

Attempts Made To Derail Trains In Operation In England

GREAT BRITAIN MAKING HEADWAY IN BATTLE WITH THE STRIKERS

It was Announced By the Officials that the Railway Service is Daily Being Improved and that the Distribution of Food is Proceeding Very Satisfactorily—Offers of Volunteer Help are Overwhelming, it is Stated—Several Attempts Have Been Made By Strike Sympathizers to Derail Trains, But No Serious Accidents Have Been as Yet Reported.

(Associated Press Despatch)

LONDON, Sept. 30.—Great Britain is making headway in dealing with the national strike of her railway men, the Government reported today. The official communique from Downing Street at noon announced that the railway service was improving, more trains running than called for under the schedules prepared by the companies yesterday. This was in line with forecasts that betterment of conditions in this respect might be expected today. Attempts to derail trains, which occurred yesterday for the first time since the beginning of the strike, were referred to by the Downing Street statement, as some minor acts of sabotage.

These, it was explained, caused no loss of life, and the necessary steps had been taken to deal with this phase of the situation.

Meanwhile the distribution of food is proceeding satisfactorily, the authorities announce, due largely "to the admirable spirit and efficient work of volunteers." The offers of voluntary service, it is declared, are "overwhelming."

The Government announced this morning that live stock that had been abandoned in transit by the strikers and the horses belonging to the railroad companies that had been left without attendance were being cared for by the authorities.

The Commissioner of Police has issued an appeal for all male citizens under forty for special police. J. H. Thomas, leader of the railway strikers, in an interview last night stated that unless the newspapers change their attitude towards the railway strikers, the newspaper compositors would strike.

STEEL STRIKERS AND EMPLOYERS ARE BOTH CLAIMING VICTORIES

NEW YORK, September 30.—The Associated Press issues the following:

Results of the great offensive a full counter-offensive scheduled to usher in the second week of the steel strike, by means of which both capital and labor hoped to break the deadlock, developed after the first few days, last night remained in doubt.

In the Pittsburgh and Chicago sectors—the strategic points of the industrial front—both sides made determined efforts to push forward, one with the hope of resuming full operation, the other of crushing more plants. The chief struggle, however, was waged for control in the mills of the Bethlehem Steel Company, whose 40,000 employees had been commanded by union leaders to join the ranks of the strikers.

TROOPS ARRIVE AT OMAHA TO KEEP ORDER

Negro Pushed Into Hands of Mob—Sheriff Puts Up a Brave Fight.

OMAHA, Neb., Sept. 30.—With Eight hundred troops from Forts Omaha and Crook, Neb., and Camp Dodge, Iowa, on riot duty, Omaha officials were confident there would be no further outbreak of the race rioting which resulted in the death of two persons, injuries to several scores others, an attempt to lynch Mayor E. P. Smith, and partial destruction by fire of the county court house. The troops have machine-guns ready to put into use, if necessary.

The city was quiet throughout yesterday, soldiers patrolling the streets to prevent the congregation on street corners of groups of persons.

Late yesterday information from Ford Hospital was to the effect that physicians attending Mayor Smith have slight fear of complications setting in.

Sheriff M. L. Clark, who had charge of about 100 prisoners at the county jail on an upper floor of the court house building, tonight told of how he attempted to prevent members of the mob which forced its way into the building from getting possession of Brown.

When the heat from the burning building became intense the prisoners were taken to the roof for safety. While on the top of the building the crowds in the streets below were shouting requests for the wanted negro. Other negro prisoners attempted to throw Brown from the building, but were prevented from doing so by the sheriff and his deputies. Shots were being fired by the mob in the street toward the top of the building where the prisoners were.

EUGENE BRULOTTE, OF NORTH HAM, TRIED TO KILL GIRL WHO TURNED DOWN HIS PROPOSAL OF MARRIAGE

Evidence in Preliminary Hearing Results in Commitment, While Speedy Trial Ends in Condemnation—Clara Tremblay, Fifteen Years Old, Tells Dramatic Story of Near Tragedy—Sentence Will Be Given on Saturday Next.

"YOU may tell your parents good-bye. Unless you marry me, this is your last day on earth!" Such, according to sensational evidence given yesterday in the Magistrate's Court, in the attempted murder charge laid against Eugene Brulotte, of North Ham, were the words spoken by the accused, just before he drew a dagger from his pocket and plunged it into the breast of Clara Tremblay, fifteen-year-old girl, who, it was alleged, had turned down his advances and proposal of marriage.

Slowly, and with telling effect, the details of the dramatic little romance were knitted together, weaving gradually a web of evidence about the man. Finally the little story was told, and overcome with emotion, Brulotte broke down and wept, as Judge Mulvena committed him for trial, and a speedy trial being asked for, found him guilty and remanded him for sentence.

The little tale, though dramatic in the extreme, was one which has often been enacted before, and the little group of Court officials and spectators, gathered around the Court room, felt strangely as though they were looking upon some little drama on a mimic stage.

The first to testify was little Clara Tremblay, who told her story bravely at first, but breaking under the strain, the last details were related amid a storm of tears.

She had lived, for fifteen years, with her parents and sister, on their farm, near North Ham, where her father had tilled the soil, her mother had cooked and conducted all the multitude of household duties, while she and her little sister had "helped around."

REFUSED HIS PROPOSALS.

One day, some weeks ago, Eugene Brulotte, who was some years older than she, had come to the house. From that time on, he had paid her more and more attention, until one day, he asked her to marry him. She had refused his advances, and she refused his proposal.

Nothing taken aback, however, Brulotte merely became more insistent, and on Saturday evening, September twentieth, had come to her home, again asking her to marry him. Again she refused, and declined to stay with him, saying that she was going to church.

"Don't you even want me around you?" Brulotte asked.

"I want you to behave yourself and be decent," the girl had replied.

Next morning, however, Brulotte had returned, evidently under the influence of liquor, but capable of knowing what he was doing, according to the girl. He had asked her to marry him, and when she refused, had asked her to come upstairs with him, saying that he wanted to talk with her. She had declined to do this, saying that she was going to church, when Brulotte again asked her to stay with him instead.

"You will never go to church again," Brulotte is then supposed to have said, "You may tell your parents good-bye. Unless you marry me, this is your last day on earth!"

"Look out," there said Miss Tremblay's little sister, who had seen Brulotte draw something from his pocket. Just in time to protect herself, Miss Tremblay heard warning, and threw up her arms, Brulotte stabbed her

Newspaper Extra Containing A Message To Eastern Townships People May Be Rushed To Associated Boards Of Trade Meeting By Aeroplane.

A Novel and interesting incident will take place in connection with the Eastern Townships Associated Boards of Trade meeting at North Hatley on Thursday of this week, when special messages to the people of the Eastern Townships from prominent Canadians will be published in newspaper extras at Sherbrooke and rushed to point of delivery at North Hatley.

If flying weather prevails, the delivery will be made by aeroplane. The machine owned by Lieut. Frank McCrea and Lieut. Lee McKay is now at North Hatley. If circumstances permit, the plan is for the aeroplane to take on the papers at Sherbrooke at a few minutes before noon and convey them to North Hatley for delivery at the convention at noon sharp. If the aeroplane delivery is not possible, the editions will be taken up by motor.

Sir Lomer Gouin, Premier of Quebec, Sir Henry Drayton, Minister of Finance, Senator Geo. G. Foster, K. C., and others will speak to the Eastern Townships through these newspaper extras.

If the aeroplane delivery is carried out as planned, it will probably be the first time in Canada where newspaper extras have been published and rushed to point of delivery by the aerial route.

AN APOLOGY IS DEMANDED BY U.S. COMMANDER

Investigation into Arrest of Two American Soldiers and Flogging of One is Started.

(Associated Press Despatch) VLADIVOSTOK, Sept. 30.—Major-General Graves, commander of the American forces in Siberia, has demanded an apology from General Rozanoff, in command of Russian troops in Primorsk province, for the arrest of two Americans, Capt. L. P. Johns and Corporal Benjamin Spelling, and the flogging of the latter by Cossacks commanded by General Kalmikoff. An investigation of the conduct of a Japanese officer at Iman, the place where the arrests took place, has also been begun by the Japanese High Command. The incident, which occurred on Sept. 5th, is considered one of the most serious to occur since the Allies landed in Siberia.

A preliminary investigation of the incident, shows, it is said, that Spelling was flogged, a punishment that is usually meted out to a recalcitrant Cossack. General Kalmikoff, who is considered by Americans here as a "Siberian Villa," has with his band, been a constant source of trouble. It is charged that his raids have been marked by cruelties and atrocities.

CITY COUNCIL AGAIN TOOK UP LONG LIST OF PROTESTS AGAINST VALUATION ROLL LAST EVENING

But Lengthy Sitting Did Not Complete All the Complaints Which Have Been Made—Many Compromises Reached in Regard to Some of the Protests Against Assessment, While Others Were Maintained—Special Committee Was Not Ready to Report.

ALTHOUGH sitting until well into the night, and taking up a large number of the protests against the new city valuation roll, the City Council did not, last evening, complete the full list of complaints, though many were settled. As a general rule the majority of the complainants went out better satisfied than last week, for although an occasional valuation was maintained as written, most of the larger ones which were settled, brought about some reduction. In a large number of cases, some compromise between the figure fixed by the assessor and that demanded by the complainant, was agreed upon. The protests filed by the large manufacturers, based to a large extent, on the valuation placed on machinery formerly used to make munitions and now scrapped, were again adjourned, the special committee appointed to look into these matters being not yet ready to report.

The first to be taken by the Council was the complaint of Mr. Noel E. Brooks, represented by Col. H. R. Fraser, who asked that the \$30,000 valuation, placed on Mr. Brooks' property be reduced to the \$25,000 assessment of last year. No improvements had been made, and it was also to be remembered that thirty feet in front of Mr. Brooks' property on Queen Street, was actually owned by the city. Mr. W. L. McSwiggan, the valuator, said that Mr. Brooks had the use of that property, nevertheless, but Mr. Fraser said Mr. Brooks had the use of that property, it was finally moved by Ald. Edwards, and seconded by Ald. Delorme, that the valuation be reduced to \$27,500, and this was passed, Ald. Forest dissenting.

MANY PROTESTS WERE COMPROMISED.

The complaints of the Campbell-Howard Machine Company, the E. & T. Fairbanks Company, Mr. O. J. Gendron, and the Edwards Furniture Company, were again adjourned.

Mr. E. W. Farwell's protest against the valuation of his property in the East Ward, on Terrill Avenue was taken up. The subdivision of the south part of this property had been cancelled, while on the north side, the house had been burned down and the valuation never lowered. It was asked that the valuation of \$12,175 be reduced to \$11,000, and on motion of Ald. Brault, this reduction was passed.

Mr. James Mackinnon asked that the valuation on his residence on Victoria Street be reduced from \$14,000 to \$10,000, as many residence near there, and of the same class were assessed at a rate below his own. Victoria Street, moreover, he said, did not enjoy the privileges of city service, and suffered considerable inconvenience at times. Ald. Skinner moved that the assessment be reduced to \$12,000, the same as last year, and this was carried.

The Panther Rubber Company's complaint of its property near the river was dismissed, the valuation of \$6,000 on one property and \$8,500 on the other being maintained. On motion of Ald. Brault, however, the Water street property, which had been raised from \$7,000 to \$9,000, was reduced to a compromise of \$8,000. The valuation on the property of Mr. (Continued on page 5)

MARRIAGES

ANDREWS—FAIRBROTHER.

On Wednesday evening, September 24, the Methodist Church at Lennoxville was brilliantly illuminated and decorated for the marriage of William Samuel Andrews and Ethel Florence Fairbrother, the ceremony being performed by the Rev. Johnson Sellars, pastor of the church. Mr. Gault Parker presided at the organ and played the wedding march, and continued playing throughout the service. The bride was attended by her father, Mr. Henry Fairbrother, and played the bride's bouquet of white roses and carnations. Miss Gertrude Fairbrother was maid of honor, and Mr. Walter Crawford, of Compton, attended the groom. The maid of honor wore a dainty frock of white and white Dresden flowered silk, with georgette collar and Leghorn hat, and carried a bouquet of pink and white carnations. The groom's mother, Mrs. E. S. Andrews, was gowned in mauve silk, with small black hat, and Mrs. Henry Fairbrother, the bride's mother, wore a pearl suit with hat to match. The ushers were Messrs. Ira Lowry and Percy Herring, of Lennoxville. W.C.T.U., of which the bride is a member. At 9 o'clock the happy couple started on the first stage of their wedding trip by auto, the bride travelling in a dark blue serge suit, with cream georgette blouse and small black hat with white feather mount. The wedding trip will be through the New England States. On their return they will reside in Huntingville.

LECTURE OF INTEREST TO MERCHANTS.

Merchants and salespeople of the city are manifesting great interest in the retail merchandising lecture which is to be given under the auspices of the Sherbrooke Board of Trade tomorrow and Thursday nights at 8 o'clock in the Carillon Hall.

Mr. W. H. Farley, expert lecturer, will tell by means of stereopticon slides and motion pictures the cause of failure in retail business, and explain some of the latest methods of storekeeping. One of the features of the lecture will be that part devoted to newspaper advertising. The writing of newspaper advertisements, their value to the retail merchant, and the necessity for advertising continually will be taken up and explained in detail. In a like manner, the question of window display, perfection of a store organization, and other interesting topics will be discussed.

BOX SOCIAL WAS HELD.

Last evening the members of the Young People's Society held their first social event, in the form of a box social, at the Church of the Advent Hall.

A short time was spent with business matters, during which Mrs. Lewis was elected president, Mr. Albert Bryant having been unable to remain in office.

The gaily decorated boxes, with their enticing contents, were sold by auction, and created the usual "uneasy five minutes" while man and maid awaited their fate.

Coffee was served with the contents of the boxes, and the remainder of the evening passed quickly with music and games.

Next Monday evening the young people will go over to St. Andrew's Hall in answer to a cordial invitation from the young people of that church.

LENNOXVILLE FARMERS' CLUB CORN COMPETITION.

The prize winners in the ensilage corn competition this year are: 1 J. Nichol, 2 F. R. Mitchell, 3 J. B. Campbell, 4 J. S. Marlin, 5 G. H. George, 6 E. A. Orr, 7 J. A. Young.

Mr. T. C. Raymond, of Macdonald College, who judged the competition, was of the opinion that the majority of the farmers competing were growing "Wisconsin No. 7" and "Red Job." Both of these varieties he considers to be the best for this district, and would recommend "Red Job" or "Golden Glow," among the Dents, and "Longfellow" and "North Dakota," of the Flints. Another variety recommended was "North Western" (Dent) being an early variety, and at the same time gives a fairly heavy tonnage.

The prize winners in the swede competition are: 1 J. B. Campbell, 2 S. Jardine, 3 A. W. Bradley, 4 J. A. Young, 5 J. S. Marlin, 6 Jas. O'Connor, 7 A. A. Hodge.

Referring to this competition, Mr. Raymond remarked that he would like to see more selection, and more home seed produced.

FORMAL OPENING OF GYM CLASSES.

The formal opening of the Y. M. C. A. gymnasium classes took place last night. The evening opened with a calisthenic drill by the Junior Boys, after which the Young Men's Class gave a short display on the heavy apparatus. A fifteen point demonstration game of Volley Ball followed. The floor was cleared and the event of the evening, an excellent game of basketball took place.

The bowling alleys were occupied throughout the evening by a large company of enthusiasts.

In the basketball match the old "Maple Leaf" team managed by J. Corfield, met a younger team managed by Maurice Parker. The game was very close and exciting throughout, resulting in a score of 21 to 19 in favor of the old "Maple Leaf" team. A number of basketball teams are already being formed and a very interesting season is assured. All gymnasium classes will begin this week, and will be according to schedule.

THE ASCOT HIGH SCHOOL PUPILS RECEIVE PRIZES

Excellent Programme Was Carried Out at Official Opening of the School Last Evening.

The main room of the Ascot Consolidated High School was filled with parents of both teachers, pupils and interested friends last evening, the occasion being the distribution of prizes for the last year's term, and to the winners at the School Fair, held at Lennoxville recently.

Mr. W. S. Armitage, chairman of the School Board, presided, and on the platform were Rev. J. S. Seller, pastor of the Lennoxville Methodist Church; Mr. Robert Mitchell, the oldest school commissioner, and Mr. W. G. MacDougal, Macdonald College Demonstrator.

Miss Vaudry, principal, read the report of the first term of the school, which showed the high standard attained by the school in its first year, and followed with the distribution of prizes, which were as follows:

PUPILS' PRESENT PROGRAMME.

A nicely arranged and well carried out programme was provided by the pupils, every number eliciting hearty applause. A bright chorus was sung by the school, Misses Edna Dawson and Bertha Cox gave piano solos; Misses Maude Pearson and Bertha Cox, recitations, and a calisthenic drill by eight boys was a feature of the evening. A special part in the evening's programme was assigned to Mr. W. G. MacDougal, who presented the prizes won at the Lennoxville School Fair—fifty-four in number. Mr. MacDougal expressed his pleasure at being able to present these prizes on this occasion, and complimented the pupils on having made such a good record for this school.

Rev. Mr. Seller spoke in an interesting way of the advantage of consolidation, and complimented the teachers and pupils on the splendid record shown in the report.

Mr. Robert Mitchell referred to the difference between the past and present opportunities for children's education, and said that this school had met the expectations of every one. He spoke in an encouraging way to the children, urging them to keep up the good record of the school and get what was needed for every boy and girl—a good, practical education.

Mr. Armitage, in his closing remarks, told the children that they should thank Mr. Robert Mitchell for this school, for he was instrumental in getting it started, and his interest had meant much towards its success.

Regarding teachers' salaries, the chairman said: "teachers with diplomas will be asked for, and the wages will be what is needed to obtain qualified teachers."

The evening's programme closed with the singing of the National Anthem.

It takes a joint of beef to make a bottle of Bovril

Bovril contains the goodness of the beef.

THE vital elements that give beef its special place and value as a food are concentrated and stored in Bovril.

Just as the equivalent light of 32 candles is concentrated in one electric lamp, so the vital elements of beef—of many pounds of beef—are concentrated in a single bottle of Bovril.

But Bovril is not merely a precious food in itself; it possesses the peculiar power of enabling you to extract more nourishment from other foods. This gives Bovril its wonderful body-building power, proved by independent experiment to be from 10 to 20 times the amount taken. Bovril, therefore, in the true sense of the word, is a Great Food Saver.

Always keep Bovril in the house.

The Graduated Nurses of the Sherbrooke Hospital were the hostesses last evening at a "masquerade" dinner given at the Nurses' Home in honor of Mrs. Gordon and Miss Kennedy, who are leaving that institution. Covers were laid for fifteen, and the guests in fancy costume were Miss Homby, as an Irish Gentleman, with Miss Childs, as an Irish Lady, Mrs. Wilfred Davey and Mrs. Baker, Clowry; Miss Buchanan, Chinaman; Miss Gunning, Colored Gentleman; Miss Taylor, Colored Lady; Miss Murray, Gypsy, and Miss Kennedy, Spanish Girl.

Miss Mamie Denocourt-Sevigny was the guest of honor at a "miscellaneous shower" given by Mrs. J. E. Lalumiere and Miss Annie Barry, at the home of the former, Lennoxville. The shower was tastefully decorated with autumn flowers, and about twenty-five intimate friends of the guest of honor were present, a couple of hours being delightfully spent in games and music. The pretty tokens of affection and regard were duly presented, in a decorated basket, by little Miss Anna Dundin, the bride-elect thanking her friends very sincerely for same. Dainty refreshments were served by the hostesses. The table decorations were pink and white asters. Mrs. J. E. Jamieson and Mrs. Fred Dundin assisted in serving the guests.

CITY COUNCIL AGAIN TOOK

(Continued from page 1.) Chenier Picard, at \$18,500, was maintained, on motion of Ald. Brault.

MUCH DISCUSSION RE Q. C. R.

A long discussion followed as to the assessment placed on the property of the Quebec Central Railway, near the Jencks Machine shop and the St. Francis river. In 1917, this property had been valued at \$3,500, in accordance with a plan to value the railway property by the square foot. This year, the assessment was placed at \$25,625. After much argument, this valuation, on motion of Ald. Brault, was reduced to \$14,000, while the assessment put upon another property in the East Ward, at \$80,000, was maintained.

The Sherbrooke Installment House, owned by Louis, Jacob and Samuel Ehenberg, complained of their valuation at \$28,000, while it had been \$23,000 last year. Mr. Couture, of Nicol, Lazure and Couture, appeared for the protestors, and a compromise was reached, placing the assessment at \$25,000.

The valuation on the Sherbrooke Art and Library Association's property, was reduced from \$35,000 to \$30,000, last year's figure, on motion of Ald. Skinner, seconded by Ald. Genest.

The complaint of the Sherbrooke Daily Record, protesting that the assessment of \$50,000 on their plant was excessive, was laid over, and the request of Mr. W. W. Lynch, who appeared for the complainant, that the valuator visit the plant and look over the vouchers which showed the cost of the machinery, was granted.

The valuation on the Metropole Building, placed at \$45,000, was maintained.

Mr. W. R. Webster, whose valuation of his factory had been raised from \$18,000 to \$25,000, said that every other industry in Sherbrooke, had at some time or other been bonused, and that he merely wanted fair play. The protest was left to the same committee which will look into the complaints of the other manufacturers.

The property of Mr. M. T. Armitage, on Argyle Avenue, which had been raised from \$700 to \$1,500, was fixed at \$1,200 on motion of Ald. Skinner, the property in question being a vacant lot, near Mr. Armitage's home.

SIR SAM HUGHES CONTRIBUTES TO

(Continued from page 1.) he is to regain his former vigor and energy.

Delay in consolidating the Unionist party, the Prime Minister's illness, failure to enunciate a Government platform have caused unrest and anxiety among the Government supporters. Many Government supporters have been put in impossible situations and they know not whether they are to be Unionists, Conservatives or Liberals, whether protectionists, free traders or revenue tariff economists.

DEPOSITS IN P.O. BANK.

Mr. Doherty informed Mr. McGibbon, of Argenteuil, that deposits last year in the Post Office Savings Bank amounted to \$12,593,190. Consideration was then given to the motion of Sir Sam Hughes for a return, showing the Canadian casualties by battalions and other subordinate units in each of the battles, St. Julien, Festubert, Givenchy, Zillebeke, Vimy Ridge, Passchendaele, Arras, Drocourt-Quant, Cambrai, Mons; also the plans and conduct of each action including incidents and events leading up to and bearing on them.

Speaking in support of this resolution, Sir Sam referred in opening to the attitude which he had preserved during the war. He could, he said, have gone in for personal glory and criticized the Government from various points of view. He could have criticized the outrageous loans and bad financing of the Government, but he felt that such criticism was subordinate to winning the war. Now, however, the war was over and he owed allegiance to no one but his constituents. The Unionist party was, he said, the same as the Liberal-Conservative party of Sir John Macdonald.

There were, said Sir Sam, various forms of calumny and slander which had been resorted to by different people during the war. His own aim had always been to give even-handed justice to all.

THE PLOUGHING MATCH THIS YEAR PROMISES TO PROVE INTERESTING

Prizes Offered This Year are Much More Attractive Than in the Past.

The annual ploughing match, which is to be held on Wednesday, October 8, under the auspices of the Sherbrooke Ploughmen's Association, is expected to bring out the best ploughmen, as the Association has improved the prize list this year. Over \$300 in cash has been offered, besides \$300 in collateral, including a number of silver cups.

Match No. 1, open to all comers, has a very attractive list of prizes, first being a silver cup valued at \$20, and \$10 cash, the winner also receiving \$25 on condition that he will plough at the Provincial match at Ottawa on October 15. He may also compete for the silver cup for the best ridge in the field, best crown, finish, ins and outs, straightest ploughing, neatest outfit, and best team, making a possible total of \$85.

The Boys' Match in sulky ploughing this year is open to boys under sixteen years, and the walking plough class to boys under eighteen years. Good prizes, including silver cups, are offered in both classes.

Complete lists of matches and prizes may be obtained from the secretary, Mr. R. G. Ward, Lennoxville.

WOMAN'S AUXILIARY OF G. W. V. A. HELD MEETING

Various Plans are Discussed at Regular Meeting Held Yesterday.

Mrs. E. B. Worthington took the chair at the regular meeting of the W. A. of the Great War Veterans' Association yesterday, and called the meeting to order. The minutes of the last meeting were read and confirmed, and certain correspondence submitted, bringing a matter which had been a vexed question for some time to a satisfactory conclusion.

No report of the finances was given, owing to the absence of the treasurer, Miss M. Gwyn, whose resignation was received and regretted.

Mrs. J. F. Wilson was elected unopposed to the vacant position, and the president announced that the books had been duly audited and were ready to be handed over.

It was decided not to sell candy at the minstrel show and concert of the G.W.V.A. to be held this week, as it was generally felt from previous experience that considerable confusion and interruption was caused by the passage of the vendors amongst the audience. It was moved, seconded and carried that the Auxiliary assist as heretofore, a dance to be given by the Great War Veterans' Association on Thanksgiving night, October 13, in the 53rd Regiment Armory. All the arrangements in regard to the

MEMORIAL TABLET WAS UNVEILED AT METHODIST CHURCH ON SUNDAY

"Rally Day" Services Were Well Attended and Proved Most Interesting.

The rally day services of the Methodist church held Sunday were attended by excellent congregations, especially in the morning, when every seat was filled. In the morning the pastor, Rev. Mr. Perry, preached upon "The Plan and Power of the Home," and in the evening he chose for his text, "Buy the Truth and Sell it Not," Proverbs 23-23.

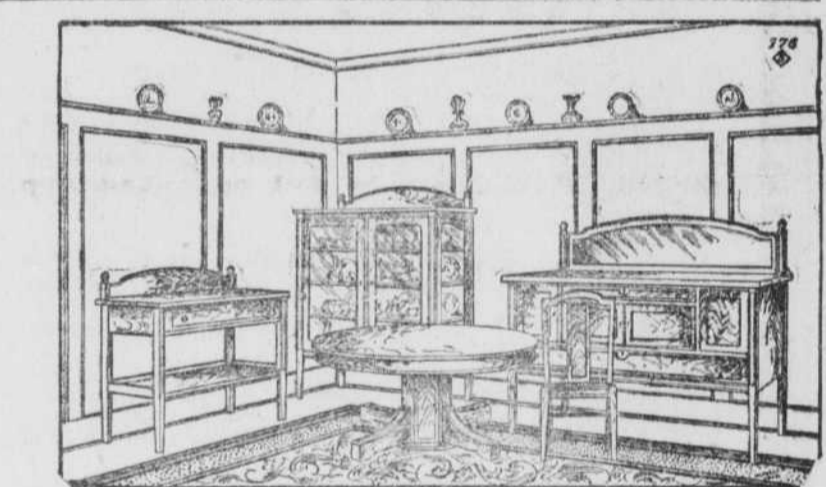

The pastor showed that the best things in life are not to be secured with money or earthly values. The "truth" ultimately resolves itself into true goodness or Christ-like character. For this we must pay the price—that is, to secure it, we must consecrate the whole resources of life and being. Nothing in the world can compensate for losing this price.

The most important event of the day was the unusually large gathering of the Sunday school in Wesley Hall in the afternoon, when an interesting programme was well carried out. The platform was beautifully decorated with flowers and the superintendent, Dr. J. E. Hyndman, presided, with his assistants, Messrs. E. G. Pierce and C. B. Howard.

The service opened with the hymn "O Lord of Heaven and Earth and Sea," followed by an explanation of the service by the leader, questions and answers, more appropriate hymns, in which all joined, and addressed, in notably one, by Mr. H. G. Hatcher, principal of the Sherbrooke High School, on the theme "How the Home, the Sunday School and the Church May Help One Another." Mr. Hatcher spoke very eloquently in part as follows:

"These three institutions had the same object in view, viz., to help the children and youth to have strong, healthy bodies, well-trained and well-informed minds, and good moral character. Thus they would be qualified to take their place in life as good, capable men and women, good citizens. In former days, when life was much more simple than it is now, the home itself was practically sufficient for these ends. But as it became much more complex it became more and more difficult for the home to meet all the needs of its inmates. Other institutions had to be added, not as in any sense substitutes for the home but as aids or supplements to the home, which still remain the most important of them all. So the school, both the Sunday school and the day school, and the church came to help the home to produce good citizens."

The outstanding feature of the service was the unveiling of a memorial tablet, presented by the Sunday school for the boys of the congregation who had sacrificed their lives in the war, a number of whom had been active and valued members of the Sunday school. The ceremony was performed by Mr. T. J. Parks, who repeated reverently, "In the name of the Father, the Son and the Holy Ghost, I unveil this memorial to our fallen heroes," the congregation standing, while No. 2 company Sherbrooke Boy Scouts, under Scout Master Clayton Hall, stood at attention at the feet of the platform.

honor, of pride that there had been boys of this Sunday school and this church who had been willing to give all that a man can give for a good and great cause. He asked: "Is a living coward better than a dead hero?" and assured his hearers that such a thing was utterly impossible, because utterly false. In touching terms he referred to their boyish manner of life, their pranks and even their faults, under which lay the true manhood which their homes, the Sunday school and the church helped them to develop. When the hour of test came they were not found wanting. Some lie in England, some in Flanders and France and some lie where no father's or mother's tear will ever fall upon their grave for their resting place is unknown. But our departed heroes are not dead. "They rest from their labors and their works do follow them." They live in our lives and in the inspirations they have given us. They live in higher service and perhaps are not far away from us even now.

The tablet, which is placed above the platform, is in shield shape, of heavy dark oak, bearing the following names in ten silver maple leaves: Captain H. G. Tate, Lieut. H. K. Stevens, R. A. F., Pte. C. J. Harrison, Pte. C. Harrison, Signaller W. A. Dean, Driver V. A. Smith, Signaller J. D. Sellar, Pte. E. Howard Frye, Pte. A. E. D. Drummond, Pte. J. A. ...

Letters to Editor

WOMEN'S FRANCHISE.

Editor of Record: Dear Sir—Consternation was the word that expressed the situation at a recent meeting of the Hatley W.C. T.U. when it was learned through the secretary of the Hatley council, to which they had appealed by letter, to have the names of qualified women voters placed upon the list, that they had no authority to do so, and when it was further learned from Mr. Baldwin, the member for Stanstead, that no steps had yet been taken to make this federal law available for use.

Now, the question arises, what is the use of working to get a good measure passed if the ones in authority are going to disregard the will of the people and let it become a dead letter? H. M. E. Hatley, Sept. 25.

DISTURBANCES IN GRANBY RESULT FROM THE STRIKE

Several Charges of Assault on Both Strikers and Workers—Situation Growing Serious.

(Special to The Record.)

GRANBY, Sept. 30.—The strike of the Canadian Consolidated Rubber Company employees still continues, and there is little change from day to day. Since the first few days of the strike there have been very few of the strikers returning to work, but, on the other hand, there appears to be no further additions to the ranks of the strikers.

There has been more or less interference with the regular workers on their way to and from the factory, which, in one case at least, was carried to the court room. In this case Miss Mary Taylor charged a Mrs. Laflamme with assault. The case was heard before Justices of the Peace Comtois and Phoenix. Several witnesses were heard on behalf of both plaintiff and defendant. Their stories were more or less conflicting, and as the presiding justices seemed unable to determine whether the defendant was guilty of the charge or not, they dismissed the case, condemning each party to pay their own costs.

On Saturday, High Constable Boisvert was in town and arrested four of the strikers on a charge of disturbing the peace, and these were committed to stand their trial before the district magistrate at Sweet'sburg. A charge of assault was also laid against the local superintendent, Mr. C. K. Hutchinson, and this case will also be tried before the district magistrate.

Store Clerks Made Demands.

All the merchants in town a short time ago received a petition signed by the clerks and employees asking that the stores close at 6 o'clock on Monday and Friday evenings, and that the stores be closed on some public holidays which have hitherto been ignored.

To consider this matter, a largely-attended meeting was held in the council chambers on Wednesday evening last. It was decided to make no change regarding the early closing nights, but an idea that seemed to meet with general approval, and which may be put into effect next summer, was that the stores close on Wednesday afternoons during July and August. Good Friday was also added to the list of days on which the stores would be closed.

The clerks were somewhat disappointed at being refused the additional evening asked for, but whether they will resort to strikers' methods in an

attempt to gain their ends remains to be seen.

Rally Day Was Observed.

Rally Sunday was observed by the Sunday schools of the Congregational and Methodist churches on Sunday, September 28.

In the Congregational Church the service was held in the afternoon, the church being tastefully decorated with autumn leaves and flowers.

The special printed service was used throughout, and addresses were given by Rev. Principal J. T. Tucker, a returned missionary from West Central Africa, and also by Miss Hazel MacAdam, of Maisonneuve G.W.C.A. Both addresses were very interesting, Miss MacAdam's being along the line of training classes for girls, and Mr. Tucker showing curios from Africa, made by the natives, which were of interest to all. The children of the primary department forty strong, sang "Jesus Once Was a Little Child," and a recitation by little Miss G. Bristol was much enjoyed.

In the Methodist Church the service was held in the morning instead of the regular church service, the classes marching in from the Sunday school room and taking their places in the front pews of the church, which was prettily decorated with bright autumn flowers. Addresses were given by Mr. J. A. Tomkins, superintendent of the Sunday school, and also by Rev. A. J. H. Strike, pastor of the church. The regular printed services were used throughout, and were found to be most interesting.

Closing Golf Tea Held.

The closing golf tea of the season was given on Saturday last, much to the regret of the members who have enjoyed these social functions very much indeed.

The weather was bright, but a little windy, so the tables were arranged indoors where a bright wood fire in the grate made the room cosy and comfortable. The ladies entertaining were Mrs. (Dr.) Elder, Mrs. G. Legge, Mrs. A. J. Lemieux, Mrs. Rusch, Bradford, Miss Clara Seavey and Miss Jessie Tompson.

Personal Items.

Mr. Oliver Giddings, whose marriage to Miss Florence Bradford took place on September 18, was presented with a handsome club bag by the employees of Giddings Ltd., on the eve of his marriage. A congratulatory address accompanied the gift, to which the bridegroom responded, thanking the donors for this expression of their good will.

Mrs. Thomas Hart, who has been spending the summer with her daughter, Mrs. J. S. Mullin, has gone to Kansas City, Mo., where she will spend the winter months with her daughter, Mrs. E. H. Farrell.

Mrs. W. B. Smith, Mrs. E. Harvey and the Misses Richardson and Seavey were in Waterloo last week, visiting Mrs. George Gilmour.

Mrs. E. Jackson, of Montreal, is the guest of her mother, Mrs. W. W. Miner, Drummond street.

Mr. and Mrs. Leitch, Bowker, of Montreal, spent Sunday with Mr. and Mrs. M. E. Bowker.

The Misses Alethea Watham, of Toronto, and Jennie Watham, of Harcourt, N.B., are the guests of their cousin, Mrs. A. Dickinson.

Mrs. Lawrence Hart and two children, of Montreal, are visiting Mrs. J. S. Mullin, Eight street.

Mrs. George Armitage and Miss Helen Armitage, of Sherbrooke, are the guests for a few days of Mr. J. A. Tomkins, Rockmount.

Mr. Colman McDonald, of Montreal, has been visiting relatives in town for the past few days.

Miss Lillian Buckley has returned from a visit to her father, Mr. J. Buckley, at Coteau du Lac.

Dr. E. A. Tomkins and little son, Lyman, of Richmond, are the guests of Mr. J. A. Tomkins.

Dr. R. Kerr, of Baltimore, Md., are spending a week with Mr. and Mrs. R. K. Smith, before leaving for their home early in October.

Mr. and Mrs. J. T. Massie, of Montreal, are in town for some time, and are staying at the "Windsor."

Miss Lucinda Parker has so far recovered from her recent illness as to be able to visit Mrs. Henry Osgood's, where she will remain for the winter.

Rev. J. T. Tucker, returned missionary from West Central Africa, is in town for a few days, the guest of Rev. A. F. and Mrs. Pollock, at the Congregational Parsonage.

Mr. Angus McLean is moving into the house on Ottawa street recently vacated by the family of Mr. C. K. Hutchinson.

Mr. J. Bruce Payne and fishing party, who are at Labelle, have been having their usual good catch, and were very generous last week in distributing samples of their splendid catches among their friends.

In the Methodist Church the service was held in the morning instead of the regular church service, the classes marching in from the Sunday school room and taking their places in the front pews of the church, which was prettily decorated with bright autumn flowers. Addresses were given by Mr. J. A. Tomkins, superintendent of the Sunday school, and also by Rev. A. J. H. Strike, pastor of the church. The regular printed services were used throughout, and were found to be most interesting.

HORSE RAN AWAY AND COLLIDED WITH CAR

Wagon Smashed and Horse Had to Be Shot When Leg Was Broken.

A smash-up which resulted in the demolishing of a wagon belonging to Mr. Ernest Hamel, of Lennoxville, and the necessity to shoot the horse which was being driven by Mr. Hamel, occurred yesterday on the Lennoxville Road.

Mr. Hamel, who is a grocer of Lennoxville, was driving with several of his friends, on the road leading to that suburb, when one of the reins broke. All descended except the driver, who climbed out over the shafts in an effort to fix the rein. The horse then becoming frightened, bolted, throwing Mr. Hamel off, and started down the road at a fast clip. Picking himself up, Mr. Hamel started in pursuit. The horse was by this time several hundred feet away, and although the animal itself got out of the way of an approaching trolley car, the wagon remained on the track and the tram car struck it, smashing the body and wheels.

With only small portions of the wagon hanging on the harness, the horse tripped and fell, breaking its leg, and the police were called to shoot it.

TWO YEARS IS SENTENCE FOR SHOP BREAKING

Phillip Colby, of Johnville, is Found Guilty of Theft from Store—Case Was Unusually Speedy.

Two years in the penitentiary for breaking into the premises of George Muncaster, at Johnville, and stealing various articles, was the service meted out to Phillip D. Colby, of that village, by Judge H. W. Malouin, in the Magistrate's Court yesterday afternoon. The case was an example of "speedy justice." Colby having been arrested late Sunday afternoon, a few moments after the theft had been committed, and in less than twenty-four hours, sentence had been given, while the accused left this morning for the St. Vincent de Paul penitentiary in Montreal.

According to the evidence heard in the preliminary hearing, Mr. Muncaster, from time to time had missed various sums of money from his premises, which is a general store, conducted at Johnville. The money which he had missed, was estimated at about \$523.00, while goods at least to the amount of \$87.00 had also disappeared.

Unable to discover any method by which anyone could have entered the store, no windows or doors having been found open. Accordingly, Mr. Muncaster notified High Constable Boisvert, who went to the premises on Sunday, and concealed himself above, where he could obtain a good view of his surroundings, but could not be seen.

After several hours of patient waiting, he heard a sound, and looking down, saw a man crawling through a sawdust chute, which led from inside the store, to the ground outside. The man entered the store by this method, and went to the counter, taking a quantity of cigarettes and tobacco. He then went over to the cash drawer, but as he reached that side of the room, High Constable Boisvert descended, with a business-like gun, and a sharp "Hands up!"

"All right," said the man, according to the evidence given yesterday in Court. "I'm caught. I was a fool to come here, anyway."

Appearing in court, after the evidence at the preliminary enquiry had been heard, Colby was committed for trial on a charge of breaking and theft.

He then asked for a speedy trial.

GUN DISCHARGED, KILLING HORSE IN ITS TRACKS

Remarkable Shooting Accident Near Market—Bullet Went Through Window and Struck Horse.

A remarkable accident, which had happened on a day when the section of the city near Lansdowne Market is crowded, would without doubt have resulted fatally to one or more persons, took place yesterday afternoon, and caused only the death of a valuable horse, the property of the Bush and Bartlett Lumber Company.

The accident took place when Mr. J. A. Nadeau, jeweller and repairer, was repairing a large rifle, of the old Snyder army type, the property of one A. Denault. The old story of the "gun that he didn't know was loaded" had another recurrence, and in the midst of Mr. Nadeau's tinkering, the rifle was discharged, the bullet passing through the window. The jeweller's shop is near the market, and smashing the pane of glass, the ball continued, striking a horse in the middle of the street, felling the animal as cleanly as though the shot had been made purposely, and by an expert.

The team being driven at the time by Mr. Jesse Lacey, and the horse was instantly killed. The animal, according to the owners, is valued at about \$300.

The results of the shooting, however, are considered slight, in comparison to what they might have been, had the market been crowded as it is on Fridays and Saturdays, and had the bullet not struck the unfortunate animal, it might have gone further and found a human victim.

and pleaded guilty to the theft of the tobacco and cigarettes, which he had been seen taking, but denied having stolen any of the other money or goods which had been missed.

The Court reminded him that a penalty of life imprisonment could be assigned for shopbreaking and theft, and after brief consideration, sentenced him to serve two years in the penitentiary.

CAR AND RIG IN COLLISION NEAR THETFORD MINES

Five Badly Hurt When Auto and Rig Crashed on Narrow Part of Road.

(Special to the Record.) THETFORD MINES, Sept. 30.—Colliding in a narrow road, at the bottom of a considerable declivity, an auto and team were wrecked near here late Sunday night, and the occupants badly injured, one of them at least, now lying in a critical condition.

The motor car was being driven by Pierre Vachon, who had with him Mr. Isreal Letourneau, a friend. Coming down the declivity in the road, which is between Robertson and Sacre-Coeur de Marie, on what is known as the Robertson highway, he apparently failed to notice the approach of a vehicle coming in the opposite direction, until it was too late.

The auto and rig met at the bottom of the hill, and the road being narrow, they collided head on. Both occupants of the car were badly hurt, as were also Albert Mercier, Joseph Paradis and Arthur Lessard, who were in the rig, the last named being the most seriously injured.

Dr. Emile Fortin was called, and the victims of the accident were brought to Thetford Mines, where they are now under the care of Dr. Lacerte. Severe cuts and bruises constitute the principal extent of the injuries, but Lessard, it is believed, is suffering from internal injuries.

DANVILLE FAIR WAS ATTENDED BY BIG CROWDS

Forty-third Annual Exhibition Had Excellent Weather Conditions—Exhibits of High Standard.

(Special to the Record.) DANVILLE, Sept. 30.—The forty-third annual Exhibition of the Danville Union Agricultural Society opened under splendid weather conditions on Saturday last. As a consequence there was a very large attendance of people from Danville and surrounding municipalities. The Exhibition was up to the standard of previous years, although in some departments the exhibits were not as large, but what was lacking in quantity was made up in quality.

Judging in some of the classes was commenced on Friday afternoon, especially in the floral and ladies' department. These exhibits were opened to the public on Friday evening. The judging of the live stock and poultry took place on Saturday.

The annual dinner given by the directors to the judges took place in the Danville House, and was well attended. Mr. C. Fred Barbank, president, occupied the chair and several addresses were made.

The Hon. W. G. Mitchell, M. E. W. Tobin, M.P., and other distinguished guests were present. The remarks of these gentlemen were necessarily short, owing to another engagement in the Town Hall the same afternoon.

The usual number of side-shows were on the grounds and seemed to do a thriving business. The lunch counter, under the management of St. Augustine's Church, did a thriving business, as also did the soft drinks booth, managed by the members of the above church.

La Lyre Danvilloise, under the direction of Mr. P. Chaine, furnished the music in a very creditable manner during the day.

The Exhibition closed with a dance in the Town Hall in the evening. Many took advantage of this event to enjoy the closing event of the annual Fair.
