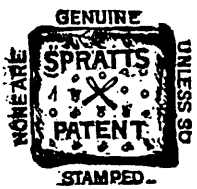
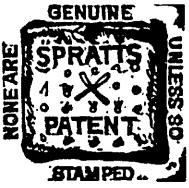
Spratts Patent MEAT / FIBRINE / VEGETALBE Dog Cakes



With Beetroot.

200 TONS SOLD WEEKLY.



Our Pet, Puppy, and Cod Liver Dog Biscuits

are put up in about 5 and 10 lb. Tins and 50 lb. Cases any of our Fibrine Cakes can be obtained with 7 to 40 per cent. of meat by ordering them.

SPRATTS PATENT DOG CAKES have now attained their world-wide reputation as the cheapest and most wholesome Dog Food by the excellence of the materials of which they are composed, the meat, flour, oatmeal, dates and vegetable matter used in their manufacture being the very best suited for the purpose. They are not made of any useless innutritious waste material. They are the result of all the science that money can procure and 25 years' experience in the Manufacture of Dog Biscuits could suggest. Their quality and superiority is apparent to any person who will take the trouble to compare them with any other Dog Biscuit manufactured, their manufacture is our staple business, we do not make them in order to use up any worthless meat from which all the nutrition has been extracted we use nothing, but sound wholesome beef for their manufacture.

They are recommended by all the sporting papers throughout the civilized world All the noted writers on the Dog recommend them, a CAPITAL OF SEVERAL MILLIONS OF DOLLARS is invested in their manufacture. Owners of kennels, in America, are daily writing to the Sporting Press, saying that they could find nothing to equal them; vide Forest and Stream, Turf, Field and Farm, etc., etc.

READ the common sense of Dog doctoring, the common sense of Poultry keeping and the common sense of Pheasant rearing all by SPRATTS PATENT, Limited.
