

CLARIFICATION OF THE EXPLANATIONS GIVEN BY THE CATHOLIC SCHOOL BOARD COMMISSIONERS NOW BEING REQUESTED

also know. Gentlemen, that last week, the School Commissioners, Messrs. Laurent Nadeau, Léonard Grenon, Lawrence McCallum and Georges Lazure tried to explain their point of view, through this newspaper. They were saying "It is true and it is false"; we are saying it is either true or false; one of the two but not both at the same time. So let us rectify:

1 — Concerning the general meeting of May 1st, 1967, there was no item on the agenda concerning the choice of a principal; you may verify at the secretary's office.

2 — At the end of the meeting, item New matters, Mr. Doris Montpetit, after asking and getting permission to speak explained that at the meeting of April 11, he had asked for explanations on a very complicated telegram which had been read at the beginning of the meeting. The answer he got from the President, was that the telegram had been read once and that it was sufficient. Mr. Montpetit added: Unable to get more explanation from the Board members, we asked the P.T.A. to delegate Mr. Roch Dumouchel as speaker to the Department of Education at Quebec. Mr. Montpetit asked permission for Mr. Dumouchel to read the telegram received from the Department of Education, signed by Mr. Claude Lemire, administrative secretary for Mr. Marcel Masse,

Dept. of Education. This was refused to Mr. Montpetit; it was then that the President suggested to the Board members to join him in a closed meeting to read said telegram, to study it and to come back and inform the approximate 200 persons present of their decision. All the Commissioners accepted this suggestion and went out.

3 — Instead of inquiring as to whether the telegram was official and what was the degree of its validity; instead of inquiring about who was Mr. Claude Lemire, the four commissioners named above, after reading the telegram, got carried and before a serious decision could be made, simply resigned.

4 — The article published mentioned "commotion". During the time of the closed meeting, only one man went and knocked on the closed door of the room where the commissioners were assembled and asked politely of the President if he could speak to him. On an affirmative answer he asked the president if they would be much longer in the closed meeting. After receiving an answer from the President, he thanked him politely and returned in the assembly room. During this time all the other persons were waiting calmly.

5 — Four commissioners resigned verbally and illicitly. Our resignation was illegal and this we knew". Did you

by this gesture, you had committed an illegal action? Is it because you knew it that you hurried and consulted a lawyer to learn of the legality of your gesture?

6 — If the Commissioners wished to obtain strict and precise specifications from the Department how is it that, after reading the following telegram:

Quebec, May 1st, 1967
Mr. Roch Dumouchel,
Parents Teachers Association
Huntingdon, Que.

Dear Sir,
Following your visit to my office in Quebec, I have the pleasure to inform you that the Office of Teachers' Certification is actually preparing a study program which Mr. Talbot must complete in order to obtain his teaching diploma. Class "B" and an explanatory letter which will accompany the program will be sent to Sister Marie-Georges-Henri, principal of the Ecole Normale, Salaberry-de-Valleyfield.

Furthermore, the Elementary Teaching Service of the general direction of the Elementary and Secondary Teaching, in principle sees no objection to the rehiring of Mr. Henry Talbot as school principal by the Huntingdon School Board if he enrolls himself at l'Ecole Normale, is accepted, and takes courses during the next school term which (Continued on page 3)

PROFESSIONAL AWARDS TO H WELBURN, J. C. MOORE Ian Trasler, P A P T. Vice-Pres. Makes Awards At Rockburn

Two long time members of C.V.T.A. were honoured Thursday, following the annual general meeting of the local branch of the P.A.P.T. held at Franklin Centre Intermediate School.

Mr. Henry Welburn, retiring this year after thirty-five years of active teaching, has spent sixteen years of his career in the schools of the Chateauguay Valley. In reading the citation, Mrs. Jean Furell recalled a quotation made on a previous occasion when Mr. Welburn had been awarded an Honorary Life Membership in the C.V.T.A. At this time, Mr. John Gaw had said, "Henry Welburn's consistently kind disposition, personal integrity and intellectual ability has won for him the complete confidence and the deep respect of his associates (then numbering sixty) of C.V.T.A." Mrs. Furell stated that some fifteen years later and with membership in the local association more than tripled, "the words still apply."

Over the years Mr. Welburn has served his professional association on provincial committees, as President of C.V.T.A., as delegate to the A.G.M. and in 1966-67 as Director of the P.A.P.T. from the Chateauguay Valley.

Mr. Leigh Coffin, read the citation for Mr. J. Clifford Moore, born in the Eastern of Ormstown High School. Mr. Moore, born in the Eastern Townships of Quebec has spent his entire professional career in the field of administration. On graduation from Dalhousie University, Halifax, in turn he served, as principal of Asbestos, Windsor Mills, Waterloo and Knowlton High School. Moving to the Ottawa Valley he became Principal, Supervisor of Papineau County Protestant Schools and

nine years ago came to the Chateauguay Valley as principal of Ormstown High School.

Always interested in sports, Mr. Moore has been active in the organization of school athletic programs at the regional and provincial level. He has served as President of the St. Francis Teachers Association and the Gatineau Teachers Association, both P.A.P.T. branches as well as being a member of the Executive Committee of the Provincial Association of Protestant Teachers.

Earlier at Franklin School, the membership accepted the slate of officers for the year 1967-68. Past President, Mr. Robert Petch, Hemmingford; President, Mr. Peter Royle, Chateauguay; 1st. Vice President, Mrs. Carol Rennie, Chateauguay; 2nd. Vice President, Mr. Jack Johnson, Ormstown; Secretary, Miss Lisa Kekejian, Chateauguay; Treasurer, Mrs. Jean Holland, Howick; Director, Mr. R. Smith, Chateauguay; Other executive committee members include: Mr. W. Steeves, Mr. E. Mullaoh, Mr. R. Greenbank, Mrs. W. Hooker, Mrs. E. Erskine, Mr. D. Roussie, Miss I. Whalley and Mrs. W. Steeves.

Mrs. Surette Made A W.C.T.U. Life Member

The Annual Meeting of Chat. H'don W.C.T.U. was held on Thursday, May 18, at the home of Mrs. Emily Surette, with the County President, Mrs. Wallace Middlemiss, presiding. The devotional period was taken by Mrs. Wm. Todd. Mrs. Ada McCarty extended a welcome to the delegates, and afterwards read the minutes of the last Annual Meeting. Reports of the different departments were read, all showing a good

Declaration By Catholic PTA (Primary Level)

In reply to the article published in last week's issue of The Gleaner and signed by four commissioners who resigned on May 1st, we wish to inform the parents that at a special meeting of the executive of our Association, held on April 18, 1967, Mr. Roch Dumouchel was officially designated by the P.T.A. to contact the Department of Education. This was to verify the declarations of the School Board to the effect that all possible steps had been taken to keep our school principal, Mr. Henry Talbot, in his present duty.

Unfortunately, the official documents from the Department of Education prove that our four commissioners have proven their inadequacy and informed the population in error.

We are inviting all the parents to a meeting which will take place on Thursday, May 25, and we hope that the wishes of the parents, first responsible for the education will be respected.

Mrs. Roger Besner, sec. Dominique Payer, pres. Réal Sauvé, vice-pres.

Notre Dame Stars To Perform At Expo

Friday of this week will be a big day for the Notre-Dame Stars; they will represent our town before thousands of Expo visitors when they perform at La Place des Nations early in the afternoon.

We are convinced that their new and varied routines will be appreciated by the on-lookers.

Before boarding the special

bus which will take them to Man and his World, they will perform at Notre-Dame School at 9 a.m. Anyone who wishes to have a preview of the whole show they will give at Expo is invited to be there.

The 49 members of the corps will be accompanied by their choreographer, Mrs. Coulombe, their drum trainer,

Gary Thompson, and by eight chaperones who will look after them all day. The committee wishes to thank Messrs. Alan Davignon and Barry Brown who reorded their music.

Our best wishes for a complete success to all these girls who have worked hard to be worthy of the honor bestowed upon them.

LAST DEDICATION SERVICE TENTH DEDICATION SERVICE TO BE HELD HERE MAY 28TH

On Sunday Evening, the last Dedication Service for the Graduation Class of Huntingdon High School will be held in the Huntingdon United Church.

In 1957 Dr. K. Willis, then Principal of the High School invited the parents to a most significant event in the life of the Graduates of Huntingdon High School, a Dedication Service to be sponsored by the Home and School and conducted by the Town Clergy.

What he said has proved true for ten years. It is a unique service of dedication, appreciation and provides a promise will be the last of its kind

per launching of the graduates into a new sphere of life. Simple but impressive graduation exercises follow the service.

This one, in 1967, is unusual, in that, with the Regional School change over, it

in Huntingdon.

The Rev. P. R. Stote is in charge of the service this year. It will be held in the United Church, in order to have space for the graduates and the usually large congregation. The clergy of the district will take part. Mr. M. Brockman, the Principal will lead in the charge to the Graduates. The Guest Speaker will be the Rev. Cecil Royle, R.D., the Rector of St. James' Church, Hudson Heights, Quebec.

ORMSTOWN EXHIBITION ANNOUNCES HUGE ENTRY OF ALL LIVESTOCK AND HORSES IN

When the visitors come to Ormstown Exhibition June 7, 8, 9, 10, there will be 735 head of horses, cattle, sheep and goats for their inspection. Two hundred and fifty-five show horses have been entered by exhibitors from Quebec, Ontario, Vermont and New York.

Sixty-eight Draft Horses have been entered by 13 exhibitors, nine of these are from Quebec and four are from Ontario.

Forty head of horses and ponies have been entered to show in the line classes in the divisions for Standard Bred, Hackney, Thoroughbreds, Palomino, American

Bred Saddle Horses and afternoons, June 10th. There will also be a Dog Show Saturday afternoon. These classes will be for Scotch Collies and Shetland Sheep Dogs "Shelties". While entries for the Handicraft Division are acceptable until June 2nd, very few have yet been received but one list of articles for this division has already been received from Manitoba.

Sixty-six Jerseys are entered by 10 breeders; six of these are Ontario breeders and 4 are Quebec breeders.

Sixty-three head of Ayrshires are entered by 10 breeders; eight of these are from Quebec and two are from Ontario.

Twenty-three Hereford's have been entered by three Ontario breeders and one Quebec breeder.

Fourteen Aberdeen Angus have been entered from the CFRA herd of Ottawa and the Winfields Farm herd of Willowdale, Ont. Thirteen Scotch Shorthorns have been entered by Massey-Ferguson Farms, Milliken, Ont. and Miles & Son, Glasgow Station, Ont.

One hundred and fifty-one sheep have been entered by 11 exhibitors; nine of these are from Ontario and 2 from Quebec.

Twenty-nine goats have been entered by three exhibitors all from Ontario.

The Horse Show will be held Wednesday afternoon, each evening and all day Saturday. The Draft Horses, Beef Cattle, Swine and Poultry will be shown on Thursday June 8th. Holstein, Ayrshire and Jersey Cattle, Sheep and Goats will be shown on Friday, June 9th. The 4-H Judging Competition will be held Saturday morning and the 4-H Calf Classes will be held Saturday

Four accidents due to rain and slippery roads were the cause of four reported accidents in our region over the week-end.

On Saturday on the New Erin Road, a car driven by Mr. Andre Philie, Valleyfield, skidded on the wet pavement and took the ditch. No one was hurt.

BE SURE TO ATTEND CONCERT OF LES PETITS CHANTEURS DE LA PAIX TO BE HELD AT THEATRE SATURDAY EVENING

On Saturday, May 27th, the fourth annual concert of Les Petits Chanteurs de la Paix, will be held in Huntingdon Theatre. While this will be the fourth annual concert, all are looking forward to it. It will mean further recognition for them and good advertising for Huntingdon.

Their true recognition came when they gave a concert for the Inauguration Ceremonies for the Opening of the Confederation Caravan, at the Chateau, Huntingdon. A large cross section of the people of Huntingdon as well as many important visitors from out of the area, heard this group and they were enraptured with

the performance given. From out of this performance came an invitation for the group to give a concert in Ottawa. This they will do at the end of the month and all are looking forward to it. It will mean further recognition for them and good advertising for Huntingdon.

Now as to the concert this Saturday evening, it will provide a further opportunity for more people to hear these singers and to enjoy the concert they will give. Not all people in Huntingdon have heard this group, yet as many as possible should avail themselves of the privilege. Saturday evening will give them a chance and they should take advantage of it. The singing of this choir is really worth listening to. At the concert referred to above, they were given a standing ovation, so well did that audience appreciate it.

In addition to the regular members of the choir, the Gleaner is informed that four professional artists have been invited as an addition to the program. There are still a few tickets available but they have been quickly taken up so you should hurry to get yours if you have not already done so. Make a date for this Saturday night.

CLAUDE REMILLARD HEADS DISTRICT FUND RAISING CAMPAIGN FOR SALVATION ARMY

The Salvation Army campaign for funds opens this week in the Huntingdon district. Traditionally Huntingdon has been scheduled for its campaign in the autumn, when the crops are in and the money is theoretically plentiful. The previous canvass was last October, hence a year has not elapsed since the 1966 appeal. But it will be a full year before the next campaign is launched in May 1968.

The change from autumn to May has been made in order to synchronize Huntingdon's campaign with the national appeal. The month of May is considered Red Shield Appeal Month and our local campaign will occur in the last week of May and the early part of June. On Television and radio, in newspapers and periodicals, the drive for

funds for the Salvation Army is going on right now. Apart from its Evangelistic work the Salvation Army maintains many welfare services across Canada for emergency assistance to anyone in distress. There are "Eventide Homes" for aged men and "Sunset Lodges" for women. "Harbour Light Centres" for treatment of alcoholics, boys' homes and children's homes, homes for unwed mothers. Well known as the Salvation Army is for its prison and police court work, it is most renowned for emergency disaster relief, ask any War Veteran from the front lines!

Organization of the local committee is not yet complete but again this year there will be a lot of new faces mixed in with those people who

have maintained their responsibility for this fund year after year.

Last year one of the newcomers was Claude Remillard, who undertook the job of Team Captain for canvass on Chateauguay Street and for this section of the town returned with an increased subscription of almost 68%. Last year's campaign for the entire district resulted in almost twice the number of individual donations and an overall 29% increase in receipt of funds.

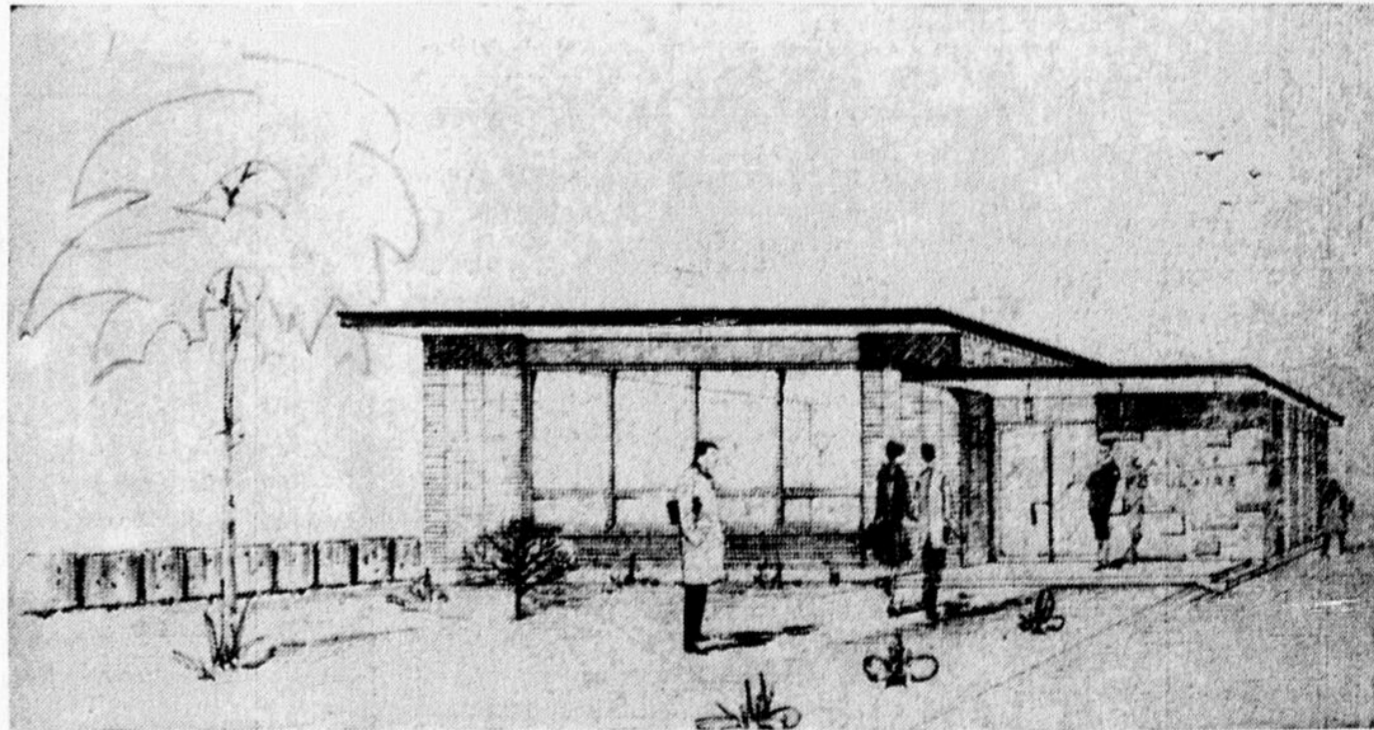

This year Claude Remillard is heading up the entire campaign and Salon Claude, at 108 Chateauguay Street, has become headquarters for the distribution of Salvation Army material. Donations will gladly be received there if you (Continued on page 3)

Drawing Of The New Caisse Populaire For Prince Street

Mr. Jacques L'Ecuyer, B.Ph., L.Ph., owner of Fortune Drug Store and President of the Huntingdon Branch of La Caisse Populaire here, has supplied The Gleaner with the above architect's drawing of the new Caisse Populaire that will be erected on Prince Street in the near future. Architect Paul Paquette's drawing reveals the building will be of modern design and accompanying blueprints show the complete layout to be highly functional. Details concerning the new building and a probable date for work to start will be announced after the annual meeting of directors which will be held next week.

LETTERS TO THE EDITOR

Dewittville, Quebec
May 17th, 1967.
Editor,
Huntingdon Gleaner Inc.,
Huntingdon, Quebec.
Dear Sir:

In reference to the deaths of Messrs. Girouard and Deschambault, there are, I believe a number of questions that remain unanswered. For instance, why did Mr. Rennie, the policeman whose intervention precipitated the shooting, leave the injured men exposed to further injury by oncoming traffic? Why were they not pulled from the road to safety? What was the purpose of seeking medical aid when the men were left in the path of approaching vehicles?

I cannot help questioning, also, the caliber of a policeman who succumbs to "the shakes" after defending himself in the line of duty. Surely the men on whom we must rely for the preservation of law and order must be men who possess vast reserves of mental and emotional control. I question, too, the need for Mr. Rennie to carry with him a weapon of the high calibre of the revolver used in the shooting. Would not a less powerful weapon suffice in the patrolling of our peaceful community where we are neither embroiled in international border incidents or highly organized drug trafficking? I do not know the situation in England at the moment, but in former years the British Bobbies did not carry firearms, but relied on their skill and training and superior intelligence to outwit law offenders. This incident, it seems to me, points out the wisdom of the British system.

Perhaps the real villains in this tragedy are the laws that will permit a man to drink himself into a state of intoxication and when he commits an offence in this abnormal mental state in which his inhibitions are suspended, he can be shot down by an officer of the law. Could not some system be devised by which the law would be alerted and could intervene before this final tragic point is reached? Cannot our law enforcement authorities approach their duties with more insight and imagination in order to not only retaliate against criminals but attempt to deter potential criminals from breaking the law?

We read of police brutality in a recent case now before the courts, of a "model" policeman sentenced for a series of armed robberies and it is impossible not to ask, What qualifications are required for potential candidates for the police forces of our province and municipalities? What training is given the men? Are their backgrounds investigated before they are admitted into the police forces?

Another facet of this affair is suggested by my French Canadian friends. They point out that the two policemen involved in the case, Mr. Rennie and his partner Mr. Barrington, are English-speaking, while the two men who were killed were French-speaking. Is this not another instance of discrimination by les anglais, they ask. I do not think so, but I do ponder the question as to whether the verdict of "Accidental Death" would have been so readily returned had the fatal shooting involved two young sons of a prominent English-speaking family, out for a night on the town. In any case, the incident has assuredly not helped to promote good relations between the "two solitudes."

Perhaps, though, this incident is only one of the jagged pieces in the jig-saw puzzle of poverty and crime in our province and country, for which new answers must be found to make possible the fitting together of the scattered parts into a picture of dignity and achievement for all the citizens of our country. Perhaps this will come when both les anglais and les canadiens will

forget their racial differences and begin to think and act with a more mature wisdom to solve the problems of individuals. Perhaps it is the labels — law offender, law enforcement officer, racial minority — that obscure our vision. It may be that to rediscover our deepest humanity that must be our true guide to a new brave new world, lies, even now, in the words of one of the world's humblest citizens, one who died between two thieves. He said, "Unto the least of these, my brethren..."

Sincerely,
(Mrs.) Keitha K. MacIntosh

May 22, 1967
For the first part of your letter to the Editor, I am partially of your opinion when you pay tribute to Mr. Saumier. It is true that Mr. Saumier gave many hours to the School Board; it is true that Mr. Saumier for 24 years gave his time to this "embryonic" very limited education our children received then and are still receiving.

You mention a group causing obstruction, etc. One question: Is there not amongst that group persons who took part in the request for an honorary medal (for 25 years of services rendered) which was presented to Mr. Saumier? You should get your information from the right sources. But I agree with you. Bravo Mr. Saumier, you have done your duty.

The second part concerns Mr. Crête. It is very regrettable that an error in judgment brought forth his resignation. As to what you refer to as a question without the answer, it is not for us to make it public, it is up to the interested party to do so if he feels it is opportune. To you too, Mr. Crête, thank you for the work done. Had it not been for this woeful matter, with the experience you could have acquired, you would surely have done some good work in collaborating more closely than you have done.

When you refer to the P.T.A. surely you do not attend the meeting because chewing gum, candy, soft drinks, etc., were only one item on the agenda at one meeting; that is far from a year. On the other hand, other meetings were most interesting: Forums, films, guest speakers (treating many subjects, etc. It may be true that we are not as talented as you, Mr. Taxpayer, but the means used can always be improved or corrected.

And now we come to the "Comité de Vigilance". There, Mr. Taxpayer you are not informed; there you are really misinformed. We will try to make a summary of the work accomplished by this committee. I am of your opinion that the choice of the site for the new school is not adequate; but for that reason should we do without the school? No sir, we have neither the right or the power. But if my information is correct, you too, have had problems concerning the site for your school. Your commissioners are to be congratulated for their second choice, much better than the first one. As to the delay in the construction of our school, we owe 12 of those months to our English Catholic friends when they decided I can not blame them, to join your School Commission. When this minority defected the plans for our school were almost ready. If it had not been for this separation our school would now be ready. It was necessary to make a new study of the construction. As Mr. Sa-

umier, Mr. Crête, the present commissioners and Mr. Gresson who is also aware of that fact, know, the members of the committee gave a lot of their time and even for some, of their money to meet the persons who could help them iron out the many problems encountered: Meetings in Quebec with the Department's authorities, in Montreal with the Minister of Education; in Valleyfield with our devoted commissioners, the architect, the engineers, etc. All those meetings were fruitful, we did not want to take a chance that one of the first polytechnical schools of this type be a failure in its construction or its functions.

Maybe if we had had your experience, Mr. Taxpayer, our school would be more advanced but we are modest, we consider that what we have done, as little as it may be, has succeeded in making the administrative services come out of the past in which they were wallowing.

For someone who is not a member of our P.T.A., at least I suppose so, for maybe you are not of English culture, you are not entitled to criticize, much less to pose as an inquisitor of our gestures. If you want to accuse or to ask for exactitudes, at least have the decency, if you do not have the courage, to sign your letters and not hide behind a pen name "Taxpayer". And if you are a Protestant, and that is your absolute right, do not forget that your taxes are turned over to your School Commission, so as we say: mind your own business and we will do likewise, we will nevertheless remain Canadians in the true sense of the word, on equal basis.

It was necessary for the members of this committee to work relentlessly, quietly, so that the intrigues on the French sides as well as on the English side did not cause any harm. Being of a democratic regime, it was necessary for us to obtain the approval of our members before arranging meetings or talks. For us, simple people, those are the means we consider as an integral part of a democracy.

When our Ministers, Members of Parliament, etc., make decisions, it is not without considering public opinion and if they do not, governments fall. If we have a right and the power to question elected representatives, why should we accept and make the best of (as we are asked to do) all the decisions, good or bad, made by our commissioners? NO...NO... a thousand times NO, Mr. Taxpayer. We are adults and wish to be treated as such, whether the present persons in charge like it or not.

Maybe four persons cannot be wrong at the same time, but one thing is certain: one rotten apple can spoil a whole basket.

Even without "black jackets" for we are far enough from Virginia, if you require information concerning the "Comité de Vigilance", consult the president; he does not speak good English, which he regrets deeply, but tries to make himself understood. He will take pleasure in meeting you in case your information is not sufficient. He was Vice-President of the P.T.A. for 2 years, in its original form; president for one year of the P.T.A. (Secondary level) new formula, and I am always at the disposal of any one, whoever they may be, as long as the dialogue is positive.

René Desrochers,
Comité de Vigilance.

REPORT ON HATE-PROPAGANDA BILL CONTAINS TOTALLY INACCURATE STATEMENT, STATES R. ALEX SIM

Sir, — A Canadian Press story from London, Ontario, states that Mr. Milton L. Klein, MP, Montreal, Quebec, stated that the proposed Bill to amend the Criminal Code in order to combat hate propaganda will have two built-in escape clauses and "any person who spreads hate literature and believes it to be true, will be acquitted."

Perhaps Mr. Klein has been quoted only in part, or out of context, because it's inconceivable that as the co-author of a private Bill for these purposes, as a student of the problem and as a person who is well up on all aspects of the proposed legislation, he would state that a person would be acquitted simply by stating that he believed the hate propaganda to be true. This is just not so.

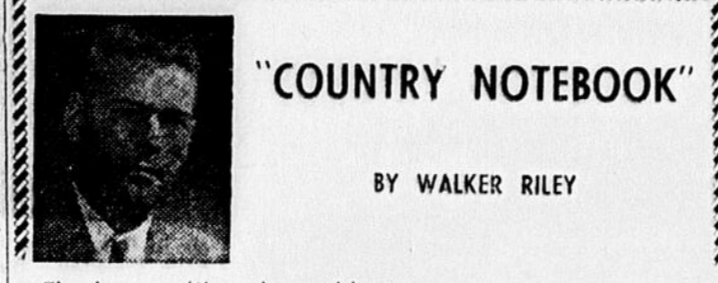

In the proposed Bill, there are two defences open to the charge of communicating statements inciting hatred or contempt, etc. — one is, that the statements were true, which is a complete defence, and the second is, that a person believes them to be true

but then this defence is only valid if there are two co-conspirators, (one) that the offending statements were relevant to any subject of public interest, the public discussion of which was for the public benefit, and (two) that on reasonable grounds he believed them to be true.

I am given to understand that in criminal law doubt goes in favor of the accused. This surely does not mean, however, that all a person has to do is to say he believes that something is true. "On reasonable grounds" must surely mean a judge would be required to examine the defence that there were in fact reasonable grounds.

Whatever the merits of the proposed legislation and its future effectiveness, it is clearly confusing to state that a simple allegation by the accused that he believed offending material to be true constitutes a defence.

"COUNTRY NOTEBOOK" BY WALKER RILEY

Check my arithmetic on this one please; maybe I got tangled in too many zeros. For each quart of milk used by our 14,000,000 visitors expected to come to Montreal and Expo, each of the 2700 Montreal milk shippers will have to send in an extra 170 cans of milk. Or a can a day, on the average. And our guests will want ice cream and cottage cheese and chocolate milk, too.

People don't react very pleasantly to "sold-out" signs. Most everyone likes to eat three times a day. When our pioneer ancestors travelled by covered wagon, they took their cow with them. When we travel now, we have come to expect our food to be waiting for us when we get there. Even if we didn't tell anyone we were coming.

Whether there is enough extra milk in the surplus pool to look after this demand, or whether each fluid shipper will need another cow or two, or whether milk will be simply diverted from the manufacturing plants, I can't guess. And I can't find anyone who has a good answer. In any case, it looks like heavy pressure on the pastures in July and August, when the milk will be needed most.

Treated right, pastures can respond to the challenge. There is a long stretch between the 1500 lbs. milk per acre of an old Bluegrass pasture to 100,000 lbs. from the very best alfalfa-ladino stands. Or put another way, it is the difference between \$60 and \$400 worth of milk per acre.

This difference between the two looks like awfully good returns for a few dollars spent on pasture management. Even if you don't do anything else this summer in pasture management, divide the pasture fields into four or five blocks. Leave the cows on each for four days or a week, then move them on to the next. Each block then gets a chance to catch up the next three weeks or so. And you will go into mid-summer with a reserve of grass.

During the fast-growing period, in June, just "top" each pasture, and move the herd on to the next so no block gets too rank. If it does get ahead or dry, cut one block and put it into the silo. It will come in handy in late

August. If you want to go a step further, you can divide the pasture into strips, and use an electric cross-fence to give the cows a "fresh daily" bite. Or you can go all the way, leave the cows in a shady paddock and carry the feed to them for a zero-grazing system.

Which you do depends on the value of your time to take this extra trouble, and the cost of extra equipment. These following figures from an experiment in Illinois give us some guide to the extra production we can expect annually. Much of the difference is due to tramping and waste.

If you are carrying 50 cows now per 100 acres of continuously grazed pasture, you could carry 53 by rotating fields weekly. On a daily strip grazing system, the same area would handle 66 cows. The figure for daily green chopping is 63 cows, and for feeding out of storage, 71 cows comparatively.

Top-dressing with fertilizer is easily the biggest boost you can give your pastures. And it's still not too late to do it and get your money back this summer. If your pastures are strong in alfalfa, or ladino or trefoil, you won't need much nitrogen, but plenty of potash and some phosphorus. Keep in mind that every ton of alfalfa takes with it 45 lbs. potash — as much as is found in a bag of muriate of potash or three bags 20-20.

If your pastures are mainly grass, it is nitrogen you will need most. A bag per acre of ammonium nitrate (or urea) will do the trick if the levels of potash and phosphates in the soil are high. Otherwise use, perhaps, 4 bags 10-10-10 per acre.

There is a dozen other tricks you can use to boost your milk yield from pasture this summer. You can spread the droppings two or three times during the season. You can use chain harrows, or the spike-tooth harrows turned upside down, or even three old hay-rake wheels chained together. You can run the mower over the top after you take the cows off each block, to knock the seed-heads off and start the new shoots coming from the bottom. The machine shop

ORMSTOWN CHORAL SOCIETY PROVIDES SUPERB ENTERTAINMENT

THE ORMSTOWN LIONS CLUB ANNUAL FAMILY NIGHT HELD

The long awaited "Family Night" of the Ormstown Lions Club took place last Tuesday evening, in Le Vieux Moulin Hotel. The large dining hall was filled to capacity with Lions, their wives and families, in what was practically 100% attendance; one Lion only being absent because of illness. President Bill Lawrence presided.

Merriment reigned throughout the dinner hour, mainly due to the banter which prevailed while the "Tail Twister" collected fines from Lions on the flimsiest of excuses, and was himself fined when it could be made to appear that he had been somewhat derelict in his duty. The resulting repartee, so apt yet always so good natured, was

cut make you stiffs for the cutter-bar, to trim at six inches. Finally a note of caution. If you insist on using the kind of liquid fertilizer sold in five-gallon cans, make sure you use enough to do more than turn the leaves a darker shade of green. Like twenty (20) gallons per acre. But work out the cost before you use any.

The College Farm is going into a full zero-grazing system this summer. The new highway system across the farm had a lot to do with this decision. We are planning a field day for mid-June so you can come and see some of these changes. Hopefully, the feedlot will be ready by then. The making of haylage and vacuum-packed silage will be shown, also. More about that next week.

Lion Mervin Barrington, who is in charge of arrangements

something that even the smallest child present could enjoy. Lion Burry McGerrige, who was responsible for the program, managed to keep the feature attraction a very close secret, so close indeed that many of his fellow Lions feared he might have to carry out his promise to "sing" himself if he failed to come up with other entertainment. However, just as it appeared that their fears might be realized, the Ormstown Choral Society marched in and took over.

And what an excellent concert they provided. This mixed group of singers, under the direction of Lindsay Culbertson, sang a number of songs in both languages and held their listeners spellbound. To those who have not yet heard this group, there is a treat in store, for the quality of their voices is such that many a large city might be as justly proud to acknowledge them as Ormstown is to have them in their midst. It is certainly a tribute to their "esprit de corps", and to the Ormstown area in general to find this Choral Society, composed of men and women of the two major Canadian racial origins, working together in such harmonious relations and giving of themselves so freely and so effectively for the enjoyment of others. The applause which greeted them after each rendition and at the conclusion, could have left no doubt in their minds as to the appreciation felt by the listeners.

This year is the Golden Anniversary of Lionism which is being universally celebrated, and every Lions Club in every country participating throughout the world, is making special efforts in celebration. The Ormstown Lions Club has no intention of being in the rear.

The Misses Carol Hughes And Louise Laberge Are Nominated Ormstown's Official Hostesses

At the final contest held in Vieux Moulin on Thursday evening, two girls were chosen as official hostesses for Ormstown during 1967. On the basis of personality, poise, knowledge, appearance and ability to meet and talk with and for people, Miss Carol Hughes, daughter of Mr. and Mrs. Archie Hughes and Miss Louise Laberge, daughter of Mr. and Mrs. Edouard Laberge were awarded the honor of representing our town during the coming months.

Judges were Mr. Vic Proulx of Montreal, Mrs. Ainsworth Johnstone of Howick and Mr. Renwick of Huntingdon. The group of singers, under the direction of Lindsay Culbertson, sang a number of songs in both languages and held their listeners spellbound. To those who have not yet heard this group, there is a treat in store, for the quality of their voices is such that many a large city might be as justly proud to acknowledge them as Ormstown is to have them in their midst. It is certainly a tribute to their "esprit de corps", and to the Ormstown area in general to find this Choral Society, composed of men and women of the two major Canadian racial origins, working together in such harmonious relations and giving of themselves so freely and so effectively for the enjoyment of others. The applause which greeted them after each rendition and at the conclusion, could have left no doubt in their minds as to the appreciation felt by the listeners.

Those participating were Miss Eleanor Greig, Miss Linda French, Miss Micheline Parent, Miss Carol Hughes and Miss Louise Laberge.

Miss Louise Pedersen was guest of honour at a surprise bridal shower given by Miss Isabelle Smyth and Mrs. Dorothy Coffey, at St. Joseph's Parish Hall, Huntingdon, on May 21. There were 35 guests present. Louise received a lovely variety of gifts. Several who were unable to attend sent gifts. Dainty refreshments including a beautiful shower cake were served.

Miss Pedersen is the eldest daughter of Mr. and Mrs. Kris Pedersen. She will become the bride of Vincent Boyea, son of Mr. and Mrs. Everest Boyea of Westville, N.Y.

**AN OPPORTUNITY
CENTENNIAL JUNIOR FARMERS EXCHANGE**

Applications are now being received for the Centennial Junior Farmer Exchange planned for July and August 1967. About 60 rural young people from Alberta, Ontario and Quebec will assemble at Macdonald College for a Seminar on Leadership Development July 21-27.

Galen Driver, Assistant Director of Extension, will lead the seminar.

Expo farm and city tours, and numerous special events will be included. Following the Seminar, twelve Albertans will be entertained at Ontario Farms.

From August 1-8 12 Alberta youth will be entertained on Quebec farms. The return part of the exchange will involve 12 young people traveling to leadership camp in project for an annual exchange of rural youth between week to be spent on ranches in the provinces and territories and attending special events, of Canada.

This will be a wonderful opportunity for 24 Quebec young people to share this learning experience with youth from across Canada. Young men and women aged 16-25, living in a rural area, and wanting to improve their leadership skills may write to us at Box 237, Macdonald College, Quebec, P.Q. J1R 2S5. Application forms are available and we would ask that interested young people contact the Quebec Farmers' Association representative in their area to act as sponsors. Don't wait — apply now as places are filling up.

It is hoped that this exchange may serve as a pilot

General Coordinator — Mrs. Margaret Bunbury, Secretary-Manager, Quebec Farmers Association Box 237, Macdonald College, Que. Alberta Coordinator — Mr. J. R. McFall, President, Alberta Agricultural Centennial Committee, Northern Hardware Bldg., Edmonton, Alberta. Ontario Coordinator — Mrs. Edith Storr, Executive Secretary, Rural Learning Association, 30 Bloor Street West, Toronto 5, Ontario.

This and That in Town

ORMSTOWN — The recently installed amber floodlight in front of St. Paul's United Church not only enhances the appearance of this magnificent house of worship but also brightens one of the busiest corners in town. The Board of Managers rate sincere plaudits from all townfolk.

FOOD PRICES AT EXPO — Two weeks ago we mentioned that we did not believe all the criticism about food prices at Expo was justified. Frankly, we expected some readers to pin our ears back for insinuating that anything at all in this day and age was not over-priced; however, many people seem to agree that prices charged are by no means exorbitant. A Valleyfield restaurateur tells us that he would look at his money a long time before investing it in a business that will only flourish for six months. A visitor from south of the border said she was astounded that prices are so low: "Where we live, we always pay fifty cents for a hamburger and they aren't half as good as the ones we had at Expo." A Huntingdon farmer's opinion is that people can spend a lot for a meal if they want to. "All they have to do is order a couple of drinks before their meal, have a bottle of imported wine with it and end up with a liqueur, but their whopping tally won't be nifty for food."

A WOMAN (we didn't say a lady) phoned the other day and gave us quite a blast for not putting something in this column she'd sent us by mail. Fact is, it was pure advertising for herself and because we're trying to run a newspaper, we phoned her and offered to put her paragraph in the proper classified ad page and send her the bill. Like we said, we don't call her a lady. Sorry Ma'am, and we dearly wish he was here too because he had some pretty pointed phrases for scroungers like you. And yours. And you heard some of them direct some years back. And if you get there before us, reserve my hot seat near yours please.

THE LADIES of the Huntingdon W.I. are holding a Centennial Tea at the home of Mrs. Chas. Reid this Friday afternoon. There will be a display of antiques and it is hoped that as many as possible will attend in period costume. (See Advert. for further details).

SATURDAY, May 27, is a special date for the 70 members of Les Petits Chanteurs de la Paix. For a fourth consecutive year they will give a concert at the Huntingdon Theatre.

FUNNY MONEY: Counterfeit bills in several denominations are again turning up in this area. Bogus five-dollar bills were circulating last week and we at The Gleaner have good reason to warn people to be careful, we had one passed on us! A year or so ago it was fake twenties, then American banknotes and now Canadian fives. Some day some enterprising engraver will stoop to printing one-dollar bills.

dent claims there were others parked at strategic spots off the streets. Reports are that an influx of out-of-towners planned to start brawls and when the local town police were called to break up the trouble spots, they would be the targets of abuse. This town, usually serene and peaceful, appears to be suffering growing pains of a sort that the town council will not tolerate.

A THIRD WORLD WAR appears imminent and if last-minute peace conferences now in progress are a failure, the countries of the world could well be in battle within days. How trivial will racial discrimination and separatism appear then! Last evening President Johnson pledged full U.S. support to Israel and called on all member-countries of the U.N. to do likewise. Unless Nasser elects to lose face by withdrawing his blockade of Israeli shipping lanes in the Gulf of Aqaba, which is unlikely as Russia has promised full support to the Egyptian cause, the U.S.A. and U.S.S.R. will be in open conflict. When the impact of this very real danger sinks in, petty provincial problems will appear as games devised by bored big babies.

EXPO PRAISES were beamed across the North American continent on the Ed Sullivan and Perry Como television shows this week, as well as on other favourite programmes. Before the end of this week, more than 7,000,000 people will have passed through the turnstiles. It's hard to visualize such with so many people from so many nations all with so much in common enjoying themselves so much at such a wonderful extravaganza.

McLean has just completed four years with the R.C.A.F. in Metz, France and will now be stationed at Lake St. Denis, Que. Week-end guests at the Sherry home were their three sons, Robert, John and Reginald, of Hamilton, Ont.

Many happy returns to Mr.

Did they say that it had no official character and why did they classify Mr. Lemire as unimportant person in the Department of Education?

7 — If we have elected commissioners in whom we want to have confidence, we are asking you Gentlemen to conduct yourselves in a manner to gain this confidence. How? you will say. Simply by telling the whole truth instead of playing hide-and-seek which is really serious. Why are there so many secrets in the midst of the School Board? We have a right to know; we are the taxpayers and you seem to make fun of that. It is our money you are spending, sirs, and what is more serious, the future of our children is at stake. You resigned in an illegal manner you can not say the whole truth on this matter, would it be that you have done other illegal acts? Many taxpayers are asking themselves the question.

Australians Will Visit Ormstown And Expo '67

Mr. David Cavers of Flying U Ranch, Ormstown, informs us that on Feb. 14th he was contacted by officials of Expo asking him to supply the Australian Government with a small flock of sheep.

These sheep will be used for Australia Day June 6th in the National Pavilion where Mr. Allan Miller of Australia will put on a demonstration of herding, shedding and gathering of sheep with his two champion Border Collies.

The High Commissioner for Australia and his wife arrived at the home on Sunday bringing Mr. Miller and his dogs with them. It is expected they will remain for a week or more while the dogs work out with the sheep prior to their three week stay at EXPO.

The High Commissioner was most interested to learn of the Sheep show taking place on June 9th at Ormstown and it is thought that some of the Australians will be on hand at Ormstown that day for the Judging.

Unfortunately one of the dogs "Ringo" was badly frightened by photographers flash bulbs and had to be replaced at the last minute with another dog, who "doesn't seem to mind having his picture taken".

We are glad to report that Mrs. Allister Kelly of Belleville, Ont., is making considerable progress following her recent operation.

George Kenney were lifelong members of this community. Mrs. Moore was in her ninety-third year. She had been living alone in her home in Somerset until the past couple of months, when she went into hospital. After her retirement about ten years ago, she bought a small home near her young cousin, Mrs. D. Bogle (née Lois Lytle), so was able to enjoy her own home, yet was not entirely alone. There are several nephews and nieces in Chicago, Detroit, Boston and Toronto.

NOT YET WARNS FRED — Rotarian Fred Anderson is the spark that's going to give the proposed County Civic Centre a great big boost, but being cautious and canny, he's warned us not to breathe a word about any Centennial Celebration he's planning 'way up there in that head of his. Okay Monsieur, you're much too formidable for us to tangle with. For now, that is.

BET FRED'S BROTHER FRANK... aha, now there's a real Lion! Just drop a hint that you're interested in color TV or casually ask what's new with the Ormstown Lions Club and he'll fumble in his pocket for one-thousandth of a split second and remark "Thanks for reminding me, I think I have a ticket saved for you."

SERIOUSLY, both of these gentlemen possess the spirit and ability to keep a service club active. The Rotarians and the Lions quietly accomplish a great deal of good in Huntingdon and Ormstown, respectively, in a twelve-month period. The annual Ormstown Ex. will be held on the 7th, 8th, 9th and 10th of June and members of Ormstown's Lions Club will be offering tickets on a colored TV to people who wish to do their part to promote the club's benevolent work. Men like Fred and Frank need the support of every Tom, Dick and Harry if our service clubs are to continue to help the community. If and when you have the opportunity to help out, please be generous.

THAT DANNY BOY TULLY is leaving no stone unturned to make his Moonlight Lake a haven of delight for people of all tastes. He now has it stocked with some fine trout. Good swimming, all facilities, close to golf, quiet and serene and now trout. Choice building lots are available too, but best buzz the boss for bargains.

THOS. BROOKS, Huntingdon Fair secretary, advises that a real beauty of a pony has been purchased from Roland Riel for this year's draw. Grey in color, he's a two-year-old and according to the experts, is really handsome.

EVERY PLACE under the sun seems to be getting famous for having topless go-go girls; arrested except Ormstown's. Aw come on now, jail isn't that bad is it?

EXAMINE your next electricity bill and compare it with the previous one but don't flow a fuse or fuss, it won't do any good. One old boy not far from the fair grounds says they won't beat him, "I'll just go to bed earlier."

WOULD YOU BELIEVE before dark, already?

IS IT whispering winds or whispering sands the poets write about? Last Wednesday's blast shortly before 3:30 p.m. caused one of our route boys to do anything but gently whisper. The wind caught his newspapers and carried them about as far away as Texas (he thinks). Well, with the blast he sounded off with, maybe some got half way at least. Ever stop to think how reliable some route carriers are? Rain, sleet, snow, sleet or anything that comes along, even a ballgame with the gang or a chance to see the current girlfriend doesn't stop some of them. Your paper's always at the door about the same time. Some Gleaner carriers have been on the job for six years in Chateauguay... just about equals your record with The Star in Huntingdon, right Jim?

TALKING about wind, who predicted a long, hot summer? If things don't change PDQ we won't have any!

Are We Rushing Toward World War Three?

In our last week's editorial in this column I mentioned the possibilities of a third world war springing from the embers of the present conflagration. The possibilities are even greater at this time than then. Troops are now being lined up to face opposing troops along the borders of Egypt and Israel. Mobilization is taking place full force in both countries, leaves have all been cancelled and the forces are on a full alert. Tension has risen in other nearby countries and there too armies are mounted along the border to repel any probable violation.

In the Vietnam sector the U.S. has its forces in the demilitarized zone area and the threat is that North Vietnam will be invaded in order to clean up the war. China says that if this takes place, she will enter the war; or if her borders are violated.

In all probability Russia would also step in somewhere along the line in such an event as it would fear China's moves. The puzzle here would be, on which side would Russia be on? It could be that she would oppose both China and U.S.A., or she might side with one or the other separately.

At this time the situation appears much more serious than at the time we wrote our last editorial on this subject. The fact that the U.N. forces have been ordered out of the Gaza Strip in order to give opposing troops greater leeway to carry out battle operations, is serious in itself. One must remember the purpose of the U.N. forces in the first place was to keep the peace between these same factions. Our own Canadian troops are among those who are there for this purpose and it is expected they will be arriving home anytime now. Other visiting groups of Canadians have returned from this area as they were not allowed the same freedom of travel as formerly.

Prime Minister Pearson is particularly perturbed at the possibility of a war in Israel, or Palestine, which is considered the Holy Land and contains much of what is religious history. He was also the proposer of the peace keeping forces and it means the downfall after these many years of a plan for a means to keep permanent peace.

According to a cycle it is time for

another conflict. It seems that these conflicts occur about every 21 years and that being the case from 1946 to 1967 is exactly 21 years. In the case of World War II the exact period of time elapsed between the end of World War I and the start of World War II viz: 1918-1939 — 21 years. A shorter period was experienced between the start of World War I and the end of the Boer War, approximately 15 years. Thus if this holds true, 1967 could really be the year for World War III.

It is noticed that rockets are being issued to North Vietnam and already some of these have found their mark with disastrous results for South Vietnamese and U.S. forces. If this is stepped up then the U.S. may just decide the time has come to bomb points of supply of these weapons. Such a move would doubtless bring in other opposing forces and a full scale war could be on.

With another war going on in another part of the middle east, and one which could implicate Britain and perhaps France, to protect their interests, the situation could become quite complicated. We doubt that France would go in too fast in her present state. She has internal troubles of her own which may keep her quite busy for awhile. Britain's oil supply to a great extent comes from the area in which the threat of war is imminent. If it involves the Suez Canal, as it might, then definitely Britain will have to do something to protect her oil route. With full scale war going on, these oil supplies will become vital to every country. It is hardly likely that the U.S. or this country would be able to ship increased supplies of oil for the use of other countries either at war or peace.

All the events will be watched with much interest to learn where they may be leading. A third world war could be a most disastrous thing. Already Canada and U.S. are leading toward inflationary trends, with a war the economy could be shot to pieces quite suddenly. All nations would have to gear to war requirements whether actually involved or not. Those not involved would have to assist their allies in order to protect themselves. It is no wonder that our leaders are worried at the present prospect.

Ormstown Fair Coming Up

PLANS and arrangements for the Annual Ormstown Exhibition are going right ahead for this great event which will be held on June 7, 8, 9, 10, less than two weeks off.

This year is a busy one for all of us with this being Canada's Centennial Year of Confederation and with Expo '67 being held in Montreal. Just the same, this should be one of those years when a special look at Ormstown Exhibition is in the planning. There is no doubt there will be more visitors in our area. Some of them may know of Ormstown Exhibition and not have seen it for several years, some of them may not have seen a Fair of this kind before. We make the suggestion that you plan to have your

visitors spend at least some time at Ormstown Exhibition.

This is one place where can be seen the cream of our agricultural efforts, especially when it comes to dairy farming. Those who habitually live in the city can gain some idea of what goes into producing that milk they get in bottles and cartons. They will sense the pride dairy farmers have in breeding the best possible animals to keep up the milk supply and that of other dairy products upon which we all so depend.

Visitors to Ormstown Exhibition can enjoy fun and be educated into the realms of dairy farming. They will be intrigued with the horse show and the many other features of a show of this kind. This year, take a friend to Ormstown Fair.

About The Canadian Centenary Issue

IT is not often we say much about ourselves in this column, but for once we feel that something should be written. For the past several months work has been going on at The Gleaner Office compiling a special Centennial Issue in the form of a supplement which will go out with the regular edition of The Gleaner next week, May 31st.

It arose from a suggestion on the part of Frank Napier who for years has more or less looked after most of the livestock and agricultural events as they have happened. He felt that a special

Centennial edition based on the agricultural aspect of the Chateauguy Valley over the past 100 years would provide a good basis and an appropriate one for the occasion. Thus, that is what this special supplement will feature. If we may say so ourselves, we believe this is developing into a real good supplement. It is going to be larger than first anticipated and already demand for extra copies is going up to the 500 mark.

In our experience with the Gleaner's own Centennial issue, in 1963, the demand for extra copies of that number was so

great that despite a heavy overrun all copies were sold out in the week of issue. To not disappoint all those still wanting extra copies, we reprinted the whole issue on a smaller scale by our offset process and we are still being asked for these copies.

The point is that while a large number have already placed orders for special copies, this is the only true way we can visualize the requirements. We will try and estimate a possible number and place this in our overrun. If you want extra copies to send to your friends, why not use the handy order form that appears in this issue and send in your order right now. It is your most sure way of not being disappointed.

SUGAR AND SPICE by Bill Smiley

SMILEY GOES FISHERY

First trout-fishing trip of the year is like a good spring tonic. It cleanses you physically and spiritually. And leaves you exhausted.

I had mine last Saturday. The important thing in going after speckled trout, of course, is the careful planning. There's no use to it at all if you just throw your fishing gear in the car, and go out to some stream where all the amateurs angle, and toss in a line. You're liable to come home with a creel full of fish if you go at it in this haphazard way.

No First of all, you select a fishing companion. This, to a real angler, is just a bit less important than choosing a mate for life. You want a dependable sort of chap — the type who is going to have fresh worms for both of you, a good supply of hooks, maps with the sure-fire holes marked in red, and an infallible sense of direction in the bush.

That's exactly what I lined up this year. Mind you, those keen types take a bit of managing. They're great in the bush, but they need an organizational mind to channel their energies. I had to get quite firm with him when he began muttering about 4 a.m. and hitting the stream at dawn.

Dawn, indeed. I told him that is pure superstition. Only the very young, immature angler goes floundering off in the dark, fishes like a fool until noon, then is whacked for the day. Just about then, the wily, mature angler, fortified with a good breakfast, arrives and slaughters the trout, which are completely unprepared for the second wave — the experts.

Well, we got away about 10:30, after a couple of false starts. He forgot his lunch and we had to go around to his place. And when we got out to the County Line, I realized that because of his stupidity, I'd been upset and had forgotten my waders.

But he had a beautiful spot picked out. You park the car just off the road, and walk up this hydro line to the stream. The stream was just in there, past the fourth hydro tower, he thought. It was just past the 14th. And they're 100 yards apart.

Not another angler in sight, I gloated. We cached the lunch and began working up

tories of farms which have been in the family name for 100 years or more. We were surprised at the large number of these and even at that there are more which probably should have been listed if we had received them. Frank Napier has a number of interesting articles pertaining to the progress of agriculture and animal population of our farms. There is no doubt but what our area has developed from the basis of agriculture in its many varied forms; therefore, we feel that for a Centennial issue celebrating 100 years of Confederation in Canada, we have chosen the best possible subject.

We leave it to all of you to decide when you see it. Meantime get those orders in and help us have enough on hand for all who may require them.

Marshall. Eleven members answered the roll call. Mrs. Willie Todd presided and Mrs. Gordon Tannahill was in charge of the devotional period. During the business meeting Mrs. Royce Beattie and Mrs. William Goodall were appointed to purchase a number of articles needed in the church kitchen.

Refreshments were served by the hostess and a social hour was enjoyed.

Mr. George McIntyre has returned from Fredericton, N.B. where he attended the Encenia held in Lady Beavercreek Rink on Tuesday, May 16th, at which his son Glenn graduated.

Mr. and Mrs. James Willock had as their guests for a few days their daughter, Mrs. Ian Spark of Winnipeg. On Monday, they also had a visit from their two nieces, Mrs. Bob Bennington and Mrs. Edward Schmidt, of Rockville Centre, Long Island. Accompanying them were Miss Agnes and Mr. George Willock of Westmont.

Mr. and Mrs. Michael Preston of Newcastle-on-Tyne, England have been guests this past week of their aunt, Miss M. Allen. They visited Expo 67 on Friday and were super guests of Mr. and Mrs. Geoff Holmes and family of St. Therese on Haut.

Mr. Gordon Boyd of N.D.G. spent the week-end at the home of his grandmother, Mrs. Gordon Harper.

Mr. and Mrs. Charles Quenneville and family of Brampton, Ont., spent the week-end at the home of his parents, Mr. and Mrs. Stephen Quenneville. On Sunday they visited Expo.

Miscellaneous Shower Mrs. Roy Moore and Miss Berta Orr were joint hostesses at a miscellaneous shower for Miss Wendy Orr at the home of Mrs. Roy Moore, Saturday evening, May 13. Wendy called at Mrs. Moore's to pick up a parcel but as she entered their home, found about thirty guests and a recording of the Bridal March being played on the High Fi.

After Ruth had pinned on a corsage of yellow and white mums, Wendy was ushered to the chair. The decorations were carried out in yellow and white with a wishing well filled with gifts. Nancy Moore assisted Wendy. While she opened her gifts, Wendy expressed her thanks to everyone and hoped they would all come and call on her in Montreal.

A few games were played and all enjoyed the delicious refreshments served by the hostesses.

Mr. and Mrs. G. W. Thompson have returned after spending two weeks visiting friends and relatives in Alliston, Windsor and Wheatley, Ont.

25th Wedding Anniversary Friday evening May 19th, the 25th wedding anniversary of Maggie and Bill Arthur was celebrated at Herdman Town Hall. A large crowd gathered to honour the occasion and the music was supplied by relatives. At midnight Mr. Cyril Dahms called the honoured couple to come forward and in a few well-chosen words presented them with a well-

filled purse on behalf of those present. They fittingly replied and thanked everyone for coming.

At lunch time the head table was centered with a three-tier wedding cake which was passed around for all to enjoy. The organizers are grateful to Mrs. Saumier for donating silver decorations for the hall. Everyone departed wishing Maggie and Bill many more years of happiness.

Mr. and Mrs. James Wattie and Mr. and Mrs. Roger Bouthillier of Brownsburg spent the week-end in Brampton, Ont., where they attended the wedding of Lawrence Prevost of Huntingdon.

U.C.W. Meeting

Recent meetings of Unit 8 have been held at the homes of Mrs. Royce Beattie and Mrs. Wm. Brown respectively. There was a good attendance of members, and the usual devotional periods were taken by leader Jean Brown, assisted by other members.

Routine business was taken care of and plans made for the unit to visit sick and shut-ins during May and June.

At the close of the meetings, the hostesses served refreshments, and a social time was enjoyed by all present.

Mr. and Mrs. John Fuller of San Diego, California visited last week with friends in Huntingdon also attended Expo. On their way home they stopped in Elmira, N.Y. to visit with his brother and sister.

Cards of Thanks

The family of the late Mr. Leo W. Lewis acknowledge with gratitude the many gifts and kind thoughts of sympathy received during their recent bereavement. A very special thanks to Dr. Geo. Lefebvre and nurses at the Huntingdon County Hospital.

Mrs. Leo W. Lewis and Family

Changes For Diploma Course In Agriculture At Macdonald College Are Announced

The two year Diploma Course in Agriculture offered at Macdonald College is to be lengthened and revised. Aimed at preparing students for careers in Agriculture, the course is being expanded and changed to meet the needs of a fast moving Agricultural industry. Students entering the course at Macdonald College in the middle of September instead of the middle of October, and will attend classes until late April, a month later than previous years. Each year of the two

LAWYER WITH TORONTO FIRM

Mr. and Mrs. Anthony Reid of Dewittville were happy to entertain a pair of honeymooners last week. Andy, their youngest son, and his bride, formerly Susan McCormick of Toronto, were just back from a week in Bermuda following their marriage in the Timothy Eaton Memorial Church on Saturday, May the sixth. Andy is now a lawyer with the Toronto firm of Lang, Michener, Farquharson and Wright. He is a graduate of McGill in Commerce and obtained his degree in Law following four years with Dupont as a sales representative. They are spending the summer at his cottage on Toronto Island.

Annual South-West Police Golf Tournament Again Being Held At St Anicet Golf Club June 7

Chief Joffre L'Heureux of Huntingdon, in charge of the Annual Golf Tournament for the South-West Division of Police Officers for the second consecutive year, has announced that the event will again be held at the St. Anicet Golf & Country Club. Members of the R.C.M.P., Q.P.P., Game Wardens, Town and Municipal Officers will take part in the tournament. Last year's tournament was a highly successful affair and Chief L'Heureux anticipates the 1967 tournament will be even better. Rain or shine, the tournament will take place on Wednesday, June 7, and the first group will tee off at 8 a.m. A number of invited civilian guests will take part in the tournament and Chief L'Heureux states that Director-General Courtemanche, Montreal, will be present. The St. Anicet Golf & Country Club features 18 holes on the large course and there is also a second nine-hole course. Both are in excellent condition, according to local golf enthusiasts. More than 300 police officers and guests are expected to take part in the June 7 tournament and both courses will be used.

Sister Of Local Woman Dies At Massena

Mrs. Ada M. Donaldson, widow of Merton I. Donaldson, died in Massena Memorial Hospital, Saturday, April 1, at 6:30 p.m. where she had been a patient for ten days. She was born in Fort Covington, July 21, 1881 a daughter of John and Sophia Hart McElwain. She attended schools in Fort Covington. On August 1, 1900 at the home of her parents she was united in marriage by the Rev. George Williams, pastor of the Fort Covington Methodist church.

Mrs. Donaldson was noted for her warm hospitality and was devoted to family, friends and her church. In addition to her son, Vernon she is survived by a son, Jerome, of Wampsville, N.Y. and a daughter, Mrs. Ronald (Ruth) Trede, Malone. Also surviving are eight grandchildren, seven great-grandchildren, a sister, Mrs. Arthur (Mable) Fraser, Fraser's Point, two brothers, Samuel of Fort Covington and Everett of Bombay. A daughter, Miss Edna Donaldson, predeceased her in February of 1958. Her husband died August 28, 1958.

Following a stroke years ago Mrs. Donaldson had been in failing health. For the past several weeks Mrs. Donaldson had been residing with her son and daughter-in-law, Mr. and Mrs. Vernon J. Donaldson of Massena.

Mrs. Donaldson had lived in the family home since 1900. She was a devout member of the Bombay Methodist Church and of the W.S.C.S. of that parish; the W.C.T.U. as well as a former member of the Bombay Grange.

GOV. GEN. VANIER TO BE HONORED BY CANADA P.O.

The late Governor-General Georges P. Vanier, will be honoured by the Canada Post Office on the 15th September 1967 by issuance of a commemorative stamp. Postmaster General Jean-Pierre Côté announced last week.

The date chosen for release of the new issue is the anniversary of the day on which the late Governor-General took the Oath of Office in 1959. A decision to issue a Vanier stamp has resulted in the scheduling of a previously announced commemorative marking the Centenary of Toronto as Capital of the Province of Ontario. Release date for this issue will be changed from 20th September to 28th September, 1967. The new stamp will increase to ten the number of commemoratives to be issued by the Canada Post Office during Centennial Year.

She was in repose at her late home until time for the funeral which was conducted from the Bombay Methodist church Tuesday afternoon at 2:00 p.m. with the Rev. Paul P. Zelinka, and the Rev. Robert U. Holmes, pastor of First Methodist Church, Massena, officiating. Interment followed in the Hillside Rest Cemetery, Bombay.

FRANKLIN CENTRE — On May 15th the regular meeting of the Franklin Centre U.C.W. was held at the home of Mrs. Peter Ednie. Mrs. H. Schwanke opened the meeting by leading the group in the period of devotion. The roll was called to which 14 members replied; there were also 3 visitors from the Hill U.C.W. group, making an attendance of 17. The collection amounted to \$6.30, taken by Mrs. Schwanke, who was replacing the treasurer, Mrs. Hope, who was absent. The Study Book selection was read by Mrs. James Manning and proved interesting. The business period consisted chiefly of plans etc., in connection with the turkey supper held Saturday evening. The meeting was adjourned and refreshments served.

LOWER ST. LAWRENCE AND GASPE REGIONAL ROAD GUIDE REPRINTED

QUEBEC — The Department of Tourism, Fish and Game has just issued a reprint of its regional road guide entitled "Lower Saint-Laurent and the Gaspé". More than 100,000 copies of this booklet have been distributed throughout the world, but mostly in the United States and Canada, and the same number of copies have just come off the press.

"The Tourist Branch," declared the Minister of Tourism, Fish and Game, Mr. Gabriel Loubier, "is doing everything it possibly can to stock its reserves in order to have a plentiful supply of brochures to help keep the largest possible proportion of visitors coming to Montreal for Expo 67 in Quebec a little longer. These road guides are without doubt the best tools the department has, because they provide the traveller with abundant information and out-

year course will be 7 1/2 months in duration instead of 5 1/2 months under the past program. The opening and closing dates of the course each year will then coincide with those of the Bachelor of Science Degree Course in Agriculture at the same institution. Changes have been made in curriculum and course content as well as in the length of the College year.

The Diploma Course in Agriculture at Macdonald College deals with the science, business and management practices of agricultural production. It aims at preparing students for careers in modern farming or in industry and service organizations that work closely with agriculture at the production level. Graduates of the course go into many fields associated with agriculture. As an example, one or more of the 1967 class which graduated in March are employed as dairy and beef farmers, farm machinery sales and service representatives, nurserymen, agricultural chemical sales representatives, extension technicians for vegetable processing companies, farm managers, feed service and sales representatives, agricultural research technicians, artificial breeding technicians, and commercial apple growers.

The changes expected to go into effect this fall are necessary to keep pace with the

CENTENARY CANOE CAPER: CHATEAUGAY (N.Y.) TO CHATEAUGAY (QUE.)

Despite reports that a Mr. and Mrs. G. Alex Richardson of Ottawa were thwarted in their Centennial project of paddling their canoe from the Nation's Capital to Expo just a couple of miles from the Expo Marina (canoes aren't allowed to traverse the Lachine Rapids and only craft with a length of 30 feet and over are permissible at Expo) two local paddlers aren't altering their Centennial project until they're forced to.

Garth Stephen of Huntingdon and Tom Pashley of Lacolle have been planning for months to paddle a canoe from the very start of the Chateaugay River at Upper Chateaugay (N.Y.) Lake to its mouth near Chateaugay, (Quebec) and then on as close to Expo as they can possibly get.

Tom and Garth will set out a week from today (May 31) and the map above shows their route. Approximate hours they will pass through each town have not been guessed as yet, but Garth promises to have this information for The Gleaner next week.

These fellows who are going to make like voyageurs of old are displaying real courage. No, not for attempting the trip, just because they say they're glad to see all this rain we've been having. While most of us are sporting sniffles and wailing about the weather and the late, late season, that pair of adventurers are hoping for more rain so the water level in the river will keep rising. "The normal level isn't much in many places and some of those rocks would be pretty hard to bump our hip bones on," is Garth's dry comment.

If you can't paddle DOWNstream to Expo when you enter the St. Lawrence fellows, why don't you paddle UPstream to Valleyfield, Port Lewis, St. Anicet ... maybe even the Cairn at Lancaster or Upper Canada Village? Maybe you could rig up a sail?

(NOON P.S. TODAY): GARTH THINKS HE HAS AN "IN" VIA THE SOUTH SHORE AND SPECIAL PERMISSION FROM THE BOY SCOUTS OF CANADA.

Driver Can Sense Tire Care Need

Every motorist, in varying degrees, drives "by the seat of his pants", according to the Canadian Highway Safety Council. The average motorist can sense variations in the normal operation of his vehicle. This is one factor in making a drunk or impaired driver dangerous; he loses that ability to feel or sense his car as he drives.

Immunization

Health authorities and private physicians recommend that all parents, particularly those with young families and those on the move, keep a record of their family's immunization schedule.

LOCAL SURGE DEALER AWARDED DIPLOMA

Georges Renaud of Huntingdon, salesman for Surge Milking equipment was presented a diploma by Mr. James Babson, vice-president of Babson Bros., Co., at a recent seminar.

The presentation of this diploma was made in recognition of 16 years of service devoted to milk producers in his territory. Mr. Renaud and his wife Gladys recently attended the seminar for Surge salesmen of North and South America, in St. Charles, Illinois. "New dimensions" in the milk industry was the theme of the two-day seminar featuring a preview of the new equipment presented in real milking conditions.

Important Meeting Of PAPT. To Be Held This Week

Representatives of Quebec's 6,700 active Protestant teachers face one of the most important series of meetings in the history of their Association (PAPT). On Friday, May 26 and Saturday, May 27, 1967, delegates will gather at the Queen's Hotel in Montreal for the PAPT's Annual General Meeting. Bill 25 and its implications will dominate the scene. Among the many problems facing these delegates will be: the extent to which the Association is prepared to condone the apparent trend to total provincial negotiation of all aspects of teacher economic welfare; the relationship of the PAPT with her sister teacher associations in this province; and the place of the professional educator in the process of educational reform.

ORGANIZATION MEETING FOR PROGRESSIVE - CONSERVATIVES FOR THE VALLEYFIELD REGION

Mr. Paul O. Trépanier, the son of Dr. and Mrs. Olli Mayor of Granby and president of the Quebec section of the Association Progressiste-St-Anicet, will be in Valleyfield, on Tuesday, May 30, many occasions when a meeting to organize the local county association will be held. That is what was announced recently by Mr. Armand Miron who was recently named president of the preliminary committee which respects the aspirations of the Beauharnois Association of each province. Mr. Miron also announced that Mrs. Gertrude Lessard of

Montreal, provincial president of the Association féminine conservatrice, will also be in Valleyfield on May 30, to meet all the ladies present at the meeting.

The meeting will start at 8 p.m. in the large hall of the Club Tourist in Valleyfield. Mr. Miron hopes that all the municipalities of the Beauharnois County will be represented. The recent modifications brought to the electoral map concerning our new constituency and many localities which used to be part of Chateauguay-Huntingdon - La Prairie county are now part of Beauharnois.

The main item on the agenda will be the selection of five delegates to the Party's national convention which will take place on September 7-8-9 in Toronto to elect a chief for the party. As it stands, it is believed that Mr. John Diebaker will retire and give someone else a chance to become leader of the party.

In accordance with the rules of the Association's charter, the delegation of the County will be formed of three men, one woman and a young man of 36 years or less.

The May 30th meeting will permit the election of a new county executive committee. All the election procedures will be explained by Mr. Claude Trudeau, of the central office in Montreal.

Presently the local association is directed by a temporary committee presided over by Mr. Miron. Also on the committee are: Messrs Joseph Demers and Paul Derpentigny of Valleyfield, Mr. Florian Paiement, Mayor of St-Timothée Village and Mr. Florent Laberge of Ste-Marie.

All conservative supporters are invited to the meeting from the following towns and municipalities: Valleyfield, Beauharnois, Huntingdon, Matle-Grove, Grande-Île, Paroisse Ste. Cécile, St. Stanislas de

Production Certificates For Ayrshire Cows Of District

The Ayrshire Breeders' Association of Canada have recently introduced new lifetime production certificates for high producers. Diamond Seal certificates are for cows who produce over 150,000 lbs. milk or 6,000 lbs. fat. Ruby Seal certificates are for cows who produce over 125,000 lbs. milk. These certificates are necessary because of the higher production levels being achieved regularly by Ayrshire Cows. The Gold Seal Certificates are continuing to be awarded to cows who produce 100,000 lbs. or more of milk.

During the past month, eight Quebec cows qualified for production certificates and all eight completed their lactations on an average of two times a day milkings. Among some local animals as follows:

Ruby Seals
Clear Brook Mystic owned by Alan H. Wilson, Franklin Centre, Que., has qualified for a Ruby Seal Certificate. She has produced 128,346 lbs. milk, 4,818 lbs. fat during twelve lactations. She is classified Very Good and her sire is Billy Benefactor.

Gold Seals
It. W. McFarlane, Howick, Que., has been awarded Gold

Production Certificates for two cows in his herd. They are sisters both owned by Marjorie Royal. Honey's Choice has completed eight lactations producing 190,335 lbs. milk, 3,684 lbs. fat in 2,579 days. In her last lactation, at 10 years, she produced 15,367 lbs. milk, 549 lbs. fat in 364 days. She is classified Excellent** and she has two Very Good daughters who are very high producers.

Her sister, Rockford Lady Betty's Choice, has also completed eight lactations producing 106,020 lbs. milk, 3,823 lbs. fat in 2,693 days. As an 8 year old cow she produced 15,529 lbs. milk, 602 lbs. fat in 355 days. She is classified Very Good. Davies Bros., Colonial Acres Farm, Huntingdon, Que., have been awarded a Gold Seal Certificate for Nether Brae Spice. She has completed eight lactations producing 100,341 lbs. milk, 3,705 lbs. fat in 2,752 days. Last year, as a 10 year old, she produced 13,950 lbs. milk, 559 lbs. fat in 333 days. She is classified Very Good and her sire is Glenagarry Betty's Buxton.

Her sister, Rockford Lady Betty's Choice, obtained her in the 1961 National Sale from Mrs. Lucille Davis, Fulford, Que. Her dam is also a high producer with over 129,000 lbs. milk.

LOUIS XV ARMOIRE SELLS FOR \$750 AT AUCTION SALE

The recent Antique Auction which took place the past week-end at the business-residence of the late Marjorie Burgess, Lacolle, can be termed as an outstanding Auction sale, a beautiful collection of Antiques and all sold at very satisfactory prices.

Highlighting the sale was a "Louis XV" Armoire which went under the hammer of Auctioneer Lyell Graham for the sum of \$750, and was purchased by Mr. Donald Watson of Glenelg.

The beautiful "Amberina" several days last week in Greenfield Park at the home of Dr. and Mrs. Malcolm Marston. While there she visited Expo.

It is good to have Mr. Smellie once more able to carry the mail after his car accident in the winter.

Mr. and Mrs. Cecil Arnold and family of St. Lambert enjoyed the week-end with Mr. and Mrs. Wm. Arnold and family.

Mr. John MacMillan of Lacine was a week-end guest of his sister and brother, Thelma and Gilbert MacMillan.

hanging lamp attracted much interest and was quickly auctioned for the sum of \$210. to Dr. Levesque of Glenelg, Que. A dainty "Red Satin Glass" lamp was also admired by many and sold for \$145. to Mrs. Ian McGregor of St. Johns, Que.

This interesting Auction attracted many buyers from various points of Quebec, Ontario, Northern New York and Vermont. Selling commenced at 11 A.M. sharp Saturday morning and continued until 5:30 P.M. — then the following Monday at 11 A.M. until 5 P.M. (One more day is required to complete the Auction and the date is to be Saturday, June 17).

Although weather conditions were not the best, the tent which was provided added much to the comfort of all. Auction sale proceeds were very satisfactory.

Chateaugay High Graduation Dance

It was a full gymnasium at Chateaugay High School last Friday evening as hundreds of parents and friends witnessed colourful pre-graduation ceremonies.

The annual Graduation Dance has but a brief four years' history, dating from the start of Grade XI at Chateaugay High School four years ago. But already a tradition of excellence has been established, and the graduating students thrilled the audience and themselves with their poise, beauty and charm. Were these young ladies, exquisitely gowned in white, and their handsome escorts in evening dress REALLY the same youngsters we have watched plodding their ways to school over the years?

Tradition was again to the fore as proud fathers led daughters through the first dance — not forgetting equally proud mothers and sons.

Light refreshments were served in another school area, with an attractive barn decor, complete with bales of hay and saddles. The audience was roped off as in a corral.

Prior to the dance, dinner was served at the Chateau Gai Motel. Decorations and ushering were handled by Grade 10 pupils, who enjoyed a preview of their graduation festivities next year. Miss Karen Hetherington was the female announcer.

Graduates in order of introduction were: — Diana Philip, Lois Douglas, Arlene Balfour, Jayne Modeland, Lynne Rowntree, Suzanne Davy, Diana Mizner, Susan Johnson, Betty MacKay, Louise Allison, Cathy McMillan, Linda Moore, Nancy Ryan, Anne Wilson, Sharon Rae, Deborah Grant, Carol Giroux, April Harrigan, Marlene Durancéau, Joy Green, Iris Glenn, Judy Cluett, Linda Trickey, Joan Taylor, Marika Dervarits, Margaret Birtwistle, Doug Campbell, David Beauchamp, Terry Brouillet, Raymond Morrisette, Robert Jones, Charles Woods, Fred McIntosh, Stephen Thomson, Ron Richards, Larry Fountain, Terry Yarnell, Stuart Currie, Brian Loft-house, Ron Hurtubise, Richard Mundy, Bruce Poirier, Ted Hoare, Mike Strange, Wayne Campbell, Gary Tattler, Rod Munro, Hans Sante, Robert Sproston, Vlasta Vrana, Arthur Cory, Walter Boyd, Allison Birtwistle, Gail Pashley, Judy Layzell, Violet D'Aze, Marieke Klop, Lynn Howie, Pat Ellis, Valerie Smith, Joanne Rowe, Lynne Appleton, Dianne Curran, Lene Nielsen, Pat Sproston, June Crawley, Cathy Weir, Jo-Anne Neil, Suzanne Carr, Beverly Hurst, Heather Burney, Gillian Stockdale, Debby Campbell, Fran McBurnie, Cheryl Evans, Karen MacLeod, Frances Porcace, Sandra McIntosh, Ron Scott, Douglas Currie, Ross Murdoch, Paul Brittain, Preston Taylor, Ron Way, Jim Fair, Don Reid, Keijo Puusa, John Arthur.

Seen at the St. Francis intersection this past week:—"CONSTRUCTION GO SLOW DANGER LOBSTERS AHEAD!"

It seems that when a Town work force placed gravel on the de facto right of way between St. Francis and Montcalm, the wooden fence was accidentally demolished. Five years ago, of course, this passage was regularly used by vehicular traffic, and I suppose I was one of many who expected that it would eventually become a paved road. Who could ever have imagined a quarter-mile drive to cover 15 yards? Anyway, with the fence down, a few enterprising drivers have been taking the obvious short-cut, but it is no longer the same as five years ago. The no-man's-land had over the years become a refuge where little ones could be left to play in safety, and the re-introduction of irregular vehicular traffic has caused alarm to parents, particularly as drivers have not conducted themselves with any noticeable degree of restraint. If any of the offending drivers happen to read this column, may I ask them, on behalf of anxious parents, to show the same consideration they would surely show if their own children were playing within feet of their cars? Town officials have stated that steel fences will be erected soon to block off the so-called right-of-way.

CHATEAUGAY CENTRE ARENA BY-LAW HAS BEEN BLOCKED

Over one hundred ratepayers showed up last Wednesday evening to block By-Law Number 618, which provided for the construction of a sports arena for an estimated cost of \$570,000.

Opposition to the proposed arena developed when the cost — over half a million of dollars — became known. Objections have been voiced at the location of the arena — two miles down the Haute Rivière Boulevard, four miles from the main population centre of Chateaugay Centre.

Mr. Thomas McDade, prominent worker in a wide variety of community affairs, addressed the assembled ratepayers and voiced his objections to the proposed arena. "We cannot afford this project," said Mr. McDade, "with our roads desperately in need of expensive repairs, and more important amenities requiring available municipal funds. The cost of this proposal is not commensurate with the size of the planned arena. Per-dollars — became known. Objections have been voiced at the location of the arena — two miles down the Haute Rivière Boulevard, four miles from the main population centre of Chateaugay Centre to 'make haste slowly'."

Word is awaited from municipal authorities as to a possible referendum on the blocked By-Law.

LOUISE GIROUARD DANCING SCHOOL RECITAL AT VERDUN

The Louise Girouard Dancing School of Chateaugay is holding the annual end of the year recital at Verdun Catholic High School Auditorium, on June 1st. See Coming Events for details.

Miss Louise Gardner has been holding classes for girls aged 4-12 for two years in Chateaugay. The classes are split three ways in age groups, with about twelve girls in each class. Ballet, tap-dancing and majorette movements are taught. The local representative is Mrs. Palmer of Adam Street, 691-2393.

In the recital, the Chateaugay girls will combine with Miss Girouard's pupils from Verdun.

DEAR MONSIEUR DRAPEAU: from RUSS FAUGHNAN

This is a love letter from Chateaugay. As an occasional writer of trivia for the Chateaugay Gleaner, I am taking it upon myself to say, for all the people of our populous district, we love you. And we thank you from the bottom of our appreciative little hearts.

For the Fair, of course, most of us are just beginning to realize how fantastically fortunate we are, who live within travel distance of EXPO '67. We are just now beginning to feel some pity for those who only have a few days or even a few weeks to see the Fair. What a shame they will miss most of it. But we, thanks to you, we have six whole months to try to see it all. Over and over again. You're changing us. Mr. Drapeau, you are changing us all.

Just look around your city. Do the restaurants seem a little empty at noon time? We're over at the Fair. Grabbing a pizza and seeing one more pavilion or just drinking in the glory of it all. Oh, we're proud to be Canadian but we are happy to live near EXPO '67. And at night, I feel sorry for the movie theatres. They can't compare with EXPO at night. Sir, you have started a revolution. Those of us who haven't been out during the

week for years, have suddenly grabbed the Old Lady and said "it's off to the Fair my dear" (A sudden thought — what are we going to do with her next year?) One of the biggest changes is with the kids. Youngsters who couldn't get to baseball practice without the family car, suddenly can take a Provincial bus, your Metro and the Fair, in stride. Independent? You bet. If it means getting there. And when they get home. Oh boy, such world travellers. Asking questions and discussing topics they never even heard of before. What an education. In fact, Expo has opened up a whole new area of conversation. Between adults and children alike, this is really something to talk about.

Mr. Drapeau, you've hit your peak. Sure there are others to thank but we all know it was your perseverance and tenacity that brought it here, to us. Unfortunately we in Chateaugay can't express our thanks by votes. So, if you are ever in the neighbourhood, please drop in. We'd like to shake your hand.

By the way, you must have sleepless nights knowing you have a couple of million lovers, you dog, you.

THE TOWN OF CHATEAUGAY HOLDS VOTE ABOUT VIETNAM

On a motion by Alderman Philip Bonneau, seconded by Alderman Paul Morette, the Town of Chateaugay Council last week voted to request the Union of Municipalities to bring pressure to bear on the Federal Government to work harder for peace in Viet Nam.

The motion was carried by four votes to three, with Alderman Bert Oliver absent when the vote was called.

Then we will be able to advise you where we will meet or where you can get your ticket if you go on your own. On June 8th, our annual national meeting will take place in downtown Montreal. Members from the Atlantic and the Pacific coast will attend. Miss Gwen Robertson, President of the Canadian Consumers' Protest Association will outline the program for the coming year, and speakers from different groups from all over Canada will report about their activities and achievements.

For any information please call: 692-2751 or 691-2962. J. H. Fuchs

COME TO THE FAIR

Man And His Health—Telephone—Wagner

The real proof of EXPO's amazing success is now revealed. No need for crowd counts or the glowing praise of the printed word. The apex of success was reached when this reporter actually got up on a Saturday morning to be at the fair site before the opening. Really folks, it's that good.

Man and His Health is the most shocking, the most interesting and the most detailed exhibit at the fair. Gad, what details. The main exhibit is that of a hospital operating room in which you see movies of actual operations while live actors are performing the same scene before you. The combination makes it amazingly real. The films also depict modern methods of treatment of the most drastic diseases and disfigurements. In other parts of the pavilion, you can see life size figures of the human body, in clear plastic, which contain all underlined all organs and veins. Each part lights up as its function is explained. Other displays include human reactions to tension, injury and how such things are treated. This exhibit is well worth any line up, for you and the kids.

As a fun thing, the telephone pavilion will probably head the list. The main event is a screen covering a full 360° produced by the late Walt Disney, the film depicts Canada with scenes taking you across our land. This is one process in which you are really part of the action. The Montreal scene follows a police car screaming down St. Catherine street at night. The effect is so realistic that when the police car swerves to avoid a crash, many of the audience have to grab for railings to keep from falling. Other scenes include you standing in the middle of the Calvary stampe and a breath taking view of the Rocky Mountains. Very effective and a wonderful tribute to the unlimited talent that was Walt Disney.

The children will enjoy the Enchanted Forest where they can talk on the telephone to their favourite cartoon characters. Adults will enjoy matching wits with a computer in a friendly game of tic-tac-toe. Housewives might like a look at the future where it is pre-

dicted that we will do our shopping, banking and even turn on our lawn sprinklers, by phone.

We cannot help but put in a word about Mr. Wagner and his charges that the Mafia is controlling some parts of EXPO. His statements in the House have all the earmarks of politics at its worst. If the Mafia really do supply all the cheese for Expo's pizza, they have my compliments. It's really quite good.

And one thing more. Forget those radio and TV reporters who seem to be determined to find every possible fault. The only excuse is that they must have an angle for a story, every day. Criticism is easier than thoughtful praise. It's a sick way to make a living but don't give it a thought EXPO is still the biggest show on earth. And the best.

Seignior Parkers in the Chateaugay High graduating ceremonies last Friday evening included Judith Layzell and Pat Ellis.

My daughter last weekend spotted the most beautiful little yellow bird flitting around our crab apple tree. Whether it was a canary or a finch I don't know, but for sure it never wintered in La Belle Province. And equally as sure, it has a voracious appetite for mosquitoes. What a haven Seignior Park would be if we could entice a few hundred of these enchanting creatures to summer with us, delighting our eyes with their beauty and salvaging our bodies from the scourge of these unprintable mosquitoes.

Although I had another busy week last week, I can't think of what to write about. We did travel up to Ottawa with one of Maple School's Grade sixes. It was a lovely day — but cool and windy. One place we visited this time that we had missed two weeks ago, was the National Gallery on Elgin Street — right next to the Lord Elgin Hotel. The paintings — original of course — were fabulous. Our group had a most efficient guide. She pointed out various things in a few of the paintings and if we had more time there, I'm sure most of the 17 students with me would have developed an appreciation for fine art. However we were allotted only a half hour.

We had lunch again in the Parliamentary Cafeteria, before meeting our M.P. Mr. Gerard Laniel. The boys and girls were presented with the Centennial pins and a flag day May 15 to Sunday May 21. Two ladies, sometimes three were on duty every day

Do you feel the hair raising in the back of your neck? You should. The Premier of the Province of Quebec dropped a bombshell last week that should shake us all out of our lethargy. We can live with the food labels and take our chances with the road signs but now Mr. Johnson goes too far. He threatens to bring back rigid censorship of movies and even expresses his desire to control our television fare. Make no mistake about it, if he gets his wish, control will be the operative word.

In 1961 the new government started in a gradual but most welcome change in the field of censorship. For many years, movies had been chopped up like liver or banned entirely on the pretext that what they portrayed was bad for us. And not just for children. For adults, we were adult enough to vote for one cheap politician or another but not to see a certain kind of movie. Some movies could corrupt us. Now there is a laugh. Imagine corruption in Quebec.

The Regis report in 1962 denounced censorship. And well it should for censorship is born of fear and feeds on intolerance. As such, it is the most powerful of all political weapons. If it ever reached radio and television, which is highly unlikely but not impossible it could establish a true Police State. Even with movies it can distort and influence. Censorship creates power. The power to say yes or no and that is always worth something. Like money.

The Provincial Secretary, Yves Gabias sees this as a Government's duty to protect the public. Much like the Police Chief's report which wants to protect us by taking

LAWN WEEDS

OTTAWA — Weeds have sometimes been defined as plants growing in the wrong place, observes a CDA researcher.

And homeowners, facing another seasonal struggle to keep them out of their lawns, probably would agree with the definition.

But the situation could be a lot worse, points out G.A. Mulligan of the CDA's Plant Research Institute here. Although the list of weeds in Canada is a fairly lengthy one a few species are adapted for growth in lawns.

Of the lawn weeds, the most troublesome are the perennials, like the dandelion, that have their growing points almost at ground level and produce their seed close to the soil surface. These weeds persist year after year despite repeated mowings of the lawn. Other perennials, like

Chateauguy News Notes

➤ Town of Chateauguy Council has asked Hydro-Quebec to replace two existing street lights on Route 4. Requested is an increase from the present lamps to 16 foot brackets with 20,000 lumens. The two lamps are between Dunver and LePailleur Streets.

➤ Alderman Phil Bonneau proposed a resolution to be sent to the Union of Municipalities, asking that pressure be put to the Federal Government in the name of the municipalities of this Province to have hostilities ceased in Vietnam. Second by Ald. Merette, and adopted 4 to 3.

➤ A by-law forbids the planting of poplars and willow trees less than fifty feet from roadway or underground pipes, as well as fifty feet from the street line. The roots of such trees can wreak havoc on pipes and foundations — so take the advice of those who know best, and try to overcome your desire for a beautiful weeping willow or stately poplar.

➤ A notice of motion was given at the recent Council meeting of Town of Chateauguy for the adoption of a by-law providing for surface drainage, enlargement of paving and sidewalks on part of Vanier Street.

➤ Pressure of urgent business before last Monday's holiday was responsible for having no civic news from Chateauguy Centre for this week's News Notes. Everyone at the Centre's Town Hall was trying to do two days work in one, last Friday morning, when this reporter called.

➤ Sixty Junior High School boys and ten teachers from Whitechurch R. C. Separate School (near Toronto) spent a few days in the area last week. Guests of Maple Home and School Association — with the consent of the School Board — the group used Maple School Gym in the evenings to sleep — bringing their own sleeping bags, spending the days at Expo and other very interesting spots in Montreal. This project was successful due to the efforts of Mrs. Betty Sutterlin with aid from Mrs. Lois Castleton. Both ladies are on the executive of Maple Home and School Association. Another group will be here in August from Maple Leaf School, Newmarket, Ont.

➤ Town Police informed The Gleaner that they have only minor accidents and two fire calls to report during the past week. Fires caused very little damage.

➤ An 84 year old Chateauguy man died as a result of a combination of three things — Pneumonia, lung congestion and a fractured pelvis. He was struck by a car on d'Anjou Blvd. on Saturday, May 13 and died on Monday 15th The family of the deceased requested police to withhold name and also the identity of the driver involved.

➤ The Town of Chateauguy Centre's Cultural Centre is scheduled for completion in June.

➤ A movement is underway by a group of electors from both major local municipalities to force amalgamation between the two towns.

➤ Mr. Thomas McDade, Co-Chairman of the Chateauguy Centennial Committee will address a centennial gathering in Verville tonight (Wednesday).

➤ It is reported that although the road north from Plattsburg to the Canadian border is liberally endowed with Canadian and Centennial flags, few welcome signs or flags showing exists on the Canadian side leading to Montreal.

Seignior Park...

(Cont. From Chat. Front Page)

Incidentally, this same crab apple tree is going to bloom plentifully for the first time this summer. After three years I'd just about given up hope.

I wonder how many of our English settlers here saw the Cup Final televised live from Wembley last Saturday. I've always had a soft spot for Chelsea, so was disappointed to see my team lose. How wonderful to see a whole game televised live from 3000 miles away. Apparently the Early Bird satellite is poised motionless above the Atlantic, allowing continuous T.V. transmission. Somehow I missed this when it happened.

Most of the new executive for next year's Nursery School attended a Workshop on the Lakeshore last week. This was sponsored by the Lakeshore Council, now officially known as the Quebec Council of Parent Participation Pre-Schools — what a mouthful! The workshop was pronounced very helpful and informative by the Seignior Park contingent. A lease has now been signed for next year's school premises, and the building is expected to begin work shortly.

ABOVE THE LINE NOTES COURTESY MRS. SANDRA MALLETT

The news from above the line is not too plentiful this week but hope the following items will be of interest. A very strange item has been brought to my attention, concerning Willow Street, in Seignior Park. The people

on Willow are paying taxes, etc., to the town. As far as the town is concerned this street does not exist. It sure must be awful to pay taxes and feel you are part of a community, with the name on the street, and the town says this street does not exist. I would get after it, people on Willow.

The people living above the stop sign at Rideau and Concordia had better take heed or their pockets are going to be much lighter if this sign is not obeyed.

We wish that a certain construction Company would clean up the terrible mess at the bend of the road on Concordia. It would not take much to clean this up.

It was mentioned in last week's Gleaner about the robberies below the line. We above the line sure hope that it will not move up the line. If it does we shall be ready.

I was just thinking about a project for Centennial year in Seignior Park. If we all put up a Centennial flag it would certainly show all our visitors we are proud to be Canadians. We hope to get ours up in the next few weeks. Come on gang...

I guess Spring has really arrived as next weekend will be planting time and pool time will again be upon us soon we hope. Well that is the news for this week. If you have any news please call 291-1495.

Lawn Weeds...

(Cont. From Chat. Front Page)

Yarrow, that normally have flowering stems a foot or more high can survive repeated cutting and persist in lawns as low vegetative mats that never flower.

Many annual weeds appear in newly seeded lawns but most are eliminated after the lawn has been cut a few times. Mowing, however, will not get rid of some of those having their leaves and flowers near the ground — annual chickweed, black medic, the annual speedwells, and the crab grasses.

Although the kinds of weeds that pose a problem in lawns are relatively few in number, they are well-adapted for growth in this habitat and, accordingly, are very difficult to eradicate. Mr. Mulligan points out.

The development of the selective herbicide 2, 4-D provided the first effective method of eradicating many broadleaf weeds like dandelion and plantain without harming the grass. More recently, other selective herbicides have been introduced and these enable the homeowner to keep his lawn free of almost all broadleaf weeds and many of the grass weeds.

The researcher lists some pointers in using these chemicals:

- Apply a herbicide only in the amount recommended on the container label.
- Use of a pressure sprayer having a capacity of several gallons is recommended. This method gives the most effective results and is the most economical to use.
- Since herbicides are designed to kill plants, care is needed to make sure the spray does not come in contact with ornamentals or vegetables growing nearby.

Proper turf management still remains the most effective way to control lawn weeds, the researcher emphasizes. Use of a herbicide will eradicate weeds already growing in a lawn, but only prevent another invasion by a strong, vigorous turf will them.

To your GOOD HEALTH

Dr. Joseph G. Molner

Dear Dr. Molner: Recently I have noticed that when I scratch myself, long welts result and the area itches.

My doctor said it is a skin disease, dermatographia. I am 25 and dread the thought of spending the rest of my life trying to explain to people why the welts appear. Can anything be done? —Miss T.J.

This condition — and it is not necessarily what we call a disease is not especially rare. It is also called "skin writing", or dermatographia, the term coming from "derm," or skin, and "graphia" or write.

It occurs in people who have an allergic predisposition. When you scratch the skin, it promotes a release of histamine (one of the naturally-occurring chemicals in the body). This is what produces the welts. It is, in short, of much the same nature as other allergic responses. For some people allergy means a rash; in others, swelling; in still others swelling and increased mucous secretions. Itchy welts are the manifestation for those with dermatographia.

It is an annoying condition, not a serious one, and has to be tolerated by those who have it. There is no cure; in fact, nothing that can be called a treatment, but there are certain things that make life less annoying for the sufferer.

For one thing, the welts, if not additionally irritated, subside rather quickly. It is rare for them not to disappear in 15 minutes or less.

For another, if you don't scratch, you don't get the welts. Therefore anything to prevent scratching (or pressure) is helpful. If one's skin is unduly dry, a cream or bath oil will help. Avoid contact with anything you know is an itch-stimulant.

On special occasions, such as going to a dance with a backless dress, pressure of your partner's hand or arm might cause welts. In such cases, discuss with your doctor whether it might be helpful to take an antihistamine medication beforehand. The result cannot be guaranteed, but it is worth trying.

As for explaining the welts to people, pass the condition off as an interesting curiosity and let it go at that.

Dear Dr. Molner: I am a young nursing mother. My baby is three months old. When it is time to wean her will the use of a breast pump be necessary? I have no one to ask. — Mrs. D. Y.

Usually not. When breast feeding is decreased in frequency, the milk supply decreases. You say you have no one to ask. Don't you take the baby to a pediatrician or to your doctor for periodic examination? It's the wise thing to do!

Dear Dr. Molner: What and where is the spleen and can a person live without it? — Mrs. M. E. F.

It is a large, soft organ in

the upper left part of the abdominal cavity! One of its principal duties is to break up red cells after they have been active long enough. The hemoglobin is then transmitted to the liver to be used again.

Since the spleen is extremely soft, it is always difficult and usually impossible to repair if punctured or torn. In such cases the entire spleen is removed and the blood vessels connecting to it are tied off. Yes, people live very successfully without a spleen.

NOTE TO MISS J.R.: Your question about your gums is very much a dental problem, so go to your dentist about it. Dental authorities tell me that more teeth are lost through gum problems than from cavities.

How to get rid of leg cramps and foot pains? The answer may be simple. Write to Dr. Molner in care of this newspaper for a copy of the booklet, "How To Stop Leg Cramps and Foot Pains," enclosing a long, self-addressed, stamped envelope and 20c in coin to cover cost of printing and handling.

Dr. Molner welcomes all mail from his readers, but because of the great volume received daily he is unable to answer individual letters. Dr. Molner uses readers' letters in his column whenever possible.

COMMON KITCHEN PEST

Finding tiny brown insects in the kitchen cupboard or creeping around in the food probably means that you have an infestation of Canada's most common kitchen pest — the saw-toothed grain beetle.

Entomologist C. Graham MacNay tells what to do about this brown beetle, one-tenth of an inch long and flat enough to penetrate tiny cracks in food packages.

The beetle likes cereals, dried fruits and meats, chocolate, shelled nuts, spices, pet foods and the like, and multiplies rapidly. Its larvae feed on finer particles and cannot eat whole grain.

The name of saw toothed derives from the six small projections on each side of the thorax. The larvae are worm-like, slim and grayish white.

To keep infestations down, MacNay advises:

- Buy only small quantities of food, especially in the summer.
- See that foods and packages are free of pests when they enter the house.
- Keep foods stored in a clean, dry and cool place (insects do not thrive below 55° F.).
- Store surplus foods in insect-proof containers; clean all containers thoroughly before using and never add new food to old.
- Check stored foods occasionally, especially pet food. Oven heat at 140 - 150° F or below zero temperatures kill insects. Wash dried fruits and nuts free of infestations.

First get rid of infested foods, then empty drawers and cupboards in the area of infestation and spray all cracks and crevices, shelves and drawer bottoms with a standard residual household insecticide, either as an emulsion or an oil-base formulation. This may contain either 5 per cent DDT, 3 per cent ma-

"WHAT'S THE NEW CANADIAN DAIRY COMMISSION DOING ABOUT FEDERAL GOVERNMENT PRICE SUPPORTS?"

- The new Canadian Dairy Commission took its first step in furthering the development of a sound, efficient dairy industry in its stabilization program for the year starting April 1, 1967.
■ It is supporting market prices of major dairy products at levels which are equivalent to about 29 cents a hundred more than a year ago for manufacturing milk testing 3.5%.
■ The federal government is providing funds to the Commission for a subsidy to manufacturing milk and cream shippers equivalent to \$1.21 a hundred for 3.5% milk.
■ After mid-May, when 1966-67 records are completed, each registered producer will be informed of the volume for which he will be eligible for subsidy in 1967-68.
■ This new program, in terms of price support and subsidies, represents an increase of 65c, or 16%, over the federal program for 1966-67.
■ What's the new Dairy Commission doing to help improve the dairy industry? Quite a lot. And it's only the beginning.

ROUND BYRE and RING

By Frank Napier

Ayrshires at Ormstown

Tempus Fugit! and so it is that once again Ormstown Exhibition is "just around the corner", with Ayrshire Judging Day scheduled for Friday, June 9. That is, a day later than has been the custom for a considerable number of years, when that breed was judged on the Thursday Ormstown Exhibition.

It is noted, by Canadian Ayrshire Review, that a former leading winner at Ormstown Exhibition, Brookview Wonderful's Greta, owned by J. P. Bradley and Son, LaChute, Que., won the Erle Kitchen Trophy at last year's Royal Winter Fair for the best combined B.C.A. index. Her B.C.A. index averaged 192 (milk and butterfat) in her last lactation completed at 9 years of age.

Dairy Farmers of Canada awards an Erle Kitchen (Memorial) Trophy annually to one cow in each of the four dairy breeds. That is, of course, to animals which have been exhibited in their respective classes at the Royal Winter Fair.

A Correction

More about Burnside Natracia Again, another former Ormstown winner; the first prize 4 year old cow at the 1966 Royal Winter Fair and an "All Canadian" Ayrshire Association class leader in 1966. We regret that, in our comments about the 1966 "All-Canadian" Ayrshire winners, we erroneously reported that the said cow was owned by F. R. Ness & Sons Ltd. Burnside Farms, Howick, Que. She was, of course, bred at Burnside, but she was purchased at the 1965 Ayrshire Sale of Stars, held at the Royal Winter Fair, by J. Earle Ness & Sons, Terrace-Bank Farm, Howick; was therefore owned by the latter at the time she headed her class at the Royal, and when she was acclaimed the "All-Canadian" winner of her class.

More Holstein Records

The Holstein breed of cattle still continues to make spectacular cattle history, and there by also headline news so to speak. Particularly so insofar as the Agro Bros., Hamilton, Ont., and the Gleaner, Alliston, Ont., sales were concerned.

About Gleaner

A personal note. We were personally, intimately acquainted with the late Jack Mc Cague, when he was an Ontario Livestock Representative; after he took over the management of the former Laidlaw Holstein herd at Alliston, which herd he purchased after Mr. Laidlaw's (of Chain Store fame) death; and in connection with Inter-Breed Committees and meetings. And having a high personal estimation of the said Jack McCague, we have naturally followed the uprise and achievement of that now famous herd with considerable interest, over the years. It is true that Jael started off as a breeder/owner with an exceptionally good herd, albeit one which he had the deserved credit of founding and building-up for the late Mr. Laidlaw. However, it was after he acquired same and named Gleaner that that herd became not only Canadian but, as well, a World famous Holstein herd. And a great many people would agree that when an Appendix to the History of the Holstein Breed of Canada has been written Gleaner will doubtless figure as one of the greatest such of all time in Canada.

The Gleaner Sale

While it was advertised and reported as a disposal sale that of the Gleaner Holstein herd was actually only a reduction sale, albeit a unique one of its kind. In that connection, the Holstein-Friesian newsletter says, in part: The Gleaner herd was not sold in its entirety as 142 of the animals were offered in pairs with the successful bidder taking his choice of the pair and the other remaining at Gleaner to form the nucleus of a continuing herd.

"A crowd of at least 1,500 breeders was on hand for the sale, with 53 of the 88 animals sold going to U.S.A., Italy, Mexico and Japan. A total of \$290,475.00 was realized on the 88 head sold, for a Canadian record dispersal average of \$3,300.00"

A breakdown of the above average indicates that 21 bulls averaged \$2,000.; 40 milking females \$4,362.; 11 bred heifers \$1,931.; 5 open yearlings \$1,575.; and 11 heifer calves \$1,966.

The 6-year-old cow, North Leeds Citation Girl, sold for the World Record price of \$4,300. to Agro Bros., of Hamilton. She was paired with her maternal sister, with whom she made up the All-Canadian Produce of Dam for 1965 and 1966. The runner-up bidder purchased a 4-year-old cow at \$10,000.; an excellent cow at \$4,000. and a heifer calf at \$1,300.

A partnership composed of Robert Lowe, Maple, and Russell Rowntree, Woodbridge, Ont., paid \$17,000. for the 6-year-old cow, Gleaner Nellie Hollie Patsy; \$8,700. for the 6-year-old Gleaner Nettie Deutschland Maud; \$3,600. for a Very Good daughter of the \$42,000. former World Record cow Gleaner Nettie Bonheur Maud.

Texal Reflection Crisscross, the All-Canadian bull calf of 1965 and Reserve All-Canadian Senior Yearling of 1966, who was jointly owned by Gleaner and Ernest Gasser & Fils, Pike River, Que., was offered for sale with Gleaner having the top bid of \$10,000. to resolve the partnership.

Record Priced Heifers

It might be said that R. R. Dennis, Oak Ridges, Ont. was "speculating in futures" so to speak, when he paid \$17,000. and \$13,000., respectively, for a pair of heifer calves, at the Agro Bros., Hamilton, Ont., production sale. A Holstein newsletter says: "Both prices are higher than ever before paid at auction in Canada for a heifer calf and are believed to set a world record."

The \$17,000., Oak Ridges Reflection, is a 5-months-old full sister of Oak Ridges Regal Improver which was sold a year ago, by R. R. Dennis, to a Mexican breeder for \$4,600., a Canadian record for a bull. She is also a daughter of O. R. G. Nina Dorson for which Agro Bros. paid \$25,000. at the R. R. Dennis sale. The dam of the \$13,000. calf is Gleanoskey Citation Noel which was also purchased in the R. R. Dennis sale, at \$31,000.

The 62 head sold in the Agro Bros. sale realized \$88,800. for an average of \$1,432. A breakdown shows that 4 males averaged \$1,119.; 25 milking females \$1,059.; 11 bred heifers \$861.; 5 open yearlings \$885.; 12 heifer calves \$3,183.

Twenty-one head were sold for export to buyers from Brazil, Mexico, Italy and U.S.A.

Rockburn

J.C.W. Meeting

ROCKBURN — Rennie's U.C.W. met at the home of Mrs. Ellis Wilson on Tuesday evening, May 16th, with fourteen members present. The meeting opened by all repeating the "Purpose". The President Mrs. Allan Wilson, led "Devotions." The hymn "Love Divine" was sung. Scripture was from Romans 8, 35-39. The lessons was, God's love for the world and Divine companionship. Devotions ended with prayer. Minutes of last meeting were read and adopted. A letter was read from Mrs. McQuat, saying she would like to visit us, it was decided to invite her to our July meeting; also a letter from "Care" was received offering programs, etc. It was decided to send for "Fund raising programs." Supply secy, Mrs. Bruce Maitner received a Thank You letter from the MacDonald House thanking us for layette, etc.

The question of buying a coffee maker was discussed and inquiries are to be made before the next meeting. Meeting closed with Mizpah after which refreshments were served by the hostess during the social hour which followed.

Shower for Miss Thelma McCarty

A miscellaneous shower in honour of Miss Thelma McCarty was held in the Rockburn Church Hall on Friday evening, May 12th. Thelma was greeted by the Misses Linda Wilson and Pat Sutton who presented her with a corsage. Mrs. Ellis Wilson played the Wedding March. After opening many beautiful gifts, Thelma graciously thanked everyone for gifts and their kindness. The Hall was tastefully decorated in pink and aqua, in keeping with the decorated table which was centered with a beautiful cake. About seventy guests were present and delicious refreshments were served by relatives and friends of the bride-to-be.

Mrs. Abe Rosevear is at present a patient in the Huntingdon Hospital.

Mr. and Mrs. Ernest Lindsay of Malone, N.Y. were Sunday visitors at the home of his parents, Mr. and Mrs. Everett Lindsay.

Mrs. Ena Wood of Ormstown spent Wednesday with her brother and sister-in-law, Mr. and Mrs. Rod Arthur, Mr. and Mrs. Robert Wood of St. Chrysostome were Wednesday evening guests at the same home.

The Turkey Supper sponsored by the Ladies Aid Society for the "Protestant Teachers Association" on Thursday evening, was quite successful. Seventy teachers

carried a bouquet of yellow mums.

Mr. Norman Shearer was the best man.

Mrs. Gamble, the bride's mother, wore a rayon dress in old rose colour, white lace gloves, white hat and black shoes. Her corsage was of white roses and lily of the valley.

Following the ceremony a reception was held at the home of the bride's parents which was attractively decorated with white streamers and beads. The bridal table was centered with a three-tier wedding cake. Later the happy couple left on their honeymoon to the Thousand Islands and Niagara Falls.

Aubrey-Riverfield

Mrs. Gordon Easton who has been a patient in the Barric Memorial hospital for the past week is recovering nicely and hopes to be home before the end of the week. Her many friends wish her a speedy return to health.

Mr. and Mrs. Kyrre Nussey attended the Court-Smith wedding in Ottawa on Saturday.

Mr. and Mrs. Charles Frizzen of Summerside, P.E.I., are guests of Mr. and Mrs. Bill Templeton and are enjoying Expo for a few days.

The Misses Peggy Roy, Diane Allen, Iona Robertson, Faye McKell and Cathie Greig attended the Hi C Upper Trail Camp over the weekend. Mr. and Mrs. Lloyd Allen took the girls to camp while Mr. and Mrs. Harold Robertson brought them home. We hope the weather was a bit warmer there than it was around this vicinity.

Mr. and Mrs. Chas. Judson, Michael and Bary were guests on Saturday of Mr. and Mrs. Finlay Milne.

Miscellaneous Shower

Miss Margaret McKell was guest of honour at a miscellaneous shower at the home of Mrs. Robert H. Tolhurst on Saturday evening when about fifty of her relatives gathered to wish her much future happiness. Entering the living room to the strains of the wedding March played by her aunt, Mrs. Edgar McKell, Margaret was led to a chair under white wedding bells.

Shelva assisted in opening her numerous and beautiful gifts by one of her wedding attendants-to-be, Miss Linda Anderson. Margaret thanked everyone graciously and hoped to see them in her new home.

As it was a "family" party, the evening was spent in visiting after which dainty refreshments were served by the hostess who was assisted by the aunts of the "bride-to-be."

Farewell Party

On Saturday evening over forty "Ayrshire" friends of Mr. and Mrs. Jack McGeorge of Lacolle, met in Riverfield Curling Club rooms to say "Au Revoir" to them before they leave to take up residence in Hillsburgh, Ont.

Mr. and Mrs. McGillivray from Bromo showed some beautiful and interesting colored slides they had taken on a recent trip to Switzerland, England and Scotland. Naturally these included many close-ups of several famous

THE GRANGE IS PREPARING FOR JULY THE FIRST PARADE

The May meeting of Maple Leaf Grange No. 11 was held at our April in the hall on May 16, with meeting. Notice was given W.M. Rosemary Cosgrave pre- that Pomona will meet June 1st. Reports were heard from Service and Hospitality, from State Dep. Art Tanner Sick, membership, Community was given from his official Service and Centennial Committee. The Grange received 125 out of a possible 150 marks. Under unfinished business, Lecturer Cecil O'Connor stated he was to purchase souvenir gifts for the National Grange Session banquet from owners on this side of the Atlantic.

While everyone enjoyed a visit together the ladies of the Club were busy in the kitchen and soon served a buffet supper. Archie Roy as Master of Ceremonies told Jack and Viola how much they would be missed in the community but hoped they would come back often. He then called on Earle Ness who spoke of how "Alderwood" had grown and had become one of the leading Ayrshire herds in the district after Jack McGeorge became manager.

Archie Roy then presented them with a small parting gift of a figurine from the group to which Jack fittingly replied. Everyone joined in wishing them health and happiness in their new home!

The rolled filled cookie contest was held with Mrs. Brockman and Mrs. Greenbank as judges. There were six entries, the winners being 1) Jean Rankin; 2) Pearl Milne; 3rd and 4th equal, Robina

VALLEYFIELD — One of the oldest citizens of Valleyfield, Mr. Walter Walsh died on Tuesday, May 16th, 1967, in his 93rd year.

He was born in England, and came to Canada in 1912. He resided in Valleyfield for over 53 years, having lived in Montreal for two years prior to coming to Valleyfield. Mr. Walsh was formerly employed by The Montreal Cottons Ltd., and retired in 1948 after 32 years of service with the company.

He is survived by his son, Allen. His wife predeceased him in July 1966.

The funeral service was held at J. A. Larin Funeral Home on Thursday, May 18th, conducted by the Rev. R. Newman. Interment at Woodlawn Cemetery, Cornwall, Ont.

Deepest sympathy is extended to the family.

C.G.I.T. — On Monday, May 15th, the United Church C.G.I.T. group held their annual Mother and Daughter Banquet. The tables were tastefully decorated in the C.G.I.T. colours of navy blue and white, the mothers and other guests were welcomed by the President, Donna Carson. A delicious buffet supper was then served. At the close of the supper, a toast to the Queen was proposed by Ruth Molyneux. Then Nancy Molyneux gave a toast to the Mothers which was responded to by Mrs. Molyneux. Lyn Riley introduced the guest speaker for the evening, Miss Louise Hourston. Miss Hourston is Vice-Principal at the MacKay Centre for Deaf and Crippled Children. She spoke on the work being done for these children and the help that can be given so these children may look forward to a brighter future. Miss Hourston was thanked by Debbie Stewart.

At the close of the banquet, a short service was held, at which time Debbie Stewart presented with her white lanyard and became a Senior member. The evening closed with the singing of psalms.

U.C.W. — The U.C.W. meeting was held on Wednesday, May 17th, instead of the regular meeting, the members attended the weekly ladies' meeting at the new Montreal City Mission. They were welcomed by Mrs. D. Russell, deaconess and full time worker at the Mission. The guest speaker for the evening was a dietician from Standard Brands, who gave an illustrated talk on Bread and the Balanced Diet. This was a most interesting subject and enjoyed by all. Refreshments, provided by Standard Brands, were then served. At the close of the meeting, the ladies had a chance to chat with some of the members of the Mission group. Then Mrs. Russell took the Valleyfield group on a tour of the building. It is a lovely building and includes a chapel, a library, Christian Education rooms, a well equipped kitchen, smaller meeting rooms, offices and many rooms where the good used clothing and foodstuffs they receive, are stored.

This was a most enlightening evening and enabled the ladies to see the great needs in the Inner City.

On Saturday evening, May 20th, a large number of people gathered in the United Church Hall for an illustrated talk on Brazil. Rev. Richard DeLorme has recently returned from a month vacation in Brazil and he gave his impressions of some of the conditions both in the city and in the interior. He showed some slides of Rio de Janeiro and some of the missions around Sao Paulo. He had many pictures of the slums and the natives which showed the extreme poverty in many areas. During the evening the ladies served coffee and doughnuts in the lower hall. At the close of the evening, a collection was taken to give some help to these Mission Fields in Brazil.

The Ormstown Canadian Legion March of Dimes Week is from May 28 to June 3. All householders are asked to give generously to this worthy cause. Usually the campaign is carried on in January of each year, but it was felt that the Spring days would be more favourable to collectors and donors.

Dinner was served to a full hall with Rev. Bodkin asking the blessing. Mrs. Olive Goodall addressed Mr. Hooker on behalf of the ladies of the church mentioning the excellent work done by both Mr. and Mrs. Hooker during the past. Mr. Alvin Gruer spoke on behalf of the Elders and congregation. Mr. Merrill Tannahill and Mrs. Angus McNaughton also spoke a few words of appreciation. A travelling clock and luggage was presented to Mr. Hooker as a gift from his many friends and fellow Presbyterians. It is with deep regret that the congregation must accept the resignation of one who has given so much to his church.

Mr. Jack Johnson was visiting friends in Toronto on the holiday week-end. Victoria day guests of Mr. and Mrs. Alan Hooker included Mr. and Mrs. David Kee

Liturgie - Selon la Bible "Dieu modela l'homme avec la glaise du sol et souffla dans ses narines une haleine de vie et l'homme devint un être vivant" (Gen. II). Et le livre saint ajoute: "Dieu bénit l'homme et la femme et leur dit: Soyez féconds, multipliez, emplissez la terre et soumettez-la; dominez sur les poissons de la mer, les oiseaux du ciel et tous les animaux qui rampent sur la terre" (Gen. I) L'homme est co-créateur responsable du progrès du monde. C'est pourquoi, en pensant à cette preuve de confiance et d'amour du Seigneur, nous chantons avec la liturgie de ce jour: "O Seigneur, notre Dieu, qu'il est grand ton nom par tout l'univers. A peine fis-tu l'homme moindre qu'un Dieu, le couronnant de gloire et de splendeur; tu l'établis sur l'oeuvre de tes mains, tout fut mis pour toi sous ses pieds."

Liturgie - In today's Epistle, St. John tells us that we must lay down our lives for our brothers. It's not such a startling demand as it first seems. For example, husbands and wives who daily give of their energy and wishes in order to make life more pleasant for their partner are already "laying down their lives" for each other. As parents, they lay down their lives for their children by their own daily dedication. The conscientious worker lays down some measure of this life each day by loyal effort on behalf of his employer. And the employer lays down some part of his life by conscious effort to better the lot of his employees. Any act of kindness that costs us a little effort is to that extent a laying down of our life for another. Our kindness can often be expressed with words and this is invaluable.

Jeunesse en vedette

D'ici quelques jours, des milliers et des milliers de personnes sauront qu'à quarante-cinq milles ou à peu près de la métropole du Canada, il est une petite ville perdue sur les cartes géographiques, qui se nomme Huntingdon. Cette publicité proviendra du fait que nos jeunes seront en vedette en deux endroits stratégiques, soit l'Expo, Place des Nations pour Les Étoiles de Notre-Dame et La Tour de la Paix à Ottawa et aussi Hull pour Les Petits Chanteurs de la Paix. (Lire articles s'y rapportant).

Bravo, les jeunes qui sacrifiez vos heures de loisirs pour vous cultiver et faire partie de groupes tels ceux-là qui sont un honneur pour tous vos concitoyens.

Les tout-petits

Samedi soir dernier, les jeunes qui fréquentent la classe maternelle à l'École Notre-Dame, donnaient leur concert annuel. Leurs parents et amis étaient venus les entendre et les ont applaudis chaleureusement.

Fillettes et garçons, français et anglais, d'environ 5 ans ont fait valoir leurs talents. Dans un programme varié qui présentait des danses, chants, monologues, chacun a prouvé que cette année pré-scolaire est un avantage pour les tout-petits. Il était évident que la responsable, Mlle Legault a dû beaucoup

se démenner pour arriver à de tels résultats. Une dame présente vous donne dans une autre colonne un compte-rendu et ses impressions de la soirée.

Les fermiers en retard dans leurs travaux

La température pluvieuse des dernières semaines a eu pour effet de retarder considérablement les semences. Les fermiers ne peuvent travailler la terre détrempée par la pluie abondante car leurs instruments agricoles enfoncent dans la surface trop molle.

Savez-vous que

Mercredi dernier, la Ville de Montréal célébrait le 325e anniversaire de sa fondation? Des cérémonies spéciales ont marqué l'événement dans la métropole, spécialement devant le monument du fondateur, Maisonneuve.

A la Banque de Montréal

Les usagers de la succursale locale de la Banque de Montréal seront sans doute heureux du changement que nous avons remarqué samedi. De nouvelles portes toutes en vitre ont été installées et seront sans doute plus faciles à ouvrir et fermer, ce qui sera fort apprécié.

M. Paul O. Trépanier invité à l'assemblée d'organisation de l'association P.C. locale

M. Paul O. Trépanier, maire de Granby et président de l'Aile québécoise de l'Association Progressiste-conservatrice, sera à Valleyfield mardi, le 30 mai, à l'occasion d'une assemblée d'organisation de l'association locale à l'échelle du comté.

C'est ce que nous annonçons en fin de semaine M. Armand Miron, qui a été récemment nommé président du comité provisoire de l'Association de Beauharnois.

M. Paul O. Trépanier est le fils du Dr et de Mme Olivier Trépanier (née Lucienne Latulipe) nés tous deux à St-Anicet. Il connaît notre région pour l'avoir visitée à plusieurs reprises.

M. Trépanier profitera de sa présence devant les militants conservateurs pour expliquer le rôle et l'importance d'une association nationale qui permettra à chaque aile provinciale de pouvoir agir dans les cadres d'une autonomie qui respectera les aspirations de chaque province.

M. Miron a également annoncé que Mme Gertrude Lessard, de Montréal, présidente provinciale de l'Association féminine conservatrice, sera aussi à Valleyfield

gens honnêtes s'est produit lundi. Une jeune fille qui avait perdu un montre de valeur et en était bien désolée était tout heureuse de l'avoir retrouvée après quelques heures seulement. La personne qui l'avait trouvée sur la rue l'avait apportée au poste de police où elle n'a eu qu'à la récupérer. Qui qu'elle soit, cette personne mérite qu'on fasse mention de son honnêteté.

A l'Expo

C'est samedi prochain que les employés de la Huntingdon Woolen Mills se rendront à l'Expo en autobus. Tous les employés ayant reçu de leurs patrons une passe d'un jour sur la Terre des Hommes en profiteront pour passer une belle journée.

Assemblée des Dames de Sainte-Anne

L'assemblée mensuelle a eu lieu le 15 mai. Environ 15 membres étaient présentes. Les rapports de la secrétaire et de la trésorière furent lus et approuvés.

La Présidente remercia toutes les membres qui ont travaillé à préparer les aubes pour la Première Communion et la Confirmation et celles qui ont confectionné des blouses et tuniques pour les fillettes.

Une discussion s'engagea au sujet des articles qui seront mis en vente au kiosque le 1er juillet. Il fut décidé qu'on s'en tiendrait à des travaux à l'aiguille. Si des membres auraient été oubliés on leur demande de préparer quelque chose pour la vente; veuillez vous adresser à la présidente ou tout autre membre du Conseil pour plus de détails. On espère que tous les membres participeront car tous les profits seront versés au Comité du Centenaire. Tout ouvrage de couture, crochet, ou cadeaux seront appréciés. On vous dira à la prochaine assemblée où faire parvenir ces articles.

AVIS PUBLIC

est par les présentes donné que lundi, le 5ème jour de juin, 1967, de midi à deux heures, au bureau du Secrétaire-Trésorier, aura lieu la mise en candidature en vue de l'élection d'un commissaire au siège No. 5, et que le scrutin, s'il est nécessaire, aura lieu lundi le 12ème jour de juin 1967, à la Salle des Chevaliers de Colomb, rue Dalhousie, Huntingdon, Que.

Donné à Huntingdon, ce 22ème jour de mai, 1967.

Jean Brunet, sec-trés.

Parmi les délégués à la convention, le comté enverra trois hommes, une femme et un jeune de 35 ans et moins, pour respecter les dispositions de la charte de l'Association.

L'assemblée du 30 mai permettra également d'élire un nouvel exécutif de comté. Toutes les procédures d'élections seront alors expliquées par M. Claude Trudeau, du bureau central de Montréal.

Actuellement les destinées de l'association locale sont conduites par un comité provisoire que préside M. Armand Miron. Les autres membres sont MM. Josphat Demers et Paul Derpentigny, de Valleyfield, M. Florian Païement, maire de St-Timothée Village, et M. Florent Laberge de Ste-Martine.

Sont invités à l'assemblée les supports conservateurs des endroits suivants: Valleyfield, Beauharnois, Huntingdon, Maple Grove, Grande-Île, Paroisse Ste-Cécile, St-Stanislas de Kostka, St. Louis de Gonzague, St. Etienne de Beauharnois, Nitro, Notre-Dame du Sourire, St. Timothée Village, St. Timothée Paroisse, Howick, Ormstown, Ste-Martine, Primeauville, La-Berge, Riverfield, St. Antoine Sacrement, St. Paul, St. Anicet, Ste. Barbe, Dundee, Elgin, Franklin, Godmanchester, Hinchinbrook, St. Régis et Port Lewis.

Les principaux points à l'agenda de l'assemblée seront le choix de cinq délégués pour la convention nationale du parti qui se déroulera le 7-8-9 septembre à Toronto pour élire un chef du parti. A ce point, tout laisse indiquer que M. John Dieffenbacher décidera de se retirer pour laisser sa place aux aspirants à ce poste.

La semaine dernière, Messieurs les commissaires Laurier Nadeau, Léonard Grenon, Lawrence McCallum et Georges Lazure ont tenté de faire une mise-au-point par la voie de ce journal. Ils nous disaient: c'est vrai et c'est faux; nous, nous disons: c'est vrai ou c'est faux. Un ou l'autre, mais pas les deux en même temps. Alors rectifions:

1 - A propos de l'assemblée générale du 1er mai 1967, il n'y avait aucun item à l'agenda concernant le choix d'un principal; vous pouvez vérifier au bureau de M. le secrétaire.

2 - A la fin de l'assemblée, M. Doris Montpetit, après avoir obtenu le droit de parole à l'item "affaires nouvelles", de M. le Président, expliquait que lors de l'assemblée du 11 avril, il avait demandé aux commissaires des explications sur un télégramme très compliqué qui avait été lu au début de l'assemblée. Pour toute explication, M. le Président lui répondit que le télégramme avait été lu une fois et que c'était suffisant. M. Montpetit de poursuivre: "N'ayant pu obtenir plus d'explications de nos commissaires et voulant savoir la vérité, nous avons demandé à l'A.P.M. de déléguer M. Roch Dumouchel comme porte-parole au Ministère de l'Éducation à Québec. M. Montpetit demanda au Président de permettre à M. Dumouchel de lire un télégramme reçu du Ministère de l'Éducation, signé par M. mement dans la salle. Claude Lemire, secrétaire ad-

ministratif dudit Ministère et secrétaire particulier de M. Marcel Masse, Ministre d'Éducation. A cette demande M. Montpetit dut esquisser un refus; c'est alors que M. le Président suggéra aux commissaires de se retirer à huis clos pour prendre connaissance du télégramme, de l'étudier et de revenir donner leur décision au quel 200 personnes présentes. Tous les commissaires acceptèrent cette suggestion et ils se retirèrent pour le huis clos.

3 - Au lieu de s'informer si le télégramme était officiel et quelle était sa validité, au lieu de s'informer qui était M. Claude Lemire, nos quatre commissaires nommés plus haut, après avoir pris connaissance du télégramme, ont pris la peur et le mors aux dents et devant une décision sérieuse à prendre, ils ont démissionné tout simplement.

4 - On nous parle de charivari. Pendant le huis clos, un seul Monsieur est allé gentiment frapper à la porte de la classe où se trouvaient nos commissaires et a demandé poliment au président s'il lui permettait de lui adresser la parole. Ayant eu une réponse affirmative, le monsieur de manda au président s'ils avaient encore pour longtemps en huis clos. Après avoir eu une réponse de M. le Président, le monsieur remercia poliment et se retira. Pendant ce temps toutes les affaires en suspens attendaient l'Éducation, signé par M. mement dans la salle. Claude Lemire, secrétaire ad-

ministériel verballement et légalement et ils nous disent "CHOSE QUE NOUS SAVONS D'AILLEURS". Saviez-vous aussi Messieurs que vous aviez par ce geste, commis un acte illégal? Est-ce parce que vous le saviez que vous vous êtes empressés de consulter l'aviseur légal pour connaître la légalité de votre geste?

6 - Si les commissaires souhai-taient des spécifications strictes et précises du Ministère, comment se fait-il que, ayant pris connaissance du télégramme suivant,

Québec, le 1er mai 1967 Monsieur Roch Dumouchel Association des Parents Huntingdon Cher Monsieur,

Pour faire suite à votre visite à mes bureaux de Québec, j'ai le plaisir de vous informer que le bureau de la Certification des maîtres prépare actuellement le programme d'études que M. Talbot aura à compléter en vue de l'obtention de son brevet d'enseignement, classe "B", et une lettre explicative qui accompagnera le programme et sera adressée à Sœur Marie-Georges-Henri, principale de l'École normale Salaberry-de-Valleyfield.

De plus, le Service de l'Enseignement élémentaire de la direction générale de l'Enseignement élémentaire et secondaire ne voit en principe aucune objection au réengagement de Monsieur Henry Talbot comme principal d'école à la Commission scolaire de Huntingdon, si ce dernier s'inscrit à l'École normale, qu'il est accepté et qu'il poursuit durant la prochaine année des cours pouvant le conduire à l'obtention de son brevet "B". Si ce n'est déjà fait, il s'agira pour la Commission scolaire de Huntingdon de passer une résolution à l'effet de réengager le précité et d'en faire parvenir copie à qui de droit, soit le directeur de l'Enseignement primaire, Monsieur Gérard Baril.

qu'on ont-ils classé M. Lemire comme une tierce personne au Ministère de l'Éducation?

7 - Si nous avons élu des commissaires en qui nous voulions avoir confiance, nous nous demandons, Messieurs, de bien vouloir agir de façon à mériter cette confiance. Comment? nous direz-vous. Eh! bien, tout simplement en nous disant toute la vérité au lieu de jouer à cette affreuse cachette qui est rendue vraiment inquiétante. Pourquoi tant de secrets au sein de notre Commission Scolaire? Nous avons droit de savoir, nous sommes les contribuables et vous semblez vous en moquer. C'est notre argent que vous administrez Messieurs et il est plus grave c'est que le sort de nos enfants est entre vos mains. Vous avez démissionné illégalement et ce, en disant que vous le saviez, si vous ne pouvez nous dire la vérité sur toute cette histoire, serait-ce parce que vous auriez commis un autre acte illégal? Plusieurs contribuables se posent la question.

Déclaration de l'A.P.M. (Primaire)

A la suite de l'article publié dans le Gleaner de la semaine dernière et signé par quatre commissaires qui ont démissionné le 1er mai, nous désirons informer les parents qu'au cours d'une assemblée spéciale de l'exécutif de notre association, tenue le 18 avril 1967, M. Roch Dumouchel, délégué, a été nommé, officiellement, porte-parole de l'A.P.M. au Ministère de l'Éducation dans le but de vérifier la véracité des déclarations de la commission scolaire qui nous affirmait que toutes les démarches possibles et légales avaient été faites pour garder en fonction notre principal M. Henry Talbot.

Quatrième concert annuel des Petits Chanteurs de la Paix samedi, le 27 mai
Chose certaine, vous ne serez pas déçus. De plus, quatre artistes invités que plusieurs connaissent déjà puisqu'ils sont déjà venus en plusieurs occasions, se feront entendre. C'est donc une soirée à ne pas manquer.
Mardi prochain, le même groupe se rendra à Ottawa pour chanter devant la Tour de la Paix, sur invitation de la Commission du Centenaire. Ils donneront deux représenta- tions à cet endroit. Mercredi, le groupe se rendra à Hull dans l'avant-midi où ils donneront un autre concert pour revenir à Ottawa et s'exécuter de nouveau à l'endroit précité.
A tous ceux qui font partie de l'organisation, nous souhaitons tout le succès qu'ils méritent et sommes assurés qu'ils feront une fois de plus honneur à leur milieu.

Récital des élèves de la Maternelle, un succès
Samedi soir, le 20 mai, à 8 heures avait lieu la soirée des enfants de la Maternelle de 1967 dans le gymnase de l'école Notre-Dame.
Voici un court aperçu du programme de la soirée. L'animatrice, une élève de la Maternelle 65-66, vêtue d'une robe longue et les cheveux retenus par une petite couronne s'est très bien acquittée de sa tâche. Le groupe formé de 50 élèves présenta 38 numéros très intéressants et bien adaptés à leur âge.
Nous avons entendu par le groupe:
Le Petit Coupeur de Pailles, Sing a Song of Sixpence, Twinkle, Twinkle Little Star. Il était un petit navire. Ainsi font, font, font.
Nous avons aussi visité la Chine par Chin-Chin-Chin, Sur les bords de la Tamise et un poème "J'ai vu la Chine".
Suivirent 17 monologues, 7 morceaux de rythmiques et 2 danses carrées. Pour ces danses, les filles étaient vêtues de jupes ornées de fleurs et de étoiles. Les garçons portaient des chapeaux appa- reillés aux jupes.
Comme numéro-surprise 3 élèves de l'an dernier ont bien joué leur rôle dans une scène de "Sylvie veut se marier!".
Pour clore en beauté, l'insti- tutrice et ses élèves nous ont salués en Indien dans l'Ani-Couni. Mme Micheline La-

Lettre à l'éditeur
Le 22 mai, 1967.
Precisions à "Taxpayer"
Pour la première partie de votre lettre à l'éditeur, je suis partiellement de votre avis lorsque vous faites les éloges de M. Saumier. C'est vrai, M. Saumier a donné de nombreuses heures de travail à la Commission Scolaire; c'est vrai, M. Saumier, pendant 24 ans, a donné son temps à l'embriion d'éducation que nos enfants reçoivent et reçoivent encore.
Vous mentionnez un certain groupe faisant de l'obstruction, etc. Une question: N'y a-t-il parmi ce groupe, des gens ayant participé à la demande de cette médaille honorifique (pour les 25 années de services rendus), qui fut remise à M. Saumier? Prenez donc vos informations à de bonnes sources. Mais, je suis d'accord avec vous. Bravo M. Saumier.
La deuxième partie concerne M. Crête. Il est très regrettable qu'une erreur de jugement ait amené la démission de celui-ci. Quant à ce que vous nommez une question sans réponse, il ne nous appartient pas de la porter au public. Sauf l'intérêté lui-même, s'il le juge opportun. A vous aussi, M. Crête, merci pour le travail accompli. N'eût été cette lamentable histoire, avec l'expérience vous auriez certainement fait du bon travail en collaborant plus étroitement que vous ne l'avez fait.
Lorsque vous parlez de l'A.P.M., sûrement vous n'assistez pas aux réunions, car, la gomme à mâcher, les bonbons, les liqueurs, etc. etc. furent seulement un item à l'ordre du jour d'une assemblée; c'est loin d'une année. Par contre, d'autres réunions furent des plus intéressantes: Forum, Films, conférences de talents sur divers sujets, etc. etc. Il est peut-être vrai, que nous ne sommes pas aussi pleins de talents que vous, M. Taxpayer, mais les moyens employés se perfectionnent
scénettes furent très bien interprétés par les élèves.
Félicitations à tous.

Nous voici arrivés au Com-
ité de Vigilance. Là, M. Tax-
payer vous n'êtes plus au
courant; là, vos informations
sont défectives. Nous allons es-
sayer de faire une récapitula-
tion rapide du travail de ce
comité. Je suis encore d'ac-
cord avec vous, que le choix
du terrain n'est pas adéquat à
cette construction; mais pour
cette raison, devrait-on se pas-
ser d'école? Non monsieur,
nous en avons ni le droit, ni
le pouvoir. Mais si mes ren-

ceux d'entre nous ont décidé
de ne pas le blâmer, de se
joindre à votre Commission
Scolaire. Lors de la défection
de cette minorité, les plans
de l'école étaient presque a-
chevés. N'eût été cette sépara-
tion, notre école serait termi-
née. Il fut nécessaire de re-
faire une étude complète de
la construction. Comme M.
Saumier, comme M. Crête,
comme les commissaires ac-
tuels, et M. Grenon en sait
aussi quelque chose, les mem-
bres de ce comité ont donné
beaucoup de leur temps et
certains même de leur argent

Peut-être, si nous avions eu votre expérience, M. Tax-
payer, notre école serait plus avancée, mais nous sommes modestes, nous considérons que le peu que nous avons fait a suffi à faire sortir du passé où elle était enlisée cette énorme et monstrueuse machine que sont les services administratifs.
Pour quelqu'un ne faisant pas partie de nos A.P.M., du moins je le suppose, car peut-être vous n'êtes pas de culture anglaise, il ne vous vient pas de critiquer, encore moins de vous poser en in-
quisiteur sur nos faits et gestes. Si vous voulez accuser, ou de-
mander des précisions, ayez au moins la décence, si vous n'en avez le courage de signer vos lettres et ne pas vous ca-
cher derrière un pseudonyme de "Taxpayer". D'ailleurs, si vous êtes protestant, et c'est votre droit le plus absolu, n'oubliez pas que vos taxes vont à votre commission scolaire, donc comme on dit: mêlez-vous de vos affaires et nous des nôtres, nous n'en demeurons pas moins des Cana-
diens au sens propre du mot, à part égale.
Il fut nécessaire aux mem-
bres de ce comité de travailler sans relâche, sans éclat pour que les intrigues, aussi

qu'on peut avoir un pneu 4 plis de qualité supérieure pour quelques dollars de plus seulement que le prix des pneus livrés avec les voitures neuves?

Parfaitement. Quelques dollars de plus seulement pour bénéficier de la sécurité, du rendement et de l'élégance des pneus de qualité supérieure. Pas étonnant que le Premium '500' de Firestone soit le pneu de qualité supérieure qui se vende le plus au Canada.
Et pas étonnant non plus qu'on l'appelle le '500'. En effet, ce pneu remarquable a été mis au point grâce à l'expérience acquise en fabriquant des pneus pour la célèbre course des 500 milles d'Indianapolis. Depuis 43 ans, la grande épreuve d'Indianapolis a été remportée sur pneus Firestone, sans manquer une seule année. De plus, l'an dernier, toutes les voitures gagnantes des plus importantes compétitions canadiennes étaient équipées de pneus Firestone. Sans parler des grandes épreuves internationales. La fabrication de ces pneus de course nous a appris à rendre les pneus de votre voiture encore plus sûrs et plus durables, avec la carcasse 4 plis la plus robuste qui existe actuellement. Le Premium '500' de Firestone a été éprouvé à plus de 100 milles à l'heure pour votre sécurité aux vitesses routières. N'est-ce pas cette sécurité que vous exigez pour votre famille?

GRADUATION EXERCISES AND DANCE HELD AT HOWICK HS

A Centennial event of special interest to the 1967 graduating class of Howick High School, was held on Friday night, May 12th, which marked also the close of an educational era in Quebec Province. It was feared that the present Grade XI class might be forgotten in the Regional School rush, so the customary graduation exercises and dance were held before the final examinations.

Each student received a certificate that was inscribed as follows: Centennial Souvenir - Howick High School, Howick, Que. Graduation Certificate awarded to a member of the graduation class at the school, Date May 12th, 1967. Signed: Merrill Tannahill, Chairman of the School Board, John Murray, Principal.

The gathering was held in the gymnasium, which once again had been transformed by Lawrence Gruer assisted by students from Grades IX and X. A Centennial theme was used, Cutouts, artistically arranged, depicted the old and the new from 1867-1967. Provincial emblems were placed across the back wall. A pink, drop ceiling and candy-striped effect in pink and white on the stage, with bouquets of balloons in similar shades gave a beautiful effect, and added much to the success of the evening.

The graduating class, members of the school board, staff and clergy, entered the auditorium from the rear, and walked up the wide centre aisle to the stage. The young ladies were charming in long, white empire line gowns, and the young men equally handsome in their best style.

Vice-Principal Horace Gardner presided and introduced the program. Following O'Canada, and the Prayer of Invocation by the Rev. William M. Brown, there was a report by Mr. Merrill Tannahill, Chairman of the Board.

The special speaker was Mr. John Murray, Principal of the school, who explained why this annual occasion had been changed to an earlier date. It had been a turbulent year for teachers, also the school boards and Secretary-Treasurer as so many meetings were held concerning the new school system, Bill 25 and other important matters. He lauded Mrs. Wallace Gruer, Secretary of the school, for her loyalty, discretion and ability to cope with a mountain of difficulties.

He declared that after many years of experience he had learned that each class has its own particular character, which is, we suppose, a melding of all their individual characteristics, which he outlined so amusingly but kindly. The parents of the community were commended for what they have done to bring their children through the difficult teenage years. The school is a link between the home and the church. Training they receive there goes into action at school as they learn to work in small groups - a prelude to what will come later in life but on a larger scale.

The school protects, guides and instructs these young people who are no yet adults but in the process of learning. They were urged to hold fast to their idealism. If there was lack of communication between the young and old, it was possible sometimes that the old could be at fault. It was a message from the "Love Thy Neighbor" we must truly live that way.

The young people were thanked for the contribution they had made to the life of the school.

Sherrill Carson, graduating student, sang sweetly the song "My Unreachable Star," accompanied by Mrs. Russell Stewart.

The President's report given by Shirley Whyte, touched on all the activities of the Student Council during the past year. Jill Mattinson read an amusing Class Will, and a fine Vaudeviety was given by Frank Reddick.

Presentations were made next, Shirley Whyte received the president's pin from Mr. H. Gardner, best girl athlete trophy to Shirley Whyte from Mr. D. Stuckey, best boy athlete trophy to John Gillies from Robert E. Ness. Mr. M. Tannahill presented the souvenir certificates.

The closing prayer by Mr. William Hudson, was followed by God Save the Queen and the graduating class and dignitaries left the stage again by the centre aisle.

The gymnasium was filled for these ceremonies, and those who remained for the dance were joined by many more. Judging from comments heard, it was a wonderful dance. Frank Modder's Music was great and the floor was thronged with happy dancers of all ages who really enjoyed the evening.

Mary Brown convened the lunch, served in the cafeteria, which had been decorated in pink and blue using the Centennial theme. Families in the High School prepared the delicious sandwiches and squares served with coffee and punch.

When the dance was over at the school the graduating students parted at Dorothy Reddick's home, then on to Jill Mattinson's and Shirley Whyte's before breakfasting at Chez Paul, Ste. Martine.

The names of the graduating class are: Dorothy Angell, Alvin Barrington, Wendy Brown, Sherrill Carson, Bobby Cole, George Elvidge, Melvin Foucher, John Gillies, Gloria Goundrey, Jill Mattinson, Alan McKell, Austin McKell, Andy Ness, Dorothy Reddick, Frank Reddick, Patsy Stonehouse, Sharon Tillotson, Shirley Whyte, and Harry Younie.

Howick High School News

Graduation

This past week, has been a busy yet enjoyable week for Howick High School. Since next year will find H.H.S. included in the regional school it was decided to honour the last graduating class of Howick on May 12th.

Prior to the graduation dance short exercises took place. Two awards were presented to the Best Girl Athlete - Shirley Whyte and the Best Boy Athlete - John Gillies.

After the exercises were over, the gym was transported into the theme "Rendez-vous 1867". This theme showed scenes of yesteryear 1867 to the present 1967. The walls were adorned with interesting and colourful scenes - a pink false ceiling added the final touch. Laurie Gruer was the chairman of this hard-working and artistic committee.

The guests enjoyed a fine buffet luncheon in the cafeteria. This enjoyable event was due to the fine arrangement of Mary Brown's food committee and to two teachers, Mrs. E. Lamb and Mrs. H. Robertson, who always are willing to give an extra helping hand whenever they are needed. Lynn McArthur also was a great asset in heading the social committee. The music was supplied by Frank Modder.

Track and Field
Saturday, May 13, a group of student athletes journeyed to Valleyfield to participate in the annual C.V.T.A. Track and Field championships - in this case for categories III, IV, and V. Although Howick does not generally excel in track and field, some members of the team distinguished themselves and brought back ribbons. Debbie Champ placed first in high jump, first in shot put, second in triple jump, and third in discus. Peter Stuckey scored first in high jump, first in discus, third in broad jump. Harry Younie placed first in javelin and third in shot put. Wayne Barrington got Howick off to a good start by sprinting to an impressive victory in the Class III, 400 yards. Other ribbon winners were Debbie Brown, Jeanie Murray, and Leonard Elvidge. The Class III Girl's Relay Team of Judy Gagnon, Ann Gagnon, Maureen McCartney, and Jeanie Murray placed second after a splendid effort by all four runners.

Hemmingford

Hemmingford Women's Institute

The regular meeting of Hemmingford W.I. was held at the High School on May 3rd. The 21 members present and guest, Mrs. V. Ellerton, were welcomed by President Mrs. J. Robertson. Mrs. Robertson brought to the attention of the members the fact that the Salvation Truck pick-up would be on the 10th (a W.I. sponsored project) our tour to the Dow Planetarium on May 11th, under the direction of Mrs. F. Greer, and the participation of Barry Palmer, a student of Grade XI, in the Rotary Club Public Speaking Finals, Provincial, on May 16th. It was reported that 8 large boxes of good used clothing had been delivered to the Douglas Memorial Hospital, and 1 box of shirts to the Cancer Society.

Mrs. H. McAdam, Convenor of Agriculture, introduced our guest speaker, Mr. Norris Sample, and referred to old

W.I. ties, in 1956 he won our school Bursary before going to Macdonald College, as well as an award for Public Speaking. Mr. Sample, who is President of the Chateauguy Valley section, spoke on the activities of the Quebec South-west Protestant Settlement Society. Catholic farmers have a similar society, both are sponsored pro rata by the Provincial Government. He outlined the history of his society since 1935 - the first object of the group was to resettle jobless people from the cities to the farm. Now the society has four main districts, Montreal, Eastern Townships, Arundel and the Chateauguy Valley; urban people are welcomed as members. Their purpose today is to encourage people living in the country to organize and work together for the good of the community - to speak with one voice. One accomplishment has been to ensure that each rural mailbox has the owner's name printed on it.

and individual efforts to beautify homes by collectively purchasing large amounts of paint and selling to members. The lack of junior farmer exhibits at local Agricultural Fairs has been noted, and positive steps have been taken this year to encourage younger entrants, e.g. special prizes. Mr. Sample stated that cost of housing and clothing is up, but that consumer food prices declined. There are definite changes in fashion in food and he urged us to visit Expo and see for ourselves the new food which will be available in the near future. The hope of the Q.S.W. Protestant Settlement Society is to familiarize the consumer with all farm products and all their uses; to open up direct lines of communications between consumer and farm producer; to promote food products most suitable for each area; and to give up-to-date advice on world shortages of different foods. There are approximately 60 members in Chateauguy Valley who are dedicated to investigate all phases of enterprises which could be accommodated to this area, as well as to encourage young people to remain on farms, making a successful livelihood. Mr. Norris informed us his Society meets four times a year, and that advance notices are given to all churches prior to these meetings.

After Mr. Sample completed his talk, our meeting continued. More poetry which had been submitted for W.I. competitions was read, written by Mrs. D. Laurie and Mrs. D. Woolley. Various members reported worthwhile projects at Roll call in answer to 'An Outdoor Tip to Keep Canada Clean', and a committee was appointed to investigate solutions for some local problems.

Mrs. Kenneth Campbell, Mrs. Calvin Edgerton and Mrs. George Marlin were the hostesses who provided our delicious refreshments.

And he must retain your confidence if he is to stay in business. That is why you get an honest dollar's worth when you spend locally. Continued satisfaction to his customers is the goal of every hometown merchant because he can only continue to serve you by offering all the finest merchandise superior and reasonable prices. You are ahead ALL WAYS and ALWAYS when you shop in your home community.
