

President - Ayrshire Breeders' Association Of Canada

ARCHIE ROY, Howick, who was elected President, Ayrshire Breeders Association of Canada at the recent annual meeting of that body. Mr. Roy is owner of Balquhider Farm at Howick and maintains a herd of 70 registered Ayrshires.

Archie Roy, Balquhider original Howick Ayrshire Farm, Howick, Que., has been significantly honoured in his being appointed President of the Ayrshire Breeders' Association of Canada for the year 1968, by his fellow directors of that Association, in virtue, it might be said, of his 7 years of devoted service as a director of same.

However, in addition to the services he has rendered that Association as a director and member of its Executive Committee, Archie Roy also has to his credit, a record of many more years of outstanding service to the Ayrshire breed of cattle, particularly in his own native district, the Howick, Huntingdon Ayrshire Club area.

Archie Roy is the second and only surviving son of the late R. J. ("Bob") Roy, founder of the longtime Balquhider Ayrshire herd, like wise an ardent worker for the Ayrshire cause. Archie is therefore an Ayrshireman born and bred, likewise a breeder of same for a considerable part of his lifetime; first one of the two sons of the firm of R. J. Roy and Sons of Balquhider and finally for the past decade or so as his father's successor in the ownership of Balquhider Farm and Ayrshire herd. Incidentally, the other son, Donald, died several years ago. It may also be mentioned that as the result of his union with the former Miss Helen Muir, likewise the product of another old time Ayrshire cattle family, Archie Roy has a most efficient, charming helpmeet at Balquhider.

He was one of the original (Chateaugay Street) just outside the town limits, at about

FIRE JUST OUT OF TOWN SUNDAY

On Sunday, February 18th, Huntingdon Firemen were called to a fire on Route 4 (Chateaugay Street) just outside the town limits, at about

ELDERLY MAN ROBBED OF \$1,200 BY HOLD-UP MEN

It would appear that two persons were involved in a hold-up and robbery early in the morning (5:15) on Wednesday, February 14th and got away with \$1,200.

Albert Gauthier, age 80 lives at the 1st Concession of Hinchinbrooke with his brother and was sleeping in his bed. It is supposed that the two men came into the house by the back door and into the bedroom where the old man was. One of them put a blanket around the victim, while the other conducted a search for the money. He eventually found it, an amount of \$1,200 and they departed. The old man was not harmed, but was in a state of shock.

EDUCATIONAL WORKSHOP

The first meeting of the Directing Committee charged by the general assembly of parents with drawing up a project to implement continuous progress in Huntingdon Academy was held on Thursday, February 15th. Twelve out of thirteen members were in attendance.

Mr. A. M. Brookman, Principal of the Academy and Mrs. Eric Rottensten were unanimously elected as Chairman and Secretary respectively, of the Directing Committee.

The other members of the Committee are Mrs. Norman McLean, Mr. Ken Scott, Mr. Don Davidson, Mr. Otto Bower, Mr. M. Clouston, representing the parents, and Mrs. Stanley Ruddock, Mrs. S. Leaman, Miss A. Howie, Mr. Ronald Greenbank, Mr. S. Sandbrook and Mr. John Watson, representing the teachers.

The principal items on the agenda consisted of a series of guidelines for recommendation to the General Assembly. These concerned the meeting dates of the Directing Committee, length of term of office, eligibility, quorum, etc. These and other suggestions relevant to the General Assembly of parents will be presented for the approval of that body at a meeting the date of which is yet to be determined.

One of the major difficulties was the selection of meeting dates for the Directing Committee. In a body of thirteen people, most or all of whom are engaged in various other community functions, it was not easy to find dates on which everyone is free. After much discussion, however, it was decided to meet again on February 29th, March 21st, and thereafter on the first Tuesday and third Thursday of the month.

ROBBERY AT VALDO BOWLING

On the night of February 16 and 17, someone broke into Valdo Bowling on Fairview Road. They entered through a window and stole money from the manager's desk; broke all the automatic vending machines and took money from them. Altogether they got about \$100. Damage was done to about \$200. Provincial Police are still investigating this case.

6:25 p.m. I was located in a garage operated by Gaetan Senecal of Huntingdon and was of cement block construction. Cars in the garage were got out and only tools and accessories were left. The amount of the damage is estimated at about \$2,000. The building is owned by Mrs. Sylvio St-Onge. Three streams of water were used to bring the fire under control.

World Day Of Prayer At St. Joseph's

World Day of Prayer is to be held at St. Joseph's Roman Catholic Church this year. The annual service for women "World Day of Prayer" will be held Friday, March 1st, at 2:30 p.m., at St. Joseph's Roman Catholic Church, York St.

The service prepared by Mrs. Rathie Selvaratnam of Ceylon, Chairman of the Asian Church Women's Conference, has a world theme, "Bear One Another's Burdens."

This day is perhaps the only single event where women from all over the world come for Fellowship and prayer. All women and children of the community are invited to attend this service which will be held in English and French.

Family Members in the Tragic Fire at Howick

The photos which we publish here this week of the members of the family in the tragic fire at Howick a week ago, show them to be a really fine group which makes the loss even more tragic. There is no doubt but what it is a distinct loss to the community for all members were so young.

Jennifer Champ, age 24, eldest of the family, who lost her life.

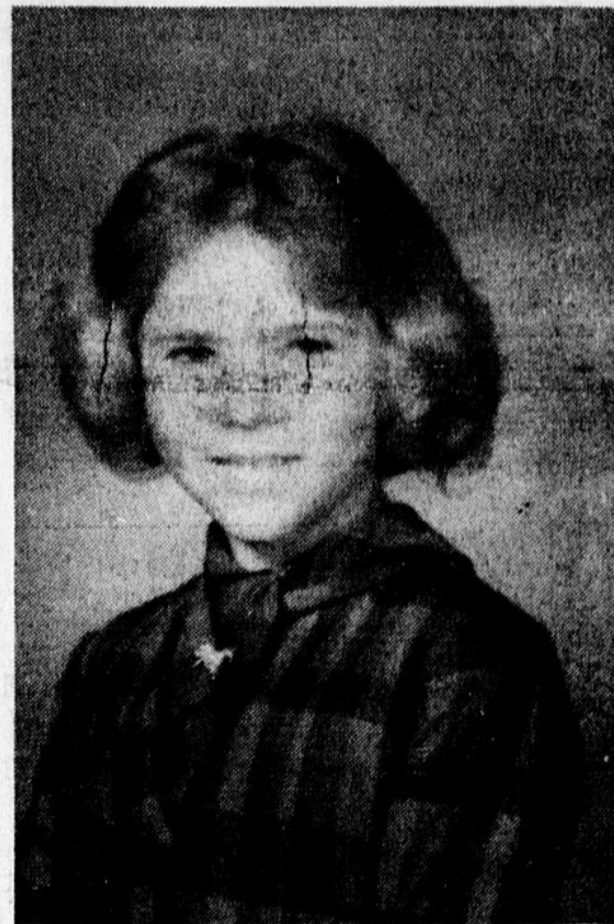

Stephen Champ, age 17, also a victim of the tragedy.

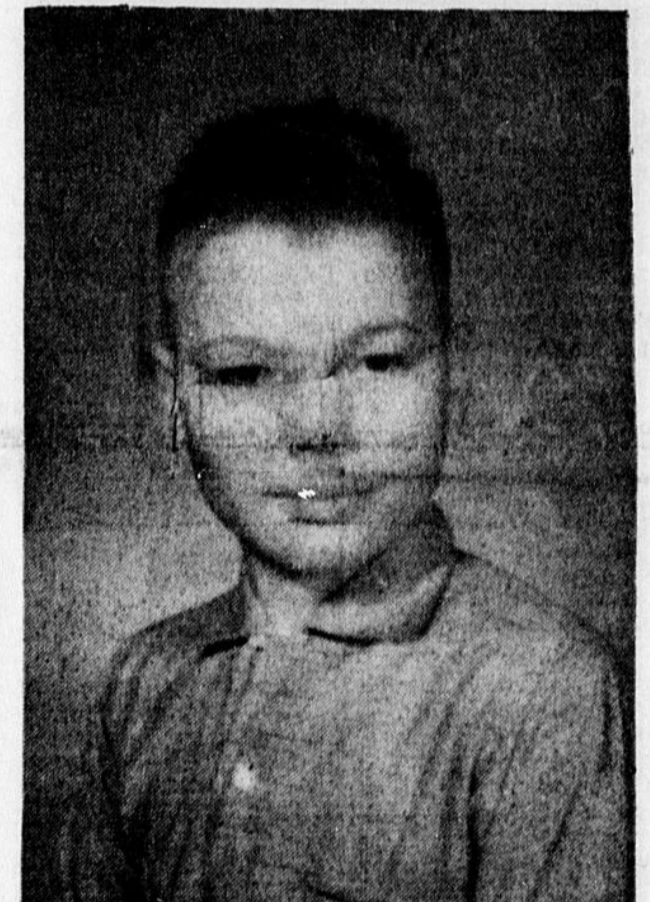

Above is Allan Champ, daughter Jennifer and wife Joan (Mrs. Champ). This photo was taken in England a number of years ago for Jennifer's age is given now as 24. She and her father were both lost in the fire, Mrs. Champ was saved.

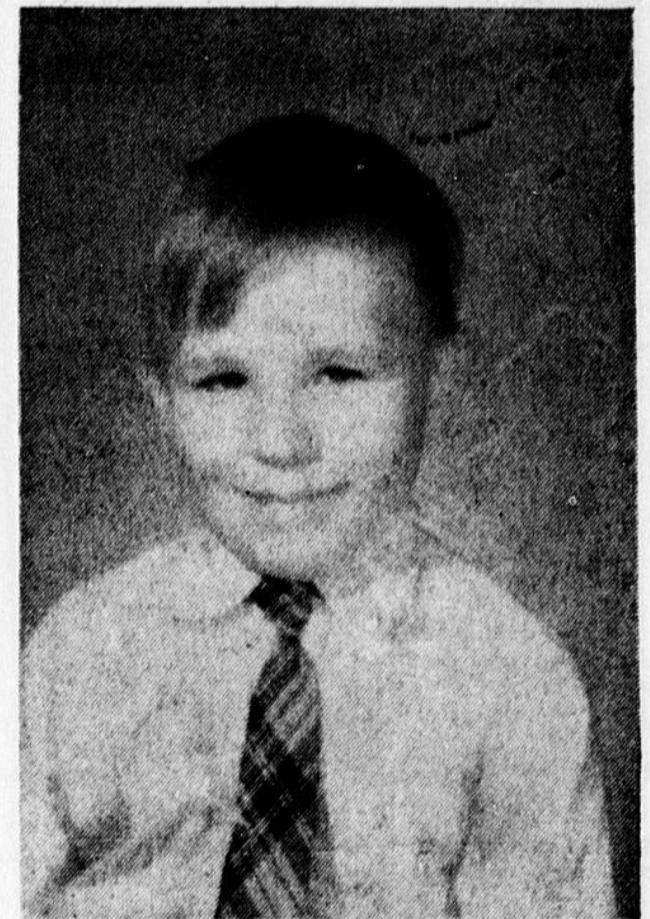

Other victims of the fire are shown in the above photograph. In the front row they are from left to right: Dennis, age 8; Janice, age 5; on extreme right Joanne age 3. Others in the photograph are standing: Grandma Champ and Mrs. Allan Champ. The taller boy in front is Brian who has already been mentioned.

Cheryl Champ, age 13, another victim.

David Champ, age 15, died in the fire.

Brian Champ, age 10, also lost his life.

1000 People Attend Funeral At Georgetown Presbyterian Church For Fire Victims

Approximately one thousand relatives, friends and neighbours gathered at the Georgetown Presbyterian Church at 2:30 p.m. on Wednesday afternoon for the funeral service of the late Alan Richard Champ and his eight children who perished in the tragic fire which demolished their home on Sunday morning. This ends the story which began when the Howick Fire Brigade answered a call at about 3:15 A.M. on February 11th.

We will probably never know just what caused the fire, although several theories have been suggested. What seems to have happened is that Mr. and Mrs. Champ were awakened, and Mrs. Champ and the baby escaped into the sub-zero weather, while Alan perished in a vain attempt to save the other children. In a moment the whole building was a raging inferno, and the Fire Brigade could do nothing to stop it, hampered as they were by the high winds and the extreme cold. Neighbouring Fire Brigades came to their assistance, and their help was a factor in the work of containing the fire, and in the recovery of the bodies. This C.J.A.D. and Mrs. Michaelnoon, and it was not completed until noon of the following day.

Photographs as required above may be obtained through The Gleaner at nominal cost. Make your arrangements early.

Alan Richard Champ was born at Cote des Neiges, Montreal, February 17, 1920, the third son of Mr. and Mrs. Richard Champ. He was a veteran

of the Second World War, where he served with the Princess Louise Dragoon Guards. He was wounded, and in hospital for 6 months. While overseas, he met and married Joan Calcutt of Manuden, England, and they were married at St. Mary's Anglican Church, Manuden. After the War, in 1946, his wife and their baby daughter Jennifer came to Canada, and the family lived at Melrose Avenue, N.D.G. They moved to Howick in 1955. Alan was a Founding Member of the General Crerar Branch of the Royal Canadian Legion, Montreal. At the time of his death he was employed as a Service Manager for Cummins-Ferrault, car dealers, Montreal.

Jennifer Marilyn, the oldest daughter, was born July 9, 1946, at Bishop Storfury, Essex, England. She came to Canada in 1946, and attended schools in Montreal and Howick. After finishing her schooling she was employed by the Bell Telephone Co. in a Montreal office. She was a remarkable young woman who unselfishly and joyfully gave of her spare time and earnings to the family. Her zest for life overflowed into the family as they worked, played and sang together. A whole lifetime of love and devotion seemed to be packed into these few years they spent together.

Stephen John was born at N.D.G., Montreal, 18 February,

1951 and was in Grade XI in the C.V.R.H., Ormstown. David Edmund Graham was also born at N.D.G., December 3rd, 1952, and he was taking Grade IX at the C.V.R.H., Ormstown. Cheryl Mary was born in Montreal, December 25, 1954, and was in Grade 7, Howick Elementary School.

The other children were born at Howick: Brian William Denis on April 24, 1957, attending the Howick Elementary School, in Grade 5; Denis Robert, born February 17, 1959, was in Grade 3; Janice Sarah, born December 29, 1961, was in Kindergarten.

Joanna Charlotte, born September 17, 1964, had not yet started to go to school. The children lived joyously, in harmony with neighbours, families and friends with whom they studied, swam, skated and played games. This characteristic impressed the mothers of all the children who knew them intimately. Even the little children showed an instinctive love for beauty, as their teachers and others who worked with them learned. They were all talented musically, with fine voices, and they were gifted with intelligence of a high order.

The older children always enjoyed the summer holidays in the Lachute area when they were younger, and several of them were baptized by the well beloved Canon Baugh. The remains were brought

from the McGerrigle Funeral Home, Ormstown, to the Georgetown Presbyterian Church on Wednesday, February 14th, 1968, at 2:30 p.m. where a Community Service was conducted by the Rev. John S. Anderson, minister at Howick United Church, assisted by the Rev. Garcia Jaanotte, Curé at the Roman Catholic Church, and the Rev. William M. Brown, minister at Georgetown and Riverfield Presbyterian Churches. A combined choir sang "The Old Rugged Cross", and the congregation joined in the singing of "The Lord's My Shepherd". The organist was Mrs. W. Logan.

In his sermon, the Rev. Anderson spoke movingly of this community in mourning — of the sense of grief that ignored generally recognized artificial barriers. In his reference to Mr. Champ and the children, Mr. Anderson reminded the large congregation of mourners that each of them would have enshrined in their hearts, memories that would not quickly be forgotten. He also drew attention to the tragedy's lesson, that despite man's best laid plans, the vicissitudes of human existence often result in the cutting off of life — "This day thy soul shall be required of thee." His main text, John 3:16, spoke of God's sending his only begotten Son "To show the way. To BE the Way, for us to achieve fulfillment." Rev. Anderson's conclusion offered the comfort of Christ, a Christ ready to gather up and sustain in love those fallen upon the thorns of life. The wisdom of his sermon, eloquent in its simplicity, accomplished much in lifting the hearts of a grief-stricken community of children and adults.

Palbearers for the flag-draped casket of Alan Champ, were Cecil Youngie, Ralph Reddie, Clifford McCaig, George Stonehouse, Charles Wright, Clarence Baird — all members of the Royal Canadian Legion, Howick and Ormstown Branches. Bearers of the second casket were students from the Chateaugay Valley Regional High School — Leonard Elvidge, Tommy Aldridge, Kenny Gillies, George McArthur, Gordon Sheridan, and Chris Ness. Interment was in the Georgetown Cemetery.

Among those who attended the funeral were an official delegation from the Chateaugay Valley Regional High School, Principal E. Y. Templeton, Vice-Principal J. C. Murray, Mr. Beel, Home Room Teacher for Grade XI, and Mrs. Fris for Grade IX; also three representatives each from Grade XI and IX, and the Student Council. Principal William White and the Staff from Howick Elementary School, Sister Lucienne Boileau, Principal, and Mrs. E. Patenaude, Vice-Principal of St. Jean School, with Grades 6 and 7, as well as many other students from the Protestant Schools.

Caledonian Society Want A Lassie To Be Queen Of Scots

The Caledonian Highland Games Committee Chairman, Rev. Alan G. Hasson announced recently that the search has begun for a Queen of Scots to grace the Gala event.

Each girl must have Scottish ancestry — not much, but enough to put a swaggle in her step as she steps out in the kilt. She must be between 17 and 24 years old, appear in the kilt, may be married or single, and be prepared to talk as she is interviewed on Radio and T.V., and by the Press. Being Scottish she'll be photogenic, and the preliminary entry is by a glossy photograph taken in 1968, full length. These entries should be sent to Queen Of Scots Contest, The Caledonian Highland Games, Windsor Hotel, Montreal.

The winner will receive a prize a fortnight's holiday in Scotland during the month of July at the expense of the Caledonian Society. She will fly via Air Canada to Prestwick, Scotland, and live at one of Edinburgh's finest hotels. The Queen of Scots can take one escort to Scotland with her on the holiday, whose travelling and accommodation will also be part of the prize.

The deadline for all entries is midnight March 22nd, 1968. From these entries, six finalists will be chosen and they must appear in the Windsor Hotel on Tuesday, March 26 at 5 p.m. for the final choice of the Queen of Scots.

The Queen of Scots must be a resident of Quebec, and the Caledonian Society plans to have the Queen of Scots travel to Ottawa, Toronto, and Ormstown to promote the Caledonian Highland Games. The judges will be Diane Turner, Women's Editor the Montreal Gazette, Colonel J. A. Harper, President of the St. Andrew's Society, Dave Patrick of Radio Station C.J.A.D., and Mrs. Michaelnoon, and it was not completed until noon of the following day.

Photographs as required above may be obtained through The Gleaner at nominal cost. Make your arrangements early.

Mr. Bob Petch Speaks On Recent Trends In Education

The following is a brief resume of a talk on education given by Mr. Robert Petch to the Hemmingford branch of the Women's Institute on Feb. 7, 1968.

The theme of this meeting was "Education" and the teachers of the Elementary School were guests of the branch. Mr. Petch is immediate Past President of the Chateaugay Valley Teachers' Association and now teaches in the new Regional School in Ormstown.

Mr. Petch chose as his title "My Thoughts on Some Recent Trends in Education in the Province of Quebec."

"This discussion will prove to be at best only a summary of some of the highlights that have occurred in our province during the 'sixties'. I intend to give a short resume of certain of the main Acts in the evolution of education in our province. Lastly I will do my best to show you how the various segments of the population will be affected by these changes."

He went on to explain briefly the recent educational reforms in Quebec which have been based on the findings and recommendations of the Parent report, established by parliament in March, 1961, Bill 60, which was passed in May 1963, established the Department of Education and Youth and the Superior Council of Education, in accordance with the recommendations of the Parent report.

Operation 55, which was started early in 1964, resulted in the regionalization of the entire Province into fifty-five Roman Catholic and nine Protestant Regional School Boards. A brief history of the founding in April 1965 of the Protestant Regional School Board of Chateaugay Valley, and the subsequent planning of the two regional high schools now in operation was given by the speaker.

Regulation 1 legislation, passed in May 1965, was explained and how it has spelled out a revolution in elementary and secondary education. The underlying philosophy of Regulation 1 is based on the fact that children differ greatly in ability, interests, personality, aptitudes and rates of achievement, as well as emotionally and socially.

"The reorganization of our educational system is child centered instead of subject centered." The main purpose of all the measures proposed is to ensure a balanced education for each child by enabling him to progress at a rate which suits his aptitudes and personality.

The elementary course of study shall extend over six years. Promotion to the secondary course becomes obligatory after seven years. Under exceptional circumstances, a pupil may be promoted to the secondary course after five years if he is deemed suitably qualified.

Various aspects of Regulation 1 were discussed by the speaker, including classification of pupils into groups according to ability, examinations conducted by the Department of Education in the subjects of English or French as the case may be, and Mathematics for pupils who are completing the elementary course.

The speaker briefly touched on the subject of Bill 25, a controversial piece of legislation which was passed by the government in February 1967. Some of the things dictated by this bill:

1. - It reduced the power of the local school boards. 2. - Salaries of teachers were frozen for a certain length of time while other sectors of the population were getting increases of up to 33%. 3. - School boards could not effectively bargain with their teachers.

4. - Elimination of the right to strike by the teachers. 5. - Uniformity of the salary scale throughout the province. At the regional school there will be two cycles.

The First Cycle Grades 7 and 8 - possibly for 3 semesters per year. This will consist of an exploratory set of courses so that along with guidance the pupil can have some idea of what to specialize in for the Second Cycle of high school in Grades 9, 10, 11. The second cycle will include the subjects as at present for the university bound child. In addition to these courses technical and vocational courses will be provided for approximately 80% of the school population which are not university bound. In this latter field there will be many options for the student

to choose from. When high school is finished, what then for our children? We arrive at yet another revolutionary stage of our educational system. The new system of "Gate Schools" or "Institutes" or CEGEPS as they are termed in French. The present French "Institutes" or "Classical Colleges" will be phased out to become CEGEPS next year. There are 12 functioning now but none in English. We will be permitted to continue with Grade 12 but by 1970 Grade 12 will be finished. The Montreal Institute of Technology will function for 1 and possibly 2 years for English students but will be phased into a CEGEP. After 1970 in order to enter a university in Quebec - French or English - a student must spend 2 years in a "Gate School" and pass certain requirements. These "Institutes" or "CEGEPs" are to replace the first year of university and the present day technical school.

"And now, where does this change leave us; i.e. the student, the teacher, the administrator, the parent, the school board, the government, and the taxpayer. Now some of us might find ourselves in more than one of these categories. 1. - The student - as mentioned before he should definitely be the gainer in all this change. With the course being child centered and the proper guidance he should be fairly well prepared to earn a living.

2. - The government - it has taken over virtual control of education as it now controls most of the purse strings and intends to take over more of them. We all know that the one who pays the fiddler calls the tune.

3. - The importance of the local school board is dwindling very quickly as they lose control of the tax money. Their only function will soon be over the curriculum needed in their area and even this will be limited if they fall out of favour with the government.

4. - The parent is supposed to be consulted more and more regarding the education of his child. However, I sometimes wonder how effective this will be as education becomes more complicated and I think that the parent will feel less competent in discussing the problems concerning his child's education.

5. - The administrator will be expected to do more by the government, the parents, school boards, and teachers and at the same time many of his areas of control are being eroded. He will have to be an excellent tight rope walker to succeed in his position.

6. - The taxpayer will be expected to pay more and more. The reasons are simple: a) - more years are spent by an individual in schooling than ever before. b) - The cost of aids to teaching has risen - in the shops, trades, etc. - Cost of upkeep of the buildings and transportation. d) - Rising costs of the teaching staff.

7. - With the child centered approach to education it will be necessary for the teacher to be better trained than ever before, this training in effect will never end, i.e. summer schools, in service training. This is necessary because the areas to be covered will be greatly enlarged as the child starts becoming interested in new discoveries in various fields."

After hearing this informative talk the president carried on with the business of the evening. The members were in favour of sending the family Herald to our adopted patient in the Douglas Hospital. Mrs. R. Petch convener of Education read titles to be given to children for Public Speaking County Finals to be in Hemmingford April 5. Plans for the School Fair next fall were made. It was decided to let other groups such as Explorers, Cubs and Scouts, etc. exhibit their projects and prizes given. Also the new grade one and students leaving to go to Regional School.

Mrs. G. Marlin reported a letter had been received from Korea thanking us for the Christmas Stockings. Any members wishing to take part in the play, which the Institute hopes to produce, please contact Mrs. L'Esperance. Articles were read on the F.W.I.C. The Status of Women and Shopping Carts give a distorted picture.

Ormstown Rites Held For Tancrede Parent

Tancrede Parent, 58, of Ormstown, Quebec, brother of Mr. Joseph Parent of Chateaugay, formerly of Fort Covington, died January 23rd at the Riton Hospital, Papi-neauville, Que. He had been in ill health for the past two years.

Born in Ormstown February 16, 1910, he was a son of Gilbert Parent and Delvina Sauve Parent, and spent most of his life there except for a few years he lived in Chateaugay.

Surviving are three other brothers, Charles, Albert and Gerard of Ormstown, Que.; one sister, Mrs. John Remillard of Chateaugay, and several nieces and nephews. Funeral services were held in St. Malachie Church, Ormstown, on Friday, January 26th. Burial will be in the family plot there in the spring.

Dundee

During Sunday morning worship in Zion United Church, Mr. Charles Carpenter proudly displayed the new lectern he had received as a gift the previous Sunday from Montreal West United Church. The Clerk of Session, Mr. Douglas Ottar, presented the lectern on behalf of the congregation, and Rev. Stanley Gibson, their pastor. It will be a bridge of friendship between the two churches. The Scriptures will be read from this lectern which is placed at the front of the church on a level with the people, thus bringing the minister in closer fellowship with his listeners.

Bill Fraser spent the weekend in Quebec City with his uncle and aunt, Dr. and Mrs. Peter Kozak. At the same time he attended the Quebec Winter Carnival. Barbara Fraser from Montreal, spent a recent week-end at her home here.

Mr. Bill Presley of Ottawa, spent the week-end with his grandparents, Mr. and Mrs. T. W. Stowell. At present Mr. Stowell is ill in the Huntingdon County Hospital. Best wishes for his recovery to good health.

Barry and Jessie Fraser of Macdonald College spent the week-end at their home here. Mr. Bill Presley of Ottawa, spent the week-end with his grandparents, Mr. and Mrs. T. W. Stowell. At present Mr. Stowell is ill in the Huntingdon County Hospital. Best wishes for his recovery to good health.

Barry and Jessie Fraser of Macdonald College spent the week-end at their home here. Mr. Bill Presley of Ottawa, spent the week-end with his grandparents, Mr. and Mrs. T. W. Stowell. At present Mr. Stowell is ill in the Huntingdon County Hospital. Best wishes for his recovery to good health.

Beaver

Much sympathy is extended to Mrs. Royce Beattie in the death of her mother, Mrs. Alice M. Marshall McDougall, who passed away at the Pleasant Valley Nursing Home, Ormstown, on Tuesday, February 13th.

Mr. Douglas Cleaver of St. Laurent was a week-end guest of Mr. and Mrs. F. G. Sherrington, Sr. Mr. and Mrs. Robert Sherrington and four children of Maritana were Sunday guests at the same home.

Mrs. John Durkin, Jimmy and Jane of Lake Placid, spent the week-end with Mrs. Ernest Tucker and James. Mr. and Mrs. J. A. Clinton of Ste. Agnes de Dundee, were Sunday guests of Mr. and Mrs. Herbert Clarke.

Mrs. Lisie Watterson explained from Dorval for Florida on Monday morning, where she will meet her brother, Mr. Allan Sutton and cousins. They expect to return by car the latter part of February.

LAURENTIAN CHINCHILLA RANCH WINS TOP PRIZES

Gentlemen: We thought you might be interested in publishing report pertaining to the Annual Live and Pelt Chinchilla Show, Quebec Branch, National Chinchilla Breeders of Canada.

As you may be aware, the Chinchilla industry has been the ground of much abuse in recent years partly through unethical high pressure promoters who have been selling substandard, low grade breeding animals at inflated prices, and partly through the inexperienced of ill informed owners who would be running a gold mine when acquiring one or two pairs of these animals.

In the last 4 1/2 years, we have been trying to build up a modern, efficiently run operation using the latest methods in animal husbandry and putting this type of fur farming back into proper perspective. Like in all other livestock operations, there is no such thing as "get rich quick" with chinchillas, however, hard work combined with proper application of animal husbandry, a balanced diet, good housing and ranch management is now making it possible to successfully raise chinchillas in large quantities.

On February 4th, we entered the 10th Quebec Live and Pelt Chinchilla Show at the Provincial Government Artificial Insemination Center in St. Hyacinthe to compete against some of the best United States.

Furthermore, Laurentian Chinchilla Ranch obtained 6 - 1st. Place ribbons in Med. Light, Medium and Med. Dark colours; 4 - 2nd. Place; 3 - 3rd. Place and also the Reserve Grand Show Champion trophy for the Medium Colour champion of the show.

We are now preparing to participate in the Canadian National Show to be held in Vancouver beginning of March where we shall show our animals against the top ranchers across Canada and the United States.

Rockburn

There was a good attendance at the Sunday morning service in Rockburn when the Scouts and Cubs attended in a body. Glenn Norman and Kevin Dickenson assisted Mr. Campbell Smythe in the service by reading the scripture lesson. Mr. Smythe preached an interesting and impressive sermon. Brent Waller and Ivan Robertson lifted the offering.

Mrs. Florence McCormick is at present spending her vacation in Florida, where she is enjoying the mild temperatures and bright sunshine. We are pleased to report Mrs. Harold Frier, who was a patient in the Royal Victoria Hospital, Montreal, undergoing tests, was able to return to her home on Tuesday last.

Mr. Robert Currie of Montreal spent the week-end with his parents, Mr. and Mrs. Walter Currie. Mr. Douglas Cleaver of St. Laurent was a week-end guest of Mr. and Mrs. F. G. Sherrington, Sr.

Mr. and Mrs. Robert Sherrington and four children of Maritana were Sunday guests at the same home. Mrs. John Durkin, Jimmy and Jane of Lake Placid, spent the week-end with Mrs. Ernest Tucker and James.

Mr. and Mrs. J. A. Clinton of Ste. Agnes de Dundee, were Sunday guests of Mr. and Mrs. Herbert Clarke.

Mrs. Lisie Watterson explained from Dorval for Florida on Monday morning, where she will meet her brother, Mr. Allan Sutton and cousins. They expect to return by car the latter part of February.

chinchilla ranchers from the Province of Quebec and Maritimes. The judges were Mr. Eric Gunther of Hamilton, for 15 years secretary of National Chinchilla Breeders of Canada, one of the world's foremost authority in chinchillas, and Dr. Maurice Cloutier of the Quebec Department of Agriculture. The animals were judged in 5 colour classes ranging from Light - Med. Light - Medium - Dark Medium to Dark, as to clearness of colour, fur density and strength, veiling and coverage, size and overall conditions. We are very proud indeed to have won the First Breeder Award with the highest aggregate score of 114 points.

2nd. Place - Dorval Chartrand, Masson, Que., 94 pts. 3rd. Place - G. Girard, Asbestos, Que. (60 points). 4th Place - K. Marshall, Moncton, N.B. (54 points). 5th Place - Trepanier, Quebec City, 49 points.

Furthermore, Laurentian Chinchilla Ranch obtained 6 - 1st. Place ribbons in Med. Light, Medium and Med. Dark colours; 4 - 2nd. Place; 3 - 3rd. Place and also the Reserve Grand Show Champion trophy for the Medium Colour champion of the show.

We are now preparing to participate in the Canadian National Show to be held in Vancouver beginning of March where we shall show our animals against the top ranchers across Canada and the United States.

TWINKLING LIGHTS

I'm looking from the window Through the evening gloom I see there are no stars to-night Nor yet a moon But as the darkness thickens Small twinkling lights appear I watch them grow and quicken As they did in yesteryear

The twinkling lights the tiny lights That mark each one a home Send out their message through the night To all who pass or roam They say you're not a stranger here When these small lights you see For each one shows where heartease grows And shine from sea to sea

The wee lights the bright lights Fling their beams across the snow Its chill without but warm within Beside the hearth fires ruddy glow And so across the snowy waste This message goes to all who roam As through the dark shines each tiny spark Which means the light of home.

FATHER JOHN J. DURNIN IS DEAD

Father John J. Durnin passed away on Monday, February 12, 1968 at the Montreal Convalescent Hospital after a long illness.

Father Durnin was born in New Erin in 1897, the eldest son of John Durnin and his wife, Matilda Feeny. He received his early education at the New Erin school and in Valleyfield and his high school education at the College of St. Laurent in St. Laurent. He studied for the priesthood at the Grand Seminary in Montreal where he read Philosophy and Theology. He was ordained on May 29, 1926 and celebrated his first Mass at St. Joseph's Church in Huntingdon. His first appointment was to St. Aloysius Church in Montreal, where he spent 14 years, followed by a spell at St. Agnes Church and five years at St. Michael's, Montreal. He was named to the Resurrection of Our Lord Parish in Lachine in 1947 as pastor where he served until his retirement in 1966.

The body was in repose at the Raoul Bourgie Inc. Funeral Parlor, Lachine. On Thursday the body was transferred to the Resurrection of our Lord Parish Church where a Requiem Mass was sung on Friday, February 16 at 10 a.m. Then the body was brought to St. Joseph's Church in Huntingdon, where a second Funeral Mass was said at 2:30 p.m. Interment was in the family plot in St. Joseph Cemetery.

Pallbearers were: Arthur Feeny, Cecil Murphy, Donald Feeny, Patrick Feeny, Charles Sherry and Maurice Feeny. Father Durnin is survived by four brothers, Richard W., Bernard C., James T. and Francis R. Durnin all of Huntingdon.

Obituary Late Andrew A. Allen On February 6th., 1968, a funeral service was held in Howick United Church for the late Andrew A. Allen of Aubrey, Que., who passed away suddenly on February 3rd. The service was conducted by the rector, Rev. John Anderson with Rev. Wm. Brown of Riverfield Presbyterian Church participating. Although the weather was stormy, the church was filled by his numerous friends. Interment was at Riverfield Cemetery.

Mr. Allen was born on his father's farm at Norton Creek and operated this farm until last March, when he sold it and retired in Aubrey Village. Mr. Allen was a Mason of Glenora Lodge No. 86 of Ormstown. He served as governor of the Barrie Memorial Hospital and on the School Board of Howick for several years. He was a keen sportsman enjoying fishing, rifle shooting and curling. He was past president of the Aubrey and Riverfield Curling Clubs. The late Mr. Allen is survived by his wife Mrs. Maud Walton Allen and a brother Alfred (Fred) of Howick, Que.

ANGLICAN CHURCH WOMEN MEET IN MONTREAL

The Annual Meeting of the Montreal Diocesan Board of the Anglican Church Women took place on February 6th and 7th at Anglican House in Montreal. Mrs. Raymond Stote, Mrs. Fred Bolton and Mrs. Anthony Reid attended as delegates from St. John's Church, Huntingdon. The sermon at the opening service was given by the Reverend Peter Hennen who spoke on the theme of the meeting, "Person to Person." This was also the topic of the opening session, the Rev. Canon T. D. Somerville.

As well as annual reports and special devotions, the meeting had a session of folk hymns, a panel discussion on problem areas in family life, a play illustrating trouble in personal relationships in the church and a film dealing with the individual's attack on community problems. The final evening had reports from the Education Department. The chairman, Mrs. J. H. Childs, is also the incoming president. The speaker for this final session was Dr. Harriet Christie, principal of United Church Covenant College, Toronto, who related the Person to Person theme to the position of the church in the world.

Mr. John Kirby, the retiring president, spoke on the pace of change in the organization, which she saw as increasing in the years immediately ahead.

From all over the world letters and news reports are flowing in about The Caledonian Highland Games, the "Scottish Exposition" that is going to make ORMSTOWN, OUR TOWN for the day of Saturday June 29th. of this year. Even at this early date, we have more entries than we received in the previous three years combined. Pipe Bands and Dancers of great fame are coming to grace our Games. My original estimate of 40,000 people will have to be revised upwards to 50,000. If you have never experienced the awesome impact of Massed Pipe Bands playing Scotland the Brave or The Road to the Isles, then you are in for an experience which will turn you on as no psychedelic chemistry could. Let others take the Low Road trip - we advise you to take the High Road to Ormstown and you'll be in Scotland without leaving Quebec. Your eyes will revel in the glorious tartans, while your ears are absorbing the sound and the fury of the Big War Pipes playing the tunes of glory. Frankly, we intend to brainstorm you in the fierce nostalgia of exiled Scots, whose loyalty to Canada remains unlimited.

Admission is free for children, and there is a complete programme of activities for children only; consequently, every member of the family can eat, drink and be merry at Ormstown where a friendly welcome is being extended to you by the people of the town and the Chateaugay Valley area. Despite my obvious Scottish prejudice, I can heartily recommend that you give yourselves an exciting and unusual picnic on Saturday, June 29th, by absorbing the Caledonian Games at Ormstown. The profits from these games are going to help charitable causes. Service clubs and organizations who would like to sell our tickets in advance at some advantage for themselves are asked to contact the undersigned by phoning 423-0391. Next June comes soon - Make the day plan your play - Help Ormstown Be Our

Covey Hill

COVEY HILL - Mr. Brent Sutherland spent the week-end at the home of Mrs. A. L. Stewart and Miss W. E. Stewart. Brent has his Pilot's license, the previous Saturday he and three of his friends flew around here before returning to Cartierville.

Mrs. Fergus Moore has taken up Nursing again at the Barrie Memorial Hospital. We welcome to our community Mr. and Mrs. Pomier and daughter, now living in the Brooks-Alexander home. Miss Margaret McAllister, and Mr. Glen Finlayson, spent the week-end with her parents Mr. and Mrs. Jas. McAllister. Little Miss Debbie Beattie will be staying with Mrs. Jas. McAllister, her governess, while her parents are vacationing in Florida.

Church Service was cancelled on account of Saturday's storm. Little Miss Kimberly Sample, will be celebrating a birthday soon. 2 years old, Happy Birthday, Kim. Mr. Thos. Gowdrey spent Friday in Ormstown with his brother George, who is feeling better.

Mr. and Mrs. Aaron Churchill and family were recent guests of Mr. and Mrs. Basil Fraser, St. Lambert. If you have any news for the Gleaner, please call 247-2516. Thank you.

Alan G. Hasson, Chairman, The Caledonian Highland Games.

A Message From The Chairman Caledonian Highland Games

Downs Fyre and Ding

By FRANK NAPIER

Superior Breeders' Association meet the minimum requirements of the plan. However, 24 of the cows in the herd have to their credit Freed Class Averages of 151 for milk and 153 for fat. Also 6 of them have been classified Excellent; 15 Very Good and 3 Good Plus.

Two sires, North Downs Glow's Sir Burton and Selwood Viceroy, played a prominent part in the development of the herd, and so it is that there are 9 daughters of Glow's Sir Burton and 7 daughters of Viceroy in the qualifying group. Also including several dam-daughter-granddaughter combinations. For instance there is North Downs Bonnie Jean, Excellent, with over 134,000 lbs. milk to her credit, and her three daughters and two granddaughters. The B.C.A.'s of those 6 cows average 161 milk, 175 fat.

Bill Ness

However, while Eric Craddock takes a keen, active interest in all that pertains to his North Downs herd and extensive North Downs Farm, we feel sure that he would agree with us that a considerable degree of the success that has been attained has been due to the careful, practical management and herdsman'ship of William ("Bill") Ness.

North Downs Farm

Eric Craddock, owner of North Downs Farm of Aurora, Ont., is one of Toronto's leading businessmen, who, in addition to his credits in that connection, is certainly deserving of all the credit that can be given to him for his espousal of the Ayrshire breed of cattle over several decades. During that era, the North Downs Ayrshire herd has attained a very high rating, not only as one of Toronto District Ayrshire Club (which covers several counties) area herds but also of the Province of Ontario in general. In addition to its high rating in a breeding and production way it has always figured highly in a showing way at the Toronto District Red and White Shows, the Western Ontario Red and White Championship Show, in addition to winning a considerable number of awards, over the years, at the C.N.E. and the Royal Winter Fair.

However, with further reference to the Superior Breeder Award, the milking herd is comprised of 31 cows, and such being so, in order to qualify for the award, it was necessary that 23 of the said

GOOD ATTENDANCE AT HOCKEY TOURNAMENT

Hugh Colson Honoured

Those who are acquainted with him, and they are legion, will rejoice in that the Holstein-Friesian Association of Canada has honoured Hugh J. Colson by conferring upon him its Certificate of Superior Accomplishment. An honour which has only been conferred upon seven others for outstanding service to the Holstein breed of cattle.

In making the presentation, at the time of the annual meeting of that Association, held February 14, 1968, George M. Clemons, Secretary-Manager, and himself a former recipient of that honour, said, in part:

"Hugh Colson richly deserves this recognition. It is difficult to estimate the value of the contribution made by the Journal to the Holstein breeders of Canada. There can be no question that the excellence of the Journal over a long span of 30 years has been due in a very large part to his complete dedication to the job. Some people work hard to make a lot of money, Hugh Colson has worked hard just to satisfy himself with the results. Our industry and our Association owe a deep debt of gratitude to Hugh Colson for 30 years of creative effort on our behalf."

Personally, say that it is most gratifying indeed that the Holstein Association has thus recognized the inestimable, invaluable services Hugh J. Colson has rendered to same, has thereby honoured himself.

Our personal, long time pleasant acquaintanceship dates back to a decade or so before he assumed the Editorship of The Holstein-Friesian Journal. That is, to the time he joined the now defunct Farmer Magazine of Toronto as its Livestock Editor and Livestock Representative in the field, following his graduation, with the B. Sc. Agr. degree, from the O.A.C.

HIGHLIGHTS OF HOLSTEIN BREEDERS' ANNUAL MEETING HELD AT TORONTO

As usual there are so many highlights in connection with the annual meeting of the Holstein-Friesian Association of Canada, held at Toronto, Ont., February 14, that it is quite a difficult task to pick out the most important of same, and then condense to fit the space at our disposal. However, here are a few such as gleaned from the Press-releases in connection with that meeting.

This 85th annual meeting of that Association was chaired by President Hardy Shore and his opening address reads, in part: "Agriculture is changing very rapidly; each year brings newer methods and the need for greater productivity on our farms. In this race for increased production to keep ahead of high costs of operation, we should not lose sight of the need for correct dairy type. The cow required to keep the dairyman in the breed in ability for high production, plus the conformation to stand this high rate of production for many lactations."

In concluding his address, he said: "One of the great problems facing the dairy industry is the increasing threat from synthetic and substitute products. It is evident that dairymen must spend a much larger amount of money on the advertising of their products if they hope to withstand this new challenge."

Secretary-Manager George M. Clemons reported: "In 1967, the members of the Association enjoyed the best year in history. While there was a significant drop in the number of transfers of ownership, prices were at a very high level and the demand was pressing the supply at all times. With registrations at a new high and participation in breed improvement programs attaining record levels, the only major problem in the affairs of the Association is the steadily increasing cost of operation which is common to all businesses today."

"Exports received the widest distribution in history, going to 23 different countries. The Extension Service Committee reported that 1967 surpassed all previous years for selective Registration with 39,525 head classified, a gain of 14 per cent over 1966, the highest previous year. "However," says the report "the picture is not quite as rosy for Record of Performance."

Probably one of the most debated resolutions that has been presented in a considerable number of years to a Holstein meeting was a recommendation that Red and White Holsteins be registered as purebred. It was finally decided to put off any action

Eight outstanding Holstein bulls were recognized with the award of a Class Extra certificate, and, says the report, "a most unusual feature was that three of the certificates were presented to Dr. R. G. Smiley, Manager of Eastern Breeders Inc. Artificial Breeding Unit at Kemptonville, Ontario, the first time that any one organization has received three such certificates at the same time. Eastern Breeders Inc. sires so honoured were: the Excellent sire, Seiling Rockman; the Very Good sire Lassic Leader and Rosafé Pontiac Jupiter.

GOOD ATTENDANCE AT HOCKEY TOURNAMENT

The Huntingdon County War Memorial Arena was a bee-hive of activity all day Sunday, when the Huntingdon Minor Hockey League presented the Huntingdon Little Winter Olympics. This day of winter sports was organized by the directors of the Minor Hockey League who received very much appreciated help from many local people.

The many fans who were in attendance enjoyed Pee Wee Hockey, Bantam Hockey, Girls Hockey, and even an Old Timers Game. The Pee Wee tournament was won by the youngsters from Ormstown, who were too much for the Huntingdon boys, defeating them by a four to one score in the final. In earlier games, Ormstown had won five to nothing over another Huntingdon team, and the Huntingdon team that lost in the finals won out over St. Regis three to two in the third overtime period.

The Bantam tournament had teams from Hemmingford, St. Regis, Ormstown and two from Huntingdon. The number two team from Huntingdon were the winners, defeating Ormstown three to two in the finals. In earlier games, Hemmingford, and St. Regis, the game with St. Regis was one of the best seen at the Arena this year. Huntingdon winning out by a three to two score. St. Regis won their

Organized hockey for the young boys of our community, has proven that this kind of recreation was really needed in our midst. Nearly 150 boys have been playing their favorite winter sport under the management of instructors who gave many hours of their time to this cause. Those men deserve the appreciation of all concerned.

97th ANNUAL MEETING OF AYRSHIRE BREEDERS

At this time of writing we are not fully aware of all or any of the resolutions, etc. passed by the 97th Annual Meeting of Ayrshire Breeder's Association of Canada, held at Holiday Inn, near Toronto, Ont., on February 15, 1968.

However from several Press releases in that connection it was gratifying to learn that, at the directors' meeting of the following day, A. Chio Roy (Alquidder Farm, Howick) was elevated from the Vice-President to the President by his fellow directors. Also the Vice-President is William G. Reid, Reidell Farm, Ashburn, Ont. The other members of the Executive Committee being W. Clarence Mann, Peterborough, Ont. as Immediate Past President;

Secretary-Manager J. Douglas MacKechnie reported increased prices, more sales and a record number of new production records, during the past year. Prices at all reported auction sales increased \$55 per animal in comparison to 1966, and \$120 more than the 1965 average. As well as higher prices, more sales were made as compared to 1967, up 2 per cent from 1966 and 12 per cent above the 1965 level. During the past three years, memberships have held high level with a total of 1,469 in 1967.

Officers elected for the year 1968 are: L. H. McCaul, Nanawake, Ont.; President; Marland Murray, Martintown, Ont.; 1st Vice-President; B. M. Trenholm, Grand Pre, N.S.; 2nd Vice-President; Abner B. Martin, West Montrose, Ont.; 3rd Vice-President; Curtis Clark, Carstairs, Alta.; 4th Vice-President; together with Hardy Shore, Glanworth, Ont., Immediate Past President and G. M. Clemons, Brantford, Ont., Secretary-Manager.

During 1967, says Mr. MacKechnie, 524 herds completed lactations on official R.O.P. list. Almost 36 per cent of all Ayrshire herds are on R.O.P. list, the highest of any breed in Canada.

The Breed Improvement Advisory Committee reported that during 1967, 5,101 animals in 387 herds were classified, the highest number on record.

Editorial Notes..

Caring For The Retarded To Care For Themselves

SINCE it was first decided to do something about the retarded children of our area, much has been accomplished and we have come a long way in a short time. Some so-called children are really adults in actual age and they should be advancing into a stage where they can be trained in a workshop practice. None of the children when they were first recruited by the Gai Valley school had very much idea of anything. Some were educable, or trainable, and Mrs. Lowenberger and the other teachers with her have done a yeoman job in this short period of a few years. A number of our handicapped are now capable of doing several things and of telling colors. Some are making little articles with materials supplied. A few of the children are in a special class at Ormstown with a special teacher, which shows the progress they have made.

To say such progress has taken a few years, may seem a long time to people who have all their faculties but when dealing with this type of handicapped person, it has been a real accomplishment. Furthermore, these people have bettered themselves by having the opportunity of obtaining this help. They could have been around their homes, or in an institution and have learned nothing. It is therefore encouraging to the committee which is looking after this work, and to the teachers who are actually caring for the children to see the progress being made.

It must not be forgotten that but for the monetary assistance given by generous people in and around the Chateaugay Valley, such progress could perhaps not have been reported. Still more assistance is required to keep this program operating and providing these unfortunates with this much needed help. Indeed some of them may turn out to be quite useful citizens if other phases of the program can be followed in due course.

In a sense, the retarded person grows older much faster than the normal one. That is to say the retarded child takes

longer to learn what is taught and it takes a great deal more patience to teach. Thus a little accomplished in a year is really a major feat, but the age of the person increases faster in comparison to the normal child. It is thus that a retarded child who has gained a reasonable amount of knowledge is perhaps in adulthood and should in the ordinary way be earning a living.

Another phase in the education of retarded persons is what is known as a sheltered workshop. This is where they can be taught to do certain useful things from which they obtain an amount of gain, or payments. Once these people have mastered doing something they will continue at it and enjoy doing it. The task is usually something that a manufacturer wants done and is willing to pay to have done. Instead of doing it in his own place of business it is done in the sheltered workshop. If may perhaps be something done by a few hand operations or be something done by a few simple and safe operations on a machine.

The Huntingdon group of retarded has several such persons of adult age, who with a little training are capable of doing something of the type mentioned above. With the right facilities and the right help something of this sort might be started and then these people and others who will follow could become wage earners and useful citizens and have a purpose in life.

Once the ordinary type of learning has reached its capacity there is not much more that can be done, so what happens? Are these people sent back to their homes to do nothing? With the continued help of the supporters this need not happen. A sheltered workshop plan could be set up and some sort of work obtained for these people to do.

It is something to think about that having done so well so far, that perhaps we should proceed a bit further and do a still better job. Your contributions to the Gai Valley School will help to bring this about

A Replica Of Expo - Man And His World

THERE is no doubt that Expo '67 made a hit last year. It brought to Montreal and to Canada many dignitaries besides the millions of visitors from near and far. It became the most talked of thing but there were people who saw only small parts of it and some none at all. From the glowing accounts of others those who saw little or none, wished there was the opportunity to see more. Time however closed in and in due course this great exposition closed.

Mayor Drapeau of Montreal, a prime instigator in having Expo '67 in Montreal, began to think over its success and toy with the thought that perhaps it could be continued as an annual attraction. Even before Expo closed several of the pavilions owned by various countries had been given to the City of Montreal and still more have been presented since. We believe a total of 40 such pavilions have been donated. Mayor Drapeau went further and held meetings as to his idea and got the backing to go ahead. In consequence, the exhibition will be opened again this year in May under the head of "Man And His World".

We do think that it will be an attraction for Montreal and that there will be many local visitors as well as tourists. We cannot see how it can be as spectacular as the last year's model which of course was on a larger scale and was scheduled to draw many foreign dignitaries for reasons other than the exhibition itself. It was Canada's 100th birthday year. Also in this connection there were many great performances staged there that probably can-

not be reproduced as they were strictly of a Centennial nature in honor of Canada's birthday. Many of these attractions were put on at the cost of the governments and other sponsors and at no cost to the exhibition itself. Yet they did provide special attractions which caused more visitors to attend on these special days.

With these thoughts in mind "Man and his World" will hardly provide as much as did Expo '67. In other words it will operate on a smaller scale. The part then that has surprised us most is that the admission price set is the same as that which prevailed for Expo '67, i.e. \$35 for a season ticket, or passport, if bought on or after the opening, or a reduction to \$20 if bought now or soon, with a slightly higher price the nearer it is delayed to the opening date.

Our feeling is that the price is a little high as compared to what is being offered now to the original. Of course perhaps people will feel it is reasonable at that, we are just comparing value for value received. We do feel that the whole thing is much more of a gamble than the original. Mayor Drapeau has set his sights for an overall total of 5,000,000 patrons as against 50,000,000 for Expo. We do not know what expense there might be in making Man and his World ready for opening and in maintaining it. There is not likely to be government subsidies to help out this time. One thing, we understand, it has been decided that food prices will be moderated and that

SUGAR AND SPICE

by Bill Smiley

DR. SMILEY'S REMEDY

Well, the old 'flu bug, or something equally virulent, hit me on the weekend. This column comes to you via gobs of aspirin, hot toddies and sheer will-power.

Sunday morning, I woke up feeling like a mackerel. Not just out of the sea, fresh and quivering. No. One of those that have been gutted, packaged, frozen and then cooked over a hot fire and re-frozen and re-cooked.

My wife had several theories, as usual. First, I had a hangover, plain and simple. There's no such thing, but I reminded her that we'd spent the previous evening quietly watching television and fighting as usual. Proof positive came when she offered me a hair of the dog and I recoiled in horror.

Next, she decided I was going through the change of life, with those hot and cold flushes. I pointed out that my breasts hadn't grown, and that I wasn't growing any more hair on head, face or legs, which have always been like an Alredale's. She was discomfited.

Finally, she proclaimed it was food poisoning, because Kim and I are always thawing fish and stuff and then refreezing it, for some reason. Obviously I'd had bad fish. Turned out we'd had steak all fresh.

Couldn't convince her that I might have the flu, which has been knocking people on their keisters for weeks at a time around here, all winter. That's because I never get sick. Or rather, I'm half-sick all the time, but never take a day off.

When I do, about every three years, she panics and starts demanding to know where the insurance policies are. I never have a clue, so I just groan and say, "Leemee-lone!" which increases her anxiety problems, which are already Grade A.

Whatever it was, I take back all my public and private utterances about people who've had the 'flu this winter. In public, "Pampering yourself. Take some whiskey and an aspirin." Of, to myself, "What a slacker. Do anything for a few days off work."

I didn't have a headache. I wasn't sick at the stomach. I didn't have a sore throat or the sniffles or the sneezes. But I haven't felt like that since October, 1944, when five burly Germans set about me with fists, boots and rifle-butts, for some trifling crime which I can't even recall.

And I took the same escape this time that I did that time. I read. That time, after they cooled off, the Germans brought me a couple of books. But I lay there, in a box-car, on a siding in the Utrecht station-yard in Holland, and read Upton Sinclair. Since I was a dangerous criminal, my wrists were wired together, as at

is where Expo '67 lost some money. It is not known what transportation system will be used in the grounds, probably buses will be operated. It is early yet to form a true opinion, so we must wait for the visitors' reactions

were my ankles. There were no handcuffs. It took some physical manoeuvring, and I could see out of only one eye, but I read. And the pain faded away. About the third night, the Feldwibel in charge actually brought me a tin of poisonous coffee and we talked, in a garble of English, German, French. We had only the most rudimentary idea of what the other chap was talking about, but it bucked me up. I think he felt better, too.

It was about the same last week-end. I read. I could read for only about ten minutes at a shot, without halting. But amidst the fever and the cups of coffee proffered by my personal, local Feldwibel, I reread "The Last Enemy" by Richard Hillary, and the new "And Now Here's Max", by Max Ferguson, CBC and free-lance radio comedian.

Hillary was a young Englishman, Oxford, upper-class, golfistic, self-centred, who realized through his own suffering (he was shot down and 'terribly burned) man's inhumanity to man, the universality of suffering. It was his only book. He was killed later in a night-fighter. It took me back into a world of training and night-flying and Spitfires that was like re-living in an epoch.

Ferguson's book is concisely funny, but it is funny. And both writers are individualists who offer some hope to all the rest of us, who fear we are being ground between the upper and nether millstones of the twentieth century.

Get the flu. Read. Simple. Toronto Telegram News Service

LETTERS TO THE EDITOR

Robert James Clarke, Athelstan, Huntingdon County, Quebec.

February 17th, 1968.

An Open Letter to the Publisher, The Huntingdon Gleaner, Huntingdon, Quebec.

Dear Mr. Howden:

Do I Read You Correctly?

I presume that the photograph of "The Albert Chartrand Family, New Erin," which appears under your main head on page 3 of the Gleaner of February 14th, 1968, to wit — "Mr. and Mrs. Albert Chartrand (seated) of New Erin are shown above with their sons and daughter. Standing right to left are: Philippe, a member of the R.C.M.P. stationed in the Quebec region; Raymond, a doctor engaged in research work and their comparisons with the original, then we shall be made aware of success or failure. Meantime, we understand that a number of local people who attended last year are already planning to purchase season passports for Man And His World.

More Enter Liberal Leader Race

IT was officially announced the past week that The Honorable Elliott Trudeau, Justice Minister in the Federal Government, had decided to enter the contest for candidate as leader of the Liberal Party in Canada.

This was not wholly unexpected and it gives Quebec delegates at least two contenders for which to cast their support. There are now eleven candidates whose names will go before the convention scheduled for April. Only one can be elected and judging by the recent Progressive-Conservative convention, this will be an even bigger job.

We hark back to the days of Louis St. Laurent, one of the finest Prime Ministers of our time and a Canadian of French descent. He did a splendid job of governing the country with impartiality and fairness to all. No question arose as to his racial status because all thought of him as a Canadian. If we could have another Louis St. Laurent today, could we dispel this separatist feeling that has come about of late? Would Trudeau be the answer?

He has not exactly won the love of our Premier Daniel Johnson by some of his recent remarks, but does he have to do that? The fact that he is of the Liberal forces would be enough to disqualify him in that direction. In seeking a leader for Canada in today's scene, we have to be broadminded and we may have to put poli-

Huntingdon Locals

Huntingdon County Hospital Notes
The Huntingdon County Hospital gratefully acknowledges the receipt of donations in memory of Mr. C. H. McLean, \$14.00 from friends and \$10.00 from the Royal Canadian Legion; in memory of Mrs. Elizabeth Hamilton, \$5.00 from Unit 7 of the United Church Women; in memory of Mr. Gilbert Macmillan, \$10.00 from Mr. and Mrs. Wilfrid Grant and \$5.00 from Mrs. Madeline Dempsey and in memory of Mr. James McDonald of Liverpool, N.S., \$10.00 from the co-workers of Mr. Cecil Brown.

Mr. and Mrs. Gordon Mc. Clenaghan, Nancy and Kenneth of Lacolle visited during the week-end with Mr. and Mrs. H. A. MacMillan.

pital: Alderic, proprietor of a hotel at St. Polycarpe; Léo, proprietor of a garage at Ormstown, and Marcel, a controller in the R.C.A.F. stationed at Ste. Foy, Quebec, and the individual requesting a permit to operate a tavern at 45 Chateaugay street in Huntingdon, and whose name, appears in a Quebec Liquor Board — advertisement, on page 6 of the same issue of the newspaper — is one, and the same person, namely, Mr. J. Albert Chartrand — Yes or No?

If my assumption is correct, then — permit me to ask you a few more questions:

(1) — Does the Gleaner support the application of the applicant?

(2) — Why did the Gleaner publish the photograph of the Albert Chartrand Family?

(3) — Why did the Gleaner publish the Quebec Liquor Board — advertisement, and the photograph of the Albert Chartrand family, (which, incidentally, is not a paid — advertisement) in the same issue of the newspaper — If It Was Not Meant To Influence Good Will?

If, the Gleaner is in favour of having another tavern in Huntingdon, then I suggest that they — Speak Out! Don't straddle the fence, nor engage in artful expediency. Remember, this is 1968. Furthermore, your readers are not easily duped. Yours truly,

Robert James Clarke.

"POSTSCRIPT — I should tell you where I stand on this matter. I am not prejudiced against the applicant — Mr. Chartrand, nor am I prejudiced against the granting of this particular permit, because I do not believe that there is a need for another tavern in Huntingdon. R.J.C.

Ed. Note — We concur with Mr. Clarke that another tavern is not required in Huntingdon; however, the fact that a picture and an advertisement appear in one and the same issue does not mean that we are or ever will be in sympathy with anyone wishing to open another local tavern.

Miss Jessie Hinton and Mr. Clifford Boyd of Montreal, were guests on Thursday at the home of Mr. and Mrs. James Ferns.

Miss Helen Donnelly of Saranac Lake, N.Y., spent the past ten days with Mrs. Mae O'Connor and with her sister, Mrs. Mary Myre.

Cards of Thanks

I wish to express my heartfelt thanks to all our many friends, neighbours and relatives for their kind expressions of sympathy and for giving their help at the time of the sudden death of my dear husband.

Maude Allen

WITH APPRECIATION

We wish to express our most sincere thanks and appreciation for kindness and sympathy shown to the family of the late Richard Alan Champ. To the members of the Howick, Ste. Martine and Chateaugay Valley Volunteer Fire Departments; also to the local Quebec Provincial Police for services rendered; to the United Church Women's group, Red Cross and local business establishments, who so generously gave of their time and facilities. "We Will Remember", also the Royal Canadian Legion and Howick School, Chateaugay Valley Regional High School for their assistance and to those we cannot thank in person for their kindness in this most trying time.

Harry, Bill Les Champ and Families

Sincere and grateful thanks to all the kind people who helped in any way during and after the disastrous fire, when I lost a dear son and eight wonderful grandchildren.

Mrs. Richard Champ

I wish to express my sincere thanks to Dr. McGrimmon and Dr. Cameron for their kindness to me; also to the nurses and staff for the excellent care I received while a patient at the Huntingdon County Hospital. Thanks to all those who sent me lovely get-well cards and gifts. All was very much appreciated.

Mary Crowe

I wish to thank all my relatives and friends for cards and visits, while I was a patient at the Neurological and Royal Victoria Hospitals, also the Franklin United Church for the lovely flowers received.

Ross M. Fraser

Sincere thanks from all at my home, to Aubrey-Riverfield V.I. for their kindness in sending us a large Valentine box of delicious jellies, jams, cookies and fruit breads.

Mrs. Vi. Preston

We wish to thank our friends, neighbours and relatives for their many acts of kindness during our recent sad bereavement and also for the many messages of sympathy, flowers and visits.

Morris and Greta McLean and family, Edward and Lillian McLean and family, Vera, Lorne and David Fennell

We wish to express our sincere thanks to all our relatives, friends and neighbours who have sent messages of sympathy, floral tributes, donations to the Barrie Memorial Hospital and the Cancer Society and who have assisted during our recent sad bereavement. A special thanks to the entire staff of the Pleasant Valley and Ormstown Convalescent Homes for their constant and personal attention given our mother, Alice McDougall, while a patient there, and to all kind friends who helped brighten her days over the long years of illness.

Eric, Calvin and Milton McDougall, Isabel Neely, Thelma Lang, Ruth Beattie

In Memoriam

DEAR — In loving memory of a dear mother, Christina, who passed away February 26, 1965 and a dear father, Harry, who passed away December 7, 1950.

Although your smiles have gone forever And your hands we cannot touch Still we have so many memories Of a Mom and Dad we loved so much Though memories fade and life departs You will live forever in our hearts. Always remembered and sadly missed by your daughter Grace and son-in-law Russell

LINDSAY — In loving memory of a dear husband and father, Sabstator who passed away February 21, 1958. "It's not the words They are but few It's the loving memories We have of you." Always remembered by his wife, Elizabeth, son, Laird and daughter-in-law, Ruth.

This and That in Town

CARNIVAL WEEK — This is Chateaugay Valley Regional Carnival Week. Intramural volleyball, hockey, broomball, basketball, skating races, even tugs-o-war featuring staff versus students. A king and queen were crowned yesterday (Tuesday). Today (Wednesday) at 3:15, the CVR senior hockey team meets Chamby High of St. Lambert for the Province of Quebec quarter finals. Parents and friends are invited to attend all activities during Carnival Week. At 8 p.m. Thursday CVR seniors face Macdonald College Junior Varsity on the basketball floor. Our Chateaugay Valley Regional High is swinging this week — get with it. Take along a noisemaker.

MINOR LEAGUE — Sunday was a fun day at Huntingdon County War Memorial Arena. Safety Sam has a report elsewhere.

SCOTCH LASSIES — Read the latest news from the Caledonian Society of Montreal, organizers of the Highland Games at Ormstown on June 29th. The Society is sponsoring a contest, the winner of which will be awarded an all-expense trip for two to Scotland. This is really B-I-G girls, so act accordingly.

MCGILL UNIVERSITY RESEARCH TEAM — part of the Huntingdon Community Research Team, are working in district schools. Parents and students are asked to read article elsewhere.

HEMMINGFORD — Final snowmobile races of the year here will take place February 25. See elsewhere.

WEATHER — Too cold. Minus 17 this a.m. (Wednesday).

HOWICK — Congratulations to Archie Roy, Balquhinder Farm, honored by being named President of the Ayrshire Breeders' Association of Canada for 1968. Article by Frank Napier elsewhere.

HOLSTEIN-FRIESIAN — Annual meeting held at Toronto on February 14 and Frank also has an article of interest to dairymen.

ROBBERY — Last week we mentioned in this column that an elderly gentleman living on the Lost Nation Road had been robbed of approximately a thousand dollars. The news reached us at press time and there was no time to check it out. The victim was Mr. Albert Gauthier, 80 years of age, who lives with a brother about two miles from the Customs House at Herdman. (Report elsewhere).

KEN SCOTT — Huntingdon member of the Valleyfield Toastmasters Club, won the Annual Club Speech Contest for the third consecutive year on Monday evening. Congratulations!

THE STORM on Saturday was the real old fashioned kind. Drifting snow blocked roads and poor visibility was the cause of several minor accidents.

SORRY RENE, but I mislaid the note about the fellow who took 40 winks the other night and awoke to discover friends had removed his shoes, but good. Seems Rene made half a buck by high-raiding it on his bike to the fellow's house where he picked up a pair of replacements so the fellow could go home. That about it?

SAFETY SAM SAYS — One of the highlights of the Huntingdon Little Winter Olympics held at the Huntingdon County War Memorial on Sunday was the Old Timers game. The Hemmingford Old Timers, led by Gerald Oumet, were easy winners with a four to nothing score. Coach Gerald Murphy did well, considering their ages, and the fact that most of them never could play hockey. The real bright spot on the Huntingdon team was Raymond Ferland, who played in the goals. He made save after save, off the strong Hemmingford forwards, if he were 25 years younger this boy might have a future. When interviewed after the game Raymond confessed that this was the first time he had played in the nets, and seeing that he had done so well he was going to quit while he was ahead.

Coach Gerald Oumet of Hemmingford Old Timers was pleased with the result of the game, he had been saying for the last few weeks that his team was going to be ready for the old men from Huntingdon, as we see by the score, they were more than ready. Fraser Matheson, who acts as vice-principal at the Chateaugay Valley Regional High School when he is not playing hockey, scored two goals for Hemmingford. This was quite a feat, considering the condition he is in.

The game was good clean fun, enjoyed both by the fans at the rink and the players who took part. It is hoped that another winter will see the two teams meeting again.

S.S.
GEORGE COHEN, a blind man who has been in charge of public relations for C.N.I.B. and who has raised many thousands of dollars for charities in the Montreal area, is now in charge of Public Relations for the Caledonian Highland Games to be held in Ormstown on June 29th.

MCGILL HUNTINGDON STUDY REPORT ON WORK DONE

The McGill University Research Team, studying education and work in Huntingdon, met with the Huntingdon Advisory Committee last Wednesday night in the Huntingdon Academy. Present were Mayor Leo Cappiello, Mgr. David, Mr. Jack Blake, Mr. Sidney Cohen, Mr. Georges Pavyette, Mr. Ben Roskies, Mr. F. Tardif and Mr. E. Templeton of Huntingdon. The McGill group consisted of the Director Professor Wm. Westley, the Field Director Mr. Joseph Ryant, four research assistants Messrs. David Kay and Richard Fiset, Mrs. Penelope Eccles and Miss Honey Dresher and the Director's assistant Miss Clare St. John-Smith.

Dr. Westley reported that the first phase of the research had started with Mrs. Eccles into their schools and were studying the Protestant High School in Ormstown and Mrs. Anita Heller, the Catholic High School in Huntingdon. Parents who may have heard reports of these observers being present in the schools, should know that they are part of the Huntingdon Community Study Research Team, studying the experiences of students and teachers in the schools. They should be aware that the work of all members of the research team is completely confidential, so that what they are told in conversations or interviews or what they observe, will be held in the strictest confidence and not go outside the research team.

Messrs. Templeton and Tardif, the Principals of the two High Schools, reported that they welcomed the observers well into their schools and were studying the Protestant High School in Ormstown and Mrs.

Nazarene Missionary From Korea

Missionary from Korea, Rev. Eldon Cornett, will speak this coming Sunday evening to the congregations of both the Huntingdon and Franklin Centennial Nazarene Churches. The parsonage missionary service will be held at the Huntingdon Church at 7 P.M.

Rev. and Mrs. Eldon Cornett and their family are on a tour through their assignment in Korea, where they have served since 1957. Rev. Cornett will speak and slides to describe the work of the Korean Church. He has served the mission as treasurer, mission chairman, Bible school teacher and evangelist. Rev. Cornett was born in Kentucky. He attended Olivet Nazarene College where he received his Bachelor of Art degree and Bachelor of Theology degree. Prior to his assignment to Korea he served in a Home Mission pastorate in Tennessee, and as pastor in Brownstown, Indiana.

The Cornetts have five children, ages ranging from fourteen to four. The family will be living in Indiana during their furlough year.

DON HENSHAW WINS ANOTHER TROPHY

(By Bernice Cullen)

Barrie North Girls' College has now a rifle team of six shooters from Toronto, Hamilton, Galt and Coldcreek. They had their first match on Saturday, February 10th, which was run in conjunction with the Barrie Winter Carnival which featured, in addition to the rifle shoot, Stock car racing on ice and a car demolition.

The Girls' Gym at Barrie Ont., boasts a very adequate rifle position range and due to this and the encouragement of their instructors, Barrie is turning out some fine sharpshooters amongst the fair sex.

During the Carnival last weekend, there were three relays including 33 shooters. In the expert class which included 14 shooters, Don Henshaw of Ormstown was presented with a trophy for 2nd place in Prono Position. Fred Thynne of Port Credit placed first and Roger Barton was awarded grand aggregate of the Master Class, it being the first match in Canadian history where an expert has captured the grand aggregate, this has always been won by a Master Shooter.

Don says rifle shoots are not without incidents, which are not always due to "rifles". He and his brother Harold and their two sons were motoring through slush, wind.

In May, the rest of the research team will start in the hills, and in the community.

SATURDAY'S SNOW STORM RESPONSIBLE FOR ACCIDENTS

The stormy weather on Saturday with high winds drifting snow and reduced visibility to zero, was responsible for more accidents than usual. The icy condition of roads as the wind blew the snow off the roads and left a polished surface also had a lot to do with it.

The accident reported here all happened at about the same time of the day and when the storm was really at its worst. Reg. McCrowe's taxi driven by Arnold Forget of Athelstan, was in an accident on Fairview Road at about 11 o'clock on Saturday morning. The taxi was carrying a passenger toward Athelstan, Robert Goodfellow, and came suddenly upon a car driven by Bruce Claesson of Calgary which had slowed down due to poor visibility. The taxi struck the car ahead and damage resulted to the taxi to an amount of about \$700, while the passenger suffered some injury. Damage to the other car which was owned by Mrs. J. J. Dubene, was about \$500.

A few minutes after, another similar accident occurred at a different point in the area. This was at 11:15 a.m. on the New Erin Road and involved a car driven by Arthur Hiau of Godmanchester and

one by Leo Himbeault of Valleyfield. Both cars were travelling in the same direction toward Ste. Barbe. Himbeault had stopped because he could not see through the blinding storm and Hiau ran into him. Damage to the Hiau car was about \$300 and to the Himbeault car about \$400.

At 12:30 p.m. (noon) another accident in the same area. Two cars were proceeding toward Ste. Barbe, but one driven by Alphonse Carriers was travelling in the same direction and in a lift in the storm saw the car in front and applied brakes. The road was icy at this point and he could not stop and thus hit the stationary car in the rear. Damage to both cars amounted to about \$400 each.

The first two cases were investigated by Huntingdon Provincial Police, but the last case was reported to the office in Huntingdon.

Lacolle

Curling News
LACOLLE — The Fawcett Memorial Binspiel was held "brus" 17th, with eight entries and a waiting list. Due to the storm four teams were unable to participate. The high points were won by a team skip-ped by George Wright, of Lacolle, third Steve Parish, second Lloyd Hadley and lead Freddy Robert. Seven and high went to the team skip-ped by Jasper Lamb of Ormstown, third Glen Wall, second L. Barker lead Mac Youngie. The winners in turn took their prizes from the table.

Locals:
Mr. Kenneth McClenaghan spent the week end at the home of his uncle, aunt and grandmother, Mr. and Mrs. Allan McMillan and Mrs. H. R. Johns in Huntingdon. Sunday guests at the same home were Mr. and Mrs. Gordon McClenaghan and Nancy.

Miss Ann McGill from the Quebec Teachers' College, Quebec City spent the week end at the home of her parents, Mr. and Mrs. Forbes McGill.

Miss Jane Schipper of St. Johns was a guest during the week at the home of Miss Ann Smith.

Les Ambassadors de Lacolle left Friday night to participate in the Quebec Winter Carnival Parade in Quebec City. They returned Monday morning.

Mr. Paul Betts, N.P., of Montreal, was a week end guest at the home of Miss Jean Van Vliet last week.

Mr. and Mrs. Bill Stevenson and Tamara of Franklin were rain and snow from Kitchener to Galt about three weeks ago. Just as they reached a point about one half mile from the Galt Shooting range, they became aware of a freight train on the crossing about 50 yds away. In spite of more than an amplitude of advice from brother, son and nephew, Don headed his car for the left hand ditch, only to have it jolted out on to the road where it backed toward the moving train, stopping a mere ten feet from the tracks. The marksman said the experience "affected his shooting", on that particular day.

Sunday supper visitors of Mr. and Mrs. Don Robinson.

What might have been a tragic accident occurred in Odeltown on Tuesday, when the nine-year-old son of Mr. René Bachand is reported to have come from the back of Hebert's Bakery truck into the path of a car driven by Mr. Barrière. The boy was knocked down and sustained a broken leg. However he is progressing favourably in St. Johns Hospital.

Rev. and Mrs. Gaudine of Stanstead are spending a few days at their home on the shore.

Mr. and Mrs. E. Robinson and Mrs. A. Robinson and Jeffrey visited relatives in Ormstown on Saturday. Jeffrey remained with John Graham for the week-end.

WORLD DAY OF PRAYER In Valleyfield

On March 1, 1968, in Africa, Europe, Asia, North and South America, women, millions of them, will clasp hands with their neighbours and pray for World Peace, as they mark the World's Day of Prayer.

The service was written by Mrs. Rathi, Selvaratnam, Chairman of the Asian Church Women's Conference. It reflects the tradition and hopes of the writer's native Ceylon and also emphasizes the responsibility of women everywhere to share world problems and to work for World Peace.

Projects in Africa, Burma, Formosa, India, Hong Kong —

Wednesday, February 21st, 1968

The Gleaner - 5

in practically all the "have not" countries are aided by the offerings of women on that day.

There will be special services in every community on March 1, 1968, to which all women are invited. The theme is "Bear one another's burdens."

The Valleyfield service will take place in the United Church, Cr. Dufferin Road and Grand-He, at 2:00 p.m.

Valleyfield

VALLEYFIELD — The regular meeting of the Valleyfield Home and School Association was held on Thursday, February 15th, in the Gault Elementary School Auditorium.

The entertainment was a gym demonstration by some of the students under the guidance of Mr. Thompson. These young people gave an excellent performance and are to be commended on their gymnastic abilities. After the demonstration, Mr. Thompson gave a brief outline of the physical education program that is now in effect at Gault.

This was followed by a short business meeting with

the Chairman, Mr. Wm. McIlravy, in the chair.

This meeting was well attended and the pennant which is awarded to the grade having the most parents present was won by Grade 3 this month, and was presented to the teacher, Mrs. D. J. MacDonald.

Mr. and Mrs. Carl Glenn and Peter spent the past week-end in Boston, Mass.

Mr. and Mrs. Tom Carter and family left Valleyfield on Thursday, to take up residence in Oakville, Ont. Best wishes are extended to them in their new home.

The Valleyfield Youth Group met on Sunday evening, February 18th, in St. Mark's Anglican Church Hall. The President, Danny Sanders, was in the chair. A short business meeting was held. The minutes of the previous meeting were read by Wendy Stanger. The Treasurer's Report was given by Bob McIlravy. Future programmes were discussed.

A film entitled "Highway Mania" was shown. A discussion was held after the film. This was a very educational and enlightening movie and was enjoyed by all.

Refreshments were served at the close of the evening.

Huntingdon County Hospital Ladies Auxiliary Reports Another Successful Year

The Annual Meeting of the Ladies Auxiliary of the Huntingdon County Hospital was held in the Masonic Temple on Monday night, January 29, with a very good attendance.

The President, Mrs. Leo Curran, opened the meeting by welcoming all, and expressing her pleasure at the size of the turnout in spite of the bad weather and the flu epidemic.

It was moved by Mrs. Gwen McLean, and seconded by Mrs. Nancy McCrinmon that the minutes of the last meeting be approved as they were.

The meeting then proceeded to hear the reading of the reports of the various committees as follows: Secretary's Report — read by Rita Kerby by Lorraine Tannahill, Report of the Ass't Corresponding Secretary, Mrs. Florence Godin, given by Mrs. Curran, Corresponding Secretary's Report — Mrs. Margaret Stark, Service Committee — Mrs. Lorraine Tannahill, Membership Committee — Mrs. Frances Rennie, Sewing Committee — read by Mrs. Mayall by Miss Eliane Lasalle, Treasurer — Mrs. V. Galipeau, Shoppe on Wheels by Mrs. Margaret Goodall, Landscaping by Mrs. Grace Booth, and Entertainment by Mrs. Carl Anderson. For the Ways and Means Committee Mrs. Fred Horsley reported on the Centennial Project, Mrs. Gerald Brisebois for the Parcel Post, Mrs. Dorothy Hawley for the Nurses Dance, and Mrs. Madeleine Curran for the Barn Dance.

The Treasurer's report, always an interesting item, was read by Mrs. O'Connor by Mrs. Brisebois, and showed a bank balance of \$1529.44. The Building Fund of the Auxiliary amounts to \$2500.00 in the form of a bond, and also a bank balance of \$330.79.

As the various reports were read, the readers moved their adoption, and Mrs. McCrinmon seconded the adoption of all the reports.

Mrs. Curran told the membership of the Auxiliary's participation in the Centennial Parade, July 1st.

The Matron, Mrs. Dorothy Hawley, expressed her sincere appreciation and that of the staff, for the many items purchased for the hospital by the Auxiliary this year, both for their practical purposes and their appearance. She also expressed her appreciation of the many services supplied to the patients by the members of the Auxiliary, and for the Christmas gifts given to the staff and patients by the Auxiliary.

Mrs. Curran read a letter from Dr. McCrinmon, in which he thanked the Auxiliary for their many contributions. He expressed his appreciation of the Auxiliary's effort, and wished the members continued success in 1968.

Two members of the Board of Governors were present, and Mrs. Curran, after welcoming them, went on to thank the officers of the Auxiliary, the Conveners of the committees, and the membership in general for their support in the past year. She also offered to the incoming executive her best wishes for the coming year, and her full support. She then called on Mr. Francois Clevy to say a few words before installing the new executive.

Mr. Clevy thanked the Auxiliary on behalf of the Board of Governors for its work in 1967. He also commented on the magnitude of the achievements of the auxiliary as being exceptional for a community of this size. Mrs. Horsley presented the following slate of officers for the year 1968, and there being no further nominations, they were installed by Mr. Clevy as follows:

Honorary President, Mrs. Gordon Harper; Past President, Mrs. Leo Curran; President, Mrs. Gerald Brisebois; First Vice-President, Mrs. Norbert Bourgon; Second Vice-President, Mrs. Jean-Marie Daigle; Recording Secretary, Mrs. Dougall MacIntyre; Corresponding Secretary, Mrs. Margaret Stark; Ass't. Corresponding Secretary, Mrs. Albert Godin; Treasurer, Mrs. Rose O'Connor.

The new president, Mrs. Brisebois said she hoped for the continuing success for the Auxiliary. She then brought forward an important item of new business. The Ladies Auxiliaries of the two hospitals in this area have been offered complete charge of the sale of tickets in the Chateauguay Valley for the Caledonian Games which are to be held in Ormstown on June 29th. The retail price of the tickets is \$1.50, and on tickets sold before Feb. 29th, the auxiliary would realize 50% of the price of the ticket or 75 cents. From Feb. 29th to June 15th, 40% or 60 cents would be realized. After some discussion it was moved by Mrs. Curran that we take over the sale of tickets in this area for the Caledonian Games, and that we take a number of tickets to sell, turning in the necessary amount for those sold by Feb. 29th, for the 50% profit, and then continuing to sell the remainder for the 40% profit. This motion was seconded by Frances Rennie.

Mrs. McCrinmon agreed to accept the conveyance for this project and was to get help.

On behalf of the Auxiliary, Mrs. Frances Rennie extended a vote of thanks to Mrs. Curran for her good work in the past year.

Mrs. Brisebois invited the members to remain after the meeting for a cup of tea and a chat, and following this, it was moved by Dorothy Hawley, and seconded by Eliane Lasalle that the meeting be adjourned.

The reports presented read as follows:

Secretary's Report 1967
During 1967, Three General meetings were held, and seven executive meetings, all with the exception of the Annual Meeting, taking place in the Board Room of the Hospital. In April, Mrs. Leslie Sanderson was forced to resign the post of Secretary as she was moving away. Lorna Hughes filled in until June, when I took the position. Rita Kerby, Secretary.

This year, there were over 70 ladies who brought in memberships and to each and every one of you a very sincere thank you.

Some of our former Convenues were extra busy this past year and being unable to find anyone to fill some of their places, there were a few roads not canvassed. However, we hope we shall be able to remedy this next year.

Thanks, too, to Miss Mary Macfarlane who continually helps us all year long.

Respectfully submitted,
Frances Rennie.

CENTENNIAL BANK PROJECT

As Co-convenor with Mrs. V. Galipeau and Mrs. Frances Rennie I am very happy to report that the Ladies Auxiliary Centennial Project of the silver bank contributions was a tremendous success.

Total amount contributed was: \$3,008.45.

From this amount, disbursements were:

Expenses for banks, mailing, etc.: \$135.00.

Cash Prizes for drawing: \$200.00.

Net amount realized was: \$2,673.45.

We would again like to thank the Ladies of the executive and all members who participated, for their help and co-operation in this very worthwhile endeavour.

Mrs. Fred Horsley, convenor.

SEWING COMMITTEE

We have come now to the end of a busy year. During this time, the ladies from the different church groups have been coming in to assist in the Sewing Room as usual from 2 until 4 o'clock every Wednesday afternoon.

Except for the months of July, August, and December, in these months, I get caught up with the cutting out, recovering pillows, re-binding blankets, etc., plus the mending. In the past year we have packed and delivered to the late Mrs. Patterson's home, 3 large boxes of used linen, made and marked 964 used articles, cut out 102, mended 774, and taken 877 articles from the supply cupboard.

To all the ladies who have helped me in any way, thanks so very much, and special thanks to Mrs. Bolton who helps me greatly during the summer.

Following is a list of the thanks to Mrs. Fred Bolton who help me. The Ladies of St. Anne, from St. Joseph's Church, Mrs. Juliette Daigneault, convenor — Mrs. Romeo Daigle, Mrs. Russell Robertson, Mrs. Lina Oummet, Mrs. Albini St. Jean, Mrs. Francois Daigneault.

St. John's Church — Mrs. Mac Helm, convenor, Mrs. Jessie Lalonde, Mrs. Fred Bolton, Mrs. A. Tinker, Mrs. Charles Kyle, Mrs. C. Montgomery, Mrs. A. Duke, Gladys Grant, Miss Effie Rankin, Mrs. Greta Bulow, Mrs. Ethel Stote, From Athelstan Church — Mrs. W. Tully, Convenor, Mrs. Grace Waldie, Mrs. Greta McLean, Cheryl McLean, Margaret Hiseock, Lena Grant, Mrs. Grace Gray, Beryl Hamilton, Hattie Shearer, Mrs. Carrie French, Miss Bessie Graham, Miss C. Graham, From the United Church — Mrs. Dorothy Stewart, convenor, Mrs. Nelson Beattie, Winnie Rowles, Mrs. H. Lowenberger, Dorothy Catto, Marjorie Milne, Shirley Stark, Gwen McGregor, Mrs. Morris McLean, Ruth McNaughton, Miss Alice Rennie, Lulu McIntosh, Tea Caldwell, Mrs. Gladys McHardy, Mabel McIntyre, Myrtle Stewart, Mrs. Ida Dawson, Lucy Thompson, Florencia Reid, St. Andrew's Presbyterian Church — Mrs. Willock convenor, Mrs. Florence Godin, Mrs. Geo. Lindsay, Mrs. Gordon Perry, Mrs. J.W. Kelly, Mrs. Doris Brown, Mrs. Helen Myatt, Mrs. Robert Middleton, Mrs. Beryl Myatt, Mrs. S. Dunn, Mrs. Annie Small, Mrs. Robert Merson, Mrs. Wallace Douglas, Beryl Caldwell, Margaret Stark, Frances Turner and Mrs. Jon. Proudfoot.

Mrs. Florence Mayall, convenor.

TREASURE CHEST COMMITTEE

No December Tea was held so we did not have a Bazaar. Our sales for the year amounted to \$7.00 and we received a gift of \$25.00 from the Ladies of St. Ann towards layettes. We had a bank balance of \$116.99, which gives our total amount of \$148.99. Our expenses were as follows:

\$17.44 was spent on layettes and \$5.00 for colouring books and crayons for the children's ward at the Hospital. Total amount of expenses came to \$22.44. Our bank balance is \$126.55. Two layettes were left at the hospital for needy mothers.

Sincere thanks to Mrs. James O'Hare, co-convenor for her help and co-operation during the year, and thanks also to the following for gifts and work turned in — Mrs. Fred Roy, Mrs. C. Jones, Miss M. Murphy, Mrs. Fred Bolton, and the Explorers of the United Church.

Mrs. V. Galipeau, convenor.

SHOPPE ON WHEELS

At this time I would like to take the opportunity to thank the ladies who have given of their time to visit the patients twice a week with supplies from the Shoppe on Wheels. Their visits and the service so given have been greatly appreciated by the patients. I feel that the Shoppe on Wheels brings the work of the Ladies Auxiliary close to the general public.

A special thanks to my co-convenor, Mrs. Norah O'Hare for her valuable assistance and to Miss Mary Macfarlane for so willingly taking care of the supply of cigarettes which is always available to the patients, staff and visitors.

My thanks also to all who contributed supplies and money at last year's shower, throughout the year, and again tonight.

Receipts.
Cash on hand Jan. 24, 1967: \$4.95.
Cash donations and profit: \$208.50. Total: \$213.45.

Debits:
Given to Treasurer: \$213.20.
Cash on hand, Jan. 29, 1968: 25. Total: \$213.45.

Mrs. W. Goodall, convenor.

MEMBERSHIP COMMITTEE

The past year has been an active one for the membership committee as we were also on the committee of the Silver Bank Project and spent a good deal of time on this project.

This reason, along with the busy time of Expo and all its visitors which we all enjoyed the past summer is why our membership dropped.

We show 780 members — a drop of 57 from last year. Of this number 56 are new members.

Donations totalling \$24.25 were received and turned over to the treasurer.

I would like to thank Mrs. V. Galipeau, who is on the committee with me for all she has done. Without her help we would miss an awful lot of our French speaking friends.

Also I want to most sincerely thank all canvassers who help to bring in all these members. If they refused to help us, we would never be able to reach this number.

LANDSCAPING COMMITTEE

Two flowering boxes were installed at the curb on the

SERVICE COMMITTEE

During 1967, the service

committee purchased the following items — an air conditioner for the out-patient department, an ice crusher, three hospital beds, along with bedlams, over bed tables, bedside tables, and new drapes for Rooms 3, 5, 6, 7, 8, and the Matron's office. Also purchased were a new vacuum cleaner, Christmas gifts for the staff and patients, and some new decorations for the Christmas trees. New floor covering for the Matron's office has been ordered, but as yet has not arrived.

New income tax regulations require the use of a different type of receipt form, and these were purchased and will be used by the Treasurer for those who require them. A purchase made every year is that of a silver cup to be presented to the first baby of the year. This year's recipient is Baby Joseph Rejean Raymond Viau, son of Mr. and Mrs. Jos Viau, and the cup is now at the jeweller's being engraved.

The committee wish to thank all those who assisted in the decorating of the hospital for the Christmas season, and especially Mrs. H. Hawley who attended to the details of so many purchases.

Mrs. Gordon Tannahill, convenor.

PROGRESSIVE-CONSERVATIVE PARTY ORGANIZATION MEETING

All partisans of the Federal Progressive-Conservative Party are invited to a meeting which will be held on Tuesday, March 5th, at 8 p.m. at Edgar Hebert School, St. Thomas St., Valleyfield, the purpose of which is to proceed with the formation of an Association within the new limits of the Beauharnois County.

The provisory president of the Association, Mr. Armand Miron has sent more than 1,000 invitations to known partisans, but all those who are interested may attend the meeting to proceed in the choice of the executive.

Special guests will be present, of which Mr. Leopold Carrière, president of the Quebec wing of the party; Mr. Claude Dupras, vice-president and Mrs. Gertrude Lessard,

HUNTINGDON MINOR HOCKEY

In games played last week, scores were as follows for the Pee Wee: Red, 5 — Green 4, N. Fiset 3 goals and M. Dooning with 2 goals led the Red. Young E. Picard scored 3 goals for the losers. White 4 — Black 2, D. Pringle scored 3 goals for the White team in this win. Orange 2 — Blue 0, Little N. Fiset scored both goals for the winners when he came back in the game, after being cut about the mouth in the first period. Red 2 — White 1, J. Neville with both goals for the winners. J. Arnold scored the lone goal for the white. Orange 4 — Green 1 with M. Gavin getting 2 goals for the winners in this

NOYAN

NOYAN — Congratulations to Mr. and Mrs. Robert Smith on the birth of their baby daughter on Valentine's Day. On Saturday afternoon, Mr. and Mrs. Gerald Hilslop entertained several friends of little Drew Leclair of Clarenceville. Drew will enter the Children's Hospital under observation on Monday. He received many gifts from his friends. Lunch was served and everyone left wishing Drew "Good Luck". Those present were from Montreal, Bedford, Clarenceville.

An evening of dancing and card playing was held on Sunday evening in the Parochial Hall, Clarenceville under the auspices of the A.F.E.A.S. Master of Ceremonies was Mr. Noel Lemaire. Many novelty numbers were danced with prizes awarded, many received attendance prizes as well. A delicious lunch brought the evening to a close. Everyone agreed it was a most enjoyable evening.

Sunday afternoon guests of Mr. and Mrs. Stanley Emrick were Mr. and Mrs. Romeo Roy and family of Brossard.

Friday evening supper guests of Mrs. J. Mosher were Mr. and Mrs. Kenneth Mosher of Cantic.

Mr. and Mrs. Rodney Derick and family were Sunday after-

U.C.W. Meetings
Two meetings of Unit 1
U.C.W. have been held recent-
ly. The first one on January
10 was held at the home of
Mrs. Chas. Reid with 12 mem-
bers and 2 visitors present.
The devotions were led by
Mrs. James McCoy, the theme
being "A Different New
Year".

Mrs. Reid conducted the
study from the book "The
Church Grows in Canada". She
outlined progress made by
church leaders in the west a-
mong the Anglicans, Metho-
dists, Presbyterians, Baptists
and Mennonites. Mrs. C. Ste-
wart read a portion of the
book relating to the Dukho-
bors in Saskatchewan and to
their move to British Colum-
bia in later years. The "Songs
of Freedom" were described,
also the problems and diffi-
culties that have arisen due
to their beliefs. A brief dis-
cussion was held on the Hut-
terites.

The second meeting was
held on Valentine's Day at the
home of Mrs. Arthur Cham-
pion with 10 members and one
visitor present. The meeting
opened with a story by Mrs.
Reid on tepsy written by a
missionary from Angola. Mrs.
Fulcher led the devotions and
Mrs. D. A. Fraser read a
chapter from the study book.
Several items of business were
discussed and members were
asked to hand in the mite
boxes that were distributed
last year. At both meetings

refreshments were served by
the hostesses, Mrs. Reid and
Mrs. Champion and a social
hour enjoyed.

St. Andrew's Ladies Aid
St. Andrew's Ladies Aid met
on Wednesday afternoon, Feb.
14th, at the home of Mrs.
Kenneth Ferns. The new offi-
cers for 1968 are Mrs. Ken-
neth Ferns, president; Mrs.
Robert Middlemiss, secretary;
Mrs. J. Abraham, treasurer.
After the business meeting
delicious refreshments were
served by the hostesses Mrs.
Kenneth Ferns and Mrs. John
Chambers.

Mr. and Mrs. Vernon Smith,
Mr. and Mrs. Robert Poirier of
Lachine and Mr. and Mrs.
Raymond Fall of Chateaugay,
N.Y., were week-end guests
at the home of Mr. and Mrs.
Everett Tremblay.

Debbie Brooks spent the
week-end with her cousin,
Susan Gundy of Montreal
West.

Mrs. Robert Bouchard and
son David of Rochester, N.Y.,
spent a few days recently with
Mrs. Dan Faubert. Gerald
Bouchard of Loyola College
spent the week-end at the
same home.

The members of St. And-
rew's W.M.S. who attended the
Montreal Presbyterial of the
W.M.S. held on February
13 in Ephraim-Scott Presby-
terian Church, Montreal were
Mrs. A. S. Reid, President,
Mrs. Wallace Douglas, Secre-

FINAL SNOWMOBILE RACES AT HEMMINGFORD SUNDAY

Hemmingford Sport and
Country Club announces that
the final snowmobile races of
the year will be held on Feb-
ruary 25th, at 2 P.M. This
will be the first International
Grand Snowmobile Cham-
pionship Races to be held in this
district.

Prizes in the amount of
\$1,000.00 will be distributed a-
long with suitable trophies.
15 races are planned with 7
classes of snowmobiles to in-
sure interesting races for the
contestants and for the view-
ing public cordially invited to
the races.

There will be six stock ma-
chine races and seven mod-
ified races with a ladies race
at the home of Mr. and Mrs.
Cleary, a past president of the
Montreal Presbyterial.

Mr. and Mrs. Willard Kel-
lett and Mrs. James McCaffrey
of Plattsburgh and Mr. Smith
Kellett of Montreal, were Sun-
day visitors at the home of
Mr. and Mrs. Martin Beattie.

Mr. and Mrs. Rennie, Mrs. J. T.
Reid and Mrs. F. Horsley were
hostesses for the Bridge Club
on Thursday, Feb. 15. They
entertained six tables and the
prizewinners were Mrs. Austin
Lefebvre and Mrs. Chas. Reid.

Curling Club Notes

C.V.A.R.C. — THE IMMEDIATE FUTURE!

February, the thirteenth was not looked on, as the wrong date, to hold an important meeting, by members of the Chateaugay Valley Association for Retarded Children. In fact the opposite was the case, in that, there were no signs of superstitious misgivings whatsoever, as active members of the association convened to take the first step in the current new program to extend the facilities already available, in its Gai Valley School, to a wider group of children of school age, in the Valley, who at the present time do not receive the special training required. The Valley Association, who for some time, have been seriously concerned, with the plight of young retarded adults, who have either never had the opportunity of being trained at a special school whilst of school age or having reached and exceeded normal school leaving age, do not have the opportunity of obtaining gainful employment, under the present system in the Chateaugay Valley area, also met to determine what action could be taken in this respect. With these targets in mind the C.V.A.R.C. had invited Mrs. Joseph Adler of the Quebec Provincial Association to attend this special meeting, in order that they could obtain advice and guidance. Mrs. Adler who is the newly appointed Executive Director of Q.A.R.C. has been involved with the education and training of retarded children and young adults for some thirty years.

Before commencing with the special evening's business, Mr. A.M. Brockman, Vice-President and chairman, informed the meeting that during January letters of resignation had been received from Past-President Mrs. Ruth Smith of Valleyfield and President Mr. Keith Renwick of Huntingdon. — Mrs. Smith as a result of a move in residence to Montreal. — Mr. Renwick due to a change in business activity. Both persons are well known to the members, staff and children of the association. Mrs. Smith, together with members of the original executive, was mainly responsible for the formation of the C.V.A.R.C. in 1964 and the subsequent opening of the Gai Valley School in Huntingdon, whilst Mr. Renwick became actively involved as a member in 1965 and has been President of the association from 1966 to the present time. Mr. Brockman expressed regret at the loss of these executive officers and advised the meeting that there was no alternative, but to accept both resignations. This was done. Mr. Renwick will however, assist the executive in an advisory capacity, for as long as is possible, whilst Mr. Brockman will assume the president's responsibilities, until the end of the association's current school year.

The 1968 Provincial Association's Annual Summer Camp was discussed briefly, Mrs. J. Curran of Nitro, Valleyfield / Ormstown area and Mrs. L. W. Lewis of Rockburn, Huntingdon/Hemmingford area, will act as joint Camp Chairmen for C.V.A.R.C.

Mrs. H. Lowenberger represented the local association at a meeting of Q.A.R.C. in Montreal on Thursday, February 15th, the subject of which was, the 'Adult Development Centre'.

Any further normal business was then adjourned by Mr. Brockman, in order to allow Mrs. Adler to address members of the executive directors and teaching staff, on the evening's main subject of Sheltered Workshops.

Mrs. Adler welcomed the opportunity to visit the Valley association and brought with her greetings from the officers of Q.A.R.C. Regret was expressed regarding the resignation of Mr. Renwick as a director of the Provincial

Association and it was hoped that a member of the local executive would soon be nominated to take his place.

In commencing her address, Mrs. Adler stated that the Quebec Association for Retarded Children had been established for fifteen years. Though much work had been done during this period, there were many areas of necessary activity where effort was still required in order to improve the position of retarded children and young adults in Quebec Province. Statistics showed that on average, one person in every fifth family is born retarded to some degree. Society in recent years, was slowly changing its attitude towards mental retardation, for the better, though a wrong public image still exists to some extent, in many areas. Work done at the national level had been successful, whilst provincial associations were becoming more involved in actively advising smaller local associations, such as C.V.A.R.C. on such subjects as surveys, training methods and facilities required. Many schools had been established by private volunteer associations, in order to provide children of school age with guidance and training facilities. There is a need for more. Many of the older children who have been provided with this opportunity and were still attending either special or local schools for the trainable or local school board special classes for the educable, are now fast becoming young adults. These young people required special vocational training to enable them to take an acceptable position in society. The problem of providing these training facilities for young adults, was particularly acute at the present time. It is our moral duty to ensure that these young people, are allowed the opportunity of some form of gainful employment in special workshops and where possible, in local industry.

Mrs. Adler then went into some detail, regarding the establishment of a local sheltered workshop for young adults, describing examples of municipal authorities, service workshops and other training facilities already active in other areas. Such a sheltered workshop must fit the needs of the young adults involved in the local area. A survey and study of the local situation would be necessary, as a first step, to determine, what these needs would be, on a long term basis. Tests in order to measure the ability of the young adults to coordinate, count and distinguish numbers and colours would be required. Once this initial information was available, it would then be possible to decide, on what type of workshop was necessary. Selection of location and building was important and should lend itself to expansion. The sheltered workshop must be conducted, in much the same way as a normal business, with established working hours, production targets and monetary reward for the work performed. It was important to ensure in the local area, that the type of work selected could be performed by

both male and female young adults. Mrs. Adler gave examples of many commercial products in the stores, that are actually assembled and packed by young adults in organized workshops, on a contract basis. The instructor in the sheltered workshop must be qualified, to train the retarded young adult.

The success of special residences with workshop facilities, where small groups of young adults lived and worked as a family group unit under the guidance of house-parents and the instructor, was detailed by Mrs. Adler.

Members present were then invited to ask questions which was followed by an extremely active and interesting discussion. Mrs. Adler concluded her address by stating that it was her sincere hope, that this visit would be the beginning of a long and active working relationship between Q.A.R.C. and the Chateaugay Valley Association which, with the continued support of local industry, school boards, municipal authorities, service clubs, parents and the public at large, would result in improved facilities for the retarded children and young adults of the Chateaugay Valley area.

Mr. Brockman, in thanking Mrs. Adler on behalf of the Valley association, said that though the recent unavoidable loss of key executive members, would affect progress temporarily, it was C.V.A.R.C.'s determined intention to continue with the current program. The assistance and guidance of the Provincial Association was both necessary and welcome.

The suggestions and points raised will be discussed at the next business meeting of C.V.A.R.C., which will take place at 8 p.m. Tuesday, March 5th and will be held in the staff room of the Huntingdon Academy.

All Directors and Executive members are urgently requested to attend this meeting which could be performed by

C.V.R. SENIOR GIRLS ROUT CHOMEDEY

CHOMEDEY: — Chateaugay Valley Regional High School of Ormstown defeated Chomeydey High School Senior girls in an exhibition game held at Chomeydey. In the first half C.V.R. took a comfortable lead at 21-8. For the final count this score was increased to 32-15. Joy McKell of CVR was the top defensive player, while Beryl Rodrigues and Janet Evans did the scoring, at 14 and 12 points respectively. For Chomeydey the top scorer was Marianne Darlet with 9 points.

In an exhibition junior basketball game CVR came out on the short end of a close battle right to the end. With only five seconds left in the game the score stood at 49 all. A foul throw followed by a quick field goal raised the final count to 52-49 in favor of Chomeydey. Robert Gilles, Mike Murray and Gates Billette were the top scorers for CVR.

VALLEYFIELD TOASTMASTERS CLUB HUNTINGDON MEMBER WINS AWARD

The 16th Annual Club was assisted by six former club members, who acted as judges. Toastmaster's Club took Messrs. Ben Brault, Fred Title, place on Monday evening at Bob Lang, Ray Leduc, Phil the "Aux Rapides" restaurant Dunn and Ron Underwood in Valleyfield. A good attend- were the judges. The verdict of members and guests went to Ken Scott for his witnessed a spirited contest in speech "There Has To Be Some- which five contestants gave me one" and so the Huntingdon prepared speeches. Past dis- member carried off the trophy from the third consecutive year. conducted the contest in his Karl Burkhardt was placed usual capable manner and second with his speech en- chief judge, Archie McGown titled "The game of Life" and

third place was awarded to Roger Bedard for an extremely clever bilingual speech entitled "Love Will Conquer". The two unsuccessful contestants were Tom Burkhardt ("Meaning of Education") and Ivan Mennie ("Once Upon a Dollar") but both speeches were extremely well received.

Area governor, Archie McGown, presented the club trophy to Ken Scott with best wishes for success in future contests.

The Valleyfield Club resumes normal activities next week at the New Balmoral Hotel, Valleyfield at 7:30 p.m. Anyone wishing to learn more about Toastmasters is cordially invited to attend and should

1000 People . . . (Continued from page 1) Mr. Prieur, President and Manager of Cumming-Perreault Co., and about 15 of the employees and fellow-workers of Alan Champ, the Office Staff from Bell Telephone Co. of Montreal, where Jennifer worked, and officials and staff members from the Bell Telephone, Valleyfield, were also present, together with a host of friends and neighbours. The many floral tributes, the hundreds of people who called at the Funeral home, and the presence of contact either Ken Scott, Ivan Mennie or Karl Burkhardt in Huntingdon.

Parlour, and the flood of inquiries and offers of material assistance are an eloquent witness to the esteem in which this family was held, and of how deeply we have all been touched by what must surely rank as one of the worst tragedies that has ever happened in this Valley.

The surviving members of the family are: Mrs. Alan Champ (nee Joan Calcutt), the eldest son Richard, and baby Alyson. There are also six brothers and sisters of Alan; Harry, William and Leslie, all of Howick, Margaret (Mrs. H. Millard) of Montreal, Elsie (Mrs. K. J. Wills) of St. Laurent, Mrs. Doris Roberts of

Montreal and the mother, Mrs. Richard Champ of Howick.

FINED FOR IMPAIRED DRIVING

George Varin of Huntingdon was arrested on Saturday evening about 11.15 on a charge of impaired driving. He was driving on Lake Street and struck a Bell Telephone pole. He appeared in court at Valleyfield, on February 19th and was fined \$100 and costs.

Ormstown

Mr. and Mrs. Caldwell Seiver left on Sunday for a month's vacation in Florida.

Ian Watson Launches Membership Drive

At a recent meeting of 400 members of the LaPrairie County Liberal Association, the delegates to the national Liberal Party Convention were elected by a democratic process. This meeting was held on February 14th at the Church of Christ the King in LaPrairie, under the chairmanship of Mr. Denis Durocher, Director-General of the Quebec section of the Liberal Association of Canada. The delegates thus elected will share the responsibility of electing the new Liberal Leader, and thus the next Prime Minister of Canada, at the national congress to be held in Ottawa on 4, 5, 6 April next. All Liberal supporters are invited to attend this congress.

Mr. Ian Watson, M.P., Chateauguay, took advantage of the occasion to launch a membership drive touching all segments of society, and he appealed to women as well as men, in particular to people under 35 years of age.

The young people of our day, he said, have the right and the duty to take an active part in the proposals and laws

Y.M.C.A. Appoints Chateauguay Staff

With the departure of Terry Forth to Canada's northlands, the Lachine-Dorval YMCA recently announced the appointment of Mr. James Turner as the Chateauguay Branch Director.

Mr. Turner has been on the staff of the International Branch of the YMCA for six years and moved to the Lachine-Dorval this month in order to direct the Chateauguay Branch and senior youth programming in Lachine and Dorval.

Prior to working with the YMCA, Mr. Turner was associated with the Ontario Paper Company for four years and attended Sir George Williams University. He graduated from Sir George in 1965 with his Bachelor of Arts and Diploma in Association Science.

His experience in youth work and community development are ideal preparations for his work in this area where the goal is to develop a YMCA with the express purpose of working for and with young people.

CHATEAUGUAY MAYORS SUPPORT Y. CAMPAIGN

Above are several Mayors as they rallied for the opening of the Y.M.C.A. campaign and from left to right they are: Mayor Jean Laberge, Heights; Guy Barreire, Y Campaign Chairman; Eric Stafford; Mayor Joseph Laberge, Town of Chateauguay and Ald. Joseph Petrilli of the Centre. Receiving \$5. from Joe Laberge is Guy Barreire.

Chateauguay Educator Urges More Power For P.T.A.'s

Louise Marcell, 24, a suburban Chateauguay school teacher recently appointed to the Quebec superior council of education, advocates transforming the existing parent-teacher associations, which today can only give advice to school boards, into autonomous school councils with executive powers.

Miss Marcell, who is also vice-president of the Quebec Teachers' Corporation, or union, believes that educational reform should follow two basic principles: "Leave the teaching to the teachers" and "consider education as a collective undertaking."

"What is taught at school is only part of the education a child is entitled to," she says. "What we give at school must complement what the child receives at home. That's why parents and teachers must work together in close collaboration."

Miss Marcell's varied background in education will be an asset to the Quebec superior council of education, a 16-member provincial body which acts as a consultant to the education department on matters affecting the school system as a whole.

Two years ago she prepared a series of Grade 8 geography lectures for the CBC French network.

"Audio-visual methods stimulate interest while they eliminate boring routines," she says.

One of her pet projects involves setting up a closed-circuit educational TV system. She believes students re-evaluate and understand the main points of a TV lecture by being forced to do their own research on what was shown on the screen.

Since she started her career six years ago, Miss Marcell has taught every subject on the high school curriculum. This year she lectures in geography to eight classes at the Grade 8 level — a total of 240 pupils — at the Plus XII school in Chateauguay.

Miss Marcell would also like to improve the teachers' lot. She believes the educational system should have more flexibility.

"I am interested in humans and a teacher is first and foremost a human being, not a teaching machine."

This busy young teacher still has time for poetry, music, the theatre — her passion — and she is about to write a thesis for an eventual degree in philosophy.

Memorandum from McLeod

Correspondent:
Mrs. Edith Bate
282 McLeod Ave. 692-9452

Route Boy:
Peter MacLean
246 McLeod Ave. 692-9669

I had a lovely idea last week! It wasn't very original, but I thought I might as well mention it. I'm sure everyone reads the Stars Weekly magazine supplement and on the last page but one, the column by Mrs. Helen Rochester. This is the bit about all the various restaurants visited by Helen, and the description not only of the surroundings and decor but the food! My idea was that I should do the same all around the Chateauguay Valley. In other words, I thought to have a sort of roving commission, with all expenses paid naturally; try out all the restaurants; give my opinion on the food provided, the prices and so on. All that and no dishes to wash up after and to be paid besides, is my idea of bliss. All I need now is a sponsor.

Last week I attended a supper meeting on the Lakeshore of the Organists' Society. After the supper there was a most delightful girls' choir in a demonstration, with their leader, Mrs. M. Douglas giving a talk, and answering questions afterwards. The choir was about 45 in number and came from Cedar Park School. Most of their seven numbers were done in harmony, two and three part. Also attending from Chateauguay Churches were Alun Hughes and wife Lynn of St. Andrew's United, with choir president Ted Smith and his wife; John Foster of St. George's Anglican, with his wife Dorothy and son Martin. We all enjoyed the evening so much, besides learning a little more. (At least, I did).

Last Thursday morning a friend and I went to hear Rev. David Craig and wife Nancy from Nigeria. They were speaking at Vetville. It certainly was a very interesting talk and we found both Rev. Craig and his wife to have a great sense of humor, which no doubt is quite a necessity in the mission field.

Their descriptions of Church services were very colorful and it was quite easy for their audience to picture in their minds, the format of these services. The Nigerians are quite musical apparently, and use their music abundantly during the services. We certainly enjoyed hearing their anecdotes, and marvelling at their faith through a terrible ordeal.

Our son is home today (Monday) on mid-term holiday from Billings High. I just thought you might like to hear what his lunch consists of: besides hot-dogs — a sandwich of fried eggs with grape jam, honey, peanut butter, rubbery cheese, lettuce, and cold beans. Is it any wonder that I eat after he has finished?

Chateauguay Y.M.C.A. Asks Support In Campaign From

In the coming weeks the Chateauguay YMCA will be soliciting your support through its Sustaining Membership Campaign. Last year the community response was so encouraging that a YMCA Area Board was formed and since then the 'Y' in Chateauguay has started to move ahead.

This year we have joined with all the various branches of the Montreal YMCA in their annual campaign to raise funds to help offset rising deficits resulting from the operation of programs which do not pay for themselves, in particular those for youth, where the fees are kept as low as possible. Chateauguay YMCA is associated with the Lachine-Dorval branch and through them we receive one third of a professional staff member's time together with office services and the general resources of the Montreal Y. This represents an annual subsidy of some \$4,000. Our ultimate objective in Chateauguay is to become self supporting; our immediate objective is to raise \$2,500.

To achieve this aim, we are asking you to become a Sustaining member of your local YMCA. Your minimum donation of \$5. (which is tax deductible) buys nothing for

Maplewood Presbyterian Church Notes

Sermon topic this past Sunday was entitled "The Power and Wisdom of God", based on Corinthians 1: 18-13, and dealt with the need of the preaching of the Gospel in order to arouse Christians from their complacency.

(Continued on page 11)

YMCA volunteer workers gathered in the new Cultural Centre on Wednesday, Feb. 14 heard the Mayors of Chateauguay wish them good luck in the YMCA Sustaining Membership Campaign.

Mayor Joseph Laberge expressed his belief that the YMCA will help the community and assured it that the Town of Chateauguay will do its utmost to co-operate. Alderman Joseph Petrilli, speaking for Mayor Sutterlin agreed that the Centre would give its help as much as possible. Mayor Jean Laberge stressed that everyone should participate in this important cause and he welcomed the way that the YMCA was helping to unite the three Chateauguays.

Jim Turner, Chateauguay's new staff member, explained that the YMCA is now represented in 53 countries and that there are 115 branches in Canada. The Chateauguay YMCA is an offshoot of the Lachine-Dorval YMCA, which in turn is a branch of Montreal Metro Y. Lachine-Dorval is giving us much help both in leadership and administration facilities during our formative years but if we are to grow our aim must be to make the Chateauguay YMCA self supporting.

In a review of the Y's progress, Tony Cornford commented that since the first sustaining membership campaign, programs with youth have been developed in Judo, Photography, Art and ten interest clubs and a Youth Council has been formed. In co-operation with other community organizations a seminar with organizational leaders and a Community Leadership Development Project have been conducted. In addition, Chateauguay YMCA members have the varied program of the Lachine-Dorval YMCA available to them.

Dealing with the campaign structure, chairman Guy Barreire explained that Chateauguay has been divided into zones each with a zone chairman to direct canvassing. In this way it is hoped that every household will have an opportunity to make a tangible expression of their support for the Chateauguay YMCA. If you would like to help in this worthwhile cause please telephone Guy Barreire at 691-1541.

It should perhaps be explained here that a "sustaining membership" drive seeks the support, through permanent membership, of people who will not necessarily participate actively in the activities offered, but who believe in the institution of the Y enough to give it their support. It is a way of getting the YMCA firmly established in a community. The Zone Chairmen hope to reach 25% of the population of Chateauguay with this membership drive.

ZONE CHAIRMEN

Chairman G. Barreire, 691-1541; Zone 2: B. Boyle, 691-1169; Zone 3: R. Lee, 691-9053; Zones 4 and 5: B. Gibbs, 691-2279; Zones 6 and 10: E. Bartlett, 692-2354; Zone 7: J.A. Doiron, 691-1780; Zone 8: Mrs. G. Woodhouse, 692-6898; Zone 9: R. Racicot, 692-8969; Zone 11: T. Lunn, 692-4372; Zone 12: E. Stafford, 692-4463; Zone 13: R. Powis, 692-2630; Zone 14 and 15: A.B. MacMillan, 692-9246; Zone 16: A. Chidley, 692-9246; Zone 17: N. McLean, 692-9231.

WHAT NEXT FOR SEIGNIORY PARK COUNTRY CLUB?

It is now common knowledge, especially to darts players and drop-in-after-work beer drinkers, that the Beach Club, or was it the Country Club, is closed, boarded up, and may soon be gone forever... SPHOA (Seigniory Park Home Owners Association) has plans however, and President Bill Vanderleden recently organized a meeting at the Rustik with interested members, Pool Manager Bob Jennings, and people from other Home Owners Associations in Chateauguay, to see what, if anything, could be done to keep this wonderful Olympic-sized pool in operation in our town.

Bill Vanderleden (691-9819), is most anxious that anyone in Chateauguay, in either an official, or private capacity, should call him if they are interested in keeping this pool in operation in Chateauguay. It will take work, and help will be needed, but the SPHOA has already drawn up preliminary plans for the number of shareholders needed to run the pool on co-operative lines similar to others in the area. After payment of the initial share, annual costs would be substantially lower than they have been in former years, and the operators expect that most of their shareholders would come from the Chateauguay area. A sum of \$100 per share has been mooted, with \$50 or \$60 annual fee per family. The whole project depends on negotiations with the present owners, Concordia Estates Ltd., and a meeting with their representatives had been scheduled for last week. Most unfortunately this had to be cancelled, due to the illness of one of the SPHOA's key members Don Chart, who had prepared most of the financial statements and who also is acquainted with Concordia personnel.

If they can buy the pool, and organize all the finance needed for this purpose, SPHOA would like to get about 600 families as members, to keep operation of the pool viable. The pool facilities were originally set up to handle 750 families, and Bob Jennings reported that at one time over 500 families had memberships at the pool. Mr. Jennings, on being questioned on the subject, also reported that some 350 families in Chateauguay, and about 100 in the Montreal area, have already shown interest in belonging to the pool on this new co-operative basis. One of the most interesting points brought out at this first meeting was that in some communities — Dollard des Ormeaux was cited as an example — the Town authorities bought the land, and the citizens bought and operated the pool, thus lowering operating costs quite considerably because they had no taxes to pay on the land. This Country (Beach) Club is one of the few places in Chateauguay that has a good community hall for winter, and outdoor facilities

World Day Of Prayer Service

With the clasp of a hand and a Prayer for peace and unity women around the world will join together on March 1st, 1968, to mark the World Day of Prayer.

The programme on the theme "Bear One Another's Burdens" was prepared by Ceylon's Mrs. Rathie Selvaratnam, Chairman of the Asian Church Women's Conference. It reflects the traditions and hopes of her native land but it also deals with the responsibility of all to share the problems and to work for Peace in to-day's troubled world.

The offering is used to further projects in most of the "have-not" countries.

There will be a service in your community on March 1, 1968. Why not attend? Service will be held at St. George's Anglican Church, 992 St. Francis Blvd., Chateauguay, with ladies from the above, and St. Andrew's and Chateauguay Centre United, Calvary Baptist and Maplewood Presbyterian Churches taking part.

CENTENNIAL PARK SCHOOL TO HAVE "OPEN HOUSE"

A warm invitation has been extended to all parents from the Chateauguay area to visit and tour Centennial Park Elementary School, corner of Jeffries and Melba in the Terrace.

A program is currently being prepared for the balance of Education Week. On Tuesday, March 5, there will be a gym display; a presentation of the film "Summer Hill" and a discussion on drugs. On Thursday evening, March 7th, a panel discussion is planned on teenage behavioural problems with presentations from leading authorities on the subject. Other items planned for the week are tentative but will be announced through the Gleaner as they are confirmed.

Once again may we mention the invitation to "Open House" extended by Mr. Howard Dorrance, Principal and his teaching staff, Sunday March 3rd.

TOWN OF CHATEAUGUAY Evaluation Roll Open To Scrutiny

The evaluation roll is open for scrutiny for four weeks from 13 February 1968, and any taxpayer wishing to do so has the right to go to Town Hall and ask to see his evaluation, to query this if he feels it may not be correct. The total evaluation for each ward of the town, with respective aldermen, is as follows:

Ward	Alderman	Value
1	Merrette	\$ 1,800,000
2	Garand	2,100,000
3	Seers	3,400,000
4	Hébert	1,500,000
5	Dupont	1,200,000
6	Oliver	9,100,000
7	Sottiaux	7,800,000
8	Bonneau	11,200,000
		\$38,100,000

Father Cox Of Lasalle Brings Thought-Provoking Message

The Home and School Association of the R. A. Jobber Elementary School, had at their last general meeting as guest speaker, Father Cox of St. Jean Brebeuf Parish, Lasalle. Father Cox chose as his topic, "Does A Father Know His Son?"

Dealing primarily with teenagers, Father Cox attempts to help them when in trouble, with favorable results in a majority of the cases. His message was clear that the time when help was most needed to prevent future problems is when a child is very young. Parents should take time to listen and to talk with their children, stressed Father Cox, besides the importance of the family members becoming involved with each other; working as a unit and thus building the child's confidence.

He feels that letting children express themselves freely in the home helps prepare them to conform in our society later on. Material things please a child, oftentimes only momentarily, but when parents give themselves, this he said, shows a child that he is loved and built in him or her a deep sense of security.

On the subject of punishment, Father Cox pointed out the necessity for this, but — parents must be sure it is for the child's benefit and not the release of one's own tensions.

Father Cox was accompanied by Mr. Dan Grace, a member of the "Vincentians" a non-sectarian group organized to help others in trouble. Mr. Grace also spoke, telling of some of his findings in counselling "hippies" and girls of the 14 to 16 age group.

Following the two speakers a very lively discussion period was held.

Advance notice of the official opening of Robert A. Jobber Elementary School is given here, Tuesday, March 5th. Please keep this date open. More details will follow in future issues.

Seigniory Park Nursery School Goes On Field Trip

On Tuesday last, the children of this nursery school were driven to Laiterie Moderne in Beauharnois by several of the mothers who had cars available. It has been found that visits to bakeries, dairies, the post office, etc., make a big impression on the mind of the four-year-old child, and are therefore much to be encouraged in his early education. Also they get a lot of fun out of these trips.

The children were shown the whole dairy process, from arrival of the milk in cans, through the pasteurizing machine, the homogenizing machine and eventually the mechanical bottling process. This fascinated them the most, as the bottles go along in assembly line technique, are filled, capped and then stacked. An enormous vat of chocolate

On Friday evening, the 16th the pupils of Georges P. Vanier School enjoyed a skating party at the rink on their school grounds. Following the skating the students assembled in the Parish Hall of Our Lady of Perpetual Help for hot chocolate and hot dogs and a good time was had by all who attended. A special thank you to the Principle of Georges Vanier School and to the teachers and mothers who assisted with the serving of lunch afterwards.

A very happy birthday to an old friend Mrs. K. Moody of Ethier Street, who will be celebrating her birthday on February 23rd.

We are most grateful to the manager and staff of the Laiterie Moderne in Beauharnois, who were willing to allow 20 small children to look round their dairy, and learn much thereby. Their courtesy is much appreciated.

The GLEANER

Chateaugay News Notes

The District pack of Wolf Cubs are to meet at St. Andrew's United Church on Sunday, February 24th. At the meetings of the Centre's Council last week, there was no question, so meeting could not proceed. A special meeting was held last Friday evening but no news of interest to our readers from it.

Class, 2 p.m. - 161 Parkview Blvd. Last call for "8 week Course on a new morality" - St. George's Church, Wednesday 6 p.m. starting February 21st.

From the Bulletin - "Revolution... and Ideas" So many people today say "It does not matter what you believe, only what you do". But behind every revolution that has shaken society is some idea or thought or belief. It was a belief that prompted early Christianity to "turn the world upside down".

BILLINGS JUNIOR HIGH CHATTERBUZ

(By Leslie Faughnan.) A Student Council meeting took place last Wednesday. There were other bits and pieces of business to clear up before really getting down to this week's activities.

Chateaugay Centre United Church

"Partnership in the Gospel" visitation is well advanced in organization and preparation. General Chairman, Nelson Weppert, and Committee Chairmen - W. Page - Vision - Charles Prest - Contact - Eleanor Robertson, Special Events and Beryl Millett, Publicity and Materials - have been hard at work for some time now.

of thanks for keeping them always so white and crisp looking. On Sunday Evening March 10th, our Senior Choir will be joining with Maplewood and Andiac Churches to take part in a Musical Fellowship Service. There will be two practices, one on Wednesday Evening, February 28th, at 8 p.m. The other on Wednesday Evening, March 6th at 8 p.m.

CHATEAUGAY CENTRE UNITED CHURCH 161 PARKVIEW BLVD. WELCOMES YOU MORNING WORSHIP 11 A.M. AT ST. PAUL'S SCHOOL CHURCH SCHOOL - 9:30 a.m. at 161 Parkview Blvd. KINDERGARTEN & NURSERY - 11 a.m. at 161 PARKVIEW BLVD. Minister: Rev. Herbert Gould, B.A., B.D. Manse 122 Elgin Drive Telephone - 691-0425

Don't forget the Royalty Ball on Saturday, February 24th. It will cost you \$1.25 with Student Council cards or \$1.50 without. Don't forget Juniors, were all in it, too. The Bartorenew & three will play for us. It will be in the Senior Gym and it all starts at 8:30 p.m. The highlight of the evening will be the complete Royalty consisting of King, Queen, Princess, Prince, Duke and Duchess being crowned. This of course will be the finale of Activity week. Other events during the week were the big ski trip on Monday to

Mont Habitat. On Tuesday there was a movie in the large lecture room and a signa ride that night at Murphy's stables. Today (Wednesday) there will be a curling tournament at the Beaucaerueau Curling Club. Also at 7:00 there will be a car rally. Tomorrow (Thursday) there will be a spring-a-long in the cafeteria. The admission is free so come along everyone! Then at 9:00 a room ball game will be held at the Chateaugay terrace. Friday, there will be a basketball game at 4. Following the game at 5:30 will be a supper in the cafeteria. Then you can go swimming at 6:30 up in pointe Claire. On Saturday night everyone is going to be pretty pooped after an unal!

One more piece of news: - The new building which is under construction now will be ready for use on October 31, 1968. says Mr. Wait. This will be quite a relief for teachers who are trying to get something done with all the hammering. There may still be something left over to do like painting, etc. but all the rooms except the cafeteria and the auditorium will be in use. But before then you can imagine the headaches we'll have when they start drilling? Oh! Miss Woodhouse, get in an extra supply of aspirin!

ST. ANDREW'S NOTES

Guest Preacher at the Sunday morning service was Rev. Ronald Manabir, B.A., B.D. One hundred years ago, Presbyterian missionaries from Canada began a work in Trinidad which has continued to this day. Mr. and Mrs. Manabir were both born in Trinidad and attended schools and took part in the life of Christian congregations there. Mr. Manabir's theological training was taken in Canada at the Hill Divinity College in Hamilton, following an arts degree from Mount Allison University, at Sackville, N.B. He is presently on the staff of the Howard S. Billings Regional High School in Chateaugay, and is a member of the committee responsible for introducing the new Course on Moral and Social Development. Mr. Manabir's appropriate sermon topic was "Christian Partnership in Trinidad".

The flowers in the Sanctuary were in memory of the late Mr. James Lang, and were placed by his widow and family.

TOWN OF CHATEAUGAY-CENTRE TENDERS

Sealed tenders in enclosed white envelopes and addressed to the undersigned shall be received until five o'clock P.M., on March 5th 1968, for the following works: 1.-Contract no. 68-1: Sewers and Watermain on lot 224 - 4,500 lin. ft. 2.-Contract no. 68-2: Macadam on lot 224. 3.-Contract no. 68-3: Canalisation of Cours d'eau des Ving-Cinq. 1,700 lin. ft. 84". 500 lin. ft. 72".

According to plans and specifications prepared by the consulting engineers, Lalonde, Girouard and Letendre. Only tenders written on special forms supplied by the town shall be considered. These tender forms, the plans and specifications may be obtained from the engineering office at the Town Hall, 25 d'Anjou Blvd., Chateaugay-Centre. A deposit of \$25.00 in cash or cheque shall be required for each tender. This deposit shall be refunded only to the tenderers who have returned all documents within six (6) days after the day on which the tenders are called for.

Each tender shall be accompanied by an accepted cheque drawn on a Canadian Bank and payable to the Town of Chateaugay-Centre for an amount equal to 10% of the total amount of the tender.

The Town of Chateaugay-Centre does not bind itself to accept the lowest tender or any tender and without any obligation on the part of the municipality.

Laurier Legault, Town Clerk, Town Hall, Chateaugay-Centre, Quebec. February 9th, 1968.

H. S. BILLINGS HIGH NOTES

by Barbara Allen

Last week, Billings Junior Boys' Basketball played St. Thomas in a game which resulted in a 50-40 score for Billings. Jimmy Zizani was Billings' star player getting 20 of the 50 points scored.

The nominations for Royalty were held Friday and that same day nominees started early campaigns. This week the school will be literally festooned with campaign posters and activity advertising. There are activities every day this week primarily after school. Teachers are advised to let up on homework in order to give weary students a chance to enjoy those entertainments they have only once a year. It's a form of reprieve from routine.

If anyone is in doubt as to the various events going on after school, there are little event schedules scotch-taped everywhere and anywhere the janitors permit.

The Yearbook would like everyone who hasn't ordered a yearbook by now to bring in their money to their representative as soon as possible. There is still time left to order H.S. Billings High's first yearbook.

I was informed that this year's Royalty Ball band will be Bartholomew & Three, a well known group which has recorded extensively. We're expecting a really big turnout, bigger than last year's crowd since the school is much larger, this year. I find semi-formal dances like the Royalty Ball, bring out one's true personality. The dress is semi-formal which is interpreted, as far as girls' hemlines go, as anything from the thigh right down to the floor. One thing I'm waiting to see is the maxi-skirt. So far no one in our brave and progressive school has dared to show up in a maxi. It seems rather strange to me as it didn't take long for the mini to gain a following here. Why not the maxi as well? Where's the "Bonnie and Clyde" spirit that is supposed to be sweeping the continent? How about the boys? I haven't seen any Clydes walking around amid all the Ringoes and Henris in the hall. I'm all for masculine boys and feminine girls. I believe Nature is too. That's all for now.

Chateaugay Toastmasters Speech Contest Results

The Chateaugay Toastmasters' Club held its speech contest at the Rustik Restaurant on Monday, February 5th. There were many notable speakers taking part in the contest. They included Mr. Des Harwood, Mr. Tom Kavanagh, Mr. Paul Chartrand, Mr. Clarence O'Connell and Mr. Hank Hillock. The winner was Mr. Des Harwood who spoke on "I Accuse L. B. Johnson, President of the United States."

The 1st runner-up was Mr. Tom Kavanagh and his subject was "The Human Heart and its many problems". Mr. Paul Chartrand spoke in French on the Art of Speaking. This was a very good contest and each speaker deserves a word of praise. Congratulations to Mr. Des Harwood on a wonderful speech. The contest chairman Mr. Ken Davies did an excellent job. He had three judges to assist him: Mr. R. Thauvette, Mr. M. Hackett, and Mr. Bill Labelle and the timers were Mr. B. MacLaughlin and Mr. Pat Gilmore.

VETVILLE VIEWS

By Mrs. Jalbert - 692-2044

First of all, I would like to get something off my chest. It has been bothering me. It seems that someone in Vetville phoned Mr. Horschburg who was at work, and spoke to Mrs. Horschburg. She would not give her name but the gist of her complaint — for such it was — against me seemed to be that I was untruthful and unqualified to write a column about Vetville. I challenge this person to come face to face with me and repeat what she said on the phone.

When I mentioned Mrs. Louthwaite was staying at Mrs. Class' apartment until the end of February — you will find this to be true. Also my feelings about Vetville have not changed, and I repeat that we should all get down on our knees and thank God for a place like Vetville, and for Major and Mrs. Mitchell. As for the anonymous phone caller saying that some people there have no use for Major and Mrs. Mitchell, they know it, but it makes no difference to them. They do their job, and they do it splendidly. I have often heard it remarked that if the rents went up many people would leave. Well, now we shall see how many do, because we have just received our notices to that effect.

Mr. and Mrs. G. Bissonnette, of Montclair visited the Jalberts Sunday, 11 February. Congratulations to my dear friends Mr. and Mrs. J. Simons, who celebrated their 25th wedding anniversary on Tuesday, 13 February; also to my niece Mrs. Sydor, nee Farmer, who celebrates her 2nd anniversary Monday, 19 February. We don't see much of Mr. and Mrs. W. McCarthy these days, hope to see you at cards soon again.

I was speaking to my sister Mrs. M. Farmer and she told

LETTER FROM SEIGNIORY PARK

by FERGUS HORSBURGH

Route Box 1
ROLAND and PAUL
LUSSIER
373 St. Francis 691-0782
JOHN CLAYTON
310 Seignior Drive
691-9583

As I have been badly stricken with this so-called Asian Flu (I bet it's Communist!) my wife Jane is covering this issue for me. Contrary to her orders I have insisted on at least making a start at "Letter" — so here goes. All I can say is that if this be flu, then

Chateaugay Minor Hockey

I have obtained the results of the semi-finals for the east side from R. Hill and I would like to pass them on to you. By the time you read this the teams that won will be playing the finals if they have not finished them but this is the way they went. The semi-finals were won on total goals in two games.

In the Atom it was Terrace and the Gardens in the "A" series. In the first game it ended 3-3 and then in the second game it was 4-3 for the Terrace. I was told if it was not for D. Patterson in the nets for the Gardens the score might have been bigger. It was not kept track of but they say D. Patterson stopped close to 50 shots. In the "B" series it was Mustangs and Seig. Park and the games ended 0-0 in the first and 2-0 in the second for the Mustangs. So it will be Terrace and Mustangs in the finals. In the Mosquitoes it was Mustangs and Terrace in the "A" series with the scores of 2-1 in the first for the Terrace and 4-2 in the second for the Terrace. In the "B" series it was Gardens and Four Aces and it ended 2-0 for the Gardens and 3-1 for the Gardens. So it will be Terrace and Gardens to battle it out in the finals.

In the Pee-Wee's in the "A" series it was Four Aces and Mustangs with Four Aces coming out on top by beating Mustangs 2-0 and 5-1. In the "B" series it was Terrace and Gardens with Terrace coming out the best with scores like 2-2 and 4-4. So it will be Four Aces and Terrace in the finals. The Bantams it was Mustangs and Four Aces in

I never before have had such a thing in all my life and sure, I'm no one could be unfortunate as to catch it twice. On Sunday morning, Jane asked me how I felt and I said that I would probably survive the next six hours. The improvement on the previous day was that then I had been afraid I would survive the next six hours. Such is life in this Valley of the Dolls.

On Friday afternoon a couple of black birds perched on the upper branches of a tree at the bottom of our garden. It occurred to me that surely these birds were as big as big again as sparrows could not have wintered in Quebec. Ever watchful for the first sign of spring, my guess is that they were mistletoe. Can any learned reader make a guess as to the species?

The day following the above little woodpecker incident, I saw what I took to be one of the species. This time perched on the Hydro-Quebec power-line. Not wishing to keep all this ornithological fun all to myself, this time I summoned the rest of the family to join in a mid-February treat. They all solemnly agreed that never before had La Belle Province had such a distinguished visitor so early in the year. The rest of the family had presumably more urgent matters to attend to, so I was again left in sole charge of the bird. watching. Observe and report in due course. I was instructed. Well, I observed for two minutes, five-ten, and mercifully fell asleep. Two hours later, when I awoke, there was the wretched bird still — hadn't twitched so much as a feather, and I was reluctantly forced to concede that he or she — was really a Hydro-Quebec insulator or some such gimmick. Incidentally, this little diversion on the pseudo-bird does not invalidate the first part of the story, which is quite true — and I would like to hear from any well-informed birdlover.

Somehow I always seem to measure a winter's snowfall against our first winter in Seignior Park — 1962-63. How well I remember that 'this time of the winter is 1963.' The snow banks on each side of the driveway were five to six feet high. Of course, according to Groundhog theory, we have another three and a half weeks to go, but I'd say the odds are very much in favour of a below average snowfall this time around.

Tony Chappell (of Montmorency) and his Orchestra have just completed their contribution to the comedy revue "Funny You Should Say That", to be heard on C.B.C. Radio's Showcase, February 25th. The all-star cast includes Don Herron, Joan Stewart, Ted Zeigler, Peter Cullen, Martin Broustain and singer Sheila Graham.

the "A" series with Mustangs winning both games 4-3 and 9-1. In the "B" series it was Gardens winning the first game by a score of 12-0. So the second game was not necessary. So it will be Mustangs and Gardens in the finals.

Now in the Midgets it was Mustangs coming out on top in the "A" series over Terrace, after losing the first game 4-3 to Terrace they came back and won the second game by 9-3. Now in the "B" series between Four Aces and Heights there seem to be a difference of opinions over something or other I really don't know, but I know a meeting has to be held between the parties involved to iron things out so I have no results of this series as yet.

Teams	G.	W.	L.	T.	Pts.
Heights	12	11	0	1	23
Sts.	11	4	4	3	11
Ste. Martine	8	2	6	0	4
Mustangs	9	0	7	2	2

Now in the semi-finals the Mustangs dropped out of the left the Saints and Ste. Martine to play and in the first game Ste. Martine won 4-1 but the second game the Saints won 5-1. So the Saints won the series 6-5. Now the Saints took on the Heights in the finals and the Heights won the first game 4-1.

I was not able to get the results of the semi-finals for the West side as Miss Dazo has not received the score sheets as yet except the Bantam "A" section and I told you about them last week. In fact I was at the Bantam final game to-day between the Beavers and the Hawks with the Beavers winning 4-2. So till next week, I'll see you at the rink.

Ed Newman.

Letter to the Editor

The Editor, Chateaugay Gleaner:

Dear Sir,

Re: The new zoning By-law for the Town of Chateaugay. On the evening of 14 February 1968, By-law no. 339 was read for the third and final time, to make it a legislated law. This By-law is one of a kind we have never had before in the Town of Chateaugay, and is the result of many exhaustive debates, many months of planning and considerable and far-reaching research by the town administrators, and their staff; and of course was paid for by you the taxpayer.

Through repeated newspaper announcements, we the people were made aware of the By-law and were notified when the electors' meeting would be held, the date, time and place. I would like to repeat: it was a S last Wednesday 14 February 1968 at the Townhall.

As an interested taxpayer I went to this electors' meeting, wanting to know the people's general reaction to a law as important as a zoning By-law; also I went because I think that this is an important piece of legislation.

Here is what happened: in a town with almost 13,000 people and let us say 2,500 households and as many electors' votes, I imagined that quite a number of them would be interested in what developments will take place in our area in the future. I have witnessed that at council meetings people have been waving fingers and fists at the town council members to voice their opinions, and to emphasize their objections. This happened repeatedly on the issue of building permits for duplexes, which were granted by the town's administrators, and I am quite sure that it will happen again and again in the future, because most people only realize the gravity of an unwelcome situation when it happens on their front door or in their backyards.

Well, then, read this carefully: 4 (swelled) four taxpayers showed up to an electors' meeting as important as that one, where progress and in my opinion a historic step for the future of the Town of Chateaugay was taken.

In my opinion this is a shameful demonstration of lack of a sense of community responsibility. This By-law was prepared and presented to the citizens of Chateaugay in the most democratic way and passed into law through the democratic process, but we have made a mockery of what we all take for granted in our daily life, namely freedom and democracy as a whole and in all its aspects. For these principles many people had to pay and are still paying with their blood. Quite often members of the town council are accused of all kinds of wrongdoing, and are told that they are not fulfill-

A NIGHT TO REMEMBER

The Chateaugay Toastmasters were host to the C.I.L. Club from Montreal on Monday, Feb. 12th at the Rustik Restaurant. This was indeed a night to remember. From the moment our president Bertie MacLaughlin made his opening remarks until he declared the meeting closed, it was public speaking at its best. Our Toastmaster for the evening Ken Davies did his usual good job. Clarence O'Connell was the busiest man at the meeting. He was Grammarian, a Topic Speaker and our Official Host. Thanks Clarence for a job well done. Our timer for the meeting Fred Leveille, did well for his first assignment. The topics were of excellent choice, and then they always are when Mike Hackett acts as Topic Master. The Topic Speech winner was our newest member Pat Gilmore. Congratulations Pat. The last member of Ken's crew was a member from the visiting C.I.L. Club Ken Warwick who acted as General Evaluator. The guest gave a polished performance during his evaluation session, and our members gained from his experience.

The second half of our program was taken over for the six-minute speakers. We had two speakers from C.I.L. and three local members. The first speaker was Pat Gilmore who made his Ice Breaker speech and Pat if this speech any indication of what we

will hear from you in the future we will be looking forward to your next one. "Getting People To See Things Your Way" was the title of a talk given by Jack Donaney, of the C.I.L. he had a plan on how we can co-operate with each other without the creation of a barrier. "Are Automobiles Safe?" This was the question Doug Davidson asked his audience and he stated that the manufacturers of automobiles are not sincere in their program for Safety and cars are still unsafe. The 4th speaker was Des Harwood who accused L.B. Johnson for being responsible for the problems in Viet Nam and the Racial Problems in the U.S.A. The title of his speech was "I Accuse Lyndon B. Johnson. The last speaker Tom Kavanagh or I should say Doctor Kavanagh spoke on the heart. Did you know that the heart pumps blood through 60,000 miles of vessels each day? This was only one of the many informative facts presented by Dr. Kavanagh in his speech entitled "I Am Your Slave".

This concluded the session and the meeting ended with a word of thanks from our President Bertie MacLaughlin to our visitors. He thanked them for their wonderful performance and gave them his word that we would make a return visit to their club in the near future. Toastmasters in Chateaugay meet every Monday night at the Rustik Restaurant at 8 p.m.

Heights Council Meeting Tuesday, February 13th

Prior to the demise of the Heights sometime later in the Spring of the year, there are several jobs that have to be completed, as outlined at last week's regular council meeting.

The mundane, but very necessary job of garbage collection has to be decided, as eventually this of course will be taken over by the Town and the Heights contract expires on March 31st.

The recurrent question of what will happen to the Recreation Hall is still under discussion, and ideas and plans will be drawn up to present to the Town of Chateaugay Council soon. Although legally the Town of Chateaugay will own the Recreation Hall after amalgamation, it is likely that the present Heights Council will get a sympathetic hearing for any ideas they might have.

Despite amalgamation, taxes will be collected separately in the two towns for 1968, and tax bills will be sent out to Heights residents in a few weeks. This arrangement was agreed upon between the Town and the Heights.

The overriding worry of the Heights council at present is Quebec's failure to pay the 4% rebate on the interest charged on their loan for water and sewerage installations which amounts to about \$34,000 annually.

In all the financial statements dealing with amalgamation between the Heights and the Town, this rebate was written into the balance sheets; also in the applications for financing the water and sewer installation, approved by the Municipal Commission in Quebec City, that 4% rebate was part of the financial arrangement and was deducted. The Heights Council was told that everyone else in similar circumstances had received a rebate, and that there was nothing they could do about it.

And, while I'm talking about telephone numbers, perhaps it's the right moment to include a reminder of a special number list. When you're going out for the evening, here are a few suggestions that may help you and the baby sitter relax. Take a few moments to write down the names of the places you are going, and the phone numbers, and the approximate times you'll be there. Have emergency numbers, including the family doctor's, written down too. Chances are, the baby sitter will never need to use the list, but you and she know it's right beside the phone if needed. Having taken these precautions, step out and have a relaxing, fun-filled evening.

Recently we heard about a telephone Repairman who had been up a pole doing some work on the telephone line. When he started to come down the pole he saw a large, ferocious dog growling and waiting for him on the ground. The Repairman didn't panic. Instead, he just climbed back up, hooked onto a line and called the police on his test set. An officer came, pulled the menacing Rover away, and the telephone man climbed down in safety. This is just another example of how people get help quickly and easily with their telephone!

Karl FUCHS, Town of Chateaugay.

AUTO INSURANCE RATES SEE RADICAL CHANGES

Chateaugay is still classed with Montreal as far as auto insurance rates are concerned and these are the highest, by far, in Canada. Aside from that, there are many changes in this year's premium structure which will have great effect on the money you pay for this important protection.

The greatest changes are reserved for the male driver. There is now even a bigger difference in costs between the married and single male. For example, the married rate for any age up to 24 is only slightly more than for those over 25. But, the "single" lads under 25 will pay almost two and one half times more than their married friends. Quite a penalty for the "Free State".

One of the more surprising bits this year is the special leading for single men from age 25 to 29. Just about 50% more than the best possible married rate.

And the girls don't escape this year. (It's about time) If under 25, married or not, they

now pay extras equal to married males under 25. And it's generally higher than last year.

The biggest change and the best news to father, is in the "occasional" male driver under 25 class. These unfortunate will no longer cause the entire policy to be rated up. In fact, Dad will be charged a rate based on his use and experience and there will then be an additional charge for junior. That is, Dad may be charged as "claims free" while the charge for junior may include an extra penalty if he is a new driver. It can mean up to \$200, less per year from last year's method of basing all rates on the poorest or highest rated driver. It's also pretty fair.

And one thing more. There are lots of new categories this year, designed to produce more detailed statistics. Many of these divisions carry the same premium for the moment but experience will determine the changes to come. So watch it.

Maplewood Notes

Hymns sung were "Jesus Keep Me Near The Cross", "Stand Up, Stand Up for Jesus", and "Rise Up, O Men of God".

On Sunday afternoon the District Scout and Cub service was held. Those taking part were Rev. Howard Fraser of St. Andrew's United, Rev. Graham Burgess of St. George's Anglican, Father Victor Dionne, Chaplain of H.S. Billings Regional High School; Rev. John Allen and Mr. S. McLeod of this Church.

Next Sunday afternoon, February 25th, the District Girl Guide Service will be held at Maplewood.

On March 10th at 8 p.m. the combined Choirs of Chateaugay Centre and Candiac United with Maplewood will present a Choral Service. Mark the date on your calendar and plan to attend.

BELL LINES

by R. E. LEGARE
your telephone manager

Have you ever spent unnecessary, frustrating time searching around through stacks of old papers, coupons or matchbook covers for a telephone number that you wanted to keep and now need? Then sometimes, if you're lucky, you find it written on a crumpled grocery list or envelope panel? Well, I know an easy way to keep all those important numbers all in one place and close to the phone. We've redesigned our handy booklet in which you can keep all your telephone numbers and it's called the Personal Directory. It's smart and modern looking and though compact in size, it's large enough to hold all the numbers that you call frequently. It has space for names, addresses, Area Codes and telephone numbers. Just inside the front cover is a special spot for emergency numbers. And, we've included space for important dates you want to remember, such as birthdays and anniversaries. I'd like you to have your free copy for I'm sure you will find it as convenient as I do. Just call our Business Office and we'll be happy to send you one — or two if you need them.

And, while I'm talking about telephone numbers, perhaps it's the right moment to include a reminder of a special number list. When you're going out for the evening, here are a few suggestions that may help you and the baby sitter relax. Take a few moments to write down the names of the places you are going, and the phone numbers, and the approximate times you'll be there. Have emergency numbers, including the family doctor's, written down too. Chances are, the baby sitter will never need to use the list, but you and she know it's right beside the phone if needed. Having taken these precautions, step out and have a relaxing, fun-filled evening.

Recently we heard about a telephone Repairman who had been up a pole doing some work on the telephone line. When he started to come down the pole he saw a large, ferocious dog growling and waiting for him on the ground. The Repairman didn't panic. Instead, he just climbed back up, hooked onto a line and called the police on his test set. An officer came, pulled the menacing Rover away, and the telephone man climbed down in safety. This is just another example of how people get help quickly and easily with their telephone!

Liturgie - Jesus says: "Now we are going up to Jerusalem. They will put the Son of man to death and on the third day he will rise again." It is clear from these words that Jesus went deliberately to his death.

Le tournoi de hockey remporte un beau succès
Le tournoi invitation qui s'est déroulé toute la journée dimanche dernier à l'aréna local fut un succès. D'abord par les nombreuses activités au programme et surtout par la présence de nombreux spectateurs qui ont démontré un esprit sportif en venant encourager les joueurs.
Les organisateurs tiennent à remercier tous ceux qui ont participé ainsi que tous les amateurs de hockey qui se sont rendus à la patinoire.
Dans la section Pee-Wee, 4 équipes étaient en lice, soit deux de Huntingdon, une de St-Régis et une d'Ormstown. Voici le résultat des parties: Semi-finale: Huntingdon 1, Ormstown 5.
2e équipe: Huntingdon 3, St-Régis 2.
Finale: Huntingdon 2, Ormstown 4.
L'équipe d'Ormstown remporte la série.
La section Bantam mettait 5 équipes aux prises. Le résultat des parties fut le suivant:
Quart de finale: Dewittville 1, St-Régis 3; Ormstown 5, Huntingdon 2; Hemmingford 4, Huntingdon 7.
Semi-finale: Huntingdon 3, St-Régis 2; Finale: Ormstown 2, Huntingdon 3.
Les dames d'Ormstown et de Dewittville se sont également affrontées dans une partie que Dewittville remporta facilement par le compte de 5-1.
Les Old Timers de Hemmingford qui rencontraient ceux de Huntingdon ont facilement eu raison des joueurs locaux en les défaisant par 4-0. On espère bien prendre sa revanche l'an prochain si l'occasion se présente.
Toutes les parties ont été disputées à vive allure et les spectateurs ont eu des émotions de toutes sortes. Il y a longtemps qu'on avait vu du hockey de ce calibre à Huntingdon.
Le hockey organisé pour les jeunes a donc encore une fois prouvé sa raison d'être. Au cours de la saison qui se terminera bientôt, près de 150 jeunes garçons ont bénéficié des directives d'instructeurs bénévoles qui méritent l'appréciation de tous pour leur écoulement.

Activités du Cercle des Fermières
L'assemblée mensuelle du Cercle des Fermières eut lieu le mercredi 14 février en la salle de l'école Jean XXIII sous la présidence de Mme Pierrette McDermott.
Mme Jeanne Dagenais fit la lecture des minutes de la dernière assemblée et de la correspondance du mois.
Le Cercle tient à remercier la dame anonyme qui fit don d'un \$10.00 au temps de Noël et qu'on utilisa pour acheter deux paires de chaussures pour des pauvres.
Le Cercle reçut de la part du Cercle des Fermières de Chateauguay, une invitation pour une partie de cartes qui aura lieu à l'école Marguerite Bourgeoise. On discute du changement de nom du Cercle des Fermières de l'association collective du sens du mot "Membre actif" et on décida de demander plus de revenus "Terre et foyer".
Sur proposition de Mme Emond secondé par Mme A. Primeau, les dépenses du mois, spécialement de la réparation des haut-parleurs, furent approuvées.
Mme Wilfrid Tremblay et Mme Aimé Primeau furent les gagnantes du tirage du mois.
Des travaux exécutés par les fermières furent exposés, il convient de mentionner une robe tricotee au crochet, un très beau travail exécuté par Mlle Régina Dandurand.
Des fermières ont aussi apporté des tricots au profit des pauvres, confectionnés avec de la laine donnée par la Zephyr Textile.
Un voyage à la Place des Arts est au programme pour le 28 février.
Le 15, un groupe de fermières se sont jointes aux Fermières de Huntingdon et de St-Antoine Abbé pour visiter le Salon de l'Agriculture à Montréal.
Comme travaux du mois, on demande des mitaines ou poignets et une tarte au sirop d'érable.
Un léger goûter termina la soirée.

Reine des Loisirs
Un concours de popularité ayant été organisé pour élire une "Reine des Loisirs", Mlle Ghislaine Reid se mérita ce titre avec la vente de 570 livrets, les autres Lois Collins, 460 livrets, Claire Primeau, 423 et Nicole Beauchamp, 128 furent proclamées duchesses et elles prendront part aux différentes célébrations qui marqueront notre Carnaval d'hiver les 23, 24 et 25 février prochains.
Bienvenue aux Visiteurs et à toute la population locale.
Note sociale
Félicitations et meilleurs souhaits à M. et Mme Adèle Leduc qui célébreront le 23 février, leur 30e anniversaire de mariage.
Hommages aux Loisirs
Le 24 février (soir la boîte à chanson organise une soirée d'amitié en l'honneur de la reine des sports, Mlle Ghislaine Reid et de ses duchesses Lois Collins, Claire Primeau et Nicole Beauchamp. Il y aura orchestre de danse et sketches.
Bienvenue à tous.

ICI ET LA
dans la Ville de pique-nique
La poudrière poussée par un vent violent qui a débuté tôt samedi matin n'a pas empêché plus de cinquante jeunes d'entreprendre le voyage projeté qui les a conduits au carnaval de Québec. Ils se sont rendus sans encombre dans la vieille capitale et ont passé une très agréable journée. Ils ont pu admirer le palais de glace, circuler dans les rues décorées, se rendre compte de l'hospitalité provinciale des québécois n'est pas un vain mot. Après avoir assisté à la parade qui avait lieu le soir, ils reprenaient le chemin du retour, fatigués, mais heureux de cette belle journée.

Journée de prière pour les femmes du monde entier
La Journée annuelle de prières pour les femmes du monde entier aura lieu cette année en l'église St-Joseph de Huntingdon, vendredi 1er mars à 2:30 p.m.
Le thème de la cérémonie préparée par Mme Rathie Selvaratnam, originaire de Ceylon et présidente de Asian Church Women's Conference sera: Partageons le fardeau ou "Bear One Another's Burdens".
C'est la seule journée où toutes les femmes du monde entier se réunissent ainsi pour prier. Toutes les dames et enfants de la région sont invitées à se rendre à cette cérémonie qui se déroulera dans les deux langues.
Souper-buffet et danse
Le comité du Centre Civique du Comté organise pour samedi le 2 mars, un souper-buffet qui sera suivi d'une danse. L'orchestre Albuway trio fera les frais de la musique pour l'occasion. Les recettes de la soirée seront versées au fonds de la piscine. On profitera de l'occasion pour lancer une seconde campagne en vue de recueillir le montant désiré, ce d'ici le début de l'été alors que la piscine sera mise en opération.
Notes sociales
Félicitations à M. et Mme

Invitation aux progressistes-conservateurs
Tous les supporters de la politique du parti Progressiste-conservateur sont invités à une grande réunion mardi, le 5 mars à 8 hres p.m. à l'école Edgar Hébert, Salaberry-de-Valleyfield, dans le but de procéder à la fondation d'une Association à l'échelle des nouvelles délimitations du comté de Beauharnois.
Le président provisoire de l'Association, M. Armand Milton, a fait parvenir plus de 1,000 invitations à des supporters reconnus, mais rien n'empêche tout citoyen de se rendre à l'assemblée pour procéder au choix de l'exécutif.
Des invités de marque représenteront cette réunion de leur présence, dont M. Léopold Carrière, président de l'aille québécoise du parti, M. Claude Dupras, vice-président

La nouvelle Caisse Populaire
Quand le Commandeur Desjardins fonda des Caisses Populaires, il le fit pour aider le gagne-petit, le petit épargnant et le petit emprunteur. Quand la Caisse Populaire de Huntingdon fut établie, c'était le crois dans la même ligne de pensée.
Elle débuta dans des locaux de fortune, avec un personnel restreint et beaucoup de bénévolat. Après avoir atteint presque son âge de raison, elle fait face à une demande du public et des sociétaires.
Il faut continuer à s'occuper de cette entreprise, qui recherche l'intérêt de tous.
Un sociétaire.

News from Howick

W.I. Meeting
The Howick W.I. met on Tuesday Feb. 13, at the home of Mrs. Jas. Crawford...

The Ormstown group were named as the nominating committee. A pamphlet on the B.N.A. Act was received from Mrs. Ossington...

The program consisted of a study of an interview between Dr. Penfield of the Neurological Institute and Chas. Templeton...

Two questions will suffice to get across what he meant. (1) Who is responsible for the permissive behaviour of the young girls...

Other views expressed by him were that T.V. programs should be carefully selected. That the teaching of our children be controlled...

A moment of silence was observed in sympathy to the bereaved Champ family followed by prayer.

Refreshments were served by the Ormstown Chateauguay group.

U.C.C. Meeting
Unit B of Howick United Church met on Tuesday, Feb. 13 at 8.30 p.m. in the Church Hall...

The candlelight ceremony took place at 6 p.m. with the Reverend Gardner Cottle officiating. The Altar was flanked by two white urns of ferns...

Given in marriage by Harry McCracken, the bride was in an off-white wool jersey ensemble. It was fashioned with a straight street length sheath...

Immediately following the ceremony, a reception was held at the Elks Club. The buffet table was centered with a floral arrangement of pastel daisies...

Out-of-town guests at the wedding included the bride's daughters, Mrs. Charles (Dorothy) Cavagnaro of Springfield, Virginia and Mrs. Robert...

It was decided to hold the Nearly New Sale in the Church Hall on the Eve of Apr. 19th and afternoon of Apr. 20th.

The next meeting on March 19th will be a Pot Luck Supper.

Mrs. McIntyre asked that old Nylons be brought in to send overseas.

A notice was read from Unit A inviting members to their meeting of Feb. 27th when Rev. J.S. Anderson will introduce Bible Study.

Mrs. Adolphe Bourcier entertained a few friends last week at a 500 party. Everyone was over 80 years of age and they enjoyed the afternoon together.

The guests were Miss Helene Sautoire, Mrs. Florina Jenneau, Mr. Nap. Parent. Now if they will come to the Seniors Club a bilingual game could be arranged.

None are too old to learn four words in two languages — hearts, diamonds, clubs and spades plus a few numbers.

On Wednesday evening, Feb. 14, friends and relatives spent a very enjoyable evening at the home of Mr. and Mrs. Victor Lyall of Beaufaire on the occasion of their 40th wedding anniversary.

A gift of money was presented. The circumstances of the fire at the Champ home made it impossible for either one or more than one person to give an adequate report of what happened.

As stated in the Gleaner information from various sources was used to piece together a story of the tragedy.

We regret that the splendid effort of the Howick Fire Brigade became confused with that given by Ste-Martine. We saw the local equipment rushing towards the fire at approximately 3.20 a.m. and knew from past experiences that everything possible would be done by our young men.

They carried the maximum amount of water and were followed a few minutes later by the tank truck which is always prepared for such an emergency.

The tank truck carried 2200 gals. and made several trips. At least 9,000 gallons of water were used from this source of supply.

Part of one tank load supplied by Ste-Martine was used. They are a level-headed crew and every phase of the work was carried out in what was considered the fastest and best way.

They appreciate the assistance given by many other volunteers in the community and by neighbouring communities as far away as Coughnawaga during a period of more than two days.

Forty-two people from Howick answered the call for blood donors at the clinic held at Ste-Martine on Monday, Feb. 12. Mrs. Marcel Lemieux won one of the door prizes, a Westinghouse radio.

Afternoon workers were: Mrs. J. Touchette, Mrs. Omer Beaudin, Mrs. Leo Rose, Mrs. Peter Peddie, Mrs. Norman Simms.

Evening workers, Mrs. Antoinette Meunier, Mrs. Norman Simms.

News from Ormstown

UNIT 3 ST-PAUL'S UNITED CHURCH
Unit 3 members met at the home of Joyce Templeton on Feb. 8, with Beryl Keeler as joint hostess.

Due to illness, Warden, Mr. Arthur Henderson, Vestry Secretary, Mrs. John Harris, Treasurer, Mr. Clifford Moore, Chairman of Sidesmen, James Peter, Delegate to Synod, Dr. Joe Johnson, Mrs. James Peter, alternate, Mr. John Johnson, Mr. Leigh Coffin.

with the following officers: Rector's Warden, Dr. John Whitehead, People's Warden, Mr. Arthur Henderson, Vestry Secretary, Mrs. John Harris, Treasurer, Mr. Clifford Moore, Chairman of Sidesmen, James Peter, Delegate to Synod, Dr. Joe Johnson, Mrs. James Peter, alternate, Mr. John Johnson, Mr. Leigh Coffin.

Following the reception, the couple left on a short honeymoon and they will be at home after Monday, February 19 at 9 Monroe Street, Malone.

Mrs. Foote has been employed by Dr. Kenneth McGuire and Mr. Foote is a retired businessman.

Obituary
The Late C. Harold McLean
After a brief illness, C. Harold McLean passed away at the Huntingdon County Hospital on Tuesday, February 13, 1968.

He was born on June 21st, 1891, a son of the late John and Matilda Ann Kelly McLean. He was united in marriage to the late Christina May Carr in 1918.

At sixteen years of age he went to work for Albert Traversie in his butter and cheese factory at Herdman. He became a butter and cheese maker and worked in this capacity in many factories in the district over the years.

In 1923 he purchased a butter and cheese creamery at Dewittville from Mrs. Alexander B. MacDonald and operated it until it burned in 1927. In 1928 he purchased the farm on Fairview Road, Beaufaire, where he was manager of the Huntingdon Co-operative and about 1933 he became associated with Ernest Cousins Milk Plant in Montreal and remained there until 1943 as plant foreman.

The same year he joined the staff of Fry-Cadbury in Huntingdon as their plant manager. He retired in 1958 but never retired in his interest in the staff and operation of the plant.

He was a faithful member of the L.O.O.F. Lodge for almost forty years, and at the time of his death was the Treasurer.

He leaves to mourn his loss one daughter, Vera (Mrs. Lorne Fennell), two sons, Morris and Edward and one brother, Gordon. He was predeceased by his wife in May 1966 and one brother, Ward in 1951 and a sister, Adelaide (Mrs. John Goodfellow) in 1947.

Funeral services were conducted by Rev. Henry Lowenberg from the Kelly Funeral Home on February 18th. Interment was at the Huntingdon Protestant Cemetery.

There were many floral tributes and a number of contributions to the Huntingdon County Hospital.

The pallbearers were Gerald Higgins, Andrew Higgins, Clarence Moore, Malcolm McNaughton, Orville Goodfellow and Howard McLean.

VESTRY MEETING
The Annual Vestry Meeting of St. James Anglican Church Ormstown took place in the Church hall, on Jan. 18th.

After classes the entire school went to the arena to enjoy all the ice games of a Winter Carnival, which included races, relays and games. Salaberry House was the winner. Grades 5, 6 and 7 returned to the school for a Hootenanny and supper at 5 p.m. in the cafeteria. A dance was then enjoyed, with the generous and jovial Bill Hooker giving the young folk a few pointers on the art of country and square dancing to the music of Mr. Howard Reid and his violin. The party ended at 7.30.

Special guest speaker, Mrs. A.M. Reid reported on the A.C.W. Annual Meeting which took place in Montreal on January 6th and 7th. Mrs. Reid was thanked by Mrs. Henderson. Mrs. Stote reported that in future the World Day of Prayer will be held on the first Friday in March.

After the meeting the members sewed on quilt blocks. Delicious refreshments were served by the hostess Mrs. Cottingham, the theme of the table in keeping with Valentine's Day.

News from Ormstown

MISS KAREN COULTER SINGS ON TELEVISION
Karen Coulter, daughter of Mr and Mrs. J. Cor'te, of Ormstown, was heard on "Camera Call" on Television, last Wednesday evening.

She is presently nurse-in-training at a Montreal Hospital. She has appeared in public several times during the past year, including an engagement at Expo as a folk singer. "Camera Call" is an opportunity for talented performers to present themselves before a panel of judges, and the public, thus giving deserving artists a chance to compete in the tough world of Show Business.

Our best wishes to Karen for a successful future.

MONTREAL PRESBYTERIAL ANNUAL MEETING
Five members of the Presbyterian WMS of Ormstown attended the Annual meeting of the Montreal Presbyterial in Ephraim Scott Church, in Montreal on Tuesday evening.

Guest speakers during the supper were Mr. and Mrs. David Craig, who related their harrowing experiences in Nigeria. Both Mr. and Mrs. Craig stressed the urgent need for Christian education in the world today, and explained how our dollars help in the great effort to promote educational and economical prosperity throughout the world.

The special speaker for the evening session was Miss Margaret Kennedy, whose work in India is well known, not only in the church but in governmental areas in India and in Canada. Those attending from Ormstown were, Miss Mable Elvidge, Mrs. Olive Goodall, Mrs. Ruth Towns, Mrs. Willa Hooker and Mrs. Harold Kerr.

The Fern
Eight parts of sodium, four parts of potassium nitrate, and two parts of magnesium make a good fertilizer for the fern. Mix thoroughly and put into a bottle. Dissolve one teaspoonful of this solution in a quart of water and water the fern about once a week.

The Stepladder
The legs of the stepladder will not slip or scratch the wood floors if squares of cloth are tied to them with stout cord or heavy rubber bands.

WELCOMING THE NEW YEAR
The Ormstown group were named as the nominating committee. A pamphlet on the B.N.A. Act was received from Mrs. Ossington. President with the request that our members study it. It is divided into two parts the powers of the Federal and Provincial parliaments, and it was suggested that a half hour be devoted to it at each meeting.

The program consisted of a study of an interview between Dr. Penfield of the Neurological Institute and Chas. Templeton, a well known television personality and presented by Mrs. Roy Young.

Dr. Penfield reminded Templeton of actor Gary Cooper and conveys an impression of enormous quiet competence and does it with an economy of words. Small talk does not interest him — nor talk about himself and his famous career.

But when the Vanier Institute of the Family is mentioned, of which he is president he stirs with eagerness. He feels that Canada is on the verge of decadence, unless the home takes its proper place in the lives of their children.

Two questions will suffice to get across what he meant. (1) Who is responsible for the permissive behaviour of the young girls, if not the mothers of this generation? (2) Behind every spoiled child is a weak, a silly, or a selfish woman.

Other views expressed by him were that T.V. programs should be carefully selected. That the teaching of our children be controlled. He also believes that it would be folly for Canada to become a Republic. He condemned trashy books and T.V. plays that made fun of marriage and made those who flouted all moral laws as attractive.

The whole purpose of the Vanier Institute is "to build strength into family life through education" and it was set up in co-operation with Gov. Gen. and Madame Vanier. One hundred representative members of Canada constitute a self-perpetuating body.

A moment of silence was observed in sympathy to the bereaved Champ family followed by prayer.

Refreshments were served by the Ormstown Chateauguay group.

U.C.C. Meeting
Unit B of Howick United Church met on Tuesday, Feb. 13 at 8.30 p.m. in the Church Hall. There were 11 present.

Mrs. Douglas Ness led in Devotions and read from John I followed by an appropriate reading and prayer.

Mrs. Douglas Templeton read an interesting chapter from Japan Profiles.

The leader Mrs. Robb E. Ness expressed her thanks to Mrs. Malcolm McIntyre and Miss Isabel Frith for the lovely Tupperware Party they held for Unit B members. A total of \$26.00 and a Stainless Steel Server set for the Church were the proceeds from this.

It was decided to hold the Nearly New Sale in the Church Hall on the Eve of Apr. 19th and afternoon of Apr. 20th.

The next meeting on March 19th will be a Pot Luck Supper.

Mrs. McIntyre asked that old Nylons be brought in to send overseas.

A notice was read from Unit A inviting members to their meeting of Feb. 27th when Rev. J.S. Anderson will introduce Bible Study.

Mrs. Adolphe Bourcier entertained a few friends last week at a 500 party. Everyone was over 80 years of age and they enjoyed the afternoon together.

The guests were Miss Helene Sautoire, Mrs. Florina Jenneau, Mr. Nap. Parent. Now if they will come to the Seniors Club a bilingual game could be arranged.

None are too old to learn four words in two languages — hearts, diamonds, clubs and spades plus a few numbers.

On Wednesday evening, Feb. 14, friends and relatives spent a very enjoyable evening at the home of Mr. and Mrs. Victor Lyall of Beaufaire on the occasion of their 40th wedding anniversary.

A gift of money was presented. The circumstances of the fire at the Champ home made it impossible for either one or more than one person to give an adequate report of what happened.

News from Ormstown

UNIT 3 ST-PAUL'S UNITED CHURCH
Unit 3 members met at the home of Joyce Templeton on Feb. 8, with Beryl Keeler as joint hostess.

Due to illness, Warden, Mr. Arthur Henderson, Vestry Secretary, Mrs. John Harris, Treasurer, Mr. Clifford Moore, Chairman of Sidesmen, James Peter, Delegate to Synod, Dr. Joe Johnson, Mrs. James Peter, alternate, Mr. John Johnson, Mr. Leigh Coffin.

Following the reception, the couple left on a short honeymoon and they will be at home after Monday, February 19 at 9 Monroe Street, Malone.

Mrs. Foote has been employed by Dr. Kenneth McGuire and Mr. Foote is a retired businessman.

Obituary
The Late C. Harold McLean
After a brief illness, C. Harold McLean passed away at the Huntingdon County Hospital on Tuesday, February 13, 1968.

He was born on June 21st, 1891, a son of the late John and Matilda Ann Kelly McLean. He was united in marriage to the late Christina May Carr in 1918.

At sixteen years of age he went to work for Albert Traversie in his butter and cheese factory at Herdman. He became a butter and cheese maker and worked in this capacity in many factories in the district over the years.

In 1923 he purchased a butter and cheese creamery at Dewittville from Mrs. Alexander B. MacDonald and operated it until it burned in 1927. In 1928 he purchased the farm on Fairview Road, Beaufaire, where he was manager of the Huntingdon Co-operative and about 1933 he became associated with Ernest Cousins Milk Plant in Montreal and remained there until 1943 as plant foreman.

The same year he joined the staff of Fry-Cadbury in Huntingdon as their plant manager. He retired in 1958 but never retired in his interest in the staff and operation of the plant.

He was a faithful member of the L.O.O.F. Lodge for almost forty years, and at the time of his death was the Treasurer.

He leaves to mourn his loss one daughter, Vera (Mrs. Lorne Fennell), two sons, Morris and Edward and one brother, Gordon. He was predeceased by his wife in May 1966 and one brother, Ward in 1951 and a sister, Adelaide (Mrs. John Goodfellow) in 1947.

Funeral services were conducted by Rev. Henry Lowenberg from the Kelly Funeral Home on February 18th. Interment was at the Huntingdon Protestant Cemetery.

There were many floral tributes and a number of contributions to the Huntingdon County Hospital.

The pallbearers were Gerald Higgins, Andrew Higgins, Clarence Moore, Malcolm McNaughton, Orville Goodfellow and Howard McLean.

BOY SCOUT WEEK

SCOUTING FINANCIAL APPEAL

What Your Dollars Do:-

Each of the eight groups making up the 600 boys in Scouting in this district, contribute financial assistance to provide for the operation of the work at District, Provincial and National levels.

In the District to assist in:-

Camp site development.

Travel expense for Volunteer District Staff in helping leaders with program and training of their boys.

Free issue of an information bulletin prepared and published bi-monthly.

Operation of the Cub Rally, and the Scout Camporee, both held annually on a district basis.

Helping Scouts chosen to attend National and International Scout Jamborees.

The Provincial organization work in Quebec and the National Body in Ottawa.

In the Province to assist in:-

The maintenance of Provincial Headquarters in Montreal. General administration work in the Province. Leader Training Courses and Conferences, Annual Queen's Scout ceremony and Jamborees.

Supply of books, pamphlets, bulletins and badges.

In Canada to assist in:-

The maintenance of the Boy Scouts of Canada Headquarters in Ottawa.

General administration at the National level.

Printing and publishing Scouting books for all sections.

Operation of Stores Department as provider of uniforms.

Badges and equipment.

Supplying a free pamphlet service on every phase of Scouting.

SCOUTING DOES MUCH FOR BOYS
AND DOES STILL MORE FOR OUR COMMUNITY!
DURING BOY SCOUT WEEK, WE SALUTE THE SCOUTS AND THEIR LEADERS
FOR THEIR FINE WORK. THROUGH THEIR EFFORTS, THEIR AIMS and IDEALS,
THEY SERVE WELL TODAY, PLAN WELL FOR TOMORORW.
