U. N. FORCE GOES TO WORK

Not Too Bad! — Temperatures close to normal seasonal readings can be expected in a belt running down from northern Quebec, through the thickly populated sections of Eastern Canada and nearly all of Manitoba, according to this map based on the long-range forecast of the United States weather office. Above-normal temperatures can be expected in eastern Newfoundland and in western Saskatchewan, Alberta and British Columbia. A belt encircling Hudson Bay is expected to have below-normal readings. (CP)

Contingent Will Try To Reduce Tension In Northern Section

CAIRO — (CP) — A unit of 190 battle-clad Norwegian troops moved into the northern sector of the Suez Canal zone today to tackle the United Nations police force's first active Middle East peace-keeping mission.

A spokesman said the contingent would try to ease tension between Egyptians and British-French forces holding Port Said, at the north end of the canal.

The operation had a go-ahead from both Egypt and the British-French military authorities, but it was announced that it was not connected with any withdrawal of British or French troops from the Canal Zone.

The British-French commander at Port Said announced he was not pulling out any of his men.

Wearing blue helmets — the UN color — the Norwegian soldiers moved north by train from the police force assembly area at Abu Suweir, behind Egyptian lines near the canal's half-way point. They were part of an international force of some 700 airlifted into the Canal Zone in the last week and standing by in barracks for further orders.

Port Said has been a centre of tension since a cease-fire halted the fighting in the canal area. Egypt has charged the occupying forces with atrocities against Egyptian civilians. British and French authorities have complained of cease-fire violations and have claimed that a calculated campaign is being conducted to prevent the city's civilian population from cooperating with their occupation.

Egypt's latest charges of atrocities by Britain, France and Israel came in a statement calling for a UN investigation into "barbarous aggression." The statement, forwarded to Secretary-General Dag Hammarskjöld, proposed that an investigation be made in cooperation with the International Red Cross.

The governments of Britain, Israel and France have denied previous Egyptian charges of atrocities.

Other Arab moves against Britain and France were reported from Syria and Jordan.

In Damascus, the Syrian government announced the cancellation of all contracts with British and French companies, and barred the piping of oil through Syria for Western Europe.

The move appeared to be the first step in breaking off economic relations with Britain and France. Syria severed diplomatic relations with the two West-

Duplessis Raps St. Laurent

Says Province Will Never Approve University Aid

QUEBEC — (CP) — Premier Duplessis said last night his government will never approve of federal aid to universities and promised provincial grants to Quebec's institutions of higher learning will be substantially increased.

In a speech that lasted more than an hour and thirty minutes, Mr. Duplessis said he is ready to discuss Quebec university demands for provincial grants on a regular basis instead of on a discretionary basis.

He said he was "stunned" by Prime Minister St. Laurent's speech at Ottawa before the National Conference of Canadian Universities in which a \$100,000,000 aid-to-culture program was announced and the program of federal aid to institutions.

Mr. Duplessis also told the legislature that "millions" more will have to be collected through taxation to keep pace with the province's development.

More money was needed for increases in allowances to needy mothers, rural electrification, hospital and school construction.

"We will have to find the needed millions for all this," he said. "Let no one be deceived. All the millions which governments spend come from the pockets of the taxpayers."

He said the provincial government has paid out \$55,000,000 in grants to universities since 1945.

"This is far more than what they have been offered by Ottawa," he said. "We are still going to give the universities more, while taking into account the needs of all other classes of society."

Mr. Duplessis said Prime Minister St. Laurent had quoted from a private council ruling to justify the action of the federal government in setting up a fund for university grants. But Mr. St.

Eden Only Exhausted, Not Sick

LONDON — (AP) — An Associate says Prime Minister Eden has not suffered a recurrence of his critical 1953 illness but is "utterly exhausted."

Eden, who cancelled some public duties Monday night to rest from "severe overstrain," underwent three operations in 1953 after he was stricken by a liver complaint.

His parliamentary private secretary, Cmdr. Robert Allan, said the prime minister has experienced "no recurrence, discomfort or pain from the abdominal trouble from which he suffered three years ago."

Lady Eden, told a political meeting that there is nothing wrong with her husband which a rest won't cure.

"He is just tired," she said. "During these past few weeks I have felt as though the Suez Canal was flowing through our drawing room."

Eden has turned his official engagements over to R. A. (Rab) Butler, Lord Privy Seal, who has been mentioned as his possible successor when Eden, now 59, retires.

Only one national British news paper, the Communist Daily Worker, has expressed the belief that Eden's illness will be used as an excuse for his departure from office. Other papers, including some which have been urging his resignation because they opposed his decision sending British troops into Egypt, only wish him well.

Laurent had quoted "only a portion" of the ruling "and not an important portion either."

Mr. Duplessis, reading from a book on his desk, said the part quoted by Mr. St. Laurent said: "That the Dominion may impose taxation for the purpose of creating a fund for special purposes, and may apply that fund for making contributions in the public interest to individuals, corporations or public authorities, could not as a general proposition be denied."

But, Mr. Duplessis said, part of the ruling he omitted said: "If on the true view of the legislation it is found that in reality it is in pith and substance the legislation invades civil rights within the province, or in respect of other classes of subjects otherwise encroaches upon the provincial field, the legislation will be invalid."

The Quebec premier made the attack against Mr. St. Laurent during the throne speech debate in the legislative assembly.

Launch Inquiry Into Collision Of Freighters

OTTAWA — (CP) — The transport department is launching an informal inquiry into a collision of two freighters on the St. Lawrence River Monday night.

An official said Tuesday a departmental expert will investigate the accident and report to the department before a decision is reached on holding a formal inquiry. It will take about 10 days.

The collision occurred off the Island of Orleans. The German freighter Wolfgang Russ was beached after colliding with the British vessel Asia.

Canadian Cabinet Commits 2,500 Men

OTTAWA — (CP) — Defence Minister Campney Tuesday night announced the makeup of Canada's air support for the United Nations police force. The announcement came a few hours after a cabinet meeting committed up to 2,500 Canadian troops to the Middle East force.

Meanwhile, Parliament has been called into special session to meet next Monday at 2:30 p.m. EST to approve the funds needed for the overseas troops as well as \$200,000 for Hungarian relief.

However, there were doubts in some federal quarters whether the full 2,500 would go because of Egyptian opposition to use of Canadians in the UN operation.

Mr. Campney said, in a statement, that 435 Transport Squadron from Namao, Alta., will operate 12 C-119 Flying Boxcars from an air base at Naples, Italy, to provide air transport for Maj-Gen. E. L. M. Burns, UN force commander.

Four of the twin-engine transport planes were to leave Toronto's Downsview air station today. The others will follow later in two groups of four each.

They will bring with them between 400 and 600 ground crew members, their own spare parts and ground handling equipment to enable the squadron to operate on a self-sufficient basis.

Mr. Campney also announced that the Naples base will be commanded by Group Capt. Howard A. Morrison, 36, of Winnipeg and Lauder, Man., a staff officer at air force headquarters. However, an air force spokesman said Wing Cmdr. W. C. Klassen, 39, of North Battleford, Sask., will continue as commander of the squadron.

RCAF 436 Squadron will supply additional personnel and C-119 planes to augment 435's operation from Naples in the first peacetime move of an RCAF transport squadron from Canada to operate from an overseas base.

North Stars from 426 Squadron, stationed at Montreal's Dorval Airport, will help move personnel and equipment to Naples but will not participate in UN force operations there.

Chamber Opposes Hospital Plan

OTTAWA — (CP) — The Canadian Chamber of Commerce today told Prime Minister St. Laurent it is opposed to the federal government's hospital insurance proposals.

"Such a plan would lead inevitably to compulsory health insurance of a comprehensive nature and to state medicine," the chamber said in its annual submission to the cabinet.

"... Any financial assistance provided by the federal government should be directed to the areas in which the individual is generally unable to help himself, the chronically ill and to those who suffer catastrophic medical expenses."

The chamber, representing more than 750 boards of trade and chambers of commerce, was referring to federal proposals to share with the provinces the costs of a hospital insurance plan and the first step toward a wider health insurance program.

Its comments on the hospital insurance plan highlighted a 39-page brief in which the chamber said corporation and personal income taxes are too high and urged that active government participation in business and international trade be kept to a minimum.

"The chamber is opposed to any form of compulsory health insurance or state medicine," it said. "So-called 'free' health services would result in vastly increased demands upon them."

It was inevitable that the cost of a compulsory, comprehensive national health program would be substantially more than present health expenditures in Canada.

"In a free society the individual has the primary responsibility to

Anti-Russian Feeling Running High In UN On Hungary Policy

UNITED NATIONS, N.Y. — (CP) — A rising tide of indignation over deportation of Hungarian patriots appeared today to assure overwhelming United Nations support for renewed pressure on the Soviet Union to change its policy in Hungary.

But a high Russian source indicated that the Soviet Union would not back down on its stand that the events in Hungary are none of the UN's business.

Indian delegate V. K. Krishna Menon was scheduled to take the General Assembly floor today on behalf of the proposal by neutral Asians seeking to break down Hungary's rejection of a UN observer team. A high Soviet source said this resolution was not acceptable.

Anti-Communist voices in the Assembly grew louder Tuesday, and cautious Asian and African states were discarding their earlier aloofness. The result was expected to mean heavy majorities for anti-Soviet resolutions.

At its session today, the General Assembly was scheduled to wind up debate on two major resolutions and a number of amendments.

A Cuban proposal linked the Soviet Union with genocide — the calculated destruction of a nation, people or group. It urged immediate steps to stop the deportation of Hungarians, and called for a return of those already deported.

A second resolution submitted by India, Indonesia and Ceylon noted conflicting reports on whether deportation was taking place and urged Hungary to receive UN observers. Hungarian authorities have refused to allow an on-the-spot check.

Throughout Tuesday — second day of continuous debate on Hungary — the Soviet Union and Hungary were repeatedly asked why they objected to observers if they had nothing to hide.

An urgent plan was presented to the Assembly to meet the immediate needs of thousands of refugees streaming westward into neighboring Austria. It came from Argentina, Belgium, Denmark and the United States.

The resolution urged governments and non-governmental organizations to make contributions for refugees to the secretary-general, the UN high commission for refugees, or other agencies.

The report said: "Unless there is a substantial increase in the rate of departures and other offers for resettlement, it would seem reasonable to anticipate that there will for the next six months be on Austrian territory at least 20,000 refugees from Hungary."

Russians Said Ready To Transfer Prisoners

VIENNA — (AP) — Hungarian nationals arrested by Russian troops during and after the rebellion will be turned over to Hungarian authorities, Radio Budapest said today.

The newscast failed to disclose the number of those jailed by the Soviet forces — estimated by Hungarian refugees to total several thousands — nor did it say when the turnover will take place.

Political observers here regarded the announcement as another measure by the Kadar government to quiet the Hungarian public, infuriated by the mass deportations of rebels to the Soviet Union.

Despite repeated assertions by Soviet and Hungarian Communist officials that neither counter-revolutionaries nor their families had been shipped off across the Hungarian border, refugees now streaming into Austria in an ever-increasing number from various Hungarian provinces confirm deportations by Russian troops.

Many of those who arrived here during recent days said they fled from their homeland to escape a similar fate.

World News In Brief

MONTREAL — (CP) — Five Hungarian refugees arrived here by air Tuesday, bringing to 11 the number to reach here since the start of the rebellion in Hungary.

The five asked that their names be withheld because of fear of Russian reprisals against their relatives at home. The group included two married couples from Budapest and a young welder from the city of Ozd, 120 miles north-west of Budapest.

NOTRE DAME-DES-LAURENTIDES, Que. — (CP) — Two persons were burned to death Tuesday night when fire swept through a bungalow in this community 15 miles north of Quebec City.

The victims were tentatively identified as Albert and Jacqueline Veziha but firemen said the bodies were so badly burned positive identification probably will take some time.

WARSAW — (AP) — Poland is expected soon to renew contacts on possible long term economic aid from the United States and Western financial agencies, informed sources said Tuesday night. Talks with Canada on short-term credits started, the sources said. Other talks aim at buying fertilizers and a small quantity of grain from West Germany.

HONG KONG — (AP) — Red China has given official approval to the Soviet Union's actions in Hungary. "What the Soviet Union has done in Hungary has no purpose other than to help the cause of Communism," an editorial in The People's Daily, official voice of the Chinese Communist party's central committee, said Tuesday.

TORONTO — (CP) — Communism has practically ceased to attract people but it is still a serious threat to the world, Prime Minister St. Laurent said Tuesday night.

It remains a tragic challenge for all who believe in freedom and in spiritual values, he told the closing session of the Catholic social life conference.

St. Andrew's Day To Be Observed By Mansonville W. A.

MANSONVILLE — The Woman's Auxiliary of St. Paul's Anglican Church met at the Parish Hall with the president, Miss Atwell conducting the meeting.

Mrs. M. Miller read the minutes and Mrs. C. S. Adams read a very satisfactory treasurer's report which showed a substantial balance.

Convenors of the Prayer Partner, Little Helpers, Work and Educational Committees gave good reports and final plans for the rummage sale were made.

It was decided to observe St. Andrew's Day, Nov. 30, with a Communion Service at 10 a. m. followed by continuous prayers by the members during the day.

Members were reminded that now is the time to renew their subscriptions for the "Living Message" the official paper of the Woman's Auxiliary.

Rev. E. F. Macklin opened and closed the meeting with prayers. Mrs. Alex Harvison, hostess, served refreshments at the close of the session.

Derby Line Girl Scout News Report

The Grade 5 and 6 Derby Line Girl Scout, troop No. 1 went on a beech nut hunt and cook out on Monday, Armistice Day holiday. There seemed to be a bounteous supply of nuts and the girls had a lovely time gathering and eating the delicious sweetness of the nuts.

A fire was built, with each scout cooking their own supper and were taken home by the leader, Aunt Ann Aldrich.

On Friday, after school, the Derby Line Brownie troop, No. 2, met at the Village hall from where they left on a hike through the cemetery, to the Butterfield Plant looking for hazel nuts. They also looked for stones to add to their collection, found and learned of the bark, seeds and leaves of the white birch trees. Returning to the hall, a friendship circle was formed for dismissal. There will not be a Brownie meeting on November 30, also each Brownie was asked to bring a small gift for a Sunshine basket.

The Girl scouts, Grade 5 through to High school met in the Village hall on Friday evening where many things came up for discussion. Each made a list of the badges earned and badges each would like to work on if assistance could be given by adults of the community. It was decided to send a box of clothing and used toys to the needy, one box will be sent to Germany and another of summer clothing to Haiti, these articles are to left at Lalimes Texaco station in Derby Line where there will be a box left for the articles. Should any one care to assist the girls in this project, they may also leave their donations there. The boxes will be packed and sent by the Senior Scouts.

Hobbies were discussed and games played with a jolly time enjoyed by all. The next meeting will be on December 4 and will be in charge of the Seniors.

Farm Forum Activities

DRAPER'S CORNER

The Ives Hill and Draper's Corner Farm Forum at the Cairns home was attended by 16 members and visitors, with Russell Nichols acting chairman.

The secretary was asked to send invitations to the Sherbrooke County Forums to a meeting in Ives Hill community hall on November 26th.

Fred Green reported on the directors meeting held in Montreal recently and a discussion on youth training program followed.

The broadcast was exceptionally clear and interesting. The farm management service was felt to be too expensive for an average farmer and should it be used, it was felt the government should help finance it, but what is our experimental farm for, if not to give advice in management experience. All felt no local farmer could afford the cost and if used the federal government should assume the cost.

A half hour recreation period followed then lunch.

While seated at the tables, Lee Pomeroy asked Mr. and Mrs. Fred Green to accept a woollen blanket from their Forum friends, as an expression of regret that they were leaving the community, but hoped they would continue to join this group whenever possible.

At a previous meeting at the Allison home the subject "Should farmers invest in marketing" was discussed with Albert Cairns chairman.

The broadcast was heard and all thought the marketing of

farm products needed to be improved.

They believed that farmers should invest in marketing by setting up co-ops and produce an even flow of products to market.

The next meeting will be with Mr. and Mrs. S. Cairns.

Cards were played at two tables. Mrs. Allison and Miss P. Allison served refreshments.

DIXVILLE—

Mr. W. T. Parker, who has been a patient in the Sherbrooke Hospital, has returned to his home, much improved in health.

AC2 Gilles Charest, of Aymer, Ont., is spending a few days with his parents, Mr. and Mrs. Alfred Charest.

Mr. and Mrs. Alva Mailhot and daughter Linda, of Sherbrooke, were week-end visitors of Mr. and Mrs. Peter Mailhot.

Miss Elvera Cutler and Mrs. Ervin McIntyre accompanied Mr. and Mrs. Jack Brown and family to Montreal for the week-end.

Friends of Mrs. Willard Byron are sorry to know that she has been ill and confined to her bed for a few days.

Friends of Mrs. Wallis Bailey were sorry to hear that she received a telegram telling of the death of her only brother in London, England.

Recent guests at the home of Mr. and Mrs. Clayton Thomas included Miss Beulah Thomas, of Sherbrooke, and Mrs. Clytie Nimms, of Holyoke, Mass.

Mrs. Lorne Bogie, Helen Anne, Donna Lee and Marilyn were week-end guests of Mrs. Bogie's parents, Mr. and Mrs. Ora McIntyre.

Mrs. Maud Cutler, of Compton, is visiting friends and relatives in town for a few days.

Local Rotarians Amazed By Mind-Reading Display

Uncanny, mystifying, extraordinary — it's hard to know what adjectives would best describe the unusual program presented last night by the psychologist and humorist, Dr. Henry Gerald, at the Sherbrooke Rotary Club's ladies' night.

For two hours, Dr. Gerald, who might better be termed a mentalist, demonstrated the unbelievable in a humorous, fascinating manner. He kept the audience spellbound with his amazing mental powers and he also kept them in a continuous state of laughter, with his jokes and ready wit. It is no exaggeration to say that Sherbrookers have never seen anything like it.

Dr. Gerald came to this country from Denmark eight years ago and speaks with a broad accent which, if anything, adds to his presentation. A tall man with quick, nimble movements and flashing eyes, Dr. Gerald used no props except the paper and pencil needed to jot down facts. It was strictly a matter of thought processes, of mind over matter.

He demonstrated such things as telling family names, those of mothers, fathers, distant relatives, maiden names, etc., all by reading the thoughts of the person concerned; of telling the se-

rial numbers on dollar bills which he had never seen, those produced by members of the audience; of duplicating geometric drawings; of producing the sum of four different sets of numbers in the minds of four people.

He also found hidden objects through what he termed materialization of thoughts, where the party who did the hiding guided his actions through thought alone.

The highlight of the program came when members of the audience passed in questions on every conceivable subject from lost objects to past and future questions concerning family members. Without looking at the question, but only at the person who asked it, Dr. Gerald gave the answer and oftentimes more than the questioner intended in a sometimes embarrassing revelation. He would strike right at the source of the question with amazing accuracy.

It was undoubtedly an evening's entertainment which Rotarians and Rotary-Anns will not easily forget. Dr. Gerald was introduced by Hawley Griffith and thanked by David Green, chairman of the program committee. President Art Kerridge extended a welcome to the large number of Rotary-Anns present at the meeting and introduced those at the head table who were Mrs. Hawley Griffith, Mrs. Kerridge, Mrs. Cliff Bryant, Mrs. Guy Desmarais and the speaker's wife, Mrs. Henry Gerald. Also seated at the head table besides the president and Dr. Gerald, were Hawley Griffith, Cliff Bryant and Guy Desmarais.

Met Opera Stars At Community Concert

Eugene Conley, American lyric tenor, and Miss Nadine Conner, soprano star of the Metropolitan Opera, will be guest artists at the second Community Concert of the season to be held in the Granada Theatre next Tuesday night.

The two will be heard separately in selections from Carmen Faust, La Boheme and Rusalka, while they will join in duets from Lucia di Lammermoor, La Boheme, Carmen and Manon.

Both artists have been heard throughout the world, where they have attained outstanding success. Miss Conner made her Metropolitan debut in 1941 and Mr. Conley in 1950.

Since his Metropolitan debut, Conley has continued to add laurels to his distinguished career. Among his notable successes at the citadel of music was his creation of the title role in the American premier of Stravinsky's *The Rake's Progress*. He was a European favorite for many years before his Met debut through performances in the leading opera house on the Continent. His appearance at the Royal Opera House in Stockholm was the first for an American since 1939.

In addition to countless recital appearances, Conley has appeared with many of the nation's top orchestras. Radio and TV audiences are familiar with Mr. Conley through frequent appearances on "The Telephone Hour."

"The Voice of Firestone," and "The Woolworth Hour." 1956-57 engagements include performances at Philadelphia's Robin Hood Dell, the Cincinnati Opera, San Antonio Opera and the San Francisco Cosmopolitan Opera, in addition to innumerable recital and orchestra appearances.

Nadine Conner is beloved as one of the Metropolitan Opera Company's stellar sopranos. And not only at the Met but in cities from coast to coast, in concert, on radio and television, the gracious singer "with the golden tonal beauty" has won favorites with all.

Familiar to all opera listeners for her matchless interpretations of many leading soprano roles, Miss Conner sang Mimi in the Metropolitan's gala premiere of an English-language production of "La Boheme," which took place on a Saturday matinee broadcast. Later in that season she starred in a special version of the work on the distinguished TV program of "Omnibus."

She is a favorite on the operatic stages of such cities as San Francisco, New Orleans, Cincinnati, San Antonio, Pittsburg, Mexico City and Havana. Last season, Miss Conner's poignant portrayal of the Innkeeper's Wife in General Electric's telecast of Stephen Vincent Benet's "A Child Is Born" was an impressive highlight of an already illustrious radio and TV career. As one critic described Nadine Conner, "She not only sings like a goddess and looks like one, and while the ear is enchanted the eye is delighted also."

75 Expected To Join In Halifax Trip

Plans for the Sherbrooke-Halifax twinning trip are taking on a more complete form according to the committee which is organizing the trip.

About the only indefinite item now is the number of persons who will leave Sherbrooke Dec. 5 for the Nova Scotian capital, but indications are that some 75 people likely will attend the ceremonies, which will officially twin the cities of Halifax and Sherbrooke.

Those going will board the CPR train here Wednesday night Dec. 5, and arrive in Halifax the following day at 6:30 p.m. During the stay in Halifax everyone will sleep aboard the train with the exception of the Mayor, who will be provided with a suite of rooms in a hotel which adjoins the station.

Besides the Mayor, those attending the four-day events from City Council will be Ald. Carrier Fortin, chairman of the General Administration committee and council leader, Ald. Everett Nicol, Gerard Berard, Paul Gervais and Tony Pinard.

Speeders Beware!

Camera Proves Law Violations

By GERALD MCDUFF
 Several automobile drivers from the district have been in the movies lately—unfortunately the producer was not from Hollywood but from the Provincial Police Traffic Department.

Lt. Arthur Barre, of the local traffic squad has been touring the highways and by-ways of the Eastern Townships for the past few weeks with a 35 mm camera photographing speeding motorists. Any driver who figures he can outsmart the police will probably be slightly embarrassed when he is presented with pictures showing him violating the speed laws.

The camera, one of four in the province, was rented from an American firm about three months ago by police in a further effort to fight speeding on the roads and reduce the accident toll.

It often avoids costly court trials but, more importantly, substantiates police evidence against violators.

Built on a special carriage, the camera is fixed close to the windshield directly in the center. A watch surmounted on a speedometer with a small slot for the date is part of the internal mechanism. As a picture is taken the time, speed and day appear on the upper right hand corner.

One hundred feet of film are used in the camera and either still or moving pictures can be taken. The trip lever is handily tied to the gear shift of the police car within easy reach of the driver. The car and camera speedometers are synchronized.

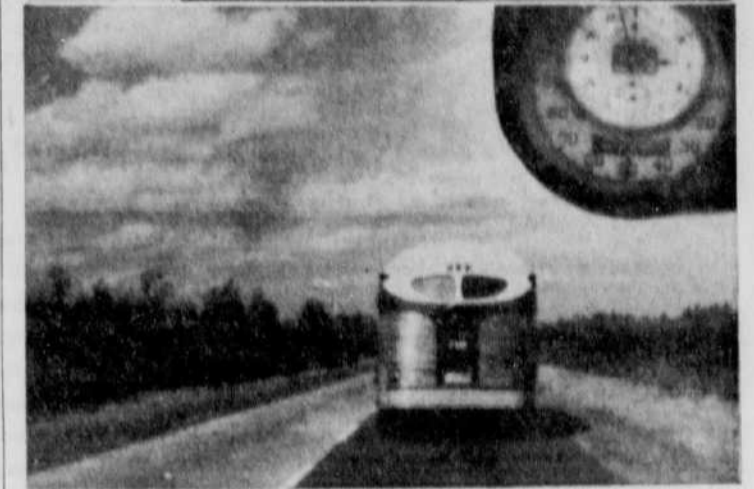

Mr. Barre said the camera must be about 40 or less feet from the car in order to photograph the license clearly. The officer takes three or four shots at approximately 10 feet intervals. An average of 20 photographs are taken in each case. Pictures can be cut singly from the film and the roll reused.

A zigzagging car can not escape the watchful eye of the camera. The officer merely photographs the vehicle using the moving picture speed.

But an added advantage of the camera is that it can be removed from the carriage, and used manually. It has proved its worth many times in the case of highway accidents.

Lt. Barre says although this is the first time the camera had been in operation here he does not know how long it will stay.

So before you decide to step on the gas, look over your shoulder, there may be a camera behind.

Sure Catch — Lt. Arthur Barre, above, of the Provincial Police Circulation Department, loads the 35mm camera into specially-built carriage in his police cruiser. The camera is the latest device used by police to combat speeding on the highways. Below, is an example of a finished picture showing the speed, the time and the date when the violator, motorist was photographed.

Come On Winter!

Snow Removal Equipment Ready For Winter Blizzards

By WARREN SPAFFORD
 Sherbrooke's snow removal equipment is poised and ready to rumble into action at the drop of a snow-flake. But that has yet to come.

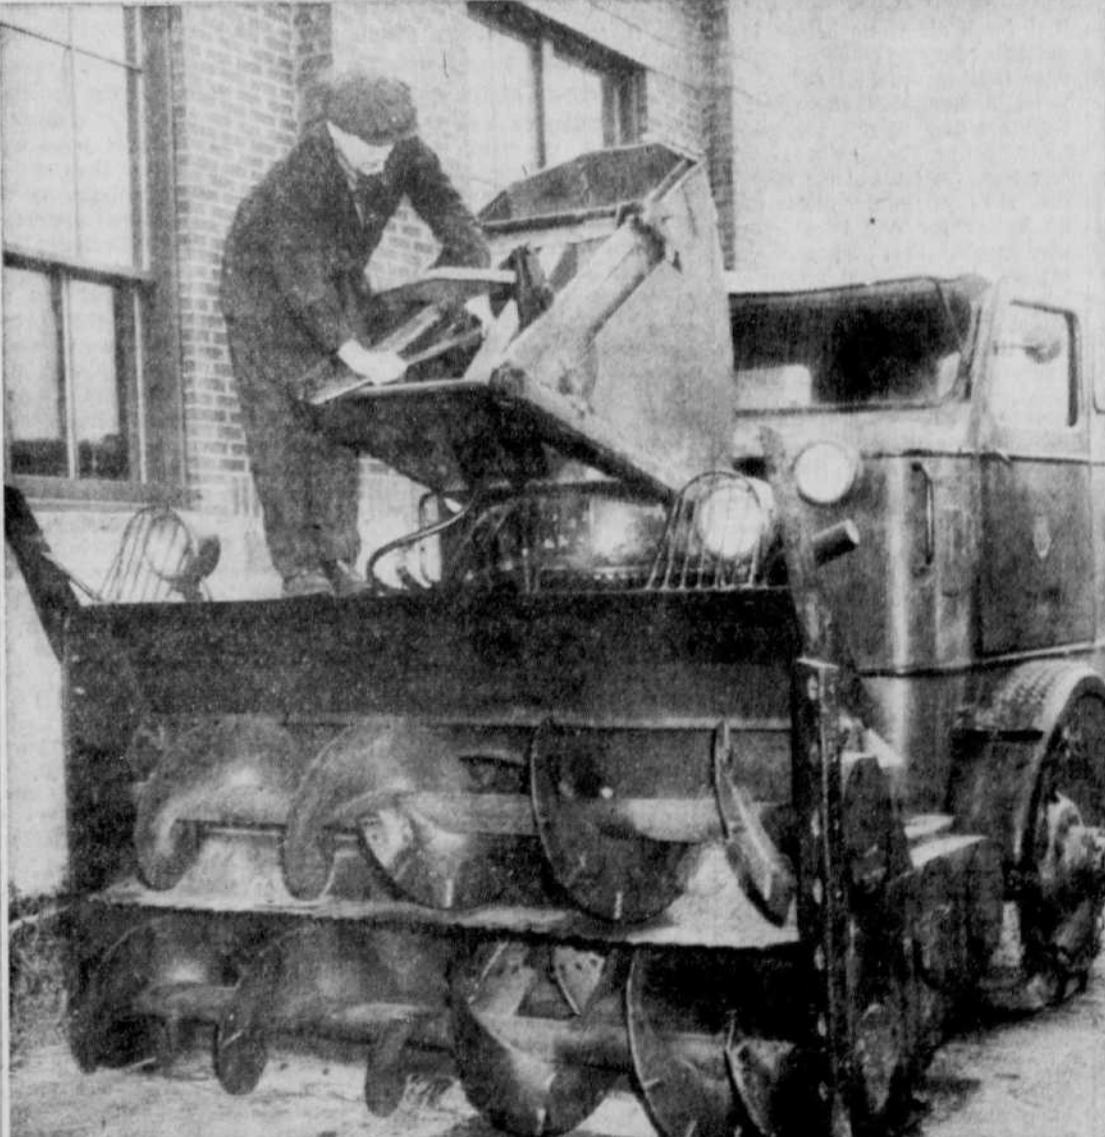

Sherbrooke's Director of Services, Charles Langlois declared today that all the City's equipment has been overhauled and is now awaiting winter. The City maintains over 100 miles of streets while range roads and other arteries leading into Sherbrooke are maintained by private contractors on a so-much-a-mile basis.

Equipment required by the City to provide fast and efficient snow removal is costly as is the manpower and time. Mr. Langlois said the City has three snowblowers, seven truck-driven snowplows, six tractor-like plows to scrape sidewalks and three graders. All these are used during the winter season to remove snow from our streets.

Apart from this heavy equipment, considerable quantities of salt and sand are required to keep the streets and sidewalks from becoming ice-covered and dangerous. The Director of Services said an attempt will be made this coming winter to mix salt and sand together for use on the streets, but the City will have to continue spreading sand on the sidewalks, as people track salt into the house, playing havoc with floors and rugs. Mr. Langlois believes that the mixing of sand and salt on the streets will result in a small economy for the City.

Last winter men working on snow removal were divided into teams and shifts, which meant that there was someone working on the streets almost 24 hours a day. This year, if possible, Mr. Langlois stated, the same system will be continued, because again here, considerable money was saved.

The fact that snow removal costs money has been borne out

Snowblower Ready — This snow-blower, only part of the City's heavy equipment used for snow removal, is shown being given the finishing touches in preparation for winter by mechanic Robert Choiniere at the municipal garage. (Record photo by Gerry Lemay)

In many a budget and financial statement. For instance during 1956 the cost of cleaning and sanding sidewalks was estimated at \$39,000 but before the year is out it may cost \$3,000 more. The bulk estimate for snow removal, scraping and sanding, ice removal and trenching, snow fences, cinders and salt was \$122,000 when the 1956 budget was brought down. As last winter brought a heavier than average snowfall these estimates have been advanced to \$137,200. At any rate everything is geared and as Mr. Langlois says, "We are ready and waiting."

Sweater Stealing Brings Long Term

Philippe Lafrance of Sherbrooke, a recidivist with a long record of offenses, was condemned to six months in jail by Judge Edouard Marier in Magistrate's Court yesterday on a charge of stealing \$7.96 worth of clothing apparel from the Au Bon Marche.

Lafrance was ordered to return to jail after recently completing a three-month term. He was given the six months for stealing two sweaters.

World Communism Staggers

It may be small consolation for the many who died in the many still suffering in Hungary, but there seems no doubt that their revolt and subsequent implosion is having a tremendous impact on Communist party-liners in all sections of the world.

In Canada, for example, the Communists were making rather startling advances in the years immediately following the Second War — particularly in political and labor fields. The Party's newspaper, The Tribune, reached a circulation of 17,000 at one point and even took a brief, though disastrous, whirl as a daily instead of a weekly.

But the newspaper's popularity simply couldn't hold up in the face of world events of the past few years. Its circulation, now, has dwindled to less than 10,000 and a recent campaign for funds flopped so severely that its publishers doubt their ability to continue operation much longer.

The impact of the Russian double-shuffle following Stalin's death was a heavy one. Some of the party-liners began to doubt, others clearly didn't know which path was to be the proper one. And a confused Communist is not a good Communist.

The Canadian Communist picture, beyond the Party's waning influence, is not clear. A few Quebec followers have expressed some dismay at recent events, but there has been little indication from Party Leader Tim Buck and his top cohorts of what will be expected of good Canadian Communists in the future.

We wonder — and so must the faithful — what the "official" reaction will be in this country. In Iceland, there has been outright revolt against the Russian suppression in Hungary. Parties in Britain, France, Italy and elsewhere are in a turmoil, with many desertions reported.

It may well become a rout.

Another Winter Hazard

Increased use of electricity during winter months brings a substantial increase in fires and accidents across Canada, with as many as 125 tragic fires a week.

Officials say that Canadians have been buying more useful and time-saving electrical appliances than ever before, but warned that many home wiring systems have not been checked for many years.

A blown fuse is a warning that circuits are overloaded or defective, officials said. Makeshift fuses and tampering are major causes of destructive and tragic fires in the home.

Safety experts recommend the following precautions for the winter months:

1) Employ only skilled electricians

for installation and maintenance of electric wiring and appliances; make sure circuits are heavy enough to carry peak loads.

2) Overloaded circuits and use of improper fuses or substitutes is hazardous.

3) Never string wires under rugs, over hooks or in exposed places where constant wear will make them dangerous.

4) Choose only recognized brands when buying appliances, and preferably ones bearing the Underwriters Laboratories seal of safety.

5) Never leave electric iron with current on.

6) Be on the lookout for breaks and signs of wear in lamp and appliance cords.

This And That...

Glory be! Even Nehru has finally decided that the Russians had no business smashing the freedom revolution in Hungary.

The Russian Communist party newspaper Pravda accuses Yugoslavia's Tito of showing "tendencies to interfere in the affairs of other Communist states." What the Russians did in Hungary, is different, of course. To the Russians, interference

is interference only if somebody else is doing it.

It would be wonderful if the Eastern Townships could get through just one fall without a hunting fatality. Two deaths on the weekend point up tragically the danger that accompanies this sport. Despite safety campaigns and endless warnings, hunters still manage to shoot each other with alarming frequency.

Press Comment

SO FRESH AIR IS JUST A NOTION!
(Ottawa Journal)
In the clutter of world-shaking events space has to be found to record the conclusions

of Dr. John Todd of Farnham Hospital in Surrey, England.

Dr. Todd casts a sceptical eye on some of our fondest beliefs. He says, for example,

From The Pen Of E. T. Writers

IF

If I have lightened the toil
Of someone's weary hands,
And given flowers from the soil,
I, myself in richness stand,
If I have brought a smile,
By a kindness meanwhile,
Then I have helped the race,
By helping them across the road,
Then it has been a pleasant day.

WINIFRED F. DEWING,
Huntingville, Que.

I'LL JUST SHOW HIM MY POOR HANDS

A young girl's mother had died years ago
And she had to learn to cook and sew,
To wash the clothes, and scrub the floor.
Till her arms ached, and her back got sore.
She toiled for her Father, her brothers and sisters
Till her hands were swollen, and covered with blisters.
No Family Allowances were there in those days
And life was tougher in a great many ways.
Alas, this sweet little girl, developed T.B.
And would soon join her Mother, 'cross the Crystal Sea.
At last the Doctor her Daddy did tell,
His dear daughter must go to the hospital.
The we ones wept with grief and pain . . .
Saying, Nellie will never come home again.
Through the hospital ward one day, came a caller
In clothes of black, and stiff white collar,
Of groven mien, and sanctimonious air.
Which today, thank goodness, is seldom among us.
He approached the cot of the little maiden,
Who from this world, would soon be taken.
With mien so grave, and manner so haughty . . .
As though he were righteous, but children so naughty.
He asked the maiden a challenging question . . .
"Have you ever been to Confirmation?"
"No Sir," the maiden answered, "no."
"Then in tone that could have paralyzed,
"Well then, have you ever been Baptized?"
"I cannot say Sir, I do not know."
Again asks this self-righteous fool,
"Have you ever been to Sunday School?"
This fair maiden replied, "I had no time, Sir."
"What then, will you say, when you meet The Christ, some day?"
"All things Jesus understands, I'll just show Him my poor hands."
TOM GORDON.

that fresh air is no better for us than fuggy air—"no evidence that an open window provides a healthier atmosphere than a stuffy room". He finds no evidence that eight hours of sleep is a "must" for everyone. He says regular meals are no better for one than irregular meals, that summer vacations do not build up resistance to infection but have an effect "purely psychological", and that sun-bathing is beneficial.

So now with medical authority we can relax in our smoke-filled room, sleep with the window shut, eat only when we are hungry, and realize with the Farnham doctor that it takes more than "early to bed and early to rise" to make us healthy wealthy and wise.

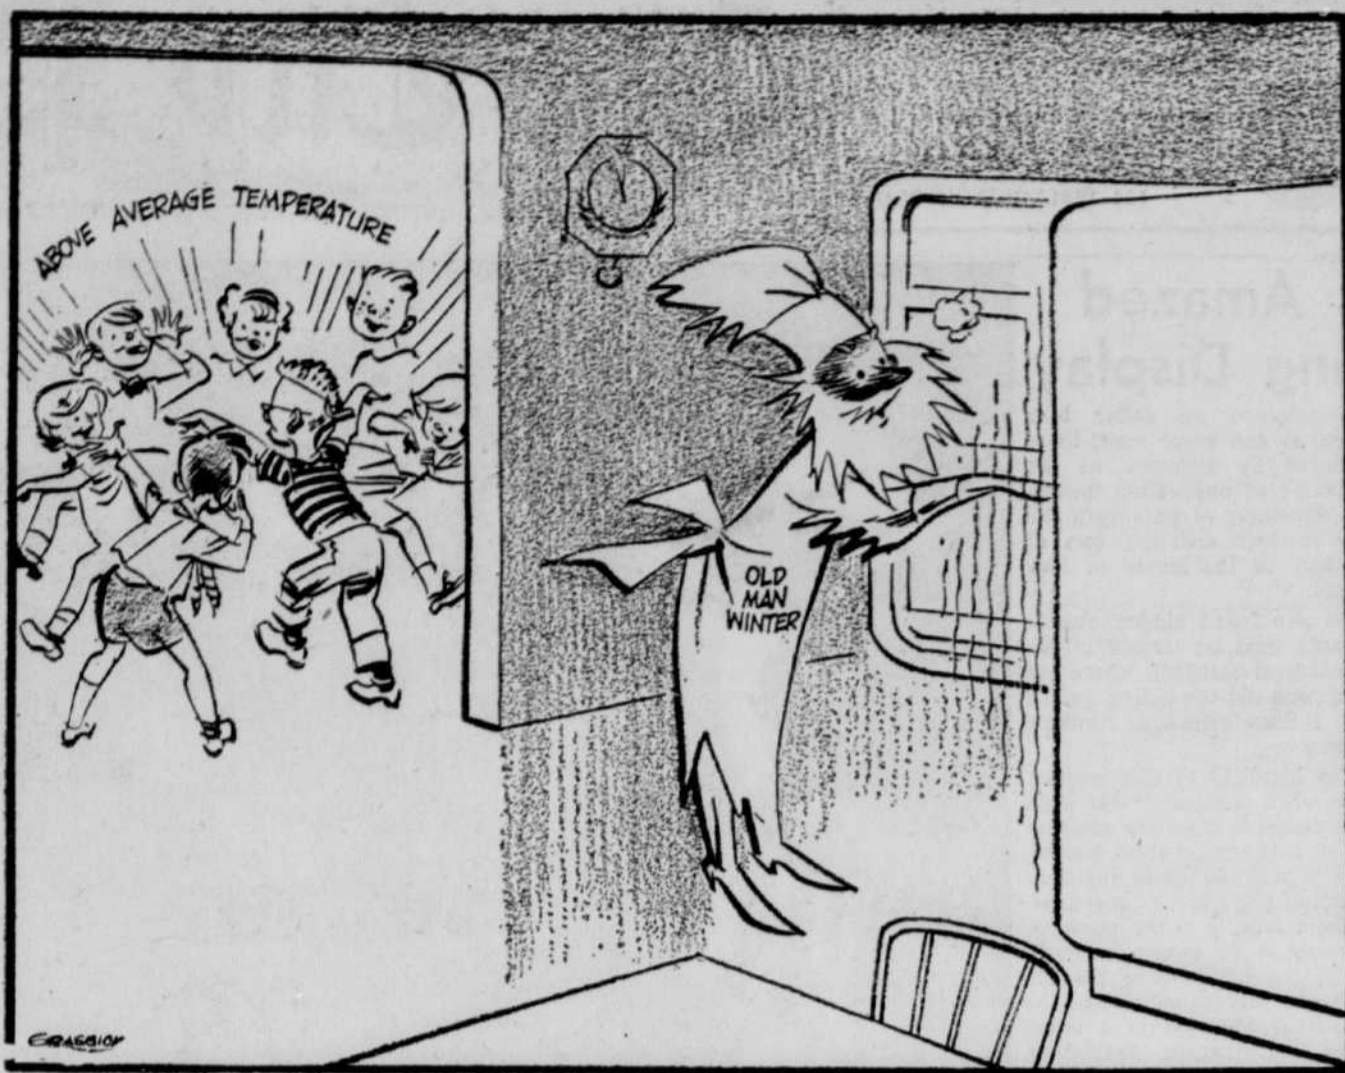

We could wish Dr. Todd had gone on to broaden the field to include other popular convictions: that exercise, for example, is essential to health, that reading in bed is bad for the eyes, that a cigarette before breakfast is an iniquitous piece of indulgence, that going hatless makes the hair grow, and that an apple a day keeps the doctor away. In this last position it could be that Dr. Todd's interests would conflict with his theories.

STRATEGIC SPOT

Aqaba, meeting point of Egypt, Israel, Jordan and Saudi Arabia, was a busy Arab port in the 10th century.

"HMM - TIME TO BREAK UP THE PARTY!"

Careless Or Carefree

Hamilton Spectator

When a statement is repeated often enough and loudly enough, people are apt to believe it whether it is true or not, something Hitler discovered very early in his career. For some years now we have been hearing at breakfast time, over the radio, and reading on the billboards, the injunction to motorists to watch out for children in the streets. "Remember," it says in gentle tones, "children are not careless; they're carefree."

The implication, it seems to us, is not altogether a healthy one. It suggests that children are beyond being either careless or careful, that they are living an idyllic sort of existence in which they have neither responsibility nor direction of will. To approach our children in this spirit, surely, cannot do other than encourage them in the social attitudes which all too clearly are prime factors in the incidence of juvenile delinquency.

To accept so blithely the statement that children are "carefree" is about on a level with saying that children are neither moral nor immoral, that they are simply amoral, the little dears, and who would expect them to be otherwise?

Surely it is the duty of parents, almost above all other

duties, to start their children at the earliest possible age to recognize the difference between being careful and being careless, just as they must be taught to recognize the difference between right and wrong. Carelessness, after all, is as great an evil as dishonesty when measured in terms of its effect on the individual and the community.

Children are born carefree. They will remain carefree — and careless — for the rest of their lives unless they are quickly shown otherwise. To take it for granted that children are carefree, and do nothing about it, is not much better than laughing at a child when it's caught stealing.

KHRUSHCHEV'S JOB

(Ottawa Citizen)
According to rumors from Warsaw, Mr. Nikita Khrushchev may lose his job as secretary-general of the Russian Communist Party because of events in Poland and Hungary. One group of people who would regret this would be the world's newspaper cartoonists, who have rarely found a subject so suitable for caricature.

SOLUTION FOR SMOG

Bygone Days

From the Record of Saturday, Nov. 21st, 1936.

German government spokesmen declare that the principle of "benevolent" neutrality among the Fascist powers in future wars rather than an outright military alliance is the basis for the new agreement signed between Germany and Japan.

Officers elected at the annual meeting of the Ligar United Church Women's Guild were: Mrs. K. Armstrong, Mrs. Muriel Carson, Mrs. Harold Gunter and Mrs. Selvin Lyster.

The socialist forces claim to have registered substantial gains in the counter-offensive launched against Madrid, part of the famed University City being regained. Franco has expressed his "warm thanks" to Italy for recognizing the Insurgent regime.

TEN YEARS AGO

From the Record of Thursday, Nov. 21st, 1946.

Contempt citation papers are being drafted today against John L. Lewis by the United States Federal Attorneys for defying a court order. The coal-burning railroads have only enough fuel for 30 more days of normal operation—some have only enough for 10 days. Coupled with this, most of the steel mills will have to close down by the first of December, if the strike continues.

Military Government officials and German politicians agreed today that American-occupied Germany shows no signs of turning politically red, or even pink in next week's elections. In numerous elections throughout Europe during the past year this southwestern section of Germany has stood out in bold relief as a comparative stronghold of conservatism.

JACOBY On Bridge

SOUTH BRINGS IN ELUSIVE BY —TRICK

How can you make sure of winning a spade trick with the combination of cards shown in today's hand? There is a way, provided that you make proper preparation.

West leads the jack of clubs, and East takes the ace and returns a club. You draw two rounds of trumps and can now plan your play in spades.

Planning is not the same as playing. If you lead spades at this moment, East will be able to top anything that dummy plays and will be able to get out safely with a diamond. You will then have to lose two more spade tricks. The correct play is to cash all three diamonds before touching the spades. Only then can you afford to lead a spade from your hand.

If West plays a low spade, you finesse the ten from the dummy. If West plays the queen of spades, you intend to put up dummy's king. In any case, East is obliged to win the trick and must then return a spade. (If East returns anything but a spade, you can ruff in dummy and discard a losing spade from your hand.) If the spades are played in this way, dummy is sure to win a trick with either the king or the ten.

"Big-Time" Talent For Richmond's Scottish Concert

RICHMOND - The St. Andrew's Society has gone into the field for its "big time" Scottish concert which will be presented at the Myra Theatre at 8:30 p.m. on Saturday, December 1.

The committee in charge announces this year's show will be headlined by Jock Laurie and his R. C. A. F. Pipe Band from 401 Squadron, Montreal, which took top honors in Edinburgh, Scotland, two years ago. To add polish to the event they have acquired the services of Gerry Hebert of Station CFCF, one of Montreal's top disk jockeys.

Ronnie Mathews, also of CFCF, will accompany Fred Hill, noted tenor of CFCF fame, and Ella Scott, a singer noted for her Scottish ballads, is taking leave of the Stork Club to be on hand. To add to the color to the Pipe Band, the Society has booked a group of Scottish dancers from Sherbrooke.

December 1 will be a night to remember in Richmond, as this year's St. Andrew's celebration takes on a new look, an evening of entertainment for the whole family.

To Present Play At Drummondville Home And School

DRUMMONDVILLE - The regular monthly meeting of the Drummondville Home and School Association will be held on Thursday, November 29, at 8 p. m. in the school auditorium.

A short play entitled "And You Never Know," starring Denis Northote, Mrs. C. C. Cannon and Miss D. Mains, will be presented, followed by an open forum, led by Alex Gnaedinger, to discuss the situations revealed in the play.

A lot of time and effort have been put into the play and the executive hopes that all members will attend this interesting meeting.

LADD'S MILLS - Mr. and Mrs. Stanley Drew and family were recent visitors of their sisters, Mrs. W. Cunningham in Stanstead, and Mrs. Rene Rodrigue in Rock Island.

Miss Rowena Sutton of Barnston, spent the week-end with her parents, Mr. and Mrs. Hubert Sutton.

Miss Hazel Bailey of Sherbrooke, spent the week-end in Coaticook with her mother, Mrs. Homer Green, and aunt, Miss Hazel Bishop.

PIGEON HILL - Mr. Sidney Laycock was taken to the Notre Dame du Rosaire Hospital in Bedford, after suffering a stroke.

Mrs. Belle Bockus is spending the winter months with her daughter, Mrs. H. Douglas in Stanbridge Ridge.

Joe L. Brown Will Direct Pirates For Another Year And Maybe Longer For His Reward On Team's Showing

PITTSBURGH (AP) — General Manager Joe L. Brown will direct the Pittsburgh Pirates for another year and possibly longer as a reward for his part in the National League club's most successful season in five years. John Galbreath, Pirate president, announced the signing of Brown Tuesday. Salary terms and length of contract were not revealed.

Galbreath, expressed hope, however, that Brown would remain with the club for many years, saying:

"This past year was a trying and challenging job for Joe and it proved to be a most successful one. I am very well pleased with the recent progress of the Pirates and the Pittsburgh organization."

Brown, 37, was hired last year to succeed Branch Rickey Sr., who remained with the club as board chairman, and adviser. Rickey, lauding Brown's retention, said however, that he has

Adios Harry And Dottie's Pick To Meet In Race

YONKERS, N.Y. — (AP) — Agreement was reached Tuesday on a \$25,000 winner-take-all one mile match race at Yonkers Raceway next Tuesday night between two of the world's outstanding pacers — Adios Harry and Dottie's Pick.

Dottie's Pick won the \$75,000 American classic at Hollywood Park in straight heats, stepping the second dash in the season's record time of 1:57.4/5. Last Saturday at Hollywood Park the mare went a mile against time

in 1:56.4/5. Adios Harry, world record holder, set his 1:55 flat record last year at Vernon Downs, N.Y. Two weeks ago Adios Harry won the \$75,000 Eastern Championship Pace at Yonkers. Adios Harry is owned by J. Howard Lyons of Greenwood, Del., and driven by Luther Lyons. Del Miller, trainer-driver of Dottie's Pick, is flying the mare here from California, arriving today. Dottie's Pick is owned by J. Elgin Armstrong of Brantford, Ont., Canada.

Don Newcombe, Biggest Brooklyn Winner In 32 Years, Named As National League's Most Valuable

NEW YORK (AP) — Pitcher Don Newcombe, whose 27 victories made him the biggest Brooklyn winner in 32 years, was voted today the most valuable player in the National League for 1956 by the Baseball Writers Association of America.

The big righthander edged out his mound mate, Sal Maglie, by a scant 40 points in one of the most spirited MVP races in recent years. Seven players received first place nominations by the 24 voting writers and five accumulated more than 100 points. Not since Hank Sauer nosed out Robin Roberts and Joe Black in a three-way battle for the 1952 award has there been such a close race.

The 30-year-old Newcombe, who lost only seven games all season and but two of his last 29 decisions, topped the list with 223 points. His sub-par world series performance — he was knocked out of the box in both starts — did not figure in the balloting.

Maglie, who won 13 games including a no-hitter while losing only five after joining the Dodgers in mid-May, was second with 183 points. Then came Milwaukee's Hank Aaron, 146, and Warren Spahn, 128. Junior Gilliam, another Dodger, rounded out the first five with 103 points.

Brooklyn players dominated the first place votes. Big Newk, the only man whose name appeared on all the ballots, received eight. Maglie and Gilliam got four each. Roy McMillan, Cincinnati's spectacular shortstop who wound up a strong sixth with 96 points, and Pee wee Reese, the

Bardstown Hurts Right Hind Ankle

BALTIMORE — (AP) — An injured right hind ankle probably will keep Calumet Farm's Bardstown out of Thursday's Pimlico Special, narrowing the field to six possible starters.

Trainer Jimmy Jones was unable Tuesday to give his popular handicap star a final workout for the \$50,000-added Thanksgiving Day special when Bardstown's right forelock was bleeding again after only a short gallop.

"I'm afraid if I would work him today and then run him right back on Thursday I'll make a meat ball out of his ankle and it would take three or four months to repair the horse," Jones said.

GROWING INDUSTRIES
Number of workers employed in manufacturing in the three Prairie provinces in 1955 was 98 per cent greater than 1939.

Dr. and Mrs. L. A. Littlefield, of Cambridge, Mass., arrived this morning to attend the family dinner, in honor of the eighty-fifth birthday of the latter's father, Mr. J. R. Sangster, taking place this evening at Rockcliffe.

Mr. and Mrs. Geoffrey Edgell, of Montreal, who were here to attend the funeral of Mrs. E. F. Smith, held yesterday in St. Peter's Church, were guests at the Magog Hotel and visited the former's sister, Miss Kate Edgell, on Ontario St.

Mrs. G. D. Scannell, formerly of Cambrai St., was guest of honor, prior to her departure to reside in Montreal, at a party given at the home of Mrs. Wyatt Savage, Cresse St. The hostesses were Mrs. Savage, Mrs. Ralph Caunter, Mrs. Eddy Echenberg, Mrs. Jack Maher and Mrs. Stanford Rowe.

Refreshments were served by the hostesses, assisted by Mrs. R. Echenberg.

Mrs. Scannell was presented with a very attractive gift by Mrs. Caunter, on behalf of the group, whose wishes she voiced for much happiness in her new home.

Lieut.-Col. and Mrs. A. G. Sangster, of Ottawa, and Mrs. W. R. Whitehead, of Saint John, N. B., arrived today to attend the family celebration in honor of the eighty-fifth birthday of Mr. J. R. Sangster and will be guests for a few days, of Mrs. Andrew Sangster, Quebec St.

Miss Geraldine Hebert, London St., and Mr. and Mrs. Wallace Hebert, of East Angus, were in Granby on Monday to attend the funeral of their cousin, Mr. Ivan Monty, which took place in St. Joseph's Church.

Mr. and Mrs. Charles Ross, Mr. and Mrs. Forest Millar, and Mr. and Mrs. Milton Cruickshank, were in Montreal on Saturday, where they were guests at the Hammond — Hughes wedding.

Mr. Lloyd Bowen, of Toronto, Ont., who was in town to attend the funeral of Mrs. E. F. Smith, which was held in St. Peter's Church, yesterday afternoon, was the guest of Mr. H. E. Grundy, Q. C. and Mrs. Grundy, Quebec St., while in town.

Mrs. C. P. Buckland, The Montreal, has returned from Montreal, where she was the guest of Mr. and Mrs. S. C. Jennings, at Notre Dame de Grace.

Miss Greta Devine has returned to Quebec City, after having spent a few days with Mr. and Mrs. E. M. Goodfellow, Scotch Rd.

Friends of Mr. Gerald Decoteau, Brompton Rd., will regret to know that he is a patient in the Sherbrooke Hospital, where he underwent surgery.

Mrs. Emma Cox, Moore St., has returned from Websterville, Vt., where she was the guest of her niece, Mrs. Gilbert Lowry and Mr. Lowry, for a week.

Mrs. G. D. Scannell with her children, Linda and John, formerly of Cambrai St., left on Monday to join Mr. Scannell, in Montreal, where they will take up residence.

Among relatives of Mr. J. R. Sangster who will be guests at the family dinner being held in his honor at Rockcliffe, tonight, will be Mr. and Mrs. T. M. Hall, of Montreal West, and Mr. and Mrs. Frank Woodard, of North Hatley.

Mr. and Mrs. Geoffrey Constable have returned to St. Laurent, after being in town for a few days, called by the death of Mrs. E. F. Smith, whose funeral took place yesterday in St. Peter's Church.

Experts recommend that a child should be taken for the first dental checkup at the age of three.

Christmas Tea Of St. Monica's Guild Well Supported

A Christmas atmosphere pervaded St. George's Hall, Lennoxville on Thursday afternoon last when St. Monica's Guild held its annual tea and sale. Festive trimmings with evergreen background decorated the upper hall where the various sales tables were arranged and where the focal point of attention was the huge sparkling Christmas tree. The tea room in the lower hall carried out the same theme.

Mrs. H. Nichol, president of the Guild, with Mrs. A. Jones received the scores of guests who patronized this popular event while Mrs. R. Clarke acted as cashier.

Deep red carnations and tall matching candles formed an attractive arrangement on the white covered tea table where the pourers were Mrs. T. Wells, Miss D. Sterling, Mrs. G. Herring and Mrs. E. Frost. In charge of the tea room was Mrs. C. Parkin who was ably assisted by many of the members. Mrs. J. Mitchell and Mrs. R. Hall looked after the waitresses and Mrs. E. Siveright took charge of the decorating.

The gaily wrapped parcels under the Christmas tree were sold to the delighted youngsters by Mrs. D. LePoidevin and Mrs. E. Hobbs. The novelty table was convened by Mrs. R. Pearce and Mrs. L. Memory while Mrs. E. Johnston, Mrs. L. F. Jenne and Mrs. R. Harding were in charge of knitted items and yard goods. Mrs. F. Smith, Mrs. E. Findlay, Mrs. D. Brassier and Mrs. D. Ives were at the table of home cooked food and Mrs. N. Hunting and Mrs. P. Trafant at the apron table. Co-conveners of the jam and pickle cupboard were Mrs. G. Gerard and Mrs. D. Miller.

Miss M. Hurley was in charge of the drawings which were won by Mrs. C. Winget of North Hatley and Mrs. R. Corriveau of Sherbrooke. A water color, donated by Mrs. A. Jones was won by Mrs. E. Fidler at a guessing contest looked after by Mrs. K. Herring.

Marriages

TINMOUTH—TURCOTTE
OUTREMONT—The marriage of Mary Madeleine, daughter of Mr. and Mrs. E. J. Turcotte, of Outremont, to Mr. Thomas A. Tinmouth, son of Capt. and Mrs. T. W. Tinmouth, of Ville St. Laurent, took place on Saturday morning in the Church of St. Raphael the Archangel, Archbishop Gerald Berry, of Halifax, officiating. Mr. R. Fournier sang during the service and white chrysanthemums arranged with greenery and candles in candelabra were used to decorate.

The bride, who was given away by her father, was in a gown of white satin, fashioned on princess lines, with a fitted bodice of French lace and a very full skirt ending in a chapel train. Her short veil of tulle illusion was held by a matching lace bandeau and she carried a bouquet of gardenias.

Mrs. W. N. Greule, sister of the bridegroom, as matron of honor, and Mrs. J. H. Hemens, Miss Lucille Turcotte, and Mrs. John J. Pepper, sisters of the bride, as attendants, were in bouffant frocks of burgundy pout de soie with matching hats and they carried cascade bouquets of white pompons.

GALLUP - WILLIAMS
COATICOOK — The marriage of Rose Olive, eldest daughter of Mr. and Mrs. Charles Williams of Coaticook, to Mr. Roland Earl Gallup, son of Mr. and Mrs. Earl G. Gallup of Bulwer, took place recently in St. Stephen's Anglican Church, Rev. N. F. Tucker officiating. The wedding music was played by Mr. Morris Austin of Massawippi and the soloist, Mr. Richard Middleton, uncle of the bride, sang "Oh Promise Me" during the signing of the register. Yellow and bronze mums were used to decorate.

The bride, who was given in marriage by her father, wore a floor length gown of white satin having a fitted bodice with a deep sweetheart neckline, long sleeves and a full skirt. Her elbow length veil of tulle fell from a coronet and she carried a bouquet of red roses.

Miss Winona Williams, sister of the bride, as maid of honor and Miss Ann Dodds, as bridesmaid, wore pale green satin waltz length gowns with small matching hats and they carried bouquets of yellow and bronze chrysanthemums.

Mr. Darrell Rogers, cousin of the bridegroom, acted as his best man and the ushers were Mr. Maurice Smith and Mr. Robert Oxford.

Mrs. Williams, mother of the bride, wore a blue dress with a matching hat and a corsage of red roses.

Mrs. Gallup, mother of the bridegroom, was in a blue rayon crepe dress and she wore a hat to match and a corsage of pink roses.

Following a reception in the Guild Hall, Mr. and Mrs. Gallup left for a short trip to the Laurentians, the bride wearing a grey suit with black accessories and a corsage of red roses.

Women's Groups

HUNTINGVILLE W.C.T.U.
 Huntingville Women's Christian Temperance Union was entertained at the home of Mrs. F. Ingham, Stanstead Highway. Mrs. A. Fairbrother, president, presided and was assisted in the devotionals by several members who also read from the Tidings and Clip Sheet.

Findings from the Clip Sheet, "The Challenge to all Christians today," where alcohol has entered homes under a new guise as part of gracious living, the challenge is greater than ever before. Canada's alcoholics are increasing at a rate of 12,000 each year. It is not enough that these people be deprived of the bottle containing alcohol, something must replace it that will satisfy and make them equal to the task of living and working in Canada and establishing homes worthy of Canada.

The task then is to remove unhappy conditions in the lives of individuals by helping them realize that each has within the mind all the power needed to direct their lives, assured that through God they may build a life in which alcohol and drugs are not a part of gracious living.

Mrs. W. A. Henderson read a life of thanks for 12 comfort bags sent to the Sailors' Institute in Montreal.

Tentative plans were drawn up for a party for Little White Ribbons at the next meeting.

Two members were chosen to correct the Temperance papers. Cards were sent to the sick and a sunshine basket planned.

Further plans for the Christmas meeting were discussed.

Mrs. Ingham served refreshments assisted by Mrs. R. Ladd who was welcomed as a guest.

TRINITY W.M.S.

The annual Thank-offering meeting of Trinity W.M.S. took place in the Church Hall, November 15. The president, Mrs. W. E. Hodge opened the meeting with prayer and welcomed the guest speaker, Rev. J. E. Boucher and the members of the Florence Fuller Mission Circle. Mrs. M. Fuller was in charge of devotions.

The corresponding secretary was asked to send Christmas greetings to Missionaries in foreign fields.

Mrs. W. W. Gibson and Mrs. J. E. Boucher sang a duet, "Saved by Grace," accompanied by

Miss R. Stevenson.
 Rev. Mr. Boucher gave a very heart searching address, using for his theme, "Thankfulness." He stated that if all women would feel the call to serve missions it would be the greatest aid to a peaceful world, adding that in this shaken, torn and lawless world with all its inventions and science there seems to be more greed, hatred and selfishness and the only answer is the Gospel of Jesus Christ which has the power to change human nature. The speaker was thanked by the president, Mrs. Hodge.

Mr. J. D. Edmond, Church layman, recently from Scotland, closed the meeting with prayer.

The next meeting will be held December 12 when the hostesses will be Mrs. W. Mutchler, Mrs. Geo. Hall and Miss L. Farnsworth.

WOMEN'S FEDERATION - LENN. UNITED CHURCH

Members of the Philathea Group of the United Church, Lennoxville, met in Douglas Hall, Queen St., for the regular monthly meeting. Mrs. H. L. Wallace presided and opened the meeting with prayer.

The treasurer's report showed a satisfactory sum raised at the recently held turkey banquet. The president thanked the members for their untiring efforts and donations to this event and also thanked the gentlemen who helped and the non-members who assisted in serving.

Plans were outlined for the coming Christmas sale of food, fancy work, children's needs, aprons and novelties, at the afternoon tea to be held on December 12 in the Scott Hall. Due to this event the next monthly meeting will be held on December 4.

Donations were received at this meeting for various tables for the sale and donations of

yard goods, wool, mittens etc., were brought in to be sent in a special mission parcel, the president to take charge.

The white elephant sale to be held at this meeting was postponed and will be held at the next meeting which will also be the Christmas party with exchange of gifts. Members were also asked to bring decorated baskets for the sick and shut-ins.

Mrs. G. Sutherland and Mrs. A. Gilbey were named to draw up a slate of officers for the coming year.

Following the closing, the hostesses, Mrs. A. Gilbey, Mrs. A. Raycraft, Miss J. Learmonth and Mrs. A. Scott served refreshments. Mrs. T. F. L. Cohoon presided at the tea table which was arranged with a lace cover and a centerpiece of mauve and white mums and candles.

TRINITY W.A. GROUP 1

Mrs. J. W. Blake, Russell St., was hostess for the November meeting of Trinity W.A. Group 1. The president, Mrs. F. Cathcart, presided and Mrs. W. E. Hodge was in charge of devotions.

Members reported having made several calls to shut-ins. Also a most satisfactory report from the supper for the C.G.I.T. rally was given.

Mrs. K. Broadbelt will be hostess for the December meeting. The president reminded all members that election of officers would be held at that time.

The meeting closed by repeating the Mizpah benediction.

Refreshments were served by the hostess, assisted by Mrs. T. A. Parker and Miss Eva Cutler, of Richmond.

HUNTINGVILLE

The first dance of the season sponsored by the Ladies' Aid was well attended. Music was furnished by Eddie Stiles Orchestra. The dance originally planned for the 24th of November in the Community Hall has been postponed until December 1st.

Mrs. A. Fairbrother received the news of the sudden death of Mr. Charles Binder, of St. Laurent, nine days after a serious heart operation. Mr. Binder is the husband of Mrs. Fairbrother's niece, the former Lillian Colby.

Visitors at the home of Mr. and Mrs. Frank Libbey were Mr. and Mrs. George Abbott and daughter Margaret, of Montreal West.

The Cheery Christmas Club met at the home of Mrs. E. MacLeod when cards were played at two tables. Prizes were won by Mrs. E. Wilson and Mrs. A. Fairbrother and the floating prize by Mrs. E. Wilson. A member was remembered with a birthday gift and card. Lunch was served by the hostess. Members of the club have been invited to the home of Mrs. C. Spaulding for the next meeting.

Clothing, Toys Sent To Supply Centre By Abbotsford United Church W. M. S.

The November meeting of the Woman's Missionary Society of the United Church was held at the home of Miss Muriel Marshall. The president, Mrs. Walter Bowley presided and opened the meeting with prayer.

Mrs. C. Vintinner, secretary, read the minutes and the treasurer, Mrs. William Watson gave the financial report, stating the Autumn Thank-Offering had realized \$36.60.

A letter from the Branch supply secretary, was read asking for donations of used and new clothing, also for the special donation from the auxiliary. The supply secretary was asked to send all the articles requested. During the afternoon, four boxes of good used clothing and toys were packed to be sent to the supply centre in Montreal.

The president closed the meeting with prayer. Afternoon tea was served by the hostess.

ST. PAUL'S W. A.
The November meeting of the Woman's Auxiliary of St. Paul's Anglican Church was held at the home of Mrs. Jack Crossfield

with a large attendance. Miss Helen Buzzell, president opened the meeting with the members prayer and the scripture lesson was read by Mrs. Gordon Coates.

The secretary-treasurer, Mrs. C. C. Whitney read the minutes and financial report. The Dorcas supply secretary, Mrs. B. Q. Rowell had received the requisition of clothing and other articles for the spring shipment. Each member pledged herself for one or more articles. The silver collection amounted to \$4.

Miss Alice Buzzell read a chapter from the Study Book "Are Indians facing the new age?" which created a very interesting discussion.

The president closed the meeting with prayer and refreshments were served by the hostess.

REMEMBRANCE DAY

A fine congregation gathered in the United Church for the Remembrance Day service which was conducted by the pastor, Rev. C. W. Foggo, whose topic

was "Their finest hour." Appropriate hymns were sung by the choir. During the service Mr. Foggo dedicated a new organ which has been installed in the church by the congregation, assisted by many friends who contributed to the organ fund.

The organist, Peter Thomson, rendered several suitable selections, which displayed the beauty of tone and capacity of range of the organ.

WOMEN'S INSTITUTE
The November meeting of the Abbotsford Women's Institute was held at the home of Mrs. S. R. Fisk. In the absence of the president, Mrs. William Rayson, vice president, Mrs. Gordon Coates presided.

The secretary, Mrs. William Watson read the minutes and Mrs. B. Q. Rowell, treasurer, read the financial report. The sale of cook books has been most successful, all books having been sold.

The guest speaker for the evening was Rev. C. W. Foggo, who was a chaplain in the last war. "We will remember them" was the topic of his address. He recalled the horrors and pathos of war, as well as the more glorious memories of heroism and courage. He also spoke of the unsettled condition of the world to-

day. Mr. Foggo was introduced and thanked by Mrs. C. Vintinner.

After the meeting closed refreshments were served by the hostess.

widespread violence had erupted in Beirut, and the Lebanese Army was called out to restore order. Tanks were reported patrolling Beirut's streets after the French-owned Bank of Syria and Lebanon was bombed by unidentified persons.

Syrian newspapers earlier reported two unsuccessful attempts to blow up the Lebanese presidential palace and the foreign ministry building in Beirut. Lebanon's government has been embroiled in a crisis since the British-French invasion of Egypt. Premier Abdullah Yaffi resigned last week when President Camille Chamoun refused to agree to his demands that Lebanon sever relations with Britain and France. The violence in the Lebanese capital appeared to be directed at Chamoun as well as British and French properties in Beirut.

Bank Announces Increased Assets Over Past Year

A partner in Canada's expanding economy, the Bank of Nova Scotia in its annual statement for the year ended October 31, shows assets of more than \$1,270,000,000. This was an increase of 6 1/2 per cent over the previous year, and an increase of more than 23 per cent since the bank's assets first passed the billion-dollar mark two years ago.

The greater portion of the increase in assets last year was in the U.S. dollar and sterling divisions of the bank's business. The increase in Canadian assets was comparatively small, reflecting the policy of credit restraint pursued by the monetary authorities. Total deposits increased by \$56,000,000 over the previous year, to reach a new high of \$1,176,942,000. Loans other than call, at \$641,037,000, were also up appreciably, reflecting the growing needs of the economy. The rate of increase was slower than last year, and loans tapered off noticeably towards the year-end. Securities at \$308,447,000 remained at about the same level as the previous year.

During the year, shareholders' investment rose to \$68,431,000, an increase of one-third. The increase resulted largely from the response to the bank's offer on May 31, of 300,000 shares of new stock.

Profits, before depreciation and taxes, amounted to \$8,909,000. Provision of \$1,569,000 was made for depreciation on bank premises, and \$3,550,000 for taxes, leaving a net profit of \$3,790,000.

Dividends to shareholders, including an extra distribution of 20 cents declared for the quarter ended October 31, amounted to \$3,184,000, or \$2 a share. There remained \$605,000 which was added to undivided profits. The balance of this account, after a transfer of \$1,000,000 to Rest Account during the year, was \$632,000 as of October 31.

RUSSIANS SAID

Continued from page 1

Active resistance against deportations is reported still alive in Hungary. Hungarian railwaymen, who arrived here Tuesday with other refugees, said they blew up a railway bridge near the town of Szombathely last week when it became known that the Russians were marshalling a train with prisoners.

With the aid of dynamite, saved by the rebels, the bridge was blown up one hour before the departure of the transport, and soon after the explosion a substantial number of those awaiting deportation were able to free themselves, the railwaymen said.

Two world-famous Hungarian artists who crossed Austria's border Tuesday also testified that they escaped deportation by sheer luck.

They are Vera Pasztor, prima ballerina of the Budapest State Opera, and her husband, Ernest Vashegyi, ballet master and solo dancer at the same art institute. Vashegyi said he was arrested by the Russians and held together with hundreds of other persons at a cellar in Budapest's Western railway station. He managed his escape by bribing a Russian sentry with his gold watch, he said.

With his wife disguised as an old woman they fled to Austria, making the 150 miles from Budapest to the border partly by walking and partly in a horse-drawn vehicle.

It was not only the fear of being deported that caused us to leave Hungary, but also the complete lack of artistic freedom prevailing in our homeland," Vashegyi said.

CRAWFORDVILLE—

Recent guests at the Guy home here included Mr. Hector Prevost and daughters, Gaetanne and Mariette, Mr. Oscar Poirier, Mr. Yvon Prevost and sisters, the Misses Clariette Prevost and Lisette Prevost.

Mr. John Peary was a guest of Mr. and Mrs. John Kinnear in Thetford Mines.

Dock Strike Cripples East Coast

NEW YORK (AP)—Federal action to halt the crippling United States East coast waterfront strike was reported imminent today.

The probabilities were action by President Eisenhower to invoke the national emergency provisions of the Taft-Hartley Labor Act, or by the National Labor Relations Board on a pending employer complaint in the contract dispute.

Further negotiations were scheduled for this afternoon between the striking International Longshoremen's Association and the New York Shipping Association, representing 170 shipping and stevedoring firms in the Port of New York area.

No concrete progress had been made in its six days toward settlement of the strike of 60,000 I.L.A. members which has closed U. S. Atlantic and Gulf coast ports except for military shipments and movement of some bulk cargo.

Sex-Slayer Is Executed In Toronto

TORONTO.—(AP)—Robert Fitton, 22-year-old father of three small children, was executed on the gallows today for the sex killing of Linda Lampkin, 13.

Dr. W. H. Hills, surgeon at Toronto's east-end Don Jail, pronounced Fitton died at 12:25 a.m. EST, 19 minutes after the trap was sprung in a barren room on the second floor of the jail.

Fitton, a truck driver of slight build, was calm to the end. From the time he was led handcuffed from his cell he didn't utter a word. A crowd of about 200 persons waited outside the jail until official announcements of the execution were posted.

Fitton was convicted last April of murder in the strangling of the Lampkin girl, whose body was found on a deserted street near Cherry Beach. Evidence at the trial was that Fitton picked up the girl in his mail-truck as she was returning from dancing lessons, raped and strangled her.

The federal cabinet Tuesday declined to interfere with the court's death sentence despite the jury's recommendation for mercy.

St. Laurent Constables Committed

MONTREAL.—(AP)—Charged on five burglary counts, three former police constables in suburban St. Laurent were committed for voluntary statement Tuesday. The prosecution said the alleged burglaries were committed while the men were constables.

Committed by Judge Rene Thergere were: James McPherson, 31, suburban Verdun, on two counts; Jacques Bonneville, 35, Brookline, Que., two charges; and Gordon Kennedy, 25, Montreal, on charge. Permission was granted the prosecution to withdraw a third charge against Bonneville.

Preliminary hearing of a burglary charge against a fourth constable, Lucien Dandurand, 30, Verdun, was postponed to Nov. 27. The other three will appear for voluntary statement—a pre-trial stage at which the accused may enter a defence—Nov. 28 in criminal court.

Mine Dispute At Springhill

SPRINGHILL, N.S.—(AP)—Miners on the night shift at No. 2 colliery walked off their jobs Tuesday following a dispute over the operation of a hoist apparatus more than a mile below the surface.

The men returned to their homes before holding a closed meeting. Following the meeting a union official said "the matter has been settled and the men have decided to return to work today."

The colliery employs approximately 700 miners on all shifts. Work resumed at No. 2 last week following a Nov. 1 explosion in adjacent No. 4 mine which took 39 lives.

DAVIDSON HILL— AND BETHEL—

Week-end visitors at the home of Mr. and Mrs. R. Lancaster and sons were Mr. and Mrs. Ross Davidson and two children, and Messrs. Frank and Donald Davidson, of Melbourne, and Miss Barbara Leet, of Danville. They also visited their grandmother and Miss Irene and Alex Davidson.

Mr. Munroe Lancaster has returned to his home here, after spending a few days with his sister and brother-in-law, in Montreal.

FAMOUS PROCTER & GAMBLE PRODUCTS AT IGA THIS WEEK

Same thing is happenin' all over. Waynesville, N.C. has owned 8244 acres of woodland since 1915. In 1948 the town began to harvest its timber, and since that time has realized a net profit of \$250,000! In Danville, N.H., a church-owned wood lot has earned \$15,000 for the church in the last 100 years. And Groton, Mass., which uses the principles of selective cutting and reforestation on its 420 acres of white pine, has just finished cutting \$2,000 worth of timber. The oldest community forest in America, they tell me, is at Newington, N.H. When Paul Revere repaired Newington's cracked church bell just before the American Revolution, he was paid with money the town forest had earned!

But the idea is even older than that. Zurich, Switzerland, owns a forest 650 years old, which pays the city \$115,000 every year.

Lots of folks think community forests are a good idea. The Massachusetts Association, for instance, plants 5,000 free trees for any town that is willing to set aside 100 acres of land—and today one out of three towns in the state owns a forest. I think community forests make good sense. Maybe your town could use one!

Alouettes Out To Break Edmonton Jinx; Eskimos Want Win Badly

If Determination Is Anything, Then Als Should Win; Players Out To Get Victory For Their Faithful Fans

MONTREAL — (CP) — If determination is the key, Montreal Alouettes may be able to break the Edmonton jinx Saturday in their third straight meeting with the Eskimos for the Grey Cup.

"We're going to beat them this time," said quarterback Sam Etchevery after the Alouettes had run through another secret practice Tuesday night. Other players shared his determination to avenge two consecutive losses to the Eskimos.

"We owe this one to the Montreal fans," said soft-spoken Herb Trawick, 246-pound team captain who is the last remaining member of the original Alouettes.

"Since I came here in 1946 we've only won one Grey Cup," he said. "The fans have supported us wonderfully and I think we should win this one for them. All the boys feel the same way."

The Als' only Grey Cup victory was in 1949 when Frank Filchock, now coach of Saskatchewan, quarterbacked them to a 28-15 victory over Calgary. They next got into the final against Edmonton in 1954 but were beaten 26-25 on Jackie Parker's 85-yard touchdown run with less than four minutes left to play. Last year they bowed 34-19 to the Eskimos in Vancouver.

Although the Alouettes worked out in secret and will continue to do so for the rest of the week, it was no secret that a good part of their practices have been devoted to finding a way to stop the strong Edmonton ground attack, which rolled up a record of 440 yards in last year's game. The Alouettes, with their attack based mainly on passing, are hoping for a dry field for Saturday's game. Coach Doug Walker says Etchevery, with small hands, has trouble passing a soggy ball.

The Heat's On For Grey Cup Tickets As Fans Storm Clubs For Them; Won't Take No For Answer, Still Clamoring

TORONTO — (CP) — Grey Cup fans just won't take "no" for an answer in their quest for a pair of the 26,485 tickets to the big game Saturday.

Those lucky enough to get them will pay a \$10 top to watch Montreal Alouettes and Edmonton Eskimos in their third consecutive battle in the East-West classic.

"Everybody and his uncle seems to be short of tickets," says Harry McBrien, secretary of the Canadian Rugby Union.

"I don't know if that's because they're really short or because they want more than they're entitled to."

Office manager George Stockwell of Toronto Argonauts had a hint of hysteria in his voice when asked how ticket sales were going.

"I was half nuts when this thing started and now I'm going all the way. There's a crowd clamoring at my door and you're taking up precious time and stopping progress. Goodbye, please."

He said Argos' 2,750 tickets were all gone, but the fans couldn't seem to believe it.

The CRU, the Western Interprovincial Football Union and the Big Four each gets 7,650 tickets, the Ontario Rugby Football Union 2,553.

The Big Four gave half its share to the Alouettes as winners and 20 per cent each to the runner-up and the third-place teams—Hamilton and Ottawa. Toronto Argonauts, as last-place club, got 10 per cent.

The CRU's portion allowed for 2,000 extra tickets for Argos, the host club, giving Toronto a total of approximately 2,750. Another 1,000 each were allotted by the CRU to the other three Big Four teams.

Nearly 1,000 CRU tickets took care of public relations commitments. Another 1,000 went into the WIFU pot.

Edmonton picked up 40 per cent of the WIFU share, or nearly 3,500. The remaining four Western clubs got 15 per cent—1,300 each.

Jim McCaffrey, president of Ottawa Rough Riders and past President of the CRU, said he came to Toronto a week ahead of the game to escape the badgering which comes up every Grey Cup week.

"I've had three long-distance calls from Ottawa in the last five minutes, all wanting tickets. And I got out of town to get away from it all."

Del Ennis, Traded To St. Louis For Less Age And More Speed In Rep Repulski, Says "That's Ball."

PHILADELPHIA — (AP) — Del Ennis, traded to the St. Louis Cardinals for less age and more speed in Rip Repulski, is looking at the deal about as matter of factly as Philadelphia Phillies. "That's baseball," he says.

A not too simplified version of it, at that.

If you put it on the blackboard, Ennis plus an unknown for Repulski and Bobby Morgan, a utility infielder, comes out by the Phillies' figuring to at least three years difference and more times on base.

And Tuesday's trade of the 31-year-old outfielder and an unnamed minor league player for the two Cardinals may be one of a series.

General Manager Roy Hamey, who put his head together with Manager Frank Lane of St. Louis on this one, has already indicated he'll barter to the hilt in an effort to pull the Phillies from the National League's second division.

"Naturally, the guy in the deal for us was Repulski," said Hamey. Repulski, also an outfielder, is 28 and that, says Hamey, "is a big thing."

From the record book, though, here's what's involved:

Ennis, with the Phillies 11 years, has hit 259 homers in his career. He went through last season with a .280 average, 95 RBIs, 26 home runs and 164 hits. Repulski, at bat 254 times less than Ennis last season and sidelined part of the season with a wrist injury, had a .277 average, 55 RBIs, 11 home runs and 104 hits.

Ennis, a native of Philadelphia, has never played for any other major league club.

"I didn't expect it," he said. "But that's baseball. I'll give St. Louis everything I have just as I did Philadelphia."

Heavyweight Floyd Patterson And His Manager Gus D'Amato Are Getting Irked Over Moore's Verbal Blasts

CHICAGO — (AP) — Heavyweight Floyd Patterson and his manager Gus D'Amato are getting irked over Archie Moore's verbal campaign.

Patterson and the aging Moore, who says he's 39, meet at Chicago Stadium Nov. 30 for the heavyweight title abandoned by Rocky Marciano.

D'Amato claims everyone is against his boy and Patterson doesn't like the belittling treatment he's getting from the loquacious Moore.

"We know the International Boxing Club and everyone else in Chicago thinks Archie Moore is a cinch in this fight," said D'Amato. "That's what we like to hear. Floyd is always at his best when people don't give him a chance."

Patterson is more determined than ever to make his opponent

Lady Curlers Stage Tourney For Webster Cup

The opening competition of the Ladies Sherbrooke Curling Club, which was for the Webster Cup, was played last week with Mrs. A. Kerridge's rink emerging the winner.

Nine rinks took part in the event. Mrs. F. Sangster's quartet topped the honors in the consolation section when they came through with a victory over Mrs. H. MacCallum's foursome. In the main event Mrs. N. Lothrop and her squad lost out to Mrs. Kerridge's rink.

The inter-club bonspiel is slated to commence today and will be a three-day event. This is open to all new members and the match committee is hoping that several new members will be on hand for the event.

The finalists follow:

Cardinals Fine And Suspend Lamar McHan

CHICAGO (AP) — Quarterback Lamar McHan Tuesday pleaded for another chance with Chicago Cardinals after the club had indefinitely suspended him for "insubordination" and fined him \$3,000—largest assessment in National Football League history.

The Cardinals said they fined McHan after he told his teammates that he "didn't feel like playing today" at the outset of the game with the Steelers in Pittsburgh Sunday.

The Cardinals, with McHan eventually playing more than half the game, lost 14-7—their third straight defeat and their third in the last four starts.

Head coach Ray Richards said: "We have decided that the suspension will be lifted or maintained at the discretion of the staff. McHan will continue to work out with the club and if he merits the opportunity to be reinstated, he will be."

Dates For Major Ski Meets Out

OTTAWA — (CP) — Dates for two major ski meets at Mont Tremblant, Que., this winter have been changed.

John Clifford, technical chairman of the Gatineau ski zone, said Monday night the Quebec Kandahar now is scheduled for March 2 and 3. It tentatively had been planned for Feb. 16-17.

The Canadian Alpine Championships, originally set for March 2-3 now will be held March 9-10.

Clifford announced the date changes at a meeting at which Russel Smart, president of the Quebec division of the Canadian Amateur Ski Association described plans for training top skiers in Quebec and Ontario this winter.

Hope For Better Weather As Games Get Under Way; Duke Of Edinburgh Will Speak 16 Words To Open Event

MELBOURNE — (AP) — The Duke of Edinburgh opens the 18th Olympic Games Thursday before a sellout 110,000 and there was hope Melbourne's nasty spring weather would turn to warm sunshine.

The dissension that has plagued the Games from the start seems to have melted away amid final preparations for the stately ceremony.

More than 4,000 athletes from 68 nations will compete in 16 sports between now and Dec. 8. Major honors are expected to go to the United States and Russia, with Australia and Hungary vying for third place in the unofficial point standings.

For the past seven years, the Melbourne Games have been the center of controversy. At the start they were a political football and preparations went so slowly Avery Brundage, International Olympic Committee president, threatened to move the Games to another country. Then, in recent weeks, the troubled situation in the Middle East and Hungary brought the withdrawal of seven nations.

But to the throngs on the gaily decorated streets of Melbourne all this was forgotten today.

The ceremonies, which follow rigid protocol, begin at 3 p.m. Australian time (1 p.m. Thursday) when the Duke of Edinburgh enters the great oval of the Melbourne Cricket Club and service bands play the national anthem.

Then comes the march of athletes in their uniforms of many colors — with team officials.

As thousands of pigeons are released, the duke reads the simple words that start this great sports festival:

"I declare open the Olympic Games of Melbourne celebrating the 16th Olympiad of the modern era."

He travelled 13,000 miles from London to speak the 16 words, nearly 1,000 miles a word.

Then comes the dramatic arrival of the Olympic torch that was kindled in Greece and brought by plane to Australia. From Darwin to Melbourne it was carried by 2,830 athletes, each running one mile. Who will have the honor of bringing it afire the big bronze torch has not — following tradition — been announced. The torch will burn

day and night until the Games are over.

There will be a brief dedication address by the archbishop of Melbourne, the Most Rev. J. J. Booth, and then the singing of the Hallelujah Chorus from Handel's Messiah.

With the flagbearers of all nations forming a semi-circle on each side of the rostrum, an Australian athlete — also yet undesignated — will pronounce the Olympic oath on behalf of all competitors.

The national anthem, God Save the Queen, is played again, and the athletes march out. Actual competition begins at 8 p.m. (6 a.m., Thursday, AST) when Korea meets Nationalist China in Basketball. Russia plays Canada in the second game of the evening.

Full scale competition starts Friday in track and field, rowing, fencing, the modern pentathlon, field hockey, soccer, weightlifting and boxing.

The United States has a chance to win one of the first gold medals of the Games in the men's high jump in which Charles Duff, first man ever to leap 7 feet, is favored. Russia's Vladimir Kuts is favored in the 10,000 meters (6 miles 387 yards), but the field is a fast one.

Russia's Nina Pommarova, center of the recent sensational shoplifting episode in London, is favored in Friday's other final event, the women's discus.

Every effort is made by Olympic officials to discourage the tabulation of points on a national basis, but traditionally they are kept unofficially on a basis of 10 for each gold medal, and 5, 4, 3, 2, 1, for the next five places.

Toronto Junior Board Of Trade Is Lining Up Terrific Program For Grey Cup Classic On Saturday

TORONTO — (CP) — The Grey Cup football classic, traditional high spot on the Toronto sporting calendar, is coming home with an unprecedented roar after a year's absence.

Toronto will play host to Montreal Alouettes and Edmonton Eskimos as the top Eastern and Western teams clash for the third consecutive year. Montreal still is looking for a victory.

"In previous years," a member of the junior board of trade arrangements committee said, "visitors have been allowed to sneak into town with no functions for them until the night before the game."

"We're trying to do better this year."

Last year, when the game was played in Vancouver, the coast city turned on a three-day carnival and provided a tumultuous welcome for visiting fans.

This year, Toronto is taking a leaf out of the Westerners' book.

Beauty queens, 13 of them from 12 cities, will appear on television Thursday and at noon Friday a "Festival Fair Luncheon" will be held to honor visitors. Five thousand out-of-towners are expected; 1,000 will likely turn up at the luncheon.

The annual Grey Cup party— at 2.50 a head—will go Friday night with three bands and a square dance caller, breaking up at 2 a.m. Saturday. Miss Grey Cup will be chosen at the party.

Meanwhile, in another part of the hotel, the Grey Cup dinner will be held, the yearly honoring of men who have made outstand-

Five Teams Still In Running For Cotton Bowl

DALLAS — (AP) — Cotton Bowl president Bob Cullum said Tuesday five teams, including Georgia Tech and Tennessee, are being considered for the New Year's Day classic here.

The other teams under consideration are Syracuse, Pittsburgh and Navy.

Officials of the Cotton Bowl are not expected to pick a visiting team until the host team role is filed. Texas A and M would qualify under ordinary conditions, but the Aggies are barred from post-season play due to their probationary status.

Texas Christian and Baylor are the most likely host teams as second-place winners in the Southwest Conference.

Gene Fullmer Impresses Weill During Workout

GROSSINGER, N.Y. — (AP) — Gene Fullmer of West Jordan, Utah, boxed four rounds at his training camp Tuesday in preparation for his 15-round title bout against middleweight champion Ray Robinson in New York Dec. 12.

Al Weill, manager of Rocky Marciano, retired heavyweight champion, watched the workout. He said he was impressed with Fullmer, but refused to make any predictions until he has watched Robinson work out.

QUEEN "NOT SO FREE" CANBERRA — (Reuters) — The Duke of Edinburgh told members of the Australian government here Tuesday that the Queen "had to stay at home this time because I'm afraid she is not quite as free as I am to do as she pleases."

The Duke, in Australia to open the Olympic Games Thursday, was speaking at a ministerial dinner in the federal Parliament house in Canberra.

Eskies Are Going All Out To Prove That August's Win Didn't Count; Taking Precautions Against Als

LONDON, Ont. — (CP) — Soggy field or not the Edmonton Eskimos settled down today to two days of hard drill before Saturday's Grey Cup football final in Toronto where they hope to beat the best in the East, the Montreal Alouettes for the third year in a row.

"This rain drizzle is still better than a frozen field out West," said Coach Frank (Pop) Ivy. "All I hope is that it isn't freezing in Toronto for the game." If he was hinting at some strategy, he wouldn't admit it.

The Eskies are working out at the University of Western Ontario stadium behind locked and guarded gates. In Tuesday's rain there was only a handful of sidelineers, mostly college personnel, but Ivy wasn't altogether satisfied.

For one thing, enterprising UWO engineering students had set up tripods in trees outside the stadium and trained glasses on the light-drilling westerners in sweat shirts. A couple of others were spotted high in the stadium seats with binoculars.

"You never can tell, there might be some Alouette guys around and I don't want them," Ivy told UWO Coach John Metras, the host of the squad. Metras promised a stiffer guard for today when scrimmaging will start in earnest.

The good-natured Ivy was a bit miffed when pressed about a by-line newspaper story by Jackie Parker saying that he would stay in the halfback spot on Saturday and London homebrew Don Getty would continue as quarterback.

"That's all conjecture," said Ivy.

Alouettes' Famous Majorettes And Band Are Going To Toronto But May Not Get In To See Grey Cup Game

MONTREAL — (CP) — Montreal Alouettes' famous band and majorettes will go to Toronto but they can't see the Grey Cup game. They haven't tickets.

They can't even buy their way into Varsity Stadium. They have tried everywhere, willing to pay out of their own pockets. But they'll put on a show for Torontonians and visitors, nevertheless—in the open-air concourse of Union Station Friday evening.

Since the colorful organization came into existence two years ago, this will be the first time the bandsmen and pretty majorettes have missed seeing the Grey Cup game.

The organization is sponsored by the Alouette Football Council, an organization of public-spirited citizens who support the club. They help pay the shot for the shows at every home game and they're paying the shot for the trip to Toronto. But they can't buy tickets to get the red-and-white uniformed troupe into next Saturday's game.

"We're certainly annoyed," said J. G. Carrique, chairman of the council's band committee. "We have been trying to buy tickets even in Winnipeg and Regina. We have been telephoning everywhere. We can't buy them right here in Montreal, which is understandable because Montreal fans want to follow the team and the football club has commitments to make to as many of its season ticketholders it can."

Something New In Statistics; NHL's Rangers Find Scoring Improves With Throwing Their Weight Around

Phil Watson's latest venture into figures: Jotting down the number of bodychecks thrown by his National Hockey League players.

It seems Ranger play better hockey when they toss around plenty of checks. Watson, Ranger coach, wants to make sure the boys get a little tougher on the opposition.

It wasn't so long ago that Watson figured he could get Rangers among the league leaders by telling each player the number of goals he was expected to score. He informed the team it would have to cut down the number of goals scored by the enemy. Ranger haven't been producing enough goals so Watson has started working on checks.

"I think I have the solution now to our problems," Phil said Tuesday as he prepared Rangers for their game against Toronto Maple Leafs in New York tonight.

"Two games back I started keeping track of the number of times our players handed out bodychecks. Then I showed the players the figures after the game. Before, I didn't have any definite proof they weren't hitting. And you know what? My chart shows that we play our best hockey when we hit. Even the players know it now."

Phil is miffed because Rangers are in fifth place in the league

Al Rollins Turns In Tough Week; Busiest Of Them All, Stops 101 Out Of 111 Fired At Him; Plante Leads

TORONTO — (CP) — Al Rollins, lanky netminder of Chicago Black Hawks, performed some heroic acrobatic work in the National Hockey League last week to add a point to his average in the efficiency ratings for goaltenders.

The other goalkeepers, however, lost ground as opposing players went on a scoring rampage. In nine games there were 68 goals scored, an average of more than seven goals a game.

Rollins was the busiest. He stopped 101 of the 111 shots fired at him for a .910 average on the week, which boosted his season's mark to .908 and shoved him into fifth place in the ratings.

Jacques Plante of Montreal Canadiens remained on the injury list for the second straight week but his average of .951 is still tops. Gerry McNeil, substitute for Plante, had the roughest time of any goalie.

He was blasted for 13 goals, including eight in one game against Detroit Red Wings. Ninety shots were fired at him, giving him a .856 average on the week and .879 for the eight games played.

Glenn Hall of Detroit lost second place to Boston Bruins' Terry Sawchuk. Hall allowed 11 goals in 95 shots for a .884 mark during the week, lowering his season's record 10 points to .925.

Sawchuk and Lorne Worsley of New York Rangers had the identical number of shots fired at them and let in the same number of goals. Each stopped 93 of 103 shots, leaving Sawchuk with a .926 percentage and Worsley fourth place with .912.

Toronto Maple Leafs' Ed Chadwick dropped to last place among six regulars as he was beaten 14 times out of 93 shots. His season's rating fell 13 points to .896.

Three Executives To Be Honored At Grey Cup Dinner

TORONTO. — (CP) — Three top football executives will receive awards and the memory of a coaching cleric will be honored at this year's Grey Cup dinner, chairman Bob Reid announced Wednesday.

Awards for "outstanding contributions to football" will be made by the Canadian Rugby Union to Clair Warner of Regina, John Thompson of Calgary and Toronto, Hamilton Laddie Cassels of Toronto and the late Very Rev. William J. Stanton of Ottawa who coached Ottawa University teams.

Lord Calvert Trophy Goes To Hal Patterson

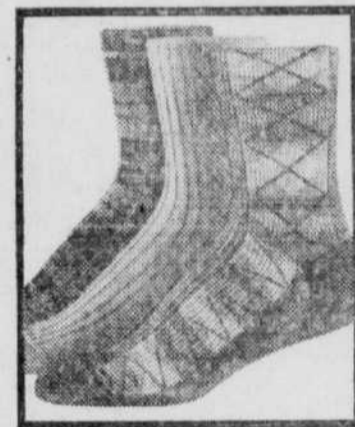

MONTREAL. — (CP) — Hal Patterson, a star at end and defensive back for Montreal Alouettes, Monday became the second repeat winner of the Lord Calvert Trophy in its eight-year history. The trophy goes to the most popular Big Four player on the basis of a fans' vote.

The Kansas-born import had a total of 8,072 votes, 1,414 more than team-mate Tom Hugo, his nearest rival.

Adios Harry To Meet Dottie's Pick At Yonkers

YONKERS, N.Y. — (P) — J. Howard Lyons, owner of Adios Harry, has agreed to let his horse meet Dottie's Pick in a \$25,000 winner-take-all match race at Yonkers Raceway, the track officials announced Monday.

No specific date has been designated but the race can be held within a day or two after all arrangements have been made, the officials said. Adios Harry, a five-year-old, holds the world's record of 1:55 for the mile. He won the \$75,000 eastern championship at Yonkers last Saturday.

Normie Kwong Is Named Top Home Brew In West

TORONTO. — (P) — Normie Kwong, powerful running back for Edmonton Eskimos of the Western Interprovincial Football Union, today was named native Canadian football player of the year for a second successive year. The announcement was made by the board of trustees of the Canadian Schenley Awards. Kaye Vaughan of Ottawa Rough Riders was voted linesman of the year in the poll of sports writers and sportscasters.

The Calgary-born Kwong, only Chinese playing senior football in Canada, this season rolled up a WIFU record of 1,437 yards gained rushing to beat the previous record of 1,250 yards he established in 1955.

For Vaughan, a native of Concordia, Kan., who played his college football at the University of Tulsa, it was a comeback achievement since he missed the 1955 season due to a broken ankle.

Rovers And RDC Post Victories In Darts League

RICHMOND—Len Boast's Rovers jumped back into a first-place tie with Legion when his boys dumped Hotel Bel-Air 23-17 at Valecourt. Trenholm failed to do likewise as they were dropped by the same score with RDC getting the victory. The Rovers win was their fifth straight and the winning darts came off Alex Maguire, always a steady player striving to win.

He was teamed with Rosaire Bolduc for a four-round win along with two other duos. Norm Arsenault-J. G. Gagnon and Marcel Croteau-M. Sears. Three other teams won three rounds. Claude Bell-Isle with R. Gagne; Jim Murphy with Phil Warden and the Lemieux duo of Raoul and Rodolphe.

Valecourt had a four-round winner in Guelph Husk with Charlie Abercrombie. Victor Pratte

teamed with J. Boisse and Paul Belair was teamed with T. Lacroix. Both pairs won three rounds in the losing cause.

Bob and Connie Pariseau with the Bill Stott-Ray Lancaster duo paced RDC to their win over Ray Lampron's Trenholm club in their game played in Melbourne. Lampron had one team winning four rounds, J. P. Langlois with Jacques Gervais, while two others won three rounds. Ellery Semple with Harold Blanchard and Fred Mastine with

Russell Stevens. Lampron himself lost four rounds, teamed with Percy Brock. Nelson Mastine and Jean Gervais lost five straight while three other teams

lost three rounds. Trenholm will travel to Valecourt tonight for a game with Hotel Bel-Air. This is the only tilt scheduled for Tuesday night.

LIFE NOT WORTH LIVING?

Then wake up the liver!
You know that sour, sick, constipated feeling? It may be caused by the liver. If your liver doesn't pour out up to two pints of bile a day your food may not digest properly, gas builds up your stomach and you feel that life's just not worth living. That's when the liver needs mild gentle Carter's Little Liver Pills. These famous vegetable pills help stimulate the flow of liver bile. Winter roads no problem for these busy men

1 Quebec, Que.—Mr. Edouard Grenier, Manager of Yellow Taxis Limited in Quebec city, writes: "We have used Suburbanites for about five years.

Before that, broken chains often caused damage to our cars and lost time for our drivers. But since we started using Suburbanites, we have done away with all these troubles and no longer buy chains."

3 Moose Jaw, Saskatchewan —Mr. C. Fletcher, who commutes by car to and from his work at Libby Auto Service daily, says: "I have had a set of Suburbanites on my car for three and a half years. On my way to and from work, I have to negotiate two long, steep hills and I have yet to be stalled due to snowy or icy conditions. I have passed literally hundreds of other Moose Jaw motorists who have been stalled due to lack of traction."

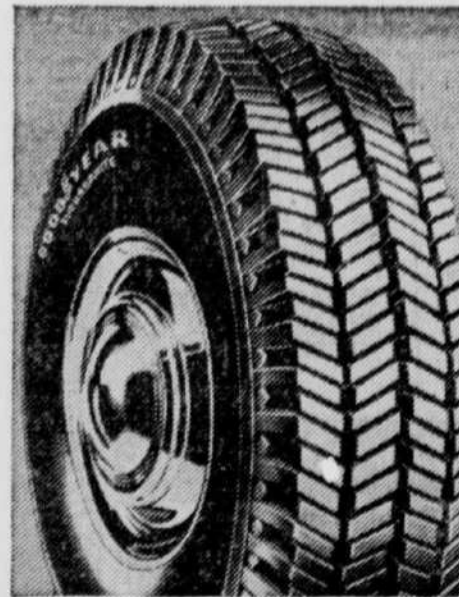

4 Toronto, Ontario—Mr. W. E. Waters, Sales Manager, writes: "I've done a lot of winter driving since my family took up skiing as a winter sport. Last week-end, on the narrow snow-covered road from Huntsville to Lumberlost Lodge, an oncoming car forced us into the ditch. But our Suburbanites got us out quite easily. Many times, my Suburbanites have kept us rolling when cars with other tires were stuck in the snow or on hills."

2 Calgary, Alberta—Mr. J. R. Andrews, an employee of the Calgary Post Office, says: "It wasn't until I actually put these tires on and tried them that I knew—tow jobs, spinning wheels on icy roads, are a thing of the past. My Suburbanites will be on and pushing every winter from now on."

5 Winnipeg, Manitoba—Mr. Ren Ayers, Commercial Photographer, praises his Suburbanites like this: "Doing construction photography takes me into all the new developments around Winnipeg. This winter has been the toughest I've ever known for snow and potholes. I can thank my Goodyear Suburbanites for getting me in and out of these places with no loss of time. I use them year 'round because they are terrific in mud too."

6 Here's why: See those 464 separate tread blocks. They're set at angles to grab into the snow, much like a skier's skis climbing a hill. And they're flexible—don't clog up with snow

—always ready to bite. Quiet running on bare pavement, too. See your Goodyear Dealer for Suburbanites, either tubeless or tube-type, black or white wall.
