
NEW FACTS ON
KELLOGG'S ALL-BRAN**Its "Bulk" and Vitamin B
Help Relieve Constipa-
tion; Also Has Blood-
building IronNew laboratory experiments
demonstrate that Kellogg's ALL-
BRAN has sufficient "bulk" to ex-
ercise the intestines, as well as
Vitamin B to help tone the intes-
tinal tract.In addition, Kellogg's ALL-BRAN
supplies twice as much blood-build-
ing iron as an equal amount by
weight of beef liver.Now you can overcome common
constipation by this pleasant "cere-
al way," and banish the headaches,
backaches, loss of appetite and
energy that so frequently result.No need to worry along with pills
and drugs, which often lead to harm-
ful habits.Instead, just eat two tablespoon-
fuls daily of Kellogg's ALL-BRAN
—adequate for most types of con-
stipation. If your intestinal trouble
is not relieved this way, see your
doctor. The "bulk" in ALL-BRAN is
much like that of lettuce. Inside
the body, it forms a soft mass,
which gently clears the intestines
of wastes.Special processes make ALL-BRAN
finer, softer, more palatable. It is
not habit-forming. Equally tasty
as a cereal, or used in cooking.
Recipes on the red-and-green pack-
age. At all grocers. Made by Kel-
logg in London, Ontario.**STONEWALL

BEDFORD DISTRICT

GRANBY

The annual meeting of the ladies' branch of the Granby Golf Club was held at the Windsor Hotel on Tuesday evening, March 29, 1932, at 8.15 o'clock. The following officers were elected for the ensuing year: President, Mrs. N. Mitchell; vice-president, Mrs. A. Dickerson; secretary, Miss Gyneth Davidson; treasurer, Miss Kathleen Toppi.

Special pastimes were held in the local churches. The United Church services were held on Wednesday, Thursday and Friday, with special and appropriate music.

The Granby High School was closed for the Easter vacation. The staff visited their homes, Miss Sylvia Burton at Milby, Miss E. T. Maltry at Lacute, Miss Barrington at Montreal, Miss Hill at St. Stead, and Miss McCourt at Windsor Mills.

Miss J. P. Dunn and daughter, Miss G. Dunn, spent a recent week-end in Montreal.

Mr. T. S. O'Malley, West Shefford, was the guest of his sister, Mrs. M. H. Dunn.

Mr. Reginald Wallace, of McGill University, is visiting his parents, Mr. and Mrs. Archie Wallace.

Mr. Reginald Martin is the guest of his mother, Mrs. Lee Martin.

Mr. Gordon Roberts was home for the Easter holidays.

Miss Naomi MacDonald, Miss Muriel Horner and Miss Jean MacDonald, all students at McGill University, Montreal, were holiday guests at their respective homes.

Dr. W. Blampin, of Smith's College, Northampton, Mass., and Miss Caroline Blampin, of Swanton, Pa., are spending the Easter holidays with their mother, Mrs. S. Blampin, and Mr. and Mrs. H. E. Reynolds.

Mr. and Mrs. Max Dunkin, of Montreal, are holiday visitors at the homes of Mrs. A. A. Graham and Mr. and Mrs. J. Duncan.

Miss Margaret Runnells, of St. Helen's School, Dunham, is spending the Easter holidays with her parents, Dr. G. W. Runnells and Mrs. Runnells.

Mr. and Mrs. A. E. Solomon, Mr. and Mrs. G. A. Roberts, Miss Cecile Boivin, Miss Gyn Davidson and Master George Giddings returned on Thursday, March 31, from a few weeks spent in the West Indies Islands. The party left Granby on January 29, and sailed from Halifax on January 31. The first stop was at Boston, then Bermuda, St. Kitts, Nevis, Antigua, Montserrat, Dominica, St. Lucia, Barbados, Vincent, Grenada, Trinidad, Georgetown, British Guiana. The stops in the different places were in some cases a few hours and in others a day. Nearly two weeks were spent in Barbados. The party report rough seas, but encountered no storms, although some were before them and some of the others followed. The mileage covered was about 8,000 miles.

Mrs. C. Amour, of La Tuque, was the guest of Mrs. Allen and Miss Margaret Allen recently.

Miss Florence Findlay spent the holidays with relatives in Danville.

Miss Margaret Harvey spent the holidays at her home in Fredericton.

the holidays at her home in Fredericton.

Miss Hughes Darby visited Mr. and Mrs. McClay in Richmond recently.

Miss K. McIntosh, formerly of the Granby High School, now at La Tuque, was the guest for a week of Miss Hughes Darby.

BRIGHAM

Miss Iris Burton, of Verdun, is spending the Easter holidays with her parents, Mr. and Mrs. G. Burton.

Mrs. P. S. Smith and Miss Ruth Smith, of Cowansville, spent Thursday, March 24, with Mr. and Mrs. T. E. Smith.

Mrs. E. Hawthorn and Mr. Howard Hawthorn, of Notre Dame de Grace, spent the week-end with Mr. and Mrs. W. Hawthorn.

Misses H. Hawke, of Montreal, and M. Phelps, of Swanton, have been spending the Easter holidays with Mr. and Mrs. P. V. Hawke.

The beautiful daffodils and lilies on the table at the United Church Easter Sunday were given by the Friendly Society.

Miss Sarah Morey, of Montreal, is spending the Easter holidays with her mother, Mrs. Morey.

Misses G. Hawthorne and M. J. Mitchell, of Montreal, spent the week-end with Mr. and Mrs. J. H. Smith.

Miss Jessie Thompson, of West Sutton, is spending the holidays with her parents, Mr. and Mrs. R. L. Thompson.

Mr. Alex Swan is visiting relatives in Montreal.

Miss Aurora Tetreault, of Farnham, and Mr. Dolph Tetreault, of Farnham College, spent the week-end with their parents, Mr. and Mrs. S. O. Tetreault.

Mr. J. Wells is visiting Mr. A. Bessette and Miss J. Bessette.

Mr. B. Rainville, of Farnham College, spent the week-end with his mother, Mrs. Rainville, at the Presbytery.

Mrs. A. Marchessault and Miss Monica Marchessault, of Montreal, spent the week-end with Mrs. Joanne.

BROME CENTRE

Mr. and Mrs. Ben Sweet, of Knowlton, were guests of Mr. and Mrs. John Worden on Thursday, March 31.

Miss Mary Vernal spent the Easter holidays with her parents, Mr. and Mrs. Galen E. Vernal. Mrs. Raymond Beerworth, of Foster spent the Easter week-end at the same home, being joined by Mr. Beerworth on Sunday. They returned home accompanied by their two children, who had spent ten days with their grandparents.

Miss Christine and Isabelle Miller attended the birthday party of their cousin, Miss Kathleen Gorham, of Knowlton, on Thursday, March 31. They remained for a few days with their cousins, Misses Kathleen Gorham and Alice Mizener.

Misses Marion and Darleen Sweet spent the Easter week-end with their friend, Miss Marion Cousins, of Bolton Glen.

Mr. and Mrs. J. R. Worden were guests of Mr. and Mrs. James Moore one evening last week.

Mr. and Mrs. Harold Williams have taken up residence at Mr. George Clarkson's, where Mr. Williams has been engaged for the summer months.

Miss Ina Davis spent the past week with her grandparents, Mr. and Mrs. Chester Davis, of Brome.

Mrs. Galen Vernal and Miss Mary Vernal were tea guests of Mr. and Mrs. J. R. Worden, being joined by Mr. Vernal in the evening, when cards were played.

Mrs. Moore and Mrs. J. R. Worden spent an afternoon in Knowlton last week, when Mrs. Moore was a guest of Mrs. Charles Gorham.

Most of the farmers in this vicinity are busy tapping their sugar bushes.

Miss Mary Vernal left Saturday morning for Foster to be a guest of her sister, Mrs. Beerworth, before going on to her school in Montreal.

Mr. and Mrs. L. H. Hastings and Miss Edith Hastings attended the wedding of their niece, Miss Vera Jordan, to Mr. Richards, which was held in Sutton on Easter Monday.

FRELIGHSBURG

Mrs. Homer Ingalls spent Easter in Dunham with her brother, Mr. S. L. Guillett.

Mr. M. R. Whitcomb spent Easter in Waterloo with his mother, Mrs. Charles Whitcomb.

Mrs. Lyall Gould and daughter, Catherine, were overnight guests of her parents, Mr. and Mrs. M. Hayes. They returned to their home in Bedford Saturday evening.

Miss Arlene Westover and Miss Christie Frary, of Montreal, spent Easter at their homes here.

Miss Muriel Tait, of Greenfield Park, and Miss Margaret Harvey, of Granby, are spending their holidays at their homes here. They returned to their schools on April 4.

Mrs. Gardner Mears, of Enosburg Falls, Vt., spent the Easter week-end with her parents, Mr. and Mrs. L. R. Capsey.

The Intermediate School here reopened on Tuesday morning after the Easter week-end, which the staff spent at their homes.

Mr. and Mrs. Jack Stocks and son, of Covansville, spent Easter with her parents, Mr. and Mrs. A. J. Shepard.

A very pleasant impromptu dance was held on Saturday evening in the I.O.O.F. Hall. Music was furnished by Mrs. White and Mr. Jenne.

Miss Perron spent Easter in Sherbrooke with her mother.

Mr. P. Cowin spent Easter in Knowlton with his parents.

Miss Frances Remick, of Montreal, spent the Easter holidays at her home here with her parents, Mr. and Mrs. C. H. Remick.

CLARENCEVILLE

Mrs. James Tipping and Mrs. Aubrey Hunter spent last Thursday in Montreal.

Mrs. Hilton Grant, of Albany, N. Y., was a guest of Mr. and Mrs. Marshall Young for a few days last week.

Mr. A. C. Collins spent a day in Montreal recently.

Miss Margaret Hewson has returned to her home in Lacée after spending several days with her

grand-parents, Mr. and Mrs. Henry Hewson.

The Ladies' Aid of the United Church held their monthly meeting at the home of Mrs. Jas. Tipping on Friday afternoon.

Mrs. Alex St. Jean died suddenly on Tuesday morning, March 29th at the home of her son, Mr. Oscar St. Jean, where she made her home for a few years. Mrs. St. Jean had been in poor health most of the winter. The funeral took place at the Roman Catholic Church on Friday morning.

A very successful fish choulder supper was held at the home of Mr. and Mrs. Miller on Friday evening, April 1st under the auspices of the Ladies' Guild of St. George's Church. After the supper, cards and dancing were enjoyed for the remainder of the evening. During the evening, Rev. K. S. Smith, presented Mr. and Mrs. Lonnid Miller with a purse of money on behalf of the people in the two parishes, for their loss from fire. Mr. Miller not being present, Mrs. Miller thanked the people in a very pleasing manner.

Mr. Herbert Chilton motored to Montreal on Monday, April 4th for the day.

Mr. Herbert Smith returned to school in Montreal on Monday.

Mr. John Miller, Mr. Aubrey Collins and Mr. Glendon Clark spent Monday in Montreal.

The Guild were pleasantly entertained on Saturday afternoon April 2nd, at the home of Mrs. A. J. Rowe with a good attendance of members and visitors. Minutes were read by Mrs. Alex Derick in the absence of Mrs. Simpson and were approved. A few items of interest were dealt with. After the meeting closed, a social time was enjoyed, lunch was then served by Mrs. Rowe assisted by Mrs. Nelson Derick and Mrs. Tutt Derick.

On Sunday afternoon April 3rd after ringing the first bell for service in the church, Mr. Hiram Loungeway returned to his home, and passed away before the time for ringing of the second bell. Mr. Loungeway had been the sexton for the church for over thirty-one years and was most faithful. His passing away will be greatly regretted by the church and people.

Mr. Loungeway was in his eightieth year and lived alone. He was about although not feeling well and complained for several weeks. He is survived by his sister, Mrs. Mandigo, and brother, Mr. Walter Loungeway, and other relatives of Covansville.

Mr. Herbert Chilton spent Monday in Montreal.

ABBOTSFORD

Friends and members of the Abbotsford Women's Institute listened with much interest to an address given by Miss B. M. Philp, head of the School of Household Science, Macdonald College, at their regular monthly meeting on Friday, April 1.

Miss Philp chose as her subject, "Some Objectives of Home Economics," dealing with the subject under the following heads: shelter, food, clothing and child training. The meeting was held at the residence of Mrs. A. W. Buzzell, "Sunnyside." Mrs. D. J. Fisk, con-

IRISH WOULD BE FOOLISH TO ABOLISH OATH

Oath of Allegiance and Annuities Discussed by Hon. Hugh H. McLean, Lieutenant-Governor of New Brunswick.

SAINT JOHN, N.B., April 6.—For the Irish Free State to abolish the oath of allegiance to Great Britain would be a grave mistake for the Republic, it was said here by Hon. Hugh H. McLean, Lieutenant-Governor of New Brunswick, who arrived recently in Saint John on the C.P.S. liner Duchess of Atholl.

"In England," His Honor declared, "the feeling is that the Irish viceroy of Home Economics, introduced the speaker and thanked her on behalf of the club. Previous to the meeting, Mrs. E. B. Chaplin entertained at luncheon in Miss Philp's honor."

Mr. Herbert Chilton motored to Montreal on Monday, April 4th for the day.

Mr. Herbert Smith returned to school in Montreal on Monday.

Mr. John Miller, Mr. Aubrey Collins and Mr. Glendon Clark spent Monday in Montreal.

The Guild were pleasantly entertained on Saturday afternoon April 2nd, at the home of Mrs. A. J. Rowe with a good attendance of members and visitors. would suffer extremely by the abolition of the oath. It would mean they would be outside of the Empire, thus becoming aliens. They would lose the English market, which is most essential to them. Three-quarters of the Irish export is to England and loss of that would be serious."

Speaking of the Irish land annuities which Eamonn de Valera, newly-elected Republican leader, claims he will withhold from England, Lieutenant-Governor McLean said, "Ireland is legally bound and morally bound to pay. It is interest on money advanced by the Mother

Country to buy out the land owners so that the tenants would have the title to the lands they occupy.

"Never have I seen so much energy being displayed by a country endeavoring to lift the weight of depressing times as I did in England," said the Lieutenant-Governor. "Within a year business there will be back practically to normal. The spirit of optimism and hope which I encountered on all sides was remarkable."

His Honor appeared hale and hearty and greatly rested after his nearly three-months' visit in Great Britain. He will not assume the

reins of office at Fredericton until April 11th, when his leave of absence expires. He expects to make a short visit to Ottawa.

KIMBERLEY

Miss Edna Douville spent a week-end in St. Ferdinand recently with Miss Monique Houle.

Mr. and Mrs. William Wright and little granddaughter, Violet Wood, were recent guests of Mr. and Mrs. L. A. Douville.

Mr. David Currie and sons, Gerald and Reginald, have been recent guests of Mr. L. A. Douville.

Get YOUR ELECTRIC REFRIGERATOR

this THRIFTY Way

For as little as \$10 down and 25c a day (\$7.50 a month). Slightly higher terms on larger models.

for Thrift, Health and Convenience

Thrifty to buy: thrifty to use for the ice bills it saves and food waste it stops. Convenient, because it assures a steady, correct refrigerating temperature at all times. And a guardian of your family's health because it ends spoilage and contamination. Enables you to save odds and ends from one day's dinner to make tasty dishes for the next day's lunch. Keeps salads crisp. Makes it easy to prepare and serve delicious frozen desserts: drinks with ice cubes. Pays for itself by what it saves. Order YOUR electric refrigerator without delay.

JELL-O quality means melting tenderness—luscious flavours—sparkling beauty—for next to nothing. And Jell-O is one of the easiest of all foods to digest. That's especially important in a dessert. Refuse substitutes.

Southern Canada Power Company Limited

"Owned by those it serves"

IT CREATES HEALTH

THE "DOW" GIRL—health itself!

What are ENZYMES?

These are essential substances, present in digestive juices and in certain foods, that turn the nourishing elements of food into forms that living cells can assimilate. Without their aid, most living things would derive no nourishment from food.

Dow Old Stock Ale creates health because it supplies food elements necessary to repair the wear caused by work and play. It supplies these food elements in easily digested form, because the ENZYMES, naturally present in malted barley and in yeast, are allowed by the Dow brewing process to act fully and draw out the valuable properties of the ale's simple and wholesome ingredients. The result is a drink of mellow, satisfying flavor, and real body-building value.

Institute will meet with Mrs. S.
A. McKay, Tuesday, April 12th.
Sugar social and dance, Hatley
Centre, Fri. April 8, Adm. 35c. Cards.

BIRTHS, MARRIAGES, DEATHS

SHIELDS — At her late residence,
11 Walton avenue, on Monday,
April 4th, Margaret Burke, be-
loved wife of Jos. Shields, aged 54
years. Funeral cortège will leave
about address, Wed., April 6th, at
8.15 a.m., to St. Patrick's Church,
Interment in Quebec City. (Sher-
brooke Undertaking Parlors, 236).DUFFY — Died at Megantic, Que.,
on Wednesday, March 30th, 1932,
Mr. Jas. Duffy, aged 82 years.HURLEY — Died in this city Tuesday
April 5th, Annie Mildred Hurley,
aged 28, beloved daughter of Mr.
and Mrs. John Hurley, of Thetford
Mines. Remains were removed
from the Sherbrooke Undertaking
Parlors to her late residence,
Thetford Mines, where interment
will take place.DOUGHERTY — Passed away sud-
denly at Coaticook on Tuesday,
April 5, 1932, Michael Dougherty,
beloved husband of Sarah Shaw,
in his 74th year. The funeral will
be held at Christ Church, North
Coaticook, on Thursday afternoon,
April 7, about 3.30 o'clock, imme-
diately after the funeral of Ben-
jamin A. Sisco. The Odd Fellows
will attend.SISCO — The funeral of Benjamin
Allen Sisco, aged 27 years, young-
est son of Mrs. Maria Sisco and the
late Alfred Sisco, who passed
away on Monday, April 4th, 1932,
at the Sherbrooke Hospital, will
be held from the home of his sis-
ter, Mrs. A. A. Hopkins, Central
street, Coaticook, on Thursday
afternoon at two o'clock, followed
by service at the United Church
at 2.30 o'clock.

IN MEMORIAM

GRAHAM — In loving memory of our dear
mother, Mrs. Fred Graham, Sr., who entered
into eternal rest on April 6th, 1931.
Beautiful memories, mother dear,
We cherish still with love sincere,
To us the name is precious still,
And none your vacant place can ever fill.
Interred by
MR. AND MRS. T. F. GRAHAM,
South Durham, Que.

CARD OF THANKS

MR. AND MRS. JAS. McFADZEAN
MRS. GLEN FLANDERS
MR. AND MRS. C. WALLACBANKERS WERE
DEFEATED BY
RAILROADERSQuebec Central Hockey Squad
Took Measure of Financiers
Last Evening by Score of Five
Goals to Two.The Quebec Central hockey
squad, playing without the valu-
able services of Gus Authier and
other star regulars, sent the Royal
Bank down to defeat last evening
by a count of five to two in an
exhibition game at Minto rink.The railroaders had but one sub-
stitute to replace the whole team,
apart from the goaler, while the
bankers went the entire game
without relief. In the face of these
handicaps, both teams put up good
battles which kept the fans humor-
ously entertained.Stan Walker opened the scoring
on an individual rush, and added
a counter in each of the second
and third frames, his second tally
coming on a pass from Paul Cour-
chesne. Webb Cook was responsi-
ble for one marker, while Cliff
Wilson was credited with the
fourth. Ted McCahey and Bill
Webb were the only two financiers
who could shove the puck past Ed-
die Wolfe in the Q.C.R. nets. The
rugged defence of Arthur "Ching"
Boucher and Arthur "Shore" Fauvel
proved too strong for the bankers,
while Wolfe played a good game
to keep the opposing sharpshooters
at bay.The game, which was clean and
hard-fought, was capably handled
by Armand Noisieux.The line-ups were:
Quebec Central goal McLeod
Wolfe defence Baldwin
Boucher centre McCahey
Fauvel centre Webb
Courchesne wing Ross
Walker wing Slaght
Cook

Substitute: Q.C.R.—Wilson

POLICE CLAIM FREDERICK
APPLETON CONFESSED TO
MURDER OF COUTUREJust what form of procedure the
inaugural meeting of the new
Council will take is not known. It
is understood, however, that the
retiring Mayo is planning on some
little outward show, although
those who are to assume office may
not specially relish such a sugges-
tion.The disappearance of Appleton on
the morning of the discovery of the
crime excited much comment and
concern. A search was naturally
inaugurated by police authorities as
soon as it was known he was miss-
ing. Appleton was seen with Couture
on the night before the latter
was attacked and killed. Oliver
Sutor, who resides nearby, stopped
at the gas station shortly before
seven o'clock and talked to the two
men. "We gossiped for a few
minutes," he told a Record represen-
tative last night, "and Couture ap-
peared to be in his usual spirits. Ap-
pleton was also there, and we ex-
changed a few words." Arthur
Viens, a cousin of the unfortunate
victim, who discovered the body yester-
day morning together with Theo-
dore Aldrich, also saw the two menshortly before Sutor did. Sutor is
believed to be the last man to have
seen Couture alive—apart from the
murderer or murderers.A light was seen burning in the
Couture house that night. Two
neighbors, Johnston Beatty and E.
A. Burton saw a light burning in
the house, and it was last noticed
upstairs, Mr. Burton, who lives close
to the gas station, said that he had
heard no disturbance that evening
or during the night.Couture's cousin, Viens, who lived
only a short distance away, had left
his car in the garage during the
night, as the roads were bad and he
was unable to drive to his farm. He
returned to get his automobile at
about eight o'clock yesterday morn-
ing, accompanied by Aldrich, and to
his surprise found no sign of life
about Couture's place. He thought
this strange and tried the front door,
but it was locked. He then attempt-
ed to open the windows, but these
were also fastened. As a last re-
sort, he unlocked the door of the
shed by the simple expedient of lift-
ing the latch with a stick, and to
his surprise found that the door was
unlocked from the shed to the kitchen
was not locked. This was strange.
It was only logical that Couture had
locked his door before retiring,
locked it from the inside, but it had
been unfastened, not forced, in some
inexplicable manner.Couture was almost covered from
sight by the blankets in which he
was bound. His face was turned
away. He wore trousers, a shirt and
bedroom slippers. Apparently he had
been attacked and killed before re-
turning or shortly after rising. His
shoes, big black boots, rested on the
staircase.The mattress of the bed and a pil-
low were saturated with blood and
the wall was also stained. On the
floor near the murdered man lay a
huge wrench—evidently the instru-
ment that had been used to batter
Couture to death. An oil lamp lay
upon the bed, the globe broken and
fragments of the thin glass lying
upon the floor of the room and the
nearby hall.There is always a time

LA TUQUE LOST GAME, BUT WON TITLE SERIES

Bishop's University Ladies Captured Second Contest of Series by 23 to 17, But Dropped Round by Total Count of 36 to 30.

A desperate rally in the fourth quarter which came within four points of deadlocking the total amassed by the La Tuque ladies, but which failed when the visitors fought a determined defensive game to protect their slim margin, last evening prevented the Bishop's University ladies' basketball aggregation from bringing a second provincial cage title to the Eastern Townships. The Lennoxville girls' sensational uphill battle provided the highlight of the final fixture of the two-game series played on the Y.M.C.A. floor. Charlie McCullough's well-trained squad won last evening's encounter by a score of 23 to 17, but lost the round by 36 to 30 as a result of the northerners' 19 to 7 victory in the opening game played at La Tuque.

The trend of play in the last ten minutes afforded a thrilling climax to a hard-fought battle. Until the ten-minute rest interval at half time the La Tuque ladies dominated the proceedings and augmented the twelve-point lead they earned at home. Then the tide of battle turned and Bishop's assumed the upper hand. With less than three minutes to go the purple and white squad led by a count of 23 to 15 on the game and had whittled La Tuque's lead to four points. However, Miss Irene Roadnight, a former local girl, registered the basket which spelled victory for the visitors and settled the issue. In the last two minutes La Tuque's strong defensive pair successfully thwarted the invasions of the home team, and their sportsmanlike opponents did not begrudge them the provincial crests they received after the game as official recognition of their victorious quest.

Better shooting on the part of the Bishop's girls might have brought the provincial crown to Lennoxville. They obtained many more shots than their opponents, but their marksmanship was somewhat erratic at times. Both sides were very weak in converting foul shots, and many of the valuable free throws went astray. La Tuque opened the game strongly, and when the teams changed over at the end of the initial frame they had notched six points and held Bishop's scoreless to make the round score 25 to 7 in favor of the Northern Quebec representatives, who earned the right to enter the play-offs by winning the La Tuque Community House League. In the first quarter, Miss Roadnight was responsible for four points, and Miss Muriel Griffiths gathered in the other two markers.

Miss Isabel Rothney drew first blood for Bishop's as the second quarter started, and a few moments later added her second field basket on a pass from a tip-off in La Tuque's defence area. As the chukker ended, Miss Helen Bayne,

who played with the visitors last year, raised Bishop's total to six points on a lone effort. La Tuque's activities were restricted to three points, two by Captain Beatrice Olsen and a foul throw by Miss Roadnight. At halftime the score board showed the score on the round to be La Tuque 28, Bishop's 18.

Bishop's were conceded little chance of overcoming such a handicap, but the fans did not take into account the fighting spirit for which all squads from the Lennoxville college are noted. The combination of Miss Roadnight and Miss Muriel Griffiths started to function, and the latter accounted for two baskets on passes from her team mate after Bishop's had added a foul shot and full basket by Miss Betty Wilson and Miss Bayne respectively. Before La Tuque could stem the tide, Miss Wilson found the basket for three points. Miss Frances Salicis had obtained a basket from close range and Miss Rothney had registered a foul shot. The champions of the Sherbrooke Ladies' City League had forged into the lead by 14 to 13 and confronted an eleven-point deficit on the series for the final session.

With Captain Salicis leading the assault, Bishop's sent their score up nine points in the last stanza, while defensive methods held the visitors down to three tallies. Miss Salicis had been prominent in her squad's attack, but the close guarding she was subjected to prevented the sterling little forward from breaking into the scoring column but once. Deprived of the services of Miss Marie-Laura Tremblay, who was ruled off owing to four personal fouls, the La Tuque girls fought valiantly to maintain their lead and their efforts were rewarded when the final whistle

blew. To Miss Salicis' six points, Miss Wilson augmented three, while for the visitors Miss Roadnight notched three points and Miss Olsen a single counter.

After the game, which was handled by Benny Grime, W. P. McVie, vice-president of the P.Q. B.A., presented the provincial crests to the visitors, who were accompanied to Sherbrooke by Frank Johnston, director of athletics at La Tuque, and Mrs. J. Martin as chaperone.

The line-ups and individual scores were:

La Tuque: Smith, r.f.; Griffiths, r.g.; M.-R. Tremblay, l.f.; Olsen, c.; Roadnight, r.g.; M.-L. Tremblay, r.g.; Potvin, l.g.; and Morris, l.g. Total 17. Total round score 36.

Bishop's: Salicis, r.f.; Bayne, r.g.; Montgomery, l.f.; Mead, l.f.; Wilson, c.; Aus, r.g.; Jackson, r.g.; Rothney, l.g.; and Acheson, l.g. Total 23. Total round score 30.

HOCKEY RESULTS IN A NUTSHELL

STANLEY CUP FINAL

Toronto 6, Rangers 4. (Toronto won first game of best three out of five final series).

INTERNATIONAL LEAGUE PLAY-OFFS

London 1, Buffalo 6.
Detroit 4, Windsor 2.

LEAGUE STANDING

The International League play-off standing is as follows, three points being awarded for a victory and one for a draw:

	P.	W.	L.	D.	F.	A.	P.
London	4	1	0	3	4	3	6
Buffalo	4	1	1	2	6	5	5
Detroit	4	1	1	2	4	3	5
Windsor	4	1	2	1	4	7	4

blew. To Miss Salicis' six points, Miss Wilson augmented three, while for the visitors Miss Roadnight notched three points and Miss Olsen a single counter.

After the game, which was handled by Benny Grime, W. P. McVie, vice-president of the P.Q. B.A., presented the provincial crests to the visitors, who were accompanied to Sherbrooke by Frank Johnston, director of athletics at La Tuque, and Mrs. J. Martin as chaperone.

The line-ups and individual scores were:

La Tuque: Smith, r.f.; Griffiths, r.g.; M.-R. Tremblay, l.f.; Olsen, c.; Roadnight, r.g.; M.-L. Tremblay, r.g.; Potvin, l.g.; and Morris, l.g. Total 17. Total round score 36.

Bishop's: Salicis, r.f.; Bayne, r.g.; Montgomery, l.f.; Mead, l.f.; Wilson, c.; Aus, r.g.; Jackson, r.g.; Rothney, l.g.; and Acheson, l.g. Total 23. Total round score 30.

TORONTO TAKES LEAD IN FINAL TITLE SERIES

Sensational Speed, Savage Checking and Desperate Onslaughts Were Packed into an Hour of Thrills Last Night.

TORONTO, April 6.—A speedy young band of Toronto hockey warriors led the march on the Stanley Cup trail today while the New York Rangers faltered in the rear.

One great outburst of dazzling speed and sharpshooting in Madison Square Garden last night gave the Queen City's Maple Leafs a six to four victory in the opening game of the historic cup series. With the Garden closed to hockey for the season, the teams will move to Boston tomorrow for the second game, and then travel to Toronto. Three wins will settle the issue.

New York fans had only a fleeting glimpse of a series that will decide the world's hockey championship, but they saw a struggle that will go down in Stanley Cup annals as an epic battle. Sensational speed, savage checking and wave after wave of desperate, careless onslaughts were packed into an hour of thrills. Sixteen thousand wild-eyed hockey fans roared throughout the display.

They saw the famed "kid forward line" of the Leafs run wild

in the second period. They saw Harvey Jackson assert his position as the league's leading point scorer by rifling in three goals and making an assist on another. And they saw their own Rangers on a rampage in the final period that just fell short of tying the score before "Red" Horner dashed their hopes with the Leafs' clinching goal.

As a sharp indication of the torrid pace the two teams set, nineteen penalties were awarded—ten to the Leafs and nine to the Rangers. King Clancy, bristling to Toronto defence, led the procession to the box with four penalties. Ching Johnson and Bun Cook, of the Rangers, had three each.

A fast first period pace, mixed in with seven penalties, gave warning of a break that was bound to come. Two goals came in the sharp opening skirmish, "Happy" Day counted for the Leafs on Hal Cotton's rebound and Bun Cook for the Rangers with assists credited to Bill Cook and Frank Boucher.

The storm broke in the second period. An even faster pace as Toronto's young forward line went into action sent the Rangers into a panic of defensive play. Four Leafs' goals cluttered into the cage behind John Ross Roach before the bewildered Rangers could reply with one lone score.

Harvey Jackson took Day's pass and rifled in the first tally that Roach failed to elbow out of the way. Another from Jackson whistled in, this time on "Red" Horner's assist. The gasp of the crowd had not subsided when Charlie Conacher blazed a shot from the right boards that went singing into the net under Roach's arm. As if it were completing a rout, Jackson slammed in his third goal from

a point well inside the Ranger defensive zone.

Cecil Dillon's goal on Murray Murdoch's assist just before the middle period ended brought fresh hope to the New York cause and set the stage for the Ranger onslaught in the final frame.

Seldom have New York fans seen such a wild outburst of terrific and sustained thrusts by their Rangers. Crushing drives of four and five men rolled the Leafs back to a desperate defensive stand. Big Ching Johnson sent a smoking shot past the Leafs' goal. Not a man guarded the New York defense. They backed the Torontonians inside the blue line and there the fight raged. Occasionally a Leaf sifted free, but swift back-checking or the agility to Roach averted from danger Hal Cotton and "Red" Bailey were turned back by Roach alone when a goal seemed certain.

Again came the relentless pressure of the Rangers and the stubborn, valiant defense of the Leafs. Time after time a crazily rolling puck bobbed out of a swirl of sticks and legs as the crowd yelled. Body-checks, poke checks, sharp-eyed goal tending and long "golf shots" to the far end of the ice held the charging Rangers at bay.

Then "Red" Horner broke the tension. As the Leafs broke away and raced to Ranger territory, Jackson's pass skimmed over to Horner after some slow clearing of the Rangers, and the red head banged it home.

LONDON HAVE FIRM HOLD ON INTERNATIONAL LEAGUE TITLE

TORONTO, April 6.—Undelected in their four starts, Clem Loughlin's, well-balanced London Tecumseh are today heading the International Hockey League's round-robin championship series. A time-honored one to nothing triumph over Buffalo's highly-touted Bisons last night, coupled with Windsor's unexpected setback at the hands of the Detroit Olympics shifted Tecumseh into the driver's seat, a single point in the van of Detroit and Buffalo, who are tied for second place. Windsor bring up the rear, one point behind the American squads.

The stellar work of Goalie Herb Stuart, who performed sensationally in a pair of scoreless draws with Detroit last week, was again the feature of the London entry, remaining undefeated. An alternate defenceman, Val Hoffinger, released by Detroit early in the season, shared the spoils with Stuart for Tecumseh. With less than five minutes remaining to play in the final period, and their third scoreless draw within six days in sight, Hoffinger sailed up the boards on an apparently little dangerous rush. Edged into the corner by the rugged Bison defence, the bulky rear

GOLF

BRITISH WALKER CUP TEAM SELECTED

ST. ANDREWS, Scotland, April 6.—The Royal and Ancient Club of St. Andrews has announced the make-up of the Walker Cup golf team which will invade the United States this year to play Francis Ouimet's United States squad.

The team is headed by T. A. Torrance, who is expected to be named captain. J. T. Bookless, John Burke, the Irish champion, Leonard Crawley, Lister Hartley, Rex Hartley, Eric McRae and J. A. Stout.

One of the surprises was the omission of Roger Wethered, former amateur champion, who had been mentioned as a probable captain of the team. E. Martin Smith, present amateur title holder, also was not named.

The Walker Cup series was inaugurated in 1925 at the national links, Long Island. It has been contested six times. No place or date has been set for the matches this year.

guardsman backhanded a shot toward the Buffalo cage and the rubber barely dribbled over the line.

Fighting with their backs against a stone wall and possible elimination if they failed to win from the Bulldogs, Detroit baited home four goals in a wild third period scoring spurge and trounced their border rivals by four to two in Windsor.

Grabbing a goal lead early in the initial period, Windsor appeared headed for their second victory of the series when they added a second early in the final period. The Olympics, however, led by plucky Leroy Goldsworthy, proved they were far from beaten and rammed home four goals in the final fifteen minutes to win handily.

TORONTO AND FORT WILLIAM CLASH AGAIN TONIGHT

MONTREAL, April 6.—Needling only a single victory to take possession of the Allan Cup and Canada's amateur hockey honors, the representatives of the National Yacht Club of Toronto will take the ice here tonight against the thundering herd of Fort William in the second game of their best two out of three series. The Nationals punctured the famed defence of the Thunder Bay lads on Monday night and captured the opening contest by seven goals to four.

Fort William, however, were not disgraced in the opening contest, as they held Toronto on even terms until the second overtime period, when the Nationals went a goal ahead and scored two more goals as the westerners were forced to open wide in an effort to secure the equalizer.

Both teams came through the first game without injury and are expected to line up as they did on Monday.

Al Pudas, of Port Arthur, and Johnny Mitchell, of Hamilton, will again referee.

GENERAL MOTORS

announces

PRICE REDUCTIONS

on

PONTIAC and CHEVROLET

PONTIAC PRICES
reduced as much as
\$50

CHEVROLET PRICES
reduced as much as
\$45

TODAY General Motors makes a definite contribution to business recovery by announcing sharply lowered prices on Pontiac and Chevrolet passenger cars. The price reductions apply only to these two General Motors low-priced volume lines. The reductions are not justified by existing conditions, but are made possible only because General Motors is turning over to the public in advance the savings that should result from anticipated increased volume.

Naturally, no change has been made in Pontiac or Chevrolet quality. This quality has been proved by the experience of hundreds of thousands of satisfied owners. Actually, the 1932 cars are even better today than when first announced a few months ago. With the new low prices each is more than ever a value leader in its price class.

The reductions range up to \$50 in the case of

Pontiac and \$45 in the case of Chevrolet. They take effect immediately. In fact, retail purchasers since Monday morning, April 4th, will enjoy these price reductions.

Your Pontiac or Chevrolet dealer can give you the new price of any model in which you are interested. He is listed under General Motors Products in the classified section of your telephone directory. Phone him today for full information. And be sure to ask him for delivered prices, including license. For that is what you are interested in—the price that you actually have to pay to have the model you want delivered to your door. Or better still, instead of phoning, visit your dealer and arrange to drive away—today, if you wish it—one of these fine new Pontiacs or Chevrolets at its new low price. Any model may be purchased on the economical GMAC time payment plan.

WORLD'S GREATEST TRAVEL SYSTEM

On November 17, 1931, William "Torchy" Peden of Victoria, B.C., established a new world's bicycle speed record of 81 miles per hour in Minneapolis, Minn., U.S.A. before officials of the National Cycling Association. "Torchy" Peden recently brought new laurels to Canada—as he was a member of the team which won the recent 6-day race held in Madison Square Garden, New York.

The RECORD SPEAKS for ITSELF

An impressive performance, that of "Torchy" Peden in breaking the world's Bicycle Speed Record, and a tribute to his outstanding ability as a cyclist... just as Turret's record for popularity is a tribute to their outstanding quality, flavour and mildness.

After all, nothing can replace good, honest tobacco; grown and ripened right out in the field under Nature's own sunlight—nothing artificial about that—and the high quality is "inbred."

12 for 15c
20 for 25c
