WESTMOUNT, FRIDAY, JANUARY 30, 1948

PRICE—THREE CENTS

New Food Centre To Be Erected On Greene Ave.

The erection of a new building on the present site of Westmount Taxi Service on the east side of Greene Avenue is planned, according to information released this week. It is said that the new building will be known as the Westmount Food Centre, and will be a two storey structure equipped with refrigeration lockers, for the use of the public on a rental basis, and a store specializing in the sale of fish, meat and fresh vegetables on the ground floor, and that the upper floor will contain a large dining room.

Work preliminary to actual construction of the building has already been started with the construction of a contractor's shack now under way on the property.

To make way for the construction of the new building, Westmount Taxis Service Reg'd, owned by P. T. Golden, has been granted a permit to establish a taxi stand on the vacant property at the south-east corner of St. Catherine Street and Metcalfe Avenue. Provision in this permit granted Mr. Golden allows for the operation of 15 cars.

An interesting sidelight in this connection is that a shack was seen going up on the property occupied by the Western Taxi, across the street from the present location of the Westmount Taxi Service. It was thought this might be for the use of the drivers, but upon inquiry, the answer was given that the same construction company which will erect the proposed Westmount Food Centre on the east side of Greene Avenue, is going to build on the west side also. It could not be learned what the latter building is to be, or when and where the Western Taxi stand will move.

One Injury Listed In Ten Accidents During Past Week

Ten traffic accidents are listed at the Westmount Police Station as having occurred in the municipality within the past week, as the Examiner goes to press. All were reported to be of a minor nature, and only one personal injury is listed.

Alfred Binns, of 11 - 15th Avenue, Lachine, received a shaking-up and a bloody nose, when the vehicle in which he was riding as a passenger westward on Sherbrooke Street, struck the rear of a tram which had stopped at Melville Avenue, around 11.30 p.m., on Saturday. The automobile driven by Stanley Binns, 271 - 7th Avenue, sustained considerable damage to its front end.

Joint Meeting Of C.C.F. Clubs

The Notre Dame de Grace and Westmount C.C.F. Clubs will unite for the purpose of holding a joint meeting in the Oak Room at Victoria Hall on Wednesday.

This will take the form of a symposium to be held by George Tompkins, Gordon Galbraith and William Dodge, of the Verdun, St. Lawrence-St. George and Westmount C.C.F. Clubs respectively.

Subjects to be discussed include "Some Constitutional Problems Facing a C.C.F. Government", "The C.C.F. and Banking" and a wide audience participation is anticipated. The meeting is open to the general public.

Higher Birth-Rate Recorded For 1947 At Local Hospitals

Statistics released from three local hospitals show an increase in 1947 in the Birth-rate over the previous year and that boys once more are in the majority. Thirty-one sets of twins were also recorded during the past year, a total of two sets of twins over figures for 1946.

Herbert Reddy Memorial

For six consecutive years, boys have held the majority at the Herbert Reddy Memorial Hospital, 4039 Tupper Avenue, this year's total being 655 boys to 598 girls in the 1253 total recorded. Eleven sets of twins are included in this total which is a decrease from the 1946 figures when thirteen sets of twins were recorded from 984 births.

The boys topped the girls 534 to 450 in that year and again in 1945 with a total of 390 to 354 girls, and eleven sets of twins. In 1944 they again topped the girls with a 384 to 340 margin.

Homoeopathic Hospital

A total of 868 babies were born at the Homoeopathic Hospital, 2100 Marlowe Avenue with the boys gaining a slight majority, 435 to 433. Included in this total were ten sets of twins, seven more than the total for 1946 when 799 babies were born there.

Girls headed the number of births in 1945 with a total of 367 to 354, and in 1944 they were on the short end of a 385 to 345 record.

Catherine Booth Hospital

Of 1459 babies born last year at the Catherine Booth Mother's Hospital, 4400 Walkely Avenue, 780 were boys, 679 girls. Ten sets of twins were also on record as compared with the sixteen sets of twins from 1399 births of 1946.

Catherine Booth Mother's Hospital is operated by the Salvation Army and had a total expenditure of \$94,522.19 with an operating deficit of \$2,760.61, is latest report.

Alderman J. S. Cameron Appointed Actng Mayor

Alderman J. S. Cameron was appointed acting mayor of Westmount for the months of February, March and April at the last council meeting, to replace the present acting mayor, Alderman G. L. Fowler, it was announced this week. The acting mayor automatically becomes chairman of the general committee, in which the mayor sits as a member.

NEW QUEBEC RED CROSS COMMISSIONER

Wing Commander G. P. Hedges, M.B.E., M.C., E.D., who has been appointed Commissioner for Quebec Provincial Division of the Canadian Red Cross Society, taking the place of Major D. J. Corrigan, D.S.O., M.C., who is retiring September 1st.

Percy Jarman Tells Rotary Club About Rotary Magazine "Rotarian"

"The January issue, 1948, marks the 37th anniversary of our magazine," declared Rotarian Percy E. Jarman, addressing the Rotary Club of Westmount on the subject of "The Rotarian," the monthly magazine of Rotary International.

Mr. Jarman was introduced by president Bud Close, who pointed out that he is a past president, having been fourth president of the Rotary Club of Westmount in 1933-34, and that under his able leadership at that time funds were raised to found Weredale Camp, which is "without a doubt the finest such Camp in Quebec, and perhaps in Canada."

The first number of the Rotarian was issued in January, 1911, under the name "The National Rotarian," said Mr. Jarman, adding that 5,000 copies were printed at that time. This year, the presses have printed 275,000 copies of the January "Rotarian" and 31,000 copies of the "Revista Rotarian". The combined output is now read by so many people that Rotary International is calling it the "Universal Reader".

Because the magazine is paid for indirectly, and is delivered to each Rotarian each month, Rotarians are apt to take it for granted, but the "Rotarian" is perhaps the best buy on the market, and is one product that has not gone up in price. One of the reasons for this is that all of the purchase price goes into the production of the magazine, there are no excessive costs in advertising.

The Rotarian is a magazine of high literary calibre, declared Mr. Jarman, adding that the New York Publication "Readers Guide to Periodical Literature", which lists articles contained in high class periodicals for reference purposes, includes the "Rotarian", which is a high compliment to the magazine.

The articles it carries are chosen with great care, he stated. "It's not just a matter of filling the pages. The contents are planned from 3 to 6 months in advance, and revisions are made as the occasion demands, right up to the time of publication," he declared. He added that the magazine is free

St. Andrew's Choir Honours Fred Whiteley

On Thursday evening of last week, following their last choir rehearsal under the baton of Mr. Fred Whiteley, the choir members of St. Andrew's United Church, Westmount, held a farewell reception in his honour pending his retirement at the end of January.

Mr. Whiteley was the organist and choir director at St. Andrew's Church for more than thirty years and many past members of his choir were also present to wish him God speed.

A presentation of a chair was made to Mr. Whiteley by G. Leslie McCrae, chairman of St. Andrew's Music Committee, on behalf of the choir, and Mrs. W. H. Lewis, president of the choir, presented Mrs. Whiteley with a handbag and cheque.

Following the presentations, Mrs. Harold Mills joined Mr. Walter Neal in a duet called "The Promise", frequently sung by them in time past, following which Mrs. Mills sang "My Prayer" and a Scottish ballad.

Refreshments were then served, the piece de resistance of these being a cake made by Mrs. D. O. Bremner, which she decorated with the first few music bars of "Auld Lang Syne" and accompanying words. Solos were then rendered by John Grant, Herbert Hewitson, one-time tenor soloist at St. Andrew's, and Edgar Davies. A highlight of the evening occurred when, at the request of his choir members, Mr. Whiteley directed and accompanied them in the favourite old hymn "The Lord's My Shepherd."

The minister of St. Andrew's, the Rev. D. M. Grant, then spoke a few words in which he paid high tribute to Mr. Whiteley's splendid and faithful service with the choir.

This memorable evening in the annals of St. Andrew's Choir was drawn to a close with the singing of the hymn "Blessed Be the Tie That Binds" led by Messrs. David Whitelaw, Herbert Hewitson, John Grant and Edgar Davies, followed by "Auld Lang Syne."

Nat Jacobs Will Discuss Reading On Air Tomorrow

Radio station CFCF, tomorrow at 7 p.m., will broadcast an address by Nat. W. Jacobs, K.C., of Westmount, who will speak under the auspices of the City Improvement League and the Municipal Service Bureau on the subject "Killing Time".

Mr. Jacobs' talk will be concerned with the use of leisure time for reading. He will deal with reading habits, and books, good and bad, and their influence on the development of citizenship and character, in which the City Improvement League and the Municipal Service Bureau are vitally interested.

He will conclude his interesting address with a number of suggestions on how to derive the greatest satisfaction and benefit from what we read in our spare time.

Youth Sentenced To Penitentiary For Repeat Theft

Joseph Rogers, 20, no given address, was sentenced to a penitentiary term of two years when he pleaded guilty before Recorder C. A. Hale, on Tuesday, to three charges of breaking and entering and four charges of theft of an automobile. All three offences occurred at the property of the Imperial Oil Service Station at the corner of Sherbrooke Street and Grosvenor Avenue in the space of the last three months.

As the result of a telephone call reporting a loiterer to the police station, young Rogers was apprehended near the site of his previous offences and taken to the police station. Under questioning, he stated that he had broken into the station on three previous occasions, and each time had taken one of the cars parked inside. Within a day or two he had returned the car stealthily and slipped away.

The apprehension of the thief was made possible by the co-operation of Mrs. Maxwell, of 4775 Sherbrooke Street west, who immediately reported her suspicions of the man who was obviously loitering.

Y.M.C.A. NOTES

Westmount Boys' and Girls' Hobby Show — March 31st to April 3rd..

At the last meeting of the Westmount Boys' and Girls' Hobby Show Committee, composed of representatives from the various schools in the Westmount Area and from other Youth serving organizations, it was announced that the dates of this year's Hobby Show will be Wednesday, March 31st to Saturday, April 3rd. Members of the Hobby Show Committee are canvassing various firms and stores in the Westmount Area for advertising, so that the Annual Westmount Boys' and Girls' Hobby Show booklet might be published. Some 2500 copies of this booklet will be distributed personally throughout the Westmount area, and this will serve as a syllabus of the show.

A department of special exhibits has been created, and adults interested in crafts and hobbies who would like to make special exhibits are asked to get in touch with any member of the Hobby Show Committee or the Boys' Work Secretary Y.M.C.A., EL1106.

The purpose of the Hobby Show is to demonstrate to the boys and girls in the Westmount area the value of a hobby in daily life.

This year's theme will be on "Canadian Handicrafts", and various large firms in the Montreal area have been asked to put in special exhibits.

It is expected that some departments, such as cooking and sewing, model railroading and photography will be considerably expanded this year as materials are now available which were difficult to procure during the war and immediately after, and that this year's show, operated by the boys and girls themselves, will be even more successful than shows of previous years.

At the last meeting of the Westmount Boys' Work Committee, members of the Friday Nite Club presented their Constitution for acceptance, and an interesting discussion on the development of the work in the St. Henri area was held.

Guests at this meeting included — Mr. Campbell, Principal of Lewis Evans School, Mr. D. Milton, Christian Youth Centre, and Harold Stocker, President of the Y-Employed Boys Club in that area.

It was announced there would be an Amateur Night in the St. Henri District on March 19th, in which all sections of the membership

would take part.

A Junior Bean Feed will be held Wednesday, beginning at 4 p.m. at the Westmount Y.M.C.A. All Junior members are asked to attend this event.

The Westmount Y-Eba Club is holding its regular meeting this evening to discuss programme. A list of interesting speakers is being drawn up and a regular series will be held each Friday evening.

Members of the Westmount Hi-Y Club were addressed by Dr. Witkov. Dr. Witkov is a leading Dermatologist and his talk proved most interesting to members of the Club present.

It is with regret that members of the Triangles Club learned that Mrs. A.W. Swan would be unable to continue as Mentor. The Club is now seeking a new Advisor to fill in during the absence of Mrs. Swan.

The 'teen-age Saturday Night Dances' at the Westmount Y.M.C.A. continue to be well attended. Last week a sleigh ride was held, in which members of the Club took part. The next dance will be held tomorrow. Each member may bring one guest. No guests unaccompanied by a member will be admitted.

This week's movie at the Westmount "Y" will be "The News Hounds" featuring the Bowery Boys. The usual serial will be shown in the morning.

The Public Speaking Club, under the guidance of William Hardie, is making progress. New members are joining and taking advantage of the introductory talks on methods of speaking in public. "Preparing the Body of the Speech" is the subject under discussion next Tuesday, at 8.15 p.m., and members will have an opportunity to speak on a subject of their own choice. New members are welcome.

"Dark Eyes", a Russian farce by Miramova and Leontovich, is the selection of the Play Reading Group for their meeting on Tuesday. Mr. and Mrs. Kenneth Ransom will cast and direct the action of the play. Any young adult interested in this form of dramatics will find a welcome.

Music lovers will find a greater appreciation of their favorites by attending the Music Appreciation Group which meets every Thursday evening, at 8.15 p.m. Last week members found a great interest in the variety of instruments of the symphony orchestra and in recognizing them in combination.

Young Prog-Cons Percy Jarman Advised To Take Part In Politics

Patrick Irwin, secretary-treasurer of the Young Progressive Conservative Association, in an address to members of the organization at Victoria Hall on Tuesday evening, stressed the need for politically minded young people.

"It is up to the youth of Canada to hold fast to the rights, both social and political, that have been so bitterly fought for," he said. "Corruption might well exist, but if you, as individuals, do nothing about it, then you have no one but yourselves to blame for the consequences," he added.

He declared that this lackadaisical attitude was partly due to the inadequacy of our school textbooks, stating that we are given vague, biased pictures of our heritage, which tends to lull us into our present stage of complacency.

Concluding, he stated that "We stand for individual freedom, security and opportunity, and consider the British Partnership on the basis of co-operation of each for the betterment of all."

Wallace Beaton, chairman, introduced and thanked speaker.

Unity Club Has New Athletic Directors

Fraser Woodhouse has been appointed acting director of the Unity Boys' Club, and with Dennis Ellerbeck as program assistant, a top-notch schedule is expected at the club. Mr. Woodhouse is a third year physical education student at McGill, while Mr. Ellerbeck was a member of the 1947 football team.

A floor hockey league for the boys is being formed in the 8 to 15 age group, and a novice ice hockey league will use the rink at Staynor Park.

The Unity group has entered teams in city-wide Youth Group basketball and ice hockey leagues with the hockey schedule already under way and the basketball league slated to begin next Thursday with the first game against Eastward Youth Club at the Maisonneuve School.

of questionable articles, that its articles are based on the 4 objects of Rotary Club Service, Vocational Service, Community Service and International Service. For example, he mentioned different articles and authors.

"I really think the 'Rotarian' helps you to become a better Rotarian. It will take Rotary into your everyday life and your home life, and ensure that you will not fall into the class that thinks of Rotary around noon on Wednesdays."

He concluded with the suggestion that as a measure of Rotary Education, the board of directors of the club appoint a magazine committee to see that the interesting items of the "Rotarian" be given wider spread publicity, in furthering the Rotary Education Plan.

He was thanked, on behalf of the Rotary Club, by Edward Everson.

Sleigh Ride Held By Unity Youth

Despite sub-zero temperatures, twenty-four members of the Unity Youth Group attended a sleigh ride held by the club last Friday evening. The trip included a tour through Crawford Park, Verdun, and then back to the Kinsmen's Club in Verdun for refreshments and dancing. These were arranged by the Director of the Kinsmen's Club, Mr. Howard.

Last evening, the whole troupe of the Westmount Unity Frolics journeyed out to Ste. Anne de Bellevue by bus to put on a show for the veterans at the military hospital.

There have been many changes in the show, the latest of these being the Cole Hole Trio, a very rhythmic group which fits in very well with the show. The chorus line also has a new and very smooth routine which went over very well with the men.

The "Frolics" will be making a tour of the Youth Group Clubs in the city during the months of February and March.

Judaeo-Christian Institute Planned At Emanu-El

On Monday, February 9th, the Seventh Temple Emanu-El Institute on Judaism will be held at the Temple Emanu-El Community House. Professor Julian Morgenstern, President Emeritus, Hebrew Union College, Cincinnati, Ohio, will be the guest lecturer, and will deal with the theme "the Judaeo-Christian Origins of Democracy." The luncheon session will be addressed by Professor R. B. Y. Scott, of the United Theological College, Montreal. Dr. Stern founded the Temple Emanu-El Institute seven years ago with the purpose to advance the study of comparative religion and the means of considering together in the spirit of academic fellowship subjects and problems of common interest and also to strengthen the spiritual insight of the Canadian community.

Among the sponsors of the Institute are the following distinguished theologians and educators: The Rt. Rev. John Dixon, Bishop of Montreal; Dr. John Astbury, educator; Rev. Angus Cameron, Minister of Church of Messiah; The Rev. Dr. K. C. Evans, Dean of Montreal, Rector of Christ Church Cathedral; Dr. W. A. Ferguson, Principal of Montreal Diocesan Theological College; Dr. G. R. Cragg, Pastor Erskine American United Church; Dr. W. A. Three Rotary Districts To Hold Mtl. Convention

The Rotary Club of Montreal is organizing one of the biggest Convention gatherings coming to Montreal in the current year and will act as host to Rotarians of over 125 clubs. It is a conference of the members of three Rotary Districts, and a registration of two thousand people is anticipated. The Conference opens on Sunday afternoon, April 25, and concludes after a luncheon meeting on Tuesday, April 27.

The gathering will be a truly International one. Included in the three districts are 11 clubs in the Province of Quebec, among which are the Montreal Westward, Westmount and Verdun Clubs, 14 in Ontario, and over 100 clubs in the State of New York.

In addition to Rotary Clubs in Greater Montreal, other clubs which are sending large delegations, in some cases by special train, are Ottawa, Ont., and Waretown, Elmira, Rochester, Binghamton, Ithaca, Syracuse and Utica, N. Y.

District Governors William S. Emery, of Montreal, G. LeRoy Collins, of Rochester, and Harold F. Albert of Binghamton, have met in Montreal and in conjunction with the Rotary Club of Montreal have appointed Rotarian J. L. Busfield as Chairman of the Organizing Committee.

Other members of the Committee are J. N. Cole, Treasurer; G. E. K. Derick, Secretary; R. D. Forster, Attendance Promotion; Norton Watson, Entertainment; F. U. Puffer, Banquets and Lunches; W. B. Tingle, Housing; H. R. Crabtree, Printing and Supplies; Char-

les Brenchley, Publicity; John Boulard, Reception; J. Campbell Elder, Registration; W. A. Gray, Sergeant-at-Arms; Emile Lemieux, Signs and Decorations; J. Whitelaw, Speakers and Pierre Gravel, Transportation.

Special entertainment will be provided for the visiting ladies by a Committee under the chairmanship of Mrs. F. R. Deakin.

Boys' Brigade Annual Appeal Opens Tomorrow

Annual financial appeal for the Boys' Brigade will open tomorrow. The 1st Company has always made a good showing and looks forward to going "over the top" this year. Boys will be issued with their envelopes and will start out early in order to make the most of the campaign week. There will be keen competition between the boys for top place as there are some attractive prizes offered for the top-notchers. Part of the funds raised goes toward maintenance of the Canadian Dominion Council, but the largest portion remains with the unit.

This week members of the 3rd Company will be welcomed as it pools forces with the 1st, along with the juniors of the 8th Company. There will be the regular programme followed by inter-company basketball and floor hockey.

Members of the Company now have their maroon and gold hockey sweaters which look very smart. The boys really appreciate them and are proud to wear them. Cpl. Gordon Turner was presented with an ont for having brought in the largest returns on Christmas card sales. Pte. Bob Marshall, for being runner-up, was awarded a basketball sweater.

The boys regret to learn that Lieut. A. G. Anderson sustained a fractured fore-arm when he fell on an icy sidewalk. He is now recovering rapidly and despite his difficulty will carry on his First Aid group.

The Company will very shortly invest all new recruits with their badge of membership along with a Brigade New Testament. This special ceremony is presently being arranged and will soon be announced.

Final Tribute Paid Mrs. Morrison

Impressive final tribute was accorded Mrs. W. J. Morrison, wife of "Bill" Morrison, former sports editor of the Gazette, of 76 Somerville avenue, when a large number of friends attended her funeral service, held in the Chapel of Jos. C. Wray & Bro. Mountain street, on Tuesday afternoon. Mrs. Morrison died on Sunday at the Royal Victoria Hospital after a lengthy illness, in her 63rd year.

A native of Scugog Island, Ont., Mrs. Morrison came to Montreal in 1912, where her sunny personality gained her a host of friends, and the nickname "Happy" by which she became widely known.

A former regent of the Margaret Polson Murray Chapter of the I.O.D.E., she was active in war work, particularly with the canteen of the Officers' Club and the R.C.A. Committee for Overseas Parcels.

In addition to her husband, Mrs. Morrison is survived by two daughters, Mrs. Jack Cuthbertson, of Toronto, and Mrs. Douglas Kerr, of this city; and two sisters, Mrs. Rex Croasdel, of Woodstock, Ont., and Mrs. Alice Day, of Montreal. A son, F/O Sandy Morrison, was killed on active service with the R.C.A.F. in Burma, in 1943.

Rev. Canon Kenneth Naylor, of Trinity Memorial Church, officiated at the service. Interment took place at Mount Royal Cemetery.

Monthly Social Monday

Members of the Putters' Club, which is sponsored by the Westmount Parks Department, will have their monthly refreshment social on Monday evening, at Victoria Hall, at 8 p.m., when sports and travel movies will be shown. All residents of the community are invited to attend this meeting.

Literary Arts Club Meeting Next Week

The Montreal Literary Arts Club elected officers for the coming year at its January meeting last Thursday evening, at Stevenson Hall, Drummond Street. The officers elected are: president, Mrs. Norman Holland; vice-president, J. A. Ewing, K.C.; secretary, Mrs. J. Gordon Phillips; assistant secretary, Miss Helen G. Bennett, and treasurer, W. J. Hulbig. Members appointed to the executive are: Miss Sophy L. Elliott, Mrs. Mary Gardiner Brown, Miss Margaret Scripture and R. H. Mainer.

Speaker of the evening was R. H. Mainer, author and playwright, who discussed the short story and gave valuable pointers on the whys and wherefores in writing a successful story.

The musical portion of the program was presented by Miss Vera E. Reid, teacher of Grade VII of Kensington School, who directed 25 of her pupils, in a voice-speech choir, in several musical selections, admirably rendered. Miss Reid, a contralto, also sang a group of solos, accompanied at the piano by Miss Margaret Scripture.

Mrs. A. Tyler Funeral Held

MRS. A. TYLER
An impressive funeral service was held yesterday in Christ Church Cathedral for Marjorie Flanagan Tyler, beloved wife of Albert J. Tyler, of 3803 The Boulevard, who died on Tuesday afternoon at the Royal Victoria Hospital after a lengthy illness, in her 47th year.

Born at Malone, N.Y., Mrs. Tyler was a member of the family of the late Joseph Flanagan, founder and owner of the Flanagan Hotel in Malone. She resided in Montreal for more than 25 years, and was prominent in charitable circles here and at Ste. Marguerite in the Laurentians.

A keen sportswoman in her younger days, she was active in the sponsorship of horse shows, at her mountain estate, for war causes.

Mrs. Tyler is survived by her husband; a son, John A. Tyler, of Montreal; three daughters, Mrs. C. W. Bernier, of Montreal, Mrs. E. le M. Trafford, of Cairo, Egypt, and Mrs. P. L. Veillon, of Cowansville, Que.; and two grandchildren.

The Rev. Dean K. Evans officiated at the service. Interment was at Mount Royal Cemetery.

Army Hut At Athletic Grounds Bought By City

The City of Westmount has purchased one of the huts erected by the Department of National Defence in the Athletic Grounds, and plans to renovate it in order to provide a temporary workshop and office space for recreational supervisors of the Westmount Parks Department, and temporary accommodation for a Health Department X-Ray Clinic and a Baby Clinic, it was announced this week from City Hall.

Bill Smith Named To Westmount Recreation Post

Westmount welcomes Bill Smith, recently appointed year-round recreation supervisor in the Parks Department, who with Jack Ross, brings the present number of regular supervisors to two.

He has taken courses in community work and recreation at the International People's College, Denmark; Selly Oak College and the University of Birmingham.

He has had many years of experience in community work in Great Britain and abroad.

During the war, he served in the Middle East Relief and Rehabilitation Administration in refugee camps in Egypt and Palestine, and also with UNRRA.

MRT Will Next Produce "June and the Paycock"

"June and the Paycock," a favorite Abbey Theatre play, written by Sean O'Casey, will be MRT's next production. The action of the play takes place in 1922, in Dublin. The leading characters, Juno and her husband, "the Paycock" are representative of the devil-may-care types which hover on the fringe of society, living from day to day, and yet whose existence creates a dramatic life.

MRT are assembling a completely Irish cast for this production.

St. James United Church Holds 144th Anniversary

St. James United Church will celebrate the 144th Anniversary of the founding of the Methodist Church in this city next Sunday, Feb. 1st.

In the winter of 1804, the Rev. Martin Ruter organized a Methodist Church in this city with twelve members. The next year he reported twenty members. Two outstanding ministers served this small Church for several years: They were the Rev. Samuel Coate and the famous Rev. Nathan Bangs. In 1807 Mr. Coate visited England and obtained the greater part of funds to build a new Church. That Church was completed and stood at the South-East corner of Notre Dame and Cathedral Streets. That was the beginning of St. James Methodist Church. In 1811 Bishop Asbury, of the Methodist Episcopal Church visited Montreal and gave his blessing to the new enterprise.

The guest preacher on Sunday in St. James Church will be the Rev. W. J. Johnston, B.A., D.D.

the popular and eminently successful pastor of Eglinton United Church in Toronto. Dr. Johnston is well-known in the City of Montreal, where he served as a pastor of Montreal West Methodist Church, Centenary Methodist Church and St. Lambert United Church. He was a popular after-dinner speaker at Masonic and Kiwanian functions. He is an ardent enthusiast in sport circles. He will preach both morning and evening in St. James United Church.

At the Fire-side Hour in Dawson Hall at 8.45 p.m. a reception will be held for Dr. and Mrs. Johnston. Refreshments will be served by the ladies of the Church.

FREE ENTERPRISE?

IN THE heat of argument — on the public platform, in the daily press, and during industrial strikes and their attendant ill-feeling — the term "free enterprise" is pitched around with the carefree abandon of a small city boy tossing rocks at a farmer's cows. So, too, are the expressions "ungoverned capitalism" and "unbridled capitalism."

In the first place, a satisfactory and lucid definition of "free enterprise" is difficult to obtain. In the second, this loose talk about "ungoverned capitalism" is unadulterated nonsense.

Under the complex condition of modern life, all economic systems are inevitably subject to restriction in some sense or another and when a critic talks inaccurately about "unbridled" enterprise, he is talking through his hat.

Let us consider Canada, like its mighty neighbour to the south, a stronghold of the so-called "free enterprise" system.

The Canadian people, through their dominion, provincial and municipal governments, exercise some form of supervision over nearly every corporation incorporated under dominion or provincial laws. They own Canada's largest railway and regulate the rates of all its railways. They control and regulate the rates of air travel. They control credit, at least indirectly, through the Bank of Canada. They control commercial banks and their interest rates through the Bank Act. They supervise insurance companies. They own and control much of the electric power and they own many stations and control radio. They control the country's entire wheat crop and determine its price and export. They refuse to permit the gold mining industry to sell in the free markets of the world. They regulate the stock exchange. They regulate the sale of drugs and their pure food standards are strict. They restrict the sale of many agricultural products, including livestock, to certain markets. They fix quotas for lumber and basic products.

All this is apart from taxation, which today is heavier than ever before in the history of Canadian industry.

These facts alone should be sufficient to discount the loose talk about "unbridled capitalism." The bit and the check rein are there for all to see.

Where we in Canada and the United States tread the other fork in the road to that taken by Socialism and Communism is in our belief that whatever restrictions are necessary should not discourage initiative or basic freedom.

JOHN BULL'S AUSTERITY DIET

IN SPITE of the fact that Canada has recently contracted to sell to the United Kingdom great quantities of bacon, beef, cheese and eggs, John Bull's diet is cut down to the barest necessities. In fact, in modern cartoons, the usually portly Mr. Bull might well exchange his figure with that of the lean Uncle Sam.

Of the principal foods that Canada is supplying, each Briton is allowed a weekly ration of one ounce of bacon; 20 cents worth of fresh meat, at the retail price; two ounces of cheese; and one shell egg, though this need not necessarily be fresh.

Picking others at random, the British weekly ration includes: eight ounces of sugar; six ounces of butter and margarine; two pints of milk; one ounce of cooking fat; and three pounds of potatoes. Every person is entitled to nine bread units, with each unit equivalent to one pound of bread or a third of a pound of flour. Even tea, the British national drink, must be watered down, as each person is rationed to two ounces per week. Manual workers, children and expectant mothers are allowed extra quantities of some of these foods.

In addition, there is a points rationing scheme, whereby every person is given 28 points a month. Coming under the points scheme are such foods as canned meats, fish, fruits and vegetables, biscuits, rice and breakfast foods. The monthly 28 points does not go very far, however, as a one pound can of pressed beef requires 48 points, and a one pound can of best quality salmon takes 28.

EXPERIMENTS TO PREVENT TOOTH DECAY

THE "new ray of hope" in the dental profession's fight to lessen tooth decay is fluorine, it is stated by the Canadian Dental Association. The dental association says that if water supplies can be mechanically infiltrated with the required amount of fluorine without harmful results, "we can look forward to a gratifying lessening in the future in the prevalence of dental decay."

Fluorine is an element that is a close relative to chlorine, which latter is used in purification of water supplies. It was discovered that in localities where there is a natural supply of fluorine in the water supply (one part per million is an ideal percentage) the prevalence of dental decay was lessened by 60 per cent.

Fluorine is present in this percentage in relatively only a few places throughout the world, but experiments are now being carried out in Canada and the United States to determine if adding the required quantity by mechanical means will obtain the same result as when it is naturally present.

It will take from five to seven years to determine this, according to the dental association statement, which adds that careful scientific studies are being made to determine the action of fluorine on all parts of the body.

"This is highly important," the statement says, "because fluorine in larger doses is poisonous."

along through railroads, trucks, warehouses and retail stores. At each step the cost of doing business—for labor, materials, equipment—is up from 75 to 100 per cent.

"The profits of the manufacturer must, of course, be included. But although the manufacturer is the most abused of the manufacturer in the crime of high prices, his profit is one element of cost which, so far from increasing, has actually declined. In 1939 the food manufacturer averaged 4.6 cents profit on the sales dollar. In 1946 it was 3.9 cents, and in 1947 it will be 3.5 cents. The retailer averages about 1.5 cents. Thus the profits of the manufacturer and the retailer together total only five cents on the sales dollar. Suppose these profits were removed, how much difference would that make in the price of a can of beans? The can costs 16 cents. The housewife would save four-fifths of a cent!"

Mr. Willis pointed out that the government was indirectly responsible for a large part of the high cost of food. "In the price of everything you buy," he said, "is a goodly sum for taxes paid to federal, state and local governments—chiefly the federal government—which take almost 28 per cent of the total

BY REG GROOMER

Red Fang (Maitland Hannaford), sixer of the Red Six, led the opening Grand Howl at Trinity Cub Pack Monday night, followed by the presentation of Homecraft Badge to Gregory Walker and First Stars to Gary Worsley and David Marshall. Following inspection were some lively games and instruction period, during which everyone worked hard. Announcements were made as follows: Hockey practises are held every Tuesday from 5-6 p.m. . . . W. S. Matthews, Group Committee member and First Aid Instructor, presented First Aid Badges to three sixers; Norman Bedford (Blue Smoke); Maitland Hannaford (Red Fang) and Bob Manktelow (Sand Paw).

Akela Bedford read out the results of the competition for his "Trophy", and many were surprised at the results thus far. All have done exceedingly well. The new neckerchief has been received

income of the people. From the time the food leaves the farm everybody who handles it—farmer, manufacturer, railroad, trucker, retailer—must pay taxes; and these taxes at each step are added to the price of food. When the product reaches the retail store all these accumulated taxes are included in the final price.

The above facts and factors are usually overlooked in public discussions of the high cost of food. They go to explain what is called the "price-spread" between what the farmer receives for his product and what the consumer pays in the store. And there is still another item—hidden away, it is true, but there—Government subsidies. In 1946 these amounted, in the United States, to \$1,694,000,000 of the food bill. "But," added Mr. Willis, "it showed up in your tax bill instead of your grocery bill. Thus we can see that no one segment of our economy is alone responsible for the high prices."

and all Cubs are now wearing the Trinity colours. The six competition for the evening was won by the Grey Six under Sixer Arthur Armstrong (Grey Brother). The paper collection is again slated for 8.45 a.m., Saturday, at the Church. Handicrafts tonight, as usual, for the following Cubs:—Gregory Walker, Richard Howard, Michael Smith and Harry Flynn. Next Monday's meeting will be a short one, and all Cubs are asked to do their best to be at the Church by 6.30 p.m., instead of the usual 6.45 p.m.

Dr. F. Cyril James, principal and vice-chancellor of McGill University, will be the Speaker at the forthcoming Patrol Leaders' Banquet, to be held during Boy Scout-Girl Guide Week, on Saturday, February 21st. We were somewhat surprised to learn that the banquet will be held this year in the armoury of the Royal Montreal Regiment, in Westmount, and not in one of the downtown hotels as in all former years. This announcement will be cheering to all, as it means considerably more seats will be available for this year's banquet. A number of out-of-town units are also expected to attend.

Weekly Review

What Makes Food Prices Go Up? . . .

By LEWIS MILLIGAN

The high cost of living is one of the perennial problems of modern civilization. Indeed, it may be said to be one of the hall-marks of a progressive civilization, because it is an indication of a rising standard of living. Usually when we speak of the cost of living we are thinking in terms of food, and most of the recent complaints have been about the increased cost of that item in the family budget.

Food, of course, is an important item, and because it is the one that immediately affects the pocket of the housewife, any rise in cost is at once noticed. The cost of other things can go up and little is said. There is no public protest, for instance, about the increased prices of clothing, furniture, household equipment, luxuries and amusements, all of which make up the total cost of living. The price of social entertainment or of a seat in a theatre or at a hockey match can go up a hundred per cent or more and no one seems to complain, but if the price of milk, butter, eggs, meat or vegetables goes up a few cents there is a general outcry of "profiteering".

What makes food prices go up? Who is profiteering? Paul S. Willis, president of the Gro-

cery Manufacturers of America, dealing with these questions in a recent speech, analyzed the situation as follows: "Food starts on the farm, but before it reaches the housewife it passes through many hands and processes. First the manufacturer must buy from the farmers. According to government figures he had to pay \$2.65 in 1947 for farm products which cost him \$1 in 1939. He had to pay \$1.80 for the same amount of labor which cost him \$1 in 1939. The product moves

Christian Science

"Love" is the subject of the Lesson-Sermon to be read in Churches of Christ, Scientist, on Sunday.

The Golden Text is from 1st John 4:12 "If we love one another, God dwelleth in us and his love is perfected in us."

Among the citations which comprise the Lesson-Sermon is the following from the Bible:—"And, behold, two blind men sitting by the wayside, when they heard that Jesus passed by, cried out, saying, 'Have mercy on us, O Lord, thou son of David.' So Jesus had compassion on them, and touched their eyes: and immediately their eyes received sight, and they followed him." (Matt. 20:30,34.)

The Lesson-Sermon also includes the following passage from the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy.

"The physician who lacks sympathy for his fellow-being is deficient in human affection, and we have the apostolic warrant for asking: 'He that loveth not his brother whom he hath seen, how can he love God whom he hath not seen?' If the scientist has enough Christly affection to win his own pardon, and such commendation as the Magdalen gained from Jesus, then he is Christian enough to practise scientifically and deal with his patients compassionately; with his patients compassionately; the spiritual intent." (Pages 366 and 365.)

Westmount Baptist

"History's Grand Climax". This will be the theme of the morning sermon in Westmount Baptist Church on Sunday. "Then Cometh the End When He Shall Have Delivered Up the Kingdom Unto the Father That God May be Everything to Everybody". The world's bitterest times are those in which God is everything to nobody, its most heartening times, those in which God is everything to somebody, its most glorious time, that in which God is everything to everybody. Everything that opposes this glorious climax will ultimately be swept out of the way.

"Recipe For Revolution". This will be the title of the evening sermon in Westmount. Revolution always begins with the few and spreads to the many. Christ Himself was and is the World's most daring revolutionary. The little girl who argued with her

Church Club Men Hear Rev. G. Goth

Wesley Church Men's Club members at a supper meeting held Wednesday, heard an address by Rev. G. W. Goth, Westmount Park United Church, on "Prophet of a New Era". It was in the nature of a review of the life of Dr. Albert Schweitzer, the man who is world famous in four different fields. Mr. Goth pointed out that few men attain pre-eminence in more than one field of endeavour.

Dr. Schweitzer, at the age of 73, is a medical missionary in Africa. He is world renowned in the fields of Theology, Music, Medicine and Philosophy, revealed Mr. Goth.

Mr. Goth concluded with the thought that if mankind, like Dr. Schweitzer, followed the example and teachings of Christ in their own individual lives, the problems of the world would cease to exist.

Stanley Presbyterian

Rev. J. D. Wilkie will conduct both services of Worship in Stanley Church on Sunday. His Sermon text in the morning will be "Ye are the Salt of the Earth", and in the Evening "Faith of our Fathers."

Following the Evening Service, Miss Doris Killam will give a short Organ recital. She will be assisted by Miss Mary Jean McNab, Violinist.

The Montreal Presbyterial of the W.M.S. will meet in Stanley Church on Tuesday.

brother about the Books of the Bible was perfectly right when she said: "There now, I told you the Bible begins with Generations and ends in Revolutions". Of the participants in this ultimate Revolution the Bible declares that: "They that be wise shall shine as the brightness of the firmament, and they that turn many to righteousness as the stars for ever and ever".

Interesting events in the Congregational life are appearing over the horizon. One will be the new "Westmount Hi-Fellowship", inaugurated by the Senior Young People, to meet the growing needs of High School students. A second event will be the Younger Married Couples' gathering on Saturday evening, February 14th. A third great event will take the form of a great Missionary week-end, in which it is expected that Dr. J. B. McLaurin and Rev. H. S. Hillyer will participate.

At the Loyola Mothers' Guild annual bridge taking place on Wednesday evening, at eight-fifteen o'clock, in the gymnasium of Loyola College, Mrs. W. J. McNally, president, and Mrs. E. G. O'Brien, past president, will assist Rev. E. M. Brown, S.J., Rector, and Rev. John McCarthy, S.J., Moderator, of Loyola Mothers' Guild in receiving the guests. Refreshments will be served by Mrs. J. R. Leslie and Mrs. H. E. Laws and their committees, assisted by a group of the college students. Table holders are reminded to take playing cards.

APPROACHING MARRIAGES

The marriage of Lorraine Mary, eldest daughter of Mr. and Mrs. George W. Taylor, of Westmount, to Mr. Alan R. Thompson, of Montreal, son of the late James Thompson, and of Mrs. Thompson, of Motherwell, Scotland, has been arranged to take place quietly on Saturday afternoon at two o'clock, in the Church of the Ascension of Our Lord, Westmount. The bride will be unattended and Mr. J. F. Benjafield will act as best man for Mr. Thompson.

The reception following the ceremony, which will be held at the residence of the bride's parents, will be for immediate relatives.

World Day of Prayer Set For February 13

The World Day of Prayer, under the Women's Inter-Church Council of Canada, will be observed on Friday, February 13th, the first Friday in Lent, in Baptist Churches with Presbyterian leaders assisted by representatives of the Salvation Army, Anglican and United Churches.

Her Excellency the Viscountess Alexander of Tunis has graciously consented to give the address on the Trans-Canada Broadcast on February 12th, in connection with the observance of the World Day of Prayer.

Layton, son of Mr. and Mrs. Gilbert Layton, Mayfair Avenue whose forthcoming marriage is announced to take place on Saturday, March 6th, at Calvary United Church, Westmount. Both Miss Steeves and Mr. Layton are graduates of McGill University, class of '47, the former in Arts, and the latter in Engineering.

Spring's Fashion Promise Seen In Jaeger-London Mode

Smart tailoring in the British tradition with its attention to details, fine quality of materials, and colors chosen from favorite background shades to subtle pastels, muted checks, and weaves of vivid color combinations featured the advance showing of Jaeger-London models at a breakfast held for the press Wednesday morning in the third floor salon of Jaeger House. Miss Armstrong acted as hostess and Miss Margaret Ball was the commentator.

In spite of all post-war troubles, Britain still turns out superlative wool gabardine, whipcord, tweeds, etc., and these styled with long range vision and a fine balance of the classic and the new look, have great appeal both from the angle of fashion and of practicality.

Heathery Tones

Among the suits were some in heather tweeds in exciting, but fashion correct colors, quite a few with straight slim skirts and belted backs. A cardigan suit in soft Jaeger wool had a buttoned-to-the-neck jacket making it a double duty outfit to be worn with or without blouse and sweater. The longer skirt, fitted waist, pockets to lend hip interest, were all in evidence, and the skirt hem in some exhibits featured a slit for action back and front in the new side panels. Also, a cuffed skirt hem appeared on a casual dress in wool jersey. One of the most outstanding suit models, in the writer's opinion, was the 1948 version of a Jaeger-London one-button classic suit in a salt and pepper wool tweed. Youthful touches marked the collar line and cuffs, and generously flared skirt in a checked tweed of soft blue and black.

Several of the press women sit-

Baby Auburn To Be Christened At Trinity, Sunday

The christening of the infant daughter of Mr. and Mrs. Thomas R. Auburn has been arranged to take place this coming Sunday, February 1st, at half-past three o'clock at Trinity Memorial Church. The Rev. Canon R. Kenneth Naylor will officiate at the ceremony, and the baby will be given the names Darlene Pamela.

The godparents are to be Miss Lorraine Edwards and Mr. and Mrs. Robert Laing.

Following the christening the infant's parents will entertain at tea at their home, 4315 Melrose Avenue.

Mrs. Beatrice Auburn, paternal grandmother, and Mr. L. Edwards, the baby's maternal grandfather, will be present at the christening and tea.

ting beside this writer were struck with the possibilities of the ensembles, as perfect Spring honeymoon outfits. Suits were in golds, greens, amber, pastels, plaids and checks, and in particularly winsome soft browns and white, or pink and grey weaves, the topcoats featuring the same weaves, but larger. Full flared backs and swinging skirts, or straight skirts and slim skirts — you take your choice. The weaves and tones are really alluring.

An item which promises to be of particular fashion interest is the new Jaeger capelet, of tweed in a muted plaid of ravishing odd colors, which has a decided personality of its own and will be unique at both day and evening affairs.

Just to mention briefly the casual wear, there were among others, slacks in deep hibiscus color, with side-front zippers, to be worn with a sun yellow Jaeger wool shirt; and a wool taffeta of summer-sky blue teamed with cherry red slacks.

The new colors shown included the gold tones, amberlite shades and a cool bluish orchid, all very subtle and distinctive. H. S.

Mr. and Mrs. Larry Dansereau, of Quebec City, will be among the out-of-town guests at the Ryan-Angers wedding, tomorrow morning, at Springfield, Mass.

The Westmount C. W. L. will present a Spring Fashion Show on Wednesday evening, February 25th, at eight-fifteen in St. Leo's School Hall, Clarke Avenue. The president, Mrs. A. I. Peterson, will be general convener of this presentation.

The work of thirty-two artists will be on view at the annual exhibition of the Women's Art Society which is to be held in the Art Association of Montreal on Sherbrooke Street, at one o'clock, tomorrow.

About ninety paintings are in the collection and a good deal of interest will, as usual, centre around them during their two weeks at the Art Gallery.

The reception committee for the 15th Annual Bridge and Dance of the Notre Dame de Grace Y. M. C. A. being held in Victoria Hall, Westmount, on Tuesday evening will be Mr. and Mrs. F. W. Owen, Mr. and Mrs. W. L. Gatehouse, Mr. and Mrs. H. A. Dale, Mr. R. W. Long, Mr. and Mrs. N.P. Woods, Mr. and Mrs. J. Morse, Mr. and Mrs. H. K. Conners, Mr. and Mrs. J. G. Lang, Mr. and Mrs. J. R. Crawford, Mr. and Mrs. H. Brewerton, Mr. and Mrs. H. E. Baily, Mr. and Mrs. R. R. Johnson, Mr. and Mrs. A. W. Kembal.

In honor of the British movie star, James Mason, and his wife, Pamela Kellino, writer and actress, Miss Joy Thompson was hostess on Monday afternoon at a cocktail party.

Attractive Program Of Music Announced By Women's Club

The Notre Dame de Grace Women's Club will hold its annual musicale in Victoria Hall, on Friday, February 6th, at 3 p.m. Mrs. A. Duddridge, music chairman, and her committee have arranged a delightfully varied programme. At this meeting members and guests will be entertained by Miss Lucille Gauvin, mezzo-soprano, who is a pupil of Madame Czapska and has sung on the Artists of Tomorrow programme, and is a member of Les Amis de L'Arts. Her voice has delighted many Montreal audiences. Miss Gauvin will be accompanied by Miss Jacqueline Richard.

Miss Winnifred Bambrick, famous Canadian Concert harpist, who is internationally known; has participated in musical concerts in the United States of America, Bri-

tish Isles, Switzerland, Belgium, Germany, Holland, France, Mexico, Italy and Cuba. Miss Bambrick is a staff soloist with the Canadian Broadcasting Co., and has had previous experience with the National Broadcasting Co., the British Broadcasting Co., also the Radio Normandy.

Mr. Eric Zimmerman, a popular Canadian violinist, will be accompanied by Miss Doris Killam, pianist, who is well known to music lovers of Montreal and elsewhere.

Tea will be served by Mrs. R. H. Grant and her committee with Mrs. J. Wilfred Shaw as tea hostess.

Guest tickets may be used at this event.

Plans Well In Hand For Bridge At Loyola

The annual bridge of the Loyola Mothers' Guild will take place on Wednesday at 8:15 p.m., in the newly completed Central Building's Gym.

Refreshments will be prepared by the tea committee under the direction of Mrs. J. R. Leslie and will be served by the boys of the College and High School.

Mrs. J. E. Derenne is looking after the ticket distribution, Mrs. P. J. Melvin is chairman of the telephone committee and Mrs. Fabio Monet is in charge of the decorations. The Loyola Orchestra will be on hand to furnish a musical program as a background, and the whole school is getting behind the event and doing its best to make it a huge success.

An Artistic Treat At "The Shop"

C.S.L.
Gift Shop

After coming across a piece of ROYAL DOULTON, you instinctively want to rush and tell all your friends, and when it happens to be one of the much sought after figurines such as; THE BALLOON MAN, FORTY WINCKS, LASSIE'S DELIGHT, or HER LADYSHIP, then it is really time to get excited. That is what happened the last time. I visited 1480 Sherbrooke St. W., The C.S.L. Gift Shop, but there were only one of each so don't blame me if you are not able to pick yours right away. I was so fascinated by meeting Yvonne Bolduc at her home in Baie St. Paul last Autumn, not only by her personality, but also by the exquisite artiste that she is, that I feel most humble in describing any of her carvings. Those of you who are acquainted with her work, should by all means see the latest of her collection at "THE SHOP". They are her famous painted wood carvings, inspired by the French Canadian novel, "LA LIGNE", by Arthur Prevost, they are a group of three, but may be purchased separately as well, the prices ranging from \$47.50 to \$100.00 . . . I was told by an authority on wood carvings, that this trio can be considered to rank amongst her best works. There is a very unusual lamp on display here; it has a Greek key design base, with a square parchment shade, having a Greek Warrior design in black. The height from bottom of base to top of shade is 34", and the width of shade, 13 1/2". Those of you who were disappointed at Xmas time in not being able to buy Myro gloves, will be pleased to learn that they are now back in stock, both men's and women's. For the cold days ahead, these provide the answer.

I attended that weird but wonderful production "The Old Lady Says NO", by the Dublin Gate Theatre Players, and sure and all the Irish were there. I sat next to Mrs. Harry Norris, of the Montreal West and the Lyric Operatic Societies. She was quite enthusiastic about the forthcoming Lyric Operatic Society's presentation of "The Mikado". The parts are all in very capable hands, and lovers of Gilbert and Sullivan should not miss this treat.

This Is No Dream

Well, ladies, nobody will be able to say after Jan. 31st that L. P. Lazare & Co., 1454 Peel St., have not tried to beat old man inflation, in offering to the Montreal public fur coats of every description, at prices we used to dream about, except this sale is no DREAM, but the real thing. Just think of being able to buy Mink coats at the price of some of last year's Hudson Seals. BUT, this Saturday, at 6 p.m., the sale is over and back go the former prices. I think one of the best "buys" for the lady who has an expensive fur coat but would like one for every day shopping, or for trekking up NORTH, is the BON MOUTON. This fur has been so beautifully dyed, and treated that, to the lay buyer it might easily be mistaken for beaver, as happened many a time on my part. These coats have the latest cut in styling and length, and, judging by the fashion books and advance fashion shows that I have attended, we will still be wearing the longer skirt length and the "NEW LOOK" this time next year. In buying your coat at L. P. Lazare & Co. you know you are investing your money with a house which, for many years, have held one of the highest reputations in the fur trade, and whose first consideration is "YOUR SATISFACTION"

A little child was recently visiting the Montreal West Curling Club, and said to her mother, "Mommie, why do the ladies get down on their knees when they are curling?" Mrs. Heath replied, "Well, if praying would move the stone along, I think we would get down and pray."

'Ard . . . We're Still Crowing

Last December I stated that I thought the "ADMIRAL" radio makers had something to crow about, and judging by the very satisfactory current sales it looks as if the old rooster is going to steal the show this year. This superb table radio represents the result of years of experimenting to produce a larger than most small sets, yet small enough to conveniently carry around. While retaining most of the fine technical development of a more expensive set. One of the notable features of this "much in little" wonder set is that it can be plugged in anywhere, having a built-in Aeroscope, thus making the rigging up of an aerial unnecessary. The Ivory colored set at \$35.95, is ideal for the guest room, along side of your bed, or for placing in a built-in book case. The Mahogany colored set, at \$32.95, is ideal for a presentation gift. When ever I listen to this radio, I am always amazed at its ability to reproduce the deep tones with such clarity, and volume. Nowadays, when the best programs come over the air in the standard long wave broadcast band, a set like this comes in handy for those who travel considerably, and where economy in baggage space is of prime consideration.

A Cure For Old Man Winter's Cold

A prolific amount of scientific skill and knowledge has been utilized to combat disease and with wonderful results; sometimes culminating even in a complete cure. Yet, the common cold still remains to be conquered. Dr. Rondeau, the well known Montreal dentist does not claim to have conquered this "bug", but after experimenting for many years on an old Indian formula, he now claims to have a sure cure for the "bally" cold. After hearing the list of ingredients that are used in making up this tonic I'm sure that the results should be satisfactory. The main ingredients however are Herbs and Vitamins A and D. It is non narcotic, and non habit forming and is also a wonderful aid for minor infections of the respiratory tract, coughs and skin eruptions Psoriasis, Eczema. Due to the high cost of the ingredients this bottle of cough medicine is not cheap, but is one that will last indefinitely if kept well corked and in a cool place. The bottle is a 40 oz. size and retails for \$9.00, tax included. When I tell you next week about the wonderful results that have been obtained through the use of this miraculous medicine the price will seem of little consideration. If your local drug store has not any in stock, you may obtain it at the Antibitol Co. Ltd., 4211 St. Catherine St. W. Montreal 6, or 'phone WE. 2002, and it will be delivered. All out of town C.O.D. Mail orders will be filled.

My Eating Place

I am so happy to be able to talk about "MY" eating place, because I'm sure many of you business girls are not aware that THE MOUNT ROYAL HOTEL has a cafeteria where an excellent lunch can be had very, very reasonable. When this modern eating place was first opened, like many others I was under the impression that the food was of the very best, but the prices were not scaled for a working gal. TILL one day last year when I happened to be in the hotel and had little time for lunch and decided, that day I would be "one of the 400" and eat at the MOUNT ROYAL. My first surprise was when I saw a large cheerful room and no crowds, and the food so handy to be placed on the trays. The next surprise came when the cashier gave me the check. I was sure she had made a mistake, for nowhere in Montreal could a lunch as I had chosen be had for so little. The next surprise came when a waitress stepped up and carried the tray to a table that I had chosen, this by the way being one of the reasons why I never liked cafeterias, the juggling of food on a tray while looking for a spot to place it. The next week I returned to "MY FIND" and this time I noticed that I had not been under-charged, with the result that since then "MY" eating spot is always the MT. ROYAL CAFETERIA. I am quite excited over a treat I am having next week. It is a dinner engagement at the new Corinthian Room. I believe it is "something out of this world", and next week when I have returned to this planet I will be chatting to you about it.

Many Parcels Sent Recently To Britain By Westmount Club

At the business meeting of the Westmount Women's Club on Friday, in Victoria Hall, Mrs. Clifford S. Fortier was in the chair. Reports were read by the following chairmen:—Mrs. John T. Rowe, courtesy; Mrs. R. H. Anderson, hospitality; Mrs. Harold Mills, Christmas Party; Mrs. Andrew A. McNiece, Door and House; Miss M. Dennis, treasurer, Ste Anne's Military Hospital Visiting Committee. Mrs. Herbert C. Holland, chairman Parcels for Britain reported that 96 parcels, a total weight of 1,012 lbs. have been sent to families in the past few months.

Mrs. H. S. Jacques introduced Miss Barbara Collier, professor of Nutrition and Diet Therapy at University of Montreal, who gave a short talk entitled "Nutrition in the Home", stressing that the quality and quantity of food we eat has a direct effect upon health, strength and the power to escape and ward off infectious diseases.

Importance of the Right Diet

Tracing the important role nutrition plays throughout life, Miss Collier pointed out that before a child is born the nutrition of the mother influences its health, and also the future health of the mother. During infancy the baby must receive his food in the right quantity, at the right speed and at the correct feeding intervals to satisfy all his growth needs. During childhood and adolescence increased activity and rapid growth must be taken into account, the object of the diet being to ensure firm muscles, sound bones, good teeth and well adjusted nerves. An adequate diet is also, of course, of great importance to the adult, in order to maintain a wholesome mental attitude, a high degree of efficiency and the best physical state of health. And diet also has to be carefully considered in old age, if these sunset years are to be happy and full of the less strenuous activities.

Miss Collier stressed that no homemaker need be without a guide to nutritional values, as the Canadian Council on Nutrition has prepared a great deal of literature on food, and its effect on health. This literature is printed in the main office at Ottawa and sent to each Provincial Office for free distribution to the public, and provides a set of standards to guide the homemaker in her menu plans. "Canada's Food Rules" were then discussed in detail with helpful explanations given as to the why and wherefore for the recommending of certain foods above others. If these rules, which can be had absolutely free from the government, are followed, said Miss Collier, Canadian families would be well on their way towards better health, increased happiness and greater efficiency.

Mrs. J. C. McKeen thanked the speaker.

Tea was served.

Westmount Women To Model Fashions, Give Broadcast

The Westmount Women's Club Inc. will mark its Members' Day this year with a presentation on February 13th in Victoria Hall at 2.30 p.m. of a fashion show of new and original models emphasizing the importance of cotton in the world of fashion. A collection of fashions for all ages will be shown by the Wabasso Cottons Limited, with members of the club and children of the members as models. Mrs. M. C. Ballingall is to act as commentator for a fashion show. There will also be a recording made, for broadcasting, on the stage, under the direction of Mr. Corry Thompson of a talk given by members of the club.

The joint chairmen in charge of arrangements for the afternoon are Mrs. H. S. Jacques and Mrs. John T. Rowe. Mrs. Clifford S. Fortier and Mrs. Andrew A. McNiece and committee will receive the guests. Members are invited to bring as many guests as they wish. There will be no admission charge.

Catholic Mothers' Club Sponsors Drama Club

The new St. Paul's and St. Leo's Dramatic Club, under the sponsorship of the Catholic Mothers' Club of Westmount, is now in full swing and promises to become an active and popular unit in the Parish.

Mrs. John DuBois, chairman of the new club, reports that a large number of High School students registered for membership, and have become regular and enthusiastic attendants at the weekly workshop. These sessions will provide ample opportunity for the expression and development of individual talent, as well as training in the matter of various stage techniques.

Plans are being made for a dramatic production in the early Spring, details of which will be announced at a later date. In the meantime, an executive committee from the Mothers' Club has been formed to take charge of financial arrangements.

THIS IS AN EMERGENCY

... let's treat it as such!

CANADA is heavily "in the red" in present trading with the U.S. dollar area. In our total trade with the world we are in a good position but not in that part which is done with U.S. dollar countries. Other countries with whom we do business cannot pay us in full, either in cash or in goods, for the things they buy from us.

This situation is made more serious than ever before because so many countries, our regular customers, have not recovered from the war. It may be some time yet before they get on their feet sufficiently to help put things right. Meantime, we must find ways and means of balancing our own books and reducing our U.S. dollar deficit.

There are two things we can do at the moment... cut down unnecessary purchases from the U.S. dollar area and increase our production of goods that can be sold to those countries to balance accounts. It's an emergency and should be treated as such.

TO KEEP OUR INDUSTRIES HUMMING... OUR LIVING STANDARD HIGH, WE NEED PETROLEUM, COAL, COTTON, STEEL AND SIMILAR ESSENTIAL THINGS

WE CAN PAY FOR THESE THINGS IF WE CURTAIL OUR SPENDING ON IMPORTED NON-ESSENTIALS OR TRIMMINGS... AT LEAST FOR AWHILE

YOU AS A CANADIAN CAN HELP

1. Do not order goods by mail from other countries... do not buy goods to bring home when you travel outside Canada. See also Item 2.
2. If you feel some purchase is absolutely essential, see your Collector of Customs and Excise beforehand, to learn whether the item is prohibited.
3. Look for alternatives or substitutes for the items which are temporarily prohibited.
4. If certain goods seem to be in short supply, do not overlook the possibility that it is seasonal, or merely a local condition, or perhaps brought about by entirely unnecessary buying.
5. Be sure to obtain the Tariff Item Number from your Collector of Customs and Excise before pursuing any inquiry. Quote this number in all correspondence.
6. IF WE TACKLE THIS PROBLEM IN THE SAME SPIRIT OF CO-OPERATION DEMONSTRATED DURING THE WAR YEARS IT CAN BE SOLVED WITH LONG-TERM BENEFIT TO EVERY CANADIAN.

Second Athletics Joust At McGill Tomorrow Night

McGill is coming up tomorrow night with the second Athletics Night of the season in the Sir Arthur Currie Gymnasium on Pine Avenue, starting at 8 o'clock. All told, McGill will be playing host to five colleges from eastern Canada and the United States who will be squaring off in basketball, squash, boxing and wrestling.

Howie Ryan's Redmen will share the spotlight with a strong team from Western in intercollegiate basketball. The McGill hoopsters have been riding high during the past two weeks, however, and feel confident they will be able to hand out a little revenge for two shellackings McGill received at the hands of Western during the football season.

Champlain College from upstate New York is sending a tough wrestling team to contend with some of McGill's highly trained bone crushers. This event will see in action Wally Kowal, Canadian Intercollegiate Wrestling Champion and by virtue of a recent victory over the United States Intercollegiate Champ, a likely member on any Canadian Olympic wrestling team. In addition to these bouts, exhibitions in judo and unarmed combat will be presented by members of the Montreal police force and a squad from McGill. These arts require speed and co-ordination to a high degree and provide many a thrill for onlookers.

In the squash courts McGill takes on a team from M.I.T. A few close losses have rather taken the gloss off McGill's squash record but coach Hal Martin sees a vastly improved team built around Pete Landry, McGill team's captain and Canadian and American Intercollegiate squash champion.

From Ottawa come two boxing teams from Carleton College and Saint Patrick's Academy. Boxing for McGill will be, among others, heavyweight Lou Lanier and lightweight Milt Orr, two of McGill's high hopes for honors in the annual intercollegiate boxing championship competition which is scheduled for next month at the Sir Arthur Currie

Memorial Gymnasium.

A special added attraction for this Athletics Night will be a floor hockey exhibition game put on between periods of the basketball game. This is a fast and bruising sport and the contestants will be two all star teams, one from Dawson College and the other from McGill.

Those who saw the last Athletics Night know the way in which they are run, rather like a four ring circus, with diversity and athletics for almost every sporting taste. After the athletics are over, there will be, as usual, a dance with two of Montreal's best dance bands in attendance.

Y.M.C.A. Briefs

All three boys Basketball teams played League games during the past week. On Tuesday night the local Bantam team dropped their game to Southwestern by a score of 9 to 24. In the Midget League Westmount "Y" won their game over Central "Y", after a long and close contest. The Juvenile team unfortunately have not seen action for some three weeks, having won both their last two games by defaults. On Monday night last, Southwestern "Y" defaulted their game to Westmount. Due to the number of defaults and postponed games in the Juvenile Section of the M.B.L., the League Secretary has cancelled remaining League games and declared the following three teams in the play-offs — International "Y", Westmount "Y" and Rosemount "Y". Play-offs will not be held until the middle of February, and in the meantime the Juvenile team will play exhibition games.

Swimming

The Westmount "Y" boys' swimming team journeyed to North Branch last Friday in the bitter cold weather to swim and win second place in the Inter-Y Swimming Meet. Westmount swimmers included: Gilbert Young, Sonny Smith, David Smith and Jimmy Sherlock.

ACES DOWN UNITY

The Intermediate Section of the Westmount Municipal Hockey League got off to a flying start at Westmount Park on Monday night with Aces downing Unity Club 6-1 and the Maple Leafs eking out a 1-0 verdict over a battling Police and Fire crew.

Loyola's Senior A Puck Aggregation Meets Westmount

By JOHN COX

Loyola's Senior team takes to the ice in an exhibition game with the Westmount squad out at Loyola Stadium tonight at the Annual Winter Carnival of the Montreal Inter-Student Sodality Association. Game time, 7.30.

The regular line-up of Loyola players will be featured with the net-minder's job still in question. It has not been decided which goaler Coach Kilcoyne will use, Junior Canadian's Dinny O'Shaughnessy or Gerry Britt, the new post tender for the maroon and white.

Joe DiClementi, 'Wild' Irish Reynolds, and former Junior star, Herby English, will fight on the first string. Emil Chamandy and Paul Hayes are to keep the inner zone clear of those wily Westmounters. A well-chosen second line is in the offing.

Both teams lack casualties up to now and should be in top performance. As they haven't as yet played each other this season, the results could be quite interesting, considering both aggregations are giving West Hill and Catholic High a tough time for top deck.

Westmount's line-up is as follows: Goals, Prosser; Waterson and Reaper, defence; McLanders, Tucker and Lord, forward line. Second string in respective positions: Root and Emo, Nicholson, King and MacMillan. Ingram and Lupovitch, subs.

SKATING TO FOLLOW

Following this most merry mix-up comes a full hour and a half of skating to transcribed music for all spectators and players. Door prizes will be awarded. Next in line is a dance in the newly renovated cafeteria where music especially designed for dancing enjoyment is provided. For the whole evening's entertainment, one price is charged.

Paul Berry and friend, Ronnie Whareham, are in charge of rink activities. Miss Joan Chaillot is in charge of all prizes. John Cox and Sheila Kennedy, general managers. Tickets may be obtained at the Stadium door from MISSA delegates, Janine Brown, Jim McDonald, Alfred Gregory, Barbara Langill, Ann Cook, Lorna Nutter, and Billy James.

LEDUC HAD FAITH
 When Wilfie Field of the Buffalo Bisons in the American Hockey League was playing with Providence in the same loop, his de-

fence partner was the famous Albert "Battleship" Leduc. Whenever the veteran Leduc was on the ice he insisted on having Field, then a rookie, as his defence mate.

MONTREAL TRAMWAYS COMPANY

Youngsters Offer Musical Review

Proof that the attempt made by the combined efforts of the Women's Auxiliary of the Optimist Club of Montreal, and police Captain J. Lamoureux and the constables of No. 9 police station, Point St. Charles, for the reduction in juvenile delinquency in the Point district was not in vain, was shown last week at a Musical Review presented by the youngsters when the Junior Optimist Dramatic Club played host to the senior members at the club rooms.

Under the guidance of Miss Fay Rodriguez, dramatic teacher, the youngsters presented a Musical Review for which they themselves wrote skits, designed costumes, and applied their own make-up. The progress made by the youngsters was praised by Mrs. L. J. Leclerc, president of the auxiliary, and she extended her thanks to the youngsters of the district who assisted the club in its good work.

During the summer, the majority of the boys attend the boys' camp at Brome Lake, free of charge.

TO GIVE RECITAL

Arthur Davison, L.R.S.M., Montreal violinist, is to give the second of a series of three recitals in Tudor Hall on Saturday.

Mr. Davison, who was awarded a two year scholarship to the Royal Academy of Music in London, England, has won many awards, among which were the Delphic and Matinee Club Bursaries; in 1939, he was winner of the all-string instrument contest in the Province of Quebec Music Festivals, and at present is studying at the Provincial Conservatory of Music and Dramatic Art.

C.A.T. Planning Summer Theatre

Joy Thomson, director of the Canadian Art Theatre, has announced tentative plans for the formation of a Summer Theatre to be operated this coming summer. Based near Montreal, the Summer Theatre will tour the Laurentian area, presenting plays of popular adult appeal at the various summer resorts.

The staff and talent of the new group will be drawn not only from the Canadian Art Theatre proper but from Montreal generally, with the preference naturally going to students of the School of Theatre Arts.

As part of the training curriculum for the second term of the evening School of Theatre Arts, active auditioning, reading and rehearsing for the Summer Theatre program will be incorporated in the course.

The second term in the two Canadian Art Theatre Schools — the Evening Adult School and the afternoon Children's Workshop — will commence on Monday, February 2nd. Registration for the new term is now open.

The School of Theatre Arts, un-

der the direction of Norma Springfield, offers classes in Acting, Voice Training, Technical Theatre Subjects and Movement; operating two evenings a week plus additional laboratory time, the course is of great value to prospective actors and theatre technicians.

The Children's Workshop, directed by Joy Thomson, offers the same subjects as the adult school, especially designed to appeal to young people of early School and High School ages. Classes are

held Monday and Thursday afternoons in the Canadian Art Theatre studios on Monkland Avenue.

The School of Musical Arts, directed by Connie Sebastianowich, is also entering the second half of its school year. Classes, both private and group, offer thorough and competent training in instruments, voice and musical theory. As in the case of the Theatre Schools, registration is now open for those students wishing to study during the coming six months.

Lyric Operatic Society To Present "The Mikado"

Proceeds, after expenses are paid, to be devoted to community work of the Notre Dame de Grace Community Council, which is responsible for the financing of the N.D.G. Children's Library, to benefit from performances, the Gilbert and Sullivan opera "The Mikado" will run for five presentations at Victoria Hall beginning Thursday, February 12, continuing on Friday as well as on the following Monday, Tuesday and Wednesday evenings, each performance scheduled to begin at 8.15 p.m.

This will make the 19th production of the Lyric Operatic Society which performs entirely without fee, being a non-profit organization, and the Library for Boys and Girls which will benefit is a bilingual project which has proven its worth to the community many times over since its inception almost five years ago.

The Lyric Operatic Society presentation will be under the direction of Mr. and Mrs. Harry Norris and this classic tale of Nanki Poo, son of the Mikado, wooing the fair Yum-Yum and outwitting the Lord High Executioner, who possesses an order from the Mikado to perform a beheading has won universal recognition as the most popular and successful of all Gilbert and Sullivan operas.

On "good entertainment" grounds alone the Finance Committee of the Community Council is anticipating record crowds at Victoria Hall and this plus the added incentive of assisting worthy community projects has already indicated that there will be a heavy run on seating accommodation at each performance.

Lyric O. S. Popular
The Lyric Operatic Society is conceded by critics to possess a cast well chosen to act and sing the famous lines and songs. Its past performances under the sponsorship of the N.D.G. Community Council alone have delighted thousands of music lovers who will remember their enjoyment of last year's presentation of "The Yeomen Of The Guard" in keen anticipation of

the forthcoming performance of "The Mikado".
The Society will present a new Nanki Poo in the person of Leslie Griffiths, a young man with an excellent tenor voice. Betty Allam will be seen as Yum-Yum and should make a pert team mate for the other two maidens, Eileen Appleton and Mary Louise Sutherland. Fred Sheward will play Ko-Ko, while Henry Bloom and Jacques Faille will take the parts of Pooh Bah and Fish Tush respectively. J. C. Scott will sing the title role with Maud Whitmore as Katisha.

New Local Orchestra

The musical accompaniment for the opera will be provided by the recently formed West End Amateur Community Orchestra, a highly talented group which has been rehearsing regularly since early Fall under the direction of Harry Norris. This will be its first public appearance and those who have been privileged to attend rehearsals entertain no doubt as to their ability to do justice to the occasion.

The Children's Library is ad-

ministered by a most capable committee headed by J. G. S. Brash, and has a full-time, highly qualified librarian in charge in the person of Miss Dorothy E. C. Rodgers. Membership has grown at an almost amazing speed and is increasing at the rate of over 100 monthly.

MO. SCHMO. GWENDOLYN

George Reeves, who loves both Veronica Lake and Joan Garfield in Paramount's "The Sainted Sisters", is launching a new business venture in partnership

with Mo Schmo and Gwendolyn. Aforementioned trio are pedigreed schnauzers, nucleus of a kennel established by Reeves in San Fernando Valley.

Soon as Paulette Goddard wound her starring role in Paramount's "Hazard", she planed out for New York and before returning to Hollywood in February she will have visited six European nations. Paulette figures she's covered over 100,000 miles by air and rail in the past year.

Cathespian Guild Presents Comedy

The Cathespian Guild will present its Annual major production at Loyola College Auditorium on Wednesday, Thursday, and Friday of next week. Montreal audiences are accustomed to seeing unusual theatre from this group. Such experimental work as "Brother Petroc's Return" and the lavish "Jesus, Son of Mary" at the Marian Congress in Ottawa promise an enjoyable evening for the theatre lover.

This year's vehicle, "Stardust", is an hilarious comedy by Walter Kerr, author of four Broadway successes.

In Stardust, Mr. Kerr pokes good-natured fun at the Drama School. As he is in charge of the Drama Department of the Catholic University at Washington, many of the events and characters may be taken from real life. It all adds up to a wonderful comedy.

In the cast are several residents. Theresa Daly, of Addington Avenue, the dancer, singer and actress, plays a Broadway star who visits the Academy to play Cleopatra and in this novel environment to get a new and fresh outlook on life. The things that happen to her shouldn't happen to a mongrel.

Rudy Stoeckel, well-known actor and director, plays Craig Kendall Bach, the lord of this Allied Arts academy. Bach's theories on art, life and marriage so complicate the lives of all concerned that we sometimes think we have come to a three-ring circus instead of a theatre.

Kay Glennon and Paul Brennan play the love-sick couple amid the difficulties of art and misunder-

standing. Bill Shore and Sam Vatcher hover on the fringes waving Hollywood contracts and New York opportunities respectively. Sounds confusing? — It is. But it's very funny!

New Drama Club In Westmount

A Drama Club, which is among other activities sponsored this year by the C.M.C. in Westmount, has proved to be so popular that the membership was over-subscribed, and had to be closed for the present.

Directed by Alex Kirby, of the Canadian Art Theatre, who is ably assisted by Bruce Raymond, fifty-odd High School students are being trained in voice culture, stage presence, make-up, scenery painting, costume designing, stage lighting and sound effects. The comprehensive course gives each participant an opportunity to study all phases of production, while specializing in his or her specialty.

A play has been chosen, and is now being cast; and it is scheduled to be produced in April.

Chairman of the project is Mrs. J. T. Du Bois.

GOOD TEACHER

Flame-haired Florence Marly, Paramount's newest European discovery, learned her English from Elsie Foulstone, famed Hollywood language coach, who taught such stars as Louis Jourdan, Albert Basserman and Valli. The Czech-born actress makes her American debut opposite Ray Milland in "Sealed Verdict".

Montreal B.B.B. Institutes Special Broadcast Series

On Monday last, the Canadian Broadcasting Corporation's Station C.B.M. in Montreal, initiated a new series of special public-service broadcasts in co-operation with the Better Business Bureau of Montreal, at 7.45 p.m., E.S.T., each Monday evening.

Prepared for Quebec listeners, this series will deal with the work of the B.B.B. in developing consumer-confidence in legitimate business, and in placing the public on its guard against current rackets or misrepresentation.

The broadcasts will feature C.B.C. producer, Paul Rodney, with the Manager of the Montreal Better Business Bureau, Claude Root and others.

Flying Officer Russel Receives Czech Award

Flying Officer B. D. Russel, D.S.O., D.F.C., of 607 Clarke Avenue, is one of 22 airmen of the R.C.A.F. who won high distinction in the late war to have been further honoured by awards from Czechoslovakia for outstanding services during the war to that country. It was announced recently by R.C.A.F. Headquarters, Ottawa.

The award F/O Russel receives is the Czechoslovak War Cross, 1939.

Board Of Assessors Named By Council

It has been announced from City Hall that a Board of Assessors has been appointed by Council to prepare the Westmount Evaluation Roll for 1948-49, which must be deposited complete before council on or before July 31, 1948.

The assessors named to the new board actually are reappointed from the old board, and include James Colin Kemp as Chairman, Donald Baillie and Andrew S. Rutherford.
