The Imperishable Perfume

MURRAY & LANMAN'S

Florida Water.

This exquisite Perfume is prepared direct

from Blooming Tropical Flowers, of surpassing

fragrance. Its aroma is almost inexhaustible;

while its influence on the SKIN is most re-

freshing, imparting a Delightful Boujancy to

the over-taxed Body and Mind, particularly

when mixed with the water of the Bath. For

Fainting Turns,

Nervousness,

Headache,

Debility and

Hysteria,

It is a sure and speedy relief. With the very

essence of the flower it is for 25 years main-

tained in its purity, and its fragrance is

throughout the West Indies, Cuba, Mexico,

Central and South America, and is con-

fidently recommended as an article which, for soft-

ness of Flavor, richness of bouquet and

purity, has no equal. It will also remove

from the skin

Roughness,

Blotches,

Sun Burn,

Freckles and

Pimples.

It is as efficacious as the Otto of Roses, and

lends tenderness and beautiful transparency to

the complexion. Diluted with water it makes

the best dentifrice, imparting a pearly whiten-

ess to the teeth; it also removes all smarting

or pain after shaving.

COUNTERFEITS.

Beware of imitations. Look for the name of

Murray & Lanman on the bottle, wrapper and

ornamented label.
