The farmers of Pontiac County stage tractor parade to draw attention to beef impasse

President of the Pontiac Branch of the APU is Bill Smiley above. Having received the word from his central command that Pontiac should hold a demonstration to express support of demands being made on the Minister of Agriculture, Bill notified his members and the parade was planned. Branch secretary Melvyn Younge was instrummental in the organization of participants from across the Pontiac and also for alerting the press. The demonstration was ably covered by daily papers, radio stations including CKOB Renfrew, television and THE EQUITY. Quebec Provincial Police formed an escort for the tractors in co-operation with the farmers.

Tired of working one hundred hour weeks for nothing was one way of summing up the complaints of beef farmers in Pontiac County. Joining with other farmers from right across Quebec, the Pontiac branch of the Quebec farmers' union, APU, took part in a parade of their own on Thursday. It was a clean and orderly demonstration, only intending to bring home to everyone possible that the beef farmers' lot is not an easy one these days with costs rising at a greater rate than returns on their product. Pontiac was the last County in the Province to put on a demonstration of this kind. Our farmers, it would seem, are not inclined to making much of their problems in public. However the situation at present, where a producer is actually losing money on what is supposed to be the main source of his income, finally moved even our complacent agricultural community to action. From above Vinton and from below Quyon they came on their tractors and in their farm vehicles to meet in Shawville. Here they parked on the highway just long enough to cause confusion to passing traffic and to explain their plight to the gentlemen and ladies of the press who came to see what was going on.

Dairy farmers joined in with their beef producing neighbors in this demonstration which, it was hoped, would move the government to bring in policies favorable to the needs of the primary producer in Quebec.

Additional payments announced by Quebec for beef producers

by D. MacMillan.

Payment will be made to beef farmers qualified on the program of wintering beef cows. To qualify for this program a farmer must have at least 20 beef cows and no milk or cream quota. The payment will be 13 cents per pound on 400 pounds calves which is considered an average weight for calves coming off pasture. It is considered that 15% of the calves will be lost and 15% will be raised as replacements in the herd. In other words 70% of the number of cows will be used to calculate the number of eligible calves.

If a farmer has 30 cows, he will be eligible for 70% X 30 cows or 21 calves. The total weight for 21 calves will be 21 x 400 pounds - 8400 pounds. The payment at 13 cents will be 8400 pounds X 13 cents - $1092.00 which works out to $36.40 per cow.

Payment will be made to eligible beef farmers for cows wintered last winter and will be in addition to payments already announced for the coming winter. A farmer wintering 30 beef cows this winter will receive $45.00 per cow or $1350.00 plus $36.40 per cow or $1092.00 making a total payment of $2442.00.

A farmer with 75 cows will receive 30 cows at $45.00, 10 cows at $35.00, 35 cows at $30.00 making a total of $2750.00 plus $36.40 per cow or $2730.00 making a total of $5480.00.

Value per dollar

To those who are supposed to be helping the consumer survive high prices, let us just say one thing. It is of no use to compare prices of various foods regardless of how they are poisoned, devitaminized, revitaminized, bleached, preserved, packaged and marketed and then tell the consumer where the bargains are.

Our modern day scientists have discovered ways of measuring food value with considerable exactitude. They can tell how many units of protein, minerals, vitamines, and other real food components there are in an item. They can tell which apples have poison on and in them and which hybrid vegetables and grains contain little food value.

Knowing this, why doesn't our government come out with some realistic and useful information for people who want to feed their families well? What's the use of a comparative price on grocery baskets full of stomach fillers with no concern for what kinds of bodies and minds that particular type of food will create?

Since this country has the means and the ability to discern this type of information, let's have some of it made available to the public. Surely the manufacturers of plastic food and packaged junk haven't such a hold on our government that they are afraid to come out boldly and state the food facts.

Canada's famous food rules are not enough. An egg can be any number of things depending on factors which are easy to discover if you happen to be the Department of Agriculture or of Health and Welfare or the National Research Council. Couldn't these groups get together and make plain facts known so the consumer will get the most food value for his dollar, not just the most ounces of nothing.

Frankly we are surprised that this hasn't been done, especially considering that they put a lady in charge of investigating prices. We would have imagined that she would know that prices are only useful if they relate to actual value received, not just weights and measures.

What this country needs is a new FOOD VALUE BOARD with guts and authority to use the services of any and all Departments of Government for the benefit of the private citizen. In our view that's what they are there for.

At the Cenotaph in Shawville on Remembrance Da ;, Royal Canadian Legionnaire J. Stewart from Quyon pays respect to those who fell ·n two world wars. Cyril Dale, Raymond Rowat, and Mayor Orla Young can be seen in the background, standing at attention during the solemn ceremony.

Service at the Shawville Veterans' Memorial Park

The Annual Rembrance Day Service was held at the Shawville Cenotaph on Monday, November 11th, at 11:00 am.

The service began with the singing of the National Anthem. The Rev Harland Worden, Pastor of the Wesleyan Church, read the Scripture Lesson.

Archdeacon M.K. Roberts, of St Paul's Anglican Church offered the Prayers of Remembrance and recited the well known and much loved poem by John McRae entitled "In Flander's Field".

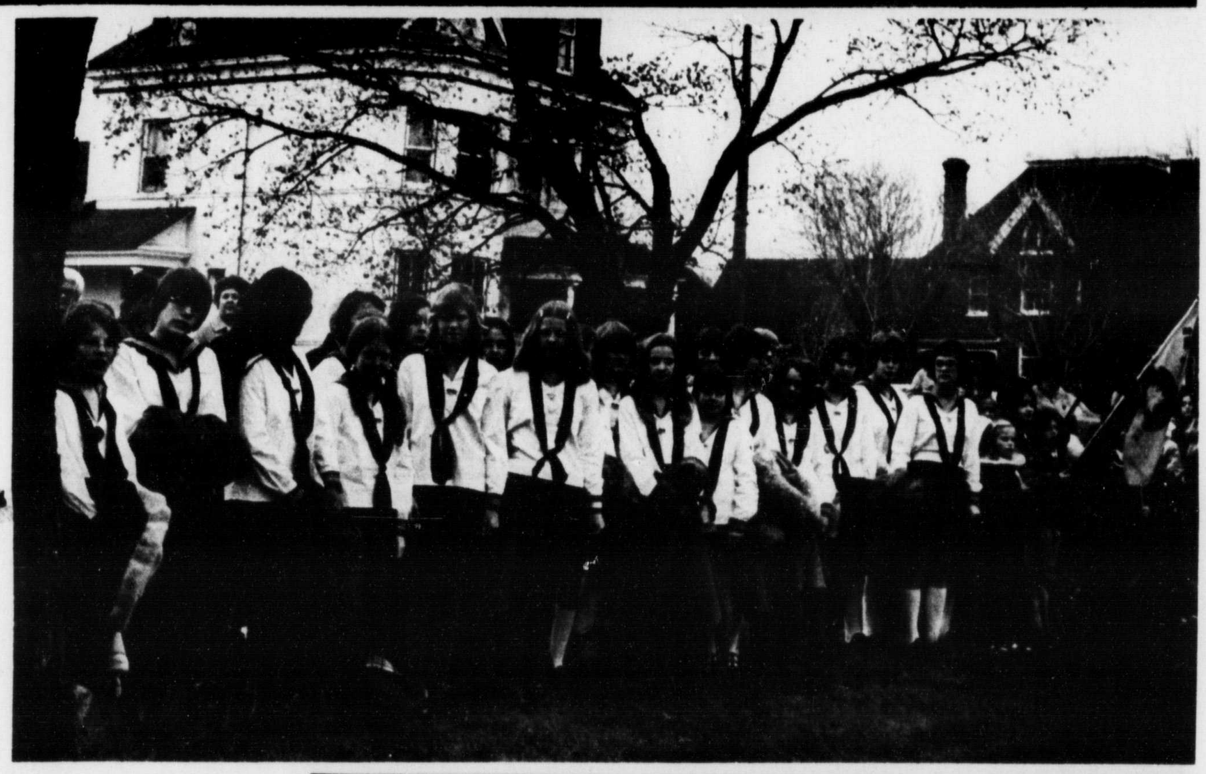
Mr Ernest Dean was then called upon to read the names of those killed in action.

Following the Last Post and Reveille, played by trumpeter C R Nichols came the observance of two minutes silence.

His Worship, Mayor Orla Young, placed a wreath representing the Village of Shawville, and thus began the procession of laying the Wreaths of Remembrance.

Rev A J Macintosh conducted the service and expressed appreciation to all who had come to participate. He specially welcomed the color party from the Quyon Branch of the Canadian Legion, and also paid tribute to the fine representation on the part of the young people and their leaders representing local Organizations.

The service concluded with Archdeacon M.K. Roberts pronouncing the Benediction, after which all joined in singing "God Save the Queen".



The Shawville Canadian Girls in Training turned out in force at the Remembrance Day ceremonies Monday morning, watching with interest as townspeople placed wreaths upon the ground around two monuments in Memorial Park. After the brief service, they returned to school for the remainder of the day.

The Editor
The Equity
Shawville, P.Q.

Dear Sir:

With regard to the Municipality of Onslow North election, held November 4, 1974, there were several incorrect statements published in The Equity of November 6, 1974. I do not know the source of the information supplied to the publishers of this paper, but to keep the record straight the following is the correct information to my knowledge.

1- The Equity stated "that neither the Mayor or the Secretary-Treasurer lives within the Municipality. Mayor Sherwood Henderson is a resident of Quyon and Secretary Jack Harrison lives in St Cecile de Masham." The correct information is as follows: Mr Jack Harrison, the Secretary-Treasurer, does live within the boundaries of Onslow North, he only receives his mail post-marked St Cecile de Masham. Mayor Sherwood Henderson, resides in Quyon, but he is a property owner and rate-payer of the Municipality of Onslow North.

2- The Equity stated that "Assisting Secretary Jack Harrison at the Polling place, were Mrs Arnold Trudeau and Mrs Bernard Armitage." The correct information is: Mrs Arnold Trudeau and Mrs Ebert Alexander worked in the Poll. Mrs Alexander recorded the names of the voters and Mrs Trudeau represented one of the candidates as an agent. Mrs Bernard Armitage did not work in the Poll, and the only time she was present was when she went in to cast her ballot.

3- The Equity stated that "these three (meaning, Secretary Jack Harrison, Mrs Arnold Trudeau, and Mrs Bernard Armitage) opened the Poll at the designated hour and each of them cast a ballot, being the first three to vote." The correct information is: Mr Jack Harrison, in the capacity of Returning Officer, had no need to vote and so did not. Mrs Trudeau and Mrs Alexander voted.

Yours truly,
Bernard Armitage.

The granting of a holiday on Remembrance Day to Federal public servants, or to any other group, defeats the purpose for which the observance was originally intended.

Anyone who gets this opportunity to get away from the hum drum of everyday occupation is not likely to be in a suitable mood to observe anything so serious as remembering the many thousands who fell in two World Wars.

In the years following the 1918 Armistice the practice was to stop and whatever we were doing, wherever we were exactly at 11 am on November 11th and observe two minutes of silence. Apart from actually attending a Cenotaph service somewhere, nothing else could remind one so forcibly of the sacrifices made for us as that simple act. For farmers or shopkeepers, labourers or school children, clerks or executives that was much more appropriate than a day off to celebrate.

S. Wyman MacKechnie

Grist and miscellaneous items

The Pontiac Agricultural Society (Quyon Division) will hold its annual banquet at Gavan's Hotel on Saturday night, November 30tha. Dr Armitage will be the guest speaker and tickets are available from James Stewart, as long as they last.

In reply to the item published in the Equity of Nov. 6, 1974, re some peoples disappointment in the election results for the Municipality of North Onslow. The crudeness of the writing and the manner in which this information was presented only shows up the true character of the person who wrote it. It is a pity that the person cannot find something to write about that is worthwhile, and has to resort to pettiness in order to soothe hurt feelings.

Six students of Jiu Jitsu from Quyon will be on the Pontiac Now TV program this Sunday night at 11:30. Neil Stanton and Jean-Paul Cote will demonstrate how the men do it; Flo Souliere and Carole Lachapelle will represent the ladies; Jimmy Gibbons and Gilles Marcotte will give the kids point of view on this new-to-Pontiac sport. Chuck McColgan will explain what everyone is doing and also show some of the advanced techniques.

Since THE EQUITY is not a public utility we must charge for some services. These include birth announcements. Some of our community reporters have sent in birth announcements to be published free in their columns but we can't do that. Sorry. The charges are clearly printed at the top of the Classified Ads page. It usually comes to about $1.50. Also we have to charge for wedding photos in the paper: $10, which is less than any other paper we know of.

Again! We have received another communication from Quebec Dept of Agriculture addressed to us at 389 rue Lafleur, Shawville. Will someone please tell us where this rue Lafleur is! If the Quebec Government is going to change the name of Center Street we'd like to have an official notice.

Ray Parsons, president of the Outaouais organization of outfitters, dropped in to chat this week. We are hoping he will send us some information about the outfitters in Pontiac County and how they fit into the economy of the area.

Lament of a Broken-Down or Broke Pensioner

Mrs. Phoebe McCord [retired teacher]

Now I know that I shouldn't quibble,
Or question the powers-that-be,
For that would be rank heresy,
Or even "lese majesté"?

For Fate is fickle, and favors some,
In even the Pension Plan,
And the Vlery Important teacher wins,
But never the "also-ran"!

Refrain: But oh, dear, what can the matter be?
Or what is the trouble with me?
That the weeks go by, and the months roll on,
And never a cent do I see?

For, as ever we toiled in the classroom,
And the years went pacing by,
Well, there was a hope, that if we were good
We'd get pensions by and by.

Yes, after our toil was over,
We could rest, as Kipling said,
With our feet on the coffee table,
And a cushion behind our head!

Refrain: But oh, dear, what can the matter be?
Or what is the trouble with me?
That the weeks go by, and the months roll on,
And never a cent do I see?

They tell us, shrugging, they "lost the files",
Which isn't an answer at all!
But government knows that it needn't reply,
And it's perfectly legal to stall.

And we mustn't presume, and we never may doubt,
Nor question [it is to laugh!]
The fact that they're keeping the loot, perhaps,
for their "temporary staff"!

Refrain: But oh, dear, what can the matter be?
Or what is the trouble with me?
That the weeks go by, and the months roll on,
And never a cent do I see?

Yes, we'll get our reward in Heaven,
So what are we grousing for?
If our files are "incinerated",
Or stuck in the back of a drawer?

For patience, my dears, is a virtue,
So practice it now, and you'll see
That it's "over the hill to the poorhouse"
For poor old you and me!

Refrain: But oh, dear, what can the matter be?
Or what is the trouble with me?
That the weeks go by, and the months roll on,
And never a cent do I see?

Nineteen students from the Victoria Avenue School held a Rockaton in the Calumet Island Town Hall to raise money for their own graduation party. Approximately five hundred dollars will be realized when all pledges are paid up. They rocked for 24 hours, from 6 pm Sunday to 6 pm Monday and some of them topped off the marathon rock by travelling to Pembroke and appearing on the live taping of the Pontiac Now show Monday night. That takes stamina. Here's hoping the graduates enjoy a wonderful party after all their work and congratulations are due to the people in the community who supported the effort. Graduation is an important time in the life of a student - it's good to make a real occasion out of it.

Combines split weekend games

The home opener in Shawville was a success for the Renfrew-Shawville Combines.

A crowd of approximately 350 fans watched the Combines defeat Wendover Rockets on Friday evening.

Jim Cotnam hit for two for the locals. Andy Clark, Larry Green and Bill McNeil added singles.

The Rockets had goals from Vic Maisoneuve, Bill Bell, Mike Moore and Marcel Periard.

The road trip to Gatineau on Sunday was not quite as fruitful, however, the Combines dropped their second game of the season to the Nordigues 7-3 .

Guy Legault led the way for the Nordigues with two goals while Jean Lacharelle, Dan Rheault, bob Peterson, Richard Moyner and Mike Coyer added singles.

Although only in second place in the league standings, Combines are definitely going to be a permanent contender this season. Players are becoming more accustomed to each other and several new additions certainly strengthened the squad. Forwards Andy Clark and John Hutton and goaler Doug James are strong rookie of the year candidates.

The next home game is Friday, November 15 at the Pontiac Agricultural Community Centre in Shawville. Face off is 8:30 pm. Ottawa Falcons (CFB Uplands) will provide the opposition.

So if you haven't seen this year's edition of the Combines don't miss Friday's encounter. Drop down to the arena and show your support.

Catholic Women's League regional diocesan meeting

PUBLIC RELATIONS IS PRIME CONCERN

by Mrs V Elliott,
Publicity Convenor

The Pembroke Diocese held their Regional Meeting with some fifty members of the parish councils of Douglas, Cobden, Osceola, Eganville and Golden Lake attending the Regional meeting held in Douglas on Sunday, October 27 at 2 pm.

Mrs MacDonald, Diocesan President had with her Mrs Stan Mousseau, Church Life Convenor, who outlined briefly what is expected of the CWL for the Holy Year and Mrs Dunlop who extended an invitation to the CWL if and when they were called upon to have a birthday party for the residents of Marionhill in Pembroke.

Diocesan Communications and Public Relations Convenor Mrs V Elliott spoke on the duties the convenor should perform on this convenorship.

We should make use of our TV and radio station when and if possible to promote our image of the League.

We should become active in all aspects of Community Life, be it urban or rural. Contacts made with the general public carries with it public relations implications for the League. We should therefore strive to make our Community and Public Relations Convenorship one of the most important of our League Work.

Next Regional meeting to be held on November 13, 1974 at 8 pm at Our Lady of Fatima with Mrs G Quinn, Convenor of Resolutions and Legislation the speaker.

Scouts and Cubs plan Apple Day for Nov 23rd

Cubs and Scouts are underway for another year. Twenty-eight cubs are registered and Graeme Howie is the Cub Leader and the three assistant leaders are Jim and Brenda Tanner and Bill Black. Cub meetings are held each Wednesday from 7 to 8 pm in the Scout Hall in Shawville United Church Hall.

Fifteen Scouts are registered and the leader is Boyd Barber with Jerry Callaghan, assistant leader. Scout meetings are held each Monday from 7 to 8:30 pm, in the Scout Hall.

Registration fee this season is 5.50 with $5.00 going direct to Headquarters and 50 cents to the local Mothers Auxiliary.

Sunday, November 10th the Scouts, Cubs and leaders were at the St Paul's Anglican Church for church parade at the Remembrance Day service.

November 11th the Scouts, cubs and some leaders were at the Cenotaph for Remembrance Day Service appropriately dressed in their uniforms. A color guard was formed and wreaths laid.

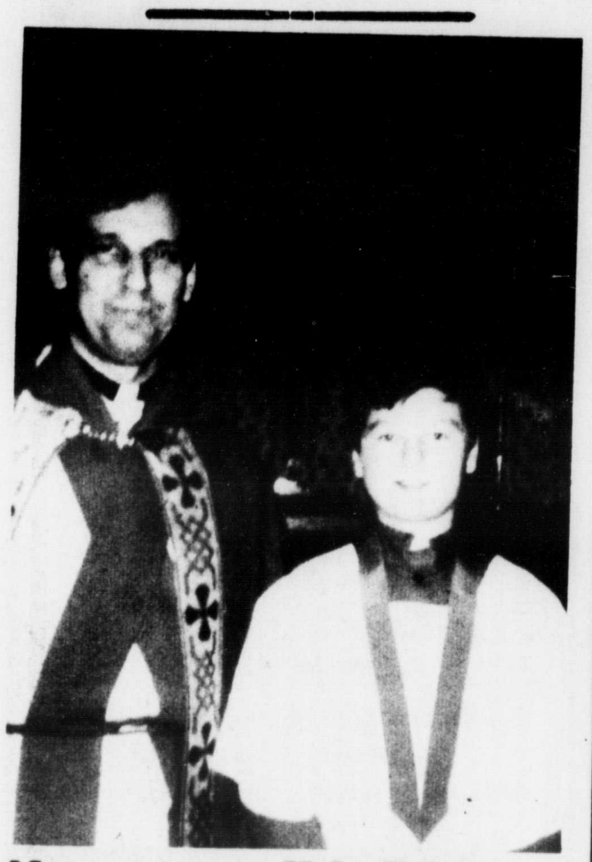
The Group Committee Executive for 1974-75 was adopted on November 7th as follows: Frederick (Eric) Ross, Chairman, Mrs Jean Smith Secretary, Morley Wilson Treasurer, Vice chairman Thomas Gray, Past Chairman John Beattie.

The Chaplain is Rev. Archdeacon M.K. Roberts and the president of the Mothers Auxiliary is Mrs Edith Howie.

Apple Day is planned for the weekend of November 23 and a meeting to finalize the plans takes place Wednesday, November 13th.

The Annual General meeting was held October 15 with twelve present. Thirty-three families have cubs and scouts registered and only ten families were represented at this meeting and three of those are leaders. Every parent was telephoned and asked to attend this "once a year" meeting. Twenty-three parents, for one reason or another did NOT ATTEND.

Presence at these meetings is one way of indicating interest and support to the dedicated leaders and workers who are available at least once a week to work with the boys.



New server at Holy Trinity

Neal Heeney, son of David and Vaida Heeney was formally received as a member of the Servers' Guild of the Anglican Church.

The service was held in Holy Trinity Church, Danford Lake.

Six servers were present from the four congregations which make up the Mission of Aylwin-River Desert, to welcome Neal into the Guild.

Wearing a red cassock which represents the blood of the Christian Martyrs, Neal was presented with the White Surplice representing his baptismal purity, and the Badge of Membership worn on a blue ribbon around his neck, representing the Yoke of Christ, and his willingness to serve his Lord.

The service was conducted by the Reverend Wm Liberty, Priest-in-charge of the Mission, and was witnessed by many members of the DanfordLake community.

The Servers' Guild traces its ancestry and heritage back to the Levites of the Old Testament who took turns assisting the Priest in the Temple at Jerusalem, and also to the seven Deacons appointed in the Book of Acts to assist the Disciples.

Mrs Roch Lasalle, Pierrette and Marion visited with her mother recently.

Congratulations to Mr and Mrs Richard Moore who were married recently at St Andrew's United Church in Campbell's Bay.

Andre and Jacques spent a few days with their brother Daniel Godin in Campbell's Bay. Returning home along the Village road with a friend Jacques saw a large bear hurrying through a fence and then disappeared into the bush. Anyone walking along the village road, be careful. The bear must have been hungary enough to come out in broad daylight. While farmers won't lose anymore animals to a hungary bear roaming the territory.

Congratulations to William Newberry on his re-election for councillor, also to Florimond Corriveau and Gabriel Mantha on the winning of seats 5 and 6. To the other men that were running in this election, best of luck next time.

Ombudsman coming to Hull

According to French communications we are led to believe that the third Friday of each month (that would be the 15th of Nov.- the 20th of Dec. etc) an ombudsman from Quebec will be in his office in Hull to receive any complaints anyone might have about their contacts with government officials. He can be telephoned at 770-6910, it says here, and without coming right out and saying it the inference is that his place of sitting in Hull on those Fridays will be 662 St Joseph Blvd. Since all the information has come in French there is no reason to suspect that he will accept English language complaints but it wouldn't hurt to try - if, that is, anyone has anything to complain about. The blurb says he's interested in hearing from anyone who thinks he has suffered an injustice from any government office - at least that's what it seems to say. We wouldn't want to be quoted. On the other hand we wouldn't want to be blamed for not passing on this valuable information from the Department whose job it is to inform the public. If anyone does go down to Hull with a grievance on any of those third Fridays we would love hear how they fared out.

TEXT 1 Cor. 13: 1-13 *"Love"*

In todays text, we read of something that is desperately needed in this old world of our today. Although the Bible commands that we are in love one another, we fall short of obeying that command.

Love is the medicine for the sickness of the world - a prescription often given, but too rarely taken. It is the lack of love that makes people depressed, anxious, and without zest for life. It is love that begins to flow as a pure concern for the happiness of others only when we become reconciled to God through Christ.

Of all gifts a person can give, none is greater than that of love. True love is like a beautiful rainbow showing forth all of its beautiful colors. Love is patient, for that is what is meant by long-suffering; patient over the slowness, weakness, and wickedness of others. Love is kind and full of thoughtful service and ever on the watch to help others. Love is generous and does not envy the good which others have and is even willing that others should be first and more forward. Love is humble and does not vaunt itself, for it is all the time thinking and planning for others. Love is courteous and very careful about her manners and is never rude or harsh. Love is unselfish, for instead of looking out for number one, she is seeking to give rather than to receive. Love is sweet-tempered, not allowing anything or anyone to provoke her. Love is open-hearted and never takes account of the rejoices with every good thing and good person everywhere. Love beareth or covereth all things. This is a picture of a roof that does not leak. Love believeth all things; that is to say, believes the best always. Love hopeth all things and goes right on believing that the hope will be realized. Love endureth all things, continuing to think good thoughts and perform good deeds in spite of all difficulties and perils.

Love is not a sponge sucking in everything to itself, but is an outspringing fountain giving from itself. Love is a self sacrifice consisting of a life of giving and not of receiving. True love does not parade before the world all that it has done to receive glory for its great achievements.

Yes, the greatest gift you can give to a brother or sister or friend or neighbour or fellow worker is to show them the love that we read in todays text.

Aylmer East Women's Institute

by E.M. Craig Publicity Convenor.

Thirteen members and one visitor met at Mrs R.E. Radmore's home, where the 49th anniversary of the Aylmer East Branch was held. A pot luck supper was enjoyed. Our guest was Mrs D. Clarke of Ottawa. The president Mrs E Lusk thanked Mrs Radmore for so kindly having the meeting.

Roll call was "A pleasing memory of our Women's Institute.

Minutes of October meeting were read and the question of getting a typewriter for a nearly blind boy was reported on. A machine had been rented for a month, after many inquiries, which was found unsatisfactory. So further information was sought.

UNISEF xmas cards were on display and the list of names for Xmas cards which we sent was revised and added to.

A report was given on Gatineau County's day at Winter Fair when Wright, Rupert and Aylmer branches served tea on the 18th.

Convenors reports were given and Joy fund collection was $3.20.

The fall convention was discussed briefly as members had all been present. The usual donation of $10.00 will be sent to Aylmer Branch Canadian Legion for Armistice Day.

The Institute received an invitation for members to attend the Eastern W.I. Convention to be held in Ottawa at the Talisman Hotel.

For December meeting the roll call will be 'A XMas Poem" and make a Xmas table centerpiece to be judged. A donation for Save the Children Fund and a Xmas contest will be held. The hostess will be named later.

At the close of the meeting an auction of miscellaneous articles was held which netted $18.60.

Coulonge Womens' Institute

by Mrs W.E. Knox Publicity Convenor

The Fort Coulonge W.I. met in St Andrew's Church Hall on Thursday, November 7, at 2:30 pm. The vice president, Mrs H.R. Rabb, presided in the absence of Mrs L Routliffe through illness.

Following the opening Ode and Collect, the minutes were read and approved. A thank-you note from Mrs Fred Burman was read, and letters of appeal from Canadian Legion and Christmas Seals Campaign.

It was decided to make donations to the Manoir Sacre Coeur, the Canadian Legion Poppy Fund and to the Christmas Seals Campaign.

Members demonstrated favourite household gadgets in response to the roll call.

Mrs W.E. Knox contributed Household Hints, and, as Publicity Convenor, an article about Mr Harold MacMillan, a former Prime Minister of England. She also gave a report of the W.I. Semi-Annual Convention held in Bristol Memorial Church on October 9th.

As Health and Welfare Convenor, Mrs H.R. Rabb read an article "Diabetic Association hear of artificial Pancreas". She also read items of news 'A look at the Far East" by Don McCuaig, and one regarding the Jamieson Stone House on Highway 17.

"The Queen" was sung at the conclusion of the meeting. Mrs Rabb and Mrs Knox served lunch.

Looking for cheaper proteins

In a protein-scarce world, farmers are constantly on the lookout for the cheapest, most nutritious proteins for animal and poultry feeds.

Dr E E Gardiner, a specialist in poultry nutrition at the Agriculture Canada Research Station here, has just completed trials with fababeans and wheat as alternatives to the more popular soybean, rapeseed, fish and meat proteins currently used in chicken feeds.

"High protein feed wheats look promising, and fababeans may have a place, but not as the sole source of protein," says Dr Gardiner.

"Farmers could produce feed wheat with up to 20 per cent protein content if they paid special attention to irrigation and fertilization," says Dr Gardiner. "The feeding trials show that at today's prices there would be a market for that type of feed wheat because poultry farmers could cut their costs by using wheat to replace half of the soybean meal in a broiler ration.

"Tests showed that we could get totally satisfactory results by using 20 per cent protein wheat, supplemented with the amino acid, lysine, for half the protein requirements in a ration for broilers."

The results showed that a diet with fababeans for protein, instead of soybean meal, reduced weight gains by 20 per cent over the first four weeks for broiler chicks. With White Leghorn laying hens, a fababean diet resulted in a five per cent reduction in egg production over a 28 week period.

GEBEC for small and medium sized firms in the Province of Quebec

GEBEC is the nickname of a new group of Quebec business men whose aim is to improve the lot of the small and medium sized enterprises in this Province. There are 3000 businesses in Quebec employing less than 400 people and making less that $5 million a year. Eventually GEBEC hopes to include all 3000 in their membership. At the moment there are only 100 members but the organization only got started two months ago.

The official opening of GEBEC will take place at their office at 2 Quebec Place, in Quebec City, on Thursday, November 28th with the Minister of Commerce and Industry in attendance.

Publicity, insurance, technical assistance, advice on all fronts, and help with government policies are among the benefits of membership which costs $100 a year in addition to an initial purchase of a $1000 share. Interest from the shares will be used to maintain the central office.

Forty percent of the manpower in Quebec is employed by these small and medium sized enterprises.

The only member of GEBEC from Pontiac County is Remi Fortin, president of Fortin Industries of Fort Coulonge. Remi has been elected to the Board of Directors and will represent the entire Outaouais industrial region.
