Fancy Wood Work of all kinds,

801 CRAIG STREET.

The Wooden Carpeting has proved by its durability that it is the cheapest covering for Kitchens, Offices, Stores, Banks, Halls, Laundries, Schools, Dining and Sitting Rooms, or Border for Drawing Rooms, and where care is taken it can be made to look nice as long as it lasts, which in Private Houses would be as long as an ordinary Hard Wood Floor, or at least ten times as long as the best ENGLISH OIL CLOTH. The great advantage of these Floors is that they are Insect, and Dust-proof, can be laid over any Floor without disturbing the arrangement of the Room materially, such as the Door Sills, Hearth-Stones, or Register, being but $\frac{1}{4}$ inch thick. The wood is glued on Heavy Cotton Drill, and can be shipped to any point, as it is portable and rolls up like Oil Cloth. The Plain Floor laid complete costs \$2.50 per yard. Or with more Elaborate Style with Fancy Borders, Initials, Monograms, Inscriptions, Centre Pieces, and Wainscots for Walls, from $\frac{1}{4}$ inch to 1 inch thick at from 40 cents to \$1.00 per square foot, finished. Designs and Estimates furnished, and floors laid in all styles. Samples may be seen at the

PREFACE.

THE PUBLISHERS take pleasure in presenting to the public the **MONTREAL DIRECTORY** for 1875-76.

According to the Municipal Census of 1872, the population of Montreal was 117,865, divided among the following wards :

East.....	3,159
Centre.....	1,412
West.....	1,156
St. Mary.....	14,983
St. Antoine.....	27,506
St. Lawrence.....	14,410
St. Louis.....	16,452
St. James.....	19,146
St. Ann.....	19,641
Total.....	117,865

If, to the above are added a large increase of the population during the past year, and the suburban villages (which are given in the **DIRECTORY**), and which properly form part of the city, the population is at least 160,000.

To canvass such a large population, (yearly rapidly increasing), arrange the names in alphabetical order, classify the business of each advertiser and subscriber, and collate the vast amount of miscellaneous information appended to the work, is a task that requires the greatest anxiety and care.

The city is canvassed first by a large staff of Agents, and their work is afterwards revised and corrected from door to door.

The **STREET DIRECTORY**, an important and very necessary part of the work, will be found very full and reliable.

The Miscellaneous matter will also be found very complete.

The business of each Advertiser and Subscriber is carefully classified.

The Publishers beg to thank the public for their very generous support, and all those who aided in supplying information, and bringing the **DIRECTORY** to a successful issue.
