

NEW REPARATIONS SCHEME ADVANCED TODAY Several Automobile Accidents Recorded Over Week-End

A Final Effort To Save Conference Was Made Today

Reparations Experts Are Actively Negotiating With Credit Delegates on New Combination, Nature of Which Thus Far Has Been Withheld, But Is Supposed to Be Quite a New Scheme that Will Get Around Conditions Proposed by Germans and Reservations Put Forward by Allies.

(Associated Press Despatch) PARIS, May 27.—Sir Josiah Stamp, Emile Moreau and Owen D. Young were trying a last remedy on the reparations committee today in the hope of finally saving it from the fate which has been pending for the past four weeks.

The experts were actively negotiating with the credit delegates on a new combination, the nature of which thus far has been withheld, but is supposed to be quite a new scheme that will get around the conditions proposed by the Germans and the reservations put forward by the Allies.

No Written Reply Will be Made
The Germans have failed to reply to the creditors' memorandum concerning the conditions and reservations to the annuities recently suggested by Mr. Young. As the German headquarters it was said that no written reply will be made since Dr. Hjalmar Schacht, chief of the German delegation, explained the German position amply to Mr. Young.

Situation Remains Unchanged
This explanation, as communicated to the creditors, according to information made no change in the situation. This morning, which was regarded as ushering in the fatal week of the conference, it was decided to try a final desperate measure.

This effort has been received with sympathy in expert circles here, but without any real sign of confidence.

HEARING ON EGG TARIFF CALLED FOR SEPTEMBER

Application of Western Poultry Raisers for Higher Duty on Foreign Eggs Adjourned Until Fall Sitting of Tariff Board.

OTTAWA, May 27.—The hearing of the application by poultry producers of the western provinces before the Tariff Advisory Board, asking for an increase in the duty on all foreign shell eggs which do not comply with the specifications of Canadian extras, will not be heard until September, according to intimations which have reached Ottawa.

During the last session of the Tariff Board, early in May, the applicants laid their brief, in summarized form, before W. H. Moore, chairman of the advisory body. But at that time it was stated that poultry men's representatives were not prepared to go on with the application. Suggested month for the hearing was July, and this at first seemed satisfactory to the applicants. Later advice, however, have stated that it may not be until September, or later, that the hearing may be given.

The application, in brief, asks for an increase of duty to nine cents a dozen on all foreign eggs which do not conform to the Canadian extra specifications. It adds that the present fixed value on frozen eggs is maintained. The general tariff on all foreign eggs brought to Canada is three cents.

ROTARY CONVENTION OPENS TOMORROW AT DALLAS, TEX.
Convention Will Continue a Week—More Than Twelve Thousand Delegates Expected.

DALLAS, Tex., May 27.—Dallas became the capital of the Rotary International Convention. More than 5,000 delegates were here and 7,000 more were expected.

REV. R. MACKAY DIED SUDDENLY AT WOODSTOCK

Was Former Moderator of Presbyterian Church and for Forty Years Secretary of Foreign Mission Board.

(Canadian Press Despatch) WOODSTOCK, Ont., May 27.—Rev. R. P. Mackay, a former moderator of the Presbyterian Church in Canada and for forty years secretary of the Foreign Mission Board of the church, died at the home of his niece here early today. He was stricken with a heart attack on Saturday upon his arrival from Toronto and failed to rally. The body will be taken to Toronto for burial from his home there.

Rev. Mr. Mackay had come to conduct Sunday services in a local church. He was eighty-three years of age. He was well known throughout the Dominion, and had been noted for his advocacy of church union.

Latest Incident In Difficulties Of Administration Of U. S. Under Dry Law Expected To Blow Over

However, Upshot of Correspondence Between British Embassy and James G. Carter, Dry Worker of Virginia, May Be Explosion of Dry Sentiment in Congress.

(By Kenneth S. Clark, Canadian Press Staff Correspondent.) WASHINGTON, D.C., May 27.—The latest incident in the difficulties of the administration of the United States under the dry law is expected to blow over. The President probably will not take any action on the correspondence between James G. Carter, dry worker of Virginia, and the British embassy.

In reply to a letter from Carter, Sir Esme Howard is said to have written him privately intimating that the British embassy might be willing to forego its privilege of importing liquor.

Carter sent the private correspondence to the White House. The President is examining the situation.

The diplomats at Washington, like American diplomats abroad, have the privilege of conducting their own establishments as they would at home. The liquor law of the United States could not be enforced in the embassies. The attitude of the administration was indicated in the recent incident of the seizure of a truck transporting liquor to the Siamese legation. The truck was returned to the embassy and arrangements were made for the safe transport of liquor from Baltimore to the legations and embassies here, provided trucks were under the charge of diplomatic representatives.

Further Encroachment Might Follow
Since this arrangement cleared up the satisfaction of all the technical points of the transportation of liquor across dry territory to the extra-territorial centres, it is not thought that the administration would attempt to interfere with the privileges of foreign diplomats in their own homes.

The only action the administration could take would be by imposition of a desire that the diplomats forego their privilege with respect to liquor. The diplomatic corps would hardly be bearable to accede to such a request, it is pointed out, for their rights are not their own but the property of their respective countries, and once their ancient privileges had been cut down, further encroachment might follow.

Many of the foreign diplomats here themselves are total abstainers, but the legations and embassies have their cellars for the entertainment of guests.

May Bring Explosion of Dry Sentiment in Congress.
The upshot of the correspondence between the British embassy and Carter may be an explosion of dry sentiment in Congress.

Senator Jones, of Washington, author of the "five and ten law"—five years in jail and ten thousand dollar fine for selling liquor in the United States—has already expressed himself as gratified by the suggestion of the British embassy. Senator Howell, of Nebraska, another leading dry, said he believed the administration would welcome the incident as a desirable step in "correcting the present situation."

Dr. Clarence T. Wilson, secretary of the Methodist Episcopal Board of Temperance, Prohibition and Morals, said his organization favored President Hoover asking the diplomatic corps to give up

EARTHQUAKE TOOK A HEAVY TOLL

(Associated Press Despatch) PARIS, May 27.—Havas Agency dispatches from Ankara report sixty-four persons killed and seventy-two injured in seventy-four villages shaken by an earthquake on Saturday. The greatest damage was at Karalissar and Souheir, near Sivas. A total of 1,357 houses were said to have been destroyed and 313 others damaged.

WALES QUICKLY BROUGHT MOUNT UNDER CONTROL

Crowd Held Breath in Apprehension as Prince's Horse Reared and Cavorted.

(Associated Press Despatch) LONDON, May 27.—Enthusiasm aroused by the Prince of Wales at review of the Metropolitan Police, reached an almost riotous stage Saturday. One hundred thousand persons gathered in Hyde Park to witness the impressive review.

The Prince had reviewed 12,000 marching police in front of Buckingham Palace later, a section of the crowd rushed forward to see the Prince depart. A police cordon was immediately broken and in the wild rush several persons, including a woman with a baby, were knocked down and injured.

PLAN FLIGHT FROM MOSCOW TO NEW YORK

Will Travel by Way of Alaska—Plane Will Be Manned by Three Aviators and a Mechanic.

(Associated Press Despatch) MOSCOW, May 27.—A flight by Russian aviators from Moscow to New York by way of Alaska this August is being planned by the Soviet Airway Commission.

The plane called the "Land of the Soviets" will be manned by aviators Shestakov, Bolotov and Sterlingov and mechanic Fufayev.

The proposed route will cover about 12,500 miles. The plane will leave Moscow and will make its first stop at Novosibirsk, in the Ural.

The next stop following the trans-Siberian railroad will be at Khabarovsk, on the Amur river, where the landing wheels will be dismantled and floats substituted.

The first item of interest is Bill Which Will Give Prairie Provinces Administration of Their Own Water Powers.

(Canadian Press Despatch) OTTAWA, Ont., May 27.—The first morning sitting of the current parliamentary session was held today when the House of Commons, following the holiday adjournment, began its deliberations at eleven o'clock. The attendance was fairly large.

The chief item of interest in the opening morning session was the first reading given to a bill sponsored by Hon. Charles Stewart, Minister of Interior, which has for its purpose the turning over of the administration of water powers in the three Prairie provinces to these provinces themselves.

TO HOP FOR ROME AND DISTANCE RECORD

The first trans-Atlantic hop from America to Rome and, simultaneously, a new long distance flight record, probably will be attempted soon by the Bellanca monoplane Green Flash, shown above. The big plane, a sister ship of the Columbia which Clarence Chamberlain flew from New York to Germany, is being refitted at Peterboro, N. J., for the flight. Pilot on the 4400-mile hop will be Roger C. Williams, right, who was to have flown the Roma over the same route last year. Lewis Yancey, left, veteran navigator, will fly with him. They are to take off from Old Orchard Beach, Me.

Republicans Hope To Be Able To Bring Tariff Measure To A Vote Tomorrow—Turn Down Amendments

Leaders Prepared Today to Go Ahead With Proposals for Increases on Hides, Boots and Shoes—Increases in Duties on Cattle, Butter, Dried Skimmed Milk, Potatoes and Other Commodities Passed Last Week.

(By Kenneth S. Clark, Canadian Press Staff Correspondent) WASHINGTON, D.C., May 27.—The Republican steam roller had steamed up this morning to proceed through the House session according to schedule in ironing out the Hawley tariff bill and bringing it to a vote on Tuesday. Attempts last week to change amendments brought down by the ways and means committee were unavailing, and increases in the duties on cattle, butter, dried skimmed milk, potatoes and other commodities were passed. Today the leaders were prepared to go ahead with proposals for increases on hides and boots and shoes.

RAILROADS MAY CUT RATES ON EXPORT FLOUR

U. S. and Canadian Lines Expected to Lower Rates on Export Flour Shipped to Seaboard in Proportion to Recent Reduction on Export Wheat.

(Canadian Press Despatch) TORONTO, Ont., May 27.—The Mail and Empire publishes the following newspaper story today: "Assurances from the proper quarters have been received that American railroads will cut their rates on export flour shipped to the seaboard in proportion to the recent reduction on export wheat, and that the Canadian railroads will follow suit, not only on flour shipped from lower lake ports to Montreal, Halifax and Saint John, but also on flour sent from lower lake ports to New York, and other American seaboard points. The reductions are scheduled to come into effect on Wednesday of this week."

"Canadian and American railroad officials have yielded to the insistence of the flour milling companies on both sides of the line that the millers be protected from the competitive edge which European millers were getting from the reduction of freight rates on export wheat and other grains, according to information furnished the Mail and Empire last night by Charles Leferre, traffic manager of the Maple Leaf Milling Company."

EXTENSIVE DAMAGE BY SASKATCHEWAN CYCLONE

(Canadian Press Despatch) REGINA, Sask., May 27.—One man was killed and thousands of dollars worth of damage was done as the result of a cyclonic wind-storm that struck Brownlee, Pontreux, Hazenmore and La Flech districts, Victoria Day. The dead man is J. C. Kinlock, of Riverside, who was dragged under a disc harrow when his horses, frightened by the thunder, ran away.

Twenty workmen on the new Roman Catholic Church at Pontreux, narrowly missed death when the structure fell to the ground. More than a hundred miles of telephone lines were put out of commission.

Forecast: Light to moderate winds; fair and warm today and Tuesday.

Number Of Motor Car Accidents Took Place Over Past Week-End

Most Serious Accident Occurred at Richmond on Saturday Night When Quebec Train Struck Auto at Crossing Near Melbourne Bridge—Lawrence Delaney, Nine Years Old, Seriously Injured—Minor Accidents Between Waterloo and Granby.

A NUMBER of accidents marred the pleasure of week-end driving over the highways of the Eastern Townships. The fine weather brought out large numbers of motorists, who packed the roads with their cars from early morning until late at night. Many of the gravel highways were well coated with calcium chloride, which did away with the danger and nuisance of dust, and allowed the occupants of the autos to enjoy in full the splendid weather.

The most serious accident reported over the week-end occurred at Richmond on Saturday night when the evening Canadian National passenger train from Quebec struck a Ford sedan containing Lawrence Delaney, of Melbourne Ridge, and his nine year old son, Lawrence, Jr., at a crossing known as the Bridge Crossing leading to the Melbourne bridge.

Mr. Delaney, who was thrown clear of the car by the force of the impact, escaped with minor cuts and bruises, but his son received serious injuries and was brought to the St. Vincent de Paul Hospital here.

Boy Seriously Injured
The accident occurred at about 9:15 o'clock. Mr. Delaney, who was driving the car, evidently failed to hear the bell or whistle of the train, and reached the crossing when the train was within a few feet of him. Engineer S. MacNaughton at once threw on the emergency, but was unable to avert the impact, the force of which threw the elder man out of the car and rolled the auto some fifty feet into a nearby culvert. Members of the train crew at once went to the assistance of the boy, who had been unable to make his escape and, on removing him from the wreck, placed him on the train and brought him to Sherbrooke, where on arrival he was at once taken to the St. Vincent de Paul Hospital by Lord's ambulance, which had been summoned by telephone.

Reports this morning state that the boy's condition is serious though not critical.

Had Miraculous Escape
Two other accidents occurred between Waterloo and Granby late yesterday afternoon, the most serious of which was that of a large sedan containing eight persons, five of them being children.

In rounding a curve a few miles this side of Granby the driver of the sedan evidently went too near the edge of the road. In an attempt to save an accident he turned too sharply, with the result that the car crossed to the other side of the highway, struck the ditch and turned over twice. Motorists, who were passing at the time stopped to investigate and were greatly surprised to see that outside of a few minor cuts and bruises no one had been injured though the car was a complete wreck. The occupants, who were from Montreal and were on their way to visit friends in Sherbrooke, were taken back to Granby by motorists.

The second accident occurred near Waterloo, a Ford sedan leaving the road and running into the ditch. None of the occupants were injured, though the car was considerably damaged.

Several other small accidents were also reported.

(Canadian Press Despatch) TORONTO, Ont., May 27.—Professor Peter Gillespie, fifty-six, outstanding figure in the engineering profession of Canada and leader in research activities, died at his home here yesterday following a heart attack.

LEVEL CROSSING ACCIDENT RESULTED IN TWO DEATHS
Well-Known Ontario Farmer Drove His Motor Directly in Path of Train.

DRYDEN, Ont., May 27.—A level crossing accident near Gunne, Ont., took a toll of two lives Saturday. August Spreng, 65, prominent farmer, and his three year old grandson, Richard Schram, were killed when the automobile in which they were riding was struck by a Canadian Pacific passenger train. Spreng dove his car directly in the path of the rushing train, his car being thrown a great distance. The two were dead when members of the train crew ran back to the crossing.

Spreng farmed in the Waldhot district where he had been a resident for twenty-five years.

BODY OF GOULD MAN FOUND BY SALMON RIVER

Alfred MacRitchie, Aged Fifty-Five Years, Discovered by Search Party With His Head in Water—Inquest Today.

(Special to the Record) GOULD, Que., May 27.—The body of Alfred MacRitchie, fifty-five years old, was found beside the Salmon River yesterday, kneeling, with the head in the water.

MacRitchie, who was single, had been living with his brother and family for some time, but about a week ago left to stay with a Mr. McLean, of the same place. He was taken sick and his host had to care for him. Yesterday morning he left the McLean home and started up the river bank. McLean followed him for a distance, but due to trouble with his feet had to stop.

McLean went to the brother and the two of them searched the river bank, finally finding the deceased on the bank with his head in the water.

An inquest will be held by Coroner Bachand today.

SOCIALISTS LOSE GROUND IN BELGIUM

Latest Returns in General Election Indicate Appreciable Gains by Government Parties—Liberals Won Back at Least Half of Seats Lost in 1925.

BRUSSELS, Belgium, May 27.—Latest returns in yesterday's general election indicate appreciable gains by the governmental parties, especially the Liberals who won back at least half of the ten seats which they lost in 1925.

The Socialists lost ground in most constituencies to the benefit of the Liberals and Communists, while in Flanders many Catholic votes were transferred to the Flemish extremists.

Former Liberal minister Fortin, one of last year's victims, scored a Liberal victory at Verriers. Liberal gains being in Flanders and Luxembourg, George Marquet, hotel man, was elected senator at Ostend.

Questions in regard to Health and Diet Will be Answered by Dr. McCoy, who can be addressed in care of this paper.

WHY BE AFRAID? Most people do not realize how much of their lives are controlled through the fears they have developed.

What a wonderful world we would be living in if we could all by some magic lose these extraneous fears, the fear of loud noises, and the other fear of falling.

It is wise to use judgment in deciding all of the actions of our lives, but such caution should never be allowed to develop into a fear.

KNOWLTON HELD VICTORIA DAY CELEBRATION

School Children and I. O. D. E. Unite to Honor Memory of Famous British Queen—Essay Prizes Given.

KNOWLTON, Que., May 27.—A very interesting Empire Day celebration took place at the Knowlton High School on Thursday afternoon, May 23, at 3 o'clock. A fair number of friends were present and the regent and members of the I.O.D.E. assembled at the High School to award the prizes to the successful pupils for the composition on "The St. Lawrence River."

The first item was an instrumental solo by Ruth Prouty. Following this Mrs. Knowlton and the pupils sang "Moon of the Melting Snow" very effectively. Mrs. Knowlton singing the soprano part, and the scholars the alto part.

Raymond Pibus then gave a short Empire Day address. At the conclusion, while the assemblage stood at attention, he read the names inscribed on the Brome County Memorial Monument, those from the County of Brome who, during the Great War, gave their lives for their country. Then Ruth Prouty recited "In Flanders Fields."

Four girls from grades IV and V, Misses Marie Molson, Jean Bullard, Ruby Harden and Mildred Crandall sang "Little Neighbors." Betty Kimberley then recited, "Before All Lands." Next Fayland Ladd gave a short speech, "Progress During the Victorian Era," and this was followed by a piano solo, "March of the Little Prussians," by Alice Mizener. David Gillies gave a speech, "Chivalry of the Victorian Era."

Mrs. Jenks then gave a recitation, one of Dr. Drummond's short poems. Before the recitation she mentioned a few interesting facts concerning the poet, and the conditions under which he wrote this poem.

The primary department gave a short patriotic exercise under the direction of their teacher, Miss Scott.

The next item on the programme was another short speech, entitled "Great Britain's Imperialism," by Elsie M'zener. Billy Gedye recited one of Rudyard Kipling's poems, "The Glory of the Garden," with humor, but also with feeling which brought out the lessons in the poem.

Another chorus by the school, Mrs. Bertha Price's song, "In the Good Old E.T.," was sung under the direction of Mrs. Knowlton. "Serving the Empire" was the subject of the next speech by Hilda Armstrong, and following this the intermediate boys gave a patriotic exercise, "The Colors of the Flag," with the chorus, "We'll Never Let the Old Flag Fall," by the entire school.

After a speech by Margaret Jones, "Reforms of the Victorian Era," the principal of the school, Mrs. Jenks, asked the regent of the I.O.D.E., Mrs. F. J. Williams, to

present the prizes to the successful scholars. After a few remarks congratulating the staff and pupils on their excellent programme, and the successful scholars who received prizes in their compositions, she awarded the prizes which went to the following scholars:

Grades IX and X—1, Ruth Prouty; 2, Margaret Jones; 3, Arthur Williams. Grades VII and VIII—1, Vera Porritt; 2, George Alden; 3, Elsie Mizener. Grades IV, V and VI—1, Janet Woodley; 2, Ruth Wilson; 3, David Gillies. Grades II and III—1, Bruce Durrell; 2, Roland Kimball; 3, Fred Partridge; 4, Francis Arnold and Beatrice Winward.

The principal then thanked the regent and members of the I.O.D.E. for their generosity to the school in so many ways, and asked Rev. A. E. Hagar to say a few words.

Rev. A. E. Hagar recalled the various occasions on which he had been present in the school and pointed out the necessity of "Service" if our Empire is to grow.

Mrs. Jenks said a few words in appreciation of her staff of teachers. After this the chorus, "The Land of the Maple," was sung, followed by the National Anthem.

The trees, which were to have been planted, had not arrived so the planting of them had to be postponed.

Tea was served by the I.O.D.E. to the ladies present as a Junior Red Cross benefit. Mrs. F. P. Williams poured tea and coffee, and Elma Martin and Ruth Prouty, assisted the teachers in serving. Candy was sold at a prettily decorated table, and a substantial sum was realized to be sent to the Junior Red Cross.

The Women's Auxiliary of St. Paul's Church will meet at the home of Mrs. George Wallace, on Tuesday, May 28th.

The flag outside the Knowlton High School was hung at half-mast out of respect for Frank Soles, who

passed away in the Royal Victoria Hospital, on Wednesday night.

Frank was a scholar on the Knowlton High School, two years ago, and the news of his untimely death came as a great shock to the teachers and pupils of the school, and to the entire community.

Latest reports from Mr. Clarence Davis, who underwent an operation in the Ross Memorial Pavilion of the Royal Victoria Hospital, are favorable.

When Rev. Inspector Taylor was visiting the Esty School, on Sutton Mountain, a few days ago, the teacher, Miss Sarah Boistridge, on her behalf and on that of her pupils presented him with a very fine silk scarf with well-chosen words, expressing regret that he might not again visit them officially, and wishing him many blessed years of health and happiness after his forty years of service as inspector of schools.

Miss Muriel Wilson, of St. Helen's School, Dunham, spent the week-end with her aunt, Miss Dorothy Wilson, at the home of Major and Mrs. L. D. McClintock.

Mrs. Eli Hall and Mrs. Dodge spent this week-end with their sister, Mrs. Newell, Highwater.

Mr. and Mrs. Gilbert Dryburgh spent the week-end with Mrs. Dryburgh's parents, Mr. and Mrs. B. R. Sweet.

WEST BROME

Mrs. Joe Turner will entertain the Willing Workers in the basement of the church on Thursday, May 30th, at two p.m.

Mrs. F. E. Hartley and children, of Montreal, were at the Hartley home this week-end.

Mr. H. D. Short went to Sutton Junction on Sunday, May 19th, for the day.

Mrs. McCutcheon was calling on Mrs. G. W. Short on Thursday evening.

Mr. Wm. Fletcher returned home on Wednesday evening after spending some time in Montreal with friends.

Is advertising news? If it were not, we would never go subscribing for a newspaper that devoted half its space to paid news of an advertising character. But since war accept advertising as part of the day's news, surely it is wisdom to read it all. In fact, we depend upon the advertising columns for detailed information about our bodily needs, just as much as any of us depends upon the editorial and news columns for the events and news of today's world.

Retail merchants accumulate in their stores the products of a world's work. The shops are reservoirs of everything that modern life requires.

Change is an essential part of their being, as material, style, price and quality alter from day to day and fluctuate with the passing seasons. In Canada every day two million families see the advertisements and the wise women seek the opportunities for shrewd buying that the day offers. The news of a new product from the looms of China is of more vital interest to us really than the news of China's revolution. So come every day into your market place and study the news of what an entire world is offering for your personal consideration.

wealth. Mr. E. M. Armitage contributed an appropriate solo to the service, singing, "Mighty Britain." The choir's anthem was "Edward German's 'Intercessory Prayer.'"

At 2:30 p.m., the Sunday school and the Trinity Brotherhood held their closing afternoon sessions for the season. Hereafter both organizations will hold their meeting at ten o'clock each Sunday morning until the autumn.

The evening church gathering took the form of a junior choir song service. The regular choir assisted the junior choir in the leadership of the congregational singing, which was from the lantern screen, but the junior choir also rendered two choruses, namely, "Just a Little Help From You" and "Festal Day." A member of the junior choir, Miss Doris Metcalfe, sang the solo, "The Beautiful City." The pastor's address was on the theme "Growth, and the Kingdom."

EXAMINATIONS AT BISHOP'S UNIVERSITY START ON SATURDAY NEXT

The final work in preparation for the June examinations is now being done at the University of Bishop's College. Practically all the lectures in the different faculties have been completed, the last being given on Saturday. The students have now a free week for the completion of their courses before the first examination, which will be written this Saturday. The final papers will be written over the space of two weeks, finishing on Friday June fourteenth. Convocation will be held on the twentieth, after which the University closes for the summer recess.

I. O. D. E. ANNOUNCE COMPETITION

The Imperial Order of the Daughters of the Empire is offering a prize of one hundred dollars for a Christmas card design, the details of the competition having been just announced. The competition closes on November 1 next, and the rules governing it are as follows:

1. This competition is open to all British subjects resident in Canada, whether students in Art Schools or not.
2. The design submitted shall be an original sketch in colors (size about 8 1/2" x 11 1/2").
3. The subject for this year's competition is a scene in Canadian history, or a historical place in Canada.
4. A competitor may submit more than one design, but each entry should be sent in separately.
5. Entries should be marked "Christmas Card Competition", and should be sent to the National Educational Secretary, Imperial Order Daughters of the Empire, 238 Bloor Street East, Toronto 5, Ontario, on or before November 1, 1929. Each design submitted should be marked with an assumed name, and should be accompanied by a sealed envelope containing both the real and the assumed names of the competitor.
6. The prize-winning design shall become the property of the Imperial Order Daughters of the Empire. Arrangements will be made to have the card published and sold.
7. The prize may, at the discretion of the judges, be divided between two competitors. The prize will not necessarily be awarded if, in the estimation of the judges, no entry merits the award.
8. No entry will be returned unless it is accompanied by a stamped and addressed envelope suitable for the return of the sketch.

"Empire Buyers are Empire Builders"

Modern Service worthy of a Modern Car

New Model A Service Policy Established By Ford Dealers Throughout Canada

Carrying our policy of modern service worthy of a modern car still further, every Ford dealer in Canada will give every Ford car buyer free service at 500, 1000 and 1500 miles. No charge will be made for labor incidental to this service, except of course, where repairs are necessary through accident, misuse or neglect. The only charge is for new oil. You know that proper care of your car during the first few hundred miles will lengthen its life and prevent unnecessary trouble later on. This free service at 500, 1000 and 1500 miles ensures expert attention while your car is new and is entirely in addition to our usual warranties, which will be continued.

Modern traffic demands a car not only designed and built to meet modern conditions but, through proper maintenance, kept up to the highest degree of efficiency. Proper care and attention is especially important when the car is new.

In every feature the Model A Ford car has been designed to meet the demands of modern motoring. It is fast and comfortable on trips between cities over smooth pavement, or in remote districts where paved roads are impracticable. It is agile in the congested traffic of busy streets and sturdily built to suit the many uses to which it is put on the farm.

Equally important in today's automobile transportation, the Ford car is backed by an outstanding service organization rendering a modern, efficient service, in keeping with the high quality of the car itself. Our organization has been built upon the creed that it is our duty not only to make a good automobile, but to help the owner get the greatest possible use over the longest period of time, at a minimum of trouble and expense.

Throughout Canada, wherever you go, you will find efficient Ford service. Ford dealers are equipped with modern machines specially designed for Ford service work, their mechanics are Ford specialists, trained under direct factory supervision; parts made in the Ford factory are used wherever replacements are necessary; flat rates for labor on all operations ensure economy and enable an accurate estimate of the cost of any job.

Our service department is continually seeking better, quicker, more efficient methods of service for Ford cars. As soon as the advantage of a new system, a new machine or a new operation is proven, it is established throughout the organization.

In so far as possible, service operations on Ford cars duplicate similar operations in the manufacture of the car in our factory.

Ask your Ford dealer for full particulars.

MANY ATTENDED REUNION HELD HERE SUNDAY

Officers for Ensuing Term Elected at Meeting of Mont Notre Dame Alumnae Society.

Yesterday afternoon the annual reunion of the Alumnae Society of Mont Notre Dame took place at the convent. A large and representative number met in the assembly hall when, after greetings and registration, the regular business meeting was held.

Mrs. Codere, as retiring president, delivered a valedictory address, in which she stressed the chief events of the past two years, notably the big convocation which took place in September, 1928; the passing of two of the Reverend Sisters, Mother St. Marie Victor and Mother St. Damase, Mrs. Louis Dupuy, Mrs. Rousseau, of Cookshire, and Miss Jeanette Denault.

The question of the Mount Notre Dame Alumnae Society joining the Federated Association, now in process of formation, was considered and approved. Loyalty and appreciation of the Reverend Sisters of Mont Notre Dame and of the beautiful convent they have erected here, was also expressed.

Mrs. Codere closed the meeting with a plea for enthusiasm and cooperation, which is essential to and has been the secret of the great success of the Alumnae undertakings to date.

Benediction of the Blessed Sacrament followed in the convent chapel, after which a reception was tendered the alumnae by the present pupils.

The assembly was presided over by Rev. Mother St. Anne D'Auray, provincial superior; Mother St. Therese, of the Sacred Heart, actual superior, and Mother Mary, of the Reparation, past superior, who was a guest at the convent for the day.

A feature of the afternoon's entertainment was the address of the new president, Mrs. F. Payette, who expressed her appreciation of the honor conferred upon her by the nominating committee.

Mrs. Payette also commended the invaluable assistance of the two secretaries remaining in office, Miss G. Hebert and Miss E. Codere, and extended a cordial welcome to Mrs. C. A. E. Lefebvre (Helene BeauDET), and sent greetings to Mrs. G. E. Rioux, the first boarder.

TWO AVIATORS SET ENDURANCE FLIGHT RECORD

R. L. Robbin and James Kelley Added Almost Full Day to World's Endurance Flight Record by Flying Single-Motored Monoplane Fort Worth Seven, and a Half Days.

(Associated Press Despatch) FORT WORTH, Texas, May 27.—Having added almost a full day to the world's endurance flight record, R. L. Robbin and James Kelley, eschewed the admiration of the nation and slept today while experts made a careful examination of their single-motored monoplane Fort Worth which they brought to earth yesterday after soaring almost seven and a half days.

The two pilots, one an ex-cowboy, the other a former railroad mechanic, added a new line to the illustrious record started by the Wright brothers' nine minute flight at Kitty Hawk, N.C., in 1903, by keeping the Fort Worth aloft in good and bad weather for 172 hours, 40 minutes and 15 seconds beating the mark made by the army monoplane Question Mark, by 21 hours, 31 minutes and 59 seconds.

The army plane had three motors, a crew of five men and an expert ground crew.

ISSUE AN APPEAL FOR A REDUCTION IN ARMAMENT

Twenty-Five Active or Retired Military and Naval Officers of High Rank from Germany, France, Britain, Poland, Finland, Denmark, Norway, Sweden and Switzerland Sent Out Letter.

BERLIN, May 27.—Twenty-five active or retired military and naval officers of high rank from Germany, France, Great Britain, Poland, Finland, Denmark, Norway, Sweden and Switzerland planned to publish today in leading European newspapers an "appeal to the people of Europe" for immediate and general drastic reduction in armaments.

Among the signers are Brigadier-General Frank P. Crozier, vice-Admiral Sidney Robert Drury-Low and Major Kerr, of Great Britain; General Sauret, of France; General von Delming and Lieutenant General von Briesler, of Germany; and General Eugene Kotkowski, of Poland.

Miss A. Murray, who accepted the vice-presidency. Lunch was then served by the Sisters in the large refectory, which was the scene of a merry and enthusiastic gathering; following which, with many expressions of regret and appreciation of the day's programme, the assembly dispersed for another year.

Mass This Morning This morning at half past seven o'clock a solemn high mass was celebrated in the Chapel of Mount Notre Dame, offered by the Alumnae Society for the souls of departed members. Mass was celebrated by Rev. Father Letendre and the music was under the direction of Mrs. Maurice Shea and Miss Bernadette Beauchene. The singing by former pupils was unusually fine and the mass in "C" by Salome was beautifully rendered and most effective. A large number attended the ceremony.

JUST THE MAN "Why did you select that small thin fellow among all the applicants?" "He's a wiry little chap, and the job is connecting telephones." WE HOPE HE GOT THE BOOT The gate crasher got into conversation with a man at the party and began boasting of his boldness. "A well-dressed chap with plenty of nerve can easily butt into these affairs and have as good a time as anybody," he said. "Take my own case, I had no invitation."

"Neither had I," returned the other man with a quiet smile. "That so? How did you work it?" "I'm the host," came the disconcerting reply.

Not too much of a good thing

STRENGTH is a good quality in tea. So is flavor. So is fullness. But there can be too much strength, too much flavor, too much fullness. By mixing a strong tea which we may find in Northern India with a high-flavored tea—the cream, perhaps, of a certain Ceylon plucking, and a full rich tea from a famous garden in Assam, we get just enough strength, just enough flavor, just enough fullness. In short, we get King Cole. You know King Cole will be the same next year as it is this year. But we never know year in advance where we can find the tea with which to blend it.

You will enjoy King Cole Coffee too

ALASKAN STEAMER SANK YESTERDAY AT KODIAK

Liner Aleutian Struck Rock in Yuak Bay—Crew of 135 and Fifteen Passengers Rescued by Steamship Surveyor.

SEATTLE, Wn., May 27.—Radio despatches received here said the Alaska Steamship Company's liner Aleutian struck a rock in Yuak Bay on the jagged coast of Kodiak Island, Alaska, early yesterday and sank in deep water.

Her crew of 135 and 15 passengers were taken off by the coast geodetic survey steamship Surveyor and were being taken to Seaward, Alaska, 300 miles northeast of Kodiak. The master of the ill-fated ship was to return and try to locate the sunken craft.

The water was reported normal when the ship struck at 5:30 o'clock in the morning in Larsen Bay, an indentation of Yuak Bay.

ASBESTOS MAN APPEARED BEFORE JUDGE LEMAY Charged with striking a team containing George Boisvert, his mother, Mrs. Edmond Boisvert, and sister, Miss Marie Ange Boisvert, while driving in the vicinity of Asbestos, and not helping the occupants, Joseph Gudet, of Asbestos, appeared before Judge J. H. Lemay this morning in the Magistrate's Court, where the case was fixed for hearing on June 5th.

RAILWAY MAN INJURED AT ROCK FOREST Gerard Cournoyer, aged 40, was taken to the Sherbrooke Hospital on Saturday afternoon suffering from injuries received while working on the railway line near Rock Forest. Cournoyer, who was a member of the track gang, was struck on the left side by the boom of a revolving crane. His fellow workmen ran to his assistance and he was rushed to Sherbrooke on a special train, and conveyed to the Sherbrooke Hospital by Lord's ambulance. At the hospital it was discovered he was suffering from a broken rib.

MRS. ALEX AMES DIED IN ARIZONA Word was received here this morning of the death of Mrs. Alex Ames, former resident of Lennoxville, in Phoenix, Arizona. The late Mrs. Ames, whose maiden name was Charlotte Duffield, is survived by three daughters: Mrs. Guy Dixon (Eva), Granby, Mrs. J. C. Thompson (Mildred), Phoenix, Arizona, and Miss Kathleen Ames, also of Phoenix, and three sons, Messrs. Frank Ames, of Phoenix, Arizona, and Hubert and Joseph Ames, of this city.

The funeral arrangements are at present being made and will be completed before arrival of the remains here.

Mr. and Mrs. Jas. Gardner wish to announce the engagement of their eldest daughter, Janet Stuart, to Mr. David M. Perkins, son of Mr. and Mrs. E. E. Perkins, of Brompton, Que. The wedding to take place June 12th, 1929.

A very interesting family reunion took place at the residence of Mr. and Mrs. W. G. Cross, Montreal street, when relatives gathered on May 24th and 25th after several years of separation. Dr. and Mrs. Skinner and son, Leslie, of Saskatoon; Mrs. S. J. Skinner, Miss Skinner and Mrs. Cross, Sr., of Montreal; Mrs. Grace Kearns and son, Russell, Mr. and Mrs. Norman Rowell and daughter, Ernestine, of Montreal, and Dr. C. E. Cross and daughter, Mary, of Three Rivers, who brought Mrs. B. C. Walker, field home, were the guests from a distance. The addition of Mr. and Mrs. A. H. Cross and two daughters with Mr. and Mrs. W. G. Cross, two sons and a daughter, made friends included, the number of twenty-four, of which group a photograph was taken for future reference. One grandson, Dr. Lloyd C. Skinner, was unavoidably absent.

MARRIAGES

BACON—HISLOP. A quiet but very pretty wedding took place at the home of Mr. and Mrs. Robert Hislop, Lennoxville, on Saturday afternoon when their adopted daughter, Miss Grace Hislop, was married to Mr. A. Merrill Bacon, of Coaticook, the Rev. Dr. G. Ellery Read, of Sherbrooke, officiating.

The bride, who was given away by her father, wore a gown of royal blue georgette, a sarsaparilla straw hat and shoes and stockings to match. She carried a bouquet of sweetheart roses, and was attended by little Miss Roberta Richardson, who wore a pretty little dress of rose georgette.

The out of town guests included: Mrs. E. Anderson, the groom's sister, of Colebrook, N.H.; Mr. Arthur Bacon, the groom's brother, of Coaticook, and Mrs. Hyatt, R.N., from North Hatley.

A delicious buffet supper was served. The bride's table, with the wedding cake in the center, was prettily decorated with white sweet peas and pink candles. Mrs. Gordon Mackay, Mrs. R. E. Richardson and Miss Maud Person assisted in serving.

"Death presumably as a result of a blow received while working in the C. N. R. shops at Richmond," in the case of Robert Harper, who died in a Montreal hospital about ten days ago.

Harper was injured while in the shops and was some days later removed to Montreal, where he died. An inquest was held, but owing to the difficulty in determining the cause of the death it had to be adjourned until further medical evidence could be secured. While this tendered to show that death occurred as a result of the accident, two doctors claimed that death was from natural causes, thus making the above verdict necessary.

Mr. R. F. McDonald has returned from Montreal, where he has been for the past two weeks.

Miss Kathleen Lattier, nurse-in-training at Brightlook Hospital, St. Johnsbury, Vt., is spending three weeks' vacation at her home here.

Mr. Howard J. Moffatt, Esplanade Avenue, and Mr. E. Manes, of Lennoxville, spent the holiday and week-end in Montreal and Ottawa.

Miss L. Johns, of Montreal, is expected in town today and will be the guest of her sister, Mrs. Robert Newton, Victoria street, for a week or two.

Mr. and Mrs. C. H. Bowen and a party of friends motored to Compton on May 24th and were the guests of their daughter, Mrs. Eardley, Wilmot, at the Rectory.

Mr. and Mrs. Saxton Sheppard, Miss Sheppard and Mr. Black, of Toronto, who have been on an extended trip in the United States, spent the week-end in town, guests at the New Sherbrooke.

Mrs. McBain, who has been spending the winter with her daughter, Mrs. Warren Ball and Mr. Ball, in Penbrooke, is now the guest of her elder daughter, Mrs. Feeney, in Hamstead, Long Island.

Mr. and Mrs. W. Wilson, High Street, and Mr. and Mrs. C. Turner, of North Hatley, motored to Montreal on the return trip Miss Adelaide Wilson, nurse-in-training at the Montreal General Hospital, accompanied them, and will be the guest of her parents, Mr. and Mrs. Wilson, for a few days.

The tea at the Sherbrooke Country Club on Saturday afternoon was well attended. The hostesses for the tea were Mrs. Miller Hall, convener, Mrs. E. A. Tomkins, Mrs. Gordon Armitage, Mrs. Oscar Stenson, Miss Bessie Bryce and Miss Margaret McDonald. The club house was attractively decorated with spring blossoms, and the tea table looked lovely with pink roses and candles to match. Mrs. Tomkins and Mrs. Stenson poured tea, while the other hostesses assisted in serving.

Miss Grace Waite was hostess at a most enjoyable party on Saturday afternoon at the Chateau Frontenac in honor of Miss Peggy Borlase, whose marriage takes place early in June. Bridge was played at three tables, the prizes being won by Misses Viola Mullins, Ruth Loomis and Frances Hovey, with a special prize for 14 guests-of-honor. At the tea hour 1:30, Leslie Waite poured tea and Miss Brenhilda Mullins cut the ices. The tea table was very daintily arranged with pink and white sweet peas. Miss Ruth Loomis and Miss Marjorie Elue assisted.

A very successful tea and sale was held on Saturday afternoon by the Junior branch of St. Peter's W. A. Mrs. Jones, Mrs. William Bailey and Miss Mary Twose received the guests. The mystery table was in charge of Margaret Aitken, while Marguerite Robins and Lois Rapley were at the food table, and candy was sold by Grace Darker. The tea table was prettily decorated with spring flowers and mauve candles. Lennie Jackson and Frances Borlase poured tea, while other members of the Juniors assisted in serving. The tea was in charge of Mrs. Albert Wiggitt and Mrs. Conroy, assisted by Mrs. Rawson, Mrs. Marchant and Mrs. Gustafson. The superintendent is very grateful to all who contributed to the different tables, and especially to Mrs. Wiggitt, whose untiring efforts helped so much to make the afternoon such a splendid success.

COMMISSION ON RADIO TO MEET HERE TOMORROW

Royal Commission on Radio Broadcasting Will Sit Here Tomorrow—All Interested Asked to Be on Hand in City Council Chamber Tomorrow Morning at Ten O'Clock.

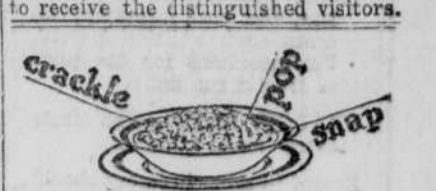

All residents of Sherbrooke and district who are interested in radio or who have suggestions to make regarding the improving of either reception or broadcasting are asked to be on hand tomorrow morning in the City Council Chamber, City Hall, at ten o'clock, when the Royal Commission on Radio Broadcasting, comprising of Sir John Aird, chairman, and Messrs. Charles A. Bowman and Augustin Frigon, D.Sc., will be present to hear the views of those interested in this connection.

The purpose of the inquiry is to determine how radio broadcasting in Canada can be most effectively carried on in the interests of Canadian listeners, and in the national interests of Canada. The chief task is to straighten out the prevailing tangle of radio complications in the Dominion.

According to the terms of reference of the Order-in-Council appointing the Commission, it is considered that the desired end might be achieved in several ways, included in which are the following:

- (a) Establishment of one or more groups of stations operated by private enterprise in receipt of a

subsidy from the Government. (b) Establishment and operation of stations by a Government-owned and financed company. (c) Establishment and operation of stations by provincial government.

DEATHS REPORTED

CAPT. GEO. EDWARD WALES COOK, BROOKBURY, QUE. BROOKBURY, Que., May 27.—The funeral of the late Capt. Geo. E. W. Cook, who passed away at his home, Craigmere Farm, on Tuesday morning, May 14th, shortly after twelve o'clock, took place on Thursday morning, May 16th, at the United Church, after prayers at the house by Rev. P. Pollitt, the Masons of the East Angus lodge of which the deceased was a member also giving him the last rites of the order at the church and grave.

The bearers were four brother Masons, Messrs. E. P. Leonard, John F. Martin, E. L. Grey, Ibrey Batley. The funeral was attended also by military officers and returned soldiers in uniform and the pupils of the Consolidated School, were in line at the cemetery. The church and vestry were filled with friends and relatives and the flowers were many and beautiful, which are as follows:

Wreath, the family; wreath, Brookbury Women's Institute; wreath, the Masons; wreath, Canadian Order of Foresters; pillow, St. John's Guild, Ladies Aid, W.C.T.U. and Y.P.B.; cross, Mr. and Mrs. James A. Fraser, Cookshire; cut flowers, Mr. and Mrs. S. Wright, Cookshire and Mr. and Mrs. Tom Wright, Strathmore; cut flowers, Miss Kathleen Pennoyer, Alberta; cut flowers, Mr. and Mrs. J. Lynn Rich, Bishop's Crossing; cut flowers, Mrs. C. R. Bennett; spray, Mrs. W. D. Francis and Mr. and Mrs. I. Francis; spray, Mr. and Mrs. C. A. Joyce, and family; spray, Mr. and Mrs. H. Labaree, Lennoxville; spray, Mrs. Lula Cook Smiley,

Southern Pines, N.C.; spray, Mr. and Mrs. A. H. Card, and family, Rury, Que.; spray, Mrs. F. Arthur Pincus, Cookshire; spray, Mr. and Mrs. S. N. Bishop, Bishop's Crossing; spray, Mr. and Mrs. W. R. Batley and Mrs. Ibrey Batley; spray, Mrs. George Grey.

An augmented choir sang the hymns, "Jesus Lover of My Soul," "There is No Night in Heaven," "Abide With Me" and the voluntary "In the Land Where There Are No Days or Years," also an old favorite of the deceased, "On the Happy Golden Shore." The organist played softly while the mourners entered the church, and Beethoven's funeral march, at the close of the service. The pastor preached from the text II Tim. part of the tenth verse. The interment was in the Brookbury Cemetery, Mr. S. W. Bishop conducting the funeral.

The late Capt. Geo. E. W. Cook was the son of Mr. John Cook and Mrs. Y. Bennett (his wife) and his grandfather, John Cook, Sr. was one of the early settlers of Bury. Capt. Cook was born November 6th, 1887 and was a lifelong resident here, only during the war, when he was overseas. He enlisted as a private in the 7th Hussars in 1903 and served in all the N.C.O. ranks, was elected to represent the 7th at King George's coronation ceremonies, as a sergeant appointed Lieutenant and took a course at the cavalry school at St. Johns, Que., where he qualified September 17th, 1912. The following April qualified as Captain. In November 1915 he enlisted as a Lieutenant in the 11th E.T. Regiment under command of Lt.-Col. I. J. Gilbert. In January and February of 1916, he attended a qualifying course for officers and N.C.O.'s at Sherbrooke, where he received his certificate as an Infantry officer. He went to England with the 11th, August, 1916, was transferred to a machine gun company and went to France in the early part of 1917. In the fall of 1916, he took an officers' course in machine gunnery in England, where he was highly commended for efficiency. On the re-organization of the 7th Hussars in 1920, he was appointed as Captain Quartermaster, being posted to the reserve of officers in 1921, on account of ill health.

The military officers who attended his funeral were Lt.-Col. T. O. Farnsworth, V.D., Lt.-Col. G. C. Beard; Major H. H. Robinson, M.C.; Major G. S. Semple, M.M.; Major L. Rich; Capt. Wells Bishop, M.M.; Capt. H. Sowden; Capt. Robt. Bartholomew; Capt. Guy Bishop; Capt. E. A. McAuley; Lt. K. Goff; Lt. Jack McAuley; Sgt. Renfred Morrow; Sgt. J. H. French; Sgt. Arthur Worby; Pte. H. TRIPLE TIE FOR LEADERSHIP OF SOCCER LEAGUE

Asbestos Defeated Regiment, Celanese Won from Magog and Y.M.C.A. Drew With Beebe in Week-End Games — Drummondville, Beebe and Quebec Central Head League.

Considerable alteration in the standing of the Eastern Townships Football League was recorded as the result of the games played on Saturday afternoon. The fans locally were somewhat surprised at the victory of Asbestos over the Regiment by a score of 2 to 0.

At Beebe, the Y.M.C.A. succeeded in holding the granite cutters to a two all draw. This was a hard-fought game, and as even as the score would indicate. The match was very clean throughout, only one or two penalties being handed out.

The game between Celanese and Magog, at Drummondville, resulted in a victory for the home team, by a score of 3 to 1.

Asbestos in their game with Regiment here on the Parade Grounds netted both their counters in the first period. Hardly had the whistle blown before the visitors notched up their first tally as a result of a corner kick.

The game was handled by Mr. W. Webb. The line-ups were: Asbestos—Mills, Barrett, MacKenzie, Ball, McCullough, MacKenna, Clark, Reed, Brooks, Coyle and Williams.

Regiment—Harzer, Robertson, J. Riddoch, Buck, Ashworth, McCabe, Parsons, G. Riddoch, Bennett, A. Taylor and W. Taylor.

At Beebe, the game was a three-cornered tie for first place, Drummondville, Beebe and Q.C.R. all having six points. The standing to date is:

Table with 2 columns: Team Name and Points. Q.C.R. 6, Celanese 3, Beebe 2, Y.M.C.A. 2, Windsor 1, Magog 0, Asbestos 0.

***** TENNIS ***** BAN ON STOCKINGLESS TENNIS PLAYERS.

(Associated Press Despatch) PARIS, May 27.—Wimbledon's reported ban on stockingless tennis players is attracting more attention at Roland Garros' Stadium than the French hard court championships themselves, it would seem.

According to word received here, officials at Wimbledon will permit no stockingless players in the centre court at the British championships. That rule would either keep Helen Wills, American, French and English singles champion, off the centre court or force her to don stockings.

"Queen Helen" thus far has refused to discuss the matter with correspondents, but to a friend she said: "I relish playing without stockings. It gives me more freedom of action. I am not discarding stockings for a fad, but to improve my speed. However, if Wimbledon officials object I am sure I wouldn't do anything to annoy them."

One Wimbledon official, who was in Paris for the finals of the men's doubles yesterday, was inclined to take a good-natured view of the whole issue. He expressed the opinion that the Wimbledon authorities would not show intolerance if they could explain any improvement in their game due to the absence of stockings.

"You see," he added, "five million more women are voting in England this year and they are all young ones between twenty and thirty. We can't afford to antagonize them."

POTATO RATES ARE INCREASED BY U. S. HOUSE

Tariff on White Potatoes Raised from Fifty Cents to Seventy-Five Cents Per Hundredweight — If Approved by Senate Will Affect Interests of Growers All Along International Line.

(Associated Press Despatch) WASHINGTON, D. C., May 27.—The rate on white potatoes in the Hawley tariff bill was raised from fifty cents to seventy-five cents a hundredweight in the House on Saturday afternoon. The vote on this amendment was 87 to 3.

The new rate if it gets through the Senate will affect the interests of potato growers all along the international line, but more particularly in New Brunswick and Prince Edward Island.

"Pots" went on the free list Saturday afternoon, Canada shipped more than fifty thousand dollars worth of pots to the United States last year.

The amendments proposing duties on hides, leather and boots and shoes, now all on the free list, will be taken up on Monday it was announced.

With approximately fifty committee amendments approved and as many more awaiting disposition, the House will forge ahead with consideration of the tariff bill today under Mr. Canning's leadership.

MACKMEN CHALK UP ANOTHER WIN OVER SENATORS

Athletics Yesterday Registered Their Eleventh Straight Victory, Nine of Which Have Been at Expense of Washington.

(By Wm. J. Chipman, Associated Press Sports Writer)
NEW YORK, May 27.—If the American League were composed of just the Senators and the Athletics life would be nothing but a long sweet dream for the hirelings of Professor Cornelius McGillicuddy. The aspiring Mackmen have played at a 650 clip against the other six clubs, but they have averaged a meagre .923 against Walter Johnson's entry, which many picked to win the Barnard pennant. Their record is thirteen against their Washington cousins.

The Athletics shifted the scene to the capital city yesterday to shade the Senators by 4 to 3 for the eleventh straight Philadelphia victory, nine of which have been at the expense of the Senators. Walter Johnson's men took hope when they routed old Jack Quinn in the sixth and led by 3 to 1, but in the very next round Garland Braxton weakened under the strain of carrying the lead and the Macks were ahead 4 to 3 before Fred Marberry could apply the brakes. Eddie Rommel, finisher extraordinary, held the edge to the end.

The victory maintained the Athletics comfortably ahead of the Browns, who shaded Cleveland, one to nothing, and five and one-half games in front of the Yankees and the Tigers, who rested in a virtual tie for third place.

Ruth Chalked Up His Ninth Homer
Old Red Faber applied the one-hit treatment to the Tigers in Chicago to win by 2 to 0, as the Yankees went on a spree in Boston to halt the Red Sox by 15 to 4. Babe Ruth's ninth home run was the crowning blow in a sixteen-hit assault which the champions showered upon the Messrs. Ed Morris, Ed Durham, Ed Carroll, Billy Bayne and Jack Russell.

GOLF AS CHAMPIONS PLAY IT

J. H. Taylor finds that the great fault of women golfers is their frantic effort to follow through. Do you agree or disagree?

Answered by WILLIAM MEHLHORN

I agree with J. H. Taylor, but I do not find that this fault is confined to women. Almost every golfer is thinking too seriously throughout the swing, with a consequent tensing of muscles, instead of trying to relax himself mentally which would result in a naturalness that is essential to good golf. If the follow-through is not natural, it will be futile.

ST. ROCH WON OPENING GAME BY BIG MARGIN

Defeated St. Arsenne, of Montreal, in Featureless Game by Count of 12 to 3—Game Late in Starting.

The opening of the local baseball season could not be called a huge success, for although the St. Roch's easily defeated the St. Arsenne team of Montreal by the heavy score of twelve runs to three, hunger drove most of the fans home when sixth inning ended, a few minutes after six o'clock.

At three o'clock a large crowd had gathered at the Ball Park to witness the opening game of the year. The locals came out and practiced for a few minutes, then retired to their benches, when four of the visitors took their places. After this alternation had gone on for more than an hour and a quarter umpire Grant Kelly came out and explained about a breakdown to a car carrying the Montreal boys near Granby, and went on to say that the management had induced the Montreal officials to start the game by borrowing a couple of local players.

Morin, who pitched for the locals, showed splendid form, keeping the visitors in check until the sixth, when St. Arsenne managed to score twice. Only an occasional Montrealer was able to reach first base throughout the game. St. Roch did not let the grass grow under their feet, however, getting three runs in the first, second and sixth innings, while they also countered twice in the fourth. Neither team added to the totals in the seventh, although St. Roch's managed to tuck away their twelfth run in the eighth, while the Montrealers made their third in the ninth frame.

Although the last three innings were the best, less than fifty fans were in the park when the ninth started about seven o'clock.

LOCAL GOLFING SEASON OPENED ON SATURDAY

Annual President vs. Vice-President Match Played at Sherbrooke Country Club—Dinner Held at Conclusion of Match.

Vice-president George Murphy's team won out over President Skelton's aggregation by a score of 14 1-2 to 27 1-2 in the opening event of the season held at the local Country Club on Saturday afternoon. Fifty-six players took part in the match, this being the largest turnout that the local club has ever had. The permanent greens were used for the first time this season and were in fine shape. With a little warm weather to dry up a few wet spots that still remain, the course should be in excellent shape and an active season is looked for by all members of the club.

Following the match the opening dinner, presided over by President Skelton was held in the club house, some forty members being present. The Mitchell Shield emblematic of the day's event, was presented to Vice-President Murphy. The main trophies of the club, namely, the McKinnon Club Championship Cup and the Turnbull Handicap Cup were also presented to the respective winners, Messrs. Jack Hammond and H. A. Peabody.
