LACHINE.

(Incorporated in 1872.)

A town on the River St Lawrence and Island of Montreal, parish of St Michel, seigniory of Montreal Island, county of Jacques Cartier, district of Montreal. It is the summer residence of many Montrealers, and has become famous by its annual regattas. In the winter months it is greatly frequented by pleasure parties, and at all times of the year a drive from Montreal to Lachine by the Upper, and in by the Lower road, is considered a rich treat to the stranger, and even to the citizen of Montreal. Lachine possesses a large brewery, and an extensive sawmill; has a good local business and extensive lumber trade. The Montreal, Lachine and Province Line railway here connects with a steam ferry, at all seasons of the year, for Caughnawaga, an Indian village immediately opposite, and thence by the continuation of the same road to New York. A ship canal connects the navigable waters at Montreal with Lake St Louis at Lachine. Great North Western Telegraph Co. have offices here. Distant from Montreal 9 miles, fare 40c., 25c., and 12c. Mail twice a day. Population about 3,500.

LAPRAIRIE.

An extensive municipal village and parish on the south shore of the River St. Lawrence, between the Lachine rapids and Victoria bridge, district of Montreal, seignior and county of the same name. Incorporated March 30, 1846. The parish was erected in the year 1722. A market is open every day. An aqueduct is being constructed. The first railway in British North America was constructed from here to St. Johns in 1836. It was first worked with horses, afterwards by steam, but was discontinued, and the rails taken up a number of years ago. A steamboat maintains regular communication between Montreal and Laprairie. A branch of the Grand Trunk Railway, starting at St. Martine, in the county of Chateauguay, to reach the Victoria bridge, now

runs in close proximity to the village, with a good station and depot, and contributes materially to the future development of the locality. Great North Western Telegraph Co. has an office here. Distant from Montreal 9 miles, fare 15 cts.; from St. Johns 18 miles. Mail daily. Population of village 1,500; of parish 3,200.

TOWN OF ST. HENRY.

(Incorporated in 1876.)

An incorporated town, adjoining the City limits of Montreal, and formed by the amalga-
 mation of the former villages of Tannery
 West and Coteau St. Augustin. The
 Town of St. Henry is situated in the
 seigniory of Montreal, county of Hochelaga
 and district of Montreal. The Lachine canal
 passes on the south side, and signal stations
 of the Grand Trunk Railway are situated here
 at the junctions where the roads branch off
 east and west, and to Montreal and Lachine.
 The Grand Trunk Railway Co., with the

aid of the Council of the Town, has erected a splendid station, at the curve, near the St. Joseph street bridge. The municipality of St. Henry is governed by a Mayor and Corporation, and a separate permanent Fire and Police force is maintained. The town contains a new Roman Catholic college and coavent, church and presbytery, and several important industries, amongst others two extensive tanneries, boot and shoe factories, brick yards, the C. W. Williams Manufacturing Co., employing 600 hands, a cotton manufacturing Co., one of the finest in the Dominion, and a public Abattoir and stock yard Co., &c., &c. Building is being prosecuted briskly, and the town bids fair to rise into some importance, having Fire and Police system of alarm telegraph, and is now erecting a fine Town Hall and Fire and Police Station, at the cost of \$20,000. The town is now lighted by gas and oil lamps. Distance from Bonaventure depot 2½ miles, from Lachine 6 miles. Population about 9,000.
