

Nato talks

A-force decision deferred

PARIS (CP)—Ministers of the North Atlantic Treaty Organization deferred action Sunday on a U.S. proposal to equip NATO with a nuclear striking force.

The 15-nation ministerial council also shelved a Canadian suggestion for a spring NATO summit meeting in Ottawa to consider the U.S. nuclear "concept." External Affairs Minister Howard Green of Canada had made this proposal Saturday.

But the minister indicated they are going to wait for the reaction of President-elect Kennedy, before deciding on the proposals, particularly the conditional U.S. offer for the nuclear force pegged to Polaris missiles.

The only time a NATO summit meeting has been held previously was in 1957 when the Western Alliance convened here and decided to outfit NATO with intermediate-range ballistic missiles.

The three-day NATO talks that ended Sunday ranged over many other topics, but came to few conclusions. The incoming U.S. administration was not represented.

President Eisenhower's top aides put forward the blueprint for a force of medium-range ballistic missiles under combined control in an apparent move to induce U.S. allies to forego independent nuclear programs.

But there was little immediate sign this manoeuvre would succeed. The offer hinged on several big conditions — approval by Kennedy, agreement by the allies on how to pay for the force, and the changing of a U.S. law that now makes it illegal for the United States to put nuclear warheads in foreign hands.

The proposed plan would place five nuclear submarines, each armed with 16 Polaris missiles tipped with nuclear warheads under joint North Atlantic command providing the allies bought an additional 100 missiles that could be based on land or at sea, costing about \$1,000,000 each.

Making his proposal for a NATO summit meeting, Green had suggested spring of 1961 as the time and Ottawa as the place. Secretary-General Paul-Henri Spaak of NATO said the Canadian proposal was "neither accepted nor rejected."

Tragedy near Asbestos

Two children, dad die

By WILLIAM LUNAN (Special to the Record) ASBESTOS — Two small children and their father were found shot to death in their home near here late this morning.

Dead is Paul Perreault, of the Second Range, Wotton, and his two children, one aged between five and six months and the other between one and two years.

Police said the triple shooting occurred about 11.30 this morning.

Sgt. Eugene Morin and officer Marc Beaupre of the Sherbrooke detachment of the Quebec Provincial Police are heading the investigation.

PUZZLED SANTA — At the Christmas party held at Dominion Textiles on Saturday afternoon 85 children of members of the staff were given gifts by Santa. In the case of Guylaine Pelletier, left and Michelle Besre, both three years old, Santa did not seem quite sure which request to reply to first. (Record Photo by Gerry Lemay)

Debate Canada's disarmament plan

UNITED NATIONS (CP) — Canada's disarmament hopes, were at stake today as the 15th United Nations General Assembly tackled three of its toughest problems while driving for recess Tuesday.

The assembly's 99-member political committee—meeting at 10:30 a.m. EST—was scheduled to debate disarmament and Canada's plea that a resolution for a renewal of East-West negotiations be passed before the recess which continues to March 7.

The assembly itself also meets (at 11:30 a.m.) to resume its debate on the situation in the Congo.

When—and if—the Congo debate is completed today or tonight the assembly is expected to dive into a discussion of the Algerian rebellion, now in its seventh year.

A 24-country Afro-Asian resolution was passed by the political committee Thursday, asking the assembly to recognize Algeria's right to self-determination and to decide a referendum for that purpose "shall be conducted in Algeria, organized, controlled and supervised by the United Nations."

But a key paragraph failed to be needed for adoption in the assembly and the issue remained in doubt. France claims the six-year Algerian war is outside the UN's scope and has boycotted all debates on the subject.

Two other resolutions were introduced as amendments to the Afro-Asian proposal.

One of them, sponsored by 11 former French colonies in Africa, would have the General Assembly invited France and the nationalist rebels to negotiate on a cease-fire and a self-determination referendum.

A rival proposal, put forward by Cyprus, would have the assembly recommend a referendum in Algeria under UN auspices so that Algerians could decide their own future.

Tax proposal called odious

QUEBEC (CP) — The provincial governments proposed income tax changes Sunday were branded "odious, anti-family, anti-worker and anti-national," by Le Club Laurentien-Quebec, a Quebec Province nationalist group.

A club statement said the proposed changes — now being debated in the legislature — would hit lower income groups hardest and at a time of unemployment. The government has introduced legislation reducing basic exemptions to \$2,000 from \$3,000 for married persons and to \$1,000 for single persons. Increased revenues would be used to pay for the hospital insurance plan which goes into effect Jan. 1.

Hospital insurance, the statement said, could be paid for by recovering "the hundreds and hundreds of millions of dollars stolen from us annually by the voracious, centralist ogre which is the government in Ottawa."

Unless Ottawa turned over money it collects in Quebec, the club declared, the provincial government "has only one alternative: to proclaim 'La Laurentie,' that is to say the independence of Quebec."

Witnessed air crash

NEW YORK (AP) — Two teams of federal investigators planned intensive questioning today of at least 10 persons who claim they actually saw Friday's airliner collision—worst in aviation history.

At the same time, other investigators checked the possibility that the United Air Lines DC-8 jet involved had overshot the point at which it was to begin flying a rectangular "holding pattern" prior to its intended instrument landing at Idlewild airport.

As the Civil Aeronautics Board pressed its inquiry, the exact total of dead still could not be determined.

All 128 persons on the jet and on the plane that collided with it, a Trans World Airlines Super-Constellation, were killed. Five more persons were known to have perished on the ground in Brooklyn, where the jet plane crashed, and at least two more were missing and probably dead.

The total, now at 135, had fluctuated because police were unable to learn the whereabouts of all those believed to be tenants of the buildings smashed and burned by the jet plane. In at least one case, a man thought missing in the crash turned out to have recently moved from the address without his neighbors' knowledge.

WERE SKEPTICAL — Investigators were skeptical when residents of Staten Island and Brooklyn first reported that they had seen the planes collide Friday morning.

Weather experts had testified that the ceiling at the time was

getting under way: Insurance.

Experts in the field estimated that awards resulting from the crash might top \$15,000,000. They said insurance payments might average \$50,000 a plane passenger, and pointed out that the insurance on the huge aircraft themselves, on the buildings and other property destroyed in Brooklyn could bring the total to a record high.

Fear toll in Munich to rise even higher

MUNICH (AP)—Police fear an increase in the death toll of the air disaster that plunged this gay Bavarian capital into mourning during the weekend.

Forty-nine persons were known to have been killed after a United States Air Force Convair transport plunged into a downtown street Saturday, sheared off a church steeple, exploded in flames and turned a crowded street car into a blazing mass of twisted wreckage.

Forty-eight bodies were recovered from the wreckage and another victim died in a hospital. But the charred condition of the bodies made identification difficult. Police appealed to all Munich families to report if any relatives had failed to return home.

ORILLIA, Ont. (CP) — An Orillia fireman who says he was fired for refusing to put out the town fire chief's garbage, turned his case over to the International Association of Professional Firefighters CLC Sunday.

Robert H. Macdonald, 35, said he was ordered home Friday when he refused to obey orders of Lieut. Robert Shropshire to put out garbage from the private apartment of Chief Donald MacLeish above the fire hall.

"I feel it is not proper to enter the private apartment of the fire chief, on orders of any fire department officer, to do his lackey work," Macdonald said.

Chief MacLeish said he had relayed the matter to town council's fire committee.

Stamps OK Court rules

OTTAWA (CP) — The legality of trading stamps issued by two of Canada's largest chain food stores was upheld today by the Supreme Court of Canada.

The court in an unanimous decision dismissed an appeal by the attorney-general of Manitoba against lower court judgments ruling that stamps issued by Loblaw Grocceteria Company Manitoba Limited and an Independent Grocers Alliance store are not illegal trading stamps within the meaning of the Criminal Code.

The Manitoba appeal was heard in October by a bench of five judges headed by Chief Justice Patrick Kerwin. The chief justice wrote the main reasons for judgment which were concurred in by judges C. H. Locke, Gerald Fautoux, Douglas Abbott and Ronald Martland.

Mr. Justice Fautoux also wrote supplementary reasons.

Evidence in the cases against the two companies was that a customer—a Winnipeg detective—received stamps with a purchase of goods. He asked for immediate redemption and in one case was given two paper cups and in the other a safety pin.

Magistrate C. W. Tupper of Winnipeg found the two companies not guilty and his decision was upheld in Manitoba County Court and by the Manitoba Appeal Court in a 3-0-2 ruling.

The majority decision of the Manitoba Appeal Court said the Criminal Code spells out in specific detail the characteristics which make up a trading stamp. It said the fact that the stamps in question are redeemable at any time on demand puts them outside the code.

Pre-Christmas present?

Tuesday's baby budget may hold tax cuts

By ALAN DONNELLY (Canadian Press Staff Writer)

OTTAWA (CP) — Canadians will learn Tuesday night whether Finance Minister Fleming has pre-Christmas tax cuts in his bag of budget surprises.

They will get the news after the 55-year-old minister rises in the Commons at 8 p.m. EST to read the carefully-guarded secrets of his second budget speech of the year.

It has been called a "baby budget"—a supplement to his budget speech last March 31 which set out the government's financial program for the 1960-61 fiscal year that ends next March 31.

The new budget will certainly revise his previous forecast of a \$12,000,000 surplus. With the current economic slowdown, federal tax revenues have been lagging behind last spring's expectations. The spring budget was based on a forecast six-per-cent economic growth to a gross national product in 1960 of between \$36,500,000,000 and \$37,000,000,000. Instead, gross national production took a downturn during April-June.

SPENDING MORE — Moreover, government spending on a number of programs to

stimulate the economy is expected to exceed last spring's forecast.

The big question is whether Mr. Fleming will wield the axe

Youth, 18, crushed by tractor

ST. EDWIDGE — An 18-year-old youth was killed here Saturday afternoon when he was pinned by a large tractor which went out of control on the road between Martinville and Johnville.

Jacques Hebert, son of Mr. and Mrs. Hebert Hebert of St. Edwidge, was riding with his cousin, Marcel Martineau, on the tractor at the time of the accident. They were driving towards St. Edwidge.

Hebert, the driver, lost control of the vehicle near the "Lepage" bridge and his companion, Martineau, managed to jump free. Hebert was pinned beneath the tractor.

Equipment loaned by a Coaticook contractor was used to free the body of the youth some two hours after the accident. The body is now resting at the family residence and funeral service will take place in the St. Edwidge Roman Catholic Church Wednesday morning at 10.

Will represent Adolf Eichmann

TEL AVIV—(Reuters)—West German lawyer Dr. Robert Servatius arrived here by air Sunday night and said he would definitely defend former Nazis official Adolf Eichmann at his trial on charges of masterminding the Second World War deaths of millions of Jews.

Previous reports from Germany quoted Servatius as saying he would drop the case if "memoirs" attributed to Eichmann were published in Life magazine were genuine. Servatius said Sunday night the "memoirs" were a "confession of facts but not of guilt."

Servatius said he was "shocked" by the "memoirs" because he never thought Eichmann "actually witnessed the mass slaughter of Jews."

Cast presidential vote

Kennedy sure choice of electoral college

WASHINGTON (AP)—The 537 persons who compose the electoral college meet in the 50 state capitals today to cast the presidential vote that really counts.

There is no doubt that the electors will name Democrat John Kennedy. But the size of his margin still is uncertain.

An eleventh hour partial recount switched Hawaii from the column of Republican Richard Nixon to the column of Kennedy by 55 votes. A circuit judge has indicated he now will order a recount of all the state's precincts.

Counting Hawaii's three votes for Kennedy and barring unforeseen defections of some electors—who are only morally bound to

support the winner of the popular vote in their states—the count at the end of the day should be:

Kennedy 303
Nixon 220
Senator Harry F. Byrd (Dem. Va.) 14

At least 269 votes are needed to win.

Byrd was not a candidate, but he now is the choice of six of Alabama's 11 Democratic electors and all of Mississippi's 8. The 14 ran unpledged on Nov. 8.

Kennedy won the popular vote in the closest presidential race in 76 years. He carried 23 states for a total majority of about 113,000 votes. Nixon won 26 states. Unpledged electors carried Mississippi.

Kennedy's electoral margin was a comfortable 34 more than needed. Winner of a state's popular vote, even if the margin is a single vote, gets that state's entire electoral vote.

The votes of the 537 electors will be formally counted by Congress in joint session Jan. 3.

Mt. Orford—9 inches to 15 inches of powdered snow on a packed base, no snowfall within the past 24 hours, one T-bar in operation, slopes—good, temperature—20 degrees above zero;

Mt. Sutton—8 inches to 12 inches of powdered snow on a packed base, no snowfall within the past 24 hours, two slopes usable in operation, two slopes usable, temperature—20 degrees above zero;

Theford Mines—16 inches of powdered snow on a packed base, no snowfall within the past 24 hours, nothing in operation, slopes—good, temperature—18 degrees above zero.

QUEEN'S PICTURE DEFACTED — This reproduction of a painting of Queen Elizabeth hanging in the main lobby of the Sherbrooke Post Office was defaced Saturday by someone who added a moustache, goatee and sideburns. Postmaster J. Conrad Cayer, said action would be taken against the culprit if he or she is found. RCMP officials said damage or defacement of this nature could bring a heavy fine on conviction. Main burglar alarm cable severed

MONTREAL (CP) — Police squad cars and beat patrolmen moved quietly through north-end Montreal streets throughout the night following the deliberate cutting of a main burglar alarm cable.

The cable, carrying more than 200 wires and connected to police headquarters and the Dominion Electric Protection Company, provided protection for about 200 banks, trust companies,

fur depots and other businesses in a 27-square mile area.

Police fears that the break was the work of an organized gang were increased when 200 subscribers found their telephones dead and several pay phones had their receivers ripped out.

Insp. Leo Tremblay, co-ordinating police operations, said early today "we're working on the assumption that the men who did this were after the big money."

The area cut off extended from Mount Royal to suburban Riviere des Prairies in the north and from Ville St. Michel in the east to town of Mount Royal in the west.

While a Bell Telephone crew worked to repair the circuits, Dominion Electric provided police with a list of 21 key businesses in the area. Police were posted at each one.

Phone calls went out to some of the 180 other Dominion Electric clients whose premises could not be guarded individually. Many owners rushed to guard their stores.

A number of constables scheduled to go off duty at midnight stayed on to guard premises and make periodic checks.

A Bell Telephone official said the break was first noticed at 8

p.m. when a number of subscribers reported their phones were dead.

However, one couple reported seeing the cable being broken at 7 p.m. They told police they saw two youths swinging an axe at the lead-coated cable. "It took about 15 blows."

When they tried to phone police their line was dead.

The cable was cut at one of the few points in the city in which it was accessible—where it came down from a transmission pole to enter an underground conduit.

It was expected to take until 8 a.m. to repair it.

Waterloo WMS hears reports on month's work

WATERLOO — A meeting of the Women's Missionary Society was held in the Church Hall on Dec. 13. The president, Mrs. Noble, was in the chair. After the secretaries' reports were read reports on the work of the following departments were presented:
Christian Stewardship — The allocation will be exceeded and expenses covered.
Supply — Mrs. Champagne has sent all requested articles and a few extras.
Literature — \$8.50 has been spent on literature, and several selections, chosen by Mrs. Sturtevant, were read.
Associate members — Mrs. Dunsmore's report revealed nine associate members.
Proceeds from the sales table were reported as satisfactory.
Mrs. Marshall chairman of the nominating committee, reported that the slate of officers still lacked names for president and secretary.
A request from the Christian Citizenship secretary for a donation of unsold articles from the sales table to be sent as Christmas gifts to patients in Quebec's mental hospitals, was granted.
Mrs. Noble read extracts from the constitution of the new organization for women.
Names of those to be remembered at Christmas were listed.
The next meeting will be held on Jan. 3.
The meeting closed with a beautiful service of lights, with Mrs. Boomhour as leader, Mrs. Noble as reader, Mrs. O. Young, as watchman, Mrs. C. Ladd as candle-lighter. During the service, Mrs. J. Cook sang a Christmas hymn, accompanied by Mrs. G. Young.

ABERCORN — Mr. Leonard Bissonette is recovering from mumps. The death occurred of Mr. Fred Mitchell on Dec. 8, after a lengthy illness. Michael Bailey is ill and home from school.

MARBLETON — Mrs. Agnes Weston, Miss Florie Hunt, Mrs. Wm. Hetherington, Mrs. Walter Maskell and Mr. Dalbey S. Orr visited friends in the Wales Home, Richmond.

HOLLYWOOD (AP) — This is not such a jolly season in the TV jungles. It's Christmas time and option time.
Many a show is perched on the brink, fearful of the single word that means a slide down the chute to oblivion. The hopes and fortunes of hundreds of people are involved.
Perhaps this is a good time to urge: Sponsor, stay that ace. The truth is that today's flop may be tomorrow's hit. Danny Thomas floundered for two seasons before hitting the TV big-time. Wagon Train struck many a rut on its journey to top ratings.
Five Fingers is a good example of a TV show killed before its time. The star of the show was handsome David Hedison, and he was back in TV this week, playing a bad guy in Hong Kong.
SERIES CANCELLED
"It was just a year ago that I returned from a Christmas vacation to report for the 17th show," he recalled. "I was told I needn't come in because the series was cancelled."
Luciana, (Paluzzi), his leading lady, was all broken up about it. I didn't really care. The show had done me a lot of good; Working with performers like Viveca Lindfors, Monty Woolley and Eva Gabor was great experience. But it also was tough work."
Hedison agreed that Five Fingers should have been given a better chance to attract an audience. The initial reviews were not too kind, but the show was improving in quality and had some avid fans. As proof of its potential, Hedison observed that it is one of the top shows in Australia and his fan mail from Down Under is immense.

Miss D. Shattuck entertains W. I. at East Angus

EAST ANGUS — A meeting of the Women's Institute was held on Dec. 14, at the home of Miss Dorothy Shattuck, with Mrs. Robert Gray, co-hostess.
The president, Mrs. Annie Andrews, was in the chair and reports from the various committees were heard.
The sum of \$35.10 had been realized by the latest paper collection. Acknowledgments were received for donations to the Cecil Memorial Home, the School for Retarded Children, and from a boy who had been sent a birthday gift.
It was voted that season's greetings be sent to four newly established branches of the Institute.
UNICEF Christmas Cards, which had been ordered by the members, were distributed.
The convener of home economics reported that arrangements had been made for a cooking course to be given early in April. The convener of publicity read an article, Roll Call Suggestions from an Ontario group.
It was decided to pay for the cost of having cocoa made at the school as a supplement to the children's lunches.
Plans were made to hold a card party in the school on Jan. 18.
Mrs. M. Labonte was appointed to arrange for the packing of Christmas Cheer baskets for shut-ins.
An exchange of gifts took place at the end of the meeting and the Nutrition Game was played, Mrs. V. Bernard being the winner with 23 correct answers out of a possible 25. Lunch was served by the hostesses.
General Notes
Mrs. Ransome Hayes and Mrs. Hector Mignault spent a few days, guests of Mr. and Mrs. Roy Morin in Burlington, Vt.

Anglican group, Marbleton, holds anniversary tea
MARBLETON — The 75th anniversary of the Women's Auxiliary of the Church of England in Canada was celebrated by a birthday tea at the home of the branch president, Miss Hunt.
Mrs. M. H. W. Seeley, the Quebec Diocesan Thankoffering secretary treasurer, from Thetford Mines was present and gave a short talk on the United Thankoffering. She was introduced by Mrs. Hetherington and thanked by Mrs. Weyland, who also presented her with a gift of appreciation for which Mrs. Seeley expressed her thanks.
Mrs. George Robins presided at the tea table, which was covered with a white linen cloth, and centred with a pink begonia plant. Pink tapers in silver holders, with the Winchester Cross, 75th and W. A. in gold letters, completed the arrangement.
Mrs. Joseph Mackay assisted Mrs. Robins.
The large birthday cake, complete with pink candles, was cut by Mrs. Hetherington, who has been a member since 1912.
The Birthday Box was opened and the contents given to Mrs. Seeley for the U.T.O.
The Marbleton branch was organized in 1886 by Mrs. E. E. Husband, wife of a former rector.
Mrs. Husband is now in her 98th year, and is spending it in the Church Home, Guy Street, Montreal.

Kiwanians hold inter-club meeting at Thetford Mines

THETFORD MINES — An inter-club meeting with ten members from the Sherbrooke Kiwanis Club on hand as guests of the local club, took place on Dec. 12 at the Faisan Bleu. The guests in their chartered bus arrived early in the afternoon escorted by Lionel Pluze, visited the Lake Asbestos Mine at Black Lake, after which they joined the local club for the dinner meeting.
The guest speaker was Philippe S. Xanthos, Professor at the Classical College here. The subject of his interesting talk was; Psychology Factors in our Relations with Foreign Countries. The speaker was introduced by Raymond Vachon and thanked by Kiwanian Lionel Pluze.
Birthday congratulations were extended to L. Governor of 8-A District of Kiwanis International, Lucien Therien.
Ladies Night, held on Dec. 10, at the Elks Lodge, was reported to be a fine success. Thanks were extended to the committee in charge and to Mr. Gauthier for the loan of the Lodge for the occasion.

Last Thursday night the 7/XI Hussars HQ Squadron held a small bore shoot, in which S/Sgt. Simon Legeux took top honors with 98 out of a possible 100. The parade was the unit's last for '60, as they observe the annual Christmas recess. Training for the regiment will commence Jan. 16th.

Bishop's University C.O.T.C. Contingent received their year-end pay last Tuesday evening, and will cease training until Jan. 12. Major G. C. H. Barlow, O.C. of the group said first phase of training will launch the new term, and second and third phase cadets will continue, following laid down syllabi.

The Sherbrooke Regiment and 8th Medical Company are introducing personal photos of all unit members on their 'I' cards, a practice followed in the regular force. This is an important measure in documentation, and the two units making this part of their administrative procedure, are to be complimented. The idea was conceived by Captains Lloyd Hutchinson and Edson Warner of the Sherbrookes, and approved for the Medics by Capt. H. Smart, that unit's administrative officer.

The Sherbrooke sector 'I' Staff began trades tests in Coaticook on Dec. 11 when they examined recruits and trained militiamen. Monday, Dec. 12, block I, group I wireless tests were given for 7/XI Hussars signallers at Windsor, and on the same date block II wireless was given at the William Street Armoury for all on the course from 9 Militia Group units in the area. . . Thursday evening Sherbrooke Regiment signaller - candidates took their block I, group I test, and at Coaticook those on the trained militiamen course were examined. These tests complete the Sherbrooke Sector 'I' Staff's instructional duties until Jan. 8. . . S/Sgt. T. Becharid returned last week from Montreal, where he took a six week storeman clerk

course. . . Capt. Durand is also back in Sherbrooke, after attending a course at Camp Bouchard, in Bouchardville.

Able-seaman Gary Richards, son of S/Sgt. Irving Richards is home on leave. Gary is a former trumpeter with The Sherbrooke Regiment Band, and is presently stationed on the HMCS Incharan of the 7th 'anti-submarine' Squadron, RCN. He enlisted in the navy during March 1959.

The Sherbrooke Regiment and 8th Medical Company held a joint sports parade Thursday evening, followed by an all-ranks smoker. Sergeants took the honors in volleyball and floor hockey but the Officers won over the men and the sergeants in the best two out of three pulls in tug-of-war competition. Others attending the parade played badminton. Capt. Harry Blue directed a short session of P.T. to begin the parade.

Major J. M. Hawkins, president of the Sherbrooke Regiment's officers' mess has circulated a notice to all active officers, and associate mess members, that the 9 Militia Group New Year's Day reception will be held this year in the Belvedere Street Armoury officers quarters.

Lt. Col. Ward and Lt. Col. F. Tanguay will receive their officers in The Sherbrooke Regiment officers' mess New Years Day from 1000 to 1030 hrs., and the units' sergeants from 1030 till 1100. The sergeants will return the courtesy from 1105 until 1130 hrs.

All officers will leave at 1135 for the Belvedere Street Armoury. Dismissal will be at 1345 hrs.

The 24 Technical Squadron RCEME Ladies' Dart Team have donated \$20 to Mrs. L. Buckman's school for retarded children; \$10 to M. Gratham for the Sherbrooke District Boy Scouts Association; \$10 to Bruce Bishop for the Sherbrooke Social Welfare Group, and \$10 to St. Vincent de Paul Hospital. Besides these donations, they have made contributions to two needy children of one of the unit's men. . . Yesterday, the 18th, RCEME held their annual children's Christmas Tree Party. . . members of the 24th Sqn. have a total of 143 children. . . tomorrow evening, the 20th, the unit will hold a smoker, which will call an end to parades until January 10th.

14-year-old boy hit by car taken to Sweetsburg hospital

COWANSVILLE — (Staff) — A 14-year-old Cowansville boy suffered injuries to the left leg Friday afternoon when he was struck by an automobile on South Street.

Richard Plouffe, 14, of 1061 South Street received lacerations to his leg when knocked off a bicycle by Adelard Senay, RR 1, Cowansville.

The boy was at first taken to the Medical Center on South Street then to the Brome-

Missisquoi-Perkins hospital in Sweetsburg by Cowansville police chief Ernest Deschamps and constable Patrick Parcel.

Cowansville municipal police had a relatively quiet weekend as only two minor accidents were reported.

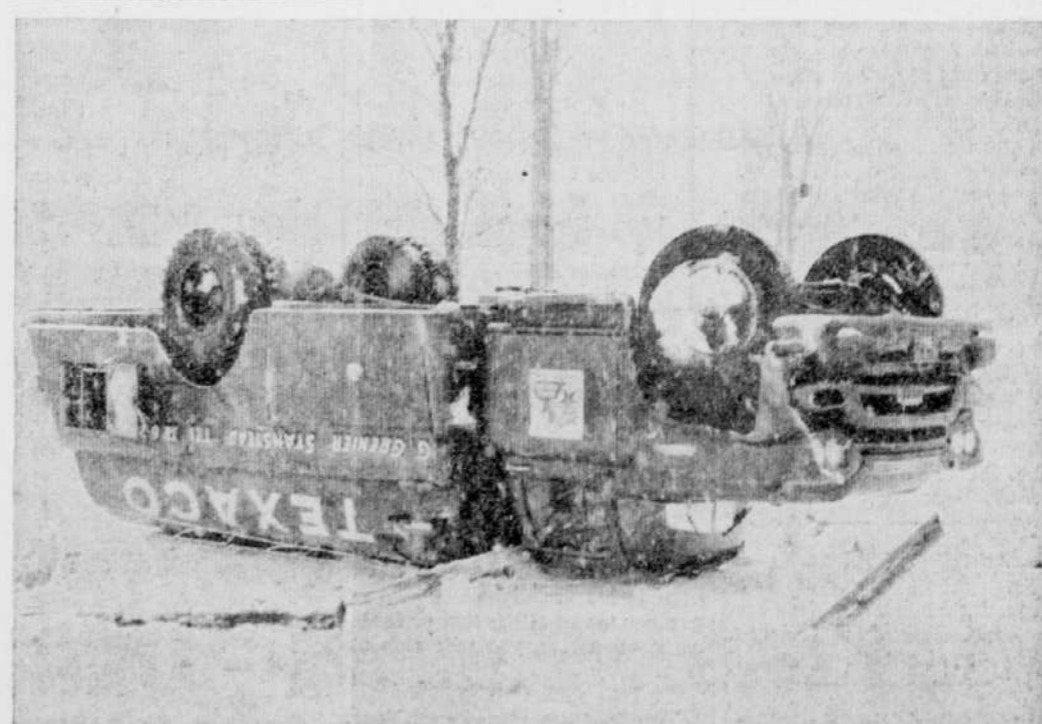

Fifteen dollars damage was caused Sunday, 1 a.m., as the result of a two-car collision on Willard Street.

The two cars involved in the collision were driven by Robert

George, of 390 River Street and Laurent Dion, of 110A Willard Street.

The only other accident reported was a \$160 crash between the automobiles of Real Nadeau, of 116 Veterans Boulevard and A. Guillemette's car.

No one was injured in the accident which occurred Thursday afternoon on Davignon Street.

NARROW ESCAPE — It was a narrow escape for a Stanstead oil man, Gilles Grenier, when his truck went off the slippery road at Judd's Mill Friday afternoon. He was not injured.

Disaster protection service vital

Fixing the responsibility for the air crashes over New York and Munich, which claimed the lives of 200 persons is the duty of those authorities under whose jurisdiction air travel falls. But they also offer a challenge to the local authorities everywhere on the necessity of establishing an efficient system of civil defence.

The effects of the New York disaster were minimized by the fact that New York police and fire-fighting forces number tens of thousands of men who could be massed into the danger area in a matter of minutes. But in smaller cities and towns these large reserves of permanent protection authorities are not available and the authorities would find themselves unable to cope with the situation if trained

volunteers were not lined up in advance.

Too many Canadian municipalities, large and small, have failed to take any effective action toward the creation of such a reserve force. The chief argument used is that protecting the citizens against invasion is a matter for the federal authorities.

This argument may or may not be sound if the purpose of such organizations were merely protection against nuclear attack or foreign invasion.

But local governments cannot escape their responsibility for dealing with disasters of a local nature and it is to be hoped that the two tragedies of the past weekend will awaken them to the need for action.

The Canadian Courier

The Department of Trade and Commerce and its minister the Hon. George Hees are obviously impressed with newspapers as a news and advertising medium.

This is evidenced by recent publication of the Canadian Courier, a monthly newspaper being issued by the department.

It is described by the department as the "external counterpart of Foreign Trade which supplies information on foreign markets and sales opportunities to Canadian businessmen."

Canadian Courier will be distributed from Canada's 63 trade offices abroad. The first issue — an attractively produced, eight-page tabloid in black, white and red — leaped to a circulation of 100,000. At first it is to be issued quarterly but eventually it is hoped it will be published every month.

The new publication is designed to pro-

vide foreign businessmen with news of Canadian products and processes and to keep them posted on developments in the Canadian industrial and commercial worlds.

Sherbrooke industry rated two mentions in the first issue.

In an account of the recent Ninth Canadian Packaging Exhibition in Toronto, it is reported: "Cardboard chairs for use at picnics, as extra seats at conventions, etc. were in actual use in the booth of Sherbrooke Paper Products Ltd., Sherbrooke, Que."

And in a separate story on page seven there is a report of an arrangement between Sherbrooke Woodcraft Ltd. and a British firm to sell hockey sticks in the United Kingdom.

"As the originator of ice hockey," the Courier reports, "Canada has long been looked to as the authentic supplier of hockey equipment."

Art for Christmas

Serious art is becoming more and more something for everybody rather than for an elite few.

Some American museums now hold special sales of art for use as Christmas presents. You can pick up a genuine old Master for that hard-to-buy-for person on your Christmas list, ranging from tried traditionalists to abstracts and ash trays by

Picasso. And to prove that art is getting just about as folksy a commodity as the things you buy in department stores, the American museums who put on the Yuletide sales have one big complaint — a lot of the gifts come back after Christmas for exchange or refunds, just like toasters, ties and tea pots do.

HUTTERITES MUST PAY
(Ottawa Journal)
Canada has no more peaceable people than the Hutterites but the decision of Revenue Minister Nowlan that they must pay income tax follows widespread and sustained complaint from other prairie residents.

The Hutterites have escaped the tax for 11 years as members of a charitable religious organization, a definition challenged by their neighbors. They have none of the protest disrobings or snarling community feuds of the Doukhobors. The 7,000 in Canada live in farm colonies without musical instruments, radio or television with work efficiently allocated and money saved put into land for new colonies.

UNITED STATES \$40,000,000,000

DEFENSE BUDGET

ANDORRA \$6.00

This is year the United States spent about 40 billion dollars for defense. That's more than any other country in the world. Perhaps the least any country spends is in the tiny land of Andorra between Spain and France. Last year Andorra's defense budget was six dollars. This paid for the ammunition at the annual shooting contest of Andorra's 12-man police force and "army."

Year-end outlook

Change to continue in Quebec

QUEBEC (CP) — Quebec's dramatic political metamorphosis will continue apace in 1961.

Premier Jean Lesage, whose reorganized Liberals toppled the conservative Union Nationale last June, has described the situation in French Canada as "a change of life."

So far the Union Nationale party, without effective leadership, has been attacking the way the Liberals have been effecting this change—particularly with regard to education and the new hospital insurance program, involving new taxes and construction.

The line of opposition it has taken is that Mr. Lesage is breaking with Quebec traditions and what he is doing smacks of Anglo-Saxon thinking.

Free education and hospital insurance particularly have been the target of Union Nationale attacks although the party denies it is against either.

Interprovincial co-operation on

a national scale has been initiated by the new Quebec government in line with its thinking that French Canada stands to gain by working with other provinces.

Mr. Lesage's initiative in calling a conference of provincial premiers at Quebec resulted in a decision to hold periodic talks. The next one is scheduled to be held at Charlottetown in August.

The last year has seen a succession of upheavals in the wake of the death in September, 1959, of Maurice Duplessis, premier for 16 years. In his last two years he had kept the lid tight on demands for increased grants to universities, labor petitions for a labor code, requests from school boards and municipalities for statutory rather than discretionary grants, criticism of natural resources development policy and of his party's election tactics, and pressures for free education and hospital insurance.

His successor, Paul Sauve, started action to modify the government's attitudes. He died Jan. Mr. H. E. Tilbury has returned.

2. The Union Nationale picked Antonio Barrette to lead the party through the provincial election in June. His grip on the party was uncertain and, though he settled the controversial problem of federal aid to universities, he was unable to get across to the public his government's intention of bringing about radical changes in policy.

Meanwhile, Mr. Lesage and his Liberals, promising a new deal for Quebec on all fronts, caught the imagination of the people and were elected.

The fabric of the Union Nationale soon began to deteriorate. Mr. Barrette resigned, protesting he was under the thumb of some high party brass. Yves Provost was chosen to succeed him temporarily but became ill and may be through with politics. Acting leader now is An-

tonio Talbot, a Chicoutimi lawyer. Meanwhile, the party's chief organizer has resigned.

It has become obvious to the Union Nationale, watching Premier Lesage forge ahead with new social welfare measures, education reforms, administrative changes and a new approach to federal-provincial relations, that it had to sit down and think things over.

The party has no structure—in any conventional sense—and policy has usually been set by its leaders. But in June, for the first time, it will hold a convention to hammer out principles and pick a permanent leader.

Two leading personalities in the leadership race are Daniel Johnson, 45, and Jean-Jacques Bertrand, 44. Both are lawyers from the Montreal area and have cabinet experience.

The coming year is likely to see a whole series of new measures. The government is launching a royal commission inquiry into education. This controversial issue, with its overtones of unrest in Roman Catholic church circles, may lead to some important changes. But Premier Lesage has categorically stated Quebec's confessional system of

education is here to stay.

In economic planning, a program aimed at industrializing the Gaspé Peninsula gets under way with the construction of a \$15,000,000 power line from Quebec City. Construction of a newsprint mill at Chandler appears assured.

An economic council has been appointed to advise the government on industrial development. Mr. Lesage has said the days of economic laissez faire are over although he has assured private enterprise his government does not intend to embark on socialist policies.

JACOBY On Bridge

SWINDLE LEAD IS GOOD DEFENSE

Bridge is primarily a game of aces and kings, but it also is a game of lower cards, and this week's articles will concentrate on plays involving the nine spot.

We will start with one of the classic swindle leads. Almost every expert will boast that he has used this swindle successfully and a few will admit that it has been used successfully against them.

Anyway, you are West and decide to lead a trump against the four spade contract. Which trump should you lead?

The answer is that you lead the nine! Declarer looks over dummy carefully and decides that the nine of trumps lead was the top of nothing. He plays dummy's jack and East covers with the queen.

Now declarer goes back to dummy with the king of hearts and tries a finesse against the ten of trumps. West makes his ten and later on the defense sets the contract with three diamond tricks.

Suppose that West had opened one of the side suits. Declarer would have had no real play in the trump suit, except to flop the ace and king down on the table. East's queen would drop and declarer would not lose a trump trick.

CARD SENSE

Q—The bidding has been:
North East South West
1 Club Pass 1 Dmd. Pass
2 N.T. Pass ?

You, South, hold:
Spades 3-2, Hearts A-7-6, Diamonds K-J-9-7-6-5-4 Clubs 6.

What do you do?

A—Bid four no-trump, if your partner will respond aces. You plan to bid six diamonds if your partner shows either two or three aces; otherwise, you will stop at five.

TODAY'S QUESTION

You hold the same hand. Your partner rebids to one no-trump over your one diamond response. What do you do in this case?

Answer Tomorrow

For the first French colonists in Acadia winter was especially hard. With few comforts, and unused to the rigors of the climate, they were without contact with the outside world.

Yet they never lost their gaiety and good spirits. In the winter of 1607 Champlain founded in Port Royal the Order of the Good Time. The order loved good eating and good talk. Each colonist in turn played host to his companions for a whole day, when it was his duty to serve them the finest

dishes. Caught by the competitive spirit each prospective host roamed the forests to bring back the most succulent game.

At night, the meal over, the day's host, in a high-spirited ceremony, placed the chain of the order around the neck of his successor. Never did the Acadian colonists eat so well as in the winter of 1607.

The Order of the Good Time is one of the oldest traditions dear to French Canada — enjoyment of fun and a feast, especially at Holiday time.

ALGIERS (Reuters) — Christmas shoppers thronged the streets of Algiers Saturday as the large force of troops disappeared and the town looked normal for the first time in nine days.

U.S. airlift gets food to Laotians

VIENTIANE (AP)—Pro-Western Premier Boun Oum struggled today to put this battered capital on its feet with the help of an American airlift flying in critically needed food and medicine.

The government announced the roundup of more than 100 snipers and looters as it tackled the critical economic and political crisis that still grips the little Indo-China kingdom of Laos.

An airlift to rush rice, milk, medical and building supplies from neighboring Thailand was set up over the weekend after pro-Communist troops were driven out of the city in a four-day battle that left at least 150 men, women and children dead and more than 500 wounded.

BANGKOK, Thailand (Reuters)—The secretary-general of the Southeast Asia Treaty Organization, Poete Sarasin, today predicted a long guerrilla war waged by leftists in neighboring Laos.

The forces of neutralist paratrooper Capt. Kong Le and the pro-Communist Pathet Lao guerrillas have "by no means been defeated" because they were driven from the capital of Vientiane last week by American-backed right-wing troops, he said.

PEKING (Reuters)—Prince Norodom Sihanouk, Cambodian head of state, called today for a new conference like the 1954 Geneva meeting on Indo-China to consider the Laos civil war.

He called for a meeting of China, the Soviet Union, the United States, India, Thailand, North and South Viet Nam, Cambodia and Laos.

Fire kills priest LEWISTON, Me. (AP)—A Roman Catholic priest, critically burned last week at his church, died in hospital Sunday.

Rev. Andrew Vincent Kelleher, 53, was lighting candles in preparation for mass at St. Ambrose Church in Richmond Dec. 8 when his vestments caught fire. Father Kelleher finished the mass before going to hospital.

ST. NICK VISITS RICHMOND — Santa, his wife and the Fairy Queen were on hand Sunday afternoon at the Notre Dame School where they attended a party for the children of Richmond. Some 700 children were present and were each given a bag of "goodies" by jolly St. Nick and his helpers. The event is an annual affair sponsored by the Knights of Columbus and merchants of the Town. Hatley Centre W.I. hold annual Christmas party

NORTH HATLEY—The December meeting and annual Christmas party of Hatley Centre W.I., was held at the home of the president, Mrs. G. Pocock.

The members were happy to welcome the County president, Mrs. R. G. McHarg, and Mrs. Wyman from Ayer's Cliff, as well as several other guests.

The business session was conducted by the president. The roll call was an exchange of Christmas gifts.

The branch voted to send Christmas greeting cards to newly-organized W.I. branches. Donations were voted to the Community Christmas Tree fund, and to the North Hatley High School year-book, School Daze.

Plans were made for Christmas Cheer boxes to be sent locally, and to the School for Retarded Children in Dixville.

The drawing, donated by Mrs. R. Rintoul, was won by Mrs. McHarg.

The next meeting will be held at the home of Mrs. A. Marlow in the afternoon of Jan. 4. The program will be in charge of Mrs. J. Lowry, convener of home economics.

Refreshments were served by the hostess, assisted by Mrs. J. Johnston.

AUW Society meeting held DERBY LINE — The Dec. 14 meeting of the Universalist Church A.U.W. Society took place at the home of the president, Mrs. Lawrence Kelley.

In keeping with Christmas, poems and readings were given by the 11 members attending. A satisfactory report was heard on the tea and sale held on Dec. 10. A request was made for the baseball and stocking contributions to be in before the end of the year.

The annual meeting of the society will be held on Jan. 18 in the church vestry, when election of officers will take place. Instead of a gift exchange the members brought gifts to be sent to the Brandon, Vt., School for Retarded Children.

Refreshments were served by the hostesses, Mrs. Kelley and Mrs. C. A. Bacon.

Future of TV, radio getting more study

OTTAWA (CP) — Some deep thinking is going on about the present and future of radio broadcasting in Canada.

Sharing the task of reappraisal are the private stations, the publicly-owned CBC and the Board of Broadcast Governors. Their efforts may produce major decisions in the coming year—changes that may weigh heavier with the public than 1961's rapid developments in private television.

The current studies come after eight uncertain years during which radio stations, struggling to find a place beside TV, have had to change their approach to the listening public.

Methods employed by some stations have incurred the displeasure of the BBG. The board has said it doesn't approve of the lack of variety, the promotional contests and volume of commercials on some stations.

Regulations will be proposed by the board—probably before March—in an attempt to define more specifically for stations Parliament's 1958 statutory demand for "varied and comprehensive" broadcasting.

Some of the new radio rules may take the same line followed by the BBG in 1960 for TV. For example, the governors now are trying to devise a method of applying to radio the Canadian programming demands they have imposed on television.

But the board faces an even bigger problem in radio. It has this background: The radio broadcasting reaching the vast majority of Canadians is AM (Amplitude Modulated) radio. There are about 230 AM stations in Canada, compared with only 35 FM (Frequency Modulated) stations which operate on a narrow high-fidelity band.

Every BBG hearing sees the AM stations, private and CBC alike, applying for more power. They need stronger signals to compete for advertising dollars and to ward off noise interference from home appliances and industrial sources.

This power race can't continue indefinitely. There are limits on station power, imposed so that one station won't be drowned out by another on the same frequency.

Broadcasters have told the BBG that eventually AM radio may have to be abandoned for FM, which is virtually immune to interference. This poses a king-sized problem for the BBG and the stations it regulates.

FM stations in this country often broadcast simultaneously the programming of their AM station owners. But where FM is operated separately, it has fallen into a class by itself.

It has become what one broadcaster has called "The Atlantic Monthly" of radio, offering a heavy diet of classical music. Commercials are fewer and less bombastic than on AM radio. One Toronto station, CHFI-FM, has even refused to accept advertising jingles.

FM listeners in Canada now number fewer than 500,000. But FM's popularity is growing. The CBC already is operating a Toronto-Ottawa-Montreal FM network.

Confronting the BBG is the question of whether to channel all FM efforts into the same high-brow programming that the FM operators have chosen of their own accord or to open the FM field to the AM stations.

Simple funeral for mine victim

TORONTO (CP)—A simple funeral of Alan Rose, 26, victim of a Timmins mine collapse who survived 69 hours' entombment and 23 days in hospital before dying Thursday, was held Saturday at St. Aidan's Anglican Church.

About twenty persons attended the private funeral, chosen by Mrs. Shirley Rose in preference to public services.

Among the mourners was E. A. Perry, manager of Hollinger Consolidated Gold Mine, where Mr. Rose, a British immigrant of six weeks at the time, was working.

Following cremation, the ashes will be sent to Manchester, the victim's home town. Shirley and her son Mark, 2, will fly back to England soon.

TUESDAY'S BABY Continued from Page 1 on taxes as a further stimulus attempt.

There has been considerable speculation that tax reductions may be on the books. Much of this speculation has centred on possibilities of a change in the corporation income tax—now 50 per cent on profits over \$25,000.

Some observers have said the government would have a political problem if it cuts corporation taxes without reducing personal income taxes as well.

In his last baby budget in December, 1957—after the Conservative election victory in June that year—Mr. Fleming cut both personal and corporation income taxes. The 1959 budget put higher rates on both classes.

MAY GIVE INCENTIVE There have also been suggestions that the budget will take a step towards encouraging more investment by Canadians in the country's development.

Speculation on how this might be accomplished has ranged from the idea of a government-sponsored national development fund to tax incentives benefiting Canadian investors only.

One important tariff move seems likely in the budget. The throne speech announced the government's plans to revise the tariff definition of goods "of a class or kind made in Canada."

Under this decision, imports of some goods can enter Canada at lower rates if they are not of a kind made in Canada. The practice has been to grant higher tariff protection if Canadian production of the imported article exceeds 10 per cent of total Canadian consumption of it.

The government's budgetary expenditure estimates for the year now total \$5,883,059,323. In his spring budget, Mr. Fleming based his forecast of a \$12,000,000 surplus on expected revenues of \$5,892,000,000 and expenditures of \$5,880,000,000.

At last report the government was in the red by \$10,300,000 in the first seven months of the fiscal year—a period when the government normally would have to build up a surplus if it hoped to break even at year's end.

Ten crashes claim 700 during year

LONDON (Reuters) — Aviation's death toll continued its grisly spiral Saturday with an airliner crash in Munich coming less than 24 hours after the collision of two giant airliners over New York Friday.

The number of dead in the New York crash—the worst in aviation history—climbed to 137 Saturday as rescue workers toiled through debris.

The Munich crash, claiming more than 50 lives, was the 10th major air disaster this year and brought the aviation death toll to nearly 700 persons.

The eight major crashes this year were: Jan. 18: 50 persons died when a Capital Airlines Viscount crashed near Holderoff, Va.

Feb. 5: 59 persons died when an airliner of Lloyd Aerea Boliviana crashed on a flight from La Paz to Cochabamba, Bolivia.

Feb. 25: 61 persons died when a U.S. Navy DC-6 and a Brazilian airliner collided in mid-air and crashed at Rio de Janeiro.

March 17: 63 persons died when a Lockheed Electra blew up in mid-air near Tell City, Ind.

June 24: 53 persons died when a Real Aerovias Convair crashed at Rio de Janeiro.

Aug. 29: 63 persons died when an Air France Superconstellation crashed on landing at Dakar, Senegal.

Sept. 18: 78 persons died when a DC-6 crashed on takeoff from Agana, Guam.

Oct. 4: 62 persons died when a Lockheed Electra crashed into Boston harbor.

Arctic team ends scheme

CHURCHILL, Man. (CP) - Seventy Canadian soldiers completed a winter warfare exercise Friday after battling a sub-Arctic blizzard near this northern outpost.

Winds up to 50 miles an hour whistled around the campsite of the army trainees 12 miles from here on the western shore of Hudson Bay Wednesday night.

The last outdoor expedition 610 miles north of Winnipeg was part of a three-week instructors' course in winter warfare for 40 members of the group.

The remaining 30 who combined with them in the final rigorous fight with the elements were on a special two-week northern training course, an extension of similar training in their home units.

The operation was under the command of Maj. Frank Battershill of Winnipeg, assisted by Capt. Ivan Wright of London, Ont., Lieut. Randy Burns of Lunenburg, N.S., Sgt. Roger Jackson of Sherbrooke, Que., Sgt. Maj. Neil McKerracher of Edmonton and Chatham, Ont., and Sgt. Al Erford of Regina.

Job-making tool

Commons approves council

OTTAWA (CP) - Formation of a 25-member productivity council to foment Canadian industrial efficiency was approved by the Commons Friday after a sustained opposition battering.

The bill, fourth piece of a government package introduced as job-making tools, was approved by a vote of 151 to 2 on third reading with only two CCF members dissenting.

"If we cannot have a loaf or even half a loaf, we are not going to reject a crumb," declared J. W. Pickersgill (L-Bonaville-Twillington) in setting out his party's reconciliation of its attacks on the measure and its vote for a bill he called a farce.

But the council measure and the three previous bills were "wholly inadequate" to meet a problem in which 429,000 Canadians were jobless at mid-November. Over the long haul, the bill might do good.

The council, drawn from the ranks of industry, labor, business and the public, would cut sluggishness from industry, make the public productivity conscious and provide a better quality of goods at better prices in a highly-competitive world, retorted Paul Martineau, parliamentary secretary to Prime Minister Diefenbaker.

Thetford C.W.L. will assist with Red Cross work

THETFORD MINES — Following the business session at the regular monthly meeting of the Catholic Women's League, Our Lady of Lourdes Council, held in St. Patrick's High School on Dec. 13, members learned to make gause swabs for the Red Cross.

The League plans to make these swabs at future meetings and anyone wishing to work on them at home may call Miss E. Davis for the necessary materials.

The meeting was brought to order by the president, Miss E. Davis, and roll call was taken

by Mrs. K. Doherty, 1st vice-president. The minutes were read by the secretary, Mrs. A. Wayland.

Mrs. Senicic, spiritual convener, reported that she sent out 132 cards in November, announcing the Mass in the Chapel. Mrs. W. J. Johnson, citizenship convener, reported 10-1/2 hours work by League members at the Cancer Society.

Mrs. Dickinson announced that the C.W.L. visit to the hospital would be made between Christmas and New Year's. All members who are interested in accompanying Mrs. Dickinson are asked to call her at her home.

Mrs. Duncan Maclean, convener for the card party in November, gave her report and thanked all who helped to make the evening a success. Mrs. Gingras, treasurer, read her report for the month of November.

Refreshments for the evening were provided by Mrs. L. Last and Mrs. D. Maclean.

The Doctor Says

"After my husband died of cancer, several months ago," writes a widow of Tyrone, Pa. "my son-in-law visited me with my daughter and their three boys. He kept his family and himself in sleeping bags on the dining room floor every night throughout his visit."

"No doubt he feels that cancer is contagious and wants to protect his family and himself. Is his action one we should all follow even though my husband's room is shut off?"

Dear Lady, there is not the slightest evidence that cancer is contagious.

If your son-in-law doubts this statement, let him visit any large hospital that admits patients with malignant disease. He will see that none of the patients with cancer is isolated, that no special precautions are taken by members of the hospital staff, including nurses and doctors.

And, if he inquires, he will learn that there is not a single recorded instance in medical history that would substantiate his false belief.

Not only is there not the slightest reason for you to follow his ridiculous example but there is no reason for you to shut off your husband's room.

I hope I can persuade you to open it to the light of day and treat it as you do any other room in your home.

"I have a kidney that has dropped two and one half vertebrae and would like to know if it's best just to leave it or have an operation to put it back in place? Would it stay in place if it were sewed back?" asks a reader.

A great many women and some men too, who are very lean or who once were obese and later lost a great deal of weight, have what are called "movable" or "dropped" kidneys. Usually the right kidney is considerably more movable and somewhat lower than the left.

The dropped kidney is not harmful and need not be operated on unless the patient suffers from what are called Diel's crises.

Here is how the Diel's crisis works. The kidney, as you know, manufactures urine. The urine then flows through the long thin channel of the ureter into the bladder where it is stored until an opportunity for voiding presents itself.

But when the dropped kidney flops over in such a manner as to produce a kink in the ureter, secreted urine gets trapped, producing what is called a hydronephrosis (water in the kidney). Then, when the hydronephrosis gets to a certain size, the pain of the Diel's crisis leaves no doubt in the patient's mind that something has gone seriously wrong in the plumbing department.

The only way the crisis can be relieved is by unkninking the

Church group at Scotstown elects officers

SCOTSTOWN — The December meeting of St. Paul's Presbyterian Circle was held at the home of Mrs. John M. MacKenzie with Mrs. Dan R. MacDonald's assistance.

The president, Mrs. A. M. MacDonald, chaired the meeting, and Mrs. John M. MacKenzie read the Scripture lesson.

Mrs. John E. Nicholson, chairman of the nominating committee, brought in the following slate of officers: Honorary president, Mrs. J. W. Smith; president, Mrs. Alex M. MacDonald; 1st vice-president, Mrs. William MacAskill; 2nd vice-president, Mrs. Fred C. Godin; secretary, Mrs. John M. MacKenzie; treasurer, Mrs. Dannie A. Dampbell.

Mrs. Philip Boy took the chair for the installation of officers and expressed thanks to the retiring officers.

On taking the chair the president requested that the reports be all in at the January meeting, when the appointment of the various committees will be completed.

Three hundred dollars was voted to the church treasury, which makes a total of \$900 turned in for the year.

Refreshments were served by the hostesses.

HIGHWATER — Mr. and Mrs. Maurice St. Aimant and family, of Rock Island, and Mr. and Mrs. John Porter of Granby, were weekend guests of Mr. and Mrs. Stanley Clark.

Mr. and Mrs. M. Humphrey and family were in Montreal to visit Mr. Humphrey's sister.

Mr. Leighton Longeway spent the weekend in Montreal.

urter. Sometimes the patient can accomplish this by lying flat with the head at a considerably lower level than the legs. Sometimes, an onlooker can help by applying pressure to the lower abdomen.

Sometimes, it is necessary to resort to instrumentation or even operation to clear the ureteral channel.

But, whether cleared by positioning, instrumentation or operation, the dropped kidney must be held in place, ever after, by use of a snug corset that is expertly padded to prevent recurrent kinking and crises.

Birchton S.S. treats children of community

BIRCHTON — On Dec. 10, the Sunday School pupils and their teachers, Mrs. G. Nutbrown, Mrs. S. J. Taylor and Mrs. Howard Picard, and Mrs. Murdo MacKinnon, were hosts to all the children of the community at a Christmas party, complete with Santa Claus, who distributed gifts to each child, from a well-laden tree.

Attendance pins were awarded to Tom Halsall and Herbert Halsall.

Supper was served at tables adorned with Christmas decorations, centred with cookie Christmas trees, made by Mrs. Russell Lackie.

In charge of the supper were, Mrs. Arthur Rogers, Mrs. Russell Lackie, Mrs. George Latewood and Mrs. Louis Gosselin.

Home and School Ayer's Cliff, holds final meeting

AYER'S CLIFF — The Home and School Association held its last meeting of the year with Mrs. Walker, the new president, in the chair.

Minutes were read by the secretary, Mrs. Despres, and the treasurer's report was submitted by Mrs. Browning.

Mr. Cook reported on the recent regional council meeting in Waterville, and Mr. and Mrs. Cook have agreed to represent Ayer's Cliff at future meetings.

Regarding the hot lunch program Mrs. Walker announced that the School Board had agreed to purchase a larger stove, as well as to donate a sum of money towards the project.

Mrs. Despres read a letter of thanks from Winston Ingalls for the bursary awarded to the top-ranking pupil in Grade 7.

A needy family was brought to the attention of the members by Mrs. Walker, and it was voted that a gift of money be sent to help them.

The banner count was won by Grade 1.

In keeping with the Christmas season every one took part in a program of carol singing, with Mr. Switzer conducting. Duets were rendered by Mrs. McHarg, and Mrs. Pierce, solos by Mrs. Browning and Mrs. Walker, and delightful Christmas readings were given by Mrs. Little and Mrs. McHarg.

After the meeting members patronized the gift table, after which refreshments were served.

Woman's Assoc. appoints new vice-president

AYER'S CLIFF — At a meeting of the W.A. of Beulah United Church, Mrs. L. H. Gale was appointed vice-president, replacing Mrs. A. H. Slack, who retired due to ill health.

A detailed report on the Christmas Tree and Sale indicated it to be the most successful one in the history of the organization.

Greetings were received from Mrs. J. Binnekamp, who recently moved to Danville.

The sum of \$10 was voted to St. John's Hall in Quebec City. Rev. A. W. Seaton, led the devotional period with the Christmas story. After a pleasant social hour the hostess, Mrs. E. J. Astbury, served refreshments.

Floral decorating made easy

By KAY SHERWOOD
A "convertible" flower arrangement is exactly what I want in order to save time and money during the Christmas social whirl.

Perhaps you join me in loving the great charm of fresh flower centerpieces and arrangements. But it's an expensive taste in winter. And, with a crowded holiday schedule of family dinners, buffet suppers and a guild tea, there is little or no time to create a note-worthy centerpiece.

The idea for a "convertible" arrangement is the outgrowth of a conversation I had with another flower lover who has professional connections with an association of Florida flower growers. One of the top students in the association's design classes came up with the lovely arrangement pictured with this article.

The basic arrangement can be made now and will last through the holidays. It consists of a permanent greenery foundation set in "oasis" (a foam material purchasable at florists) and placed in a good-sized bowl (8 to 10 inches in diameter). Flowers, artificial fruit, even fake butterflies or birds can be added or subtracted as needed for the occasion.

Here are the specifics for duplicating this arrangement: select a block of oasis to fit the bowl (the dense material is light and porous enough to be cut easily). Cut a hole in the center of the block, place block in your container. I used Pittsburgh ivy as the basic greenery but other

This versatile flower centerpiece of ivy, spider mums and artificial gilded fruit is a charming addition to the buffet table. With a few quick changes, it can be converted to a low centerpiece for the dinner table.

types could be substituted. Remove the ivy from its pot and wash the earth off the roots. Place roots in center of oasis. Arrange the tendrils in graceful lines over the rim of the bowl.

inserting the stem gently and firmly into the oasis. Next, place two low flowers on the far left and right. The overall triangular design is then filled in.

The gilded fruit is simply light artificial fruit from the five and dime store which has been sprayed gold. Small wooden picks (also purchasable at florists and garden shops) about four inches long are poked into the fruit on one end and into the oasis on the other.

For a quick conversion to a table centerpiece, lower and more compact, you'd remove the fruit and the taller of the large spider mums. Or substitute smaller button poms in any color to complement the table. Other small flowers might be substituted, arranged in a low semicircle or rounded in the center of the bowl with the ivy circling them like a collar. Tiny fake butterflies on picks might be added among the flowers for a naturalistic effect or little birds perched on the rim of the bowl.

Women's Groups

BAPTIST WOMEN'S MISSION CIRCLE

The regular meeting of the Baptist Women's Mission Circle was held in the Church hall on Tuesday evening with the president, Miss Thelma Graham in the chair.

The devotional period was conducted by Miss Graham and Mrs. F. Bampton assisted by Mrs. N. Peveril and Mrs. N. Bradley.

Mrs. Peveril, chairman of the nominating committee, moved that the election of officers be held in April instead of January, the motion being seconded by Mrs. Bampton.

A flannel-graph Christmas was made by several of the members. Games were played at the conclusion of the meeting followed by refreshments served from a gaily decked table.

How to get more meat slices from your Christmas turkey

By EDNA BLAKELY
Canadian Press Staff Writer

TORONTO (CP)—If you want to get more of those neat slices of white meat from your next turkey, remove the wishbone before cooking.

"It does make quite a bit of difference," says Dorothy Batcheller, home economics director for the Poultry Products Institute of Canada Inc. "If the wishbone isn't removed, the meat has to be hacked away as best as possible."

To remove the bone, draw back the neck skin until it exposes the wishbone area. With a sharp knife or scissors, cut the meat down to the bone and away from it. Scissors can be used to cut the bone where it is anchored at the shoulder bones and at the top of the breastbone. Lift out and put the skin back.

"If you're sentimental about the wishbone, dry it in the oven, decorate with holly and give to the family to wish on as usual."

If a frozen turkey is purchased, it may be thawed in the package in which it comes. To hasten thawing, put in a pan of cold water.

NEEDN'T BE STUFFED

Remove the package containing the giblets and check the cavity to make sure it is clean. Wipe with a damp cloth or run water through the bird, then wipe dry.

Turkey does not have to be stuffed. Flavor from the dressing does not penetrate more than one-half inch into the meat and the same effect can be obtained by sprinkling the cavity with salt and poultry dressing. If you don't stuff, deduct five minutes cooking time for each pound of turkey.

If stuffing is to be made, Miss Batcheller recommends four- or five-day-old bread. It's dry enough if it crumbles when rubbed together.

The easiest way to prepare bread crumbs is to cut the crusts off, then put one-quarter to one-third of a loaf in a clean tea towel. Form a bag with the towel, hold firmly and rub. Allow one cup of dressing for each pound of turkey.

RUB WITH FAT

When the bird is ready for the

oven, rub with melted fat and cover with a tent of aluminum foil tucked at the ends but open at the sides so that the heat can circulate. Put on a rack in a shallow pan.

If you do not own a large enough pan make one from heavy aluminum foil and set on a cookie sheet. If you do not own a rack, substitute crossed kitchen forks, jar rings or any kind of a trivet.

"Forget about the bird for the first half of the cooking time. Frequent peeking lowers the oven temperature and prolongs cooking time," explains Miss Batcheller. Remove foil during the last half hour to allow the skin to crisp.

For a true roasted flavor, cook at 325 degrees. The turkey is done when the drumstick twists easily from side to side or when the bone slips easily inside the meat. If a meat thermometer is used it should register 190 degrees in the meat or 165 degrees in the stuffing.

If the bird is allowed to stand in a warm place for 15 or 20 minutes the juices have a chance to redistribute themselves and carving is easier.

Fine program given at W.A. Christmas party

Members and friends of Trinity Woman's Association were entertained on Tuesday evening at a Christmas dessert party in Wesley Hall, when the highlight of the evening was a delightful program of Christmas music by the pupils of Mrs. G. R. Barr. Those taking part were Gillian Halpenney, Pamela Halpenney, Cynthia Munster, Margot Campbell, Jessie Johnson, Andrew Munster, Roger Gittel and Robert Cadman.

Hostesses for the occasion were Mrs. D. A. Lavalliere, Miss L. Farnsworth, Mrs. J. G. Armistage, Mrs. T. A. Cadman, Mrs. D. A. Howard, Mrs. Adam Clarke, Mrs. R. S. Bauman and Mrs. L. B. Carr.

Mrs. George Hall thanked Mrs. Barr and her pupils for the enjoyable program.

The short business meeting which followed was chaired by Mrs. R. S. Bauman with Mrs. W. W. Bowman conducting the devotional period.

A most gratifying report was given in connection with the tea and bazaar which was held recently. Plans were completed for the final Christmas projects of the Association.

It was announced the annual meeting of the group will take place on January 17.

A promise — what a woman makes of it

Did you read about the New York woman who bought a brand new automobile in 1950 so she could drive to California and just recently—10 years later—picked it up for the trip, which she had kept postponing year after year?

She didn't have to pay the motor company a 10-year storage bill on it, either. For, after all, they told her when she bought and paid for it that she didn't have to take the car "immediately."

I mention this little news item by way of pointing out that women have their own ways of inter-

preting the casual promises, half-promises, and vague commitments men make.

It behooves any man to be as exact as a lawyer in the language he uses when he is talking to a woman.

A husband, in an expansive mood, mentions to his wife that "someday" he is going to buy her a mink coat. By someday the husband means when his ship comes in.

But someday to a woman is more likely to mean right now, so the husband shouldn't be surprised if his wife grabs the newspapers and starts reading the advertisements looking for a bargain in mink.

A husband nods in casual agreement when his wife mentions that the lawn needs mowing and from that moment until she hears the whine of the power mower his wife keeps reminding him that he "promised" to mow the lawn.

A wife says she is going to hire a carpenter to put up shelves in the kitchen and her husband says, "No need to hire a carpenter for a simple little job like that. I could do it myself in a few hours." Then he thinks his wife is nagging because she keeps asking "When are you going to put up those shelves you promised me?"

so you've got to watch those promises and half-promises, men. Because a woman will hold you to them—and put her own interpretation on any vague term such as "not immediately" or "someday" or "when we can afford it."

ONE PERFECT — A single big rose sits atop this tiny black velvet pillbox shown in New York. It's a budget item.

MANNERS MAKE FRIENDS

When you are playing bridge and you keep holding poor hands, don't complain about them all evening. Be a good sport.

Beauty Tips

When your feet are tired, they sometimes swell. You can help correct this condition by propping them up on every possible occasion. And before you go to bed, try wrapping them in wet towels for about five minutes each night.

Fashion

The right hat and the right coiffure complement each other. When you buy a hat consider how it will top off not only your ensemble but your hairdo as well.

Fancy Fudge Rolls

Teen-age entertaining becomes simple with a few well chosen recipes on hand. Candies we're certain will become favourites are these 5-minute fudge varieties, to help you prepare smooth, creamy fudges with a minimum of effort. Five minutes' cooking time is all that's needed, and you need not bother with candy thermometers and soft ball tests when you make fudge the evaporated milk way. To further please you, perfect texture is insured each time by the better blending qualities of evaporated milk.

Fudge is always popular, so prepare it for a variety of occasions — for snacks, for a quick dessert, or packaged attractively, for prizes.

Fancy Fudge Roll
(Makes about 2 pounds)
¾ cup (small can) undiluted evaporated milk, 1½ cups sugar, ¼ teaspoon salt, 1½ cups (about 16) diced marshmallows, 1½ cups (1½ 6-ounce packages) semi-sweet chocolate chips, ½ teaspoon vanilla, ½ teaspoon almond extract, ½ cup light seedless raisins, 1 cup chopped pecans.

Combine evaporated milk, sugar and salt in saucepan over medium heat. Bring to a boil, and cook 5 minutes, stirring constantly. (Start timing when mixture starts to "bubble" around edges of pan.) Remove from heat. Stir in marshmallows, chocolate, vanilla, almond extract and raisins. Stir vigorously for 1 minute (or until marshmallows are completely melted and blended.) Cool 30 minutes. Shape into 18-inch roll. Roll in pecans. Allow to cool. Cut in ½-inch slices.

Chocolate Almond Fudge Balls
(makes about 2 pounds)
¾ cup (small can) undiluted evaporated milk, 1½ cups sugar, ¼ teaspoon salt, 1½ cups (about 16) diced marshmallows, 1½ cups (1½ 6-ounce packages) semi-sweet chocolate chips, 1 teaspoon vanilla, ½ cup chopped toasted almonds.

Combine evaporated milk, sugar and salt in saucepan over medium heat. Bring to a boil, and cook 5 minutes, stirring constantly. (Start timing when mixture starts to "bubble" around edges of pan.) Remove from heat. Stir

in marshmallows, chocolate and vanilla. Stir vigorously for 1 minute (or until marshmallows are completely melted and blended.) Four into 8-inch square buttered pan and allow to cool. Cut in 24 pieces. Shape into balls and roll in almonds.

Scotstown W. I. closes year with busy session

SCOTSTOWN — The Christmas meeting of the Women's Institute was held at the home of the president, Mrs. William Ladd. Eleven members answered the roll call with gifts for shut-ins.

The treasurer's report showed a small balance on hand.

A thank-you letter was read from Mrs. Butters of the Cecil Butters Memorial Home for a

parcel of clothing sent by the branch. Two other letters, one regarding buying Christmas seals, and names of secretaries of new Institutes to which to send Christmas greetings, and one from Miss Janet McQuat, handicraft technician at Macdonald College, with a list of demonstrations she could give.

Mrs. Dewar Scott, home economics convener, was appointed to arrange for some of the demonstrations to be given in February.

A food sale was planned for Jan. 20, with Mrs. Dwar Scott, Mrs. Kelly MacKenzie and Mrs. Fraser Mayhew in charge.

Mrs. Albert MacLeod read an article on the Care of Fir Trees and an item on Water Pollution.

Mrs. Bea Atkin has received a reply from the Unitarian Service Committee with patterns and instructions for making articles to be brought in at the February meeting.

A social hour was spent, games were played, and each member received a surprise Christmas gift, after which refreshments were served by Mrs. Lloyd Pebleman and Mrs. Bea Atkin.

The next meeting will be held on Feb. 6.

PERE NOEL MEETS A PIPER IN PARADE — A new note is added to the annual pre-Christmas parade in Metz, France when St. Nicholas welcomes the RCAF pipers to the eight hundred year old custom which heralds the Christmas season in the ancient city. "D'ye Ken" our music and our costumes merrily muses Sergeant Charles Russell of Calgary, pipe major of the RCAF Air Division pipe band from Marville, France, as he is greeted by the patron saint of Lorraine.

Mrs. C. M. Smith entertains WMS at Scotstown

SCOTSTOWN — The Christmas meeting of St. Andrew's W.M.S. was held at the home of Mrs. C. M. Smith with Mrs. P. A. Sherman and Mrs. Angus MacLennan co-hostesses.

The president, Mrs. Ross MacDonald, conducted the Christmas devotions. Mrs. Waldron read the Scriptures and carols were sung during the meeting.

Mrs. J. B. Scott gave the financial report and a donation was received from Mrs. Justin Sherman of Austin, a Life Member, formerly of Canterbury.

Mrs. P. A. Sherman read an item on Christian Stewardship.

A letter was read from Miss Lillian Dickson, a missionary in Formosa. A package of used Christmas Cards were sent to her for use in her work.

Mrs. Ross MacDonald thanked all who helped to make the October sale a success, and all who remembered her while she was ill.

Refreshments were served in the dining room, the table looking very attractive with its Christmas decorations.

MASSAWIPPI —

Friends here were sorry to hear of the sudden death of Mr. Harry Armstrong, of Richmond. Mr. Armstrong was a former resident of Massawippi, and the manager of Bonny Burn Farm for nearly 20 years.

THREE VILLAGES —

Miss Marion Darby, formerly of Derby Line and Rock Island, who has been staying at the home of Mrs. E. B. Willey, Newport, fell and fractured her knee. As Mrs. Willey was preparing Miss Darby for the hospital, she fell and fractured a hip. Both are patients at Broadview General Hospital, in Newport.

Marcel Cote, son of Mr. and Mrs. Roland Cote, Derby Line, is a surgical patient at the Hotel Dieu Hospital, Sherbrooke.

RICHMOND —

Mrs. Catherine O'Donnell, of Charlottetown, P.E.I., is visiting her daughters, Mrs. Frank Doyle and Mrs. James Murphy.

Mrs. W. K. Rattray, who has been a patient in the Sherbrooke Hospital for several weeks, spent a few days with her sister, Mrs. A. Phipps, and Mr. Phipps at Huntingville. Her daughter, Mrs. Douglas Gleason, of Verdun, is spending a few days with her mother at her home here.

On Dec. 25, a special Family Service will be held in the Richmond and Melbourne United Church with both the senior and junior choirs participating. There will be no Sunday School in the morning and the evening service has been cancelled.

Mrs. F. E. Davidson and Mrs. Omer Mallette have returned from Montreal, where they attended the funeral of their uncle, Mr. Silas Hall, in his 75th year. Mr. Hall was a son of the late Mr. and Mrs. Joseph Hall, and was born in Richmond. He was employed as brakeman by the former G.T.R. and later the C.N.R. here before being transferred to Montreal, where he had resided for a number of years.

Mr. and Mrs. Robert C. Walker and daughter Cheryl, of Deseronto, were weekend guests of Mr. Walker's parents, Mr. and Mrs. George Walker, College St.

Mr. William Kydd is still a patient in the Sherbrooke Hospital, undergoing treatment.

COWANSVILLE —

Friends here of Mrs. John J. Barker were sorry to learn of her death at the Regal Nursing Home, Sweetsburg, on Dec. 13.

Mr. Trevor David, of Sudbury, Ont., has returned home after being a guest of his mother, Mrs. G. A. David. Miss Noreen David, of Montreal, has also been a guest of her mother.

Mr. E. Ruiter, of Peterborough, Ont., is spending some time with his daughter, Mrs. Lilah Fruiter.

Anglican Guild, Stanstead, holds year-end meeting

STANSTEAD — Christ Anglican Church Guild held its Christmas party and regular meeting in the Parish hall on Dec. 14. Special guests were members of the congregation who had assisted the Guild in its various projects during the year.

Mrs. Alton Grady, Mrs. George Millet and Mrs. Edward Hyatt, were appointed a nominating committee to bring in a slate of officers to the annual meeting on Jan. 11 at the home of Mrs. Hyatt.

Carols were sung and the evening was spent socially. Mrs. John Smith distributed the exchange of gifts from beneath the decorated tree.

Mrs. E. J. Barnes and Mrs. R. J. Wells were both pleasantly surprised when each was presented with a gift of china in appreciation of their work in the Guild over a period of time. A gift was also presented to Mrs.

Chamberlain, the president. All three voiced their appreciation. Refreshments were served at small tables by the hostesses, Mrs. E. J. Barnes, Mrs. Stanley Miller, Mrs. C. Farrow, Mrs. L. Kezar, Mrs. R. Middleton and Mrs. George Millet.

Parents' Night at Sunnyside School

ROCK ISLAND — Parents of students of Sunnyside School received the report cards of first term examinations and on Dec. 13 a large number accepted the invitation of Dr. K. Harper, principal, to visit the classrooms and teachers.

The purpose was to discuss the report card results and each parent or parents, were individually received.

On display in the auditorium were work-books and art from Grades I to XI, as well as a manual training display including bird houses, gun racks tool chest, and many others.

Shipton W.I. holds annual Christmas party

SHIPTON — A well-decorated Christmas tree gave the December meeting of the W.I. a gay and festive air.

Greetings will be sent to four newly-formed branches, three of which are entirely Indian. They are situated in Notre Dame Du Nord, Winniway, Hunter's Point and Kipawa, all in Quebec.

An informative paper on, The contamination of water, was read by Mrs. J. Vermeeren, with the request that this area be studied.

After the meeting a chicken supper was enjoyed by the members and their families. Caudies and gifts were given to the children, and members exchanged gifts. A social hour was enjoyed and bingo was played.

The next meeting will be held at the home of Mrs. Stanley Taylor on Jan. 14.

Buy these three traditional Christmas favourites, but be sure you get Chateau-Gai quality. Because Chateau-Gai is the only Canadian champagne made by the famous "methode Charnat de France". And, to assure superior flavour, Chateau-Gai uses more small oak barrels to age sherry and port than any other Canadian winery.

Truly, Chateau-Gai wine are the finest—yet are priced so modestly.

Indians Retain Lead In Junior Loop; Vics, Rockets Post Wins

Down St. Francis 5-1 While Maroons Shutout Beavers 1-0 In Close Tilts; Twinbill Slated For This Evening

Guy Lindley's Indians maintained their slim one-point lead in the Sherbrooke Junior Hockey League yesterday afternoon when they downed the St. Francis 5-1. In the other tilt the Maroons eked out a 1-0 win over Pat Murphy's Beavers in a closely fought battle.

The victory for the Lindley squad allowed them to hold their margin on top of the Dugre loop. This evening first place will be at stake as the Indians and the Maroons clash in the second game of the twinbill. In the opener Murphy's clan are slight favorites to post a victory over Coach Jacques Rousseau's Saints.

In the first tilt between the Indians and the Saints the Lindley crew ran in four goals before Hurtubise registered the lone tally for the Rousseau club to save them from a shutout. Rivard set the pace for the winners with two goals while Vachon, Garon and Nadeau got the others.

The Indians opened the scoring with Vachon getting the first tally of the game right after the faceoff. Rivard extended the lead just before the close of the period when he tallied assisted by Bureau and Giard.

In the second frame both teams had good scoring chances but the Saints were missing too often when in close. Garon made it 3-0 and then a few minutes later Rivard got his second of the afternoon.

In the final period Hurtubise got the Saints' lone marker unassisted but a minute later Nadeau offset this when he got the last marker of the game with less than a minute and a half left.

The second game was a close checking affair as the teams battled all out for the victory. Bill Dupre got the lone tally of the

Richmond Wins In Juvenile Hockey Loop

RICHMOND — The Richmond Juvenile Braves came up with another win to lead the loop by edging the Asbestos Aramis club 3-1 in a regular fixture of the Richmond County Juvenile Hockey League. Braves have now won three and tied one.

Scoring came in the second period with Braves netting two and Aramis averting a shut-out by Peter Dunn with a goal at the 19:20 mark. The first period went scoreless. One penalty was handed out by referees, going to Lemire of Asbestos. Braves opened the scoring early in the second with R. Desgagne scoring at 1:25 from R. Boisvert and Bob Dalton. Fifty seconds later, J. C. Boisvert made it 2-0 after taking a pass from Desgagne.

Frechette saved Aramis from a blanking when he scored at 19:20 of the same period on passes from Pelletier and Hamel. Four penalties were called.

Yves Tanguay netted Braves' third marker at the 4:58 mark of the third period when Terry Rodgers of Braves and G. Raymond of Aramis were sitting out a penalty. R. Boisvert and Emile Godue assisted Tanguay on the insurance goal, the only one of the final frame. Other penalties went to J. C. Boisvert, Spenard, Hamel and R. Boisvert.

Other games will be played later this week but none are scheduled for Saturday, Christmas eve.

WEEK-END STARS

Montreal's Charlie Hodge, substitute goalkeeper for Jacques Plante, stopped 27 shots to register his second shutout in 11 games, as Canadiens defeated New York Rangers 2-0.

REMEMBER WHEN

NHL president Clarence Campbell fined Andy Bathgate of New York Rangers \$500 one year ago today for a magazine article under Bathgate's name which stated that unless sparing by hockey players was stopped, someone would be killed. The article was described by Campbell as "definitely prejudicial to the league and the game."

Charlie Hodge Standout As Canadiens Post Double Win Over Weekend, Leafs Notch Two, Mahovlich Notches Two

Charlie Hodge is making no bones about it—he'd rather be goaltending with Montreal Canadiens of the National Hockey League than in the minor leagues.

The pint-sized goalie—he weighs about 155 pounds—may yet convince Montreal brass he belongs in the big league if he continues to come up with solid performances.

Hodge played in his 10th and 11th games, since replacing Jacques Plante Nov. 26, during the weekend and was a big factor as Canadiens blanked New York Rangers 2-0 Saturday and posted a 4-2 triumph over Boston Bruins Sunday.

The victories ran Montreal's record to 10 wins against a single defeat with Hodge in the nets. Second place Toronto Maple Leafs were held to a 3-3 tie by Boston Saturday but withstood a third-period rally by New York Sunday for a 3-2 victory.

Detroit Red Wings won the weekend's only other game, edging the Black Hawks 3-2 at Chicago Sunday.

HABS LEAD INCREASED

The results increased Montreal's first-place margin over the Leafs in the league standings to six points. Canadiens have 44 points to Leafs' 36.

Detroit remained in third place with 34 points, Chicago is fourth with 29, New York has 22 and Boston 21.

Hodge has allowed only 24 goals in the games he's played and Saturday's shutout was his second during the span.

But although he's played consistently well, there's no indication that he's taken the job away from Plante.

Plante, who won the Vezina Trophy the last five seasons, was replaced by Hodge after he aggravated a knee injury in Detroit Nov. 24. He also had been off form in the early stages of the season.

Doctors have told Plante his injury is not serious. However, Plante has not practiced with the team for the last 10 days.

GEOFFRION GOT TWO

Bernie (Boom Boom) Geoffrion took care of Canadiens' scoring in Saturday's game, getting two goals in the third period. The second came after Rangers had removed goaffer Lorne (Gump) Worsley in favor of an extra forward in the last minute of play.

Geoffrion also scored once against Boston Sunday, marking the eighth consecutive game in which he's scored at least one goal. That puts him just one game shy of the record set by Maurice (Rocket) Richard, retired Canadian great, during the 1944-45 season.

Claude Provost, Marcel Bonin and Henri (Pocket Rocket) Richard scored Canadiens' other goals Sunday while Doug Mohns and Charlie Burns tallied for the Bruins.

Big Frank Mahovlich continued his amazing goal-scoring pace for the Leafs during the weekend.

The 22-year-old leftwinger got his 28th goal against the Bruins Saturday and his 29th against the Rangers Sunday.

He leads the league in the scoring department and Montreal's Dickie Moore is closest to him with 25 goals while Geoffrion has 24.

ROOKIES SCORED

Rookies Dave Keon and John MacMillan got Toronto's other goals Saturday. Jim Bartlett was the big gun for the Bruins with two goals and Vic Stasiuk got the other.

Braves Wallop Rock Island 8-2

RICHMOND — Richmond Braves' 8-2 win over Rock Island moved them closer to the league-leading Windsor Mills Papermakers following Sunday's tilt at the Border Arena. Coupled with 7-6 in overtime victory Friday over Cookshire the Beavers are in second place.

Roger 'Pat' Desrosiers put up a four-goal performance on Friday night to lead Braves scoring the winner in overtime. A crowd of close to 400 watched as the Braves had to come from behind twice to tie the Commercial in the hard-fought tilt.

Three games are scheduled for Thursday night with Braves at Windsor, Asbestos at Magog and Rock Island visiting Cookshire.

NHL LEADERS

Montreal's Henri Richard made a bid to join his teammates Bernie Geoffrion, Dickie Moore and Jean Beliveau as the league scoring leaders in weekend National Hockey League action.

The diminutive centre scored one goal and assisted on another as Canadiens defeated Boston Bruins 4-2 in Boston Sunday. He now has 35 points, for fifth place.

Geoffrion remains first with 49 points while Moore and Beliveau follow in second and third place respectively.

Andy Payette Posts Second Shutout As Granby Wins 5-0; Bobby Pepin Registered Hat-Trick In 10-1 Tilt

Granby Vics rolled to an impressive 5-0 victory over the Sherbrooke Beavers Sunday afternoon while the Drummondville Rockets maintained their lead in the E. T. Intermediate Hockey League with a one-sided 10-1 win over the Three Rivers Lions. 1,800 fans witnessed the game in Granby while in Drummondville 1,446 spectators were on hand.

Andy Payette posted his second shutout of the season to lead the goalies in the loop. The Beavers had two new players in uniform, Michel Ducharme, defenseman, and Jean Desautels, forward, and although the team dropped the verdict the new additions turned in good performances.

The trio of Spike Laliberte, John Mentis and Ray Laplante stood-out for the winners registering three of the five goals. Laplante came through with two while Mentis tallied one and Roland Rousseau with Boudreau notched the others.

The Beavers failed to show any of the drive they had Thursday when they posted a win over Three Rivers. The team lacked their usual steady passing and covering. They had a bad game but Coach Dube is looking for something better tomorrow evening when they tangle with the Rockets in Drummondville.

Innee St. Hilaire and Guy Charbonneau drew majors for fighting while John Mentis and Charles Fortin also got tagged for their boxing spree. It was in the last couple minutes of play and the teams finished the tilt short-handed.

The Vics notched their first goal on a goal by John Mentis and this proved sufficient to win the verdict. Rousseau, Laplante and Yves Boudreau notched their goals to complete the scoring. Bobby Pepin, the veteran wing-

Asbestos Miners Rally To Post 4-2 Win Over Cookshire To Move Into Third Position In St. Francis Loop

ASBESTOS — The Miners rallied in the third period to post a 4-2 victory over the Commercial of Cookshire to tie for third position in the St. Francis Valley Intermediate Hockey League.

Chaperon, Lavigne, Carignan Roux tallied for the Miners while Payant and Talbot potted the two goals for Cookshire in a wide-open affair. The Miners got the first goal of the game in the opening period but Cookshire evened the count at the start of the middle session when Payant tallied but Chaperon put the Miners out in front once again.

In the final frame Talbot knocked in a quick one to knot the count at 2-2 but Carignan gave the Miners a 3-2 lead and then in the closing minutes of the frame Roux came up with the game ended 4-2 for Asbestos.

A total of eighteen penalties were dished out with three majors. Fargues and Roux were tagged for fighting while Lemay drew his major for slashing. Only two goals were registered when a team had the man advantage.

First Period
1—Asbestos Lavigne, (Roy) 14:14

At two o'clock the ceremonies at Mount Sutton got underway with Jean-Paul Vachon, Sutton notary, acting as master of ceremonies. Father Arthur Gilbert gave the official blessing.

The Mount Sutton ski area is equipped with two T-bars and a practice hill for beginners. A two mile long run for novices and beginners is still being prepared but will be ready this season. A mile long run for intermediates and experts was opened on Sunday as was the slalom run.

C. Major Tallied Four Goals As Windsor Downs Magog Aces 7-4 And Retain Lead In St. Francis League

WINDSOR — Windsor Paper Makers maintained their lead on top of the pack in the St. Francis Valley Intermediate Hockey League here yesterday afternoon when they posted a 7-3 victory over the Magog Aces before 500 fans.

It was the sixth win for Maurice Bachand's squad and so they have dropped only one game. It was to Asbestos last week but the Paper Makers picked up before their home fans to get back in their winning stride.

M. Codere tallied four goals for the winners with Lapiere, Audet and Bachand accounting for the others. For the Aces it was Carriers, Vachon and Boucher who were the marksmen.

Windsor opened the scoring in the first period when Codere and Lapiere got the markers. In the second the Aces bounced right back when they tallied three goals to move to the fore. In the closing minutes Codere batted home the equalizer when Vallancourt was in the sin-bin.

In the last period it was all Windsor as they ran in four goals to sew up the decision. Eight penalties were called but only figured in the scoring. Maurice Bachand got the winning tally and then Codere, Audet and Codere again registered markers as the Paper Makers ran out a 7-3

Football Commissioner Halter Rules Sam Etcheverry Must Play In Canada Next Year And Not U.S.

By JACK SULLIVAN
TORONTO (CP)—Sam Etcheverry may as well face it, he's ticketed to play his professional football in Canada next year. If he balks at the idea, he can go to court for a ruling.

This, in effect, is the decision of commissioner G. Sydney Halter of the Canadian Football League. He squelched rumors concerning the future of the 30-year-old quarterback by declaring Saturday he is not free to play in the United States in 1961.

The Montreal Alouette player, traded with end Hal Patterson for Hamilton Tiger-Cats' quarter Bernie Faloney and guard Don Paquette last month, had a no-cut, no-trade clause in his contract with the Als, which meant he couldn't be peddled off without his consent. The Als didn't talk it over with him and immediately speculation arose that the contract breach gave him a free hand to play with any club he wished.

Not so, Halter said in an interview during a break in the closed weekend sessions of general managers who met to sort out details of the two-year east-west partial interlocking schedule starting next year.

DREW UP SCHEDULE
They decided that 20 interlocking games between the eastern Big Four and the five-team Western Interprovincial Union would be played in 1961 and also in 1962—10 in the east and 10 in the west. They drew up a tentative schedule but did not decide on firm dates.

They also recommended a change in the Grey Cup game date, but this has to be passed at the CFL annual meeting in Winnipeg, Feb. 9-11. Commenting on the surprise

Etcheverry trade and rumors, Halter said he must play with Tiger-Cats in 1961 or be waived out of the Big Four and WIFU before he can play with an American team. And no club in Canada would pass him up.

The no-trade clause in the contract was an issue only between the player and the Montreal club, Halter said. This, he added, had no bearing on the question whether or not Etcheverry was a free agent.

Etcheverry has promised Ticat officials he will let them know by Friday whether he is willing to play for them next year.

He has never said publicly he would go to the U.S., although sources close to him have indicated he might return to the U.S., probably with New York Giants of the National Football League.

DEAL STANDS
Whatever he decides, the deal made by the Als and Ticats, still stands. Faloney and Paquette are the property of Montreal and Etcheverry and Patterson belong to Hamilton.

Under the tentative interlocking schedule, fans of every Big Four and WIFU team will see the other clubs once in the next two years.

In each year two Big Four clubs will each play three games in the west and the other two will play two games each. The five western clubs will come east for two games each.

The Grey Cup final is certain to be played at Toronto Saturday, Dec. 2, next year, departing from the traditional last-Saturday-in-November date. Halter said the general managers felt the game should be played the first Saturday in December to provide more leeway in working out the interlocking schedule.

HART TROPHY WINNERS—Gail Cameron, President of Lennoxville High School Sports Association, is shown presenting the Syd Hart Trophy to Captain Kathy Barnard of the Asbestos-Danville-Shipton Junior girls team that won top honors at the Invitational Basketball Tournament. From left to right are: J. Fletcher, S. Monroe, S. Dennis, M. Smyth, G. Cameron, Brenda Smyth, coach; K. Barnard, P. Hutchinson, L. McNiff, N. Smith, V. Engler.

Orlando Sirola, Italy's Giant, Man Aussies Fear

SYDNEY (AP)—Orlando Sirola, Italy's giant of the courts, and not Nicola Pietrangeli, is the man the Australians fear most in the Davis Cup challenge round starting here Boxing Day.

"We know what Pietrangeli can do but Sirola is always a mystery," said Roy Emerson, veteran member of the Australian tennis squad. "When Sirola is on his game, he is a berserk army tank."

It was Sirola—serving rocket blasts and hitting shots no man could retrieve—who crushed America's Barry MacKay in the fifth and final match which sent Italy into the challenge round for the first time.

"From the beginning I said Sirola was a player to watch," said MacKay. "Because he is so big (six foot seven inches) and seemingly awkward, everybody regards him as a tennis freak. He can murder you when he's hitting them."

AUSSIES BARELY FAVORED
The Australians, holders of the trophy, will be slight favorites in the climactic series at the White City Club Dec. 26-28. But no one is taking the Europeans lightly.

"This is a dedicated, inspired team," said Jaroslav Drobny, former Wimbledon champion who coaches the Italians. "They have come this far and now they want to go all the way."

A driving force behind the Italians is Drobny's intense dislike for Australian captain Harry Hopman, with whom he has been fighting for years.

The one-time Czech gained Hopman's enmity when he beat Ken Rosewall for the Wimbledon title in 1954.

As added insurance, the Italians have hired Australian pro Mervyn Rose, a left-hander, to work with them in preparation for the Australian left-handers Neale Fraser and Rod Laver. Drobny also is a southpaw.

The Australians have named a four-man Davis Cup squad of Fraser, Laver, Roy Emerson and Bob Mark. Fraser and Laver are to play the singles, with Fraser and Emerson teaming in the doubles. Sirola and Pietrangeli crushed Fraser and Emerson in the final of the Victorian championships a fortnight ago.

Alabama And Texas Play To 3-3 Draw

HOUSTON, Tex. (AP)—Ray Poage, a 205-pound sophomore, provided the power for a 71-yard fourth quarter surge that set up a 20-yard field goal and permitted Texas Longhorns to tie Alabama 3-3 Saturday in the Bluebonnet Bowl.

Dan Petty's kick came with just four minutes and one second remaining in the game, witnessed by a crowd of 68,000.

Until Poage cut loose with his power plays it had appeared the tough defensive battle was to have been settled by a 30-yard third quarter field goal by Tommy Brooker, a 206-pound Alabama junior.

Lennoxville High School Cagers Sweep Series With Bury, Girls Win 54-35 While Boys Post 51-39 Victory

Lennoxville High School Senior girls and boys squads travelled to Bury's Pope Memorial High School Friday evening and took two games from the hosting Senior teams.

The visiting LHS girls posted a 54-35 victory over Bury's girls while the hosting boys were beaten 51-39 by a fast-paced LHS club.

In the Senior girls' game, Lennoxville dominated play all the way to rack up the win and led by a 23-19 score at the halfway mark. In the final half, LHS out-pointed Bury 31-16 for the sweeping victory.

Leading the Lennoxville girls in scoring was Nancy Knapp with 25 points followed by Gail Cameron and Sylvia Johnson with 19 and 11 respectively. For Bury, M. Hume was tops with 18 while C. Batley came second with seven.

In the Senior boys' fixture, action with the highlight with a closely-played game being featured.

Leading the victorious Lennoxville squad was Art Mandigo with 25 points while Dave Crosby and Jim Elson had eight and seven. For the hosts, Bruce Batley was tops with 16 points.

Green Bay Packers Clinch Honors In Western Section, To Meet Eagles For NFL Title As Schedule Ends

By JOHN CHANDLER
With the two divisional champions in both the National Football League and the American Football League definitely known, Sunday's professional pigskin sport turned into a scrap for runner-up in the NFL on an afternoon that saw some of the wildest scoring in the game's history.

Cleveland punches across 27 points in the second half to join the New York Giants 48-34 for second place in the NFL's Eastern division and put the Browns in the runner-up bowl game at Miami Jan. 7 against the Detroit Lions. The Lions won the Western division second place spot by blanking the Chicago Bears 36-0.

Philadelphia Eagles have been coasting since winning the NFL Eastern division title, while the Green Bay Packers annexed their first Western conference crown in 16 years Saturday by beating the Los Angeles Rams 35-21.

Houston Oilers and Los Angeles Chargers clinched the AFL's Eastern and Western division titles a week ago. They meet for the AFL title at Houston Jan. 1. The Eagles and Green Bay Packers will tangle Dec. 26 at Philadelphia for the NFL crown. Baltimore has won for the last two years.

SUNDAY'S RESULTS
Here are the results of Sunday's final regular season games in both leagues:

NFL
Cleveland 48 New York 34
Philadelphia 38 Washington 28
St. Louis 38 Pittsburgh 7
San Francisco 34 Baltimore 10
Detroit 36 Chicago 0

AFL
Los Angeles 50 New York 43
Houston 37 Boston 21
Dallas 24 Buffalo 7
Cleveland, which had lost six straight games to New York, broke the game wide open when lineman Paul Wiggins stole one of Charlie Conerly's laterals and raced 20 yards for a touchdown. The Giants were leading 34-28 at the time. Milt Plum passed for four Cleveland touchdowns, while Conerly threw three TD serials.

Detroit won the runner-up spot from the Western division although both the Lions and San Francisco 49ers finished with 7-5 records. Detroit scored more points than the 49ers while dividing two games with them.

Nick Pietrosante scored two Detroit touchdowns and broke a club rushing record with 872 yards, 45 more than Ace Gutowsky in 1958.

Six Browns Drop Six Stories In Hotel Elevator

NEW YORK (AP)—Cleveland Browns won the football game from New York Giants Sunday, but before it even started Jimmy Brown and six hefty Cleveland teammates lost six stories—rushing.

The seven players, including the 228-pound fullback, and a bellboy entered an elevator at the sixth floor of a hotel near Yankee Stadium. The car immediately took off and didn't stop until it hit the basement.

No one was hurt in the sudden drop and the players walked to the stadium, where Brown gained 110 yards in the Browns 48-34 victory.

A hotel spokesman said the elevator probably had slipped a cable because of overloading.

Kentucky Cagers' Plane Catches On Fire Loading

PHILADELPHIA (AP)—A chartered airplane that was to have taken the University of Kentucky basketball team home Sunday caught fire as it was being readied for loading at International Airport.

Only the pilot and co-pilot were aboard and both escaped without injury. The basketball team, which played Temple Saturday night, took a commercial flight.

Airport guard Theodore Dando said the plane, a twin-engine DC-3 owned by Purdue Aeronautics Corp., Lafayette, Ind., was coupled to a ground power unit to charge its batteries. He said the ground crew uncoupled the unit but forgot to remove it from beneath the plane.

The plane started to taxi into loading position and struck the unit. The fire that followed destroyed the plane. Dando said the pilot was John W. South and the co-pilot C. J. Hutterger, both Purdue employees.

Penn State Wins Liberty Bowl Over Oregon

PHILADELPHIA (AP)—Penn State, powered by two units of almost equal ability, wore down Oregon's thinner forces Saturday for a 41-12 victory in the second annual Liberty Bowl football game at Philadelphia Stadium.

Oregon scored first on an 88-yard first quarter drive, but the rest of the sub-freezing afternoon the Easterners controlled the game, played before a crowd of 16,624 hardy fans.

Penn State's Dick Hoak, a 185-pound senior, scored two touchdowns and passed for another.

Hoak, who alternated at quarterback with Galen Hall, intercepted two Oregon passes in the final quarter. He followed the interceptions by racing for an 11-yard touchdown and passing 33 yards to Dick Pae for another, turning the game into a rout.

Americans Were OK To Us, Says Italian Team

SYDNEY (AP)—Italy's Davis Cup players, Nicola Pietrangeli and Orlando Sirola, said Sunday night reports of American misbehavior in the interzone finals were "grossly exaggerated."

"The Americans behaved perfectly toward us," Pietrangeli said, Sirola agreed.

Italian coach Jaroslav Drobny said he felt the American team reaped bad publicity from the tantrums thrown by youngsters Chuck McKinley and Dennis Ralston in earlier Sydney and Melbourne tournaments.

Walk Off With Honors In Lennoxville Invitational Cage Tourney To Win Hart Trophy, Eight Teams Entered

Asbestos-Danville-Shipton Junior girls' team took top honors at the sixth annual Lennoxville High School Invitational basketball Tournament held Saturday at the LHS Gymnasium.

The ADS squad edged Magog Juniors 19-18 in a thrill-packed final game to take the Syd Hart Trophy.

Sherbrooke High Junior girls took consolation honors by downing Richmond 16-8 in a final playoff fixture.

The tourney, sponsored by the Sports Association of Lennoxville High, was an action-packed one and some fine basketball was exhibited by the eight teams entered: Sherbrooke, Magog, Drummondville, Bury, Richmond, Asbestos-Danville-Shipton, Lennoxville 'A' and Lennoxville 'B'.

ADS VICTORIOUS
Asbestos-Danville-Shipton walked through two preliminary fixtures easily at the tourney by defeating LHS 'B' squad 37-13 and Bury 27-17. Then the Danville girls took on the Magog club—the darkhorse of the event who only had seven players throughout the gruelling three-game schedule—for the final game.

Magog, who had beaten Drummondville 18-15 and LHS 'A's 28-15, was one step off the pace set by the ADS throughout most of the final fixture, losing by a 6-1 score at the quarter and 11-4 at the half.

However, in the final half, the Magog girls began to regain their confidence and started to match ADS basket for basket. ADS was too strong however, and held off the Magog onslaught to finish up with the close 19-18 victory over the Princess Elizabeth High girls.

Sheila Dennis was top scorer for the ADS club with seven points while Martha Smyth and Norma Smith finished up the club's scoring with six each. For Magog, Alison Trew and Kerry Lee were the pace setters with seven points each.

The consolation round of the tourney was taken by Sherbrooke High girls who beat Richmond 16-8 in the final tilt. Previously in the event, the SHS squad dropped their first fixture to LHS 'A's 21-19 and then downed Drummondville 20-13 to enter the finals of the consolation.

The SHS-Richmond game was definitely Sherbrooke's all the way and the locals maintained a lead throughout the fixture. After a 11-3 score at halftime in their favor, the SHS team held the advantage they had built up in the first half to take the game and consolation honors by the final score of 16-8.

Marilyn Hunt led the winning Sherbrooke club with six points followed by Judy Wood and Sue Goodson with five and four respectively. For Richmond, S. Page and H. Skillen were top scorers with five and three.

This was the sixth year that the tournament has been held with SHS winning three times, Bury once and the hosting Lennoxville team once.

TROPHY FINAL
Asbestos-Danville-Shipton: S. Dennis (7), M. Smyth (6), N. Smith (6), K. Barnard, L. McNiff, V. Engler, S. Monroe, P. Hutchinson, J. Fletcher. Total—19.
Magog: A. Trew (7), K. Lee (7), J. Mitchell (3), J. Hopps (1), B. Grainger, N. Patterson, M. Finlay. Total—18.

CONSOLATION FINAL
Sherbrooke: M. Hunt (6), J. Wood (5), S. Goodson (4), M. MacDonald (1), W. Christmas, C. Anto, M. Innes, J. Baker, D. Timmons, J. Getty, M. Brown, L. Rose. Total—16.
Richmond: S. Page (5), H. Skillen (3), S. Summerville, S. Armaghton, L. Hawker, R. Page, E. Duffy, L. Grainger, D. Grainger, C. Frank, B. MacLeod. Total—8.

Gerry Ehman Flying For Americans In AHL, Tallies Two Hat-Tricks Over Weekend; Aces Drop Two

Gerry Ehman of Rochester Americans is making a strong pitch for an American Hockey League record and a chance to get back in the National League.

The former Toronto forward scored three goals in two games during the weekend and now has scored in eight straight contests—three shy of the AHL record. The 28-year-old, six-foot right winger has whacked in 13 goals in 15 games since being shipped down to the AHL by the Maple Leafs.

Ehman scored two goals while leading the Amers to a 4-0 rout of Cleveland Barons at Rochester Sunday. Meanwhile, Rochester's Ed Chadwick, the AHL's all-star goalie last season, notched his first shutout of the current season.

On Saturday, Ehman scored once as the Amers bowed to Hershey, 4-3.

In other Sunday games, Providence Reds whipped Hershey Bears 4-1 on Don Simmons' nifty goalkeeping and Paul Larive's two goals, and Buffalo thumped Quebec 4-1, with Chico Maki scoring twice.

INDIANS GAIN
Springfield's league-leading Indians shellacked Buffalo 10-1 and maintained their 10-point spread over Cleveland's runners-up. The Barons beat Quebec 2-1 Saturday but blew the opportunity to gain when they were beaten Sunday by Rochester.

Other Rochester scores against the Barons Sunday were Gene Ubriaco and Guy Rousseau. Saturday, Jack McIntyre, Pete Conacher, Rec Lalande and Claude Laforge scored for Hershey to defeat the Amers. Rochester marksmen, besides Ehman, were Walt Boyer and Ubriaco.
