

DOMINION DAY SIGHTS AND SOUNDS

First there was a "crack" as the rocket shot upwards and then a "poof" as the missile released its colourful contents to trace a design in the evening sky over Huntingdon. Each spectacle was followed by the invariable "Ohhh" of the crowd watching the Dominion Day fireworks display in the town. An estimated 2,000 attended.

Council nixes one-way Prince

BUT NOT FIRECRACKERS . . .

Refusal and acceptance of a few requests, the more than usual arguments, and the "one-way Prince Street proposal" were high points in a rather haphazard Town Council meeting Monday evening.

Remi Varin, a Lake Street resident, was first to address the Council with this inquiry: "Can I have my garbage tax reduced?" Mayor Cappiello countered with, "why?" said Varin. "They (Town garbage men) haven't collected my garbage for four years!" The general sentiment of the Council on the matter seemed to be that the collection of garbage tax is the thing to do and there are no exceptions to any rules. Varin tried to further his cause, by pointing out that he aided in collection of garbage by gathering all the cardboard boxes in Town. The Mayor stated that if Varin was given this freedom there would be all kinds of people wanting garbage tax exemptions. Mr. Varin seemed satisfied and will continue to pay his tax.

Holes in Pants
Firecrackers were round tabled when a Mrs. Boileau asked the Aldermen what the Town could do about her child being burnt by an over-zealous firecracker nut on July 1st. She showed the Council the young lad's pants and undershorts with two very obvious "neck a boo" burn marks on them. The Mayor and Secretary Alary explained to the distraught mother that the Town could do nothing but she was

free to take legal action against the offender.
Mrs. Boileau was finished but the subject of firecrackers continued to carry weight for the next five minutes. Sergeant Cardinal pointed out that in Valleyfield occurrences of this nature were unheard of because of that city's stringent by-laws. The Council, which at the last meeting felt that its hands were tied on the subject expressed some interest but the "bang-bang issue" is still very much up in the air.
Dying Of Thirst
Doris Montpetit then approached the Council in behalf of Valdo Bowling. Mr. Montpetit asked the Council for a solution to the Valdo water.

"Crackers" caused complaints

BUT THE FIREWORKS WERE A GAS!

Huntingdon Police report they received numerous complaints from area residents last Wednesday concerning the activities of youngsters armed with firecrackers.

"There were calls all day," said Corporal Ernest Leduc of the municipal force.

The "cracker crazies" were very much in evidence during the fireworks display at the lower bridge Wednesday evening. The miniature explosions continued without cease and spectators were kept hopping by firecrackers going off at their feet. There were no reports of injury but there were close calls. One of the "bombs" exploded within ten feet of a quantity of fireworks stored in the trunk of the town foreman's car. There was enough powder in the rockets to level a small building.

Another firecracker landed in a child's hair but did not go off. In addition, the clothes of a number of youngsters bore powder burns and holes, evidence of firecrackers that had exploded near them.

Get two years for golf club break-in

Two Valleyfield men were slapped with two-year penalties following a Saturday afternoon they pleaded guilty to a July 1 break-in at the St. Anicet Golf Course.

Car flips one hurt

A Huntingdon resident was slightly injured Saturday afternoon when her car overturned on the Ridge Road in Godmanchester.

Bernice Johnston suffered a cut behind the left ear in the 5:30 mishap that caused an estimated \$200 damage to her 1965 sedan. Her injury was not serious enough to warrant hospitalization and Miss Johnston told Provincial Police at the scene that she would seek medical treatment later.

Motorist "skunked", car hits the ditch

Somewhere in the region today there is a very lucky family of skunks. Their fortune lies in the fact that they are still alive.

Not so fortunate is the motorist who gave them an extended lease on life — his car is mangled to the tune of \$200.

Gary Carrigan, 20, of Greenfield Park, was proceeding along the Beaver Road in Godmanchester around midnight Sunday when his headlights illuminated a family of skunks crossing the highway. Carrigan braked sharply to avoid hitting the pungent pussycats and hit the ditch, damaging his 1959 imported compact.

A passenger in the vehicle, Jocelyne Crête of Huntingdon, was taken to Barrie Memorial Hospital in Ormstown suffering from minor injuries. After treatment she was released.

The mishap took place near the Fortin sideroad intersection.

Judge Maurice Fortin handed down the prison terms in Valleyfield court when it was pointed out the two were on probation for a previous conviction when they perpetrated the golf club break-in.

The man behind the speedy investigation was Corporal Marc Lizotte of the Huntingdon detachment of the Q.P.P. Corby and Lacombe were arrested by Agent Claude Rousseau of the Valleyfield Provincials.

Fort Covington bank robbery nets \$50,000

Local Provincial Police and New York State Troopers were called out last Thursday after the discovery of the morning of the crime on the New Road near Cazaville. The vehicle was empty and investigation showed it had been reported stolen some time ago. Police said the car was only one of at least two used in the heist.

ers working in conjunction with Canadian officers made the discovery the morning of the crime on the New Road near Cazaville. The vehicle was empty and investigation showed it had been reported stolen some time ago. Police said the car was only one of at least two used in the heist.

The hold-up occurred around 10:15 Thursday morning after three men entered the bank wearing flesh-coloured masks and rubber gloves. All carried handguns. The building was almost deserted at the time with two employees behind the teller's counter and two customers in the lobby.

The bandits worked quickly and joined a companion waiting in a nearby getaway car less than three minutes after they first entered the bank. The four headed south from Fort Covington, but evidently doubled back and crossed the border. By-standers took down the car's licence number, but police later reported the plates had been stolen.

An audit at the Farmers Savings Bank revealed that more than \$50,000 had been taken. While a camera at the bank did catch the bandits on film, State police said it was doubtful the picture would be sharp enough to permit positive identification. Witnesses to the robbery described the men as being all about 5 feet 10 inches tall and of stocky build. Police forces in both Canada and the U.S. are continuing their search for the four.

MINISTERED LOCALLY FOR 16 YEARS

Reverend William M. Brown, shown here with Mrs. Brown and daughter Sheila, is leaving his post as minister of Georgetown and Riverfield Presbyterian Churches after more than 16 years of service. The two churches were packed last week as members of the congregation bid fare well to their minister and his family. (See stories on page 12).

V-field speedboat classic this weekend

A world's "première" will be staged at the annual International speedboat regatta at Valleyfield July 11-12 when the John Ward and Maple Leaf competitions, for purses of \$500 and \$1,500, will be presented on the same weekend. Usually staged at 3 and 4 years intervals, this event will be one of the many attractions on majestic St. Francis Bay in the heart of Valleyfield, during the 32nd regatta, jointly sanctioned by the APBA American Power Boat Association and the CBF (Canadian Boating Federation).

At the 1969 Valleyfield regatta, 256 participants established seven new Canadian records. Entries to date show clearly that boats participating in the 1970 classic will outnumber past years entries by a wide margin with drivers and owners coming from Quebec, Ontario and many cities in the United States.

It is a known fact among speedboat racers that the course at Valleyfield is incomparable and offers spectators a most unusual spectacle since beautiful Park Sauvé surrounds St. Francis Bay. Secretary of races, Lawrence Reynolds is also enthused with the aquatic show at Valleyfield since he has already been assured of the presence of such stellar performers as Arthur Asbury, Marcel Laberge, Fred Brouse, John A. Cyclist badly hurt in St. Anicet crash

A St. Anicet man was taken to hospital with extensive injuries following a Saturday afternoon car-motorcycle collision on Highway 3.

Guy Laparé, 25, suffered a fractured leg and multiple lacerations in the 8:30 crash in St. Anicet that reduced his 1970 cycle to scrap. Laparé collided with a car driven by Paul Cyr, 44, of Valleyfield in a curve, evening car-motorcycle collision on Highway 3.

Friday and Saturday were bad days for telephone poles in the region as two of them were written off in unrelated incidents.

SLIPPERY PAVEMENT
An accident in St. Anicet Saturday afternoon caused \$300 damage to a car driven by a Cazaville man. Denis Haineault, 26, was turning from Highway 3 onto St. Charles Road when he lost control on slippery pavement. His 1966 sedan turned over and struck a pole which broke off near the ground. There were no injuries in the 5:30 crash.

He evidently decided to take the plane so that he could finish his job and get home right away.

Mr. Robidoux, a foreman-machinist with Cley and Tinker was travelling to Toronto to look over some equipment for the Huntingdon company. He left Dorval at 7:30 that morning and had planned to complete his work and return to Montreal the same evening. Acquaintances of the victim said he had reservations about flying and had wanted to drive to Toronto.

He evidently decided to take the plane so that he could finish his job and get home right away. Air Canada flight 621, DC-8 "stretch" jet service between Montreal and Los Angeles, came to a tragic ending around 8:15 Sunday morning. The plane was in the process of landing for its normal stop-over at Toronto's Malton Airport when one of the engines caught fire. The pilot decided to abort the landing and try again, but as the DC-8 began a steep climb, the engine fell off. It crashed in a field about four miles away when another engine and then a wing fell off. There were no survivors.

The Robidoux family was informed of the tragedy at 3 the same afternoon. Mr. Robidoux had been with Cley and Tinker since April, 1962. He worked in Plant No. 6.

Made off with car

The thief who stole a car from the parking area in front of the Chateau in Huntingdon Saturday night couldn't have had a great deal of difficulty. The vehicle was unlocked, and the keys in the ignition.

Joe Ryan of Huntingdon, owner of the car, reportedly told police he had left it unlocked so that another member of his family could use it while he was in the hotel. When he came out of the Chateau, around 11, however, it became apparent someone else had made off with the vehicle. Huntingdon Police are on the look out for a 1961 Valiant.

Anthropologist explains study at Huntingdon Rotary meeting

The Rotary meeting held at the Chateau Huntingdon on Monday noon differed to a degree from previous meetings. Immediately following a delicious hot weather luncheon featuring generous servings of fresh shrimp, immediate past-president John Harriman handed the grave to president-elect Claude Pilon. The letter in turn presented a past-president's pin to Mr. Harriman.

Jean-Louis Trepanier was quizmaster, winning the pot for the club on a series of five questions based on the tragic weekend plane accident. Lou Neville introduced the guest speaker, Dr. Kenneth G. Orr, who was accompanied by his daughters, Gail and Phoebe and his son Ronald. Dr. Orr Professor of Anthropology in the department of Sociology and Anthropology at Plattsburg State University, is arranging a study in this area which actually started yesterday (July 7) and will continue until August 7.

Dr. Orr reiterated remarks recorded in the June 23 issue of this newspaper and explained that approximately 20 members of his class, most of whom are educators, hoped to be interviewing families in Huntingdon and area. Included will be a teaching sister who is associated with a religious order and two male teachers originally from Ellensburg and Chateaugay, N.Y. respectively. The speaker confided that his

class was primarily interested in the study of French/English relations and how the basic ethnic entities had overcome any differences over the years. A similar survey had been conducted in the Hemmingford area in 1969 and Dr. Orr showed a series of colored slides taken of students and subjects at that time. The latter were regarded as hosts and the students as guests and the pictures portrayed that fact all had enjoyed the interview. Dr. Orr stated that (Continued on page 4)

Six-year-old struck while crossing road

A youngster was sent to hospital last Wednesday afternoon after he was struck by a car in St. Anicet.

Daniel Riendeau, 6, son of Mr. and Mrs. Lucien Riendeau of St. Louis de Gonzague, was treated for undetermined internal injuries and shock. His condition was reported as satisfactory.

Discover stolen car burned near Franklin

A Montreal resident came to Huntingdon to reclaim his stolen car last week after Provincial Police informed him they had found it near Franklin, Saturday, June 29. Officers from the Huntingdon detachment of the Q.P.P. discovered the 1964 sedan badly burned on the Dumas Range. No estimate of damage was made, but police noted that it was not a total loss. The car had been stolen in Montreal last month.

The streamlined shapes at this weekend's Valleyfield Regatta won't belong solely to the speedboats entered in the competition. Nicola Leduc of Valleyfield was crowned Queen of the Regatta Friday night. She will be assisted in her duties by a bevy of pulchritudinous duchesses.

This and That in Town

BANK ROBBERY — at nearby Fort Covington, N.Y. last Thursday. Thieves escape with large sum of money. Get-away car discovered a few hours later about one mile from Cazaville. Both N.Y. State Troopers and Quebec Provincial Police suspect Quebecers.

J. R. CAZA & FRERE — a firm of earth moving and road building contractors located at Cazaville, recently accepted delivery of a mammoth Gradall machine. The huge diesel-powered and track-operated unit is unique in this area and they aren't too numerous throughout the province. It has a 40-ft. boom with a huge bucket and this bucket can be tilted or turned at almost any angle and it makes grading and ditching little more than child's play. Now this huge machine is only one of some 50 or more units owned by the firm in operation throughout the Chateauguay Valley, but it was new even for Renaud Caza, president of the company. He decided that Norman Legault, the man chosen to operate the monster, should have a few hours to get used to it far away from public eyes. To that end, he obtained permission to do some dredging along side an area on the Quésnel Sideroad a few miles away. His man operated the Gradall a few hours and the machine worked to perfection. Six o'clock rolled around and the operator left it alongside the road and went back to the office to report. Rather proudly, he suggested to his boss "Come out and see for yourself what the Gradall did."

THEY DROVE OUT — immediately. And their jaws dropped in amazement. The huge glass cab windows had been peppered with stones and shattered. One rock had even gone through the glass and lay on the floor of the cab. Closer examination revealed a couple of sealed beam guide lights had also been broken. Both men were sick with disgust. They contacted the OPP and notified them of the wanton destruction and went to their homes to spend the night wondering if other damage, perhaps not visible to the naked eye, had been done. To your reporter's knowledge, no other damage was caused, but what is astounding is the fact that only about 40 minutes elapsed from the time Norman had left the machine until he and his employer discovered the vandalism. Youngsters caused the damage? Well, maybe.

MORE — an elderly Howick gentleman who has owned a summer home on Lake St. Francis for many years arrived at the site one day last week and discovered every pane of glass in his camp had been broken.

DOMINION DAY FIREWORKS — in Outtown, were well worth turning out to see. And you better believe there was a real crowd. We're told the '70 display could well be the last, however. Once again childishness on the part of grown youths marred people's pleasure. Water bombs and firecrackers made the evening anything but pleasant for young children and older people. Would you believe one of these young heroes threw a firecracker within inches of the town half-ton truck which was loaded with enough gunpowder to cause real trouble if some of that gunpowder had been touched off? Another incident reported was a firecracker that landed on top of a child's head; fortunately it fizzled out and a passerby whisked it to the ground, otherwise we'd certainly be reporting injury. It's certainly unfortunate that a few people have to ruin the pleasure of many ... they don't stand too high in the eyes of most people.

SUMMER FLU — or call it what you wish — but upset stomachs and all the other unpleasant symptoms of 24-hour gripe have been flattening young and old for the past two weeks. Starts with a headache, progresses to dizziness and abdominal distress and leaves one as weak as a jellyfish. We know eight in a family of ten who did anything but enjoy the weekend.

TALKING ABOUT UPSET STOMACHS — we know people who refuse to eat fish caught in Lake St. Francis. About two weeks ago a group of St. Anicet youngsters had a bang-up fish fry and each one was sick next day. Now you might say "too many soft drinks or other junk" but don't you believe it: the mother of one tells us they had potato chips and not much else. That specific family contends it's all due to the mercury content in the fish. And you know what, they're probably right.

JUST THIS — a man filleted a four-pound pike last Thursday evening and in a matter of hours the refrigerated fish had turned a sickening pink color. Eee-yuueckkk.

ANOTHER ROBBERY — this time at St. Anicet Golf & Country Club, some time between Monday and Tuesday of the past week. The culprits were not only caught by the OPP but last Friday were sentenced. (See details elsewhere).

LIONEL ROBIDOUX — a passenger on board the Air Canada DC-8 which crashed Sunday at Toronto is from Huntingdon, not Lacolle as reported. Sympathy of the community is extended his bereaved wife and family. (Details elsewhere).

THE ROTATING POSTAL STRIKE — has hit the Chateauguay Valley area for the second time. Also Montreal. Some correspondence and news notes from Gleaner correspondents will therefore not appear in this issue. The Gleaner is being printed as usual but of course out-of-town

copies will not leave the Huntingdon post office until the local staff receives permission to return to work. Delivery, where possible, will be done by cars.

POSTMASTER-GENERAL ERIC KIERANS — is threatening to close post offices indefinitely if rotating strikes continue to plague the nation's business. That, we agree, is one way to settle matters: ignore the whole mess and hope things will straighten out themselves. Maybe if the strikers don't get paid they'll decide to return to work. Maybe. And in the meantime, sit back and relax while watching the economy of the whole country worsen. Why not call in the Armed Forces? Surely our government isn't worried about them striking too!

DON LOETERLE — general manager and media director of DFA Agency in Malone hurried into The Gleaner Office early Monday p.m. and asked one of the Girls Friday if he could use the phone to call the police: "There's a woodchuck about a mile up the road and he's attacking cars!" He told the police that he had witnessed the animal charge a speeding car and slowed his vehicle to get a better look. The groundhog evidently took a dim view of Don's vehicle too and went back bent for leather after it too. Now the visitor from south of the border is no slouch and neither is his car and he left two long black tire marks when he peeled away from the animal and to a phone. He said the 'chuck was doubtlessly rabid. Eric and Phil, armed with notebook and camera and a stern warning to "stay in your car", high-tailed it up the highway but neither they or the police were attacked. Not only that, but they didn't see any animals at all except some contented-looking Holsteins. Evidently the groundhog had decided he had caused enough commotion. But, unless he's dead, he's probably dangerous. As health authorities constantly warn, "Avoid any animal that acts in an abnormal manner."

AND THE TOWN FATHERS — in their wisdom, once again vetoed making Prince St. one way at the regular meeting of Huntingdon Town Council on Monday evening. Not only that, they decided to create another four-way stop intersection. Probably the heat, y'know.

BUT AT CAZAVILLE — where four-way stop signs would be sensible, the guessing game continues.

WE'RE TOLD — that rebuilding of Route 3 from St. Anicet west to Cazaville, is due to commence soon. The stretch from Herdman to the border, too one mile each. What's the score on No. 4? Blacktopping will also start in the county shortly.

CAMPING — a new camp site with complete accommodations for tents and trailers has been opened at the Pointe Hubert Blanc, on Route 3, west of Cazaville. We're told it's one of the better points on Lake St. Francis. And, there's a restaurant and grocery (see advt.).

SUMMER FAIR — that annual affair at Devittville sponsored by the W.I. to aid girls' hockey and the rink there, will be a popular event tomorrow (Thursday) if the weatherman has any heart at all. Organizers promise fun for all with pony rides, the Weston Bread Carousel, all kinds of games and, would you believe BINGO? Prizes galore of course. And refreshments: strawberries, cakes, drinks, etc. And this: 10% of the proceeds will be donated to the County Civic Centre. That's tomorrow, Thursday, starting at 7 p.m.

SELLAR HISTORIES — will once again be available in limited quantities, only. On Monday we received four hard-bound books from a firm in Montreal and within two weeks we expect to be able to pick up fifty more. In all probability another 50 won't be ready until late in November. Of the number we will be receiving shortly, about half have been ordered and paid for which means 25 are still available. In all fairness, it's first come, first served so please be governed accordingly. Also, if the people who have requested us "to keep them one" will come in and make arrangements, they will avoid being disappointed. Many people order the Sellar History for wedding and anniversary gifts and we realize we are expected to have the editions on hand, but it is difficult to estimate the number required. As mentioned, we still have 25 available in July but after they are sold probably no more until mid-fall.

DELIVERY DATA — the post offices in Huntingdon, Valleyfield and Chateauguay have been shuttered and closed since Monday evening. They may open at six a.m. tomorrow (Thursday) but then again Postmaster-General Eric Kierans may decree that the employees of these centres be locked out. There is no interruption of service in Ormstown, Hemmingford, Franklin, Howick, Athelstan, Dundee, St. Anicet, Cazaville or any of the other non-union post offices.

THIS WEEK'S GLEANERS — are all printed and ready to be handled by the Huntingdon post office. In most cases (with the exception of staffed and union post offices) the newspapers were delivered and subscribers will receive their copies without delay. We hope the local post office will be open Thursday morning and service will resume — until the next time we come up as strike targets.

FOR WHAT IT'S WORTH — our opinion, and that

Dundee

Sunday Service Shambles
DUNDEE — This past Sunday morning, July 5th, a member of the Gideons was to have occupied the pulpit. While a date had been confirmed with Mr. Carpentier before his departure for Halifax, and the writer of the letter stated the pleasure of the group in being able to spread their message to the people of Zion, the man who was to have given the sermon failed to appear.

At the last minute, Messrs Cary Carpentier, Winston Armstrong and Gordon Elder bandaged together and performed the various functions, but were minus a preacher. To make matters worse, the organ decided to throw in its two cents worth and refused to respond to the persuasions of the organist, Miss Martha Armstrong. So, all in all, it was a rather short Sunday service.

This Sunday morning, July 12th, the pulpit will be occupied by Rev. Mr. Reid from Devittville and on July 19th, by Mrs. Ruby Staveley, who will speak about her week at the Montreal-Ottawa conference held at Macdonald College in May.

Mr. and Mrs. Keith MacPherson and family have been entertaining members of the MacPherson clan during the last couple of weeks. Guest included Mr. Garth MacPherson, Graham and Susan of Chateauguay, Mr. and Mrs. Hugh MacPherson, Deirdre and Stuart and Mrs. MacPherson's father of Wilmington, Delaware, Mr. and Mrs. Kenneth Coleman and twin sons, Kevin and Keith of Toronto, Ont. and Mr. and Mrs. Wayne MacPherson, Crystal, Michael and Eve of Massena, N.Y., Mr. and Mrs. Clarence Moore and Mr. Wm. C. MacPherson.

Mrs. Dick Pearson and family of Smiths Falls, Ont. visited her brother-in-law and sister, Mr. and Mrs. Lester Fraser last Thursday afternoon.

Mr. and Mrs. Richard Greer and daughter, Miss Airlie Green and granddaughter, Joss Lombardo of Decatur, Georgia, have been visiting Mrs. Green's brother-in-law and sister, Mr. and Mrs. Fred Armstrong.

Mr. Green and Airlie have returned home, but Mrs. Green and Joss will remain until August.

Airlie is a student at Florida Presbyterian College, St. Petersburg. The Greens' other daughter, Mrs. Wendy Lombardo is attending the University of North Carolina at Chapel Hill, N.C.

Miss Janice Fraser is spending the summer months at the home of Mr. and Mrs. Donald Lang of Howick, Que.

Mrs. Elizabeth Fleming left by plane from Dorval on Monday evening for Shannon, Ireland, where she will meet members of the Pottier tour party and visit the countries of England, Ireland, Wales and Scotland during the next three weeks.

She was driven to the airport by her son and daughter-in-law, Mr. and Mrs. Ronald Fleming.

Mrs. Fleming's son-in-law and daughter, Mr. and Mrs. Forrest Dawson of Ottawa are also presently enjoying a European tour.

Speedway action "hot" at Maxville, Fort Covington

Seven trophies were awarded Ovid Doiron, Dick Manning and Don Walters shared 3rd and 4th place money while Babe Miller of Ft. Covington took 5th and Garth LeGrow of Massena, 6th.

Gary Hyde won the "big race" for Cadets with Dale "Butch" Walcott of So. Carolina, in Cliff Adams' car. 42 right on his tail for 2nd place. Devries was third; Joe Planty of Massena 4th; Marcel Bernard of Coteau Landing 5th; Yvan Marcoux 6th; and Fred Foster of Brasher Center 7th.

No one was seriously injured in the several spectacular accidents that occurred at both tracks operated by Pat Hotte of Monkland, Ont. Angus Sawatis of Cornwall Island escaped with a scratched arm. Mark Beaudin of Burke was unscathed when his car burst into flame; and, Ernie Ried was not injured when his car collided with that of Frank Ashley from Massena.

Dale Beaulieu of Massena won the 1970 Modified Summer Championship at Ft. Covington in a hotly contested race with

Paul Felix of Massena took the feature in Cadet Class at Maxville which also gave him 2 "legs" on the D. & P. Studio Triple-Feature Trophy. Cliff Adams and Gary Hyde, both of Massena, in a hard-driving finish of the race, tied for second place. Rene Devries of Cornwall came in next followed by Donat Latreille, also of Cornwall, and Yvan Marcoux of Valleyfield.

Don Walters of Potsdam won the Modified feature. He was followed by Dick Manning of Chateauguay (N.Y.); Ovide Doiron of Green Valley, Ont.; Gary Hyde (56A); Ernie Ried (4U) of Malone and Little Billy Woodward of Norfolk, (N.Y.).

Mr. Robidoux leaves to mourn his loss his wife Liliane (nee Beare), and two children Rodney, 9, and Marc, 7. His mother, Mrs. Narcisse Robidoux and three brothers, Numa, Régis, and André.

He also leaves seven sisters: Lida (Mrs. Ernest Leboeuf), Doria (Mrs. Gerard Lavoie), Evelyn (Mrs. Camille Gama-che), Janette (Mrs. Bruce Oxley), Léona (Mrs. Albert Deschambault), Carmen (Mrs. Léonard Deschambault), and Gisèle (Mrs. Léo Boulanger).

The June meeting of the Zion Church U.C.W. was entertained on Wednesday afternoon, June 24th, at the home of Mrs. Vernon Elder. Following the dessert luncheon which was served to approximately 30 guests, the meeting was opened

by the President, Mrs. Charles Carpenter, who welcomed all members and guests assembled. The program, in charge of Mrs. Winston Armstrong, dwelt on our attitude towards youth while years tend to wrinkle the

skin, lack of enthusiasm and zest wrinkles the soul. Whether you are 16 or 60, you're as young as your hope or as old as your despair. Live every day of your life as if you were to live it forever, and bear in mind that no matter how dark your despair it is never too late to begin again.

Mrs. Iva Oakes, President of the Association for Mentally Retarded Children of the Chateauguay Valley, was the guest speaker of the afternoon and was introduced by Mrs. Armstrong.

Mrs. Oakes opened her remarks by reminding all those who are parents of normal children that they should support the mentally retarded as a thank — offering for blessings received. Mental retardation results from several factors, among them being heredity, brain damage, imbalance of chemical makeup or glandular deficiency. A child who has suffered brain damage is very likely to be normal in size, but possesses a short attention span. Often he will be subject to an eye defect and sees things out of focus.

The mongoloid child is usually happy, and the easiest of the retardates to get along with. He may be most susceptible to bronchial diseases, but with the use of modern antibiotics much of this has been overcome. An intelligence peak is usually reached at the age of six to sixteen years. After this, it is experience that makes the difference in an individual's ability. At one time, I.Q. tests were thought to be infallible when testing intelligence, but in later years many factors have come to be taken into consideration when tabulations are made.

An I.Q. of 75-85 denotes a slow learner, and in our schools today he will be likely to gravitate to a remedial reading class. The I.Q. of the child in the special classes of today's schools ranges in the 50-75 mark, which would denote the intelligence quota of an 8-12 year old child. The average child's I.Q. is from 95-105.

Most retardates are capable of working in a machine shop or on an assembly line. They are sufficiently intelligent to maintain a certain standard and they do learn to be critical of their own work. One must however, never assign any job they can't cope with. It is wise to begin with something simple and increase the difficulty as a student proves himself. He must work under supervision, as he does not possess the gift of creativity.

Below the educable retardates, in the 50-35 I.Q. bracket, are the trainable retardates. They can't learn to read, write or spell, and they can't retain information. Their memory spans cover a 5-10 minute period. Below the 35 bracket one finds the institutional cases, who can learn to work in sheltered situations.

Golfers at Malone mark "Canada Day"

On Tuesday evening local golfers held their annual Canada Night at the Malone Golf and Country Club. This is an evening set aside each year at the Malone Golf Club so that the Canadian Golfers have a chance to show their appreciation to their American counterparts for their courtesy and friendship throughout the year.

As in past years prizes were given out to the Malone golfers, pea soup, maple syrup, Canadian flags, beer, cheese, golf balls and two tickets to an Expo baseball game. Ato Thermostat donated most of the prizes and the two Expo tickets were donated by Richard Tinker.

The highlight of the evening was a film, entitled "Malone, New York, a Wonderful Place for Golf" which was shown by M. C. Jon Proudfoot. The film had been shot over the past 6 weeks around the golf club and was very well received by the members.

This year, due to the rain, no official golfing event was held, although about half of the seventy six golfers who were present for the dinner did manage to get in a few holes.

The United Church Women will not meet again until September, when they will be entertained by Mrs. Ken Fraser who graciously offered her home. Miss Sheila Fraser is to lead a discussion on the very timely topic of "Pollution," in our area, as well as in the surrounding district. The meeting date is set for September 9th, one week earlier than the usual third Wednesday, as Sheila begins classes at McGill again on the 16th, of September.

UN official's passing mourned in Ormstown

Andre L. Bovay of Dobbs Ferry, N.Y., a member of the United Nations Secretariat for more than 23 years, died July 1st at Harkness Pavilion of the Columbia Presbyterian Hospital after a long illness. He was 49 years old.

Born and educated in Switzerland and an officer of the Swiss army, Mr. Bovay joined the Secretariat of the European office of the United Nations. He later transferred to the United Nations headquarters in New York and was frequently called upon to organize and administer peace-keeping and other field operations in various trouble spots.

He is survived by his wife, Mildred R. (nee Graham), and his two children Philip and Anne. His two brothers, Swiss Army Maj. Charles Bovay and Swiss diplomat Emile Henry Bovay were also at his bedside during his last illness; also his sisters Madeleine (Mrs. Clott), Charlotte (Mrs. Wernli) and nephews and nieces in Switzerland. His mother-in-law Mrs. Margaret Graham of Ormstown; his brothers-in-law Mr. Alton Graham of Ormstown and Mr. Harold Graham of Montreal, and families.

In the Middle East crises, of 1956-57, Mr. Bovay played a key role in the establishment of the U.N. Emergency Force and served for many months in the Gaza Strip as senior member of the Force Command. Three years later, when the Congo crisis erupted, U.N. Secretary-General Hammarskjöld called on Mr. Bovay to organize procurement and supply operations throughout the Congo on behalf of the UN force which rapidly grew to 20,000 troops of 20 nations.

A funeral service was held at 11 a.m. on Friday at South Presbyterian Church in Dobbs Ferry. Burial was in Vevey, Switzerland, on Monday. The Edwards Funeral Home of Dobbs Ferry was in charge of arrangements.

Without training, retarded youngsters almost always become delinquents and are used as "tools" of others who are smarter than they.

Mrs. Oakes mentioned that the Association for the Mentally Retarded hoped that sometime in the not — too — distant future that hostels would be provided by the Government. Hostels would be provided with a house mother, and each child therefore, would be assured of a permanent home, for many of these children will be here a long time after their parents will be capable of looking after them. If some sort of permanent security were assured for these unfortunate children, it would be a much happier situation for both parents and children.

Mrs. Oakes reminded the ladies that the Chateauguay Valley Association for the mentally Retarded is a service to the community any race, any religion. Those who work with these children never cease to be amazed at the capabilities of a retardate who has been given a chance to live a normal life.

Mrs. Oakes was thanked for her informative talk by Mrs. Clinton, who expressed the appreciation of the group for her visit.

The business meeting followed the guest speaker. The roll call was answered with a verse from the Bible containing the word, "PATIENCE"; the word for the September meeting will be "SAVIOUR". Birthday money was contributed by Miss Thelma McMillan and Mrs. Carpenter, Sr.

Mrs. Clinton read a letter she had received from Russell and Shirley Young in Korea, and which told of a pig co-op which, in fact, told the story of the M. & S. fund at work. The budget of the farm is about \$4,000, which comes from the Korean appropriation of the

Ste. Agnes

Miscellaneous Shower STE. AGNES — A very successful miscellaneous shower was held at the Municipal Hall in Ste. Agnes on Sunday afternoon, July 5th, for a local bride-elect, Miss Claudette Leblanc, whose wedding will be solemnized this Saturday at Ste. Agnes Roman Catholic Church.

Aunts of the bride, Mrs. Al-déric Leblanc, Mrs. Francois Trepanier and Mrs. Fernand Quesnel were joint hostesses for the afternoon. The hall was tastefully decorated for the occasion with white and pink streamers, complemented by summer flowers. The bride-to-be was completely taken by surprise and graciously expressed her sincere thanks to the sixty assembled guests for the honour they had bestowed upon her and for the beautiful selection of gifts she had received.

The bride-elect was honoured by the presence of her maternal grandfather Mr. Alfred Caza, who is 85 years young and thoroughly enjoys the occasions when family and friends join together. He was also present to partake of the delicious refreshments which were served by the hostesses at the close of the afternoon. Social

Dr. and Mrs. Jude Leblanc and children, Jude Jr. and Paul Arthur of Toronto, Ont., have been visiting with Dr. Leblanc's parents, Mr. and Mrs. Hubert Leblanc at Leblanc's Point.

He is presently a patient at Fort Covington in the mid-morning hours and literally ride off with \$50,000. It is said they used the Mary Riley Road which connects Canada to the U.S.A. without the complement of the usual Customs House. The robbers are believed to be Canadians and one wonders just how long they will be able to get away without being apprehended.

★ From The Stars To You ★

HOROSCOPE — 9 JULY to 15 JULY 1970

ARIES (21 March to 19 April)
Disputes could excite you to foolish actions. Be careful with legal controversies on July 11th. Change in business affairs is possible. Try to be considerate with your family.

TAURUS (20 April to 20 May)
A friendly word could get you far on July 9th. Don't enter into arguments at home, but be a kind judge. Your emotions will be strained July 13th and could lead to a break in relations, if you are too hasty. Financial affairs should be kept quiet.

GEMINI (21 May to 21 June)
You are too demanding in love. A friendly approach would help you, but you have to be satisfied with one, or face a dispute on the week-end. Financial changes and improvement are indicated for the 15 July.

CANCER (22 June to 22 July)
Feeling proud and basing judgment only on past experiences does not help. Look to the future and be progressive. Drive careful and with consideration to others or you will have accidents on the week-end. Business will improve on July 13th.

LEO (23 July to 22 August)
Love will be kind to you on July 11th, but be friendly, too. The family is watching your movements. Be careful with beverages, and remember alcohol and driving will not mix. Financial affairs should go well if you do not need a bank to help you out.

VIRGO (23 August to 22 September)
Although your family affairs are somewhat strained, you have fairly good financial success, especially on July 13th. A disappointment is possible on July 15th if you put your hopes too high.

LIBRA (23 September to 22 October)
Children may offend you on July 11th and could bring strained relations on July 12th. Finances are improving after the 15th of July. Be very careful when travelling on July 13th.

SCORPIO (23 October to 22 November)
This is a very trying week, especially since you are impatient. Don't make important changes on July 15th, even if you think that time is opportune. Finances are short and business is not too well.

SAGITTARIUS (23 November to 21 December)
A short trip and discussions on July 9th could lead to future changes for improvement. Be careful with your statements on July 11th. Swallow your pride on July 14th and discuss things sensibly. Changes can be started on July 15th but be careful with financial involvements.

CAPRICORN (22 December to 19 January)
Don't dispute over money from July 11 to 12th. Legal affairs could have a bad turn, if you are too stubborn and can not see other's points of view. Drive carefully. Check your aggressiveness on July 13th and 14th.

AQUARIUS (20 January to 18 February)
You should be more careful with your money. Save what you are able to or you will lose on July 13th and 14th. Finances preoccupy your mind and leave no time for your family or for love. Relax with painting.

PISCES (19 February to 20 March)
Hold your tongue on July 9th to get out of a controversy. The week-end will be calm if you do not insist on your rights. July 14th should be good for health, but not for favours. Finances are getting tight, stick to your budget.

Playing with fire...crackers

NOBODY wants to throw water (figuratively speaking) on those who wish to exuberantly celebrate their country's birthday.

However, the Wednesday night celebration of Dominion Day in Huntingdon was not the pleasant event it should have been because of the activities of young "bombers" of the water and firecracker variety.

In yet another instance, another firecracker exploded only a few feet from the trunk of the town foreman's car.

The potential danger of the firecrackers is not the only consideration, though; perhaps just as important is the discomfort caused many of the spectators.

There is no room for the indiscriminate use, mostly by youngsters, of firecrackers in crowds of the size that attended the Huntingdon festivities.

realize power contained in even one small firecracker.

And there is power in them. One has only to recall the explosion last July of a truck containing fireworks in Montreal.

Such is the fury of gunpowder, and in no amounts, no matter how small, can it be considered safe.

It is unfortunate that one must use such legislation as a recourse when this really should be parental responsibility.

That laws are necessary, however, came to light last year when Huntingdon Council, appealed at the lack of judgement shown by many youngsters.

One would be remiss in commenting on the discomfort caused spectators at the Dominion Day celebration without mentioning yet another group of trouble-makers.

If these individuals cannot attend an event without doing everything possible to spoil it for everybody else, then they should stay in the woodwork where they belong.

Winners of the men's and ladies races were Elizabeth Mason and Donald Winter.

I would like to express my sincere thanks to Dr. Lefebvre, nurses and staff of the Huntingdon County Hospital for the kindness and excellent care which I received while I was a patient there; also thanks for the many cards, letters, gifts and visits from friends, which helped brighten the days.

We wish to express our sincere thanks to everyone who helped in any way to make our sixtieth wedding anniversary a day to remember. James and Elizabeth Sweet Chateaugay, New York.

We wish to express our sincere thanks to everyone who extended sympathy, flowers, cards and for all the kindness shown to us at the time of Jim's tragic accident.

In Memoriam McCALLUM — In loving memory of Patrick McCallum who passed away July 11, 1968. "The rolling stream of life rolls on. But still the vacant chair recalls the love, the voice, the smile Of the one who once sat there."

Always remembered and sadly missed by Son Lawrence, daughter-in-law Jackie and grandchildren Richard, Michael and Debbie.

and, in Dr. Orr's words "We don't wish to discuss anything people don't want to talk about." It is to be suggested that both teacher and students will learn that the dividing border Canada and the United States is nothing more than a geographical division and that people here are much the same as those in Hemmingford, or, for that matter, Plattsburgh.

LACOLLE — Mr. and Mrs. Ralph Smith were guests at the Fergus-Helm wedding in Huntingdon on Saturday. Week-end guests at the home of Mr. and Mrs. Ralph Smith were Mr. John Purdon of Chateaugay Centre and Allain Fewster of Moores, N.Y. Mr. and Mrs. Ralph Smith and Kenneth Allan Fewster, Robert and John Walker spent Sunday at the home of Mr. and Mrs. Howard Wright in Ile Perrot.

hair and they carried arrangements of white chrysanthemums.

The groom was attended by Mr. Russel Rieger as best man and Mr. Robert Best, brother of the groom acted as usher.

Following a reception at the Rod and Gun in Port Lewis, the couple left for a five-week motor trip to southern and western coasts of United States and across Canada.

Miss Nancy Middlemiss was a surprised bride-elect when she arrived at the home of Mrs. Arnold Milne, Friday evening, June 26, to find a large number of relatives and friends assembled there to honor her with a miscellaneous shower.

While a corsage of yellow flowers was being presented to her, Miss Joanne Middlemiss played The Wedding March.

The guest of honor was shown to a table heaped high with many lovely and useful gifts, which Mrs. Earl Middlemiss and Mrs. Howard Pate-naude gave her assistance in opening.

A delicious salad plate was served by the hostess assisted by Mrs. Murdoch Rosevear.

The display had been scheduled for 9 o'clock, but after a false start showed it was still too light, it was postponed for half an hour. It was all over around 10.

Outside of the ever-present firecrackers and a few "water-bombs" there was little to mar the evening's entertainment. The area around the "launching pad" was kept clear of people and cars by a half-dozen policemen and a fire-truck was parked at the scene in case of emergency.

(Continued from page 1) problem. It seems that the establishment has a well but the water has an over abundance of minerals which renders it undrinkable and causes costly repairs to their pipes and pump annually. He suggested that Valdo be connected to the Town water main at no expense to the taxpayers and that the bowling alley management would be willing to pledge on paper the obligation to pay the water tax. To the Council it was just another case of "we can't make exceptions." Mr. Montpetit claimed that it was an exceptional case because Valdo Bowling is the only place in Town for public amusement. "We'll pay the whole shot," said Montpetit. Nonetheless, the Council turned him down and as a basis for the refusal stated that they had turned numerous other places down and couldn't have a reverse of policy. "You'll just have to wait for annexation" said Mayor Cappiello. Montpetit, "When?" The Mayor, "Soon." Montpetit, "Soon?" The Mayor, "Well probably not for a year." Montpetit, "Every year we spend about \$400 on plumbing and this year it may be a \$1,000, we can't wait." The Mayor brought an end to the discussion with, "you'll just have to wait."

Full Speed Ahead

Alderman Laplante inquired as to why annexation would take so much time. "Why can't we clean up the whole mess in a couple of weeks?" said Laplante. The members of the Council agreed that a quick move was preferable. The majority seemed to think that two weeks was impossible, but six months was a concrete possibility. An annexation policy of "full speed ahead" is now the Town's stand on the matter. Petitions, referendums, and all the other obstacles are to be taken in the near future. Remi Varin doesn't attend the Council meetings often but when he does he's got plenty to say. He aired a complaint about asphalt of West Street. It appears to be that the street in question is paved but a wide area from the curb on either side is not. The Mayor told him to see Alderman Brisebois about it. Varin "I did!" "Well," said the Mayor, "Don't worry about it, that Liberal government is going to pave read by the secretary. Wire Service Closes

A letter from CN was next in line, and it was opposed by a small but vocal minority of one. The letter concerned the closing of the telegraph service in Huntingdon. Alderman Gaw felt that a letter of opposition should be sent to the CN even as a token effort. The other Aldermen pointed out that the service would close with or without opposition. Gaw continued his point by saying that the Council should at least go on record as opposing any backward step. Alderman McGerrigle moved that a letter be sent to the CN stating that the Town did not oppose the move. Seconded by Laplante. All were in agreement with the exception of Alderman Gaw.

Another letter from Bell Canada concerning a proposed rate hike received a more united reaction. All disagreed. The Mayor noted that the office of the Town Secretary for all purposes is now 20 Prince Street and asked for a move on the matter. Alderman McGerrigle made the motion but was discouraged by the mayor, the reason being that some of the others hadn't had a turn. So, Alderman Murphy moved it with a wave of his hand and McGerrigle seconded it. Philibert Langevin, Town foreman, was in opposition to the next item on the agenda. Mayor Cappiello suggested that a small garage owned by the Town be rented because it was sitting idle. Mr. Langevin had other ideas and claimed that it

was useful for storage. The Mayor conceded that if the garage was being used by the Town there was no question as to what would be done with it. The garage is going to continue serving as a storage place.

A move to recruit some younger evaluators for the upcoming evaluation revision was floored by Alderman Legault. Possible choices were suggested by various Aldermen and four potential evaluators are to be contacted.

A WARNING

The grass and weeds on various vacant lots within the Town limits will have to be cut within a specified period of time. No procedures were taken about grass cutting but it was decided that a public notice would be placed in The Gleaner to advise lot owners that it must be done.

Annexation and sewers cropped up again and about ten minutes were devoted to discussion between the spectators and Aldermen. The cost of a sewer system concerning York and Dalhousie Streets is to be looked into.

A price estimate is to be obtained for the painting of the filter plant roof. The job has usually been done by paint spraying but has proved unsatisfactory in the past.

The number of bills in paid to the Town staggered all those present. The major issue here was the water tax. Secretary Alary had prepared a list of the amounts owed to the Town by numerous people. The lists were passed around for examination.

VERBAL SPARRING MATCH

Someone pointed that Town employees had been particularly slack in their payments. Philibert Langevin and Alderman

Legault then staged a verbal sparring match over the payment of this tax by Town employees. Legault felt that everyone should pay the tax without exception. Philibert pointed out some Town employees were only clearing \$47 a week and did not need a water tax added to their expenses. He then made an inquiry as to what was to be done with those on the outstanding list. The Council's reply, "Most of them will have to be written off." "Well, said Langevin, "you can put me on the list and then write me off. I work up to my neck in the stuff and shouldn't have to pay for it. I won't pay and I never will!"

Secretary Alary then announced that the Town had the legal authority to cut off non-payers water. A get tough policy is the way things are going to be for late payers in the future.

STREET KILLED

The thorn in the Mayor's side, the "one-way Prince issue" was floored for the third consecutive meeting. For the third time, no results. "You're going to wait for someone to be killed before you make it one way?" said Mayor Cappiello. "Someone might be killed even if it is one way," countered Alderman Gaw. An argument ensued between the two factions over the pros and cons. McGerrigle and Laplante supported the Mayor but the other four Aldermen prevailed.

Last but not least, the Town Police department situation was dealt with. Alderman Brisebois suggested that a record be kept for the next month concerning police shifts. No decisions were reached and the meeting adjourned.

THIS AND THAT IN TOWN

(Continued from page 2) of many Canadians, is that it's high time our heads of state called for a Royal Investigation into the postal problem. Quite frankly, we doubt if The Hon. Eric Kieran's head would be one of those to roll. He is a sincere man and we believe he is doing his level best to resolve things but that he isn't being accorded support. After all, he did state quite some time ago that "post office employees want more and more money while doing less and less work." We believe this statesman has his head screwed on right — at least he recognizes facts. If he was allowed to run his own department as he sees proper, we think he would cut the employee roster in half. That alone would amount to a sizeable saving for taxpayers, but the biggest saving would be derived from a smaller staff willing to work for their pay. We aren't done when we say Mr. Kierans should be given a free hand (and foot) to clean house and get his department in order.

ONE OF THE MEANEST THIEVES — we can imagine was around the Huntingdon Chateau over the week-end. Manager Al Carisse was fuming when we saw him Monday morning. He pointed to one of those glass containers half-filled with silver, when filled are forwarded to Muscular Dystrophy headquarters where the money donated by the public is channelled for equipment and in general help victims of the disease. "We had two of these, one in the main lobby and the other here in the grill. Some SOB stole the one in the lobby. I'm sure it contained \$5 in silver, at least! Yes sir, we agree with you: the person who stole that money is one of the meanest imaginable of thieves."

TRACTOR BURNS — fire destroyed a John Deere tractor about 9:30 this morning (Wednesday) at the farm of Felix Renaud on Los; Nation Road about one mile from Athelstan. Fernand Latreille, a Montrealeur and nephew of the Renauds, had filled the tractor with gasoline from a storage tank and replaced the gasoline cap, but when he turned the key and started the engine, fire broke out. Mrs. Renaud phoned the Hinchinbrooke Volunteer Fire Department and within minutes the call was answered by about fifteen firefighters, the units' fire truck and tank truck. On their arrival flames were sweeping fifteen feet into the air from the gasoline tank air vent. Little could be done to save the machine but the fire was extinguished in minutes. The storage tank from which the tractor had been filled was charred and the wooden frame supporting the tank collapsed, but that fire was also put out. The tractor was about 100 yards from the home and barns and if the Hinchinbrooke Firemen hadn't responded with such alacrity the damage might well have been much more serious. Fortunately Fernand Latreille, who is on a two week holiday, did not suffer any injury.

MORE LOW-DOWN THEVERY — a local resident phoned The Gleaner this morning (Wednesday) and reported that all plants growing in flower boxes at Huntingdon Protestant Cemetery had been stolen. The despicable perpetrators of this crime must be extremely proud of themselves. Perhaps their forebears who are six feet under the sod, somewhere, wouldn't be so proud of them though.

Chateauguay News Notes

By Edith Bate

RETURN AFTER 39 YEARS
We welcome guests from England this week; a couple who left this area in 1932 and haven't been back since. Mr. and Mrs. Fred Willis lived on the Isle of Wight for some years after leaving the Heights, and their present home is in Fulwood, Preston, Lancashire. They are guests of Mr. and Mrs. George Horsnell (long time residents of Chateauguay) of Abbotsford Avenue in the Basin. This week the two couples are touring by auto in Ontario and northern states of the U.S. The Willis' were quite surprised to see what changes had been wrought in the area over the past thirty eight years. Happy holiday to them.

BLOOD DONORS WANTED
The annual summer Red Cross Blood Donors' Clinic is to be held this year on Friday, July 17th at Vanier school on rue Principale. The clinic will be during the afternoon and evening hours. All Chateauguay residents are asked to support the clinic by their attendance.

LONG COUNCIL MEETING
Centre Council's meeting of last Thursday July 2nd, was quite a long one. Some items of general interest follow. A notice of motion was passed in order to amend zoning by-law in Viau Park for the construction of bungalows.

WILL LEVEL PARK
The Recreation Committee has been authorized to spend \$1,000 for the levelling of de Gaulle Park. The Council authorized the publication of the Centre's name on the official programs of the Ramblers Football team, and also authorized a grant of \$250. to the team. Other grants given were \$50. to the Centre's Soccer League; \$66. to the L.A.S.P.Q. Soccer Clinic; \$200. to the Viking's Athletic Club; \$126. for repairs to the movie projector in order that films can be shown in the parks; \$200. to the Air Cadets and purchase of two nets at \$85. each for West End Park.

Also in the field of recreation and parks — authorization has been given for construction of garden chalets in some parks and boxes for storing some of the equipment.

TO ATTEND CONVENTION
Larry Eldridge, director of Loisirs for the Centre and John MacDonald, manager of Sports and Parks are to represent the Centre at a convention in the Fall. The locale is in Pennsylvania, U.S.A., but no specific town or city was mentioned. Date of the convention is September 22 to October 1st and Council have agreed to set aside \$300. to help pay expenses for the two delegates.

Committee reports were acknowledged; adoption of the June minutes approved and correspondence dealt with. Tenders were opened on contract 70.7 for sidewalks and asphalt paving on part of Primeau St.

Details of seven by-laws adopted will be found elsewhere in this issue, including dates of electors' meetings. A resolution was passed authorizing concrete curbs and paving on the east side of Taché Street on by-law 798. Originally this by-law called for other specifications, but has now been changed.

Sodding of Musset Crescent is to be done as provided in by-law 748. A resolution was passed authorizing Sanfax Co. to clean the 60 inch sewer pipe near Chevrefils Park and if a good job is not done the Centre will have the privilege to retain the fee for this — set at an amount of \$350. The technical services dept is to provide plans of the above to the Quebec Water Board.

Sewer and aqueduct works are to be done on Rainville; drainage works on McComber and St. Eugene Streets. Quotations on the purchase of gasoline and heating oils are to be requested from interested companies.

2-WAY RADIO
The new half-ton truck for the use of the public works dept. is to have a 2-way radio installed. A resolution was passed to authorize Vel Construction 67, Ltd., to do paving work on Rodrigue St., at the price quoted in by-law 471 of \$1,000. Quotations are to be asked from Jack Patrill and Seaway Nursery for supplying sod between sidewalk and road on by-law 811 and 818.

Technical services dept. are to ask public tenders for concrete curbs on Debussy St. in front of lot 138, provided in by-law 869. On the recommendation of Mr. Trudeau, the Centre are to purchase 2 "Toro" lawnmowers of 4 h.p. from Gilbert Company at a cost of \$310. each, plus provincial sales tax. A grant was awarded to the Economic Expansion Council — amount of \$30.

HAYING CONTRACT
Concerning cutting of hay on vacant lots, two men: Cyrille Desparois and Maurice Laberge (not the M. Laberge of the public works dept.) will do the job, at a cost of \$6,000. less a percentage of the vacant lots which have already been cleared off by the proprietors.

Two tenders were opened at 10:30 a.m. last Monday for fencing at Gilbert Park. The two firms were Desjardins Welding and Robt. Chagnon Co. The tenders are under study before decision made.

CHIEF BACK
Centre Police have their Chief back from the four day Police Chiefs' convention held in Rouyn last week. Apparently things were quiet during the past week. I heard there was a near-drowning over the week-end but could not get any facts or confirmation on this.

FEW ACCIDENTS
Town Police have — up to time of writing, Monday July 6, 1:00 p.m. only two traffic mishaps since the beginning of July. Both accidents involved cars striking Hydro posts, no injuries, one on July 1st, the other on the 3rd.

FIGHT FIRE
A fire at 71 Trudeau, believed started in oily rags in a garage was quickly extinguished by the Town's fire dept. last Friday at 3:52 p.m. The towns' two pumper trucks were used and eight men kept the 250-gallon oil tank stored in the garage from causing more serious damage to the attached 2 storey house. The fire spread up the wall of the garage but damage fortunately was confined only to that part of the premises.

VANDALISM
Two reports of vandalism were reported to Town police during the past week. A vacant house at 70 Gilmour and another at 60 Birch both in the Heights, suffered quite extensive damage by unknown persons. The investigation is still under way by the police.

The Roads Dept. are gradually removing huge tree trunks with roots attached from both sides of the river. After the widening of Youville Blvd. some 2 years past, many of the stumps were just rolled down the river bank, some were submerged in water, some still on the bank. We observed a large crane and crew of men, taking away the debris last Friday and this past Monday.

PAPT honours W.M. Shufelt

In recognition of his 31 years in the teaching profession and his contributions to the local branches of the Provincial Association of Protestant Teachers' Mr. W. M. Shufelt was recently presented with the P.A.P.T. Professional Service Award.

The presentation of the P.S.A. Button and Certificate was made on behalf of the P.A.P.T. by First Vice-President, Miss Phyllis McGlashan, at a combined Annual Dinner Meeting of the Chateauguay Valley Teachers' Association and the local branch of the Administrators' Association.

Mr. Shufelt was born in the Eastern Townships and received his High School education at Heroes' Memorial High School, Cowansville. He began his teaching career after obtaining an Intermediate Diploma from Macdonald College School for Teachers. He is a graduate of Queen's University, and has done post-graduate work at the University of Vermont.

Mr. Shufelt has taught in various schools and has served on the Staff of Sir George Williams University, Evening Division. He has had 20 years experience as an Administrator, and for the past eight years he has been Principal of Mary Gardner School in Chateauguay.

A member of P.A.P.T. for 31 years, and of Q.A.P.S.A. for nine years, he has been active in local associations. He is a Past-President of the St. Francis Valley Teachers' Association, a Past-President of the Quebec City and District Teachers' Association and the first President of the Chambly

CMHL elections this evening

The election of officers for the 1970-71 Richelieu Zone 2 executive will take place tonight at the Casa Valencia Restaurant where coaches registered with the Q.M.H.A. during the past season will be permitted to cast ballots for each of the seven positions on the zone hockey body.

The nominations will take place from 8 p.m. to 8:30 p.m. at the site, followed by the balloting which will take place immediately thereafter. There will be seven positions open including, President, Vice-President, Secretary, Treasurer, Registrar, and two new positions which include Coach and Referee representatives.

The present executive includes President Peter Meloche, Vice President, John Simmons, Secretary Ross Hill, Treasurer Mr. Theriault, and Registrar Mac Davies. No representatives of the coaches or referees sat on the previous zone groups.

The evening will be devoted only to the election of officers, and no discussions will be included on the agenda. Following the nomination of candidates for the seven posts, voting will be carried out with the only electors being the coaches who signed Q.M.H.A. cards during the 1969-70 season, plus the recreation directors of the Towns of Chateauguay and Chateauguay Centre.

In C.M.H.L. hockey news, registration has reached the point in which only a few vacancies remain to be filled, and a meeting will be held in the very near future to determine the system which will be adopted for the

Chief Spenard elected "V-P"

Chateauguay Centre's Police Chief René Spenard has just returned to the area after attending the 38th Annual Police Chiefs' convention held this year in Rouyn. Mr. Spenard stated that the four day meeting was a most educational one in many areas of police work.

Some of the guest speakers were Chief Inspector H. P. Vignola of the Montreal force, using as his text "contestation of the student youth of this province; Asst. Commissioner Y. Dube of the R.C.M.P., describing in detail national services rendered by that department; Roger Lemire, of Caisse Populaire Protection, speaking on that subject in banking institutions; Director M. Baril of the Quebec Police Training School, Nicolet, giving a resume on police school activities; Minister of Justice Choquette and Minister of Municipal Affairs, Tessier (Rimouski); Judges Provost, Gosselin and Coderre, Provincial, Maurice St. Pierre speaking on co-operation between Municipal and provincial forces; Mr. J. A. Donnell general director of security for Noranda Mines; William (Bill) Phillips formerly with the Montreal force, now with a private agency; Mr. Jean Racicot, Fire Chief of Rouyn, on urgent telephone; Sgt. Det. Howard Gunn of the Ontario Provincial Police and Sgt. McClenaghan of the Sudbury, Ontario police.

Others included director of police Jean-Paul Gilbert who acted as moderator in a panel discussion on urban community and police efficiency; at another panel Marcelin Cyr moderator Sgt. Aubin of Q.P.P. at a conference on snowmobiles; and host police Chief E. Picard of the Rouyn force.

During the convention the Bank Doctors' certificates are

Blood clinic July 17

A Red Cross blood donor clinic will be held Friday, afternoon July 17 at the Vanier School on 66 Principale St. in Chateauguay Centre. Clinic hours are from 2 to 5 and 6:30 to 9. Residents in the Chateauguay area are urged to get out and "bleed" for this worthy cause.

Enlightened physicians everywhere today use blood to abate human suffering, so invest now in the Red Cross Blood Bank. Deposit one pint of blood.

POINTS YOU SHOULD KNOW ABOUT BLOOD

Any normal adult of medium weight has some 12 to 13 pints of blood, so that doctors estimate men can give blood every three months, and women every four months.

Only persons who have had jaundice or malaria within the last twelve months may not give blood.

About 380 c.c. is taken and each donor receives an identity card showing his blood group and the number of times he has given blood.

There are four main types of blood, A, B, AB and O. The donor's blood must be the same as that of the receiver. However, in certain cases the O group — called universal — can be given to the others.

Every donor is first given a naemoglobin test to determine if he is in good physical condition. Anyone between the ages of 18 and 65 in average health may contribute to the Blood Bank. Doctors' certificates are only necessary in cases of high

LETTER FROM SEIGNIORY PARK

by FERGUS HORSBURGH

Len Powell
His many friends in Seignory Park, The Heights and elsewhere in Chateauguay were saddened by the recent death, after a short illness of Len Powell. A prominent local businessman, Mr. Powell had operated the Superbest service station on St. Jean Baptiste Boulevard for six years in association with his partner Mr. Art Arnold. The two had been in partnership for twenty years, including fourteen years in Verdun before moving to Chateauguay, and were also brothers-in-law. Mr. Powell, whose main hobby was hunting, is survived by his widow, who resides at 163 Trudeau, Chateauguay Heights, two married sons and a daughter. The sympathy of the community is extended to the family in their sad loss.

Danny Gallagher
His best friends would never call Danny one of the quietest members of the club. But last Friday Danny surpassed even his normal exuberance when on opening a packet of cigarettes he found an Ace of Spades. This, by some means with which I am unfamiliar, made Danny richer by a cool \$1,000. In spite of all the vast publicity in these giveaway games, I have always thought of the prize-winners as distant improbable folk, and it was quite a shock to learn at close hand that the winners are real live people.

Bob Jennings
Former Manager of the Country Club, Mr. Bob Jennings, will leave for Toronto in the near future, on a transfer by his employers, Concordia Estates Ltd. I understand that his son Blake, who has made quite a name for himself in local sporting circles, will remain in Chateauguay. Blake is currently in charge of the filter plant at the club.

At The Club
Another successful season is underway at the club, under the management of Dick Kitts and Brian Foley. Gail Ross and Gail Sheppard are in charge of the Red Cross personnel who teach the youngsters to swim. Other guards are Terry Tinkler, Graham Rennie, Wilham Trainer and Evelyn Man. Ceugnawaga and the Seaway
The work authorized by the Canadian Government to clear up some of the mess created by the construction of the St. Lawrence Seaway is now proceeding. Much progress has been made on either side of Route 3, south-east of Mercier Bridge. Several acres on either side of the highway have been levelled, filled and

Tight race in Atom Division of Chateauguay minor soccer

The first loss of the season for the Atom Expos came during the past week and it cost them the lead in their section of the C.M.S.L. The defeat was a 2-1 squeaker to the Cougars, and gave the Bruins the top spot in the league with 13 points, one ahead of the Celtics, Expos and Cougars. The Rangers hold down fifth place with a 12 point total.

The Bruins hold on first place in a shaky one as they have played 11 games, winning six and losing four, with the other ending in a draw. The Celtics have played only eight times

After a very dry month of June, July has come in with a great amount of dampness and rain has been very frequent. This has no doubt come as a problem to those of us who not particularly care for the job of cutting grass, as the moisture is promoting its growth at a tremendous rate and forcing Dad out to cut the stuff.

Before we complain about it though, remember that it is better than shovelling snow and on that one we will not even get an argument.

DRUG DESCENT
We hear of a large group of teenagers being picked up by police on Friday night around the shopping center for being in possession of drugs, and the police apparently knew very well just who they were going after. The group was rounded up at various points in a well-organized collection of teens.

RATEPAYER COMPLAINTS
We have been asked about several items on the local agenda in the past week including the foul smell of the drinking water in some sections and the high rates of taxes in others. The taxes prompted the biggest complaint when a lady from Forest Street reported that her home is now taxed at a rate of over \$900 per year and that she does not know why the increase seems to be continual as the area and services are not being improved.

We go along on some of the scores, as we feel that each year we are sent a bill for by-laws which are listed by number and the number does not indicate what the law is. We feel that a complete list should be sent to each ratepayer so that they can at least know what they are paying for.

We also feel that the Town should make available the by-laws in English as close to 50% of the taxpayers are not able to fully comprehend the by-laws written in French. After all, when you must pay, you should at least be afforded the courtesy of understanding the entire contents of a bylaw, especially after being charged 50 cents for a copy.

Even if French becomes the official language of the province, and we think that it did many years ago, those who do not speak the language should be entitled to some courtesy.

That is another good one, as the former McGill Professor Stanley Grey took to the streets shouting "Quebec in the streets" on July 1st. Grey is far from being a Quebecer, and in fact comes from England where he certainly didn't speak the French language. Since the effort is so important to Mr. Grey, why don't they send him back where he came from and let him attempt to inflict his weird ideas on the old country.

WHAT DO THEY WANT?
Although it is a departure from our usual line of comments, we feel that it is time that some thought is given to the reasons for the apparent lack of interest that appears to form the personalities of the local teenagers when efforts are made to promote activities for their benefit. The basis for the thoughts come from the recent failures of two police-sponsored, teen-oriented shows which were made available at the Chateauguay Arena, and which collapsed into total failures on both occasions.

The first such affair came on

Supremes, Expoettes, Bubbles tops in Girls' Softball League

Rain finally got to the schedule of the girls softball league and forced cancellation of action on Monday and Tuesday evenings last week, but two of the four games were replayed on July 1st and only two of the contests remain to be caught up on. It marked the first time this season that weather had disrupted the planned action in the league, a marked improvement over early-season conditions in past years.

After three weeks of play in the three sections of the league, the Supremes hold the top spot in the senior section, the Expoettes head the Intermediate group and the Bubbles are in first place in the Junior section. The Senior Supremes have won three of their four games to date and lead the Rebels, who have won two and lost two, by two points. The Aquarians are in third place with one win and three losses in four games.

In the Intermediate section the Expoettes have three wins and a draw in four games for seven-points one ahead of the Firestars who have won three times while dropping one. The Mod Squad have won two and lost one for a four point total, and the Mets have a record of one win, one loss and a tie.

For three points, The Tigerettes and the Olympics are winless and pointless in three games.

The Bubbles hold the junior league lead with three wins in as many tries for six points, two ahead of the second place Puppets who have scored two wins in three games. The Pussy Cats are third with an identical four points, but they have played four times, winning two and

losing two. The Hobos and the Roadrunners have both lost a pair in their two games to date.

In the past week's action, the senior Supremes beat the Aquarians by a score of 29-16 with Linda Lemay the winning pitcher and Joanne Currie taking the loss. Homeowners for the Supremes came from Colleen Finnelly, Sylvia Bergeron and Ann DePrater while the losers got round trippers from Susan Budd and Joanne Currie. The Aquarians bounced back to down the Rebels 27-18 with Joanne Currie this time the winner and Annette Corbell taking the loss on the mound for the Rebels. Betty Ann Packer, traded to the Aquarians to strengthen their forces, clouted three home runs in her first game as an Aquarian.

The Expoettes took over first place in the Intermediate section by edging the Firestars 11-10 as Linda Fraser and Susan Hyland homered, Alberta Maher was the loser on the hill for the Firestars, no indication of the winning pitcher. June Stabb pitched the Firestars to a 19-16 win over the Mets as Belinda Herder homered in the victory. Natalie Husin was the loser as the Mets got homers from Elizabeth Quinn and Margaret Masuk.

The Expoettes downed the Tigerettes 25-20, with Christine Smith hitting three home runs, Linda Fraser getting two and Allison Elliott belting one. Christine Smith pitched the win for the Expoettes, giving up a home run to Kim Rose in the process, while Valerie McKee was the loser for the Tigerettes.

In the final intermediate contest of the week, the Mod Squad scored a 7-3 win over the Olympics with Cathy Stabb the winning pitcher and Beverly Allan the loser. Cathy Stabb homered for the Mods and Sharon Rutter belted one for the Olympics. Only one Junior game was played, and in it the Puppets beat the Pussy Cats 11-3, with Donna Cox the winning pitcher and Janet Hyland the loser. Brenda Donaghue hit a home run for the Puppets and Nancy Lawless got one for the Pussy Cats.

Don't underestimate any woman's purse!

You can't, open a locked car with a tape recorder!

This startling discovery was made by Gleaner correspondent Russ Faughnan when he inadvertently locked his keys in his car during a recent trip to the Magic Isles.

Russ and wife Nan had just parked their car on Concordia bridge when the horrible realization came that the keys were inside. . . . and no spare on hand. What to do? The friendly policeman nearby could offer no help. He didn't even have a coat hanger available. Can you imagine, no coat hanger? How else do you open locked cars?

The Faughnans checked the available items, Russ produced his trusty tape recorder, just the thing to loop over the side window handle and pull it open. With the help of a screwdriver Mrs. Faughnan happened to have in her purse, Russ got the recorder handle inside but alas, there was no way to maneuver it over the window lock.

Next they tried a key case complete with knife, scissors and file. No luck. It was Nan to the rescue again as she produced a large nail file which, when bent into a pretzel-like shape, was forced through the window rubber and used to push down the lock handle. All was well again, proving once more how indispensable are women.

If only they were as impregnable as a car window.

Sunday School Picnic in Howick

(Cont from Chat, Front Page) group travelled over the border to Haileybury, Ontario to see a demonstration on fire-fighting.

Seigniory Park

(Cont from Chat, Front Page) planted with trees. It will probably take a few years, but eventually some of the scars of construction will be only a memory in an attractive green-treed area.

Colonia

(Cont from Chat, Front Page) June 19th when the Police Brotherhood offered a Pop Festival at the Arena on the same evening as the Y.M.C.A. sponsored a dance featuring the Marble Hall, an extremely popular group with the teen set.

We do however wonder at the reasons why a total of only two persons paid admission to the second effort of the Police Brotherhood last Friday evening at the arena, the others preferring instead to remain wandering the streets, complaining that there is nothing to do around Chateauguy.

The most recent failure was, in part, due to lack of publicity, but this was not the only answer, and that is the one which remains to be sought out. The dance had been arranged, and posters placed in many store windows during the week preceding the dance, and yet, only two persons actually paid their way in, while another dozen or so stayed outside the arena waiting to see if a larger group would come along to join them.

This is a strange thing when it is considered that the reasons behind the police brotherhood's actions on behalf of the teens was motivated by continuing complaints from the teenagers that they had nothing to do and wished that someone would show a little interest in them. When this interest is shown, the same group fails to take advantage and the entire problem becomes one of somewhat weird proportions. Just what do the teenagers want? They ask for interest, and when it is shown, they fail to take advantage of it. This extends past the world of music, and into the world of sports where local organizations are constantly forced into chasing the teenagers in order to make up leagues for the same boys and girls to enjoy, while the younger ones, come running at the first opportunity to get a place on the rosters of the teams.

Damage to Town-owned property is at an all-time high, and the malicious actions are such that it is obvious that physically, if not mentally, mature individuals are receiving their thrills by destroying public property. No reason can be given for such actions, but an answer must come, and the parents must be the ones who inspire their own to act as intelligent and reasonable persons. It appears too, that the schools must get into the act, and add instruction in mutual respect to the courses offered to the teenager of today.

Rockburn

Leaving for Saskatchewan It is with deep regret that the Rockburn Congregation must bid farewell to Mr. Campbell and family, who are leaving this month for Saskatchewan.

Mr. Smyth has ministered to this congregation for the past three years, and on Sunday June 28th preached his farewell sermon. On July 16th he leaves for Estevan, Sask., to take over his new duties. Best wishes are extended the family in their new work and home.

Rev. Mr. Milne of Hamilton, Ont. occupied the Rockburn pulpit on Sunday morning delivering a most impressive sermon.

We trust Ormstown and Rockburn may soon have a settled minister.

Died in Montreal This community was shocked and saddened Sunday evening when it became known Mr. Fred Pawluk had passed away at 5:30 P.M. in the Montreal General Hospital. He leaves to mourn his loss, his wife, a son, Ted and daughter Mollie, (Mrs. E. Laino), also three grandsons. Deepest sympathy is extended the family in their great loss.

(Cont from Chat, Front Page) ATOM In last week's action in the Atom section, the Cougars edged the Expos 2-1 as Tom Minde and Scott Makin each netted a goal. Brent Spriggins was the Expo goal-getter. The Bruins took over the top spot with a 5-0 win over the Mustangs. M. Pukald, J. Scott, D. Hardy with one goal each, and R. Hardy with a pair, lead the way. (First names not listed on sheet). The Mustangs and the Cougars played to a 2-2 tie with Keith Griffiths getting both Cougar goals while Drew McQuarrie and Wayne Roberts counted for the Mustangs. Three other Atom games were played, but no information is available on the outcomes.

MOSQUITO The Celtics downed the Expos 5-0 with Ron Ritchie getting two to raise his season total to 21. Kevin Hanlon, Ted Hughes and Mitchell O'Connor each added single goals. The Rangers shut out the Mustangs 4-0 on a pair of goals by Ron Patterson and one each by Phil DePraeter and Kevin Read, and the other two Mosquito games were rained out on Monday evening, June 29th.

PEE WEE Five Pee Wee games were reported including one from the previous week and in that one the Celtics scored a 3-1 win over the Rangers with Glenn Currie notching two goals and John Bowering getting the other. Neil McLeod was the scorer for the losers. Don Dzierwicz scored a hat trick and Maurice Riendeau got one as the Mustangs beat the Expos 4-2. Bill O'Reilly and Doug Kerray were the Expo marksmen. The Celtics and the Cougars played to a 3-3 deadlock as Peter Tessier got two

Come to the fair

by Russ Faughnan Some of the old favorites come off pretty well at Man and His World this year. The effort is obviously being made to not only bring in new material but to make sure the old is pleasing to the eye.

A good example is Labyrinth 3 which has been set up in the old Comino Pavilion on Notre Dame. The multi-screen film is just as powerful now as it was in 1967. It tells of Man's search for the monster of life. It takes you deep into the eyes of big city deliriets, to the puzzlement fear of an African tribesman. You go from the rigors of a Montreal winter storm to a trek across the desert. You can watch a greek wedding, the birth of a child and the funeral of a king. There are tears and laughter around the world, in short, it's the Labyrinth of life, glorious and powerful. Don't miss it.

Right nearby is Czechoslovakia, back again with their beautiful jewellery and glassware from the 17th and 18th Centuries. There has been some remodeling, all to the good. For example the central hall with its mirrored ceiling and wall, now features a giant chandelier hanging over a garden, each flower centered by a diamond. The birds are still there with the love-birds as popular and active as ever. Don't they ever get tired? Then there are the fish where it becomes difficult to determine which is fish and which is glass. I don't know the total value of all the jewellery in this Pavilion but it probably exceeds the weekly beer bill for all of Chateauguy.

We dropped in on the Mexican Pavilion where all the old tombs and religious displays are gone, to be replaced by costumes, and pottery of old Mexico. Nice but not spectacular. The important thing is that the Restaurant remains and is a good spot for a different meal. We tried the four buck special which included egg soup, very

goals for the Celtics and John Bowering earned one. Michael Giblin was the big scorer for the Cougars with a pair while Dave Hammond added the third. The Celtics got another win as the four goal effort of Paul McAuliffe powered them to a 4-1 win over the Expos with Stuart Ritchie getting the only marker for the losers, and in the surprise of the week, the Rangers blanked the league leading Mustangs 1-0 with Neil McLeod scoring the only goal. Action continues in the C.M.S.L. with the Atoms playing every evening from Monday to Thursday at the Heights field and the Mosquitoes and Pee Wees sharing Colonia Park on the same nights. The Mosquitoes have doubleheaders on Monday and Wednesday evenings, while the Pee Wee have identical schedules with games on Tuesday and Thursday.

Howick United Church held

the Annual picnic at Templeton's grove Riverfield on June 24. The weather was pleasant and one of the largest crowds ever, of both children and adults, turned out to enjoy a picnic dinner and the sports which followed.

This picnic has been held at the same grove since about 1965 with only two or three exceptions. The farm has passed from William to Robert to Bill. Robert Templeton who attended the first picnic was able to spend the greater part of the day at his son's farm. Confined to his home during a long illness, he said he hadn't seen so many happy faces for a long time.

The Rev. John S. Anderson thanked S.S. Supt. Donald Templeton for the work he did in arranging the picnic. Donald Templeton thanked Bill Templeton for preparations he had made and the use of the picnic site. One of the highlights of the picnic was the ladies tug-of-war. The rope broke! Bob Everett and Don Gay organized a ball game for the boys which always makes the day more enjoyable for our little fellows.

Maple Leaf Grange (11) honours senior members

On Sunday afternoon a social time was held at the Grange Hall in honour of several of our senior members who are unable to attend the regular meetings and also some who live a goodly distance away from this vicinity, yet retain their membership with us.

We welcomed as senior members, Bro. and Sis. Watterson, Bro. and Sis. Salter, Sis. Gavin, Sis. Donnelly and Bro. Wm. Graham. The members who attended from a distance were Bro. Allan and Sis. Rae Mack from Montreal, Sis. Hazel Platt, Fort Covington and Sis. Madeline and Maureen Coffey who were spending the weekend at their country home.

Everyone enjoyed meeting and visiting with each other. During the afternoon Bro. Salter favored the guests with several piano selections and Sis. Salter gave a recitation. Glad Ryan gave selections on the violin as did also Clarence French Sis. Doris McColm was at the piano.

Wanda Goundrey and Kathy Paul, in full dress delighted the audience with several bag-pipe selections, which added much to the afternoon.

About 3:30 p.m. David Rankin welcomed everyone and invited all to refreshments. The table was centered with sweet peas, and refreshments of sandwiches, cake, squares, cookies, ice cream, coffee and tea was served under the chairmanship of Margaret Wilson.

Several pictures were taken during the afternoon Bro. Watterson, on behalf of the senior members thanked the Grange for the nice afternoon which they had enjoyed so much.

Chateaugay, N.Y. couple celebrate 60th

It was a happy event when some 200 guests from the local area and Ontario and Québec called at the home of Mr. and Mrs. James W. Sweet of Chateaugay, New York, who were celebrating their 60th Wedding Anniversary on Monday, June 29. Hosts for the occasion were their children, Dr. J. Donald Sweet, Mrs. James S. Stokes and Mrs. Kenneth Vaughn.

James Wells Sweet, younger son of James and Angie Wells Sweet and Mary Elizabeth MacMillan, only daughter of Donald Alexander and Mary Massey MacMillan, were married in 1910 at the home of the bride at Franklin Centre with the Reverend Dr. Allen Reid minister of the Rockburn Presbyterian Church, officiating. Mrs. Louis Blair, the former Jessie Goldie, who was bridesmaid, attended Monday's festivities.

Mrs. Sweet received her guests wearing a floral print dress and a corsage of miniature white carnations. Seasonal flowers from the gardens of friends and neighbors created a delightful setting.

Refreshments of punch and dainty cup cakes were served from a table set with an ecru lace cloth, avocado green candles in crystal holders, and a unique arrangement of white roses and Marquerite Daisies. A wedding cake in diamond shape was frosted in white with accents of pastel green and yellow.

Mrs. George Granger, Mrs. Spencer S. Banta and Mrs. Milton Faulkner presided at the punch bowl. Spencer S. Banta proposed a toast to the honored couple and Mrs. Banta and Mrs. Faulkner served the wedding cake. Guests were registered by Mrs. J. Donald Sweet of Mohawk, New York and Mrs. Elmer H. McCann.

Mr. and Mrs. Sweet have three children, four grandchildren and two great-grandchildren. Only one grandson, J. Donut Sweet of Mohawk, was able

to be present. Other grandsons are James W. Vaughn, who is associated with the F.B.I. in Washington, D.C. and Lynn S. Vaughn, stationed in Vietnam. A granddaughter, Mrs. Theodore Breure, formerly Donna Stokes, who resides in Little Falls, New Jersey, is the mother of two children, James and Mary Elizabeth. Mr. and Mrs. Sweet were the recipients of many cards, messages and gifts.

After a lengthy illness, Mr. and Mrs. Alex Roy, happiness in her new home. After the guest departed, wishing Roberta much sympathy in the loss of a husband at the Barrie Memorial Hospital in Ormstown. Deepest and father.

Rockburn

On Tuesday evening, June 23, Roberta Middlemiss was guest of honour at a miscellaneous shower at the home of Mrs. Lylel Graham assisted by Mrs. Matthew Wallace, Mrs. Brenda Wallace and Mrs. Carl Stowell.

Upon her arrival at the Graham home, Roberta was completely surprised to find about 70 friends and neighbors waiting to greet her. Mrs. Ellis Wilson played "Here Comes The Bride", and Valerie Graham pinned on a corsage of pink carnations, after which Roberta was escorted to a decorated chair beside which were a large array of gaily wrapped parcels. After opening her many useful and beautiful gifts, Roberta thanked everyone.

A delicious lunch was served by the hostess assisted by several friends. A beautiful shower cake was served and was given by Mrs. Wilfred

Elgin W.M.S. and Ladies Aid

The Women's Missionary Society and Ladies Aid were entertained at the home of Ida Macfarlane on Wednesday afternoon when 15 ladies were present. One new member, Mrs. Wright joined both Societies.

The meeting was opened by the W.M.S. President Mrs. Grace Macfarlane with prayer followed by singing "Lord of the Lands" in remembrance of Dominion Day. The reading was taken from the 103rd Psalm followed by meditation and prayer. The minutes and Roll Call answered with scripture verse containing word "courage" was taken by Ida Macfarlane. Letters were read concerning programmes to be used and information. "How the word gets around" it was decided to donate food and clothing at our next meeting which will be delivered to Tyndale House by Mrs. Wright. The study was taken from one of Dr. Bell's programs on "Beatitudes" and "The Garden."

The Ladies Aid was conducted by Margaret Wilson. The Roll Call and Minutes were taken by Roberta Ferns in the absence of Leah Brooks. A vote of thanks was extended to the Ladies for their help at the Presbyterian meeting at Atholstan and licensing of Mr. Campbell Smyth as Presbyterian Minister. The profit of \$11.60 for sale of cards was divided between the two Societies. A card of thanks from the Vance family for remembrance to the memory of the late Chas. Vance was read. It was decided by motion to donate \$15. to the Bible Society. The meeting closed with repeating "The Lord's Prayer" in unison.

Lunch was served at the close by the hostesses Grace Macfarlane, Ina Stark, Bella Murray and Lillian Murdock.

Ste. Agnes

Mr. and Mrs. Ed Stanley of Tampa, Florida visited at the home of Mrs. Stanley's sister, Mrs. Robert Arnold recently and also called on other relatives in the area.

Mr. and Mrs. Vollen Hasting and family of Valois were guests last Monday at the home of Mr. and Mrs. George Sutton. Barbara and Vollen are presently enjoying holidays in camp near Massena, N.Y.

Mr. and Mrs. Rene Leger and Lori enjoyed last week in Ottawa, Ont., where they were guests at the home of Mr. and Mrs. Ronald Fleming and family.

Mrs. George Sutton spent last week and this week at Baie d'Urfe, Que., where she is following a course in reading given by Macdonald College, Ste. Anne de Bellevue. Miss Carole Roy of Trout River is enjoying two weeks holiday with her friend, Miss Wendy Sutton.

Mr. and Mrs. R. A. Fleming and family spent a long weekend at the home of Dawn's parents, Mr. and Mrs. V. Elder.

Abraham's belief

Abraham was the first of the believers, the father of our faith. Here is a man who experiences God in ways which are neither clear nor important, but surely enough and strongly enough to make him leave his own land, journey to another and enter into an alliance with a supreme God.

However it happened one thing is clear: God made the advance to Abraham. He chose this man of thousands for reasons hidden in his own God's being, and selected him to begin a mission by which this God would be known to all men of all times. The election of this one man is followed by promises: a nation will emerge from his loins, in time his descendants will have their own land, and all men will be in some way blessed because of Abraham. The key promise must have seemed preposterous: Abraham and his wife were old and long since without hope of children. Yet strange as the promises must have seemed, Abraham enters into the treaty, the covenant proposed by this God who approached him. He believes in Him.

John J. Kirvan, c.s.p.

ACCIDENT DE FERME

Dimanche soir le 25 juin dernier, M. Lionel Bolduc cultivateur de la Rivière, Outarde, venait d'aller chercher dans un enclos, une vache et son jeune veau qu'il transportait dans ses bras alors qu'une de ses jeunes filles s'approcha de lui pour le photographier, la vache se rua sur elle. Ce que voyant M. Bolduc déposa le veau par terre pour se porter au secours de sa fille. La vache se tourna vers lui, le projeta par terre et lui lacéra profondément les deux jambes avec ses cornes. Secouru par des voisins et saignant abondamment il fut conduit à l'Hôpital Barric Memorial où on lui fit faire plusieurs points de suture et lui donner des transfusions de sang.

Prompt rétablissement à M. Lionel Bolduc qui est hospitalisé au Barric Memorial, à M. William Gagne hospitalisé à l'Hôtel-Dieu de Valleyfield à la suite d'une chute, et à M. Eugène Sauvé qui est en convalescence chez lui.

Le dégorgeage est essentiel

L'une des phases essentielles et à la fois remarquable de la méthode dite champenoise, dans la fabrication du Champagne, est le dégorgeage, qui survient après la deuxième fermentation. Cette phase consiste à enlever, en faisant échapper le moins de vin possible, le dépôt que par une habile manipulation les remueurs ont rassemblé sur le bouchon. Cette opération est confiée à des techniciens très exercés qui remplacent le bouchon après l'adjonction d'une faible quantité de vin pour remplacer la quantité perdue.

Un résident de Huntingdon tué dans un accident d'avion

C'était le premier voyage en avion de Lionel Robidoux, et il avait même remarqué, avant son départ de Dorval, qu'il risquait un atterrissage forcé.

Cette sinistre remarque devint réalité pour M. Robidoux, 37 ans, de Huntingdon, qui était l'une des 108 personnes tuées, quand un DC-8 de Air Canada alla s'écraser près de l'Aéroport International de Toronto. M. Robidoux, employé de Clevn & Tinker, se rendait à Toronto pour examiner des équipements d'une autre compagnie pour l'Association de Clevn & Tinker.

Ce matin-là, il quitta Dorval à 7:10 et pensait quitter son travail pour revenir à Montréal le soir même. Même si son billet d'avion était réservé, il pensa se servir de son auto pour se rendre à Toronto, mais il décida de prendre l'avion pour revenir chez lui le plus tôt possible.

L'avion DC-8 de Air Canada, Vol. 621, se préparait pour atterrir lorsqu'un engin cessa son fonctionnement normal et prit feu au-dessus de l'Aéroport Mal-

ton à Toronto. Le pilote décida donc de contourner la piste et d'essayer une deuxième fois, mais lorsque le DC-8 grimpa dans les airs, l'engin tomba. Il s'est écrasé dans un champ, à environ quatre milles plus loin, quand un autre engin et une aile se détachèrent.

La famille Robidoux fut informée de la tragédie à 3:00 dans l'après-midi de dimanche, le 5 juillet.

M. Robidoux laisse dans le deuil sa femme Lilliane (née Beare), ci deux enfants, Rodney 9 ans, et Marc 7 ans; sa mère, Mme Narcisse Robidoux et ses trois frères, Numa, Régis et André. Il laisse aussi sept sœurs chagrînées: Lida (Mme Ernest Leboeuf), Doris (Mme Gerard Lavoie), Evelyn (Mme Camille Gamache), Janet (Mme Bruce Oxley), Léona (Mme Albert Deschambault), Carmen (Mme Léonard Deschambault), et Gisèle (Mme Léo Boulanger).

Les citoyens de Huntingdon, spécialement les employés de Clevn & Tinker, sympathisent avec la famille éprouvée.

RADIO Valleyfield LIMITEE

249 RUE VICTORIA VALLEYFIELD

Le Service d'Orientation des Foyers est actif dans le diocèse de Valleyfield depuis 16 ans et plus de 900 couples ont participé à ses rencontres et 25 paroisses ont été touchées.

Le S.O.F. avec sa méthode de grouper une dizaine de couples pour 12 rencontres, sous la conduite d'un couple amateur, répond à de pressants besoins dans la vie conjugale. Les problèmes du couple d'aujourd'hui sont nombreux et complexes et le S.O.F. a choisi des sujets de rencontres tels que: psychologie de l'homme et de la femme, éducation des enfants, rencontre avec le médecin, etc. Ces sujets de rencontre ont été mis sur pied avec la collaboration de centaines d'experts, psychologues, médecins, éducateurs, parents de toutes les classes de la société, etc. et si nous écoutons les témoignages de ceux qui ont suivi ces rencontres, nous sommes convaincus que le S.O.F. a rendu d'immenses services en permettant aux couples de dialoguer et de les sensibiliser aux besoins des autres membres de leur communauté et de toute la société en général. En somme, ils ont retrouvé ou augmenté leur bonheur et leur amour.

Dans le diocèse de Valleyfield, nous avons des responsables dans les principales zones et nous sommes à votre service.

- Pour vous renseigner, voici une liste de ces responsables: Lucienne & François Boulay - 691-1960 - responsables diocésains; Marthe & Emilien Carrière - 373-4152 - Valleyfield; Thérèse & Raymond Deschamps - 373-6404 - Valleyfield; Lise & Jean Guy Sauvé - 453-5112 - Pincoirt; Solange & Jean Paul Lauzon - 373-4078 - Ste-Barbe; Claire & Paul Emile Martel - 453-5033 - Pincoirt; Andréa & Marcel Ménard - 265-3421 - St-Polycarpe; Yolande & Claude Boucher - 692-9131 - Chateauguay; Evelyne & Roger Lamoureux - 691-1926 - Mercier; Rachel & Joseph Reiser - 371-2076 - Valleyfield.

3 1/2 MILLIONS CONSACRES A RECHERCHE SUR LE CANCER

Un montant total de \$3,565,988 sera consacré à la recherche sur le cancer au cours de l'année 1970-71 par l'Institut National du Cancer du Canada. Ces fonds qui proviennent presque entièrement de la souscription annuelle de la Société Canadienne du Cancer, consistent en un montant de \$3,215,373 destiné à subventionner 90 projets de recherche et une somme additionnelle de \$350,675 en bourses d'études.

Le président de la Société Canadienne du Cancer, M. P. M. Draper, de Montréal, a signalé que ce montant représente la somme la plus considérable jamais dépensée en un an pour combattre une seule maladie.

Sept universités et hôpitaux du Québec ainsi qu'une poignée de savants se partageront un montant de \$788,955 réparti comme suit: 683,705 pour subventionner des travaux de recherche en cours dans les laboratoires universitaires ou hospitaliers; et \$105,250 en bourses d'études. Le président de la Division du Québec de la Société Canadienne du Cancer M. Wilfred Rouke, de Québec, s'est dit particulièrement heureux de la somme allouée aux institutions et chercheurs du Québec. Il a notamment signalé que la cotisation nationale du Québec aux fins de la recherche scientifique est de \$450,000 mais que l'Institut réinvestit au Québec près du double de cette somme sous forme de subventions et de bourses d'études.

de recherche afin de connaître la qualité des eaux de nos rivières. Les ingénieurs du service procèdent quotidiennement à des études à ce sujet dans 51 stations hydrométriques permanentes situées le long de différents cours d'eau du Québec et prévoient, pour 1976, étendre le champ de leurs observations à toutes les rivières importantes de la province. Ces travaux sont effectués dans le cadre de la Décennie de la conservation des eaux mis de l'avant par le ministère des Richesses naturelles pour sensibiliser les Québécois à l'importance d'assurer la protection de nos richesses naturelles.

Abbé Jean Baptiste Séguin - 429-3871 - Beauharnois. Aumônier Diocésain. LES BUTS DU S.O.F.: Un organisme d'information, d'éducation, d'animation et de perfectionnement au service du couple, de la famille, de la société et de l'Eglise.

A) - Organisme: Le S.O.F. est un groupement organisé et constitué de couples éveillés à certaines réalités et valeurs inhérentes à la vie conjugale et familiale, et qui veulent selon une méthode et technique propres à partager cet éveil avec d'autres couples.

Information: Procurer et rendre accessible aux couples participants les connaissances relatives à leur état de vie.

Education: Développer à partir des richesses et des ressources propres aux couples participants leur sens de la responsabilité et de la participation.

Animation: Soutenir et motiver chez ces couples participants cette prise de conscience de la responsabilité et de la participation.

Perfectionnement: Amener les couples participants à une progression et un dépassement toujours possibles.

a) Au service du couple: Le S.O.F. veut amener le couple à vivre pleinement son amour conjugal.

en découvrant avec lui les richesses personnelles et individuelles possédées par chacun des conjoints.

en développant avec lui ses possibilités de compréhension mutuelle.

Une excellente occasion pour le couple de continuer, de reprendre ou de commencer le dialogue entre époux.

b) Au service de la famille: Le S.O.F. veut aider chacun des membres de la famille à parvenir à une plus grande maturité.

en découvrant avec le couple ses richesses de père et de mère;

en prenant conscience avec lui de son rôle d'éducateur.

Une chance idéale de faire une halte et de réfléchir sur l'éducation des enfants.

c) Le couple et la famille au service de la société et de l'Eglise.

Le S.O.F. veut faire prendre conscience au couple et à la famille:

qu'ils ne doivent pas se fermer sur eux-mêmes;

qu'ils ont un rôle à jouer dans la société et dans l'Eglise.

Un ressourcement ou un point de départ dans le rayonnement de la famille.

BOURSIERS MEEACHERN

Trois médecins du Québec sont au nombre des cinq médecins canadiens qui ont obtenu une bourse McEachern, d'une valeur de \$8,900, qui leur permettra d'étudier pendant un an, soit aux E.U., soit en Europe.

Les récipiendaires sont: le Dr Y. A. Drolet, de Québec, et les Drs R. C. Lohmann et P. N. Madarnas, de Montréal.

Médecin résident en hématologie à l'Hôpital de l'Enfant Jésus de Québec, le Dr. Drolet qui est âgé de 30 ans, a opté pour l'Institut de recherche sur les maladies du sang de Paris. Ce médecin québécois s'intéresse tout spécialement à la possibilité de procéder à des transplantations de la moelle épinière comme moyen de vaincre la leucémie.

Les bourses McEachern, du nom du premier président de la Société Canadienne du Cancer, le Dr John S. McEachern, sont offertes grâce aux fonds recueillis annuellement par la société.

RON LARSEN DISPUTERA LES REGATES A V-FIELD

Lorsque sera donné, dimanche après-midi, le signal du départ de la finale de la classe 266-360 cc., l'une des épreuves les plus attendues de la 32e édition des Régates Internationales de Valleyfield, Ron Larsen, un vétéran conducteur de 34 ans, domicilié à Long Beach, Californie, devra réaliser que ses chances de l'emporter ne semblent pas aussi bonnes que l'an dernier alors qu'il avait maintenu une vitesse moyenne de 77.253 milles à l'heure sur le circuit d'un mille et 2/3 sur la baie St-François de la Venise en Québec pour devancer facilement le Québécois Marcel Labeerge, de Ste-Foy.

Mais malgré la classe des participants à cette finale pour l'obtention du prestigieux trophée O'Keefe, doté d'une bourse de \$600, l'ancien colonel de l'armée américaine sera à nouveau le favori des quelque 70,000 personnes attendues en fin de semaine à Valleyfield pour répéter. Son Wa Wo Too, d'un jaune à la McLaren, est l'une des embarcations les plus controversées étant donné qu'elles sont trop grosses pour la classe 266 et trop petite pour les 7 litres, construite pour les compétitions européennes.

Néanmoins, Larsen empochait la part du gâteau, l'an dernier, avec cette victoire sur Marcel Labeerge dont le moteur avait pris feu et son triomphe dans le Grand Prix de Valleyfield devant le Miss Ottawa de Frank Kossow, d'Ottawa Illinois. Il pourrait même réussir un triple cette année en y ajoutant un gain dans la course comptant pour le trophée Maple Leaf d'une bourse de \$1,500.

Son opposition viendra surtout des Canadiens dont Marcel Labeerge qui voudra évidemment se venger de l'an dernier et ses récents exploits à Grenville, Pointe-aux-Trembles et Beauharnois ne sont pas pour rien.

Joseph Latendresse, 49, paraîtra en cour de Valleyfield cette semaine en rapport avec les coups de feu d'un fusil de calibre 12, qui laisseront Victor Groleau blessé au menton et son automobile complètement démolie.

D'après la police de Huntingdon, Latendresse aurait complètement vidé son arme sur l'auto de Groleau. Le Sergeant Philippe Cardinal rapporte que Groleau se rendait chez les Latendresse à 12 Lorne pour voir sa femme, dont il est séparé.

Evidemment, Groleau n'était pas le bienvenu, et Latendresse lui dit de s'en aller, ou il tirerait. D'après les rapports de la police, Latendresse tira au travers de la fenêtre de sa maison quand Groleau fit un mouvement pour sortir de son auto. Le coup frappa le véhicule à l'arrière-gauche, creusant un pneu, brisant la fenêtre-arrière, et livrant une quantité de plombs dans le pare-chocs.

L'occupant de l'auto fut frappé au menton, soit par le coup de feu, soit par un morceau de vitre volante. La blessure n'était apparemment pas sérieuse.

Latendresse et Groleau furent arrêtés par la police. Le fusil, ainsi qu'une cartouche, furent confisqués. L'auto a été mise en fourrière.

D'après le sergent Cardinal, c'est une vraie chance que personne ne fut tué ou grièvement blessé. Les plaintes contre Latendresse n'ont pas été rapportées.

Le ministère des Terres et Forêts vient de faire connaître les grandes lignes d'un programme décennal d'inventaire de toutes les forêts du Québec, soit une superficie de plus de 400,000 milles carrés dont quelque 275,000 milles carrés de valeur commerciale.

Par l'entremise du Service de l'inventaire forestier, le ministère entend procéder, au cours des dix prochaines années, à l'évaluation des ressources forestières de toutes les terres publiques non affermées: réserves cantonales, terrains vacants, forêts domaniales, réserves forestières expérimentales et, en collaboration avec les propriétaires, à l'inventaire des forêts privées.

Le ministre des Terres et Forêts vient de faire connaître les grandes lignes d'un programme décennal d'inventaire de toutes les forêts du Québec, soit une superficie de plus de 400,000 milles carrés dont quelque 275,000 milles carrés de valeur commerciale.

Par l'entremise du Service de l'inventaire forestier, le ministère entend procéder, au cours des dix prochaines années, à l'évaluation des ressources forestières de toutes les terres publiques non affermées: réserves cantonales, terrains vacants, forêts domaniales, réserves forestières expérimentales et, en collaboration avec les propriétaires, à l'inventaire des forêts privées.

Rapports des activités du Service Social

Une bonne partie de la population de notre région ignore malheureusement le travail discret mais non moins important qu'accomplit régulièrement le Service Social par l'intermédiaire de son bureau principal situé à Valleyfield et des trois filiales situées respectivement à Beauharnois, Dorion et Huntingdon.

Pour répondre, en partie, à ce manque d'informations, nous vous présentons cette semaine quelques chiffres indicatifs du travail accompli de même que des services rendus pour la période du 1er avril 69 au 31 mars 70.

Le nombre de cas traités en un an est de 1,713 et se répartit comme suit au niveau des secteurs de l'Agence: Service Social Familial: 755; Consultation Matrimoniale: 29; Service Social Personnel: 22; Adultes, Personnes âgées en foyers ou autres institutions de Bien-Être: 166; Service Social auprès des mé-

reconforter le conducteur de Long Beach. La présentation du trophée Maple Leaf est sans aucun doute l'une des raisons pour la venue aux Régates de Valleyfield d'embarcations aussi connues que le Long Gone, le Miss Budweiser et le Canada Maid II.

Selon le directeur des courses, Lawrence Reynolds, plusieurs records tomberont cette année si la température se maintient au beau fixe dont celui du C Racing Hydro pour les trophées John Ward et O'Keefe. Ce sera la première fois dans l'histoire des régates au Canada que les trophées John Ward et Maple Leaf sont mis à l'enjeu la même journée.

La nourse globale de cette 32e édition de ces populaires régates de Valleyfield a été portée à \$10,600 et l'on s'attend à la participation de tout près de 300 conducteurs de hors-bord et de canots-automobiles dans les épreuves dans 15 différentes catégories. Le signal du Grand Prix de Valleyfield sera donné par le premier ministre de la province de Québec, l'Honorable Robert Bourassa, qui est l'invité d'honneur du Club Nautique de Valleyfield cette année.

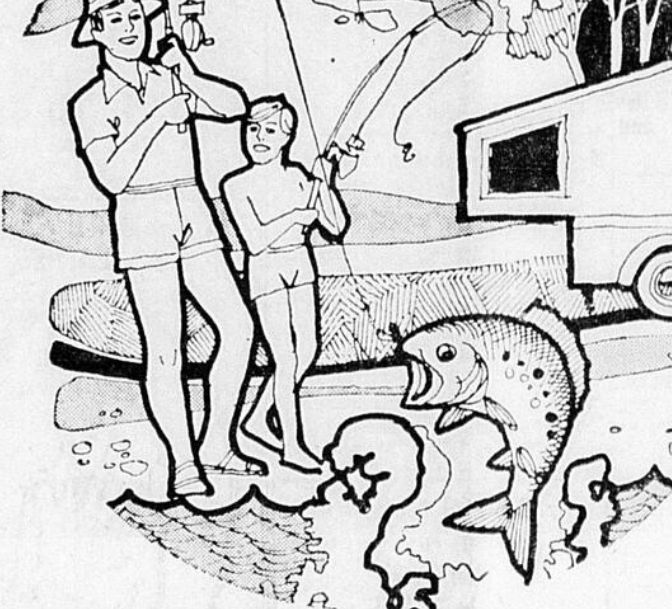

St. Anicet

A St-Anicet, on a d'autres chanceux de la Mini-Loto, ce sont: MM. Eddy Gauthier et Roy Drysdale, qui ont acheté leur billet gagnant de Arme Conrad Pilon, de St-Anicet. Ces gagnants ont accumulé la jolie somme de \$1,500.

Félicitations à chacun d'eux.

INVITATION DU NOUVEL AEROPORT DE MONTREAL

Dans le but de renseigner la population sur l'aménagement du nouvel aéroport international de Montréal, le Bureau d'aménagement s'est présenté à Ste-Scholastique une exposition complète de la nouvelle "Ste-Scholastique 70" ouvrira ses portes au grand public le dimanche 5 juillet et sera en mesure, estime-t-on, d'accueillir au cours de l'été plus de 30,000 visiteurs.

"Ste-Scholastique 70" est présentée au Centre d'information de Ste-Scholastique, 251 rue St-Jacques. Les heures d'ouverture sont les suivantes: du mardi au vendredi inclusivement de 12:30 à 17:30 heures les samedi et dimanche: de 11:00 à 21:00 heures. Il y a relâche tous les lundis.

L'entrée est libre et le visiteur aura le plaisir d'être accueilli par deux charmantes hôtesses.

Pour se rendre à Ste-Scholastique, il faut prendre l'auto, des Laurentides jusqu'à la sortie 14 si on vient de la région métropolitaine et l'autoroute des Laurentides jusqu'à St-Jérôme puis la route 31 vers Lachute si on vient de la région du nord. Des panneaux routiers acheminent les gens vers Ste-Scholastique par la suite.

Départ du Caporal Marcotte

Le responsable de la gendarmerie fédérale pour la région d'Huntingdon, le caporal Marcotte, a quitté son poste d'un autre endroit pour en assumer un autre à Montréal.

M. Marcotte, qui est remplacé par M. Michel Piché, était à Huntingdon depuis trois ans et demi. Durant cette période, il s'est attaché tout particulièrement à combattre le trafic de drogues, les infractions douanières et la fabrication illicite d'alcool.

TRIBUNAL CLEMENT

Harold-William McQueen et Robert Monk, les responsables d'un vol d'automobile perpétré à Vandrevil récemment, ont bénéficié de la clémence du juge Maurice Fortin jeudi en recevant une sentence suspendue.

Ils ont toutefois dû déposer un cautionnement de \$200, chacun en garantie de leur bonne conduite durant 1 an.

REINE-DOLLARD

Les demoiselles qui seraient désireuses de laisser porter leur nom pour l'obtention du titre de reine de la garde Dollard de Valleyfield sont priées de s'inscrire avant le 12 de ce mois.

Elles devront être âgées d'au moins 18 ans et d'au plus 25 ans.

Le couronnement lui-même aura lieu le 12 septembre.

Les numéros de téléphone à signaler pour s'enregistrer sont 373-9171 et 373-1091.

ENQUETE

Une enquête préliminaire aura lieu le 7 juillet dans le cas de Douglas Collins qu'on croit être le responsable d'une infraction commise dans une maison d'habitation avec apparemment intention de commettre un acte criminel.

Collins qui comparaitrait vendredi matin à Valleyfield a nié sa culpabilité.

Rev. W. M. Brown's "farewell" services

On Sunday, June 28th., the Rev. W. M. Brown preached his final services as minister of Georgetown and Riverfield Churches. Both churches were well filled for the occasion, with many visiting friends attending.

Mr. Brown chose his texts from Genesis Chapter 1, verse 1 — "In the beginning — God," and from Revelation, Chapter 1 — "I am Alpha and Omega, the beginning and the ending, saith the Lord," and his concluding doxology — "Unto Him that loved, and washed us from our sins in His own blood, and hath made us kings and priests unto God and His Father: to Him be glory and dominion for ever and ever."

A fine choir led the praise with feeling and power, and sang the lovely anthem — "Surely goodness and mercy shall follow me." The Rev. Mr.

Brown, by request, sang "Sunrise." Mrs. Wallace Logan was at the organ, and the entire service were taped by Mr. Allan Goodall.

A very attractive and pleasing interlude at these services was the singing of the children who sang — "For God so loved the World" and "I have the Joy, Joy, Joy down in my Heart."

In addressing the people the Rev. Mr. Brown stated — "It seems such a short time ago since I was invited to become your minister. I think it is because so much has been going on over the past sixteen and a half years that time was at a discount, and we never seemed to have enough time to do all that we felt needed to be done."

"Perhaps this was a good omen — it revealed an active and busy people — accomplish-

ing a great deal. This was as most generous to Mrs. Brown, should be — following in the steps of a great and wonderful host of people who over the past 150 years have upheld with reverence and dignity the preaching of the Word and the true worship of God in this place.

"It has been an honour and privilege for me, in my time here, to be part with you in this great cavalcade through the years. You have laboured well. You have been faithful and loyal in every department. You have encouraged me in all my endeavours, and I hope we have added something worthwhile to the continuing witness of this church.

"I have been welcomed in your homes; I have come to know and to love your children. You have been very kind and

Sheila, and myself, and I know that, like myself, they feel the same keen sharpness of regret at the necessity of parting from you; but we shall not be far away, and will always be joined in thought and feeling — our fellowship will continue in that deeper fellowship of the Spirit that belongs to the family of God.

You will always be in our prayers — and you have a special corner in our hearts. Remember us, please, sometimes — and always in your prayers.

"The Lord bless you and keep you; The Lord make His face to shine upon you, And be gracious unto you. The Lord lift up His countenance upon you, And give you peace."

200 pack Georgetown Church

Almost 200 people met at Georgetown Presbyterian Church on Tuesday, June 30 to enjoy a final evening of fellowship with a beloved family, the Rev. Wm. M. Brown, his wife, and daughter Sheila, who have been with the congregations of Riverfield and Georgetown for the past 16½ years.

It was a team ministry from the start as the Rev. Mr. Brown and his family gave wholeheartedly of their time and talents to the church and the community.

This gathering included almost every family in the Georgetown congregation, many of the children and a number of special guests. Beautiful flowers decorated the church and the church hall.

The honoured guests were met by Mr. Wallace Elliot, Clerk of Session, Mrs. Elliot and Mrs. James McCaig, Mrs. Elliot presented an orchid corsage to Mrs. Brown, while Mr. Elliot gave Mr. Brown a "boutonnier."

Miss Sheila Brown received a corsage of baby roses from Mrs. McCaig.

They were escorted to the church hall where a bountiful supper was served by the Ladies' Aid, whose president is Miss Laura Robertson. A delicious and colourful salad course had been arranged on the tables before the guests were seated. The waiters served the dessert, punch, tea and coffee.

When everyone had partaken of this delectable meal, Mr. Alister MacArthur M.C. introduced the guests at the head table. Rev. and Mrs. Paul Brown; Rev. and Mrs. Ross McKay; Dr. and Mrs. C. Ritchie Bell; Dr. R. J. Berlis; Rev. and Mrs. Leslie Renault; Mr. John McCallum; Mr. T. Ross Stewart; Rev. and Mrs. A. E. Loree; Mrs. Grace Kerr; Mr. Alexander Brown, (his daughter Eleanor was present also); Mr. and Mrs. Thomas Milne and members of the Session and their wives.

After the introductions everyone moved to the sanctuary. Mr. MacArthur on behalf of himself and the congregation, expressed their gratitude and love to the Rev. Mr. Brown and his family, and extended best wishes for the years to come. He called on the visiting clergy, who with appropriate stories, reminiscences, and messages of faith and goodwill, helped to make this a memorable even-

St. Paul's UCW meeting

A General meeting of St. Paul's U.C.W. was held in Macdougall Hall on June 30. The President, Mrs. Ruby Sproule opened the meeting with prayer and Mrs. Anna Sault conducted the devotional period.

Reports were heard from various committees and from each of the units. Unit 2 reminded the group of their Strawberry tea which would be held on Saturday. A special report on the recent U.C.W. Bazaar at the Ormstown Fair was given by the Bazaar chairman, Mrs. Pat Elliott. All the women

in the church had worked all year toward this bazaar and contributed handwork or baking. Some U.C.W. members worked at the booth each day of the Fair and the grand sum of \$1,056.00 was realized. The President thanked the Bazaar committee for their untiring efforts in organizing this successful project.

Mrs. Sproule gave a very interesting account of the last two executive meetings she had attended in Montreal.

The meeting closed with a delicious lunch of cookies and cold drinks.

Recently Married

WELBURN-COLLINS
The marriage of Lois Margaret Louise, only daughter of Mr. and Mrs. Wallace Collins of Ormstown to Mr. Howard Welburn, youngest son of Mr. and Mrs. John Welburn of Huntingdon took place on June 20 in the Ormstown Presbyterian Church. Rev. Wm. Brown officiated at the double ring ceremony. Mrs. Mervyn Barrington played the wedding music and Rev. Mr. Brown sang The Lord's Prayer during the signing of the register. Standards of white gladioli and white mums decorated the church.

The bride, given in marriage by her father, was attired in a floor length white poul de soie gown with white lace overlay and long lace sleeves. Her dress had been made by Mme Maurice Vallée. Her head dress was held in place by a small crown and she carried a cascade of red sweetheart roses.

Last week Peggy Wood motored to Gravenhurst Ont. with Mr. and Mrs. Carmen Perkins where they spent four days.

Mrs. E. M. Wood spent Thursday, June 25th at the W.I. Convention at Macdonald College.

Mr. and Mrs. Jim Sabraw were Monday guests of Mr. and Mrs. John Koski prior to leaving by plane for a trip to California.

Colors for Children

A children's room is a refuge during the long winter months and should be decorated as such. Use bright colors that reflect the light to cheer up young personalities. Try painting the walls a flat off white and use red, green, blue or yellow on accent pieces. Enamels are recommended for maximum protection against youthful wall artistry.

200 pack Georgetown Church

Almost 200 people met at Georgetown Presbyterian Church on Tuesday, June 30 to enjoy a final evening of fellowship with a beloved family, the Rev. Wm. M. Brown, his wife, and daughter Sheila, who have been with the congregations of Riverfield and Georgetown for the past 16½ years.

It was a team ministry from the start as the Rev. Mr. Brown and his family gave wholeheartedly of their time and talents to the church and the community.

This gathering included almost every family in the Georgetown congregation, many of the children and a number of special guests. Beautiful flowers decorated the church and the church hall.

The honoured guests were met by Mr. Wallace Elliot, Clerk of Session, Mrs. Elliot and Mrs. James McCaig, Mrs. Elliot presented an orchid corsage to Mrs. Brown, while Mr. Elliot gave Mr. Brown a "boutonnier."

Miss Sheila Brown received a corsage of baby roses from Mrs. McCaig.

They were escorted to the church hall where a bountiful supper was served by the Ladies' Aid, whose president is Miss Laura Robertson. A delicious and colourful salad course had been arranged on the tables before the guests were seated. The waiters served the dessert, punch, tea and coffee.

When everyone had partaken of this delectable meal, Mr. Alister MacArthur M.C. introduced the guests at the head table. Rev. and Mrs. Paul Brown; Rev. and Mrs. Ross McKay; Dr. and Mrs. C. Ritchie Bell; Dr. R. J. Berlis; Rev. and Mrs. Leslie Renault; Mr. John McCallum; Mr. T. Ross Stewart; Rev. and Mrs. A. E. Loree; Mrs. Grace Kerr; Mr. Alexander Brown, (his daughter Eleanor was present also); Mr. and Mrs. Thomas Milne and members of the Session and their wives.

After the introductions everyone moved to the sanctuary. Mr. MacArthur on behalf of himself and the congregation, expressed their gratitude and love to the Rev. Mr. Brown and his family, and extended best wishes for the years to come. He called on the visiting clergy, who with appropriate stories, reminiscences, and messages of faith and goodwill, helped to make this a memorable even-

St. Paul's UCW meeting

A General meeting of St. Paul's U.C.W. was held in Macdougall Hall on June 30. The President, Mrs. Ruby Sproule opened the meeting with prayer and Mrs. Anna Sault conducted the devotional period.

Reports were heard from various committees and from each of the units. Unit 2 reminded the group of their Strawberry tea which would be held on Saturday. A special report on the recent U.C.W. Bazaar at the Ormstown Fair was given by the Bazaar chairman, Mrs. Pat Elliott. All the women

in the church had worked all year toward this bazaar and contributed handwork or baking. Some U.C.W. members worked at the booth each day of the Fair and the grand sum of \$1,056.00 was realized. The President thanked the Bazaar committee for their untiring efforts in organizing this successful project.

Mrs. Sproule gave a very interesting account of the last two executive meetings she had attended in Montreal.

The meeting closed with a delicious lunch of cookies and cold drinks.
