THE CAREFUL APPROACH — Policeman behind protective device cautiously approaches what was feared to be a bomb in front of the Fusiliers Mont Royal Armory in Montreal, yesterday. It turned out not to be a bomb. Earlier, a bomb made up of four sticks of dynamite had exploded in front of a downtown building. Another two sticks of dynamite were found in Montreal's main post office where they had arrived through the mail. They did not explode. (CP Wirephoto)

Billy clubs end Victoria Day violence

MONTREAL (CP)—Squads of clashing RCMP plain clothes billy-clubbing police waded into the downtown area Monday night to disperse large groups of demonstrators and rioters. The day began with a bomb blast in the downtown area, continued with protest marches and rallies and ended with acts of hooliganism.

Police said 154 persons, including 15 juveniles, will face charges today for disturbing the peace, resisting arrest and assault on police officers. Fifty-nine others were released after questioning.

By midnight Monday when the demonstrators were all dispersed, 14 police officers, injured around the park. Police tried to keep them bottled up with flying squads which were constantly forming 30-man wedges to disperse large groups.

The day began with a bomb blast in the downtown area, continued with protest marches and rallies and ended with acts of hooliganism.

Seven police cars and a police ambulance suffered minor damage and scores of windows were broken near East-end Lafontaine Park, where the demonstrations were held.

A fire set by young demonstrators destroyed the ticket booth of the park zoo.

Five Molotov cocktails were seized from youths as more than 1,000 persons milled around the park. Police tried to keep them bottled up with flying squads which were constantly forming 30-man wedges to disperse large groups.

The demonstrators had gathered to protest the celebration of Victoria Day in French Canada.

In 1964, 85 persons were arrested when mounted city police were called to break up a crowd of firecracker- and missile-throwing demonstrators in the same park.

Two killed on ET roads, boy dies of heart attack

Two men were killed on Eastern Townships roads and a young boy died of a presumed heart attack after a farm accident near Thetford Mines over the Victoria Day weekend.

A husband and wife were reported in satisfactory condition this morning after being struck by a car in Lennoxville Saturday. Another husband and wife were injured in a collision at Queen and Portland Streets in Sherbrooke.

Albert Lavallier, 46, of Maribon, died Saturday night at about 7 p.m. when his car collided head on with a car driven by J. D. Hudard 23, of Weedon, on the road between Maribon and Weedon.

Mr. Hudard was reported in satisfactory condition in St. Vincent de Paul hospital this morning with fractures to his right arm, and lacerations.

Gilles Richard 25, of 68 Larocque, Bromptonville, was injured in the collision.

Reports of MiGs discounted

Strayed US jets attack outpost in S. Viet Nam

SAIGON (CP) — Four U.S. jets which had strayed off course made a strafing attack on a South Vietnamese outpost just south of the North Viet Nam border today.

South Vietnamese commander said he had eyewitness reports the planes were Communist MiGs but a U.S. military spokesman in Saigon said they were U.S. jet fighters off their course.

Five South Vietnamese were wounded in the attack.

The U.S. spokesman said an initial investigation showed that 20-millimetre shells were fired by the planes at the Gia Linh outpost five miles south of the 17th parallel dividing Viet Nam.

"We feel 99 per cent sure they were four American planes off course," the spokesman said. "No MiGs are armed with 20-millimetre cannon."

Earlier a U.S. spokesman at the Da Nang air base said the four planes were presumed to be Communist MiGs.

No Communist air attacks on South Viet Nam have been reported since the U.S. and South Vietnamese air forces began striking at targets in North Viet Nam.

Communist MiGs intercepted U.S. planes bombing a bridge 65 miles south of Hanoi April 4 and shot down two supersonic F-105 fighter-bombers.

Russia and China to hit together says Cyrus Eaton

DETROIT (CP)—Russia and China will strike together in the next month I feel that mankind is doomed.

In a subsequent press conference and interview, the 81-year-old native of Pugwash, N.S., said general war in Viet Nam is certain. Then the losing side would drop an atomic bomb.

"All one can do is accept one's fate," Eaton called upon the leaders of American business to band together to force a "sane" policy upon the Johnson administration. He made it clear that a "sane" policy would mean immediate American withdrawal from South Viet Nam.

This would not be appeasement on the Munich pattern. The Vietnamese would be able to choose their own form of government and it would not necessarily be Communist.

Eaton said: "In my sober judgment, we are on the brink of catastrophe. Unless some miracle occurs in the next month I feel that mankind is doomed."

CAPE KENNEDY, Fla. (AP) — The Saturn I super rocket thundered to its ninth straight successful test flight today and drilled into orbit a mammoth Space Bird satellite to climax a spectacular early morning launching.

The satellite, Pegasus II, unfolded two giant wings to a span of 96 feet—greater than most four-engine airliners—and began swooping through space like a great bird. It is to measure tiny meteoroids and the hazard they pose to astronauts making lengthy space trips.

Adjudicates Dominion Drama

BROCKVILLE, Ont. (CP)—"My job is not to be kind, but to be fair."

With those words, the first Canadian to adjudicate the Dominion Drama Festival in 18 years began his week-long task of judging productions by seven amateur theatre companies from across Canada.

Prime Minister Pearson earlier opened the festival.

Guy Beaulieu, 43, the adjudicator, is director of theatre for the ministry of culture in Quebec. He comes to his task after more than 30 years of experience in almost every phase of theatre in Canada and Europe.

But as he began his adjudication of the first production, Brendan Behan's The Hostage by Lakeside Theatre Productions of Ottawa, he confessed he still got butterflies.

Stanstead U.C.W. to start Round Robin basket

STANSTEAD — The final meeting of the season of the Allegro Unit, Centenary Church U.C.W. was held on May 11 at the home of Mrs. Gerald Colt.

The president, Mrs. Patrick Deslandes conducted the meeting which she opened with prayer.

All members were in favor of a Round Robin food basket to be passed around during the summer months. This will be started by one person cooking something, pricing it and passing it to a member who will make the purchase, cook something and pass it on and continue the circulation until fall.

The reports showed the recent May Day tea and sale to have been another success.

The floor covering has been ordered and the work is now underway in the church hall. The Allegro will join with the Afternoon Unit to serve a supper, a United Church Women project, in the church hall on July 3, and plans for this were discussed.

Articles for the Wee Shoppe all under \$1 for the Christmas sale and tea were turned in. Mrs. Deslandes reminded the members that the next Allegro Unit meeting is to take place in October at which time Christmas decorations will be turned in for the sale. All were also asked to keep in mind the Garden Center booth for the Christmas sale, in charge of Mrs. Warren Soutiere. As the U.C.W. general meeting will be held on June 15 and again in September, the next unit meeting will be in October.

Following the adjournment, Mrs. Coly, Mrs. Lawrence Winter and Mrs. Edward Middleton served refreshments.

DEBATING CHAMPS — The final debates for the District of Bedford Regional Home and School Trophies were held Monday afternoon in the Granby High School. Representing Waterloo High School in the Intermediate Division were Donna Willey, left and John Hackwell, right. They upheld the affirmative side of the topic: Resolved that the dreamers have done more for mankind than have the men of action. They defeated the negative team from Bedford. The Waterloo team was accompanied by their staff advisor, Mrs. Clara McKergow, and Robert Flood who officiated as one of the judges. Above, the two champions are holding the shield they won.

Test drive Meteor—its unrivalled performance lives up to its looks!

Most comfortable ride
Most effortless handling
Most impressive power

A test drive in a 1965 Meteor will prove to you that this is positively the best car in the popular-priced field. It has more of everything you're looking for in a new car. Prove it for yourself. Test-drive the new Meteor today as the guest of your Mercury dealer.

What do you look for when you test drive Meteor?

Meteor's styling is matchless. Note the clean styling coming and going, the precise, just right use of chrome, the bold, wide grille and the slim, graceful tail lights. Only Meteor in the popular-priced field looks so elegant.

Meteor handles, rides like no other car. Meteor has the most comfortable ride and effortless handling in its class. It has the longest wheelbase (123 inches). A new "torque-box" frame and improved all-coil suspension combine to eliminate road shock and vibration. You'll discover the

smoothest ride and the easiest handling on the road when you test drive a new Meteor.

Meteor power trains are unequalled. The first thing you notice: Meteor is a very quiet automobile. Yet, you're in command of the most impressive power ever in Meteor's class. Try the new 240 cubic-inch "Avenger" Six, or the big 352 and 390 V-8's. Team your Meteor power with your choice of transmissions. Choose 3-speed dual range automatic. Try a 3 or 4-speed manual; both fully synchromesh in all forward gears.

Meteor has interior elegance beyond compare. You'll notice the elegance in rich carpeting, salon

upholsteries, padded front and back arm rests and luxurious appointments.

Meteor has more practical features. Meteor's accelerator pedal is suspended so it can't trap dirt or catch your heels. The trunk is deeper with a lower sill that makes it easier to load. And Meteor's key is reversible; works on either edge.

New 240 cubic-inch "Avenger" Six. The world's largest V-8 builders have put their know-how into a hot new "6" to give you the height of performance in an economy engine. The "Avenger" Six develops a full 150 horsepower and 234 pounds of torque. It's a smoother-running, quieter "6" with greater economy. Saves like a "6", goes like an "8".

Those are just a few of the things to look for when you test drive Meteor, the only car whose unrivalled performance lives up to its good looks. Ask your Mercury dealer to show you the rest of Meteor's big features for 1965.

Terrorism injures separatist cause

Exasperation expressed by Quebec Justice Minister Claude Wagner over the renewal of violence by the extremist separatist groups in different parts of the province will be shared by Quebec residents generally — even by the more level-headed leaders of the separatist movement.

Placing of dynamite bombs in public buildings and the defacing of monuments will do nothing to advance the French-Canadian people. In fact these acts of violence and terrorism will only serve to antagonize the residents of other parts of Canada and may to a considerable degree hamper the efforts for greater understanding between the two major segments of the Canadian population.

Mr. Wagner has promised that his department will act to curb these acts of violence and to punish those responsible.

Probably he will come under criticism from many quarters for attempting to interfere with the liberty of free expression. But it is a far cry from freedom of speech and the right to demonstrate in favor of any cause to the license of bombing and destruction.

Stern action by the authorities is justified at the present moment. In fact, it is essential if the province is to be spared a summer of uncertainty and unrest organized by an irresponsible group comprising ill-advised imbeciles or outright hoodlums.

While many of the demonstrators may be sincere in their beliefs, it is probable that the real leaders of the trouble have little or no real interest in the cause which they espouse. Rather they are taking advantage of a situation to advance some nefarious cause far removed from the avowed object of the demonstrations.

A final push for hospital campaign

A good community hospital today can't stand still if its standards are to remain high.

Medical science is constantly improving. So must a modern hospital, like the Sherbrooke Hospital.

Since its campaign for \$65,000 started on May 10, articles have appeared in this and other newspapers describing some of the ways in which the hospital keeps pace, not only with medical progress, but also with a steadily growing demand upon its services.

A modern development in the care of seriously-ill patients called the Inten-

sive Care Unit is being set up. Preliminary expansion of the out-patient department has been undertaken. Continual education of doctors, nurses and other hospital staff goes on in up-to-date methods and medical knowledge.

The Sherbrooke Hospital never ceases to advance hand in hand with medicine generally. But to continue, it needs the support of all members of the community it serves so well.

This is the last week of the 1965 financial campaign. A final push is needed to boost the drive over the top, to respond to an appeal that is of vital and active concern to all of us.

Permanent speakership is essential

Perhaps one of the major results of the proposals now before the House of Commons for reforming procedure in parliament will be the establishment of a permanent speakership.

One of the major proposals advanced by the Liberal Government is that appeals from the rulings of the Speaker be abolished because the right has been abused and has proved time-consuming.

But before the suggestion is acceptable to minority parties and to Canadians generally, the independence of the speaker must be assured. This impartiality cannot be achieved if the presiding officer of the House must devote a substantial portion of his time towards assuring his re-election when he again faces the electorate and at the same time must seek to preserve the image of the party which placed him in office.

The frequent habit of rewarding Speakers with cabinet posts after their terms are over does nothing to enhance their reputation for impartiality.

Of course, there are many of obstacles in the path of naming a permanent Speaker.

In a House where debates are carried on in both languages he must be completely bilingual.

Then he must come from a riding in which the electors do not object strenuously to being disenfranchised, because when an MP is removed from active politics he must relinquish many of his duties and privileges as an independent member.

Probably this problem could be met by appointing the Speaker from a riding in a large city where his function as messenger boy for his constituents could be assumed by the representatives of adjoining ridings.

But some means must be found of assuring the impartiality of the Speaker if any effective reform of time-wasting parliamentary procedures is to be accomplished.

Sweetsburg suffers after annexation

Dear Sir:
As members of the executive of the Sweetsburg Citizens Committee, we are writing to air our views and ask a few questions on some subjects of interest to all the citizens of our Town.
As you know we were recently annexed by the Town of Cowansville and at that time one of the most vigorous arguments for annexation was the promise that our Town would get better police and fire protection from Cowansville than we had of our own. At that time, we of the Citizens Committee foresaw the fact that Cowansville would be unable to supply proper fire protection due to the fact that most of us live from 2 to 3 miles from the only fire station in Cowansville, which incidentally now has an area almost the size of Sherbrooke. At the time of annexation, item No. 5 on our list of demands covered just such a cause as this. We asked that a fire station or fire equipment be maintained in Sweetsburg as we have had in previous years, but were assured by Cowansville's Mayor and Councilors that they were well qualified to serve us as well as themselves.

Why should the lives and property of a town be handed over to another Town to protect, without an investigation being carried out first as to their capabilities? As far as we have seen to date they can neither give us adequate fire nor police protection for it takes them 3 minutes to get their police cars to start. Their fire department is not only slow but very inefficient as witnessed at the recent fire of the property of J. J. Larouche here on Saturday, May 15 at 6 p.m. They laid the blame on all sorts of things including the people Sweetsburg for congesting the streets to help the Larouche family, who incidentally would not have been able to save what they did if not for their neighbors. Their police and fire chief was not even capable of clearing a path for the fire truck if they needed it. This house was made of 3 layers of brick and stucco, and as the fire started way back in two wooden sheds, there was no need of this old house burning at all. They also blamed our water pressure, but whose job is it to check the hydrants and water pressure from time to time? There was a fire on that hill

over a year ago and the pressure from that plenty hydrant was very good, plenty enough to fight any fire.
We would also like to know why any news from Cowansville or Sweetsburg is always three days late? Are we not just as important as other towns to you?
Thanking you for letting us air our problems and trusting that the people of Sweetsburg will get some help in this matter,
I remain,
Yours truly,
(Mrs.) Marcel Fregeau
Sec.
Sweetsburg citizens committee.

Ready when mountaineers needed

Rescue group born in disaster and it exists now for disaster

VANCOUVER (CP) — Vancouver's Mountain Rescue Group was born in disaster and exists for disaster.

The 82-member group is ready to assist at short notice in rescues or in disasters calling for trained mountaineers. Ten of the volunteers were the first outsiders to reach the Grandeur Mining Co. camp, 530 miles northwest of here, after it was wiped out by an avalanche last February. Twenty-six men died.

When one man was dug alive from the snow after being buried for 78 hours, two of the group were at his side within minutes. Besides helping to recover bodies, several of the group patrolled the Leduc Glacier to watch for further avalanche threats.

Ian Kay, a Vancouver mechanical engineer and the towering leader of the group, said it was formed in 1957 after a TCA plane crashed into Mount Slesse, 70 miles east of here, killing all 62 aboard.

Several mountaineers had worked together the previous year to search for three youths missing on Mount Seymour near Vancouver. Two of the youths were found alive. The other died.

When the Slesse disaster occurred, the climbers decided it was time they had some kind of organization to meet such disasters.

During the eight years since its formation, the Mountain Rescue Group has conducted or helped in 42 rescue missions and been responsible for saving at least five lives.

EQUIPMENT SUPPLIED
Mr. Kay says he cannot estimate how many have been

aided or saved by the group alone, because it often works with other groups, the RCMP and private companies, the RCAF and individuals.

When the group is called upon to help in a disaster, Kay and other leaders telephone members until they get the required number. Most of them leave their jobs and work on their own time and expense.

The provincial government provides a small grant for equipment — walkie-talkies, collapsible mountain stretchers, pulleys, shovels, avalanche probes and first aid supplies. And most of the members own their own personal climbing equipment.

Dick Cuthbert, a fifth-year student at the University of British Columbia, says the or-

ganization fills a gap in the RCAF Search and Rescue set up which is geared for air and marine rescues.

He said that when a university student was found dying on a mountain ledge near Invermere in the British Columbia interior last summer, his group was the only one able to move in for the rescue.

Mr. Kay said the group would like to be recognized officially for the work they do and perhaps receive some compensation for the time lost from their jobs while they are engaged in rescue operations.

"But we don't want status and compensation that would involve us in a lot of red tape and form filling," said Mr. Cuthbert.

TODAY IN HISTORY

The last Fenian raid on Canada was defeated 95 years ago today—in 1870—when the invaders, led by Fenian president John O'Neill, returned to the United States after they were fired upon at Eccles Hill in the Eastern Townships of Quebec. The Fenian raids began in 1866, in sympathy with Irish aspirations for independence which had been repressed by the British.

By 1871 the Roman Catholic Church had condemned violence and the movement withered away. An indirect result of raids on New Brunswick in 1866 was the colony's application to join Confederation.

FIFTEEN YEARS AGO

(From the Record of Thursday, May 25, 1950)

SHERBROOKE — Two young Sherbrooke musicians ranked first and second respectively, in the contest for the Edgar Genest scholarship held during the two-day music clinic at Shawinigan Falls over the weekend.

They were Serge Garant, who performed on the clarinet, and Paul Pizeon on the trombone, the latter is the pupil of Harry Tinker.

TEN YEARS AGO

(From the Record of Wednesday, May 25, 1955)

GILMAN'S CORNER — Mr. Wesley Allnut and Miss Janice Allnut went with the Knowlton High School, grade 9 pupils, to Quebec on a pleasure trip.

Gerald Waring REPORTING

OTTAWA — The possibility of a Quebec election this year, for reasons I reported in this space on Saturday, adds a new ingredient to the rumor not bubbling about a federal election this fall.

While some Liberals argue strongly for a 1965 federal vote, I don't believe Prime Minister Pearson is ready to pull the plug on Parliament unless he feels he is forced to it.

A month ago I noted that two things could force him: defeat of the government in the Commons, and a renewal of opposition obstructionism. The former now appears highly unlikely and the possibility of the latter has been diminished by Opposition Leader Diefenbaker's disavowal of intention to filibuster the obvious target for obstruction, the government's proposals to reform parliamentary procedure through time limitation of debates and other devices.

I said a month ago that my only criticism of Mr. Pearson's failure to hold an election this year would be on the ground that a new and stronger mandate would enable Ottawa to take a firmer stand against the efforts of the Quebec government to undermine and usurp federal authority. Quebec's hardening attitude over such things as treaties, banks and Labrador power, and Quebec's apparent desire to foment rather than avoid differences with Ottawa, suggests a third factor that might force Mr. Pearson into an unwanted election — especially if he could get in ahead of Mr. Lesage.

★ ★ ★

A hard Quebec attitude in the forthcoming federal provincial conference on cooperation in Mr. Pearson's War on Poverty could presage Mr. Lesage's intention to seek a new mandate this year. No Quebec government can afford to appear at election time as the handmaiden of the government at Ottawa, regardless of common political complexion.

Thus it may not be coincidental that the intensity of Quebec's demands on Ottawa is mounting at a time when Mr. Lesage is having trouble keeping up the steam on the quiet revolution, when rumors persist of a split in his cabinet as between hasty revolutionaries and conservative revolutionaries, and when a snap election may be his most effective strategem.

★ ★ ★

The conflict of cabinet personalities in Quebec is partly a result of dissatisfaction of ministers like Rene Levesque, Paul Gerin-Lajoie and Eric Kierans with progress of the quiet revolution. To them the flame burns neither as brightly nor as high as it did, and they want to add more fuel. Conservatives in the ministry like Claude Wagner, Emile LaFrance and Bona Arseneault see the slowdown as a time of consolidation — necessary and not undesirable.

If you're asking yourself can I afford it?

This message might provide a positive answer.

If a major purchase costs more than you want to spend, the Bank of Montreal Family Finance Plan might well be the difference between having it to enjoy and going without.

YOU CAN PURCHASE WHAT YOU WANT, WHEN YOU WANT IT.

Do you have your eye on a new automobile? A new washing machine? A new TV set? Or a new wardrobe for the family? The Bank of Montreal Family Finance Plan enables you to take care of all your credit needs without putting a heavy strain on your pay-check. This single, comprehensive plan is the modern, economical way to buy the things you want, when you want them. And you enjoy them as you repay the loan arranged to suit your needs.

YOU CAN BRING ALL YOUR CREDIT NEEDS UNDER ONE ROOF.

Medical and dental expenses. Fuel and tax bills. Insurance and mortgage payments. Tuition fees for college. Emergencies and recurring commitments sometimes take quite a bite out of your budget. The B of M Family Finance Plan puts cash in your hands to help you meet these and other eventualities.

YOU CAN BORROW UP TO \$3500.

It's surprising how many people don't know you can walk into any branch of the Bank of Montreal and arrange a large personal loan. Depending on your income, you can obtain up to \$3500, or even more, and arrange the payments to avoid a strain on your income.

YOU CAN TAKE UP TO THREE YEARS TO REPAY YOUR LOW-COST, LIFE-INSURED LOAN.

When you take advantage of the B of M Family Finance Plan, you can repay your loan in regular monthly payments geared to your salary — and take as long as three years. A B of M loan saves you money on two counts: The interest is low and you can take advantage of cash prices for your purchases. All B of M loans are automatically life-insured, an important feature that protects your family.

You can learn all about the Family Finance Plan from the manager of your nearest B of M branch. See him today. And be sure to ask him for the free booklet: "How to Live on Your Income and Enjoy It".

OBITUARIES

CLINTON SHERRER, OF DUNKIN

DUNKIN — The death of Clinton Sherrer occurred suddenly on May 6, 1965, at his home in Dunkin.

Mr. Sherrer was born at Abercorn July 23, 1885, the eldest son of the late Patrick William and his wife Florence Lapante. March 9, 1910, he married Ruby Sophia Young, by whom he is survived. Also surviving are their eight children, Loren, Gladys, Evelyn, Donald, Myrtle, Merrill, Cecil and Elaine. He was predeceased by two daughters, Marjorie and Iris.

Mr. Sherrer spent all his life time in this area, except for a year in Framingham, Mass. He farmed all his life except for a few years which he spent as a cheese maker and operator of a skimming station.

He possessed a talent for carpentry and repair and was often called upon to help a neighbor repair a break down.

The funeral service was held

at 2 p.m. Saturday, May 8, at the United Church in Mansonville. Rev. C. Gustafson officiated. The organist played two hymns, Abide With Me and Nearer My God To Thee.

The bearers were Eustace Sherrer, Kenneth Sherrer, Lynn Royce, Warren Sornerberger, Wilber Fullerton and Harold Aiken.

Interment was in Ruiter's Settlement Cemetery at Dunkin. Among those present were relatives and friends from St. Alban's Bay, Richford, Cowansville, Sutton, Abercorn, Stanbridge East, Waterloo, Montreal, Longueuil, Peterborough, Ont., and Victoria, B.C.

Bury U.C.W. holds meeting

BURY — The regular meeting of the United Church women was held in The Sunday School Room on May 13, with Mr. Raymond MacLeod and Mrs. Thomas Stokes as hostesses.

The devotional period was based on Envy and was conducted by Mrs. W. Cathcart, with Mrs. A. Whitehead reading from the Scriptures.

In the absence of the secretary, Mrs. G. McGee, the minutes of the last meeting were read by Mrs. Whitehead.

Mrs. W. Cathcart and Mrs. Gwyllyn Lawrence reported on their visits to St. Paul's and Rosemary Rest Homes. In the coming month the two Homes will be visited by Mrs. Wright Goodenough and Mrs. Irene Franders. Several other visits were made to sick and shut-in neighbours.

Four members brought in material for aprons, and one member brought in an apron she had made, as donations to the work table.

The paper drive was mentioned. Anyone who can should bring their papers to the home of Mr. and Mrs. Raymond MacLeod before the end of May.

Mrs. J. D. Harrison reported that Mr. Harrison has finished the kneehole desk he was making for the church, and it will be delivered within a week.

Mr. Harrison should have the bulletin board completed in a few weeks.

It was decided to give the usual gift to a June bride. Mrs. Earl Goodenough offered to attend to the purchase of the gift.

The members were asked to save used nylons, as these are badly needed.

Thank offering, envelopes were returned by some of the members. The members have been invited to hold the June meeting in the manse, in Cookshire, with Mrs. J. A. Filshie as hostess.

The roll call was answered by 20 members, with one visitor present. Following meeting a sale of plants, slips and bulbs was held, from which the proceeds were very satisfactory.

Sweetsburg house ruined by blaze steeped in history of the region

By JAMES McALLISTER
(Record staff reporter)

SWEETSBURG WARD — One of the oldest homes in Sweetsburg Ward was lost to posterity when the home of Jean-Jacques Larouche was destroyed by fire Saturday, May 15.

The house of 12 rooms, which was situated on what is now the corner of Larouche and Hillcrest Streets, on a section of raised land overlooking the Yamaska River, was at least 150 years old.

The house was the home of Mr. Larouche for 45 years. His parents moved into the home when he was just seven years of age. Twenty-six years ago when he married, he brought his new bride to live there, said his daughter Annette, Mrs. Maurice Nictette, of Sweetsburg.

The house was built by one John Church, some years after he settled on the land in 1799.

The house which was built of three layers of brick and recently covered with a layer of stucco and a verandah added, is said to be the oldest brick house in the original limits of Dunham.

According to a story in the Annual Report of the Missisquoi County Historical Society of 1908, from which much of the material for the story was derived, it has been claimed to be the oldest of that type of construction in the county of Missisquoi.

John Church was of German descent. His family name before it became Anglicized, was Schultze.

Mr. Church came to Canada at the opening of the revolutionary war. He later enlisted in the British Service having fought in the army of Burgoyne at the time of General Burgoyne's surrender.

Following his release from the service he returned to Canada; first settling at Caldwell's Manor, known today as Clarenceville.

From there he came to Dunham Township in 1799 and settled down on the present site

OLD JOHN CHURCH TAVERN — This building which was located in Sweetsburg and estimated by historians to be at least 150 years old

in Sweetsburg. A few years later he built a frame house and opened a store in one part of the building. Some years thereafter, the exact date is not known, he built the brick house.

Mr. Church had a store near the building, where he and his son John Jr., carried on a trade with the citizens of the surrounding area for many years.

The elder John Church also had a pearl ash factory and a distillery, where potato whiskey was brewed. According to history the place was a center of note for nearly a half a century, under the name of Churchville.

was destroyed by fire on Saturday, May 15. The house which was the home of Jean-Jacques Larouche for 45 years, was built by John

The name of Churchville was changed to Sweetsburg in the year 1854.

The old house was for a considerable period of time known as Church's Tavern and it became a central point for stages and teamsters of the early days of Churchville.

A man by the name of Carpenter who died around the year 1895, was according to the Missisquoi Historical information compiled in 1908, the last person to keep a hotel (or tavern) in the building.

The house and land remained in successive generations of the Church family until the early

1900's when it was acquired by one Brown Cady.

John Church who originally came from Dutchess County, New York, was a Captain in the militia of Missisquoi County.

"Many a social gathering," to quote from the Missisquoi historical report, "was held in that old brick house in the days when it was a leading tavern of the Eastern Townships, known far and wide."

A prominent man in his day and locality, (he died in 1839) many a good story is still current as to his business methods in the primitive days."

BOARD OF DIRECTORS MEETING — Members of the Eastern Townships Forestry Association Incorporated met at the home of Mayor Roland Desourdy, in Cowansville Thursday morning, May 20, for a board of directors meeting. Subjects discussed were the Regional 4-H Club Congress to be held in Megantic sometime in early June, the care and handling of newly planted trees in the town-

ships three million trees were planted in the Eastern Townships area in 1964. Also discussed were the inspection of forests under the jurisdiction of the department, the 1965 contest for owners of woodlots and sugar bush operators and the 1965 Congress of the association which will be held this year on October 7 at Drummondville. In the afternoon the group of 20 men toured the town of Cowans-

ville. In the photo, left to right are: Dr. Roger Veilleux of Nicolet, president of the association; Mayor Roland Desourdy, of Cowansville; Roland Boulanger, of Warwick vice-president; Herman Fournier, a director and Michel Belanger, forestry engineer, in charge of the Cowansville office of the Department of Lands and Forests. Edgecombe-Thorneloe marriage

St. Paul's Church was the scene of a pretty spring wedding on Saturday evening, May 1, at 7:30 o'clock, when Jo-Anne, daughter of Mr. and Mrs. Richard Thorneloe, of Marquette, was united in marriage to Kenneth Leslie Edgecombe, son of Mr. and Mrs. Arthur Edgecombe, Sherbrooke. Rev. Geoffrey Renshaw officiated at the ceremony. The wedding music was played by Irving Richards and the Junior Choir sang, "O Perfect Love, during the signing of the register. White carnations and white and pink snapdragons were used in decorating the church.

The bride, given in marriage by her father, wore a street length gown of pink chiffon over tulle, the bodice fastened with lace having a square neckline which tapered to a V in the back. Her waist length three tier veil of pink nylon net was held in place by a rose trimmed pill box. She wore a strand of pearls and matching earrings and carried a bridal nosegay of pink roses and shasta daisies.

Miss Anita Klossner, as maid of honor, was in a street length dress of cotton lace in light blue, having a scoop neckline, fitted bodice and a straight skirt. Her headpiece was a large white veiling trimmed bow, and she wore a corsage of light yellow roses.

Mr. Ted Wright acted as best man and the ushers were Messrs. Richard Thorneloe, brother of the bride, and William Edgecombe, brother of the groom.

Mrs. Thorneloe, mother of the bride chose a dress of turquoise lace over tulle with matching jacket, a white hat and a corsage of a pink carnation.

Mrs. Edgecombe, the groom's mother, wore a light blue knitted suit, with matching blue hat, and a dark pink carnation corsage.

On leaving the church the bride and groom were greeted by the Seventh Sherbrooke Cubs and Scouts, and as they passed the Cubs the boys performed the "Grand Howl" for their Cubmaster, the groom. At the end of the Cub line the groom was presented with a gift from Scoutmaster Verlin, den, the scouts forming a guard of honor for the bride and groom to pass under.

Following the ceremony a reception was held at the Auberge Royal Hotel. The bride's table was centered with a two ringed wedding cake made by Mrs. Thorneloe. White candles on either side and light pink gladioli encircling the cake, completed the table arrangement.

Out of town guests were from Marquette, East Angus, Port Credit, Ont., Bishopston, and Montreal.

Mr. and Mrs. Kenneth Leslie Edgecombe.

53RD. REGIMENT CHAPTER, I.O.D.E.

A business meeting of the 53rd Regiment Chapter, I.O.D.E. was held on May 13, at I.O.D.E. House, with 9 members present. The regent, Mrs. C. Varney, presided.

The following reports were given: Treasurer, Miss J. Irving, stated that the recent rummage sale and card party had proved successful financially, other financial reports and disbursements were given.

Education, given by the regent, in the absence of Mrs. L. Humphries, showed that calendars had been placed in the lower grades in Mitchell School. It was decided that the Chapter would sponsor Grades 1 and 2 in Mitchell School; prizes to be awarded in September. It was also decided that money be set aside for the Educational Fund.

Services at home and abroad, Mrs. Lapointe reported that four members attended the Cancer Clinic and helped with the making of 13 packages of 4x4. It was announced that the day would be changed to Wednesday afternoon.

Echoes secretary's report showed that all subscriptions had been sent in. World affairs convener, Mrs. R. Loughheed read an interesting article, "The New Constitutional Amendment Formula," by the National Secretary of World Affairs, Mrs. Henry J. Brooke.

The regent expressed appreciation to the members for their support at the card party and rummage sale. A special thanks was made to Mrs. A. Fairbrother, convener of the card party.

It was announced that a social evening would be held at I.O.D.E. House on May 27 for members and friends.

Refreshments were served at the close of the meeting by the hostess, Miss J. Irving, assisted by Mrs. C. Varney.

ST. PAUL'S W.A.
The ladies of St. Paul's Woman's Auxiliary were hostesses on Sunday afternoon at the annual Little Helpers' party.

The children and their parents after being welcomed by Mrs. G. Heath then attended a short impressive service, conducted by the rector, Rev. G. Renshaw. The little ones participated in a candle lighting ceremony as they presented their offerings for overseas missions.

Later, games were played in the lower hall, followed by refreshments. The long table had a centerpiece of mums and there were candy favors for the children.

As they left each child received a small gift to take home.

PLYMOUTH U.C.W.
The regular meeting of the Plymouth United Church Women was held on May 11, in the church parlor with 28 present. The president, Mrs. P. Rawlings, was in the chair. The

Polly's pointers

DEAR POLLY — I stopped using the "grease" container that came with my salt and pepper stove set as I never seemed to reuse the grease. My sister suggested that I use the container for bulk salt. I find it is much easier to dip and measure a teaspoon or partial teaspoon of salt than it is to pour it from the original container.

Cover with adhesive-backed or paint two of the one-pound coffee cans with plastic lids. Label them "BIG" and "LITTLE." I call them job jars. Have hubby choose a slip of paper from one of them. This slip will list just one job to do in his spare time. Often I help him plan the fixing of the more time-consuming repairs contained in the "BIG" job jar. Repairs listed in the small job can should not exceed 45 minutes to an hour for completion. All over that go into the BIG jar. This little gimmick has helped my husband clean up a number of needed repairs without the usual nagging from me. Frankly, I call it suggesting or reminding but he insists it is nagging—MRS. A. L. B.

DEAR POLLY — I feel sure other mothers are struggling with making doll clothes just as I am. The hardest part used to be putting in the facings around the tiny neck and armhole openings. Now I make a narrow facing of iron-on tape for a neat finish with no stitching and no fraying. After sewing front and back together at the shoulders, machine stitch along the seam line at neck and arm openings. Clip seam along curves and turn under seam allowance. Make the facing by laying the bodice on the tape with the right side of material down on the dull side of tape. Trace along the seam line and then cut out about one-quarter inch away. Cut out and iron on—ANNE

GIRLS — Even those who don't sew can do wonders with iron-on tape. Betty, my right-hand helper, says she hemmed her shower curtain with this tape.—POLLY

Women's place is in the world

MONTREAL (CP)—A woman's place is in the world, Mrs. Joseph Willen, president of the National Council of Jewish Women of the United States told Canadian members here Wednesday.

"We have a responsibility to our children, and the quality of the society they will inherit depends on our moving beyond the four walls of our own homes," she said in addressing delegates to the 13th biennial convention of the National Council of Jewish Women of Canada.

"My home and family always come first, but it is really not difficult to combine a full home life and a career as a volunteer worker."

A New Yorker, and a member of the committee appointed by President Johnson to foster voluntary compliance with the Civil Rights Act, Mrs. Willen said many people wonder why the Jewish organization concerns itself with people who are not Jewish.

Two children with something in common: a date, a doctor and their hearts are mended

TORONTO (CP) — Lisa Jane Parker, a pretty baby from Georgetown, P.E.I., and Sterling Hamilton, a dark-eyed New Brunswick farm boy, have little in common but a date and a doctor.

Lisa's island home is 200 miles from the farm where Sterling lives outside Newcastle, N.B. Neither knows the other exists.

But on Thursday, March 25, 1965, on the second floor of the north wing of the Hospital for Sick Children, surgeon George A. Trusler and a medical team of dozens gave Lisa and Sterling life.

Lisa, then nine days old, was flown from Charlottetown that day to have an electric pacemaker attached to her faltering heart. Sterling, nine years old, underwent open-heart surgery the same day to correct a defect that had made him an invalid since birth.

As dramatic as the day was for Lisa and Sterling, it was unremarkable for the staff of the cardiac unit at Sick Kids. Cardiac surgeons Trusler and William T. Mustard and their resident assistants attract juveniles with heart trouble from across Canada, the United States and elsewhere.

SURGERY COMPLEX
Although many of the operations are painstakingly complex—Sterling's took six hours—the Trusler-Mustard team performs a dozen or more a week.

In the front line are a group of heart physicians under Dr. John Keith who can diagnose the problem in a child's heart minute and then cooling it with a stethoscope and refined training that can detect which

of several valves is damaged, precisely where a heart wall is malformed. Behind the surgeons is the intensive-care recovery unit, an often-crowded ward where each patient is watched around the clock by two, sometimes three, specially-trained nurses and a battery of electronic watchdogs. The rapidity of the progress in medicine is emphasized in the cases of Lisa Jane Parker and Sterling Hamilton.

Lisa, born March 16 to Mr. and Mrs. Frank Parker, had a heart rate of about 30 beats per minute compared with a normal rate of 110 to 120. Charlotteville pediatrician Ross Parker, no relation to Lisa, decided she should be flown to Sick Kids, the hospital where he trained.

When Sterling was two, unadvisedly inserted heart rate monitor to sustain normal exertion and blue around the fingers, ordinary measures failed to help. Dr. Trusler opened the chest and attached two wires directly to the heart muscle. At the other end of the yard-long wires is the battery-charged pacemaker, a box the size of two cigarette packages that shocks the heart to beat at a life-giving rate.

Lisa does not develop an adequate heart rate naturally, the pacemaker will be a permanent part of her anatomy—pouched to the outside of her body until she is big enough to get a miniature replacement fixed permanently inside her chest. Many children are now living healthy, happy lives with permanent pacemakers.

About the time that Sterling Hamilton was born with a complex heart defect known as the "triangle of Fallot," Dr. Walton C. Lillehei was developing an experimental surgical technique in Minneapolis for total correction of the tetralogy.

Ruby tells of taking pep pills before shooting JFK's killer

By MARY ELLEN HARRIS

DALLAS, Tex. (AP) — Jack Ruby told Monday how he took numerous stimulant pills before killing Lee Harvey Oswald.

He said he fears that he and Oswald will be linked in the assassination of President Kennedy.

The Warren commission report said Oswald killed the president.

"To the American people and the world . . . I'm going to be branded a part of a conspiracy with Oswald," said Ruby.

"You're going to forget how I felt about the beloved President Kennedy. There has been so much torment, so much hardship . . ."

Ruby's discourse, wandering from topic to topic and punctuated with emotional pauses, came during a hearing in which Joe Tonahill, who was on Ruby's trial defense team, was taken out of the case for Ruby's forthright testimony.

Tonahill's removal was ordered by Judge Louis T. Holt, who said the question of Ruby's counsel would be settled by the Texas court of criminal appeals following the sanity hearing.

TOOK 30 PILLS

Ruby, his face pallid from more than a year in jail, said he took 30 antibiotic pills and others that "stimulate you and make you want to do positive things" after awaking Sunday, Nov. 24, 1963, the day Oswald was shot to death.

He said he brooded about the Kennedy children being fatherless but noted: "What quirked me after that I don't know. As God is my judge, that is the truth."

Ruby repeatedly referred to "one of the most bizarre conspiracies in the history of the world" to link him to Oswald, and seemed to have lost hope of escaping the electric chair.

"I know that I am a lost cause as far as saving my life . . . I know there is a whole conspiracy behind it," Ruby said. At another point, he noted: "I walked into a trap when I walked down that ramp (into the city hall basement where he shot Oswald). I know I am going to die a horrible death."

Speaking of that Sunday, he said: "I shouldn't have tried to play the part of a hero. My background wasn't clean enough to play the part of a hero."

THANKS JUDGE

He thanked Judge Holland for allowing him "to speak for myself because I never had attorneys to speak for me," and appeared to regret the use of his trial defense team, Tonahill, Melvin Belli and Phil Burleson.

"I'd have done better if I'd thrown myself at the mercy of the court . . ." he said.

Asbestos news

Police report is given

ASBESTOS — The police department in the month of April investigated twenty traffic accidents. This brings the year's total to 81.

The patrol made 19 escorts to the local banks and 14 for funeral services. 87 street lights were reported defective. Eight persons were arrested, and one person requested overnight protection. One person appeared in magistrate court, one in municipal court and three before the Welfare court in Sherbrooke. One person was fined. One was given a jail term. One was handed down a suspended sentence and one motorist had his permit suspended.

Twenty-six investigations were made during the month. Six persons were fingerprinted. Five letters of recommendation were issued. Five thefts were investigated.

Four hundred and ninety-four patrols were made in the town. Four animals were destroyed on the authority of the owners. Six establishments doors were found unlocked by the night patrol. Two children reported lost, were located. Three identification cards were issued.

The fire department was called out on nine occasions for grass fires. No material loss was reported.

Trotter and Company have been appointed to audit the town accounts.

Grants were approved for the Asbestos Harmony Band to the amount of \$2,875; The Public Library, \$2,500, and the St. Barnabe Recreation committee, \$200.

Armand Proulx, treasurer, was delegated to attend the Municipal Finance Officers annual convention to be held, June 9 to 12.

Snow removal costs for the term of 1964-65 amounted to \$26,287. This figure exceeded the 1963-64 costs which amounted to \$23,553. The estimated costs for the current year was for \$36,500.

Construction permits amounted to the value of \$67,050 for the month of April. This compares with an evaluation of \$29,650 for 1964. The total evaluation of permits issued to date this year, amounted to \$109,300 compared with \$113,775 for 1964.

Backs UN force

MONTREAL (CP)—The Shah of Iran, on a three-day visit to Montreal as part of his state visit to Canada, came out strongly in support of Canada's suggestion that there should be a permanent United Nations peace force when he answered questions at a press conference here Monday.

Of the American actions in Viet Nam and the Dominican Republic, the Shah said: "Either you are for or against the principle of standing against aggression, and I see no difference between standing against aggression in Viet Nam and Berlin. In the other place (the Dominican Republic) I think it more the responsibility of the OAS to get together and find a solution."

Eastern Townships Y's Men's Track and Field Meet

By LEN O'DONNELL

Bishop's College School came through with a strong rally in the closing events of the 23rd annual Eastern Townships Interscholastic Track and Field Meet Saturday to emerge once again as the dominating figure in local track circles.

Last season Stanstead College walked off with the championship and the Skinner Trophy, emblematic of the Meet, but this year they had to settle for second spot, 24½ points behind the strong purple and white squad. BCS amassed a grand total of 90½ points to win the event. Last year was the first time in eight years that Bishop's College School didn't finish on top.

A total of eleven records were broken despite the cool and wet conditions. In the morning things went off smoothly but in the afternoon the sun disappeared but this failed to halt the youngsters as six records were smashed in the afternoon.

Thirteen schools took part in the event a grand total of 327 entries. Drummondville High School, Cookshire High and Pope Memorial High of Bury dropped out at the last minute.

Richard Allen of Knowlton High broke the Broad Jump mark in the Pee Wee class when he registered 14 ft. 2½ in. Bill Billson of Lennoxville High also set a new mark in the same class when he leaped 4 ft. 4½ in. to better the old mark by over two inches.

In the Bantam class only one new record was set and it was in the Junior Discus when Bill Anderson of Granby High tossed it 122 ft. 1¼ in. to smash the old one by over 10 feet. In the Midget event Don Montano of Bishop's College School ran the 100-yard in 10:75 while in the 220-yard, in the same class, G. Heald of Sunnyside High was clocked in 2:39.

Three records toppled in the Juvenile class with Stanstead College taking two of them. John Douglas of SWC leaped 5 ft. 10¼ in. and then heaved the discus 129 ft. ½ in. to better the old mark by over six feet. The other mark in the class went to H. Gotthel also of SWC, in the 8-lb. shot when he tossed it 55 ft. 6¼ in. to break the old mark by five feet.

In the junior class two new records were established. Y. Wrathall of Stanstead College tossed the 12-lb. shot 48 ft. 4¾ in. compared to 43 ft. 11 in. set by J. Brohman, also of Stanstead last year.

Bishop's College School set two records in the relays. They won the 880-yard relay in the Juvenile class when they crossed the wire in 1:39. In the junior class they came through with another record in the Medley-Relay winning in 3:52.6, chopping six seconds off the record set in 1961 by another Bishop's College School quartet.

Bruce McMartin, Pete Janon, Keith McClellan and Pete Porteous set the record in the Juvenile class while Thomas Davis, Mike Patrick, Robbie Montano and Doug Reynolds comprised the squad in the Junior event.

Stanstead College finished second with a total of 66 points while Sherbrooke High and Lennoxville finished deadlocked with 53 each. Knowlton High was fourth with 47 while Granby was next with 39½ and Sunnyside High was sixth with 34.

Cowansville followed with 17. Sutton High with 14½. Princess Elizabeth High of Magog had 10 with St. Francis High of Richmond and ADS of Boston by legal entanglements, is now set for the chummy confines of the central Maine Youth Centre.

Doug Reynolds of Bishop's College School won the High Individual of the Meet when he amassed a total of 20 points to win the Sherbrooke General

Sports Commission Trophy. He was awarded the J. S. Mitchell Trophy for winning the High Individual in the Junior Class.

Bishop's College School won the Warren Lynch Trophy for winning the Junior class with a total of 39½ points. John Douglas of Stanstead won the high in the Juvenile with 12 points and picked up the City of Sherbrooke Athletics Commission Trophy. BCS won the term prize in the Midget class and the Charles Connors Trophy with 21 points but Bill Anderson of Granby copped the Hunter Trophy with 11 points. Stanstead won the team trophy in the Juvenile class with 31 points and the Jean Mayenne-hoelder Trophy.

Lennoxville High won the Bantam class with Art Chamberlain winning the High Individual taking the Syd Hart Trophy and the BP of Canada for the team. Knowlton and Sherbrooke finished deadlocked for the Sherbrooke Record Trophy each with 15 points in the Pee Wee class.

Richard Allen of Knowlton High won the High Individual in the Pee Wee class and the H. A. Rothfels Trophy when he picked up 12 points. Clifford Lusby of Stanstead College won the Sam Abbott Trophy when he took the Open Mile over a large field.

Ken Strew was the Chief Marshal of the Meet while Emsey Elkas was the Track Marshal and Bruce Coulter the Field Marshal. Sam Abbott was the starter while Ron Bishop and Curtis Bishop were the co-chairmen of the Meet and Bob Jarjour was in charge of the entries.

The presentation of the trophies was delayed for over twenty minutes as a downpour hit the grounds just after the final event had been run off. By presentation time several coaches and their squads had left for home in their buses.

Liston ready, says Lincoln, to go distance

LEWISTON, Me. (AP)—Challenger Sonny Liston feels better about his Tuesday night fight with heavyweight champion Cassius Clay. He discovered Friday he's under state protection.

"Yeah," said Liston, who has been nicknamed the bear by Clay, "up here in Maine, there used to be a bounty for hunting bear. Now the bear is protected by the state."

"I know I'll have no trouble now." The bout, postponed from last November by Clay's hernia operation and bounced from each with seven points, St. Patrick High School making their first attempt pulled up with 6½ for their initial showing.

Doug Reynolds of Bishop's College School won the High Individual of the Meet when he amassed a total of 20 points to win the Sherbrooke General

Als split with Granby, Lachine here tonight

Sherbrooke Alouettes split their opening twinnish with the Granby Cardinals Sunday when they won away 2-1 and lost their home opening fixture 8-1 before some odd 1,000 fans.

Tonight the Als will be at home to Mike Burack and his Lachine crew and the locals will be seeking their first home victory after dropping the opener. Coach Daviault is looking for a better performance from some of his players.

Sunday evening failure to hit in the clutches proved costly to the Als. Time after time they had good opportunities but their sluggers failed to come through.

This evening they face a new club in the circuit but Coach Burack, a former player with Granby, has assembled a good squad. They are reported in having several former players of the Provincial League and should give a good account of themselves.

In Granby Sunday afternoon Claude Prud'Homme turned in a fine performance for his first showing in the league. He needed help from Andre Besette in the sixth but the strong lefty held onto the slim margin and Prud'Homme was credited with a 2-1 victory.

Pierre Potvin came through with a lusty double in the sixth frame to drive Maurice Hurtubise home with what proved to be the winning run. Andy Pratte's double and Hurtubise's single set up the first tally. Claude St. Vincent came through with two singles to help the Als' cause.

On Sunday evening, on their home grounds, the Als lacked the extra drive and booted the ball five times while the Cards were charged with only two. This was the difference but the

big factor was the failure of getting to Alworth, who held the Als to four scattered hits.

Fred Alworth held the upper hand throughout the tilt. He whiffed nine and issued only four free passes to first. Sherbrooke used three hurlers, Al Dix opened but was lifted for John Kabat and he in his turn was taken out in the ninth with Bert Morin finishing off the game.

Robert Champoux, Gilles Robichaud, Lillas Poole and John Kabat accounted for the Als' four hits, all singles. Steve Oleschuk was the best for the Cards with three singles while John Self and Nick Teista each picked up two.

Several members of the City Council along with Mayor Nadeau were on hand for the opening. President Yvon Ellyson formed part of the battery with Gerard Chapdelaine, MP, and Mayor Nadeau. Gaston Lebrun and Yvon Beaulieu of the Parks department were on hand also.

Aldermen Felix Thibault, Carl Camirand, Tony Pinard,

Robert Gauthier and Gerard Bo-dard were on hand for the opening activities prior to this evening game. Manager Len Cote and Coach Daviault are looking for better all-around performances from

Red Sox take two from Indians as Orioles sweep two from Tigers, Senators and Yanks split bill

Bill Freeshan thinks like a hurt the effort.

"He knows my pitches, what I like to throw, and when I like to throw it," says Lolich. "He thinks like a pitcher. And he never lets his hitting interfere with his catching."

As it was, Freeshan made a shambles of Al Lopez' vaunted staff Monday night, belting two home runs, one a grand slam, as Detroit Tigers rolled to an 8-3 victory over Chicago.

Freeshan's slugging helped Mickey Lolich to his sixth victory of the season and, if you take Lolich's word for it, his batterymate's catching didn't

hurt the effort.

"He knows my pitches, what I like to throw, and when I like to throw it," says Lolich. "He thinks like a pitcher. And he never lets his hitting interfere with his catching."

Freeshan's hitting was certainly interfering with the White Sox' catching. His grand-slam homer capped a six-run Tiger rally in the third that erased an early 2-0 Chicago lead.

In the fifth inning Freeshan lagged another homer, his third of the season, closing Detroit's scoring.

Elsewhere in the American League, New York Yankees thumped Cleveland Indians 15-5 and Baltimore Orioles nipped Washington Senators 2-1.

In Sunday's games Chicago downed Los Angeles Angels 8-3, Baltimore swept a doubleheader over Detroit 7-3 and 8-3, Boston Red Sox took two from Cleveland 6-2 and 6-3 and Washington split with the Yankees, winning 7-3 and losing 3-2. Kansas City Athletics and Minnesota Twins were rained out.

On Saturday the Yankees blanked the Senators 6-0, Boston hammered Cleveland 8-4, the Athletics whipped the Twins 6-2, Detroit outslugged Baltimore 8-4 and the Angels topped the White Sox 6-3.

Freeshan's third inning shot was the first grand slam for the 23-year-old catcher who is in his third full season with the Tigers. Bill, a \$125,000 bonus baby, batted .300 and was one of only five American League hitters to reach that figure last season.

The Yankees also used the long ball to batter Cleveland. Joe Pepitone ripped a grand-slam homer and Tommy Tresh added a two-run shot as New York exploded for its biggest run output since August 1962.

Pepitone's shot, his third homer in as many games, climaxed a seven-run Yankee sixth and then New York wrapped it up with four more runs in the seventh as Tresh connected.

Mets upset Phillies twice, Cards stop Dodgers

A juvenile delinquency expert is no match for a pair of elderly one-armed bandits.

As a result, New York Mets continue to lead Pittsburgh Pirates in the National League's battle of the basement.

The Mets, out of their familiar cellar spot for more than two weeks, took two games from Philadelphia Phillies Monday night, 6-2 and 4-1, behind two pitchers whose combined ages total 78 years.

The Pirates lost ground to the Mets even though they won their fourth consecutive game, defeating Chicago Cubs 6-4. Donn Clendenon, the juvenile authority, continued his torrid hitting, collecting three hits in four at-bats.

Manager Casey Stengel, 74, sent out Warren Spahn, 44, and Frank Lary, 34, to try and halt the Mets' six-game losing streak. To do it, they had to beat the best the Phillies had to offer—Jim Bunning and Chris Short.

They did—left-hander Spahn scattering 10 hits in the opener and right-hander Lary hurling a one-hitter through eight innings in the second game.

Clendenon, meanwhile,

brought his eight-game streak to 16 hits in 31 trips for a .516 average. His over-all mark has rocketed 56 points to .331.

PROBES DELINQUENCY

A graduate of Morehouse College, Clendenon worked last winter in the office of the district attorney of Allegheny County (Pittsburgh) as a member of a special committee on juvenile delinquency.

Referring to the delinquency problem, Clendenon says: "We're in trouble."

So are the Pirates. They're in last place, 1½ games behind the Mets.

Elsewhere in the NL, St. Louis Cardinals defeated Los Angeles Dodgers 6-4, Cincinnati Reds stopped Houston Astros 5-2 and Milwaukee Braves edged San Francisco Giants 4-3.

In Sunday's games the Cubs outlasted the Dodgers 3-2 in 16 innings, Pittsburgh clobbered Milwaukee 10-1, the Giants downed Houston 5-2, the Cardinals shaded the Mets 8-7 in 12 innings and the Phillies edged Cincinnati 4-3 in 10.

On Saturday Pittsburgh

trimmed Milwaukee 9-4, the Dodgers defeated the Cubs 3-1, the Giants split with Houston, winning 10-1 and losing 3-2, the Cards whipped the Mets 5-1 and the Reds blasted the Phillies 9-4.

Announce New Healing Substance: Shrinks Piles

Exclusive healing substance proven to shrink hemorrhoids and repair damaged tissue.

A renowned research institute has found a unique healing substance with the ability to shrink hemorrhoids painlessly. It relieves itching and discomfort in minutes and speeds up healing of the injured, inflamed tissue.

In case after case, while gently relieving pain, actual reduction (shrinkage) took place.

Most important of all—results were so thorough that this improvement was maintained over a period of many months.

This was accomplished with a new healing substance (Bio-Dyne) which quickly helps heal injured cells and stimulates growth of new tissue.

Now Bio-Dyne is offered in ointment and suppository form called Preparation H. Ask for it at all drug stores—money back guarantee.

Brome County Fish and Game Club holds meeting, pick five men to act as guards at various ponds

MANSONVILLE — On May 20 Brome County Fish and Game Club met in the Town Hall at 8 p.m. It was decided to choose five men to act as guards for the various ponds.

Sugar Loaf Pond opened for the season on May 22. The club have decided to buy 50 pheasants which will be reared by one of the club members and released in the autumn. The club has 2,000 trout at Gardner's Pond, which will shortly be transferred to Sugar Loaf Pond. Another much larger pond is under construction at Gardner's; when finished this new pond will hold 10,000 trout.

Recently, a number of club members, assisted by Carl Krausser with his bulldozer, moved the club house to a new location and made a parking lot.

Heinen Pond at Highwater, has 10,000 salmon which when they have the proper growth will be placed in Lake Memphremagog. A pond, now being built at McGill Research Laboratory, will be stocked with 15,000 brown trout, which will eventually be placed in the Missisquoi River.

Little League opens tonight

The Sher-Lenn Little League Baseball opens its 1965 season tonight at the Parade Grounds. White Sox takes on the Twins and the Tigers and Orioles clash. The starting time is 6:30 p.m.

Games will be played on the same ground Wednesday and Thursday. The official opening of the league will take place Saturday afternoon, June 5, at 2 p.m.

R. Guertin's Mighty Council C wins Invitation Pace

Cops Meadow Gold Pace in 2.11 3/5 in Sunday's main event, good crowd was on hand, next card tomorrow

Mighty Council C, owned by Mrs. R. Guertin of Johnville and driven by Rosario Guertin, walked off with the honors in the Meadow Gold Invitational Pace yesterday afternoon on the opening card presented by the Sherbrooke Racing Club.

A good crowd was on hand to see the six-year old black horse lead the nine-horse field under the wire in 2.11 3/5. They went to the half in 1.05 1/5 with Sandy Gallon, the property of the Joy S Stable of Pointe Claire, setting the pace. At the half Sandy Gallon broke stride when trying to take lead and finished at the end of the class.

Mighty Council C was forced to hold on as Sir Express Allie came driving hard on the last bend with Miss Jessie Direct, another favorite, battling it out but the fleet-footed Mighty Council C managed to hold on to his short lead to finish ahead of the field. Mrs. Guertin was presented with a cooler by Alain Veilleux of the Drummond Stable.

Florence Dillon and Miss Key Win formed the double and \$10.90 was collected as the railbirds were picking them well for the opening date. No big payoffs were registered at the track Sunday. The first quinella, in the fourth, paid \$13.80 when Doc Red and Royal C. Way finished 1-2. The Perron gelding broke at the start but then settled down and rounded the field to win going away.

The biggest price of the afternoon was paid in the seventh when Peggy Angus and Volcan

Tass led the field home. They paid their backers the sum of \$30.80. The best win bet was in the eighth when the backers of on Direct C collected \$22.60 while \$10 was shelled out for a place investment.

In the tenth Rolland Jodoin teamed Sir Royal Truax ahead of the field with Wilfred St. Cyr guiding Sir Velvet home to second place. The sum of \$17.20 was picked up for the exacta. The times for the day were high as the majority of the drivers seemed content to pick up a win without forcing their horses too much being so early in the season.

The next card is slated for Wednesday evening with Post Time at 8 p.m. On Sunday the races went off every twenty minutes with extra time for the quinella and exacta. The completed card was over by 5.15 and this seemed to meet with the approval of the fans.

Marius Amiot of Rimouski wins O'Keefe Mount Sutton Hill Climb, twenty-three take part in event

MOUNT SUTTON — Marius Amiot, of Rimouski driving a Corvette won the 2nd annual O'Keefe Mount Sutton Hill Climb here on Sunday before 5,000 spectators.

The 34-year-old service station owner beat out 22 other competitors and won the O'Keefe Trophy by navigating the 1.6 mile hard surfaced dirt track in 90.38 seconds.

Stewart Ramsey of Hudson Heights, driving a Renault R3 Gordini placed second with a time of 103.89. Jacques Duval of Montreal also driving a Renault Gordini placed third with a time of 104.91 seconds.

The hill climb sponsored by O'Keefe Brewery was run by the Sutton Junior Chamber of Commerce, who will use the proceeds for a needed swimming pool as part of the Sutton Recreation Centre.

The 1.6 mile course winds through 13 corners from the base of Mount Sutton ski centre at an altitude of 1400 feet and climbs to the 1750 foot level.

The winning driver proved that it wasn't so much the car as the driver, as he skillfully beat out a field of 22 drivers from all over the Province driving a variety of engines from Austin Coopers to MGs and from Mustangs to Corvettes.

Before his Sunday victory, Amiot won class victories in the Gaspe and Perce rallies. The 1964 champion, Jean Ouellet also of Rimouski did not defend his title as his car wasn't prepared.

On Saturday's practice runs up the course took place and at 1:30 p.m. Sunday the first car sped off on the first of the four runs up the hill.

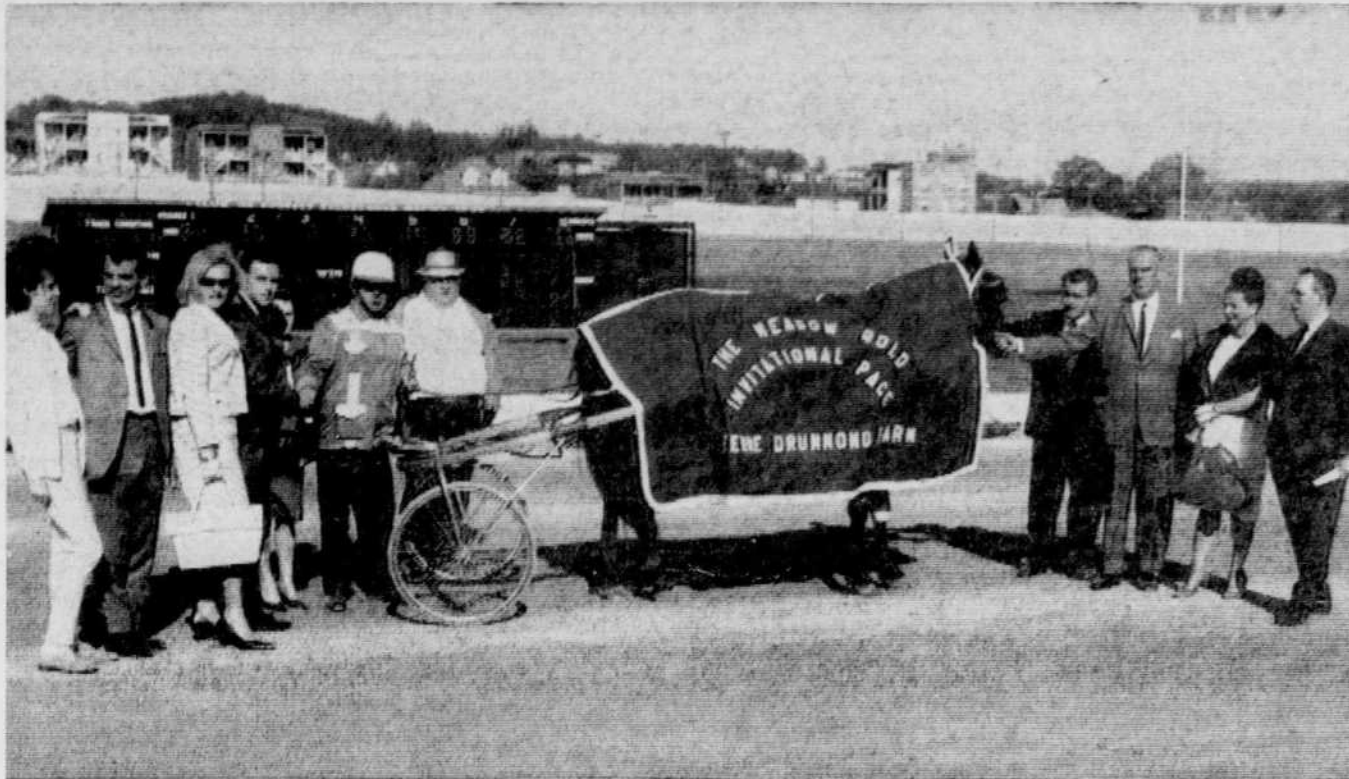

The placing of the drivers was decided on the best time of the four runs and the classes were divided into sedans and sports cars.

The following are the seven other drivers who placed in the top ten: Bill Birch of Sorel driving a Porsche came fourth with a time of 106.90.

Fifth, Norm Verreault of Montreal driving a Griffith, time, 107.73. Sixth, Don Schwartz of Quebec, driving a Corvette at 110.51, and Francois Favreau of Montreal driving a Lotus Super 7, at 110.51.

Seventh, Michel Allard of Sherbrooke driving a Morris Cooper with 111.40. Ninth, Guy Provencier of Three Rivers driving an MGB with 112.04 and tenth Guy Lariviere of Sutton driving an MGB with 112.14.

The following are class winners, sedans, up to 850 cc, Hans Gehrig of Montreal driving an Austin 850 with 115.59. In the 850 to 1300 cc class, Stewart Ramsey of Hudson Heights driving a Renault Gordini with 103.89.

MEADOW GOLD PACE WINNER — Shown above is Mrs. R. Guertin of Johnville accepting a cooler from A. Veilleux of the Drummondville Farms for winning the Meadow Gold Invitational Pace Sunday afternoon at the local track. Mr. Veilleux is seen congratulating driver Guertin on winning the event.

YESTERDAY'S STARS

Batting — Bill Freehan, Detroit, smashed two home runs—the first a grand slam that climaxed a six-run outburst in the third inning—powering the Tigers to an 8-3 victory over Chicago White Sox.

Pitching—Frank Lary, New York, pitched a one-hit shutout for eight innings, then needed relief help after allowing a run and two hits in the ninth, as the Mets completed a double-header sweep by stopping Philadelphia Phillies 4-1.

CAHA to make helmets compulsory for minors

VICTORIA (CP)—Compulsory use of protective helmets by junior-and-under players was a major item on the agenda as the Canadian Amateur Hockey Association began its 49th annual meeting Monday.

If adopted the rule change would put protective headgear on some 180,000 young Canadians playing hockey, said secretary-manager Gordon Juckes.

The Ontario Hockey Association resolution went through a CAHA rules committee Sunday, during a heavy round of weekend committee meetings preparatory to the four-day annual meeting.

In all 182 resolutions have been prepared for the CAHA meeting, ranging from correction of typographical errors in the rule book to creation of a national hockey team within the armed forces.

RUSSIA DOES SAME

The latter proposal, from the Alberta association, is similar to the system used by Russia and some European countries.

A major proposal was rejected in committee—a move that would have given the OHA Junior A Series a bye into Memorial Cup play against the West. The OHA asked to be allowed to bypass other eastern teams into the Memorial Cup final.

Other proposals scheduled for the meeting deal with adjustment of junior age limits. At present a player qualifies for junior if he is under 20 on May 31 of the season he wishes to play.

LAST NIGHT'S FIGHTS

New Orleans — Bob Foster, 176, Washington, D.C., stopped Charlie Leslie, 172½, New Orleans, 3.

Liston favored over Clay tonight

LEWISTON, Me. (AP)—In a 3,000 or so spectators may pay about \$150,000 for the live bout, but the closed-circuit telecast, 258 locations in North America, the Mutual Broadcasting System and CBC radio broadcast, the Early Bird transmission to Europe and other extras may make this a \$5,000,000 promotion.

Reports that there may be an attempt on Clay's life by followers of the slain black nationalist leader Malcolm X have increased interest in this controversial return bout but failed to cause any noticeable stir at the ticket office.

There may be only 3,000 paying customers in the high school hockey rink when Clay, a 13-to-10 underdog, steps into the ring at 10:30 p.m. EDT to defend his crown against the man he dethroned in a controversial fight in Miami Beach 15 months ago.

But, through closed circuit television and the Early Bird satellite, millions will see the fight that should answer the many questions people have been asking since the unbeaten Clay became champion Feb. 25, 1964.

Each fighter will collect \$600,000 or more for a battle that few experts expect will go the limit.

Clay, 23, earlier had predicted he would flatten his rival in nine rounds, three rounds, and "early." On the eve of his first defence, however, he would not predict any round.

"I'm just going to beat that tired old man," said Clay, winner of all 20 of his pro fights, 16 by knockouts.

"I'm gonna get him on a knockout," said Liston, listed as 31 but believed to be at least five years older. "I made a mistake I ain't gonna make again. I got new plans. If he comes to fight, it'll be short. If he comes, 'I'm gonna let him come,' said Clay. "And when he does I'm gonna circle him and stick him — circle and stick. I'm gonna pop, pop, pop him."

That's the way the first fight went. This time the Liston brain trust says the muscular ex-champion, unbeaten in 28 fights over a nine-year period until he bowed to Clay, will attempt to "blind" Clay, will attempt to the end of the sixth, Liston, blood streaming from a wide gash under his left eye and complaining that his left shoulder was injured, yielded his title.

They were supposed to have met in Boston last November but an emergency hernia operation for Clay forced a postponement and then a dispute over the promotional background finally sent the fight out of Boston to this textile town of 40,000.

At prices of \$25 and \$100, only a referee who can count to 10.

Liston's record is 35-2, including 25 knockouts.

The reports that Clay may be the target of black nationalist avengers haven't blunted his bravado. He has been guarded by police since his arrival here Sunday.

"They don't scare me no how," said Clay. "I fear no living man, only Allah."

Sportsvision, Inc., which is handling the closed circuit television, took out a three-day, \$1,000,000 policy on Clay "as a way of demonstrating that we don't see any likelihood of anything happening. We got the policy for \$1,000 and that's 1,000-to-1 odds. We're confident everything will go off according to schedule."

If your beneficiary dies first, what will happen to your life insurance benefits?

When the unexpected happens, as it sometimes does, it's important to know what steps to take. That's why the competent advice of your Manufacturers Life representative is so valuable. Here are some of the practical points he'll cover.

1. Unless you originally named an alternative or contingent beneficiary, the money from your policy would be payable to your estate. This may tie up the money and subject it to creditors claims and unnecessary estate costs. In the end, it might not even go to the person you would have chosen unless your will is up to date.

2. If young children were also originally named as beneficiaries, and they are still under age, another problem arises. Unless you make special provision, the policy proceeds at your death would have to be paid into court and held until they reach their majority.

But don't wait until something like this happens. Call your Manufacturers Life representative to-day. He will review your beneficiary arrangements—and suggest changes if they are necessary. He is experienced in matters of this kind, and he offers you the kind of counsel you can rely on.

A lot of cars under \$2,000. accelerate like you stepped on a wet sponge.

One doesn't. Renault 8/1100.

The Renault 8/1100 goes "0-60 in 13.8 seconds." CAR & DRIVER MAGAZINE says it will "blow off anything in its class" in acceleration. Yet the Renault 8/1100 costs you less than \$2,000, at port of entry.

And has fully independent suspension. And 4-wheel disc brakes. And 5-inch deep foam rubber seats. As well as up to 45-miles-per-gallon. Put these features together with things like complete sound-proofing,

a great heater, an engine that starts instantly when it's 30° below, and anti-rust dipping, and you've got yourself quite a car. All for under \$2,000. (p.o.e.)
