Pontiac delegates named to attend U N Convention

Delegates from Pontiac County to attend the Union Nationale Leadership Convention in Quebec City were chosen last week at a meeting in the Legion Hall, Campbell's Bay.

The meeting was presided over by out of County Officials according to the regulations and the chairman Mr Therien, announced at the outset that if more than the required number of delegates were nominated there would be a draw to decide which ones would go.

As it turned out, no draw was needed and in fact only ten of a possible twelve Pontiac delegates were nominated, as follows: Hon Raymond Johnston, Otter Lake, Eric Vadneau, Otter Lake; Yvon Lambert, Fort Coulonge; Linden Quaile, Campbell's Bay, Mrs Raymond Johnston, Otter Lake; Mary Morin, Campbell's Bay, Mrs Chas. Berlau, Otter Lake, Danny Ryan, Fort Coulonge, Denis Robert, Shawville, Ken Kilgour, Shawville.

Police had a busy weekend

— Safety checks on highway
— Underage drinkers charged
— Investigation of shooting

In order to cut the accident rate in Pontiac County, Corporal Yvon Fauchon has instituted a series of spot checks on the safety features of cars being used on the highway. "There were 529 highway accidents in Pontiac in 1970" he states, "and this is far too many. We are going to try to cut this number below five hundred this year at least, and much farther if at all possible."

Corporal Fauchon has had an assistant in his office, Corporal Robert of Lachute, for the past two months. Also Corporal Roberge from Vaudreuil has just recently been added to the force in Campbell's Bay.

Constable David Bastien has been promoted to Corporal and posted to Val D'Or and with other changes among the constables of the Campbell's Bay detachment, Corporal Fauchon now has 18 constables here.

A Saturday night raid on Moorehead Island Lodge, and the two hotels in Campbell's Bay, Ottawa House and Moyle's, netted 49 underage drinkers, all of whom were taken to the police station. Thirty four of these were apprehended at the Lodge and the other 16 in Campbell's Bay. Those who were from Ontario were released to their parent's payment of a bail of $55.00. Those from Quebec were released to their parents without bail. The reason for this is that those from Quebec can later be picked up by police if they do not appear in court as ordered but those from Ontario cannot be picked up by Provincial Police from Quebec. The bail, less costs, is returned to the parents when they bring their children into court.

One parent did not drive to the Police Station in the middle of the night to pick up his son but asked the police to keep him until morning which they did.

The purpose of the raids was to enforce upon the minds of young people that they should not go to the hotels if they are under twenty years of age. Corporal Fauchon is very serious about the enforcement of this law as he feels that a hotel is no place for a teenager.

He would also like all young people to know that if they use false papers to try to identify themselves as being over 20 years of age, they can be charged with a serious offence under the Criminal Code of Canada; this is far more serious even than being picked up for breaking the Provincial Alcohol Beverages Act.

Children picked up who are under 18 years of age must appear at the next session of Family and Juvenile Court and those who are 18 and 19 years old appear in the regular court on Wednesday to plead guilty or not guilty and then to receive sentence as required by law.

The police were also busy with an investigation of the shooting of Mrs Rena Paquette of Campbell's Bay who was taken to hospital with self inflicted gunshot wounds to the side. After the shooting, Mrs Paquette was able to telephone a friend who called the police, and also was able to get into an ambulance by herself. She was taken to Shawville to the Pontiac Community Hospital where she was examined by Dr Cowley and then sent down to the Civic Hospital in Ottawa.

Constable Jean Ippersiel is investigating.

90 men wanted for bush work in Pontiac County

Canada Manpower also has jobs listed for 25 mining operators

Canada Manpower Centre in Campbell's Bay has urgent Demands for Bush Workers and Miners.

It would seem that Canada Manpower Centre in Campbell's Bay, have demands presently for 90 Bush-Workers, 30 of which would have to be power-skidder operators and owners, or simply operators for owners. These ninety men are expected to work in gangs of three.

All three men in each gang should also have a chain-saw in order to produce as much as possible and they should also have all safety equipment needed for bush operations. These jobs are in Pontiac County.

Canada Manpower Centre at Campbell's Bay has knowledge of available machinery at reasonable prices for men interested in taking these jobs who do not now have the necessary equipment.

Another 25 men are needed for permanent employment in mining occupations in Chibougamau.

All information regarding these openings are available to you by contacting your Canada Manpower Centre in Campbell's Bay at 648-5595, on Wednesdays and Thursdays of each week or by contacting Mr Bergeron at the Hull Office at 777-3814 on Mondays, Tuesdays and Fridays.

Quyon Lions hear about the courts

Judge Swabey of Ottawa was the guest speaker at the Quyon Lions Club Father and Son Banquet.

This well attended meeting of Quyon Lions Club members together with their sons of varying ages listened intently as Judge Swabey gave a vivid picture of the problems of the courts in dealing with present day problems as they come before these bodies.

Further with Lions Club activities, it has just been announced that R.E. Campbell of Beech Grove will take office as President of the Quyon Club on July 1st, succeeding Laurie MacKechnie, who will retire as President at that time.

Plan to regroup all school boards

Bill 27 is an act respecting the regrouping and management of school boards in the Province of Quebec. It is now in the process of being passed by the National Assembly of Quebec, having received first reading.

As it concerns schools in Pontiac County we should understand what it proposes.

For the Roman Catholic schools, Ste-Marie-de-Quyon will be under the authority of the Aylmer school board; Aldfield and South Aldfield will be under the authority of the Autaouais-Hull School Board; Aberdeen, Bryson, Calumet, Campbell's Bay, Chapeau, Chichester, Clapham, Portage-Du-Fort and Vinton will be under the authority of the Pontiac School Board.

For the Protestant schools, Central Pontiac, Onslow and Pontiac County West schools will be under the authority of the Shawville school board.

The Ste-Marie-de-Quyon school municipality referred to includes Shawville and up to and including lot 15 of Clarendon for Catholics.

The Outaouais regional school board will include the Aylmer school board, the Champlain, Cantley and Wakefield school board, the Gatineau school board, the Outaouais-Hull school board and the Pontiac school board.

The Ottawa Valley regional school board will include the Hull school board, the Noranda school board and the Shawville school board.

SUPPORT THE JUNIOR GUILD BOTTLE DRIVE ON SATURDAY MAY 15 th

May 12 is Hospital Day

Hospital Day falls on Wednesday this year, May 12th, and in many of the area hospitals the public is being invited to visit during that day. Pontiac Community Hospital is really not large enough to allow for any mass visitations of the public. In the interest of the patients which the hospital is committed to serve, there will not be any open-house invitation to the public but nevertheless the Hospital Board wishes to use this occasion to make the public aware of the hospital and some of its problems.

Though they only hold one day officially as Hospital Day, the hospital is at work 365 days each year. Equipment becomes obsolete and normally is replaced by government but in the past years financing has become more and more difficult.

The hospital takes this opportunity to remind the people of this community that it must look to the public for support in many areas.

Pontiac Lodge talent contest

The Pontiac County Lodge raised about $240. for the Rosemere Children's Home on Saturday night with a talent contest in Shawville.

Judges for the evening were Miss Lucille Hodgins and Robert Kingdon. Master of Ceremonies was Mirl Young and Rev Ed McColl also assisted with the organization of talent during the show. Also assisting was Miss Patricia Hodgins who gave an exhibition performance, not as a contestant, of step dancing.

Winners were announced in nine categories as follows:

Modern Singing- Bonnie Sue and Peggy Lee Cruickshank tied for first place with Gillie and the Three D's. Second place was Sally Mayhew and Bonnie Lemay, accompanied by Denzil Mayhew on guitar.

Junior Square dance winners were the Shawville Calf Club.

Senior Square dance winners were the Bristol Square Dancers.

Novelty Fiddler contest was won by Benny and Luella and Dominic Curley.

Old Time Fiddler winners were Bob Ranger first, Eric Campbell second.

Country singing- Jimmy, John, Ray and Kirk Curley First.

Jimmy Curley alone - second.

Armand and Turrett Laurin of Calumet Island singing a French country song, third.

Instrumental groups - John and Bill Rowat with Bud Horner.

Bill MacMillan and George Stones Jr., in a smashing performance as brass quintet, were awarded first place in this division.

Step Dance Solo - Ghislain Fleury.

Step Dance Duet- John Laframboise and Brenda Burnet.

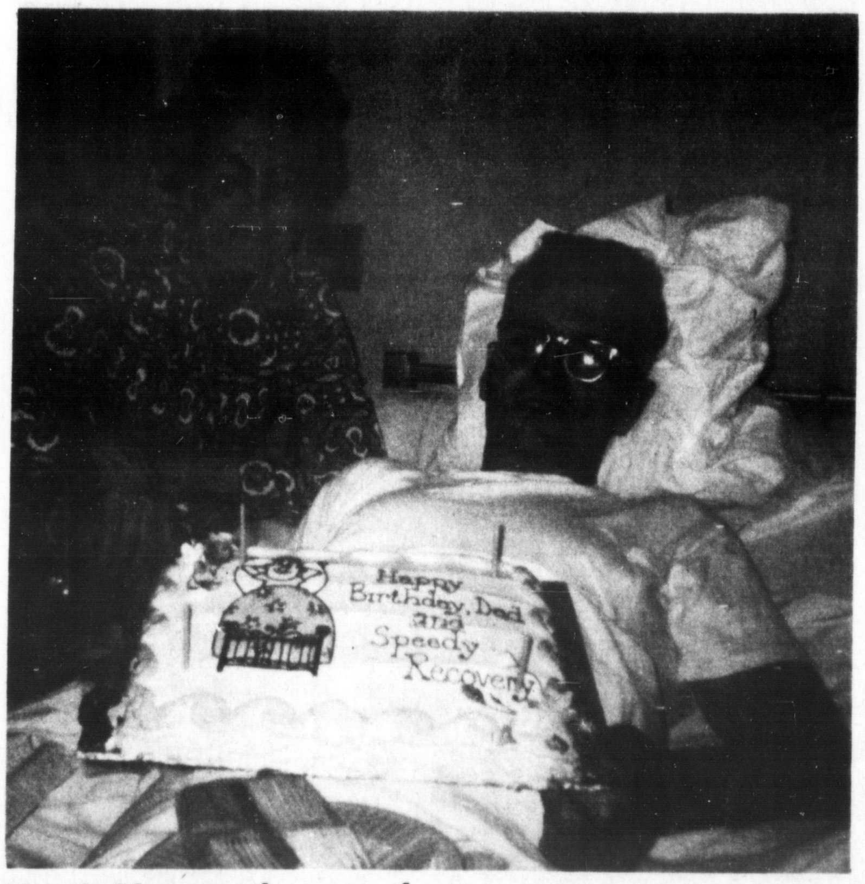

Gospel Singing- Marilyn Sparling and Judy Hynes.

Course includes experience

As part of their training in the Special Commerical Course at the Pontiac High School, students have been placed for one week at a time in various offices at Consolidated-Bathurst Pontiac Mill. The week's experience exposes these girls to office routine.

At the top is Joan Lang, working with reports in the payroll office. Joan also spent some of her week in the Personnel Department. Next is Bonnie Armstrong typing in the Accounting Department, and the lower picture is of Marilyn Wallace filing in the Stores Department. The photos are by Max Leblanc.

Secil Sly on the mend

Secil Sly smiles happily from his bed in the Pontiac Community Hospital with Gladys at his side as he is honored on his 69th birthday, May 4th, at a party arranged by his family and with the co-operation of the staff.

As he strives to regain his health after major surgery and almost total paralysis he is grateful for the skill of the Doctors and the wonderful care of the nurses, both in Civic and in the local hospital during these many months of recuperation. He hopes to eventually be back to greet all his friends at the B.P. Station.

"SORRY, CHAPS . . ."

Ottawa is a town with many newspapers. Three of them are dailies and until last week THE OTTAWA JOURNAL was our favorite.

Then they wrote that damning editorial about Pontiac County. It wasn't just a news item about Pontiac, where errors are excusable, but it was the official opinion of THE OTTAWA JOURNAL written by an editor in the column reserved for editorial opinion. It was a shocker.

First they flippantly referred to the opinion poll taken here last month as "The Shawville Equity was asking around the other day". This questionnaire was filled in and returned, signed by 1268 responsible people in Pontiac including clergy, teachers, bank managers, school principals, doctors, mayors and councillors, businessmen, officials of large corporations, farmers, third, fourth and fifth generation Pontiac families, recently arrived engineers and technicians, welfare recipients, board members and in fact people in every walk of life here, of English, Irish, French, Polish, German and other extractions.

They then suggested that these people, and in fact all of Pontiac, is gutless for having expressed the wish to remain in Canada no matter what the rest of Quebec does. They call this quitting. If that editor could know what courage it takes to speak out, as Pontiac finally decided to do, they would never have written "we think the people of Pontiac are made of hardier stuff".

The editorial is full of the sort of mistakes a cub reporter would be excused for making but which show contempt for the subject when included in the editor's column. They say 1232 people responded to a public opinion poll. That number only represents those who designated a wish to get Pontiac out of Quebec. There were also 36 who wished Pontiac to stay in Quebec, for a total of 1268. This may seem to THE OTTAWA JOURNAL unimportant but when one reports on an opinion poll one should not just pretend that all those of one opinion didn't answer. And also the statement that 602 is a majority of 1232 is wrong.

The summary statement that Pontiac people shop across the river, work there, go to doctors in Pembroke, is misleading. Almost everyone in Pontiac shops here, works here and uses Pontiac doctors.

THE OTTAWA JOURNAL states that "opting out is no solution. That's a wide river to cross!" They've missed the whole point. We are not opting *out*. We are opting *in*. We wish to remain in Canada but because of our geographical situation on a political map we are in danger of being swept out of Canada. Canada can span rivers no matter how wide, but it cannot cross a national barrier once established. If Quebec separates from Canada, which is a clear possibility, it will be too late for Pontiac to do anything about becoming part of Canada because the rules will come from Quebec. There will be no further recourse to Ottawa. This is why the people of Pontiac want to do whatever can be done about it now.

But never fear. THE OTTAWA JOURNAL has it all figured out for us. In fact they are so sure of their solution that they state flatly that theirs is the only solution, and here it is:

. . . "it is the job of the county's MLA Jean-Guy Larivier (sic) to see that all of the people of Pontiac get a fair break.".

There are no more MLA's in Quebec whose legislature is now called the National Assembly.

The correct reference should have been to "Jean Guy Lariviere, MNA". Furthermore, whoever wrote those lines couldn't possibly know the man. Jean Guy is doing his best. He's a great guy. Nobody could seriously say he isn't doing what he can in the difficult position in which he finds himself. But to think that he is able to see that all the people of Pontiac get a fair break is rather ridiculous. No one man can do that in the present political scene.

Now we are wondering what has persuaded THE OTTAWA JOURNAL to take this stand against the people of Pontiac County. With a newspaper like THE EQUITY if a person wonders what's on the editor's mind one has merely to ask him. And everyone does, constantly. And having no outside or secret pressures on us we can always explain our thinking. But in the case of a large corporation how does one find reasons? What is behind that editorial of May 5 in THE OTTAWA JOURNAL? To whomever is using THE OTTAWA JOURNAL to try to persuade Pontiac County to put up and shut up we have only this to say: "Sorry chaps, we're made of hardier stuff."

SOME SPECIFIC ANSWERS TO SOME SPECIFIC QUESTIONS

1. What do we think of bilingual schools?

Great! Mainly to permit students from French homes to become fluent in English; that's the economic need. It's true if an English person wants to work for the government he has to know French so it should be provided for those who want it.

If you're going into a medical profession you study Anatomy. If you want to be a secretary you study Short Hand. This doesn't mean that everyone in school should take Anatomy and Short Hand — or French. People who never intend to be doctors or secretaries may want Anatomy or Short Hand anyway. Many who do not aspire to a career in the Public Service may wish to learn French. So be it. But quit pushing it at everyone willy nilly!

We have always maintained that Quebec must become responsible for the teaching of English to all the youth of the Province. Last month we found a glimmer of hope, tucked away in the middle of 120 pages of information about Quebec's new proposals for engineering courses.

The Superior Council of Education states that even if one recognizes that French should be the language of work in the factory one must also realize that English is necessary for those who wish to compete in the fields of technology and management because English has become the international language of technology and business. English, they state, is also necessary for those who wish to take advanced studies outside Quebec or to accept promotions where English is used.

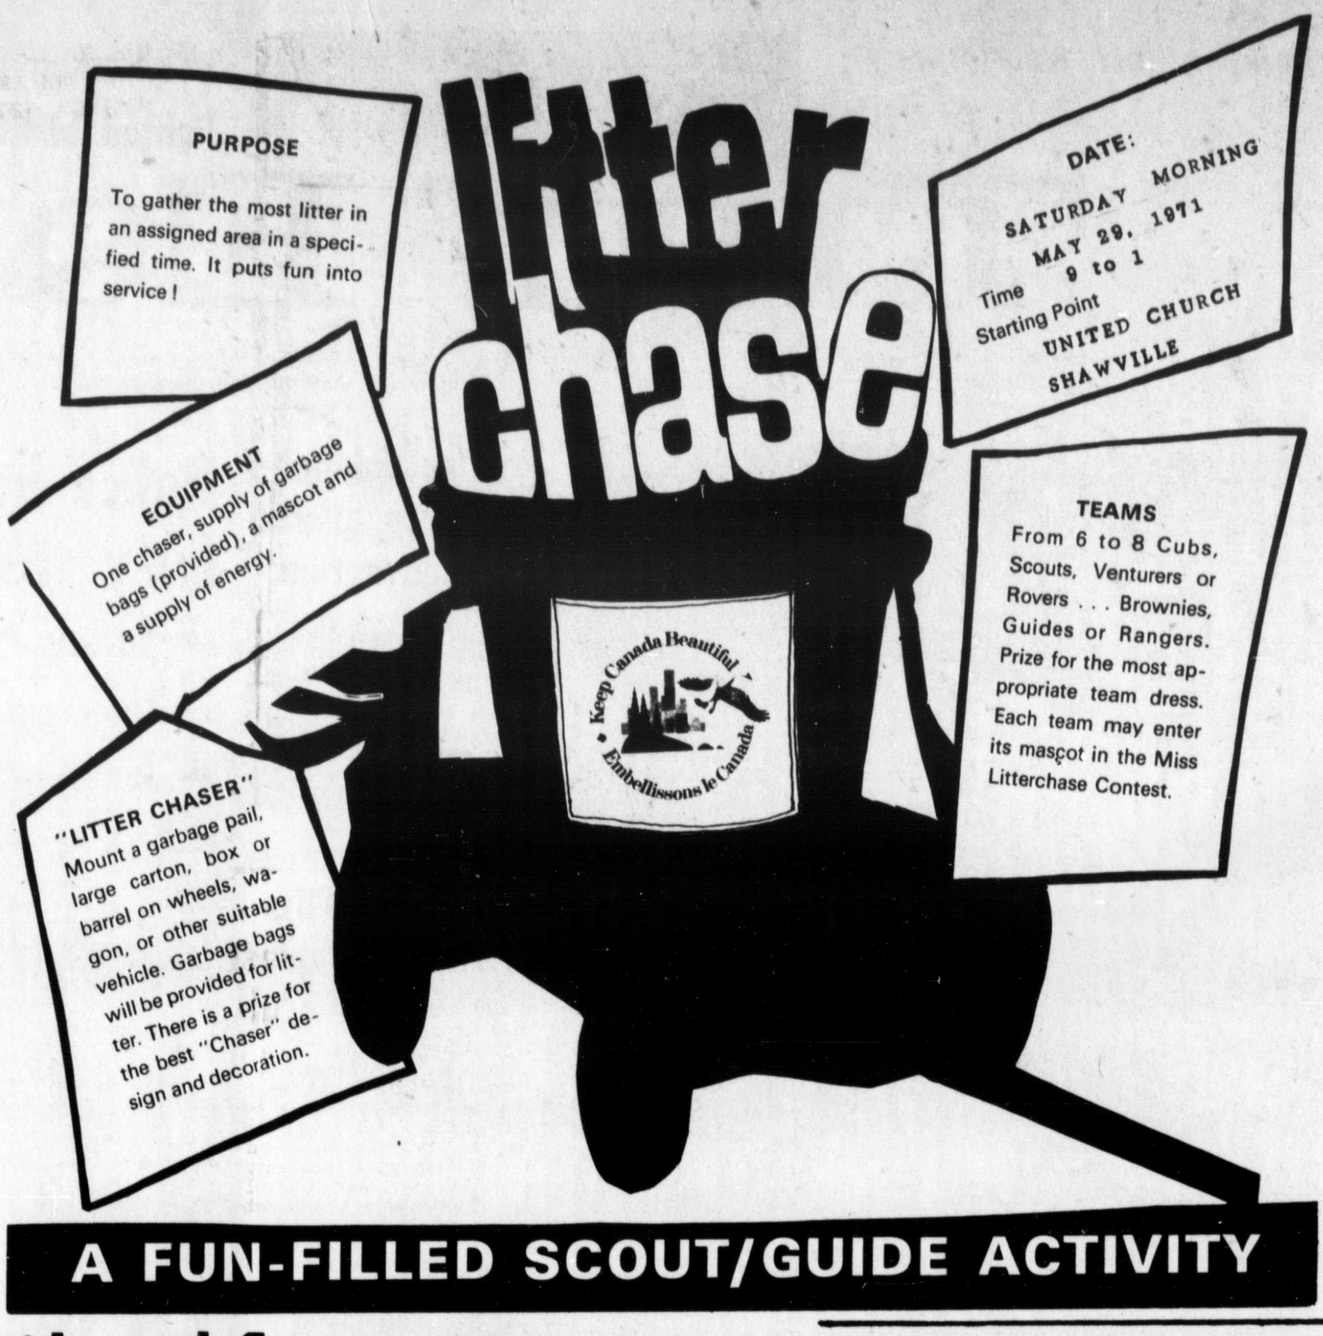

This supports our contention that it is essential to the future of its citizens that Quebec Province provide all its youth with an opportunity to become fluent in the English language.

2. Why don't you want Pontiac to become French-speaking in the same way that so many other previously English-speaking parts of Quebec have become French-speaking?

There is not one good reason why the people of Pontiac should all become French speaking. According to the Official Languages Act there is no reason why anyone in Shawville, for instance, should have to use French at all. The Federal ruling is that where ten percent of the population is French the area should be classified as bilingual. Where is the ten percent in Shawville? Why is Shawville considered by the Bilingual Districts Advisory Board to be bilingual? Here's why. It is because when they came to the Province of Quebec they just threw up their hands.

Everywhere else they carefully studied the local situation to be sure they were establishing bilingual districts only where at least ten percent of the local population was French. But as long as a community is in the Province of Quebec, it is considered to be outside Canada as far as the Official Languages Act is concerned. Nobody even tried to find out the percentage of French people in Shawville. They have given Renfrew a bilingual status because they found more than ten percent of the people there to be French but their decision to make Shawville also a bilingual place was not based on any such discovery; merely on the fact that Shawville is on this side of the Ottawa River.

For the purposes of the Official Languages Act, Quebec is already separated from Canada. Well, we object.

Guide and Scout groups join in national campaign to Keep Canada Beautiful

Last Wednesday night in Shawville the leaders of Scouts and Guides, which included those involved also in Venturers, Rangers, Cubs and Brownies, met at the Shawville United Church hall to discuss a program being sponsored by the Keep Canada Beautiful Council.

The program is called "Litter Chase" and is adaptable to any group or club. In Shawville it is being taken on by the above mentioned groups who have entered fifteen teams in a competition to chase litter in Shawville on Saturday May 29th.

They will meet at the church hall at 9 am, line up with their litter buggies and trucks and take off at 9.30. At one o'clock sharp all the teams are to be back at the church hall where judges will view their litter loads and their costumes and decorated litter buggies.

Required apparel includes only garden gloves for all collectors and beyond that each team will decide what its members will wear.

After all the garbage has been duly taken to the town dump the teams will return once more to the church hall, without their litter collections, to receive soft drinks any prizes for the most litter collected and the most interestingly dressed team.

If this first Litter Chase is successful it could become an annual event. One thing sure is that the committee has decided to go ahead with this first one, come rain, come shine or come snowstorm.

The committee hopes to find donors of garbage bags, soft drinks and prizes and also people willing to lend their trucks for the morning so that each of the 15 teams will have one at their disposal, complete with driver.

LETTERS TO THE EDITOR

Why and Why ??

May 4th, 1971

Mrs Dickson,
Editor
The Equity,
Shawville, Que.

Dear Mrs Dickson:

Your recent article concerning the present feelings of the Pontiac County citizens has interested me very much.

Why should we separate from the rest of Quebec Province! There is no reason to be alarmed.

However, it would be only fair that English speaking residents of the County have the right to go to the Campbell's Bay Court and discuss their matter in the language of their choice. For instance, if one party is French speaking and the other English speaking, bilinguism should be a must.

It is not fair neither to receive all the correspondence from the Provincial Government or any other government in French only. Any municipality, at all levels, should be allowed to receive their correspondence and other documents in the language of their choice, preferably in both.

As there is two official languages in the Province, let us follow the rules and regulations of our Government in the Education field: much progress was made in the last decade. Reverting to unilinguism would mean "retrograding".

If we have two official languages in the Province so should it be at work wherever necessary.

It is unthinkable to believe that a Federal District would include all Pontiac County. If we compare the District of Columbia in the States (Washington), it is no bigger than Ottawa and Hull put together with a population ten times as big in that country as compared to ours.

Why should the Province of Quebec separate from the rest of Canada. We would have everything to lose and, in general, nothing to gain.

I prefer to eat a good steak rather than bread and butter only . . . .

F Alarie
Shawville, Que.

Two questions stand out in the above letter. Why should we separate from Quebec and why should Quebec separate from Canada?

The answer to the first is simply a desire on the part of Pontiac people to continue in Canada.

The answer to the second could better be provided by any of the many, many separatists in this Province. Perhaps the above writer could locate some outside Pontiac but we would have difficulty finding any around here.

Men's Softball League

The Editor
THE EQUITY
Dear Sir,

The Shawville Fastball Association once again is getting organized to promote local teams for the coming 1971 season. At present we are in the stage of rearranging our fastball diamond and starting date should commence shortly.

This year, all teams will be chosen by the system called "Draft". We urge all individuals and we stress to all interested, that registration dates will be final. In order to play fastball, all persons interested must register, either on May 14th from 7.30 - 9.30 PM or May 2, 7.30 - 9.30 PM at the Shawville Fire Hall.

In order to get this softball league organized as soon as possible, we must have the lists of all names by the last registration date. We are hoping to have 5 teams in this league and urge all people in Shawville and surrounding districts to participate.

Last year there were 4 teams from Shawville and we are hoping for an additional team in this softball league. All players will be included in this new draft.

The registration fee will be $5.00 per person and MUST be paid upon the above registration dates.

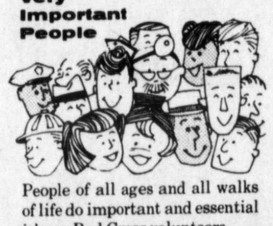

This fee will be used to cover the costs of bats, balls or other equipment as well as the cost of operating the fastball diamond.

NOTE:

As the ballfield is now taking shape, we urge all persons to proceed to the field and give them assistance. Thank You.

Ted Poulin.

GOOD THINGS HAPPEN WHEN YOU HELP RED CROSS

People of all ages and all walks of life do important and essential jobs as Red Cross volunteers.

YOU CAN HELP TOO.

Forget the Barrier!

Fort Coulonge, Que.
May 6, 1971.

The Editor,
The Equity,
Shawville, Que.

I am particularly empressed with the statement in your editorial in the last issue of The Equity dated May 5, 1971, which I quote "Allowing us to foster and retain that perfect relationship between French and English that exists in Pontiac today and found few places on this earth."

Being one of those citizens of the 3% group that strongly feel that within our democratic process Pontiac should and undoubtedly will remain within Quebec. Therefore I can only approve of your statement and give all the praise and merit it should be awarded by every individual in this wonderful and historic County of ours.

However my point of interest is that we've been able to do and continue this great and wonderful relationship between our two linguistic groups in Pontiac for so long within the boundaries of Quebec and the framework of our greatest heritage, Confederation. Let's us not forget that Quebec is and will continue to be part of Confederation to the extent that we keep on entertaining fruitful relations and forget about the language barrier.

Why? Yes, why can we not continue on the same basis. Well, probably the answer lies within the 97% group that answered the questionnaire, whom I suppose don't realize as Canadians regardless of language by omitting Pontiac from Quebec, they are contributing to the fullest extent to the destruction of our greatest tool, Confederation.

To these people I say: be realistic and accept your responsibilities and whenever you go to the poll next time, be serious and give the true and full meaning to this phrase: "United we stand and Divided . . . . What Happens ? ? ?

Daniel R. Ryan.

A barrier is not a thing one might forget. It exists to alter one's course no matter what sort of barrier it may be and the language barrier being erected by the Province of Quebec is doing just that. If the majority of the people of Quebec can be persuaded that the propagation of the French language is sufficient reason to alienate certain of its population and even to entertain the eventual separation of Quebec from Canada, then this is the action they will work towards. But Pontiac County prefers to let everyone use his own language and has no desire to leave Canada. Even though the above writer states that Quebec is and will continue to be part of Confederation, that doesn't make it a fact. Would that it were that simple!

Schock - Elliott wedding

The marriage of Nora Lou, daughter of Mr & Mrs Hubert Elliott to Elson Charles Schock, son of Mr & Mrs Charles Schock, took place on Saturday, April 10th, 1971, in Starks Corners United Church.

Rev. O Davison officiated at a double ring ceremony.

Baskets of white mums and pink carnations with blue streamers were used as decoration and white satin bows marked the pews.

Given in marriage by her father, the bride wore a long A-line gown of imported Lagoda with built in train edged full length with daisies with high neckline also with daisies. The head dress held her floor length veil of nylon tuille illusion and she carried a nosegay of pink sweetheart roses and white feathered carnation and hycinths accented the bouquet with white and blue streamers.

The bride was attended by Miss Linda Graham as maid of honor, of Maryland, Miss Elizabeth Schock of Shawville and Miss Beth Elliott of Hamilton, Ont. They were gowned alike in floor length gowns of polyester chiffon pastel blue trimmed with rose buds.

They carried cascade bouquets of pink carnation and pastel blue ribbon.

Supporting the groom wearing brocaded blue tuxedos were Mr Bill Murray as best man, Glenn Elliott, brother of the bride and Jack Lang, cousin of the groom.

The guests were welcomed at the wedding dinner at The Valley Motel, Renfrew, by the bride's mother wearing a coat and dress ensemble of pink with black accessories and corsage of white carnation and pink roses, assisting was the groom's mother wearing a spring green three quarter ensemble and a corsage of yellow feathered carnations.

For travelling the bride wore a camel knit pant dress with tan accessories and a corsage of yellow feathered carnations.

The couple are presently residing in Braeside, Ont.

Student visits Ottawa as guest of Rotary Club

Tommy Snowden, son of Rev and Mrs S E Snowden, is attending an Adventure in Citizenship, sponsored by the Rotary Club. He is the Shawville Rotary's guest for a week in Ottawa along with young people from all ten provinces and the North West Territory.

While on this Adventure, Tommy, and the other 275 senior high school students, will visit the Chateau Laurier, the House of Commons, Carleton University, the RCMP training division, the National Museum of Science and Technology and will be served luncheon at Government House and enjoy an NCC tour of the National Capital Region and a visit to the National Gallery.

The students are being billeted in the homes of 170 Ottawa Rotarians and their friends.

Walkathon plans lighted ballfield

The interest in the walkathon seems to have spread very quick in this area and should add up to very good results. In recent weeks other small towns have published that they had 200 - 300 persons in their walkathon. We are still quite a way off of this total but we are hoping that more walkers will still enter before May 24th.

The Junior Pontiacs plus many others are giving their full support, as they very much want to see a lighted ball field.

The people who will be using this ball diamond should make an extra effort to help raise the money needed for the Recreation Association.

One girl already has over $4.00 per mile pledged to her.

All persons taking part in the walkathon will meet at the Agriculture Hall, May 24th between 7.30 and 9 A.M. and from here will be transported by the Recreation Association to the starting line at Otter Lake. The walk is approximately 24 miles.

The starting of the walkathon and the condition of the walkers will be looked after by Bob Smith. A refreshment stop will be at Ladysmith and again at the finish line at the Agriculture Hall.

Prizes are as follows:
(1) $10. for the person bringing in the most money
(2) $5. youngest walker to finish.
(3) $5. oldest walker to finish.

Each person will hand his or her sheet of pledges in at the Agriculture Hall before leaving in the morning and they in turn will receive their instructions and a number.

Prepare in advance for studio portrait

Do you keep putting off a date with the photographer because you feel you're not really photogenic? There is no real cause to fear because with a little make-up and grooming preparation for your camera date, you can obtain a portrait which you, your family, and friends will always cherish.

One thing about a portrait photograph is that you can prepare for it, says Mrs Eva Andai of Shawville. No need to worry being caught by a camera in an unflattering pose.

When you make an appointment for your portrait sitting, ask the photographer's advice on the colors you should choose for your outfit and for your lipstick. Both of these will be extra important if you plan to have your portrait taken in color.

Remember that a natural luminous look is not only stylish this year, but is also very flattering. Here are some basic tips from Mrs Andai for makeup that will guarantee a good portrait.

Chose a base foundation which is flattering to your natural color tones. Liquid or moisturized base will help give you a natural look and will also hide any tiny wrinkles which might appear around your eyes. Steer clear of pan-cake or matte-finish foundations which give your face a cakey appearance.

Foundation can be used correctively. Try using a light tone to highlight your best features. A darker tone blended with your natural-colored foundation will help shadow a feature you wish to minimize. To hide a double chin or create an oval out of a round face, smooth the darker foundation from ear to ear along the chin line. To make a long face appear more oval, apply a dark foundation at the tip of the chin. Try a light foundation to cover circles under your eyes.

Your eyes play an important role in the photograph, so treat them accordingly. Be sure to apply eye makeup in a natural way, avoiding false eyelashes unless you wear them daily.

Follow the natural line of your eyebrows when using a pencil or brush to darken the color. If you feel the need for raising the arch in the eyebrow, use a white eyeliner under the crown of your eyebrow.

If you wear glasses all the time, don't shed them for the camera. You need not fear an unnatural glare from the lenses. The photographer knows how to avoid it.

Your photographer will advise you on the color of lipstick which will photograph best. Avoid the excesses of pale, pale colors, or the too-red tones. Follow the natural lines of your mouth with a lip brush and then fill in clear to the corners.

Remember that your hair will frame your face in the portrait photograph. Mrs Andai advises "doing what comes naturally" with your hair. This is definitely not the time to experiment with an exotic style. If you plan to have your dair done at the beauty parlor, schedule your hair appointment two or three days before your date with the camera. This will ensure a natural, soft look to your hair style.

Once you've got your makeup down pat, carefully choose the outfit you'll wear. Be sure that the neckline is flattering and fits correctly. Gaping necklines can ruin a picture. By all means steer clear of bold stripes. and prints which overshadow you. And forego any fad styles that will date your picture.

Jewelry should be kept to a minimum. A single strand of pearls or a favorite pin is an excellent choice. You might want to bring several types of jewelry to the photographer's studio so that you will have a choice.

Whatever your technique, your portrait will be your best picture if you've done your makeup and grooming homework, and if you relax for the camera. And your family will love you for finally having your photograph taken.

Bryson Rec. Assn. Annual meeting

Elections for new officers of the Bryson Recreation Association took place at the annual meeting on Wednesday, April 28th. Officers elected were J G Mainville President, Ed Gutoskie Vice President, H Stevens Treasurer, G Ladouceur, Secretary, and the following seven directors, G. Bujold, K Griffin, L Piché, J Cahill, Mrs C Routcliff, D Rose and P Dufour.

The announcement that Al Davis had been elected President for the Pontiac Zone of the Quebec Amateur Federation of Baseball, was greeted with pleasure by the members of the Bryson RA.

The financial report revealed that as of April 20th, 1971, the Bryson RA has net funds available to an amount of $1,277.88. At May 1, 1970, the funds amounted to $276.44, which means that in the past year's operation the net addition to funds has been over a thousand dollars.

Receipts during the year included $1,581.27 from the Walk, $1,150.07 from the Carnival, $214.50 from bottle drives, $500 from Municipal and Government donations and $18.00 from memberships, for a total of $3,463.84.

Expenses for the year have been $50. for a swim instructor, 50.00 for field day trophies, 56.90 for President's expenses, 60. for insurance and 22.41 in miscellaneous expenses for a total of 239.31.

The cost of activities were Baseball 878.14; Hockey 1,133.41, Tap Dancing 55.14, Teen Club 156.40, for a total of 2,223.09.

Of the funds available at present, $800.00 is in a savings account, $387.88 is in a checking account and $90.00 is in petty cash.

IN MEMORIAM

BELSHER — In loving memory of a dear son, Alvin, who passed away May 17, 1969.
Till memory fades and life departs
You will live forever in our hearts.
Dad and Mother 8760x

HODGINS — In loving memory of a dear brother, Kirby, who passed away as a result of an accident on May 16, 1967.
He was a flower too sweet for earth,
Sent here but for a while;
God marked him when He gave him birth
And took him with a smile.
Douglas, Bruce, Reuben and Donna 8739x

HODGINS — In loving memory of a dear son Kirby, who passed away as a result of an accident May 16, 1967.
Four years ago we had to part
With one we loved with all our heart,
Who mean't more to us than wealth untold,
We miss you "Kirby" more than anyone knows,
Each day that passes the emptiness grows,
The tears we shed can be wiped away
But the ache in our hearts will be here to stay.
Mother and Dad. 8738x

MOORE — In loving memory of a dear husband and father Freeman who passed away May 11, 1967, and son and brother David who passed away May 20, 1967.
The leaves and flowers may wither
And the golden sun may set
But the hearts that love you dearly
Are the ones who won't forget.
Laura and Family. 8729x

NICHOLAS — In loving memory of a dear husband, father and grandfather Robert William Nicholas who passed away on May 17th, 1969.
Two years have passed since that sad day
When one we loved was called away
God called him home, it was his will,
Within our hearts he liveth still.
Always remembered by
Wife Ruby and Family. 8754x

Reverend Wedgewood saves.

He drives a VW Station Wagon.

Among its many saving graces is the 27 mpg it gets.

And since the engine's air-cooled, it'll never need antifreeze.

It'll also never boil over. Or freeze up. And in Moncton's 30° below winters, an engine that won't freeze up is indeed a blessing.

The inside is outsized. With almost twice the space of other station wagons. And enough seating to accommodate 7 adults. Comfortably.

Slide back the big easy-loading side door, remove the seats—and lo and behold 141 cu. ft. of cargo space appears.

Behind the rear seat is an additional 35.0 cu. ft. of luggage space.

Parking is a breeze. That's because the Wagon's only one foot longer than our beetle.

There are, however, some tight spots you might want to avoid.

"On one particular occasion, had I been in an ordinary car it would have stuck completely in the mud and snow," relates the Reverend. "But the Wagon, with it's rear-mounted engine, pulled right through. Of course, I can't give VW all the credit," he added with a smile.

"I may have had some outside help."

The Volkswagen Station Wagon.

Shawville Council held a special meeting on Monday night, May 13, with Mayor W. C. Schwartz presiding and Councillors Brownlee, Hodgins, Dale, Rowat and Hynes present. The business of the meeting was to discuss Day-Light saving time which was adopted at the regular meeting of this Council, May 6th, to which strong objection was taken by the outlying districts, especially by those whose children are conveyed to school by Bus. After discussion it was moved by Cr. G Brownlee, seconded by Cr Rowat, that the resolution adopting Day-Light Saving Time at the regular meeting be recinded and that the Village of Shawville remain on Standard Time - Carried.

With plans completed and accepted for the new Pontiac Community Hospital, and tenders to be called for about May 15, and the building closed in during the summer, the new hospital is moving from the realm of a dream to an actuality, according to reports received at the annual meeting of the hospital members held in Pirie's Hall on Friday afternoon. It was announced that the site had been decided upon North of and overlooking the village, on land which J M Argue is donating for the purpose.

A quiet marriage was solemnized on Saturday afternoon in the parsonage of the United Church when Evelyn Caroline, daughter of Mr & Mrs Gordon P Russett of McKee, became the wife of James Clarence Carson, son of Mr & Mrs Clarence J Carson of Austin

St John's Church, Quyon, was the scene of a very pretty wedding, May 4th, when Miss Hilda Margaret Young, daughter of Mr & Mrs Herbert Young, was married to Mr Harry Arthur Moffatt of Manotick, Ont.

All Saints Church, Ottawa, was the scene of a very pretty wedding on May 2nd, when Edith Doris, daughter of Mr & Mrs Geo. Tubman of Campbell's Bay, became the bride of Cpl. Lowe Griffith, son of Mr & Mrs Griffith Saunders of Ottawa.

Pastoral

comment...

May 12, 1971

Recently we were visiting, my daughter and I. We called on some very old friends. Before we entered their property we saw one of their family on the road and chatted with him a moment.

One glance showed the stranger that this boy was very retarded mentally and that his hopes for the future were almost nil.

Devoted parents have given him every care and attention possible. There is the strong family situation, the special school, the summer camp, where the boy and his sister with the same affliction are treated with a deep power of love and taught as much as they, in a limited way, can absorb.

Later as we drove away, the daughter said, "He held the door for me."

Despite many odds but in a good spirit; possibly, too, that includes many weary hours of trying, the boy can be taught, and has been taught, something of the Good Way in Life.

McKay's honored with surprise party

A surprise dinner party was held at the home of Ruby & Jack McKay on Sunday, May 2nd, honouring them on their 40th Wedding Anniversary.

The bridesmaid and best man were in attendance, Mildred & Edgar Patterson, their daughter Beth and family, two sons, Jerry and Bruce & family and Jackie at home. There are eight grandchildren.

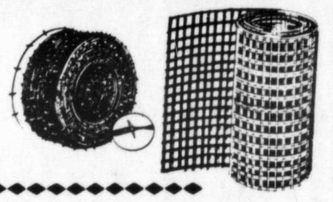

Lee Angus and Chery McKay presented the bride and Groom with a decorated cake lighted with candles.

They received Red Roses and potted flowers.

Afterwards all enjoyed a social evening.
