

The above photograph gives a general view of the activity at the Huntingdon Branch Canadian Legion Hall on Tuesday afternoon. The occasion was the opening of the Occupational Therapy classes there and which will be carried on every Tuesday afternoon from now on. Shown are the tables with the pupils working at the different articles of their choice. This is a March of Dimes project.

Occupational Therapy Classes Open At Huntingdon Legion Hall On Tuesday

Tuesday afternoon saw an important inauguration at the Legion Hall on Fairview Road and a number of dignitaries were present to witness the event. It has been mentioned in these columns that the Occupational Therapy of the March of Dimes sponsored by the Royal Canadian Legion, Huntingdon Branch No. 81 was to be moved to a new home. Formerly this was carried on through the good offices of Miss Lillian Rankin, R.N., at the Riverview Terrace Convalescent Centre. Space was at a premium and more people wanted to take part. It was decided to move the location to the Legion Hall where there would be more room and where the meetings could be more frequent.

Tuesday was the time when this took place and it was an important and joyous occasion for all who had to do with changeover. Two large tables were occupied by people taking part in the occupational therapy under the direction Mrs. St. Laurent of Granby, therapist with the March of Dimes. Some of these people were troubled by disabilities and others were elderly and wanting something to do. They were all engaged with various types of the work on hand. Present for the occasion were: Messrs. Akin and Emile Pelletier of the March of Dimes; Rev. A. M. Reid; Rev. H. M. Gould; Fr. M. Garneau, Mayor Cappiello and Mrs. Cappiello and Miss Lillian Rankin, R.N. Mrs. Ann Cameron, Chair-

man for the March of Dimes welcomed everyone, explaining that it was a new venture for the Canadian Legion in Huntingdon and she hoped that it would prove to be a success. It was open to all who needed something like this and it would be held every Tuesday of each week. She hoped it would expand quickly and provide a long felt need. Mr. Akin of the March of Dimes spoke words of praise for Mrs. Cameron and the local branch of the Legion for their work in connection with the March of Dimes. Some of the results were to be seen here today and he congratulated all on the work that was being accomplished. Congratulations were given by Mayor Cappiello, Rev. H. M. Gould, Rev. A. M. Reid and Fr. M. Garneau. All expressed the hope that the people of the community would support the project.

To give an idea of what was going on these are some of the objects that the students were working on under the supervision of Mrs. St. Laurent and other helpers. Hooked Rugs; Basket weaving; making and shellacking; Picture making with beads; Mosaic; Leather wallets and such articles. Both men and women were taking part and all seemed to be doing a good job, even despite some handicaps. Mr. Ralph Watson of Huntingdon brought a loom to the class and it will be seen if any of the participants would be interested in this work. If so it is possible that one will be purchased for the group for future use.

TWO FINED FOR ASSAULT ON HUNTINGDON CITIZEN

Arising from stopping a car driven by Joseph Dorais of Huntingdon, between Dewittville and Huntingdon on Highway No. 4, on Sunday, September 29th, by some young men, a complaint was made out to the Quebec Provincial Police at Huntingdon by Mr. Dorais. It is reported that the young men complained to Mr. Dorais about his following them without dimming the head-

lights on his car. An argument followed and police were called in. As a result, Gary Donnelly and Melvin Arthur of Huntingdon, appeared in court at Valleyfield before Judge Parent on October 4th, and pleaded guilty to a charge of assault and causing bodily harm to Joseph Dorais. They were fined \$50 each and in default of payment, 8 days in jail. The fine was paid.

Donald Davidson Heads This Year's Red Shield Campaign

Mr. D.L. Davidson has agreed to act as General Campaign Chairman for the Annual Red Shield Appeal of the Salvation Army in Huntingdon and district. Mr. Davidson is well-known in this area, as Manager of The Canadian Imperial Bank of Commerce. A Launching Meeting was held recently when His Worship the Mayor, Mr. Leo Cappiello, was present along with Mrs. Cappiello, and spoke very highly of the humanitarian work of The Army in the Hun-

tingdon area and urged the citizens not only to assist in the Campaign as canvassers, but also to contribute to make the Campaign reach its objective of \$2,000.00. Mrs. D.S. Henderson is Vice-Chairman of the Appeal and will be soliciting the assistance of all citizens when the Campaign opens officially on October 15th. The money raised in this area will be used to assist those of our community who are in need. Mr. S.J. Currie is Chairman of the Salvation Army's Rural Service Unit in Huntingdon and has oversight, along with his Committee, in the distribution of the welfare funds. Major Sidney A. Tuck, Public Relations Officer for the Province of Quebec, spoke on behalf of The Salvation Army and outlined the various services available to the citizens of our community and mentioned the work among the unmarried mothers, the Eventide Home and the Men's Rehabilitation Centre played a major role in the rehabilitation programme of those who need these particular services, and also expressed words of appreciation on behalf of The Army to every citizen for their support of the Annual Red Shield Campaign.

Since it was a Club Consignment Sale, it might be assumed that the animals in the Howick-Huntingdon Ayrshire Club Sale, held at Exhibition Grounds, Ormstown, Friday, October 4, represented cross-sections of the herds from whence they were consigned. Anyway, as apart from any ancestral or milk record backing, they were, in an individual conformation way, a good lot of cattle, well fitted and well presented. In the latter instance by Leadsman Kenneth McFarlane and Tom Quinnell. They were auctioned by Paul Bernard, St. Pie, with Clement Beauchemin, Field Representative, Quebec Ayrshire

LIBERALS NOT FOR "SPECIAL STATUS" IN QUEBEC

The Quebec Liberal Party held back in to a strongly federalist position and, on the final day of a weekend convention at the Queen Elizabeth Hotel, delegates quietly dropped the demand Quebec be given a "Special Status" in the Canadian Confederation.

They adopted a resolution which mutes the province's demands for new powers and leaves the constitutional question so open the party is free to move in almost any direction except away from Confederation.

Only two of those present at yesterday morning's session voted against the resolution introduced by party financial critic and policy committee chairman Robert Bourassa.

One of the two was an English-speaking woman delegate who felt the convention should not give the executive a "blank cheque."

"The Quebec Liberal Party opts clearly and unequivocally for the maintenance of federalism in Canada" the resolution reads.

French priority backed The Quebec Liberal Party conference voted Saturday "to make French the priority language in the province."

The cultural affairs committee resolution, one of the most controversial of the three-day conference, survived a full day of debate to receive overwhelming endorsements, from both French and English-speaking members without exception.

The resolution also promised to ensure linguistic rights of Quebec's English minority are protected in future, "integrally and efficiently, but not only in theory but in practice."

The new five-point plank, which party leader Jean Lesage said represented the true Liberal consensus, laid strong emphasis on improving the quality of French in Quebec while promoting its priority position.

It insisted: That the necessary measures be taken to assure the progressive standardization of written and spoken French; That all English-speaking citizens of Quebec, without exception, be offered in schools

of their choice a "sufficient quantity and quality of teaching to become effective if French"; That increasing number of immigrants be persuaded to use French through education, improved publicity and social activities.

In forging the resolution first the committee and later the general meeting fought "five proposed amendments" from linguistic "hawks and doves" both — proposals ranging from new constitutional decrees to further entrenched English minority rights to a "repealed demand that Quebec's English-language school system be abolished altogether."

Both Mr. Lesage and committee chairman Pierre Paré intervened actively in the workshop debate during the morning when the original five points appeared momentarily threatened.

Mr. Lesage told delegates "we're not trying to rewrite the constitution with this resolution, we're trying to build upon it." Quebec is already recognized as a bilingual province in the constitution, he pointed out and English language rights would continue to be protected, "by tradition, the constitution, and certainly the policies of the Liberal Party."

"What we need now is to take measures that will guarantee the life, blood and full flowering of French language and culture," he said.

"It is not the English language which is in danger — even in Quebec — it is really the French language which faces a crisis. That the French language should have priority in Quebec, that's a fact. That it must be protected, that's a fact."

Quebec Liberals will launch an all-out campaign in the Legislature as soon as the session resumes to force the National Union Government to intervene in the St. Leonard school crisis.

Opposition Leader Lesage said last night that all parents in Quebec should have the right to have their children educated in the language of their choice, and sharply criticized the Government for allowing this right to be suspended in St. Leonard.

Once again the annual appeal on behalf of the Salvation Army is to be conducted in the Huntingdon area. The campaign is to open on October 15th and continue in high gear all that week. Canvassers will be out in the region from Rockburn to St. Armand covering all areas in between and the Town of Huntingdon.

Mr. Donald Davidson, Manager of the Canadian Imperial Bank of Commerce in Huntingdon, is the chairman, while Mrs. Dorothy Henderson is the Co-chairman. If you so wish you may make contributions to either of these people at the Huntingdon Branch of the Bank.

You are urged to give generously when the canvasser calls and everyone knows that it is a worthy cause. A number of cases in the local area have benefited from help received from the Salvation Army. Only by generous contributions can this work be carried on. Your chance to make a contribution is now at hand and to make it easier for you a canvasser will be calling at your home soon.

SEVERAL STREETS IN TOWN TO BE PAVED OR REPAIRED

The regular monthly meeting of the Town Council was held on Monday evening with Mayor Cappiello presiding and all members present. The minutes were read and approved.

Delegates from the Chateaugay Valley Pipe Band will receive a grant of \$150 following their request. A delegation of the Knights of Columbus explained that they had filed an application with the Régie des Alcools du Québec to get a club license to operate in their hall. It was moved by Alderman Brisbois, seconded by Alderman Murphy that the town advise the Régie des Alcools that the Council has no objection to this request.

Mr. Roskies, representing the Huntingdon Woolen Mills explained that the water pressure was very low at times in their mill and asked when an improvement could be expected. He was told that the town men are working on it and that everything will be done to try and give better service.

The Roads Department advised the Council that work will be done shortly on streets in town as requested, i.e. the resurfacing of Prince St. from Bouchette to Lake, Churchill, Maple, Willow Streets, Ferns and Dixon Avenues, Henderson

DIRECTING COMMITTEE HOLDS FIRST MEETING AT ACADEMY

The first meeting of the Directing Committee for the 1968-69 school term took place at the Library of Huntingdon Academy on Tuesday, October 8 at 8:00 p.m. with Roland Greenbank elected chairman. The objectives of the Home and School Association as outlined in the September issue of the Quebec Home and School News were read by the chairman. It was apparent at the functions of the Association and the General Assembly of parents and teachers were much the same.

After a lively discussion it was suggested that a letter be written to Mrs. Dorothy Frank of the Quebec Federation of Protestant Home and School Associations seeking her opinion on the conflict of aims and to determine the policy of the Federation with regard to the relationship between a parent's Assembly of Parents Greenbank were elected President and Chairman, and a local Correspondent and Chairwoman, respectively.

Before adjournment Mrs. Rottensten was re-elected secretary of the Directing Committee. Mrs. Ruddock and Mr. Greenbank were elected Press Correspondent and Chairwoman, respectively.

This Is Fire Prevention Week Check For Fire Hazards

This is Fire Prevention Week on all possible hazards that might cause fire. Too much rubbish stored in the basement or attic and especially where stove pipes or chimneys pass through. Overloading of electrical circuits by plugging in more than one electrical appliance. Badly frayed light cords or loose sockets, all should be checked and repaired or renewed. It does not pay to take chances with fire. Soon we shall be well into the winter season and we should try to make our homes and business places as safe as possible. The winter season is the hardest time of the year and when fire hazards can be at the peak. A thorough inspection can sometimes remove possible causes of fires and thus help to prevent them. Help your fire chief to help you — prevent fires.

Chief L'Heureux and his firemen are making full use of this week to remind the people of Town to take all precautions against fire. He has warned them to get their chimneys cleaned before the full heating season is on and has tried to prevent fires from overheated chimneys. His men are visiting the schools in the area to further plant the idea of fire prevention in the minds of the school children. It is hoped that they in turn will point out to their parents what they have learned regarding fire prevention.

Winter Works Bonus Given Rural Towns

The Quebec government is undertaking a winter works program which will give rural municipalities the same advantages as large urban ones. Municipal Affairs Minister Robert Lussier said Saturday. The minister had announced the program — under which the provincial government will pay 50 per cent of the cost of winter works labor — in a Friday speech to the Union of County Councils.

Mr. Lussier said that for rural municipalities Quebec will pay all costs which the municipality cannot afford, including materials and equipment as well as labor. If a rural municipality wanted to build a water treatment plant at an overall cost of \$120 per capita, for instance and the municipality could afford to pay only \$60 per capita, the province would pay the difference of \$60 a head.

For larger municipalities the province would pay 50 per cent of labor costs only. Mr. Lussier said Quebec has set aside \$10,000,000 this fiscal year for aid to municipalities — the same amount as last year. He said urban municipalities will get \$7,000,000 of the total and rural municipalities \$3,000,000.

The Quebec program takes effect November 1 and continues until April 30, 1969.

Result Of Red Cross Campaign

Results of the recent Red Cross campaign for 1968 have been handed in and showed that the sum of \$2,043.77 has been collected from this area. A more detailed report will be given later when this has been properly prepared.

THREE CARS IN COLLISION ON HIGHWAY NO. 4 - FOUR PERSONS INJURED

A three-car collision occurred on Highway No. 4 between Dewittville and Huntingdon at about 1:45 a.m. on October 6. The actual point was in front of the Hubert Sherry residence on Highway 4.

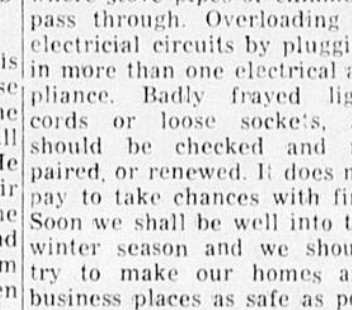

The three vehicles were a station wagon driven by Claude Bourassa, age 20 of Huntingdon and owned by his father. A Chevy sedan driven by Harry Lebovitch age 18 of Ville St. Laurent and owned by Mental Lebovitch and a 1967 Buick driven by Paul Emile Daoust, age 23, of Huntingdon.

Yves Carrière and Yvonne Carrière of the Bourassa family were slightly injured. Harry Lebovitch and Marcel Stamer, age 19, in the Lebovitch car were injured and taken to the hospital at Valleyfield for treatment.

The Bourassa car suffered damage to about \$700 while the Lebovitch car was a total wreck. The Daoust car escaped with little damage and the driver was not injured.

The accident is still being investigated and the exact cause of the collision has not yet been established. The cars were all apparently going in the same direction toward Huntingdon. Police believe that perhaps one of the cars was coming out of a private driveway.

Graduate Nurse

Miss Gail Allen, daughter of Mr. and Mrs. Kenneth Allen of Aubrey, graduated recently from the Queen Elizabeth Hospital of Montreal School of Nursing, and has successfully passed Quebec registration examinations.

Gail will be employed by the Toronto Hospital for Sick Children, Toronto, Ontario.

P.T.A. Meeting At St. Joseph School

On Thursday, Sept. 26th, the P.T.A. of St. Joseph's School assembled for the first meeting of the school year. For the size of the enrollment, the turnout of some 65 parents was considered exceptionally good. We are delighted that so many parents indicated by their presence that they have high interest in the school curriculum.

This meeting opened with the usual formalities, the reading of the minutes; treasurer's report; disposal of current business; recommendations of the Executive. School uniforms came under brief scrutiny. Arrangements are being made to effect regular fire drills.

The evening's feature was a guest speaker, Rev. Father Chaput, who gave insight into the new methods of teaching religion in the elementary school levels.

His talk, and later comments, gave stress to the added emphasis placed on living by one's religion and developing a good sense of worth. In other words, developing one's character to serve well in whatever career one follows. Father Chaput further stressed that merely knowing facts and memorization is not enough. One must allow religion to serve as instruction in character development. After his talk, Father Chaput answered several questions from parents.

At this point the principal, Mrs. Ola Leduc, was called upon to introduce the teachers to the assemblage.

The meeting concluded, parents were free to move about informally to talk to teachers, principal, guest speaker and other parents. Coffee was served in the cafeteria.

Parents also enjoyed a tour of the classrooms, which were open for inspection. Particular note was taken of the numerous posters decorating the corridors and classrooms. The children had worked quickly, and their work was well received.

It has become apparent, in the past year in particular, that education is moving ahead in rapid strides. There have been many changes in the elementary level leading up to the innovations now being implemented in the higher levels of the regional schools. The P.T.A. serves an important link between parents, teachers and child. We have what we consider to be an interesting programme outlined for the coming year, and look forward to your participation.

The meeting was adjourned to October 21.

COVERING THE ACTIVITIES OF THE "LITTLE ROYAL" EXHIBITION CENTRE

St. Paul's U.C.W.
ORMSTOWN — The September meeting of Unit 3 St. Paul's U.C.W. was held at the home of Miss Lila Winter. The meeting was conducted by Mrs. Archie Hughes and there were twenty-three members and one visitor present. The committee in charge for the evening was Mrs. E. Templeton, Misses Anna Struthers and Vera Rutherford. An interesting program was presented when all were invited to participate in a Japanese Evening. A worship centre with a Japanese scroll and pretty Japanese lanterns hung around the room, made an appropriate setting. The word "Love" was the theme of the Devotional and it concluded with a Japanese prayer. The playing of a recorded interview and short articles by several members gave more information on the Christian work being done in this country. All were invited to do a Japanese puzzle and try their skill at paper folding, one of the many arts of the Japanese people. Several items of business were discussed, including a visit to a Convalescent Home in the near future. Mrs. Hughes was presented with a small gift with the best wishes of the group before she left for her new home in Maxville.

Sprays of miniature orange blossoms centered the plates of delicious sandwiches served by the committee in charge.

Personals
 Mr. and Mrs. Ken Barrington spent the week-end with his parents, Mr. and Mrs. Alton Barrington. They left Sunday morning for Toronto to take up residence, as Ken is employed by the Goodyear Company in Toronto. Keith Barrington, son of Mr. and Mrs. Alton Barrington is in his first year at Sir George Williams University in Montreal.

A speedy recovery is wished Mrs. Harold Kerr, who is a patient at the Barrie Memorial Hospital. Mrs. Fred Shaw of Hawkesbury was hostess at a luncheon and bridge on Friday. Mrs. Stuart Osmond, Miss Anna Struthers and Mrs. Alan Hooker of Ormstown were among the guests. Sunday guests at the home of Mrs. M. McBain were Miss Hester Kerr, Mrs. A. Kerr and Mrs. T. Gosland of Rosemount and Mrs. McKenzie of Franklin Centre. Mrs. C. A. Dobb of Carleton Place, Ont., spent Wednesday with her mother Mrs. E. McEwen, Ormstown. Mr. and Mrs. Bruce Baird and Mr. and Mrs. Normand Lazure, Lee and Eric were supper guests at the home of Mr. and Mrs. Irwin Cassidy, Pointe aux Trembles recently. Mr. and Mrs. Melvin McWhinnie and family were guests at the same home.

Sectional Meeting
 The 40th annual Sectional Meeting of the South Shore district of the Montreal Presbyterian W.M.S. was held in the Ormstown Presbyterian Church on Saturday, Sept. 28. The call to worship was given by Mrs. Black, from Chateauguay, district Vice-President, who then constituted the meeting with prayer. Following the opening hymn, Mrs. Goodall, of Ormstown, extended a warm welcome to all on behalf of the Ormstown ladies and invited all to remain for a social hour following the meeting. The minutes of the 1967 annual meeting were read and approved. There were over sixty ladies present, representing ten groups. The secretary of each group read a combined report of the activities of the W.M.S.; C.G.L.T.; C.O.C.; and Explorers of their church. These reports were very informative and interesting to hear. The guest speaker, Mrs. Elinor Fossum, was introduced by Mrs. W. Brown, of Georgetown. Mrs. Fossum gave an inspiring message on the theme "Why are we here? Why have we come?" She was thanked by Mrs. A. S. Reid of Huntingdon. Mrs. W. Craig invited the ladies to Riverfield in 1969 as that will be their centennial. The Rev. H. Smith pronounced the benediction. Following the meeting refreshments were enjoyed by all.

W.I. Meeting
 The regular meeting of the Ormstown W.I. was held in The Senior Citizen's Hall on Tuesday, Oct. 2, with an attendance of 15 members and two visitors. The roll call was "Why adult education is important." The treasurer re-

ported a balance on hand of \$97.38. Conveners reports were as follows: Agriculture — gave a report on chrysanthemums, their variety, care and culture. Education — told of legal advice being sought on education rights and the introduction of a Register-by-mail plan at Sir George Williams University. Home Economics — in the near future a method is to be adopted whereby all poultry that is dressed for human consumption will be government inspected and tagged. Citizenship — The Federated Women's Institute of Canada has received a grant of \$1,500 from the Canadian Citizenship branch of the Department of the Secretary of State. It was also reported that 208 super ducks were shipped from Great Britain to the Horst Klein poultry farm at Surrey, south of Vancouver. They are easy to hatch and at maturity, reach a weight of 15 pounds. Publicity — The portrait of Mrs. E. E. Morton was donated to the Vegreville Public Library as a Centennial Project, along with her obituary, detailing the offices in the W.I. which she had held during her lifetime of devotion to the good of the W.I. Ways and Means — Reported "Flu" shots were available at the Ormstown Medical Centre. Mrs. J. McKell, president, announced that the semi-annual meeting will be held at Riverfield on October 12. The guest speaker, Mr. Leigh Coffin, with an overhead projector, explained the mode in which education is being carried on in the elementary schools. His discourse was somewhat brief, but interesting. Mr. Coffin was introduced by Mrs. C. McNeil and thanked by Mrs. Allan Hooker. The members were pleased to have as a guest, Mrs. Mabel Martin of Tabir, Alta., and were sorry to hear of the illness of Mrs. H. W. Ovans who is convalescing at her home. A card from the W.I. Branch was sent her with best wishes for a speedy recovery. Refreshments were served by Mrs. John Greer, Mrs. Allan Hooker and Mrs. Robbie Ovans.

Mr. and Mrs. Albert Jennings of Winnipeg, Man. were callers on Saturday at the home of Mrs. Archie Hampson. They were on their way home from Antigonish, N.S.

Scouts, Venturers And Cubs Active In Howick District

The Scouts and Venturers of Howick had their first regular meeting of the season Sept. 16. There are at present 24 Scouts (11 - 13 yrs.) and 10 Venturers (14 - 18 yrs.)

The Scout Troop has been divided into French-speaking and English-speaking for instruction purposes, but will unite for all other activities. Roy Gourley and Vince Bourcier are Scoutmasters of the respective troops. Austin McKell is assisting Roy Gourley. Jim Miller is leader of the Venturers. As the new Scout and Venturer program is gradually taking over, all the leaders have been studying the

where they were called by the death of Mrs. Jennings's mother. Mr. Armour Thompson has spent some time visiting at the home of his aunt, Mrs. Clauson.

On Sept. 27 the Venturers were hosts to a group of Venturers from Chateauguay at Roy Angell's Scout Camp site. The visitors were met at the Howick turn-off on Highway No. 4 by Bobby Scoble, Scott (Gebbie), Donald Chisholm and Mr. I. Gebbie, and were escorted to the site. The Howick boys did not stay overnight, but helped their guests set up camp and camp-fire, the latter being a little more difficult than usual because of the wet weather. The wood can be damp, but the spirits? Never! The Howick Venturers are making plans again this year to raise money for their group. The dance at Howick Elementary School Saturday evening was successful. The election of officers was held Tuesday

evening. Malcolm Peddie, Pres. John Hanson, Vice-Pres., Ralph Templeton, Sec. and Scott Gebbie, Treas.

The Howick Wolf Cubs (8 - 10 yrs.) began their regular meetings Sept. 23. At the Going-Up Ceremony Glen Tannahill, Serge Robidoux, Kim Wright and Richard Sauvé left the Pack and were welcomed into the Scout Troop. There are 10 "New Chums" — Scott Templeton, David McKell, Gregory Elliott, Jean Paquette, Francois Turot, Alan Sauvé, Tommy Stonehouse, Wayne Palmer, Scott Williston and Aurèle Shink. At present, there are 29 boys in the Pack. The Cub leaders are Ivan Knox, John Anderson, Marguerite Finland and John Paquette is helping with French instruction. The Group Committee, the all important backing for the whole group, is chaired by Jim

coble. They held their meeting recently and elected the same officers for a second term. Members are Joan Ness (sec-treas.), Doug Templeton, Wilburn Anderson, Harry Angell, Mrs. Vince Bourcier, John Finland, Rev. John Anderson, Father Amyot, Bob Tolhurst, Ruth Tannahill and John Paquette. New members for the committee are always welcome as a full turn-out is not always possible and work must go on. It is this group of interested men and women that makes Scouting in Howick possible.

Powerscourt
 Mr. Guy Lafond, Quebec City, spent several days with his parents Mr. and Mrs. Aime Lafond. Mrs. Leslie Elder of Cooksville, Ont., is visiting with her parents Mr. and Mrs. Fred Ross. The infant son of Mr. and Mrs. Stanley Myatt was baptized in St. Andrew's Church Sunday a.m. receiving the names Steven Donald. The baptismal service was rather unique as there were two other infants baptized, namely the infant son of Mr. and Mrs. Howard Rutherford and the infant son of Mr. and Mrs. Billy Middlemiss. Mrs. Myatt, Mrs. Rutherford and Mr. Middlemiss were sisters and brothers so that the service was truly a family affair. After the service Mr. and Mrs. Myatt were hosts to a dinner at which thirty-nine members of the families plus the infants were present.

"The Sound Of Laughter" Rehearsals Now Under Way

M. Jacques Dion, in centre of photo receives from the hands of Mr. B. Vaillancourt a certificate attesting that he is now a member of The Wise Owl Club of Canada at right Marcel Coulombe pins on a souvenir button to the lapel of Mr. Dion. Mr. Vaillancourt and Coulombe are respectively security officers and personal director of the Canadian Electrolytic Zinc Valleyfield. Other details of this presentation are published in today's Gleaner edition. Photo Peter Rozon.

Jacques Dion, Valleyfield, Quebec, has joined the Wise Owl Club of Canada. He won membership in the club and a Wise Owl certificate because he warded off tragedy in an on-the-job accident.

Safety Director, Canadian Electrolytic Zinc Limited, announced today that Mr. Dion saved his eyes from injury or blindness through conscientious use of safety eye wear.

Mr. Dion, a labourer, was leading zinc dust into a leach tank when an explosion occur-

red. He suffered burns to his head, face, neck, shoulder and arms.

"Had he not been using eye protection," said the Safety Director, "he would have received serious eye injuries."

The Wise Owl Club of Canada is sponsored by the Prevention of Blindness Department of the Canadian National Institute for the Blind. CNIB takes the administration of the former Wise Owl Club of America from the National Society for the Prevention of Blindness, New York. The society inaugurated the Wise Owl movement in 1947. Membership in the Wise Owl Club protection," said the Safety Director, "he would have received serious eye injuries."

"The Sound of Laughter", under way each Wednesday evening in the Legion Hall at 8 p.m.

Tickets will be on sale shortly, priced \$1.50. Pink tickets are for the Friday evening (Dec. 6th) and Blue tickets for the Saturday evening performance.

From all appearances, an excellent show is in the offing. Old established favourites such as Rupert Hawley, Mons Duke, Tom Vine and Doug McGerrigle will be to the fore, and some distinguished new talent will also take part. William Howieson (tenor) and Camille Fréderick, young piano virtuoso, will greatly add to the class of the show.

Tickets will be distributed over a wide area, so make

the farmer would have had quite a time with the Customs. Just when will careless, selfish people mend their ways?

Miss Shearer Passes

The members of Powerscourt United Church were grieved to learn of the sudden passing of Miss Elizabeth Shearer, in Huntingdon County Hospital on Wednesday A.M., October 2nd. A long time member of the congregation, Miss Shearer was a staunch supporter and a regular attendee. Even the most severe weather did not deter her, and her presence will be sorely missed. Of a quiet and retiring disposition, she nevertheless was most conscientious in all duties pertaining to church and U.C.M.W. work. Her many acts of kindness and remembrance of shut-ins will long be remembered. The sympathy of the congregation is extended to the members of her family.

Mr. Alex Durward of Kingston, Ont., is enjoying a holiday with his son-in-law and daughter, Mr. and Mrs. Fred Wood. He is also calling on old time neighbors and acquaintances.

Mrs. Carl Ewing who has not been in the best of health for some time, has gone to River-view Terrace Nursing Home.

Mr. and Mrs. Sisk of Ver-lun spent Saturday with Mr. and Mrs. Pinches at their summer home.

Recent guests of Mrs. Wm. Lewis for several days were Rev. Archdeacon and Mrs. Phillips of Ottawa. On Tuesday they were supper guests of Mr. and Mrs. E. M. Wood.

Mr. and Mrs. Stewart Ross and Linda were Sunday guests of Mr. and Mrs. Robert Millard in Montreal.

Friday overnight guest of Mr. and Mrs. Matt. Wallace was Mr. Alex Wallace, Smith Falls, Ont.

Sunday guests of her parents, Mr. and Mrs. Geo. Taylor, were Mr. and Mrs. Barclay Cunningham and Sharon, Montreal.

Week-end guests of Mrs. Churua were her brother and sister-in-law, Mr. and Mrs. Frank Rady, Cornwall, Ont.

Hemingford Village Council

The October meeting of the Hemmingford Village Council did not take place as usual on Tuesday evening due to the lack of a quorum. Mayor Alistair Somerville and Secretary John McKough were present, also Councillor Edwin Keddy and Councillor René Poissant. Councillors Wallace, McNaughton, Germain and Tobin were absent.

This makes the second consecutive meeting of the Council cancelled owing to lack of a quorum. On September 3rd all Councillors were present, the Mayor and Secretary were the only members present.

L.A. Of Royal Canadian Legion Huntingdon Preparing For Year-End Activities

A regular meeting of the Ladies' Auxiliary of the Royal Canadian Legion, Branch No. 81, was held on Thursday evening, October 3rd, with Mrs. Peter Arnold, President in the chair.

Slek Committee: Mrs. Frank Napier reported in September Get Well cards and gifts were sent to Mr. Ted Button and Mrs. Cameron, sympathy cards to Mrs. Florence Maurice and Mrs. Archie Hampson. In October so far Get Well card to Mrs. Betty Button and card to Mrs. W. Harper.

Refreshment Committee: Mrs. Frank Napier, as convener, reported on the catering to a buffet banquet for golfers on September 15th. Mrs. Eric Rottensten, as convener, reported on the buffet for the Salvation Army held on October 2nd.

Poppy Fund: Mrs. Helen Gardner reported that a wreath and ribbon had been ordered and that a meeting will be called to organize the Poppy Drive.

Overseas Committee: Mrs. Ben Harrigan reported in September cards were sent to A. Hayter, H. Carrigan, A. Brisebois, I. Bouthillier and W. Sandy.

The winner this year for highest marks in mathematics in Grade 7 in Notre Dame School was Jocelyn Galipeau with 98% and the winner in the same category at St. Jo-

seph's School was Gail Higgins with 98.5%. Five dollar cheques were made out for each of these students winning this special Auxiliary prize for the past school term.

The Buying Committee were instructed to look into the purchasing of more tablecloths and also coffee pots. Mrs. Mollie Oldfield this evening kindly offered the donation of a 40 cup coffee maker which was very gratefully received.

With Christmas in mind Mrs. Anita Harrigan and her Overseas Committee were given a sum of money to get started early on the arduous task of purchasing gifts for all our men and women in the services overseas. This is first and foremost one of the main projects of the Ladies Auxiliary.

It was moved by Mrs. Marie Valdemar, seconded by Mrs. Mary Ykema that Mrs. Mary Preston be accepted as a member of the Auxiliary and an invitation be sent to her to attend the next meeting in November. Carried.

It was moved by Mrs. Valma Benoit, seconded by Mrs. Edith Watson that donation cheques be forwarded to the following: March of Dimes, The Royal Canadian Legion, Branch No. 81, The Sea Cadets the Salvation Army, the C.C.C. and the Widow's Fund. Carried.

Careless Hunters Cause Trouble For Farmer

POWERSCOURT — Hunters are still making a nuisance of themselves in this community. On the property of one local farmer, last Sunday, hunters opened a gate and left it unattended. On an inspection of his pasture cattle he found them all missing and in looking around found places in wire fences where the hunters had spread the strands wide enough so cattle could get through. It was Tuesday evening before the cattle were found. Fortunately they had gathered together in a gravel pit. This is located near the Border and had the cattle crossed over into U.S.A.

Editorial Notes..

Our Neighbor to The South and Its Economical Tendencies

THE past week sharp warning was given to the United States to guard its inflationary spiral for fear the U.S. dollar would take a loss in value. The warning was in terms of the immediate future and to have no delays. Just how this would affect Canada we are not quite sure, but Japan has issued a warning that if the U.S. starts to suddenly cut back, it could cause a world upheaval. Already the Canadian dollar is at a discount with the U.S. Dollar. In a way this helps the sale of some of our goods to the U.S. and to other countries which base their terms on U.S. Dollars. Should the U.S. Dollar fall on account of an inflationary trend building in the United States, it could bring their dollar once again to par with our own, or could mean a further discount. In the event of the former, our trade could suffer as a consequence because there would no longer be the incentive to buy Canadian goods. This could send our goods up in price and increase our own inflationary spiral. Our economy is so closely tied with that of the U.S. that we need to watch every move that is made there. Indeed the economy of a great part of the world is based on what the U.S. Dollar does. In the recent scare when Great Britain devalued the pound sterling, it almost caused world-wide repercussions and the

States and Canada had to bolster their reserves in order to keep the money market stabilized. If the U.S. Dollar should shrink, it could easily cause another world monetary crisis. There is no doubt but what the Viet Nam war and other internal upsets which the U.S. has had to face and is still facing, is a drain on the economic system of that country both in value of production and manpower. With thousands of men and much equipment being poured into this war and at the same time coping with domestic disturbances, there is a drain on the economy that sooner or later is going to have its effect. It is probable that time has arrived. If the U.S. Dollar is discounted, it will be with the idea of trying to improve production worth of goods by creating greater demand through the dollar buying more. Other than this, the people of the U.S. will likely be called upon to contribute more in taxes and they may even have to tighten their belts. All of this would naturally reflect on us in Canada in one way or another and our economy could suffer as a result. It is to be hoped that the powers that be in the U.S. will take heed of the warning given and do something about it at once.

Thanksgiving Time

THIS week-end will see Thanksgiving time once more in its annual turn around. This is the time of the year when we should take stock of the harvest returns and decide if we have an abundant supply of those things which a bountiful harvest usually gives. We believe it can be said that the harvest has been quite good this year — there has been a plentiful supply of vegetable and grain crops in this area. The apple crop now being harvested promises to be a good one and employment in this area is at a good level. This Sunday the churches in our area will be observing the Harvest festival and special services of thanks will be held in all of them. There should be good attendances at these services when the opportunity will be given to give thanks to a divine Providence who has made these things possible. We sometimes forget that while man may do many things, he depends to a great extent upon the help he receives from this divine Providence. We must have the proper weather before we can gather in the sheaves. We need guidance in our work to keep going and to give the right kind of service. The early Quakers and a number of other religious sects made much of Thanksgiving. It was harder in those days to eke out supplies to carry them through the hard winters.

They paid heed to the harvest and they were indeed thankful when a bountiful one was theirs. Times have changed and we of today have no real worries as to the morrow or the days ahead. Supplies reach us every day, the weather has little or no bearing on this during the winter months. Our neighbours are closer and help is near at hand at almost any time. Storage facilities ensure that we are kept well supplied with all our needs. For this we should be thankful and this is one time of the year when we can show our appreciation. This is also a time of warning. It is the last long week-end holiday before the end of the year, it is also in the hunting season. People will be making those last trips to visit friends before the winter weather sets in. We urge them to take care. Driving can be hazardous even now. Leaves falling from the trees make roads slippery and dangerous. Rains and frosts can make roads slippery in the early part of the day and in the late evening. Darkness also comes early and night driving is never of the best. Drive with caution and don't take chances. Make this a happy holiday. Enjoy your visits and don't make them an occasion for sorrow. We have had a bountiful harvest and it is an occasion for rejoicing. Let's keep it that way.

H-F Journal including 56 pages in connection with 25 forthcoming auction sales. In the latter instance, while the number of animals to be sold is not given in several such, it is noted that a total of 1,643 animals will be sold at 21 of the said sales. **Minister of Agriculture** Perhaps of interest to others as it was to this writer, The September issue of the Holstein-Friesian Journal carries a condensed story of the background, record and achievements of the Hon. Horace A. ("Bud") Olson, Minister of

in 1962, 1963, 1965 and 1968. He joined the Liberal Party in September of 1967. Fellow M.P.'s from all parties have long held Mr. Olson in high regard, ranking him as one of the best debaters and all-round parliamentarians. He headed a key sub-committee of the committee on revision of rules to streamline handling of parliamentary business. "He has been a member of delegations of parliamentarians to Russia, Czechoslovakia, Nigeria and England. A member of the first Canadian Parliamentary delegation to the U.S.S.R., he led discussions in trade with Soviet Officials. He was also a member of a Canadian delegation to Washington to discuss Canada-United States trade relations, particularly with respect to farm products, with U.S. Senators and Congressmen. He was a member of the Canadian delegation to the United Nations in November 1966. "Mr. Olson has served on standing committees on agriculture, forestry and rural development; transportation and communication; and consumer credit."

Holsteins for Mexico A Holstein-Friesian Association Newsletter, dated September 30, announced that the Government of Mexico recently purchased seven top quality Canadian Holstein bulls for use in artificial breeding studs. "Very richly bred individual, and as a group forming one of the best selections of Holstein bulls ever to leave Canada."

Two of the bulls were purchased from C. J. Cerswell Beeton, and one each from Spring Farms, Streetsville; R. R. Dennis, Oak Ridge; W. J. Bennett, Burlington; Claude F. Dicket, Georgetown, and Richard Scheissner, Jerseyville, all of Ontario. Briefly, the bulls are Dunlea Reflector, Aristocrat, an Excellent son of the Excellent cow, Lenalea Reflection, Hope, Canada's only living three times 30,000 lbs. milk producer. Oak Ridges Texal Bonnar, a son of the Excellent Twice All-Canadian Aged Cow, Son will Reflection, Bee. Oak Ridges Reflection Jelf an Excellent son of the 25,699 Excellent cow, Hilton Fond Texal. Cedelman Black Ledger, a son of the Very Good, Three Star Brood cow, Cedelman; Fond Lassie with a lifetime record of 190,828 lbs. of 4.04% milk.

Brant Maples, Rockette Prince, a Very Good son of the 22,709 lb. Very Good cow, Brant Maples Citation Polly. Bond Haven Rockman Lad an Excellent son of a daughter of the Class Extra sire, Bond Haven Rag Apple Maple. Also (name not given), a son of the Very Good cow, Bond Haven Centurian M. Collier with a lifetime record of 130,809 lbs. of 3.78% milk. Also says the report: "The bulls are equally as well bred on their sire's side, two of them being by the Superior Type Sire, Roeland Reflector Sovereign, and one each by the twice All-Canadian and Class Extra, Selling Rockman, the three times All-Canadian and Superior Type Sire, Romandale Reflection Marquis, the All-Canadian and Superior Type Sire, Thornlea Texal Supreme; and the famous three times All-Canadian and Class Extra Sire, A.B.C. Reflection Sovereign."

Holsteins to East Germany Says a Holstein-Friesian Association Newsletter, dated September 25, in part: "A shipment of 150 purebred Holstein calves and five service age bulls has just left Canada for East Germany. These are the first Holsteins from Canada ever shipped to this area. They will be maintained on a government farm where their development will be carefully studied in relation to the native cattle. If, as expected, the Canadian Holsteins can substantially improve on the present milk production of the native cattle, more shipments will follow. "East Germany is an area of lush pastures which should provide ideal conditions for the Canadian Holsteins. Present production of the local cattle is approximately 9,000 lbs. of milk per year, testing 4.0% butterfat. The heifers shipped represent a cross section of the best Canadian bloodlines. The five bulls are richly bred individuals."

A summary of the information given about the bulls: From Glenafton Farm: a son of the twice All-Canadian and Royal Winter Fair Grand Champion, Selling Rockman, from an Excellent daughter of the twice All-Canadian and Royal Winter Fair Grand Champion, Rosafé Signet. From Green Valley Farm: a son of the Excellent sire, Glenafton Herdmaster, from a Very Good daughter of the Class Extra sire, Rosafé Citation R. From Carl D. 25TH WEDDING ANNIVERSARY

Mr. and Mrs. James Tillotson

Mr. and Mrs. James Tillotson celebrated their Silver Anniversary on September 28th, at their home in Howick when a surprise party was given in their honor. Fifty-three relatives, friends and neighbours were there to celebrate the joyous occasion. A good time was enjoyed by all. On the table was a three-tier wedding cake with a large Ruth McCartney and James Tillotson were married at the home of the groom, at Dewittville, on October 2, 1943, by the late Rev. J. H. Woodside of Kensington. They have two children - a daughter Sharon and son Wayne. They were the recipients of many cards and gifts.

Huntingdon Locals

Huntingdon County Hospital Notes The Huntingdon County Hospital gratefully acknowledges the receipt of Annual Memberships from Mrs. Millar Caldwell, Mr. Raymond Arthur, Mr. Rod Arthur, Mr. George Boyce, Mrs. Lily McConville and Mrs. Robert Cunningham; a donation in the amount of \$25.00 from Mr. E. W. Brown, \$10.00 in memory of Mrs. Elizabeth McLaughlin from Mrs. Elizabeth Fleming; in memory of Mrs. Jessie Goundrey - 5.00 from the Western Division Ladies Aid, \$10.00 from Mr. and Mrs. Russell Clyde, \$5.00 from Isabel and Mr. John Ferns, \$10.00 from Mr. and Mrs. George Glicker; in memory of Miss Lizzie Shearer \$27.00 from friends and neighbours; also a donation of jams, etc. from the Huntingdon W.I. and a supply of carrots and tomatoes from Mr. Arthur Neilson. Sunday visitors at the home of Mrs. Ellen Ewart were Mrs. Gertrude Griffith with her son Ewart and daughter Norma of Montreal and Jimmy Elliot of Howick. Mrs. Margaret Roy of Athol was with a Sunday guest at the home of Mr. and Mrs. Harold McConville. Mr. and Mrs. Ord Taylor spent the week-end in Montreal visiting relatives.

Members and guests of Howick W.I. numbering about 15, met in the United Church Hall on Tuesday evening, October 1st, to enjoy a special programme provided by Mrs. Edith (Sproule) English and her brother, Mr. Thomas Sproule of Ormstown. Four members of the Sproule family visited Australia last winter and were guests during their summer months, of Florence (Bryson) Sproule's brother Joe Bryson and his family at Adelaide. During that time and on the return trip via ship and train, they took many pictures of beautiful flowering plants and herbs, scenery, buildings and events which included people. These interesting slides were viewed for more than an hour following the opening exercises and business meeting of the Women's Institute. Mrs. English and Mr. Sproule were introduced by Mrs. Hunley Greig, President of the W.I. and thanked by Mrs. Lincoln West, Convener of Education. By a happy coincidence two delightful people from Melbourne, Australia, Wing/Cmdr. R. D. Austin and Mrs. Austin were guests at the home of one of the W.I. members and attended this gathering with their hostess, Mrs. James Marsden. A cuddly toy Koala bear was displayed by Mr. Austin who told of its endearing characteristics. Even though, they eat the leaves of the eucalyptus trees, no one is allowed to harm them. The soft fur of the toy was really kangaroo skin. Other interesting sidelights by Mr. and Mrs. Austin added to this Australian programme, as did the W.I. "roll call," "Facts About Australia."

The business meeting concerned the coming of the Salvation Army truck, probably the third week of October. The November meeting is to be held in Fertile Creek. Semi-Annual meeting to be held at Mrs. Osborne Orr's on October 24th, at 1 p.m. Several conveners gave reports. Welfare and Health Mrs. Marsden, read an article about "Flying Doctors" Medical service in Australia; Education, Mrs. West, read an item about new freedom given students in choosing their own course of study. A thank-you letter was read from Clifford Orr, which had been received soon after he won a prize from the W.I.; Mrs. A. Kerr, Citizenship, spoke of the annual fee of \$5.00 to the United Nations and this was renewed. A variety of tasty sweet breads was served by the English River ladies and a social hour enjoyed. At this time Mrs. Austin and Mrs. English while conversing, realized that they had come to Canada on the same ship, the Oriana, and across Canada on the same train. It's a small world.

Mr. and Mrs. H. L. A. Kinson of Toronto are guests for the week at the home of Mr. and Mrs. Raymond Rowat. Mr. and Mrs. Everett Tremblay and Mr. and Mrs. Leonard Tremblay visited Mr. and Mrs. Omer Poirier in Ville St. Pierre during the week-end. Mr. and Mrs. Gene Rasmussen Karen, Betha and Grant from Grace, Idaho, were guests at the Nelson Beattie home on Sunday. Mr. and Mrs. Charles Reid attended this past week the Congrès de l'Union des Conseils de Comté de la Province de Québec in Québec City.

Mr. and Mrs. D.B. Macfarlane of Valois were guests on Sunday at the home of Mr. Andrew Macfarlane, Garden City. Mrs. Alex Nimmo of Cobourg, Ont., Mr. Judson Stark and Miss Mary Stark of Malone, N.Y. and Mr. John England and Susan and Michael of Howick were guests during the week-end at the home of Mr. and Mrs. Kenneth MacNair. We are sorry to report the death of Mr. Stan Liveridge, of Brighton, Ont. Mr. Liveridge was known to many in the Huntingdon area.

In Memoriam BRUCE — In loving memory of our dear sister, Mabel, who departed this life October 10th, 1959. "Through tears we watched you suffer, We watched you fade away. Our hearts were sadly broken. You fought so hard to stay. But God knew that you were weary. The hill to steep to climb So he gently took your hand in His. And whispered "Peace be thine". He led you to his castle. And opened the golden door. You stepped across the threshold Free from suffering, evermore. Sadly missed and always remembered by her brothers and sisters. The Waddell Family

CALDWELL, Maude — In loving memory of a dear wife, mother and grandmother, who passed away Oct. 13, 1967. No one knows the grief we share. When we all meet and you're not there. Life goes on, we know that's true. But it's not the same since the years may dawn and pass away. But our love for you will always stay. Always remembered by her family.

Walter, Eva and Jean and grandchildren: Aline, Luc, and great grandchildren — Richard, Raymond and Ann

CARSON — In loving memory of our dad, Ross Carson, who passed away October 14, 1960. "In our hearts you'll always be. Although your smile we can never see. The falling leaves remind us, Dad. And our hearts are still so sad." His loving daughters Diane and Wendy

McKAY, Willie — A tribute of love and remembrance to a dear husband who passed away Oct. 10, 1963. "He lives with me in memory still. Not just today, but always will." Loved and remembered always. Wife Myrtle

This and That in Town

"THE SOUND OF LAUGHTER" — a revue of mirth, merriment and music under the direction of Ken and Rhona Scott will be presented at C.V.R. High School on the evenings of December 6 and 7. Twelve hundred admission tickets have been printed for the two presentations, representing the entire seating capacity in the theatre. Proceeds are in aid of the C.C.C. swimming pool project. The production will definitely be top calibre and we urge readers to obtain their tickets as soon as possible for the presentation of their choice because we predict 600 seats each night will leave many disappointed would-be attendees.

FOR FUN(D) — The Albuway Trio will be supplying the music at the Legion Hall on Fairview Rd. on October 31st when a dance is being held to raise funds for the C.C.C. project. Plan accordingly, s.v.p.

MISSING GIRL — Elsewhere in this issue is a news item concerning a missing Huntingdon girl.

ACCIDENTS — See the police report — several injured during the past week.

ORMSTOWN — People from Thistown will be sorry to learn that Fraser Hurdman, president of the Central Canada Exhibition Association and the Ottawa Winter Fair, died in hospital at Ottawa on September 30. Mr. Hurdman was 50 years old. An avid horseman, he had participated in major horse shows, including Ormstown Exhibition, since the age of 10. He is survived by Mrs. Hurdman and three children, all of Ottawa.

FALL COLORS — The countryside in this area is beautiful as the leaves are changing colors. Reds, oranges, browns, yellows . . . may we suggest taking a couple of hours for a leisurely drive, maybe through Elgin, Athelstan, Rockburn, Franklin, Hemmingford, Covey Hill or some favorite route of your own? One of these days we'll be getting a good frost and after that we'll be raking the leaves, so don't put it off too long.

SALVATION ARMY — Canvassers are calling this week on behalf of the Salvation Army. This is one organization that meets with everyone's approval and on behalf of the canvassers, we earnestly ask readers to dig deep and give generously.

FIFTIETH ANNIVERSARY — November 11th will be the fiftieth anniversary of the First World War Armistice and Br. 81 of the Royal Canadian Legion is making elaborate preparations to celebrate the occasion. First World War Veterans and their wives will receive special invitations to gather at the Legion Hall on November 9th where they will be dined and entertained. More about this later.

BIG BINGO AND FOOD SALE — under the auspices of the Ladies of St. Anne of St. Joseph Parish, at the Knights of Columbus Hall, Huntingdon on Tuesday, October 15. This soiree is in aid of charity work that the Ladies of St. Anne perform and we urge everyone to attend. Under the B, I, U; under the I, 20, etc. and YOU may be a winner. See you there?

MISS MILLINA MURPHY reports that she picked a handful of second crop raspberries on Tuesday morning on the Ryan farm on the Ridge Road.

COUNT YOUR BLESSINGS — if you're one of the few not sporting the sniffles, a cough or a good old-fashioned bellyache these days!

COUNT 'EM AGAIN — and attend the church of your choice this Thanksgiving Sunday.

LUCIFER'S LORD — the car club some young fellows recently organized in Huntingdon, is getting into second gear; members have received their crests. If these lads live up to their proposals, certainly nobody will be able to find fault with them (despite the loud name) and one member has already had his membership revoked because of alleged careless driving. As previously mentioned, one objective of the club is to have a drag strip of their own (where they can rev up without endangering the lives of people on the highways) and we think the idea is good. They're already getting discounts on some merchandise. Oh yes, one of the rules of the club is that if any member STARTS a fight in a public place, he is disqualified. On the other hand, if any member is getting knocked around and he didn't start the ball rolling . . . well, the club roster will exceed a hundred names soon, so —

THAT DOG — the one with the turned up jaw; seems he isn't a stray and he CAN eat and drink in a normal way, even enjoys chewing bones, etc. Man, the P.M. and now the dog . . . seems BOTH have a desire to inflict injuries where it's going to hurt me most.

MAC AND RUSTY were discussing sixty-nines recently and as the former was making some delicate adjustments to a carburetor he philosophized "You know Doc, your job is a lot easier than mine." Now the M.D. bristled and we thought for a minute he'd blow his cool. He counted, slowly. One, Two, Three, Four, etc. right up to ten, took a deep breath then calmly enumerated a few of the rough spots one encounters before becoming a healer of the sick. Mac gently closed the hood, gave it a pat and interrupted: "That's fine Doc, but every year you get the same models to work on, male and female, and they never change."

THAT DID IT: Maybe one of these days Mac will hang out a shingle and we'll have to call him "Doc" too.

JUST THIS: We never knew Delbert was a preacher until we upset his can of paint the other day. The good fellow really called on the gods to wreak vengeance upon us.

TEACHER STRIKE — October 15th? What isn't being taught in school these days. By the teachers! Let's hope tomorrow's grads don't get the blame for any possible shortcomings: if a cat-o-nine-tails is still part of the decor in today's classrooms it might be put to good use by using it on the instigators of teacher strike action and then giving all in sympathy with the proposed strike the sack. Instead of continually complaining about the kids, blaming parents and demanding monetary benefits which the already hard pressed taxpayer will have to pay, teachers without principle should take a hard look in a full-length mirror. Professionals, phooey! Wishy-washy, easily misled adults' who shouldn't be teaching children at all is more like it.

RIGHT ABOUT NOW we're expecting the first barrage of indignant calls and poison pen pal letters from members of the teaching staffs of local schools. Our only reply is, "If the shoe fits, put it on." We certainly don't infer that all teachers are in sympathy with the strike, on the contrary we go on record as saying very few local teachers are strike-minded or even unhappy with their profession. Our remarks are aimed solely at the instigators who are demanding such things as: more pay; no deductions from their salaries because of absenteeism; a parking lot with a roof and electrical outlets to plug heaters into; guaranteed salaries and other demands that should be brought to the attention of taxpayers. A teacher walk-out of any duration will mean a tremendous loss to students and parents and increased taxation for all. Such an action would be truly deplorable. How could anyone, from the youngest "kiddiegarter" (as Dennis the Menace says) to the oldest taxpayer ever regard teachers as superior people again? and this: IF YOU SEND A LETTER TO THE EDITOR, SIGN IT WITH YOUR NAME (otherwise it will just become fodder for the rats in the town dump).

MOOSE AND BEAR — Jean-Marie Daigle and Real LaFreniere of Huntingdon brought a cow moose and a black bear home from Otter Lake early Sunday morning. The local party were in a party of six who spent the past week at the Huddersfield Fish & Game Lodge of Domina Gravelle. The moose weighed in excess of a thousand pounds and the party had to commandeer extra help to bring it from the forest. They expect to return to Pontiac County and Sandy Lake for deer.

RATS — Literally thousands of these rodents, from the very small to some that must weigh at least five pounds each, inhabit the town dump on the Plank Road. From time to time, people go there and shoot a couple of dozen (aim car towards a heap of refuse at night, wait a few minutes then turn the lights on and you'll see a hundred scurrying around) but this alone will never decrease the population. Last Saturday evening, however, we know a couple of fellows who went there to kill a few and we'd like readers to know what they saw: a town dump almost as clean and orderly as some people's backyards. Maybe the work was just done that day, but a bulldozer had buried the stinking piles of garbage and junk and the whole area appeared like a harrowed and rolled field. In the process, surely hundreds of rats must have been crushed to death or else died of suffocation. There are still plenty of the squealing scurrying, stinking creatures to shoot but we offer congratulations to whoever looks after the town dump for keeping it as decent as possible and keeping the rat population down.

THROUGH THE GOOD OFFICES of Mr. Alister Somerville, considerable work will be done on the streets in the Town of Huntingdon. Paving projects will be done and in addition some carpeting and patching. Some of the street to be done are listed in report of the Town Council meeting. This work may be starting soon.

Ayrshire Club . . . (Continued from page 1) . . . cows, 4 to 5 years of age, sold for an average of \$390; 11 three year olds at \$305; 12 two year olds at \$338; 2 yearling heifers at \$375 and 4 heifer calves at \$418. In that connection it might be mentioned several good animals did not go as high as did others of comparable conformation because of their lack of records.

Rotary Bingo Received With Enthusiasm By The Public

The population of Beauharnois, Vaudreuil-Soulanges, Chateaugay and Huntingdon counties has been hit by "Bingomania." The project of the Valleyfield Rotary Club has been received with enthusiasm and these responsible for its organization had the foresight to present it at a low price so that the people of Valleyfield and surrounding countries can enjoy it.

The Rotary Bingo envelopes are selling like hot cakes. Think of it, did you ever have a chance to win \$4,000 worth of prizes for ONE DOLLAR while having fun and without leaving your home?

Drop in at Marchand Freres, Victoria St., Valleyfield; look in the window where those prizes are on view an EPIC De Luxe, RCA 19 inch color TV, "Sno-Jet" and a series of beautiful prizes.

All members of the family can play at Rotary-Bingo; father, mother and all the children. Each envelope at \$1.00 gives you 432 chances to win the 12 magnificent prizes offered.

Remember that while you are enjoying the game, you will also be helping the Valleyfield Rotary Club which devotes time and money to help the handicapped, to prepare Christmas baskets, provide amusement for children, help students through bursaries, etc.

Do not delay, get your envelopes at one of the many places where the sign is posted and buy our envelope or envelopes immediately.

Each envelope at \$1.00 contains three sheets on which all instructions are listed.

Food by former Chef to the Duke of Windsor. Gourmet Dinners from \$2.95. Canadian

TEACHERS' AGENTS UNREASONABLE SAYS SCHOOL BOARD PANEL CHATEAUGUAY

Some 200 persons, a large percentage of whom were themselves teachers, attended a meeting on Monday night at the Howard S. Billings High School, Chateauguy, to hear a panel discuss implications of the current teachers' contract negotiations.

The meeting was called to order by Mrs. Betty Suterlin, Area Director of the Quebec Federation of Catholic School Commissions, who introduced the moderator of the evening, Mrs. Blenkhorn and the guest speakers, including Mr. Blake of the Chateauguy Regional School Board and Mr. Reid Tilley, Vice President of the Quebec Association of Protestant School Boards and Mr. Ernie Spiller, Chief Negotiator in Quebec for School Boards.

Messrs. Tilley and Spiller discussed the basis for agreement offered by the negotiating team acting on behalf of the School Boards to the teachers without exception, would be during negotiations at the Provincial level. These had \$600 in three years.

Mr. Spiller stated that last July the school boards, partly in response to requests from the teachers, had called a months' halt in negotiations in order to produce the Basis for Agreement. Agreement to temporary teachers' union and boards had been in existence long the conciliation process. Bill 25 laid down that until October 15th was reached these 1000 agreements must be with the Catholic teachers.

after which date a legal strike would be possible. Protestants could strike on or after November 15th. Mr. Spiller stated that if the teachers' representatives requested binding arbitration he would be opposed to such a measure.

One of the most difficult areas of negotiation was the school boards that the first two days of sickness would lead to suspension of pay for that period. Beyond the initial two days teachers would be guaranteed 80% of salary up to 200 days, tax free. Mr. Spiller stated that the Boards were open to suggestions on this problem, but claimed they had been unable to achieve frank discussion on the subject with the teachers. He further stated that actuarially speaking it was beyond present economic possibility for the boards to bear all the costs. A cost-sharing insurance plan was no doubt the best answer to the problem.

Another serious point of disagreement was the matter of substitution in the case of a teacher's absence. "What are we to do with the children when we cannot, by our best efforts, obtain supply of temporary teachers?" he asked, and boards had been in existence long the conciliation process. Bill 25 laid down that until October 15th was reached these 1000 agreements must be with the Catholic teachers.

CHATEAUGUAY SCOUTS PLAN SANTA CLAUS PARADE

The Chateauguy District Scouts are in the process of organizing an ambitious project in our community which requires the help of all the people in the community.

A Santa Claus Parade is being planned in conjunction with the arrival of Santa Claus by helicopter, sponsored by the Chateauguy Merchants Association.

If you are asking yourselves "How can I help?", perhaps one of the many committees being set up would interest you, as an undertaking of this kind has many aspects to be considered before getting the final show on the road. Here are a few of the committees:

Mailing and telephoning; parade formation; equipment and prizes, last, but very important, a safety committee. Any ladies interested in making costumes for the children, your talents would be greatly appreciated. If you organization would like to participate in the parade or if you are a merchant or would like to enter a float or lend equipment for the parade, the number to call is 691-3185 Mr. Arnold Herder.

What is a Santa Claus Parade without children? All children are eligible to enter the parade providing they follow these three steps: 1) Have your parents' consent; 2) State name and telephone number; 3) Give age, height and size. Send this information to Mr. A. Herder at 64 Lockart, Chateauguy, or call Mr. Herder at 691-3185. Application boxes have been made available for your convenience at Zeller's, Woolworth's, Grover's and Steinberg Stores in the Shopping Centre. Look for the posters and boxes where your application can be deposited. Deadline for application will be October 31st, but we urge you to get them in as soon as possible as time will be needed to get costumes made up.

Occasional Auctions are held for Association funds, at which time member Mrs. Renee Westerhout, the book buyer and seller, is auctioneer. \$67 was raised at the auction held on Tuesday of last week, and this money has been set aside for incidental expenses of sickness of members.

This group meets every two weeks at Mrs. Sparrow's home, and on occasion a guest speaker addresses the meeting. Recent speakers have included Mrs. Brenda Pimbes, who spoke on the problems of retarded children, and Mr. Tony Cornford of the YMCA, who spoke on problems of drug addiction. An upcoming speaker will be a representative of the National Trust, whose subject will be "The importance of making a will in the Province of Quebec."

The group caters to its members with a co-operative baby-sitting service.

Housewives Register In Chateauguy

Formed in February 1968, the Housewives' Register fills a community need in the Chateauguays and Ville de Lery by meeting newcomers and assisting them in the difficult tasks of settling into new homes.

Mrs. Maureen Sparrow, 62 Lockhart, (691-4469) is President and Mrs. Maureen Giroux is Treasurer.

The Proprietors' League Of Chateauguy Centre OCTOBER 1st: ANOTHER CLOSED DOOR SESSION OF THE TOWN COUNCIL

At the last Council Meeting, a closed door session was decreed in order to discuss new loans. It would seem that all that goes on at the Municipal Council must be kept secret. We can foresee that a new loan of hundreds of thousands of dollars will be made in the near future; we will, without doubt, exceed more than two million dollars of loans for the year 1968, but these gentlemen will continue to pretend that the Town's financial situation is always good.

The debt of Chateauguy Centre is thirteen millions, whereas in Chateauguy Town it is about six millions for the same population. It is up to you to judge, fellow taxpayers. As you can see once again, our democratic rights have been defeated and our motto remains the same: Pay, Pay Again and Pay always with no questions asked.

It is now two months that the Mayor is determining the cost of the Cultural Centre. Can this problem not be solved simply? Does it require an advanced course in mathematics in order to be able to give us the real cost of this construction?

The Municipal Council has also decided to pay a membership of \$70 per year to the Chartered Accountant Association for Mr. Trudel, C.A., whose annual salary is \$12,000. In your case, fellow taxpayers, who belong to a Union or other associations, does your employer pay your membership? Do you not feel that on a \$12,000 dollar salary Mr. Trudel can easily afford to pay his own membership? It seems that the Town proceeds in the same manner for other employees, and that the taxpayer's money is being disposed of to make friends, regardless of the taxpayer's financial difficulties, so long as we can continue in the same manner and use the public's money

in our own way for our friends and the friends of our friends. Last May, a police investigation was made regarding the missing tulips. Messrs. Bourcier and Chevrefils told us repeatedly that a report of this inquiry would be made public in the Council Meeting. What are these gentlemen waiting for? Would they also be against our democratic rights or are they afraid of the truth?

Very soon now, the Proprietors' League of Chateauguy Centre will be meeting a group of citizens from Chateauguy Town in order to examine the advantages and disadvantages of amalgamating both our Towns. As we are not experts in this field, or in any other, we will contact the municipal affairs minister so that he can send us a representative who would be able to perform a study of both towns in question.

Chateauguy Y.M.C.A. Has A Fit! Or Jogging The Fitness

The Background
Let's face facts, men. The archaic is comfortable. The beer's just the right temperature. The game you're watching on TV reminds you of the days when you were fit, and involved, and high spirited. Boy! Was that a good play. You slap your hand down as the score is made. Your thigh reverberates as the blubber wiggles like jelly. You look down for that fallen peanut, but you can't see your knees for the pot belly.

Stop the action!
We know it's not quite that bad. But sometimes we wish we could do something about the "spread".

Possible Solutions
1. — Do nothing.
2. — How about running around the block a couple of times? Many of us have thought of it. Most of us dismiss the thought as quickly as it pops into our heads. Why? Well, wouldn't it be silly for a grown man to be seen puffing his way along a dark street in running shoes at 10 P.M.? Then other excuses come. What if someone thought you were a thief and took a pot shot at you with a 12 gauge shotgun?

Jogging Club
The Y has the answers for you in its latest programme. Join the Jogging Club. To quote from one of the Y's Information Sheets, "Fitness groups, so that the best plan Facts", "Train, don't strain, is for the best results is maintained."

the body. Jogging is a gradual moderate exercise that permits you to tone up your body while working within your own capacity. Regular exercise cannot be stressed too strongly.

Comradeship Strength In Unity
In other words, you're more likely to run around the block if you become involved with a bunch of other kooks, all running around the block. (I'm going to be one of them.)

News Flash!
The ladies are already off and running! We wouldn't dare take potshots at the "weaker sex". The fact is that women have been involved in jogging for quite a while in Chateauguy. Let's make it co-educational.

The Advantages of Y Programming
The YMCA can:
1) ORGANIZE local jogging groups in any area of Chateauguy where four or more men and women are willing to slim down, trim up, and put the pot in place.
2) KEEP SCORE, with a chart of miles chalked up, for regular exercise control.
3) EDUCATE members about health, i.e. diet, and values of muscle tone, heart conditioning, blood circulation, etc.

4) REGULATE the activities of men and women of all ages. "Fitness groups, so that the best plan Facts", "Train, don't strain, is for the best results is maintained."

From Legs to Brain

To quote again from Detroit Lion's quarterback, Dick Witt of Chicago's Lawson YMCA, "As the exercise of the leg muscles leads to the improvement of the body tone, so too the mind benefits by calmer tempers, relief of nervous stomachs, headaches, and even marital strife."

Want to get rid of your marital strife? Run around the block with a bunch of the boys from the YMCA. Just be sure to come back home though. Otherwise it won't work.

Call Leo Robitaille at 691-1118 for further information.

Keith Strike, Public Relations Dir., Chateauguy YMCA.

CYCLONE CAR CLUB RALLY HELD

The Cyclone Car Club of Chateauguy sponsored by Finch Mercury Sales, held a Fun Fall Rally on Sunday, September 29.

In first place was Bob St. Onge with navigator Colin Chesser, with a total of 72 points. Second was Rod Munro, with navigator Jim Fair, with a total of 89 points. Third was Garey Doucet, with navigator Michael Bedard, with a total of 138 points. Fourth was Richard Airlie, with navigator Guy Reid, with a total of 178 points. The remaining seven cars did not completely finish the rally.

Prizes were awarded following the rally at the Casa Valencia restaurant in Chateauguy.

TOWN OF CHATEAUGUAY MINOR HOCKEY LEAGUE

Registration for the coming hockey season reaches its final day next Saturday afternoon at Laberge and Colonia Parks, and if the present trend continues, it is apparent that the boys in the Bantam, Midget and Juvenile categories do not want to play in the arena which is presently being built on Mercier Park adjacent to Howard S. Billings Regional High School.

To date, excellent representation in the younger groups has led the league to believe that hockey interest among the older boys is just and if a marked increase of interest is not displayed by the October 12th, deadline some decisions will have to be made that will be unfortunate to the older boys. The league had hopes of providing ice time at outside rinks in the period leading up to the opening of the Town arena, but with the boys' decision to ignore the league's call for early registration, this project must be seriously reappraised.

Registration will take place on REGISTRATION WILL TAKE PLACE ONCE MORE NEXT SATURDAY, OCTOBER 12, AT LABERGE AND COLONIA PARK BETWEEN 1:30 AND 5:00 P.M. THIS IS THE FINAL DAY FOR REGISTRATION IN THE TOWN.

As mentioned last week, we intend to reduce the various members of the hockey executive through this column and at this time we feel that the most logical person to start with is Mac Davies, Vice President of registration in the revamped hockey system in the Town. Mac made his coaching debut with the C.P.O.A. Mustang Avon team and assisted in the coaching of one of the house league teams sponsored by the C.P.O.A. group. As with many of the members of the hockey league, Mac rapidly gained interest in the game and this season volunteered as a candidate for what is the most difficult part of the game, that of registering boys for play.

Mac is a determined and hard working individual and as league registrar has let himself in for an extremely busy schedule in forming the league for its winter operations. Incidentally, information regarding registration for the coming season can be obtained from Mac at 198 Massey Drive or by calling 692-0238.

HARVEST THANKSGIVING AT ST. GEORGE'S

Special Services will be held next Sunday, Oct. 13th in St. George's Anglican Church to observe Thanksgiving, at 9:30 and 11:15 a.m.

The choirs are preparing appropriate music to mark the event and the Church is to be decorated by members of the Altar Guild.

Each year, donations of fruit, vegetables, canned and packaged goods, used to decorate the church are taken to the Kateri Hospital in Coughnawaga, after the services are over. Mrs. M. Parker has asked those who wish to donate any of the above items to take them to the church next Saturday afternoon between 2 and 4 o'clock or call her at 692-8916.

St. George's A.C.W. under the leadership of Mrs. Marion Houldsworth (692-9282) has been asked to supply ten volunteers to man checkpoints for the Oct. 19th OXFAM March and sandwiches for the young people who will be doing the marching. Please call her if you can volunteer either as a "checker" or to donate sandwiches.

Ballet School In Chateauguy

The Bunay Steppings Dance Studio has started its fourth season in Chateauguy, but without its instructor for the past three years, Miss Louise Girouard, Young enough (23) to be active for many years to come as a performer, Miss Girouard is now dancing professionally in Honolulu with a ballet troupe.

New head instructor for the group is Mrs. Lindeman. Classes started last Saturday, with an initial attendance of 40 pupils, at the home of Mrs. R. Palmer, 38 Adam Street, Chateauguy Centre.

Registrations are now being received for ballet, tap, toe and character dance for very small children. The school caters for beginners and advanced students.

Dance lessons for the child are more than just learning a few steps. The school offers competent and conscientious dance teaching with special emphasis on the physical and mental development of the child.

The School is also available for ballroom social dancing instruction. Classes are now forming, and registrations can be made with Mrs. R. Palmer, 691-2393.

Quebec Winter Works

The Provincial Government will pay 50 per cent of the manpower costs in its new winter works program, Robert Lussier, Municipal Affairs Minister, announced last Friday.

Ottawa had formerly paid 50 per cent of the cost, Quebec 40 per cent and the municipalities 10 per cent.

The new program, effective from November 1, 1968 to April 30, 1969, would involve aqueduct and sewage works and construction of municipal buildings.

The increased benefits to municipalities follow the decision of the Federal authorities to cancel the winter works program and could result in substantial savings to municipalities which are currently carrying out various local improvements.

If applicable, the Provincial Government's new plans could be an aid in the completion and price of the Town of Chateauguy Sports Centre, presently under construction at Mercier Park.

Lieut. Venne Receives Fire Prevention Award

Last Saturday evening Centre Police Lieut. Raymond Venne was awarded a Certificate as a Technician in Fire Prevention by the Ecole Polytechnique in Montreal.

Lieut. Venne has studied two nights per week for the past two years and is now proficient in all phases of fire prevention.

The certificate was given by the Association of Technicians for Fire Protection of the Province of Quebec, at a two-day program last Friday and Saturday at the Polytechnical School on Marie-Guyard St., Montreal.

The Gleaner would like to add its congratulations to those already received by Lieut. Venne on completion of this course and the award merited.

As this week Oct. 7th to 13th is Fire Prevention Week in Canada, Lieut. Venne is visiting schools, business establishments and homes in the Centre in an effort to make all aware of the dangers of fire.

In his spare time, Lieut. Venne is President of the Police Brotherhood of Chateauguy Centre.

Quebec High Schools' Students' Council Meeting At Noranda

Students who attend the Quebec High Schools' Students' Council Conference for 1968 are in for a real "blockbuster" of an experience, according to Marcel Vesque, president of the students' council at Noranda High School where the Conference will be held November 15th and 16th.

H. E. Bashaw, principal of Noranda High School, and Vesque express the hope that at least two delegates from each of Quebec's 84 Protestant High schools will take part in the Conference to realize this year's theme — Youth And His World.

The theme will be examined from six "critical" approaches — Youth and Government, Youth and Dissent, Youth and Education, Youth and Morality, Youth and the Arts, and Youth and Mass Media.

Stagemasters Air More Local Talent

Despite the liquor strike and the consequent lack of suitable refreshment for a play party, a large crowd turned out last Friday and Saturday nights to see the Stagemasters put on two one act plays.

I understand the Stagemasters have a great many new faces this season, and have lost, through attrition, many of their more established members. The newcomers are to be congratulated on their very creditable efforts.

The first play was somewhat weak in plot and too predictable, without being either funny or truly dramatic. It is hard to work up a dramatic situation in a short time, but Phyllis Hale in the second play managed to be funny in as short a time but the actors certainly did their best with not two scintillating material.

The second play of the evening was a triumph shared by Phyllis Hale and Keith Strike. Phyllis wrote the play, "Domestic Dilemma" which was brisk, witty and really laughable, yet had streaks of everyday wisdom running through it, as all good comedies should have. All the cast performed well, but Sylvia Gill as the sexy maid, and Keith Strike, as the husband, are particularly to be congratulated. Unlike most people who have not had formal acting training, Keith is utterly natural when he is on stage — he relaxes and enjoys himself, and so, in consequence, does the audience.

We enjoyed the evenings immensely, and a special word of congratulation to the stage manager — the transformation of set for the second play was little short of miraculous and achieved quickly and quietly and effectively. I wonder how many stage sets have original paintings on their walls?

The New Blood Election Committee Of Chateauguy Centre "BIG MONEY" VERSUS "THE TAXPAYER"

In the next few days, the complete election campaign picture will be brought to view. A meeting has already been held between certain Chateauguy Centre officials and some business personalities. The conclusions were that there will be no shortage of money in the campaign against the new candidates.

There is no doubt that these personalities realize that if our three candidates are elected, there will be many changes at City Hall and it is for this reason that we ask you the following questions:

Will the taxpayers win their election?
Will they be beaten by "big money"?
Will David be able to conquer Goliath?
If the taxpayers do not want any drastic increases in their taxes, if they want to see their democratic rights upheld, if

they wish to see a respected and progressive Town Council, if they want to see proper administration, what must they do? There is but one answer — they must say NO to the existing personalities who have never defended the best interests of the Town.

If the taxpayers in the wards concerned feel that a change for the better is required, it will only take an "X" beside the names of our three candidates, a symbol of our democratic rights that will mean victory, not only to our three candidates, but also to every taxpayer against "big money" which has dominated Chateauguy Centre.

The decision of the taxpayers who will vote November 4th will affect the entire Town. It is for this reason that we are appealing to you to vote for these new men who have vowed to uphold

your democratic rights and to improve the entire situation of the town. It must not be forgotten that the elections are for a three year term. If we do not change the mentality existing in the present Town Council, it will not be very long before taxes of \$1,000.00 for a small bungalow will be common.

It is for your interests as well as for your fellow taxpayers, that you must say NO to "big money". To better our conditions, "New Blood" is required. To be victors, let us all vote on Election Day:

Gilles Gaudreau - Ward 2, 692-6013.
Brian Finch - Ward 3, 691-2621.
Michael Wolanyk - Ward 4, 692-4006.
For the New Blood Committee of Chateauguy Centre: A. Morris 692-8978.

Chateaugay News Notes

✓ Elections in the Town and Centre take place early in November. In the Town the date is Sunday, November 3rd, when Mayor and Aldermen for eight wards will be elected and Centre's election will be held the following day Monday, November 4th, when Aldermen for three wards will be elected.

✓ In Centre Ward three, Ald. Rolland Copron announced his decision last week not to contest his seat.

✓ Nomination day for candidates in both towns is October 25th.

✓ The Town Council of Chateaugay have ordered procedures, provided in by-law 290, be followed for demolition of the building which was gutted by fire a few months ago. Location of the building is on Station Road alongside the tracks. Originally the building was the railway station, but had been converted for commercial use. Many small business enterprises occupied the one storey building from time to time; at the time of the fire it was a butcher shop.

✓ The Town's building inspector has sent a registered notice to the owner of the burned out building and he has five days in which to demolish the remaining parts of the edifice; if not, the Town will do the work and bill the owner. Incidentally all the rubbish must also be cleared away and site left neat and tidy.

✓ Town Sports director Phil Despatie has been authorized by Council to make a gift of one hundred dollars to the Chateaugay United Soccer Club to help pay cost of transportation to Toronto for the soccer finals. Five players of this league are residents of the Town.

✓ In Arena news, Council have accepted Ovide Asselin's bid of \$298,500.00 for the construction of the building, subject to certain credits to be allowed by said contractor according to the decision of architect John Cooke and the consulting engineers. To this writer, this news appears to look good for the construction to get under way quite soon. It (the Arena) is not likely to be finished before Christmas but early in 1969.

✓ The Town has requested Hydro-Quebec ten - 4,000 lumen lamps in the Terrace, on Ashmore, Baxter and Cortland according to plans made recently.

✓ The Catholic Women's League of Our Lady of Perpetual Help Church on McLeod Avenue will be holding their monthly general meeting in the Parish Hall on Monday, Oct. 14th at 8:30 p.m.

✓ The Sunshine Gospel Singers are performing at the Christian Pavilion in Terre des Hommes on Saturday, October 12th at 3 p.m.

✓ Last week we introduced our new correspondent for Billings Junior High School, Karen Larsen. This week we are happy to tell you that Barbara Allen will again be correspondent for the Senior High. Barbara needs no introduction to regular readers of The Gleaner, having written for the High School column last year. Activities are getting under way very soon this week or next and we'll have all the news for you through Barbara.

✓ Speaking of Billings High, we hear from all the students that all the buildings recently completed, will be ready for occupation within a week or ten days.

✓ One of the slain men found over a week ago in Montreal, stuffed into a car trunk, was known to Town Police. Identified as Russell Howie or Howie Russell he had been suspected as being involved in a stolen car racket, with headquarters on Montee Ste. Marguerite. Centre Police stated that he was not known to them.

✓ As of Monday morning, Town Police had no reports on breaking and entering Laberge School over the weekend. Remarkable? Yes, considering that youngsters had repeatedly broken into the school every week-end since early Sept. A warning to parents: impress upon your youngsters that they must not loiter about school property either after school or on week-ends and holidays. Police may possibly pick up offenders even though they are innocent of any wrong-doing.

✓ Town Police report a half dozen traffic mishaps in the past week, all minor except one. Last Saturday afternoon at 5:40 a car, driven by Roger Larocque of 2750 St-Charles St., Montreal, had a sudden dip into the Chateaugay River at the corner of Lang and Salaberry. The driver claimed that he was cut off by another car, he braked to avoid

hitting car number two and skidded 80 feet, jumped the fence, down the bank into the water. The driver and one passenger escaped injury but did get a dip in the slimy water. With darkness coming on, it was impossible to retrieve the car, however a frogman on Sunday was able to get a hook on to the car and it was pulled out of the river. A warning flashing yellow signal was installed at this bad curve in the road, some months ago, however traffic mishaps continue to occur.

✓ Two cars were stolen over the week-end and had not been recovered by Monday. Town Police investigated theft of a car Friday evening from Towers parking lot and on Saturday a theft from in front of Plaza Hotel on Salaberry. (Basin) The cars did not belong to local residents.

✓ No leads yet on the Place Chateaugay offices theft. Town Police are working with Provincial Police on this case. Montreal Police thought last week that they had a lead on one man involved, however this fizzled out.

✓ This week in Canada is Fire Prevention Week. Both Town and Centre Police/Fire Departments are particularly active this week visiting schools, business establishments and some homes in their efforts to educate the public in fire prevention. It is sponsored by the Canadian Underwriters Association, the board of Insurance Companies, and Underwriters Laboratories of Canada. This coming Saturday in the Town, Centre and Ville de Lery, there may be a parade of fire equipment, providing that arrangements can be completed in time. Meanwhile distribution of pamphlets has been carried out by both town and Centre, and placing of posters in stores and public buildings. Sgt. Dubuc of the Town and Lieut. Venne of Centre are in charge of Fire Prevention in their respective Towns.

Colonia News

By BUD ROPER
Phone 692-0346

The biggest story around Colonia or any other area in the Town is the council's decision to proceed immediately on the construction of the Town's Sports Center. The project is slated for completion in January 1969 and will further assert the Town's leadership in the Minor sports picture.

An electors' meeting held last Tuesday evening turned up no objections to the plans for a gas station at the corner of the rerouted section of Maple St. The gas station will be located at the Southwest corner of Maple at St. Francis Blvd. adjacent to the shopping center which is now in the planning stage. The section of Maple St. from a point north of Leblanc will bring the street in line with the section of Maple which now leads to the former Town of Chateaugay Heights and make

room for the stores and parking lot of the new shopping center.

Colonia Park is continuing to be a headache for Town Sports Director Phil Despatie. Much effort is put into improving the drainage of the field but his limited budget prevents the sodding of the field, and this is the only real answer to the problems.

A series of dances at St. Willibrords' School under the auspices of the Chateaugay Minor Football League have been arranged. The dances will be held every second Friday evening in the hopes of raising sufficient money to allow the league to finance a four team juvenile football system next season. Too bad some parents can't take a few minutes away from the idiot box in order to register their support for the coming hockey season. The efforts of a small group of men to provide sports for the children of the area are considered by some to be a duty and it is necessary for these few to chase the boys and then listen to the criticism of the same ones who won't even drive boys to the field so they can register.

With the many bikes now on hand at the police station, we can expect to see an auction held in the near future in

order that the police cars will be able to get in the garage. And while on the subject of the police, when are they going to start chasing some of the madmen who drive motorcycles around the streets of our Town?

Some residents of Fairmount St. are very annoyed over the closing of the end of the street by the fence around the grounds of Billings High School, apparently their main concern is the problem of snow removal during those horrible months ahead. And Minde has asked that residents write to Jean Chretien, Minister of Indian Affairs, in order to stop the pollution being caused by the owners of the Fina Station near the railway crossing on routes 3 and 4.

A Santa Claus parade is in the planning for this Christmas season and the fellow responsible for the effort is Arnold Herder. The project is for this year and hopes are high of a spectacular event. Cooperation of individuals and business interests in the Town is needed in order to make this an event which will result in a continuing yearly arrangement. Mr. Herder can be reached at 64 Lockart or by calling 691-3185.

At the same location and number, Mrs. Herder is interested in finding out how many girls would be interested in playing hockey this season.

The Minor Hockey League has been approached to assist in the effort to have the girls participate in the National Sport of Canada and tentative agreement has been given pending the next regular league meeting.

It's time for us all to support the efforts of Dr. Klaus Minde who has launched an assault on the air pollution problem in Chateaugay. Dr. Minde has asked that residents write to Jean Chretien, Minister of Indian Affairs, in order to stop the pollution being caused by the owners of the Fina Station near the railway crossing on routes 3 and 4.

Add a sad note on the recent demise of Colonia's friendly neighbourhood skunk who was found in the rear of Maplewood Church. The little fellow

We're a little late with this news but better late than never. We would like to extend a hearty congratulations to the boys of the Chateaugay United Junior B. Soccer Team, who on Sunday, September 29th, won the Quebec Provincial Soccer Championship at a game played at Jean Mansfield Soccer Field, against the Cartierville Soccer Team with a score of 3 to 2. Robert Drake scored the winning goal and from what I hear it was the most exciting game they have played to date. At the end of regulation time the score was tied so they had to play overtime and it was in the overtime period that our Team scored the winning goal. Congratulations Robert and to all the boys on the team especially you fellows from Imperial Gardens, like Warren Welner, Robert Cory, Pat O'Brien, Robert and Arthur Drake and Neil Watts, and to all your teammates congratulations for a job well done. We are proud of all of you and we are all hoping that when you go on to Toronto to try for the Eastern Cup on Thanksgiving Day week-end that you will bring home to Chateaugay the Eastern Cup also.

Town of Chateaugay Centre PUBLIC NOTICE

PUBLIC NOTICE is hereby given by the undersigned, Laurier Legault, Town Clerk of the Town of Chateaugay-Centre, that at a meeting held on OCTOBER 1st, 1968 the Municipal Council of the Town of Chateaugay Centre has adopted by-law number 742 entitled: BY-LAW NUMBER 742

BY-LAW AMENDING BY-LAW NUMBER 644 CONCERNING THE ZONING IN THE TOWN OF CHATEAUGAY-CENTRE IN ORDER TO CHANGE A PART OF THE ZONE R 2 SITUATED IN THE SECTOR NUMBER 516 IN ZONE R 4.

This by-law is now deposited at my office, at the Town Hall, 25 d'Anjou Blvd., Chateaugay-Centre where all the interested parties may take communication of same during normal office hours.

PUBLIC NOTICE is also given that it was UNANIMOUSLY RESOLVED that a public meeting of all the electors who are proprietors of immovables concerned will be held on OCTOBER 16th., 1968 between 7:00 and 8:00 o'clock p.m., at the Council Meeting Hall, 1 Croissant Richard, Chateaugay-Centre, and that there and then said by-law will be submitted to those said electors, according to Law.

BILLINGS JUNIOR HIGH CHATTERBUZ

(By Karen Larsen)

Well, first I have a mistake to correct. Last week I wrote the date of the Oxfam March as, October 9, my apologies the correct date is October nineteenth. Sorry about that.

If nobody has come to your door to ask you to be their sponsor and you would like to help out in that way then phone 691-1052 and ask for me Karen.

I also would like to mention that some time this week the new part of the school is opening, so you may hear your kids complaining about sore or tired feet or legs. You won't have to ask — you'll know it's from walking from one end of the school to the other and there'll be nothing to do except bear with it. It'll only be for awhile anyhow, just till they get in shape. See you next week.

Town Of Chateaugay Hockey Registration

The Town of Chateaugay Minor Hockey League has set a deadline of October 12th for registration of boys wishing to play hockey during the coming season. Registration will be held at Laberge Park and Colonia Park between 1:30 and 5 P.M. and all boys must have indicated their intentions by this time. With the Town's Sports Center now under construction it is important to know the number of boys who will comprise the various teams in the Town in order for the league to make the necessary arrangements to provide indoor ice time for them. Registration fee in the league is \$2.00 payable upon registering. Further information may be obtained from Mac Davies at 692-0238.

CANADA SAVINGS BONDS

There are probably as many good reasons for buying Canada Savings Bonds as there are Canadians. There are the hopes, plans and ambitions you have for yourself and your family. There is the desire, which all of us share, to play a part in building the future of our country. The simple, safe, profitable way to help realize these goals is to buy Canada Savings Bonds.

They offer an excellent return. The average yield to maturity is 6.75% a year. There are fourteen annual interest coupons which begin at 5.75% and rise to 7.00% for each of the last nine years. These can be cashed each year as they become due. Better still, if you choose to keep these coupons uncashed, you can earn interest on your interest. Take full advantage of this option and, when your Bonds mature, your total interest earnings plus your original investment will amount to \$250 for each \$100 invested.

They are available to everyone. Canada Savings Bonds are available to every Canadian resident in amounts from \$50 up to \$50,000, for cash or on instalments, wherever you work, bank or invest. Adults, children, businesses and institutions—all may buy them.

They are instant cash. You can cash them any time at any bank in Canada at their full face value plus earned interest.

Few investments are so profitable. None builds more surely for the future. Buy into Canada today. Buy Canada Savings Bonds. It pays.

It pays.

This is part of a speech delivered by Clarence O'Connell at a Toastmaster meeting held on Monday, September 30th, 1968. The second speaker on the program was Hank Hillock who spoke on Education in our Province.

Colin Jones acted as Toastmaster and to assist him he had Bertie MacLauchlan as Topic Master and Michel Laliberté as Timer. The General Evaluation Period of the meeting was conducted by Paul Chartrand who also acted as Grammarian. The Topic Award went to Tom MacLaren. Mr. MacLaren is one of our new members and we congratulate him on a job well done.

Chateauguy Toastmasters meet every Monday at the Rustik Restaurant at 8:00 p.m. sharp. If you are interested in Public speaking, we would be glad to have you attend. For information ring Tom Kavanaugh at 692-0477 or Bertie MacLauchlan at 692-6894.

A Challenge
I would like you to imagine this is dated October 3, 1973 and the headlines might read something like this: — Chateauguy High School Complex heavily damaged by rioting students.

You may think that this is really stretching the imagination but when we look back at the happenings in the past year of how students around the world are revolting against not having any say in the administration of their schools and revolting against society in general, we must admit it could happen here.

Yet, as we see it on the news, time and time again, we just say, isn't that terrible, then forget it, in fact, we see so much of this trouble we don't even think of it as news as the younger set would say: — we're turned off but I think it is time we did get turned on.

As one great man said: — people who are mature, yet youthful in thought and action, sympathetic to the ambitions and problems of young people fortunately are coming to the fore among the leaders of today. This trend toward closer communication between the young and the not-so-young in

years is one of the most encouraging facts in a world beset in many areas with phony values and uncertain goals.

Now I am sure we have members here tonight who could fit into this role, men who would enjoy sitting in on a teenage discussion group, listening to these youths discuss where ~~they~~ ~~to~~ ~~are~~ ~~going~~ and how it will be changed, this would then give you the opportunity to explain why the teenage idea of ideal society is not practical. But above all, this would start these youths talking before groups, expressing their views and opinions, this would be an ideal situation to start a toastmasters youth leadership group, now as we watch T.V. news, we notice every group has a leader, so what better way can we help our part for society than help develop leaders in our younger set.

Or do you prefer to sit back and let the pot and hash smokers with their doped up courage be the leaders of our youth, when we have a group of youths with a good sense of value, keeping quiet because they feel non confident to stand up before the other students and express their views. It is these young people, much more than society leaders, who can take most of the credit for the progress so far in emancipating our youth. They took the initiative and are still waging their war against the stifling influence of our old society values. They are fighting for whole-hearted recognition of human values, placing man above the province, the dollar and technological progress.

I strongly recommend that each and every toastmaster endeavour to complete his assignment in the basic manual, then carries on to complete his advance training so that with this experience, you can do your part for a better society, because if we don't, history might repeat itself with a strange twist.

As this country was settled by men wearing long hair, lace cuffs, and funny hats, they may take over this country again. **Think about it.**

Chateauguy Minor Football Highlights

A successful weekend for the Mosquito and Pee Wee travelling teams saw the defeat of Dixie in both sections. The Mosquito scored a one sided 49-0 win with Ian Craig leading the way with four touchdowns. Robert Legault, Dan Laxton and Brent Ryder added major scores for the winners with Laxton good on one of the conversions.

In Pee Wee play, Chateauguy won over Dixie by a count of 27-6. Marc Perron scored two six-pointers for the winners, Bruce Bennett and Brendan Ouimet added single majors and Perron was good on three convert tries.

Saturday's Atom house league games resulted in two squeakers and one wild scoring spree. In the Alouette Roughrider match, the Als edged the previously unbalanced Riders by a 6-0 count with Kevin Read scoring all the points. The Als had three touchdowns called back for various infractions in one of the closest contests of the year in this section of the league.

Another tight game saw the Lions edged by the Ticats by a 14-7 score. Ticats scoring was accounted for by Alain Gariépy with eight points on a touchdown and two converts and Doug McQuarrie with a major. For the Lions, George Jones picked up all the points.

The third Atom contest was a study in contrasts with the Argos scoring a 53-25 victory over the Bombers. Frank Smith scored 40 points for the winners on six touchdowns and four converts. Garry Lee picked up two majors and Alain Bissonette a convert. For the Bombers, McDonald accounted for all the scoring

in a losing cause. The single Saturday game in the Mosquito section saw the Alouettes wallop the Ticats by a 51-0 score. The outcome of the game was never in doubt after Patterson scored the first of his three majors. Burrows matched his teammate's effort with Savoy adding eight points and Read seven to the winning cause.

Pee Wee play saw the Roughriders edge the Argos 6-0 and gave the Argos their first setback of the season. Bobby Henson scored the only points in the well played contest early in the first quarter and the game developed into a defensive battle the rest of the way.

In the other Saturday con-

test, the Alouettes jumped out to an early lead and increased their margin to twenty-four points early in the second quarter. Kim Wilkins displayed some fine running along with teammate Michel Allard with both boys earning two majors apiece before the Ticats settled down to play. The second half of the game saw an even battle between the two squads with the Ticats enjoying a slight edge in play. Miller scored the lone touchdown of the second half and the game ended with the Ticats on the one yard line and on the short end of a 24-6 score.

RAMBLERS CLOSE SEASON WITH 57-6 LOSS

Chateauguy Ramblers ended an inglorious season last Sunday by coming out at the wrong end of a 57-6 result in their game with Montreal East End.

Ironically enough, at the end of the first quarter, for the first time this season Ramblers had the winning look after Wayne Robinson capitalized on an East End fumble to run 32 yards for a touchdown. The attempted conversion failed.

JULIUS RICHARDSON HOME AND SCHOOL NEWS

The J.R.S. Home and School Association invites the parents to attend a Parent-Teacher night to be held on Thursday, October 10th, at 7:30 in the gymnasium of the school.

A class parent will welcome and introduce each parent to the teacher and control the time of each interview.

LETTER FROM SEIGNIORY PARK by FERGUS HORSBURGH

ELECTIONS
For several years now most if not all the Town of Chateauguy elections have been dull foregone conclusions with candidates elected all over the place by acclamation. These days are well and truly over now, and several real contests are shaping up. In Ward 6 — the Seigniory Park Ward — Pat Gilmore of Chateauguy Terrace will be a candidate. The incumbent, of course, is Bert Oliver who is now completing his third term. I've known Pat for four years or so, as he has always been active in community affairs since coming to live in Chateauguy in 1962, but not until recently did I realize that he was born in Glasgow, Scot-

land, just a few miles from my own birthplace. Not that that should be held against him! For many years Pat was very active in Scouting, and was on the Scouts' District Council for Chateauguy. He was also a

member of the Association will be available in each classroom, and at the close of the evening light refreshments will be served. A good turnout of parents is hoped for, as a considerable amount of preparation has gone into this event. Once again the date: Thursday, October 10th, at 7:30 p.m.

Better luck next year, Chateauguy Ramblers! We shall be seeing you.

founder-member of Chateauguy Terrace Recreation Association and had a hand in the development of the Terrace Pool. Pat will be running as independent, and will be joined by his friend and collaborator Al Hill, who will contest Ward 7, now represented by Bill Sottiaux. I also hear that there is likely to be a contest in Ward 5 (Ernest Dupont) which will for the first time, include Chateauguy Heights.

STAGEMASTERS

There was quite a large contingent from Seigniory Park at last Friday evening's production of two one-act plays by the Stagmasters. Of course, the star role was by Seigniory Park's own Keith Strike, who turned in another masterly performance as Richard Burns, the husband. The play was written and directed by Phyllis Hale. Although Phyllis has been very active in amateur dramatics for many years, this was her first play, which was re-written about ten times. Phyllis says she was far more nervous than when actually appearing on the stage — at

negotiations fail. The Teachers' Union has brought fourth a list of 600 items (yes, indeed I said six hundred) for negotiations, and to date a scant 6 of the 600 have been settled. It appears that no one on the Province side has had any authority other than as message boys, and naturally enough, negotiations have bogged down. Not one in a hundred of the teachers want to strike, yet they voted overwhelmingly for a strike vote — a striking (excuse the pun) example of the archaic negotiating machinery. Teachers claim they voted for a strike only in an attempt to show the authorities they meant business, and thus force realistic participation by the Quebec authorities. With only 6 of 600 items settled, the teachers have clearly failed in their efforts, and yet they are now saddled with their strike vote taken six months ago, with freedom of action sharply curtailed. I say this is a non-

sensical situation, and one which appropriate legislation could be the answer. But more evidence of good faith on the part of the Government must be shown.

Bingo-Rotary de Valleyfield accepté avec enthousiasme

La population des Comtés de Beauharnois, Vaudreuil-Soulanges, Châteauguay et Huntingdon est maintenant atteinte de "Bingomanie". Le fameux projet du Club Rotary de Valleyfield est accueilli avec un enthousiasme incroyable, car les organisateurs de ce projet ont eu l'heureuse idée de présenter un projet à un prix modique afin de favoriser la masse de la population de Valleyfield et des quatre Comtés environnants.

Chaque enveloppe au prix de \$1.00 contient 3 feuilles de Bingo et les instructions décrivant la manière de jouer ce fameux Bingo à la Maison Communiqué.

On signale la disparition de Jeannette O'Connor, 19 ans, résidant à 31 rue Cemetery, Huntingdon, depuis le 25 septembre. Voici la description qu'on nous a fournie: grandeur 5'4", environ 135 livres; yeux bleus, cheveux bruns. La dernière fois qu'elle a été vue elle portait des pantalons de couleur or, un coupe-vent noir et des souliers bleus.

Quiconque pourrait fournir des informations est prié de communiquer avec la police municipale de Huntingdon à 264-3333 le plus tôt possible.

Passez-chez Marchand Frères, rue Victoria, Valleyfield; examinez la vitrine où sont exposés les prix de ce Bingo-Rotary; une auto de luxe EPIC, une TV couleur RCA 19", une AUTO-NEIGE "Sno-Jet" et toute une série d'autres magnifiques prix.

Toute la famille peut jouer à ce Bingo-Rotary; le père, la mère et tous les enfants. Chaque enveloppe au prix modique de \$1.00 vous donne 432 chances de gagner les douze magnifiques prix qui sont offerts à ce Bingo-Rotary.

Rappelez-vous qu'on vous amuse, vous aidez les oeuvres du Club Rotary de Valleyfield, qui se dévoue pour aider les handicapés, pour fournir des paniers de Noël, donne des amusements à vos enfants (chalet et glissoire), et des bourses aux étudiants, etc., etc.

Trois autos impliquées dans une collision

Vers 1:45 a.m. le 6 octobre un accident impliquant trois autos s'est produit en face de la résidence de M. Hubert Sherry, entre Dewittville et Huntingdon sur la Route 4. Il s'agit d'une camionnette conduite par Claude Bourassa; 20 ans de Huntingdon et appartenant à son père; une Chevrolet sedan conduite par Harry Lebovitch 18 ans de Ville St-Laurent et appartenant à Mendal Lebovitch et une auto sedan propriété de et conduite par Paul Emile Daoust, 23 ans de Huntingdon.

Yves Carrière et Yves Racine de Huntingdon qui voyageaient avec Claude Bourassa ont été légèrement blessés.

Les dommages à la camionnette s'élevaient à environ \$700; l'auto de M. Lebovitch est une perte totale et l'auto de M. Daoust de même que le conducteur n'ont subi aucun dégât.

L'enquête se poursuit pour déterminer la cause de l'accident. Il appert que les trois véhicules circulaient dans la même direction. Les agents croient que peut-être une des trois sortait d'une entrée privée quand la collision s'est produite.

Le 1er octobre 1968, les membres de l'exécutif de la Ligue de hockey mineur de Huntingdon, se réunissent à l'école Notre-Dame pour élire le nouvel exécutif pour la saison 68-69.

M. Raymond Ferland remplit sa démission pour causes personnelles. Nous remercions M. Ferland pour son dévouement à la cause des jeunes d'autant plus qu'il fut l'un des fondateurs de cette ligue.

Voici le nouvel exécutif: **Président:** Georges Renaud. **Vice-Président:** Luc Leclerc. **Secrétaire:** Michel Mainville. **Treasorier:** Maurice Pilon.

Directeurs du Pee-Wee: Emmerie Latreille et David McCoy. Directeurs du Midget: Bob Marshall et Jimmy Smythe.

Directeurs des arbitres: Gerald Murphy et Laurence Guimet. **PUBLICISTES:** Alec Proudfoot et Bob Reid.

Il fut proposé d'ajouter une section Midget aux deux autres déjà existantes. Une deuxième réunion aura lieu le 15 octobre. Lors de cette réunion M. Larry Soly viendra expliquer les règlements et exigences pour devenir membre de la "Q.A.H.A.". (Association du Hockey Amateur du Québec).

Toutes personnes intéressées à diriger une équipe de l'association; veuillez faire parvenir votre nom à Bob Marshall, ou tout autre personne de l'association.

Remerciements
Nous désirons exprimer nos remerciements sincères aux Drs Andrew et Marion Kelon, à la famille Hingston, à Merrill Winter et Mme Verna Winter ainsi qu'à nos parents, voisins et amis pour leurs nombreux gestes de sympathie lors de notre récente épreuve, soit la perte d'un fils et frère Howard.

qu'on peut avoir un pneu 4 plus de qualité supérieure pour quelques dollars de plus seulement que le prix des pneus livrés avec les voitures neuves?

Parfaitement. Quelques dollars de plus seulement pour bénéficier de la sécurité, du rendement et de l'économie des pneus de qualité supérieure. Pas étonnant que le Premium '500' de Firestone soit le pneu de qualité supérieure qui se vend le plus au Canada.

Et pas étonnant non plus qu'on l'appelle le '500'. En effet, ce pneu remarquable a été mis au point grâce à l'expérience acquise en fabriquant des pneus pour la célèbre course des 500 milles d'Indianapolis. Depuis 43 ans, la grande épreuve d'Indianapolis a été remportée sur pneus Firestone, sans manquer une seule année. De plus, l'an dernier, toutes les voitures gagnantes des plus importantes compétitions canadiennes étaient équipées de pneus Firestone.

Sans parler des grandes épreuves internationales. La fabrication de ces pneus de course nous a appris à rendre les pneus de votre voiture encore plus sûrs et plus durables, avec la carcasse 4 plus la plus robuste qui existe actuellement. Le Premium '500' de Firestone a été éprouvé à plus de 100 milles à l'heure pour votre sécurité aux vitesses routières. N'est-ce pas cette sécurité que vous exigez pour votre famille?

Arena Contract Awarded - Work Started

After many agonizing weeks for sports-lovers and Council members, the Town of Chateauguy last week ended all doubts as to feasibility and voted unanimously to award the Sports Centre contract to local contractor Ovide Asselin Construction, Inc. The amount of the contract was \$287,000 — \$11,000 less than the original bid, which was the lowest of ten tenders submitted. The cut in price was due to the results of soil testing which showed that piling was not, after all, necessary. This stroke of good fortune was augmented by the recently announced decision of the Provincial Government to subsidize Winter Works programmes by 50% instead of the expected 40% — an additional saving of approximately \$3,000 to the Town. The motion for approval of the contract was made by Alderman Marcel Seers and

seconded by Alderman Bert Olyver. Total amount authorized by the Arena By-law was \$330,000 including, in addition to the contractor's costs, architects and consulting engineers' fees. The decision was made to proceed immediately with the work, rather than wait for November 1st, as originally planned to take maximum possible advantage of the Winter Works Programme. Any additional grant under the Programme would have been direct costs for the winter supply of cement and other materials. The recent cancellation of the Federal Government's Winter Works Programme was a severe blow to Town planners, costing the Town an estimated \$25,000, which would have acted as a buffer against rising costs. Thus the

Provincial Government's decision to raise its grant to 50% from 40% was particularly welcome. Work on the site, on Town land at Mercier Park, close to the Howard S. Billings Regional High School, has already started, and the scheduled date for completion is January 1969. This date will enable the children of the area to enjoy a greatly prolonged winter sports programme. The arena will be similar in design to that now in use in the Town of St. Lambert. Town of Chateauguy ratepayers voted overwhelmingly in favour of the arena at a referendum held last May 11th. An immediate start on the building was decided in order to complete the footings and base of the structure before frost sets in the ground, and ensure a faster completion of the arena.

ing well again after a stay of 10 days. Mr. Albert Hope entered the Barrie Memorial Hospital on Thursday night and his condition shows considerable improvement. Mrs. Florina Jenneau was taken to the same hospital following a heart attack. Mrs. Arnold McKell is taking an enforced rest with cardiographs and other tests. Mr. Bruce Cairncross Sr. is feeling well but undergoing tests. Our best wishes to all these grand people. Mrs. Wesley McColm and Mrs. C. Gallie attended a trousseau tea on Saturday at the home of Mr. and Mrs. Stewart Duncan, Chomedey, in honour of their daughter, Enid, a bride-elect. Mrs. Elzear Soucisse of St. Pierre Village is a patient at the Barrie Memorial Hospital following surgery. A neighbour from the village, Mrs. Etienne Bergevin is a patient at the same hospital. Best wishes to them for a speedy recovery. Albin and Bernard Turner are living now at Lachine and enjoy choir practise at the school they attend. Early in the New Year the choir will present H.M.S. Pinafore. A treat is in store for Music lovers in the near future, at Georgetown Church. We understand there will be a notice in The Gleaner. The annual concert by the combined local choirs will not be held this year because members come and go and sometimes work interferes with regular choir attendance. The Sacrament of Holy Communion was observed at the United Church on Sunday morning. New Communion Trays were dedicated, which had been presented by Miss Isabel Frith in memory of her parents, Mr. and Mrs. E. R. Frith. They complete the matching set. Mrs. Stanley Peddie is at home again following a long period of recuperation at the Royal Victoria Hospital. Neighbours and friends are glad to know she is feeling much better. The favourite place for col-

lisions and near hits is where Bridge St. and Tullochgorum Road come on to Colville St. There was a two-car collision one day last week but no serious damage reported, namely because they were driving at a moderate speed. These stop signs mean what they say as too many cars and trucks appear to be moving beyond the suggested speed limit on Colville St. It is a dangerous corner. The Scouts and Cubs are active again as you will notice. The people of the community appreciate the work done by the Group Committee, Scout Masters and leaders, all of whom are named. Kenneth Allen who has passed her R.N. Examination. Our best wishes go with her as she takes up a career in Toronto. The community was saddened by the tragic circumstances of the death of Russell Howie and sympathy is extended to the family. Two people died recently who were well-known and respected in this community for many years. Mrs. Thomas Goundrey, born at Huntingdon lived on the Australia Concession following her marriage. For the past twenty-three years she lived near and later with her daughter, at Dewitville. Mr. Bryce Bruce was born and grew-up at Aubrey. His later life was spent in the Franklin area. Sympathy is extended to the families of these old friends. Diane and Debbie McKell spent Saturday of last week at Lake Louise with Pioneer Girls and Christian Service, People's Church, Montreal. Brigade groups from "The Jar"

leaders from the church were Mr. Gordon Smith and other boys and girls had an enjoyable day. Mr. and Mrs. Norman Easton and Miss Ruth Easton were supper guests at the home of Mr. and Mrs. Gordon Easton on Thursday of last week. They stopped en-route for their annual supply of honey. Many of our city visitors at this time of year pick-up their honey supply at our favourite apiary, or a bushel or two of delicious apples at Covey Hill. We can't understand why this isn't a common practice with everyone in the Chateauguy Valley. With only two in our home, one an apple pie fancier, the other a champer on the raw product, we go through at least four bushels, and honey from the pail is easier than putting jam in a jar.

News From Howick

Plowing Match
HOWICK — R. Bruce Ness, a director of the Provincial Plowing Match, attended the three-day match, held last week at Miron Race Horse Farm, St. Eustache. The first day there were 60 entries and it was a local competition. The second day there were 60 and it was a provincial match. The third day there were 14 taking part, two from each province, excepting Alberta, Newfoundland and Nova Scotia.

bands. They were entertained on Wednesday at a Fashion Show. There was a drawing for a mink hat, which was won by Mrs. Barrington. On Thursday they enjoyed a bus trip to Lac Beauport. The convention closed on Friday with a banquet which was attended by everyone. **Personals**
Mr. and Mrs. Garnet Barrington and Mr. and Mrs. Antoine Meunier attended a reception for Mr. and Mrs. Lionel Amyot on Saturday evening, October 5th. Mr. Amyot is the Mayor of Ste. Martine Parish and the occasion was their silver wedding anniversary, celebrated at St. Jean Baptiste Hall, Ste. Martine. The chicken pot pie was made in rounds. We know one grade pupil who had escaped all the contagious diseases but now it is No. 1 on his list.

I can remember very well as a child, missing some of these diseases when others in the family had them but years later in my twenties, coming down with a solid mixture of scarlet fever, erysipelas and quincy throat. For several months after I wore a captivating boyish bob which almost caused me to be thrown from my bed in a girls' ward in the Royal Victoria because an interne thought I had sneaked in from boys' ward. Honest! Mumps caught up with me in my fifties! Father Leblanc from the Franciscan House, Chateauguy conducted several special Masses at the Roman Catholic Church last week. During the winter months there will be 9 A.M. and 11 A.M. Masses only on Sunday mornings. There is a lot of sickness in the district. Mrs. Leslie Ghany, has come home from the Neurological Hospital, feel-

ing well again after a stay of 10 days. Mr. Albert Hope entered the Barrie Memorial Hospital on Thursday night and his condition shows considerable improvement. Mrs. Florina Jenneau was taken to the same hospital following a heart attack. Mrs. Arnold McKell is taking an enforced rest with cardiographs and other tests. JUNIOR CHAMBER COMMERCE DINNER SUCCESSFUL EVENT

Chateauguay's Young Chamber of Commerce last Friday held their annual dinner at the Rustik Restaurant.

Main features of the evening were musical and gastronomic. Well-known radio and T.V. personality Andre Bertrand entertained the company of members and guests with an hour-long recital of song hits in his rich baritone voice, including such rollicking favourites, as Never on Sunday (in French — the first such rendering in this reporter's experience. The song is equally gay in translation). "I left my heart in San Francisco," and "Parley-moi d'Amour". Mr. Bertrand, a highly talented performer, is the brother of Yolande Guerdur who sang Verdi's Requiem in the Quebec Basilica during funeral services for the late Premier Daniel Johnson.

Local girl Carole Brown, 18, well-known for her singing in St. Joachim Church, enchanted

the gathering with her lovely voice and impeccable diction. At dinner-time guests enjoyed a French-Canadian old-time meal of massive proportions, including cole slaw, pate de foie gras, baked beans, meat balls and of course tourtiere pie. Although signs of well-satisfied lethargy quickly developed in the not so young contingent, the younger element displayed their vast recuperative powers by dancing sprightly and energetically to the strains of Guy Bernard et ses musiciens.

Memberships are also available for the lounge for the balance of the 68-69 season at a fee of \$2.00 per person with a minimum age limit of 20. For details contact Don Chart at 691-1576 or "Leo" at 691-2418.

Recently elected Jeune Chamber President J-Paul Paradis welcomed many distinguished members and guests, including Mayors Joseph Laberge and Richard Sutterlin, Messrs. George Kennedy, M.P.P., Robert Trudeau, Bob Wall, Gilles and Yvon Aubin, Gilles Levallier (who organized the function), Rocky Brisebois, radio columnist and Dr. Jean Marc Sauve.

THIS WEEK AT SEIGNIORY PARK COUNTRY CLUB

After a fairly dull September, well as by local organizations, the club has suddenly come to life and the members who made so many friends at the pool during the summer months are beginning to renew those friendships in the club house lounge.

Last Thursday the Al Peters Jazzmen played in the club newsletter form shortly. The at what was undoubtedly the most successful evening in the club's history. The jazz quartet will take place on Friday evenings. The jazz point that extra chairs group will entertain on Thursday evenings. Other activities in to accommodate the audience.

The band played extremely well. This is perhaps due to the fact that they feel at ease amongst the members and can really unwind.

Despite the increase in attendance we would still like to see more of our members enjoy the facilities provided by the club. The hall is available for functions by members as to devote time and energy to

Former Chateauguay Minister Dies

The late Rev. D. R. Morrison. A funeral service was held in London, Ont., Thursday, for Reverend Donald R. Morrison, retired, who died suddenly a week ago at his home. He was 80.

He retired in 1961 after a career of 41 years in the ministry, which included parishes in the Montreal area and Ontario.

Born in Marsboro, Que., Mr. Morrison graduated from the Presbyterian College of Theology of McGill in the early 1920's.

He served as minister of Westminster Central United Church in Montreal and St. Andrew's United Church, Chateauguay in the 1940's and early 50's.

His other parishes included Howick, Que., and Kirkhill, Fallville, and Avonmore, and three other Ontario churches.

Mr. Morrison is survived by his second wife, the former Winnabel Harper; a daughter Irene (Mrs. Jon Vogt); a son, Willard, of Beaconsfield; three sisters, Mrs. Willard Farnham, Mrs. George Day and Mrs. John Stewart; and eight grandchildren.

He was predeceased by his first wife, the former Doris Smith, a son, Even; and a daughter, Donald (Mrs. W. Wolodarsky).

Canadian Girls in Training have been secured. C.G.I.T. meetings will commence tonight (Wednesday) in Memorial Hall at 7 p.m.

The Kirk Session will meet tomorrow (Thursday) in the Church Parlour at 8:30 p.m.

BOOK DEALING AS A HOBBY

Mrs. Renee Westerhout has always been a voracious reader, and when her movements became restricted over a year ago her input went up to more than one book per day, seven days a week. A chance meeting with a friend who ran the "Nearly New Shop" inspired Mrs. Westerhout to set up shop in the front living room in a buy and sell book operation. The "shop" now includes well over 3,000 books of all descriptions — paper backs which sell for 15 cents and hard covers of every description — novels, mysteries, biographies, historical and fiction of all sorts.

The "buy and sell" library is situated at 98 Salaberry North, Chateauguay, where Mrs. Westerhout lives with her husband, a mechanical en-

gineer, four children and three dogs. The house is close to Laberge Park at the end of St. Francis Boulevard and is 178 years old and under homologation by the Town of Chateauguay which plans to use the land for future expansion of Laberge Park.

Mrs. Westerhout told The Gleaner last week-end that she is very willing to allow high school students to make use of her books on the premises, where they could make their notes for essays.

The Westerhouts emigrated to Canada from England five years ago. Mrs. Westerhout is also active in the "Housewives' Register."

New U. C. Minister In Chateauguay

Rev. Allan Smith and Mrs. Smith and family of three children flew in from Zambia last week, and Mr. Smith immediately took up duty as Minister to Chateauguay Centre United Church.

The charge has been vacant since the former Minister, Rev. Herbert Goold left last June to take up the U.C. charge in Huntingdon.

Mr. Smith, who has served the church in Zambia for several years, held his first Communion in Chateauguay last Sunday.

Dedication services for Mr. Smith's new charge will be held in the near future.
