PROVINCE LAYS CLAIM TO RADIO BROADCASTING STATION CONTROL

Legislation to Be Introduced to Enforce Provincial Power, While Matter of Broadcasting Will Be Carried to Courts if Necessary, Says Premier Taschereau—Increased Vote for Provincial Hour Passed—All Government Employees Must Swear Fidelity.

QUEBEC, Jan. 23.—The Province of Quebec intends to reserve to the province the right to issue broadcasting licenses so as to control radio within the provincial borders, Premier L. A. Taschereau declared during debate in the Legislature yesterday. Third reading was given to a bill to increase the annual radio grant from \$15,000 to \$30,000 for the "Provincial Hour."

The report of the Quebec Liquor Commission was tabled showing total sales for the year ended May 30th, 1930, amounting to \$27,539,966 compared with \$27,007,430 for the preceding year. Of last year's sales, the amount of \$8,469,292 or thirty per cent was profit, the report stated. Receipts from permits on taverns, restaurants and so forth brought the total profits up to about ten million dollars.

During the radio debate the Premier stated the Government, under the British North America Act, maintained that it has sole jurisdiction over radio in the province. A bill to affirm its rights would be brought down during the present session. The matter would be carried to the courts if necessary, he said.

Maurice Duplessis, Conservative, Three Rivers, suggested to the Premier he had "better be cautious in his appeals to the courts," as he did not think the Premier had been very successful in that direction in late years, referring to the Privy Council decision in regard to Labrador.

The House voted on a measure sponsored by the Government making it obligatory for every employee of the Government to be sworn as to his fidelity. The Opposition thought the measure too severe. The vote was thirty-five to seven.

ROADS MINISTER REPLIES TO CONTRACTOR'S CHARGE

QUEBEC, Jan. 23.—Hon. J. E. Perrault, Minister of Roads and Mines, took occasion in the Legislative Assembly yesterday to reply to statements made by Leo Doyon, a former road contractor, and candidate for political honors on various occasions in Montreal Island. The minister said that Mr. Doyon had made a speech in Montreal on January 16th in the course of a meeting held by Alder Blain, Conservative M.L.A. for Dorion, Montreal, and on that occasion Mr. Doyon had made statements to which he wished to reply.

According to newspaper accounts, said the minister yesterday Mr. Doyon had said that in 1929 the department had given a contract to the McBurn Asphalt Company without tenders having been called for, and also that the late Hon. J. L. Perron had been the owner of the McBurn Asphalt Company. The minister said that Mr. Doyon had over-specified the work, such as the Magog-Sherbrooke contract of three miles, that of St. Agathe to St. Adele, seven miles, another contract for two miles on the St. Agathe road. The minister said that Mr. Doyon at the Montreal meeting in question had asked that he be called to the bar of the House if he did not tell the truth.

Hon. Mr. Perrault said that when his estimates are before the House he would deal with the matter in more detail, but for the present he would content himself with saying that as regards some of the contracts mentioned he was not Minister of Roads at the time, while as regards the Montreal South contract mentioned he would say that there was no contract whatever work having been done by the department itself. The same situation existed as regards the St. Bruno contract.

THE WEATHER

FAIR AND COLD

High pressure covers Northwestern Ontario and the Eastern States, while an extensive area of high pressure extends from Northern British Columbia southward to Iowa. Some light snow has fallen in the Georgian Bay and Ottawa Valley districts, while elsewhere the weather has been for the most part fair. It has been cold from Manitoba eastward, with a little higher temperature in the Lower Lake region.

Forecast: Fair and cold to night and Saturday. Northern New England: Scattered light snow this afternoon; turning milder tonight. Mostly fair on Saturday. Temperature yesterday: Maximum 12, minimum 8 below. Same day last year: Maximum 16, minimum 22 below.

FRANCE IS WILLING TO RENEW AGREEMENT.

PARIS, Jan. 23.—A spokesman from the French Government today said that France would look favorably upon any Italian suggestion for renewal of the naval construction truce which was said earlier this week to have expired.

France was said still to cling tenaciously to the belief that a naval arrangement with Italy is possible if Italy will consider that French fleets are maintained, not with Italy in mind, but as a means of protecting French sovereignty at home and in numerous distant colonies in the same sense that the British fleets are used.

The fall of the French Government last night is expected to delay any negotiations for continuation of the treaty.

INJURIES TO FARNHAM MAN PROVED FATAL

Frank Rainville Succumbed to Lacerations He Received While at Work in Canadian Pacific Yards—Leaves Wife and Four Sons.

FARNHAM, Jan. 23.—The injuries which Frank Rainville, fifty-four year old local Canadian Pacific yard brakeman, suffered on Wednesday and resulted in the amputation of his left leg, proved fatal to the unfortunate man, who succumbed yesterday. In some manner Rainville's left leg was badly lacerated while he was at work in the railway yard, and examination revealed that the bone was broken about six inches below the knee. The injured man was removed to St. Elizabeth's Hospital, where amputation was found necessary. This was of no avail, however, Rainville passing away at the institution yesterday.

The deceased leaves a wife and four sons to mourn his loss. The funeral will be held on Saturday from St. Romuald's Church.

TWELVE PERSONS INJURED DURING THEATRE STAMPEDE

Rumanian Peasant Audience Became Frightened When They Saw a Locomotive Roaring Down Track.

GEOROVESTI, Rumania, Jan. 23.—The introduction of motion pictures into this village last night caused a stampede in which twelve persons were trampled, some of them being seriously injured.

A peasant audience, no member of which ever had seen a movie before, was assembled in the hall to view a cinematic thriller, and suddenly the scene flashed to a locomotive roaring straight down the track.

The engine appeared to rush out from the screen into the hall and the sight of this giant monster seemingly coming to run them down was too much for the spectators. They all made a wild rush for the door and in the ensuing frenzy all fittings of the building were wrecked.

SUGGEST CABINET MEMBERS NOT BE COMPELLED TO SEEK RE-ELECTION

Recommendation Made by President of Trades and Labor Congress to Prime Minister and His Colleagues Produced Humorous Comments—Proposed Change in Senate and House of Commons Act to Meet Requirements.

OTTAWA, Ont., Jan. 23.—Recommendations by the Trades and Labor Congress that members of Parliament should not be compelled to seek re-election upon assuming the office of a cabinet minister produced humorous comments from Premier R. B. Bennett and his colleagues gathered in the railway committee room of the House of Commons yesterday to hear the delegation.

"We believe that the Senate and House of Commons Act should be amended so that members once elected to the House of Commons should not be compelled to seek re-election upon assuming a position as a minister of the Crown," Tom Moore, President of the Congress, told Mr. Bennett and his ministers.

"Hear, hear," laughingly interjected Hon. R. Manion, Minister of Railways and Canals, and Hon. E. B. Ryckman, Minister of National Revenue. The Prime Minister and his other colleagues smiled broadly; and then a wave of laughter broke out among the delegates with Mr. Moore harping on the recommendation. Premier Bennett himself had a short reference to the recommendation later on when he was addressing the delegates. "There will be no difficulties arising from the present provision in our lifetime," he humorously remarked.

PROPOSALS TO COME BEFORE PARLIAMENT ARE REVIEWED

OTTAWA, Ont., Jan. 23.—During the meeting yesterday with representatives of the Trades and Labor Congress, Premier Bennett announced that legislation will be presented at the coming session of Parliament on radio broadcasting.

The subject was one, Premier Bennett stated, which must be considered from two standpoints: technical and national. Canada's geographical position, he interjected, presented certain difficulties, which must be borne in mind in the consideration of the matter from a national viewpoint. Many letters have been received by himself and his ministers, Premier Bennett declared, some supporting and some opposing national broadcasting.

Old age pensions legislation would also be introduced at the coming session, the Prime Minister stated. "The Conservative Party has made its declaration in this matter," Premier Bennett said. The subject was engaging the attention of the Government, and at the moment it would be improper for him to make any declaration.

Grants for technical education will be restored, Premier Bennett assured the delegation. "When in Opposition we took the view that technical education grants should be renewed; and we will not depart from that position," he declared. Unemployment insurance was engaging the attention of the Government, Premier Bennett went on. "I think you will agree," he observed, "that it is highly desirable that the problem should be studied from" (Continued on page 7)

MAHATMA GANDHI WILL LIKELY BE GRANTED FREEDOM IN SHORT TIME

Only Details of His Removal from Yeroda Prison, Poona, So as to Avoid a Demonstration, Remain to Be Arranged—Nationalist Leader Arrested Last May After He Had Led Group of Volunteers Down to Sea at Dandhi, Where They Manufactured Salt in Defiance of British Law.

NEW DELHI, India, Jan. 23.—Viceroy Lord Irwin, it was understood here today, already has made a decision to release Mahatma Gandhi, imprisoned Nationalist leader.

Only the details of his removal from Yeroda prison, Poona, so as to avoid a public demonstration, remain to be arranged. The Mahatma was arrested last May 4, more than a month after he had led a group of All India National Congress volunteers from Allahabad down to the sea at Dandhi where they manufactured salt in defiance of British law.

The arrest, early in the march, believing that his incarceration would align divergent Indian elements behind him in the

BIG DEFICIT FORESEEN IN NEXT BUDGET

Premier Intimates Probable Deficit for Dominion at Hundred Million Dollars.

OTTAWA, Jan. 23.—While Canada has greater financial obligations in relation to population than any other country in the world, the Government is not discouraged, but looks for an early improvement, Premier R. B. Bennett told a delegation from the National Council of the Canadian Chamber of Commerce yesterday.

The Premier stated the real limitation imposed upon the Government was financial. Matrimonies of more than a billion dollars had to be met here by the Dominion by 1934. There was a probability of a deficit of one hundred million dollars this year. However, things were bound to be better, he emphasized. Psychological conditions, which had a general bearing on conditions throughout the world, were indicative of a general upward swing.

The delegation was headed by J. H. Woods, of Calgary, who was elected president to succeed the late Angus McLean at a meeting yesterday. Mr. Woods made a brief introductory speech, after which a memorandum was read by W. A. L. Clarke, secretary of the Canadian Chamber of Commerce. This memorandum summarized the purposes and activities of the Chamber and also referred to matters which the subjects of resolutions at the annual convention of the organization. Briefly the subjects dealt with were the increase of research into new uses for Canadian grain, other farm products and their by-products; adjustment of Pacific cable rates to a degree which will encourage the trade and commerce of Canada; development of commercial aviation in Canada, and of Canada's co-operation in establishing "all-red" aviation routes between Canada and the Empire.

Other policies which were stressed as important features of the programme of the Canadian Chamber of Commerce were: Completion of a national highway; working out of a national fuel policy; rationalizing of Canadian industries; traffic development of the Peace River country; development of Empire trade on a reciprocal basis; co-operation of the federal Government in the relief of unemployment, and financing of aid in the national interest to the agricultural west.

In addition to this memorandum, the delegation laid before the Government a report of the trade mission of the Canadian Chamber of Commerce to the Orient, headed by John M. Imrie.

Mr. Bennett referred to some of the subjects in his brief speech. He said the federal Government must work in co-operation with the provinces on construction of a national highway. Working out of a national fuel policy was an easier matter on paper than actual practice, said the Prime Minister. He said, even though there were would probably be solved by chemists and scientists, Canada's problem was largely one of distances. This was illustrated by the fact that fact, even though there were great coal deposits in Nova Scotia and Alberta, approximately four million tons were imported each year.

With respect to the resolution advocating traffic development of the Peace River country, Mr. Bennett said no matter how strong and vigorous were railway policies of the country they could only be given effect to with money. It was here that he drew attention to the financial obligations with which Canada is confronted—maturing obligations of over one billion dollars, and decreasing revenues. These were important factors in development of the country.

The Prime Minister expressed

passive war for Indian independence but for many weeks the British Government arrested his aides but left him scrupulously alone.

Police finally awakened him in the middle of the night at a camp near the seashore and escorted him by special train and automobile to Yeroda prison, Poona, where he has remained since, more an internee than a prisoner.

Many of his followers had hoped that one of the results of the round table conference just completed at London would be the release of him and other political prisoners. In his closing address Prime Minister MacDonald promised that when peace and calm were restored political prisoners would be freed.

MANY SIGHTED METEOR ABOVE NEW ENGLAND

Attention of Astronomers Focused on Meteor of Unusual Size and Brilliancy Seen Last Night.

NEW YORK, Jan. 23.—The attention of astronomers was called today to a meteor of remarkable size and brilliancy which was observed darting across the skies last night at various points from New Jersey to Vermont.

Hundreds of persons in Elmira, N.Y., saw what they described as a ball of fire with two lines of light behind it, sweep across the heavens from south to north shortly after six p.m. Harry Clogg Sullivan, professor of astronomy at Elmira College, said the object was a meteor.

At Syracuse, N.Y., the meteor was visible for nearly a minute. Observers there said its direction was northeast and that flashes of light shot out from it as though it were disintegrating.

John E. Morse, of South Newfane, Vt., and his wife said it appeared to be about the size of a large automobile headlight. It disappeared with an audible explosion far to the north.

Charles Earle, 14, an amateur astronomer of Atlantic City, N.J., said the meteor, which appeared to him about half the size of the moon, crossed the sky from east to west. He said it was visible for about fifteen seconds. It was bright red, with a tail of dark red and yellow. He estimated the length of the tail as about twenty times the diameter of the body of the meteor.

Professor Caroline Furness, of the Astronomical Department of Vassar College at Poughkeepsie, said the meteor probably was of the type known as a fire ball, similar to the one observed November 10th.

The meteor also was seen over New York, witnesses describing it as a red ball of fire with a fan-shaped yellow and red tail which resembled an aeroplane falling in flames. It was visible for at least fifteen seconds.

WELL KNOWN GANGSTER IS ARRESTED

DETROIT, Mich., Jan. 23.—Frank Commarata, gangster, named last August by Thomas C. Wilcox, then police commissioner, as one of the men responsible for the killing of Jerry Buckley, radio operator, arrested early today in a residence on Eastlawn Avenue.

DOG SAVES FAMILIES FROM FLAMES

SYRACUSE, N. Y., Jan. 23.—Aldor, a police dog, barked out warnings of fire yesterday that enabled two families, including that of his owner, to escape, then died in the flames. August Herzog, the owner, tried to rescue the dog from the cellar, but failed.

thanks to the Chamber of Commerce for its activities in the Orient. In the Orient was a "fruitful field" for Canadian industry and enterprise, Canada's Minister to Japan "had just returned from China and had made a report on conditions there. Many difficulties existed in connection with development of trade with China. He regarded the proposed trip of the Chamber of Commerce delegation to the Argentine as important. Mr. Bennett said, The Government had concluded it was desirable to have a representative at the British Empire Exposition especially in view of the fact that it was the first event of the kind to be held without the British Empire. Mr. Bennett complimented the delegation on its memorandum and thanked the members present for their interest and their offer of co-operation in any steps for the improvement of conditions in Canada.

CONTRACT FOR PAVING OF SHERBROOKE-DERBY LINE HIGHWAY AWARDED.

QUEBEC, QUE., Jan. 23.—The Eastern Townships Construction Company of Sherbrooke has received from the Roads Department a contract amounting to \$486,000 for the paving of a twenty-mile stretch of the Sherbrooke-Derby Line Road.

TOWN ENTIRELY DESTROYED BY EARTHQUAKE.

MEXICO CITY, Jan. 23.—Mihuatlan, in the State of Oaxaca, was entirely destroyed by last week's earthquake.

Not a house was left standing in the town, a Government commission reported today. Several thousand inhabitants are living in improvised huts. Twenty people were killed in the town by the quake.

NEW NAME SUGGESTED FOR BRITISH MOBILE POLICE

Safety First Council Would Christen Traffic Officers After Minister of Transport.

LONDON, Jan. 23.—To the Jack Tars, Tumblers, and Bobbies, may be added the "Berties,"

The National Safety First Council suggested yesterday that the new mobile police patrols which have been organized under the Road Traffic Act, should be designated as "Berties," as a compliment to Hon. Herbert Morrison, Minister of Transport.

"Bobby," which has become a recognized term for policemen, arose, of course, through the creation of the force by Sir Robert Peel. "Peel" was once a fairly common nickname, too.

It is doubtful whether "Bertie" would prove a happy choice. "Bertie" has become something of an alternative for "Johnny"—the fellow who wears spats and monocle, and says "Bah Jove!"

STOKE CENTRE HIGHER COURT CASE REJECTED

Action Taken by Oliva Malenfant Against Mrs. Emeril Biron Dismissed With Costs in Superior Court—Another Case in Connection With Same Mail Route Continued.

Dismissal with costs was the judgment handed down by Mr. Justice Joseph Archambault in the Superior Court yesterday afternoon in the case of Oliva Malenfant vs. Mrs. Emeril (Lanzy) Biron, both of Stoke.

Malenfant made a claim for \$970.25 with interest and costs as the result of the annulment of a rural mail carrying contract between himself and the defendant.

Mrs. Biron was also defendant in the second action, which was continued until next term. The plaintiff in this case is Dame Marie Ella Bastarache, wife of Edouard Marquis, also of Stoke Centre. In her declaration, the plaintiff alleged that Mrs. Biron had taken her young son in November, 1928, to help her deliver mail, and had done so during her (Mrs. Bastarache) absence and without her permission. On one trip the horse, carrying the mail, stumbled and threw the youngster to the road. The illness and nervous shock which followed this accident, in the opinion of the complainant, entitled her to five hundred dollars damages, with interest and costs.

Mrs. Biron denied the plaintiff's allegations, claiming that the child had obtained permission from the house-keeper in whose possession the children had been left during Mrs. Bastarache's absence. Further, she declared the child had not suffered the supposed injuries and shock, but a few days after the accident had offered to accompany the defendant with his mother's permission. In asking that the action be dismissed, the defendant claimed that it was taken for revenge and entirely in bad faith.

DEATH OF ANNA PAVLOVA AFTER SHORT ILLNESS

Pleurisy and Pneumonia Contracted During Train Wreck Proved Fatal to Famous Russian Dancer.

THE HAGUE, Jan. 23.—Death today stillled forever the dainty fragile form of Anna Pavlova, whose dancing stirred millions, civilized man and savage alike. She would have been forty-six years old on January 31.

Pleurisy and influenza, contracted early this week after she had been held for hours by a railroad accident in a waiting train at Dijon, France, rang down the curtain upon a life which for thirty-five years she devoted to depicting in hymnic movement the beauty she saw around her.

With her at the end, which was peaceful, was her husband and accompanist, Victor D'Amboise.

Death interrupted her plans to interpret for Occidentals what she had found of grace and beauty in a recent visit to Japan, China, and Asiatic countries. Upon completion of this project she intended to re-

Over and above this situation the Commission got \$1,611,321, from permit fees, excise taxes on breweries and from seizures, which makes the total revenue \$10,080,613. The Provincial Treasurer, who at the time happened to have been Hon. Gordon Scott, since L. B. Cordeau, chairman of the Commission, annually reports to the Legislature the capacity of the Commission a sum of \$10,280,728, which means that the Commission gave 102 per cent of its net profits to the Government. This sounds strange, and a footnote to the report admits the fact, but states that the Commission desires to present an accurate picture of what happened. Each year, however, the Commission has not been made to turn in all its profits to the Government, so that it has been building up a reserve which enables the Commission to give the Government, in any one year, as in the present case, more than it actually made in net profits. This year's surplus of the Commission is \$200,115. The Commission, in the report, tells the story of how it can pay over more than its cost to the Government in any language. It states, after giving the table of the operating since the inception of the Commission:

"It is clearly seen that this table has not been designed according to strict accounting practices. It was not intended to show the Commission's finances; this is the function of the balance sheet. Our sole aim is to show the distribution, under clear and comprehensive headings, the Commission's revenue and its uses. It is here that we have put. We believe that the public wishes to have such information in a form which the average layman can easily understand, and this is our reason for so preparing it."

It will be noticed that out of a total operating revenue of \$192,832,398 during the nine years 1921-1930, the federal Government has levied the sum of \$68,695,044 in customs and excise duties or 35.6 per cent. Operating charges, purchase of goods, material and supplies, general expenses, etc., during the same period amounted to \$77,011,184 or 39.9 per cent.

The fact should be emphasized that since the establishment of the Commission, the percentage of operating expenses has steadily decreased, falling from 43.3 in 1921 to 35.5 in 1930-31. It is this reduction in expenses which has enabled the Commission to show such a marked increase in the percentage of its profits.

In 1921-22 the Commission's profits represented 18.8 per cent of the operating revenue of \$192,832,398. In 1930-31 they reached 39.7 per cent.

The net business profits during the nine years' administration of the Commission amount to \$47,126,170. Adding the receipts from permits and seizures, namely, \$12,844,114, the Commission has a net revenue of \$59,970,284.

As the Commission is operating under the authority and for the benefit of the Government and the population of the Province of Quebec, its profits are either turned over to the Government or spent on his behalf for capital account. The total sum thus remitted to the provincial Government amounts to \$54,020,198, leaving in the hands of the Commission as reserve and surplus account the sum of \$5,950,086.

A sheet of the Commission, referred to, shows that the Quebec Liquor Commission has sets of \$7,201,607, made up of \$4,508,707 of cash in hand and in the banks, of \$117,841 accounts receivable.

Women's Missionary Society, "Snobs" and Board of Trade Held Meetings - Enjoyable Sleigh Ride Also Held.

FARNHAM, Que., Jan. 23.—The Farnham Missionary Society held its first meeting of the year on January 14th at the home of the newly elected president, Mrs. Mary Smith, with an attendance of eighteen members and several visitors present.

The meeting opened by all joining in singing the hymn: "There is No Name So Sweet On Earth," followed by prayer by Rev. J. C. Downing, and responsive scripture reading in unison.

The minutes of the previous meeting were read by the recording secretary and accepted.

Under the reports of committees, the supply secretary reported upon the ordering of systematic envelopes, which had not arrived in time for this meeting. The Treasurer's report showed that the allocation of \$115 had been reached during the past year and forwarded to the branch treasurer. The receipts were \$115 with a disbursement of \$2.75, during the year.

It was moved that the society have a "Work Fund" to assist in the various parts of the local work and that this fund be obtained apart from the regular money, raised toward their allocation for the year.

It was decided to continue with "The Watch Tower," and that the different Heralds would be appointed at the next regular meeting, which will be held at the home of Mrs. M. J. Smith on February 20th, when the world's day of prayer will be observed.

At the conclusion of the business, the president, Mrs. Smith, introduced the speaker of the afternoon, Miss Isabel McIntosh, of the strangers' department at Montreal. Under the auspices of the Women's Missionary Society, a great deal of attention was given to Miss McIntosh, while listening to her recital of her experiences and the work among the strangers, namely, the immigrants from all parts of the world as they come by ship and train to reside in their new homes among the Canadian people, and of her assistance in the English classes, to aid those trying to learn a language so different from their own. At the conclusion of Miss McIntosh's very interesting remarks, every one felt that the work of the Women's Missionary Society was worth while and deserving of the co-operation of all.

A vote of thanks was extended to Miss McIntosh for her very interesting talk by Mrs. Smith, and Rev. J. C. Downing.

The systematic envelope collection was then received and amounted to \$3.01.

The meeting was brought to a close by the singing of the hymn: "Hark, the voice of Jesus calling," and prayer by Rev. J. C. Downing.

Miss McIntosh during her stay in town was the guest of Mr. and Mrs. Albert Beaton.

"THE SNOBS" ENTERTAINED

"The Snobs" were pleasantly entertained on Monday evening at the home of Miss Enid Morrison with Miss Morrison and Miss Jean Dupont as joint hostesses. Bridge was played at three tables. The winners of the highest scores during the evening were Miss Lucille Pickel, Miss Freda Sherwood and Miss B. Pickel, while the consolation prize fell to Mrs. Winston Pickel. Refreshments were served by the hostesses at the conclusion of the card playing.

BOARD OF TRADE HELD MEETING

The Farnham Board of Trade held its first meeting of the year on Thursday afternoon, January 15th, paying of dues. The Society will meet with Mrs. Pettigrew in February. The meeting closed with the Doxology. Fourteen members and six visitors were present. Offerings, \$1.35.

Mr. Hector Labeau visited Montreal on Wednesday last and spent the day at the hospital with Mrs. Labeau.

Mr. Ferdinand Huard and son were among those who spent a day at Montreal during the week.

As motor truck operations have been suspended for the present, Mr. Lawrence Smith has been delivering feed for Mr. H. Despres from this village to Knowlton and Brome, leaving here with four horses carrying four tons of feed.

Power ploughs have been used between Sutton and Richford, and the usual number of villagers seem to be visiting, that place. On Wednesday night a sleigh load of young people drove down. There were twelve occupants of the sleigh.

The annual report of the United Church Sunday School shows a very favorable condition. There are about eighty scholars, teachers and officers connected with the school, the average attendance being about fifty. Their financial statement shows \$31.21 on hand at beginning of last year; collections, \$85.25; missionary collections, \$33.79; rally day, \$20.80; donation of Mr. Wilson, \$75; total of \$246.05. Expenditures were, book room supplies, \$92.29; to M. and M. fund, \$53.80; Christmas expenses, \$83.76, leaving a balance on hand of \$16.20. An ambitious programme has been outlined for the present year.

The regular meeting of the Women's Missionary Society was held in the lecture room of the United Church on Tuesday, January 5th. The meeting opened with the president, Mrs. Nina Crowell in the chair. All joined in singing, after which they were led in prayer by Mrs. Crowell. Fourteen members answered the roll call. Minutes of the last meeting were read and accepted. The reports of the last year were then given, Mrs. Crowell, secretary for that year, giving a very interesting report. Miss Annie Thomas, treasurer, made the following financial report: Membership fees, \$13.00; Thanksgiving, \$25.50; Mite boxes, \$6.20; Envelope giving, \$9.40; from other sources, \$53.50, making a total of \$107.60. Of this sum \$105.00 was turned over to the Provincial Treasurer. Fourteen copies of the Missionary Monthly were reported by Mrs. Martin as having been taken during the past year. A motion pledging a given amount weekly for mite box contribution, was carried over until next meeting. Miss McIntosh, strangers' secretary of Montreal, gave a most interesting address on her work of receiving strangers who arrive in the city, and need help, especially immigrants. The month of February was set aside for this

of any previous year, with a good balance on hand. The cost, in connection with the interior decoration of the church was slightly more than \$250, including linoleum for the aisle. The election of officers was as follows: Honorary president, Mrs. A. L. Whitecomb; president, Mrs. C. W. Curtis; vice-president, Mrs. G. A. Robb; second vice-president, Mrs. E. Blomquist; treasurer, Mrs. E. L. Ashton; secretary, Mrs. Charles R. Lewis; Dorcas secretary, Mrs. D. Ashton; convener of flower committee, Mrs. H. Russell; sick committee, Mrs. J. A. Mairs; Mrs. H. Russell, Mrs. Robert Maguire and Mrs. Robert Maguire; clerk and treasurer, Mrs. C. W. Curtis; sidesmen, Messrs. H. Russell, V. and C. R. Lewis and M. A. Kennedy.

Miss Maryann Consens, of Knowlton Academy, entertained her classmates and teacher, Miss Stevenson, at the home of her parents, Mr. and Mrs. Forest Consens, on Friday evening, January 15th. The evening games, after which refreshments were served.

Miss Elliott spent the week-end at the home of Mrs. Grayson Consens, recently.

Mrs. Albert Young returned to her home in Stanstead after spending the past few weeks caring for her mother, Mrs. Albert Hall, who is slowly recovering from burns received when a gasoline lamp exploded.

The Misses Maryann Consens and Clara Paige spent the week-end at their homes here.

MUCH INTEREST IS DISPLAYED IN FARNHAM CLUBS

Women's Missionary Society, "Snobs" and Board of Trade Held Meetings - Enjoyable Sleigh Ride Also Held.

FARNHAM, Que., Jan. 23.—The Farnham Missionary Society held its first meeting of the year on January 14th at the home of the newly elected president, Mrs. Mary Smith, with an attendance of eighteen members and several visitors present.

The meeting opened by all joining in singing the hymn: "There is No Name So Sweet On Earth," followed by prayer by Rev. J. C. Downing, and responsive scripture reading in unison.

The minutes of the previous meeting were read by the recording secretary and accepted.

Under the reports of committees, the supply secretary reported upon the ordering of systematic envelopes, which had not arrived in time for this meeting. The Treasurer's report showed that the allocation of \$115 had been reached during the past year and forwarded to the branch treasurer. The receipts were \$115 with a disbursement of \$2.75, during the year.

It was moved that the society have a "Work Fund" to assist in the various parts of the local work and that this fund be obtained apart from the regular money, raised toward their allocation for the year.

It was decided to continue with "The Watch Tower," and that the different Heralds would be appointed at the next regular meeting, which will be held at the home of Mrs. M. J. Smith on February 20th, when the world's day of prayer will be observed.

At the conclusion of the business, the president, Mrs. Smith, introduced the speaker of the afternoon, Miss Isabel McIntosh, of the strangers' department at Montreal. Under the auspices of the Women's Missionary Society, a great deal of attention was given to Miss McIntosh, while listening to her recital of her experiences and the work among the strangers, namely, the immigrants from all parts of the world as they come by ship and train to reside in their new homes among the Canadian people, and of her assistance in the English classes, to aid those trying to learn a language so different from their own. At the conclusion of Miss McIntosh's very interesting remarks, every one felt that the work of the Women's Missionary Society was worth while and deserving of the co-operation of all.

A vote of thanks was extended to Miss McIntosh for her very interesting talk by Mrs. Smith, and Rev. J. C. Downing.

The systematic envelope collection was then received and amounted to \$3.01.

The meeting was brought to a close by the singing of the hymn: "Hark, the voice of Jesus calling," and prayer by Rev. J. C. Downing.

Miss McIntosh during her stay in town was the guest of Mr. and Mrs. Albert Beaton.

"THE SNOBS" ENTERTAINED

"The Snobs" were pleasantly entertained on Monday evening at the home of Miss Enid Morrison with Miss Morrison and Miss Jean Dupont as joint hostesses. Bridge was played at three tables. The winners of the highest scores during the evening were Miss Lucille Pickel, Miss Freda Sherwood and Miss B. Pickel, while the consolation prize fell to Mrs. Winston Pickel. Refreshments were served by the hostesses at the conclusion of the card playing.

BOARD OF TRADE HELD MEETING

The Farnham Board of Trade held its first meeting of the year on Thursday afternoon, January 15th, paying of dues. The Society will meet with Mrs. Pettigrew in February. The meeting closed with the Doxology. Fourteen members and six visitors were present. Offerings, \$1.35.

Mr. Hector Labeau visited Montreal on Wednesday last and spent the day at the hospital with Mrs. Labeau.

Mr. Ferdinand Huard and son were among those who spent a day at Montreal during the week.

As motor truck operations have been suspended for the present, Mr. Lawrence Smith has been delivering feed for Mr. H. Despres from this village to Knowlton and Brome, leaving here with four horses carrying four tons of feed.

Power ploughs have been used between Sutton and Richford, and the usual number of villagers seem to be visiting, that place. On Wednesday night a sleigh load of young people drove down. There were twelve occupants of the sleigh.

The annual report of the United Church Sunday School shows a very favorable condition. There are about eighty scholars, teachers and officers connected with the school, the average attendance being about fifty. Their financial statement shows \$31.21 on hand at beginning of last year; collections, \$85.25; missionary collections, \$33.79; rally day, \$20.80; donation of Mr. Wilson, \$75; total of \$246.05. Expenditures were, book room supplies, \$92.29; to M. and M. fund, \$53.80; Christmas expenses, \$83.76, leaving a balance on hand of \$16.20. An ambitious programme has been outlined for the present year.

The regular meeting of the Women's Missionary Society was held in the lecture room of the United Church on Tuesday, January 5th. The meeting opened with the president, Mrs. Nina Crowell in the chair. All joined in singing, after which they were led in prayer by Mrs. Crowell. Fourteen members answered the roll call. Minutes of the last meeting were read and accepted. The reports of the last year were then given, Mrs. Crowell, secretary for that year, giving a very interesting report. Miss Annie Thomas, treasurer, made the following financial report: Membership fees, \$13.00; Thanksgiving, \$25.50; Mite boxes, \$6.20; Envelope giving, \$9.40; from other sources, \$53.50, making a total of \$107.60. Of this sum \$105.00 was turned over to the Provincial Treasurer. Fourteen copies of the Missionary Monthly were reported by Mrs. Martin as having been taken during the past year. A motion pledging a given amount weekly for mite box contribution, was carried over until next meeting. Miss McIntosh, strangers' secretary of Montreal, gave a most interesting address on her work of receiving strangers who arrive in the city, and need help, especially immigrants. The month of February was set aside for this

of any previous year, with a good balance on hand. The cost, in connection with the interior decoration of the church was slightly more than \$250, including linoleum for the aisle. The lordly lion is one animal that is ever true to its mate, wherein he differs from diverse male divorcees who are ready to take a frog leap into any pond where the maiden toad twitters "nee-deepo."

THE BURDEN THAT BECK LAID ON ONTARIO.

Early in March, of the year 1914, as Editor of a little paper in Montreal, I printed a protest against the elusive and altruistic enterprise into which public bodies were led by men who were dunces at arithmetic at school, but who pretended to know a lot about public ownership of utilities. And I said that these men could not be held responsible, for when the day of reckoning came they were not there. They move, depart, go hence.

This letter was received from a correspondent in Port Credit, who was a subscriber to the publication I printed each week as a toy whilst engaged in several manufacturing enterprises. The correspondence is reproduced because it is as true and as timely today as it was seventeen years ago.

March 5th, 1914.

Dear Mr. Editor—If you lived in the Hydro-Electric Zone—say at Arrowfield Farm, Port Credit, you'd change your tune about the Honourable Adam Beck—more power to him. He has given us a tireless, honest, sober hired man—all ways on the switch—to pump water, saw wood, chop feed, milk the cows, heat the root cellar, and all the city luxuries in our farm house, at \$60 per annum—and doesn't lose money at that.

Installation of Hydro-Electric in Toronto Township costs less than one battleship—quite as useful to these farmers.

CONSTANT READER.

This was my reply on March 14, 1914:

I reproduce this letter received from a valued correspondent who lives on the banks of the Credit river. He defends the Beck hydra-headed hydro-electric just as I might do if I was benefitting by what other people pay for, with other people's money.

Ontario Province was induced to invest millions in an electric development which benefits the people who use it at the expense of those who do not. A profit is figured out every year—a profit which does not exist in real money—a hazy book profit. What should be charged to expense is carried as an asset in capital account. It has been done on the Intercolonial, and there is not the least doubt it is being done by the Hydro-Electric.

It is a fact that an irresponsible public body cannot meet nor beat in fair competition a private corporation. But wizards of figures have always and will always fool the taxpayers.

The taxes on "Constant Reader's" property, on his land alone, have doubled since the province was deluded into the exploitation of electric power by a commission.

And the taxes paid by the people of Ontario, and gathered by the Provincial Government, are many millions more than ten years ago.

The borrowings of the Provincial Government are many millions more.

In the long run these will be an oppressive burden on the people. We cannot always dash away and borrow millions.

And the climb of the Public Debt is still climbing in all the Provinces.

But Ontario has piled up a \$400,000,000 debt, whilst that of Quebec, under sane administration, is less than one-quarter of that staggering sum. And when we take away their share of taxes paid by the privately-owned utility corporation, the electric power in Quebec offers the manufacturer a much more attractive price than can be had in Ontario.

THE BRITISH POLITICAL POT.

In England they often use the term "it's not cricket" when a man does something that is not characteristic of the true sportsman.

Thrice has Ramsay MacDonald and his Labour Government been defeated on a vote in the British House of Commons, but Ramsay refuses to obey the umpire's call that his middle stump has been clean bowled. He hangs on, and refuses to allow that his innings is closed.

The British electorate are a bit weary of the futility of a Government composed of all the "isms" and brain-storms of a collection of freaks with loose tongues and loquacious vernacular.

The Liberals are down-and-out as a party, for they have become merely a wing of the Labour party. Under Lloyd George's leadership they are but a degenerate semblance of the Liberal party of Gladstone's day.

The Conservatives, under the Hon. Stanley Baldwin, are still a bit timid. They think that the vast body of the electorate are not yet educated to accept a policy of protecting British industry against the shiploads of foreign manufactures. They seem to lack the assertion of conviction just as did the Conservative party in Canada until the advent of Mr. Bennett as leader.

The defeat of the Labour administration was on a measure which would compel parents to keep their children in school until they were fifteen years old. The Labourites advocated the proposed law to keep the lads off the labour market another full year, and thus afford more employment.

But when the Conservatives opposed the measure advocated on this ground the Labourites made a demagogic volte face, and accused their opponents of denying to the children the education which they should have.

Just as they have tried to arouse prejudice

against Canada's offer of an Imperial preference with the assertion that Canadians are interfering with the affairs of Britain.

We frankly admit that Canada does wish for the defeat of the Labour administration because we think that under a sane business administration we may sit down at a friendly table and arrange a mutually beneficial commercial treaty, the merits and details of which can be arranged as would any other question of straight business.

For instance the cotton and woollen industry in Canada is not of such importance as is our silk industry. In the former lines the present manufacturers of textiles in Canada do not even show any gratitude for the increased protection accorded them, and they cannot compete in quality with the British product. Nor do they seem to have any conception of what they should do to supply their market.

EDITOR'S NOTE BOOK.

In 1871 Quebec had a population of 1,191,516 and in 1921 2,361,199 making 98.17 increase in fifty years, the largest percentage increase made by any province except Manitoba which increased from 25,228 to 610,118. Quebec's estimated population in 1929 was 2,690,400, an increase of 329,201 over 1921's figures. From 1871 to 1921 Quebec's population averaged an increase of 23,393 a year, and from 1921 to 1929 the yearly increase was 41,150, almost double the former figure.

R. C. Fetherstonhaugh, of Montreal, has written a history of the famous 24th Battalion, C.E.F., recruited chiefly from the old Victoria Rifles, and it is a tale of the great adventure which we have handed to Col. E. B. Worthington for review. The 24th Battalion was really the second off-spring of the Victoria Rifles, and it was organized by Col. John A. Gunn, sailed from Montreal in the spring of 1915 and achieved a glorious record. There are men and officers of the 24th Battalion scattered about the Eastern Townships who will be mighty glad to read of the exploits of their old battalion at Vimy Ridge and other spots "Somewhere in France."

Amateur sports are to be commended. To my mind a game of football or hockey on the Parade Grounds or in any school yard or vacant lot is of a greater local interest than would be the report of a game in New York or even in Montreal, when played by professionals who have sold their skill for gold or dross. A game at the Arena or in the Minto Rink in Lennoxville is of wider interest. The winning of the Jubilee Cup by the Granby curlers is another case in point. And when a boy is injured in the game, a local lad such as Russell Johnston, of the Red Jacket Midgets, it has a news value greater than would the banging of a man who has sold himself to a lot of money-mad promoters. Sympathy for young Russell Johnston, one of the speediest and prettiest puck chasers that Lennoxville has produced, is herewith expressed. That he should be debarred from a game which he so heartily enjoys is of moment to ourselves in the Eastern Townships, and we offer the laddie the sincere hope that his absence from the ice shall be but a short time. In all the sports and pastimes of the amateurs we have a keen interest, but when a boy joins a professional team he loses caste.

Mr. Ernest Ames, of Melbourne, and Miss Marion Bishop, of Dunsford, were married by Rev. J. H. Seller. Miss Cynthia Bishop attended her sister, and Mr. Willard Cross, of Melbourne. Mr. Ames' business partner was best man.

SOCIAL AND PERSONAL

Mrs. Eldon Wilson, of Bromptonville is in Ottawa, Ont., a guest of her sister-in-law, Mrs. Fred Anderson.

Mr. H. S. C. Moffatt, Newton street, left last evening for Quebec, where he was called by the serious illness of his mother.

Miss M. E. Giroux, Montclair street, is spending a few days in Knowlton the guest of her sister, Mrs. N. H. Slack and Mr. Slack.

Mrs. Charles E. Parkin will receive for the first time since her marriage on Thursday, January 29th from 4 to 6 o'clock, at her home, corner Main street and Clough avenue, Lennoxville.

Mrs. E. Stocks, Cambrai street, entertained the Fourth Troop Boy Scouts Mother's Auxiliary last evening. Cards were played at five tables, and Mrs. James Darker won the first prize, while the second prize was won by Mrs. J. Hall, the second consolation to Mrs. W. Duncan. The guest prize was presented to M. A. Brown. Following the card game a short business meeting was held, when the president, Mrs. Frank Patton, took the chair. After the meeting the hostess served refreshments, with Mrs. Edgcombe and Mrs. Atto assisting.

A successful card party was held under the auspices of the Ladies' Auxiliary, No. 10, Branch of the British Empire Service League, at the home of Mrs. J. Hall, the second consolation to Mrs. W. Duncan. The guest prize was presented to M. A. Brown. Following the card game a short business meeting was held, when the president, Mrs. Frank Patton, took the chair. After the meeting the hostess served refreshments, with Mrs. Edgcombe and Mrs. Atto assisting.

The Duke of Wellington Chapter of the Imperial Order of the Daughters of the Empire met yesterday afternoon in the club room of the MacKinnon Memorial Building. The regent, Mrs. George Hume, presided and opened the meeting with the customary ceremonies. The minutes, followed by the treasurer's report, were read, after which a complete report of the Chapter's work in connection with the Military Ball was given by the convener of the Chapter's delegates, Mrs. David Diplock. Several letters of thanks and appreciation from families to whom Christmas cheer had been sent were also heard by the meeting. A donation of clothing was gratefully acknowledged by the Chapter. Mrs. Hume read a very interesting letter from Miss F. Forabli, regent of the Kaisir-I-Hind Chapter I.O.D.E. in Poona, India, giving a very vivid description of the opening of the ground floor of the new school building in September by Lady Sykes. The writer extended thanks to every Chapter of the Imperial Order of the Daughters of the Empire in Canada who had helped to make their dream a reality. Various sums of money were voted by the meeting to assist the work of the Order in India, the Victorian Order of Nurses, the Child Welfare Clinic, and the Labrador schools. The Chapter also responded to the call made to the women of Canada to contribute to the gift for Lord Willingdon prior to her departure from Canada, where she has endeared herself to all. The nomination of officers, who will be elected at the annual meeting in February, was then proceeded with, and the names duly posted in the ground floor of the MacKinnon Memorial Building. The meeting closed with "God Save the King."

A very delightful social event took place last evening at the home of Mr. and Mrs. A. H. Foss, Bellevue Avenue, when they entertained at a reception in honor of Rev. and Mrs. W. H. Stevens, who are visiting friends and relatives in Sherbrooke, formerly Mr. Stevens' home city. The many guests were cordially received and time passed pleasantly in renewing old friendships and meeting many who formed a connecting link with the old days. Mr. and Mrs. Stevens have spent several years in Quebec, where they are much beloved, and are now enroute for their new field of labor at St. John's, where Mr. Stevens has been appointed Post Chaplain.

The genial host, Mr. A. H. Foss, on behalf of the guests, warmly welcomed Mr. and Mrs. Stevens, and in the course of his remarks recalled old school days, and gave many happy and humorous reminiscences of the past when Mr. Stevens was their school mate and chum. Rev. Dr. Leonard and Mr. C. B. Howard, M.P., also spoke in eulogistic terms of the guest of honor and his wife, and joined in wishing them every happiness in their new home and work in St. John.

In replying Mr. Stevens spoke of the many changes in his native city since his boyhood. He was charmed as was Mrs. Stevens to have the opportunity of meeting so many friends under such congenial and happy surroundings, and on behalf of his wife and himself extended very grateful thanks to their kind host and hostess for their hospitality.

Mrs. W. H. Stevens and Mrs. F. H. Bradley contributed greatly to the enjoyment of the evening with musical numbers, and later a song by Mrs. E. M. Armitage, accompanied by Miss Alice Sangster, was well received.

A delicious buffet supper was served, when Mrs. W. E. Leonard invited the guests to the dining room where Mrs. E. S. Stevens and Mrs. C. B. Howard presided over the beautifully appointed table done with a silver basket of red tulips and red tapers in silver candlesticks. The assistants in the dining room were Mrs. Colin Campbell, Mrs. Gordon Armitage, Mrs. MacLagan, Mrs. Ernest Armitage, Miss Doris Stevens and Miss M. Bostwick.

Mrs. Abraham Smith, Montreal street, has gone to Montreal to enter the General Hospital for treatment.

Mrs. R. Stoddart, of New York, is a guest for a few days of Mr. and Mrs. J. W. Hammond, Montreal Street.

Mrs. W. H. Stevens, who has been a guest of Mr. and Mrs. C. B. Howard, "Howardene" during her stay in Sherbrooke, left last night on the late train with Rev. Mr. Stevens, who spent yesterday here, for St. John, N.B., where they will in future make their home.

Mrs. O. R. Webster entertained at bridge yesterday afternoon in honor of Mrs. R. Stoddart, when, following the luncheon given by Mrs. Lloyd McKee, the party went on to Mrs. Webster's residence on Queen street for bridge and afternoon tea.

An informal but most enjoyable party was arranged last evening by the officers of the Sherbrooke Regiment, who, accompanied by their ladies, attended the Granada theatre. After the show all journeyed to the officers' mess, where dancing followed by refreshments wiled away a very jolly evening.

Mrs. L. R. McKee was hostess yesterday at luncheon at St. George's Club in honor of Mrs. R. Stoddart, of New York. Covers were laid for eight, the table being unusually lovely done with deep rose pink tulips and white narcissi in a silver bowl, and matching tapers in silver candle sticks.

The Canadian Girls in Training of St. Andrew's Church met last evening in the church hall. After the roll call plans for a tea were discussed, as money was required for the Girls' Work Council Board. Group meetings were held, after which all returned to the hall, where games were played until the evening closed with "Taps."

Mrs. Malcolm Mitchell entertained at luncheon on Wednesday in honor of Mrs. R. Stoddart, of New York, at her residence on Moore street. Covers were laid for eight, and the table was done with dainty spring flowers in a silver bowl and four silver vases of the same lovely blooms. After luncheon bridge was played, when Mrs. F. A. Baldwin and Mrs. W. E. Hume won the prizes.

Mrs. Fred Conway and Mrs. D. M. McMahon poured tea yesterday afternoon at the weekly tea and card party in St. Patrick's Church Hall. Pink carnations in a silver basket, with green and pink tapers in silver holders, were the attractive decorations used on the tea table. The hostesses were Mrs. Austin Conway, Mrs. J. G. Russell, Mrs. Chas. A. Crochere and Miss A. C. Murray. The prizes at bridge were won by Mrs. M. J. Powers and Mrs. Sam Smith, while at "500" Mrs. Croft and Mrs. J. H. Butts were the winners.

Two charmingly arranged card parties were given this week by Mrs. A. C. Stevens at her residence on Quebec street. On Wednesday and Thursday afternoon bridge was played at five tables. In the tea room jonquils and blue iris in a large Italian brass bowl and blue tapers in brass candlesticks were the attractive table decorations. Mrs. Gordon Edwards poured tea and Mrs. David Diplock cut the ices on Wednesday, when the assistants were Mrs. G. Wadsworth, Mrs. A. C. Ross, Miss Elizabeth Watson and Miss Dorothy Ross. Yesterday afternoon tea was poured by Mrs. A. H. Genge and the ices were served by Mrs. R. Becker. The assistants in the dining room were Miss B. Bryce, Miss P. Genge, Miss Dorothy Ross and Miss Elizabeth Watson.

MANY ATTENDED PARISH SUPPER LAST EVENING

Ninety-Fifth Business Meeting Followed Social Gathering in Plymouth United Church Hall, When Reports for Past Year Were Presented.

The annual parish supper and ninety-fifth annual business meeting of Plymouth United Church took place last evening. The hall was filled to capacity with a large and thoroughly representative gathering of the members of the church, who enjoyed the social function that preceded the business of the evening.

Th members of the congregation were welcomed at the door by Mrs. J. A. Bourque, president of the Women's Association, Mrs. Roland Larrabee, president of the Ladies' Guild, and Mrs. G. Ellery Read. The tables were attractively decorated with tulips and marigolds, and were amply supplied with viands to satisfy the guests. The supper committee, consisting of Mrs. Buchanan, convener, Mrs. Thos. F. L. Cohn, Mrs. J. T. Reid, Mrs. D. M. McAlay, Mrs. J. S. Robertson and Mrs. Grime carried out their duties in a very efficient way, and had the co-operation of a large corps of waiters and waitresses from the young people's organizations of the church, all of whom gave their services with a promptness and thoroughness that left nothing to be desired.

After the tables had been cleared, Dr. Ellery Read nominated Mr. Andrew Sangster as chairman of the meeting, prefacing his nomination by reading a letter of greet-

ing and remembrance from Mr. Neil Dinning, which was received with hearty applause.

The financial report presented by the treasurer showed receipts from all sources of \$15,000. Some large expenditures had been made for special repairs and alterations in the church fabric during the year, and the sum of \$3,255 paid into the work of the United Church of Canada.

The election of officers for the year resulted in the unanimous choice of Mr. F. S. Rugg, church clerk; Mr. Gordon Edwards, church treasurer, and Messrs. Andrew Sangster, H. V. Haight, K. B. Jencks, M. W. Mitchell, Edwards and Roland Larrabee as members of the committee of stewards. A vote of thanks was tendered to the retiring treasurer for the efficient and faithful services he had given the church during the five years he had held the office.

Very encouraging reports were presented from the various organizations of the church, which showed a wide range of activities and substantial financial support of philanthropic work, as well as the regular work of the church. The Women's Missionary Society had fully met its allocation of \$500 to the work of the church and the Young Women's Missionary Auxiliary had paid in \$71. The amount raised by the Women's Association was \$1,549; the Ladies' Guild, \$355; Y.P.S., \$120; church school, \$495; C.G.I.T., \$29; Mayflower Mission Band, \$18; and the Fellowship Fund, \$195.

The work of the church school was reviewed by the superintendent, Mr. Thos. F. L. Cohn, showing that there is a total enrolment of 175 members with a staff of forty teachers and officers. Eight of the scholars of the school had united with the church during the year, and the work of the school had been well sustained through the loyal support of all workers.

Dr. Read gave a brief address

in which he dealt with the work of the past year and the prospects for 1931. He referred in appropriate terms to the loss the church had sustained through the passing of Mr. E. C. Goodhue, so long a member of the church and Session, and of the removal of Mr. Neil Dinning to Montreal.

Mr. Andrew Sangster, as chairman, commented on the success of the past year, and the fact that so large a number of young people were connected with the activities of the church.

Mr. James R. Sangster, reporting for the music committee, spoke appreciatively of the work done by Mr. Leonard Brodie during the three years he had been organist of the church, and also of the work done by Mrs. Alberta Adams as director. Miss Alice Sangster had been appointed to succeed Mr. Brodie, and there had been several additions to the membership of the choir.

The report of the Third Sherbrooke Boy Scouts, in the absence of Scoutmaster C. J. Rose, was an interesting survey of a successful year of activity and good work accomplished.

Mr. W. H. Abbott, reporting for the Session, stated that there were 403 resident members of the church and seventy-four non-resident. A revision of the roll would reduce the latter.

Others reporting were: Mrs. Wm. Hartley and Mrs. W. G. Cross, for the Women's Association; Mrs. Richard Burroughs and Mrs. F. S. Rugg, for the W.M.S.; Mrs. R. Larrabee for the Young Women's Missionary Auxiliary; Miss Audrey Logie and Mr. Earl Stewart, for Y.P.S.; Miss Muriel MacIntyre and Miss Muriel Sangster, for Ladies' Guild; Mrs. John Stein and Miss Edna Gellins, for the C.G.I.T.; Miss Ruby Whiting for the Mayflower Band and Mr. Gordon Richards, treasurer of the church school.

A comprehensive vote of thanks

EMPLOYED BOYS' GROUP

Last night the members of the Employed Boys' Group for a social time at the Y. M. C. A., when they had as their guests their lady friends. A very pleasant time was spent in bowling, billiards, and other forms of enjoyment, after which refreshments were served and moving pictures shown, bringing to a close a very pleasant evening.

MR. BERRY ADDRESSED Y'S MEN'S CLUB

"Character and Salesmanship" was the topic discussed last night at the Y's Men's Club when Mr. Berry, district manager of the Mutual Relief Life Assurance Association, was the speaker.

Mr. Berry, who has recently come to Sherbrooke, has had a rich experience in directing salesmen, and has had a varied experience in banking, manufacturing development and insurance. Speaking of his large experience he pointed out that while there were three major factors in salesmanship, knowledge of your product, knowledge of your customer and character, the major factor was character. The address was greatly appreciated by all the members present.

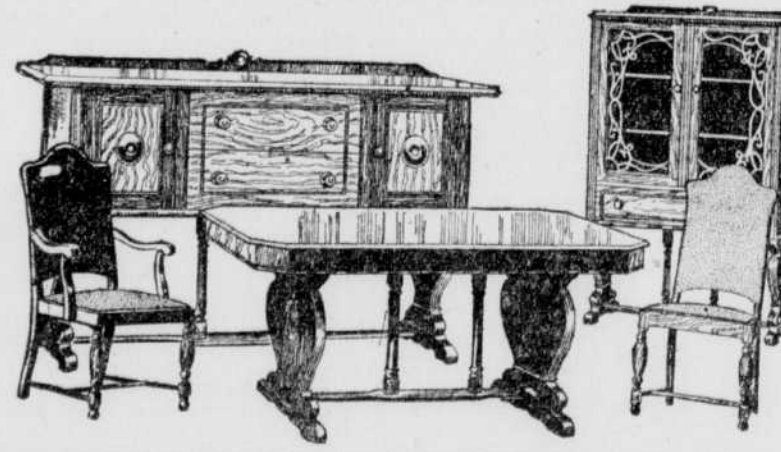

Club business was later attended to, and arrangements made for filling vacancies in the camp committee.

to the women of the church for their co-operation in making the meeting so successful and for all their services during the year, to the choir and all other organizations, was moved by Mr. F. S. Rugg and carried with applause.

The benediction, pronounced by the pastor, brought to a close another very successful and encouraging meeting.

CARNIVAL WAS STARTED WITH LARGE PARADE

Snowshoers Presented Fine Spectacle in Their Bright Uniforms in the Parade Staged Last Evening to Usher in Opening of Winter Carnival.

Notwithstanding the fact that the mercury suddenly dropped and was hovering several degrees below the zero mark, a large number of citizens and sporting enthusiasts, including young and old, all thrilled by the sound of beating drums, blaring bugles and the whole spirit of the affair in general, gathered at the ice palace last evening to witness the inauguration of the winter carnival. There the city's various snowshoe clubs formed in a long parade and marched through different streets as far as the Exhibition Arena amid a flare of brightly burning torches and far-shooting sky-rockets.

The large ice palace, the cynosure of all eyes, stood out in bright relief, splendidly decorated with many colors and brightly burning lights. The ensigns of the five snowshoe clubs waved above the palace. Strong lights had been placed within the different towers of the structure, and these caused a shadowy glow of brightness to be spread across the four sides of the palace, bringing a glitter to the icy walls.

The parade was scheduled to begin at a quarter to eight. Some of the snowshoe clubs, however, were unavoidably delayed, and for about half an hour impatient spectators stamped their feet, and suffered the bitter cold in order to witness the start of the parade. The march through the city streets began with the St. Francis Club in the lead, followed by the Sherbrooke Snowshoe, the Dollard, the Gouin and the Tuque Rouge.

The parade presented a fine spectacle, with the bright colors of the different clubs, as it marched past, up King street, along Beville, down Frontenac, through Wellington street, and then up King street east and along Park avenue as far as the Exhibition Arena, where an Industrial League exhibition hockey game was staged. The whole parade was given a touch of splendor by the flares and torches which the snowshoers carried, and by the guiding flares which had been placed along the route.

The curling activities of the Winter Carnival will begin tomorrow, when a bonspiel will be held for the Sherbrooke Daily Record and the St. Mitchell trophies. The bonspiel will last all afternoon and this evening, and all day tomorrow. It had been expected that out of town competitors would be present for the event but this is now improbable. The Exhibition Arena will play an active part in the doings of the day. This evening, a five mile skating race will take place, and some fast skating is anticipated. The course at the Arena has been carefully measured, and fifty times around will comprise the five miles.

Following this race, a masquerade will be held. Some attractive prizes have been secured for this and it is hoped by the organizers that many will turn out in gay, original costumes.

A FORESIGHT SAGA

BANQUET WILL BE TENDERED TO MR. J. H. WALSH

Many Out-of-Town Guests Will Pay Their Respects to the Retired General Manager of the Quebec Central Railway on Tuesday Next.

Mr. J. H. Walsh, the retiring general manager of the Quebec Central Railway, will be feted at a complimentary banquet by the citizens of Sherbrooke, after a half-century of railroading in the Eastern Townships. Whilst Mr. Walsh has given up his duties as general manager, he is still vice-president of the railway which has played so important a part in the development of the Eastern Townships. He has witnessed the development of the country from the dense forest days to the present era of pastoral beauty.

On Tuesday evening next, at the New Sherbrooke Hotel, several hundred citizens will gather to do honour to the veteran pathfinder who is admired and beloved by all who enjoy the honour of his acquaintance, and there will surely be a dearth of room in William Wright's spacious hostelry.

The event will be a public demonstration of both admiration and gratitude to one who has served his chosen district with single purpose during a busy lifetime.

There will be many distinguished guests, and the gathering will be presided over by the Mayor of Sherbrooke. The President of the Canadian Pacific Railway, Mr. E. W. Beatty, has promised to be present and will no doubt be asked to respond to the major toast of the evening. It is expected that he will be accompanied by Mr. Grant Hall, Vice-President and General Manager of the C.P.R., and Major Pond, of the C.N.R., will join in the felicitous acclaim which will be accorded to the civic guest.

Amongst other out-of-town guests who will be called upon to interpret the feelings of the gathering will be Senator Rufus Pope, Sir Charles Fitzpatrick, and ex-Mayor Felix Hebert.

Mr. Chénier Picard, honorary treasurer of the committee in charge of the banquet, says that all the details have been arranged and that every day he is busily engaged in delivering tickets to those who are eager to attend and thus show their high regard for one who has spent a full half century on the executive of the Quebec Central.

Y.W.C.A. NOTES

The ninth meeting of the Expression Club was held in the MacKinnon Memorial on Wednesday evening with a good attendance of members and visitors. In the absence of the president, Miss Martens presided over a short business meeting. The resignation of Miss Hildred McCarthy as publicity convener was received with regret and Miss E. Desautels and Miss Bernice Fuller were appointed to the office as a publicity committee. On the conclusion of the business session a half hour was spent on dramatics, when the one-act play "All Hallow's Eve" was chosen by the members for reading and study. Later refreshments were served and a social hour enjoyed. The next meeting will be held on February 4th, when the programme for a musical evening will be in charge of Miss Irene Olivier.

INTERESTING PICTURE BEING SHOWN AT PREMIER THEATRE

"The Bride of the Regiment," featuring Myrna Loy, Walter Pidgeon and Vivienne Segal, which opened a three days' engagement at the Premier Theatre yesterday, is a picture which should meet with general approval. There is a pleasing romance running through the story, while the military aspect adds much to the production.

CLEARINGS SHOW DECREASE.

A decrease of \$59,425.52 was recorded in the bank clearings for the past week, ending January 22nd, as compared with those of 1930, statistics from the Sherbrooke Clearing House indicate. The clearings for the past week amounted to \$733,548.66, while those for the corresponding period of last year, totalled a sum of \$793,074.18, which in turn was a decrease of \$102,590.87 compared with the clearings for 1929. The clearings for the same week in 1929, which totalled \$895,655.05, were greater than those for the past week by \$162,016.39.

CLOTHING RECEIVED FOR UNEMPLOYED

A limited supply of men's clothing has been received by the local branch of the Canadian Red Cross Society from the Militia Department at Ottawa for distribution among the needy unemployed men of Sherbrooke. As only a small number of garments have been received in comparison with the needs of the district, any person in want of any of these articles must first see the Chief of Police or the secretary of the Y.M.C.A., and obtain an order from them.

Members of the Red Cross Relief Committee will be present in the Red Cross rooms in the Waiting Block each morning next week from ten to twelve o'clock, when the clothing will be distributed.

VETERAN SOLDIER LAID TO REST

Mr. Albert Moorcroft, veteran of the South African War and of the Great War, was buried with military honours in Montreal on January 14th. Mr. Moorcroft was well known in the Eastern Townships, and older members of the 53rd Regiment will remember him. He was the last of a family of six brothers; and one sister. A brother, Mr. Thomas Moorcroft, of Sherbrooke, predeceased him a few years ago. The veteran soldier died in his sixtieth year at the Royal Victoria Hospital of pneumonia, the culminating result of gas poisoning, for which he had received treatment at St. Anne's Military Hospital.

Miss Florence Moorcroft, and Miss Andrea Moorcroft, island street, nieces of the deceased, went to Montreal to attend the funeral service.

SEVERAL CHIMNEY FIRES YESTERDAY

Chimney fires were again responsible for considerable activity at police and fire headquarters yesterday. The first call came at 6:45 a.m. last evening for a blaze at 25 Alexander street, property of Mr. N. Auger. The flames were soon checked and little damage was done. At 8:40 o'clock, another call sounded for a chimney fire at 45 Oliver street, a residence owned by Mr. Laurent Moreau. Brigades from stations one and five answered this alarm, and while the firemen were at work on Oliver street, another call was sent in for a blaze which had originated in the chimney of a property at 274 Wellington street south.

All the motor driven apparatus being engaged, this latter call had to be answered by the horse-drawn vehicles from the North Ward post. Tired and weary after a day of hard work, the horses dashed the long distance, and arrived in time for the firemen to arrest the blaze before it worked any serious damage to the property.

FOOD CORPORATION ANNOUNCES EXPANSION PLAN FOR 1931

Mr. R. K. McIntosh, Managing Director of General Foods, Limited, in an interview, announced that the Company plan for increased business in Canada in 1931 on their long list of packaged food products.

The Company's products are manufactured in plants at Windsor, Montreal, Toronto and Coburg. Business for General Foods Limited, in 1930 was remarkably good, conditions considered. Sales volume was greater than in 1929, and the Company were able to keep their plants operating at normal capacity and without reducing either employment or wages. The Company give employment to more Canadians than any other packaged food products company, and their successful operations in 1930 were a considerable factor in maintaining employment levels in the food industry.

Mr. McIntosh said, in part, "We have the utmost confidence in the future of our country, and as evidence of it, we are planning to spend more money in advertising and sales work in 1931 than ever before in the history of the Company. We feel that when we could not only maintain, but increase our volume in a year like 1930, we will secure even greater returns from our increased efforts in 1931."

"The first profits ever made by Mr. C. W. Post, the founder of the Company, were invested in advertising, and ever since that day, the Company has been a firm believer in

THEFT CASES HEARD TODAY BY MAGISTRATE

Accusations Involving Residents from Megantic District—Devost Preliminary Hearing Next Friday.

Theft and receiving stolen goods cases occupied the attention of the short session of the Magistrate's Court this morning. The offenders who faced Judge J. H. Lemay were residents of Megantic district, some of whom were accused on both counts. Adelard Blodreau, Joseph Campagnon, Armand and Ludger Pouliot and Dame Campagnon faced the two accusations, and all selected summary trials. Blodreau, Campagnon and Ludger Pouliot pleaded guilty to the charge against them, while Dame Campagnon and Armand Pouliot entered pleas of "not guilty." Ernest St. Pierre was accused of receiving stolen goods and pleaded guilty also.

Judge Lemay adjourned the passing of sentences and the hearing of the "not guilty" cases until next Friday.

Preliminary hearing into the case of Napoléon Devost, of Coaticook, charged with complicity to steal, was also postponed until next Friday. This hearing is an echo of the fatal shooting affray which occurred last November in East Hereford, in which Rene Malloy, of Norton Mills, was killed, and for whose murder Pierre St. Pierre, Adelard and Vézina Dube, all of East Hereford, are held criminally responsible.

the power of the press to promote the sale of worthy products. We are large users of newspaper and magazine space, having found that the increased sales that result enable us to reduce costs and give the consumer greater value.

"We will advertise, in Canada, in 1931, seventeen products, and for each one of them our appropriation is either increased, or at least as large as that for 1930."

AND CLOSED BY A HIM (HA, HA)

When they told Mrs. MacJones that she would have to undergo an operation for appendicitis, she insisted on the presence of the "messenger."

"But why?" they said; "it's a simple operation and there's no danger."

"Maybe not," said she, decisively; "but if I'm to be opened I'll be opened by prayer."

COLDEST NIGHT OF WINTER WAS RECORDED HERE

Temperature Dropped to Twenty-Five Degrees Below Zero During Night—Lighter Snow-fall Recorded This Year Than in Former Years.

This vicinity experienced its coldest spell of the present winter last night when the mercury dropped to twenty-five degrees below zero. The weather for the past week has been sharp, and the drop in temperature last night was not totally unexpected. It came as a decided discomfort to many, however, as the intense cold denied all efforts at resistance and penetrated into homes and dwellings. The poorer people would have been a sad lot indeed had they not had the assistance of the police department. The severe cold which is persisting throughout the winter is causing an exceedingly heavy demand to be made in connection with the distribution of wood and food to needy families.

All day yesterday the weather was cold, the mercury hovering close to the zero mark. Records of the Experimental Farm in Lennoxville give the temperature as maximum

12 and minimum 8 below, while that for last year was maximum 16 and minimum 22 below.

Although the snow fall this year has not been as heavy as in former seasons, the weather has been of a more regular nature and has not seen so many extremes in temperature as in former years. The snow-fall recorded so far this winter totals approximately forty-four inches, over twenty-seven inches less than last year, when for the corresponding period seventy-one inches of snow had fallen.

This comparative lightness in the snow-fall has permitted the authorities to maintain open many country roads which previously were closed to automobile traffic.

DEATHS REPORTED

MRS. J. A. MONTEFIORE, WAR-

DEN, QUE. WARDEN, Jan. 23.—Early Wednesday morning, January 14, there passed away at her home here Mrs. J. A. Montefiore, after a painful illness of several weeks' duration.

She was the elder daughter of the late Mr. and Mrs. J. W. Wallace, and except for a few years in St. Albans, Vt., had spent her life here.

Her husband, Mr. Joseph A. Montefiore, of St. Albans, died thirty years ago, and soon after the death of her husband she returned home to be with her parents in their declining years.

She had many friends who have been saddened by her passing.

The funeral was held at the United Church on Friday afternoon, Rev. Mr. Allen officiating, Mrs. Montefiore returned home to be with her parents in their declining years.

utes of the annual meeting were read and approved and some work material was distributed by the committee to be made up for sale.

Mrs. W. P. Baker kindly offered to entertain the next meeting of the Guild. Refreshments were served by the hostesses, assisted by Misses M. Phelps and Alison Ashness-Wells. There were twenty-three people present at this meeting and the total receipts were \$14, including a substantial contribution.

Mr. Victor Racine, who has been successful in fulfilling his contract to keep the main street between the two towns cleared of snow and in perfect condition for motor traffic, despite the heavy snowfalls, is also affording accommodation for motor travel on the road leading by Sweetsburg railway station to Dr. F. H. Pickle's farm.

Mrs. Ida Hurbut has returned to the home of Mr. C. S. Boright, after having spent ten days with her daughter, Mrs. A. L. Scott at East Bolton, who suffered a paralytic stroke during the holiday season.

They're picking up the pieces, with a dustpan and a rake. Because he used his horn when he oughta used his brake.

PRESENT WAGE SCALE SHOULD BE MAINTAINED

President of United Mine Workers of America Says that Maintenance of Present Scale Throughout Industry Is Vital to Return of Prosperity.

NEW YORK, Jan. 23.—Maintenance of the present wages scale throughout industry is vital to the return of prosperity in the belief of John L. Lewis, President of the United Mine Workers of America. Speaking at the annual dinner of the Anthracite Club last night, he denounced attempts to solve business lethargy by slashing wages and praised the action of anthracite operators and miners in signing a new five year contract at the same terms last summer. "The execution of this agreement," he said, "this courageous refusal to

be blinded as to America's future by misleading industrial fears, in the midst of the most vicious, and far-reaching panic that has occurred in the last half century, will go down in industrial history as the most far-sighted achievement of industrial statesmanship executed during this long drawn out and devastating depression.

"Had the same courage and statesmanship prevailed throughout American industry as a whole, and I might add, in our governmental departments, the nation would undoubtedly have progressed further toward the goal of normal recovery than the present trend of trade now indicates."

LIQUOR COMMISSION PROFITS AT NEW HIGH FIGURE FOR PAST YEAR

(Continued from Page 1)
ceivable, of \$2,024,092 in inventories, and \$358,642 of inventories of materials other than liquors, and of \$92,322 of suspense debits. This makes up a total of the \$7,201,607 except for one dollar. This one dollar is explained by the fact that the Liquor Commission values its furniture and fixtures, plant, machinery, equipment, automobiles, less depreciation as being worth one dollar. Those who read financial statements of banks may best understand this view of hidden assets.

In the way of liabilities the report shows \$694,401 due as current liabilities, \$757,117 under the heading of suspense credits, and a reserve of working capital and insurance of \$2,400,000.

The balance sheet gives \$3,550,203 the surplus as at April 30th, 1929, adds the balance of revenue for the year under review as \$10,980,612, deducts \$9,000,000 paid Provincial Treasurer, and an amount of \$280,722 on account, also, of the Provincial Treasurer.

Also on the subject of accountancy, the report on revenue and expenditure for the year under review shows total sales, as ascertained by the Liquor Commission, of \$2,439,966, with an inventory of \$2,439,966, and of \$17,588,123 marked under the heading of purchases of liquor, and from this again is deducted \$2,024,092 of liquor still in hand at April 30, 1930, so the cost of goods sold was \$16,940,450. Against this is to be set operating expenses, warehouse expenses, depreciation, etc., of \$350,525. This leaves \$10,088,985. Against this is to be charged the store expenses of \$1,047,807, the cost of general administration, including that of the liquor office of \$608,240, so the net revenue is \$8,832,937 in trade, and the revenue of \$1,611,321 from permits, seizures, etc.

SUGGEST CABINET MEMBERS NOT BE COMPELLED TO SEEK RE-ELECTION

every angle." It was desirable that this close study should be given to any scheme was embarked upon which might bring disaster. In place of a commission to study the proposal, he thought an inter-departmental enquiry might be conducted to obtain the fullest information, and he recalled the unemployment fund in Great Britain owed the nation a huge amount, "because of the unsound principles on which it was launched."

Premier Bennett gave a prompt answer to a statement presented by Tom Moore, president of the Trades and Labor Congress, that Labor was pleased with the Government action in preventing exploitation of the consumer, as promised at the emergency session of Parliament in September last. Labor, however, had been exploited, Mr. Moore said, and he mentioned the shoe industry. "I was not aware of this," the Prime Minister replied. "I have just spoken to Senator Robertson, Minister of Labor, and he tells me enquiry is under way and this enquiry will be pursued."

Premier Bennett turned to the recommendation of the delegation that all money grants for Cadet training and other military training in schools be abolished, and granted a non-military physical training be substituted. The matter of Cadet training, the Prime Minister said, would be discussed in council but there was "no endeavor to permit anything of a military nature."

A proposal by the delegation for abolition of appeals to the Privy Council and establishment of the Supreme Court of Canada as the highest court of appeal, was also touched upon by the Prime Minister. The Prime Minister made reference to a recommendation by the delegation that steps be taken to give full power to the Postmaster-General to deal with salaries and conditions of letter carriers, "without undue restriction by the Civil Service Commission". Any steps, he remarked, initiated to take carriers out of the public service and from under the jurisdiction of the Civil Service Commission would probably produce considerable dissent.

Stock Market Continued Stronger Trend of Yesterday at Opening Today—Consolidated Smelters Up Two Points.

MONTREAL, Jan. 23.—The Montreal stock market showed a firm tone at the opening of trading today, continuing the stronger trend of yesterday.

In early transactions, Consolidated Smelting ran up two points to 140, Atlantic Sugar continued upwards, rising 1 1/4 points at the opening, to reach 21 3/4. Nickel was up 5/8 at 15 5/8. Brazilian sold off 1/4 at 24 3/8. Scattered fractional gains and losses were noticeable in other popular issues.

DEATH OF ANNA PAVLOVA AFTER SHORT ILLNESS

(Continued from Page 1)
tire, fulfilling a promise that she would leave the stage while in the prime of life. Denounced by the Bolsheviks as the "Darling of Aristocrats," she died in virtual exile from the Russia in which she was born, where she began her ballet lessons at the age of ten, and where she achieved her first success. In recent years Communist influences had led even to rejection of annual contributions of \$500 to other Russian dancers.

It was during her last visit to the United States, 1924, that she announced her marriage to D'Andre, her accompanist later revealing that he had taken place seventeen years before. Other details of her private life she kept secret, with the plea that the public regards the artist as an illusion, and she preferred to remain so.

She was received everywhere with acclaim, in the capitals of Europe, in Canada and the United States, and in the great camps of New Zealand and Africa.

Probably her most famous ballet was the Dance of the Dying Swan, in which she made her debut at the Metropolitan Opera House, New York, in 1910. She was considered the world's greatest ballerina, and ranked with Ellsler, Grisi, and Taglioni of the early 19th century.

Although she departed from rigid classic forms for her conception of the ballet, she criticized modern interpretations such as those of Isadora Duncan and today's jazz dancing. Her temperamental flights led to occasional quarrels with her entourage.

She maintained a home in Paris, and at Ivy House, Hampstead, England, where she kept seven swans, her affection for which presumably was inspired by the Swan Dance by which she was best known.

Anna Pavlova first danced for royalty in 1901 when she was but sixteen years old, barely out of the imperial ballet school attached to the Maryinski Theatre, St. Petersburg, appearing before Czar Nicholas, in a command performance.

In a statement presented before most of the crowned heads of Europe, including Franz Josef of Austria and Alfonso of Spain, in 1927 King Christian of Denmark, seeing her dance in Copenhagen, presented her with a gold medal.

She was born in St. Petersburg, now Leningrad, on January 31st, 1881, her father dying when she was very young. When she was eight years old her mother took her to the Maryinski Theatre to view a ballet which so excited the child that she wished to begin studying at once. She was not allowed to enter school until she was ten years old, however.

Her frail, delicate body, which in the years to come was to be so much admired and was to fire a peculiar ethereal quality for her dancing, she thought a liability and it is said that

SNAKE AND SERUM EXPERT AGAIN SERIOUSLY BITTEN

Douglas March Attacked by Texas Diamond Back Rattler While Attempting to Make Serum.

PHILADELPHIA, Pa., Jan. 23.—Douglas D. H. March, of Haddon Heights, N.J., widely known snake and serum expert, is in Jefferson Hospital recovering from a rattlesnake bite suffered in the heart of downtown Philadelphia.

He was bitten Tuesday, but the fact did not become publicly known until yesterday. The bite, his thirteenth, was inflicted by a four and one half foot Texas diamond-back rattler, one of the deadliest reptiles.

March, who spent several years with an anti-venom institute, in Honduras, was demonstrating in an office building the method of forcing the snake to emit its poison into a receptacle so that snake bite serum might be manufactured. When he attempted to grasp the snake with his right hand the reptile struck and its fangs tore the end of his index finger. He is recovering.

ONLY FAINT HOPES EXIST THAT JURORS WILL AGREE

LOS ANGELES, Cal., Jan. 23.—A tired, deadlocked jury went to work today with only faint hopes of reaching a verdict on whether Daisy De Bos stole \$15,870 from Clara Bow, film "It" girl, her former employer.

Twice yesterday the jurors reported to Superior Judge William C. Doran that prospects for an agreement were nil, but each time the court ordered them back to work. "The jurors were locked up again last night after having deliberated about thirty hours. Just before they retired, a part of Daisy's alleged confession to a prosecuting attorney was re-read to them.

When the jurors expressed the opinion that they would never agree any better than Daisy and Clara did, Judge Doran announced he would not keep them squabbling later than Saturday.

Deputy District Attorney David Clark said he would begin prearranging for a new trial in the event the jury was discharged in disagreement.

She took cod liver oil in a futile attempt to gain weight. Her first appearance in London was in 1910 at the Palace Theatre with Michael Mordkin. She scored an immediate success in the "Swan". "Ballerina", "Valse Caprice", and others and was acclaimed in London as the sensation of the century. She went to Paris, scored a triumph there and then crossed the Atlantic to New York.

Her United States debut was made with Mordkin Omnicheck in 1910, in Coppelia, her performance was at the Metropolitan Opera House. She travelled extensively, dancing all over the world thereafter, and everywhere was acclaimed as the greatest ballerina since Marie Taglioni, Fannie Ellsler, and Carlotta Grisi, of the first part of the nineteenth century. After several years' association she and her partner, Mordkin, separated, gossip ascribing the estrangement to professional jealousy.

She never cared for Isadora Duncan, and considered the modern dances and movies but "killing the true dance, the most beautiful of all the arts." Swans and shoes were her hobbies. She is said to have gained the inspiration for her famous dance by watching swans in a public park at St. Petersburg. She had many pairs of especially made shoes which she would not allow anyone else to touch.

Her last appearance in Canada and the United States was in 1924-25 but she was planning to return this year or next with Escudero, partner of the Argentine dancer, La Argentina.

TO BE BURIED IN LONDON

LONDON, Jan. 23.—Anna Pavlova, considered the world's greatest ballerina, who died this morning at the Hague, will be buried in London.

TORONTOS HAND ANOTHER JOLT TO MONTREAL

Defeated Maroons in Handy Fashion Last Night — Americans Furnished a Surprise by Trimming Boston.

TORONTO, Jan. 23.—New York Americans and Toronto Maple Leafs improved their status in the Canadian section of the National Hockey League last night in the United States division Chicago Black Hawks' trip to within a point of the leading Boston Bruins by defeating the last place Philadelphia Quakers by 5 to 2.

The Leafs beat their Maroon-clad rivals for second place by a 4 to 2 margin and now hold possession of the second rung by themselves. It was the third victory for Toronto in five games with the Munro men and gives the winners a big edge in the drive down the stretch, for the Montrealers have played two more games.

Hal Cotton started the blue and white team on the road to a victory by combining to work through the Maroon defence with Ace Bailey and sinking the latter's perfect pass into the cage behind the caver Davy Kerr late in the first period. The shifty "Busher" Jackson landed the Maroons another jolt by tailing on a pass from the brainy, play-making Joe Primeau just after the halfway mark in the middle stanza.

Almost before the fans had seated themselves for the start of the final game the same "Busher" dashed down the left wing to take Primeau's pass and put the Leafs three up.

This score seemed to finally awaken the men of Munro, and after some ten minutes' hard effort Babe Seibert broke the Maroon goose egg by scoring on a rocketing shot. Neils Stewart gave him the pass. Hooley Smith then cut the Toronto lead to one by beating Lionel Chabot following a three-play thrust with Jimmy Ward and "Baldy" Northcott.

Battling desperately the Maroons overlooked their defensive duties, but "Chuck" Conacher did not. Breaking fast with Primeau and "Red" Horner, the hard-shooting winger carried the puck right through for an easy goal.

The Leafs' second easy victory was not anticipated any more than the surprising triumph of the Amazing Americans over Boston by 2 to 1. It places the Americans within two points of the Maroons, who have also played two more games than the A's.

Billy Burch figured prominently in the second win in the three starts of the star-spangled hockey lists over the American group leaders. He gave "Hap" Emms a perfect pass-out for the opening goal less than a minute after the start. Then when "Dutch" Gainer had knotted the count, following a passing bout with Eddie Shore, and "Red" Beattie in the second twenty minutes, Burch notched the winning counter in the third. It was a long shot, but travelled toward Tiny Thompson at a terrific velocity and the Bruin netminder misjudged it.

Canadiens maintained their four point lead over Toronto by defeating Ottawa by three to nothing, also retaining their unblemished record with the Senators this season.

The game was hard fought from start to finish, but the Ottawans simply could not make their plays click, and when they did George Hainsworth, veteran Habitant goal guardian, outgassed them.

Canadiens were still without their starry centre and leading marksman, Howie Morenz, while the Senators took the ice without Hal Starr, defence bulwark.

The victory over the Quakers gave the Chicago Black Hawks their sixth straight triumph and placed them within easy reach of first place. The Bruins, who are leading them by one point, have played an extra game.

EXHIBITION GAME WON BY POWER SQUAD

Rolly Lacasse Tallied Three Goals in Southern Canada's Six to Three Victory Over Victoria Stores.

The one hundred and fifty snowshoos who braved the elements to participate in the parade which marked the inauguration of the local carnival last night were well repaid when they were guests at the Arena at an Industrial League exhibition match between Southern Canada Power and Victoria Independent Stores. Apart from the snowshoos, however, there were only in the vicinity of one hundred spectators to witness the Power boys inflict a six to three defeat on their opponents in a fast and open game. The result of the game had no bearing on the league standing, as both managements had offered to co-operate with the carnival committee after the proposed encounter between Canadians and St. Francois failed to materialize.

Despite the margin which the winners had over the Chain Stores, the game during the first two periods was very close. In fact, it was only in the final frame that Southern Canada put over the counters which gave them a secure lead. Rolly Lacasse opened the scoring about three minutes after play had started on a wicked shot which fouled Harper and landed in the upper corner of the mesh. His brother, A. Lacasse, was penalized for tripping Glen Guild, but during the defense man's absence the Power sub-line held their slim margin.

Both teams were at full strength when Mathieu made one of his end to end rushes. An offside caused the puck to be centred beside the Southern net, and from the face-off George Banks passed to Martel, who notched the tying score. A similar play almost resulted in a Victoria goal when the lead, Baillargeon held the honor of breaking the deadlock when he scored. Perreault's pass to beat Harper. Nichol was called upon to stop several threatening shots from Goyette and Glen Guild as the initial frame ended with the winners one goal to the good.

Goyette, Baillargeon and Pergau followed one another to the penalty box as the middle session got under way, and Glen Guild took advantage of the "break" to tie the score a second time. The hefty Victoria guard split Goff and Lacasse on one of his solo efforts and coasted in on Nichol. The deadlock, however, did not last long. Charlie Clark picked up a loose puck near centre ice and his shot from the blue line caught Harper napping. Mathieu was given an enforced rest for dumping Clark, and during his penalty one of his team-mates passed from behind the Victoria net into Baillargeon's waiting stick to conclude the scoring for this period.

A penalty to Charlie Clark for dumping Gerry Mathieu was costly when Glen Guild's well-timed pass from behind the Power net was capitalized by Jack Kelly to put the losers within striking distance of their opponents. Rolly Lacasse scored his second goal and his team's fifth on a pass from Bud Harris. This counter rather demoralized the Victoria Stores team, and the Power forwards swarmed in to increase their margin by six to three. A steady stream of penalized players made their way to the bench as the game ended, Mathieu drawing an enforced rest for cross-checking R. Lacasse, the latter player going off for talking back to the referee, followed by Harris and Banks for a light moment.

Rolly Lacasse, with three of his club's goals to his credit, was outstanding for his team. Bud Harris continued his fine stickhandling, while Pergau and Billy Gordon contributed to Southern's margin. Charlie Clark and Baillargeon held down their berths in good style, but even their close checking of the remainder of the winners' talies, Nichol was given extra work, which he handled in fine form when his defense failed to display the smooth work it had exhibited the previous evening.

Glen Guild was perhaps the pick of the losers. His defensive tactics and solo rushes were well executed and bolstered up his team greatly. Mathieu was also good but scoring opportunities were lost on several occasions by his failure to play combination with his running mates. Jack Kelly, Martel, Parsons and Banks showed up to advantage also, but their efforts met disaster with the close checking of the Southern boys. Harper was responsible for several sensational saves, but some of the goals which beat him were of the soft variety.

Tom Molyneux and Fred Povey refereed the encounter satisfactorily. The line-ups were:

Southern Can.
Goal: Nichol
Defence: Goff, A. Lacasse
Centre: R. Lacasse
Wing: Harris, Clark
Subs: W. Gordon, Vincent, Baillargeon

Vic. Stores
Goal: Mathieu
Defence: Guild
Centre: Kelly
Wing: Parsons, Martel
Subs: Goyette, Vincent, Turgeon

HOCKEY REVIVED IN HUNTINGVILLE
HUNTINGVILLE, Jan. 23.—After a lapse of several years interest in hockey has been revived in this community and the enthusiasm awakened augurs well for the success of the newly formed team. Several exhibition games have already been played and the newly formed manager of the team, R. Carter, is continuing negotiations with intermediate teams throughout the Eastern Townships for future encounters.

The team is composed of goal, A. Fairbrother; defence, P. Herring and E. Dewing; wings, R. Dewing and G. Bennett; centre, C. H. Hunting; substitutes, R. W. Hunting, C. Barber, H. Aldridge and C. Aldridge. On Saturday evening the team will be hosts to the sextette from North Hatley, and a close and exciting encounter is anticipated.

WINDSOR MILLS SCORED FIRST LEAGUE GAIN
Defeated Richmond Sextette by Four to Two to Obtain Third Position in St. Francis Valley Hockey League Standing.

WINDSOR MILLS, Jan. 23.—The local entry in the St. Francis Valley Intermediate Hockey League scored its initial victory in three starts here last evening when the Paper Town sextette frustrated the chances of the Canadian National Railway team from Richmond of assuming the lead of the circuit with Waterville. Showing greatly improved form, the local squad registered a four to two discussion over the visitors to hurdle their opponents and take possession of the third rung by a one-point margin over the Railroad boys.

Owing to the extremely cold weather which prevailed here last evening the attendance at the encounter was not up to the previous standards. Those who braved the elements, however, witnessed a close struggle in which only two penalties for minor infringements were imposed in the final session.

Landry opened the scoring for Windsor one minute after play got under way. A few minutes later Roger Pys increased the home team's margin, but the visitors came within striking distance through Rattray. All this scoring was done within the first ten minutes of play and from then on until the third period neither aggression was able to make any more marks on the score sheet.

Richmond deadlocked the score in the beginning of the final twenty minutes when Pope scored the equalizer on a shot from the Windsor blue line. A brace of tallies by O. Frenette and Codere, however, proved too great an obstacle for the Richmond boys to overcome and the teams left the ice with the score board reading Windsor Mills 4, Richmond 2.

The game was in the hands of Mr. Parsons, of Waterville, who referred to the satisfaction of both teams.

Wind-up line-ups were:
Windsor Mills
Goal: Landry
Defence: D. Frenette, Codere
Centre: Landry
Wing: T. Frenette
Subs: Longpre

Richmond
Goal: Bushey
Defence: Martin, Cheney
Centre: L. Bushey
Wing: Fortin
Wing: Rattray
Subs: Pope, Carson, Fuller

JUVENILE MATCH AT LENNOXVILLE THIS EVENING
Lennoxville Red Jackets will receive the Black Hawks this evening in a scheduled juvenile league fixture at the Milton Rink. This is the second encounter between these two teams, the first game resulting in a two-all deadlock. St. Pat's at present hold the lead, but tonight's winners will be placed in a strong position to overcome the local Irishmen.

SHERBROOKE REGIMENT AR-RANGE FOR SHOOTING MATCHES
The Sherbrooke Regiment Rifle Association will shoot their first D.C.R.A. match on Saturday evening, January 24th, at eight o'clock. All members can shoot, the best ten scores to count. There will also be a team shoot against the New York Stock Exchange rifle team.

The Sherbrooke Regiment Rifle Association has received a challenge from the 105th Observation Squadron, Tennessee National Guard, Nashville, Tennessee, U.S.A., and the match will take place on Saturday evening, January 31st.

BILLIARDS
"BABY" OF TOURNAMENT IS SETTING THE PACE
CHICAGO, Jan. 23.—Allan Hall, of Chicago, the outstanding challenger of the "Dark Horse Brigade," today held a technical advantage in the close fight for the world's three cushion billiard championship.

The Chicago star had three straight victories and no defeats to his credit, while his closest rivals, Arthur Thurnblad, another Chicagoan, and the veteran Otto Reisel, of Philadelphia, had perfect records with two triumphs each.

Layton, of Sedalia, Mo., the defending champion, stood in a tie for fourth position with Tiff Denton, of Kansas City, each having one victory and one defeat.

Hall has turned in three brilliant performances. He polished off his third opponent, Seville, 50 to 27 in thirty-eight innings yesterday. Only thirty years old, he is the "Baby" of the tournament.

The standings of the players:
Hall 3 0 8 38 150
Thurnblad 2 0 6 54 100
Reisel 2 0 8 52 100
Layton 1 1 6 38 85

BASEBALL
TWO CLEVELAND PLAYERS ARE HOLD-OUTS
CLEVELAND, Ohio, Jan. 23.—Manus, third baseman of the D-pickers in 1930, and Eddie Morgan, hard hitting first baseman, have returned their 1931 contracts to Billy Evans, general manager of the Cleveland Baseball Club, unsigned.

Both were offered substantial increases over last year, but they were not satisfied, Evans said.

STAR BASE-STEALER MAKING GOOD RECOVERY
CHICAGO, Jan. 23.—Marty McManus, third baseman of the Detroit Tigers and leading base stealer of the American League last season, expects to pilfer more bags than ever during the coming campaign.

McManus injured his knee late last summer, so he came to Chicago for repairs. The operation will be discharged from the hospital soon.

LECTURE GIVEN AT GRANBY ON HEALTH TOPIC
Dr. Mary Bird Spoke on Child Welfare—Sunshine Club Held Interesting Meeting.

GRANBY, Que., Jan. 23.—Dr. Mary Bird, of Montreal, delivered a most interesting and constructive lecture on "Child Welfare," and other topics pertaining to the health of the child, at the Clara Miner annex of the Granby High School on Friday evening and although the audience was not as large as the lecture deserved, it was listened to with interest and pleasure by those who attended.

Dr. G. W. Runnels also gave a short address which contained many health hints and advice. A most enjoyable programme was given, which consisted of: piano selections; solos, Mrs. A. E. Solomon, "My Mother Bids Me Bid My Hair" (Joseph Hayden), "Love Has Wings" (Joseph Rogers), "Who Is Sylvia" (words by Shakespeare music by Schubert); solos by Miss W. B. White, of Montreal, "Mary

SPORTING NOTES

DEMPSEY IN HOSPITAL
NEW YORK, Jan. 23.—A small cut on the fourth finger of his left hand has forced Jack Dempsey into hospital here for treatment.

Dempsey disregarded the cut as of no consequence but an infection set in, swelling the hand to twice its normal size. Dr. Frank Brennan said the former heavyweight champion probably would be able to leave the hospital in a day or two.

IT'S A KEELEY CURE
The prison visitor was going round the cells, and was asking rather fatuous questions. "Was it your love of drink that brought you here?" she asked a prisoner.

"No, no, miss," replied the man, "you can't get nothin' here!"

ALL GOOD FRIENDS TOGETHER
Wife of Manager—You say my husband is out? Where has he gone?
Office Boy—I don't know, madam.

Wife of Manager—Perhaps his secretary would tell you if you asked her.
Office Boy—Certainly she could. She has gone with him.

General Notes.
Dr. Mary Bird, of Montreal, was the guest of her brother, Dr. George Runnels and Mrs. Runnels, during her stay in Granby.

Mrs. E. O. Pepin, of Shefford Mountain, spent a couple of days this week with Mr. and Mrs. John Living.

Mr. Chester Swett, Miss Kathleen Swett and Mr. Alexander Purdy were in Sherbrooke, attending the funeral of the late Mrs. Henry Swett, who passed away at the home of her daughter, Mrs. Harry Purdy, on Monday evening.

Mr. and Mrs. F. W. Taylor, accompanied the latter's mother, Mrs. Weightman, to the Royal Victoria Hospital, Montreal, on Tuesday. Mrs. Weightman will be operated on this week. Mrs. P. A. Lynch is also in the Royal Victoria Hospital, having undergone a successful operation this week.

Rev. Ritchie A. Low, of Colchester, Vt., occupied the pulpit in the United Church on Sunday evening. The congregation listened most attentively to the splendid sermon. Rev. Mr. Low was called to Granby by the illness of his father, who is a patient in Dufferin Heights Hospital.

Mrs. G. W. Williams, of Arora, Ont., is the guest of Mr. and Mrs.

of Argyle, "Last Rose of Summer," and "Sing Me to Sleep."

Sunshine Club Met.
The Sunshine Club of the United Church held its regular meeting in the church parlors on Monday evening. Mrs. Thomas Scott, in the absence of the president, occupied the chair. After the devotional exercises, routine business was proceeded with, which was followed by a short programme. A letter of New Year's greetings, with a subscription for the Club was read from Mrs. Allie Butterworth of Vancouver, B.C., who was an officer in the Club for many years and still is interested in its success.

Mr. Joseph Maton gave current events and also a reading in Scotch dialect. Readings were also given by Mrs. Scott, Mrs. Findlay and Mrs. Hale. A solo was given by Mrs. Gray. The hostesses were Mrs. Gordon Morrison, Mrs. Perriman and Mrs. Hale.

Ladies' Aid Held Session
The Ladies' Aid of the United Church held its regular meeting on Friday last. Mrs. R. P. Martin was elected president, in place of Mrs. S. A. Horner, who resigned, and Mrs. W. D. Brack, vice-president. The new president was in the chair. The system of one cent a day was again adopted by the society as a means of raising money. Piano solo "Sea Piece M.D.C.XX." (by Macdowell) was rendered by Mrs. W. A. Akhurst, of Vancouver; Mrs. Collins recited "Entertaining is the Best"; song, "Billy Boy," Mrs. O. V. Giddings; reading,
