JAPANESE LAND ON SIBERIAN COAST.

May Mean Naval Expedition Up Amur River to Strike Russian Communications at Harbin.

St. Petersburg, July 27.—(3.10 a.m.)—Despatches from Manchuria report the landing of a Japanese battalion on the coast of the Amur River, a post formerly called Alexandrovsk, seven hundred miles north of Vladivostok, after a preliminary shelling by torpedo-boat destroyers.

Military officials here attach importance to the episode only in connection with the Sakhalin campaign, and say that as the landing was effected at a place where the Straits of Tartary are narrowest, apparently it is part of the strategy of the Japanese to prevent the escape of the Russian garrison in Sakhalin, across the Straits. They add that the landing is too far north to have bearing on the main campaign or on operations against Vladivostok.

SIGNIFICANT, SAYS LONDON. London, July 27.—The Japanese landing at Dekastroy, which is the terminus of the only cable line connecting the mainland with the Island of Sakhalin, is regarded by the London morning newspapers as an attempt to seize the mouth of the Amur River, in order to enable the Japanese to dispatch an army up that great waterway to threaten the Russian communications. Japanese gunboats and torpedo-boats could thus reach Harbin and give effective assistance to any attack on the Russian fortifications. Both the Ussuri and Sungari rivers are navigable for vessels of light draft and, thus, the Japanese could advance inland in three different directions for a considerable distance. If, as is supposed, Japan has a river expedition in readiness, the threat of its advance may suffice to change the plans of the Russians and compel the retirement from the Kirin and Fengwa districts upon Harbin.

ATTACK RUSSIAN POSITION. London, Thursday, July 27.—A de-

spatch to the Telegraph from Osaka says it is reported that a Japanese army numbering many thousands is now vigorously attacking the Russian positions on the Tumen River. The New-Chwang correspondent of the Telegraph says that the Japanese troops at the front are in high spirits. All the Japanese civilians, except the canteen attendants, have been sent to the rear. General Teaschum has arrived at New Chwang. He will leave for the north shortly. General Mischenko's cavalry continually menace the Japanese left flank. There was serious fighting on July 21st, twenty miles north of Fakum.

JAPANESE ON SAKHALIN ISLAND. Tokyo, July 27.—(Special)—It is announced at army headquarters that the Japanese army on Sakhalin Island on the morning of July 21st, without meeting heavy resistance from the Russians, commenced landing in the neighborhood of Akkora, eight miles north of Alexandrovsk, and that Alexandrovsk was seized Tuesday.

CAMPAIN IN NORTHERN KOREA. Tokyo, July 27.—(Special)—Local military authorities discussing the situation in Northern Korea, predict that the Russians will vigorously defend Kyong-Chung to the south of the Tumen River. The town is regarded as most important, from a strategic standpoint, as it controls Possiet Bay. Kyong-Chung is, also, regarded as the outer line of the defenses of Vladivostok.

CONTINUE TO ADVANCE. Kuanchangsu, Manchuria, July 27.—(Special)—According to report from Korea the Japanese continue advancing along a forty-mile front. Their vanguard is now about eighty miles from the mouth of the Tumen river. The Koreans estimate the strength of the Japanese at about forty thousand men and their main force is concentrated at Kenhin.

The senior Russian peace plenipotentiary and his party are spending the night at the Hotel Casino, whence an extensive despatch in cipher was forwarded to St. Petersburg.

IN THE BRITISH COMMONS. Redmond Continues Programme Of Obstruction.

OWING TO PROTESTS, HOWEVER, HE MAY WITHDRAW OPPOSITION TO PRIVATE BILLS.

London, July 27.—John Redmond, the Nationalist leader, and his followers, continued their obstructionist tactics of blocking private bills in the House of Commons yesterday, but, according to the Morning Post, as the result of remonstrances which have reached them from all parts of the country, representing the injustice which such tactics inflict on a large body of workmen, have decided to withdraw all further opposition to such bills.

WEATHER PROBABILITIES. Forecast for the next 24 hours, issued by the Meteorological Bureau: Moderate westerly winds; fine and moderately warm.

M. WITTE SAILS FOR AMERICA. Cherbourg, July 27.—(Special)—The steamer Kaiser Wilhelm der Grosse, with M. Witte and his party on board, sailed for New York from here today at 1:30 p.m.

KAISER AN EVIL GENIUS.

Russian Business Circles So Regard Him.

NOT PLEASED WITH MEETING OF CZAR AND GERMAN EMPEROR. St. Petersburg, July 27.—Widespread dissatisfaction with the meeting of the Emperors pervades the business community of Russia. Without claiming to understand the full purpose of the meeting, business men point out that whenever the Kaiser becomes closely concerned in Russian affairs it has shaken the economic stability of the country. This uncertainty is intensified now at a time when the economic situation is already desperate. The consensus of opinion in the business community is that the Kaiser's advice, if accepted, will intensify militarism and governmental bureaucracy at the expense of the productive elements of society.

THE WINNIPEG CONVENTION.

Favors Government Control Of Long Distance Telephones.

STRONG RESOLUTION REGARDING LEVEL CROSSING PROTECTION.

Winnipeg, July 27.—Resolutions were adopted at yesterday's session of the convention of Canadian municipalities to the effect that the Federal Government should take over the control of long distance telephones, and that Parliament and provincial legislatures should restore to municipalities the complete control of their streets and highways.

LEVEL CROSSINGS. A clause of the resolution reads as follows: "Whereas, the City of St. Henri, of Montreal, has been asking the Railway Commission in Ottawa, to force the Grand Trunk Railway to place gates at level crossings, where many lives are daily endangered, and whereas, the Railway Commission has all ways answered that the Grand Trunk Railway has a charter which grants them the right to dispense with these gates; whereas, such a condition of things in crowded cities ought not to be any longer permitted; whereas, these conditions apply not only to St. Henri, but to a considerable number of other cities, towns and other places, this union now assembled in convention respectfully protest against the same and calls upon the Government of Canada to introduce such measures as will at once remedy it, and also calls upon the press of all municipalities generally to join in a campaign towards attaining this end."

THE STATUE TO JACQUES CARTIER. CITIZENS OF ST. MALO PAY HOMAGE TO THE DISCOVERER. A festival has just closed at St. Malo, France, in connection with the unveiling of a statue erected to the memory of Jacques Cartier. Several prominent French-Canadians took part in the ceremony, among others, Hon. Adolphe Turgeon, the representative of the Quebec Government, who delivered an address on Monday, and Hon. J. D. Rolland, of Montreal, who also took the platform.

Delegates from several important cities, as well as members of the French Academy, joined the citizens of St. Malo in the celebration. The festivities began on Sunday, with a memorial mass. The unveiling of the statue, which stands near the seashore, took place in the afternoon.

Among those who addressed the large gathering was Hon. Rodolphe Lemieux, solicitor-general of Canada, who was sent to represent the Dominion Government. Music and the recitation of French-Canadian poems, by Theodore Botrel, the Breton bard, followed the speeches.

On Monday those taking part in the celebration went to the house of Jacques Cartier, at Parame, and attended the unveiling of a memorial tablet.

The statue of the famous navigator has been erected by subscriptions taken up in Canada by Theodore Botrel, when he visited this country a few years ago.

U. S. SENATOR MITCHELL SENTENCED. Portland, Ore., July 27.—United States Senator Mitchell, convicted of using his office of United States senator to further the law practice of the firm of Mitchell & Tanner, of this city, was today sentenced to pay a fine of \$1,000 and to six months penal servitude. Pending a review of the case by the Supreme Court of the United States, execution of the sentence will be deferred and Mr. Mitchell will be placed under bail.

CAN'T GO ARMED TO MASSACHUSETTS.

Request Of Canadian Regiment Declined.

SUGGESTED THAT ARMS BE SHIPPED THROUGH STATE AHEAD OF REGIMENT. Boston, Mass., July 27.—Adjutant General Stopford, after a conference with the governor, and after receiving an opinion from the Attorney-General, has written a letter to Lieut.-Colonel Rogers, commanding the forty-third regiment, Duke of Cornwall's Own Rifles, Ottawa, declining his request that the command be permitted to enter this State under arms next month. The letter from Lt.-Col. Rogers asks for the honor of the regiment under his command, to be permitted to enter the State of Massachusetts under arms Saturday, August 5th.

Adjutant-General Stopford points out in his letter of reply, that the only way to secure permission would be by a special act of the legislature, as was the case when the Ancient and Honorable Artillery Company, of London, visited here, but the Legislature, not being in session, it would be impossible to have any measures taken at this time. He regrets the circumstances existing, and suggests the regiment forward its arms to Providence, Rhode Island, where it is to pass the day, and march through the State of Massachusetts in uniform, under just the same conditions that would otherwise prevail, with the exception that the organization would be unarmed.

WEDDING RING HUSBAND'S PROPERTY.

INTERESTING JUDGMENT DELIVERED IN THE DIVISION COURT AT TORONTO.

Toronto, Ont., July 27.—John Milfar sued his mother-in-law, Mrs. Mary Murray, in the division court yesterday for possession of his deceased wife's engagement and wedding rings. Mrs. Murray swore that her daughter gave the rings to her during her last illness. Judge Morson decided that as an engagement ring is a gift it is a wife's property to give as she chooses, but a wedding ring is the property of her husband, being used in the wedding ceremony as a symbol and therefore a wife cannot give it away.

HEAVY SENTENCE FOR PRIZE FIGHTERS.

MEN SENT DOWN FOR THREE MONTHS AT MONTREAL.

Montreal, July 27.—Judge Choquette yesterday sentenced Jimmy Brooks, formerly of Brooklyn, and Jack Walsh, of Montreal, to three months in gaol for prize fighting in a handball alley, in the heart of the city. They were principals and the judge had no option. An appeal will be taken and judgment in the cases of the three others for aiding and abetting was withheld until the appeal is decided.

HOPE SOON TO RECOVER REMAINS OF LAKE AYLMER VICTIMS.

The watch on and around Lake Aylmer has been increased, as it is expected that the bodies may come to the surface today or tomorrow and be carried ashore.

The families of the deceased are worn out with anxiety. Their vigil has been a continuous one since a week ago yesterday afternoon. The suspense in regard to the recovery of the bodies, intensifies the flow of bereavement.

Mr. Jos. Lapointe, who has worked on Lake Aylmer during the past forty years, and who has participated in the search, states that in all his experience he has never known of a case where the body of a victim of drowning in Lake Aylmer has not come to the surface sooner or later. During the long period that he has been "driving" logs through this lake there have been many drowning accidents and the longest time that they ever had to wait for the recovery of the body was fourteen days, and that was in the spring of the year when the water was cold. As a rule the water in Lake Aylmer is very warm during the summer, and unless they have gone down to a great depth, he believes they will be found within the next day or so.

The general impression is that the remains of the victims were carried in the direction of the Stratford side of the lake, as the wind blew strong in that direction for some time after the accident.

DEATH OF W. P. RICHARDS. Mr. William P. Richards, a well-known farmer, residing on the Montreal Road, died yesterday morning after an illness extending over some weeks. He was in his 65th year, and leaves a widow and one daughter, who resides at East Angus.

The funeral will take place on Friday afternoon at two o'clock.

THE BRITISH CHANNEL FLEET.

Will Spend Two Months In Baltic Sea.

AN OBJECT LESSON FOR THE CZAR AND KAISER. London, July 27.—(Special).—The British Channel fleet sails for the Baltic Sea August 2nd and will remain there through September.

As it has been years since a British fleet appeared in that sea the announcement is connected in the public mind with Emperor William's recent tour and the visit of a German squadron to Scandinavian waters.

BY SHERBROOKE GATEWAY.

Young Man Secures Re-Admission To States.

HAD SPENT A YEAR ROAMING THE SEAS—TURNED BACK AS AN ALIEN.

Alexander Gervais has returned to his home in Lowell, Mass., after a year's absence, during which he made five voyages across the Atlantic. The young man shipped upon an American liner to Liverpool, and when some time after he returned the immigration authorities at Boston sent him back to England on the pretext that he was an alien.

After two other fruitless attempts to set foot in America, Gervais procured employment on a vessel going to Egypt.

There he bethought himself of writing to Mr. J. H. Guillet, a lawyer of Lowell, and followed his instructions, profiting by the fact that he was born in Canada, to claim from the British consul transportation to America.

He was sent to St. John, N.B., and from there took passage for Sherbrooke, where he has friends.

Mr. Gervais has returned to his old occupation in Lowell, and given up the sea.

THE THRONE OF NORWAY

May Have Been Subject Of Czar And Kaiser's Talk.

THE LATTER DESIRES IT FOR ONE OF THE HOHENZOLLERNS.

London, July 27.—The correspondent of the Daily Mail at Stockholm says: The object of Emperor William's interview with Emperor Nicholas was to obtain the consent of the latter for a prince of the House of Hohenzollern to ascend the throne of Norway.

It is possible that the Russian Emperor will consent, provided Russia be permitted to slightly rectify her frontier on the Atlantic.

The Daily Mail suggests that "the rectified frontier" means that Russia wants to acquire the strip of Norwegian territory which parts Finland from the Arctic Ocean, thus gaining a seaport.

A GERMAN DENIAL. Berlin, July 27.—(Special).—The German Foreign Office denies utterly the report published by the correspondence of a London paper at Stockholm to the effect that Emperor William in his recent interview with the Russian Emperor sought to obtain the consent of the latter for a prince of the house of Hohenzollern to ascend the throne of Norway.

EAST SHERBROOKE HAS A CASE.

SMALLPOX VICTIM DISCOVERED THERE AND REMOVED TO CIVIC HOSPITAL.

The East Ward now has a case of smallpox. Last evening the health authorities were notified that a son of F. N. Rousseau, shoemaker, Bridge Street, East Sherbrooke, was down with the disease. The victim is but nine years of age, and was removed to the Civic Hospital. The other members of the family were taken to the hospital, where their clothing was disinfected, and in the interval the house was fumigated.

KILLED BY CIRCULAR SAW.

Frightful Accident at Richmond, Vt.

BENJAMIN MARTIN DIES FROM TERRIBLE INJURIES RECEIVED.

Richmond, Vt., July 27.—(Special).—Mr. Benjamin Martin, aged about 45 years, fell on a rapidly revolving circular saw in Comings & Co.'s mill, Saturday, nearly cutting him in two. The saw entered his left thigh and side to his lungs, making a frightful wound, also cutting off the kneecap of his right knee. The best medical aid was quickly on hand, but the poor sufferer died Sunday afternoon. The sad accident has cast a gloom over his many friends here, also in Sutton, where Mr. Martin was well known.

JUDGESHIP FOR HON. J. C. McCORKILL.

RUMOR PERSISTS IN THIS PROVIDING FOR THE PROVINCIAL TREASURER.

The rumor is persistent in well-informed circles that Hon. J. C. McCorkill, Provincial Treasurer, will succeed Mr. Justice Andrews on the Superior Court Bench, the latter having decided to retire shortly. Mr. Cannon, the present assistant attorney, will, also, according to this report, be given a judgeship in the Three Rivers district.

DAILY NEWS SPECIALS FROM ALL PARTS OF THE EASTERN TOWNSHIPS.

SUCCESSFUL CONCERT AT WATERVILLE.

Waterville, July 27.—(Special).—The Town Hall held a very enthusiastic audience Tuesday night, on the occasion of Miss Annie McGovern's piano recital, and the young lady acquitted herself so well that her entire performance deserves the highest praise. Miss McGovern's playing was most satisfactory, combining an accurate and reliable technique with genuine emotional expression.

She was assisted by Miss Verna Peterson, pianist, Miss Marion Davidson, reader, and Mr. Albert Blier, vocalist. Miss Peterson shared equally with Miss McGovern the honors of the duet with which the concert commenced. Miss Davidson pleased her audience immensely, and Mr. Blier's beautiful voice and rare musical intelligence were displayed to advantage in several songs which were loudly applauded. Mr. Philip King was the accompanist.

HOLMURST GOLF CLUB. Waterville, July 27.—(Special).—On the evening of Tuesday, July 18, the Holmurst Golf Club gave a surprise banquet in honor of Mr. Carl Swanson, who has recently won recognition to his social laurels by designing and erecting, on a picturesque eminence, a neat and admirably adapted club house for the Holmurst links. About forty of the members sat down to a sumptuous and dining feast in the newly provided apartments which were nicely decorated with flags and Chinese lanterns. Noticeable on the drape-ry back of the guest of honor were the letters "C. S." wrought in flowers.

On his left sat, as chairman, the mayor, Mr. F. G. Gale, and on his right the president of the club, Mr. Herman Swanson. Speeches soon became the order of the evening, the first of them dealing with the object of the occasion, to which Mr. C. Swanson, with characteristic diffidence, made a neat and appreciative reply. The speakers in addition to the chairman and president were the Rev. G. Cruik and R. C. Tamm, and Messrs. J. Thomas, W. Edwards, S. Hackett and D. Johnson. As regards what was said, it must suffice to say that it was just one continuous outpouring of merit all along the line. After supper the company adjourned to the verandah and enjoyed to a late hour, hand music, fireworks, and a moon and lightning sky of ever varying grandeur.

CELEBRATE 25TH ANNIVERSARY.

Liddytown, July 27.—(Special).—

MR. BORDEN WILL RESIDE IN OTTAWA.

Purchases Land and Will Erect Residence.

MR. JOHN FRASER IS APPOINTED AUDITOR-GENERAL AT SALARY OF \$10,000.

Ottawa, July 27.—Mr. R. L. Borden has taken a definite step towards establishing his habitat in the capital. He has just purchased from Mr. D'Arcy MacMahon a fine residential site on Laurier avenue east, near the corner of Marlboro avenue and overlooking Strathcona Park. The price paid for the land was \$3,250. It is stated to be Mr. Borden's intention to erect a handsome residence upon the property. His acceptance of the leadership of the Conservative party imposes the necessity of Mr. Borden's presence for a considerable period of the year, and it has made desirable the establishment of his home in this city.

MR. FRASER APPOINTED. Mr. John Fraser, of the Department of Finance, has been notified of his appointment by order-in-council to succeed Mr. John McLaughlin, C.M.G., as auditor-general of Canada. Mr. Fraser who is 52 years of age, entered the civil service in May, 1875, and seven years ago was promoted to the position of chief clerk and Dominion book-keeper, his salary being \$2,450. As auditor-general Mr. Fraser's salary will be \$10,000. The new auditor is a brother of Mr. A. W. Fraser, K.C., one of the leading Liberals of Ottawa. He will take over his new duties on August 1, the date on which Mr. McLaughlin's resignation takes effect.

MR. J. E. PRICE, OF I.C.R., VERY SERIOUSLY ILL.

Moncton, N.B., July 27.—Mr. J. E. Price, chief superintendent of the Intercolonial, lies critically ill at his residence here. His friends entertain little hope of his recovery, and indeed last night and today he suffered intensely. Several doctors have been in attendance, including a specialist from Halifax, but the verdict is not encouraging. He is suffering from diabetes, with a complication of jaundice. He has been a hard worker, and is one of the most efficient railway men in the Maritime Provinces.

SEVERELY BITTEN BY DOG.

Cowansville, July 27.—(Special).—Mr. Emile Loiselle unfortunately received a very bad bite from a dog at Granby some days ago. The dog's teeth went clear through the palm of his right hand and the ugly wound has caused Mr. Loiselle to suffer night and day since it was inflicted.

A GOOD YEAR FOR THE DAIRY INDUSTRY.

Cowansville, July 27.—(Special).—Mr. Harry Wilson has compiled a comparison of the difference between the sales of last Saturday on our dairy board and the sales of the corresponding week in 1904.

The lowest price paid last Saturday was 5 1/2 pence larger for butter and 2 1/2 pence larger for cheese than it was fifteen weeks previous, and notwithstanding the farmers, patronizing this Board 87,000 more this year than last on that one week's output.

Needless to point out, this is due to concerted effort on the part of dairy-men willing to combine for the good of the whole class and is accomplished in spite of the apathy of large creameries within a few miles of here, who are willing to sell "according to Cowansville prices," while refusing to aid the Board in establishing these prices.

It is furthermore evident that this gain of 87,000 is over and above all expenses as it cost as much to manufacture in 1904 as in 1905.

ADVERTISEMENT. A GOOD COMPLEXION.

What the Famous "Beauty Doctors"
Say To Do.

What woman does not crave a good complexion? And what woman, whose clear, soft, delicately hued skin is the envy of all her friends, does not regard it as her dearest possession? It is very easy to have faultless skin—but it takes time, regular bathing, washing often in tepid water, regular hours for sleep and meals, will assist materially. Blood poisoning from constipation is the great cause of a bad complexion. There is only one thing which will effectively cure constipation, and that is fruit. Ripe fruit purifies the blood by acting on the skin, kidneys and liver. It causes the bowels to move, cures constipation and beautifies the complexion. An Ottawa physician has discovered a method of combining and concentrating the juices of oranges, apples, prunes and figs, and forcing in an additional atom of bitter from the orange peels—which thus makes a stronger fruit. It makes a new fruit with the fruit action intensified. The laxative fruit extract is combined with tonics and then condensed into tablets and sold under the name of "Fruit-a-tives" or "Fruit Liver Tablets." These little tablets are pleasant to take, have the mild fruit action, and will cure Constipation, Headaches, Liver and Kidney Diseases and all blood impurities. Get the genuine "Fruit-a-tives." Nothing else is "just as good," because "Fruit-a-tives" are the only tablets made of pure fruit juices. For sale at all Druggists, 50c. a box, 6 boxes for \$2.50 or sent on receipt of price by Fruit-a-tives Limited, Ottawa.

D. G. LOOMIS & SONS,

WEST SHEFFORD.

July 27.—There passed away to his well earned rest and reward on Thursday, July 13th, at his home in West Shefford, Mr. Edward Roberts (Riverdale) in the sixty-eighth year of his life.

In the death of Mr. Roberts the community loses one of its finest men in every sense of the term. Born and brought up in the county, his life has been spent as it were in and around West Shefford.

In speaking of Mr. Roberts' life, words fail to adequately describe the true nobility and sterling quality of his character. He was very quiet, and unostentatious in his manner, but withal his every word and action was governed by the very highest principles of life. Though a hard working and capable farmer he was never approached in vain for sympathy, advice or assistance for any good work.

Such a life that Mr. Roberts lived could truly be said to be a life worthy of imitation for he, feared and loved God, honored his fellow man and by thus living endeavored and that successfully to be a blessing to all he came in contact with.

The very large attendance at his funeral in West Shefford on Saturday, July 15th, testified to the high esteem in which he and his family are held.
