

SPECIAL NOTICES.

MRS. WINSLOW,
A Nurse and Female Physician,
presents to the attention of Mothers, her
SOOTHING SYRUP
FOR
CHILDREN

which greatly facilitates the process of Teething,
by softening the gums, reducing all inflammation,
—will ALLAY ALL PAIN and spasmodic action,
and is
Sure to Regulate the Bowels.
Depend upon it, Mothers, it will give rest to
yourself, and
Relief and Health to your Infants.

It not only relieves the child from pain, but
invigorates the stomach and bowels, corrects
acidity, and gives tone and energy to the whole
system. It will almost instantly relieve
griping in the Bowels and Wind Colic,
and overcome Convulsions, which, if not speedily
remedied, end in death. We believe it is the
BEST AND SUREST REMEDY IN THE WORLD,
in all cases of DYSENTERY and DIARRHŒA
in children, whether it arises from Teething or
from any other cause. We would say to every
mother who has a child suffering from any of the
aforesaid complaints—DO NOT LET YOUR
PREJUDICES, NOR THE PREJUDICES OF
OTHERS, stand between you and your suffering
child and the relief that will be SURE—YES,
ABSOLUTELY SURE—to follow the use of this
medicine. If timely used. Full directions
for using will accompany each bottle. None
genuine unless the face-smile of CURTIS &
PERKINS, New York, is on the outside wrapper.
Sold by Druggists throughout the world.

Principal Office, 13 Cedar St., New York.
Price only 25 cents per bottle.

HOLLOWAY'S PILLS.—During
this delicate situation, ladies will experience
great relief by using this mild cathartic medicine
for correcting those indispositions and nauseating
sickness to which they are subject during this
period. They give a gentle stimulus to the cir-
culation, and purify and expel all those humors
which irritate the stomach and bowels. They are
so mild, that the most delicate constitution may
take them with perfect safety. For assisting
females at the dawn of womanhood, or at the
turn of life, they are equally adapted. Sold by
all druggists, at twenty-five cents, sixty-two
cents, and one dollar per box. 139

DR. MCKENZIE'S
DEAD SHOT WORM CANDY
IS WORKING MIRACLES BEYOND ALL
conception. The Medical Faculty of Scot-
land, as well as England and Ireland, have
pronounced this Worm Candy to be more good
than all other Worm Medicines combined. It
has stood the test since A.D. 1755, nearly one
hundred years, which, almost every son and
daughter of old Scotia can testify. It has always
borne the name of

Old Dr. McKenzie's Worm Candy Stick.
As it resembles a candy stick in taste and
appearance, and is always eating it is wholly un-
conscious of taking medicine, and where worms
exist, the results are beyond description.
A child of ten years of age, of Rev. J. McHou-
gill, Dundee, passed over the WORMS in Three
Days, which he testifies, that he believes by
God's blessing, it saved the child's life. Thou-
sands of similar testimonials are given (without
solicitation) to the present proprietor.

General Symptoms of Worms:
Restless, Sudden Starting and Grinding the
Teeth in Sleep, Constipation, Ravenous Appetite,
(sometimes no Appetite), Paleness, Picking the
Nails, Bowel Complaints, Fever, Restlessness
Excitation, Looseness of the Flesh, Dry Cough,
Sour Breath, &c., &c.

All of the above symptoms will immediately
cease to exist by using this medicine once or
twice. It always cures, and the worms never
exist. It is perfectly harmless, even to the most
tender infant.

**Warranted Purely Vegetable in its
Combination.**

AN OLD STANDARD REMEDY.
FOR COUGHS, Colds, Consumption, and all
Pulmonary complaints, use the VEGETABLE
PULMONARY BALSAM, which has maintained
its high reputation for nearly twenty years, and
is recommended by many of our most eminent
physicians and gentlemen in the country, among
them Rev. Josiah Litch, Philadelphia; Rev.
Leonard Woods, Andover Theological Seminary;
D. P. Thompson, former Secretary of State, Vt.;
Dr. Merrill, Perry, Abell, Parker, Berry, and
many others; by the Press, and by the largest
and oldest dealers in drugs and medicines in the
United States and Canada.

OPINIONS OF THE TRADE.—“We know of no
medicine which has so long and so high a
reputation for so long a time of years, or
which more rarely disappoints the reasonable
expectations of those who use it.”
[Signed by many of the oldest and most re-
spectable druggists in the United States.]

EXTRACTS FROM LETTERS RECEIVED FROM PHY-
SICIANS.
“I, with confidence, recommend it as superior
to any other preparation for the above com-
plaints.” “It has a superiority over every kind
of medicine used, and has been used for lung
complaints with wonderful success.” “I am
satisfied it is a valuable medicine.” “It is a safe,
convenient, and very efficacious medicine.” “To
my knowledge, it has never disappointed the
reasonable expectations of those who have used
it.” “I confidently recommend its use in all
complaints of the chest, as equal, if not superior,
to any other medicine within my knowledge.”
“Of all the principal remedies used for coughs, I
am satisfied yours is the best, and hope it will
be better known and more generally used.” “I
have prescribed your balsam, and regard it as
the most valuable and effective remedy within
my knowledge.”
“Extract from a letter just received from a gen-
tleman, ordering some of the Balsam—
“Markesan, Green Lake Co., Wisconsin.
“Messrs. Reed, Cutler & Co., Gentlemen.—For
some twenty years I have used your Vegetable
Pulmonary Balsam in my family, but more par-
ticularly for myself. When I first used it, I was
given up by physicians as past cure of consump-
tion. I obtained immediate help. I have always
kept it close, and consider it, for the lungs, the
best medicine I ever used. I have recommended
it in several cases, and in nearly every case it
has proved beneficial. I can only say after the
doctor had pronounced her incurable.”
“Respectfully yours, H. H. Robinson.”
