BANQUET TO HON. S. A. FISHER

Guest of the Liberals of the
County of Brome.

MANY ATTEND GATHERING AT
THE POTTON SPRINGS HOUSE
ON SATURDAY.

Potton Springs, Sept. 9. —(Special)—About seven hundred representative Liberals of the County of Brome gathered here on Saturday to attend the banquet tendered by the Liberal Association of the County to Hon. Sydney A. Fisher, Minister of Agriculture, and also ex-M.P. for the County of Brome. The weather conditions were bad as heavy rain fell all the forenoon. About noon a double-headed special train arrived at this place with the contingents that had boarded the train at various points along the route from Farnham and round by Sutton, Knowl-

ton and Foster. In addition to those many came by teams and regular trains. If the element was damp it was not contagious so far as the party was concerned.

Stretched across the front of the hotel was a large banner with the words, "Hon. S. A. Fisher, the Farmers' Friend," and other bunting was arranged across the whole of the main building. Had the weather been favorable it was the intention to have had the lunch and speaking on the lawn in front of the hotel. As a result tables had to be laid in the large hall, dining room and verandah. Over 400 were provided with a splendid repast by Miss Host Stewart of the hotel. The Knowlton Band under Mr. Hubbard was in attendance and rendered selections during the afternoon.

THE BANQUET.

Mr. W. F. Vilas, M.L.A., for Brome County, presided, and he had on his right the guest of the day, while the others who occupied seats at this table were: Messrs. W. F. Kay, M.P.,

FATHER BURNED BEFORE CHILDREN

Was Pinned Beneath His Motor
Car Which Upset.

RESCUER WITH LANTERN SET
FIRE TO GASOLINE BENEATH
THE MACHINE.

Paulina, Iowa, Sept. 9.—Rev. H. Greene, pastor of the Lutheran Church in Germantown, Iowa, early on Saturday burned to death before the eyes of his children and several other persons while pinned beneath a wrecked motor car. The blaze started from a lantern with which his rescuers were working.

The car was driven by August Pauling of Germantown. In it were children of both Rev. Mr. Greene and Mr. Pauling. About 7 miles from Paulina the steering gear refused to work and the automobile jumped from a small bridge. Rev. Mr. Greene was pinned beneath the wreck. The children were thrown clear. Mr. Pauling was seriously injured.

The cries of the children brought persons in the neighborhood to the rescue.

One had a lantern. Gasoline from the oil tank of the machine had spread to the wreck. The man holding the lantern dropped it. Instantly the wreck was in flames.

The rescuers made frantic efforts to aid the clergyman, several persons suffering several burns trying to raise the burning machine from his body. Rev. Mr. Greene met death with prayers on his lips.

NAVAL MILITIA LEFT FOR HOME

Won Rifle Match From Locals on
Saturday Afternoon.

OFFICERS ENTERTAINED AT HIS
MAJESTY'S THEATRE, ON
SATURDAY EVENING.

The heavy rain on Saturday interfered considerably with the entertainment arranged for the visiting Naval Reserves, from Portland, Me. In the afternoon a picked team of local riflemen and a team from the visiting detachment went to the ranges, and took part in a shooting contest. The visitors were successful in winning out, having a margin of 29 points on the locals.

In the evening the officers were the guests of the officers of the local regiment at His Majesty's Theatre. After the performance an adjournment was made to the Armory, where the remainder of the evening was spent, until they boarded their train for Portland, Me.

Shortly before train time the men lined up and were addressed by Lt.-Col. Penhale and Lt.-Col. T. S. Somers, who expressed the great pleasure the local garrison had enjoyed in having them as their guests.

Although the visitors had a pleasant trip, there is no doubt but it would have been even more so had their visit occurred at any other time than during Exhibition. The citizens in general would have liked to have done more for their entertainment, but simply had not the time. They hope, however, that the Naval Militia of Portland will visit Sherbrooke again, when they will see to it that they are royally entertained.

DINNER AT ST. GEORGE'S CLUB. On Friday evening visiting officers were tendered a dinner by the officers of the local garrison, at St. George's Club. Lt.-Col. J. J. Penhale presided. After the dinner had been partaken of, the remainder of the evening was spent in speech-making and singing. The programme included the toast to the King, proposed by the chairman; the toast to the President of the United States, proposed by Lt.-Col. T. S. Somers. "Our guests," proposed by Col. Penhale and responded to by Commander Dyer. Others who spoke were Lt.-Col. Rioux, Lt. Keene, Capt. Gupit, Lt. Fogg, Vice-Consul J. B. Keating, Major Dugal, Capt. Farwell and others. Songs by Captain Pilcher and Lt.-Col. Rioux added to the pleasure of the evening.

SIX PERSONS WERE KILLED

When Motor Cycle Plunged Over
Rail at Race Meet.

SIX ARE SAID TO BE DYING AND
THIRTEEN ARE VERY BAD-
LY INJURED.

Newark, N.J., September 9.—Eddie Hasha, of Waco, Texas, holder of the world record for motor cycle racing, plunged over the rail of the course at the Newark motorhome into a crowd late yesterday afternoon, causing the death of six persons, including himself, while six are dying and thirteen are badly injured.

The only two of the six dead positively identified up to a late hour last night were Hasha and Johnny Albright, a Denver motor cyclist, who was riding third in the race. The other four dead were boys and young men among the spectators.

Five thousand spectators were witnessing the finish of a four-mile free-for-all race when the daring Texas rider, doing 92 miles an hour, took his fateful plunge. He was riding high on the bank of the track when the wheel of his heavy machine swerved and struck the upper rail. He was pitched head first fifty feet into the air. He must have been instantly killed in the collision. His body was shapeless from broken bones when it was picked up almost at the feet of his wife, seated among men and boys in the bleachers.

The spectators injured were mainly the men and boys who were leaning over the rail yelling encouragement to the riders when Hasha came tearing into their midst. Some of the spectators were hurled high into the air and landed in the laps of those seated behind. A scene of panic among the spectators generally followed the tragedy.

TRAMPS VICTIMS OF TRAIN WRECK

Were Beating Their Way on
Freight on N. Y. C.

THREE OF THE MEN ARE BURIED
BENEATH THE DEBRIS OF
A NUMBER OF CARS.

Fort Plain, N.Y., September 9.—Two men were killed, three are missing and probably dead, and thousands of dollars damage was done as the result of the wreck of a freight train on the New York Central a mile east of here yesterday. The five wrecked victims were beating their way on the train, which was running at a rapid rate when a car truck broke. The car was derailed and others of the rear followed until 20 or more had crashed together and were strewn in all directions, tearing up rails and roadbed for hundreds of feet.

From the wreck the dead body of an unidentified man was taken, while Harry McDonald, of No. 39 Prescott street, St. John's, Nfld., a printer was so badly injured that he died later in the hospital at Amsterdam. Three men identity unknown, who are missing, are supposed to be under the debris of a number of cars which were smashed into kindling and piled high.

Father Morrissey, a local priest, was one of the first at the wreck and administered the last rites to McDonald.

SMUGGLING CAME HIGH. Washington, Sept. 9.—Nathan Allen, a retired merchant of Kenosha, Wis., paid the Government \$100,000 to compromise his civil liability in a smuggling case at New York in 1909, which also involved Mrs. H. D. Jenkins in an alleged attempt to escape duties on thousands of dollars worth of jewels and wearing apparel. A criminal suit against Allen resulted in a \$12,000 fine.

THE WEATHER
Fine and warm.

AMERICAN TROOPS TO ENTER MEXICO

Government Has Been Pressed to
Take Action.

SPECIAL SESSION OF CONGRESS
MAY BE CALLED BY PRESI-
DENT TAFT.

Washington, September 9. — Intervention in Mexico and the possibility of President Taft calling a special session of Congress to determine whether American troops should be sent across the line were widely discussed here yesterday by public men and in diplomatic circles.

It is known that the Government has been pressed on many sides to take such a step.

President Taft and the State Department, however, are holding to the principle that no such action should be taken without authorization of Congress. That American soldiers have been sent into China or that American naval forces now are actively engaged in Nicaragua without authorization of Congress is held not to be a precedent for sending troops into Mexico.

While they are apprehensive of the situation, army officers hope there will be no intervention. They say a campaign against Mexican guerrillas would be a close parallel to the chase after Aguinaldo to a campaign which could not be ended in less than two years and which would have results beyond accurate prediction.

SCOTTISH ARTISTS NOW IN THE CITY

"A Scrape of the Pen" Here on
Saturday and Monday.

GREATEST THEATRICAL EVENT
EVER STAGED IN THIS
CITY.

The Scotch company which is to present Graham Moffat's latest production, "A Scrape of the Pen," arrived in this city on Saturday, having landed at Quebec on Friday. They crossed the Atlantic on the Victorian the boat which brought Premier Borden back to Canada.

They were met at Quebec by Mr. William Raymond Hill, general press representative for Weber and Field, who is in the city today making preliminary arrangements for their stay here. Mr. J. R. Duncan, manager of the Theatre, made arrangements with the Golf Club to allow the visiting artists to use the links, as many of them are expert golfers. Tomorrow they will start rehearsing.

Since the first announcement was made of the visit of this company, Mr. Duncan stated that he has been flooded with inquiries for seats. Knowing the capacity of the Theatre he found that all those wishing to attend could not be accommodated at one performance, so he took steps to secure the production for two nights. In order to do this it was necessary to cable Mr. Moffat, who is in London and get his consent, as the play was not to be produced here until the sixteenth. The play, will, therefore, be presented on Saturday and Monday.

As already reported the leading New York papers will send their critics to watch the opening performance. Mr. Acton Davies, critic of the Evening Sun, an old St. John's, Que. boy will be on hand. Other critics expected are Allan Dale, New York American; L. Deane, New York World; Messrs. Weber and Fields, who have purchased the American rights, will also be present on Saturday and Monday.

The following is a list of the artists who will appear in this production:

Eppie Olliphant Inglis—Miss Jean Evans, Miss Millicent Evans, Flora McGilp—Miss Helen Baird, Mrs. Baiki—Miss Adah Barton, George Pow—Mr. J. Crichton Russell.

WELCOME WAS A HEARTY ONE

Premier Borden Accorded Great
Reception in Montreal.

BOTH LIBERALS AND CONSER-
VATIVES TURNED OUT TO DO
HIM HONOUR.

Montreal, Sept. 9.—Few more enthusiastic welcomes have been accorded to a Canadian prime minister than those which marked the progress of the Right Honorable Robert Laird Borden since he landed at Quebec on Friday. There, irrespective of political complexion, his welcome was hearty and sincere and his triumph in the centre of French Liberalism has been repeated at Three Rivers and Sorel, while the national aspect was one of the outstanding features of the demonstration accorded him in Montreal on Saturday night.

Personality has entered into all these triumphs, for Liberal and Conservative alike have done Mr. Borden homage for the qualities he displayed while abroad, and for the manner in which he represented Canada at the heart of the Empire. At all the receptions held in his honor since his return, the partisan element has been eliminated. Adherents of both parties greeted him as a Premier worthy of respect who had in foreign countries upheld the best traditions of the Canadian people.

The spirit of the thousands who lined the wharf and the long route was one of sincerity, and the tribute paid was evidently appreciated by Premier Borden, who in his brief addresses at the landing stage and at the reception in the Windsor Hotel expressed his pleasure at being home again. The keynote of both his utterances in reply to addresses from the Mayor was for a continuance of the entente cordiale which exists between the two nations and between the two great races of this country. He exercised his customary statesmanlike silence on the subject of the navy, his nearest approach to it being a declaration of confidence that when Canadians appreciated their responsibilities they would rise to the emergency.

MR. BORDEN AT OTTAWA.

Ottawa, Sept. 9.—The Right Hon. Robert L. Borden, prime minister of Canada, arrived back in Ottawa early yesterday morning, having come through from Montreal immediately after the notable demonstration in his honor Saturday night. The Premier's coming was known to few, and at an hour that prevented many from meeting him. That honor will be fully atoned for to-day, when the official civic welcome will afford the citizens of Ottawa an opportunity of greeting their foremost citizen.

The directors have spent a considerable amount this year in improving the grounds and buildings.

Mr. Geo. F. Hall, the secretary, states that the entries will be larger than last year in the live stock department.

The Sutton Horticultural Society will also hold their annual exhibition in connection with the fair. This promises also to be larger than ever before.

MONTREALER WAS DROWNED.

Buffalo, N.Y., September 9. — The body of John Langley, 19 years old, a waiter at McLeod's Hotel, who lost his life in the Niagara River while swimming off the watersworks pier near the foot of Hampshire street last Tuesday morning was found floating in the west channel near the Grand Island shore, off the Oakwood Club, yesterday by Edward Regan, nephew of Police Chief Michael Regan.

FUNERAL OF MISS BLANCHE BALDWIN.

Coaticook, Sept. 9. — (Special) — The funeral of the late Miss Blanche Baldwin, who passed away at Paris, France, on August 8th, of typhoid, was held on Thursday afternoon from St. Stephen's Church, conducted by Rev. Albert Stevens, rector, who spoke in a most impressive and sympathetic manner. A diet "Morning Light," was sweetly sung by Mrs. W. A. Stenning, and Miss Hilda Baldwin, and the hymns "Nearer My God to Thee," and "Lead Kindly Light" were also sung. The bearers were Messrs. J. H. Cairnie, H. B. Lovell, S. C. Smith, A. A. Hall, A. Dupuis, and C. W. Kennedy. The interment took place at Mount Forest cemetery.

Miss Baldwin, who was but eighteen years of age, was an only child, of a kindly and genial disposition. She made many warm friends, full of good nature. She was a favorite with all. She was also possessed of an unusual musical talent and was a rising young violinist, having received a gold medal from the Dominion College of Music of Toronto about a year ago, for excellency in playing and a certificate of perfection for harmony, the two highest honors which can be received in Canada for the violin. That such a bright young life so full of promise should be thus sadly ended, has cast a gloom over the entire community, whose sympathy goes out to the bereaved parents.

DON'T SCOLD CROSS IRRITABLE CHILDREN

See if Tongue is Coated, Stomach Sour, or your little one is Constipated.

Children dearly love to take delicious "Syrup of Figs" and nothing else cleans and regulates their tender little stomachs, liver and bowels so promptly and thoroughly.

Children get bilious and constipated just like grown-ups. Then they get sick, the tongue is coated, stomach sour; breath bad; they don't eat or rest well; they become feverish, cross, irritable and don't want to play. Listen Mothers—for your child's sake, don't force the little one to swallow nauseating castor oil, violent calomel or harsh irritants like Cathartic pills.

A teaspoonful of Syrup of Figs will have your child smiling and happy again in just a few hours. Syrup of Figs will gently clean, sweeten and regulate the stomach, make the liver active and move on and out of the system all the poisons, without causing cramps or griping.

With Syrup of Figs you are not drugging or injuring your children. Being composed entirely of luscious figs, senna and aromatics it cannot be harmful. Full directions for children of all ages and for grown-ups plainly printed on the package.

Ask your druggist for the full name "Syrup of Figs and Elixir of Senna" prepared by the California Fig Syrup Co. This is a delicious tasting genuine old reliable. Refuse anything else offered.

THE WORLD'S WORK DEPENDS
ON THE WORLD'S DIGESTION

From the captain of industry to the
hod carrier—from milady in the auto to
the woman with the scrubbing brush—the
accomplishments of every one of us
depend absolutely on the accomplish-
ments of our stomachs. Backed by a
good digestion, a man can give the best
that is in him. When his stomach fails,
he becomes a weakling.

To this loss of power no one need
submit. Right habits of eating,
drinking, sleeping and exercise, aided
by Na-Dru-Co Dyspepsia Tablets, will
restore and maintain the full efficiency
of the human mind and body.

Na-Dru-Co Dyspepsia Tablets contain
the active principles needed for the
digestion of every kind of food. They
go to the assistance of the weakened
stomach, and enable the sufferer, right
from the start, to assimilate and get the
benefit of the food eaten. With this
assistance, the digestive organs regain
their tone, and soon the use of the tablets
is no longer necessary.

If your stomach is not working prop-
erly, try Na-Dru-Co Dyspepsia Tablets.

BRYNE-HULL.

Asbestos, Sept. 9.—(Special)—The
Presbyterian Church was the scene
of a very pretty wedding on Wednes-
day, September 4th, when Miss
Harriet E. Hull, daughter of Mr. Wal-
ter Hull, of England, was married to
Mr. Walter Bryne. The ceremony
was performed by the Rev. W. Ham-
ilton, pastor of the Methodist Church
of Danville. The church was very
pretty decorated with potted plants
and cut flowers, while a huge white
wedding bell was suspended directly
over the heads of the contracting
parties. The bride was attended by
the groom's sister, Mrs. Charles
Grigg, and wore a cream-colored
crepe de chene costume, with veil and
coronet of orange blossoms. The
groom was accompanied by Mr.
Grigg. Mrs. (Rev.) Hamilton play-
ed the wedding march.

After the ceremony a reception was
held at the home of Mr. and Mrs.
Grigg, where a bountiful repast was
served, the centre of the table being
occupied by a three-pyramid wedding
cake. Before dinner was served a
photographer took photos of the wed-
ding party. Many pretty, useful and
ornamental gifts were presented to
the happy couple. Mr. Bryne, since
his arrival here, has helped in the
Sunday School at the church services,
and in many ways has been a willing
worker, and many good wishes fol-
low him and his bride for a prosper-
ous and happy life.

FROST-ROY.

East Pinnacle, Sept. 9.—(Special)—
A quiet but pretty wedding was so-
lemnized at the Methodist Church,
Clarendonville, Que., Wednesday eve-
ning at 7 p.m., August 21st, by Rev.
J. A. McKie, when Gladys Grace
Roy, eldest daughter of Mr. and Mrs.
L. N. Roy, was united in marriage to
Mr. Raymond J. Frost, son of Mr.
and Mrs. F. L. Frost, of East Pin-
nacle, Que.

The bride, gowned in white Duch-
esse satin and carrying a shower bou-
quet of white sweet peas, was led to
the altar by her father, while Mrs. L.
A. Roy, sister of the bride, gowned in
white embroidered net and carrying
a bouquet of pink sweet peas, acted
as bridesmaid. The groom was sup-
ported by Mr. L. A. Roy.

The presents consisted of cut glass,
linen, cheques amounting to four hun-
dred and five dollars, silver and other
articles too numerous to mention.

The happy couple left on the 8:20
train, amid showers of rice for Bel-

His Lordship Bishop Dunn of the Diocese of Quebec, may become Archbishop of the proposed new Province which it is suggested to form by the division of the present Metropolitan See. The Provincial Synod of the Church of England in Canada is to meet in Montreal, in special session, on October 17th to consider the question. At present the Province extends from Manitoba on the West to the Atlantic on the east, and includes the dioceses of Algoma, Huron, Toronto, Ontario, Ottawa, Montreal, Quebec, Fredericton and Nova Scotia. The division will have the effect of separating the first five dioceses from the last four, and of welding each group into an ecclesiastical province, with an Archbishop in each.

It is quite possible, as a result of the division, that the Lord Bishop of Quebec being the senior prelate may be made Archbishop and Metropolitan of the Eastern Province. The proposal to divide the present ecclesiastical Province of Canada has already been approved by the individual Diocesan Synods and by the general Synod.

A pretty wedding was solemnized, this morning, in St. Patrick's chapel on Gordon street, when Miss Winifred Elizabeth Dillon, daughter of the late William Dillon, of Sherbrooke, was married to Mr. E. E. McCone, formerly of Windsor Mills.

The altar was decorated with flowers, sweet peas and golden glow, with foliage being effectively used, and very beautiful music was rendered by Professor Bourgeault, who contributed a violin solo, Miss Vera Workman and Mr. Leonidas Bachand who sang very sweetly. The Wedding March was played by Miss Gertrude Ling of Windsor Mills. The ceremony was performed by the Rev. E. C. Fiset, parish priest.

The bride who was given away by her uncle, Mr. Frank Lachance, wore a smart gown of navy blue cloth, skirt and coat with lingerie blouse, and black picture hat, trimmed with a pink willow plume. She carried a bouquet of white roses.

The groom was supported by his father, Mr. E. A. McCone of Windsor Mills.

After the ceremony the wedding party drove to the home of the bride's uncle on Prospect street where refreshments were served, after which the young couple left by the Grand Trunk express for a wedding trip to Montreal, Toronto, Buffalo and Niagara Falls. On their return they will reside in Sherbrooke.

Among the guests present were Mr. and Mrs. McCone, Windsor Mills; Mr. and Mrs. J. W. Quinn, Miss Ling, Mr. J. Ling, Mrs. Burgess, Boston; Mr. Frank Lachance, the Misses Lachance, Mr. Jas. Lachance, Miss Gertrude Turner, Mr. and Mrs. M. R. O'Donnell, East Sherbrooke; Miss O'Donnell, Walker, Mass.; Mrs. Kelly, Mr. Gordon Kelly, etc.

The wedding presents were displayed in the parlor and were numerous and valuable, consisting of silver, cut glass, linen, household articles, etc.

The groom's gift to the bride was a handsome gold watch and chain.

The teams batted as follows:

Yesterday the Cubs beat Bromptonville 10-6. Workman started on the mound for the Cubs but retired in favor of Hammond after Morrisette knocked a home run early in the game. Hammond's pitching and Prefontaine's batting were features. Only one hit was made off Hammond.

HOVEY'S

BANQUET TO HON. S. A. FISHER.

(Continued from page 1.)

tingdon; Mr. J. Gibson, Cowansville; Mr. A. R. McMaster, Montreal; Mr. C. A. Nutting, K.C., Waterloo; Mr. Hastings, Iron Hill; Mr. A. W. Westover, Sutton, and Mr. Cauldwell, Secretary of the Association, Knowlton.

When the inner man had been satisfied Mr. Cauldwell, the Secretary, read letters of regret from those invited guests who were unable to be present. Sir Wilfrid Laurier regretted his inability to be present owing to his having to speak at Mariville, and at the same time referred to the good work done by their guest during his term of office of Minister of Agriculture. Other regrets were read from Hon. R. Lemieux, M.P., Montreal; Mr. A. Boye, Mr. R.C. Smith, K.C., Montreal; Mr. McKeown, Montreal, and others.

The toasts to the King and Governor-General were given by the Chair and duly honored.

"OUR GUEST."

Mr. W. F. Vilas proposed the toast to "Our Guest." In the course of his remarks he said that the attendance that day of such numbers under such weather conditions was sufficient in itself to show the high esteem in which the guest was held throughout the County of Brome. Mr. Fisher, their guest, had been in public life

HON. GEO. P. GRAHAM, Principal Speaker at Banquet.

for nearly forty years. When Mr. Fisher first arrived in the County of Brome he lost no time in identifying himself with the interests of the people. It was not long after he identified himself with the Liberal party that he was recognized as one of that party's leaders. Although he had suffered defeat in the County that defeat was followed by a greater victory.

Mr. Vilas then dealt at considerable length on what Mr. Fisher had done for the agricultural community of the Dominion during the fifteen years that he had held the portfolio of Minister of Agriculture. He had no hesitation in saying that their guest that day was the best minister of Agriculture that the country ever had. His measures introduced and adopted by the Commons had meant thousands of dollars to the farmer. It was to Mr. Fisher that they were enabled to reach this place in such comfort for it was he that was the means of getting the necessary legislation put through that gave them the Orford Mountain Railway, and now controlled by the C.P.R. Mr. Vilas concluded by calling upon the company

to drink to the health of the Hon. Sydney A. Fisher.

This was followed by singing "For He's a Jolly Good Fellow."

MR. FISHER REPLIES.

Hon. S. A. Fisher, on rising to respond, was greeted with a wild burst of cheering. When this had subsided Mr. Fisher said that he could hardly express his appreciation for the manner in which they had received the toast to his health and also for coming out in such large numbers to do him honor. It gave him a great deal of gratification at a time when he was no longer in a public position, and at a time when he had no patronage to bestow. Mr. Vilas, in proposing the toast had referred to a few things that he had been able to do during his political career. He had just thought that day, and it had not occurred to him before, that the first great political meeting in which he had taken a part was at Potton Springs in the spring of 1878, when the Hon. Lucian Huntington addressed the people of Shefford and Brome. Many of the younger generations may have forgotten him, but he assured them that at that time his name was to conjure with. At that time the Liberals held but one County in the Eastern Townships. In the last Parliament the Liberals had all but one, while in this Parliament, unfortunately, there were two seats carried by Conservatives. This, however, was compensated for by the fact that in the Quebec Legislature the Liberals held every seat in the Eastern Townships. That, he thought, showed strength on the part of the Liberals. During the past thirty years he (Mr. Fisher) had represented the County of Brome with some intermissions. When representing that County in the Liberal administration he had had the honor of representing the English speaking portion of the Province in the Councils of the Dominion. This wider responsibility and the duties pertaining thereto had interfered with his duties to his own county and kept him from doing that which they had a right to expect of him.

In the last contest his defeat was no doubt due to that fact. He now held no public position. He was just a plain elector of the County of Brome, and he felt highly honored at the demonstration which had been accorded him by his fellow electors of the County and their representatives in the Eastern Townships.

Mr. Fisher then referred to the dismissal of public servants. He said that he introduced a measure in the House of Commons whereby those appointed to a position at Ottawa had to pass an examination before being appointed. Mr. Borden reported this measure to take in the outside service as well. The Tory Government had dismissed capable men from office for no reason whatever and replaced them by men who were incapable of filling the position to satisfaction. When he (Mr. Fisher) was in office he was in and out amongst the people and when an appointment had to be made it was the best men that were selected. Today it was political preference that secured a position at the expense of experience.

Mr. Fisher then referred to what he had done in securing a railway through Potton and Bolton. In the old days the people of that section were advised not to vote for Fisher because he would do nothing for them in connection with the railway. He, however, was the first to take this up, and Mr. S. W. Foster, who was also largely interested in the scheme, would bear out this statement.

Speaking of the defeat of the Liberal party Mr. Fisher said they had to be congratulated on the spirit in which they took their defeat. The way they had gathered themselves to prepare for the next conflict was a sure augury of victory. He knew what the men of Brome can do, when they gathered themselves together. They were caught napping last fall, but as a result of that they showed what the Liberals could do when they returned Mr. Vilas to the Legislature by a majority of 400. That was the normal Liberal majority in the County. For years they had given it to him (Mr. Fisher) except in 1891 when the vote was a tie and the returning officer gave his casting vote in favor of the Tory candidate, and then, again at the last election when he was defeated by 24 votes. These were the exceptions. He had no doubt but that in the future they would again return a Liberal to the Dominion House for another long term of years.

With regard to reciprocity Mr. Fisher said that the vote on this was not from an economic point of view. He was satisfied that the wave of public opinion, which was somewhat antagonistic to their neighbors to the south, and Imperial flag waving sentiment of the Imperialists was the cause of the vote against this measure.

Mr. Fisher dwelt at some length on the attitude of the West for larger markets and said that if they did not secure this it would mean a division between the east and west of the Dominion of Canada. He quoted at length from previous remarks he had made on this point, and read an extract from a leading Western paper that the sentiment of the west was very antagonistic to the attitude of the east in refusing to agree to more open doors for the products of the west. The policy of the Liberals was to adopt measures that would prevent any such division. Unless this was done the growth and prosperity of the country would be retarded.

Proceeding he said that Liberalism was for the benefit of the masses and therefore, the solution of the difficulty was that there should be harmony amongst the people at large. On the other hand the Tory lives for himself and works for himself alone.

With regard to the naval question Mr. Fisher said that Mr. Borden was divided between two opinions. He believed that the naval policy adopted by the Liberals after full consultation with the British Admiralty was the correct one. That policy was also confirmed by the whole of the House of Commons and the Tory leaders endorsed it to the full. This was the attitude of the Tories until the naval question was brought into the arena of party politics. The na-

BRITISH ARMY, MANOEUVRES

Will be Most Interesting Ever Held
in England.

THE REPULSE OF A GERMAN INVASION WILL FURNISH THE GENERAL SCHEME.

London, Sept. 9.—The most interesting army manoeuvres ever held in England, which it was feared the inundation of the country by rains might prevent, will begin today and continue until September 20. The repulse of a German invasion as conjectured for will furnish the general scheme for the operations, since the manoeuvres are and adjoins the eastern coast line. Inspired articles in the newspapers, however, deprecate such a theory. The area covered will be Norfolk, Suffolk, Essex, Hertford, Huntingdon, Bedford and Cambridge, although the first week's operations will be confined to Norfolk and Cambridge.

One airship squadron and two aeroplane squadrons will be attached to each army, giving each two airships and a dozen aeroplanes. Major-General Samuel Holt Lomax, general officer command First Division at Aldershot, and Major-General Henry M. Lawson, in charge of administration at Aldershot, will be in command of the respective armies. The fight will be purely an infantry test. In the general orders mounted troops and waggons are prohibited from crossing the golf greens, and all troops are prohibited from entering dwellings, churches, schools, factories, gardens and orchards.

val policy of the Liberal Government was the proper policy for the Dominion of Canada.

Mr. Fisher concluded his remarks by calling upon his hearers to prepare for the coming elections, and by again thanking them for the demonstration in his honor.

MR. A. R. McMASTER.

Mr. A. R. McMaster followed and proposed the Parliaments of Canada. He expressed the pleasure it always gave him to come to Brome County and more especially on the occasion when they were honoring the Hon. S. A. Fisher. Mr. McMaster referred to the splendid record of the ex-Minister of Agriculture, and said that the work he had done had brought thousands of dollars to the Canadian farmer. Mr. McMaster touched upon the cause of the defeat of the Liberal party, and intimated that though out of office the Liberals were ready for the next fray, and would be victorious.

HON. GEORGE GRAHAM

In replying to the toasts of the Parliaments of Canada, Hon. Mr. Graham spoke at some length. He said that it gave him great pleasure to be present at the demonstration to his friend, Hon. S. A. Fisher, and also to visit the Eastern Townships. He dwelt at some length on the attitude of the Tory Government with regard to the questions now before the country. He paid a tribute to their guest's work in enabling the farmers to get their produce to the market in the same state as when it left the farm. That work alone meant inestimable wealth to the farmer.

Speaking of the trade question Mr. Graham said that no Government could live at Ottawa that left this matter in abeyance. Call it by whatever name you wish the farmers of the West had to get an outlet for their products. What was the need of the Government sending agents across the water and to the other side of the line to get people to settle in the West? No outlet was provided. They could not stand still. The West can supply Canada and Great Britain with grain and at present there was an overplus. What would result if the production increases as in the past. They cannot stand still, and the Tory Government will be forced to put forward a policy of wider markets for the people of the West.

Mr. Graham predicted that the general elections were nearer at hand than many anticipated. The redistribution bill had to be introduced, and the constituencies that are then formed will need representation as soon as the bill is passed.

He did not believe in the war scare. He had yet to be convinced that there was a likelihood of trouble between Britain and Germany. Mr. Borden himself had stated he had not received convincing evidence of this. Mr. Graham said the war scare was the work of jingoism and those manufacturers who made profit by it. He had no hesitation in saying that this war scare was the work of a subsidized press that had been bought up by those who made money by a war.

THE PROVINCIAL LEGISLATURE.

Mr. G. H. Boivin, M.P., for Shefford, proposed "The Legislature," coupled with the names of Mr. Bullock, M.L.A., Shefford, and Mr. Goselin, M.L.A., Missisquoi.

The last toast on the list was the Liberal Association of the County of Brome.

The proceedings then terminated and the special for the return trip was boarded at 5.30 p. m. for home.

HEAVY RAINS CAUSE DAMAGE

Portion of C. P. R. Radbed Washed
Out at Farnham.

SMALL RIVER RAN DOWN THE
MAIN STREET FOR SOME
DISTANCE.

Farnham, Sept. 9.—(Special)—The heavy rains caused such a rising of the Yamaska River as to overflow the canal from the town dam and flood the St. Guillaume branch of the C. P. R.

The road bed was washed out, and a small river ran down Main street as far as the Rivard Hotel.

INVADE KING GEORGE'S GROUND.

OUTWIT POLICE GUARDS AND
LEAVE FLAGS ALL ROUND
GOLF LINKS.

Balmoral, Scotland, Sept. 9.—Suffragettes invaded the grounds of King George's Highland Castle Saturday night. The King is residing here during the shooting season, and a strong force of police is in attendance. The women, however, succeeded in completely outwitting the guards and left signs of their daring

CANDIDATES FOR FRENCH PRESIDENCY

Election Is Not Same Popular
Affair as in States

CHOOSING OF CHIEF DEVOLVES
ON SENATE AND CHAMBER
OF DEPUTIES.

Paris, Sept. 9.—Now that President Fallieres has entered upon his last six months at the Elysee, the chances of the various potential candidates for the Presidency are "being actively canvassed." The French Presidential election is not the same popular affair as in the United States. The battle for the choosing of the chief of state here devolves on the Senate and Chamber of Deputies united in National Assembly at Versailles, and the voting is secret.

Among the possible candidates for the election in January are Raymond Poincaré, the Premier; Antonin Dubost, the President of the Senate; Paul Deschanel, the Speaker of the Chamber, and Leon Bourgeois, the Minister of Labor.

exploit in the shape of purple-colored flags bearing the words: "Votes for women means peace for the Cabinet ministers," all round his majesty's private golf links. They took away with them the flags marking the holes.

LABOUR MEETING AT GUELPH, ONT.

Trades and Labour Congress Now
In Session.

J. KEIR HARDIE, M. P. AND
BRITISH LABOR LEADER IN
ATTENDANCE.

Guelph, Ont., Sept. 9.—(Special)—Representatives of the brain and brawn of organized labor in the Dominion filled the Armouries' Building in this city this morning when President James C. Watters called to order the twenty-eighth annual meeting of the Trades and Labor Congress of Canada. The attendance at the opening was the largest and probably the most representative in the history of the organization's annual meetings. Seated as guests of honor on the speakers' platform were J. Keir Hardie, the noted British labor leader and member of parliament, and John T. Smith of Kansas City, who was present as a fraternal delegate from the American Federation of Labor. The business of the convention will probably last an entire week. The eight-hour bill, immigration laws, the workmen's compensation acts, the alien labor act and other legislative measures, both federal and provincial, are to be exhaustively discussed by the congress.
