PREFACE.

THE PUBLISHER takes pleasure in presenting to the public the **MONTREAL DIRECTORY** for 1874-75.

According to the Municipal Census of 1872, the population of Montreal was 117,865, divided among the following wards:

East.....	3,159
Centre.....	1,412
West.....	1,156
St. Mary.....	14,983
St. Antoine.....	27,506
St. Lawrence.....	14,410
St. Louis.....	16,452
St. James.....	19,146
St. Ann.....	19,641
<hr/>	
Total.....	117,865

If, to the above are added a large increase of the population during the past year, and the suburban villages (which are given in the **DIRECTORY**), and which properly form part of the city, the population is at least 155,000.

To canvass such a large population, (yearly rapidly increasing), arrange the names in alphabetical order, classify the business of each advertiser and subscriber, and collate the vast amount of miscellaneous information appended to the work, is a task that requires the greatest anxiety and care.

The city is canvassed first by a large staff of Agents, and their work is afterwards revised and corrected from door to door.

The **STREET DIRECTORY**, an important and very necessary part of the work, will be found very full and reliable.

The Miscellaneous matter will also be found very complete.

The business of each Advertiser and Subscriber is carefully classified.

The Publisher begs to thank the public for their very generous support, and all those who aided in supplying information, and bringing the **DIRECTORY** to a successful issue.
