

FRENCH GAIN MORE GROUND SOUTH OF THE RIVER SOMME

Germans Penetrated French Trenches in the Vosges Region But Were Thrown Back By Grenadeers. Enemy Artillery More Active on British Front in Northern France. British Troops Occupy More Towns in Greek Macedonia. Mounted Troops Reach Point Two Miles South of Seres. Allied Aviators Dropped Bombs on Town of Stuttgart.

FRENCH GAIN MORE GROUND.

(Canadian Associated Press.)

Paris, Oct. 11.—In the course of last night French troops gained more ground south of the River Somme, it was announced today at the French War Department.

The Germans attacked heavily at Schoenhazain, in the Vosges, after violent shelling, the statement adds, and penetrated the French trenches at a certain point but were thrown back by the Grenadier Corps.

ENEMY ARTILLERY ACTIVE IN NORTHERN FRANCE.

(Canadian Associated Press.)

London, Oct. 11.—"The enemy artillery," says the British official statement issued today, "was somewhat more active during the night on the greater part of the battle front (in Northern France.)"

"North of Neuville St. Vaast the enemy blew a Camouflet early this morning without inflicting casualties."

"A successful minor enterprise was made by our troops against the enemy's trenches south of Hulluch."

AVIATORS DROP BOMBS ON STUTTGARD.

(Canadian Associated Press.)

London, Oct. 11.—Allied aviators dropped bombs on Stuttgart yesterday evening, according to a Reuter's despatch from Athens.

The despatch says little damage was done.

BRITISH ADVANCE IN GREEK MACEDONIA

(Canadian Associated Press.)

Salonika, Greece, Oct. 11, via London, Oct. 11.—British troops yesterday occupied two more towns to the east of the River Struma, in Greek Macedonia, it was announced today in an official statement issued at the British headquarters. They were Papalova and Prosenik, the latter town seven miles south of Demir-Hisser.

British mounted troops have reached a point two miles south of Seres.

AUSTRIAN AIRMEN RAID MONFALCONE

(Canadian Associated Press.)

Vienna, Oct. 10 via London, Oct. 11.—Austro-Hungarian Aerial squadrons have made another attack on the Towns of Monfalcone and Grado and dropped bombs on the Railway Station and Military works at San Giorgio di Nogara, according to an official statement issued here today.

ITALIANS BEGIN GENERAL ATTACK ON OPPONENTS

(Canadian Associated Press.)

Vienna, Oct. 10 via London, Oct. 11.—Italian forces yesterday afternoon (Monday) after eight days of strong artillery and mining preparation began a general attack against the Austro-Hungarian positions on the coast district front says the Austro-Hungarian official statement issued today.

BULGARS CONTINUE RETREAT BEFORE BRITISH FORCE

London, Oct. 10.—The Bulgarians continue their retreat before the British and French on the Macedonian front, particularly on the banks of the river Struma, facing the British on the eastern bank they have retired to the hills north of Serres. The British have occupied the towns of Kalendra and Homondos, while the enemy has also evacuated Tapalova, Chavdorman, Manli, and Hasnatar. The French are making good progress on the Cerna bend and their aeroplanes have bombed Monastir and Prilip.

The Germans claim a continuation of their advance in Transylvania and the occupation of the passes at Harigita and Carole mountains. They report they are still pressing back the Roumanians in the vicinity of Kronstadt and have captured over 1,700

WEATHER REPORT

DUTCH PRESS IS INDIGNANT AT SINKING OF LINER

Claims That For Illegal Act Germany Must Pay Full Compensation.

(Canadian Associated Press.)

Amsterdam, via London, Oct. 11.—The Dutch Press is highly indignant at the sinking of the Holland American line steamer Bloomersdijk, which it is declared was absolutely illegal and contrary to Maritime law. "We ask with astonishment," says the Nieuws Van Den Dag, "What reason the submarine commander could have for torpedoing a neutral vessel with a neutral cargo for the neutral population of Holland. There was no possibility of a mistake, for the commander of the submarine must have been aware of the charter of the vessel and for that illegal act Germany must be made to pay full compensation."

The Handelsblad demands that the Government send a strong protest to the German Government. The

NO TRACE OF KINGSTONIAN'S CREW FOUND.
(Canadian Associated Press.)
Newport, R.I., Oct. 11.—The United States destroyers which have been searching for the crew of the British steamer Kingstonian reported sunk by a German submarine off the Nantucket Shoal Lightship on Sunday last, returned here today. None of them reported having found any trace of the Kingstonian's boats.

Telegraph regards the raid as a sop to the Von Tirpitzites, and thinks that probably the Germans are allowing their submarines to operate along the fringe of American territorial waters to test the extent of American patience.

WARNING TO UNITED STATES
(Canadian Associated Press.)

Amsterdam, Oct. 10, via London, Oct. 11.—A Berlin despatch quotes the Deutsche Tageszeitung as saying it considers the significance of the U.S. visit to America to be that it has proved German submarines are able to conduct successful cruiser warfare in the vicinity of the American coast. The newspaper believes German operations in those waters will place in a new light the idea of a conflict with Germany which sometimes even lending personalities in America have mentioned threateningly.

SUBS. GET SUPPLIES FROM SUPPLY VESSELS
(Canadian Associated Press.)

Amsterdam, Oct. 11, via London.—The Tjids says it learns from a trustworthy German source that the U-boats operating in the Atlantic obtain their supplies from large commercial submarine supply vessels stationed at a fixed time and place in the Atlantic.

"The news of this submarine warfare," the paper asserts, "will result in a compromise between the German Chancellor and his opponents in the Reichstag."

SAYS U. S. CANNOT COUNTER-NAUCE SUB. CAMPAIGN
(Canadian Associated Press.)

London, Oct. 11.—The German submarine campaign continues to be the chief topic in the English newspapers. The fact that the United States had protested against the patrol of British cruisers near the American coast was not generally known here until the German submarine visit raised discussion of the whole question. Naval writers now maintain that the Washington Government, having protested against the presence of British cruisers on the American coast, cannot fairly countenance this submarine campaign which they hold constitutes far greater cause for complaint and protest than any which could have been based in British naval movements.

NO SIGN OF SUBMARINES.

(Canadian Associated Press.)

New York, N.Y., Oct. 11.—Nothing to indicate the presence of German submarines off the American coast was observed by steamships which arrived in this port today after voyages from the East and the South. There was no unusual activity on the seas, the arrivals reported.

WELCOME TO OUR ONTARIO VISITORS.

The delegation of distinguished Ontario men will arrive in the Eastern Townships this evening—the final stage of their "get acquainted" trip through Quebec Province. If in their brief stay they are able to get in touch with the Eastern Townships situation, they will find here the most pleasing and instructive lessons of their journey. They will observe the entente cordiale in practical operation. They have come to that section of the province where dwells the largest English speaking population, upwards of one hundred thousand persons, descended like themselves from United Empire Loyalists or Old Country stock and they will find them in cordial daily association with their fellow citizens of French origin, both races working together in harmony for the development of their common heritage, understanding and appreciating each other. They will find less racial prejudice in the Eastern Townships than in any other part of Canada—because the people know each other. They will find less evidence of distrust, men of one race or of the other, than in Quebec with its dominantly French population or in Toronto with its dominantly English population. They will find in the Eastern Townships an example of how two great races can live in harmony and mutual respect as fellow citizens. If they examine the situation minutely they will discover perhaps some extremists even here who would stir up racial jealousies but they will find that this is exceptional and that tolerance and good will are the key notes of public sentiment in Southern Quebec.

They may, also, deem it of interest to note the national and commercial effect of this cordial mingling of the races. If their inquiry should turn in this direction they will find their answer in the busy, prosperous factories of the Eastern Townships metropolis which gives Sherbrooke the first position in Canada among cities of its size in the matter of munition production. They will find it, also, in the five thousand men, many of them French-Canadians, who have donned the khaki and are fighting the Empire's battles overseas. They will find it again in the continuance and steadiness of Eastern Townships prosperity which is less affected by waves of depression or other disturbing factors than are conditions in almost any other part of Canada. They will find it emphatically demonstrated in the following figures which tell briefly the story of Eastern Townships production, namely:

Maple products	\$ 1,000,000
Lumber products	6,000,000
Mining	5,100,000
Dairy products	8,000,000
Wages paid workers in manufacturing plants	9,000,000
Agricultural products	20,000,000
Manufactured products	45,000,000
Total savings bank deposits in the Eastern Townships	50,000,000

It was a happy inspiration that prompted this "get acquainted" journey of our Ontario fellow citizens. Most cordially are they welcomed to the Eastern Townships. May their visit to Quebec Province be the harbinger of an improved understanding between the two great nationalities which mainly compose the Canadian people and may it contribute to the eventual solution of all problems which in any way hinder their close co-operation for the development of their common country and the realization of their common destiny.

VISITORS ARRIVE 7.15 TONIGHT HONORABLE AND SPEEDY PEACE

Ontario Delegation Will Be Entertained By City at Dinner This Evening.

ABOUT SIXTY IN PARTY — HON. DR. PELLETTIER WILL ATTEND BANQUET THIS EVENING.

At 7.15 this evening the delegation of business men from the province of Ontario and those who have joined them from the province of New Brunswick and Nova Scotia will arrive in Sherbrooke over the Quebec Central Railway, leaving Quebec by a special parlor-car train at 2.15. A short stop will be made at Thetford Mines to visit that important mining section, where they will be entertained by the different asbestos companies.

After leaving Thetford Mines the Quebec Central Railway will tender the delegates a complimentary luncheon in their dining car. The railway company have issued a very attractive souvenir timetable of the trip over their line, giving a description of the different points of interest en route. A telegram arrived this morning from Dr. Ledoux stating that the Hon. Dr. P. Pelletier, who has just arrived from Quebec, Eng., will join the party at Quebec. This news will be received with great enthusiasm by all concerned.

The secretary of the Board of Trade received a telephone message from Mr. D. J. Steele this morning, who stated that there would be about 60 visitors on board the train. The banquet at the Chateau Frontenac last night, some of the speeches being cheered again and again.

All arrangements in Sherbrooke have been finally completed. Automobiles have been secured to be at the disposal of the visitors during their stay in the city, and the different institutions to be visited will be waiting for the visitors at the scheduled hour.

Special programmes have been prepared by the Board of Trade in the form of attractive little booklets. These also include a word of welcome to the visitors. It is expected that there will be at least 125 Sherbrooke citizens at the banquet this evening. Those who have not made reservations should telephone to the Board of Trade before 5 o'clock. Others may apply at the Seminary this evening, and although accommodation cannot be guaranteed, as they are preparing for only 200, still an effort will be made to look after all who turn out.

A number of citizens went to Quebec yesterday afternoon by special train as the guests of Mr. J. H. Walsh in his private car "Sherbrooke." These included Mr. D. J. Steele, president of the Board of Trade; Messrs. J. E. Pontre, E. L. S. Patterson, L. H. Olivier, Dr. J. O. Ledoux, L. J. Codere and J. S. Tetreault, N.P.

SOLDIER VOTES ARRIVE.

Vancouver, B.C., Oct. 11.—The soldiers' ballots in the British Columbia Legislature elections of September 21 have reached Victoria, but it is unlikely that the vote will be known before Wednesday. The ballots were received at Victoria on Monday. It was estimated that probably three days would be required to count the soldiers' vote.

ESCAPE FROM BRANTFORD JAIL.

Brantford, Ont., October 11.—W. Smith and J. Harris, two American desperadoes being held in Brantford jail for safekeeping by request of Woodstock officials, made their escape from here yesterday morning after knocking down Turnkey Cook and overcoming Governor Brown. The prisoners stripped the jail officials of their clothes and keys and made their getaway during the breakfast hour. Smith was recaptured about 6 o'clock last evening five miles outside of Hamilton by Detective Chapman, and again locked up.

DUTY OF EMPLOYERS TOWARDS CANADA'S RETURNED SOLDIERS

Mr. W. S. Bullock, M.L.A., in Address Before Associated Boards of Trade Urges Every Employer to Reinstate the Soldiers on Their Return and Announces His Intention of Doing so. Major Williams Appeals for Preference to be Shown to Men Who Have Served Their Country.

(Sixth article E. T. Boards meeting)

Mr. W. S. Bullock, M.L.A., West

Shefford, addressed the autumn meeting of the Associated Boards of Trade at Coaticook on "Our duty to the returned soldier."

Mr. Bullock said: "When this war is over and a large proportion of our soldiers come back to our shores when they shall have won glory and victory, and return to us shattered in mind and body, what are we going to do with them and how are we going to treat them?"

"I don't know what the plans of the government are in reference to the treatment of returned soldiers, but to my mind, having fought our fight and obtained our glory and freedom, our success and prosperity, we shall owe them a duty. I am going to tell you what I intend to do in my business. Some of the men have lost their hearing, some have lost their eye sight, some are lame, but all these men will come back to our factory, and if they cannot take the same job as before, if they cannot work at all they will receive the same pay as they did before they enlisted."

Mr. Bullock said he would like to see every bank, every commercial house, every farmer, every storekeeper, every employer of labor take back all their former employees who had been to the war and reinstate them in their former positions.

"If everybody is willing to treat the boys as they should be treated when they come back, the problem will be solved. Let us do unto them as we would be done unto."

MAJOR WILLIAMS

Major Williams, who delivered a vigorous recruiting speech in the afternoon, also touched on the returned soldier question. He said, "It seems to me that we who cannot go to the front, we who remain at home have a very sacred and solemn duty to our empire, God and King, and I suggest that you business men should decide on a settled line of policy in your treatment of the returned soldier. In the name of God, humanity and common decency, I want to ask all who have jobs to give to give them to the men who have fought for Canada. I know the necessity of making munitions but the men who deserve most of their country are those who have offered their lives."

"Many men will come back physical and mental wrecks and this country will be disgraced if it refuses to give them the necessary help. It will be the duty of strong men with power and position to nurse the poor

fellows back to health and manhood."

STRONG ARM NEEDED FOR SLACKERS

Dealing with the promise made by the government to raise 500,000 soldiers, Major Williams said the people and the Empire for its fulfillment and ought to take the responsibility. He had taken the liberty of telling Sir Robert Borden that the present methods of recruiting were unjust, and inadequate and bound to fail in keeping that promise. He believed that the strong men of the country, irrespective of race, creed or class, should get together and demand that Canada redeem her sacred and solemn pledge. In his judgment a settled and unanimous line of policy should be decided upon in regard to the young men of military age, who were physically fit and had turned down every call of duty. He did not believe in calling a man a coward or a slacker from a platform and he also felt that speakers who called down the French Canadians made a very serious mistake, as although Quebec had not done all she might have done, the French Canadians had done a great deal more than the English people had given them credit for, and any man who raised this race cry at a crisis like this was a traitor. The time had come when all should forget whether they were English, French or Irish Canadians, and just remember they were Britishers and Canadians. The speaker said that in many towns in order to hold recruiting he had made arrangements with certain citizens to point out their duty to the young men and inform them that the business men of Canada had decided after the war to give the best positions to those who had given all for Canada. We thanked God we lived in a great democratic country, and Prussian methods were unknown here, but some times one could not help feeling that a strong arm ought to be laid upon young men who were so absorbed in baseball and neglected their higher duties.

TRIBUTE TO E. T. BATTALION

During the course of his speech Major Williams paid a great tribute to the 11th E. T. Battalion. He had seen no finer regiment than the one commanded by Lt.-Col. Gilbert, and though it may not possess the same glamour or style as some others, when it came to doing big work and taking the German trenches, he would stake his name on that as much as on any other battalion he had seen raised in this district.

MANY PROBLEMS BEFORE BRITISH PARLIAMENT

Two Leaders Who Were Slat for Office Refused Portfolios.

(Canadian Associated Press.)

London, Oct. 11.—An Athens despatch to the Daily Chronicle dated Tuesday says: "The new cabinet took the oath of office this morning. Constantine Andonopoulos and M. Oeconomidis refused portfolios at the last moment. The posts of Minister of Justice and of National Economy will be filled in a day or two."

"Alexander Tsolles, who is the new Minister of Interior, is disliked in Entente circles. He is regarded as a pro-German sympathizer."

KINGSBURY.

The W.C.T.U. Society held a farewell meeting for Mrs. Sinclair at the home of Mrs. A. Crack, all the members were present to bid farewell to one of the very active members. The president presented Mrs. Sinclair with an address and a beautiful piece of silver in appreciation of her work among us. The address is as follows:

"Dear Mrs. Sinclair: On the eve of your departure from our midst we wish to express our sense of loss at your removal and our appreciation of the valuable services you have rendered the cause so dear to the hearts of all of us. We are saddened at the thought of saying good-bye but gratified to think that in your new home and field of labor you will have increased opportunity for promoting our common cause. On behalf of the Kingsbury W.C.T.U. we will please accept this slight token of esteem and goodwill. We wish you God-speed and all prosperity in your new home and assure you that you will always have a warm place in every heart from every member of the Union."

WATERVILLE ACADEMY

Many Citizens Attend Opening and Distribution of Prizes.

Waterville, Oct. 11.—(Special) — The annual opening of the Academy took place in the Town Hall on Thursday evening. The attendance was very large, many standing throughout the entire programme of nearly two hours. The school gave a fine selection of recitations, musical numbers, drills, etc.

A unique feature was a dialogue entitled "The Educational Ghosts." The Ghosts gave an amusing representation of the customs and methods of the typical and proverbial "Red School House," of former days. A flag drill, by the Academy girls was very attractive.

Mr. W. R. MacDougall, of Lennoxville, attended the meeting and presented the large number of prizes won by the pupils of the Academy at the recent School Fair, held in Lennoxville. Mr. MacDougall also gave a very practical address which was much appreciated. He referred to the exhibits of the School Fair, some of which excelled those of the E. T. Exhibition, and were more than double in number, as compared with those of one year ago. Mr. MacDougall explained and emphasized the introduction and instruction in agriculture in the schools.

In the course of the remarks made by the chairman, the extensive changes in the course of study last year, necessitating a considerable expenditure for new text books, were referred to. The revised course of study seems to be generally approved of throughout the Province.

Mr. Gale explained that the rank and standing of the Academy had been fully maintained during the past school year, and that the prospects were good for improving same during present year.

The prize list of the school is as follows:

Special—The Francis Gilbert Gale, Jr. Scholarship, awarded to Vera Piper.

APPLES, ORANGES, FIGS AND PRUNES

Are The Four Fruits Used in Making "Fruit-a-lives"

"FRUIT-A-LIVES" is the only medicine in the world that is made from the juices of fresh ripe fruits. Thus, it is manifestly unfair to say, "I won't take Fruit-a-lives because I have tried other remedies and they did me no good." On the other hand, the fact that "Fruit-a-lives" is entirely different from any other preparation in the world, is just why you should give it a fair trial, in any trouble of the Stomach, Liver, Bowels, Kidneys or Skin. "Fruit-a-lives," is composed of the active principle of fruit and the greatest nerve tonic ever discovered. 50c. a box, 6 for \$2.50, trial size, 25c. At all dealers or sent postpaid by Fruit-a-lives Limited, Ottawa.

IF KIDNEYS ACT BAD TAKE SALTS

SAYS BACKACHE IS A SIGN YOU HAVE BEEN EATING TOO MUCH MEAT WHICH FORMS URIC ACID.

When you wake up with backache and dull misery in the kidney region it generally means you have been eating too much meat, says a well-known authority. Meat forms uric acid which overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and sluggish. When your kidneys get sluggish and clog you must relieve them, like you relieve your bowels; removing all the body's urinous waste, else you have backache, sick headache, dizzy spells; your stomach sour, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water scalds and you are obliged to seek relief two or three times during the night.

Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys, also to neutralize acids in the urine so it no longer irritates, thus ending bladder weakness.

Jad Salts is a life saver for regular meat eaters. It is inexpensive, cannot injure and makes a delightful, effervescent lithia-water drink.

BEGIN HOT WATER DRINKING IF YOU DON'T FEEL RIGHT

Says glass of hot water with phosphate before breakfast washes out poisons.

If you wake up with a bad taste, bad breath and tongue is coated; if your head is dull or aching; if what you eat sours and forms gas and acid in stomach, or you are bilious, constipated, nervous, sallow and can't get feeling just right, begin inside bathing. Drink before breakfast, a glass of hot water with a teaspoonful of limestone phosphate in it. This will flush the poisons and toxins from stomach, liver, kidneys and bowels and cleanse, sweeten and purify the entire alimentary tract. Do your inside bathing immediately upon arising in the morning to wash out of the system all the previous day's poisonous waste, gases and sour bile before putting more food into the stomach.

To feel like young folks feel: like you felt before your blood, nerves and muscles became loaded with body impurities, get from your pharmacist a quarter pound of limestone phosphate which is inexpensive and almost tasteless, except for a sourish twinge which is not unpleasant.

Just as soap and hot water act on the skin, cleansing, sweetening and freshening, so hot water and limestone phosphate act on the stomach, liver, kidneys and bowels. Men and women who are usually constipated, bilious, headachy or have any stomach disorder should begin this inside bathing before breakfast. They are assured they will become real cranks on the subject shortly.

Zutoo

Will cure any headache in 20 minutes, will nip a cold in the bud, will relieve the monthly pains of women, and in every case it Leaves you Feeling Good.

WEST BROME.

Miss Beatrice Cowdy, of Montreal,
spent Thanksgiving at the parsonage
the guest of the Rev. and Mrs. Wm.
E. Wright.

The ladies of the Methodist Church
are busily engaged this week making
preparations for their annual chicken
supper which is to be held Friday
evening, October 13th., at the
Church. In connection with this
event the following program will be
presented: Anthem, Selected—the
Choir; Solo, selected—Rev. A. Hinton;
Quartet, selected—Messdames
McCutcheon and Wright, and Messrs.
Durke and Pettis; Trio, selected—
Miss Flavia Soles; Trio, selected—
Rev. Knowles, Hinton and Brown;
Duet, selected—Mrs. O. McCutcheon,
Duet, selected—Rev. and Mrs. I.
Nelson; Solo, selected—Rev. T.
Knowles; Addresses by visiting clergy-
men; Chorus, "We'll never let the
old flag fall—Choir; God Save the
King.

On Sunday special services will be
held in the Methodist Church both
morning and evening. The preacher
for the day will be Rev. R. A. Nunn,
of Cote St. Paul, Montreal.
There passed away, Lorenzo M.
Call, of Call's Mills, near West
Brome on the 7th of September, as
previously reported. About a year
ago he was taken seriously ill and
went to the Royal Victoria Hospital.

When a Man
Gets to be 50

The man of 50 has to slow up a little.
He begins to realize that he has a stom-
ach and liver. He can't eat and work
and hustle with the same disregard of
health as he did 20 years ago; so he
turns to ABBEY'S EFFERVESCENT SALT.
Abbey's Effervescent Salt helps nature
—does part of Nature's work—prevents
constipation, biliousness, indigestion,
uric acid poisoning—regulates the elimi-
nation organs—keeps the whole system
in a normal healthy condition. ABBEY'S
EFFERVESCENT SALT in a tumbler of
warm water first thing every morning
will keep you fit and full of energy
throughout the day.

SAGE TEA DANDY

TO DARKEN HAIR

LOOK YEARS YOUNGER! USE
THE OLD-TIME SAGE TEA
AND SULPHUR AND NO-
BODY WILL KNOW.

You can turn gray, faded hair beau-
tifully dark and lustrous almost over-
night if you'll get a 50 cent bottle of
"Weyth's Sage and Sulphur Compound"
at any drug store. Millions
of bottles of this old, famous Sage
Tea Recipe, improved by the addition
of other ingredients, are sold annual-
ly, says a well known druggist here,
because it darkens the hair so natu-
rally and evenly that no one can tell
it has been applied.

Those whose hair is turning gray,
or becoming faded have a surprise
awaiting them, because after one or
two applications the gray hair van-
ishes and your locks become luxu-
riantly dark and beautiful.

This is the age of youth. Gray-haired,
unattractive folks aren't wanted
around, so get busy with Weyth's
Sage and Sulphur Compound tonight
and you'll be delighted with your
dark, handsome hair and your youth-
ful appearance within a few days.

This preparation is a toilet requi-
site and is not intended for the cure,
mitigation or prevention of disease.

In Montreal for an operation. After

that, he seemed to recover for a
while, but later his trouble returned
and after many months of in-
tense suffering, borne with Christian
fortitude, death came as a sweet re-
lease. The late Mr. Call was born
on Nov. 30th., 1851, and for years he
has been a well-known and respected
citizen of the township of Brome. On
May 25th., 1873, he was united in mar-
riage to Miss Sarah Hungerford, who
remains to mourn the loss of a lov-
ing and faithful companion. The fol-
lowing children as well mourn the
departure of their father: Mrs. H.
W. Blair, of North Troy, Vt.; Mrs.
M. E. Milmore, of Scottsboro, Que.;
Frank O., Master at Lenoxville
College, and Bert who has been
living at home. For forty one
years the deceased was a faithful
member of the Methodist Church, ever
in his place at its services, and a
leader in every phase of the church's
activity. As a steward of the Quar-
terly Officers' Board, and a trustee of
the church, parsonage, and cemetery,
he was energetic in the performance
of his duties, and true to his re-
sponsibilities. Ever interested in moral
reform, he was particularly active
in behalf of the recent prohibition
vote in this county, and the great
victory of a year ago was in no
small part due to his earnest efforts.
He was also for years a member of
the Masonic Order. The funeral took
place to the Methodist Church, at
Brome, on September 9th, with the
Rev. W. E. Wright officiating. In his
passing the community will lose a
public minded citizen, the Methodist
Church a faithful member and official
and his home a loving husband and
father.

Mr. and Mrs. Wm. Hartley, Pres-
ton Hartley, and Douglas Hartley,
of this place, are visiting here for a
few days at Mr. Fred Hartley's, Be-
loil.

An eight day mission has been con-
ducted by the Rev. F. Allen, South
Stukely, at Iron Hill and West Brome
in the Episcopal Churches.

Service next Sunday at 10.30 a.m.

HEINTZMAN & CO.

THE ARTISTIC PIANO.

If you are thinking of a good piano for your home this fall, why not decide at once on a genuine Heintzman & Co. instrument. You will be more than satisfied from the moment the piano is in your home, and although it may cost a little more than some other pianos, it will be found the best value in the end.

The demand for Heintzman & Co. pianos is increasing every day, and we sometimes find it difficult to fill all orders promptly. This week the assortment is very complete, including the "Small Grand" in choice mahogany case, the "Duchess," "Louis XV," "Classic," and the popular "Ionic" style.

We are safe in saying that no better stock of fine pianos will be found in any store in Canada, and our prices are known to be moderate, with easy terms of payment, or fair discount for cash.

We would much appreciate a visit to our new store. If you cannot call now, let us send you catalogues of new styles and prices.

We have some nice toned pianos for rental.

FIRE ON MARQUETTE STREET.

Damages to the extent of about \$200 were caused in a fire which broke out this morning at 8.30 a.m. in the cellar of the department store of Alf. Lanctot & Sons, Ltd., Marquette St. Some wooden boxes placed over the furnace some time ago had not been removed and a short time after lighting the furnace they caught fire. The floor above was damaged and considerable damage was done by smoke. The brigade answered the call and extinguished the flames promptly.

KING ALBERT CLUB.

The King Albert Club, the patriotic association of young girls which achieved so great a success last year, will be opened Saturday, October 21, in the Victoria Cafe, which has been secured for the winter, with a "smokers' tea." This function, it must be explained, will be free to all visitors, but each one is expected to bring "smokes," in the shape of tobacco in some form, for the men in the trenches, who find in it their chief comfort.

The membership of the club has been increased to eighteen, in order to divide the work and the responsibility. The officers are the following: President, Miss Pansy Wyatt; Vice-President, Miss Marjory Keene; Secretary-Treasurer, Miss Dorothy Thickness. All the arrangements have been adequately carried out, with new equipment furnished, and the appeal for donations of money, food, etc., from the public will no doubt have a ready and generous response.

LATE MRS. JOS. L. COTE.

The funeral of Mrs. Joseph L. Cote, who passed away Saturday, took place yesterday afternoon from her home, Dufferin avenue, to St. Peter's Church, of which she was a devoted member. Those present included friends of many years' standing from the city, Richmond, Coaticook, Magog, the assemblage being a large one. Prayers were read by the Rev. H. R. Bigg, rector, who also conducted the beautiful service at the church, assisted by the Rev. Mr. Mortimer and the Rev. Philip Callis, Church of the Advent. Touching and appropriate music was rendered by the large choir and the organist, the favorite hymns of deceased, "Peace, perfect peace," and "Unto the hills around do I lift up my longing eyes," were sung, while the psalm in the burial office was chanted, also the Nunc Dimittis, before the casket was borne from the church to the solemn notes of the funeral march. The mortal remains were laid in the family lot in Elmwood Cemetery amidst all the autumn reminders of death followed by immortality.

The mourners were Mr. J. L. Cote, husband of deceased; Messrs. Oliver Cote (Marbleton), Austin Cote (Lennoxville), Frank Cote (Montreal), brothers-in-law; Mr. F. L. Gilbert (New York), Mr. James Barker (Sherbrooke), Messrs. Hartwell Gil-

PATRIOTIC COLUMN

EDUCATION OF BLIND CANADIAN SOLDIERS.

This education is being done in England instead of Canada, because the institution is ready there and equipped. Sir Arthur Pearson, the owner of the Times, himself a blind man, has devoted his time since his affliction to establishing St. Dunstan's Hostel for blinded soldiers and sailors, of which he is director.

Our boys who have lost their perhaps greater grip on life—their sight in the service of their country—are trained here to make their way in the world of commerce and industry, and those who have returned cannot express their deep gratitude for the help received. They have been given back the power of meeting life again, of being independent.

Until such time as it is considered advisable to establish a military training institution in Canada, our men can be advantageously and economically cared for in St. Dunstan's, and it becomes our duty to aid the work there by contributing to its support and showing our sympathy with our soldiers who have made this sacrifice.

Many trades are taught them, Braille reading and writing, and also out-of-door occupations like poultry farming and market gardening.

Our sergeant already has a lucrative position as masseur at a London hospital.

We are given the privilege of contributing to the work at St. Dunstan's on Thursday evening, October 12, when war and moving pictures are to be given at the Premier Theatre in aid of the blind Canadian soldiers, and it is confidently expected that Sherbrooke will show in this, as in every other appeal, that she realizes her debt to our men who are defending us.

There may be some who cannot attend on Thursday evening, but who would perhaps wish to send a contribution. Those who wish to do so may send to Mrs. J. D. Parmalee, treasurer King George Chapter I.O.D.E., who will gratefully receive and acknowledge the same.

bert (Lime Ridge) and William McLaughlin (Richmond), nephews.

The bearers were Messrs. L. Herbert, N. Martin and Wiggett, Lennoxville; John Leonard, K.G., J. Harry Blue and John McKee, Sherbrooke, while the pall-bearers were Messrs. C. H. Fletcher, W. J. Hunt, Wm. Morris, K.C., J. S. Mitchell, Lieut.-Col. H. R. Fraser, Sherbrooke, and E. W. Brewster, Lennoxville.

Among the large number of friends at the house were Mrs. F. W. W. Bowen, Mrs. B. Gilbert, Lime Ridge; Mrs. J. C. Meagher, Richmond, and many others. An immense number of floral offerings, wreaths, crosses and lovely cut flowers, were tokens of loving remembrance and regret, and were laid upon the grave. Mrs. Cote, whose maiden name was Jane McLaughlin, was born in Richmond, but had spent the greater part of her life in Sherbrooke, with a number of years in Lennoxville. Her quiet, cheerful, kindly nature never failed her, even throughout a long and trying illness which lasted some fifteen months, during which increasing weakness made the burden of life heavy and hard to bear. To the last she was patient and resigned to the will of God, and was comforted by the ministrations of the church she loved and at whose services she was a constant attendant in her days of health. She leaves to mourn her loss her husband, to whom she had been married over forty years, the relatives mentioned above, and a niece, Mrs. F. W. Bowen, who was almost more than a daughter, and her grand-nephews, Lieut.-Col. F. C. Bowen, who is now at the front, and Major E. H. Bowen, with the 11th Battalion in England, to whom she was deeply attached, and who in return were devoted to her. The sympathy of the community is extended to the family in their sorrow.

RUSSIANS DEFEAT TURKS

(Canadian Associated Press.)
Petrograd, Oct. 11, via London, Oct. 11.—The following announcement was made today by the War Office: "In the Coastal region on the Caucasus front, our gallant troops dislodged the Turks from the Mountain Slopes near Sochi and Odnardjik and gained the right bank of the River Karshutdarasi to the Mouth.

"In Dobrudja exchanges of fire and scouting operations are proceeding along the entire front.

"On the Western (Russian and Galician) front, there were no events of importance."

London, Oct. 11.—German casualties from the beginning of the war to the end of September were 3,556,018, according to an official British compilation as given out here today. The statement says: "A report compiled from German official casualty lists show that the total German casualties in September were 179,884 bringing up the totals since the war from the same source to 3,556,018."

CHARGE AGAINST STUDENTS PUT OVER

Believed That no Case Will be Proceeded With in Montreal Court.

(Canadian Associated Press.)
Montreal, Que., Oct. 11.—In the Police Court, this morning, the charge laid against two Laval students by officers of the Pioneer Battalion for tearing down recruiting posters and the recruiting stand and tent in Phillips Square in the student celebration last week was "put over."

No explanation was given for not going on with the case, but it is generally believed that in view of the statement of the Laval students that they regretted the occurrence, which was not meant to be construed as against recruiting, that the Pioneers will drop the charges.

CHICAGO WHEAT MARKET DEPRESSED

(Canadian Associated Press.)
Chicago, Oct. 11.—Announcement that the British Government had purchased 18,500,000 bushels of wheat in Australia acted as a depressing influence to-day on wheat prices here.

Opening prices, which ranged from 1-8c to 5-8c lower, with December at 159 to 159 1-4 and May at 158 1-4 to 158 1-2, were followed by a material setback all around.

HEARST NEWS

SERVICE BARRED

Great Britain Forbids Use of Official Press Bureau.

London, Oct. 11.—The British official press bureau last night issued the following: "The following statement is placed at the disposal of the press for publication: "In the House of Commons on June 27 last the Secretary of State for the Home Department stated that attention had been drawn to an alleged telegram relating to the Jutland battle which appeared in certain newspapers as having been sent from London by the correspondent of the International News Service. No such message was included in any telegram sent from this country.

"The Home Secretary referred on the same occasion to previous cases in which messages which purported to be from the London correspondent of the International News Service bore no likeness to the cablegrams actually despatched.

"On the first occasion referred to the manager of the International News Service in New York gave categorical assurance that such an incident should not happen again. On the second occasion, he made like promise, stating that orders had been given that extraneous statements should not be inserted in cable dispatches.

"On the 3rd September cablegrams were published in the United States purporting to have come from London by 'International News Service,' giving various false statements about the air raid of the previous night. None of the statements in question was, in fact, contained in any cablegram despatched by the London correspondent of the International News Service.

"In view of this continued garbling of messages and breach of faith on the part of the International News Service, the Secretary of State has directed that no representative of the International News Service shall be permitted to use the official press bureau and that the agency shall be debarred from the use of all other facilities for the transmission of news until further notice."

DEPRIVED OF TELEGRAPHIC SERVICE

The Daily Chronicle, commenting on the official ban of the International News Service, which, it points out, means depriving it of all telegraphic and mail facilities, says: "It is obvious if such abuse were tolerated the censorship would become of less than no value, since the American public is given the impression that our censor has passed statements which, in fact, he has never seen. The wilful repetition of the offense renders inevitable the course which has now been taken. Needless to say, the decision to take it has nothing to do with Mr. Hearst's opinions. Mr. Hearst or any other controller of neutral newspapers is welcome to express whatever opinions he likes, but he is not welcome to print garbled dispatches."

WILL BUY ALL WHEAT FOR BRITAIN

Government Will Not Leave Supply in Hands of Private Enterprise.

London, Oct. 11.—The British Government has decided to appoint a royal commission, with Lord Crawford as chairman, to take steps necessary to ensure adequate and regular supplies of wheat and flour. Announcement to this effect was made in the Commons yesterday by Walter Runciman, president of the Board of Trade. Mr. Runciman said it had become clear that the supplying of wheat for Great Britain could not be left to private enterprise.

In anticipation of this action the Government has made a large purchase of wheat in Australia. Steps have been taken to acquire the tonnage necessary for conveyance of the wheat to this country.

Mr. Runciman said the commission would co-operate with the Allied committee which meets daily in London and has made purchases for England, France and Italy. The commission, he continued, would avail itself of the experience of the committee, which had purchased supplies of sugar. The result would be that importation of wheat would be largely, if not entirely, under control of the commission.

The possibility that large quantities of wheat at present locked up in grain exporting countries might be freed as a result of military operations, led to a disinclination on the part of traders, Mr. Runciman said, to hold more stock than was absolutely necessary. It had become clear the price of wheat could not be left safely to private enterprise. As importation in the future would be in the hands of the State, he explained, the full benefit of the reduction in cost of carriage would accrue to the State. The system adopted by the Requisitioning Committee would be required to provide space necessary at a fixed cost and not at variable rates.

SPORLEDER — WARD

At the Chapel of St. John's Episcopal Church, Helena, Montana, U.S.A., the marriage was quietly solemnized on Saturday, September 30th of Miss Harriet Wilson Ward, eldest daughter of Lt. Col. W. J. Ward, of "River View," Sayville, Que., to Mr. Aaron A. Sporleder, of Helena, Montana, son of Mr. John J. Sporleder, and Mrs. Sporleder, of Nebraska, Indiana. The Rev. F. R. Bateman, officiated.

The bride was given away by her brother, Mr. C. Lawrence Ward, of Manson, Mont., and was unattended. She wore her travelling suit of Copenhagen blue serge and velvet hat with ostrich tips and veil.

Mr. and Mrs. Sporleder are spending their honeymoon at Helena and Great Falls. They will make their future home in Williams, Montana.

CARR — McDONALD

Lake Megantic, Oct. 10.—(Special)—The following is taken from the Pittsfield Evening Eagle, Oct. 3: "The marriage of Miss H. H. Carr, daughter of Mr. and Mrs. John Carr, of 9 Upton St., Adams, Mass., and Mr. Donald J. MacDonald, of Pittsfield, Mass., son of Mrs. John B. MacDonald, of Echo Vale, Que., took place at the Congregational manse in Adams on Monday morning, Oct. 2. The ceremony was performed by Rev. George Savary, D.D., pastor of the Congregational Church. Miss Helene Watts, of Pittsfield, was bridesmaid, and Mr. Edmund F. Carneau, also of Pittsfield, was best man.

The bride was attired in a travelling dress of burgundy cloth and wore a hat to match. She carried a bouquet of bride roses. The

MARRIAGES

CHOQUETTE-ROUILLARD

A pretty wedding took place at St. Jean Baptiste Church Monday morning, when Miss Leonie Rouillard was married to Mr. J. E. Choquette, of the staff at Nault & Lacroix's. The bride, who was given away by her father, Mr. Geo. Rouillard, looked charming in a gown of blue silk with blue hat and carrying white roses, and the ceremony was witnessed by many relatives and friends, several from North Hatley and Drummondville being present.

After the ceremony an excellent wedding breakfast was served at the home of the bride's parents on King street east, and the happy couple left for Montreal and Quebec, the bride travelling in a dark blue suit, with blue and green hat. The bride received many beautiful gifts of silver, cut glass, linen and paintings, among which was a beautiful hand-painted satin cushion, the work of Miss Choquette, the groom's sister.

MARCOTTE-NOEL

A pretty and interesting wedding took place at St. Jean Baptiste Church Tuesday morning, the contracting parties being Miss Alma Noel, daughter of Mr. Alfred Noel, Council street, and Dr. Albert Marcotte, of Broughton. The bride was attended by her father, and the groom by his brother, Mr. Hilaire Marcotte, of Windsor Mills, the Rev. Father E. A. Noel, of North Hatley, performing the ceremony, which was witnessed by a large number of relatives and friends, among whom were Fathers Marcotte, Gagnon and Lanouette, of St. Charles Seminary, Dr. and Mrs. Noel, Mr. and Mrs. C. E. Therrien, Miss R. Fontaine, Holyoke, Mass., Miss M. Prefontaine, Misses A. and M. Boudreau, and many others. The church was beautifully decorated and illuminated for the occasion, and solos were rendered by Miss Evelyn Biron, who sang Sancta Maria in her usual charming way, and by Mr. Oscar Noel, of Boston, brother of the bride, who sang the Pater Noster, and also music by a choir composed of the Children of Mary. Prof. J. Oscar Cartier presided at the organ.

After the ceremony the guests repaired to the home of the bride's parents, where a sumptuous wedding breakfast was served, after which the happy couple took the 8 o'clock train for Windsor Mills, where they spent the day with the groom's parents, Mr. Hilaire Marcotte, and then left for St. Hyacinthe, Montreal and other places. They will reside at Broughton.

LEFEVRE-RAMSAY

The marriage of Miss Evelyn Ramsay, Murray street, to Mr. Arthur Lefevre, of the St. Pierre, Ltd., staff, took place Monday morning at St. Jean Baptiste Church, the Rev. Father Morin officiating. The bride was daintily gowned in white silk with veil, and bridal bouquet of white roses, and was given away by her father, Mr. Wm. Ramsay. The groom was attended by his father, Mr. Geo. Lefevre. After the ceremony the guests returned to the bride's home, where a sumptuous wedding breakfast awaited them. About thirty guests were present, and after attending the bridal party to the station several returned and remained for lunch with Mr. and Mrs. Ramsay. The bride, who is well known and a great favorite among the young people, received many beautiful gifts. The groom was the recipient of a gold watch and fob from his co-employees, and also of a handsome oak table from his uncle, Mr. Lefevre.

The happy couple left amid a shower of good wishes for their bridal trip to Holyoke, Mass., and Providence, R.I., and before taking up their residence on Murray street will spend a week with relatives and friends in St. Elie d'Orford and Shefford. The bride travelled in a dark brown tailored suit, with hat to match.

PATRIOTIC SOCIETY

A business meeting of the Patriotic Society was held at the home of Mrs. E. E. Bangs on Wednesday evening. About the usual number were present. It was unanimously decided that all officers be re-elected, namely: Mrs. Bangs, President; Mrs. C. L. Brown, Vice-President; Mrs. E. P. Lyon, Secretary; Mr. F. A. Johnston, Treasurer. The treasurer's report showed that over one thousand dollars had passed through his hands, the past year. A complete report of the work done here last year will be submitted later. Mrs. A. E. Fish kindly invited the ladies to meet with her Wednesday evening, October 18th and bring their knitting. The Society would like to find some way and means of interesting more ladies in the work. It is hoped that every member who cannot knit will learn, will also be present at Mrs. Fish's and bring a friend. If these knitting bees combined with business could be held every second Wednesday through the winter they might become helpful and profitable not only to ourselves but to our boys and to our country.

INVERNESS

The late Mrs. Thomas Davidson, of Inverness, Que., who died at her home on Sunday, September 17th, at four p.m., as previously reported, had been in failing health for about two years, but she was confined to her bed only ten days before the end came. She was born Annie Bain, daughter of Richard and Jennie Bain, in Quebec, June 28th, 1832, and was married September 4th, 1861 at St. Sylvester, Que. to Thomas Davidson, who died April 4th, 1881. Their entire married life was spent on the farm in Inverness. She is survived by her five children, Richard B. Davidson, of this place; Andrew F., of Thetford Mines; Mrs. J. E. Bailey, of Thetford Mines; Mrs. Wm. Bailey, of Lowell, Mass.; and Mrs. John A. McVetty, of Kinnear's Mills, all of which were at her bedside when she passed away. There were also three step-children, Mrs. Thomas Walker, Mrs. Jas. Wright, and Thomas Davidson, and also eight grandchildren. Mrs. Davidson was a devoted member of the Episcopal Church which she attended as much as she could. She was attached to her family and her home and was always a thoughtful and kind hearted neighbor, ready and willing to administer her kindness to all with whom she found in need.

The interment took place at Christ Church cemetery, where her body was laid to rest beside her husband.

THETFORD MAN DIES FROM INJURIES

John Belland Was Struck By Falling Rock in Asbestos Mine.

Thetford Mines, Oct. 11.—(Special.)—A workman named John Belland died on Monday as a result of injuries he sustained while at work in the Beaver Mines last Friday. At first his injuries were not considered serious, although he was taken to St. Joseph's Hospital. Complications, however, set in, and he passed away as above mentioned. At the time of the accident he was clearing away "loose" from the side of the mine, and was struck by falling rock.

To Cure Catarrhal Deafness and Head Noises

Persons suffering from catarrhal deafness and head noises will be glad to know that this distressing affliction can be successfully treated at home by a simple remedy that in many instances has effected a complete cure after all else has failed. Sufferers who could scarcely hear a watch tick have had their hearing restored to such an extent that the tick of a watch was plainly audible seven or eight inches away from their ear. Therefore, if you know someone who is troubled with head noises or catarrh, or catarrhal deafness, cut out this formula and hand to them, and you will have been the means of saving some poor sufferer perhaps from total deafness. The prescription can be prepared at home, and is made as follows: Secure from your druggist 1 oz. Parmitin (Double Strength), about 75c. worth. Take this bottle and add to it 1 pint of hot water and 4 oz. of granulated sugar; stir until dissolved. Take one tablespoonful four times a day. The first dose should begin to relieve the distressing head noises, headache, dullness, cloudy thinking, etc., while the hearing rapidly returns as the system is invigorated by the tonic action of the treatment. Loss of smell and mucus dropping in the throat, are other symptoms that show the presence of catarrhal poison, and which are often entirely overcome by this efficacious treatment. Nearly ninety per cent of all ear troubles are said to be directly caused by catarrh, therefore, there must be many people whose hearing can be restored by this simple home treatment.

Every person who is troubled with head noises, catarrhal deafness, or catarrh in any form, should give this prescription a trial.

Important Note: In ordering Parmitin always specify that you want double strength. Your druggist has it or he can easily get it for you. If not, send 75c. postal note or money order, to the International Laboratories, 74 St. Antoine St., Montreal, Que., Canada, and they will supply you.

LATE PTE. AUSTIN OF INVERNESS

Impressive Memorial Service Held for Young Soldier Who Fell in Action.

Inverness, Oct. 11.—(Special.)—The memorial service for the late Pte. W. F. G. Austin, of the 87th Battalion, Canadian Grenadier Guards, who died of wounds sustained on September 18, was held in the Presbyterian Church on Sunday morning, conducted by the pastor, Rev. J. M. Miller, and Rev. Mr. Adamson, of the Methodist Church. The edifice was well filled with sorrowing and sympathetic friends of deceased and the bereaved family. A very impressive sermon was delivered by Mr. Adamson, who took for his text: "It is but a step between me and death." 1 Sam. 20, 3.

The preacher said: These words are true in an important sense of every one. The frailty of our bodies, their exposure to contagion, the frequent simplicity of the origin of serious accidents cause us to believe that "Dangers stand thick through all the ground."

To push us to the tomb, And fierce disasters lurk around To hurry mortals home."

To certain classes these words especially apply. To those for instance, whose daily occupation exposes them to the gravest peril, as miners, fishermen in certain localities, those engaged in the manufacture of explosives, and soldiers. Then there are those whose own folly or vice exposes them to the greatest danger. That they escape so frequently is no doubt due to the great mercy of a long-suffering God.

There is another class, however, who face a violent death through no fault of their own, but rather as a direct result of their virtues. To this class belong Joseph, hated by his brethren; David, the object of Saul's envy; Elijah, threatened by Jezebel; Elisha at Dothan, Jeremiah, John the Baptist, Paul and all the apostles, our Lord himself and all the martyrs who followed.

David is a fair example. By his own cool courage and faithfulness to duty he won the admiration of the people in slaying the Philistine, thus bringing upon himself the frenzied jealousy of the king. Study him under such circumstances and we see one who is not afraid of the truth, but welcomes it. "What have I done? What is mine iniquity, and what is my sin before thy Father?" Self-examination is frequently a very helpful exercise. He is fully conscious of his position, and goes to his friend for help, showing us again a worthy example. Also we see that the best purposes of his heart are fixed and strengthened by this crisis. If any worthy end can be served by his death he is willing to die. Our highest destiny is not to live out any given number of years, but to do the will of God. Far better to obey the call of duty and lay down our lives in comparative youth as our young friend did, than to live to an advanced age in ignoble selfishness.

Francis William George Austin was born in the village of Inverness on the 24th day of June, 1894. He spent most of his life in and about his native town, and when at the age of about 14 the family were deprived of the help and counsel of the husband and father, "Frank," as he was familiarly called, took upon himself the main responsibility of maintaining the home. He acquitted himself nobly, proving himself to be an affectionate son and brother and a capable provider of the needs of the household.

He enlisted for overseas service in November 1915, and after spending twenty-six days in the trenches was killed by a wound in the thigh on September 18 last. The body was tenderly laid to rest in the quiet little village of Reminghelst, France, in a carefully marked grave by devoted comrades in arms. He was beloved by all who knew him, his cheerful courage, warm affection and fidelity to duty being an elevating influence upon those who were fortunate enough to form his acquaintance.

The deepest sympathy is extended to the loved ones left behind by many who loved and honored the brave young man for his noble qualities, and "He, being dead, yet speaketh."

At the close of the sermon Mr. Miller made a few remarks, referring to the noble character of deceased and dwelt upon the many ways in which Frank had from the age of 14 assumed the responsibility of the home and family. The hymns sung were: "121st psalm," "All unseen the Master walketh," "Peace, perfect peace," and "Asleep in Jesus." A solo, "No burdens there," was rendered by Mrs. J. M. Miller, and the choir sang "God will take care of you."

In front of the pulpit flags were draped, tied with black, surrounded by a bank of potted plants. In the center was a large floral pillow bearing the simple inscription, "Frank," given by a number of his friends.

The service throughout was impressive and beautiful in its sacredness and solemnity, and was appropriately brought to a close by singing the National Anthem.

"World-Wide" Goodyear

Has Made Possible the High Quality and Low Price of Goodyears—Made in Canada

THE ramifications of the Goodyear organization, extending as it does to the four corners of the globe, enable the Goodyear Tire and Rubber Co. of Canada, Limited, to offer Canadian motorists an automobile tire that affords the maximum mileage at the minimum cost. There are several reasons why this is so.

The very fact that our organization is world-wide places us in close touch with all the markets from whence come the raw materials that enter into the manufacture of tires. This enables us to make our purchases when and where they will be most economical.

Hence we are sure that at the beginning Goodyear offers the ultimate purchaser first cost at the lowest level.

"World-Wide" Goodyear means selling tires wherever automobiles are driven 90% of the motorists of the world are within 12 hours of a Goodyear Service Station. Such sales mean tremendous production to meet world-wide demand.

Great production means lower overhead and manufacturing cost on the individual tire—another saving for the owner of a car.

Like all manufacturers of high grade articles, the Goodyear organization is, and has been, striving to improve its product and thus protect its good name. With this end in view, fortunes have been, and are being, spent in experimental laboratories, officered by eminent chemists and engineers.

If confined to a limited production, this costly work would materially affect the price of tires. But spread over the production of all the Goodyear factories to meet a world-wide demand, this betterment toll fades into insignificance. "World-Wide" Goodyear offers better tires as well as lower price.

Goodyear Tires are made in Canada to the standard of quality that has created a world-wide call for this one brand. Were they imported from the United States (where they are the largest selling tire in competition with over 200 other brands) they would cost the motorist \$4 to \$11 more per tire. This saving is possible because the duty on raw materials is lower than on finished products. We import into Canada only raw materials.

Thus, because we manufacture in Canada, we are able to offer the same high quality tire as in the States, at a lower price than if it were imported. Many tires that are imported from the States sell in Canada at a higher price than Goodyears. In the States they mostly sell at a lower price than do American Goodyears. Yet they have not so great a sale.

If Goodyears give lower cost-per-mile in the States, where their initial cost is higher than competitors', they must give tremendously lower cost-per-mile in Canada, as compared with these same competitors.

Owners of cars equipped with Goodyear Tires made in Canada know that they give greater mileage. Thousands of testimonials tell us this. A few examples are given in this announcement.

Every mile you get from a tire above the average lowers tire-cost-per-mile. Note what mileage drivers have received from Goodyear Tires.

The Goodyear Service Station is the final link in this chain of value. There you will receive advice on the care of your tires. You will be warned of dangerous tread cuts. Your wheels will be tested for alignment. Your tires will be inflated to the proper pressure for the load you carry. You will be supplied with those things necessary to repair, and lengthen the life of your tires.

Goodyear Service Station service will help to make your decreased tire-cost-per-mile offset your increased gasoline-cost-per-mile.

Percy R. Lane, Lieut., O.C. Scouts and Snipers.

France, Sept. 23, 1916.

Dear Mrs. Austin: I have tried to write you I don't know how many times, but have given it up every time, and I don't know what to say now. I know that nothing I can say will help much, but I thought it might help a little to know that Frank wasn't wounded and left out to suffer as so many poor fellows are. One of our own lads saw him when he was hit and had him brought in immediately and then came for me, and you may be sure I wasn't long in getting to him. Everything was done for him that could possibly be done, but it was no use. Poor boy, he died that same night. He did not seem to suffer much, and like the hero he was, he never uttered a word of complaint. I thought you would also like to

know that he was not buried in an unknown grave, but was brought away back to a nice little town miles behind the firing line, where it is as peaceful as it is in Inverness, and buried by our own chaplain in a nice little cemetery. I am going to take a chance and tell you the name of the village, "Reminghelst." He has a nice cross with his name and address on it, so if any of his people ever come this way they can easily find it. I also wanted to tell you that I have his watch, pen, and his badges. I am going to send them to you the first time I have time to pack them safely. Well, I guess this is all I can say. Try and be as brave as dear old Frank was. I know it is a lot easier to say "be brave" than it is to practice it. But

remember I lost the best friend I ever had when you lost your son, so I have some idea what it means to you. Well, good-bye, and God bless you.

EUGENE MOSHER.

PROBABLE LINE-UP FOR FOURTH GAME OF SERIES

Weather is Again Clear And Cold And Large Crowd Expected.

(Canadian Associated Press.)

New York, N. Y., Oct. 11.—The weather for the fourth game of the World's Series is again clear and cool, but not so unseasonably cold as yesterday. The air is mellowed by a slight haze.

PROBABLE LINE-UP.

The probable line-up for to-day's game is as follows:—Brooklyn—Myers, c.f.; Daubert, 1b.; Stengel, r.f.; Wheat, 1.f.; Cutshaw, 2b.; Mowrey, 3b.; Olson, s.s.; Miller or Meyers, c.; Cheney or Marquard, p.

Shorten—Hooper, r.f.; Janvry, 2b.; Boston or Walker, c.f.; Hoblitzell, 1b.; Lewis, 1.f.; Gardner, 3b.

Scott, s.s.; Carrigan or Thomas, c.; Leonard or Shore, p.

INTEREST WELL MAINTAINED. New York, Oct. 11. Interest in the World's Series showed no signs of flagging to-day as the crowd gathered for the fourth game of the series and the second on the home grounds of the National League champions.

In fact the occasion was given an added zest for Brooklynites, their favorites having broken into the victory column and needing but to capture to-day's event to even up the series.

BROOKLYN WON THIRD GAME WORLD'S SERIES

Final Score Was 4 to 3. Play Was Full of Heavy Hitting.

Brooklyn won the third game of the World's Series yesterday. The game was full of heavy hitting, and both Mays, who started for the Red Sox, and Coombs, who opened for the Dodgers, were forced to retire in favor of Foster and Pfeiffer, respectively. The final score was 4 to 3.

Larry Gardner's home run over the fence was the feature of the game. It came in the seventh inning, with none on bases.

The Red Sox scored first in the sixth inning. After Thomas went out, Henrichsen, hitting for Mays, walked Hooper forward, tripping, scoring him; and after Janvry had failed to help matters, Shorten poked out his third single of the day, scoring Hooper.

The Sox's third run was Gardner's homer in the next inning.

The Dodgers started off with a rush. Myers was hit by a pitched ball, Daubert got his first single of the series, and Stengel's sacrifice advanced the men. Wheat was passed—but Mays pulled out of that hole when Myers was forced at home and Coombs fanned.

Brooklyn scored in the third. Myers did. Daubert and Stengel singled in succession and Daubert scored on Cutshaw's single after Wheat had fied.

In the fourth, Brooklyn scored again. Olson singled, went to second on Gardner's bad throw to third on Miller's sacrifice, and home on Coombs' single.

In the fifth inning, Brooklyn added two more runs at a crack. After Stengel had fouled, Wheat was passed, Cutshaw did. Mowrey was passed, and then Olson's triple scored Wheat and Mowrey.

Daubert tripled in the sixth, but died in attempting to make it a homer.

The attendance was estimated at 25,000.

EITLE OUTPOINTED JOE LYNCH IN 10-ROUND BOUT

(Canadian Associated Press.)

New York, N. Y., Oct. 11.—John Ertle, of St. Paul, claimant of the bantam weight championship, outpointed Joe Lynch of this city in a ten round bout here last night.

Ertle weighed 115 pounds and Lynch 116.

Jack Dillon of Indianapolis knocked out Sailor Grande of Philadelphia in the second round of a ten round match in Brooklyn. Dillon weighed 152 pounds and Grande 172 1/2.

LEVINSKY GOT DECISION OVER GUNBOAT SMITH

(Canadian Associated Press.)

Boston, Oct. 11.—Battling Levinsky of Philadelphia outpointed Gunboat Smith of New York, in a slow twelve round bout here last night.

Levinsky had the better of eight out of the twelve rounds and at the close of the contest Smith was bleeding at the mouth and his face otherwise showed the effects of Levinsky's hard blows.

The Board of Protestant School Commissioners of the City of Sherbrooke

Moved by Commissioner W. H. Wilson, seconded by Commissioner W. G. Cross, and resolved:

"That a special meeting of this Board be held on the twentieth day of October instant, at five o'clock in the afternoon, for the purpose of taking into consideration a resolution authorizing an application to the Quebec Legislature at its next session, to amend the Act, 4 George V., Chap. 80, by increasing the amount authorized to be borrowed from \$70,000.00 to a sum not exceeding \$1,000,000.00, and by increasing the rate of interest to a rate not exceeding 6 per cent., the monies realized from said loan to be used in paying existing liabilities, and such further improvements, extensions, additions and new buildings as have become necessary."

Public Notice is hereby given that a special meeting of the Board of Protestant School Commissioners, of the City of Sherbrooke, will be held at the office of the Secretary-Treasurer, 104 Wellington Street, Sherbrooke, on the twentieth day of October instant, at five o'clock in the afternoon, for the purpose of considering the matter referred to in the foregoing resolution.

Dated Sherbrooke, October 10, 1916.
C. O. PALMER,
Secretary-Treasurer.

NOTICE

This is to certify I have given my son Gordon E. Young, the remainder of his minority, and I will collect none of his wages, nor pay any of his debts after this date.

PUBLIC NOTICE

Is hereby given that all persons who owe to or have claims against the estate of the late Mrs. Thos. Connor (nee Bridget Duffy) must settle with the executor, John Muldoon, 90 Laurier Ave., or with Edward Boudreau, N.P., 87 Wellington St., Sherbrooke.

Germany Gets None of Belgian Relief

Conditions of Agreement with Neutral Relief Commission respected by Germany

When the Belgian Relief Commission was organized, Britain insisted that Germany guarantee not to touch a particle of the food imported by the Commission for the Belgians. This guarantee, given to the American business men who are the executive heads of the Commission, has been respected—probably because its violation would be reported at once and would rouse the whole neutral world.

So each contributor to the Belgian Relief Fund may feel perfectly sure that every pound of food which his money has helped to purchase, has gone directly to the Belgians.

No Dollars in the world are needed more—will be handled better—or will do more vital good—than the dollars which it is your privilege to give to the Belgian Relief Fund.

Whatever you feel you can give, send your subscription weekly, monthly, or in one lump sum, to Local or Provincial Committees, or

GERMANY CALLS UP HER OLD MEN

Military Classes Between Ages of 58 and 63 Called Up For Examination.

(Canadian Associated Press.) London, Oct. 11.—Reuter's Amsterdam correspondent quotes the Tageblatt of Berlin to the effect that examination of the military classes of 1870 to 1875 (men between the ages of 58 and 63) will take place this month in the province of Brandenburg, in which Berlin is situated.

The despatch says the order refers to all those who previously have been declared unfit for military service.

REINFORCEMENTS FOR IRISH DIVISION

Lord Lieutenant Says 30,000 Men Are Required Before Christmas.

(Canadian Associated Press.) Dublin, Oct. 11.—The Irish division at the front will need reinforcements of 30,000 men before Christmas, according to a statement made last night by Lord Wimborne, the Lord Lieutenant, in an address made at a banquet.

The Lord Lieutenant said that before the war there were 34,822 Irish Protestants with the colors and in the reserves. Since mobilization 92,404 Catholics and 62,391 Protestants had joined the army from parts of Ireland.

PUSH IRISH QUESTIONS IN HOUSE OF COMMONS

Government is Inconsistent With Principles For Which Allies Are Fighting.

London, Oct. 11.—Irish Nationalists at a meeting yesterday decided to make an effort to have the Irish question discussed in the House of Commons as early as possible. John Redmond was requested to give notice of the following motion and ask facilities for its discussion:

"That the system of government at present maintained in Ireland is inconsistent with the principles for which the Allies are fighting in Europe, and is or has been mainly responsible for the recent unhappy events and for the present state of feeling in that country."

STRIKERS AND POLICE CLASH

Four Policemen and 9 Rioters Wounded in Battle at Bayonne, N.J.

(Canadian Associated Press.) Bayonne, N.J., Oct. 11.—Practically all the police of this city are on guard about the plants of the Standard Oil Company, the Tidewater Oil Company, Bergen Point Chemical Works and Vacuum Oil Co., at Constance Hook, where four policemen and nine rioters were wounded yesterday afternoon in a battle between the police and 1,000 strikers. Two of the strikers are not expected to recover. The policemen were not dangerously hurt.

The police are armed with repeating rifles and shot-off shotguns, and most of them were entrenched early to-day before the yards of the Tidewater Oil Company, while the strikers and their sympathizers gathered a block away.

The rioting was an outgrowth of a strike of 1,500 employees of the Standard Oil works, which closed that plant, throwing 3,000 more men out. Six hundred men of the Vacuum Oil Company and 200 of the Tidewater Oil Company's employees joined the strikers. The strikers attempted by upsetting flat cars on the rails, whereupon the police charged them and the shooting ensued.

COURT OF KING'S BENCH

Wm. St. Jean Charged With Theft By Conversion.

J. R. COMPTON SAYS HE GAVE ACCUSED WATCH AS SECURITY FOR MONEY LENT.

The case of the King vs. William St. Jean, of East Sherbrooke, indicted for theft by conversion, commenced in the Court of King's Bench yesterday afternoon before Mr. Justice Hutchinson. Accused is charged with selling a watch which had been left with him by Joseph Remi Gilbert, also called Compton, as security for money lent.

The evidence of complainant showed that he had been advanced \$3 for which he was to return \$4. When he went to redeem the watch he found accused had disposed of it. Witness had some trouble before with accused in a similar transaction over a suit case and bag. He denied that he had sold the watch to St. Jean.

Several witnesses were heard and the case was continued this morning, when Mr. Belanger, K.C., commenced his address to the jury. Accused swears that he purchased the watch. It transpired during the evidence that the watch was only worth \$5 or \$6; it was a bad timekeeper and successive purchasers had polished it up and resold it at a higher figure each time.

The verdict is expected this afternoon.

CHAUFFEUR LOSES LICENSE

A. St. Lambert Also Fined \$25 And Costs for Operating Car While Intoxicated.

Arthur St. Lambert was fined \$25 and costs or 30 days in jail by Judge Mulvena this morning and his chauffeur's license was absolutely cancelled for having operated a car while under the influence of liquor in the streets of Sherbrooke. Defendant was arrested by the police at 10.30 last night and spent the night in jail. Morkill & Bissonnet laid the complaint in the case.

WILSON ANXIOUS OVER SITUATION

Convinced, However, That U-53 Did Not Violate Pledges Made by Germany.

Long Branch, N.K., Oct. 11.—President Wilson and Robert Lansing, his Secretary of State, had a conference last night which may have an important bearing on the future relations of the United States and Germany.

Mr. Lansing came to Long Branch yesterday in response to an urgent request sent to him by the President. While no announcement concerning the President's reason calling for Mr. Lansing to Shadow Lawn at this time was made, there was no concealment among those having knowledge of the matter that the President desired to discuss with the Secretary of State the new aspect given to the previous serious differences between the United States and German Governments over submarine warfare by the exploits of the U-53.

Prior to the arrival of Mr. Lansing at Long Branch the President had been studying all the reports received from Washington concerning the activities of the German submarine. Those who saw the President during the day were impressed with the anxiety he showed over the situation. The President, it is understood, had become practically convinced that the U-53 had not given cause in any of her attacks on merchant vessels for a claim that she had violated the pledges of Berlin that German submarine warfare would be conducted in future in accordance with the well-established rules of International Law.

NORWAY'S LOSSES AT SEA HEAVY

171 Vessels Destroyed Either By Mines or Submarines Since Start of War.

(Canadian Associated Press.) Christiania, Oct. 11, via London, Oct. 11.—Norway's losses at sea from the opening of the war up to Tuesday as the result of mines and submarines are 171 vessels of a total of 235,000 tons.

The vessels were valued at 84,000,000 crowns.

One hundred and forty sailors have lost their lives.

GERMANY SENDS REGRETS TO NORWAY.

(Canadian Associated Press.) London, Oct. 11.—Germany has notified Norway that she regrets the torpedoing of the steamer Sjolyst, which was sunk on April 9 while in ballast, according to a Reuter despatch from Christiania. Germany declares her readiness to pay full indemnity. This has resulted from the protest registered by the Norwegian Government.

The Norwegian steamer Sjolyst, 997 tons, was sunk without warning on April 9 by a German submarine off the French coast, northwest of Brest. The captain and crew were rescued by the British steamer Libra.

RAILWAYMEN MAY STRIKE

Winnipeg Despatch Says Great Brotherhoods of Canada Will be Involved.

(Canadian Associated Press.) Winnipeg, Man., Oct. 11.—There is very lively impression in railroad and labor circles that a strike involving the great Brotherhoods on Canadian lines is imminent. The basis is similar to that which very nearly caused a strike in the States recently.

Vice-President Grant Hall, of the C.P.R., has given out a statement, saying the Brotherhoods distinctly promised not force a strike during the war. The Brotherhood representatives assert they made no such promise; that they do not want a strike during the war, but that Canadian lines are as able to pay as much as American lines for the same labor and improved conditions.

The C.N.R. and G.T.P. will be forced to follow whatever action the C.P.R. may take as they are too weak financially to resist the Brotherhood demands.

Brotherhoods are now voting on the proposition to strike, in fact, Railway circles are preparing for trouble in the West.

COURT CASES AT THETFORD

Octave Roy Fined \$50 And Costs for Failure to Support His Wife.

TWO MEN ACCUSED OF STEALING CHROME IRON WERE DISCHARGED.

Thetford Mines, Oct. 11 (Special)—Judge Mulvena held a term of Criminal Court here yesterday. Demerise Tanguay vs. Octave Roy her husband for non support. This case was continued and a large number of additional witnesses were heard.

The Court upon objection raised by the defence rejected the deposition of the complainant taken at the previous term of the Court as not being admissible as legal proof against her husband under the provisions of the Canada Evidence Act. It appeared from the evidence that the defendant, who is the father of ten children and whose wife is infirm being partially paralysed and absolutely without means and unable to work, had disposed of his business and property and converted same into cash to the amount of \$7000 or \$8000 in order to deprive his wife of any recourse against him for maintenance. The evidence was very revolting concerning statements made by defendant about his wife and his intentions with regard to her. He was fined \$50 and costs or three months in the common jail at Sherbrooke.

THEFT CHARGES DISMISSED

Tancrede Labbe of Thetford vs. Alphonse Ouellette of Black Lake on a charge of theft of fifteen tons of chrome iron valued at \$18 or \$20 per ton. The case took up a large part of the day and in the end the Court dismissed the charge holding that from the evidence on account of the pourparlers which took place between the complainant and defendant about the disposal of this ore, that defendant had acted with color of right in having the ore coaxed and loading it on a car with some of his own, and moreover there was no proof adduced of attempt to defraud, both of which were essential elements of theft.

Tancrede Labbe vs. Francois Prechette of Black Lake on a similar charge under similar circumstances. In view of the previous decision complainant withdrew the charge of theft and the defendant was discharged.

There were 23 pairs of socks sent to the boys at the front in September.

The ten-cent collection for the month of September was \$10. The ladies of the Patriotic Society have a great many hospital shirts, bed jackets, sheets and pyjamas cut, and would be glad if some of the ladies of the village would volunteer to take these articles home and do the stitching. It is difficult to do this at the hall, and the articles are needed very much.

SHIBUILDING ON INCREASE IN BRITAIN

253,000 Tons More Now Under Construction Than That of a Year Ago.

(Canadian Associated Press.) London, Oct. 11.—A substantial increase in merchant shipping under construction for the three months ending October 1 is reported by Lloyd's. The report shows that on October 1, there were 469 vessels building, representing a total of 1,789,054 tons.

This represents about 249,000 tons more than the amount under construction at the end of the previous quarter, and 235,000 tons more than that building a year ago.

Gathering ROSE QUESNEL Native Canadian Tobacco

Bringing the Tobacco leaves to the drying barn.

About 30 days after the tops have been removed the tobacco plants show yellow spots on the leaves and the veins become brittle. The crop is then ready to be harvested and the planter is careful to secure it before any autumnal frost occur, for the plant is among the first to feel its injurious influence. Judgment is also required in cutting the plants, and this operation is consigned to the best and most judicious hands employed in the culture. Each person so employed being provided with a strong sharp knife, proceeds along the respective rows of plants, and selects only such plants as appear fully ripe, leaving the rest a short time longer. After being cut, a half dozen leaves are spiked on a stick set in the earth so that the leaves will wilt. This requires from 4 to 5 hours during favorable weather and then the crop is hauled to the drying barn. Particular care is exercised in handling the leaves not to damage or bruise them in any way. It is no wonder then, that tobacco produced by such scientific and improved methods of culture is of such fine texture and color, and possesses such invaluable smoking qualities that it is often taken for imported tobacco. It is this tobacco which enters into the making of
