LACHINE.

(Incorporated in 1872.)

A town on the River St Lawrence and Island
 of Montreal, parish of St Michel, seigniory
 of Montreal Island, county of Jacques Car-
 tier, district of Montreal. It is the sum-
 mer residence of many Montrealers, and
 has become famous by its annual regattas.
 In the winter months it is greatly
 frequented by pleasure parties, and at
 all times of the year a drive from Mont-
 real to Lachine by the Upper, and in by
 the Lower road, is considered a rich treat
 to the stranger, and even to the citizen
 of Montreal. Lachine possesses a large
 brewery, and an extensive sawmill; has a
 good local business and extensive lumber
 trade. The Montreal, Lachine and Pro-
 vince Line railway here connects with
 a steam ferry, at all seasons of the
 year, for Caughnawaga, an Indian village
 immediately opposite, and thence by the
 continuation of the same road to New
 York. A ship canal connects the navig-
 able waters at Montreal with Lake St
 Louis at Lachine. Montreal Telegraph Co.
 and Dominion Telegraph Co. have offices
 here. Distant from Montreal 9 miles, fare
 40c., 25c., and 12c. Mail twice a-day.
 Population about 3,500.

LAPRAIRIE.

An extensive municipal village and parish on
 the south shore of the River St. Lawrence,
 between the Lachine rapids and Victoria
 bridge, district of Montreal, seigniorie and
 county of the same name. Incorporated
 March 30, 1846. The parish was erected in
 the year 1722. A market is open every day.
 The first railway in British North America
 was constructed from here to St. Johns in
 1836. It was first worked with horses,
 afterwards by steam, but was discontinued,
 and the rails taken up a number of years
 ago. A steamboat maintains regular com-
 munication between Montreal and Laprairie.
 A branch of the Grand Trunk Railway,
 starting at St. Isidore, in this County, to
 reach the Victoria Bridge, now runs in close
 proximity to the village, with a good station
 and depot, and contributes materially to
 the future development of the locality.
 Montreal Telegraph Co. has an office here.
 Distant from Montreal 9 miles, fare 15 cts.,
 from St. Johns 18 miles. Mail daily. Po-
 pulation of village 1,500; of parish 3,200.

(Incorporated in 1876.)

A town adjoining the City limits of Montreal, in the seigniory of Montreal, county of Hochelaga, district of Montreal. This municipality is governed by a Mayor and Corporation. TOWN OF ST. HENRY.

(Incorporated in 1876.)

An incorporated town, adjoining the City limits of Montreal, and formed by the amalgamation of the former village of Tannery West. The Town of St. Henry is situated in the seigniory of Montreal, county of Hochelaga, and district of Montreal. The Lachine canal passes on the south side, and signal stations of the Grand Trunk Railway are situated here at the junction where the roads branch off east and west, and to Montreal and Lachine. The Grand Trunk Railway Co., via the aid of the Council of the Town, has erected a splendid station, at the curve, near the St. Joseph street bridge. The municipality of St. Henry is governed by a Mayor and Corporation, and a separate permanent Fire and Police force is maintained. The town contains a new Roman Catholic college and convent, church and presbytery, and several important industries, amongst others two extensive tanneries, boot and shoe factories, brick yards, the C. W. Williams Manufacturing Co., employing 600 hands, &c., &c. Building is being prosecuted briskly, and the town bids fair to rise into some importance, having Fire and Police system of alarm telegraph. The town is now lighted by oil lamps. Distance from Bonaventure depot, 24 miles; from Lachine 6 miles. Population about 8,000.
