## Drama Night At Ormstown Trophies Awarded Best Actors and Actresses

Drama Night Trophies won by Alton McEwen, Phyllis Jackson, Harley Sproule, Merle Dunn. Three one act plays were presented on Friday and Saturday evenings in the Auditorium at the Ormstown High School under the direction of Mrs. Margaret Campbell, Vice-Principal and English Specialist. Grade IX very capably presented "The Princess and The Woodcutter", Grade X "The Grand Cham's Diamond" and grade XI "A Man Of Ideas". Two Irish Musical Selections were given by the Girls' Glee Club under the direction of Miss Jean Mackenzie — "Too-Ra-Too-Ra-Lo-Ral" and "Peg O' My Heart".

Ajudicators were present on both evenings to choose the winners of the Gage, Lindsay and Campbell trophies. Dr. Marion Kelen, Mrs. Lindsay Cullen and Rev. J. C. Hood judged the combined performances and gave the following decisions:— Lindsay Trophy for the best actress: Phyllis Jackson. Gage Trophy for the best actor: Alton McEwen. Campbell Trophies for the best supporting actress and actors: Merle Dunn, Harley Sproule. Honorable mention: Nancy Winter, George Munday, Garth Cavers. Presentations were made following the final performance. Shirley Owens, on behalf of Grade IX, X and XI presented Mrs. Campbell with a bouquet of red roses, as a token of appreciation.

## Addition To Be Made To Fawcett & Grant Mill

Mr. Francis Cley informed The Gleaner, that in order to reduce the cost of manufacturing, his organization has now completed plans for the current year. The plans include the erection of a building measuring 90 by 300 feet, to be located on the land of Fawcett & Grant. The proposed building will house a modern weave shed and will consolidate the weaving operations of Leach Textiles and Fawcett & Grant under the same roof. This consolidation program was started at the end of 1960, when the burling and mending departments of the two mills were brought together. In addition to consolidating

operations and making production more economical, this move will also permit the increase of the organization's spinning capacity in vacated buildings of Leach Textiles adjacent to Spinnings Ltd. A considerable amount of new and modern equipment has been ordered to improve efficiency, which in Mr. Cley's opinion is the only way that the Canadian Textile Industry can survive under the ever increasing pressure of foreign competition. It is hoped that the reduction in the cost of production will improve the company's position on the market and pave the way for continued expansion and increase in the labour force.

## Huntingdon Home and School Association Holds Interesting Meeting

There was a large attendance at the meeting of the Huntingdon Home and School Association on Wednesday evening, March 15th, in the High School cafeteria. The President, Mr. Bob Baker, conducted the meeting and several important items were discussed during the business session. Mr. Bob Gill outlined the functions of the Regional Council and a motion was passed supporting the formation of this body. Miss Mabel MacMillan gave the library report and voted a special thanks to Mrs. George Boyce and Mrs. Arnold Milne for their excellent work in this connection. Miss MacMillan moved that a library drive be held and Mr. and Mrs. Rupert Hawley were appointed to head a committee to organize this.

Mr. Melnyk reported that the recommendation made to the government regarding the transportation of pupils to sports events outside their own municipalities had been passed. A nominating committee, to present the slate of officers at the April meeting, was appointed as follows: Mr. Jack Blake, Chairman, Mrs. Cyril Dahms and Mrs. Stanley Ruddock. It was decided that rings, instead of pins, would be given to the graduating classes in the future. A committee consisting of Mrs. Cecil Brown, Mrs. Gordon MacLean and Mrs. Wm. Wilson was set up for this purpose. The President announced that the Quebec Home and School Federation would hold its annual meeting on May 5th and 6th, and hoped that a number of members would be free to attend. Miss Alice Hamilton, a member of last year's graduating class, made a presentation of three books to Mrs. W. S. Hatcher, in memory of Reverend W. S. Hatcher. Mrs. Allison Cluff asked if it would be possible for special classes in remedial reading to be organized in the school. Parents who were interested remained

## Montreal Rink Wins Ladies' Bonspiel Event

The Huntingdon Lady Curlers held their 3rd Annual Bonspiel on March 14th and 15th, with finals on Thursday, March 16th. The Dominion Potash Trophy played for yearly is a beautiful red bowl donated to the Huntingdon Club by Mr. Henri Lefebvre of Dewittville. Twenty-eight teams representing Lachine, Lacolle, St. Lambert, Wentworth, Ormstown, Howick, Valleyfield, Aubrey, St. Anne de Bellevue, Greystone, Outremont, Royal Montreal and Heatley played in this year's bonspiel. The finalists on Thursday were as follows:— Main Event Winner—Greystone, skip, Mrs. Maklan; Runner Up—Lachine, skip, Mrs. Tobin. Consolation Winner—Aubrey, skip, Mrs. Ron Reddick; Runner Up, Aubrey, skip, Mrs. J. Cluff. The Huntingdon Ladies wish to thank all these clubs for entering teams and helping to make this curling event a success.

## TOWN TO BUY NEW TRUCK

An adjourned meeting of the Huntingdon Town Council was held at the County Building, on Monday evening, with all the members present. A motion was made to borrow up to \$65,000 from the bank to cover current expenses, etc. until taxes are collected. A rebate on water tax was allowed a taxpayer who is giving up housekeeping. Approval for a 50 ft. roadway on the subdivision of Mr. F. Landon has now been received. Approval was also received with regard to loan bylaw for \$25,000 for industrial purposes, six months were allowed for the legal papers to be drawn up covering this sum and to allow it to be turned over to Huntingdon Industrial Development Corporation. Alderman Picard asked that the Government Roads Dept. be approached to have several streets in town paved with blacktop and some of them right to sidewalks. These included: Bouchette to Plankroad, York, Wellington, Centre, Hunter, Lake, Prince Street, W. Roosevelt, Churchill, Chateauguy West and Garden City. Three tenders were received for the new truck which the Town advertised for. The tender of Huntingdon Motors for a Chevrolet truck with equipment as listed for \$3,198 was accepted and the truck will be ordered.

Following the business meeting, the parents met with the teachers in their classrooms. It is felt that these informal discussions are of help in developing co-operation between teachers and parents and that they result in real benefit to the children. It is hoped that more opportunities for exchange of ideas between parents and teachers may be provided in future. At the close of the evening everyone returned to the cafeteria for delicious refreshments served by several of the members.

## Tragic Drowning At Ormstown - Boy Breaks Through River Ice

On Saturday afternoon, about 3:30 P.M., a tragic drowning occurred in the Chateauguy River at a spot frequently referred to as McEwen's Rapids. The victim of the accident, six year old Joseph Pappi, son of Mr. and Mrs. Joseph Pappi, was playing with other members of his family when he came to thin ice near the rapids worn thin by the current, and disappeared. His brothers saw and heard his splashing and his older brother Julius, a boy of nine approached the opening but realized there was nothing he could do. The frantic mother called her neighbour, Mrs. Tavenier who came immediately accompanied by Dr. Johnston, who was at the Tavenier home at the time. The police were notified and divers came, but in the darkness it was impossible to make any attempt to recover the body. Through the efforts of Provincial Detective Frank Wilnot,

divers were brought to the scene by René Lareux of the Cornwall Ambulance Service. On Sunday, Divers James Fitzpatrick and Colin Kenner of Cornwall made a futile attempt to dive under the ice, thirty inches thick in some places. Sunday evening, a new plan, organized under the direction of B. L. McGerrigle was laid and early Monday morning neighbours began making holes in the ice and throughout the entire afternoon they gave as much assistance as possible to Divers Colin Kinnear and Arnold Shane. A tremendous effort was made to recover the body but to no avail. On Monday evening pictures of the scene of the drowning taken by John Miller appeared on Channel 8, C.J.S.S. at 11:15 P.M. Sincere sympathy, moral and financial support have been extended to the bereaved family. Mr. and Mrs. Joseph Pappi have five other children.

## Quebec Temperance League Submit Brief on Liquor Laws

**RE QUEBEC LIQUOR LAWS**—In addition to the brief and representation all ready prepared in the papers in connection with Project 34, the following have also submitted briefs to Premier Jean Lesage and the Government: The Montreal Presbytery of the United Church of Canada, The Quebec Temperance League Inc., The clergy of the city of Lachine, Roman Catholic, Greek Orthodox and Protestant. These groups were represented by the Rev. Dr. J. W. Paterson of the city of Lachine and the Rev. W. Chas. Pelletier of Valleyfield, Que. The representations presented by them expressed gratitude to the Cercles Lacordaire and other Roman Catholic groups for the stand they have taken, and assure them of continuing co-operation in matters regarding this issue.

(a) The objective of legislation to control and regulate the liquor traffic should be to protect the health and welfare of all its citizens. Laws and regulations should be designed to discourage excessive consumption. In any public drinking outlet it should be the duty of the licensing body to scrutinize carefully the character and past performance of any person applying for a license at least annually. Public hearing should be held before the granting, suspension or revocation of any license. (b) An emphasis upon the observance of the Lord's Day, especially with no lengthening of the hours of sale on Sunday or any other day. (c) The non admission of young people where alcohol is served. Emphasis should be given to the education, especially for young people concerning the dangers of the use of alcohol. Gratitude was expressed for the opportunity given to submit presentations.

## LOSES HOUSE AND CONTENTS IN FIRE SATURDAY MORNING

Fire destroyed the house of Mr. Henry Smith, at his farm Back Ridge Road 3, on Saturday morning at about 10:30. It is believed the fire started from a defect in the electric wiring and it was not long before the whole building and contents had burned to the ground. Mr. Smith carried his wife out, who was sick in bed at the time and also got his daughter out.

He then tried to quell the flames. Neighbors arrived, but they were unable to do anything to save the house. The barn began to catch fire but this was quickly checked. A little insurance was carried but not enough to cover the loss. Mr. Smith is employed at Huntingdon Woolen Mills and has rented a house on a farm just outside of town for the time being. He will have to refurbish this house with everything and all will need clothes.

## Divers Search For Drowning Victim

Divers were used in the search for a youthful drowning victim, near Ormstown. Seven year old Joseph Pappi fell through the ice and drowned at 3:30 o'clock Saturday afternoon, about 2 1/2 miles above Ormstown on the

Chateauguy River. Three other children witnessed the drowning. A diver was called from Cornwall, Ont., and after searching for several hours failed to recover the youngster's body. Photo by Lynn Robb.

## Results O.H.S. Public Speaking

At the regular weekly Assembly in the Ormstown High School gymnasium, eliminations in the public speaking competition for Grades IV and V took place. The Assembly was in charge of Grade XI and conducted by Jane Cameron assisted by Raymond Craig. Six speakers from Grades IV and V were on the stage and were called upon by the Mistress of Ceremonies. Danny Cullen — "My Old Alarm Clock"; Dickie McGerrigle — "My Trip to Atlantic City"; Donald Sutton — "Television"; Dale Hutchin — "Retarded Children"; Evelyn Winter — "The Seeing-Eye Dog"; Margaret McCintock — "Easter on Skates". Mr. John Johnson, on behalf of the judges, congratulated the speakers and named the winners in the following order: 1. Danny Cullen 2. Dale Hutchin 3. Dickie McGerrigle. Danny Cullen will represent Ormstown High School in the Grades IV, and V. Class at the County finals in Huntingdon on Friday evening.

## Tribute To The Late W. A. Churchill

The Late Mr. W. A. Churchill ex-Mayor of the Township of Havelock ex-Warden of the County of Huntingdon. At the very outset of the March meeting of the Municipal Council of the Township of Havelock, Mayor Henri Turcot, much affected by the demise of his immediate predecessor, Mr. W. A. Churchill, which occurred on February 4, paid a high tribute to his memory, adding that he had been a leading and model citizen in the community and a very successful Mayor of the Township and Warden of the County of Huntingdon, whose indefatigable friendship he was proud to have enjoyed. The Mayor felt sure that Mr. Churchill's death was deeply regretted by all—his fellow citizens of Havelock, and his numerous friends throughout the County and neighbouring districts. He concluded by extending his condolence to Mr. and Mrs. Aaron Churchill and family.

## Barrie Memorial Women's Auxiliary Has Splendid Report At Its Annual Meeting

The Annual meeting of the Barrie Memorial Women's Auxiliary of the Hospital was held in the Hospital Board Room on Monday, Mar. 6, at 2 P.M. Mrs. W. O. McClintock, the President, conducting. Owing to unfavourable weather, the attendance was smaller than usual. A washer has been purchased by this Auxiliary for the Hospital and is being paid for in installments. The total price of the washer is \$3,335.00. Hospital Day is to be held in the Hospital, on May 12th, and the girls in the senior grades of the High Schools and Catholic Schools will be invited. The Membership Drive will be held May 1st-15th. We urge an increase in membership as the projects that we sponsor are very necessary for the Hospital. Please join us, and you will enjoy working for the Hospital through our Women's Auxiliary.

The Quebec Hospital Association annual Convention will be held in the Queen Elizabeth Hotel in Montreal, on April 18-21. The 20th of April will be the Women's Auxiliary of the Quebec Hospitals' Day. The Delegates from our Auxiliary will be Mrs. B. Brittain and Mrs. M. G. Barrington. The Observers will be Mrs. Adoris Beauchamp, Mrs. A. Beauchamp, Mrs. B. B. McCarty, Mrs. O. Goodall and Mrs. G. Roy, Howick. The Reports from the various Committees were as follows: REFRESHMENT COMMITTEE by Miss Mildred Hay — "Refreshment were served at the General and annual meetings. Sandwiches were made by this Committee for the Auxiliary Refreshment Tent at the Ormstown Exhibition last June." MEMBERSHIP DRIVE by Mrs. B. B. McCarty — "Aubrey, Howick and Riverfield, 280 members; Ormstown, 611 members; Life Members, 8; Total, 899 members." WAYS AND MEANS by Mrs. G. A. Cavers — "The Ways and Means Committee has raised funds by various ways. One of the projects was a Re-

freshment Tent at the Ormstown Exhibition, where sandwiches, coffee, hot dogs, ice cream and pies were sold. The Marathon—one in Franklin Centre and two in Ormstown were held. Tag Day was also held at Ormstown Exhibition. The Annual Supper and Bake Sale was held in McDougall Hall, last September 16th. A small drawing was also held at one of the General Meetings last October. Mrs. Wm. McEwen has greatly aided this Committee by selling articles, commission free; in her Shop. Total Amount raised by this Committee was \$1,629.88.

HOSPITALITY SHOP by Miss Marjorie Roy. — During the past year, the Hospitality Shop has been generously supported by members and friends of the Auxiliary and the Hospital. To the many volunteers who gave time in the Shop, and to all who contribute in any other way, we are deeply grateful. Do keep up the good work for we need everyone of you. It gives us encouragement to carry on and to help serve the Hospital. This committee raised \$1,200.00 net. SERVICE COMMITTEE by Mrs. G. Sutton — "The Christmas Tree in the Hospital Lobby was decorated by the French speaking members and was very attractive. The patients' trays were arranged in keeping with Christmas. Serviettes were supplied by the Auxiliary for the patients' trays at Christmas, Valentine Day, St. Patrick's, Easter and Thanksgiving. A small gift was given to each patient and the Hospital Staff members at Christmas. SEWING COMMITTEE by Miss Marion Swan — "We have not been so active this past year with Group meetings as the usual mending of gowns, sheets, etc., has been done by the ladies. We have 4 sewing machines, two of which are electric, 1,029 pieces of new material were made i.e. sheets, draw sheets, (Continued on page 13)

On Tuesday evening, March 14, saw some 65 interested farmers in attendance at the second session of the course when Mr. Roland Greenbank very ably chaired the session. Dr. Stepler of the Macdonald College staff, dealt thoroughly with the subject of nutrient requirements of plants; ways and means of determining fertility requirements, soil testing and a farm fertility program. In the factors affecting the yield, the speaker took into consideration Drainage, Soil Acidity, Preparation of Soil, Variety and Fertilizer.

Taking into consideration the various types of soil in the Chateauguy Valley, fertilizer trials in the Chateauguy Valley 1958-60 were reported. Necessary plant nutrient were taken into consideration and the sources of fertility were outlined. Hints were given to enable farmers to determine nutrient deficiencies and a soil testing program was suggested with the ultimate result of an improved yield. Courses continue this week on Tuesday and Thursday evenings on the subjects of "Get the Best From What You Have" and "Don't Let Your Cows Go Hungry."

## Good Attendance At Short Course In Agriculture At Ormstown

The course was made possible by the Ormstown Study Club in co-operation with Macdonald College, the Quebec Department of Agriculture, Farm Radio Forum, the Farmers' Association, the U.C.C., the Grange, Cattle Clubs and other local organizations. More than 50 people attended the opening session when Mr. Archie Finlayson acted as chairman. "A Need For Pedigrees" was the topic. Professor H. Kinck, Prof. J. Subar and Prof. H. Brown, all of Macdonald College, were on hand to discuss pedigree seed — what it is and what it has to offer. An enlightening discussion followed and refreshments were served.

## Sells Property Skips Country

Frit Van Hulst, of Beaver Road, Dundee, has left the country after disposing of 14 head of stock which were his property. Hulst rented the farm on which he has lived for the past three years from B. Leduc, Valleyfield, the owner. It was equipped and included the cattle. At the latter part of February, he sold the cattle at an auction sale in St. Chrysostome and with the money obtained from the sale, he and his family returned by plane to Holland, about March 1st. The furniture which was left in the house was seized. The man is said to have been heavily in debt and no doubt this was the reason for him doing what he did. Police are investigating to see what course of action, if any, can be followed.

## Postal Rates Across Border Rise July 1

OTTAWA — CP — Increases in postal rates on Canadian newspapers and magazines mailed to the United States were announced last week by Postmaster General William Hamilton. The increases become effective July 1. As an example, the rates for typical monthly publications mailed in Canada to the U.S. will increase a minimum of slightly more than eight cents from six cents. Mr. Hamilton said the new rates — also to apply on American publications mailed to Canada — will affect American publishers "far more extensively" than Canadian publishers because the volume of Canadian publications going to the U.S. is "vastly smaller" than the number of American publications entering Canada.

Three young richly bred Ayrshire bulls have recently been shipped to I.N.R.A., San Cristobal, Pinar de Ria, Cuba. These bulls were selected by Douglas A. Ness of R. Ness & Sons, Howick, Quebec. They will be used in an artificial insemination centre. The Cuban A. I. program is being expanded and these bulls were purchased primarily because of the large number of Ayrshire females that this firm has been importing from Canada the last three months.

The bulls are from the herds of R. R. Ness & Sons, Howick, Quebec; S. Wyman MacKechnie & Sons, Wyman, Quebec and H. Green & Son, Brantford, Ontario. The Ness bull is Burnside Scottie, Blend a ten month old son of Carnell Never Fear and Burnside Appreciation. The progeny of Carnell Never Fear have been noted prize winners as well as good producers. They won the Junior Get of Sire class at the Royal Winter Fair the past two years. Burnside Appreciation is classified Excellent and has several high records including 13,573 lbs. milk; 564 lbs. fat;

The Green bull is Sunny Acres Bouncer a 13 month old son of Sunny Acres Carrie's Burton and Bouncer's Betty. The sire is a son of the well known Glen Corner Carrie, Excellent, and a Grand Champion winner at the Western Ontario Championship Show. She has produced 120,763 lbs. milk; 5,083 lbs. fat; 421% in 3,400 days during 11 lactations. These bulls were shipped along with a group of Ayrshire females by trailer truck to West Palm Beach, Florida and from there by boat to Cuba. The entire journey from Howick, Quebec to Cuba takes five days.

**In Memoriam**

**HERDMAN** — In loving memory of a dear husband and dad, Sam, who passed away suddenly March 23rd, 1952 —  
 "We can never forget his smiling face  
 His carefree happy ways  
 The smile that won so many friends  
 In those bygone days  
 The flowers we lay upon his grave  
 May wither and decay  
 But the love for him who lies beneath  
 Will never fade away."  
 Always remembered by,  
 His Wife and Family.

**ROWE** — In loving memory of dear Pammie, who passed away on March 24th, 1954 —  
 "We know that when the mighty angles raise  
 Chorus in Heaven, one little silver tone  
 Is ours forever, that one little praise  
 One little happy voice is all our own."  
 Lovingly remembered by,  
 Mummy, Daddy,  
 Pat, Jimmy and Lynn.

 Honourable and upright in all her ways,  
 Loyal and true to the end of her days."  
 Ever remembered by,  
 Her husband Ernest.

**VANNS** — In loving memory of my dear Mother, who passed away March 24th, 1956 —  
 "The years are quickly passing,  
 Though still we can't forget,  
 For in the hearts that love her  
 Her memory lingers yet."  
 Daughter and Son-in-law,  
 Eleanor and Arthur.

**VANNS** — In loving memory of our dear Granny, who passed away March 24th, 1956 —  
 "Everyday in some small way,  
 Memories of you come our way,  
 Though absent you are ever near,  
 Still missed, still loved and ever dear."  
 Your Grandchildren and Great Grandchildren.

**ROWE** — In loving memory of Pamela, who passed away March 24th, 1954 —  
 "Every day in some small way  
 Memories of you come our way."

**It Is Easter Seal Time**

It is Easter Seal Time again and you will soon receive in the mail the familiar Pink Envelope in which you are asked to place your contribution. Members of the Huntingdon Rotary Club were busy on Monday at the regular meeting preparing the mailings for this drive. Forty-six hundred pieces were prepared and are now on their way to citizens in this area. The contributions go to a worthy cause—to help crippled children and we know you will want to do your part, so send your contribution by return.

**Parents' Day At Franklin School**

Friday, March 17th, was Parents' Day in the Franklin Intermediate School, and many parents and friends of the school were present at one-fifteen to hear the public speaking exercises. This contest is sponsored by the local Women's Institute. The judges were Mrs. Fred Elliott, Mrs. Norris Robb and Mrs. E. F. Drown.

The pupils from Grade One to Grade Ten participated and every speech showed the guidance and inspiration given by the teachers and the natural ability and diligence of the pupil. Last year the importance of speaking so that they could be heard clearly was emphasized and this year considerable improvement in this respect was noticed. The afternoon's program was greatly enjoyed.

Mrs. Drown announced the names of the winners in each section and Mrs. Howard Blair, President of the Women's Institute, presented the prizes.

One of the most majestic bridges in the world is the George Washington Bridge, over the Hudson River at New York. According to the Book of Knowledge its main span, completed in 1931, measures 3,500 feet. The bridge is supported by four cables suspended from two steel towers, each 588 feet high.

Stupendous Jump  
Amongst the aviation highlights mentioned in the Book of Knowledge is the record set in 1958 by John de Sails and Patrick Lowe in making a parachute jump of 56,000 feet.

Would you be surprised to learn that there is life comparable to ours on some other planet?

Cliff Sterling, 31 St. Francis Blvd., Chateaugay Gardens:

I think it is possible that some other planet may have some form of life, but not necessarily life as we know it.

Henry Lampitt, 44 Provost, Chateaugay Station:

I would not be surprised to know there is some form of life on other planets, but I do not think there is life as we know it on earth.

Shirley Taylor, 131 Trudeau, Beauharnois:

I would not be surprised at all. I think it is very difficult to say what type because we do not know if other planets are further advanced than we are, or not so far advanced.

Vic Welburn, Mountain Ave., Chateaugay Heights:

I would be surprised. I do not think conditions on other planets are favourable to support life such as we have on earth.

### Sox Hop.

There was really a record number of teenagers at the Sox-Hop Friday night, March 17th, and they were all apparently Irish, with everybody sporting some of their apparel in green. There were so many there that at times it was almost impossible to dance. Verville Hall was almost bursting at the seams. Bernie Keenan was really King for night with his silk top hat with a wide green ribbon bowled on with the bow at the front, and he also brought along his shillelagh. Sister Claire Kennan, not to be outdone by her brother, sported a lovely green skirt and blouse. Next Sox-Hop will be held next Friday, March 24th, instead of the 31st, as Good Friday falls on March 31st.

### Boy Scouts.

The Boy Scouts annual Fund Raising Campaign is in full swing, so be on the look-out for the canvassers and support this good cause. Mr. George Lord assisted by Mr. Eric Evans, Mr. Barry Wakefield, Mr. Tommy Leblanc and Mr. Gilles Cayer have completed their rounds in this area. Some folks were not contacted as they were out each time they were called upon but they may still place their donations with any of the above gentlemen.

### Street Lights.

Everyone pleased to see the street lights on again, having been off since the storm. No more tripping in the dark. Lights were restored Monday night, March 20th. Madeline Guthrie is really happy and wasted no time to call to tell us lights were back on.

### TRIPS.

Mrs. Rodrigue Bourcier has returned from her holidays. Accompanied by her niece Lise Bergevin of Athelstan. They had a wonderful two-week holiday at Miami Beach, Florida, staying at the Johnina Vacation Hotel. Mrs. Bourcier is so pleased with the coloured pictures she took in Miami.

Mrs. Madeline Hebert and her sister Adrienne travelled to North Bay, Ont. the weekend of March 11th, 12th, to visit their brother, Father Noury, who has been quite ill in St. Joseph's Hospital in North Bay. Both girls were exhausted when they returned finding it to be a long trip.

### West Ends Guests.

Lillian Svendsen entertained two of her girl friends, Margaret Endicott and Pat Nutt, both from Montreal. Everyone was half asleep on Sunday as the girls kept everyone awake until after 5 A.M. with their talking, laughing and joking.

Mr. and Mrs. George Neil and Mrs. Rodrigue Bourcier also entertained two of her girl friends, Margaret Endicott and Pat Nutt, both from Montreal. Everyone was half asleep on Sunday as the girls kept everyone awake until after 5 A.M. with their talking, laughing and joking.

Nice to have Henry and Pete Gilbert back from their holiday spent in South Carolina. It must be tough to leave 80 degrees and come back to the cold spell we are having.

We are bowling five weeks of play-off because our contract with the alley runs that long. If we don't use the alleys we still have to pay for the time.

Jo-Ann entertained Mollie's mother and sister, Mrs. Bell (Nanna) and Jessie Bell over the weekend of March 18th, 19th.

Mr. and Mrs. George Neil's son and family, Mr. and Mrs. Tommy Pinck and two sons were visitors on Saturday, March 18th. You can put your shawl away Grandma Mollie until the next visit.

### Accident.

Mr. Jean Svendsen suffered a painful cut on the back of her head when she hit her head on the corner of their overhead furnace. The cut required four stitches. Hope you're feeling better Jean.

### New Restaurant.

The Park residents will be pleased to know that we now have a Soda and Lunch Bar nearby. The new Soda Bar is on St. Jean Baptiste near St. Marguerite Blvd. in with the New Professional Pharmacy. It's called Dennis' Restaurant and they have 18 counter stools. Although they don't serve full course meals, they do have steaks; also there will be a special luncheon plate daily. An added feature is delivery service which all will be glad of, especially those evenings when a light lunch would taste so good but you don't feel like preparing it or going out to get something. Now all we have to do is pick up the phone and if their delivery is as fast as the Pharmacy there will be very little waiting. It's certainly great to have a lunch bar so near after having to go so far to the nearest restaurant. Hope you'll be with us a long, long time Dennis.

### Girl Guides.

The Ladies' Association of the 2nd Chateaugay Brownies and Girl Guides are holding their meeting Monday, March 27th. This will be especially interesting as Mrs. Joan Cooper, president of the Ladies' Association attended the District meeting in Valleyfield, March 11th, and has many things to discuss about the meeting.

### Movies.

Movies are held in the basement of the Marie Vianney Church every Saturday afternoon at 2.30 for the children at only fifteen cents each. One week there's a French movie, next week an English movie. This week the movie will be "Quo Vadis". "Quo Vadis" will also be shown at 8 P.M. for the entire family as well as at 2.30 P.M.

### Christening.

Baby son of Mr. and Mrs. A. Pidduck of Sunset St. was christened Kevin Pidduck recently in St. George's Anglican Church by Reverend Buck. The Godparents are Mr. and Mrs. F. Race.

### Get Well Wishes.

Get well wishes to Mrs. Kay Blozis who has been quite sick and miserable with an attack of Flu. Hope you are feeling better by now Kay.

Mr. George Lord also sick with the Flu, here's hoping he'll soon feel well again.

### Birthday Greetings.

Happy Birthday wishes for our boy with the curly hair, Ronnie Cardinal, who celebrated his 9th birthday Tuesday, March 14th. Vivian, Ronnie's little sister, told us Tuesday morning Auntie Annie was going to make Ronnie a big birthday cake.

Happy Birthday wishes to little Jo-Ann Hiseo who celebrated her 5th birthday Thursday, March 16th. Helping Jo-Ann celebrate from Montreal were her grandmother, Mrs. P. Belanger and two aunts, Mrs. P.

A great number of people lately have been complaining about our road conditions. After the last storm we had on Thursday the snow plow came once and only at 9.30 P.M. One neighbour brought to my attention the fact that last year during one of our more severe storms, the snow plow made seven trips, the first one at the early, early hour of 4.30 A.M. Last year everyone in the development thought this was much better than the city but now... Wonder what ever happened to the man we had last year.

Welcome to Chateaugay Mr. and Mrs. Tom Leahy. Mr. and Mrs. Leahy have taken up residence at 78 St. Francis Blvd. and the Leahy's have two boys, Tommy 4 and Danny 2. Mr. Leahy is an employee of the Western Products Co. and he is originally from St. John, N.B. Mrs. Leahy is a native of Brooklyn, New York. Mr. and Mrs. Leahy have been residents of the Montreal area for the past 10 years.

The Protestant Schools of Chateaugay have already finished their Easter Exams, a great relief to the majority of students.

A Teenage Dance was held on Friday evening, March 17th, at Verville Hall. A very good number of Teenagers turned up and a wonderful time was had by all. Mr. and Mrs. McKenzie were chaperons for the dance informed me that Bernie Kienan looked dashing in his top hat and other Irish regalia. Brian is Irish and has been living in Canada for the past few years.

The next dance will be held Friday, the 24th. There will be no dance on the 31st, that being Good Friday.

Another Teenage dance was held on Saturday evening at St. George's Church Hall with 59 teenagers attending. The teenagers enjoyed the Dance tremendously and it is hoped that in the future more dances will be held at the Church. Mr. and Mrs. Lunn of Chateaugay Heights were chaperons. Door prizes were given away.

St. George's Anglican Church will hold a dance on Saturday, April 15th. Refreshments will be served and entertainment in the form of a men's fashion show will be staged. Tickets available only in advance and they may be obtained by telephoning either Mr. Ted Spenser at OX. 2-8365 or Mrs. Chick Mizener at OX. 2-4813. Birthdays' March 12th. Belated birthday

Blaisebois and Miss Vi Belanger. Happy Birthday wishes for little Katharine Abbott who celebrated her 7th birthday Saturday, March 18th. Happy Birthday wishes extended to our good friend, Mrs. Joan Watson who celebrated her birthday, Sunday, March 19th.

## AT SPORTSMAN SHOW

Past footwork is the only way to stay dry when it comes to the traditional woodmen's sport of logrolling. Hank and Joe Peters, brother Miomac Indians, will display logrolling skills along with canoe tilting as a feature of the Montreal Sportsman's Show at the Show Mart from March 17th to 26th inclusive. Proceeds of this annual showcase for fishing, hunting and camping equipment, along with boats and motors, will be devoted by the joint sponsors, the Quebec Federation of Fish and Game Association and Montreal Anglers and Hunters Inc. to the cause of game conservation in the province.

Those old familiar smells we are losing in this modern age can now be replaced by industrial perfumers, states Reader's Digest. An odour like the "clean laundry smell" which comes from sun drying can now be metered into the bottom of the electric dryer. Nylon sails and fishnets can be treated to give the old tarred-hemp smell sailors love. An aroma to make imitation-leather smell like the genuine thing is also available. Even a used car can be made to smell like a new one by an odorant which gives a whiff of solvents, glues and plastics.

## CHATEAUGUAY VALLEY HOCKEY LEAGUE

(by CECIL O'CONNOR)  
Huntingdon Clydes won their second game of the finals Wednesday night, in Ormstown arena, giving this team a two - nothing game lead in the best of five, by defeating St. Antoine by a score of 6 - 2.

Both teams played a hard, well fought game with many nice passing plays. Galipeau, who was injured in the last game with Howick, was again replaced by Leduc.

Clydes took a 2-0 lead in the first period on goals by L'Heureux and Murphy. In the second period Laberge got the only goal of the period on a breakaway to beat Leduc. The third period started with both teams trying hard for the win. Pilon made the score 3-1 early in the period. Laberge scored less than two minutes later on a disputed goal to make the score 3-2. With less than seven minutes left in the game L'Heureux, with his second goal of the night, made the score 4-2. Lefebvre carrying the puck from one end of the rink to the other scored a beautiful goal. Alex David drilled a sizzler from the blue line to make the final count 6-2.

## Valleyfield

The Valleyfield Ladies' Curling Club held two friendly day bonspiels on Tuesday and Wednesday, March 14th and 15th, and teams from the following clubs were invited - Roxboro, Grey-stone, St. Anne's, Wentworth, Baie d'Urfe, Royal Montreal, Cornwall, Town of Mount Royal, Hudson, Outremont, St. Lambert, Heather, Montreal West, Caledonia, Alexandria, Pte. Claire, St. George's, Rosemere and Lachine.

Due to inclement weather, some of the above clubs were unable to come, but most of them made the trip and pleasant days were enjoyed by all. Mrs. S. Cooke, match convener, was in charge of the games, and Mrs. Buttress and Mrs. Bagnall were in charge of decorations which were carried out in the St. Patrick theme, the tea table being centred with a beautiful floral arrangement of spring flowers. The delicious refreshments were under the chaperonship of Mrs. O'Neill and her committee.

On both days, the President, Mrs. H. Dando welcomed the guests and presented the prizes to the following teams: St. Anne's, Cornwall, Alexandria and Caledonia.

The Ladies Aid of the Valleyfield Presbyterian Church held a St. Patrick's Day Tea on Thursday afternoon, March 16th. Mrs. J. C. Hood and Mrs. Duncan Ross, president, received at the door.

Mrs. Tom Clifford and Miss Annie J. Lowe poured tea. The decorations were in St. Patrick's theme.

There was a table of home cooking and the drawing, a lamp, was won by Mrs. J. Morin. There was a good attendance and the ladies were well pleased with the results of their efforts.

**Hydro Quebec Rally Held**  
At The Queen Elizabeth Hotel  
Mr. and Mrs. J. Daoust, Mr. and Mrs. L. Corriveau and Mr. and Mrs. E. Boy motored to Montreal for a chargeable accident. According to the Quebec Hydro 200,000 Mile Club. Mr. Boy also received a framed certificate, a cheque and a Safety Button.

The evening closed with a buffet supper.

The regular monthly meeting of the W.M.S. of the United Church was held on Thursday afternoon, March 16th, at the home of Mrs. R. D. McEachern, with Mrs. Tom Crook presiding, who opened the meeting with prayer. The Worship Service from the missionary Monthly was followed with Mrs. Spencer and Mrs. Hawkhurst taking part and Mrs. Wm. White read the Scripture. Excerpts from the Joint Annual Spring Conference of the W.A. and the W.M.S. which was held in the Town of Mount Royal United Church, on February 28, were read.

Mrs. Chas. Pelletier on Christian Citizenship.  
Mrs. R. D. McEachern on Mission Band and Baby Band.  
Mrs. Tom Crook on Supply Work.

Mrs. Cordy, Secretary's report.  
The collection was taken by Miss Johnson and Mrs. Crook dedicated it.

Mrs. Tom Hargrave read a very nice piece of poetry.  
Mrs. Crook gave the closing prayer.

Delicious refreshments were served by the hostess, Mrs. R. McEachern.

Mr. and Mrs. Lloyd White, Ronnie, Sandra and Wendy of Pierrefonds, were week-end guests of Mrs. W. A. White.

Mrs. F. G. Mills of Montreal is visiting Miss Anne Wilson for a few days.

**C.P.O.A. Hockey**  
The final for the Midgets and Pee Wee teams were played on Saturday and early Sunday morning at the Verdun auditorium. The first game was under way at 7 a.m. As quite a few parents will know, it was the only time that the boys were available to get there. It was reported that there was a good amount of parents for the second game that got underway at 8 a.m. The results of the games are as follows: 1st - Pee Wee League. At 7 a.m. Wild Cats defeated Paul Chartier's Demons by a score of 2 to 1 and from all reports a very good game. In the Midget section J. Riendeau's Jets defeated B. W. Hishire's Comers by a score of 10 to 4. Congratulations to the winners and also to the goalers and organizers of these leagues which come under the Sports Committee of the C.P.O.A.

And once again boys and girls don't forget the sports Rally this coming Saturday at Maple School from 10 a.m. to noon. Team trophies and individual trophies will be given out at this time as well as crests for all players.

**C.P.O.A. News.**  
Last week at the regular meeting, the guest speaker was Mr. R. Sauve, who gave an interesting talk on "Sand Lime Brick", this being the white brick that is being used on the bungalows that are being built on the development. It proved very educational for people that are just into new homes and he gave some good tips on how to maintain the bricks, and numerous other do's and don'ts that can be passed on to prospective members of our association.

Don't forget to do some serious thinking regarding the vote that will be taken next month on the C.P.O.A. property. A decision will have to be made as to whether it's a swimming pool, a building, or landscaping and grounds improvement, that will be started on. The Board or Trustees would like to get started on one of these projects and have put considerable time into each one and now are putting it up to the membership to decide so put a circle around April 20 on your calendar and come out and cast your vote.

**Financial Campaign For Red Cross In Chateauguy - - - March 26th - April 6th**

In the eyes of the world, the prestige of the Canadian Red Cross stands high. Our basic task is to maintain our essential services in Canada; in addition the society has played and is still playing a leading role in disaster areas that have occurred all over the world. Morocco - Agadir - floods in India - earthquakes in Chile, and last, but not least, the Congo.

The Canadian Red Cross provides so many services that it is no exaggeration to say that the individual is rare indeed who does not benefit in some way because the Red Cross is 'on the job': water safety, disasters, women's work, sickroom, loan service, veterans' services, international work, enquiry bureau and reunion of families, Red Cross outposts, Canadian Red Cross Corps, Home Nursing, Junior Red Cross and Free Blood Transfusion, the most important and the most costly service rendered by the Canadian Red Cross.

During March, Red Cross month in Canada, we are all asked to further our support when a Red Cross volunteer canvasser calls at our door.

Let us all help our Red Cross to continue its mission of mercy by giving to the best of our means.

For information and help in Chateauguy, call Mr. Henri LaBerge, OX. 2-8088, President of Financial Campaign, or Mr. Arthur Lefebvre, OX. 2-6518, Vice-President of Financial Campaign, or Mr. Philippe Berthault, OX. 2-6440, President of the local branch.

**Chateauguy River.**  
The river conditions at Chateauguy do not look too promising at the moment and there is much speculation around. Several serious jams occurred during a previous mild spell and it is feared another such mild period could bring the river to a dangerous level.

However we have been credibly informed that an amphibious jeep is presently on the way to relieve the situation. It will be used first to reopen the channel previously cut by Mr. Henri St. Marie and afterwards endeavor to smash a way through the remainder.

It is estimated that this remaining portion could be opened in about one week's time.

**Town of Chateauguy**  
For the second straight week we are pleased to report a trouble free period. No accidents, no serious crime.

Tenders to purchase \$894,000 worth of Debentures are to be opened at the Council Meeting called for Tuesday, March 21st.

The money will be used to defray the cost of the sewers and water, to which reference was made in 'The Gleaner' last week.

An automobile accident occurred on March 17th, 8:45 p.m. at English River, near Howick. Involved was a Chevrolet Coach, 1952, owned by Keith Morrison and driven by Donald Morrison aged 20, resident of Riverfield, County of Chateauguy.

The second car was a Pontiac, Sedan, 1956, owned and driven by Gerard Roy, aged 56, of Howick.

It was mentioned that the bad state of the roads could have contributed to the accident.

The last week of Lent is Holy Week. It begins with Palm Sunday, named for the palms that lined Christ's path as He made a triumphant entry into Jerusalem. The palms exhibited on this day are later burned and the ashes are used for Ash Wednesday of the following year.

Maundy Thursday commemorates the Last Supper and the time when Jesus washed the feet of His disciples as a token of brotherly love. At one time, the king or emperor of Austria, Russia, Portugal and Spain would wash the feet of 12 poor persons.

Good Friday is a day of mourning as the anniversary of Christ's death on the cross, while Holy Saturday is spent in anticipation. Then, at dawn, comes Easter Sunday and the happy celebration of the resurrection.

The day is also known as Pancake Day, and every year the women of Olney, England, and

**Preparing For Easter**

The Easter season actually opens weeks before the joyful Sunday that marks the resurrection.

On Ash Wednesday, many Christians begin a time of fast and prayer called Lent. The term comes from the Old English word *Lencten*, meaning springtime, according to Mrs. Francine Klagsbrun, religion editor of World Book Encyclopedia. **Dr. B. T. Rogers Addresses Kinsmen Club At Chateauguy**

Above shows Dr. B. T. Rogers, Regional Medical Director of the Bell Telephone Co., who was guest speaker at the Kinsmen's Club Luncheon, Wednesday Night.

**Alcoholism In Industry**

Alcohol is both an energy food and an anesthetic—it has tension-reducing properties that make it, in moderation, good for people," Dr. B. T. Rogers, regional medical director for the Eastern Region of the Bell Telephone Company of Canada, told the Kinsmen Club of Chateauguy Valley Wednesday evening March 15th, at the Chateauguy Hotel, speaking on "Industrial Health and Alcoholism" in connection with National Health Week. "But when drinking results in temporary or prolonged disturbances of physical, mental or social well-being we have alcoholism or 'problem drinking' and a man's work is materially reduced in efficiency," he added.

Dr. Rogers asserted that over two-thirds of our adult population

drink fortunately most of them in moderation but about three per cent of them become problem drinkers and it is estimated that there are about 200,000 problem drinkers. He summarized the characteristics of alcoholics as follows: (1) They seem to be, for the most part, relatively ordinary people who for some reason, not too well understood, drink too much, and tend to 'guzzle' their drinks at parties and appear on the job with a hangover, and they tend to have blackouts. (2) The alcoholic loses three times as many manhours charged to illness or disciplinary time as the other employees; (3) His absenteeism and his tardiness reduce his productivity, interrupt work schedules and lower morale; (4) He is an accident hazard; (5) His expectancy of life is reduced; (6) Alcoholics drink to get drunk. They apparently cannot ever drink in a socially acceptable manner once the problem has developed.

Dr. Rogers said in most other respects one could not generalize. Some were clever, some borderline, some healthy, others delicate. In regard to personality some were seclusive, some gregarious, some energetic, some lazy, some successful, some unsuccessful. Some investigators felt that in the personality field the alcoholic tended to be somewhat immature and tended to be more prone to give up the struggle to which man is inevitably exposed.

Industry's real problem, said the speaker, is loss of effective man hours of work, estimated at nearly two million working days lost per year. The attitude towards this tremendous problem is changing, and quoted one company's program that recognized problem drinking as a health problem, and each case of incipient or suspected alcoholism was encouraged to seek adequate medical investigation and advice without delay. Where possible final disciplinary action in cases of alcoholism were delayed until health factors had been adequately reviewed and treatment undertaken without success. With this type of philosophy and the supervisor having a clearer concept of how to recognize the problem there had resulted a salvage of 50 per cent in one company.

**JULIUS RICHARDSON BOOK FAIR**

The Book Fair which was held last Wednesday at Julius Richardson School was very successful with more than 100 parents showing an active interest in this project. Later that same evening, Dr. A. J. Kirshner, prominent specialist in remedial reading and eye exercises gave an extremely interesting talk, which covered numerous topics. Dr. Kirshner illustrated his talk with slides and offered any assistance to teachers who had problems of this type. Dr. Kirshner pointed out that if a child has a reading problem it is up to the parents to first see that the child's eyes are examined to make sure there is nothing wrong with his vision. Parents were invited to ask questions and a very lively question and answer period took place. The speaker was introduced by Mr. J. Fleming, Programme Chairman, and thanked by the President of the Home and School Association, Mr. K. Smith.

**Elders Ordained At Maplewood Presbyterian**

Sunday, March 19th, marked another milestone in the history of Maplewood Presbyterian Church in Chateauguy, when three Elders were ordained and admitted to their offices Messrs. Theo. C. Black, Russell A. Griffiths and R. Gerald McKee were elected by the congregation to the Kirk Session recently. The Service was conducted by the Rev. John Allan, Guest preacher for the special service was the Rev. G. C. Dalzell of St. Andrew's Church, St. Lambert, Quebec, Mr. Dalzell is Convener of the Church Extension Committee of the Presbytery of Montreal, which committee has provided much of the guidance in the establishment of Maplewood Congregation.

Mr. Dalzell spoke on the subject "The Elders and the People", briefly discussing the charge to the elders and the responsibility of the congregation to its elders.

Mr. Allan paid tribute to the members of St. Edward's Presbyterian Church, in Beauharnois, for the leadership they have provided towards the development of the Chateauguy Congregation, and especially to the members of the Interim Session, Messrs. I. M. Anderson, Wm. Kilgour, E. W. Hyslop, W. M. Berry and H. Burch.

Following the Service of Ordination the Rev. John Allan entertained the Elders and their wives at the Manse.

**Children Present Irish Concert**

To mark the feast-day of Reverend Father Desirée Beaulieu, pastor of Christ the King Church, the pupils of St. Willibrod's school, Chateauguy Basin, with the whole-hearted co-operation of their teachers, presented an Irish concert.

An address of homage and congratulation was read and a gift, a token of the affection and esteem in which Father Desirée is held by adults and children alike was presented.

The presentation and concert were held in the gymnasium of the XII school on Thursday afternoon, March 16th before an enthusiastic audience of parents, friends and teachers.

The delightful costumes for the concert were made by the children themselves.

Everyone associated with these children can be very proud of the way in which they conducted themselves.

**Children's Fashion Show And Tea Very Enjoyable**

(By Kathleen M. Cowper.)

Friday evening, St. George's Anglican Church Hall was the scene of a very pretty Fashion Show. This time it was the children's turn and they did a very good job too. Some of the little models were a bit shy and didn't do just all they were supposed to do at all times, but nobody minded too much, unless of course, the Mothers who had hoped for perfection. Give these little ladies a few years and they'll be real professionals. Those bright lights are a little frightening when you step out first aren't they?

Fashions came from Royal Children's Wear of Ville LaSalle. Delicious refreshments were served during the show by the ladies of St. George's Church.

Door Prizes were drawn for during intermission. Quite a number of children won prizes, much to their delight.

Much credit should go to Mrs. Helen Walker for her job of arranging, dressing and undressing behind the scenes. This certainly wasn't an easy job when for scratches on nose, forehead and knees by Drs. Hebert and Seguin. The ambulance went to the scene for the injured, Mr. Thiboutot and Mr. Cadioux. Mr. Albert Cadioux died soon after his admission to the hospital, at about 1:25 a.m. from an open skull fracture, numerous broken ribs and chest injuries.

The police, R. C. Tessier, R. Fortier and W. Thibert, reported that the involved cars came from opposite sides of Victoria Street and that the collision was head-on. The car of the victim turned upside-down. Mr. Thiboutot is being kept at the hospital. A Coroner's enquiry will take place as soon as Mr. Thiboutot will be able to attend. Mr. Gauthier will conduct it.

**A TAX COLLECTOR LAUGHS**  
I find nothing funny about taxes. I firmly believe that unless there are large reductions in Canadian tax rates, our price structure is going to mount so high that consumers both at home and abroad will turn their backs on Canadian products. So the fact that our chief tax collector, the Honourable George C. Nowlan, was able to get a tummy chuckle out of me ought to put him a notch above Jack Benny.

Mr. Nowlan told of writing to a taxpayer in the Province of Quebec to ask him what was the length of his residence there. He replied saying that he was at a loss to understand why they required such information

and what the blank business it was of theirs as to the length of his residence, but if they had to have it, he would inform them that it was forty-two feet long.

He told, too, of one male taxpayer who listed himself as single in his return, but made a deduction for a dependent infant son. The assessor wrote him and said he presumed this was due to a stenographer's error. The taxpayer simply returned the Department's letter with the notation, "It sure was."

Mr. Nowlan also passed along a tip to smugglers who try to avoid customs duties at the border. He said, "Look the Officer straight in the eye, smile, be nonchalant, and for heaven's sake, stop putting that match in your mouth and trying to light it with your cigarette."

Those were the lokes.

The rest of Mr. Nowlan's talk was not funny. He told how Government spending has risen from \$208 million to over \$6 billion since 1914. He pointed out that the expenditure of public monies on the Canadian Broadcasting Corporation alone last year was more than one-quarter of the total Government expenditures in 1914. He said that from the income-earning portion of the mere 18 million people in Canada, the department had to collect over \$3 billion in income taxes last year. On top of that they took in over \$2 billion in customs duties and excise taxes. "That is too large an amount for most of us to comprehend," he stated in a masterly understatement. He broke it down for us. It means that the cash registers of the National Revenue Department ring up \$2,830,814 every hour of a working day, and this goes on the whole year through.

Did he give any hope of a tax cut?

No ma'am. He said, "With the fixed charges and statutory enactments with which we are confronted, the tax collector has to work very hard in order to supply the Minister of Finance with the monies which he requires."

**Historical Notes Gleaned From "Sellar's" History**

It will be recalled that when the Canadians surrounded the house of John McDonald, he told his servant to hide himself and to take the first opportunity of fleeing to Beauharnois to give the alarm to Colonel Brown. This the young man, Bean, did, for so soon as the rebels had left, he slipped out to the stable, saddled a horse and struck out for Beauharnois. By riding hard, he entered that town by midnight, and drew rein at the door of John Ross, the leading storekeeper, to enquire where he would find Brown. He was told, and was turning his horse's head, when curiosity caused Mr Ross to ask the object of his errand at so late an hour, when he told him of the events at Chateauguay — of the Canadians having risen in arms and of McDonald's being taken prisoner, and then hastened on Mr Ross, who was captain of the volunteer company, at once dressed and proceeded to warn his men to get under arms. On Bean's rousing Col. Brown, he received his story with incredulity, until, on cross-questioning, he found that it was too true, when he hastened to the mansion-house to warn Mr Ellice, and then went to Mr Ross's to get out the volunteers, and was gratified to find that already a dozen had assembled. The astonishment of the group in Ross's store is not to be described. Of all events, a second rebellion was the most unlooked for by them. Living in the heart of a French population they had not detected a sign of preparation, and even yet thought that Bean must have misapprehended what had passed at McDonald's house. Only one of them, John Bryson, had no doubts on the subject. He told how, that evening, he had gone to pay an account to a French Canadian, when a dispute arose, during which the man exclaimed to him, "In two or three hours see what will happen to you damned English." He did not understand then what he meant, but

towards the house of Ross the other to that of David Norman, a storekeeper, who was quartermaster of the volunteer company and kept their arms. Norman had been notified by Ross of the rising, and as the rebels went along the street they met him while hurrying from house to house rousing the members of the company. He was seized and taken to his store and ordered to open the door. He refused, and, despite threats of immediate death, persisted in refusing, whereupon the door was burst in and the muskets together with a barrel of powder taken possession of. The moment the men left Prevost's, the village suddenly burst into life. Every window was lighted and men, women, and children filled the streets, excitedly shouting and running hither and thither. The houses of nearly all the English-speaking residents were entered and the men made prisoners, among others those of Duncan the baker and of Robert Wilson, carpenter. The party detailed to go to Ross's store met on the way Robert Finney, whom they took prisoner. They had scarcely done so, when several volunteers appeared, whereon the rebels fled, except one, who fell on his knees and begged for mercy. In another part of the village, a volunteer, Robt. Johnson, stopped a man on horseback, and made him prisoner. He proved to be Louis Dumouchel, a tavern-keeper of Ste. Martine. While detaining him until assistance should arrive, Dumouchel took advantage of his captor's attention being momentarily distracted, to put spurs to his horse and gallop yelling up the hill, when he was answered by a chorus of shouts, which was the first intimation the volunteers had of the force at the Catholic church, and Brown and Ross at once decided that it was necessary they should advance with the few men they had and cover the entrance to the seigniory-house. This was done, and the men formed in line at the gateway. Hardly had they done so when, through the darkness of that stormy night, the Canadians, with a tremendous yell, came rushing down the hill and across the open field at the foot of it, the voice of their leader, Joseph Dumouchel, shouting "Ho, my comrades: forward!" and firing their guns. Colonel Brown was shot in the thumb, but no one else was hurt, the Canadians having aimed too high. Firing a few ineffective shots, the volunteers ran into the house, where they found Mr Ellice helping the ladies into the cellar. Colonel Brown told him there was no use in resisting, and counseled surrendering on the best terms they could. The cowardly advice was assented to by Ellice, and the Canadians were admitted on promising to respect the ladies. They rushed in, when the few volunteers, some 10 or 12, handed them their muskets. Brown asked what they meant by such conduct, when he received a hurricane of answers from the excited crowd who swarmed everywhere. "We have suffered long enough," the Canadians must have their rights," and "we want the country for ourselves." The premises were searched, and 11 barrels of cartridges and some dozen muskets were

found, at which the rebels were much disappointed, for they had believed from Colonel Brown's having been entrusted by the government with the distribution of arms for the district, that several hundred muskets and three cannon were stored on the premises. The Canadians were hide themselves with joy over their success, and confidently expressed their belief that the province was theirs. So well-informed a man as Dr Brienne said 6000 Americans were to have crossed the frontier that night, but his followers declared the number was 30,000, and that they would have to pay no more seigniorial-rents and dues and no more tithes; all their American allies had asked was that they make way for them and they would do the rest.

I wish to take this opportunity of thanking everyone for their kind offers of help, cards of sympathy and words of comfort which I received last week when my sister met with a fatal tragic accident.

Next week I will have my usual column, so please help me by calling OX 2-6190.

**CORRESPONDENT DECEASED**  
Many who read of the tragedy which struck at the Victor Baker home in N.D.G. on Tuesday, March 14th, will be saddened to hear that Mrs. Baker was a sister of our West End Correspondent, Mrs. Ken Smeali. Mrs. Baker was run down by a truck while walking along a sidewalk at Cote St. Luc Road and Girouard Avenue.

Mr. Baker, who had suffered the bereavement of his Mother just 12 hours previously was summoned from the funeral parlor to the Queen Elizabeth Hospital to find that his wife, Dorothy had succumbed to injuries received in the accident.

Friends and neighbours of West End extend heartfelt sympathy in which we join.

Birthday wishes go out to Paul Best who celebrated his 15th birthday on Sunday, March 18. Happy Birthday Paul.

J. B. and B. A. have been seeing a lot of each other. Didn't waste any time eh J. B.

Seems T. M. and S. S. have been trying to take a holiday from Boys. How long will it last, girls? Not for long, I'm sure.

Sharon Lesk from Point St. Charles was visiting Louise Duff over the week-end. Enjoy your stay, Sharon?

R. L.'s holiday from girls didn't last too long as he is now hooked with C. K. Got the two books R. L.?

P. S. and T. R. have been seeing a lot of each other. Guess it must be spring.

J. B. was seen dancing at the Sox-Hop on Friday. Way to go John.

L. A. has been seen with a new hair cut. Real cool chick.

Lynn George took a trip to Saranac Lake on Saturday, to visit her relatives. Enjoy your trip, Lynn?

S. S. and C. S. have been seeing a lot of each other ever since C. S. moved in. Fast work, boy.

Sorry to hear that Willy Nictof was sick over the week-end. Hope you're better now Will.

P. V. can't see to make up her mind. Decisions, Decisions.

Seems a lot of kids from Chateauguay are taking advantage of the free bus service into Ville LaSalle as quite a number were there last Thursday.

Al Barnett and Wayne Fountain went in to see the Sportsman Show on Sunday. How was it, guys?

Well that's all for this week but remember I still have a phone so let's use it. How about it?

**Letter To The Editor**

Chateauguay Parent-Teacher Association  
March 18, 1961.

The Editor, Chateauguay Gleaner, Huntingdon, Que.  
Dear Sir:

English speaking Catholics of Chateauguay have recently received a severe blow to their hopes for Centralized School in 1961. After much public discussion of the agreement and after the Superintendent of Education fostered the venture, the Chateauguay Centre School Commission withdrew its support on the grounds the expense would be too great. Also mentioned was the fact that the "Spirit" of Collaboration from the town Commission was wanting.

English Catholic Education will continue to lack centralized direction and stability. It will be almost impossible to maintain proper High School facilities under the present duplication of Catholic Commissions.

The Quebec Education Authorities have emphatically stated that they desire Centralization of Schools and Amalgamation of Commissions. They have refused grants to support High School Classes representing only a portion of the Students in the district.

The Parent-Teacher Association will consider this problem at their meeting in St. Willibrod School on March 28, 1961.

Yours truly,  
William L. Ryan, Pres. Parent-Teacher Association

**Dances**  
This week-end has really been a good one for dances because there were three of them.

On Friday night, a Sox Hop was held at Verville Hall, and as usual it was a great success. A large number attended and they really had the place rocking. There was only one Spot Dance and it was won by Judy Brice and Bruce Appleton. Nice going, kids. The next Sox Hop will be held on Friday, March 25, so let's see a good turn out.

On Saturday night two dances were held, one at St. George's Church and one at the C.A.C.

The dance at St. George's Church was the first of what we hope, will be many ventures to help the young people of Chateauguay have a good time. This dance was a great success and we hope that there will be many more like it in the future. We also wish to thank Mr. and Mrs. Lunn, who chaperoned the dance.

The dance at the C. A. C. was a great success and everyone who attended had a wonderful time. For further info see C.A.C. news.

#### CHURCH NEWS.

On Sunday, March 19th, the Associated Sunday School of St. George's Anglican Church was held at 111, Hillsdale Drive at 11:00 a.m. Thirty-One Children were in attendance. Mr. Fred Lunn came along this week to show the children the coloured film on the Story of Jesus, The Crucifixion. Children of all ages are welcome.

The first meeting of the Junior A.Y.P.A. of St. George's Anglican Church, will be held at the Church Hall, on Friday, March 24th, for the 12 - 14 age group. A future and interesting program has been planned. For further information telephone Mr. and Mrs. F. Lunn OX 2-4372. Come One, Come All, to the Sale of Chateauguay United Church, Parkview Blvd., on Saturday, March 25th, at 2:00 p.m. Stalls will consist of New Objects, White Elephant, used Toys, and nearly New Objects, Candy, Fish Pond, Door Prize and Tea will be served.

**DANCE.**  
The Dance for the Teen-Agers, which was held at St. George's Church Hall, on Saturday, March 18th, went off well. We hear the music was quite satisfactory. Due to the success of this dance, it is expected that further dances will be held.

The Girl Guides and Brownies Association of Parkview, Prudential and Chateauguay Park, have formed a committee in which the following ladies have been nominated Mrs. Bushie, President, Mrs. J. King, Vice President, Mrs. C. Willis, Secretary, Mrs. C. Moore, Treasurer, Mrs. Watson, Camp Convener, and Mrs. E. Wager, Badge Secretary. Anyone interested in this Association, kindly get in touch with Mrs. J. Bushie, OX 2-2419.

There will also be a Social Evening held on April 19th, so watch this column for further details on this matter.

#### BIRTHDAYS.

MARCH 17th. Happy Birthday is wished to Lynne Baxter 109, Hillsdale Dr. who celebrated her ninth birthday on St. Patrick's Day. A party was held for her and her friends on Saturday afternoon, in which everyone enjoyed themselves.

MARCH 22nd. Happy Birthday to little Tod King of Goyer who will celebrate his third birthday on Wednesday.

MARCH 23rd. Happy Birthday goes out to Pat Deacaen who will celebrate his ninth birthday on Thursday. From his little friends.

MARCH 23rd. A very Happy Birthday is wished to Mrs. F. Moore of 117, Elgin Dr. who will celebrate on Thursday.

MARCH 26th. Will be the Happy Birthday for Linda Moore of 117, Elgin Dr. who will be celebrating her twelfth birthday on Sunday (This being Palm Sunday). Many Happy Returns Linda.

**BABY SHOWER.**  
A Baby Shower was held at the home of Mrs. R. King 113 Leduc, for Mrs. Simpson 118 Elgin, at which twenty guests attended. Everyone enjoyed a very pleasant evening.

**THANK YOU.**  
Mrs. L. King, 118 Elgin Dr. wishes to Thank all her friends and neighbours for the Baby Shower.

**CHRISTENING.**  
On Sunday, March 19th, at the St. Jean Baptiste Maria Vianny Church at 3:00 p.m. the infant daughter of Mr and Mrs J. Mutch, 69 Sherwood Crescent, was christened Barbara Ellen. Godmother was Mrs. Ellen Sand-liss of Baltimore, Maryland, who was represented by Mrs. Roy Lawrence and Godfather Norman Mutch. A reception was held afterwards at the home of Mr and Mrs J. Mutch for family and friends.

**GUESTS.**  
Mr. and Mrs. J. Roberts, 115 St. Aubin, entertained friends from England over the weekend.

**CLUB.**  
A Knitting Club has been formed at the home of Mrs. M. Kuehling, 128 Parkview Blvd., by a few neighbours and friends. This week the gathering will be held at the home of Mrs. G. Deacaen, 119 Hillsdale Dr.

**Legion News**  
(by Mrs. Mildred McCutcheon)

The Chateauguay Legion sponsored Thursday afternoon retired businessmen's club is gradually adding to its numbers. Last week members were very pleased to welcome Cde. C. A. (Bill) Smith to the fold. It was Bill's first outing since returning home from a lengthy stay in hospital.

A special executive meeting of Branch 108 was held Thursday evening, March 16th, for the purpose of furthering several outstanding items.

The present building is barely adequate to accommodate the present membership and with an expected increase from the several new surrounding communities, plans to erect a new building are under consideration. Cde. Herry Robinson was appointed Ways and Means committee chairman. His initial duties will be to find land available in a suitable location also sketches and particulars of various type buildings.

A very successful and enjoyable St. Patrick's Dance was held at Branch 108, Saturday, March 18th. Comrade Mark Snow, entertainment chairman, with his hard working committee produced a smooth running, well organized event.

On Sunday, the Officers and Legion Comrades of Branch 108 totaling about 60 turned out to pay tribute, and mourn the loss of their Comrade Carl J. MacDonald.

A short impressive tribute service was held at the Fetterly funeral parlour. Comrade H. Grimes read a prayer, poppies were placed on the casket by Sergeant at Arms Geo. Oliver, then the President Geo. Johnston recited that well known section of the Legion Ritual:

"They shall not grow old, as we that are left grow old. Age shall not weary them, nor the years condemn. At the going down of the sun, and in the morning, and we will remember them."

The service closed with a prayer and benediction by The Rev. D. S. Brooker, padre of the branch.

Miss Anabelle Enright, Desrochers Ave., was hostess at a St. Patrick's bridge at her home, on Friday evening, March 17th.

Anyone in the Station area, desirous of obtaining tickets for the Congregational Dinner of St. Andrew's United Church, to be held in the Memorial Hall, on Friday, March 24th, at 6:30 p.m. may do so by calling Mrs. Roy MacGregor, 37 Riverside Drive at OX. 2-6055.

Mrs. E. J. Gilbert, (Hank) was guest of honor at a luncheon-bridge given by Mrs. C. McGlashan, Crepin Ave., on Tuesday, March 21st.

Mrs. J. Stafford (Nell) Desrochers Ave., spent a very happy day amongst family and friends and was the recipient of many beautiful gifts on the occasion of her (397) birthday, recently. Many happy returns of the day, Nell.

Mrs. J. Johnson (Marge), St. John Blvd., is a patient in the Montreal General Hospital, where she has undergone surgery. Best wishes from everyone, Marge.

Miss Jean MacDonald of Montreal, is the house guest of Miss

Mabel Horswell, Taylor Ave., Jean is convalescing after a recent serious illness, and it is the hope of all her friends that she will be restored to full health soon.

At a recent meeting of "The Association of English Speaking Catholics of Chateauguay" Mr. Paul Hutchinson was appointed Secretary, and Mrs. K. Johannesson, Recording Secretary. With regard to the association we will try to keep you informed, but it must be understood that at the out-set of such an undertaking, progress must of necessity be a long slow process, so please bear with us.

Among the other ladies present were Mrs. Bonnell of St. Lambert, Mrs. Jessie Gilmour of Montreal and Mrs. F. Ritchie, Mrs. Duro Collins, Mrs. T. Braidwood, Mrs. George Horsnell, Miss Ann Smith all of Chateauguay.

Miss Dorothea Chidley, Desrochers Ave., was hostess at a St. Patrick's dinner and bridge at her home on Saturday evening, March 18th.

Just two incidents to illustrate the fact that people are not as careless of the happiness and well-being of others as we would be led to believe.  
Mr. Alec McCabe, St. John Blvd., who is a patient in the Montreal General Hospital, received a card signed by the passengers of the bus, who habitually travel with him on their way to work, wishing him a speedy recovery. A small thing, perhaps but one that Alec will remember with warmth for a lifetime.

Again, Mr. Maurice Bougie, caretaker of Notre Dame de l'Assomption school, on the night of the big snow storm, shovelled the pathway of his good neighbors, Mr. and Mrs. Joe Stafford, Desrochers Ave.

About midnight, Nell heard a noise outside the door and upon investigation discovered Mr. Bougie clearing away the snow.

As the pathway is about fifty-feet long, it was no small chore. On completion of the work, Joe tried to remunerate Mr. Bougie for his services, but was refused.

Nell and Joe telephoned your correspondent, hoping through the medium of this column to express their thanks and at the same time point-up the goodness of heart of others.

We would do well to emulate the thoughtfulness and kindness of these neighbours instead of looking for faults, a human faculty we all share.

People are not so bad after all.

A certain number of people have phoned me and have asked me what kind of club the C.A.C. was. Mainly it is a paddling club, but this year Kevin Duffy tried out something new in keeping it open in the winter so that the young 'uns will have a place to come and dance. This proved very successful. In the summer the Club is open every night, and the boys turn from dancing to paddling.

**St. Patrick's Dance**  
A St. Patrick's Dance was held at the Club on Saturday night and all in all it was a success. A good number showed up and we had a lot of fun. The decorations which consisted of shamrocks and ribbons were put up by Mickey Lang and Mary Lee. The chaperones were Mickey Lang and Mary Lee.

**Visitors**  
Glad to see Norma Pringle, Paul Downing and Tony Brice down at the Club Saturday and Sunday. Hope you people are going to join Sharon Lusk, our old friend from Pointe Ste. Charles was down at the Club, Friday, Saturday and Sunday. Glad to see you again.

## Let's Not Tax Ourselves Out

There are times to tax and there are times not to tax—this is no time for increased taxation or for new taxes. We are in the throes of a recession and Quebec is more involved outside of Ontario than any other Province in Canada. We must get along for the time being on what we now receive.

Youth Minister Paul-Gerin Lejoie has announced that educational reforms must be instituted at once and not wait for a Royal Commission. He intends to put some plans into operation in a short time. It is obvious that what he proposes will cost the taxpayer more if not immediately, then in the very near future. More schools are still needed and the school boards find it hard to keep up with the costs. The government intends to help those in need. Children will have to attend school until they are 16 and free books are to be supplied to junior matriculation, among other things.

Now, The Federation of Catholic School Commissions, has come up with a plan to increase the basic Sales Tax to 4%, in most cases it is now 2%, but in some other places like Montreal, it is much higher. It will not be hard to see that the tax would be doubled at least, and what is more important, it would increase the retail prices of all taxable commodities, which includes cars. Furthermore being a Provincial tax, it would apply only to this Province. One could step into the next Province and buy cheaper. Just take a thought and imagine what that is going to do to business.

We have an example of how the lowering of the exemptions on the Provincial Income Tax is going to affect us. Those who will be making their income tax returns in April 1962, for 1961 return will know how this will affect them at that time. Many will be paying the Provincial Income Tax for the first time, while others will be paying increased taxes. It is hardly likely the citizens of Quebec will take

kindly to any further means of taxing them still more and especially at this time.

We are all conscious that education is a very necessary item and we want our children to have the best they can get. However, there is a time and place for everything. We are trying to overcome the conditions of unemployment and to raise taxes which in the end means to raise prices of all goods, is no way to a solution. In fact, if we continue at the rate we are going, we are going to send our present industries into other Provinces so they may escape excessive taxation and their employees have more take home pay. Car sales are already in a slump, if the sales tax is doubled, then these sales will suffer still more, or people will go to Ontario to make their deals. On a \$3,000 car, the sales tax instead of being \$60, it would be \$120. It is double taxation in any case, the same as that of Income Tax, for a Federal Sales Tax has already been charged before the Provincial tax is levied. This same applies to all articles which would come under the Provincial levy.

The Government needs to weigh these proposals very carefully before passing on anything that raises the cost of living and the cost of doing business. This is no time to be thinking in terms of higher costs in order to make the public think that a grand job is being done for it. The public knows that it cannot get something for nothing now, and it would rather do without many things than just see the chances as they are. The lowering of the exemptions in the Income Tax will lower the take home pay of nearly all workers, some of them will pay the Provincial Tax for the first time, and it will leave a bad taste. Others will be paying an increase which they will not take too kindly to.

The one has already been thrust upon us, let's not make the situation worse by inflicting more punishment that may be a deterrent to the general welfare of this Province.

## Africa And Commonwealth

A number of years ago now, the British Empire as it was known, began to fall apart as such and in due time became to be known as the Commonwealth of Nations. This came about through the various possessions of the British Empire seeking their own rule and rights as separate identities of their own national status. A great deal of this took place during the rule of the Labor Government of Great Britain, or the United Kingdom. The first great break came with part of Ireland, later to be known as the Irish Free State, seeking home rule and obtaining it. For years this section sought home rule and there were continual clashes of one sort and another between the two sections of Ireland and Britain. Actually, Ireland as it was, fared much better as part of the British Empire because it gained many concessions that were lost when it became a republic. It did not even choose to be a member of the Commonwealth and during the second world war was neutral right through. Before this, all Irish men had fought with other British Armed forces and recorded a great name for themselves in history.

As time went on, India and other nearby countries decided to seek home rule and they obtained it. However, they decided to stay in the Commonwealth of Nations and enjoy the privileges which accrued from being within the British family.

As the news will have told all by now, Africa has decided to seek resort to setting up a republic of its own. It however desires to be outside the Commonwealth of Nations. This is due to the fact that agreement could not be reached at the recent meeting of Prime Ministers of the Commonwealth in London, to reconcile the policies of the African Prime Minister, Hendrik Verwoerd, to those in general of the Commonwealth of Nations. The principal trouble being the racial distinction which is being brought about in South Africa through the apartheid system.

The implications of this move cannot be clearly seen at this point and it may be many years before this is so. That it is a serious move for those people in South Africa concerned and those who call South Africa their home, is beyond a doubt. It will mean that when the move is actually brought into being, those people who enjoyed a British status and British protection, will be classed as foreigners and people outside of South African status will be aliens. Trade barriers will also come about, by way of duties on goods exported and imported, whereas before such goods were subject to special preferences under the Commonwealth agreements. South Africa has enjoyed beneficial trade relations with Great Britain and had a large market in that country. By setting herself outside this area, there is no doubt there will be a great falling off of her trade with Great Britain.

It may be that other countries of the Commonwealth will stand to gain by this break, as happened in the case of the Irish Free State. There will no longer be help from Britain for Africa when she is in need and she will have to seek help from other sources. Britain in the years past provided much capital and assistance in other ways to make South Africa what it is today. Greater education has brought much of the changes as they are today and Britain in the case of South Africa has had much to do with the natives gaining this education. Nothing has been done to hold the country back, everything has been done to make it advance and become a factor in the world. That it has forged ahead is proven by the place South Africa holds in the affairs of the world.

We can only watch the events as they take place and after what happens in May, when South Africa will seek to become a republic and manage its own affairs without any other help.

It will mean a great loss to the Commonwealth and a great loss to South Africa.

## Is Another Election Due?

When the present Liberal Government of the Province of Quebec was elected last June, it was by a very slim margin and it was reckoned at that time that it would not be too long before another election would have to be called. However, as the new Government settled down to business, this idea changed and it was felt that they would run along for at least two years before going to the people.

Toward the end of last week, Premier Lesage, angered at the taunting of the Opposition, made a statement that if such continued he would not hesitate to call an election. As the Union Nationale Party now stands, it does not have a Leader and Premier Lesage threatened he would call an election before they had a chance to choose one. There is no doubt that this could prove embarrassing to the Opposition Party, but under such circumstances, no doubt they would not lose any time in choosing a Leader.

If an election should be called, we would not want to make a prediction as to the possible outcome after the smoke of battle had died down and the results were tabulated. We believe it would be one of the most hotly contested of any in this Province for many years. There has been much of controversial nature over the past few weeks and the electorate has not just swallowed it all, hook, line and sinker. Many parts of the Liberal platform as offered last June were very inviting, but results attained since trying to put this platform into action have not come out as well as was first thought.

So much for Provincial chances, but what of the Federal chances of an election this year also? Prime Minister Diefenbaker, speaking at a Progressive-Conservation convention on Friday evening, made a reference to such an event, but turned it off as very unlikely. General talk however, has it that there may

# The Week In Quebec

Quebec, (CP) — Premier Jean Lesage indicated this week the province may be in for its second general election in little more than a year.

The Premier dropped the hint during a clause-by-clause study of a bill giving farmers 10 years to repay government loans using livestock, farm implements or produce as collateral.

Irked by persistent opposition sniping during debates on the bill, Mr. Lesage threatened to call a general election "so the people can pass judgment on the systematic obstruction" of the Union Nationale opposition.

"If the opposition keep this up," he said, "I will not wait until it has chosen a leader. We will submit its systematic obstruction to the people."

The Premier's election threat was sparked by a speech of Rene Bernatchez, Union Nationale member for Lotbiniere County.

Mr. Bernatchez said the government bill pretended to do something it could not, it was passing the buck to managers of banks and credit unions, who would have to take the blame for refusing long-term loans while the government could claim it tried to make them possible.

Premier Lesage said the objections were made "in bad faith." He blasted Henriksen Riendeau (U.N.-Napierville-Laprairie) for saying the premier was treating farmers unjustly.

The Union Nationale Party, staggered by the deaths of Maurice Duplessis and Paul Sauve within a few months of each other, has been without a leader since the resignation of Antonio Barrette last September. Interim leader is Antonio Talbot.

The party plans a leadership convention—the first in the 25 years of its existence—for Sept. 21 in Quebec City.

Mr. Lesage told newspapermen after the session he was prepared to back up his election threat.

"What I said in the Legislature was very serious," he said. "If the government cannot proceed with its affairs in a normal way, we are going to go

to the people."

Youth Minister Paul Gerin-Lajoie announced a sweeping education reform program making free education and textbooks free up to the 11th grade and raising the compulsory education age to 15 or 16 from the present 14.

Addressing the Quebec Federation of Roman Catholic Teachers, the Youth Minister said free education is an urgent matter and the government cannot wait until a proposed royal commission into education brings down its report late in 1962.

Mr. Gerin-Lajoie outlined an eight-point program he said should be implemented now, even if only provisionally pending the Royal Commission's Report.

The suggested program ranges from primary education to funds for university expansion. But the bulk of the reforms deal with secondary education where the Youth Minister plans to set up a system of scholarships for students seeking B.A. Degrees.

Mr. Gerin-Lajoie said the system under which only property owners elect school commissioners is outdated and must be changed to allow Parents to exercise their rights in the field of education.

The Minister did not say how the program is to be financed but informed sources feel the government in considering the possibility of raising the provincial sales tax to cover the cost.

The present Provincial Sales Tax, levied half for Public Charities and half for general purposes, is two per cent. But 500 school boards in the large towns and cities levy an additional two per cent for education purposes.

Generalizing the additional two per cent across the Province would raise an estimated \$25,000,000 this year, benefiting primarily the 1,000 school boards in smaller areas low on real estate revenue.

Many small boards do not levy the tax because the cost of collecting it would absorb most of the revenue gained.

## Turning Points In Economy Seen By Bank Of Montreal

MONTREAL, — Turning points in the economies of both Canada and the U.S. may now be at hand and one of the major factors concerned probably will be increased spending by both federal governments.

So says the Bank of Montreal's Business Review for February, just issued, which covers the current business picture on this continent.

The review says, "Possibly one of the most positive influences in both countries in the months ahead will prove to be actions already taken or announced by the federal governments in raising their outlays. Even more important may be the stimulus thereby given to a revival of expenditure on other fronts."

Another major influence on the general level of economic activity here and in the U.S. is likely to be found in changing business inventories, the bank says. After the first quarter of 1960, the rate of inventory accumulation rapidly diminished, changing to overall reduction in Canada by the third quarter and in the U.S. by the fourth, the review points out.

**FURTHER REDUCTION**  
A drawing down of stocks-in-trade is tantamount, of course, to new production being less than

concurrent demand; such a situation cannot persist indefinitely but it is altogether probable that some further reduction in business inventories may have to occur on both sides of the border before general replenishment is resumed.

Nevertheless, despite concern over mounting unemployment and declines in industrial production, the bank points out that buying of durables has generally "fluctuated at a high level."

Many business indicators in 1960 showed, in fact, "little more than a slowing down in the rate of rise that marked 1959," the review adds.

For the future, there are conflicting indications as to what might happen to the overall continental business climate, the B of M believes.

On the one hand, further improvement of Canadian and U.S. exports may be deterred by slackening business activity outside North America. Yet, on the other hand, surveys of consumer buying intentions in the U.S. "appear to indicate some increase in buying of durables compared with intentions expressed earlier in the year."

Similarly, surveys of capital expenditure plans in the U.S. indicate only a moderate reduc-

tion. Unemployment has been steadily increasing and we are fast getting out of winter and into the time when there should be an improvement as to unemployment, if there is going to be any. If the situation does not improve, it is quite likely that it may force a Federal Election. At the moment there is nothing in sight which would cause us to believe that there will be any rapid improvement, although those who study the economic future, tell us that the present recession is coming to an end.

## The Week At Ottawa

OTTAWA, (CP) — Prime Minister Diefenbaker had to arrive back from London last week before a three-day party rally in Ottawa could work up enough steam to get off the ground.

By that time one day had slipped by and Progressive Conservative organizers were relieved to have the real presence take over from his photographic image which, although it was stamped as the party hall-mark on countless rally trappings, had done little to lift the spirit of some 1,850 delegates.

But with a push from Saint Patrick and the Prime Minister's

arrival at a breakfast sing-song on the 17th, the annual grass-roots dedication packed plenty of pre-elected pep for all.

Allister Grossart, national director of the party association, set the pre-election theme with a pitch for sharp, sure political organization right at the voters' level in the 46,000 polls of the 263 federal constituencies.

**Not Good Enough**  
"Please believe me," he said, "the old-time type of political organization is not going to be good enough next time."

The party objective for 1961, he declared, is to set up the "greatest grass-roots organization in Canadian political history."

"I'm not saying we're worried," he assured 600 delegates at a business meeting the first day, but requirements of effective organization were growing faster than some constituency executives seemed to realize.

The meeting, billed in advance as the greatest and most enthusiastic of its kind ever held in Canada, combined the annual meeting of the main Conservative Student Federation, the Women's PG Progressive Conservative Association and the Young Progressive Conservatives of Canada.

Pamphlets handed out in volume to the delegates recorded the party's legislative record and asserted that more had been done for the average man and woman in Canada than under any previous government.

"In each of its three years in office, Canadians worked more, produced more, earned more, spent more, saved more, invested more and exported more than in any other period in history."

**Spending Increased**  
Meanwhile in the Commons, Finance Minister Fleming disclosed other records that showed a double edge to Canada's economic situation.

In presenting final supplementary estimates for the fiscal year ending March 31, he disclosed that federal budgetary spending for the 12-month period had passed \$6,000,000,000 for the first time in history and that the publicly-owned CNR posted a deficit of \$67,496,777, its greatest ever.

The CNR's previous record loss had been \$5,934,000 in 1936 and the previous record for budgetary spending was 1959-60 when it cost \$5,702,361,053 to run the country.

Apart from the amount listed in the budget, another \$500,000,000 which is financed separately, goes to support the old age pension fund.

The perplexing problem of greater costs and smaller revenue was scanned from yet another

angle with the annual report of the Bank of Canada from governor James E. Coyne. Sees Weaknesses

He pointed to structural weaknesses in the Canadian economy that "result in excessive aggregate spending on goods and services provided from abroad to the detriment of the production of goods and services of similar character in Canada."

This meant that Canadians were spending their money to buy goods made in another country and by so doing were enriching their neighbor when the same goods could be bought at home and the capital go to industries and their workers in Canada.

Proof of this lay in the fact that Canada has trade deficits unmatched in any other comparable country and that Canadians obtain anything they want in the world regardless of the fact they don't have products to sell to other markets in return.

Mr. Coyne rejected suggestions for a largesse expansion of the money supply to drive down interest rates and perk up the economy. This was an "unsound and dangerous approach," he said, and could have a serious effect on the large flow of funds needed to finance government bonds.

**Bread and Butter**  
In other Commons business, members called for separate investigations by the National Research Council to determine whether butter causes heart disease and why Canada should have the best wheat in the world and yet produce about the worst bread.

The discussions came up during discussion of the agriculture department's spending program for the next fiscal year.

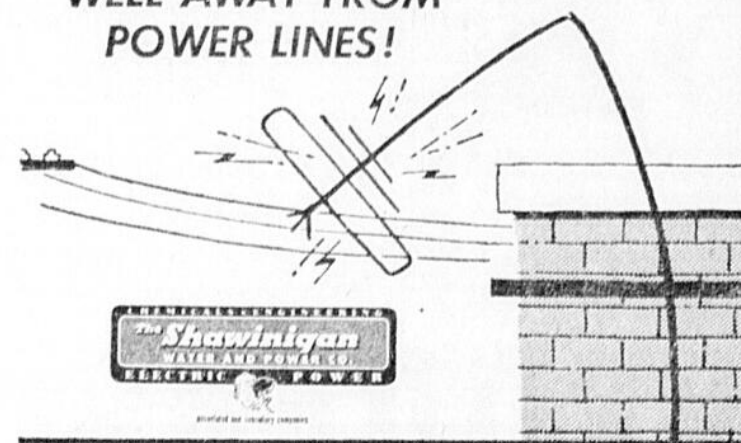

Dr. Hugh Horner (PC—Jasper-Edson), an Alberta country general practitioner, said a study should be conducted to determine if butter and animal fats in general cause a rise in the cholesterol content of the blood.

He said some scientists maintained the cholesterol came from butter and caused heart ills while others said butter was a fine food. He agreed with the latter and said a little research of his own indicated margarine was no sure path to better health.

J. P. Deschatelets (L—Montreal-Maisonneuve-Rosemont) had another commission for the Nation Research Council—better bread.

Canada has the best wheat and the worst bread he complained and the council should find out why consumption drops while the consumer population rises.

LEGION NOTES

The Legion Hall on Fairview Road is becoming an ever-increasing scene of social and service activity and with projected renovations to be accomplished as funds become available, the members envisage the hall as becoming the logical centre for all community activities.

On March 27th a polo clinic will be held at the hall, enabling those who have already had two shots to obtain their third and final inoculation.

The Ladies' Auxiliary of the Huntingdon County Hospital have been granted the use of the hall for a Buffet Supper on April 6th. This is a project which should be supported by the whole populace, for a really worthwhile

cause. On the social side, the two shuffleboards are drawing an ever-increasing number of enthusiasts, with the weekly tournaments arranged by Comrade Faillie proving a popular attraction.

In this sphere an international tournament, with 32 teams drawn from a widely scattered area from Caughnawaga to Malone, is being organized to take place at the Legion Hall from April 1st. Trophies and prizes have been donated by brewery companies and the branch.

Next Saturday, March 25th, a District Curling Bonspiel will be held at the Huntingdon Curling Club with teams from Huntingdon, Valleyfield, Beauharnois, Chateaugay, Caughnawaga, Howick and Ormstown competing for trophies and prizes presented by Mr. Jacques Sawe, area manager of the O'Keefe Brewing Company. Huntingdon branch host this event and following

the bonspiel, supper and entertainment will be provided at the Legion Hall under the capable direction of Entertainment Committee Chairman Dave Watson.

It is anticipated that the international shuffleboard tournament and the curling bonspiel will become annual events. The regular Open House Saturdays are becoming increasingly popular with members and their friends, with Bridge, Cribbage, Darts and Shuffleboard each claiming his respective adherents, the evening usually concluding with dancing to hi-fi recordings.

Maple Syrup

OTTAWA. — Spring is just around the corner and so too is the season for maple syrup—one of the most delectable treats Canada can offer from its natural resources.

Unfortunately, the maple season regularly means the appearance of the fraudulent peddler. He brings a good imitation to your door and asks you to buy it at a price ranging from \$3.75 to \$5.50 per gallon. You can buy that kind from the stores at less than \$2 a gallon.

"Be on the lookout for this lad", warns F. R. Armstrong of the Fruit and Vegetable Division, Canada Department of Agriculture. "Don't be an easy mark."

"Before buying, insist that he show you his ownership and driver's licences and take down the numbers of both, as well as his name and address. Look carefully at the label on his syrup; it must be labelled according to law. If the product offered you is maple syrup, it should be labelled 'Maple Syrup' (or, in French, 'Sirop d'érable') and it should also show a declaration of net weight and the name and complete address of the packer."

The peddler of pure maple syrup will gladly identify himself, knowing that by so doing he is protecting his own interests and those of the maple industry.

"Give a thought, too, to the price asked", adds Mr. Armstrong. "Maple syrup is a seasonal treat, never in long supply. If of good quality, it is never offered at bargain prices."

The current price, at retail, for good quality maple syrup is between \$6 and \$7 per gallon.

## Howick Women's Institute Observe 50th Anniversary

Monday, March 13, was a great day for the Howick Women's Institute. A social meeting at the Curling Club, with 81 ladies present, marked the 50th anniversary of this group, which was the second to be formed in the Province of Quebec.

The first meeting was held in the Temperance Hall, Monday 13, 1911, with 11 ladies present. Mrs. Muldren (Hon. Pres.) from Macdonald College, Mrs. Alex Younie (1st. Pres.) Mrs. Jas. McKell (1st sec. treas.) Mrs. Robt. Younie, Mrs. Wm. Ogilvie, Mrs.

At this anniversary meeting, Mrs. J. Roy Younie (Pres.) gave highlights of past meetings and events — A train and boat trip when the plans became confused between train and boat companies resulting in utter confusion and a most hilarious holiday; an amazing amount of sewing and knitting done during World War I; visits from Lady Tweedsmuir (Huntingdon) and Agnes McPhail (Howick); party for Mr. and Mrs. Wm. Ogilvie when they left to reside in Western Canada; Book reviews; debates; knitting and sewing contests. Extracts were read from the books to illustrate the beautiful inspirational minutes that were written by gifted secretaries.

Mrs. R. B. Ness had an outline of the first 25 years. Mrs. Wm. Hamilton read the names of the presidents, secretaries, treasurers and auditors. Mrs. J. D. Lang named the Life Members and Charter Members.

Mrs. R. Bruce Chisholm gave a vivid account of debates, debators and judges — The men drove the women to the meetings and took part in such debates as — Should Women be on the School Board?

Notes on the Frederica Campbell McFarlane Scholarship were given by Mrs. Arthur Kerr. Our present Home Economic teacher, Miss Evelyn Kerr (Mrs. Lamb) was awarded this scholarship.

Mrs. F. Sutherland (Treas.) presented a \$50. cheque to the county treas., Mrs. Cameron Bryson, for the Quebec Service Fund.

Humorous poems were read by Mrs. Huntley Greig, Mrs. H. Brady and Mrs. W. Bryson.

Mrs. Gerald Roy, vice president of the Ladies' Curling Association, held the interest of everyone, as she told about a recent visit to Government House. She had the pleasure of talking to Madame Vanier, who enquired about our W.I. Her Excellency requested Mrs. Roy to extend greetings and best wishes for future success to the Howick Women's Institute.

Mrs. Geo. Hope (5th Pres.) now in her late 80's and Mrs. H. Stubbs (10th pres.) Beebe, told of some amusing incidents during their terms of office.

The Provincial President, Mrs. Ellard, sent a congratulatory message and greetings were brought by Mrs. J. D. Harrison (Bury) Mrs. C. Fitch (Hemmingford) Mrs. Janet Reddick (Riverfield-Aubrey), Mrs. C. Bryson (Dewittville), and Mrs. H. E. Palmer (County Pres.) who gave a little history of the persistent efforts during 10 years, of the W.I. to organize a County Health Unit. She mentioned that Miss Barbara Morris had been 1st Provincial Treasurer and also first County President.

During the afternoon there were pleasant musical interludes when old favourites were sung. Mrs. E. M. Wood, Powerscourt, delighted everyone when she sang the Friendship Song, composed by Mrs. McCrimmon, Hamilton. Later Mrs. Wood, Mrs. C. Bryson and Mrs. Annie Gruer sang the Hymn of All Nations, followed by the National Anthem. Mrs. Jas Crawford was accompanist.

The social hour that followed was a fitting climax to such a splendid program, and gave old friends an opportunity to visit.

The tea table was beautiful with lace cloth, gleaming silver, yellow candles and 50 daffodils added a glowing touch of colour. They were given by the families of three charter members. Beside the flowers was placed a 3 tiered anniversary cake, made and decorated by Mrs. H. Greig.

Mrs. J. J. Peddie and Mrs. E. Peddie assisted by the younger members, arranged and served delicious refreshments. Tea was poured by Mrs. G. McArthur and Mrs. Wallace Younie.

The President, Mrs. J. R. Younie and Secretary, Mrs. J. D. Lang, spent many hours planning and arranging this memorable meeting, which proved to be such an interesting and happy event.

### HOWICK HIGH SCHOOL NOTICE TO PARENTS

Howick High School semi-finals for the Women's Institute Public Speaking Contest were held Thursday, March 16th, at 1:20 p.m.

## Canadian Garden Service

It may be a few weeks yet, in some parts of Canada, before we can get out and dig in the soil that is, and not the snow. But the time will pass all too quickly, and especially if we do a little garden planning in advance. And planning with gardening, as with carpentry, landscape painting or any other pleasant hobby, is certainly advisable. It will add more fun and interest and the greatly improved results are certain to impress ourselves and the neighbours.

### A Seed Catalogue Will be Big Help

In this planning, a seed catalogue will be a big help, in fact it is almost indispensable. Colourists who are usually hard up for something to write about in the winter months, like to poke fun at the seed catalogues. Invariably they pretend that the pictures are exaggerated. Actually, as any gardener with one year's experience will confirm, the pictures, or even painting, can depict the freshness of peas or corn as they come right from the garden at the door. There are some things, that simply cannot be purchased, and one of them assuredly in the freshness of vegetable hard up particularly peas, corn, lettuce, carrots and spinach gathered from the garden in the same hour as they are eaten. We look back to the days of our childhood and we say we can never get that good things to eat that our mothers fed us then. That may be imagination in many cases, but when it comes to vegetables it is absolutely true unless we grow them ourselves and especially those that must be tender, crisp and really fresh.

### Heights, Colors and Maturity important

But to get back to planning, in this there are two or three points which one should note and remember. These are heights of plants when full grown, colors, and time of blooming. If it is a flower garden we are planning; or with vegetables, maturity, which is just another way of saying "when ready to eat."

If one is about to build a house or even a garage it is well to know in advance the size of the structure planned, so that it can be fitted in the ground available. The same is true when it comes to gardening. We should have a good idea of — how big a zinnia of tomato plant will be when fully grown before we plan the bed or row in which to put it. If we don't we may find tiny things like alyssum, portulaca and verbenas, completely hidden by giant marigolds or dahlias, or lettuce crowded out by corn.

And we may also have a young jungle on our hands instead of tidy and beautiful garden.

Time of blooming and maturity are important because when we know these, then we can plan to have something always in bloom and a succession of the freshest vegetables coming along for the table. It is also a good thing to know whether a certain flower or vegetable we would like to try is hardy enough for our particular corner of Canada, or whether it will like our kind of soil, or slope. It is well, too, to take into consideration the color of the flowers we plan to

grow. Nature does not permit much clashing of color but we can get more interesting and more beautiful blending if we help by planning.

And where do we find the answers? Why in any good Canadian seed catalogue, and there is

a wealth of other information in these publications, too.

Next Week we will have more to say about planning, about shrubbery and of a kitchen vegetable garden that takes up practically no space at all, but will yield amazing results.

The monthly meeting of the Howick United Young People's Union was held at the home of Bill Ness on Saturday, March 18th at 8:30 p.m. Fifteen Young People attended. The topic for discussion was "What's wrong with Prejudice?"

Bill Welburn and his musical group the "Scimitars" were invited to join an entertainment troupe sponsored by Canadian Marconi Co., which presented shows at the Mid Canada Line Bases of the R.C.A.F.

Transportation was provided by the R.C.A.F.

The tour included Seven Islands, Knob Lake, Great Whale River, Winisk, Churchill and Bird.

This proved to be a very enjoyable and interesting experience.

Mr. and Mrs. Clarence Henderson and Jamie visited with Mrs. M. Kyle on Sunday.

Miss Thelma McMullin of Acadia, N.S. and Montreal, spent the week-end with Miss Norma Tolhurst and took the service at the United Church, on Sunday.

Mrs. Nelson Elliot, Montreal, visited Mrs. J. D. Lang and attended the 50th anniversary of the Howick W.I.

Mrs. E. M. Wood, Powerscourt, visited with Mr. and Mrs. Jas. Crawford and other friends, for several days last week.

Finals of the annual mixed bonspiel were played on Saturday, March 18. There was a full house all afternoon, and evening and a hot dinner was served to more than 80 curlers and friends. 8 rinks entered the play-off games. D. Roy (Eng. River); Dunn (St. Lambert); E. B. Ness (Howick); Bonville (Alexandria); R. Reddick (Aubrey); J. Cluff (Aubrey); R. Peddie (Howick); A. Hooker (Armstrong).

Refreshments were served following the finals.

Pres. Russell Logan thanked the visiting rinks and others, (48 in all) for participating. Vice, Pres. W. K. McRae then spoke of the new trophy, donated by the Logan families, in memory of Wm. Logan, (brother of Russell) who had curled in Howick and had been one of the great skips of Caledonia Club.

J. Cluff's Aubrey rink had the honour of the first win on the new trophy. Games were consistently good during the bonspiel, due to the ice condition which was praised by all the skips.

Main Event: Aubrey — Mrs. Letto, F. Letto, Mrs. Cluff, J. Cluff, (skip) 3.  
Runner-up: Howick — Mrs. McWhinnie, N. McWhinnie, Mrs. Ness, R. B. Ness, (skip) 4.  
Consolation: Aubrey — Mrs. Brown, Mr. Brown, Mrs. Reddick, Ron. Reddick, (skip) 8.  
Runner-up: Alexandria — Mrs. Throsby, Fred Throsby, Mrs. Bouville, P. Bouville, (skip) 4.

Mrs. Norman Mair is a patient at the Barrie Memorial Hospital, our best wishes are extended to her for a speedy recovery.

Accident upon accident in one household — Miss Jean Ritchie fell on the ice and broke her left wrist. Miss Fisher tripped in the house injuring her hip and was forced to be admitted to hospital.

A surprise party was given on Saturday evening, March 18th, in honour of Mr. Hiram Reddick, who was celebrating a birthday. Seventeen of the family gathered at his home and spent a very enjoyable evening. Cards were played after which refreshments were served, when Mr. Reddick cut a very prettily decorated birthday cake.

**Another Radio Talk.**  
Mrs. F. Greer, a member of Hemmingford W.I. will be interviewed on Wednesday next, March 29th, by Mr. McCurdy of Station C.J.A.D. at approximately 11-12:30 a.m. Mrs. Greer's topic will be famous women of the Quebec Women's Institute.

**The 3.M. Club.**  
On Saturday evening, March 18th, the members of the 3.M. Club, some 43 in all, went on a tour of Dorval Airport arranged by Trans-Canada Airlines. They visited the class-room where staff are trained, inspected Trainer planes, watched repairs and tests being done and inspected one of the 'Luxury Liners'. From there they went across to the Administration Building and wound up with coffee and refreshments in the Cafeteria. These tours, arranged by the Public Relations Department of T.C.A. take about two hours and are extremely interesting. The hostess, Mrs. Holloway, who is herself the wife of a Pilot, proved to be a most knowledgeable person, the men of the party were quite surprised at her knowledge of and familiarity with the technical detail of the planes. A very good time was had by all and club members highly recommend this trip as a most enjoyable and educational way of spending an evening. Just prior to Public Relations, T.C.A. Dorval, if you would like to take your class or club on a Tour, Hemmingford High School.

On Saturday afternoon, March 18th, the students of Grade 9 and Grade 11 made an interesting trip to the Department of Meteorology at Dorval Airport. Transportation was provided by Mr. Jim Laurie, Mr. Aymer Hickey and Mr. D.M. Laurie. On arrival at the airport the students went first to the Information Room where weather detail from across Canada comes in on the teletype machines. They watched weather maps being drawn up, they heard Pilots being briefed on the weather to be expected on their flights, they visited the Control Centre and

were given numerous maps and leaflets. Many questions were asked and answered and of particular interest to some of the boys was the subject of employment in the Department. In the opinion of Mr. J. Laurie, who is one of the High School teachers, the visit will be of much assistance to the pupils in their studies. A much more detailed report will be given in next week's news when one of the teachers will give his impressions of the visit.

**DRAMA CLUB.**  
There is a strong rumour to the effect that the Drama students are preparing a play to be performed in May. The event is awaited with interest.

**Photography Club.**  
Work on the 'Dark Room' proceeds apace. A room in the school basement is being prepared as a dark room where the camera enthusiasts may develop and print their photographs. Mr. Lynn Robb has loaned an enlarger and all that is needed now is a little warmer weather. After all, it's not too easy taking pictures muffled up in parka and mitts, with teeth chattering like castanets. Besides, mid-term examinations got in the way, just wait till those Easter bonnets come into view!

**Our Principal.**  
Crutches laid aside, Principal F. Matheson walks the halls unaided. Not with quite the same speed and vigour as heretofore but nevertheless definitely on the mend. It has been a long, painful time since that fateful night on the ice-rink and all students and friends are pleased to see your good recovery.

**St. Andrew's United Church.**  
On Sunday, March 19th, members of the United Churches of Hemmingford and Robson Street held a Visitation Sunday. During the afternoon they called on all newcomers in the district and those who attended or supported the Churches in any way, inviting them to attend and to become members. These friendly visits will be followed up du-

ring Holy Week with a special Congregational Tea to which all are invited.

Plans have been made for special Lenten Services to be held next week in St. Andrew's Church, Hemmingford, and services will be given by visiting Ministers. On Tuesday, March 28th, at 7:30 p.m. the preacher will be the Reverend K. Mac Millan, who is the Superintendent of Home Missions and was formerly Minister of the St. Lambert United Church. After the service the congregation is invited to the special Tea which will be held in the Hall. On Wednesday, March 29th, at 7:30 p.m. the preacher will be the Reverend David Rogers of St. Luke's Anglican Church. The service will be at 7:30 p.m. on Wednesday, March 29th, at the same time, the Reverend C. Thompson, Minister of Westmount Park Emmanuel United Church, Montreal, will be the speaker. It is sincerely hoped that everyone will make a special effort to attend these services. The touring and singing party arrived at work, preparing the Easter music and with the beautiful singing of last year's service still fresh in the mind another musical treat is anticipated for this coming Easter Sunday. The Reverend Kenneth Murray and Reverend David Rogers laid aside Parish duties for a day when they took part in the 'Parsons Bopspiel' held on Monday, March 20th at the Ormstown Curling Rink.

## Gift Tax

Men and women who wisely plan their estates have always taken into consideration the benefits to be derived from gifts, keeping in mind the Gift Tax.

A tax is payable on the total value of gifts made during the year by persons resident in Canada, after certain deductions have been made.

- Among the deductions are:
- (1) The value of gifts to one or more persons of \$1,000 or less.
  - (2) Either (a) \$4,000 or (b) Half the difference between the donor's taxable income for the preceding year and the tax paid on it.
  - (3) Gifts or donations to a non-profit, exclusively charitable organization, or an educational institution in Canada.
  - (4) ONCE IN A LIFETIME GIFT. During 1958 and subsequent years, a gift by a man to his wife (or a woman to her husband) of real property to be used as their home, or a gift by a parent to a child of a farm to be used by the child, is exempt from Gift Tax to the extent of \$10,000. This exemption cannot be claim-

ed more than once in a lifetime. Let us consider two examples. A home valued at \$30,000 with a \$10,000 mortgage, leaving an equity of \$20,000.

(a) If the property is in the husband's name it can be transferred to his wife by the payment of \$800 in Gift Tax.

If the husband lives three years beyond the date of the gift the whole property is free of the husband's estate for duties levied under the Estate Tax Act. In the Provinces of Ontario and Quebec the period is five years for such a gift to be free of the succession duties levied in these two provinces. If the man does not live for the three year period from the date of the gift the equity value of the property is considered to be in his estate for Dominion Tax. The amount of tax created by the home property would be decreased by the Gift Tax already paid. The same would apply in Ontario and Quebec if the donor died within the five year period, but no deduction would be made in succession duties as no Gift Tax is levied by either of these Provinces.

It should be remembered that Quebec law prohibits gifts between consorts except where such gifts are made in accordance with the terms of a marriage contract. The existence of a federal gift tax exemption cannot by itself validate a gift be-

tween consorts domiciled in Quebec, if the gift would be invalid by Quebec law.

(b) If such a home is in joint tenancy with the wife, the husband, by taking advantage of this once in a lifetime exemption, can convey the title to his wife without the payment of any Gift Tax. i.e. the husband's interest in the equity is worth only \$10,000 and this can be given as a once in a lifetime gift.

If the man dies within three years from the date of such gift, half the equity in the property will come into his estate in computing duties under the Estate Tax Act of Canada. If the man does not live for the five years, then the full equity (\$20,000) in the property will be considered as taxable for succession duties in Ontario and Quebec, if he alone contributed to the cost of the house.

Under this Gift Tax exemption it can be clearly seen that a man or woman may reduce their estate tax and succession duties by taking advantage of this provision.

## MUSIC QUIZ

What is the difference between a symphony and a concerto? The Book of Knowledge explains that a symphony is played by the full orchestra throughout, whereas a concerto is performed by an orchestra and one or two solo instruments.

## What's Happening To The Funny Men?

NEW YORK, (AP) — Shelly Berman, one of the bright young comedians who has been a TV star for only a couple of seasons, announced recently that he has retired his most famous piece of material, the monologue about commercial airline travel.

"It's served its purpose," Berman explained, illustrating graphically a problem facing funny men whose careers are made or broken in their television appearances.

In pre-TV days, a comedian like Berman could use one tried and true routine throughout his entire career. Today it becomes shopworn and over-familiar in a matter of months, so large is the television audience.

The insatiable demands of television for new, fresh material particularly afflict the stand-up comedians, the comedy monologists. The result is a dwindling supply of laugh makers willing to blow their best pieces in one TV guest shot, even on a top-rated variety show.

Even the established comedians today are busily figuring out survival techniques, some of these are taking them far away from comedy.

**Dramatic Roles**  
TV viewers may have noted a recent epidemic of comedians playing straight dramatic roles in dramas and suspense stories. Steve Allen had the role of a psychiatrist and then a professor in one anthology series. Mort Sahl and Buddy Hackett played frightened first bananas pursued by killers in, respectively, episodes of "Thriller" and "Dan Raven." Jack Carson turns up on our home screens these days more often as a villain or blowhard than as a laughmaker. Boyish Johnny Carson has had a couple of successful outings in light comedy.

**Wants Back**  
George Gobel now wants into the situation comedy club. The pin-sized comedian, lacking a regular network show of his own this season, has been keeping busy — too busy he feels — playing night clubs, one-night stands and making occasional TV guest appearances. He now has concluded that the life of a wandering minstrel in the jet age, while not without its financial rewards, is for the birds.

Still another popular escape hatch for the comedian is the panel show, either as host or game-player. Outstanding practitioners in their field include Larry Moore, Ernie Kovacs and — most recently — Jackie Gleason. A regular show keeps the performer in front of the public, and an ad lib show makes lighter demands on his wit and imagination. Also the pay is good.

All of the disturbed comedians have been playing close attention to the recent activities of Bob Newhart, last season's most important discovery. Newhart

A DIVISION OF DAIRY FARMERS OF CANADA  
403 HURON STREET, TORONTO 5

One thing that is clear is that it was the attitude of the white, the 'old' members of the Commonwealth, that broke Dr. Verwoerd's will to stay in. Mr. Diefenbaker of Canada was Brutus to Dr. Verwoerd's Caesar."

Back in Ottawa, the Canadian leader made it clear in the House of Commons that Canada did not press for South Africa's expulsion.

Later, addressing the annual dinner of the Progressive Conservative Association he said "there will always be a light in the Commonwealth window" to guide South Africa back. The country had only to agree to the basic principle of non-discrimination to be welcome again in the family of nations.

"My fervent hope is that South Africa will return to the Commonwealth in due course," he said.

Canada's firm stand on the issue of South Africa's apartheid policies of racial discrimination had carried into the international field the principles embodied in the Canadian Bill of Rights, Attitude "Immature"

Dr. Verwoerd described Canada's position on his country's application to continue membership after it becomes a republic May 31 as "immature."

He also revealed that President Nkrumah of Ghana had virtually issued an ultimatum: If South Africa would not leave, Ghana might either have to move for

its expulsion or withdraw itself.

The other older members of the Commonwealth — Britain, Australia and New Zealand — also opposed racial discrimination but in varying degrees the balance of their efforts was directed toward keeping South Africa within the family. Prime Minister Macmillan worked hard for a compromise but when he saw a rupture was inevitable he decided to accept it with the best possible grace.

Malayan Prime Minister Tunku Abdul Rahman said the withdrawal would "greatly enhance and strengthen of the Commonwealth countries." He expressed "absolute and complete satisfaction" at South Africa's decision.

At week's end, one thing was certain. Dr. Verwoerd's political stock was rated high among whites in South Africa. Supporters were preparing a massive hero's welcome for him.

Bloody massacres in the style of the African Mau-Mau terrorists of several years ago took place in the Portuguese West African territory of Angola last week and Portuguese troops were flown into the area.

Reports said tribal terrorists had been hacking to death and mutilating any whites found on remote Angola plantations. Early reports said at least 30 planters and families were slain.

News dispatches did not mention any outsiders among the attackers but Portuguese news agency reports said the terrorists were "foreigners" or came from the Congo across the border. Some of these reports said Negroes and whites alike were attacked.

The Peace Talks

In Algeria, rebel government officials agreed to begin peace talks with France. The announcement last Friday broke a log jam in efforts to end the 6½-year nationalist insurrection that began in earnest after Gen. Charles de Gaulle became president of France in May, 1958.

De Gaulle offered to open the talks "on the conditions for the self-determination of the Algerian population" without mentioning his earlier demand that a cease-fire precede negotiations.

Men Rescued

A band of Arab tribesmen attacked an oil prospecting camp in the Spanish Sahara last week and carried off 11 men, including Jack Curzon of Red Deer, Alta., and Brian Walker of Cowley, Alta.

The raiders set fire to five drilling machines and two trucks before taking their captors across the border into Morocco.

A Moroccan army patrol later rescued the oilmen from the desert tribesmen.

President Kennedy has urged that the U.S. make an "effort of towering dimension" to lift the people of Latin America from poverty, ignorance and despair.

He asked Congress to appropriate \$500,000,000 — first asked by President Eisenhower — as the beginning of a program resembling the Marshall plan.

Mrs. Ed Bannon and Billy motored to Cornwall, Ont., on Friday afternoon, and were guests of Mr. and Mrs. Harold McNeil and sons. Mrs. Bannon remained over till Sunday and returned Sunday night with Mr. and Mrs. Harold McNeil and boys.

Kilbain is glad to have the phone back in order after nearly two weeks.

**FARM ACCOUNTING**

Too many farmers are unaware of the benefits to be gained by keeping a good set of accounts. Only those who have come so regularly for a number of years realize their full value.

Writes Mr. Nazaire Parent of the Quebec Department of Agriculture:

It cannot be too often repeated that modern farming is a highly industrialized venture and, if it is to be operated as such, industrial methods such as bookkeeping must be used.

It has been the guiding principle of farming contests for many years that the direction and strategy of the farm must

be based on figures, and that only bookkeeping can provide the information necessary for good management. Imagine how difficult it would be for a technical adviser in industry to decide a certain problem of he did not know what capital investment was involved and what were the possibilities of production.

The first step to take is to draw up an inventory of the whole of the property. This must be done methodically so that nothing will be forgotten. The areas of land under cultivation, in natural pasture, and in woodland should be specified; the kind and size of the buildings noted; and the various kinds of equipment catalogued. Finally the livestock should be classified and listed.

The farmer is advised to bear in mind that he is not making this valuation for purposes of business speculation, but solely in order to help him to manage his farm better. The biggest pitfall to be avoided in making a first inventory is the inclination to overestimate values.

The best time for taking an inventory is unquestionably in

January and February. At that time of the year the farmer is likely to have the most time free to draw up his balance sheet, to analyze the results, and plan his crops for the coming spring. The taking of an inventory will serve as an introduction to the regular keeping of accounts.

In order to make it easier for the farmer to keep a record of his receipts and expenses, the Quebec Department of Agriculture makes available to him (for the modest price of ten cents) a very handy booklet, specially designed for the purpose, which local agronomes will supply on request.

This booklet gives the necessary information about the different transactions of the farm. Since it is in double entry, all receipts are entered in one column and all expenses in another. It is thus only necessary to debit the receiving account and credit the contributing account in order to balance each department.

Clear and precise directions are also given for drawing up a balance at the end of the financial year.

**MULTI-SIDED JOB**

HARTLAND, N.B. (CP) — A farmer has to be a businessman, accountant, scientist, pathologist and above all a man dedicated to his way of life, said Agriculture Minister J. Adrien Levesque. He was addressing New Brunswick seed growers.

**WINNIPEG (CP) —**

Sales of Manitoba's hottest crop, yellow mustard, are increasing, says Dave Durksen, special crop economist with the provincial department of agriculture. The 1960 mustard crop, grown mainly on a 500-acre site north of Winnipeg, yielded about 700 pounds of seed per acre.
