New DOMCO FLOORS

OVER 700 FLOORING PRODUCTS TO CHOOSE FROM

Jaspe is the enduringly popular, vinyl asbestos marble-veined tile with full depth decoration. There is no limit to colour coordination within this series. Its perpetually appealing design in full-hue colours makes it the universal flooring for home, commercial and institutional use.

WHY THIS WATERMARK?

Our watermark is, in a sense, like the name plate on an automobile. It means that we, like the automobile manufacturer, are proud of our products and anxious to have them readily identifiable as ours.

To our customers, our watermark is much like an insurance policy. It is their guarantee that the particular paper they are using is the highest quality in its class. From Superfine Linen Record, the aristocrat of Canadian papers, down to Rockland Bond, the "workhorse" of business communications, look for the Rolland "shield" watermark. If the paper has it, your printed material is off to the best possible start.
