

THE A. S. A. OF C. THREATENED.

THE UNION SNOWSHOE TRAMP TO ST. JOHNS.

Argyle's Ladies' Night—Saturday's Hockey Matches—End of the Bowling Season—Miscellaneous Sports.

A most unprecedented thing has happened. The Amateur Skating Association of Canada is threatened with a legal action.

The action is threatened because Skelly, one of the competitors in the boys' races at the last championship competition has not yet received his medal.

As will be remembered, it was suspected on that occasion that some of the competitors were not of the required age and consequently their certificates were asked for by the association. It was then ascertained that the medals would be awarded before these certificates were submitted.

Mrs. Skelly, the mother of the boy Skelly, seems to have taken this very ill, and late last week sent her son to the office of Mr. Louis Rubenstein, the secretary-treasurer, with a lawyer's letter, written in French, announcing the fact that unless the medals won by Skelly were handed over to him at once Mrs. Skelly would sue the association for damages.

The time is up to-day. Johnson defeated by Ostlund. MINNEAPOLIS, February 18.—John S. Johnson, the breaker of unnumbered records, was defeated by Peter Ostlund, a Norwegian Rink on Saturday to Peter Ostlund, the champion of Europe, in a race of 100 metres or 100 yards. A standing start was made and Johnson was in the lead twenty rods of the finish when Ostlund made a wonderful burst of speed and won by more than two feet in 5-3.

The ice was in bad condition, owing to the mild weather and the falling snow; consequently the time was 24 1/2 seconds slower than the best time for this distance which was made by Ostlund at Hamar, Norway, February 25, 1894. The race, nevertheless, was a pretty one from start to finish, and was well watched by a large number of spectators.

On the ice. The Riverside Rink will have another carnival next Thursday evening, the 21st inst.

HOCKEY. Victorias Outplayed Them. Victoria entirely outplayed Quebec on Saturday. It was an utterly one-sided match, and therefore but of little comparative interest. The game was played well for next Saturday, when the Vics meet Montreal. Quebec was simply not in the game. The Vics were still out of the game from the result of the last week. Like last Saturday, there were occasional flashes of brilliant play on the part of Quebec, but they were few and far between. The game was a clean one.

The teams lined up in the following order: Victoria. J. Jones, Goal. F. Stocking, J. Pullen, Point. G. Scott, M. Grant, Cover. D. Tait, J. Davidson, Cover. C. Cabell, R. Macdonnell, Cover. A. Swift, J. Rankin, Cover. A. D. Scott, G. Drinkwater, Cover. A. D. Scott. The Vics got the rubber at the face and brought it down and scored a goal, but lost it on an outside. Quebec attacked the Vics' goal, Jones stopped a hot shot and returned, Drinkwater got the puck, shot and scored. The game was not seen the puck during the progress of the second, which lasted 30 minutes. Rankin scored. The third game was the longest of the match, it lasted 16 minutes. Quebec woke up and played a good game; they kept the Vics busy for a time. Once the puck started to the poles, but Pullen managed to save. Then the Vics turned the tables and commenced to make things interesting for the visitors. Stocking in the Quebec goal and the Vics stonewalled, but Macdonnell eventually scored. The fourth game went to Victoria after 1 minute's play.

QUEBEC ALMOST SCORED. but they were unable to get the puck through the home team's defence. The next game also went to the Victorias in 5 minutes. It was perhaps the most game of the half. Quebec looked dangerous on several occasions. The home team, however, was faster and Macdonnell scored. No other game was scored in the half. The visitors rushed matters at the beginning of the second half, and Scott several times almost scored. After 63 minutes play the Vics were leading by a score of 3 to 1. The next game went to Quebec in 30 seconds, Scott scoring.

great and only M.A.A.A. Buffer and Duffer fame at the Victoria Rink. Both teams came before the public last summer, when one afternoon they met on the grassy sward of the M.A.A.A. grounds and played, or rather tried to play, baseball. The game was a complete success, but which side won was never settled. The teams will be composed of eight men a side, as follows:

Defenders.	Protectors.	Goal.

The famous Rubenstein brothers will not be on the ice. A great many people would like to know why. It is said that Captain McKay, of the Duffer combination, was at Ottawa on Saturday night getting pointers from the Montreal and Ottawa teams. On the other hand the Buffer aggregation stayed at home and saved wood, only in a metaphorical sense, however. They say that it is utterly impossible to give them any pointers, their star players know everything about the game. It is expected that when the knights of the hockey and puck don their sweaters and sally forth in the icy arena this evening the rink will be taxed to its utmost capacity, and a large crowd of spectators, doctors, etc. Meanwhile the air is full of rumors.

Louguellull. The Longueuil and Montreal South hockey team crossed sticks on the former's ice last night. The game was played on Saturday afternoon. The Longueuilers held their own well, but the defence and combination of the Southerners was by far superior, as the score will show (4-1).

The Shamrocks and Victorias. The Shamrock Crystal and Victorias teams will meet on Wednesday evening next in the Beaver Rink, Point St. Charles, and considering the facts that the former defeated the Quebecers on their own territory, and the Victorias won from them on Saturday last, the public may expect a pretty lively and exciting hour of hockey amusement on the ice. The Victorias have already had one encounter with the Shamrocks, and the result was that they were defeated by a score of 3 to 1. The new aspirants for hockey honors were very active and able competitors. The match next Wednesday will be one of additional interest by the fact that the Shamrock-Crystals may very soon take the place of the old Crystal organization in the league series. Many are therefore interested to learn the strength of the new team in a match with a well known championship form such as the Victorias.

Wanderers in Champ. The Wanderers on Saturday defeated the St. Johns Hockey Club at St. Johns, P. Q., in a well contested game of hockey by a score of two to one. After the game the Wanderers and the St. Johns players dined at dinner and a very pleasant evening was afterwards spent at the rink. The teams were:

The game was played by the Quebecers and the Scots. The match throughout was very well contested, and when half time was called both teams had scored goals. In the second half the Quebecers improved their score by two goals more, thus defeating the Scots by a 4 to 2. The teams were as follows:

The first game had barely started when Young claimed an off-side play, and at the time called to Puffer to let the puck go. Routh took it through, and as Wall had not seen the off-side the game went.

In the second game Young did a lot of useful lifting, and, as a result, Ottawa made an effort in the next game, and then Montreal had all the best of it. Westwick and Young succeeded in keeping the puck away from the other side. A beautiful shot from the side by Hodgson to Archibald resulted in that player scoring.

Ottawa made an effort in the next game, and then Montreal had all the best of it. Westwick and Young succeeded in keeping the puck away from the other side. A beautiful shot from the side by Hodgson to Archibald resulted in that player scoring.

It began to look very desperate, and big Russell was seen to be getting dangerous. He gave Westwick another chance, but that player missed it. The Montrealers seemed to be having the best of the checking, but they had to be called to order several times for off-side play. Hodgson at last got the puck and did the useful placing three straight to the credit of his side.

Things now became very interesting, and Smith commenced the hard work and he kept up a terrific game to the finish of the match. Smith was on it like a shot. Hodgson was doing a good deal of rushing until he was called to order for off-side play. Smith was on it like a shot. There was intense excitement. Only two minutes remained for play. No sooner had they started to play than the puck was in the net and a delay ensued. In the remaining fifteen seconds there was no more play, and the game was decided. The teams were as follows:

One of the Quebec players found himself in a most unpleasant predicament on Saturday evening. The Quebec train was delayed, and the player was unable to get to the rink in time. The game was played by the Quebecers and the Scots. The match throughout was very well contested, and when half time was called both teams had scored goals.

finishing dropped in. After dinner toasts and speeches were the order. The toast of the Queen being drunk first. The toast of the city was then given. Howling Association met for the highest single aggregate during the season, and the President's medal for the best score in a match. Both these were won by Mr. Wall, son of the Ottawa team, and they were presented respectively by Mr. L. McRobie and Mr. L. McRobie. The President's medal was responded to by Mr. Morrison and the "Ladies" were looked after by Mr. P. Hennigan.

CURLING.

Curling for the Gordon Medal. Although defeated the curlers from New York State had a jolly time last Saturday. The rinks in Saturday's match were from the Empire Club, Albany, and the rink from the Gordon Medal. The match was played in the Caledonian Rink. The ice was in grand condition, and a good opportunity to show their usual hospitality. The visitors were driven around and shown the sights, and a good game was played. After dinner Mr. Stancille presented the medal to Mr. Geo. Brush, he being the skip who had the greatest number of points in the winning rink. The visitors were accompanied by a few friends, among them being Capt. John Foster and by Mr. J. J. Hunter, secretary of the Empire Curling Association. The following is the score in the match:

SNOWSHOEING. The Union Tramp to St. Johns. A perfect day, a large turnout, a jolly crowd, a favorable wind, a low sun and an early start. The tramp to St. Johns was the most successful one held within the past twelve years. This year instead of the clubs going to St. Johns, the tramp was held at St. Johns. The members of the Montreal Amateur Athletic Association, at 8.30 a. m. and from there to drive to the Victoria rink. At 8.30 only three or four had turned up at the rendezvous, but every minute or two kept dropping in, each bringing a new recruit. The tramp was a success, and the tramp was a success.

Almost a Hopeless Case. A Terrible Cough. No Rest Night nor Day. Given up by Doctors. A LIFE SAVED BY TAKING AYER'S CHERRY PECTORAL.

"Several years ago, I caught a severe cold, attended with a terrible cough that allowed me no rest, either day or night. I have never since, after working over me to the best of their ability, pronounced my case hopeless, and said they could do no more for me. A friend, learning of my trouble, sent me a bottle of Ayer's Cherry Pectoral, which I began to take, and very soon I was greatly relieved. By the time I had used the whole bottle, I was completely cured. I have never had much of a cough since that time, and I firmly believe that Ayer's Cherry Pectoral saved my life. W. H. WARD, 8 Quinby Ave., New York City."

Impure Blood--Eczema

Intense Itching and Burning

Hood's Sarsaparilla Cured and Gave Sound Relief.

"I was troubled for months with breaking out on my skin. I suffered terribly at night and had to cut my finger nails short to keep me from scratching. Three physicians did not help my case. I had about given up when a friend advised me to try a bottle of Hood's Sarsaparilla. It seemed as if every dose helped me, and after I had taken a few bottles I was entirely well and a sound man again. I proved Hood's Sarsaparilla to be a good blood purifier, and I gladly recommend it to every sufferer." Wm. M. FLENNIKEN, Carmichael, Pa.
