## BUSINESS MEN WILL MEET ON TUESDAY NIGHT

Session Open to All Members to Take Place in Victoria Hall at 8.15 O'Clock

Open to all members, a meeting of the Business Association of Westmount will be held in Victoria Hall on Tuesday evening commencing at 8.15 o'clock. It was announced yesterday by the president, N. Eric Ohman.

The session was originally scheduled to take place on Monday but was postponed a day.

Mr. Ohman said that in all probability there would be a prominent guest speaker and urged that as many members as possible attend. Many matters of particular importance to local business men are expected to come up for discussion.

It is also probable that further discussion will take place on the next meeting open to the public which the association intends to sponsor early in the spring.

Also on the tentative agenda is discussion of plans on ways in which the association, through its membership, can help in the sale of Victory Bonds.

The executive committee of the business body has been holding frequent meetings and reports on general activities will be given.

## POSTER DISPLAY OPENED AT 'Y' BY WAR GUEST

Eleven-Year-Old Scottish Boy Launches Victory Loan Poster Exhibition

The Victory Loan-British war poster exhibition was officially opened at the Westmount Branch of the Y.M.C.A. by a young British guest of Canada, Ian Cullen of Scotland, on Saturday night. He also thanked his hosts in Canada for sending men, munitions, guns and planes to his homeland to help defend the British Isles against invasion.

Bruce Hildebrand, a Westmount boy and hockey teammate of the war guest, also spoke.

"As a guest of your country during the war, I have much to thank you for," the 11-year-old Scottish boy declared. "As a British boy whose home is in the British Isles, I also can thank you for the help you are sending in men, munitions, guns and planes to my people at home. In Canada I have found nothing but friendship — at school, at this Westmount Y.M.C.A. and in your homes. Tonight a little bit of the British Isles has come to Montreal in the form of these British War Loan posters. I am sure that you in Canada will be as interested in them as I am in your new Victory Loan posters here tonight for the first time. And I know the people of Canada, like the people of Great Britain, will want to help win the war by buying shares in victory."

Speaking for Canadian boys Bruce Hildebrand declared: "I want to repeat the welcome that has been extended many times to our British guests. I can assure you that we are all keenly interested in the posters from his country and that we will be stirred by them to do all we can to help the sale of our own Victory bonds. The people of our two countries will not fail to buy the bonds that will help buy the munitions for our armies, navies and air forces."

Altogether more than 50 war loan posters make up the display opened in the Y.M.C.A. branch and extending throughout all the public rooms. About 35 are from Britain, brought to Canada by a Ferry Command pilot, another ten are from the current Canadian Victory Loan campaign and eight more are souvenirs from the last war—Victory Loan posters used in the 1918 campaign.

Posters now on display in the branch will remain during the Victory Loan campaign which opens on February 16.

## Annual Meeting Of Red Cross On Monday

The annual meeting of the Westmount Branch of the Red Cross, will be held on Monday, February 16, at 8.45 p.m., in the Assembly Hall of the Westmount Intermediate School (the old High School), corner Melville Avenue and Academy Road.

Jackson Dodds, Chairman of the National Council of the Red Cross, will address the meeting.

All Westmount members of the Red Cross are invited.

## MOBILE POLICE FORCE IS LED BY K. A. WILSON

Westmount Company of C.P.C. Auxiliary Now in Course of Organization

Important changes in the command of the C.P.C. Auxiliary Mobile Police Force have been announced by Col. D. R. McCuaig, provincial commandant of the Force.

Major Walter Miller, O.B.E., D.S.M. (U.S.) takes over the command of No. 1 Group (The Sir Arthur Currie Group) of the Montreal Mobile Force. Vice-President of Irish and Moulson Limited, Major Miller served in the first world war with the 6th Battalion from its formation in 1917 until the Battalion was broken up. He was then attached to Lord Northcliffe's staff in the United States and later became Liaison Officer for the Military Attaché Offices, British Embassy, Washington, D.C.

K. A. Wilson, appointed in command of the Westmount Company of the Mobile Police Force, now in the course of organization, is a partner of the Hon. Arthur Mathewson, K.C., Provincial Treasurer. He served overseas with the 7th C.G.A. (McGill Battery) for three and a half years, and became an officer in the Sherbrooke Regiment on his return from active service.

W. E. Dunton, appointed Assistant Deputy Provincial Commandant of the Mobile Force, is now responsible for the organization and training of the Groups and Detachments of the Mobile Force outside Montreal. Head of the accounting firm of Dunton and Frewin Company, Mr. Dunton went overseas with the 1st University Company in the last war, which reinforced the Princess Patricia Light Infantry, with whom he served as officer. He is a well known curler and has been prominently identified with the Protestant School Board.

W. J. Lucas who takes over the command of the Montreal Headquarters Group, enlisted in the last war with the 18th Battalion in 1914. Prior to his appointment to the Headquarters Group, he has been serving as Intelligence Officer on the H.Q. staff of the Mobile Force and has taken an active interest in it since it commenced operations.

## HAROLD SMITH GIVEN 'Y' POST

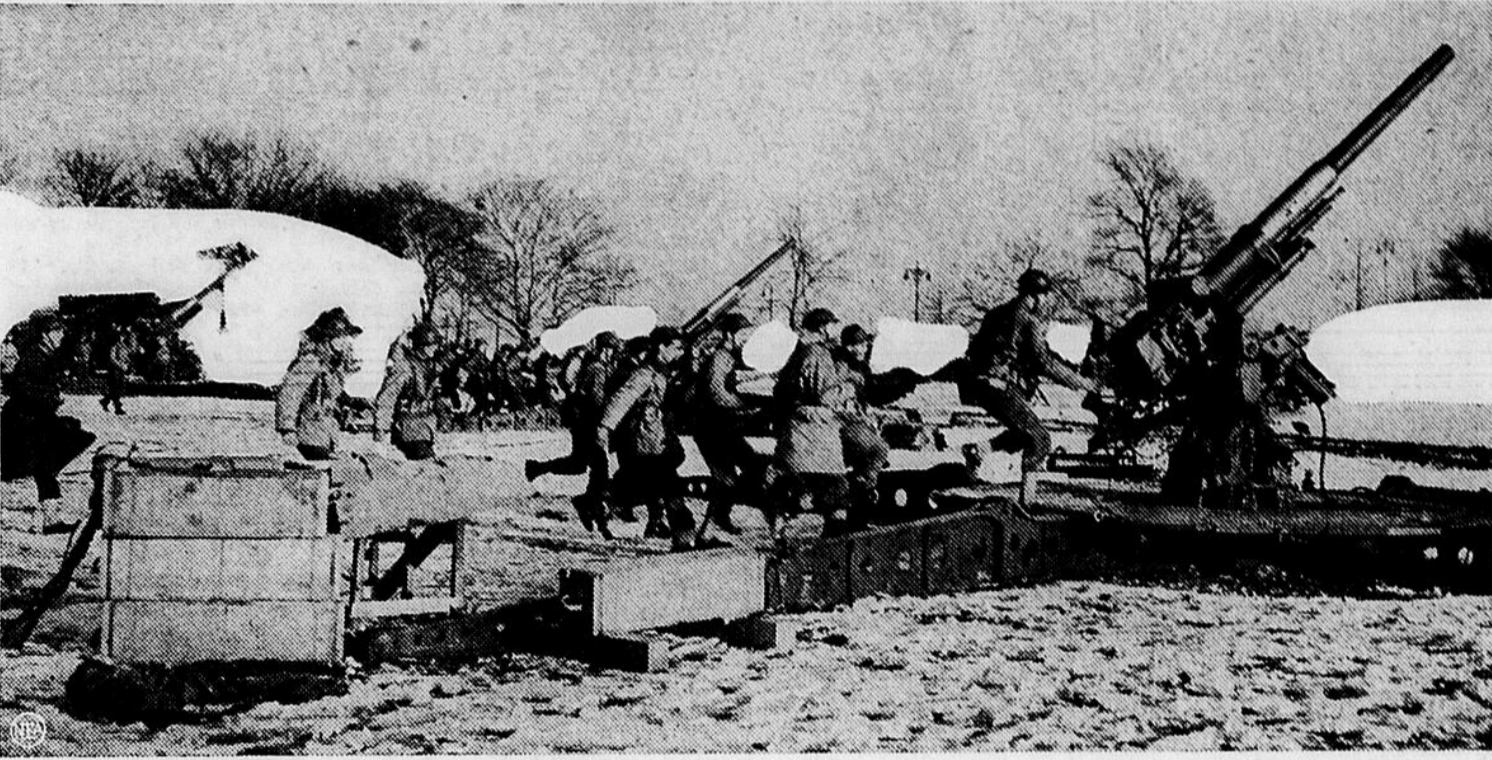

Word has been received locally that Harold M. Smith, a former member of Westmount Baptist Church and well known here, has been appointed for overseas service with the Y.M.C.A. and will be leaving shortly to take up his new duties. He was formerly on the Montreal Y.M.C.A. staff.

While on the staff of the Mount Royal Avenue and Central 'Y' branches in Montreal, for several years, Mr. Smith was a member of the Montreal Kiwanis Club. He is a former director of the Y.M.C.A.'s Camp Orosko.

After having been in charge of Y.M.C.A. War Services at Valcartier Camp from their inception early in 1940, Mr. Smith has spent the past three months in similar work at Petawawa Military Camp.

**KARNAK LADIES**  
 Karnak Ladies' Social Club will have as guest speaker J. Lovell Baker at the Masonic Temple, Sherbrooke street, on Tuesday at 3 p.m. Tea will be served.

## EASTERN SEABOARD READY FOR AIR RAIDERS

On the East Coast—Anti-aircraft gun units, in this theatre under an anti-aircraft artillery command, are ready for Axis air raiders—when and if they come. Here the crews of three guns of one of the anti-aircraft units run to their stations in a practice "alert," as they would if there were hostile aircraft overhead. Army censor passed this picture, and whited out possible identifying objects in background.

## Home And School Group To Vote On Bill Change

For the purpose of voting on a Greater Montreal Federation of Home and School Associations sub-committee report which expresses preference for the Montreal Island Bill as it was in its original draft, members of the Roslyn Home and School Association will meet on Wednesday. It was learned this week.

The original draft gave to the new Central Board the power to hire and fire teachers, whereas the revised legislation gives this right to the 15 local boards.

The decision to hold a special meeting of the Roslyn School group to take a vote to ascertain which form of the bill is preferred, was made after the executive committee of the association heard a report on the sub-committee's findings from Mrs. F. G. Ferrabee, its representative on the investigating body. Dr. Frank G. Pedley is chairman of the Federation's sub-committee which has completed its examination of the legislation.

Mrs. Ferrabee told the Roslyn executive that Dr. Pedley's committee had decided that the revised version of the Montreal Island Board Bill was not acceptable. It was learned. This new

legislation, which came into the spotlight only comparatively recently, was designed as a form of compromise with local school boards which have hitherto expressed open opposition to certain phases of the original bill.

Leslie Buzzell to Speak

Before any vote is taken at the special meeting on the sub-committee report, Leslie N. Buzzell, member of the Protest Committee of the Council of Education will explain to members of the Roslyn association the system of administration as it now exists, and as it compared with the proposed system under the new Central Board. It is expected that he will also deal with the legislation itself in all of its aspects.

Dr. Pedley, it is believed, may attend the meeting. In view of the fact that the work and decisions of his committee will be the chief subject of discussion, David L. Lockerby, president of the Roslyn Home and School Association, will be in the chair and G. H. Penrose, principal of Polyln School, will be present. The meeting, it is expected, will be one of the "warmest" held during the year.

## CHRISTIAN SCIENCE TOPIC OF SPEAKER

Various aspects of Christian Science were discussed by Florence Middaugh, S.S., of Los Angeles, Calif., during a lecture delivered under the auspices of First Church of Christ Scientist at a meeting in Victoria Hall last week. Miss Middaugh is a member of the Board of Lectureship of the Mother Church, the First Church of Christ Scientist, in Boston, Mass.

"Mankind," she said, "is faced with problems today that only an understanding of God can solve. The need for spiritual growth, instead of material development, is evident in the educational systems of training, as well as in everyday living. Christian Science declares that 'the time for thinkers has come,' and explains that it is spiritual thinking, the unfolding of right ideas, and not human reasoning, that the world so greatly needs today.

"That God is the only creator," she went on, "is one of the fundamentals of this teaching. The healing of diseases, as a lost element of Christianity, was restored in the discovery of Christian Science, and its students have proved and are proving that the healing and presence of God is just as ever-operative today as in Jesus' time.

"An ever infallible, perfect Principle, God governs man and the universe in undeviating harmony, and mankind may rely upon this Principle to solve all of their problems, with as much certainty as they depend upon the rules of mathematics in whatever they attempt to construct or calculate in the human experience," she concluded.

## PARENTS TO MEET

A meeting of the Parents' Association of the Church of the Ascension, will be held at 8.30 p.m., on Wednesday, February 18, at St. Leo's School Hall, 360 Clarke Avenue.

## Autos Are Damaged In Collision Here

Fenders and mudguards on the machines were damaged when an automobile driven by Paul Beauchamp, of 736 Notre Dame street West, and one driven by Leslie S. Russell, of 865 Sixth avenue, Verdun, collided at the intersection of Cote St. Antoine road and Claremont avenue, at 8.45 p.m. on Saturday.

At the time of the mishap the car driven by Beauchamp was proceeding from east to west on Cote St. Antoine, while that driven by Russell, was going north on Claremont. Both drivers stepped immediately after the accident.

## FINAL TRIBUTE PAID TO LATE JAMES SPENCE

Funeral Service Held for Resident Well Known Here and in Maritime Provinces

The funeral service for James Branker Spence, a resident of Westmount, was held on Saturday afternoon in the chapel of William Wray followed by interment in Mount Royal cemetery. Mr. Spence, a member of the staff of the Sales and Service department of the Gazette, died at the Western Division of the Montreal General Hospital on Friday. He was well known here and in the Maritime Provinces.

The late Mr. Spence was born in Montreal on August 24, 1893, son of Frank and Marion Spence, and received his education at Westmount Academy. During the last war, he enlisted in the Canadian armed forces and served overseas with the 97th Battery, R.C.A.

Joining the staff of The Gazette a few years after his return to Canada, he became known as a quiet and efficient worker and gathered a host of friends whom he retained throughout his lifetime. He was a member of Trinity Memorial Church and of the Canadian Club.

## CITY CONDUCTS SPECIAL DRIVE FOR RECORDS

Salvage Committee Makes Appeal for Old Gramophone Discs for War Salvage

An special appeal for old gramophone records is being made this week by the Westmount Salvage Campaign committee, and the co-operation of residents is again sought in making the collection as large as possible.

However, while the collection of gramophone records is being particularly stressed, citizens are reminded that garment hangers, typewriter ribbon spools, razor blade cartridges, etc. are of great value for conversion into the production of vitally needed war weapons.

It was also announced by local officials of the drive that a Women's Division of the National Salvage Campaign is being formed in Westmount. The committee will organize salvage teams in apartment houses throughout the city and captains will be appointed.

Duty of the teams will be to seek the co-operation of tenants in placing their salvage at a specified place in the building on a certain day each week in order to save time in its collection. Persons seeking further information should phone FI. 1697 or FI. 1815.

Phone number of local Salvage headquarters is FI. 8531.

## CLUB ARRANGES FOR EXHIBITION

The Westmount Stamp Club held another successful gathering last Thursday evening, when over thirty members attended the meeting. President Pickering conducted the "Members Auction," which was the feature of the evening.

Efforts to secure a speaker for this evening's meeting have proved unsuccessful so that an informal discussion will be held instead.

The Exhibition Committee is making preliminary arrangements for the Annual Exhibition which will be held this year on April 9, 10 and 11 in Victoria Hall. Last year's exhibit was a huge success and all indications point to another along the same lines. The collection taken in aid of the Red Cross which was in vogue last year will be repeated this year.

Tonight's meeting will get underway at 8.15 p.m. in the Oak Room of the Victoria Hall.

## JEWISH RED CROSS

Mrs. Edward Solomon, president of the Shaar Hashomayim Women's Auxiliary Society, urges all members to assist in the work of the Jewish Branch of the Red Cross, which is in need of more workers, particularly on Wednesdays and Thursdays. Headquarters are at the King's Hall Building, 1231 St. Catherine St. W.

## VICTORY LOAN COMMITTEE IS CONFIDENT OF SUCCESS OF WESTMOUNT CAMPAIGN

Officials Believe Number of Subscribers Will Be Double That of First War Loan Drive — Many Enquiries Made

Everything is now in readiness for the opening of the Victory Loan Campaign here and officials of the Westmount committee are already confident that the number of subscribers will be double that of the first war loan drive. C. E. McKenna, unit organizer for Westmount, stated yesterday.

Even though the campaign does not get underway officially until Monday a large number of persons have made enquiries regarding purchase of the bonds at committee headquarters, Mr. McKenna said.

It was also pointed out that February 22 has been designated throughout the country as Victory Loan Sunday when it is expected that messages will be delivered from every pulpit asking citizens to support the campaign.

Voluntary workers on the drive locally, apart from committee chairman who have previously been listed, include Archibald Bentley, Miss E. L. Peebles, Arthur Bracewell, Mrs. W. Hamilton and Miss L. Demers.

## CHINA IS HELD IMPORTANT TO PEACE IN ASIA

George D. Wong Addresses Luncheon Meeting of Westmount Rotary Club

Japan has struck at the other nations and Western possessions in desperation because it fully realizes the futility of its subjugating China, George D. Wong, a former student of philosophy in China and now a law student at McGill University, told members of the Westmount Rotary Club at their regular weekly luncheon meeting in Victoria Hall yesterday.

The speaker urged that every assistance be given his native land in its fight against the Japanese. China should be looked upon as a major factor in the preservation of peace in Asia, he said. China is the sentinel of democracy in Asia, it had fought Japan to a standstill.

Further proof of China's determination to fight to the end on the side of democracy was the fact that it was now at war against the whole Axis, the speaker averred.

While the Chinese as a people were tolerant and lovers of peace, the surprise attack upon Peking by Japan had resulted in them having a new outlook upon militarization, Mr. Wong continued. While his countrymen had formerly had little respect for members of armed forces a soldier is now held in honor and high esteem. This change of feeling has brought about a war effort so strong that they had been able to check the Japanese.

Japan is faced with inevitable defeat, but an Allied victory may be greatly delayed as a result of inadequate preparations against Japanese attack by other powers.

## PASTOR WILL SPEAK ON WORDS OF STALIN

Rev. F. W. Kerr will preach Sunday evening in St. Andrew's Church on the words of Joseph Stalin, proposing a toast to President Wilson. The words were: "And may God bless him in his great task." The sermon will deal with the whole question of religion in Russia, as well as the Bolshevik philosophy of life, and the principles underlying the Revolution. But more especially will Dr. Kerr point out the radical and rapid changes that are taking place in those principles, not only because of the pressure of events, but also because of their association with nations adhering to the Christian ideal.

## CARS DAMAGED IN COLLISION

Both vehicles were damaged when an automobile driven by Abraham Mendelsohn, of 3796 Vendome avenue, and one operated by Dr. Paul Frigon, of 5520 Monkland avenue, collided at the corner of Cedar and Clark avenues at 6.29 p.m. on Saturday.

According to information obtained by police, the car driven by Mendelsohn was turning right from Clarke to go east on Cedar, while the other machine was going south on Cedar at the time of the accident. Fenders and mudguards on the machines were badly dented.

WESTMOUNT, THURSDAY, FEBRUARY 12, 1942

**DOING HITLER'S WORK**

Quite the most penetrating comment on the tactics of certain types of critics of the Government has come from Mr. Hughes Cleaver, Liberal Member for Dalton. His words will make many people pause and consider the sort of propaganda that is being spread under the guise of legitimate criticism.

Mr. Cleaver did not accuse these critics of being enemy agents. He simply remarked that if he were working for the Nazis in Canada, he would agitate for conscription in order to injure voluntary enlistment, charge the Government with extravagance at a time when a war loan was imminent, and seek to undermine confidence in national leaders by charging them with being complacent and dictatorial, with interfering with private business and ruling by order-in-council.

After all, there can be little quarrel with his words. They outlined a very effective plan of campaign for enemy agents doing their best to sabotage our war effort. In fact, what more could one of them do, short of poisoning soldiers' rations and placing bombs under munitions factories?

**NO MORE TOLLS!**

Thousands of local motorists will welcome the announcement that tolls on Quebec bridges are to be abolished commencing April 1. During the summer months travel to the Laurentians is especially heavy, and the tolls and delay at the bridges on the far side of Ile Jesu have been a constant source of irritation to

residents of this district. From the wider point of view, much more will be won by the Province when large scale touring returns than will be lost through the abolition of the tolls. There was a time when toll bridges needed to be defended. It was felt then that the burden of paying for such bridges should rest on those who used them. But with the advent of the great tourist influx, all that was changed. Tourists came to look upon these bridges less as public services than as public investments and, feeling they were being mulcted, they showed a disposition to go to those places that offered an open road.

**WE CAN'T RATION TANKS**

You cannot ration a tank, if you want to win the war. Nor can you ration a battleship, a machine gun, a piece of artillery or a soldier's rifle.

A silly statement? Not at all!

Every citizen who buys fewer Victory Bonds than his resources permit is actually rationing his share of the amount of ammunition which tanks, guns and planes may hurl at Germans, Italians and Japs.

Many fine, old-fashioned desserts are ruined by some misguided idiot's adding a maraschino cherry, or a marshmallow, or a topping meringue to what was perfect.

Women hide the price of a "permanent" in the cost of a roast beef dinner just as effectively as a salesman slips a new hat into his expense account.

Finishing a good book is like leaving a good friend.

We never appreciated the value of our editorials until a literary friend offered to write some for us at \$1 a line.

Here lies the body of Michael Shae; he died maintaining his right of way.

A great New York detective agency that specializes in tracing missing persons has been employed by more than 70,000 wives to find their missing husbands, but only by 15 husbands to find their wives.

**LAST RESPECTS ARE PAID LATE JACOB KELLERT**

**Honorary Treasurer of Congregation Shaar Hashomayim Was Noted in Jewish Community**

The funeral service for Jacob Kellert, for 25 years and until the time of his death honorary treasurer of Congregation Shaar Hashomayim, was held from his late residence, 3980 Cote des Neiges road, on Friday afternoon.

Interment followed in Shaar Hashomayim Cemetery. Mr. Kellert was largely instrumental in bringing about construction of the fine synagogue building on Cote St. Antoine road. He died last Thursday in the Ross Pavilion of the Royal Victoria Hospital following a prolonged illness.

With the passing of Mr. Kellert, the Jewish Community lost one of its leading citizens. Born in Lancaster, Ont., in 1872, the family ten years later settled in Montreal where he has resided ever since; he was a member of the firm of H. Kellert and Sons. He retired from business in 1932.

He was very active in communal work, and every humanitarian cause found in him a ready supporter. He was a substantial contributor to many charitable and religious institutions; to the war effort, to foreign Jewish relief, and to the cause of Zionism. In many of these institutions he held office.

**The Examiner's Hidden Titles Contest**

The Westmount Examiner's Hidden Titles Contest is run with the kind co-operation of Mr. Godel, manager of the Westmount Theatre. Each week twelve passes are given to the six lucky winners who comply with the following requirements:—

Simply find the two "ads." in the current issue of The Westmount Examiner in which the names of the two feature pictures being shown at the Westmount Theatre during the first half of next week are hidden. Submit all answers to The Contest Editor, The Westmount Examiner, 2191 Hampton Avenue, using the special coupon provided in each issue for the purpose.

Contestants must be over 16 years of age. Residents of Westmount only are eligible. All answers must be in this office not later than Wednesday, and the names of the winners will be published in Thursday's issue.

A convenient coupon will be found elsewhere in the paper.

The winners are drawn from among those who submit the correct answers, as, unfortunately, it would be impossible to give passes to every one submitting the right answers.

The winners of last week's contest are as follows and their passes will be received in Monday's mail:

Mrs. C. R. Wilson, 423 Lansdowne Ave.; Miss Doris Good, 119 Lewis Ave.; Jean Leduc, 4496 St. Catherine West; Mrs. H. M. Jockel, 4560 St. Catherine West, Apt. 6; Jean Swales, 4328 St. Catherine West; Walter Kennedy, 138 Abbott Ave.

Conducted by HOWARD S. ROSS, K.C., D.C.L.

**In Which Subjects of General Interest Are Discussed**

The opinions expressed in this Forum are not necessarily those of this newspaper and it does not accept responsibility for them.

"The Armstrong Whitworth Band (The Baisley Brass Band) went to Crystal Palace to compete. The members were registering and the person in front of them signed James Clark, L.L.D. The clerk was asked what L.L.D. meant and he said it was a mark of distinction. A north of England man then signed his own name—Jimmy Sidebottom, B.B.B.B.B. The clerk asked what the letters meant. That means Jimmy Sidebottom, the Best B--dy Bugler in Baisley Brass Band!"—From Never A Dull Moment by Harry and Kathleen Strange—Macmillan.

Britain's trade figures for the year 1940 show that total exports from the British Isles were \$1,652,000,000—only \$16,000,000 below the total for 1938, the last year of peace. Imports showed an increase.

In accepting the presidency of The Co-operative League of the U.S.A. to which he was unanimously elected by the board of directors, Murray D. I know of no movement in America that offers more hope to a distressed and bewildered world than the consumer co-operative movement."

Sir Gerald Campbell (Director of British Information Services at New York) said recently in an address in New York that a new order which Adolf Hitler could not conceive is being born in Great Britain, out of common danger and common suffering. He said the flame of common effort has burned away the barriers of class and caste which so complicated the pattern of British social life, and have left a people united as never before. He expressly stated this does not mean socialism or the adoption of Marxist doctrines—but rather the establishment of the principle that a British citizen hereafter will be entitled to a standard of nutrition as well as of freedom, to good housing as well as the habeas corpus, to the right to work as well as the right to vote.

In 1924 John Buchan in his book "The Three Hostages" made one of his characters say: "The next war will be a dashed unpleasant affair. So far as I can see there will be very few soldiers killed, but an enormous number of civilians. The safest place will be the front. There will be such a rush to get into the army that we will have to have conscription to make people remain in civil life."

What is the use of talking about democracy unless each one of us is willing to give up some of our leisure in an effort to make Democracy work? "The time has come," an eminent educator points out, "when we must not only be willing to fight for Democracy, but to be bothered by it every day."

**Increase In Telephones Shown In Annual Report**

The 62nd annual report of The Bell Telephone Company of Canada, for the year ending December 31, 1941, shows net income of \$7,392,907 after depreciation, interest, income taxes, etc., equal to \$8.82 per share of average outstanding capital stock. This compares with \$6,690,542 or \$8.20 per share in 1940 and \$6,509,448 or \$8.09 per share in 1939.

After payment of dividends, \$680,914 was added to earned surplus in 1941 against \$165,882 in 1940 and \$69,110 in 1939.

Operating revenues were \$30,710,575 in 1941, against \$45,774,753 in 1940 and \$42,670,866 in 1939, and marked the highest total in the company's history. Net operating revenues were \$18,967,832 as compared with \$15,424,352 in 1940 and \$13,724,988 reported for 1939.

Among balance sheet changes, fixed assets at \$220,755,163— including land, buildings, plant and equipment—compare with \$210,995,315 in 1940 and \$205,456,313 in 1939.

Gross revenue from all sources amounted to \$51,478,040 in 1941, an increase of \$4,969,428 or 10.7 per cent. over 1940, and the highest in the company's history. Revenue from local service totaled \$35,265,795, an increase of 7.7 per cent. over 1940; long distance revenue was \$13,553,302, an increase of 19.3 per cent.; miscellaneous revenues and other income aggregated \$2,658,943, an increase of 10.1 per cent.

**EXPENSES AND TAXES RISE**

Operation and maintenance expenses were \$1,555,418 higher, or 7.1 per cent. over the 1940 figure. Approximately half of this increase was for the salaries and wages of necessary additions to the staff. Part of the remainder represented cost-of-living bonus payments, begun during the latter part of the year in conformity with the Dominion Government's wartime wage policy.

Taxes, including provision for Provincial Corporation taxes, amounted to \$8,091,000 in 1941, an increase of \$2,260,000 or 28 per cent. over the previous year. In 1940 taxes totalled \$5,465,000 and in 1939 they were \$3,112,000. Taxes for 1941 were over two and two-thirds times those for the year prior to the outbreak of war.

In addition, taxes levied by various governments totalling \$1,778,000 were collected directly from telephone users.

**TELEPHONES AT NEW PEAK**

At the end of the year, there were 888,348 Bell telephones in service in Ontario and Quebec, of which 308,845 were business and 579,503 residence instruments. The number of telephones in service—both business and residence—is the highest in the history of the company. The year's net gain was 83,651 as compared with 39,242 in 1940 and 20,600 in 1939. This is the largest gain for any year in the company's 62 years of operation, the previous record having been established in 1925 when the net gain was 52,473.

As the 888 other telephone systems in Ontario and Quebec, with which the Bell Company provides exchange service, now serve 156,916 telephones, the number of telephones in the two provinces exceeds one million.

"The continued enlargement of Canada's war effort, with the consequent expansion of industrial operations and employment, greatly increased the demand for both local and long distance telephone service in our territory," the report states. This unprecedented demand is strikingly reflected in the comparative income statement and balance sheet for 1941 and 1940.

**TEMPLE GROUP TO ENTERTAIN MEN OF FORCES**

**Event Will be Held in Co-operation With War Work Committee of Jewish Congress**

On Wednesday evening, February 25, in the Temple Community House, the Young People's Society will be hosts to the men in uniform stationed in camps within the vicinity of Montreal. This project is in co-operation with the War Efforts Committee of the Canadian Jewish Congress.

The candidates for Confirmation and their parents, will be hosts to the Congregation of Temple Emanuel at an Oneg Shabbat this Friday evening, after the Sabbath Services, in the Community House. The Kiddish will be pronounced by Herschel Garfinkle and the blessing of the Sabbath Lights by Ann Walker. A Sabbath Sing-Song will be part of the program.

Under the leadership of Mrs. H. J. Stern, the Child Study and Parent Education group will meet at the home of Mrs. Asher Gerstman, 4885 Queen Mary Road on Tuesday, February 17, at 2:30 p.m. A paper will be presented by Mrs. Norman N. Genser.

On Sunday afternoon, March 1st, the High School Department, the Junior and Intermediate Departments, will hold a joint Purim celebration in the Temple Community House with a three-fold program. Prizes will be awarded for costumes depicting Biblical, Historical and most original in nature. The Carnival with have booths where games of a festive nature will be played as well as Purim goodies. The dramatic performance of the Purim Operetta will be given by representatives of the various departments of the school. The entire school faculty is in charge of arrangements in co-operation with class representatives.

Regular classes this Monday evening are as follows: 8:15-9:30, Hebrew and Public Speaking Classes, 9:30-10:15, Dr. Stern in his class in Biblical Literature will deal with the theme, "The Message of the Prophets of our Time."

**Medford-Drabble**  
The marriage of Edith Ellen Ann, youngest daughter of Mr. and Mrs. Clifford D. Drabble, to Mr. Milton Austin Medford, youngest son of Mr. and Mrs. Deuzil A. Medford, took place on Saturday in St. Cyril's Church, the Rev. Victor D. Warner officiating. During the signing of the register, Mrs. Foster sang, "Because," and "For You Alone," and the church was decorated with daffodils and lilies.

Given away by her father, the bride wore a Moynaux gold crepe dress with brown hat and accessories, and a corsage of Talisman roses. Mrs. George McCallum, sister of the bride was her only attendant, wearing a suit of beige gabardine with black hat and accessories, her bouquet being of cyclamen.

A. B. Kenneth Medford, R.C.N. V.B., was best man for his brother.

Following the ceremony a reception was held at the Queen's Hotel, and later the bridal couple left to spend their honeymoon in the Laurentians, the bride traveling in a bottle green ensemble with mink trimming and brown accessories. Upon their return they will reside in Montreal.

Out-of-town guests included Mr. and Mrs. George Verner, of Toronto, and Mr. and Mrs. George Coleman, of Chicago.

## WINTER WHITE HEADED FOR SPRING

White, the season's spectacular winter color, stays right in the middle of the fashion forecasts for spring-summer 1942, and here's Charles Cooper's interpretation of it. With white faille frack, simply contrived, goes a casual sports jacket of rough white, muted-black and red plaid, and these same fabrics make the soft-crowned, big-rimmed hat.

## Housewives Urged To Organize Homes For Salvage Work

The Women's Sub-Division of National Salvage, with headquarters at the Community War Work Centre, 1845 St. Catherine Street West, has room for many more workers in the field, according to Mrs. L. Austin Wright, chairman of the Sub-Committee. "There are still houses that need to be organized for salvage," says Mrs. Wright, "and our aim is to have every apartment house, city block and home organized round central local depots from which the salvage can be collected on the regular pick-up day. The work is neighborly, easy, and takes very little time. Every housewife should be interested in this service to the country, and those who are willing to give a little of their time to it can receive our simple plan of instruction by telephoning FI. 1815 or FI. 1607."

## MILITARY WHIST

Additional subscribers to the military whist which will be held by the Earl of Bessborough Chapter I.O.D.E., on Wednesday in Kensington Church hall, include the following: Mrs. J. Neville, Mrs. W. ## WAR WORK ORGANIZED BY CATHOLIC WOMEN IN THIS DISTRICT

The Catholic Women of Westmount have their organized war work functioning systematically and have established groups for various activities. For the period of organization the officers are as follows:

Chairman, Mrs. A. A. Pare; joint-chairman, Mrs. J. O. Marchand; secretary, Mrs. J. McNally; treasurer, Mrs. M. Milloy; Red Cross work, Mrs. J. T. Rogers, Mrs. E. O. Ryan, Mrs. C. Rowlands; group sewing, Mrs. E. Kennedy, Mrs. J. Laplante; wool distribution, Mrs. J. Colford, Mrs. E. McCrory; V-Bundles, Mrs. C. Desaulles.

At the recent general meeting Mrs. A. A. Pare asked for donations of clothing, old or new, for Bundles for Britain. Mrs. Asselin asked for similar contributions for prisoners of war.

Workers are meeting at Victoria Hall, third floor, every Monday from 10 a.m. to 6 p.m., and each week day, except Saturday, from 10 a.m. to 1 p.m.

## Women's Association

The Women's Association of Stanley Presbyterian Church will hold a tea on Thursday, February 19, at 3 o'clock, instead of on February 18 as previously announced. Capt. the Rev. T. W. Jones will give an illustrated lecture on "The Heart and the Outposts of the Empire." Mrs. W. T. Shields will be the soloist. There will also be a sale of home-cooking.

Just one lump, thanks.

## EVERYTHING CONSIDERED

BY GERALDINE BRIETZCKE

When someone hands you a box of luscious looking chocolates and says, "Have one," you usually do. You rarely stop to examine the whirls and squiggles lying in delicious bas-relief on top of the candy, because you consider it mere decoration. But it's more than that — it's a code written in chocolate.

It is surprising how much we miss through haste and through taking things for granted. We were talking to someone who knows all there is to know about candy making, and she opened our eyes. She told us that each and every candy centre, whether caramel or cream, has its own special sign scrawled across the top — that "decoration" we never thought twice about — so there's no guesswork about the contents of a candy. A straight line means one sort of filling; a curl, a cross, and rough dipping indicate still more types. Naturally, it is absolutely necessary for salespeople as well as factory workers to know what is inside the candies at a glance.

According to our friend, the colored bonbons are dipped by fork, and it takes a long time to learn how to do this properly. The cream is kept in a steam-heated pot, and the centres are dipped into the hot cream and then taken up with a rounded fork, with which the marking is made on the surface of the candy. It is a difficult job, because the candies must have the proper shape and each one must be flawless in every way.

Dipping chocolates by hand also requires patience and experience, our friend says, because there's so much that can go wrong in the process. The coating must not be too hot, too cold, too thick or too thin, and the markings must be perfect. One thing she didn't tell us — are the factory workers allowed to eat the imperfect candies?

Butch is a bull terrier, English, and hard as nails. His hobby is riding, or rather, coming with us when we ride. This week-end we told him he mustn't run after the horses, because he would get overtired in the deep snow. Butch wagged his uncomprom-

ising tail and turned his sturdy neck at a stubborn angle, and followed us to the stable. We realised what he thought he was going to do, and told him solemnly, "No, Butch, no!" Butch suddenly realised that it was all up, and as we advanced to catch him, he crouched in to snow as though he were being sucked into a quicksand, his eyes rolling in dismay. Collared and thrust into the barn, he was left behind; we mounted and went off down the road without him.

We rode through the blizzard and enjoyed most of it very much. When we came back to lunch two hours later, Butch was on hand. He wasn't riotously glad to see us, however. He was a little apathetic and tired. Stubborn as his bull-baiting ancestors, he had apparently bided his time, slipped out and gone to look for us, without success, through all the deep snow and blizzard. His hard white head and shrewd little eyes must have looked funny as he swam through the drifts, but there's no denying his true British pluck!

### Illustrated Lecture

An illustrated lecture, "Round the World Under the British Flag," will be given by Capt. Rev. T. W. Jones, M.A., D.D., Westmount Baptist Church, Thursday, Feb. 19, at 8 p.m. under the auspices of the Women's Association.

## JEWISH COUNCIL TO FEATURE TABLEAU BY MRS. VINEBERG

The Montreal Section of the National Council of Jewish Women will hold its February meeting in the form of a dessert luncheon on Wednesday, at the Shaar Hashomayim Synagogue, Kensington street entrance, when Mrs. Sydney Levitt, recently re-elected president of the local council for the second term, will be in the chair.

The feature of the meeting will be a tableau, written exclusively for the National Council of Jewish Women by Mrs. Solomon Vineberg, a prominent member of the local branch for many years and formerly the Montreal chairman of press and publications. The tableau will be accompanied by a reader, Mrs. Lyon Stream, and the music has been arranged by Mrs. M. N. Fineberg.

The presentation will be under the direction of Mrs. S. J. Leibovitz, and the role of the Council Woman will be taken by Mrs. Peter Solomon. Others taking part and assisting in the production are: Mrs. Sydney Levitt, Mrs. I. S. Isaacs, Mrs. H. Robinson, Mrs. Philip Fram, Mrs. H. Hart, Mrs. Rose Medine, Mrs. B. Rubin, Mrs. B. Robinson, Mrs. Jack Victor, Mrs. G. T. Kenny, Mrs. B. A. Garson, Mrs. Maxwell Cummings, Mrs. J. Goodson, Mrs. Leon Levin and Mrs. Felix Alexander.

Mrs. Louis J. Notkin is in charge of publicity. The meeting is open to members and friends of the Montreal Section of the National Council of Jewish Women.

## Wear Feminine Hats With Mannish Suits

New York. — The greatest effort to keep the fashion picture sprightly is being made by the milliners. "Be sensible when you get a suit," they say, "but keep your morale high with a flattering feminine hat."

Wherever they can, with good taste, they put a flower. They drape ribbons in enchanting shades — lovely flower tints rather than pale pastels — around the crowns. They shoot quills out at daring angles.

## WOMEN OF DISTRICT URGED TO ATTEND MEETING TONIGHT

All women of this district are not only invited, but urged to attend the mass meeting to be held this evening at 8.15 in the Montreal High School, University Street, according to a recent statement by Mrs. J. Leslie Hodges, chairman of the English-speaking women's regional committee of the Wartime Prices and Trade Board. The meeting is completely open to the Public, Mrs. Hodges stressed.

"It is expected that hundreds of interested women will attend the meeting, coming not only from this city but from neighboring cities and towns in this part of the province," said Mrs. Hodges. "Representatives have been invited from all nationally organized women's groups and clubs of the region."

Mrs. Hodges added that the Rangers of the Montreal Division of Girl Guides will act as ushers this evening, and that the nursing sisters of the St. John Ambulance Association will also be present. Mayor Adhemar Raynault will

## Apricots Are Rich In Vitamin Content

New York. — One of the simplest and most economical ways of getting good vitamin and mineral count in your daily "three squares" is to step up the serving of fruits. Several fruits can be included in one meal.

Apricots are springing into popularity. Their gay color and delightful flavor make them blend nicely with other fruits or they may be served alone — fresh stewed or canned. They contain a goodly amount of vitamin A as well as iron which is required for healthy blood.

## Salvation Army To Mark 57th Anniversary Here

Fifty seven years ago the Salvation Army commenced its ministry in Montreal, meetings being held in a building on Alexander Street and later the No. 1 Corps was transferred to the present Citadel on University at Cathcart St. Special anniversary services are being held this week-end with Lieut.-Col. Edwin Clayton, of New York, being the leader. This distinguished visitor is a former officer of the Citadel, being stationed here over 30 years ago.

Lt.-Col. E. Clayton is principal of the Salvation Army's Eastern Training College for Officers, N.Y. City, and also divisional commander of the Army's sixteen community center in Greater New York. Born in Hull, England, he is the son of a Methodist minister and came to Canada as a young lad, entering the Toronto Training College in 1909. His first appointment was the opening of the Rensselaer corps during a scarlet fever epidemic when for days and nights he was called upon to minister to the bodies of men as well as their souls.

speaking engagement in Montreal when he will deliver a special message, "The Challenge of the Cross" at the United Holiness Meeting in the Citadel. Saturday night he will preside over an anniversary musicale by the musical section of the corps, with a social period afterwards in the lower hall, when old and new friends will be able to meet. Sunday the colonel will be the speaker at three great meetings, 11 a.m., 3 p.m. and 7.30 p.m.

## The Spirit of The Pioneer Mother Flames Anew Today

THINK BACK to the old days — when Canada was young.

Think of the high courage, the indomitable will of those pioneer women. Within the stockade or in the open field, they toiled — yes, fought — by the side of their men for the safeguarding of everything they held dear.

In the hearts of the women of Canada, this old spirit flames anew today! Gone are the heavy muskets, the log barricades — but the love of freedom, the stubborn resolve to win through at all costs — these things remain unchanged, unchangeable!

Grimly quenching their tears, mothers say "God bless you" to their fighting sons — everywhere young women are serving where duty calls — the women of Canada are bound together in one common cause.

In thousands of Canadian homes, women are revising their family budgets, planning new economies, making extra sacrifices — so that more and more money will be available for the purchase of Victory Bonds.

They know — these women of Canada — that every dollar loaned now means more tanks — more guns — more planes — more ships — more of everything which is needed to smash Hitlerism and bring Peace to all the family hearths of the world.

PUZZLED

HOLLYWOOD, February 11—Hollywood's most pretentious tribute to Canadian flyers, "Captains of the Clouds," opens simultaneously this week in London, Melbourne, Cairo and Ottawa.

Because "Captains of the Clouds" shows Canada's great air scheme functioning on a war-time basis, the picture should attract a majority of the Dominion's entertainment-seekers.

Childhood and adolescence in Canada must leave their mark on one, for, wherever I go, people here seem to sense my Canadian background.

Of course, they have me stumped. Many of my former school pals at Westmount High are in the RCAF, or other arms of the fighting forces.

I know these boys. Pat Christie used to tear around corners on a hepped-up motorcycle during recess periods at high school.

In a nutshell, I admit I'm baffled—and then attempt to switch the conversation along other tracks.

Of course, deep down under, I do have an idea of what it's all about. It's that old Canadian pastime of pitting race against race, language against language—and bowing low to Old Man Politics.

There's no denying that—but America conscripted manpower and wealth in months before she went to war, and Canada has not done it yet.

You see, despite anything you may have heard to the contrary, most Americans see in Canada a glamor and dash they cannot discern in their own country.

But the headlines set them a-thinking. They can't quite grasp the situation. It seems unbelievable that a land at war should permit its political leaders to quibble and rant and fume while the youth of the country is rarin' to go, rarin' to beat the tar out of the Huns and Wops and Japs.

GARBO AND DOUGLAS ATTRACTION AT YORK

Metro-Goldwyn-Mayer was wise in offering Greta Garbo another comedy role to follow up her success in "Ninotchka," for in the new comedy-romance, "Two-Faced Woman," in which she again appears with Melvyn Douglas as the York United screen, the star proves once and for all that she can hold her own with the greatest of comedienne.

Correct, again. But America rid herself of officials responsible for the Pacific disaster, and the draft was never a dangerous political issue in Washington.

MONKLAND SHOWS CATCHY FILMUSICAL

It was a trip to Havana the audience at the Monkland Theatre had last night, and they enjoyed every minute of it. The first showing of 20th Century-Fox's new Technicolor musical, "Week-End in Havana," had all the thrills, excitement and romance of an actual visit to the pleasure city of the Caribbean.

The clever story has Alice, a salesgirl, on a vacation cruise to Havana. When her ship is grounded on a reef, she insists on her vacation—with all the luxury and romance she had dreamed of for years.

"Skylark" Is Film Comedy With Lengthy Pedigree

One of the season's most romantic comedies, Paramount's "Skylark," now playing at the Westmount United Theatre, is a picture with a pedigree.

The first "Skylark" appeared as a serial in the Saturday Evening Post under the title, "The Streamlined Heart," in 1939. Then Samson Raphaelson, the author of the original story, turned it into a three-act play, "Skylark," which starred the famous stage comedienne, Gertrude Lawrence.

Next in line came a full length novel, the immediate forerunner of the current movie hit which stars Claudette Colbert, Ray Milland and Brian Aherne.

# Sports Parade Will Aid Victory Loan Drive

## AMBITIOUS PROGRAM PLANNED FOR EVENT TO TAKE PLACE AT THE FORUM ON FEB. 24TH

Making an all-out effort to lend a hand in the Second Victory Loan drive, leaders of the sports activities in Montreal, Notre Dame de Grace, Westmount, Verdun and Lachine, have an ambitious program lined up for the Forum on the night of Tuesday, February 24. A full length bill-of-fare of sports is planned on what has been labeled Sports Victory Parade, a very apt label.

Leading off the program will be a skating production which has long been in rehearsal by the Winter Club of Montreal. This will be followed by a brief hockey game in which the former stars of Maroons and Canadiens will re-enact their old-time rivalry, historic in sports annals in Canada. That

this feature is going to be shown and developed in full tempo is seen in the fact that the two old rival bench managers are taking charge of the teams. For Tommy Gorman, who piloted Ottawa, Chicago and Maroons to five Stanley Cup titles, has taken charge of recruiting a team that will be fully representative of the old-time Maroons; while on the other hand Leo Dandurand, who was Gorman's bitterest foe in the old days, has readily agreed to recruit a gathering of old-time Canadiens.

Both mentors have plunged avidly into the effort to get as many of the old-time stars together as possible. Gorman plans to bring Alex Connell down from Ottawa to play in the nets. He will recruit Lionel Conacher for defence if the Ontario Provincial Parliament member is available. He has signed up Hootley Smith, Dave Trotter, Jimmy Ward, Archie Wilcox, all residents of Montreal right now, who readily agreed to lend aid to the big sports night.

Forced to leave Montreal for a few days to attend to some affairs in New Orleans attendant on his vast racing interest Leo Dandurand left his aide-de-camp Jean Barrette in charge of his team and he has a big squad lined up already. Already Albert "Battleship" Leduc has agreed to come in from Valleyfield for the event. Pit Lepine, though busy with war-work, has consented to play. Wilford Laroche, Armand Mondou, Sylvio Mantha, and other stars

## St. Matthias' Wins Over Sea Scouts

Pete Trueland's last period goal gave the St. Matthias Troop a 2-1 win over the Sea Scouts in last Thursday's game of the Inter-Troop section of the Westmount Municipal Hockey League.

The two teams had battled on even terms from the first period, when both teams had scored goals. Pete Harting scored for the Sea Scouts while Jerry Wright tied the count for the St. Matthias team. Trueland then came through to break the deadlock.

The league leading 2nd Westmount team meets the Sea Scouts in tonight's game at King George Park. The Sea Scouts are at present in third place and will need to win this one in order to have a chance to make the section play-offs.

## ROYALS, ARGOS LEAD BANTAM CITY LEAGUE

The Royals and Argos continued to lead the A and B groups of the bantam section of the Westmount Municipal Hockey League. The Royals defeated the Tornados 5-1 last Friday night in a game that was featured by the Tornados' first goal of the season against the league leaders. The Argos picked up a game by default over the Sailors as did the Panthers. In the other bantam game, the Bulldogs eked out a 3-2 win over the Panthers.

The Tornados caught the Royals napping on Friday evening, scoring the first goal of the game but their lead was short lived as the Royals came back to score eight times on Boright before the game was over. Bob Smith, Ian Macaulay and Norris Masterman led the winners attack. Campbell Scott scored the loser's goal, while Angus Boright in the Tornados' nets turned in another sparkling performance.

Goals by Paul Moriarty, Bill Melvin and Maurice Strachan were sufficient to carry the Bulldogs to a 3-2 victory over the Panthers. John Howie figured in both of the loser's goals, scoring the first one and passing to Bob Woodburn for the second.

Two bantam games are on the bill for tomorrow night at Westmount Park, the Royals meet the Panthers and the Argos take on the Tornados. Both of these games are inter-group affairs. On Saturday, the Panthers will play the Bulldogs in a postponed game, which will be the last scheduled game in the section. The B teams will commence their play-offs next Friday evening with the first and second teams meeting in the first of a two out of three game series, the second game will be played on Saturday, February 21. Their will be no play-offs in the A group and the Royals will represent Westmount in the city playdowns.

Warren Chippendale of the Royals still retains the leadership of the scorers in the A group. Chippendale has scored an even dozen times and has secured six assists for a total of eighteen points. Bob Smith and Norris Masterman, team-mates, are right behind with sixteen and fifteen points respectively.

George McLanders of the Argos is the leading point getter in the B group. McLanders has seven points, one more than Jackie Martin, also of the Argos. John Choyle, Dave Bussiere and John Waterston, all Argos' players, come right behind with five points.

**BASKETBALL GAMES**  
The Montreal Y.M.C.A. are sponsoring two Golden Jubilee basketball games, the proceeds of which are to go to the Naismith Memorial Fund. This special event is to take place at the Central Y.M.C.A. Saturday, February 21. The opening game at 8 p.m. will be between H.M.C.S. St. Hyacinthe (Navy) and Evergreens. The second game is scheduled to commence at 9 p.m., when Ayerst 5 of Rouses Point plays the Georgiana of St. George Williams College.

Nick Cherup of Wayne. It was generally supposed that the ball had hit the ground and nobody heeded Cherup's 72-yard dash through the spectators to the goal line.

Officials gave no signal that a touchdown had been scored and did not arrange for Wayne to try for the extra point. After going into a midfield huddle, surrounded by spectators and players, they simply "went home." Radio stations lined off with the score standing 39-0. Writers had accounts of the game half written when Referee Rudei Miller finally sent a note to the press box that Wayne had scored a touchdown. It was Wayne's first score of the season.

## "HOWDYA LIKE THAT ONE?"

Herb Cain, 4, of Boston, skates easily around cage with Willie Field, who arrived too late to prevent the Bruins from dumping goalie Chuck Rayner on his ear and the puck into net. But off-tamped Americans win from the short-handed Hub team, 5-4, at Madison Square Garden.

## Golden Eagles Chalk Up Seventh Straight Victory

Dougie Alexander's Golden Eagles, top team in the juvenile section of the Westmount Municipal Hockey League, capped their seventh straight victory on Friday night down at Staynor rink, when they defeated the Hawks 5-1. The Golden Eagles had won their sixth consecutive win on Wednesday over the Rebels 3-1.

The Golden Eagles had very little trouble with the Hawks on Friday night, pumping in two goals in the first period by Euard Read and Donnie Mann before Harold Burt got the lone Hawk counter. A second period goal by Johnnie Chenier brought the score to 3-1 in favour of the Eagles, while last period goals by Donnie Mann and Johnnie Chenier accounted for the others. Donnie Mann and Johnnie Chenier tied the winner's attack with two goals apiece.

The Golden Eagles had their work cut out for them in their game with the Rebels, Bob Bulger's team took an early lead on goal scored by Jim Macken and held it until well into the second stanza. The league leaders tied the count up on a goal by John Porter, and went ahead when Euard Read scored one from a scramble that Logue McDonald playing in the Rebels' nets didn't see. Adrian Lunny tallied the final goal on a break-away just as the whistle ended the game.

The Rebels gave a real good account of themselves in this game with Bob Bulger, Buddy Lyons, Paul Peterson Jack Shannon, Dunc Patterson and Logue McDonald in goal; playing stand-out games. The Golden Eagles appeared to have difficulty in

getting organized but looked better as the game wore on.

Last night's game decided the final standing of the section, if the Rebels succeeded in defeating the Golden Eagles they would be tied with the Hawks for second place and a play-off berth, but if the league leaders won as expected the Hawks will meet the Golden Eagles in a two out of three game series for the title. The first game of this series will take place tomorrow night at Westmount Park at 8.30. The second and third games will be played on Monday and Wednesday evenings.

At present writing, the scoring race is a close affair with the Golden Eagles' players holding a monopoly on the top spots. Euard Read has succeeded in catching up with Johnnie Chenier who has been in the front for the most part of the season. Read and Chenier are tied with twelve points each, both players having scored seven goals and assisted in five others. A newcomer Donnie Mann is runner-up to the top two, Mann who has been picking up quite a few points of late has ten points coming from six goals and four assists.

The team managers will be given the forms to select their all star teams this week, quite a lot of interest was aroused last season in these selections and it is expected that the positions will be hotly contested again. Owing to the fact that there are only three teams in the league this year, the three referees, Beau Thurston, Tom Brennan and Frankie Pace, who have been doing invaluable work, will also be asked to vote on the selections.

## BRUINS TAKE SECOND GAME

Johnnie Gutelius' Bruins won their second straight game in the Prince Albert Pee Wee section of the Westmount Municipal Hockey League when they defeated the Tigers on Saturday morning 2-1. In the other game of the double-header, the Tomahawks and Skulls played to a 2-all draw.

Jack Walsh and Griffith Marshall scored the two goals for the Bruins, while Peter Clark notched the Tigers lone counter. Two goals by Rene Chartruis was not enough to carry Bob Forrest's Tomahawks to a victory as the Skulls also scored a pair of goals with Peter McKinnon and Bliss Cartmel being the marksmen.

This Saturday morning the Tigers meet the Tomahawks at 10.00 a.m., while the Bruins play the Skulls at 11.00 a.m. Jack Walsh of the Bruins and Rene Chartruis of the Tomahawks are tied for the lead in the goal scoring list, each of these players have tallied three times.

# LOCAL TEAM HAS GOOD CHANCE OF MAKING THE PLAY-OFFS IN WESTMOUNT-VERDUN LEAGUE

The Westmounts, local entry in the Westmount-Verdun Intermediate Hockey League, took three out of a possible four points in their last two games to retain a fighting chance of making the play-offs. The Westmounts now have six points but have completed their schedule, the Verdun Restaurant team has five points and the R.C.A.F. Eagles four, but both of these clubs have three games in hand, but fortunately for the Westmounts the two clubs meet each other twice and so stand a good chance of killing each other off.

The three points garnered by the Westmounts resulted from a tie game with the league leading Orioles, a decided upset as the Orioles had been having things all their own way throughout the schedule. The R.C.A.F. Eagles were the other Westmount victims, dropping a 4-2 decision on Tuesday night at Westmount Park.

The Orioles-Westmounts game was evenly contested throughout with the Westmounts playing just as good hockey as their highly touted opponents. For a while it appeared like the locals might take it all, as Emmett Millen's goal looked very good and it was into the third period before Hal Forrester tied the count for the Verdun team.

First period superiority split the win for the Westmounts to their game with the R.C.A.F., two first period counters by Gordie Williams and Jack Little gave the locals a commanding lead. Williams tallied his goal on a pass-out from behind the R.C.A.F. nets by Johnnie Hutchinson, while Jack Little banged in a pass from Stan Morgan.

Snyder scored the first Air Force goal in the second period when he converted a pass from Bud Mackay. The Westmounts came back with another pair of goals, Morgan getting a lucky one when his pass out in front of the nets was deflected in by the R.C.A.F. goalie's stick. Ray Caron tallied the last goal for the winners beating the R.C.A.F. net-minder on a hard shot.

The Airmen threatened in the last period and a fast-tiring Westmount team was hard put to withstand them, but the boys in blue had to be content with one goal, a long shot by Mackay.

# RINKY DINKS TEAM LOSES TO PANTHERS

In the junior section, the Rinky Dinks lost their first game of the season as a hard fighting Panthers' team came through to win both games of a double header.

The Burriss-Gillingham-Binmore trio was the most successful unit of the day for the winners, accounting for the three goals. Burriss tallied two of them while Binmore sank the third.

The Rinky Dinks paced by its starting line of Henry Carter, Jackie Martin and Doug Lyle returned rush for rush for the two periods and backed by the goaling of George High and defence work of Jack Gardner and Bill Reade, was in the game all the way but they failed to beat Eddie Moore, the Panthers' starting net minder.

The game between Flyers and Panthers, the second game of the double header, was an easy win for the Panthers as the Flyers were a man short. Ian Ogilvy, Allan Rowlands, Ian Ross and Ross Rubenstein put up a hard fight for the losers. This game gave the Panthers' goalie his second shut-out of the day.

The league is led by the Rinky Dinks who have eight points and on their heels are the Panthers with six points to their credit followed by the Flyers who have two.

# SECOND WAR LOAN IS SUPER-BARGAIN, TO CANADIAN WOMEN

Women, who do 85 per cent of all shopping in Canada, know a bargain when they see one.

They call Canada's second war loan a super-bargain; they have their cake and eat it too.

"Show me a store where you can buy something; then a few years later get your money back to spend again," they say. "That's what a woman does when she buys Victory bonds. She buys tanks and guns and planes to win the war today; when the war is over, there is her money, waiting to buy a trip or a car or a house."

The Airmen threatened in the last period and a fast-tiring Westmount team was hard put to withstand them, but the boys in blue had to be content with one goal, a long shot by Mackay.

# PRELIMINARY SERIES WON BY CANADIENS

The Canadiens from Staynor Park captured the preliminary series in the midget section of the Westmount Municipal Hockey League, when they defeated the Beavers 4-3 in a two game total goals to count affair. The two teams played to a 3-3 draw in the first game last Wednesday night, but the Canadiens shut-out the Beavers 1-0 on Friday evening. This marks the first time a Staynor team has reached the final round of the play-off series.

Warren Prud'homme was the hero of the Staynor team in their win, as Prud'homme tallied the lone goal of Friday's game. Ineffective clearing by defenceman Eric Swaine allowed Prud'homme to skate in on goalie Ross Miller unhampered and notch the valuable counter. Outside of this momentary lapse the two teams played errorless hockey on even terms.

The first game of the series resulted in a 3-3 tie, but the Canadiens gave forth plenty of indications in this game that they would have to be reckoned with. Two first period goals by Gordie Brace and Fred Turner gave the Canadiens a working margin for the game and only stellar work by Ross Miller in the Beavers' nets kept the score from mounting.

The Beavers made a come back in the middle stanza to tie the score, Jim Macaulay and Bob Everson scoring the goals. Each team scored a goal in the last period, Gordie Brace's second goal of the night was the Canadiens' counter while Dave Harvie banged one in for the Beavers.

The Canadiens and Victorias met last night in the first game of a two out of three game series for the title, the second game of the series will be played on Saturday afternoon with the third if necessary being scheduled for next Wednesday. All these games will be played at Westmount Park.

Midget team managers will be given out the forms to select the all star team this week. With five teams doing the selecting, the results should be interesting.

That's the sort of bargain you dream about."

It's their eye for a bargain that is going to make women such big investors in Canada's second Victory loan. Patriotism apart, they realize that no other sound investment gives them a better return for their money. They like to know they are putting their savings side by side with those of Canada's shrewd business men.

Another thing about Victory bonds that appeals to women with family responsibilities, is that the money is not irrevocably tied up. Should a family emergency arise, Victory bonds are as simple to cash as a cheque, at any bank.

## What May Be Done to Prevent Constipation?

1. Any form of physical ill health should be corrected.
2. Defects in temperament, attitude toward work, or habits of work or play, should be corrected, if they are such as to disturb poise.
3. Plenty of exercise should be taken, avoiding over-fatigue. (Exercise should include the use of the abdominal muscles and those of the trunk as a whole.)
4. Plenty of rest should be taken, to limit physical and nervous fatigue.
5. Posture and clothing should be favorable to free circulation, and should not restrict the motion, or cramp the position, of abdominal organs.
6. Diet should be chosen, first with a view to nutrition and digestion; and second, with a view to the correct degree of chemical and mechanical stimulation, but not irritation, of the alimentary tract. Cellulose in

suitable forms and amounts is necessary.

7. Foods should be chewed.
8. Plenty of water should be taken.
9. Daily bowel habits should be established.
10. No cathartics and laxatives should be taken, except upon advice of a physician.

# SERIES OF SERMONS TO OPEN ON SUNDAY

Under the interesting title, "The Red-Plumed Knight," Dr. J. A. Johnston begins a series of Sunday morning sermons in Westmount Baptist Church on February 15th. This series will answer the demand made by

Rex Boundy: "Give us a Virile Christ for these rough days."

The series will run as follows:

1. "God 'Dubbed Him — Knight" — "This is my beloved Son."
2. "Breaking Lance with the Black Prince" — "Led of the Spirit to be tempted of the devil."
3. "Winning His Spurs" — "He went about doing good."
4. "Re-dressing Cruel Wrongs" — "Then drew near unto Him all the publicans and sinners."
5. "Keeping His Last Night's Vigil" — "And His sweat was as it were great drops of blood."
6. "The Last Grim Battle in the West" — "A Second Adam to the Fight" — "Mortally Wounded."
7. "The Lay of the Knight Who Rose Again" — "Say, His-

1944?"

Mr. Henderson passed lightly over suggestions that he and Secretary Wickard are competing for administration of farm price control.

"It's a question of who's going to run for President," he explained. "The man who administers this won't have a chance at the farmer vote. Wickard is trying to save me. Evidently he feels my chances for the Presidency are better than his."

On Sunday evening Dr. Johnston's theme will be: "Gates of Brass, Bars of Iron and Treasures of Darkness."

The minister, of the choir will be inspiring effective. These services are planned to help men live through disastrous days.

Ninety-Fifth Annual Report

TO THE SHAREHOLDERS. MONTREAL, FEBRUARY 9TH, 1942.

Gentlemen,

Your Directors have pleasure in presenting the Ninety-Fifth Annual Report of the affairs of the Bank and the result of its operations for the year ending December 31st, 1941.

The net profits for the year were \$288,461.23 and the balance brought forward from last year's Profit Account was \$251,462.22, making a total of \$539,923.45. In addition to the usual quarterly distributions to its shareholders, the Bank contributed from this amount \$10,450.00 to various charitable and philanthropic funds — independently of the amount of \$20,150.00, interest on the Charity Donation Fund, distributed as usual — and has transferred \$200,000.00 to the Reserve Fund, bringing the latter to \$3,300,000.00, leaving a balance at the credit of undivided Profits Account of \$14,473.45 to be carried forward to next year.

As usual a frequent and thorough inspection of the books and assets of the Bank has been made during the year.

The Report of the Auditors and the Balance Sheet are herewith submitted.

R. DANDURAND, President.
