CHARLES KNIGHT'S

Popular History of England.

THE ONLY COMPLETE STANDARD HISTORY OF ENGLAND.

Eight volumes, 12mo,	Cloth extra, black and gold,	$10.00
" " "	Cloth extra, gilt top, laid paper.	12.00

Each set put up in a neat paper box.

This edition has been prepared at large expense expressly to meet the demand for a really good and cheap edition of this standard work. The type is new, clear and readable, the paper of a good quality, the size the now popular 12mo, and the binding neat and durable. The price has been made very low to ensure a large sale, and will recommend the work to all those desirous of possessing the best History of England extant.

Attention is directed to the following opinions of the work, particularly to that of President Porter, of Yale College.

"The best History of England for the general reader is Knight's *Popular History*. For a single history which may serve for constant use and reference in the library, or for frequent reading, it is to be preferred to every other."—*Noah Porter, D.D., LL.D.*

"We very cordially recommend these volumes to the readers whom they seek. We know of no History of England so free from prejudice; so thoroughly honest and impartial; so stored with facts and fancies; and therefore none so well adapted for school or college as this."—*London Athenæum.*

"Its literary merits are of a very high order; indeed, nothing has ever appeared superior, if anything has been published equal, to the account of the state of commerce, government, and society at different periods."—*Lord Brougham.*

"Mr. Knight's book well deserves its name; it will be emphatically popular, and it will gain its popularity by genuine merit. It is as good a book of the kind as ever was written."—*Westminster Review.*

"The best history extant, not only for, but also of the people."—*All the Year Round.*

"A standard book on the shelves of all libraries."—*London Spectator.*

"The last and greatest literary work of his life. This history will remain, for many a long day, a standard work."—*London Times.*

"This work is the very best History of England that we possess."—*London Standard.*

THE ATTENTION OF

Merchants and Manufacturers

Who desire to attain the greatest publicity for their wares among the business community,

Wholesale as well as Retail,

Is respectfully called to the fact that the

JOURNAL OF COMMERCE

Has attained a *bona fide* circulation extending regularly to

Every Town and Village

THROUGHOUT THE DOMINION,

From Newfoundland [including St. Pierre et Miquelon] to British Columbia and Manitoba, besides a respectable proportion among Merchants and Manufacturers in Great Britain.

This circulation is not confined to one or more hotels in each place, but is subscribed for in the regular way by each merchant. We court inquiry on this subject, and shall be glad to exhibit our subscription lists to any of our customers at any time. The JOURNAL OF COMMERCE is fulfilling its mission in supplying our Wholesale Merchants, Manufacturers, Insurance Companies, etc., with a FIRST-CLASS COMMERCIAL JOURNAL, having a circulation among the business men of Ontario, Quebec and the Maritime Provinces second to none, a circulation, too, which is daily increasing. The interests of our subscribers are continually borne in mind in furnishing them with the latest and most reliable information on all matters necessary to their business welfare, rendering it worth to each ten times the price of subscription. The growing demand for back numbers, which we regret being unable to supply, is a proof of its permanent value as a work of reference.

Subscription to Montreal Subscribers $3 ; elsewhere, $2 a year.
