## Local High Schools Need Fifth Year-- West Hill Principal

Greatest need of Montreal High Schools today, according to Gordon Heslam, principal of West Hill High School, is a fifth year. In Quebec, high schools have been trying to cram into four years what the rest of Canada and the United States have been doing in five, he said. The extra year would allow students to "take their noses out of books a little, take part in activities such as athletics, public speaking and school bands, and still cover the subject matter more thoroughly."

Speaking at Wednesday's luncheon meeting of the Westmount Rotary Club in Victoria Hall, Mr. Heslam said that High School pupils are roughly divided into two equal groups, the "doers" and the "students". There are two ways of handling this problem, he said: dividing them into separate schools as some cities have done, teaching academic subjects in one and manual skills in the other, or using the "composite" method which has been adopted here, combining both groups in the same schools and force the more poorly adapted to take the academic subjects.

"The academic courses must be continued," he emphasized, "to train boys and girls to enter the professions and the courses must not be watered down lest we attain only a low standard of mediocrity for all".

## City Employees' Quarter Century Club To Dine

The Quarter Century Club, consisting of Westmount City Employees with at least 25 years of service to the city, will hold its Second Annual Dinner at Victoria Hall next Wednesday, November 14.

The Club now consists of 62 members, oldest of which is A. Ratelle, 61-year-old horse driver, who has worked for the city for 41 years.

The Mayor and the Council will be present, and ex-mayors have also been invited.

## Ninth Loan Over Top

Best results of any Victory Loan Campaign are announced by the local Unit—at time of going to press 110% of the objective has been reached. The objective placed for the Westmount Unit was \$4,000,000, an increase of approximately \$1,200,000 over the 8th Loan Objective. There is every possibility that the final results will amount to \$5,000,000.

Local organizers and salesmen are jubilant with the outcome of their efforts; and wish to thank the citizens of Westmount for their generous co-operation and generous reception they have shown the drive.

## Resident Attacked By Young Thugs

A Westmount resident of Columbia Avenue was walking east along Tupper Street towards Atwater Avenue last Friday evening about 6.30 when he was suddenly attacked by two thugs.

"They were coming down Atwater," he told the Examiner, "and suddenly they turned into Tupper and attacked me. One of them twisted my arm behind me in a sort of ju-jitsu hold and got me down—the other tried to get at my wallet." He smelled no liquor from them, he added, nor saw any indication that they were drunk.

The citizen struggled, and being of a powerful build, succeeded in keeping his money pocket underneath him. This seemed to infuriate the smaller of the two men, who began to get violent, and apparently would have done him serious injury had not the taller one let go their intended victim and restrain his companion. They hurried away.

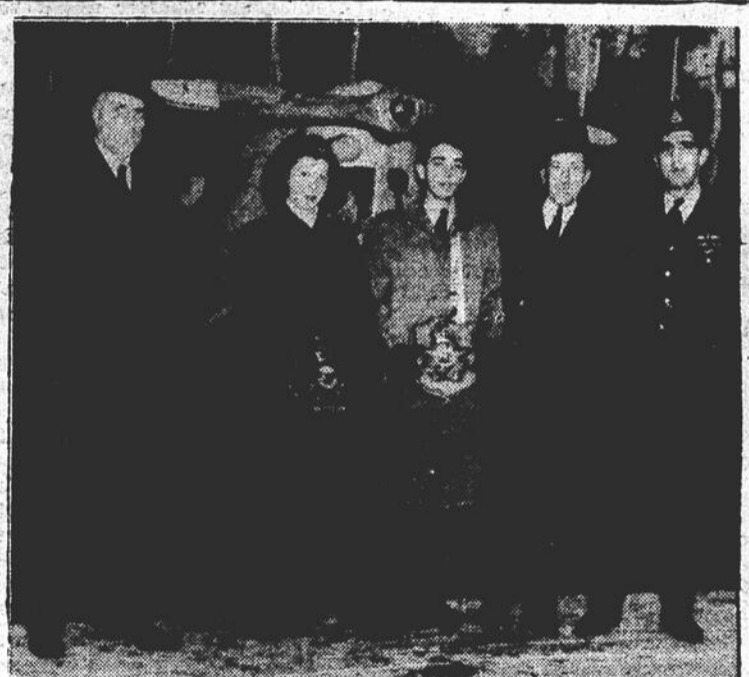

### Ignored By Passers-by

The confused and mud-soiled man struggled to his feet, picked up his glasses which had fallen off and been twisted, and called to at least three men passing along Atwater that he had been attacked, but all three ignored him. So he made his way back home and called the Westmount Police. They arrived in a very short time, he said, and after changing his suit, he led them to the scene of the struggle.

They drove him around the vicinity in the event that he should recognize his assailants, but without success. They were both in their early twenties, he said, and is sure he could recognize the more violent of the two.

### HI-Y DANCE SUCCESS

The Annual Hi-Y Fall Dance held in the gym of W.H.S. last Friday evening was considered a great success. Dancing went on until 1 a.m. to the music of the Westernaires. The gym was decorated with purple and white streamers. Jim Parsons was in charge of the dance, Peter Kenwood looked after tickets. John Dickins handled publicity and Bert Grindley the soft drinks.

**AT PARK DONATION**—The scene above was taken following the christening of the Cornell airplane "City of Westmount" at a Ninth Victory Loan ceremony in Westmount Park Wednesday afternoon. Left to right: Mayor Percy Adams, Barbara Chambers, who christened the plane, representing the Roman Catholic schoolchildren, Hugh Peckham, representing the Protestant pupils, who unveiled it; Ross Clarkson, deputy provincial chairman and joint chairman of the Island of Montreal region, National War Finance Committee, and Group Capt. W. F. M. Newson, D.S.O., D.F.C. and Bar, who received the aircraft on behalf of the Royal Canadian Air Force. The two children are holding plaques donated the Westmount schools by the R.C.A.F.

## "City of Westmount" Plane Presented At Ceremony

The "City of Westmount", a Cornell aircraft presented to the Royal Canadian Air Force through the purchase of war savings stamps by Westmount Schools, was unveiled by Hugh Peckham and Barbara Chambers, representing the Protestant and Roman Catholic schools, at a ceremony in Westmount Park Wednesday afternoon. The airplane will be

used for post-war training by the R.C.A.F.

Opening with "O Canada" by the band of H.M.C.S. Donnacona, the ceremony's first speaker was Mayor Percy Adams of Westmount, who congratulated the children on their effort, and made a final plea on behalf of the Ninth Victory Loan.

Hugh Peckham unveiled the plane by removing a large Union Jack, and Barbara Chambers broke a bottle containing water from the Atlantic and Pacific

## No Home At All For Veteran, Wife And Child

THE DRASTIC housing shortage was emphasized to the Examiner today when it was reported that a veteran, his wife and child of two were absolutely without a home. They are being temporarily put up by the Housing Shortage Committee in a rooming house, which the husband was able to find only after taking two days off from work, meanwhile staying with friends. Anyone knowing of any accommodation this family might have could contact them by calling FI. 4201.

Several families in similar plight have been reported, and as a temporary solution it has been suggested that Stanley House on upper Stanley street, at present vacant, could be opened for this purpose. Until recently run by the I.O.D.E. as a temporary home for transient English wives of servicemen and their children, it has accommodation for approximately 25 mothers and as many children.

**HOME AGAIN** — After four years away from home, Tpr. Colin Martin, 25 year old son of Mr. and Mrs. M. C. Martin, 422 Mt. Stephen Ave., arrived home recently after disembarking from the Queen Elizabeth. Martin fought on the Western Front with the 17th Duke of York Hussars.

**THE VICTORY POLKA**—A little Dutch maid and a living Victory Bond ad get together at last week's Hallowe'en dance at St. Leo's Academy. They are eight-year-old Kathleen Colter and six-year-old John Francis Roche.

# WESTMOUNT HIGHLIGHTS

By GEORGE COCHRANE

Last week our newly acquired McGill agent, who will henceforth be referred to as K-XXX, supplied us with a number of items about former WHSers at McGill. We despatched these to the composing room with the rest of the column with the expectation that they would appear in last week's Examiner.

But lo and behold and, as the Latins would have it, em! The items did not appear. And so, gentle reader, we herewith send them out again with another note of thanks to agent K-XXX.

Merelle Cayford, B.Sc., and now in the School for Physical Education, the gym teachers' training ground, is the president of the Women's Union, the highest executive position open to the women of McGill. . . Herb Shayne, Dux of W.H.S. in 1943, is assistant sports editor of The Daily. Tall and red-headed, he is a tireless and versatile worker and writer. . . Phyllis Wood is president of the M.W.S.A.A. (McGill Women Students' Athletic Association!) In other words, head executive in the realm of female sports. . . Diana Harrower, outstanding in athletics at W.H.S. last year, has started her McGill sports career auspiciously by being elected manager of a first year sports section. . . Don Koch, enthusiastic and gay, is the McGill Choral Society's president for the second consecutive year. This is one of the largest clubs on the campus and has as its director this year Gifford Mitchell, music teacher at Westmount High, who has resumed teaching after five years in the E.C.A.F. and who is at present training a W.H.S. choir, about which, I understand, the Purple and White Revue will revolve this year.

Jane Bishop is the manager of the women's skiing this year and was co-chairman of the Freshette Reception Committee. . . Blanche Lemco, a recent graduate in architecture at McGill, is one of the exhibitors in the current display of architectural drawings at the Art Gallery. She has contributed a plan for a community art centre, to be situated on the site of the Westmount Library but to be much larger. . .

## AMATEUR SHOW

Tonight is the night that Westmount High School's would-be Thespians, dancers, warblers and St. Urbain street playhouse stars will be given a chance to display their talents. The Dramatic Society of the institution is sponsoring the affair and John Jake Dickens, a man of no little energy and quite an amateur in his own right, will personally be in charge.

The amateurs, if they follow schedule, will begin operations in the Junior High auditorium at 7.30 when they wind up their activities for the evening; or morning, or whatever they'll wind up their activities, there'll be a dance in the WJHS gymnasium.

The main idea of the show is to unearth some talent for the Purple and White Revue '46, for news of which see below.

What one and all are looking forward to is the Tom Earle production with the cast of 21, 18 of which will merely sit, stand or otherwise arrange themselves on the stage and drink what the audience is supposed to mistake for an alcoholic beverage.

## P & W REVUE

According to the Messrs. Charles Leger, Art Voronka and John Jake Dickens (say, that boy really gets around) there will definitely be a Purple and White Revue in the spring of 1946.

Mr. Leger, a musician of note who is president of the Dramatic Society, is to be director of same. The Messrs. Voronka and Dickens are to be assistant directors or

producers, or sump'n like that. To add an austere note to his job, Voronka has purchased a brief case. This can be taken as a superfluous action. Mr. Bert Shaffelburg, who does a very good job as chemistry teacher of W.H.S., and your ageing reporter would both have been willing to rent their b.c.'s to Arthur.

Sue Haire, the 5'8" gal who was in the middle of last year's very nattily attired and well-drilled chorus line, is (according to Sue Haire and C. Leger) to be the driller of this year's leg-wavers. The Messrs. Voronka and Dickens, however, when nabbed while discussing the comparative values of black and brown brief cases, said that Sue Haire's status is still indefinite and that nothing about the chorus is to be printed until they give the word.

Well, it is printed (unless the composing room denizens took offense), and so there and bah!

Further bulletins along this line will be published when we receive them and when we feel like publishing them.

## ITEMS

Having made a belated return to W.H.S. a week or so ago, your correspondent will henceforth confine himself to the doings of the inhabitants of that renowned institution. Except when he does not feel like confining himself to same. . . Harvey Solloway and family depart for British Columbia this Sunday to take up permanent residence there.

Eric Gregory Swaine, that brawny specimen of Canadian youth, was 19 on Tuesday. Gregory is attending Montreal West High this year and says he's enjoying it. They're all mixed classes out there. . . The P & W Revue boys had better start talking business pretty soon with the Victoria Hall people if they want to stage the show there again this year. According to what we've heard, the hall is booked up until April 8. . . Oscar Peterson, the talented pianist of Johnny Holmes' Orchestra, is continuing his rise to fame. He was on two national hook-up radio programs this week, Cavalcade of Stars and Light Up and Listen; stories about him are in three Canadian national magazines now on the stands, MacLean's, Hi Chum and Teen Talk, and Oscar has waxed two new records for Victor. If he keeps it up he's going to bust a blood vessel or sump'n. . . And so to bed.

## Local Legion To Observe Armistice

Members of Westmount Branch No. 39 Canadian Legion will take part in the Armistice Day celebrations at the Cenotaph at Dominion Square at 11 a.m. Sunday. Members are asked to assemble at the C.P.R. station Osborne Street side, at 10.30 a.m. whence they will parade to the Square. Medals and decorations will be worn and members who have not yet received their medals are asked to wear their ribbons.

Volunteer taggers for the Westmount Branch Poppy Day sale are asked to be on deck as early as possible Saturday at Victoria Hall. There is a great need for taggers, and volunteers who have not yet given in their names are asked to report at Victoria Hall. Special arrangements are being made to look after the comfort of the taggers and hot coffee will be supplied throughout the day by the Women's Auxiliary of the Branch under Mrs. John Heron.

A meeting of the Branch will be held at Victoria Hall, Tuesday, Nov. 13, when it is expected that Superintendent Savage of the Westmount Schools will be present to explain why the Westmount

**PRESUMED DEAD**—F/O John Clement Badgley, 21, R.C.A.F. pilot and son of Mrs. Clement Badgley, 367 Elm avenue, who is now for official purposes presumed dead. Educated at Westmount schools, he enlisted in July, 1941, and after receiving his pilot's wings at Moncton, was posted to the East Coast where he served with various squadrons at Dartmouth, Gander and Goose Bay. He went overseas in November, 1943, and transferred to heavy bombers. It was while attached to the Blue Nose Squadron that he was reported missing and presumed killed following a raid over Oberhausen, Germany, November 1, 1944. In addition to his mother, he is survived by a sister, Mary Elizabeth, and two brothers, Robin and Peter, the latter also having served as a pilot in the R.C.A.F. A memorial service was held in his memory at Christ Church Cathedral Sunday afternoon.

## Housing Crisis Said Not Wholly War Casualty

Present inadequate housing is not primarily a war casualty, according to Dr. B. H. Higgins, though the war has aggravated the condition because of material and labour shortage. Speaking at last week's meeting of the Westmount C.C.F. Club, Dr. Higgins, of the faculty of McGill University and member of the National Housing Administration, said it is a matter rather of insufficient financial means on the part of the purchaser to meet the high percentage of cost demanded as down payment, and the subsequent upkeep of the purchase.

Miss Eleanor Barnstead spoke on the same topic from the viewpoint of the social worker. She quoted several case histories to prove the pitiful inadequate living conditions prevailing in Montreal, and expressed weariness with the "coal in the bathtub" argument against better housing for the poor.

R. H. Corbett, past secretary of the Club, thanked the speakers. Dr. J. Cyril Flanagan, club president, was in the chair.

## 2.—ARGYLE AND ABERDEEN AVENUES

Argyle Avenue runs from east of the City Hall on Sherbrooke Street northwards to a short distance above the Boulevard. Aberdeen Avenue, formerly Montarville, lies to the west of and parallel to Argyle, but only runs from Montrose to a similar short distance above the Boulevard.

The properties fronting on these two streets formed part of a long narrow block extending from Cote St. Antoine Road over the top of the mountain, which in 1866 was surveyed by Jos. Rielle, Q.L.S. as belonging to Alexander Cross. Two houses only are shown on the plan, both of stone. One stood at what is the east corner of Argyle and the Cote Road. The other, on the site of St. Andrew's church, appears as a ruin in the old photograph of this neighborhood dated 1878, which is hung in the Westmount Library. The quarry above the Stanton Street fire station, with its extension across Argyle Avenue, is also shown on the plan. Since this is the only old quarry on the south front of the mountain accessible to the early roads there is a suggestion that it was the source of the stone

for buildings and roads of the parish prior to that date.

## Streets Established

In 1874 the main south slope of the Cross property was subdivided for new owners, apparently a syndicate, namely Messrs. Wm. Angus, Wm. Notman, W. J. M. Jones, Ovide Dufresne, John Macfarlane and Alex. Ramsay. This plan established the streets for the area. It shows Argyle Ave., Montarville Ave., Stanton St., and Crawford St. (now Churchill Ave.), running uphill, white crosswise a short length of Montrose connected Crawford to Argyle, an farther up Beloeil St. (now part of Westmount Ave.) joined Montarville to Argyle. The Boulevard was also laid out.

## Baptist Church Welcomes Home Service Personnel

Last Friday evening the congregation of Westmount Baptist Church held its second "Welcome Home" Reception for those who had been in the service. The Lower Assembly Hall was filled to capacity. Family worship was conducted by the Minister, Dr. J. A. Johnston, assisted by Deacon George Adam, who read the Scripture, and Deacon C. E. Stockdill, who led in Prayer. In the "Welcome Home" address, delivered by the Minister, he expressed the congregation's deep appreciation of the contribution of all who had served. The congregation was represented in the Army, Navy, the R.C.A.F. and R.A.F., the C.W.A.C., the WRENS, the Nursing Services and the Chaplain Services.

Five of those on the Honor Roll were killed: Lieut. Clifford Wallace, P/O Lester Blaikney, F/O Richard Montgomery, Sgt. Henry Smith and Pte. Finley Buchanan. Four were wounded, namely—Sgt. Wm. Lloyd Owen, Cpl. David Owen, Capt. Douglas Jamieson and Pte. Peter Ness. One was a Prisoner of War—F/L W. F. Kenwood.

In the course of the evening servicemen and service women were each presented with a Morocco bill-fold, bearing the initials of the recipient. The presentation ceremony was carried out by Dr. E. G. Hinds, assisted by Mrs. C. L. Schryer. A response was made on behalf of all Service Personnel by Col. R. H. Dean. Individual responses were made in brief speeches by Duncan Hascall, Geddes Lee, Tom Parker, Gordon Spencer and Lieut. Olive Smith.

A brief address was delivered by Capt. the Rev. Dixon Gordon, whose theme was "What the Church Can Do For Ex-Servicemen and What Ex-Servicemen Can Do For The Church". "Dr Drummond" recitations were rendered by Deacon Harry Hinds Solos were rendered by Mrs. Sullivan and Mr. Harry Parker.

Phyllis Butt; 1st Grade—Monica McRilly.

All passed with First Class Honours.

Subsequent history of this syndicate is indicated in the valuation roll for Cote St. Antoine for 1884. By that year about half of the lots had been sold to individuals. We find that Messrs Ramsay and Macfarlane had purchased lots personally and built residences for themselves. Five other houses had been built including the Major residence at the corner of Argyle and Montrose, and the "first" brick school on the site of the fire-apparatus house on Stanton Street. Henry Latta seems to have liked solitude for he built on the west side of Montarville above the Boulevard. The assessment rate for upper Argyle was only 6 cents per square foot.

The vigorous development on these streets may be said to date from about 1900 with the provision of street car service on the upper level. During the excavations for the present building a number of Indian graves were found, showing that this pleasant location had also been appreciated by an earlier civilization.

## Montarville Changed

The names Montarville and Beloeil were obviously taken from the first two of the hills easily visible to the east. It is not clear when the name Montarville was changed to Aberdeen but it was probably at the time of laying the water service in 1896, the new name honoring the governor general of that date. Lord Aberdeen held office from 1893 to 1898 being greatly esteemed for his democratic and friendly manner. Lady Aberdeen then and subsequently took an active part in philanthropies of all kinds but was especially known for her deep interest in the women's suffrage and similar movements.

The name Argyle was likely suggested by the marriage in 1871 of Princess Louise, fourth daughter of Queen Victoria, to the Marquis of Lorne, heir of the Duke of Argyle. Later, from 1878 to 1883 the Marquis was governor general of Canada. Becoming extremely popular during his tenure of office by entering into all phases of Canadian life and sport, he also paid attention to the most serious matters being the founder of the Royal Society of Canada.

## RMR To Honour War Memorial

The 2nd (Reserve) Bn., Royal Montreal Regiment (MG) commanded by Lt.-Col. H. G. Brewer, M.C., will participate in the Remembrance Day Service to be held at the Westmount War Memorial, November 11th, commencing at 2.30 p.m. Also taking part in the parade and ceremony will be the R.M.R. Association Branch No. 14 of the Canadian Legion, as well as veterans of the 1st battalion. Leaving the Armoury at 2.00 p.m., the battalion, with attached units, will march by way of St. Catherine street, Redfern Avenue and Sherbrooke Street to the War Memorial.

The commemoration service will be conducted by Lt.-Col. Rev. Harold S. Laws, V.D., chaplain of the Regiment. Following the service the battalion will reform and march west on Cote St. Antoine Road past a saluting base at the foot of Stanton Avenue, where Maj.-Gen. E. J. Renaud, C.B., C.B.E., District Officer Commanding, M.D. No. 4, and Mayor R. P. Adams of Westmount, will take the salute. The return to the Armoury will be by way of Metcalfe, Sherbrooke and Melville.

## Local Engineer Awarded Medal

In recognition of outstanding merit in the engineering profession, J. M. R. Fairbairn, of 424 Wood Avenue, has been awarded the Sir John Kennedy Medal. The medal, which commemorates the service rendered by the late Sir John Kennedy, past president of the Engineering Institute of Canada to the development of Canada and the science and profession of engineering will be presented at the Institute's annual meeting in February. It is the tenth such medal to be awarded.

Mr. Fairbairn, now 72 years old, retired from the C.P.R. in 1939 after 47 years with railroads. He came out of retirement in 1941 to work for one year in a government war-time position as director of works and buildings for the Naval Affairs branch of the National Defence Department. In 1942 he took up residence in Peterborough, Ont., his birthplace, and moved to Westmount this fall.

He is a former president of the Engineering Institute of Canada, and in recent years was chairman of the International Relations Committee. He is also a member of the Institution of Civil Engineers, London, Eng., a member and former president of the American Railway Engineering Association and an honorary member of the American Society of Civil Engineers.

## Law Breakers Draw Jail Counts

Two sentences were pronounced on law breakers in recent sessions of the Recorder's Court.

James Molyneux of Lachine was sentenced to one year in jail for breaking into a Westmount school. On the morning of October 16 it was discovered that certain property had been stolen from the school the night before. Sgt. H. Belec and Detective G. Lines investigated; the articles were recovered, and evidence led to the arrest of Molyneux.

Micheal Zyma, from Sudbury, Ont., was sentenced to \$40 fine or two months in jail for "loitering by night on the street" at 10 o'clock, October 19. According to a Westmount by-law, a person is liable to arrest for loitering when he can not satisfactorily account for his presence. Zyma took the two months.

## Clothing Drive Is Huge Success

Final results of Westmount's Clothing Drive, announced at the Rotary Club luncheon by Arthur McMaster, chairman of the local committee, were well above the quota. Final figure stood at over 70,000 lbs. of good, usable clothing alone, with many thousands of boots and shoes as well.

Mr. McMaster extended thanks to the Ladies' group of most of the churches who sorted and packed their particular donations, but the outstanding work of sorting and packing, he said, was carried on for over a month by the Westmount Women's Club in Victoria Hall.

He also expressed his appreciation of the "many small but important items of help" given by the Rotary Club and the citizens of Westmount, such as the donation of paper, bags and string, without which the campaign would not have been a success, and spoke of the good work done by the various depots, notably No. 2 Fire Hall where 750 parcels were collected. Invaluable help was given by Mr. Dutton and his staff, also Lionel Brittle, the provincial organizer.

## Noted Clubman Dies At 76

Edward N. Liersch, of 545 Roslyn Avenue, died at his home last week at the age of 76.

He was one of the founders and retired president of the Canada Linseed Oil Mills Ltd. Born in Wellesley, Ont., in 1869, he came to Montreal at the age of 30. He was a member of the St. James Club, the Royal Montreal Golf Club, the Montreal Club and the Hermitage Golf and Country Club.

His wife, the late Minnie Pearl Nichol, died six months ago. Surviving are two sons, Gordon C. Liersch of Westmount, and Edward, Montreal, and two daughters, Mrs. James G. Thatcher and Mrs. A. W. Shaw, both of Montreal.

ELECTED PRESIDENT—F. David Wilson, ex-flying instructor in the R.C.A.F., and Graduate of Westmount High School in 1934, is the newly elected president of Air Services (Canada) Ltd., a new air service company organized under Federal Charter. Plans include a bilingual winter flying instructional course and ground school training, as well as a charter service to many suburban Montreal areas. The airbase, Riverside, 10 miles from Montreal, offers land and water facilities for civilian flying and commercial service.

## Lady Volunteer War Workers Rewarded With Pin By Y.M.C.A.

Ladies who have served the Y.M.C.A. in voluntary war work during the war years were presented with 'Y' Voluntary Workers' Maple Leaf pins at a Sunday Afternoon Tea last week. The ladies were thanked by F. B. Wilson, Chairman of the War Services Committee of the Westmount 'Y', and D. O. Bremner, Chairman of the Board of Management. Mrs. D. O. Bremner, Mrs. W. H. Spearman and Mrs. F. B. Wilson assisted in the presentations.

Pins were presented to the ladies who have prepared the refreshments each Saturday under the capable leadership of Mrs. Brodie and Mrs. Henderson. The ladies included in this group were Miss Christie, Mrs. Drain, Mrs. W. S. Gilpin, Jr., Mrs. Kneeland, Mrs. Lewis, Mrs. McHattie,

Mrs. W. H. Spearman and Mrs. E. I. Taylor.

Senior and Junior Hostesses who received pins included Mrs. E. M. Compton, Mrs. W. S. Gilpin, Sr. Mrs. Walter Scott, Misses Marjorie Cornell, Peggy French and Florence Goode.

Ladies who have done voluntary work at the office included Mrs. Patricia Brown, Misses Joan Donally, Lillian Hay, Ruth Garland, Lesslie Nixon, Betty Sleeth, and Betty Westwell.

Pins were also presented to Messrs. W. S. Gilpin, Sr., W. S. Gilpin, Jr., and F. McHattie, who served regularly on Saturday evenings.

### Dancing Partners

The following ladies who acted as dancing partners, some of them for the entire period of over five years—Misses Selma Alexander, Esther Cooper, Joyce Collins, Marjorie Clark, Carol Curtis, Bette Cornell, Dora Daniels, Frances Dawson, Yolande Duval, Rita Donaldson, Elizabeth Deau, Marjory Field, Marjory Forbes, Barbara French, Mary French, Suzanne Foster, Lillian Goode, Freda Hudson, Marjory Houghton, Rita Hawkins, Betty Hawkins, Audrey Hodgkiss, Ruth Kervin, Mary Jane Kervin, Daphne King, Jeanne Lefebvre, Marion Laird, Jean Myles, Joan Pinder, Martha Pegnem, Lillian Renault, Eileen Spencer, Kathleen Simpson, Pat Sears, Winnie Smith, Shirley Thompson, Mrs. Olive, Mrs. Gilmour and Mrs. Hughes.

Mr. R. O. Bartlett, of the Board of Management, presented flowers to Mrs. Brodie and Mrs. Henderson.

Mr. W. H. Spearman, Executive Secretary, introduced Mr. Geo. N. Barker a new member of the Westmount staff, who will be in charge of the Physical programme.

HEADS EDUCATION WEEK — Norman Wood, staff member of Westmount Junior High School, has been appointed chairman of the Education Week Committee of the Provincial Association of Protestant Teachers of Quebec. Education Week opens Sunday, November 11.

## TAKE A VICTORY BOND — IT'S FREE

I have heard people sigh at word of the Victory Loan Campaign, writes Bruce Barton, and say "I have to buy another bond. But I don't see how I can afford it."

This is just like saying, "I suppose I really ought to start saving money, but it's an awfully expensive thing to do!"

The fact is, of course, that you don't buy bonds. As W.B. Bachman, a well-known writer, forcefully pointed out the other day, the speakers on the radio and the poster artists and the advertising writers have been using the wrong word for six long years. They have been asking the public to do something that is impossible. You can't spend money on bonds. You simply **take** them. They cost you nothing. My Canadian bonds are nothing but certificates showing that the Barton family has made a deposit in the Government Treasury instead of in a bank or a cookie jar. When we take a Victory Bond, we transfer a bank deposit to the safest depository in the world — the Government Treasury. We put in noninterest notes and we get an **interest-bearing note** as our deposit slip.

To take a bond — note that word "take" — is still a patriotic act. That alone is inducement enough for any Canadian. Just as your money in the bank pays for loans and investments and all the bank's manifold activities, so your money in the Victory Bonds helps to care for the wounded, to end war contracts, to maintain armies of occupation, to bring home returning fighters, to prevent inflation. Your bonds brought about the mighty atomic blasts that put a period to this war. Your bonds today are returning flesh to the bones of those who survived wounds or prison-camp torture — of unknown thousands of our men who played their own gallant parts in the total defeat of our enemies.

## UNPASTEURIZED MILK DANGEROUS

No municipality would seriously consider drinking contaminated water merely because

of the doubt expressed by certain individuals as to whether the addition of chlorine affected its value, or because pure water was more expensive than impure water, yet year after year the health of thousands of Canadians is imperilled on claims concerning unpasteurized milk which are just as admissible.

It is a fact that milk — the finest of all foods — is the most favorable medium among the commonly used foods for the spread of disease and that numerous epidemics have been caused by use of unpasteurized milk, but the proposal to place compulsory pasteurization on a Dominion-wide basis is still meeting with opposition.

The Health League of Canada's current drive for compulsory pasteurization legislation in the eight provinces outside Ontario, only one of the nine which has such a law, is still bringing forth the old arguments which have no basis of fact.

The opposition centres around claim that many present-day oldsters never heard of pasteurized milk in their youth, yet they reached their present ages without much trouble. Such claimants, however, fail to mention the number of persons who today have deformities, many of them crippling, suffered as a result of contracting milk-borne diseases. They also fail to mention the number of persons of their own generation who died from these same infections. They may have survived themselves, but there are survivors after all epidemics.

Then there is the argument that some food values are destroyed by pasteurization. Medical authorities state that none of the essential ingredients in milk is adversely affected by the heating process.

There is no evidence that pasteurization destroys any food element of which raw milk has an adequate supply — remembering that even milk is not a complete food. Pasteurized or unpasteurized, it is deficient in Vitamin C; tomato juice.

That is why infants are fed orange juice or Pasteurization affects neither the limited Vitamin D content, which likewise requires supplementing, nor the content of Vitamins A and B. The mineral salts are not affected.

The protein is rendered more digestible by heat, and the fat globules are more finely divided. Studies by the United States Public Health Service on large numbers of children show that those who are fed on pasteurized milk thrive just as well as do those to whom raw milk is given.

## THE FORUM

Conducted by Howard S. Ross, K.C., D.C.L.

In Which Subjects of General Interest Are Discussed

The opinions expressed in this Forum are not necessarily those of this newspaper, and it does not accept responsibility for them.

According to Col. George Mayo, an air engineer of the U.S. Army Air Force, Okinawa now is the scene of the greatest military engineering effort in world history. Thousands of men are working around the clock to complete the job in record time. When it is finished, Okinawa will be the greatest island air base ever seen. It will accommodate planes of every kind in profusion.

A small idea of the size of the project is provided by a few statistics. Okinawa will have more than 25 miles of paved runways. Counting the taxi-ways and service aprons, the island airfields will have a paved area equal to 400 miles of two-lane highways. And the smallest of these—the kind the Army calls a light-duty field—will be able to handle twice as much traffic as does La Guardia Field in New York.

"Soon," said Colonel Mayo, "we will have twice as many aviation engineers in the Pacific as ever served in the European and Mediterranean theatres combined."

"Never before — anywhere — have so many men with so much equipment been working so hard toward the same goal as on Okinawa."

Whey, formerly used only as swine fodder, is now being employed in Canada as a source of milk sugar for the manufacture of penicillin.

In 1914 U.S. Secretary of Labor Wm. B. Wilson said: "Within the last one hundred and fifty years the problem of production has been practically mastered, but methods of equitable distribution still are to be devised."

Adam Smith stated: "Labor, therefore, it appears, evidently is the only universal, as well as the only accurate measure of value, or the only standard by which we can compare the values of different commodities at all times and at all places."

Another benefit of high wages was thus emphasized by Dr. Wm. G. Gorgas, Surgeon General U.S. Army, who said: "If I should go into a community, such as Cuba, or Panama, and were allowed to select only one sanitary measure, but were at the same time given power to choose from all sanitary measures, I would select that of doubling wages."

With the commodity dollar, work is cheap and things are dear. The work-unit dollar will make things cheap and work dear. The gain in the moral tone of all businesses and all human intercourse, of such a change, would be of vastly more importance to humanity than the resulting pecuniary benefits, though they would be very great.

### Trinity Church

Trinity Memorial Church will hold two Memorial Services on Armistice Day to those who have lost their lives in defense of democracy in two great World Wars. The first will be the celebration of Holy Communion at 8 a.m. when those who have lost their lives since 1939 will be commemorated. The second will be held at 10.50 a.m. The morning service will begin at that hour instead of 11 o'clock to allow all the choir and congregation to be in their places before the two minute silence.

The processional hymn will be "For all the Saints." This will be followed by Prayers of Remembrance and Thanksgiving and the hymn "O Vallant Hearts". The organist, Dr. A. H. Egerton, will strike the hour on the chimes and then will play the Last Post. The two minutes silence will be followed by the Reveille, and after that will come the regular morning service. The lessons will be read by returned service men.

On Sunday evening the service at Trinity Memorial will be shortened to allow D. S. Penton, Head-caster of Lower Canada College, to address the congregation in the Church Hall, Sunday is the beginning of Education Week and Mr. Penton will discuss the question "What are our schools doing to our children?" This is also a

### Church of The Advent

Next Sunday being Remembrance Day, a Solemn Requiem will be offered for the souls of all who made the Supreme Sacrifice in both World Wars. All on the Honor Roll of the Parish will be remembered by name, and also others whose names are sent in. The service will commence at 10.50 a.m. in order that the two minutes' silence may be kept immediately after the introll.

### Calvary Church

Public Services of Worship, at 11 a.m. and 7.30 p.m., in keeping with Remembrance Day will be conducted in Calvary United Church, Westmount, on Sunday, by the Minister, Capt. Rev. T. W. Jones, M.A., D.D., who served overseas with Canadian Forces in both the war of 1914-18 and also in World War II that has just ended.

At the morning service Dr. Jones will preach on the theme, "Lest We Forget", paying grateful tribute to the men and women of the congregation who served, with special reference to those who paid the supreme sacrifice, there being no less than 16 whose names on the Honour Roll in the Church are marked with the Gold Star thus indicating that they gave their lives in the service of their fellowmen while on Active Service.

The evening service will be attended by Officers and Members of several branches of The Canadian Legion, B.E.S.L., including Remembrance No. 75; Service No. 175; Loyalty No. 275; Coronation 73; Westmount No. 39 and others, together with the Ladies Auxiliaries of the Branches. The deeply moving Ritual of Remembrance, with which regular meetings of the Legion are closed, will be used in this service, while the Colors are lowered in tribute to the memory of fallen comrades, before being carried in procession from the Church. Capt. T. W. Jones, Chaplain of Remembrance Branch, will be assisted by Officers of the Canadian Legion in the conduct of the Service of Worship and Remembrance. He will preach the sermon "From Vimy Ridge to Hong Kong," a pilgrimage to Canadian Altars of Remembrance. Comrades and members of Auxiliaries joining in procession are invited to meet in the Church Hall from 7 to 7.25 p.m.

## St. Luke's United

Remembrance Day Services will be observed in St. Luke's this Sunday. The minister, Rev. Ralph E. Spencer, will preach in the morning on the subject: "A Peace to End War". In the evening, a member of our Honor Roll, Captain the Rev. Cyril W. Foggo, B.A., B.D., will preach. Captain Foggo was with the 15th Field Regiment from Normandy to Germany. It is hoped that those in the community who would like to share in a service of tribute to the men who served and sacrificed their lives in World War I and II, and who may not be members of any particular church, will desire to join in this service.

The Crusade for Christ Committee was organized on Sunday evening following the evening service. Over one hundred people remained and showed great interest in The Crusade. Howard Ciley was elected chairman and Lorne Groves secretary. The conveners of other committees were also appointed. The executive meets this week to make helpful plans to reach all members and adherents of the congregation for active service in the Crusade.

Siegfried Schopflocher will give an informal talk on "People of Foreign Countries—Their Customs and Religions" at the Halfway Club this Saturday evening at 8:15 in the Ladies' Parlor.

In order to send Christmas boxes to members of our Honor Roll overseas, it is necessary to have the correct names and addresses. Please call Mrs. Pope, DE. 8503.

Remember November 16th, Thanksgiving Turkey Supper and Fair.

## Social and Personal

Mount Allison Federated Alumni, Montreal Branch, will hold their annual dinner meeting on Friday, November 16, in the Prince of Wales Salon at the Windsor Hotel. The guest speaker is to be the Hon. Ross Fleming-ton, former Principal Protestant Chaplain to Canadian forces overseas and now president of the University.

The executive of the Ladies' Auxiliary, Canadian Pacific, Quebec No. 96 Branch of the Canadian Legion met on Thursday evening at the home of Mrs. W. Gatenby, Wilson Avenue. Following the business session, a social hour was enjoyed. Refreshments were served by the hostess, and Miss Myrtle Gatenby sang "The Holy City", with "Little Brown Owl" as encore.

Gunner David Urquhart, who recently arrived home from overseas, spent some time with his brother B.S.Q.M. Charles Urquhart, R.C.A., and his brother's fiancée, Miss Audrey Adams, at the latter's home in Hindhead, Surrey, prior to sailing for Canada.

Miss Dorothy L. Ward, Phillips' Training School for Nurses, has been granted leave of absence in order to take a post-graduate course at the School for Graduate Nurses, McGill University.

Miss Virginia Kleker, of Pasadena, California, is spending some weeks with her sister, Mrs. F. M. Donovan of Earnsccliffe Avenue.

Miss Audrey Downing, who has been at her home at Corner Brook, Newfoundland, on extended leave from her duties at the Homoeopathic Hospital, returned here yesterday morning.

### ENGAGEMENTS

The engagement is announced of Miss Kay Walsh, eldest daughter of the late Mr. and Mrs. Mark Walsh to Mr. Fraser-Crowdis, eldest

son of Mr. and Mrs. F. Crowdis, the wedding to take place at St. Ignatius of Loyola Presbytery on Saturday afternoon at two o'clock. Afterwards a reception will be held at the home of the groom, at 2207 Oxford Avenue.

Mr. Fraser Crowdis was a Flying Officer in the R.C.A.F., and was three years overseas, serving in Gibraltar, North Africa and England.

### WEDDINGS

#### JASMIN-FABIEN

The marriage of Miss Jeannette Fabien, daughter of Mr. and Mrs. Lucien E. Fabien, to Dr. Alban Jasmin, son of Dr. and Mrs. J. H. Jasmin, of Notre Dame de Grace, was blessed by the Rev. Father L. P. Fafard, Provincial of Les Clercs de Saint Viateur, at ten o'clock on Monday morning, October 29, at the Church of Notre Dame des Neiges. The sanctuary was banked with chrysanthemums, white pompoms and roses and the pews were marked with identical flowers. Palms and ferns decorated the main aisle. During the Mass, Miss Jeanne Desjardins and Mr. Gerald Desjardins rendered vocal music. Mr. Bernard Gratton presided at the organ. Mr. Fabien gave his daughter in marriage, and Dr. Jasmin, Sr., was best man for his son.

The bride wore a gown of snow white satin, in Victorian style, ending in a long full train, the bodice and skirt encrusted with tulle and silver filigree. Her veil of tulle illusion was held in place by a satin band, and she carried a colonial bouquet of gardenias and white carnations.

Miss Monique Fabien, sister of the bride, acted as maid of honor, and was gowned in golden wheat crepe, Renaissance style, with a lace cap and carried a muff of Talisman roses. Mr. Gaetan Jasmin, brother of the groom, was gentleman of honor. Messrs. Andre and Pierre Fabien, brothers of the bride, Dr. Florent Jasmin, another brother of the groom, and Messrs. Jean Archambault and Lionel Forgues acted as ushers.

Mrs. Fabien, mother of the bride, wore a French dress, gentian shade, a small ostrich hat of the same shade, and a corsage of orchids. Mrs. Jasmin, mother of the groom, was gowned in French campanula crepe, with a small Bird of Paradise toque and carried a purse of roses.

The reception following the ceremony was held in the Rose Room of the Windsor Hotel. The bridal couple left on their wedding trip to the Laurentians, New York and Bermuda. Mrs. Jasmin's going-away costume was a two-piece blue wool dress, trimmed in Russian squirrel, a hat to match and alligator accessories.

MRS. ALBAN JASMIN

Mrs. Jasmin was formerly Miss Jeannette Fabien, daughter of Mr. and Mrs. Lucien E. Fabien. Her marriage to Dr. Alban Jasmin, son of Dr. and Mrs. J. H. Jasmin, of Notre Dame de Grace, took place on Monday morning, October 29, at the Church of Notre Dame des Neiges. Photo by Annette & Basil Zarov

### Egerton School Trained Attendants Wear New Insignia

Graduates of the Egerton School for Trained Attendants are contributing largely in relieving the shortage of nursing help in the City, and the school has been congratulated upon for the splendid work which it is doing in serving the public at this time of emergency.

As a new measure and distinguishing feature, particularly now when trained attendants are assisting in hospitals, trained attendants of this school are wearing insignia on their uniforms which are recognized in this order:

#### Green

Junior Trained Attendant: Two months' hospital experience is required in conjunction with this course. After classroom examinations have been satisfactorily completed, trained attendant wears the green insignia until hospital term is finished.

#### Gold

After completing course and hospital experience, trained attendant must put in 180 days of supervised satisfactory nursing before receiving diploma—during this period gold insignia is worn.

#### Violet

After trained attendant has merited diploma, she is recognized as a Senior Trained Attendant by the violet insignia.

## 17th Hussars Announce Date Christmas Party

Saturday, December 15, has been announced as the date of the 17th Hussars' Christmas Party to be held at the Cote des Neiges Armory for the wives and children of all ranks. Chief feature of the occasion will be the Christmas tree and there will be entertainment for the children and refreshments.

Arrangements are being made to enable as many wounded veterans of the Regiment as possible to be present at this affair.

Applications, giving name, address and number of children with their ages (up to 15), as well as the name and regimental number of the soldier, must be sent in by November 15, either in writing to "The Ladies' Association, 17th D.Y.R.C. Hussars, 4185 Cote des Neiges Road," or by phone to Mrs. B. W. Newsam, ELwood 1675, so that tickets may be forwarded to applicants.

## Fashion Institute To Sponsor Show Of Spring Fashions

The Montreal Fashion Institute will sponsor a fashion show on Tuesday afternoon, November 27. The show will be held on the Normandie Roof of the Mount Royal Hotel.

Montreal's finest makers are co-operating with the Institute to make this an event worthy of the fashion metropolis of Canada. Each of the manufacturers concerned will contribute a number of new Spring styles and the show will officially open the Spring Season in Montreal.

The fashions to be featured will be dresses, furs and millinery and over sixty pieces of each will be modelled. Spring Style Revue will be the first effort of its kind to be attempted in Canada, and emphasizes the fact that the fashion industry now ranks amongst the biggest in the manufacturing field of Canada. Actually, women's fashions is the biggest industry in Montreal.

### Board Meeting

The Notre Dame de Grace Women's Club Board of Management will hold a meeting on Tuesday, November 13, at 2.30 p.m. in Victoria Hall.

# SPCA Fashion Show And Dogs Great Hit At Victoria Hall

It was an amused and appreciative crowd that packed Victoria Hall on Saturday afternoon for the Fashion Show, complete with a showing of several notable dogs, which was put on in aid of funds for the Society for the Prevention of Cruelty to Animals. The display of striking gowns, coats, etc., modelled by local talent, was accompanied by a running commentary by Doreen Day, Fashion Director of the T. Eaton Company, who in private life is Mrs. Peter Troup. She is a member of the executive committee of the S.P.C.A., and was largely responsible for organizing the entertainment for the Society's funds.

Not only the latest in feminine fripperies and practical clothes was exhibited, but also the dapper cri as regards clips and hairdos in the canine world.

A most attractive selection of pedigreed animals had been secured. Some of the younger doggies were too shy to bear with equanimity the "greatness thrust upon them," and their shy demeanors gave the impression that they'd gladly have traded in their erstwhile stardom and spot in the limelight for even a medium-sized bone or a hug from "their own folks."

### Victorian Picture

Under Mrs. Day's experienced and skilful direction the show opened with a charming Victorian tableau vivant. A model in the costume of 1880 posed on the stage with the favourite dog of that period in her arms, and then paraded down the runway to rounds of applause. The canine was Miss Winnifred Steggall's pug dog, May Queen, who was very well contented with her role. May Queen's sire (owned by Miss Steggall), Montreal West, an interna-

tional champion pug, was also shown. A pair of poodles, with the last word in poodle hair cuts, were most decorative and friendly. Talsker's Mighty Atom, a Skye terrier, bred by Mrs. Percy Adams of Westmount, and owned by Mrs. G. S. B. Mack, won everybody's heart, as did a Bedlington terrier, a Kerry blue terrier, collie and all the others. Mr. Jones, Doreen Day's own particular friend, lay at her feet all afternoon on the platform, in his own doggy way co-operating to "put the show over" for the S.P.C.A.

The gowns modelled showed the latest trends in fashion such as the peplum suit, the fur coat, the vogue for sequins, the use of one kind of material with that of another and the skilful combination of different colors in definite contrast. A fetching ski suit in white with color was much admired, and the formal gowns and short formal dresses complete with stunning accessories, were eloquent of the manner in which designers and manufacturers have risen to the challenge of scarcity of materials and labor.

The soft rounded shoulders with the semi-dolman sleeve and tight little waist, were seen to advantage. Mrs. Day warned, however, that a somewhat tighter sleeve is kinder to the short woman. Chokers are on the way out, she prophesied, yielding their place in popular favor to the necklace that lies more loosely at the base of the throat. Leisure clothes are extravagantly beautiful, a favourite being a satin trousered model with exotic contrasting coat which can be removed to reveal a bare midriffed satin top.

Mrs. A. E. Carter, president of the S.P.C.A., introduced Mrs. Day. H.S.

## Westmount C.W.L. To Hear Address On Prisoners Of War

The next regular meeting of the Westmount subdivision of the Catholic Women's League will be held in St. Leo's School Hall on Friday, November 16, at 3 o'clock.

It will be Magazine Day, under the convenership of the president, Mrs. Edmund Foster, who will be in the chair.

The guest speaker will be Lt.-Col. D. J. O'Donoghue, who will

talk on "Prisoners of War." Donagh, subdivision chaplain, The Rev. Wilfrid E. Mc-will introduce the speaker.

## Willingdon Ass'n Will Feature Education Week

As a special feature of Education Week, which is being observed throughout Canada and the United States two outstanding speakers will be presented by the Willingdon Home and School Association at next Tuesday's meeting: Mrs. Theodore B. Hughes, whose subject will be "The Influence of the Home on the Child", is first and foremost a mother. She is at present busy in the Social Work field among children. As a graduate nurse with a great deal of experience in Parent Education, Mrs. Hughes has an inspiring message for all parents.

The second speaker will be Prof. James M. Paton, Chairman of the Department of English, Macdonald College and McGill School for Teachers. His subject, "The Problem of Individual Differences" will deal with the influence of the school. Miss Elizabeth Champion, one of Willingdon's Kindergarten teachers will entertain with piano solos. The president, C. Wolf Eagle will be in the chair.

The executive committee are happy to report that every teacher in the school has enrolled for membership in the association and the membership now stands at the highest figure in the association's history.

### SERVICEMEN ON LEAVE MAY GET RATION BOOKS

Servicemen on pre-demobilization leave and men from the Army on industrial leave may secure ration books by applying at their local ration board or their nearest ration branch, the Prices Board has announced. Men on indeterminate leave will secure the application form by presenting their furlough form.

## SCHEDULE DRAWN UP FOR WCTU ADDRESSES BY MISS EDNA GRANT

Miss Edna Grant, of Vancouver, B.C., Field Secretary of the Canadian Women's Christian Union, will visit here for a week from November 15 to 22.

While here, Miss Grant will visit and address various groups on subjects relating to temperance. She will speak to the pupils in several of our larger schools, and on Sunday morning, November 18, will occupy one of our City pulpits, and in the afternoon address two Sunday schools.

On Friday evening, November 16, a young people's gathering to be addressed by Miss Grant, will be held in the Seventh Day Adventist Church, Western and Oliver Avenues, under the auspices of the Youth Temperance Council, to which all young people are invited.

On Thursday evening, November 22, a public Rally will take place in First Baptist Church, to which the W.C.T.U. invites all friends of temperance, both men and women.

### THE ANSWER

John Lund, appearing opposite Olivia de Havilland in Paramount's "To Each His Own," believes in an honest answer to an honest question. An interviewer asked the actor's ambition. To which Lund replied, "To retire."

## ETHELWYN HOBBS TO SPEAK ON F.A.O.

In Britain every school child regardless of means is to have a hot school lunch. France is about to inaugurate a complete rural program of community life. In China, dietary stations are to be set up in 21 provinces to teach 360 million rural Chinese not only what to grow but how to cook food in order to obtain the greatest value. These are but a few of the very interesting facts that Ethelwyn Hobbes has brought back to Montreal from the Food and Agriculture Organization Conference in Quebec City.

She went to the Conference with three specific questions in mind. What is the general picture of world supplies? How can rural life be made more attractive? Finally, how can the world standard of living be raised? Through attendance at all the general sessions when representatives of the United Nations spoke to the delegates, and through personal interviews with many of the representatives themselves, she has returned with the questions well answered and is now getting her extensive and valuable notes in broadcasting form to pass on to her CBC Trans-Canada listeners. Some of these notes she has already given in her talks from the CBC studio set up at the Conference.

Ethelwyn Hobbes is heard daily in a 10.30 a.m. daily commentary from Montreal. She is also on the air one afternoon a week at 4.15 in a fifteen-minute talk on Tuesdays.

### DOING BETTER NOW

Bill Goodwin, who plays the role of Sherman Billingsley, colorful owner of New York's famous night club in B. G. DeSylva's "The Stork Club," once had a third interest in an unsuccessful San Francisco night spot.

## C.W.L. Drama Group To Present Play Of Gaslight Era

An evening of laughter and lively entertainment which should not be missed by anyone, is being prepared by the Drama Group of the Westmount C.W.L.

Rehearsals are well under way

for what promises to be a hilarious play.

"Dirty Work at the Crossroads" or "Tempted, tried and true" is a gay Nineties' melodrama, bringing to life characters of the bustle and gaslight period.

The production is under the convensership of Mrs. Roy A. Patterson, and directed by Joy Thompson.

### C.W.L. Study Club

The first meeting of the Study Club of the Westmount Sub-division, Catholic Women's League, will be held at the residence of Mrs. J. T. Rogers, 695 Lansdowne Avenue, on Wednesday at three o'clock.

An interesting program for the season is being planned by Mrs. H. P. Nightingale, the convener. All the members are cordially invited to attend.

### Black Watch Kin

An entertainment by Mr. and Mrs. Whitfield Ashton will be given at the regular monthly meeting for relatives of the personnel of the Black Watch (R.H.R.) of Canada on active service to be held in the Armoury at 7.30 p.m. tonight.

Refreshments will be served, and finished work will be taken in. Returned men accompanied by their families will be welcome.

### Safe Stairs

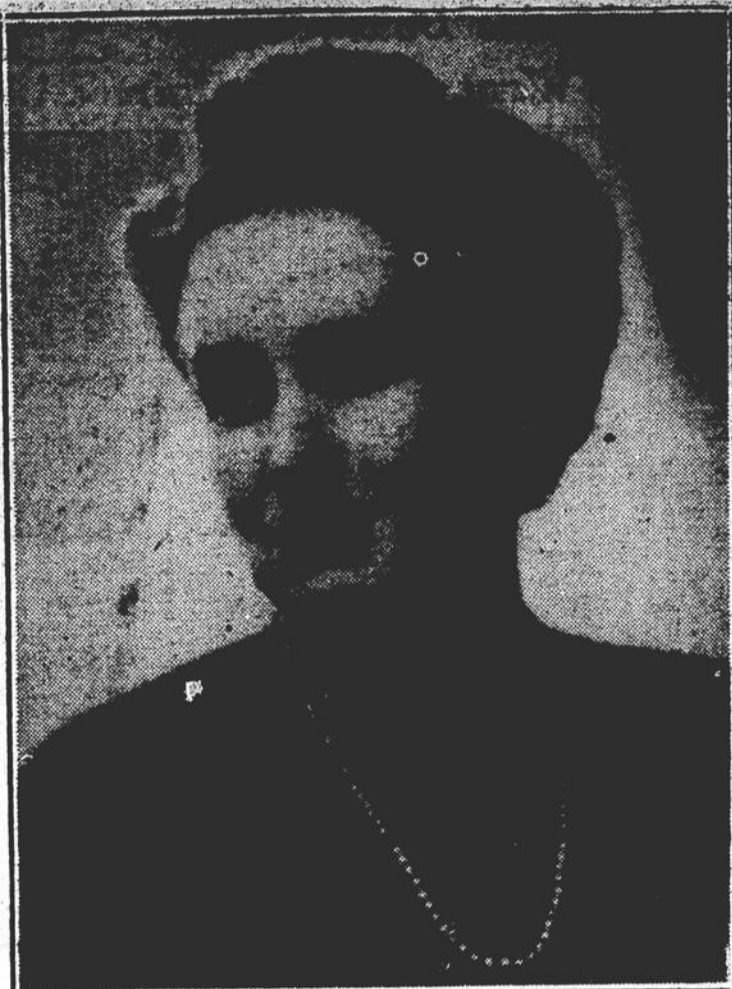

Store screens and storm sash at ground level, if possible, then there is no need to carry them up and down the basement stairs. Such stairs, in any case, should have a securely-braced and continuous hand rail as a safety measure.

Other safety measures for the basement are the clear marking of the main gas and water valves so they may be quickly closed in an emergency.

If the condensation of moisture from water pipes collects on the floor, making a slipping hazard, wrap the pipes with several thicknesses of felt.

Keep all stairs free of bundles, baskets, boxes, brooms and all other things; and the overhead should be clear too—no low hanging clothes lines, or pipes.

Provide good daylight and plenty of the most efficient ceiling and working lamps.

### WILL PLAY IN C.W.L. PRODUCTION

Mrs. A. de Lotbiniere MacDonald, member of the Drama Group of Westmount subdivision, Catholic Women's League, who will play the part of Mrs. Astor in the production which will be staged in Loyola Auditorium, Nov. 20 - 21.

### Local High

(Continued from Page 1)

schools and elementary schools since 1919 Mr. Heslam showed that while attendance at elementary schools has dropped from approximately 26,000 to 19,000, due largely to a decrease in the birth rate, attendance at high schools has risen from about 2,000 in 1919 to more than 7,000 this year. The results have been: overcrowding, and the addition of a large group of non-academic students for whom the curriculum does not provide. The schools have in certain cases been slightly enlarged, he said, but for the non-academic students "we need immediately facilities for Home Economics, Commercial subjects, Industrial Arts and Social Studies."

Mr. Heslam, who is past president of the Provincial Association of Protestant Teachers, was introduced by R. G. Burgoyne and thanked by A. B. Williamson. High school guests of the Club this week were Paul Iverson and Adam Brzezinski, both of 4th Year High, St. Leo's Academy.

### Education Essential

The speaker drew a parallel between the popular attitude towards high school education when he was a youth and now. Then, he said, if one didn't pass exams, they left school and took a job. But today high school is a prerequisite for getting any worth while job. Today's youth is entitled to education, he added, and it is up to us to determine what type of education he is most suited to and then see that he gets it.

Referring to the importance of participation in athletics, Mr. Heslam said that "although West Hill is noted for its fine football team" he is not really in favour with the present system which allows too few players to participate, but rather prefers the English system which allows all to take part.

One of the essential faults with the existing high school curriculum, he said, is the fact that in this province French is a compulsory subject towards winning a high school leaving certificate. Some students are not linguistically inclined, he pointed out, and therefore, when this fact is established, should be allowed to drop the subject and take up something else more suited to their capabilities.

### Stanley W.A.

The regular meeting of the W. A. of Stanley Presbyterian Church will be held in Franklin Hall Memorial on Tuesday at 2.45 p.m. This meeting will take the form of a shower for the December 1st Bazaar. During the afternoon, Mrs. J. A. MacEwan will lead a discussion on "Post-War Problems of the Household Worker". All members and friends are cordially urged to attend.

## Protestant Churches Organize Largest Inter-Church Mission

Protestant churches in Montreal have joined together to organize what is expected to be the largest inter-church mission ever held in this city, between Nov. 18th and Nov. 23rd, when Dr. E. Stanley Jones, who is considered one of the outstanding missionary evangelists of the world, will deliver a series of addresses to mass meetings in Christ Church Cathedral, to youth rallies, and to other groups.

Details of these will be released later by the committee in charge, headed by Rev. A. Lloyd Smith, M.A., D.D., membership of which includes: Very Rev. Kenneth C. Evans, M.A., D.D., Ph.D., Dean of Montreal, Anglican; Rev. J. A. Johnston, B.A., D.D., Baptist; Rev. A. S. Reid, B.A., B.D., D.D., Presbyterian; Lt.-Col. Matt Junker, Salvation Army; H. C. Cross, Y.M.C.A., General Secretary.

With over thirty years experience in India, Japan, Korea, Burma, China, Malaya and other

Oriental countries Dr. Jones has three times refused election as Bishop in the Methodist Church in order to continue his missionary work in the Far East. The principal cities of South America heard him a few years ago and he has an enormous following in the United States and Canada.

A native of Clarksville, Maryland, Dr. Jones is the author of eleven books, which have run to over 900,000 copies and have been translated into more than twenty foreign languages. His "Christ of the Indian Road" is probably his best known book.

Most young children prefer red, and red still holds a high place in the esteem of teen-agers. It's a stimulating color, an exciting paint shade. It finds small favor among older people, however; probably because with age comes a greater desire for more restful thoughts and hence more restful paint colors.

## GOOD MATTRESS SMOOTH SHEETS AID BEAUTY SLEEP

SUSANNA FOSTER: Vital.

Maybe you get all the "beauty sleep" you need, but how efficient is it? Unless it can pass this test—you must be able to awake from it willingly and wide-eyed—it can't be called "beauty sleep" or yield all the benefits that the name implies.

For improving the quality of your sleep, let's check into Hollywood's methods, where regular habits of going to bed and getting up prevail, despite the belief that the life of a star is a glamorous whirl.

Besides turning in and turning out early—pre-midnight hours are said to be the best for beauty sleep—a Hollywood gal sleeps on a mattress that correctly supports the body, and between good sheets, because she knows that smooth quality is also a factor upon which sound slumber depends.

Sleep thieves—light and noise—are barricaded out of her bedroom by drawn curtains or sleep shades to shield eyes, and by wax stopples to keep ears immune to disturbing sounds.

Insomnia which many people make the mistake of pooh-poohing, is seriously regarded in Hollywood.

## LONG SKIRTS BACK IN FASHION PICTURE

Restrictions on the manufacture of wedding gowns, dinner and evening dresses and evening skirts have been removed, the Wartime Prices and Trade Board announced.

While these restrictions are being revoked, the system of production directives designed to increase the manufacture of essential garments is being retained and controls which conserve yarns and fabrics used in these more essential garments are being continued.

Cancellation of these restrictions brings Canadian clothing regulations in line with those of the United States, Board officials stated.

Recently there has been detailed consultation between the authorities in Canada and the United States on the subject of textile supplies and agreement upon a co-operative program has been reached. In both countries it is agreed that existing orders which restrict certain styles of women's cotton and rayon apparel will be continued in the interests of fabric conservation and for price control reasons.

## Open Forum At Stanley

The Presbytery of Montreal are conducting a Religious Conference in Stanley Presbyterian Church on Wednesday next. In the morning Dr. W. Stanford Reid of the Presbyterian Church, Town of Mount Royal, will read a paper on "The Church and its Relationship to the State". In the afternoon the Rev. E. J. White, Minister of St. Matthew's Church, will speak on the subject "The Church and the Working Man". These two meetings will be for the Clergy.

At the evening meeting at 8.30 o'clock, which will be open to the public generally, the Speaker will be Professor G. H. Kimble of McGill University, and his subject will be "The Church and the Returned Soldier". At all of these meetings when the Speaker has finished his paper, there will be an open Forum conducted, during which free and frank discussion will be invited. These meetings, dealing with such vital subjects as they do, should be most profitable to all who can attend.

## Servicemen On Leave Given Suit Priorities

To meet the needs of men leaving the army who are now being placed on indeterminate leave without pay to accept civilian employment and those from the other services who go on leave prior to discharge, the Prices Board has announced that these men may secure a priority certificate for the purchase of a civilian suit.

Men proceeding on pre-discharge leave will be issued a priority suit purchase certificate by their service orderly room. Men on extended leave without pay may obtain a certificate through any branch office of the Ration Administration or any local Ration Board on presentation of their Industrial Leave Furlough form.

## Turn Upside Down, Girls If You Want Lustrous Hair

MICHELINE CHEIREL: Hangs head to stimulate scalp.

The scalp, one of the farthest outposts of the bloodstream, sometimes protests its isolation by producing lack-lustre or lifeless hair.

That's why Hollywood, employing every known means to coax more sprakle and color into hair, goes in for head-dangling in a big way.

To induce blood to rush to the scalp is why heads are tilted even when movie stars relax and take

their ease. That is also the best position in which to brush your hair, says Micheline (Cornered) Cheirel. By brushing hair up and out while her head dangles from the bed or the arm of a chair, she says she further speeds the rush of blood to that extremity. While her head is still lowered, Micheline massages her scalp by rotating her finger-tips briskly overhead, making her scalp move as well as her fingers.

## A HOME OF HER OWN

The girls in khaki and blue have their hearts set on a home of their own rather than a career, it would seem.

The re-establishment credit of

85% of the girls discharged from the services up to the end of August, a sum totalling \$79,630, has been used to buy furniture and household equipment. None of the girls has yet used her credit to purchase a business.

## Children's Books Donated Library

A practical expression of thanks for kindness shown two British evacuees, mother and child, was received recently by the N.D.G. Library for Boys and Girls in the form of eight fine books. They were donated by Mrs. Grover, of Bramhall, Cheshire, England, in the name of her daughter, Shirley P. Grover. An accompanying note reads: "This is a small token of appreciation and thanks for the generosity and kindness shown to Shirley and to her mother during their stay in Canada from 1940 to 1945."

Other welcome gifts have been received, including a beautiful copy of "The Adventures of Kton-Ton," donated by the Women's Auxilliary of the Shaar Hashomayim Synagogue in Westmount. A large box of about 60 used books were sent by R. Wodey, of Montreal West, and 12 have been received from Mrs. D. McIntyre, 5217 Sherbrooke Street, West.

Used copies of "The Scarlet Pimpernel" would be appreciated as this popular book is now out of print.

Anthony Roach, 14, 3782 Oxford Avenue, has proven to be an omniverous reader. He has just completed his fourth library card, showing that he has read 84 books, many of them dealing with science, nature and geography.

Grace Crooks, head librarian of the Montreal Children's Library, who is in charge of the N.D.G. Library for Boys and Girls, read a paper at the first convention of the Quebec Library association, entitled "Public Libraries in the World Today."

A bottle of beer in Poland costs \$8. It's probably very effective in keeping tight people from getting that way.

## Griddle Cake Sunday Treat

Good food in an appealing form . . . bran griddle cakes as a breakfast surprise.

For Sunday's breakfast or any special occasion, serve bran griddle cakes with syrup, jam or honey. It is good food in an appetizing form!

### Bran Griddle Cakes

(Yield: 15 Cakes)

Two eggs, ¼ cup sugar, 2 ¼ cups milk, 3 cups sifted flour, 2 tablespoons baking powder, 1 ½ teaspoons salt, ½ cup melted shortening, ½ cup bran.

Beat eggs and sugar until light and fluffy; add milk and mix well. Sift flour with baking powder and salt; add to first mixture, stirring until flour disappears. Add shortening. Fold in bran. Bake on hot griddle, turning only once.

Looking for a dessert that calls for no sugar?

### (Makes 16 Two-Inch Squares) Fudge Nut Squares

One package (7 ounces) chocolate bits, 2 tablespoons shortening, 2 eggs beaten, ½ cup corn syrup, ½ teaspoon vanilla, 1 cup cake flour, sifted; ½ teaspoon baking powder, ½ teaspoon salt, ½ cup nuts, chopped.

Melt chocolate and shortening over hot water. Beat eggs thoroughly, add corn syrup and vanilla, and beat until light and fluffy. Stir in melted chocolate and shortening, which have been slightly cooled. Mix and sift flour, baking powder and salt. Add to chocolate mixture. Stir in nuts. Pour into greased 8-inch square pan. Bake in moderately hot oven (375 degrees F.) 25-30 minutes.

## Cheap Air Fares Across Atlantic

Not only the Government but all Canadians interested in flying the Atlantic are vitally concerned about Pan American's 8-cent a mile bombshell dropped plumb in the centre of the air conference in Montreal recently.

The bombshell was the announcement by Pan American World Airways that it had slashed the one-way fare from U. S. to Britain to \$275 for single passage and \$495 for the round trip, reports The Financial Post.

This works out at about 8 cents per mile, single fare, for the 3,500 mile New York-London trip. It compares with a present transatlantic rate of \$525 or 15 cents per mile for a single trip. Pre-war flying boat fares from U. S. to U. K. were quoted at \$375 single and \$675 round trip.

375° F, for 35 minutes. Sprinkle with cheese, cover with bread crumbs. Return to the oven for 10 minutes. Six servings.

## New French Ersatz Handbags Need Their Own "Raincoats"

Handbags of all sizes and varieties set forth to carry their share of the fashion accessory scene, and are fully as important as ever. Whether made of fabric or leather, they remain just as high in price, though perhaps a shade smaller to carry. However, the bags are very attractive, and designers here and in the United States have not been reduced to using rat-skins, the only kind of leather allowed at present in France for the manufacture of handbags and gloves, according to Ivan Kessler of Dofan Bags. He has just returned to New York from Paris, bringing back with him the first group of handbags made in France since the end of the war.

### Touch of French Genius

In this collection are bags made of ersatz materials—combinations of paper and cellophane largely, and lined with papers printed in color to resemble leathers. This doesn't sound very exciting, yet with that inimitable touch of genius which the French possess so naturally, these bags are extremely interesting. Colors play an important part, and nearly all bags are of more than one color. But

land on the occasion of the visit here of the Lockheed sky beauty now to ply Ocean skyways.

one thing you must never forget is your handbag's raincoat. If you do, ersatz bags are liable to disintegrate in the first shower.

One particularly nice design in this French group, which is being reproduced here in more substantial materials, is called the Stirrup Bag. A pouch type, it has for its handle a stirrup of aluminum washed in gold.

### Leaves Hands Free

The practicality of bags which swing and leave your hands free for other uses is marked in all lines. A Bicycle Bag, not unlike the old-fashioned chatelaine, swings from a belt of matching leather. Python, with its bright bold scales, is used in combination with suede in this model. Double postilion bags indicate that people still expect to do considerable fetching and carrying in their handbags.

Koret fashions the shoulder-strap bag with a concave line to hug your side. Looking toward a dressy season, this designer finds delightful uses for satin in both box and soft bags. His Ballet Box—about the size of a two-pound box of candy, but much lighter—is made of crepe satin in Kelly green with the lid encrusted in gold embroidery and pearls.

### TOMATO BARLEY CASSEROLE

¾ cup barley (about 2 ¼ cups cooked)  
2 ½ cups boiling water  
3 cups canned tomatoes  
½ cup diced cooked carrot  
¼ cup sliced raw onion  
1 teaspoon minced parsley  
½ teaspoon salt  
¼ teaspoon pepper  
½ teaspoon celery salt  
½ cup grated cheese  
¼ cup bread crumbs  
Cook barley in boiling water, 20 minutes. Mix with tomatoes, carrots, onions, parsley and seasonings. Pour into a casserole. Bake in a moderately hot oven,

# Film Version Of Prize Novel Stars Field-Scott

"The Southerner," the Jean Renoir production which opened yesterday at the York United Theatre, is the story of a man who loved the earth with an intense devotion. Flanked by his loyal and spirited little family, he struggles to make a living from the land, battling the elements with the courage that is born only of a sublime belief in an ideal and the determination to carry it to fulfillment. It is a story that never lets go of your heart.

Sam Tucker is our hero. As played by Zachary Scott he is a real person, the sort of American infused with all the sturdy qualities of our pioneer ancestors. His wife is equally courageous, taking her place beside her man and being one with him all the way. Director Renoir could not have made a better choice than Betty Field for this role. She is Sam Tucker's wife, not Betty Field. No greater tribute could be paid any actress.

The rest of the family consists of Granny, a shrewish and bright-eyed old crone, delightfully portrayed by Beulah Bondi, and the children, Daisy and Jot. All together you will be proud of these people. They are the sort that made our nation great; people

who will never let our nation die. "The Southerner" is a United Artists release, adapted from George Sessions Perry's prize-winning novel, "Hold Autumn In Your Hand." In addition to Miss Bondi, the supporting cast includes J. Carrol Nash, Blanche Yurka, Percy Kilbride, Charles Kemper, Noreen Roth and Norman Lloyd. They are vivid characters in this fine and poignant screen play.

## NEWSPRINT BOOM

In 1946, with all production restrictions in the newsprint industry removed for the first time in the past decade, chief threat will be an added stimulus to higher costs, in the opinion of industry leaders, reports the Montreal correspondent of The Financial Post.

There is no question of demand for all the newsprint mills can produce over the next year. The whole problem is production, and the key to increased output is more workers, more in the woods and more at the machines. There will be a rush by each company to post as many men to the woods as possible for increased supply of pulpwood, and to add skilled machine workers in the mills, it is predicted.

**OUT OF THIS WORLD!** Eddie Bracken and Veronica Lake in a scene from the Hit film "Out Of This World" which starts Saturday at the Seville United Theatre. Cass Daly and Diana Lynn are also featured in the picture.

## Ex-Service Show At His Majesty's

Wednesday night, at His Majesty's Theatre, will mark the gala premier of The Ex-Service Show. Featuring a cast of more than 25 ex-Service men and women from Canada's Navy, Army, Air Force and Merchant Marine, the variety revue will star Hughie Green, with Norman Wilkes, Ray Maranda, Alan Newel, Gill MacKenzie, Daphne Carroll, Margot Hitchcock and others.

The Ex-Service Show will carry its own portable stage, lighting equipment, switch panel, public address system and make-up tables complete with mirrors and chairs. They will entertain from armouries, halls and theatres across the Dominion this winter.

By no means an amateur production, The Ex-Service Show may be compared with the famous Dumbell of the last war. A highly accelerated, two hour variety program, crammed full of music, song, comedy and gorgeous costumes, this all-veteran revue is not a lavish extravaganza, according to a statement made by Hughie Green, co-producer of the show.

"Bob Tufts and I are financing this production out of our own pockets, so it would be absolutely impossible for us to think of anything so pretentious. I have the feeling though, that some people expect a combination Ziegfeld-Shubert production. This is not so, and The Ex-Service Show is not being advertised as such," he concluded.

# New Technicolor Musical Sparkles With Song Hits

Mac Gordon and Harry Warren, Hollywood's top tune team, have written the best score of their careers for "Billy Rose's Diamond Horseshoe," the spectacular new 20th Century-Fox Technicolor musical, held over until Friday night at the Monkland United Theatre. The brilliant hit stars Betty Grable and Dick Haymes with an outstanding featured cast.

In the musical number "Acapulco," a Mexican fantasy, she sings the catchy tune and is at her most eye-filling best in the routine created for her by Hermes Pan.

The excellent songs which Mack Gordon and Harry Warren have composed for Dick Haymes

give him full opportunity to secure his newly won position in the zenith of screen stardom. He introduces two love songs—"I Wish I Knew" and "The More I See You"—that have every promise of hitting the top of the hit parade.

"Cooking Up A Show," gives William Gaxton, long-time Broadway idol, a chance for his inimitable interpretation.

For the song, "The Old And The New," Beatrice Kay, Billy Rose's "Gay Nineties Girl," matches her Victorian numbers against Betty Grable's swing tunes. Betty sings to the accompaniment of Carmen Cavallaro, latest musical rage.

# Alpha Omegas Plan Dedication

A short service of dedication for Remembrance Day under the leadership of Max Ford will be included in this Sunday's programme at the Young People's Alpha Omega Society meeting at St. Andrew's Church, Westmount. It will be followed by a programme of music, both swing and symphony, under the leadership of Tom Pavlasek. Popular adaptations of the classics, as well as classical recordings, will be played, plus a musical quiz.

A successful party was held on Halloween, when more than 55 young people were present in masquerade costumes. There was fun for everyone in the form of novelty games and dancing, followed by refreshments. Another party is planned for sometime in November.

South American ways of living was the topic for the Sunday evening meeting when films, sponsored by the National Film Board, were shown. Donald Harvie was the soloist for the evening.

An Executive meeting scheduled for Tuesday, November 13, is planned to take the form of a party. All members holding executive positions are expected to be present.

All Alpha Omega members and their friends are reminded of the feature programme of the month to take place on November 18, when Douglas Walkington of Canadian Industries Limited will speak on "Plastics and Their Place in the World of Tomorrow."

New members are always welcome at Alpha Omega meetings.

# Broadway Sensational Hit "Snafu" Presented By MRT

Known theatrically as Production No. 96 of the Montreal Repertory Theatre's sixteenth current season, Snafu, which opens at the Guy Street Playhouse, Friday night, November 30th for a week's run, was a sensational hit on Broadway just about this time last year.

Written by Louis Solomon and Harold Buckman, Snafu is a delightful comedy about a young boy who enlists, and because he is under age, is brought home by his parents. But the little boy who went away and the "Sarge" who returns are two entirely different people.

Snafu is funny, but it's not as funny as all that. For it comes a

little too close to home to be riotous. As well as being the story of a young chap home from the war, Snafu is also the story of "clivvy street"; the amusing side of a soldier's rehabilitation problems with an undercurrent of seriousness. Enough seriousness to make it topical. Enough humour for it to be first class entertainment.

Directed for MRT by Mildred Mitchell, with stage settings created by Hans Berends, Leo Ciceri, an extremely talented young performer will be seen in the featured part of Ronny Stevens. Miss Mitchell will play his mother and Rudolph Stoekel, remembered for Guest In The

House and There Shall Be No Night, will portray Ronny's father. Supporting players are Heather Murray, Clem Boyd, Paul Brennan, Valerie Lewis, Jean Macnab, Gordon Jones, Mary Louise Bampton, Phil Ford, Sid Jolley, Jeanne Castellani and others.

First produced by George Abbott, October 25th, 1944 at the Hudson Theatre in New York City, Snafu starred Billy Redfield with Elspeth Eric and Russell Hardie. Snafu will be presented by MRT, November 30th to December 8th at 8.45 p.m. (except Sunday) with a matinee at 2.30 p.m. on the last day.

# Annual Art Exhibition

The Annual Non-jury exhibition of the Independent Art Association, Inc., will be held in Victoria Hall, from Nov. 16 to 23, open to the public free from 1 p.m. to 10.30 p.m., daily (except Sundays).

Artists desiring to exhibit may secure information regulations and entry forms by writing the Secretary, 4076 Highland Avenue, 6. The listing of exhibitors closes on November 8, and all works are to be received by November 13. Only original paintings shall be accepted.

The series of "Artists in Action" will be continued this season, when John Humphries will give a demonstration on "Trees in Water-colour Paintings." Wilfred M. Barnes, A.R.C.A., will demonstrate in oils, later on in the season.

# Greer Garson, Gregory Peck Head Cast Of New M-G-M Hit

Boasting one of the top casts of the year, Metro-Goldwyn-Mayer's "The Valley of Decision," now at the Snowdon and Westmount United Theatres, is a vivid and exciting film version of Marcia Davenport's best-selling novel.

Co-starring an outstanding new romantic team in Greer Garson and Gregory Peck, the film also offers such sterling performers as Lionel Barrymore, Donald Crisp, Marsha Hunt, Preston Foster and Dan Duryea in characterizations matching in depth and excellence the work of Miss Garson and Peck, both of whom have surpassed themselves in the film.

"The Valley of Decision" is the story of the Scotts, who have built a steel empire, and of Mary Rafferty, the girl from across the tracks who comes to work as a servant in the big Scott house. In love with Paul Scott (Peck) from the moment she meets him, Mary struggles against this love she feels can never be realized. Mary takes the younger Scotts under her wing, sees them married; finds, too, that Paul returns her love.

But Mary's father is bitter against the Scotts, feeling that it was their fault that he lost the use of his legs while at work in the steel mill, and the conflict is temporarily resolved when Mary goes to England with the newly-married Connie Scott.

She returns, after two long years, at the elder Scott's request, to marry Paul, only to witness her employer's death at the hands of her own father in a dispute. Again she leaves Paul, although he still wants to marry her. Then, in a thrilling climax, Mary returns to claim her rightful place in the Scott home.

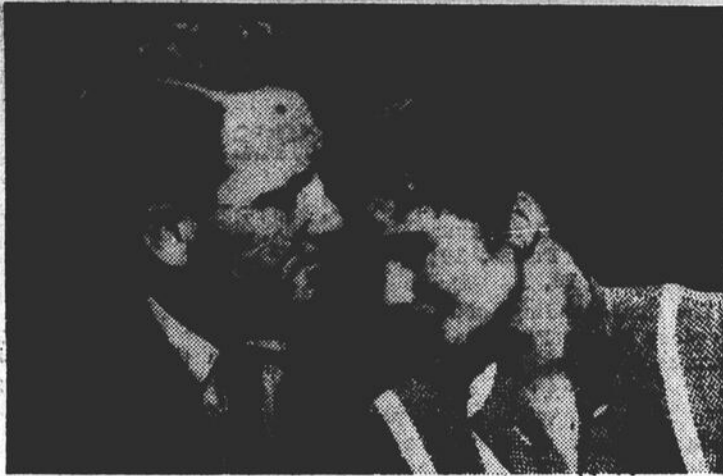

"The Valley of Decision" is a worthy successor in the roster of Garson hits to "Mrs. Miniver," "Random Harvest" and "Mrs. Parkington." The entire production is in the usual handsome M-G-M manner and Tay Garnett has directed with great understanding.

You're bound to enjoy "The Valley of Decision."

### SPEECH VARIETY

Three types of accent—standard English, cockney and Lancashire—are spoken by Teresa Wright, Virginia Field and Reginald Owen respectively in Paramount's "Take This Woman."

When Osa Massen, now appearing in Pine-Thomas' "Tokyo Rose" was first given a screen test she wrote the script, told the electrician how to light the set, told the cameraman how to shoot the test, directed it herself then cut the final print. And it won her a contract!

NEW LAUGH HIT! Spencer Tracy and Katherine Hepburn in a scene from "Without Love" which opens at the Monkland United Theatre on Saturday. The top-notch cast includes Lucille Ball, Keenan Wynn, Carl Esmond and Patricia Morrison.

## Direct From Hollywood

By Jack Hirshberg

Jack Hirshberg returns to this paper after serving four years in the American Navy.

### HOLLYWOOD:

Well, it's been a long, long time!

Close to five years, to be exact.

Close to five years since we last airmailed a column to the folks back home.

It was early in '41, if memory serves correctly.

Canada and Britain had already gone to war, and Franklin Roosevelt was wavering in his policy of "strict neutrality."

Headlines were filled with news of the blitz. France was over-run and Hitler had begun his march to Moscow. Churchill had talked of blood and sweat and tears. The "So Sorry" boys in Hirohito's back room were polishing up their plan for Pearl Harbor.

And Charles Augustus Lindbergh, darling of the die-hard isolationists, was fast becoming the idol of the Bund with his defeatist dribble about Nazi supremacy.

News from Hollywood paled miserably beside the facts of war. Dunquerque had been staged with immeasurably more mastery than the most highly touted celluloid colossus. Allied shipping was being sunk by the millions of tons each month.

Folks were reading front pages rather than the gossip columns. Such shopworn trivia as "who was where with whom and why" took on additional shallowness. Casualty lists replaced the movie news in reader interest. Who cared a damn for Barbara Stanwyck when news came in of Kenny Pyper's death in action? Who gave a hoot for Hedy Lamarr when adjacent columns reported Moe Usher's crash into the English Channel?

Kenny, Moe—and thousands like them—became the heroes of the hour. The spotlight had forsaken Hollywood.

And so we folded up our tent and silently fled away. We donned the blue of America's navy and left the stages of Hollywood. That was July, 1941.

Today, in retrospect, the years of war seem almost figments of imagination, with only a handful of memories surviving our recent discharge and return to civilian life.

There are memories, of course, of Sunday, December 7, 1941. Mid-morning in Hollywood. A head still cobwebbed with the usual fuzziness of Saturday night festivities. The rude ringing of the phone—and sudden jolt to consciousness as the caller barked:

"Naval Intelligence calling. The Japs are bombing Pearl... Yes, that's what I said! The Japs are bombing Pearl! Get the

hell into uniform and come to work".

We went to work, all right. Together with a handful of other news hawks specially trained for the job, we set up the first cable-radio censorship of press news ever attempted in wartime. Every trans-Pacific news dispatch, incoming or outgoing, flowed across our desks before it hit the ether. Correspondents throughout the Orient and at Honolulu beamed us their reports at an isolated wireless station on a Pacific pallisade, and we pieced the story together and passed it on to you.

There are later memories, too. Memories of a spy hunt, long since announced, which culminated in capture of the Doll Lady—a matronly woman of pro-Nip leanings who made a fortune in the manufacture of dolls. For over a year this delightful creature attempted to smuggle information of Yank fleet movements to Tokyo in the guise of business correspondence and purchase orders for her product.

Not one of her messages ever left these shores—and when she'd spun a sufficient web of irrefutable evidence the FBI took her in tow and that was that.

There are faint recollections of life aboard an aircraft carrier, and subsequent sunnings on the beach at Waikiki. There's the very vivid picture of a sub hunt in the Pacific and the sinking of one Nip fish. There's the memory of a trans-continental flight in the belly of a Ventura bomber to see an ailing mother in Montreal—and of a more recent twelve-day sea trip through the worst storm in 20 years aboard an ammunition ship loaded with 6,000 tons of dynamite!

But mostly the memories are of other men—the men who hit the beaches, the men who were hit on the beaches. The boys we knew who had survived three suicide crashes by Jap fliers. The fellows without an arm or leg—and one man without either arms or legs. Then men who would wait days for the mail, and then get that fateful letter signed "Wife" which

asked for divorce and told of some other guy hornning in back home.

Well, it's over now—relegated to history, and good riddance, too. The lights are on again, in Hollywood as elsewhere.

Again there's time to think of Charles Boyer and Ronnie Lake. We've redeemed the old Corona portable, and here we are once more.

Next week we'd like you to meet a neighbor named Johnny Coy. He hails from NDG and Herbert Symonds School—and Hollywood thinks he's the greatest dancer to hit the screen in years.

And so, until then, its adios from Hollywood.

Correspondence regarding this column should be addressed to Jack Hirshberg, Paramount Pictures, 5451 Marathon Street, Hollywood, 38, California.

Bill Pine and Bill Thomas are receiving letters every day from irate movie fans demanding that Tokyo Rose be punished as they believe she should in Pine-Thomas' picture, "Tokyo Rose."

# Pee Wee Playoffs Began Yesterday Afternoon

The play-offs to decide the championship in the Pee Wee section of the Westmount Municipal Six Man Rugby League are already underway, the Hornets and Reds met yesterday afternoon at King George Park in the first game of a two game total points to count series. The second game of this series, which will decide the pennant, will be played tomorrow morning at the same grounds, starting at 9.30 a.m. The Reds won the "A" division title, while the Hornets came through in the "B" division. Neither team has tasted defeat as yet.

In two games played last week, Aces defeated Eagles 4-0, but failed in their bid for a play-off berth when the Reds slammed them back by a 52-3 count.

One game between Eagles and Sky Rocks remains to be played, but as it has no bearing on the section standing, it will be left off until after the play-offs.

Dick McLean and Joe Williams each trapped members of the Eagles' backfield behind their goal-lines for safety touches as the aces defeated their opponents by the 4-0 count.

While the Aces may not have defeated the Reds, they were the first team this year to score against them. Although beaten by the high score of 52-3, they never gave up, and were finally rewarded when Hugh Doull got Jim Cotter behind the Reds' line for a rouge in the last half of the game. The same player tallied the losers' other two points for a safety touch.

Hughie McDonald tallied 25 points for the Reds, while other point getters were Jim Cotter, 15, and Marty Kay, 12.

Hugie McDonald's scoring spree against the Aces was enough to give him first place amongst the scorers in the Pee Wee section. McDonald's total of 75 points placed him ahead of Johnny Wilson, the Hornets' player, who had 64 to his credit. In third place was Jim Cotter, Reds, with 58, next in line was Alan Warnock, Shrimps, 52, and these players are followed by Marty Kay, Reds, 48; C. Laidley, Hornets, 42; E. Martin, Shrimps, 20; Lonnie Holland, Strathconas, 18; John Abbott, Shrimps, 16; John Foy, Strathconas, 16; McCrae, Wildcats, 15; Roy Southward,

## RADIUM BATTLE

A controversy which threatens to rock Parliament and which may have wide international repercussions has broken into the open at Ottawa, reports The Financial Post. Writs have been issued against the Attorney-General of Canada and against J. Grant Glassco. Mr. Glassco is special investigator for the Department of Munitions and Supply into the affairs of the Eldorado Mines.

The action brought against Glassco and the Government aims to declare as ultra vires two orders-in-council passed by the Government earlier this year and which authorized a most sweeping investigation into the affairs of Eldorado.

The controversy involves, directly or indirectly, at least two Canadian senators and is aimed at probing the innermost secrets of what is claimed to be a complex international agreement operating in the sale and distributing of radium and other products of Eldorado Mines. These operations are alleged by the government to have taken place both before and after the government took over the company for purposes of atomic power development.

Emperor Hirohito wore a high top silk hat and what goes with it when he called on General MacArthur—mourning clothes.

Wildcats, 15; McKeown, Wildcats, 15; Jim Quarles, Strathconas, 11; Ted Fullerton, Furies, 10; Williams, Furies, 10.

The final standings of the two divisions in the Pee Wee section were as follows:

"A"

	W.	L.	F.	A.	Pts.
Reds	5	0	181	3	10
Shrimps	4	1	90	36	8
Aces	3	2	14	63	5
Furies	2	3	22	81	4
Sky Rockets	0	4	0	90	0
Eagles	0	4	0	34	0

"B"

	W.	L.	F.	A.	Pts.
Hornets	5	0	143	10	10
Strathconas	4	1	61	22	8
Wildcats	3	2	45	50	6
Red Sox	2	3	6	30	4
Thunderbirds	1	4	5	118	2
Westerns	0	5	0	100	0

# Bulldogs Beaten Twice By Top Bantam Outfits

The Cyclones and Panthers tightened their holds on the two top spots in the bantam section of the Westmount Municipal Six Man Rugby League last week as they completed the schedule by handing the last place Bulldogs another pair of losses. The Cyclones defeated the cellar occupants 42-0, while the Panthers won out by a 36-0 count.

The Cyclones and Panthers will now meet in a two game total points to count series to decide the title. The series will start tomorrow morning at King George Park, with the second game slated for Wednesday, Nov. 14. Tomorrow morning's game will start at 10.15 a.m., while

Wednesday's tilt will get underway at four o'clock.

Ronnie Raphael and John Lough were the top scorers for Cyclones in their game with Bulldogs, each of these players notched up 15 points. Jaime Lough and Bob Buntun made up the rest for the Cyclones with six points apiece.

The Panthers grabbed off a 15 point lead in the first half of their game with Bulldogs, and ran out a winner by a 36-0 score. Mike Barnard led the scorers with 15 points, Bert Kelly, the section's leading scorer, accounted for 12, while Bob Forrest got five, and John Gillingham accounted for the remaining four.

As mentioned above, Bert Kelly of the Panthers, led all the scorers with 71 points, team-mate Mike Barnard was in second place with 42, while John Lough of the Cyclones was third, with 40. Others to follow were Fred Hofman, Panthers, 27; Bob Forrest, Panthers, 23; Jaime Lough, Cyclones, 18; Bob Buntun, Cyclones, 16; Billy McCoubrey, Panthers, 16;

Jim Brow, Cyclones, 16; Ronnie Raphael, Cyclones, 15; Ted Buzzen, Tornados, 13; Vince Roberts, Panthers, 10; John Halre, Tornados, 10; John Gillingham, Panthers, 9; John Swaine, Tornados, 7.

The final standing of the section is as follows:

	W	L	F	A	Pts
Panthers	6	0	100	28	18
Cyclones	4	2	111	35	8
Tornados	2	4	41	125	4
Bulldogs	0	6	5	160	0

# Roslyn And Queen's Meet Today

## GAME WILL DECIDE SECOND PLACE

Roslyn and Queen's will clash at King George Park this afternoon for second place in the Westmount Elementary Schools Football League. Bobby Gough's school aggregation clinched top honors last Friday when they blanked Roslyn 16-0 and finished off their season today with an impressive 21-0 over Queen's.

The King pins compiled an enviable record in their four scheduled games. Not a point was scored against them while, on the other side of the ledger, they scored 52 points. This is the second straight year that King's have won the elementary school's championship. Two years ago Roslyn edged up on top.

The Roslynites will enter this afternoon's fray as slight favorites. Their line-up has been bolstered by the return of middle line Drummond, tough line-backer who came down with pneumonia just before the Orange and Queen's first game and who has been out of action until this week. "Ace" Baillie, flashy running back, who has recovered from a leg injury that made him miss Friday's game, and inside line Tom Skinner, who was out for a week with a bad cold.

The two teams are now tied second place; they battled to 0-0 tie earlier in the season, both Richard Lord, coach of blue-sweatered Queen's school, and George Cochrane, manager of the Westmount avenue aggregation, have predicted wins for their teams this afternoon. Eric Swaine will referee and starting time has been set at 2 p.m.

### Basketball

Roslyn's sixth and fifth grade teams will begin inter-class basketball next Tuesday in their gymnasium. The Westmount team crew, under the direction of George Cochrane, will hold preliminary drills on Tuesday and Wednesday.

## Puck Loop Holds Organization Meet

The intermediate section of the Westmount Municipal Hockey League held an organization meeting on Monday night at which three teams signified their intentions of operating. At least two more expect to enter before the next meeting of the loop.

Teams represented at Monday's meeting were the Westmount branch of the Canadian Legion, R.M.R., and Sir George Williams College (Claremont Division). The Legion, represented by Ossie Dalzell, indicated that two teams would be forthcoming while R.M.R. will ice one. The students from the Claremont division of Sir George Williams College expect to be ready by the beginning of next month and if all goes well, they will also be in the loop. The other expected entry will be a team from around Staynor district headed by Guy Bonnier. There is also a chance of a club from the Westmount Park area but most of these players are probably affiliated with the R.M.R. squad.

Artie Mann, manager of the Dodgers' softball team, was in attendance at the meeting and efforts are being made to have him accept the presidency of the loop.

Games in the intermediate section will be played each Tuesday and Thursday evening at Westmount Park. The loop will affiliate with the Q.A.H.A. as an intermediate "C" group.

The next meeting has been scheduled for the first week of December when the final details will be ironed out. The schedule will not start until the first week of January. Monday's meeting was held under the chairmanship of Recreation Supervisor, Jim McCormick.

## PUTTERS GATHER

The Westmount Putters Social Club held a successful social evening at Victoria Hall last Monday. Close to 30 members took part in the card games, musical entertainment and singing.

The group will hold another one of their weekly get together at the same place this Monday night and all adults who used the putting greens at Westmount and King George parks during the past summer are issued a cordial welcome to attend these affairs.

## Tornados Clinch Playoff Berth

Richard Lord's Tornados clinched second place and a berth in the midget section playoffs of the Westmount Municipal Six-Man Rugby League when they downed Mike Tucker's Tigers 31-13 at King George Park last Wednesday afternoon. Prior to this game the two teams had been tied for the runner up spot in the league standing. The Eagles had clinched first place with but one loss in six games.

The Eagles and Tornados will now meet in a two game total points to count series to decide the section championship. The first game was played on Wednesday while the second encounter will take place this Tuesday. An exceptionally close series is expected as when the clubs met in their scheduled league game; Eagles only won out 13-11 on the last play of the game.

The Tornados took a 13-3 first half lead in their decisive game over the Tigers and added more to their margin of safety in the last half. Lord and Bert Kelly, a bantam from the Panthers' outfit, led the winners in scoring. Lord accounted for 11 points while Kelly got 10. Will Manolson and Buddy Selby scored unconverted touchdowns to make up the rest of the count.

Pete Fullerton and Lyall Johnson grabbed off five points apiece for the Tigers with Ian Dolg getting the other two points.

Although the Tigers failed to make the playoffs, two members of the team led all others in scoring. Mike Tucker grabbed off 32 points to top the list while teammate Pete Fullerton was right behind with 30. Two players from the Tornados were next in line; Dave Wilks tallied 21 while Richard Lord accounted for 19. The rest included Bob Putnam, Eagles, 16; Will Manolson, Bert Kelly and Buddy Selby of Tornados, all with 15; Ian Dolg, Tigers, 12; Gillis Ross and Bob Gough, Greyhounds, 10; Dave Barnard, Eagles, 8; Allan Turner, Tornados and Del Skinner, Tigers, 7; Cam McFadden, Greyhounds, 6; Jack Watson and Lyall Johnson, Tigers, 6; Pat Lomasney, Tornados, 6; Andy Blair, Eagles, 6; Dave Ross, Eagles, 5; Carl Burton, Tornados, 5; Jack Fenwick, Tigers, 5; Ross Jolly, Greyhounds, 5; Ken Black, Eagles, 2; Fred Hofman, Eagles, 1.

The following is the final standing of the section:

	W	L	F	A	Pts.
Eagles	5	1	43	34	10
Tornados	4	2	98	44	8
Tigers	3	3	103	83	6
Greyhounds	0	6	31	114	0

## Hockey Meetings Next Tuesday

A meeting of the bantam, midget and juvenile sections of the Westmount Municipal Hockey League will be held on Tuesday evening, November 20, at Victoria Hall. All teams wishing to enter these brackets of the loop are requested to have at least one representative at this meeting.

The bantam section is for boys 13 years and under, the midget for boys 15 years and under while the juvenile is for boys 17 years and under. The deadline date in all instances is November 1.

All teams and players wishing information on the league should contact Recreation Supervisor Jim McCormick at the office in the greenhouse or by phone at FI. 1929.

### HEALTH CLUB BRIEFS

by Rex.

#### Physical Department

For that personal feeling of physical and mental alertness, all day every day—be an active member of one of our "Health Clubs". You are sure to find some feature to suit your personal interests. All Health Club activities are available several times each week. Now is the time to join for the winter season program.

#### Business Men's Club

Meets three times weekly on Monday, Wednesday and Friday 5-6.30 p.m. for gym class and game of handball. If you can spare an hour from your work next week to join this group, you'll enjoy life so much the following days that you'll be an active member thereafter.

#### Volleyball

The volleyball club meets every Tuesday evening for an evening of that popular game. Bill Cooper or Bill Taylor will be happy to introduce you into this group.

#### Handball

For a game of speed, skill, agility and health promoting exercise you can't beat handball. Courts are available every day at five o'clock. Join the Business men on Monday, Wednesday and Friday for a game. If you would like to learn the game—join an instructional period on Tuesday and Thursday.

#### Young Men's Gym Classes

Appearing this season and proving very popular after a conspicuous leave of absence for the past few years, are our young men's gym classes. It's a pleasure to see so many young fellows returning. Activities in these classes include health promoting calisthenics, gymnastics, floor hockey and basketball. The group meets Tuesday and Friday evenings at seven and Wednesday at six.

#### Badminton

A Health Club available to both the Young Men and Young Ladies is our Badminton Club, which meets every Wednesday and Friday evenings. The number of members grows weekly. For an evening of fun with the "gang" and a game of speed with the "bird", join the Badminton Club.

#### Other Club Features

The Boxing Club meets twice weekly on Monday and Thursday with Johnnie Ochalski instructing on Thursday evenings. The

Weightlifting Club meets Tuesday, Thursday and Saturday with an instructional class on Tuesday evening.

#### Basketball

The most popular sport in America today is equally so at Westmount "Y". The Young Men's Basketball Club plays on Tuesday and Friday evenings. The Senior Boys Club meets on Mondays and Thursdays. Both groups have entered teams in our Saturday Afternoon House League, which gets under way this Saturday.

Members of the Evergreen Basketball Group, enthusiasts of the "hoop" game meet every Wednesday to keep in trim. Here is a group that retain their youth at this popular game.

#### YOUNG LADIES DIVISION

Business Girls' Gym Class meets every Monday and Thursday evenings at eight o'clock. Miss Anita Black, our Physical Instructress, leads this group, and stresses exercise for good posture, agility and grace of movements.

#### Morning Ladies Gym Classes

Are under the direction of Mrs. Fear. This Club meets Monday and Thursday mornings at ten for a gym class, followed by Badminton. Members agree that activities in this Club are more popular and interesting than shopping or housework will ever be.

## THE COMEBACKS AND UPSETS

There is an old saying in sport, "Everybody likes a winner." It is doubtful, however, if the average fan gets as excited over a perennial winner as he does over the individual or team that scores a startling upset. Indeed, the authors of upsets are remembered by more people for a longer period of time, we think, than are the consistent performers. Take, for example, the Boston Braves of 1914. In last place the end of July, they embarked on a devastating winning sweep through the league that landed them in first place, and carried them through the world's series in four straight wins over the greatest ball team of the day, the Philadelphia Athletics.

Baseball fans talk about the Braves today as if they had raced through the league last year instead of thirty years ago. Their manager, George Stallings, is one of sport's immortals.

Upsets and comebacks in sport are the things that give competitive athletics that gloriously uncertain quality that brings the customers through the turnstiles. Fans get tired of perpetual winners. Connie Mack, at the height of the glory of one of his great Athletic teams, complained: "The fans are staying away in droves." Winning had become too sure.

### Hockey is no Exception

Hockey has had its share of both. There was once a time when the Ottawa Senators, with perhaps the greatest team ever assembled on skates, could hardly make ends meet financially. But when Canadiens challenged their bastion, led by Sprague Cleghorn, the Ottawa fans not only turned out in thousands, but went stark raving mad when one of the Ottawa papers accused Sprague of having a razor blade affixed to the end of his stick. That was the only way to explain the cuts on the Ottawa players, the paper reasoned. After one match in the capital, the Canadian players had to make their way back to the train through back alleys to avoid a crowd bent on murder.

In more recent times, the victory of the Toronto Maple Leafs over the record-breaking Canadiens last Spring; the comeback of Toronto to win the Stanley Cup in 1942 after losing three straight to Detroit; the 1942 St. Louis Cardinals' victory over the New York Yankees; the winning of the American League pennant by the St. Louis Browns in 1944 on the last day of the season — these all maintained the tradition that you never can tell in sport, that "the game is never won until the last man is out in the last half of the ninth."

### Glorious Uncertainty of Sport

Ball fans will recall the 1929 world's series. The Cubs were ahead of the Athletics 8 to 0 in one of those games, but the Athletics scored ten runs in a late inning to win the game. Last year football provided one of sport's greatest upsets when Army trounced the Notre Dame team 59 to 0. Fans remember that better than they do the long series of Notre Dame triumphs that preceded it.

Last Saturday we had something of an upset here in Canada when Joe Krol led Argos to a 27-8 win over the Ottawa Rough Riders. Although favoured to win on their home field, few of the experts conceded Argos much of an edge, and there are a lot of red faces, particularly around Ottawa, just now. The comebacks and the upsets baffle the experts as much as they thrill the fans.

### Boxing Most Uncertain

Boxing is probably the most uncertain of all the uncertain sports. One punch can upset all the predictions. The victory of Gus Mell over Sol Bartola last Spring was an upset, as was Gus' win over Shapiro the other night here. Johnny Greco's win over Bobby Ruffin last Fall confounded

the analysts, as did Al Davis' K.O. of Bob Montgomery in 63 seconds. Another big surprise was Billy Conn's feat in staying 13 rounds with Joe Louis in their pre-war fight.

Running fans will long remember Jim Rafferty's series of victories over the great Gunder Haegg.

It's the uncertainty that fascinates the customers.

### Family Swimming Club

We now have a Health Club activity in which the whole family, including father and mother, can take part. The Family Swimming Group meets every Saturday afternoon from three to four. Introduced this fall as a new feature in our physical program the "Family Swim" is proving very popular.

### Saturday Night Club Dance

The Saturday Night Club is a social group which meets every Saturday night for a Dance and social evening. Sweet and rhythmic tunes for the occasion are supplied by the "Westmount 4". The party is open to members and their guests. Plan now to be with us on Saturday evening for a pleasant social evening.

### Friday Night Club

The teen-agers are putting on a good evening. The Committee did an excellent job of operating the evening last Friday. From now on this Club will expand and grow quickly.

One thing has been added. We are closing at 11.30 p.m. instead of 11.00 p.m. This is on trial, and may have to be altered, but so many have asked that we stay open a little later, we said we would try it for a month.

New records have been bought. The new ones last Friday and the new ones this Friday are the beginning of a collection of our own records. It is to be hoped the Club members will realize these are our own and will treat them accordingly. Incidentally, these records were bought with the money accumulated from the door charges.

### Swimming

David Allan received Card No. 1 October 27th. To all our members be it known that tests may be arranged to take place outside of class periods. During these periods, if you have registered, you will be given an opportunity to attain a higher level than you now have. When you have Card No. 5 you are eligible for the Swimming Club, which meets under Mr. Mills' direction every Friday night.

### Mothers' Club

We appreciate having the Mothers' Club take care of our suppers. Thanks are due this Club and its members for help given with the serving of your Opening Supper tonight. Now, as always, these mothers are very important people, and we will sing their praises in no uncertain terms.

### Basketball

Our boys have entered in a team in the M.B.L. Going places,

without doubt, as you will agree when you see them in action. Other teams will represent us in the Inter-Y League, and those wishing to play should make it known now. Teams will be completed within the next two weeks, so don't wait.

### Leatherwork

This group meets every Saturday at 10.30 a.m., and at present the members have finished their first article — a change purse. Space and material will determine the number who can enter at one time. This is just a reminder that I don't want you to be disappointed when you are told you will have to wait your turn.

### Christmas Cards

Our division has cards for sale this year—a chance for you to gather some pocket money as well as help a good cause. You won't have any difficulty in selling your quota. Then too, you will want to try for the prizes given to the two boys who have sold the most cards by December 15th, 1945. Come in and get your boxes now, and line up your prospects ahead of time. All profit made by the sale of cards will go to "World Service" fund.

### Gym

The three groups — Preps, Juniors and Intermediates are specializing this year. While we recognize that every boy cannot be a skilled gymnast, we also know that every boy will benefit by conscientiously following the scheduled gym programme. Tumbling, mat work and apparatus work are being given on a progressive plan, so make it your business to be out to gym classes.

A Buffalo man, 102 years old, says he loves hard work. Where, a lot of people would like to know, is he getting it?

## Flying Officer Keith Lyle Now Presumed Dead

Flying Officer Keith Lyle, popular young man of 4221 Dorchester St., son of Mr. and Mrs. H. H. Lyle, has been officially presumed dead, according to reports received this week by his parents.

F. O. Lyle was educated in Western Canada and came East in 1937. He enlisted in 1940 and earned his commission while in combat. He was missing from operations early last December. Before joining the R.C.A.F. he was an employee of The Examiner.

### WHY SOAP IS SCARCE

Scarcity of washing soaps and soap flakes is more pronounced in many sections of Canada than for many months past, reports The Financial Post. Soap manufacturers, however, maintain that it is caused by neither reduced production or any serious mal-adjustment in distribution.

"We're making all the soap Oil Controller will let us," a manufacturer said, "and the production is not far behind current demand. It's not at all behind the actual need of Canadians." Canadians are considerably better off than Americans, with production in this country higher than in U. S. both on a per capita basis and in comparison with pre-war production rate. It is
