LACHINE.

A town on the River St Lawrence and Island of Montreal, parish of St Michel, seignior of Montreal Island, county of Jacques Cartier, district of Montreal. Incorporated in 1872. It is the summer residence of many Montrealers, and has become famous by its annual regattas. In the winter months it is greatly frequented by pleasure parties, and at all times of the year a drive from Montreal to Lachine by the upper and in by the lower road, is considered a rich treat to the stranger, and even to the citizen of Montreal. Lachine possesses a large brewery; has a good local business and extensive lumber trade. The Montreal, Lachine, and Province Line railway here connects with a steam ferry at all seasons of the year for Caughnawaga, an Indian village immediately opposite, and thence by the continuation of the same road to New York. A ship canal connects the navigable waters at Montreal with Lake St Louis at Lachine. Montreal Telegraph Co. has an office here. Distant from Montreal 9 miles, fare 37½c.; 25c.; and 12½c. Mail daily. Population about 2,000.

THE

GREATEST OPPORTUNITY

EVER OFFERED

TO PROCURE

IN A

BEAUTIFUL SUBURBS OF A GREAT CITY.

FIVE HUNDRED VILLA LOTS, forty feet front by a depth of one hundred and twenty feet each lot, and fronting on either of the following avenues, viz.:—Dufferin, Monkland, Molson and McLynn avenues, between Third and Seventh streets, Mount Royal Vale, will be sold for four hundred and eighty dollars per lot, to be paid in weekly instalments of one dollar, until the whole amount is paid, without interest, except on arrears of payments, on which interest will be charged. Purchasers paying the full amount off at any time will be made a liberal discount. The lots are free from all encumbrance. The title deeds and registry searches can be seen at the office of R. A. Ramsay, Esq. When purchasers shall have paid up for one year, they shall then get a deed with all the privileges and conditions of the deed heretofore given by the vendor of the lots sold by him on the same property. A few hundred lots of equal area on the different streets and avenues north of Central Avenue, will be sold for three hundred dollars per lot, to be paid in weekly payments of fifty cents, in other respects subject to the above terms. Books for Subscribers are now open at the office of Thomas F. O'Brien, 832 St. Mary Street, or on the premises. The situation combines advantages beyond comparison. A handsome village is already established, with an efficient line of omnibuses to and from the city Post Office; brick, sand and stone can be had at nearly one-half less than city prices; the principal avenue is macadamized, and footpaths laid the entire length, and extends to the city; water works are in course of construction, and a true system of drainage contemplated. Were such improvements to be made at the expense of the purchasers, they would cost more than the price of their lots, so that this property is, comparatively, given away. The proprietor hopes that the interest of a large number of purchasers in the development of this great property will in some degree recompense him for such a sacrifice.

TOWN OF ST. HENRY.

A newly incorporated town, adjoining the city limits of Montreal, and formed by the amalgamation of the former villages of Coteau St. Augustin and Tannery West. The Town of St. Henry is situated in the seignory of Montreal, county of Hochelaga, and district of Montreal. The Lachine canal intersects the town, and signal stations of the Grand Trunk Railway are situated here at the junctions where the roads branch off east and west, and to Montreal and Lachine.

The municipality of St. Henry is governed by a Mayor and Corporation, and a separate Fire and Police force is maintained. The town contains several important industries, amongst others an extensive rolling mill, tannery, boot and shoe factories, brick yards, &c., &c. Building is being prosecuted briskly, and the town bids fair to rise into some importance. Distance from Bonaventure depot, 2½ miles; from Lachine 5 miles. Population about 13,500.
