"Bill 22 uses child for political objectives" says Quebec Home and School

In a brief sent to the Department of Education, the Quebec Federation of Home & School Associations states that the regulations to implement Bill 22 degrade the child by using him as a tool in the implementation of political objectives. The rightful goal of an educational system is the development of the potential in each individual child. Bill 22 and the regulations have lost sight of this goal.

One of the two regulations under study concerns the new enrolment card which parents must fill in to register their child.

The question asking whether a parent has a religion or not is not only an invasion of privacy, but may deprive any parent who designates himself without religion of the constitutionally guaranteed right in education that he has.

By asking questions about mother tongue, language normally spoken at home, and requiring a solemn parental declaration of exactitude, the enrolment card minimizes the religious guarantee and replaces it with a linguistic priority. The enrolment card is a tool in the strategy of undermining the guaranteed right of confessionality and substituting for it a language priority which is not guaranteed by the constitution but which is subject to manipulation through government regulation.

Moreover, by asking for "mother tongue" (defined as "First language learned and still understood") and for the language normally spoken at home, a distorted and misleading picture of what actually is the operative language of the pupil concerned can result, and lead to discrimination against students whose mother tongue is not English, but

whose operative (i.e., they are proficient in it) tongue is English and who wish English as their language of instruction.

As for the draft regulation concerning the testing of students, the Home and School Federation questions the value of the tests on moral, social, and educational grounds, as well as a measure of linguistic ability, and recommends that no such tests be imposed on any child in the province of Quebec.

It points out that far from "democratizing" education, the regulation creates six different categories: a hierarchy of students, as well as compounding the difficulties of a seventh group—that 10 to 20 percent of children who have varying degrees and forms of learning problems.

As envisioned in the regulation the tests will be negative tests looking for failure; there is no indication that the aptitudes of the individual child will be recognized in the mass categories of children to be tested. No small child should experience failure of the magnitude the tests imply. For the child who fails, is not only failing a test, he is failing to realize expectations that his parents may have of him in the sensitive area of linguistic group alignment.

These tests, moreover, will enforce a pattern of unilingualism, by discouraging and making extremely difficult the switching from one linguistic stream to another.

The Home and School Federation recommends that the wishes of the parents be paramount in the decision-making

processes concerning the future of children, and that no child be assigned to an educational institution the language of instruction of which is not the choice of the child and his parents.

The regulations implement the intent of Bill 22 and justify the concerns expressed by the Federation of Home and School Associations at the time of the parliamentary hearings on Bill 22. The Home and School brief called Bill 22 "dangerous in that it permitted dictatorial decisions affecting the lives of all Quebecers, regardless of their mother tongue".

It predicted that the Bill's implementation would "develop a majority underprivileged unilingual bloc, French-speaking only, with a small bilingual elitist leadership," and would erode the English language educational system.

Moreover, the mandatory entry of children into schools where the language of instruction is not their parent's choice is an action that can only create disruption and dissension in the entire Quebec community.

Bill 22 and its regulations treat children as an anonymous faceless mass to be used and moved as nationalistic priorities determine. To treat children in this manner is abhorrent to the parents the Quebec Home and School represents. The bright hopes that were kindled a few years ago at the time of the Parent report in both English and French communities for the future of education in this province have dwindled in Bill 22 to the level of kindergarten conscription to satisfy nationalist priorities.

Pontiac's only chiropractor stands up for his rights

Dr. Gerald Barker, according to the president of the Order of Chiropractors of Quebec, is just too honest.

The Province has an Act which required Chiropractors to

pass a four hour exam set down by the Office of Professions, which Dr Barker took on August 29th last year.

In September he was notified that he had passed the test, and congratulated by Rene Dussault, the president of the Office.

In January, 1975, he received notice from secretary of the Order of Chiropractors that he was not to practice anymore because they didn't recognize the colleges where he had studied. A fine of up to two thousand dollars per infraction was threatened so Dr. Barker ceased his practice in Shawville, sold his house, moved his family out of the country and started on a long series of correspondence with officials, almost four hundred dollars worth of phone calls, interviews entailing over eleven thousand miles of driving and several long flights in an effort to straighten out the

English CEGEP meeting at Hull next Thursday

An information meeting about the CEGEP English Pavilion will be held on Thursday, March 20th, at eight o'clock at 135 Eddy Street, Hull. The meeting is being called by a committee which was set up in 1973 for two purposes: to inform the English speaking people of Western Quebec of the advantages of CEGEP education and to negotiate with the CEGEP corporation of Hull for premises more adequate than the Eddy Street building and location.

The committee consists of representatives of teachers, students, administrators, school board members, school committees and parents of both the Protestant and Catholic English speaking communities of Western Quebec.

Co-chairmen of the committee are James Graham of Lucerne and Cliff Quince of Wakefield, and the secretary is David Geldart of Aylmer East.

Supported by the enthusiasm and high performance of the students and staff, the first purpose, promotion of CEGEP education, has been mainly achieved. However, the second purpose, negotiation for better premises, has had no success. The CEGEP Corporation has been unable, or unwilling, to come up with a concrete solution.

The committee is now preparing a comprehensive brief and will present it to the Department of Education this month. The purpose of the brief is to justify the Tache Blvd building as an English CEGEP Pavilion for the fall of 1975.

problem. At the same time he was required to keep up payments on his equipment, which he had been forbidden by the Order to use.

One of his interviews was with Andre Dionne, president of the Order of Chiropractors. Gerald tells us that Dr Dionne first said he had been too honest, then told him to go ahead and practice, despite the threat from the organization of which he, Dionne, is president.

With a lawyer's advice (more expense), Gerald Barker has decided to reopen his practice, using the only available space he could find on Main Street in Campbell's Bay.

Still without anything in writing to assure him that he is not liable to be fined, Dr. Barker feels that he should nevertheless resume practice, being the only chiropractor in the County of Pontiac.

He studied chiropractic at Palmer College in Iowa and graduated from Oliver College of Chiropractic in Marian, Indiana. He is a native of Vancouver and has been practicing in Shawville since January, 1973.

Gerald Barker now considers he is justified in standing up for his private and professional rights. His many patients and good friends in this area will be watching with interest the outcome of his present troubles and all are hoping to see the return to this community of his wife and children.

Ombudsman to be in Hull on Friday March 21st for regular monthly visit

La visite mensuelle du représentant du Protecteur du citoyen dans l'Outaouais, aura lieu le vendredi 21 mars au bureau de Communication-Québec, à Hull.

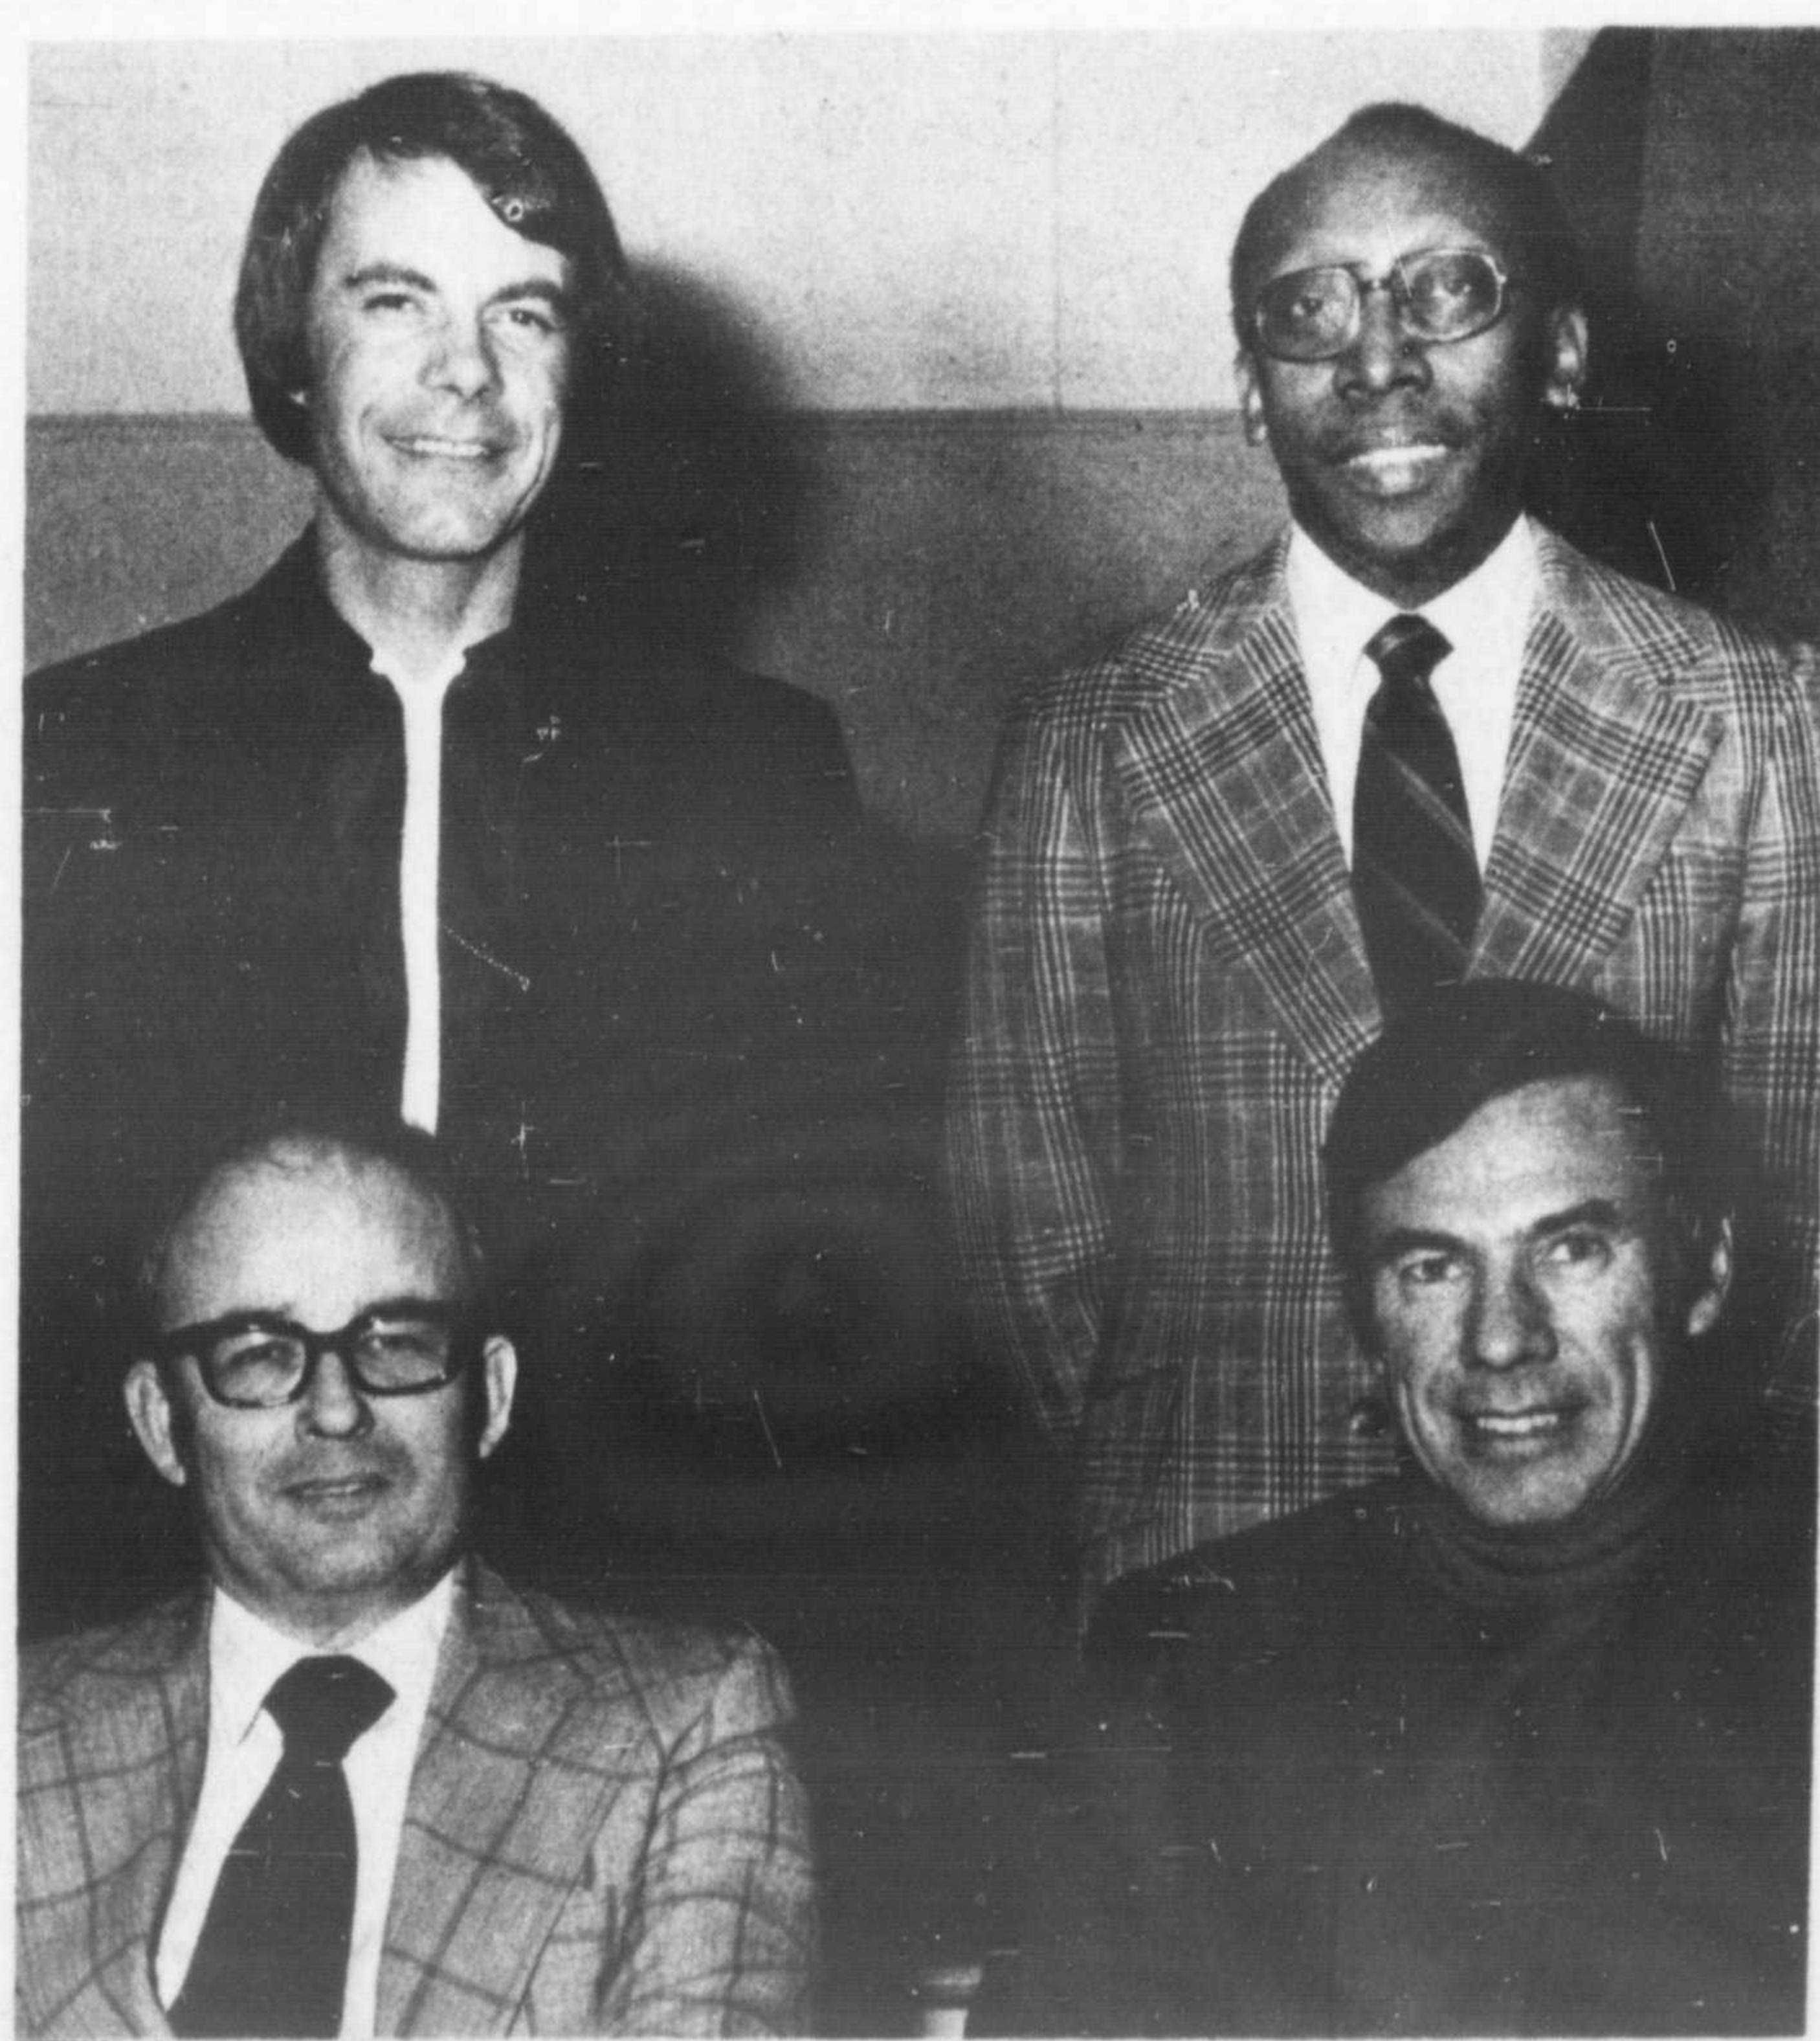

Le Protecteur du citoyen, appelé également l'Ombudsman est un délégué de l'Assemblée nationale du Québec dont le mandat est de recevoir les plaintes des citoyens qui croient avoir été traités injustement par des fonctionnaires du gouvernement du Québec. Quand il reçoit une plainte, le Protecteur du citoyen fait enquête, et si la plainte est fondée, il met tout en oeuvre pour que la situation soit corrigée.

On peut prendre rendez-vous avec le représentant du Protecteur du citoyen en appelant à Communication-Québec, au numéro 770-6910, ou encore en se rendant au 662, boulevard Saint-Joseph, Hull.

Effective Speaking finalists, in the Lions Annual Competition, included Paul McCann, Quyon, Helene Soucy of Shawville, Bruce Noel of Chapeau standing, and Beth Woods

Deep River, Beverley Conroy of Chapeau and Elizabeth Knowles of Deep River, seated.

Effective Speaking judges were from Toastmasters Clubs in Ottawa, standing, Albert Zoschke and Harold Moodie, and seated, Bill Groom and Art Cormier.

FROM BAD TO WORST!

Perhaps we are tempting fate when we call the road conditions here "worst" because that would suggest that they can't get any worse. But, really now, can they?

There's a fairly good stretch right around Shawville and down to Quyon, where the latest bit of pavement has been done, but below Quyon and above Campbell's Bay it is absolutely awful.

The shame of it is that we know there are some people in this Province who can build a good road because there are some good roads here. What we wish is that they would consider the people of Pontiac as seriously as they consider the people of Montreal, for instance, or Quebec City.

If they want to know how to build decent roads and maintain them for human use, there are plenty people around here who could give them sound advice, but there are experts in roadbuilding. Where were they when the roads were built here, and where are they now?

MANPOWER OFFICE TOO BUSY

The Canada Manpower officer at Campbell's Bay repeatedly tells us that he only has two hands and just can't do the job he would like to do. His is a sub-office of the Hull office, with regional headquarters in Montreal; where else for a Federal service? He has about a thousand unemployed people listed, mostly from the Fort Coulonge and Waltham area he thinks, although he just hasn't time to get statistics on this.

An increasing number of people looking for jobs are women, and most of these want part-time employment. Also most of these women just phone in and don't come in and fill out applications which lessens their chances of ever finding the jobs they want.

The officer at Campbell's Bay says people are more willing to move out of Pontiac County to find jobs these days and that he has had some success with the Canada Manpower subsidizing of travel for job interviews and relocating allowances although, here again, there are no statistics available.

He is at present, to use his own words, "loaded with work ... trying to analyse the situation for the coming months ... hoping to register students at the high schools for summer employment and also to interest local employers to hire students."

There are some Federal incentive programs to assist employers in paying summer wages to students but our local Manpower councillor finds he has no time to administer them. He has one other Councillor in the Campbell's Bay office to share his workload. Perhaps he needs three or four more to zero in on those thousand unemployed Pontiac County people.

Victoria Avenue High School Carnival 1975

The Victoria Avenue High School Carnival was held in the Shawville arena March 6 and 7. The flag judging took place in the school Thursday morning. The judges, Mrs Rosaleen Dickson, Mrs Audrey Rowat and Mrs Marg Michaud had a difficult task to perform. They did an excellent job and the results were kept in absolute secrecy for the finale of the carnival on Friday afternoon.

At 12:00 noon on Thursday Mr Bert Bechamp, Principal at Victoria Avenue High School crowned the Carnival Queen, Lorraine Proulx, who was chosen by the whole student body. Lorraine is a student of Secondary V-A and emotions ran high during the crowning. Anne Dumont, a student of IV-Commercial received her ribbon of honour from Mr Agnesi, the Vice-Principal, at Victoria Avenue High School. The second Princess, Linda Hearty, a student of I-B, received hers from Maggie Dupuis, the President of our Student Council. Then the Carnival Queen, Lorraine Proulx cut the ribbon and the Carnival was under way. Skate races and Wheelbarrow races were held Thursday afternoon. Early in the afternoon Bonhomme Carnaval appeared with his ladies-in-waiting. Their arrival brought much cheer, fun and lively spirit to the Carnival. Bonhomme and his attendants rode around town and also visited the PPHS, thus spreading Carnival cheer throughout the whole area.

Friday the carnival continued with Tire, Potato Bag, Toboggan, Ping-pong and Pie eating contests. Miss Christine Lachance gave a fine exhibition of figure skating. Girls from PPHS visited our Carnival and participated in a Broom Ball game with the girls from V.A.H.S. The results were VAHS 3, PPHS 0. This was followed by a hockey game between the students and teachers of VAHS. It was a close game resulting in teachers 5, students 4. The results of the flag contest were announced as follows: 1- III-A, 2- V-A, 3- IV-B. The trophy for highest number of points was won by Secondary V-A. This trophy was presented by Mr Bert Bechamp, the Principal of VAHS, to Raymond Kingsbury, class representative for V-A. Runners up for the trophy were Secondary III-A, in second place and Secondary IV-C in third place.

Grade 9A won top points for this class flag with its hand carved flag-pole, held by Karen Kearns.

LETTER TO THE EDITOR

February 9, 1975

This is a little letter of thanks for that lovely, lovely picture by Eva Andai of clothes blowing in the breeze in last week's Equity. The shadows on the snow, the little path going "kitty-corner" over the front, that one elm tree with its black lace fingers against the wintry sky, it was beautiful.

I have most of Della T. Lutes books and over the years I have enjoyed reading and re-reading them. She wrote of her own home life as a little girl on a Michigan farm back in the seventies and eighties, and the bit I have enclosed is from one of the books "Cousin William". I have always loved what she wrote about a winter's washing, and as soon as I opened the Equity last week, I was transported back to southern Michigan.

So once again, thank you.

Sincerely your,
(Mrs) Mary MacDonald
RR Quyon

"Cousin William" by Della Lutes 1942.

Bringing in the clothes was a rite in which we all took part, especially in winter, and on moonlit nights it was easier and more fun. I loved to watch the stiff frozen things on such a night, when the wind just blew enough to invest their shapely forms with life Our hands were cold to bitterness when finally we had pressed and bent it and laid it stiff and rigid on the kitchen table - but ah, the SMELL!

Nowhere is to be found on God's good earth is there so pure, so fresh, so vigorous an odor as that of sweet clean frozen clothes as they melt under the warm temperature of a country kitchen. Even the next heavenly fragrance of cool, freshly fallen snow is second in delightful pungency to that of clean frozen clothes. (extract)

Shawville Jersey Club news

by William Reynolds, secretary.

Some activities of Shawville Jersey Club during 1974-75 were as follows:-

In June we had a barn meeting at the farm of Art and Opal Carson where Art and the boys had two classes of cows and one of calves in for the crowd to judge. Following the judging we had a strawberry short cake contest won by our President Arnott Hynes. Art cleared out his new garage and all were set for their dance. A good time was had by all.

On July 13th Bob and Lorna Younge with their children and David Draper went to St Hyacinthe Youth Rally where Roger won in his class. Wanda was Reserve. Rick, Wendy and David gave a good run for top honors. Then on to Chesterville where they had better success. Roger and Wanda were entered in Junior showing of junior calves. Wanda was first with Roger following. Wendy was reserve in the Senior class for girls and Rick won for the boys with David Draper reserve.

At the annual Jersey picnic in Huntingdon, Quebec, the men and ladies of Shawville Jersey Club won the trophy in the judging competition. Then followed Shawville Fair which was well reported at the time of the fair.

At our annual meeting in January we elected a new president, Don Horner and returned the secretary with the same salary plus cost of living bonus.

On Saturday, March 22nd we will enjoy our annual banquet and dance to be held in the Pontiac House. Hoping for a good crowd.

Wyman W.I.

The Wyman W.I. held their annual meeting at the home of Mrs Garth Graham on Thursday, March 13.

In the morning the ladies tied and bound the quilt for the Onslow-Quyon Centennial Project.

A bounteous pot luck dinner was enjoyed at noon.

The meeting came to order at 2 pm with the usual opening. The collect and the ode.

The roll call was payment of fees. Two new members were added to our roll.

Business items included a motion to send a get well card to the provincial president, Mrs Westover, who had the misfortune to break her arm. Four life membership pins, three twenty-five year pins and one fifty year service pin are ordered.

The treasurer reported a very successful year and the cook book convenor reported that our second order of cook books is selling well.

A crazy patch work cushion cover was raffled among the members. Mrs Fitzsimmons won the cushion.

Convenors read their annual reports. Mrs Cartman read the proposed program for 1975-76 which was accepted as read.

Mrs Duff thanked the members for their support in the past year.

Mrs MacKehnie read the report from the nominating committee which was accepted in its entirety.

Past president- Mrs Fitzsimmons, President- Mrs D Duff, First Vice President- Mrs M. Kelley, Second vice president- Mrs H Ross, Secretary- Mrs R Graham, Treasurer- Mrs R Trudeau.

Convenors are -Agriculture- Mrs J. Campbell, Citizenship- Mrs W MacKehnie, Education- Mrs S Fitzsimmons, Publicity- Mrs G Graham, Home Economics- Mrs A Kelley, Welfare and Health- Mrs G Graham, Social- Mrs Stewart, Mrs Mayhew, Mrs Craig, Mrs Fulford.

Wyman W.I. will entertain the County Convention on April 30.

County representative is Mrs R Cartman and Provincial is Mrs J Campbell.

Mrs Duff closed the meeting with a poem.

Beech Grove Women's Institute

by Mrs Violet M Poole
Publicity Convenor

The Annual Meeting of Beech Grove W.I. was held at the home of Mrs Ivan Merrifield. Nine members and two visitors were present.

The slate of officers prepared by the Nominating Committee was accepted and there being no further nominations from the floor, the officers for the following year are as follows: President- Mrs Andrew Bennett, Vice President- Mrs Kenneth Draper, Secretary- Mrs Frank McRae, Treasurer- Mrs Hugh Hammond. Convenors- Agriculture- Mrs Ivan Merrifield, Citizenship- Mrs Wesley Martineau, Education- Mrs K Draper, Home Economics- Mrs H Emmerson, Health and Welfare- Mrs H Hammond, Publicity- Mrs Allan Poole, Entertainment Committee- Mrs Ken Foster, Mrs G Nugent, Mrs W Martineau, Mrs L McMillan.

Committee and Convenor reports for the year were read showing a great deal of activity in this Institute during the past twelve months. Highlights were the Tele-Tea and the Rockathon.

Mrs Emmerson expressed her thanks to all officers and members for their support during the two years she was president and her assurance of co-operation and good wishes for the new executive.

A motion of thanks by Mrs Poole and Mrs Bennett was extended to Mrs Emmerson for her hard work and untiring leadership during her term as President.

St Mary's CWL

by Mrs Steve Robinson
Publicity Convenor

The March meeting of St Mary's CWL was held at St Mary's School.

The president Mrs Edward Kennedy opened the meeting with the usual prayers. Eight members were present.

The secretary and treasurer gave their reports. Mrs Kennedy read passages from the CWL Credo. Mrs Daley read an invitation to the Shamrock Tea to be held at Marion Hill, Pembroke. Also thank you cards from the Mousseau Family and Mrs Rose Peppard.

Three get well cards were signed for sick members. Mrs Stan Scott showed us a beautiful quilt she had made. It was moved that we donate to Peace and Development. Mrs Martin Dowe, Mrs Basil Stanton and Mrs Percy Moyle were chosen for the nominating committee.

Mrs Kennedy closed the meeting with prayer and we then enjoyed light refreshments.

Council minutes from Calumet Island

At a regular meeting of the Council of the Municipality of Calumet Island, held at the usual place on Monday the 3rd day of March 1975 at 8 p.m., present were Mayor Pigeault, councillors Pierre Asselin, Florimond Corriveau, Maurice Dumouchel, Rejean Dumouchel, Gabriel Mantha and William Newberry.

Moved by Mantha and seconded by Asselin that the minutes of the last meeting be accepted as presented.

Moved by Asselin and seconded by Newberry that the invoices for the month of February for the sum of \$7,1796.32 be paid.

Complaints were received from three taxpayers concerning the poor roads condition in the Plains and in the North Range. The mayor informed the persons concerned that as soon as the weather permitted the roads would be repaired within the limits of the budget. Mr John Croteau added to his complaint a request that something be done to control the dust in the months to come- he was informed that calcium was purchased last year but received too late to be of any use; therefore, the calcium is now in storage and will be spread on the roads when necessary.

The question of "no parking" signs in the North Range was raised again - the mayor informed all concerned that the matter would be studied and a decision would be rendered by the next council meeting.

Mr Roland Doucet requested that the rental cost of the Municipal Hall for the Alliance of Metis and Indians without Status be abolished. The mayor advised Mr Doucet that this was not possible unless it was abolished for all associations, he pointed out that because of the deficit in the operation of the Municipal Hall it is not feasible to make changes at this time.

M. Gerald Griffin made a verbal request, supporting his written request of November 12, 1974, to have the Municipality remake the fence bordering his property in range 3. Mr Griffin was informed in November that the municipality would supply the wire if he would supply the posts and the labour. In addition, the posts would also be supplied if sufficient land is given to widen the road- a resolution to this effect was adopted by council on May 2, 1973. Council considered the request and decided to follow the resolution of May 2, 1973.

Moved by Mantha and seconded by Corriveau that the valuation roll for the year 1974 be amended to read: Reduce the valuation on the property of Mr John Maheral - amount of the reduction \$870.00. Buildings were moved and others demolished in 1973.

Moved by Newberry and seconded by Corriveau that M. Ross Stewart be offered the posts of roads foreman for the current year at the same salary he received in 1974.

Moved by Asselin and seconded by R Dumouchel that the following gifts be given: Canadian Cancer Society \$50.00. Le Secours aux Lepreux- \$50.00.

Moved by R Dumouchel and seconded by Asselin that streets and roads be identified. Councillors Asselin and Mantha will form a committee to study and bring to council a list of names for approval. The secretary-treasurer is responsible to obtain the services of at least two more persons to serve on the above mentioned committee.

Moved by Newberry and seconded by M. Dumouchel that two signs indicating falling rocks be obtained and installed on the Mountain Road.

Moved by Asselin and seconded by Newberry that a demand be sent to the Ministry of Transport requesting a grant to improve the road in the Plains, i.e. for that part of the road where improvement were started by the Ministry of Agriculture and Colonization and never completed and for a part of the road in range 4 which is in a deplorable condition.

Moved by Mantha and seconded by Newberry that the necessary steps be taken to obtain a legal document to show that lot 20D in range 3 is the property of the municipality. It is understood that taxes on this lot have not been paid for years, that the property was put up for sale, but that for unknown reasons the sale never took place and the necessary document was never obtained to indicate that the property belonged to the municipality.

Moved by Asselin and seconded by M. Dumouchel that the meeting be closed.

Shawville Junior Pontiac's defeat Deep River

in first game of finals

The Shawville Juniors continued on in their winning way Friday night as they defeated the defending Upper Ottawa Valley Champions 8-3.

Shawville opened the scoring at the five minute mark with Ray Lepine breaking in all alone and blasting one by the helpless Deep River Goaltender. Deep River came back five minutes later to tie it up on a goal from Steve Mussell. Warnie Richardson came right back on a power play and scored with Rick Young and Lornie Pirie getting the assists. At the end of the first period the score was 2-1 in favor of Shawville.

In the second period Shawville got three unanswered goals from Jackie Griffin unassisted, Warnie Richardson with his second goal assisted by Rick Young and Gilly Fraser assisted by Warnie Richardson and Ronnie Hodgins.

In the third period Deep River made it very interesting by cutting the score to 5-3. Mark Mulleur and Don Bureau scored the two goals for the visitors.

At the fifteen minute mark of the third period Shawville went on a scoring rampage by scoring three goals in thirty-eight seconds. Brian Allen picked up two of the goals with Don Mousseau, Lornie Pirie and Warnie Richardson assisting and Jack Griffin picked up the last goal.

Back in Deep River on Sunday the Deep River team defeated the Shawville Juniors 5-4. Deep River took a commanding lead of 5-1 into the third period. The Shawville based boys had a hard time to get on track because of the inconsistent refereeing which were not ODHA.

Scoring for the winners were Ross Jibb with two, Dan Jennings, Richard Wilson and Jim Dobenbo. Scoring for Shawville were Ronnie Hodgins, Edgar Dagg, Jackie Griffin and Murray Ostrom. The way the Shawville boys came back in the third period shows that they do not give up and they will be ready for the next game in Deep River Friday night.

The next home game will be played in Shawville this Sunday afternoon at 2 pm.

Come out and fill the rink this Sunday and push this Shawville Junior team to a win. If a fifth game is needed it will also be played in Shawville next Wednesday night.

The winner of this series plays the winner of the Brockville, Cornwall area.

County Council

At County Council last week eight mayors voted against the engaging of Les Estimeurs for another year to carry on with the valuation rolls for Pontiac County and eleven voted in favor of hiring them, so they are still working for the municipalities. Another bid for the job would have cost the municipalities less per change in the valuation roll but since the majority wanted the firm which has been at work here for the past year to be rehired, this was accepted.

In a review of accounts the Warden, Mayor Orla Young of Shawville, noted that there was a little surplus which he felt was better than to have to go back to the people for more money. He also said he felt that next year the milrate might be lowered.

Art Labelle, who audits the County's books for \$200 was nominated for another year.

Mayor Haurault of Mansfield wanted to know why no tax was charged against buildings in the unorganized territories of Pontiac County and was told it would cost more to collect them than would be realized in tax!!

County delegates to represent Pontiac at various important conferences and on outside committees this year were returned the same as last year, Marcel Pigeault and Lorne Bechamp.

In discussion about whether they should or should not rejoin the Union of County Councils, Mayor Bechamp of Chapeau wanted to know what was its use for Pontiac. The Warden said there was no specific cash value but a lot of backing for many municipal projects. He said when he and a committee had gone to Quebec regarding amalgamation, the Union of County Councils officials stayed with them in the Hilton Hotel and went with them to see the Minister.

Mayor Burke of the new municipality of Pontiac said that when the former Minister of Municipal Affairs, Tessier, decided to abolish county councils, it was the Union of County Councils which defeated his intention. He said they were also responsible for keeping rural municipalities out of

Shawville Midgets advance

Shawville Midget Pontiacs advanced to the Upper Ottawa Valley Hockey League semifinals over the weekend by outscoring Eganville 4-3 in a two game total goal series.

Sunday, the Pontiacs edged Eganville 2-1 with Joey Fraser scoring both goals for the home team.

Monday night in Eganville, the teams battled to a 2-2 tie. Benny Allen and Joey Fraser on a penalty shot, were the marksmen for Shawville.

Pontiacs now play the winner of the Arnprior-Muskat series with the winner advancing to the league finals.

Town Hockey league

by Sandy Burke

WOW! That's the only word I can think of to describe the games we've seen in these best of seven finals which are now tied at two games each.

Last Tuesday night Bernie MacDonnell and Gary Russell scored for Pontiac Electric before Lorne Bean scored for Elmside. Doug MacDougall restored the two goal lead for Pontiac Electric but Bean scored again for Elmside. This saw battle was to continue for the duration of the game as Rick Richardson then scored for Pontiac Electric and Charlie Taylor fired two goals for Elmside and the teams were now tied at four goals each and there were less than three minutes to go in the game.

Overtime appeared almost certain but it was not to be as Gary Russell found the mark and shortly after the ensuing face-off Doug MacDougall scored with the final score being Pontiac Electric 6 and Elmside 4.

On Thursday evening the tight, close play continued as Jack Knox for Elmside scored the only goal of the first period. In the second Edgar Dagg evened the game up as he scored for Pontiac Electric, but Charlie Taylor scored before the end of the period and Elmside carried that 2 to 1 lead to the dressing room at the end of the second period and it stood up for most of the third period as well.

Both teams raced up and down the ice as the goalies were taking turns making big saves and the game was still very much in doubt. The fans were not going to leave this game early. Finally a score, this time by Gary Russell for Pontiac Electric to tie the game and for the second game in a row it looked as if we were heading for overtime, but again it was not to be as Charlie Taylor on an exciting unassisted effort made some great moves and managed to break in alone and beat the Pontiac Electric goalie.

There was very little time left in the game now and as soon as Pontiac Electric got the play in Elmsides zone they pulled their goalie for an extra attacker but the move backfired as Charlie Taylor broke up a play near his own blue line and fired a long shot into the empty net. This completed a hat trick for him and the game ended 4-2 for Elmside.

Play continues Tuesday and Thursday. See you at the rink!

Rabies Clinic in Shawville next Tuesday Quyon next Wednesday

There will be a Rabies Immunization Clinic at the Municipal Garage in Quyon on Wednesday, March 26th, from 9 to 12 noon and from 1 to 4 p.m. This has been arranged for by the Health of Animals office of the Federal Department of Agriculture, for the municipality of Pontiac. Anyone in the area who is interested in having their dogs or cats immunized may attend the clinic, whether or not they reside in the municipality.

This information has been provided to THE EQUITY by the secretary of Pontiac, Mrs Joan Brady. A dead dog, found on the Wolf Lake Road in North Onslow by Wilfred Trudeau, was reported to the Hull Health of Animals office and found to have died of rabies. To report the case, Mr Trudeau phone 1-997-2919, which is the number which should be used to report every case of rabies or suspected case. One of the difficulties in Pontiac County was the fact that rabies cases here are not all reported. Their statistics show only 11 rabid foxes in this County during the past year.

On Tuesday morning, Mrs Evelyn Dale, Secretary of the Municipality of Shawville, phoned to Dr Viens in Hull and was informed that there will be a rabies immunization clinic in Shawville on Tuesday, March 25th at the Community Centre. Mayor Cecil Vibert of Campbell's Bay also contacted the Hull office of Health of Animals and reached Dr Sequin who informed him that he was not authorized by Montreal to hold more than the two clinics, at Shawville and Quyon.

The Cities and Towns act, for a grant of a dollar a head from Quebec for the County and for free legal services for the County to explain government bills. Also, County Councils will be given more powers in the near future, and more responsibilities.

The Warden also reported on the work of the Industrial Committee which was re-elected the same as last year. He said they hadn't achieved a new industry but felt they were nearer than they had been in 10 years to getting at least one and maybe two. Lorne Bechamp wanted a smaller Industrial Committee, to save money, but his suggestion was overruled.

In defense of confidentiality within the Industrial Committee, Mayor Cecil Vibert of Campbell's Bay said the people who elected the Committee should have confidence that they are working for the benefit of the whole County, and that they are not going to bring anything bad into Pontiac. Mayor Haurault urged that the public should respect the committee and that they deserve confidence. Mayor Burke also stated with regard to the proposed meat packing plant in the Quyon area that it will be the most modern plant of its kind in Canada and that new regulations now in effect will prevent any possible air, water or other pollution of the environment if it is built here.

The Finance Committee was re-elected and costs of \$1052. for the Revision Board will be billed back to the municipalities involved. (A new law to say that these revisions will henceforth be paid from Quebec.)

Alexander Tremblay visited County Council and explained the working of a committee at Fort Coulonge which is trying to establish a workshop for handicapped people in an old school at Davidson. He wanted some financial assistance from County Council and asked for \$500. The decision of Council was to reconsider the request for next year's budget if the group was still in need of help at that time. Speaking in favor of the group were Mayor Joey Peck Danford Lake and Mrs Dickson.

With regard to the rebate on County taxes to Onslow South, which has recently been announced by the Department of Municipal Affairs, the Warden stated that it was he who had asked for it while meeting with the Minister, the Hon Victor Goldbloom, last year. He was unable to explain why the rebate came only to Onslow South and not also to Onslow North, Quyon and Eardley. But these will probably be coming soon because after the secretary of the new municipality of Pontiac wrote to the Department of Municipal Affairs last week, they in turn have asked the County Secretary, Clifford Robillard, to notify them of the total amount owing for these other three former municipalities.

A great deal of alarm was expressed by all mayors on the subject of rabies throughout the County of Pontiac and Mrs Dickson was asked to give the problem as much attention as possible. (The result of this request was a front page story after an interview with the local veterinarian, an editorial after an interview with the regional veterinarian at Hull, an announcement and warning on Community News over CKOB Renfrew, a further mention on Municipal Affairs Program, also at CKOB, a seven minute broadcast on CBC Radio Noon, after an interview with the Named Diseases officer in the Department of Agriculture Health of Animals headquarters in Ottawa, and a news item on the subject of Rabies in Pontiac over CFVO, the French language television station in Hull.)

Visiting County Council, Jean-Guy Lariviere mentioned that in the past few years it has been the intention in the Department of Transport and Colonization that when they make grants to municipalities the grants are to be matched by a similar amount raised locally in taxes.

Mayor Fitzpatrick, in a discussion of roads, was unable to find words to describe the condition of those on Allumette Island, but did make a motion that a set of scales be requested because of the damage done by heavy trucks.

The snowplowing grant was discussed and it was announced that the Government of Quebec is taking another look at the 3 chains reserve on non-navigable waters. Mayor Boucher of Rapides des Joachims brought up the problem of the Penasag bridge which used to be a covered bridge until large trucks had ripped off its top. Having eventually collapsed, it was rebuilt and is now near collapse again.

Mayor Soucie of Fort Coulonge spoke about the prospects of amalgamation around his municipality and Jean-Guy stated that it is not the intention of the Department of Municipal Affairs to force amalgamation there, although they had forced it at the other end of the County.

An announcement from the Quebec Police Force, Campbell's Bay Detachment, permits any garage in Chapeau or Rapides des Joachims to do inspections of defective cars which are found by the Police. That is to say that when you are asked by the police to repair a light or muffler or whatever within 48 hours you can have the work done and signed for at a local garage, instead of having to go down to Campbell's Bay to have the inspection. This applies only to Chapeau and Rapides des Joachims at present but Sgt Nadeau has told THE EQUITY that if the experiment is

favorable and the garages take their responsibilities seriously in those two centers the practice might be spread further throughout the County.

The mayor of Calumet Island, Mr Piegault, asked for some information about responsibility for fencing beside municipal roads. Clarification of the law will be sought with a view to requesting an amendment to the law if it seems unfair as it is now written.

The last request was from Mayor Shrankler of Thorne who asked that the Industrial Committee invite participation of mayors from any mayor from any area under discussion by any firm contemplating establishment in Pontiac. This request was agreed to by the Council.

Confirmations on Palm Sunday

At the regular morning service or worship in Shawville United Church this Sunday, March 23rd fifteen young people will be confirmed by the Minister Rev A.J. Macintosh. These young people have been given special instruction in the faith, practice, and doctrine of the Church, and are now ready to confess their faith publicly, and to be received into the fellowship of the Christian Church.

The Minister will be preaching on the subject "The Key to Life". The Sacrament of Holy Communion will also be administered.

Both the Senior and Youth Choirs will render suitable anthems under the direction of Mrs George Campbell.

Colonel Bottomly film well received

On Sunday evening last, at the Shawville United Church, a near capacity audience attended the showing of the spectacular movie film entitled "The Conversion of Colonel Bottomly". A dynamic, inspiring film about a tough, self-sufficient Air Force Colonel who encountered Jesus Christ at the height of his military career, with life-changing results. An amazing true story, dramatizing a new God's compelling love.

Rev Macintosh welcomed all present. The first part of the evening's program consisted of a Sing-a-long led by Mrs George Campbell accompanied at the organ by Mrs C Edgar Hodgins. Prayer was offered by Rev Reginald Kierstead, Pastor of the Wesleyan Church, Campbell's Bay. The Senior Choir then rendered special anthem. The Scripture Lesson was read by Mr Fred Shaver. The Youth Choir sang two numbers, much appreciated, after which Mr Clifford Force, was heard in a solo.

Prior to the showing of the film, Mrs George Campbell rendered a solo. At the conclusion of the film the Congregation all joined in the singing of that great and much loved hymn "Amazing Grace", following which Archdeacon M.K. Roberts, St Paul's Anglican Parish, pronounced the Benediction.

A free-will offering of \$100.01 was taken in the interests of the needy in Bangladesh and as a result a cheque in the amount of \$100.00 will be forwarded to the Bangladesh Relief and Development Fund, Toronto.

Stark's Corners W.I.

On March 12th the March meeting of Stark's Corners Women's Institute met at Iva Elliott's home. Mary and Laura Stark were assisting hostesses.

Thirteen members and one visitor were present. Only two answered the roll call. The rest paid the fine.

Minutes of last meeting were read and approved. Our president read a letter from our foster child expressing appreciation for our sponsorship. The air-pressure mattress which we bought for the Ade Home was on hand and ably demonstrated by Lynne Lang.

Nominating Committee reported Barbara Yach as our new president with Marlene Corrigan as first vice and Jane Hayes as second vice. Marian Bretzlaff continues as Secretary and Grace Smart continues as treasurer.

Our next meeting will be at the Dean Home. It was moved and seconded that we apply for a blanket from the Abbie Pritchard fund for a deserving member.

Our secretary read excerpts from a letter from Quebec Convention April 30 at Bristol United Church, Elmside, Quebec. Registration at 9:30- meeting to open at 10. Also our fees will be increased next year.

Edith Elliott suggested we each write individually asking for a Rabies Clinic in our area.

Note: I wish to thank THE EQUITY on behalf of our branch of the Institute for printing our reports.

Ladysmith news

Over the weekend and Sunday guests with Mr and Mrs Melvyn Mielke at the cottage were Mr and Mrs Ernie Dodds, Mr and Mrs Blaine Mullins, Mr and Mrs Cecil Maloof and Mr and Mrs Doug Tourangeau of Arnprior.

On Thursday evening of last week about 25 friends and neighbours gathered at the home of Mrs Velma Armitage for the second farewell party for Velma who will be leaving soon for B.C. Gifts were presented by the group and also celebrated at the same party were birthdays for Mrs Selwyn Woods and Mrs Clarence Miller. Refreshments including birthday cake were served. We all join to wish Velma Happy Days.

Sunday guests at the home of Mr and Mrs Mano and Ahart Fierobin were Mr and Mrs Clifford Fierobin and family and Mr and Mrs David Eardley and family.

The confirmation class at Shawville United Church: Standing, left to right, John Rennie, Stephen Little, Randy Hodgins, Jeffrey Gray, Stephen Wilson, Douglas Rowat, Andrew McCredie, Kirby Smart, David Beattie, Wayne Deering. Seated left to right, Carole MacLachan, Connie Maheral, Diane Armitage, Judy Horner, Joanne Robertson. Photo by Eva Andai.

Presiding at the Organ will be Mrs C. Edgar Hodgins. Parents and friends of the Candidates for Confirmation specially welcome.
