# WHY ADVERTISING IN LOVELL'S MONTREAL DIRECTORY PAYS

**Y***OU men who spend large amounts of money on creative advertising— who when you think of advertising, think ONLY of creative advertising—  
A word with you.*

When you invest a dollar you protect that dollar to the utmost.

What are you doing to protect the money you invest in creative advertising ?

The morning paper that lies before you on your breakfast table has in it an advertisement that cost you many dollars. This same paper has the day of the month printed at the top of each page, twice on each sheet; where everyone can easily read it.

You saw the date.

But when you reached the office, sat down at your desk, and wanted the day of the month, **YOU REFERRED TO YOUR CALENDAR**, and a dozen times that day you referred to your calendar. Your employees did the same. The whole business world did likewise.

Why ?

The public will see your creative advertisement.

But when they want your goods — **THEY WILL TURN TO THE BUYERS' GUIDE OF LOVELL'S MONTREAL DIRECTORY**—just as you turned to your calendar.

Protect that money you are putting into creative advertising.

Protect it with **REFERENCE** advertising in **LOVELL'S MONTREAL DIRECTORY**.

A small percentage of the amount you spend for creative advertising **WILL DO IT.**
