She for the Troubadour  
    Hopelessly wept;  
Sadly she thought of him  
    When others slept;  
Singing In search of thee  
    Would I might roam!  
Troubadour Troubadour!  
    Come to thy home?  
    Singing &c.

Hark! 'twas the Troubadour  
    Breathing her name;  
Under the battlements  
    Softly he came,  
Singing From Palestine  
    Hither I come,  
Ladye Love Ladye Love  
    Welcome me home?  
    Singing &c.
