Civic Celebrations Will Mark Coronation Of Canada's Queen

C.B.C. Set-Up Provides Special Event Coverage

For the first time, Canadians will be able to get a first hand look at the Coronation proceedings — the parade, the ceremony in the Abbey and the appearance of the Queen on a Buckingham Palace balcony.

They will get this service through the facilities of the CBC, which has arranged for a helicopter, three RAF Canberra jet bombers and an RCAF CF-100 all-weather jet fighter to fly the films here from London.

The special coronation program will be broadcast over CBFT here continuously for 6½ hours, starting at 4.30 p.m. on Coronation Day — only 10 hours after the Queen has had the Crown of St. Edward placed upon her head by the Archbishop of Canterbury, Most Rev. Geoffrey Fisher.

The films will be flown from London to nearby North Weald by helicopter, then placed aboard a Canberra jet bomber for the trip to Goose Bay, Labrador. While flying across the Atlantic, the films will be processed. From Goose Bay, the CF-100 will pick them up and bring them on to St. Hubert Airport.

In the interests of public safety and with the approval of the Commissioner of the Police and Fire departments a comprehensive traffic control system has been worked out for the duration of the city's Coronation celebrations at the Westmount Athletic grounds on Tuesday evening.

Under the new rules, Kensington Avenue will be made a one-way street southwards; Redfern and Kitchener Avenues one-way streets northwards. Parking will be prohibited on both sides of St. Catherine Street, Clarke and Redfern Avenues and on Hillside Avenue and Hallowell Street throughout. For the evening of the celebration, the 60-minute parking restrictions on Sherbrooke Street between Olivier and Melville Avenues will be lifted. By putting into force these changes in regulations, 800 automobiles can be accommodated in the area Sherbrooke Street - C.P.R. Track - Olivier Avenue-Park Place without causing traffic jams. Outside that area parking will be as usual. The special traffic regulations will become effective at 6 p.m. on June 2nd.

As a large attendance is expected, residents are requested to co-operate fully with all traffic officers and with the above change of rules.

Coronation Display At Mechanics' Institute

For more than a month, members of the Mechanics' Institute Library, 1200 Atwater Avenue, have been enjoying a special display of books pertaining to the Coronation. When asked why this exhibit had been arranged so early, the librarian, Miss Sybil Grimson, explained that her staff had so many queries from artists and advertising firms for pictures, details of the coronation ceremony, or stories of interest about it, that they were spending a great deal of time looking for this material. They decided to collect it all together and the result is an exhibition of past numbers of English Illustrated papers, lives of former monarchs, coronation ritual and pictures, which has been of interest to everyone using the library.

All details for the city's celebration of Queen Elizabeth II coronation have been worked out and if the weatherman shows the least sign of neighbourly co-operation the two-hour show will be staged in the Athletic grounds on Tuesday evening.

The grounds will be open at 7.15 and at 7.30 massed community singing will start the show. This will be followed by choral singing from the choirs of Westmount schools, pupils from St. Leo's and St. Paul's schools under the direction of Mr. Albert Ledoux and pupils from the junior and senior high schools under the direction of Mr. Clifford Mitchell.

From 8 p.m. until 9.10 the centre of attraction will be a giant Parade and Military Pageant which will feature, Queen Victoria's Jubilee 1897, the Great War, 1914-18, the second Great War, 1939-45, an exhibition of precision drill "Young Canada Carries on — 1953", Retreat, Band Music and the March Past.

Musical selections will include "Soldiers of the Queen" "Pack Up" (Continued on Page 2)

Special Service To Mark Crowning Of Young Queen

The Welsh Church of Montreal will hold a Special Service on Coronation Sunday (May 31) at 7 p.m. at 3485 McTavish Street by kind permission of the Presbyterian College authorities. This service of music and worship is planned for loyal Canadians of Welsh extraction. The Reverend Peredur W. Jones, B.A., B.Sc., B.D., former Professor of Church History in China, will conduct the service and preach the sermon. Mr. John Eilian Davies Llanberis, will read the lesson from the Volume of the Sacred Law in the Welsh language, and Mr. Clarence S. Allin, Whitechurch, President-Elect of the St. David's Society of Montreal, in English. Specially selected Coronation Hymns, together with the two National Anthems, will be sung in Welsh and English. Miss Jenny Purnell will officiate as organist. A hearty invitation to come and join in this service of worship is extended to all who are interested.

Crowning Of A Queen

Coronation Is Symbol Of Tradition Which Has Made Britain Great

Queen Elizabeth II, a reigning monarch for the last 15 months, will be officially crowned in Westminster Abbey, London, on Tuesday.

In the world today, the crowning of a queen takes on a special significance in the light of the fighting, unrest and diplomatic and political stalemates in all hemispheres of our earth.

A coronation shows that something has survived through the centuries, survived above the basic materialism and greed which has grasped much of the world's population.

Royalty today, as always, in England, is a symbol and politically speaking a rather unimportant symbol. But it is this symbol and other similar symbols which have made the centuries-old tradition of Britain. Without this tradition, the island empire might surely have perished in the chaotic events of the last two decades.

But the symbol of royalty — kind, considerate, but determined, the very epitome of all that has now come to be known as "British" — has survived, and as long as the symbol survives, Britain, and the free world, will survive. God Save the Queen!

Miss Liane Darby, 177 Metcalfe Ave., a Grade 2 pupil at King's School whose eighth birthday falls on June 2nd, the day of Her Majesty's Coronation felt that something should be done about the matter, so she wrote her Queen a letter and received the following reply.

Dear Liane:
I write at the Queen's command to thank you for your letter.

Her Majesty deeply appreciates your loyal message of goodwill and affection at this time of her Coronation, and desires me to send you The Queen's sincere thanks.

Yours sincerely,
(Sgd.) Henriette Abel Smith,
Lady-in-Waiting.

WE HEAR

IN A ROUNDABOUT WAY...

... That the famous Floral Clock near Victoria Hall has once more had its face lifted and is ready to be photographed by the tourists.

... That anyone who drives the wrong way on a one-way street could be excused if Cedar Avenue is the street concerned as the "No Entrance" sign at the corner of Cedar and Ramezay is fighting a losing battle with a large bush which is badly in need of a trimming.

... That McCauley Realities are now occupying their own building on Victoria near Sommerville.

... That M-Day for the Professional Pharmacy has been advanced to June 15th when Mr. Ellmeleck will move lock, stock and barrel to the store farther up Victoria formerly occupied by the Royal Trust Company.

... That Jack Greenberg of Greenberg's Grocery (one of Westmount's oldest established stores) married the girl of his dreams last Saturday and, in all probability, will not continue working at his father's store but is going into business for himself. Not the grocery business, though.

... That, as these lines are being pecked out on the old Remington, the chances of the Post Office

branch being continued in Cameron's store after Saturday are pretty slim. However, there has been one applicant for the position and things might change before the week ends. Manager John Lucey doesn't think much of the idea of everybody having to trek down to his sanctum at Greene and Western, either. Thinks it will definitely disturb the peace and tranquility there.

... That the Antique Show scheduled for Vic Hall this week was cancelled because of lack of co-operation between the promoter and some of the bigger dealers who occupied booths at the last show. Mr. Larsen, our local antique expert, was more than slightly embarrassed because he had already mailed out several hundred invitations to some of his clientele inviting them to visit his exhibit.

... That the Westmount Rotary Carnival will take place at Westmount Park from June 23rd to 27th. The word from Bob Edwards hard-working (?) publicity man, is that the prizes will be better than ever this year.

... That the recently-formed 17th Hussars Association is holding a reunion on Friday, June 5th at 8 p.m. in the Cote des Neiges Armoury. All ex-members of the 17th Duke of York's Royal Canadian Hussars who are interested in joining the group, are requested to get in touch with the organizers by writing to the Association, c/o the Armoury or by registering at the reunion.

... That the party who advertised for a garage on Metcalfe Ave. in The Examiner last week got a suitable one just 20 minutes after the paper was delivered on that street. For best results, etc.

... That renovation work on the Avenue Snack Bar on St. Catherine should be finished in about 3 weeks and the popular restaurant and stationery store will be bigger and better than ever... just like Mike!

... That Don Ross has a more complete understanding of rural habits, since his rush of spring-time energy got him tangled with a deadly vine known as poison oak.

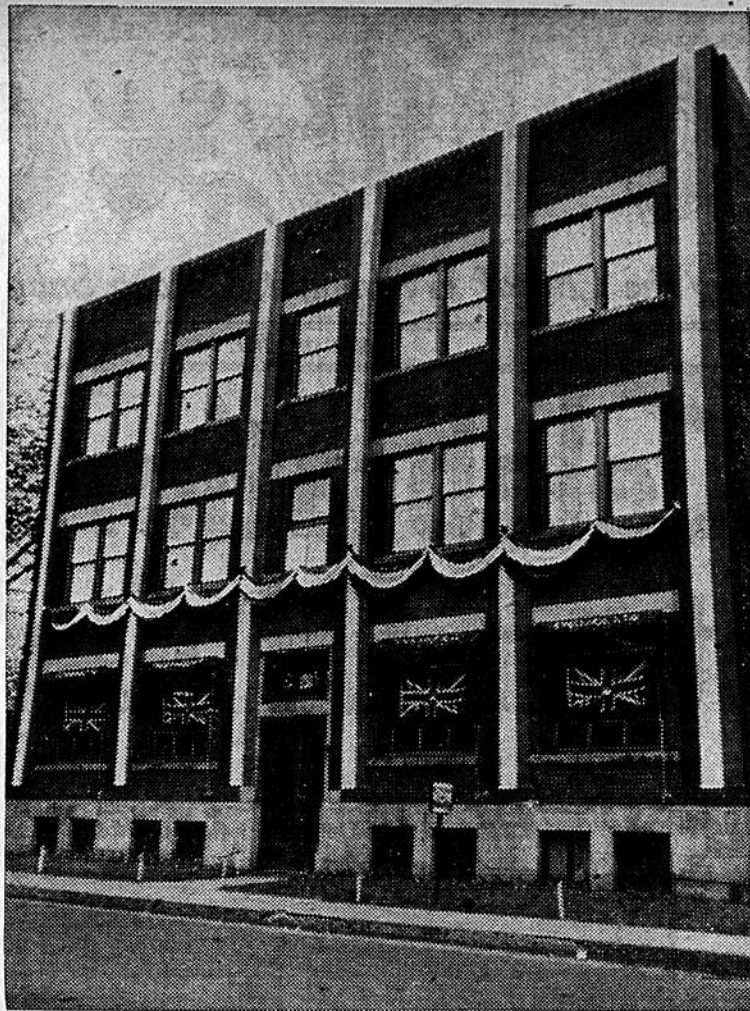

... That Mrs. A. D. Falkner, chairman of the local Red Cross working group is feeling pretty perky these days after setting a local record for collection figures.

... That Tom Hughes, despite his unquestioned loyalty to established institutions, will have more than one sigh of relief when coronation celebrations are over.

... That Frank Kenwood deserves a special nod for the firm's decorative effort.

... That Colonel Clem Dick is slated for a new posting which will place him out in the city of Winnipeg.

... That Jimmy de Lalanne made a very neat introductory speech down at the Rotary Club.

Many local business firms, followed the example set by civic authorities and decorated lavishly for Coronation Day. The above scene of Kenwood Transfer head office is a typical example of the cooperation extended by Westmount business firms and individuals.

Claude Root Gives Year's BBB Report

Claude A. Root, 481 Victoria ave, general manager of the Better Business Bureau of Montreal Inc., and well known local resident delivered his yearly report at the annual general meeting of the organization held in the Windsor Hotel on Monday afternoon.

An extract from his speech follows; "We are fortunate in being able to tell our members that it has been possible to perform an average of over 2,000 recorded instances of service per month throughout the past fiscal year. This figure is conservative and will certainly be surpassed during the next period, if we are to judge from the mounting interest of business and consumer alike.

There is daily evidence that business, through the B.B.B., has tremendously improved its public relations since commencement. Business and the public have both profited therefrom. Goodwill and good faith are the foundation of enduring public confidence in business, and the B.B.B. obviously embodies these attributes.

Accent On Advertising Abuses

Still more of the attention of your... bureau... during... coming months will be directed toward that type of advertising which may tend to mislead. Confidence cannot be engendered if subterfuge and half-truths are allowed to persist in this field, as advertising is the outward demonstration of the business policies and practices of the advertiser. A merchant is known and can be aptly judged by his advertising. Hence, the Bureau is accelerating its endeavours to encourage better observance of truth and accuracy in the use of all media. The whole Bureau movement is today concerned with the growing prevalence of a "grey area" in advertising which heretofore has not been too widespread. The result

of all corrective efforts exerted during the last 40 years will be set at naught, unless the believability of advertising is preserved. In the opinion of leaders in the field, the maintenance of vital public confidence depends upon this. We have fond expectations that our newly formed Board of Review shall soon make itself felt in the realm of "bait" advertising and other abuses.

It should be emphasized here that none of the other current activities of your Bureau will be in any way curtailed, although the budget for the coming year will be no more than adequate to provide for our ever-expanding program. However, most authorities agree that 1953 will be another record-breaking year in every respect for Canadian business generally, and your board and staff hope confidently that the Bureau movement may benefit from its rightful share in the nation's prosperity.

L. S. Reyecraft is the president of the Montreal Amateur Athletic Association, replacing George L. Rattee whose term of office ended at the club's annual meeting.

Long after the civic coronation celebrations are past and forgotten, living memorials will be growing in the Queen Elizabeth gardens, at Wood and Sherbrooke Sts.

This will be ensured by means of a special tree planting ceremony to be held at 4 p.m. on Coronation Day, when His Honour R. Campbell and members of the city council will each plant a commemorative tree in the gardens.

7-Year-Old Carolyn Stark Sends Queen Elizabeth Coronation Gift of \$1; Receives 'Thank You' Note

BY MORTON RANSEN

Four-foot Carolyn Stark, granddaughter of Mr. Alexander Stark, 222 Redfern Ave, stood a little taller than any other seven-year old as she walked into her classroom at Rosedale School recently.

She also held her spelling book more tightly than usual, because, held tightly in the pages of her book was a letter from her No. 1 idol—Her Majesty Queen Elizabeth II.

The blond little miss' correspondence with the Queen started when she realized that the Sovereign and herself had a great deal in common. June 2, the biggest day in Elizabeth's life will also mean a celebration for Carolyn, who will mark her 8th birthday.

When Carolyn discovered this coincidence on April 23, she wrote the Queen a letter. It was not an easy chore. Carolyn had only recently learned to write and printing the 100-word letter took her all of three hours. It wasn't much fun for mom and dad either, they were forced to help with the spelling of every second word.

Then blond hair and blue-eyed Carolyn thought the situation over carefully and came to the conclusion that it would be fitting to send the Queen a coronation present. Using a hammer on her piggy-bank she procured \$1. in change, (at 25 cents allowance per week this meant almost a month without popples and comic books) and traded with pop for a dollar bill.

Carolyn's three hour composition, which accompanied the dollar in a letter marked "Queen Elizabeth, Buckingham Palace" follows:

Dear Queen Elizabeth,
On the day of your Coronation, June 2, I shall be eight years old so I shall certainly remember that day.

The last time I saw you was when you drove past my street over a year ago in a big car with a glass top.

Our teacher in school has put a wonderful big paper Crown in the front of the room with ER on both sides of it. We made some crowns too.

Mummy says I may have a coronation party on my birthday with paper crowns for all my friends.

My little sister, Mary, is about the same age as Princess Anne.

Daddy was over in England with the Royal Navy during the war and he says we are all going to visit there some day but not

Colour Film Is Shown At Libraries Meeting

The Montreal Branch of the Special Libraries Association held their regular meeting in the Lecture Hall of The Mechanics' Institute, 1200 Atwater Avenue, on Tuesday evening, May 19th.

The president, Madame Caron-Dupont, Librarian of the CBC, conducted a brief business session, after which a color film entitled "Packaged Power" was shown. This film depicts the increasing use of aluminum in the world today, was loaned through the courtesy of the Aluminum Company of Canada.

CAROLYN STARK

for a few years as he is very busy.

We shall all be thinking of you and hope you have a lovely Coronation.

With much love
Carolyn Stark

P.S. I want to give you something so I am sending you this dollar I saved.

Being a thoughtful type and not wanting to make a bad impression

on a real life queen, Carolyn ran into an important problem with the dollar bill.

She stared at it for several minutes and asked parental guidance: "Mommy," the correspondent asked, "If Queen Elizabeth notices the picture of her daddy on the dollar, will it make her feel sad." The dollar was included in the envelope only after she was assured by both parents that they didn't think it would.

But the biggest moment in Carolyn's short life came when Buckingham Palace wrote back. Since there was money enclosed in the original letter the answer came from the secretary of the Privy Purse at the Palace.

The note that made Carolyn the most important little girl in the district read:

Dear Carolyn Stark,

I am commanded to thank you for your nice long letter, and the good wishes to The Queen for her Coronation.

It was very kind of you to send Her Majesty the dollar which you have saved, and she has decided that it should be sent to a little girl in the Hospital for Sick Children in London who is not so fortunate as yourself.

Yours truly,

Secretary of the Privy Purse.

CBC Will Give Full Coronation Coverage

By means of radio, millions of listeners in Canada will be following the Coronation Parade along its route, as well as the service in Westminster Abbey.

Here's how these broadcasts will be relayed to listeners here:

three transmissions of the same program, but on different frequencies, will be shortwaved by the BBC from London as the historic event takes place. One of these will be picked up by the CBC shortwave receiver near Ottawa, and the other two from New York. They will then be relayed to Toronto, from where the broadcast will be fed to the CBC networks.

An M.T.C. Brush-Off

Montrealer's Suggestion To Speed Up Traffic Turned Down Flat

The Montreal Transportation Commission has turned a deaf ear to a suggestion which statistics prove could go a long way towards alleviating this city's traffic congestion problem.

Edward Klein, a Montreal man with 30 years of engineering experience, advanced the proposal after a thorough study and survey of traffic conditions on St. Catherine street, busiest of this city's thoroughfares during rush-hour periods.

Mr. Klein says there should be synchronized traffic lights at each intersection and

more frequent street car stops. This, he explains, would cause traffic to move faster because automobiles would be able to proceed for many blocks without being stopped by a traffic light. Increasing the number of tram stops would quite obviously relieve congestion at each individual stop.

Just why the M.T.C. turned down Mr. Klein's suggestion without even giving it a chance is something difficult to understand, because statistics show that Montreal today is the hardest city to drive in the world — worse even than Cairo, Egypt and Asiatic cities in which there are both motor cars and other forms of primitive transportation, including rickshaws.

And Mr. Klein has no idea of taking all of our street cars off the streets. He says that would be foolish because tram cars can carry more people than either buses or private automobiles, and heart of any traffic problem lies in carrying the most people in the shortest possible time. Therefore, he reasons quite logically, the street cars should stay but they must be speeded up.

They travel now, in rush hours, at an average speed of 3½ miles per hour. The average human being can walk at a speed of 3 miles per hour.

Mr. Klein says his new system would increase average speed of trams to 5½ miles per hour, which is quite an improvement, although it still leaves quite a bit to be desired.

The Balcony upon their return. The scenes along the route and the actual crowning ceremony in the Abbey are most impressive. Visitors are welcomed to all services.

St. Andrew's United Westmount

The Coronation of Queen Elizabeth II will be observed in the churches of Canada on Sunday.

In St. Andrew's, Sunday will also be "Communion Sunday" — and the Sacrament of the Lord's Supper will be celebrated at the morning worship. There is a special appropriateness in the blending of "Coronation and Communion" inasmuch as the Holy Sacrament occupies an exalted place in the ceremony performed at the Coronation of the Queen.

Calvary United

On Sunday morning in Calvary Church a special Coronation service will be held at 11 a. m. to celebrate the Coronation of Her Majesty, Queen Elizabeth II.

VISITORS HEARTILY INVITED

Special Music Composed For Lutheran Churchis Coronation Service Sunday

A Coronation Service, especially prepared by the Lutheran Church for use in Lutheran churches this Coronation Sunday, will be used for the worship service in Redeemer Lutheran Church, Westmount, Sunday morning at 11.

The sermon entitled "Elizabeth, Queen, By the Grace of God", will be preached by the pastor, Rev. J. F. Neudoerffer, B. A.

Special music has been composed for this service by a new Canadian, Mrs. Paula Langer, who arrived in this country a little over one year ago from Austria. The two compositions "Coronation Prelude" and "Eternity" are Mrs. Langer's contribution to Redeemer Lutheran Church in Westmount, of which she is a member.

Other music to be presented by both the Senior and Junior Choirs under the direction of Miss Viola Benson, A.R.C.T., will include "The Coronation Ode" by H. Wiljan, and "Great and Glorious" by Haydn.

Westmount Baptist

Coronation Sunday will be observed in Westmount Baptist Church on May 31. The hymns, choral music and Scripture readings will all be appropriate. The morning sermon will have as its theme—"The Coronation — Its Symbolism and Glory".

In the evening Dr. Johnston will speak on "Crowning Christ King".

Following the evening service a film of the Coronation of the late King George VI and Queen Elizabeth will be shown. This film, though short, portrays the Coronation from the time the Royal Coach leaves Buckingham Palace until the Royal Family appears on

Christian Science

"Ancient and modern necromancy, alias mesmerism and hypnotism, denounced" is the subject of the Lesson-Sermon to be read in churches of Christ, Scientist, on Sunday.

This Lesson-Sermon teaches that no benefit can come from asserting personal domination, or submitting to it; since good is found only in obedience to the law of God as revealed in individual consciousness.

The Golden Text is from Jonah: "They that observe lying vanities forsake their own mercy . . . Salvation is of the Lord."

Bible citations include the following from Matthew: "And Jesus knowing their thoughts said Wherefore think ye evil in your hearts? For whether is easier, to say, Thy sins be forgiven thee; or to say, Arise, and walk?"

Correlative passages from the denominational text book "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following: "No person is benefited by yielding his mentality to any mental despotism or malpractice. The genuine Christian Scientist is adding to his patient's mental and moral power, and is increasing his patient's

spirituality while restoring him physically through divine Love. A Christian Scientist's medicine is Mind, the divine Truth that makes man free. He does not trespass on the rights of mind nor can he practise animal magnetism or hypnotism. Sickness to him is no less a temptation than is sin, and he heals them both by understanding God's power over them."

To Her Majesty

By Rev. Canon R. Kenneth Naylor
Trinity Memorial Church

The Anglo-Saxon-Celt, in spite of all his claims to the contrary,
is probably the most emotional person on earth. He holds his emotions
under tight control and then suddenly collapses. And so he responded
deeply and intensely to the Accession and Coronation of George VI,
owing to the unprecedented circumstances which brought it about. He
responded with equal intensity to the death of King George, be-
cause it was realized that this was a very definite case of a man sa-
crificing himself for the sake of his country.

But in the Accession and Coro-
nation of Queen Elizabeth II fresh
and deeper emotions are stirred.
Here is a young woman thrust un-
expectedly in her childhood into
a highly complicated political cri-
sis; living her adolescence in the
eye of the public; discussed daily
in the press before and after her
marriage; leaving her family to
tour the Empire called home from
a tour by the death of her father.
Twice within a year she has been
the chief mourner who has sprink-
led the handfuls of earth in an
open grave. Far beyond her years
she has endured the light that
beats upon a throne. Those who
saw her at close range on her
Canadian tour can testify that she
was seldom free of strain, but
they can also testify that she al-
ways stood the strain.

There is, however, something
more than sympathy in our re-
actions to the Queen. There is a deep
admiration as well, not only for
the way in which she has borne
her troubles but for the positive
declaration of her principles.
There has never been any cloud-
ing of the fact that she relied on
the prayers of her people and the
help of God. She broadcast to the
Commonwealth and Empire on
her twenty-first birthday in me-
morable words: "I declare before
you all that my whole life, whe-
ther it be long or short, shall be
devoted to your service and the
service of the great Imperial fa-
mily to which we all belong. But
I shall not have strength to carry
out this resolution alone unless

you join in it with me, as I now
invite you to do. God help me to
make good my vow, and God
bless all of you who are willing
to share in it." And again last
Christmas she broadcast in simi-
lar terms: At my Coronation I
shall dedicate myself anew to
your service. I shall do so in the
presence of a great congregation,
drawn from every part of the
Commonwealth and Empire, while
millions outside Westminster Ab-
bey will hear the promises and
prayers being offered up within
its walls. . . . I want to ask you
all . . . to pray for me on that
day . . . to pray that God may
give me wisdom and strength to
carry out the solemn promises I
shall be making, and that I may
faithfully serve Him and you, all
the day of my life."

So when we assemble on Sunday
and again on Tuesday we shall be
acceding to the Queen's wish and
we shall be basing our emotions
on something far deeper and more
enduring than mere emotion.

A soft answer turneth away
wrath; but grievous words stir up
anger.

Housewife Enjoys Inventing Gadgets

About five years ago, Mrs.
Letha O. W. Cordrey of San
Diego, Calif., put a simple and
useful aluminum spatter shield
on the market. It was designed in
three sections, hinged together so
they shielded back and sides of
the stove against spatters of fat
during a food-frying process.

This little item, which has been
highly successful, was just one of
many convenient household de-
vices she had made first for her
own use — just to meet a need.
But she's learned now that handy
little gadgets which meet her own
need are also welcomed by other
homemakers, and there appears
no limit to the products of her
ingenuity.

Among her most recent which
will shortly appear in stores are
handy folding footstools, stem
supports for plants and flowers,
and a top for the spatter shield
which can double as a cookie sheet
or a reflector for use in amateur
photography.

The footstool comes in two sizes
with legs that fold against it
so it is almost as flat and light
as a large manila envelope such
as one uses for carrying miscella-
neous papers. Adults can rest their
feet on it and children can sit
on it. It can also serve neatly as a
plant stand on floor or table.

The plant and flower supports
are exactly what any flower ar-
ranger needs but never seems to
have at hand. They are little green
wires of different lengths with a
hook-shaped head in which a flow-
er or branch can rest with grace
and security.

MARRIED RECENTLY: Mr. and Mrs. Robert Urquhart Beck whose marriage took place May 9 in Verdun United Church. Prior to her wedding the bride was Miss Jean Marlene Johnson, daughter of Mr. and Mrs. Clarence Henry Johnson, of Verdun. Mr. Beck is the son of Mr. and Mrs. Urquhart Stanley Beck, of Westmount.

BECK - JOHNSON

The marriage took place on the Saturday afternoon, May 9, in Verdun United Church, Verdun, of Jean Marlene, daughter of Mr. and Mrs. Clarence Henry Johnson, of Verdun, to Mr. Robert Urquhart Beck, son of Mr. and Mrs. Urquhart Stanley Beck, of Westmount. Rev. J. G. Joyce performed the ceremony. Mr. Montague Matthews played the wedding music and Mrs. James Scott sang. White trilliums with pink gladioli were arranged in the church.

Given in marriage by her father, the bride was attended by Miss Norma Ross as maid of honor, with Miss Marilyn Dupre as bridesmaid, and little Miss Sydney-Lee Rich as flower girl. Mr. Rodney Wray acted as best man, and the ushers were Mr. Robert Pearce and Mr. Howard Burridge. The bride was wearing a floor length gown of Chantilly lace and nylon tulle over taffeta. Her finger tip veil fell from a coronet of seed pearls, and she was carrying an arm bouquet of red roses with lilies-of-the-valley. Her only jewellery was a small strand of baby pearls.

The maid of honor, in turquoise, and the bridesmaid, wearing coral, were dressed alike in strapless frocks of nylon tulle over taffeta worn with matching jackets, and were carrying colonial bouquets of multicolor sweet peas. The little flower girl, in a frock of yellow nylon net over taffeta, carried a basket of pink sweet peas.

Mrs. Johnson, mother of the bride, gowned in navy lace over taffeta, was wearing a pink Milan straw hat with navy accessories, and a cluster of pink roses at her shoulder. The bridegroom's mother, Mrs. Beck, in My Lady blue crepe, with inserts of lace, wore an imported black straw hat with black accessories and a shoulder spray of pink roses.

The reception was held in the Oak Room of Victoria Hall, Westmount, following which the couple left on their wedding trip to New York. For travelling the bride

wore a pale blue suit with an imported white straw hat and a navy coat and accessories with a corsage bouquet of white roses. On their return Mr. and Mrs. Beck will live in Chateaugay.

Morris, of Hove, Sussex, England, to Mr. Wilfred Armin Friedman, son of Mr. and Mrs. Eugene Friedman, of Santa Fe, New Mexico, took place recently in Dominion-Douglas Church, Westmount, the Rev. A. Lloyd Smith, D.D., officiating. Mr. John Robb played the wedding music and spring flowers were used to decorate.

The bride, who was given away by her cousin, Mr. G. A. Morris, was in a suit of dusky rose wool. She wore a hat of navy blue Milan straw, trimmed with pink pearls, navy blue accessories and carried a Colonial bouquet of sweetpeas and lily of the valley.

Miss Audrey McVeigh, as maid of honor, wore a suit of navy blue shantung, with a white straw hat, navy blue accessories and carried a Colonial bouquet of pink sweetpeas and lily of the valley.

Mr. Horace W. Hurley acted as best man for Mr. Friedman.

Mrs. Friedman, mother of the bridegroom, wore a gown of grey and white corded silk with a white hat, black accessories and a corsage bouquet of pink carnations.

The reception was held at the Forest and Stream Club where white stocks were used as decorations. Later, Mr. and Mrs. Friedman left for Santa Fe, New Mexico, the bride travelling in her wedding outfit and wearing a pale mauve topcoat.

Among the out-of-town guests were Mr. and Mrs. Eugene Friedman and Dr. Valarie Friedman, of Santa Fe, New Mexico; Mrs. J. A. Jones, and Audrey McVeigh, of Port Arthur, Ont., and Mr. and Mrs. G. C. Riley jr., of Ottawa.

More Inclusive Grouping Of Appeals Said Cure For Too Frequent Demands For Funds

Montreal's multiplicity of appeals for welfare funds are wasting money and manpower and are destroying the goodwill of conscientious citizens who want to help but are irritated by the frequency of demands, Carl Reinke, President of the Montreal Council of Social Agencies, told a Thursday meeting of Montreal women who have volunteered their services for the forthcoming Red Feather campaign.

"There is no reason why Montreal's welfare needs could not be met by six campaigns a year instead of the 60 we now have," he said. A more inclusive grouping of appeals is sensible, but it is being prevented by a short-sighted, selfish attitude on the part of some who think it more profitable to run their own campaigns. In some centres in the United States, there are so many competing campaigns that the Better Business Bureau considers it quite legitimate that campaign advertising and other expenses should eat up 15 to 20 per cent of the total contributions. Mr. Reinke said, remarking that the Federation costs were only four per cent.

"If people want to avoid the wastefulness of multiplicity of campaigns, they can remedy the situation by supporting federations such as Red Feather. Only the success of federations will bring outsiders into the group," he stated.

Mrs. C. M. McCrea, executive director of the Children's Service Centre, one of Red Feather's 26 services, told the women volunteers that bolstering needy families through such agencies as the Family Welfare Association, the Victorian Order of Nurses, and community centres, saves the community thousands of dollars every year. "Welfare Federation is not subsidizing luxury. No matter how much the Children's Service Centre could do for children being ruined by inadequate homes, our budget forces us to save our money for the child who has nothing at all. Every Red Feather agency has to do the same," she said.

Chairman of the meeting was Mrs. J. M. Rudel who will head the Women's Division in this fall's campaign. Mrs. Rudel introduced General Campaign Chairman, Edward C. Wood, president of the Imperial Tobacco Company, and Henry E. Stegmayer, newly-appointed campaign secretary.

Wedding Ring Of England To Be Worn By The Queen

Queen Elizabeth II is to be invested at her Coronation with the ring originally made for William IV, her great-great-great-uncle, and worn in turn by Edward VII, George V, and her father George VI.

Sometimes known as the Wedding Ring of England it is placed by the Archbishop on the fourth finger of the Queen's right hand and is the ensign of queenly dignity and of the defence of the Faith.

The ring is of heavily chased gold set with a large oval-shaped sapphire surrounded by diamonds, with the Cross of St. George superimposed upon the sapphire in rubies. Although it becomes the private property of the reigning monarch, it is normally kept in the Tower of London with the Crown Jewels.

Speirs - Miller Recital Proves Smash Hit Performances Bring Spontaneous Applause

Once again the 'Standing Room Only' sign was displayed at Victoria Hall when Speirs-Miller Studios staged their annual Springtime Revue Thursday last. This was indeed a triumph for everyone concerned. Joan Champion did a remarkable job in producing the Ballet sequences. The general grace and technique shown by the young dancers was of professional calibre. Space forbids the naming of all but very prominent were Cheryl and Cherylene Couch, Katny Tonkin, Sandra and Marilyn Roll, Judy Muir, while in the 'Suzy Snowflake' scene directed by Betty Speirs, the honors went to Bardi Norman, and little Lucille and Patrick Miller.

In the second part of the program there was tap dancing at its best. Peter Miller was the busy man as he directed his stars and danced himself to the point of exhaustion. Noticeable here were Marguerite McEwen, and the starlets class of Patsy Cupiss, Jeanne-May Black, Claire Baillargeon, Stephane Matte, Cathy Tonkin, Pamela Holland and Sandra Saba. The small boys were a tonic, as they danced and gave their recitations without a shade of stage-fright. They were Peter Streit, Tom Garland, Gerry Wells, Donald Patterson, Jimmy Whittall, Stephen Pond, Billy Connors, Nicky Bryson and Brian Taylor. A bright spark named Ronald Gemme sang and danced like a veteran while the Couch Twins teamed with their teacher Mr. Miller in one of the treats of the evening. Eleanor Kyle was sophistication itself in "Twilight Time" and lovely Lillian Burns was very graceful in the Wyoming Waltz, with Peter Miller as the partner in both numbers.

The vocalists were Pat Wainwright, Shirley McKay, Olga Abramyk, Marlene Beaudoin and Pat Worraker and these charming young ladies were a credit to the

School. The outstanding star of the evening was undoubtedly Wally Martin who sang and danced to three encores. This boy is a 'bona fide' student, having been a pupil of Peter Miller's for the last four years, and was not brought in for the occasion, as some people said. Accompanists were Evelyn Calvert, Cole Lewis and Jane Bernard.

Coronation Facts Vividly Recounted In Home Journal

With the Coronation on the tip of tongues these days, one seeks the authentic as well as the unusual version of the medieval ceremony. This month, we've found a delightfully humorous and yet extremely factual account in the June issue of the Ladies' Home Journal. It was written by Dermot Morrah, the Arundel Herald Extraordinary, a distinguished Coronation official. It is seldom that the writings and personal views of one in such a high office can be released to the public. Yet, Dermot Morrah reveals an unusual understanding in his amusing observations.

He explains in intimate detail the traditional and historical significance of every phase of the blazingly colored ritual. He shares flashes of his own detached awareness of what is going on in the audience, and of the reaction of modern people to the cumbersome burden of pomp and pageantry which must surround the pageant. Peers who are arrayed in somewhat comical magnificence dread the moment when they must in one accord clap their coronets on their heads... only to have them tumble down around over their ears—because great-grandfather's coronet was built to fit over a great-wig. The knowledge that the slim little queen can scarcely support the burden of St. Edward's Crown... and how grateful she must be at the moment when it is exchanged for her own "best hat"—the Imperial State Crown, which is far prettier with its flashing gems and only half the weight of its sacred predecessor. And speaking of jewels, I think you'll agree that the most deeply moving accounts in June Journal is one of the gems in Coronation reporting. Also, the color pictures of Royalty are beautiful.

Dorothy Sproule Again Unfurls Her Talent In Gracious Tribute To Her Young Queen

Dorothy Sproule, who has lived in the reigns of six British monarchs, and who acts as an unofficial poet laureate to the Royal family, has scored another success with her poem "The Crown Still Stands" which is featured on The Monitor editorial page this week, was read at the Empire Day dinner of the Royal Empire Society in the ballroom of the Ritz Carlton Hotel by the president, H. C. P. Cresswell, and which will be read at the Coronation pageant in Knowlton, Que. At the age of 86, Mrs. Sproule, widow of the Rev. F. S. Sproule, still uses her talents with inspiring vision and patriotism, and the "The Crown Still

Stands" was written especially for the Coronation of Her Majesty Queen Elizabeth II.

Dorothy Sproule's Coronation Ode, broadcast by the BBC at the coronation of King George VI, won her the Coronation Medal, which she greatly treasures and which was sent to her from Buckingham Palace. She has also received several other medals and awards and her poems have received wide publication. She is a charter member of the Canadian Women's Club of Winchester, a member of the Big Sister Association of Canada, a council member of the Royal Empire Society, a former chairman of the essay group of the Canadian Authors Association, a member of the Art Society and a member of the Montreal Women's Club.

Success Of Project Assured: Volunteers, Friends Celebrate Birthday Of Gift Shop At Jewish General

One year ago, the Gift Shop of the Jewish General Hospital opened its showcases (there are no doors.) Recently, it celebrated its first birthday with a party held in the Nurses' Home of the Hospital, with Mrs. E. Lozinski, Honorary President of the Women's Auxiliary as guest of honour. It was under her leadership that the Gift Shop was founded.

This unique shop offers its services to patients, visitors and the community at large. The shop specializes in hand knitted articles, (knitted by volunteer workers), lingerie, toiletries, toys, children's clothes and many other items. Fruit and flower orders are also taken for delivery everywhere. Recently, a traveling gift cart was started to facilitate purchases by patients in their rooms.

Mrs. J. Kershman, President of the Women's Auxiliary of the Hospital, in her remarks paid tribute to the Gift Shop and its loyal volunteer workers. She expressed the hope that the growth of the Gift Shop will meet the growing needs of the hospital.

Mrs. M. Oscar and Mrs. V. Cape are chairmen of the shop, assisted by Mrs. D. Ulrich. The chairman of stock is Mrs. J. Stampelman; personnel, Mrs. I. Sedlezky; publicity, Mrs. J. Shatner. Chairman and co-chairmen for each day are as follows; Monday, Mrs. J. Block and Mrs. S. Goldman; Tuesday, Mrs. S. Pedvis; Wednesday, Mrs. F. Fels and Mrs. D. Ulrich; Thursday, Mrs. H. Naimor and Mrs. S. Warshaw; Friday Mrs. A. A. Cooperberg and Mrs. M. I. H. Kaufman.

What America Eats Revealed In Check-Up

America is the land of the hamburger, the hot dog, the short order. Its culinary trade-marks are the tin can, the frozen-food locker, and the pressure cooker. Its kitchen password is heat-and-serve.

Steak, of course, is the abiding American favorite in foods, says the June issue of Cosmopolitan magazine. This has been proved conclusively by a coast-to-coast round-up of restaurants. And roast beef ranks second in the dictates of the American appetite. But when it comes to the dictates of the American pocketbook, hamburger emerges as the number-one meat. And close on its heels is the lowly hot dog.

Meat is definitely America's favorite food. According to the article, America eats about ten pounds of meat for every pound of fish. Compared with countries like Japan, Sweden, Norway and Portugal, the United States has a sluggish appetite for fish. In those countries, the average consumption is 40 to 55 pounds a year, compared with America's 13.

In beverages, coffee takes the lead. The country's leading dessert, by a fat majority, is ice-cream.

Bus Trip

The Business Women's Unit of the Catholic Women's League of Canada has arranged a bus trip to the city of Ottawa for members and friends.

The bus will leave the Sun Life Building, at 8 a. m. on Saturday, June 20, leaving Ottawa at approximately 6 p. m.

For reservations call CA. 8782.

Life Members Club, Telephone Pioneers, Elect Officers At Meeting In Lachine

Congregating at the Bell Telephone Company's Beaver Hall Building, 150 members of the Montreal Life Members' Club, Telephone Pioneers of America, and their wives, enjoyed an afternoon's bus drive along the Lakeshore. This club is comprised of retired members of the telephone industry, being mainly formerly of the Bell Telephone Company and the Northern Electric Company, who were members of their respective Councils of Telephone Pioneers, an organization of such employees who have had 21 years or more service in the telephone industry.

Reaching the Lachine plant of the Northern Electric Company, they were greeted at the entrance by a number of active member Telephone Pioneers and escorted to the Company cafeteria, where they held their annual meeting. Wm. Blackshaw, Sec.-treasurer of the Northern Electric Council,

and Don McDiarmid, Vice-President of the Council, welcomed the Life Members, after which Chas. Auger read the President's report. Peter Angelo read the treasurer's report after which the election of officers took place, resulting in the following slate for 1953-4 season—Jack Radford, Past President—Mrs. O. E. Mock, President; Chas. Boudreau, Vice-President; Miss E. Harrison, Lady Vice-President; Peter Angelo, Treasurer; W. J. Allebone, Secretary; A. Hopkins, representative to Bell Laurentian Council; and Wm. Sandilands, representative to Northern Electric Council.

A vote of thanks was extended to Jack Radford who has presided over the club for four terms; He and E. S. Dibblee, former representative to the Northern Electric Council, are now both out of town and "back in harness" on a huge hydro project.

Refreshments were served in the cafeteria, after which members returned via the buses to town. The club will not meet again until the third Wednesday of October.

Bracelets For Queen Commonwealth Gifts

The Commonwealth countries, taking their lead from Australia, are to present Queen Elizabeth II with new bracelets for her Coronation on June 2.

As far as can be traced, this will be the first time the sovereign has been invested with the armlets (or bracelets) since the Coronation of Edward VI in 1547, although the existing pair were made for Charles II in 1661.

The new bracelets of pure gold are being made by the Crown Jewelers. They are to be quite plain, except for two narrow, decorative bands of engraving and a single Tudor rose which will serve as a clasp. They are to be lined with red velvet and hallmarked with a special Coronation mark, which includes a picture of the Queen.

Loyola Mother's Guild Plan Mother and Son Breakfast Communion

Yoyola Mother's Guild is sponsoring the final major project of the current scholastic year, with the annual Mother and Son Communion Breakfast.

Rev. Kevin J. Scott, S. J. Guild Moderator, will be the celebrant of the mass, which will be held in the college chapel at 9.00 a. m.

The student choir, under the direction of Father J. Hodgins, S. J. will provide the musical background for the ceremony.

Breakfast will be served for the mothers and sons in the Gymnasium after which the Guild Mothers will attend the annual track and field meet. Mothers whose sons are unable to attend are nevertheless cordially invited to attend.

a cat has **nine** tails

"No cat has eight tails. One cat has one tail more than no cat. Therefore one cat has nine tails." That's a syllogism, and a pretty silly one. Our favourite is the one about the man who cries turnips:

*If a man who turnips cries
Cries not when his father dies,
'Tis a sign that he would rather
Have a turnip than a father.*

Then we seem to recall an old saw that went: "Epaminondas said, 'All men are liars'. Therefore Epaminondas was a liar. Therefore what he said was untrue. Therefore..." Well, you take it from there.

Or, you could say, "Quebecers prefer Molson's Ale. You are a Quebecer. Therefore you prefer Molson's Ale." Only in this case you would be more likely to be correct than not. For it's a fact that in this province more people do say, "Make Mine Molson's" than ask for all other brands combined.

So that statement would be more than a syllogism; it would be just plain logic. Put it to the test.

Westmount

RECREATION DEPT.

PUTTING

The putting green in Westmount Park is now officially open and while it is not as smooth as could be, Mr. Bill Godsmark's answer is that it will get as much use as he is able to give it.

With Coronation Celebration preparations taking up most of the Parks Department's time, Bill has had quite a time getting Recreation facilities in playing shape. Considering these facts, we think Bill has done well to accomplish what he has to date.

On Wednesday, June 3, at 7:30 p.m., a regular handicap tournament will be held for ladies and gentlemen.

All Westmount residents are welcome to participate in these events, and should come out and meet old friends and make a few new ones.

This putting green has floodlights to illuminate it after dark, so that putting enthusiasts may play until 10.00 p.m.

Track and Field

Any Westmount boy interested in competing in the Eastern Canadian Track and Field Championships scheduled to be held in St. Lambert on Saturday, June 27, are invited to submit their entries to Mr. Colin Mackie, 240 Regent Avenue, St. Lambert, Quebec. Please note that no entry will be accepted if mailed after June 20. There will be positively no post-entries. Now is the time to mail your entry.

The first Inter-Community Track & Field competition was held at Verdun Track on Saturday afternoon, May 23.

The Town of St. Laurent withdrew their entry because they

could not field a team, therefore leaving Verdun, Westmount and Town of Mount Royal to compete for the laurels.

Mount Royal was the winning team with a total of 71 points. Westmount did exceptionally well by garnering 38 points to take second place with only three boys carrying the load.

Ian Forrest won the 100 yd. dash placed 2nd in the 200 yd. dash and 3rd in the Standing Hop, Step and Jump. Paul Hamilton placed 6th in the 100 yd. dash, 2nd in the Running Broad Jump and 4th in the Standing Hop, Step and Jump. Paul Taylor won the High Jump and placed 5th in the 100 yd. dash and 3rd in the 8 lb. Shot Put. Westmount also placed 2nd in the 440 relay.

Winners' performances were as follows:- 100 yd. dash — Time 11.1 sec.; 220 yd. dash — Time 26 sec. running Broad Jump — Dist. 17'8". Standing Hop, Step and Jump — Dist. 22'6-3/4". Running High Jump — Height 4'11 1/2". Shot Put (8 lb.) — Dist. 33'3 1/2".

The second meet will be held at the Town of Mount Royal Track commencing at 10:00 a.m. tomorrow.

Any boy who resides in Westmount or attends school in Westmount is eligible to participate in these meets, providing they meet with the age requirement. The qualifying age is under 16 years of age as at July 1, 1953.

Turn out to-day and help your team win at Mount Royal.

Summer Camp Builds Children Up In Mind And Body, Doctor States

Not too long ago, when children returned home from summer camp they had to be treated for sunburn, mosquito bites, poison ivy and what appeared to be bad case of malnutrition. The camps of today are a far cry from the old tradition. While some are operated solely to keep the children amused for a certain period of time, others have a very positive program with high objectives.

A camp which rates high in the latter classification is Lake of Two Mountains Camp which is opening its fifth season on June 27th. This camp has everything for the comfort and enjoyment to children. It is situated on a thirty acre point of land with over a mile of private shoreline and has two safe sandy beaches. This, plus two islands for exciting "treasure hunts," gives the children ample scope for their activities.

"Our objective," says Dr. Martin, "is to send the children home from camp built up mentally, physically and spiritually. Too often children arrive home from camping exhausted and slightly uncivilized." With this in view, Lake of Two Mountains Camp offers unusually fine advantages. The cabins are cool and completely insulated and are equipped with running water and flush toilets. The

children sleep on double-decker beds. Meals are wholesome and varied and are served in a large screened Dining Room overlooking the lovely grounds and lake. Wet, cold days, which are the dread of campers and counsellors alike, are no problem here, for there is large cosy lounge and playroom with a massive fireplace where all can gather and while

away the hours with games, dramas and stories.

The beautiful stone Boathouse contains a Chapel where there are shelves of books and another large cheery fireplace, for those periods of quiet and relaxation which all children need. Here Bible stories, hymns and choruses are taught the children in informal groups, and an atmosphere is provided for many a teen-ager to get straightened out in his thinking with a sympathetic counsellor. Movies are also shown here. A happy Christian atmosphere permeates every phase of camp life, thus moulding young lives into Christian character.

Ian Grant Is Appointed Officer In Stamp Club

At the Thurs., May 21 meeting of the Westmount Junior Stamp Club the junior entertainment committee chairman, Barrie Wilson gave his report. He stated that a quiz, an exhibition of stamps, a short play and the reading of the annual reports will be included on the programme for the June 11 party.

Mrs. R. Bay, adviser of the club, announced the appointment of Ian Grant as junior adviser during the 1953-54 season. After the announcement Ian Grant resigned as next year's secretary. He is succeeded by Richard Comber.

Secretary Barrie Wilson announced the total 1952-53 attendance to be 1604. Membership is 207.

On Saturday, May 23, several members of the club toured the main Post Office.

Brantford Fifteen Split With Westmount Club

Scottish Triumphant 13-0 As 'Quins Blast Barbarians

By JIM ADAM

The Brantford Harlequins on their first visit to Montreal split a pair of weekend rugby games against the two Westmount Clubs. On Saturday the Westmount Scottish retained their undefeated record by triumphing 13-0 whilst on Sunday the Ontario squad came through with a 11-0 win against the Westmount Barbarians.

In Saturday's game played at the Westmount Athletic Grounds the Scottish did not win as easily as the 13-0 score indicates. Brantford often kept the blue-shirted Westmount crew pinned in their own territory. However, an excellent defence plus the ability to take what chances were offered enabled the Scottish to come through with a handy win which kept their unbeaten record intact.

The Harlequin team started off with great vigor and were on the attack for the first 10 minutes although never seriously threatening the Westmount line. Slowly the Scottish gained the upper hand and at the twenty-two minute mark went into the lead when scrum half, Rae Anderson forced himself over from a five yard scrum. The convert by Jim Adam was wide.

Scottish Pressing

Half-time came with the Scottish still pressing but finding difficulty with the stout Brantford tackling. The teams turned round with the Westmount team holding a 3-0 edge.

As in the first half Brantford started off with a great rush but the Scottish defence was equal to all their attacks. Once a Brantford went over the line but was

pushed back before he was able to touchdown for a score.

The game developed into a forward duel in the second half as both sets of backs found trouble in starting movements against their opposite numbers good defence. The Scottish forwards improving on their first half showing were responsible for the remainder of the Westmount team's scoring.

Adam Scores

The Scottish went further ahead when after a field long foot rush Donald Munroe cross kicked from the wing and second-row forward Jim Adam following up dived on the ball over the goal line for the TD. Dick Miller kicked the convert to put the Scots ahead 8-0.

The result was put beyond all doubt when Dick Miller following a nice run down the left wing kicked ahead and caught the ball himself to run over in the corner for the score. Ian Monroe in his first game for the club kicked a magnificent conversion from the touch-

Red Sox Top Weredale House Baseball Loop

The season's halfway mark in the Weredale House Baseball League was reached this week with the Red Sox on top of the league. Close behind are the Yankees, who hold a game in hand over the leaders. The remaining teams are far behind, the closest being the Wildcats with six points. The Red Sox' three game winning streak gives them a three point advantage over the Yankees. Pete Dyce's team defeated their rivals by scores of 10-0, 22-12 and 16-3; Boston, Wildcats and Dodgers being the losing teams.

So far this season all scheduled games but one have been played.

Standing as follows:

	W	L	T	Pts
Red Sox	7	2	0	14
Yankees	5	2	1	11
Wildcats	3	5	0	6
Boston	2	6	1	5
Dodgers	2	0	0	4

line to put the score up to thirteen.

There was no more scoring in the game and Westmount Scottish kept their unbeaten record intact with this shut-out victory.

McPhillips Star

The red-shirted Harlequin crew were best served by Tom MacMurray, Vince Jones and Jim Nairn who all played fine games in a losing cause. For the winning team scrum leader Brian McPhillips played an outstanding game in the forwards. Tony Back and Rae Anderson starred in the Scottish backfield.

Due to injuries sustained in Saturday's tilt Brantford had to call upon the Scottish for players in their game against the Westmount Barbarians at Trenholme Park. Two of the borrowed players were responsible for the Harlequin TD's in an 11-0 win.

Despite the previous day's hard fought game the Brantford boys were in great form and gradually wore down the Barbarians who early in the game threatened to score several times. The Barbarians held an edge in the first half of the game but were unable to penetrate the sound Harlequin defence and the teams turned round on scoreless terms.

Two Touchdowns

In the second half Brantford came through with two touchdowns and a field goal for their victory. Two Scottish forwards lent for the game scored the tries. Ian Monroe forcing himself over after a short run and Dick Miller who touched down following a scrum close to the line. George Jones who played a good game throughout kicked a thirty yard field goal and added a convert on Miller's score.

Play became scrappy towards the end and the Harlequins, who were tiring quickly, seemed quite content to hold on to their 11-point margin.

It is hoped that the Westmount teams will return the visit sometime this fall or next spring. The Westmount Club had hoped to have Yale University up here this week for a game but due to examinations the college boys have been forced to cancel the trip but hope to come this way next Spring.

Conclude Season

Last weekend's activities concluded a most successful Spring season. The Westmount Club finished with an even lost two won two record although they outscored their opponents by 57 points to 38 in the games played.

Practice for the fall season will start towards the end of August. Club officials hope to have an attractive fixture list lined up. It is expected that matches will be arranged with Ottawa, M.I.T., McGill and some other out of town clubs. The schedule will be published in this paper as soon as it is finalized.

The Club will hold an end of the season dance on Saturday, June 13th at the R.C.A.S.C. Armoury, on Bel Air ave. which is two blocks west of Greene below St. Antoine. Starting time will be 8.30. All players, friends and anyone else interested will be made most welcome.

heart of gold?

Deep within its golden goodness is a mellow smoothness that no other beer can equal.

That's because Carling's Black Label is brewed a little slower, to give you every bit of good taste . . . aged a little longer, to give you a real honest-to-goodness heartiness.

That's what makes Carling's Black Label the beer with the heart of gold. If you haven't already made its acquaintance, there's no better time to do so than today.

You'll be glad, very glad, you did.

SPORTS

at St. Leo's

Twilight has set on the 1952-53 sport season and another week will see the darkness cover the local sport scene for 10 weeks.

The past season saw the Academy slip abit incompetent inter-school sport but this was more than overshadowed by an increased interest in intermural sports.

Rugby, which for a long time occupied the Autumn spotlight in sport activity, was reduced to intermural touch rugby due to lack of the necessary material to form a tackle club. Over a hundred youngsters took a keen and enthusiastic interest in the intermural six man touch rugby.

Prospects for the return to interscholastic Bantam rugby are not encouraging, if the recent survey of prospective candidates are any indication of the football trend in the school. Only eighteen students attended the recent Spring Rugby Clinic.

The past winter was a hectic one for action on the hockey front, with eleven teams participating in a schedule of over a hundred games. The big disappointment was the senior team. This team however, did manage, after a disastrous start, to right itself near the end of the season and finish in a creditable manner.

The Bantams, one the other had, led by Kevi Dunnigan, Mike McNally, Brendan Guilfoyle and Frank Rooney, turned out to be a pleasant surprise and finished well up in their league standing.

The Spring sports menu offered a wide choice of activity, most of it of an intermural variety. Goalo Ball, a new indoor game, caught on fast with students of all ages and over a hundred boys participated in this new sports innovation.

A Pee Wee Track and Field Club, held weekly handicaps at the Westmount Athletic Grounds. Softball, Tennis and Golf took over as soon as the weather became seasonal. All Spring activities proved immensely popular, with the exception of the Rugby clinic.

SPORT SHORTS:

This afternoon at Mt. Royal Golf Club, St. Leo's Golf team will make its debut in inter-school golf. The Academy will be represented by Dave Donohue, Mike McNally, Ronny Ahern and eJan St. Germain. This foursome is a little short on experience but have shown a lot of enthusiasm and a willingness to practise... congratulations are in order to Mike Lunny and members of his Giants in winning the Bantam Softball Championship. The Giants polished off the Yanks in two straight games, in the play-off. Mike has done a great job this year in handling teams and gets the most out of the youngsters... diminutive Lewis Schurman scored a stunning upset in the senior tennis tournament, when he edged out Bob Impey 7 to 5. Bob was down 5 to 0 soon after the match started, but rallied strongly to tie up the score. However, Lewis had enough class to survive... it was nice to see a good representation from the French speaking side of the school entered in the recent tennis tournament. Some promising material was uncovered, including the following boys: Alfred Duranleau, Jean St. Germain, Bob Cardinal, Pierre Carrier, Louis Senecal, Marc Landry, Jean-Marc Provost and Claude Voyer... the school was saddened last week, with the sudden death of Monsieur Daignault, the quiet spoken gentleman, who taught sixth grade French... Mrs. McTaggart, the genial president of the Catholic Mothers Club, should take a bow for the enjoyable square dance party staged in the school hall last Friday night. Mike Dodman and his Eulskin Boys went all out in giving the old time tunes a modern twist... with the final examinations now underway for fourth high students, five members of the present senior hockey team are expected to graduate. These five

students are Dave Orr, Douglas Lindley, Brian Sheridan, Peter Grant and Pierre Hurtubise... Tommy Fluess, Paul Frolo and Daniel Carrier have come through with some fine performances at the Westmount Track and Field handicaps.

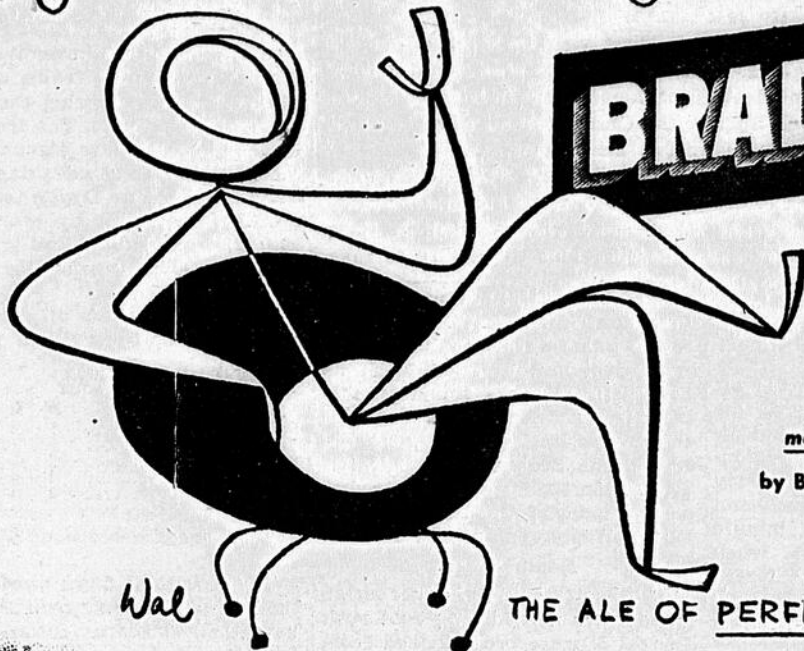

Louis St. James, was presented the Norman L. Rea Award at Clarkson College of Technology moving-up day exercises... this award is designated for a student of electrical engineering or mechanical engineering who, in his four years at Clarkson, has shown the greatest development in personality as evidenced by the following attributes: poise, tact, co-operation, insight, self-expression and confidence... a 1948 graduate of St. Leo's Academy and that year winner of the Rev. Monsignor Wilfrid. E. McDonagh Trophy, in recognition of his selection as St. Leo's top athlete of the year, Louis will receive the degree of bachelor of mechanical engineering at commencement exercises this Sunday, in Clarkson Arena... the Academy singles tennis tournament

came to a conclusion last Tuesday afternoon on the Western Ave. courts, with Kevin Dunnigan being crowned champion. Dunnigan eli-

minated Sandy Morrison in straight sets, 6-4 and 7-5. This 27 entry tournament, favoured by fine weather, was voted by all contes-

tants an outstanding success, with no defaults, the co-operation of all participants deserved the highest praise.
