By BOB THOMAS
HOLLYWOOD (AP)—A wave of faint smile from the cupid's bow lips, and Clara Bow lapsed back into the secluded life that has enveloped her for a dozen years.

She emerged Monday to attend the funeral of Rex Bell, whom she married in 1931 when

both were screen stars. After the services, she returned to the small home in West Los Angeles where she has lived quietly for the last seven years.

Before that, she was in a sanitarium in Culver City, trying to conquer a nervous condition that plagued her as a result of longtime insomnia.

"Clara always had trouble sleeping," recalls her onetime leading man and still a friend, Richard Arlen. "I made five or six pictures with her back in those Paramount days and I remember doing a lot of work at night."

NATIONS 'IT GIRL'
Clara, who had been the symbol of flaming youth in the 1920's, retired shortly after her marriage. She made a couple of pictures in the 1930s but wasn't happy. She retired once and for all to Nevada to be Mrs. Rex Bell and mother of their two sons.

But sleep still eluded her. Bell attributed her trouble to the high strung decade when she was the nation's "It Girl."

Since proper facilities were lacking in Clara, she moved back to California while he remained behind. Bell said he and the sons visited her often.

Her oldtime pals from the studio days get handwritten Christmas cards from her every year. But their requests to visit her are politely turned down.

One thing is certain from having viewed her this week: The old Bow magic is still there. At 56, she is still a looker.

DIAMONDS MUST BREAK TO WIN

Most players would look over today's dummy sadly, go down one trick at their heart slam contract and charge the loss to experience or bad luck.

Charley Solomon of Philadelphia looked sadly at dummy, but he did not give up. Instead he worked out a play to make his slam.

The bidding had given him a chance to work his way out of his apparent difficulties. West surely held the ace of clubs for his three club opening and the nine of spades lead just had to be a singleton. In such a case only one more ingredient was necessary for success. The diamonds must break 3-3.

Charley took dummy's ace of spades, discarded his king and queen of clubs on dummy's ace and king of diamonds, ruffed a third diamond, drew trumps and led the deuce of clubs.

West was in with the ace and had to lead another club, whereupon dummy's jack and a couple of the remaining diamonds

While Charley was mopping his brow afterwards he remarked, "I guess my five hearts was an overbid." I have to guess with Charley.

Lennoxville Experimental Farm.

Frank Tarte, Lennoxville placed first in the English-speaking section with a

total of 537 points. Fernand Cloutier, St. Jean Vianney, took top honors in the French class with 540 points.

They, along with the other winners, will compete in the provincial contest to be held at the Sherbrooke Exhibition in August.

From the provincial contest, 14 delegates will be chosen. The winners of this contest will go to the Royal Winter Fair as hosts of the Canada Council of 4H Clubs.

Tuesday, the competitors were judged on their classification of young calves and adult cattle. They also had to take an oral examination on farm administration including the discussion of feeding problems and the care and illness of dairy cattle.

The individual competition was divided into two classes. The French-speaking class and the English-speaking class. Placing second behind young Tarte in the English-speaking section was Don Badger, of West Bolton, with 524 points.

Because the English section had fewer contestants this year, only these two were chosen.

In the French section, Pauline Lefebvre, of St. Elie d'Orford, placed second with 533 points.

Third was Rejean Deroche, of the Granby club, with 513 points; fourth, Henriette Lemay, of Bromptonville, with 495; and fifth Annette Bernier, of Windsor, with 494 points.

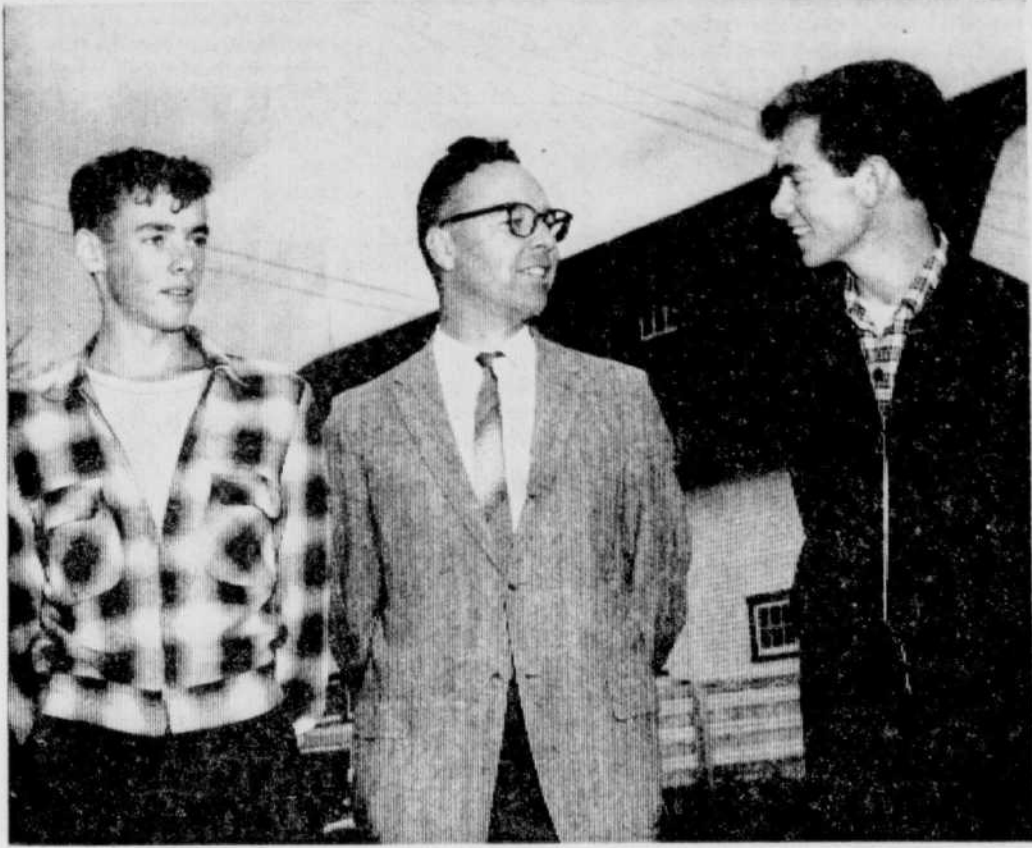

In the team competition, open to French and English clubs alike, English clubs placed first and second. The Lennoxville Calf Club placed first with a grand

total of 1,053 points. The team, comprised of Frank Tarte and Dan Parkinson, won by a margin of 3 points over their nearest rivals, Donald and Arthur Badger, of West Bolton.

Third was a Richmond team, Larry Skillen and David Crack, with 983 points. Rejean Deroche and Normand Beaudry, of Granby, placed

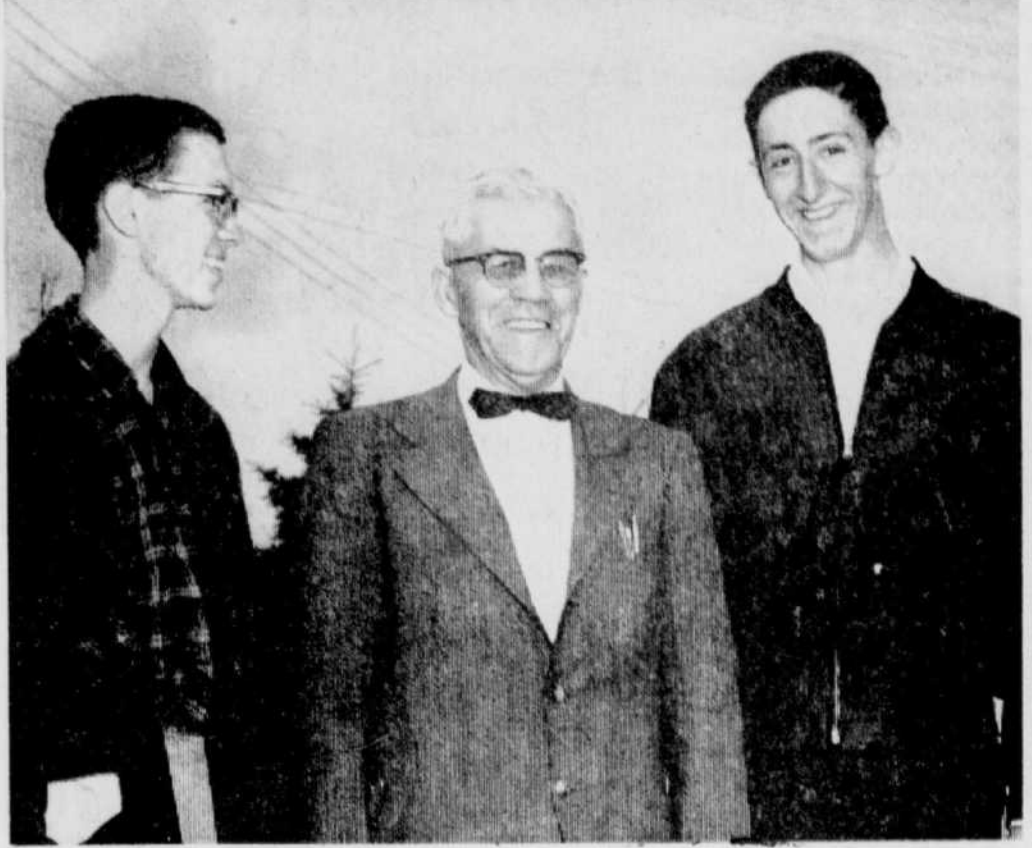

fourth with 982 points while Fernand and Gaetan Cloutier, of St. Jean Vianney, finished out the top five.

County agronomes judged the competition.

RUNNERS-UP — A regional Elimination Day for some 35 Eastern Township Calf Clubs was held Tuesday at the Lennoxville Experimental Farm. Shown above is the two-man team which placed second in the standings. Arthur Badger, left and Don Badger, right represented the West Bolton Calf Club. Coroner's inquest

Danville man held responsible in death of mother and daughter

A Danville man appeared in Sherbrooke District Court before Judge Evender Veilleux to face a reckless driving charge Tuesday afternoon, a few hours after he was held criminally responsible by a coroner's jury for the deaths of two persons.

Remi Proulx, the accused, did not enter a plea on the reckless driving charge because of the absence of his lawyer.

He was scheduled to reappear in court Wednesday.

Proulx was held criminally responsible by a five man coroner's jury, 20 minutes after the inquest into the deaths of Mrs. Gerard Element, a pregnant Danville woman and her three-year-old daughter, Elise, began.

Mrs. Element and her daughter were killed June 29, when struck by a car driven by Proulx, as they walked along

the road side near Danville. Seven witnesses, including the accused were brought to the witness stand by Crown Attorney Benoit Turmel and defense lawyer Paul Emile Brazeau, of the Lennoxville law firm of Raymond Frechette.

Dr. Leo Proulx, also of Danville testified the mother was still alive but the little girl was dead when he reached the scene of the accident.

The pregnant woman died a short while after the accident and was taken to St. Vincent de Paul Hospital in Sherbrooke, where an operation was performed in vain to try and save the life of the baby.

Dr. S. E. Copp who was called to the scene of the accident by Quebec Provincial Police testified the accused smelled alcohol and was "without consideration" under the influence of alcohol.

Dr. Copp told the jury the accused had trouble walking and the test that his blood contained 1.5% alcohol.

Dr. Louis Gagnon district coroner told the crown attorney that Mrs. Element died in hospital from a fractured skull and internal injuries.

Jean Paul Fortin, and Ed-

mond Marcotte told the jury they met with the accused and were drinking beer before the accident happened.

Mrs. Paul Fortin, crown witness told the jury that she saw the car coming about three acres from where she was "and there was so much dust, that I thought the car was on the sidewalk."

"After that I saw the little girl and her mother hanging over the fence," Mrs. Fortin said.

Proulx, the accused testified that he received his pay about 11 a.m. the morning of the accident and about 12:30 p.m. he went to the hotel and left about 2:30 p.m.

He told the court he was driving about 30 miles-an-hour when he saw Mrs. Element and her daughter walking on the pavement about 30 feet from him and he took the gravel part of the road to try to avoid hitting them because they were about 3 feet on the pavement from the side of the road.

Frogmen find body of girl

DISRAELI — (Staff) — The body of 15-year-old Lise Mercier was discovered here in Lake Aylmer Tuesday afternoon by frogmen from Thetford Mines.

She had been missing since Monday morning.

A coroner's inquest was held under the direction of Dr. Louis Gagnon, Sherbrooke district coroner, immediately after the body was found. A verdict of accidental death was returned.

According to what information was available, Lise, daughter of Mrs. Gerard Mercier of Disraeli, had gone out on her bicycle and she fell over the guard rail into the lake. At the spot where she reportedly went under the terrain is rocky and her body, when found, was covered with bruises. Apparently she lost consciousness upon impact.

Employment office supervisor urges caution in seeking jobs

Gaston De Blois, placement supervisor at the Sherbrooke office of the local National Employment Office has issued an urgent warning to those in the community planning to go to work this summer in the tobacco harvest in Southwestern Ontario.

Would-be tobacco harvesters are strongly advised to get in touch with the National Employment Office nearest their homes, before departing for the tobacco fields, he said. In past years many have arrived in the area with no certainty of a job being available, no surety of accommodation, and no guarantee of being able to earn their fares back home, he noted.

About 400 to 500 persons from this area annually seek work as harvesters.

The National Employment Office has full information as to where harvest workers may be able to obtain jobs and shelter, and it is to the advantage of everyone concerned for tobacco workers to proceed to the harvest district as part of an organized movement, rather than individually, sporadically, and without definite prospects, Mr. De Blois added.

Serious hardship hit many workers in past seasons, who

took no precautions to make sure when, where—and whether to be had," he noted. The clergy, tobacco growers, and various officials in the tobacco-growing area also urgently advice har-

vesters from other areas to be sure to consult their local National Employment Office before leaving home for the harvest districts.

"Tobacco harvest workers are also strongly urged to use approved public transportation when referred by the National Employment Service to jobs," Mr. DeBlois cautioned. In previous years many cases have occurred in which private car owners have brought people to the harvest area, only for the unfortunate people to find that there were no jobs for them, and nowhere for them to live, with much consequent hardship and misery, he said.

The National Employment Office is able to advise the best when travelling to the site of a means of transport to be taken to the tobacco harvest job.

Playing 'cops and robbers'

Boy discovered safe in basement of house

DRUMMONDVILLE — (Staff) — The 14-hour search for four-year-old Jose Verrier came to a happy end early yesterday

morning when young Jose was found fast asleep in the basement of a neighbor's home.

Jose, son of Mr. and Mrs. Roger Verrier, was found by the neighbor, Mrs. Mozart Bourbeau, covered with old newspapers.

Young Jose, was put into the basement several hours earlier by a friend as part of a game of "cops and robbers."

The key to the discovery of Jose was given by a Quebec Provincial Police dog, Rebel.

When Rebel was given the boy's scent he remained near the Verrier home. This gave the searchers the clue that Jose was still nearby.

It was Jose's grandfather, however, who thought of looking in the neighbor's basement.

A search party of some 200 people was organized under the direction of Drummondville Police Captain Jean-Marie Pre-court and combed the neighborhood as well as neighboring dense bush throughout the night.

Optimists give \$100

The Lennoxville Optimist Club has donated \$100 to the Lennoxville Park Commission, it was learned recently at the regular meeting of the park commission held in the town hall here.

The sum, to be used for the benefit of the community park, was the prize money offered in the annual chocolate sale held by the Lennoxville Optimist Club several months ago. The prize money was to have gone to the person holding the lucky number but since the sale no one has come forward to claim the \$100 prize money.

In other park commission business discussed at the meeting, presided over by Robert Nichol, the Lennoxville-Sherbrooke Little League teams are practicing and playing regularly in the park and the ball games are well attended.

It was also reported that an attendant has been employed at the park for the summer months.

The annual Lennoxville Optimist's annual barbecue will be held September 8, in was learned.

Subsidized dairy products disrupting trade markets

Subsidized dairy products have been traded around the democratic countries in a manner which has completely disrupted normal trade markets, the co-proprietor of the Eastern Townships Produce Ltd., said here Tuesday.

Bruce Bishop told members of the Sherbrooke Rotary Club that for the past six years it has been the rich countries that have benefited by these subsidize products, especially powdered skim milk and not the underdeveloped countries who really need the help.

"Because of the subsidized prices for dairy products, the old law of supply and demand has disappeared," Mr. Bishop said. He said a product is only cheap until some other country has a subsidy higher than that of your own country.

"This method of supporting the farmers has resulted in our being obliged to sell a first class product for less money than it costs to produce the product," he said.

At the same time Mr. Bishop said he believes that the farmer is entitled to the same consideration as the union man or factory worker.

But, he pointed out, Canada is not alone in this matter of subsidies. Nearly all of the democratic countries have the same system.

"I question whether any government could be elected today without this measure of support and we cannot do

otherwise until all countries adopt a different system."

Subsidized dairy prices, he pointed out, have resulted in surpluses in the U.S.A., Canada, Holland, Belgium, Norway, Sweden, Iceland, France, England, Australia, New Zealand and others.

Mr. Bishop said his company is now in the process of approaching the various governments in the countries with dairy product surpluses in an effort to keep milk powder, which has been subsidized, by any country, off the world market.

"In turn, we propose to send this milk powder to the poorer countries, to be used in re-combining plants for fluid milk for drinking purposes. We do not propose to give this milk away," he said.

"We intend to sell the milk to people all over the world at a price which they can afford to pay but to make it available as widely as possible."

He said the scheme could be made feasible provided the financial assistance of the governments in several countries could be obtained.

"To date we have the assurance of the English, Australians and New Zealanders that they will co-operate with us," he said. "Our next ap-

proach is the Canadian government."

In furthering this venture Mr. Bishop is to visit Nigeria in the near future where the Swedes have established a re-combining milk plant.

These plants use skim milk powder with about three per cent butterfat and when combined with about 90 per cent water, liquid milk such as we know it is obtained. It will be Mr. Bishop's job to see how these plants operated.

"This idea is a good one," he said. "Nigeria is a rich country and the natives can afford to pay a price equivalent to what we pay for milk. The difficulty here is that of financing. A re-combining milk plant costs in the vicinity of \$200,000 and it takes about three years before the investor can hope to obtain any returns," he said.

Claims government should not usurp function of business

MONTREAL — Governments should not use their political strength to usurp the functions of private enterprise, nor should they attempt to do the work of those organizations which act as intermediaries between the citizens and the State, J. A. Page, former president of Southern Canada Power Company Limited, said today.

In a speech to the Montreal Kiwanis Club, Mr. Page said that the proponents of the nationalization of the Province's power industry had presented their arguments in an emotional atmosphere. And he denied the suggestion that the takeover by Hydro-Quebec of the investor-owned electric utilities would reduce the cost of electricity.

Mr. and Mrs. John Philbrick, accompanied by Mr. and Mrs. A. D. Peak, of Lennoxville, have returned from a holiday in New York State. While in Syracuse were guests of Mr. Peak's brother, Mr. Harry Peak and Mrs. Peak, and in Auburn, of Mr. and Mrs. Wm. Millar.

Gilbert Scott is spending two weeks at camp at Fitch Bay. Mr. and Mrs. Gordon Statton and daughter, Louise, spent a few days visiting at Upper Canada Village, Morrisburg, Ont.

BROMPTON —

Mr. and Mrs. A. E. Robinson spent the weekend in Montreal visiting Mr. and Mrs. R. Robinson and called at the Neurological Hospital to see their little granddaughter, Laurie, who is improving after an operation.

Comparing Ontario's provincially-owned system with the Quebec system, Mr. Page said: "Power rates are generally higher in Ontario. Rates to farmers, based on average use, are higher. Seasonal rates are double the Quebec rates. Domestic rates, set by 354 municipally-owned utilities, each with its own organization, are not much different from ours on equal population density, and vary upwards of 50 per cent."

Mr. Page also strongly denied that the power situation in Quebec was "chaotic," due to the existence of 46 power producers.

NEWS IN BRIEF

MONTREAL (CP) — Canada likely is heading for a year-long recession starting late this year, John Sawyer, economics professor of the University of Toronto, said today.

He told a federal conciliation board studying new contract demands presented by the railways' 100,000 non-operating employees that the recession probably will have turned again into a period of economic expansion through 1964 and 1965.

He was called before the board as a witness by the railways to give a forecast of what Canada's economy will be doing during the years a new non-ops contract could be expected to run.

LABRADOR CITY

LABRADOR CITY, Nfld. (CP) Premier Joseph Smallwood

asked Newfoundlanders Tuesday night to accept Canadians from other provinces who come to work in Labrador.

During an hour-long speech following ceremonies at the official opening of mining operations here, Mr. Smallwood said he would "probably be hanged" by the 100,000 Newfoundlanders working in other parts of Canada who would have to come back to Newfoundland if the province tried to keep other Canadians out.

Mr. Smallwood spoke at a banquet after earlier in the day pushing a switch which officially sent the Iron Ore Company of Canada's Smallwood Mine into operation.

LONDON

LONDON (AP) — Sir Winston Churchill watched movies from his hospital Tuesday night and called this morning for the London papers to check the racing news.

The 87-year-old wartime prime minister, whose recovery from a thigh bone fracture has been complicated by a blood clot in the leg, spent a comfortable night, Middlesex Hospital officials said.

The latest word on the condition of Churchill's injured leg awaited the daily examination by his staff of doctors. Churchill was dropped up with pillows in his bed to watch the special hour-long movie show.

The Doctor Says

DRUGS THAT ACT ON NERVES MAY AFFECT CERTAIN SKILLS

At the University of Michigan an investigation is being carried out to determine the effect of drugs that act on the central nervous system on behavioral skills — such as operating an auto or power tool. Such drugs are sedatives, sleeping medicines, tranquilizers, pep-up energizers and the like.

By the use of ingenious test machines, experiments have been conducted by the American Automobile Association's Auto Trainer, a panel that records hand steadiness, and on an Orthorator that measures near and distant vision.

In these experiments, subjects were tested before and after taking average doses of the most popularly used drug in each category.

In general when average doses were given to normal subjects who had not taken any alcoholic beverage, there was no clear-cut evidence of significant changes in test performances (behavioral toxicity).

Unfortunately the story does not end there. For there is a suggestion that continued administration of these drugs (chronic toxicity), particularly when combined with an alcoholic beverage, may significantly affect behavioral skills, especially of the operation of vehicles used in public transportation.

Just what can be done to control this potentially alarming situation is not clear. In the case of alcoholism, of course, it is possible for authorities to measure the alcoholic content of breath and blood. In the case of the drugs listed on such measuring sticks are available.

To penalize skilled workers merely because they are taking prescribed drugs would be both impractical and unfair.

On the individual level, however, you can do the following for your own protection and the protection of fellow employees and the general public:

Do not take any of the listed drugs, especially pep-up pills, without the knowledge and consent of your doctor. Particularly if you are on the road, do not purchase and swallow any over-the-counter product on sale at any way station.

If you are given any of the listed drugs, or if any is contained in a prescription or combination such as one used to reduce blood pressure (antensive), watch your behavioral performance when you drive your car or use a power tool.

Should you note diminished skill, stop the drug for a few days and note any change that occurs. If your behavioral skill returns, repeat the test. If you again note an adverse effect, report to your doctor.

On the other hand, if you note no adverse effect, you may safely continue, always provided that you do not take even an average alcoholic drink while you are on medication.

Lothrop - Goodfellow vows solemnized

VALCARTIER VILLAGE — The marriage of Dorothy Janet Goodfellow, daughter of Mr. and Mrs. Robert Percival Goodfellow of Valcartier Village to Nelson R. Lothrop, son of Mr. and Mrs. Nelson S. Lothrop of Sherbrooke took place on June 2, 1962 in St. Andrew's United Church, Valcartier Village. Rev. R. Delorme, assisted by Dr. H. Ashford of Ottawa, uncle of the groom officiated. During the signing of the register Mrs. Brown and Mr. Kleindert rendered a duet "On Perfect Love" accompanied by Mrs. T. Clark at the organ. Baskets of gladioli adorned the altar and the guest pews were marked with white satin bows.

The bride who was given in marriage by her father wore a floor length gown of champagne lace over taffeta, fashioned with a peau de soie over-skirt, cut away in front and ending in a short train, the bodice having a bateau neckline and long sleeves ending in points over the hands. Her veil of tulle illusion was held in place by a pearl crown. She carried a bouquet of pink sweetheart roses and stephanotis.

Miss Norma Goodfellow,

sister of the bride wore a floor length gown of turquoise organza over taffeta, similar in style to that of the bride.

The junior bridesmaids were Miss Elizabeth Lavallee, cousin of the bride and Miss Marjorie Woodward, cousin of the groom who wore identical floor length gowns of deep pink organza over taffeta. All three attendants wore matching tulle shoulder length headresses, held in place by small beaded crowns and carried colonial bouquets of white pom-poms.

Miss Louise Goodfellow, niece of the bride was flower-girl and wore a turquoise organza over taffeta frock and a small white hat. She carried a nosegay of white pom-poms.

Mr. Ashford Lothrop, brother of the groom acted as best man and the ushers were Mr. Arthur Jensen and Mr. Clifford Goodfellow.

The bride's mother was attired in a rose and charcoal printed Boussac costume, rose tulle hat accented with black accessories and wore a corsage of white carnations.

The groom's mother wore an embroidered bodice dress of turquoise organza over taffeta, with matching tulle floor hat and beige accessories. She wore a corsage of yellow roses.

Following the ceremony a reception was held in the church hall which was decorated with pink and white streamers and bells. Pink and white mums completed the decor.

Later the couple left by plane for a two week holiday in Jamaica, the bride wearing for travelling a matching sheath dress and duster in pencil blue jacquardine, with white accessories. She wore a corsage of white carnations.

Out of town guests were from Ottawa, Toronto, Sherbrooke, Montreal, Three Rivers, Sanmar, Waterville,

Sylvia Goodsell weds Lyle Hartley

STANSTEAD — The marriage of Sylvia Jean Louise, second daughter of Mrs. Herbert Goodsell, Rock Island, and the late Mr. Goodsell, to Mr. Lyle Hartley, son of Mr. and Mrs. Sidney Hartley of Stanstead, took place on Saturday afternoon, July 7, at one o'clock in Christ Anglican church. Rev. A. L. Salt officiated for the double ring ceremony. Mrs. A. L. Salt played the wedding music. White summer flowers were used to adorn the altar.

The bride was given in marriage by her uncle, Mr. Robert Goodsell, and wore an aqua nylon jersey chiffon over taffeta dress styled with a crinolined skirt, the bodice having accented pleats with a V neckline and a cummerbund with a stole effect over the shoulders. Her hat was white nylon with a nose veil, white accessories and she carried a colonial bouquet of pink and white carnations with white satin streamers knotted with baby's breath.

Mrs. Stewart Hartley, as matron of honor, wore a navy blue dress with elbow length sleeves, a scoop neckline and full crinolined skirt, her accessories were white and she carried a bouquet of white baby chrysanthemums.

Mr. Stewart Hartley was

best man and the ushers were Mr. Louis Dubois, brother-in-law of the bride and Mr. Thomas Batchelor.

Mrs. Goodsell, mother of the bride was in a dress of white with navy blue polka dots, corded silk, with which she wore a white hat and accessories and a corsage of red roses.

Mrs. Hartley, the groom's mother, was in a dress of powder blue waffle linen and wore a white hat and accessories and a corsage of red roses.

Mrs. Florence Thayer, maternal grandmother of the bride was in a dress of blue and white figured sheer and wore white accessories and a corsage of summer flowers.

Mrs. Louise Goodsell, paternal grandmother of the bride was in a dress of brown nylon and wore a beige hat and white accessories and corsage of toning flowers.

The reception was held at the Canon Gustin hall in Fitch Bay and attended by approximately 100 guests.

The bride's table was centered with the tiered wedding cake decorated in white with pink roses and having a miniature bride and groom leaving the church and descending a red carpet. Flowers were used to complete the decor.

Later Mr. and Mrs. Hartley left by motor for their honeymoon trip to points of interest in Quebec and Ontario. For travelling Mrs. Hartley wore a powder blue with white fleck linen suit, white accessories and a corsage of pink carnations.

ASK THE DESIGNER

by gaile dugas

Dear Gaile: I read your column every week and would appreciate any help you can give me on planning my wardrobe. I have always been overweight but have now lost considerable weight and can finally wear lovely dresses instead of tents. My husband is anxious for me to have a good wardrobe with the proper accessories. I am 40. I am 5 feet 7 inches and weigh 170 pounds. I have dark brown hair and hazel eyes.

The only things I can use from my old wardrobe are a rich blue fabric coat and a black wool skirt. I have two new dresses; a tangerine and an emerald green. I enjoy colors but don't want to get carried away with them. I am active in scouting, PTA and church work. As a family, we enjoy camping and many sports events. Should I have a bulky cardigan or jacket for these events? (I wear shorts occasionally but never away from home). We will be most grateful for any help you can give me.—Mrs G. S.

Dear Mrs. G. S.: How wonderful that you have pared that poundage down to a point where fashion can be fun! Advice on building a wardrobe for a new you comes from designer Abe Schrader. He says: "Congratulations! Overweight women have no fashion fun at all. Now, let us begin with that rich blue coat. I assume the color is brighter than navy. If this is true, I suggest that you buy dresses to co-ordinate with it. The first should be close to the color of the coat. Then choose another dress in a lighter color for late day wear. Also, you'll need either a jacket dress or a costume that will blend with the coat."

"For the black skirt, choose a black pull-over top to create a two-piece dress look. When you assemble a wardrobe, remember that one

central color theme should run through it. From your description, I'd say that you should stay with neat, easy lines and a minimum of fuss.

"Incidentally, I would prefer you not to wear tangerine since it is less than flattering for anyone who wears a size larger than eight."

Dear Gaile: We are planning a trip to the Pacific Northwest the first of August and I am wondering what type clothes to take, other than rainwear and walking shoes. I hope this question will be of interest to many women who plan to visit the fair.—G. E.

Dear G. E.: The weather in Seattle in late summer may range from chilly and rainy to hot. So you should be prepared for the changes in climate. Advice on what to pack comes from designer Andrew Arkin, who says:

"Since you must be prepared for rainy weather, I suggest that you invest in a smart wool jersey raincoat that can double as an all-around topcoat. You certainly will need one suit. You should have a sleeveless wool knit sheath with simple lines to wear under the jersey coat or on its own."

"Take a silk jacket dress in solid color or neat autumn print. This will be useful for luncheons, dinners and indispensable if the weather proves warm. Have a black silk crepe dress with easy lines for evening. You should include a knit silk or synthetic dress in autumn print with co-ordinated sweater. Enjoy your trip!"

Engagement

Mr. and Mrs. Andrew LeRoux, of Danville, Que., announce the engagement of their only daughter, Irena Joyce, to Signalman George C. Heath of the Canadian Army Signal Corp., stationed at Shilo, Manitoba, son of Mr. and Mrs. Graydon Heath, of Danville, Que. The wedding will take place July 25, in St. Augustine's Anglican Church, Danville, at 7:30 p.m.

HOLIDAY BOUND: MISS MADELAINE CHAPDELAINE of Sherbrooke photographed in the Ivernia as she sailed (July 6) for Europe. Miss Chapdelaine, who is a teacher at a school in East Angus, is on a student tour and she will visit eight countries including England, France, Belgium, Germany and Italy.

Sister Annie Baldwin who has been a member of the Rebekahs for 50 years, was presented with a corsage by the Noble Grand, along with good wishes of the Lodge for her faithful service. Each member then extended their own special wishes.

Sister Baldwin then thanked the Lodge for her corsage and good wishes.

FOOD TIPS

For a welcome treat on any picnic fill your basket with home grown tomatoes, scoop out pulp and fill with deviled ham, mixed with mayonnaise, pepper and finely chopped hard-cooked eggs.

"Cool as a cucumber!" Marinate thinly sliced cucumber in tarragon vinegar. Then blend 2 tablespoons vinegar, sour cream and deviled ham. Place cucumber slices on crisp lettuce. Top with deviled ham dressing.

Playground at Coaticook is opened officially

COATICOOK — The O.T.J. playground officially opened for the summer season on July 2, a sunny day and large attendance marking the event.

Following a special Mass at St. Jean Evangeliste Church, a parade was led by the Harmony Band through the streets of the town to the camp ground on the banks of the Coaticook River.

A concert by the band, speeches of welcome by town officials and OTJ officers marked the opening. The youngsters enjoyed games, sing song, folk dances and a picnic lunch.

The newly appointed camp monitor, Raymond Brulotte, has a full program planned for the season, the playground being open for the enjoyment of the children of the community, until 4 p.m. each day. The camp area is then available to adults for swimming, picnicing and relaxing.

Drummondville Royals, de-ville pushed three runs across the Granby Knights 4-3 in the fourth as the result of a game. They got the winner in the ninth when a Boudreau squeeze play brought Este home from St. John Pirates won their fifth of the season with a 4-3 upset over Coaticook.

Bobby Jack Oliver is looking for more improvement this season and Coach Perry Moss would be happy

JOLIETTE, Que. (CP) — A Eastern Football Conference performance similar to last year's by Bobby Jack Oliver would probably make coach Perry Moss of the Montreal Alouettes a happy man.

But not so Bobby Jack who says: "Once you're satisfied with the effort you turn in you're finished. You've got to keep pushing yourself. I won't be content unless I can make some kind of improvement."

Oliver, a 245-pound defensive tackle, has cut out for himself a challenge of no minor scope. As the mainstay in the defensive unit he made the Canadian Press all-star team easily last year and won the Jeff Russell Trophy as the player in the field on end runs.

Quebec horses winning at Old Woodbine

Blanked in six outings at Vernon Downs in upstate New York and Richelieu in Montreal, the trotter won her second in two starts here Tuesday night before a crowd of 5,276.

The time was 2:04.4, enough to stave off the bid of Dyalce Blue Amulet Hanover, with Roger White in the sulky, took over the lead at the half way point Dyalce Blue came on strongly in the stretch but finished a half-length back.

The win raised Amulet Hanover's 1962 winnings to just over \$3,000.

White Sox upsets league-leading Tigers 7-3, Larry Wilcox paces way with four hits, game tonight

Holding the league leading Tigers to ten scattered hits David Laforge hurled the White Sox to a 7-3 win in a Little League game last night at the Parade Grounds.

Larry Wilcox, first baseman of the Sox, also had a big say in the victory coming up with four hits to drive in four runs. Tonight the Yankees are at the Parade Grounds against the Red Sox.

Tigers took a one run lead in the last part of the first inning on Mike Bacon's single. Wilcox got his first hit in the second to tie the count. Tigers, in their part of the second, went ahead again with a single run when Jacques Vachon and Michael Laurendeau hit safely.

Two runs in the top of the third put the Sox ahead for the first time. George Meissner and Larry Wilcox doing the hitting. Tigers went hitless in the third. It was nothing across the board for both teams in the fourth as the respective pitchers kept ahead of the batters.

Three runs in the fifth salted away the game for White Sox. Wayne Hussey, George Rogers and Wilcox, with his third hit in a row, along with two infield Tiger errors pushed home the runs.

Pierre Cabana and Daniel Gagnon got hits for Tigers in the fifth but Laforge holding the batters to infield hits kept the Tigers from adding to their score. Each team got single runs in the sixth. Sox got theirs on Wilcox's fourth hit while in the last of the sixth Mike Bacon, with his second hit, sent home the Tiger tally.

White Sox drew lots of applause from the spectators with their fine defensive work. George Meissner, at third, showed up well and was closely followed by Bell, at second, and Wilcox, at first. David Laforge was perfection all the way and pitched one of his best games. Tigers seemed to be over anxious in this one Gilles Bernard, though losing, pitched well while his catcher, Michel Bacon, and Dupuis, at first base, also stood out. Thompson, Webb and Gorman handled the game.

Eric Brown sets pace in British Open, Phil Rodgers top American three strokes off leading mark

TROON, Scotland (AP)—The 1962 British Open championship, one of the real prizes of golf, opened today in an atmosphere suggesting it was a match between the United States and Australia.

With the ever dangerous qualifying rounds behind them, the best bellers of modern golf took on Old Troon's 7,045-yard, par-72 layout in search of glory which by American standards is about all they get out of it. First prize is only £14,000 pounds (\$3,920) but as defending champion Arnold Palmer of Latrobe, Pa., said:

"You can break even on expenses but the point is this is a matter of prestige. That is why I come here and my wife and I also enjoy the trip."

The Americans were also looking over their shoulders at the Australians.

They were Kel Nagle, who won the 1960 title at St. Andrews, beating Palmer by one shot, Bruce Devlin, an amateur turned professional who was the key to Australia's defeat of the United States in the Eisenhower World Cup play at St. Andrews in 1959, and the reliable Peter Thompson, four times British Open king.

Nagle served notice in the qualifying rounds he is to be reckoned with by breaking the Lochgreen course record with a 65 and tacking on a 76 at Troon for 141.

Gary Player of South Africa qualified with 71-76-147.

46 --- Safety Values

You don't have to be making an important shot in a big tournament for pressure to build up.

A week-end golfer on the verge of breaking 90 can be under as intense strain.

To keep from blowing up, especially if you're the emotional type, have a safety valve. All top players do. Many believe that when they get keyed up nervous energy makes them hit the ball harder than they normally would. They under-club — sometimes as much as two numbers — to compensate for the extra power.

Others find a safety valve in overclubbing and purposely restraining their swing so it will be easier and smoother.

I don't exactly subscribe to either method. I believe you must play each shot with confidence, so I play the club in which I have the greatest faith if I have a choice. Sometimes when the heat's on real strong, I play a club I wouldn't think of using ordinarily simply because I feel better with it.

I try not to let a bad shot upset me. I try, and sometimes succeed, to dismiss it airily as

Judy Evans won't defend ladies crown

MONTREAL (CP)—Judy Darling Evans, who has pretty much ruled the golfing domain among the ladies for the last few years, will not defend her Canadian championship in Winnipeg next month.

She has also notified the Quebec branch of the Canadian Ladies Golf Union that she will not be available for the Quebec provincial team this season.

Mrs. Evans played in a team match Monday at Royal Montreal but she said it was just for fun.

"I am definitely not going to Winnipeg but have not yet made up my mind about the provincial open tournament July 16," she said.

Mary Darling, Judy's young sister, has also declared herself out of contention for the provincial team. She is concentrating on summer school sessions.

Lew Hayman optimistic over Gerry McDougall

TORONTO (CP) — Managing director Lew Hayman of Toronto Argonauts said Tuesday he is "optimistic" that halfback Gerry McDougall will line up with the Eastern Football Conference football team this year.

Hayman's comment was made after McDougall informed him in a telephone conversation from Hamilton that he had only one factor of his family problems to clear up before signing. He said he hoped to do this today.

The 27-year-old McDougall, with Hamilton Tiger-Cats for the last five years, was traded 10 days ago to Argonauts for backfielder Bobby Kuntz. Kuntz signed with Ticats but McDougall, who earlier told Hamilton he wouldn't be around for the 1962 season for personal reasons, has been mulling things over.

He has had two sessions with Hayman, another was scheduled Tuesday but the former University of California star was unable to make it. They've agreed to meet Thursday.

If Argonauts get the six-foot-two-inch crashing half he will report to the team's training camp at Kitchener, Ont., this week.

PLAY SHOT with confidence.

just one shot in a round. I'm a great believer in visualizing shots. If I picture a perfect shot in my mind I usually can make it — pressure or no pressure.

Those are my safety valves. Maybe they won't help you let off excess steam, but try to find some way of doing it.

Dressing Room Comments

WASHINGTON (AP) — Baseball's elder statesman, Stan Musial, triggered the winning rally for the National League in the 32nd annual all star game with a pinch-hit single.

And one of the loudest cheers after the game, Musial let reporters in on what he and the president talked about in their meeting just before Tuesday's game.

"When I shook hands with him before the game today," Musial said, "he was telling everybody what a good job of campaigning I did for him."

"I reminded him of the time we first met. It was the Milwaukee in the summer of 1960. As we shook hands, he said, 'They tell me you're too old to play ball and I'm too young to run for president. I have a hunch we'll both fool 'em.'"

"The president remembered all right," Musial said, "and he laughed when I added, 'and I think we're both doing a good job.'"

RECEIVES OVATION

The capacity crowd of 45,480 at D. C. Stadium gave Musial an ovation before and after the hit. The National League scored two runs in the sixth inning after Musial's pinch-hit single and went on to win 3-1.

Over in the American League dressing room, manager Ralph Houk thought pitching was the key to the game, but added that it always is "when you get this kind of pitching. Those guys are really pitchers, on both sides."

Leon Wagner of Los Angeles, leading homer hitting in the American League with 25, disagreed.

"The pitching wasn't that good," he said. "None of them was over-powering. I just hit the ball at somebody all day."

STENGEL HAS FUN

CASEY Stengel may have had the best time of anybody at the game. The former New York Yankees manager now managing the last-place New York Mets, was American League manager in 10 all-star games. Monday he coached at first base for National League manager Fred Hutchinson of Cincinnati.

Toward the end of the game, Stengel said American League president Joe Cronin summoned him to Kennedy's box.

"I shook hands with the president but then I told him I'm working for Mr. Hutchinson and I had to get out on the line, so I left," Stengel said. He added:

"I really enjoyed the game. Of course, I was handicapped all day by the players coming up and trying to get on my Mets. They tell me I did all right as a coach, too. Maybe I can work my way around to third-base coach soon."

International Lawn Tennis open annual meeting in Paris today, John Bassett represents Canada

PARIS (CP-Reuters) — The thirds majority vote that is required to change the federation's rules.

They argue that because the proposal for open tennis is for a two-year experimental period only, no change in rules would be required.

Three of the four major tennis powers—the United States, Britain and France—have said they plan to battle for the proposal.

Against them are Australia and possibly Germany, The Netherlands, South Africa and Belgium.

Considered uncertain are Italy, New Zealand and the Communist-bloc delegates.

The Communists, who control 39 of the 238 votes distributed among the 57 nations, have not stated their position publicly.

Slashes fifth-inning single to start rally, second-guessers were questioning Manager Houk's moves

WASHINGTON (AP) — Second-guessers were questioning manager Ralph Houk's early removal of his starting players in the American League's 3-1 all-star loss to the National League and wondered today whether he would employ the same tactics in the second mid-summer meeting in Chicago's Wrigley Field July 30.

Houk's questioned strategy took place in the seventh inning Tuesday when he took Roger Maris, along with three others, out of the lineup and replaced last year's home run king with Chicago's Jim Landis, in centre field.

As a result, Landis, a less distinguished long ball hitter, came to bat in the eighth with a man on base and two out. A Maris home run would have tied the game. Landis struck out.

"I thought six innings was about right for Maris," Houk explained in the losers' dressing room later. "I wanted everybody to play."

CAME CLOSE

Don Drysdale, the National League starter, struck out Maris in his first time at bat but the major league home run king nearly knocked the ball out of the park in each of his next two times at bat. Facing Juan Marichal in the fourth, he drove Willie Mays to the centre field fence for his 400-foot drive. In the sixth, with Bob Purkey on the mound, Mays made a spectacular catch of Roger's bid for a three-run homer. Wondrous Willie crashed into the fence in deepest right centre as he made the leaping catch, his glove reaching above the eight-foot fence.

STARTS RALLY

Musial, who watched Drysdale and Marichal of the Nationals and Jim Bunning and Pascual of the Americans pitch scoreless ball through five innings, came off the bench in the sixth and slashed a pinch-hit single to ignite a two-run rally. It was the 20th hit in the 22nd All-Star game for the great St. Louis Cardinal.

Wills, sent in to run for Musial, gave the American League the first taste of his famed speed by stealing second, then scored the first run of the game on Dick Groat's single. Groat advanced to second on Roberto Clemente's third hit, a single to left, reached third on Mays' fly to deep centre and scored on Orlando Cepeda's infield out.
