

WHO WILL BE MAYOR?

Ex-Mayor Cate Prominent in To-Day's Vote

EX-ALDERMAN HOWARD'S LIST INCREASED — OTHER NAMES SUGGESTED.

A considerable number of ballots for Mayor again came to hand this morning, introducing a number of new names and increasing the vote of several already in the list.

Ex-Mayor Cate received the largest number of the ballots cast to-day — eleven expressing preference in this direction. Seven votes are added to ex-Alderman Howard's list. The vote of Mr. Mackinnon is increased by three; of Alderman Thompson by two; of Alderman Jenkes by two, while ex-Mayor John Leonard receives one vote, ex-Alderman Sylvestre, three votes; Mr. Jos. Codere, one vote, and Mr. L. H. Olivier, one vote.

The Record will not continue the straw vote further at the present time. The purpose was only to direct the public thought to the mayoralty question, and allow the citizens through ballots to put forward their own suggestions.

It is understood that a general meeting of the Citizens' Association will be held shortly when the mayoralty question will be formally considered, the results of the deliberations to go before a public meeting.

Three aldermen retire this year, namely, Aldermen Denault, Thompson and Simonneau.

Thus, three will be called upon to elect members of the Council and the whole city to elect a Mayor.

BOSTON AND MAINE CAN RAISE RATES

Interstate Commission Realizes That Road Must Have More Revenue

INCREASE WILL YIELD SUBSTANTIAL AMOUNT OF EXTRA REVENUE FOR ROAD.

Boston, Nov. 29.—Some things are made obvious by the conferences over Boston & Maine freight rates. The railroad has made out a case before the tribunal by which its rates are controlled. It will be permitted to increase its charges on certain classes of freight. A basis for this increase is agreed upon, calculated to yield a substantial amount of extra revenue to the Boston & Maine Railroad without disturbing industrial interests.

That will be the immediate result of the conferences which Interstate Commerce Commissioner Proouty has had in Boston for several weeks with the Public Service Commissions and Railroad Commissions of Massachusetts, Maine, New Hampshire and Vermont.

In their deliberation the commissioners arrived by degrees at the conclusion that the Boston & Maine Railroad needs more revenue. How much more it needs to improve its service and meet its charges was a mathematical problem easily determined, but how much extra it should be allowed to charge the shippers at this time needed most careful thought.

CONFERENCE ON PARCELS POST

Postmaster General and Railways Again Discuss Matter

ASK AN INCREASE FOR COMPENSATION FOR CARRYING THE MAIL TO \$6,000,000.

Ottawa, Nov. 29.—The second conference between Postmaster-General Pelletier and the railways in regard to the carriage of the mails generally and the parcels post particularly was held here yesterday. There was no definite result, however, and a further gathering will in all probability have to be held.

The railways are asking for an increase in the compensation they receive for carrying the mails, from two millions to about \$6,000,000. Their stand is practically that since the express companies with which they are connected will suffer a serious loss of business as a result of the inauguration of the parcels post, it is only fair that they should receive an increased compensation for the mail carriage generally.

The meeting yesterday was a brief one, the Postmaster-General leaving for Quebec in the afternoon.

WILL HONOR HOBBS' PARENTS. London, November 29.—A committee with Lord Northcliffe as chairman, is arranging a dinner and presentation for December 31st in celebration of the golden wedding of John Morgan Richards, father of the late John Oliver Hobbes. Richards came from America.

MYSTERIOUS CRIMES IN OKLAHOMA CITY

Two Business Men Were Done to Death and Then Mutilated

POLICE ARE OF OPINION THAT ONE MURDERER IS RESPONSIBLE FOR BOTH.

Muskogee, Okla., Nov. 29.—(Special)—A mysterious murderer, who chops his victims to death with a hatchet, has made his appearance in this city, and already has slain two aged business men, leaving no clue leading to the establishment of his identity.

B. F. Richardson, an elderly furniture dealer, was murdered in his place of business about dusk on Thursday, and early last night C. S. Everett, a groceryman, was killed in his store, about five blocks from the scene of the former crime.

Both men were killed with a hatchet, and the heads and bodies of both victims were terribly mutilated. Other points of similarity in the execution of the two murders have convinced the police that the two crimes were committed by the same person.

ULSTERMEN INVADE CITY OF DUBLIN

Law and Carson Open Campaign There Against Home Rule

SUFFRAGETTES INTERRUPT THE UNIONIST LEADER. BOMBARD HIM WITH PAMPHLETS.

Dublin, Nov. 29.—The Unionists party yesterday carried the war into the enemy's territory when Andrew Bonar Law leader of the opposition in the House of Commons, Sir Edward Carson, leader of the Irish Unionists, and other prominent men arrived to deliver in the Irish capital a series of speeches on Home Rule. In reply to the deputation which welcomed him, Bonar Law reiterated that the Unionists had opposed consistently and completely the whole idea of the separation of the United Kingdom and insisted that the Government must seek sanction of the people before attempting to make the change. During a speech in the afternoon before the Unionist Association, Bonar Law said Premier Asquith's speech of the preceding day seemed to him a complete acceptance of the orders of John Redmond, leader of the Irish Nationalists, for "full steam ahead," and if that were so the difficulties of the Unionist party were gone. Suffragettes attempted to reach Bonar Law as he was driving afterwards to the residence of Lord Iveagh. They bombarded him with pamphlets. Mrs. Sheehy Skellington and Mrs. Connery, the leaders of the suffragettes of Dublin, were arrested and charged with obstructing the police.

The suffragettes wanted to protest against the exclusion of women from Mr. Bonar Law's meetings in Dublin and his refusal to receive a deputation of the women. They also intended to ask him to state whether the Unionist party was for or against giving women the vote.

STUDENTS RIOT. The streets last night were crowded with students marching in procession, and smashed windows in tram cars and buildings. Some shots were fired, and one woman was wounded. The police were kept busy preventing affrays of various kinds.

ARRESTED AT EAST BOLTON

Peter Phillips Was Wanted By Officers at Walden Vt.

CHARGE IS THAT HE COMMITTED AN AGGRAVATED ASSAULT ON NEIGHBOR.

Mansenville, Eov. 29.—(Special)—Peter Phillips, who was wanted in Walden, Vt., on a charge of aggravated assault, committed some days ago was arrested at East Bolton yesterday by officer Boune.

The assault was committed on one Ernest Mills, and since then the American officers have been on his trail. The immigration officers were notified.

Yesterday a man answering the description given the officers was seen entering Canada. Officer Boune was notified and followed the suspected party, arresting him at East Bolton.

He was taken to Mansenville and Sheriff Miles of Newport, Vt., notified. The latter came to this place, and later took Phillips by auto to Newport.

THE WEATHER

LOCAL FORECAST: Easterly winds; cloudy today, with a little higher temperature; sleet or rain by night or on Sunday.

CONSOLIDATION OF RURAL SCHOOLS

Government Will Give a Grant of \$6000 Towards Scheme

\$3,000 HAS ALSO BEEN SET ASIDE FOR TEACHING AGRICULTURE IN SCHOOLS

Quebec, November 29.—Hon. Mr. Mackenzie, provincial treasurer made known to the Protestant Committee of Public Instruction yesterday what assistance his Government is prepared to give in the matter of furthering the consolidation of rural schools providing educational relief for Canadian Labrador and promoting education generally. He announced that a special grant of \$6,000 would be made towards consolidation, but did not specify the extent of the sum that would be forthcoming for Labrador.

It was also brought out at the sitting that the sum available under the terms of the Burrill act for classes of instruction in agriculture in the rural schools would be only \$3,000. This, by the way, is the same grant that is made for tobacco agriculture alone. While these sums are small, it is considered that they will be increased later.

A sub-committee was appointed today to take up the question of consolidation at once and to give practical effect to the wishes of the committee as a whole. The members are Hon. Sydney Fisher, Dr. Rexford and Dr. Rowat, and they will work in conjunction with Dr. Parmelee, the secretary of the Department of Education. They already have a list of places where consolidation is considered desirable and where it would be advisable to make a start and it is understood that their guiding principle will be to make a beginning with those municipalities which are ready to bear some of the initial cost of consolidation themselves and where there is most enthusiasm for this reform. Hitherto there was no idea what the initial cost would be, especially as regards the question for conveyance of pupils, not was it known definitely what amount of aid would be advanced for the first year or so. Efforts at consolidation will be rather of an experimental nature, but it is anticipated that most of the rural municipalities will fall in with the scheme when they have an example to follow and realize its benefits.

Another committee was named to report as to what means must be taken to promote the effective instruction of agriculture in the rural schools, but it is not expected that anything practical can be done in this regard before February.

QUEBEC'S SHARE OF AGRICULTURAL GRANT

Nearly \$160,000 Has Been Received to Aid Farm Industry

FOUR SCHOOLS OF AGRICULTURE WILL RECEIVE SUM OF \$60,000.

Quebec, November 29.—How the Province of Quebec shall spend \$159,482.40, its share for the fiscal year of the fund allotted, under the terms of the Agricultural Instruction Act, or the purpose of aiding the farming industry, is now made public. The money is to be applied to various channels indicated in a contract made between the Hon. George Perley, then Acting Minister of Agriculture, and the Hon. Mr. Caron, Minister of Agriculture for Quebec.

Under the terms of the contract half of the money allotted to the Province of Quebec, was to be paid upon the signing of the agreement, and the balance from time to time when the federal Minister of Agriculture was satisfied that the money was being spent for the specified purposes. The right of withholding payments is reserved in case the Minister of Agriculture is of opinion that the Province is not going ahead with the spending along the right lines.

According to the terms the monies shall be expended as follows: 1, Fruit culture, \$13,000; 2, bacon industry, \$6,000; 3, poultry keeping, \$10,000; 4, schools of agriculture, \$60,000; 5, agricultural instruction in academies, rural schools, and normal schools, \$3,000; 6, district representatives, \$10,000; 7, experimental union, \$2,000; 8, demonstration work in connection with alfalfa and clover, \$6,000; 9, seed selection and field crop demonstration, \$5,000; 10, agriculture, \$5,000; 11 tobacco culture, \$3,000; 12, dairy industry, \$7,000; 13, demonstration of undergrazing, \$12,000; 14, domestic science, \$7,000; 15, maple sugar industry, \$1,000; 16, lectures and special industry, \$2,482.40.

CHURCH UNION IN SCOTLAND

London, November 29.—A meeting of the Church of Scotland Committee which was appointed to confer with the United Free Church, was held in Edinburgh on Thursday and Friday of this week. The committee drafted a statement dealing with the position and it was decided to send clerks to the presbyteries and synods.

ITALY BUYS "RIO JANEIRO"

London, Nov. 29.—The Daily Telegraph publishes the report that Italy has purchased the Brazilian dreadnought Rio Janeiro. According to reports during the past few months, Great Britain, Russia, Greece and Turkey have all had under consideration the purchase of the dreadnought Rio Janeiro.

REBELS SEIZE MAZATLAN

Is Most Important Port on West Coast of Mexico

BELIEVED THAT NONE OF FOREIGNERS WERE INJURED DURING ATTACK.

Mexico City, Nov. 29.—(Special)—The town of Mazatlan, the most important port on the west coast, was captured by the rebels on Thursday, according to authoritative information received here yesterday.

It is believed that the foreigners resident at that port were uninjured, as several attacks recently made there has resulted in a general exodus on the part of the foreigners and many Mexicans.

GENERAL COMMITTED SUICIDE. Mexico City, Nov. 29.—Like General Jose Gonzalez Salas, after the Battle of Reliano in March, 1912, General Antonio Rabago, military governor of the State of Tamaulipas, killed himself after losing Victoria, the capital. The suicide of General Rabago is not admitted by the Government, but the news is contained in a private telegram to his relatives here, who do not question its authenticity.

General Rabago, as military governor, was responsible for the garrison when Victoria was attacked by the rebels on November 17.

WILL BOYCOTT SHERBROOKE MARKET

Many Stall Holders Object to New Levy of Market Fees

NEW TARIFF WAS PUT INTO FORCE FOR THE FIRST TIME THIS MORNING

There is a great outcry among the stall holders on the market against the levying of increased tolls for those dealers who sell goods other than their own growth or produce. It appears that alternate tariffs have been in existence for some time but the enforcement of the higher scale has only just been commenced. Several of the dealers declare they will leave the market in consequence and they point out that as two-thirds of them are subject to the higher rate, Sherbrooke people will suffer a great loss in consequence.

Alfred Denault, Chairman of the Market committee, when interviewed on the matter this morning confirmed the report that those dealers who sold the produce of others were liable to heavier tolls than those who confined their sales to their own products.

MARKET RATES. Under the market by-law the rates are as follows: Butchers' stalls per day, 92.00. Farmers selling meat, not the produce of their own farm, per day \$2. Farmers selling meat the produce of their own farm per day 60c. Table space farmers and gardeners, per day 25c. Stand space hucksters per day \$1.

The dissatisfaction appears to be caused because some of the hucksters have hitherto only been charged 60c as farmers, while they have been buying goods all round the country and disposing of them in the market, have now been called upon to pay the authorized rate of \$1.

DID NOT DISCUSS TARIFF CHANGES

Premier Borden's Visit to Washington Purely Personal Affair

WOULD MAKE NO PREDICTION AS TO WHAT STEPS CANADIAN GOVERNMENT WOULD TAKE.

Washington, D. C., November 29.—Premier Borden was the guest of Secretary of State W. J. Bryan last evening. There was a distinguished company present.

To an enquiry as to the possibility of negotiations between Washington and Ottawa regarding changes in the Canadian tariff or the renewal of efforts to secure a reciprocity arrangement between the United States and Canada, Mr. Borden said he had no such purpose in mind in his present visit to Washington. He did not care to make any prediction as to what was likely to happen in advance of a formal consideration of the subject by the Canadian Government.

BASEBALL PITCHER HAS HAND TORN OFF

Eli Cates Was One of Mainstays of the Indianapolis Club

WAS AT WORK ON CORN SHREDDER WHEN HE WAS CAUGHT IN MACHINERY.

Greensfork, Ind., Nov. 29.—(Special)—Eli Cates, a pitcher of the Indianapolis Federal League team, had his right hand torn off in a corn shredder yesterday. The accident happened on the farm of Cates' uncle near here. Cates, who pitched with his right hand, was one of the mainstays of the Indianapolis club last season.

DR. GRENELL FOR ENGLAND

London, Nov. 29.—Dr. Wilfrid Grenell of the Labrador Mission, who was the best man at the wedding in the White House at Washington, is expected to arrive in England early in December to conduct propaganda work during the winter months.

CELEBRATED ST. ANDREW'S DAY

Large Gathering of Scotch People Enjoy Fine Concert Last Night

OBSERVED A DAY AHEAD BECAUSE THEY DID NOT WANT TO BREAK THE SABBATH

To the national characteristics of the Scotch—to his universally acknowledged shrewdness, his ability to make good in every corner of the globe to which he has emigrated, his genuine and undying affection for "Dear Auld Scotia," although thousands of miles may separate him from his native heath—must be added the whole-hearted and enthusiastic manner in which he can enjoy himself especially when "among his ain folk." The latter trait was in strong evidence last night at the concert and dance given in the C. O. F. Hall, on Wellington Street, under the auspices of the Sherbrooke Burns Club in celebration of St. Andrew's Day.

A very large audience gathered to listen to the fine programme of Scotch songs which were rendered in excellent style. Mr. W. Ballantyne occupied the chair, and in the course of a few appropriate remarks announced the reception of the following greeting from the St. Andrew's Society of Richmond County: "O! May ye never, ne'er forget The lessons of our early years; Examples that our parents set Their admonitions and their tears. This was received with an outburst of cheering and it was resolved to send a suitable reply to the St. Andrew's Society gathering at Richmond on Monday.

Mr. C. Johnston was in first class condition and his contributions to the evening's entertainment were well received. Mr. Matthews, well known to the Sherbrooke audiences, is always appreciated by the Burns Club and one could almost imagine he was a "brither Scot" by the way he interprets "Scots What Hae."

The applause which greeted the efforts of Miss Morrison and Miss Mahood must have been very gratifying to them. These young ladies who came out from Scotland last June have never before sung in public and it was most fitting that they should have their debut before a Scotch audience. They will no doubt be heard at future concerts outside the Burns' Club. Mr. George Ohlson played the accompaniments in a very able manner.

The oration of Mr. Macdonald on "St. Andrew" was very fine and appealed greatly to his hearers as he unfolded the life of the patron saint "who hated tyranny and stood for civil and religious liberty and whose memory would be revered and whose example would be followed by every loyal Scot as long as St. Andrew's Cross found a place on the Union Jack."

Refreshments were served at the close of the concert and dancing was afterwards indulged in until the "wee sma' hours." Music for the light fantastic was furnished by Messrs. Geo. Dick, Sr., and Geo. Ogston, and the same greatly appreciated.

The programme was as follows: Song, "The Auld Scotch Songs," Mr. C. Johnston; song, "Doon ehe Burn, Davie Lad," Miss Morrison; song, "The Scottish Bluebells," Miss Mahood; address, "St. Andrew," Mr. J. Macdonald; duet, "The Crookit Hawke," Miss Morrison, Mr. Johnston; song, "Where Has Scotland Found Her Fame," Mr. J. T. Matthews; song, "Locknagar," Miss Mahood; song, "Wilt Thou Be My Dearie," Mr. C. Johnston; song, "Turn Ye to Me," Miss Morrison; song, "Scots What Hae," Mr. J. T. Matthews.

CAPTAIN SCOTT'S SHIP SOLD

New York, Nov. 29.—(Special)—A cable from London to the New York American says: Captain Scott's old ship, the Discovery, used in the first Antarctic expedition, was acquired yesterday from the Hudson Bay Company by Foster Stockhouse, leader of the British Antarctic expedition in 1914. The Discovery, on her former voyage, was frozen in the ice field for three years.

ATTRACTIVE INVESTMENT PRICES

The present condition of the money market provides an exceptionally attractive market for those with funds available for investment. Many issues which would be selling at higher prices if it were not for the conditions just mentioned are offered by us. For these reasons we are within the mark when we say that bargains are available in investment securities at the present time. However, the situation is perhaps more perplexing than usual, and the advance and counsel of experienced investment houses of the highest standing should be sought. We shall be very glad indeed to send you a list of securities which we have for sale at the present time.

HARRY K. THAW HAS MADE ANSWER

Files Reply to the Petition of the State of New York

THAW SETS FORTH THAT OUTSIDE UNDER EXTRADITION WARRANT IS NOT LEGAL.

Concord, N.H., Nov. 29.—Harry K. Thaw filed in the United States District Court his answer to the petition of the State of New York that Sheriff Holman A. Drew be made sole custodian of the Matteawan fugitive, with authority to deliver him to the New York officials under the extradition warrant issued by Governor Feltner. Action on the warrant was stayed by habeas corpus proceedings instituted by Thaw.

Thaw sets forth that custody under the extradition warrant is not legal, because it was not founded upon due process of law. Such custody, he contends, is illegal and oppressive for the reason that it is based upon an unconstitutional statute and an order of commitment without trial, and also because in effect it is worse than sentence to penal servitude in that it excludes the possibility of executive clemency and pardon. He asks the court to sustain his petition for a writ of habeas corpus and to order his discharge from custody.

Yesterday's proceedings were in accordance with the programme agreed upon by court and counsel on Nov. 18th. The next move will be the filing of briefs by the attorneys.

KING OF SAXONY TO MARRY AGAIN

Former Wife Eloped With Tutor to Her Children

POPE HAS REFUSED REQUEST TWICE. MAY NOW CHANGE RELIGION.

Munich, Nov. 29.—(Special)—Rumors are current here that King Frederick Augustus of Saxony, whose wife eloped in 1903 with Professor Giron, French tutor of her children, and was divorced and became the wife of Enrico Toselli, an Italian music teacher, is about to marry again.

It is said the King wants one of the six daughters of King Ludwig of Bavaria. King Frederick Augustus, who is a Catholic, appealed to the Pope on two occasions to permit him to marry again, but on each occasion his appeal was rejected.

It was rumored several times that he was about to adopt the Lutheran faith, so that he could take another spouse.

NO SASKATCHEWAN INITIATIVE

Regina, Sask., Nov. 29.—Indifference of electors killed adoption of initiative and referendum legislation in the province of Saskatchewan. While almost all the vote cast was favorable to the issue, less than 10 per cent. of the voters went to the polls and the proposition failed through lack of the necessary numbers.

MANY INJURED BY EXPLOSION

Women and Children Had Narrow Escape From Burning House

EXPLOSION OF DYNAMITE SCATTERED DEBRIS OVER LARGE SECTION OF GRAND RAPIDS.

Grand Rapids, Mich., Nov. 29.—(Special)—More than a score of spectators and a dozen firemen were burned or bruised and cut by flying debris, when a quantity of dynamite, gunpowder and gasoline exploded in a burning building in the eastern business section of this city early today.

Several women and children were missed after the explosion, and until the ruins cooled sufficiently to permit of their being searched, it could not be learned whether there had been loss of life.

More than forty men, women and children who occupied rooms in the second storey of the burning building, a hardware store, barely escaped with their lives, the firemen succeeding in getting the people out of their apartments only a moment before the flash came. The force of the explosion tore the structure to bits and scattered it over an area of four city blocks.

TOWN OF KIEV CREDIT IS BAD

Mayor Could Not Float a Municipal Loan in London

EVIL REPUTE BROUGHT ABOUT BY THE "RITUAL MURDER" CHARGES.

Odessa, Nov. 29.—(Special)—The Mayor of Kiev has returned from England and announced the failure of his attempt to float a municipal loan of £1,575,000 in London.

The Mayor said his mission failed owing to the evil repute into which Kiev has fallen on account of the trial of Beiliss on the "ritual murder" charge.

Sherbrooke Board of Trade Rally!

ST. FRANCIS DISTRICT LOCAL HAPPENINGS

Daily Reports From Correspondents of What is Going on

BURY.

The chicken pie supper and entertainment which was held in the Town Hall on Tuesday night under the auspices of the ladies of the Catholic Church, was a grand success. In the early part of the evening crowds could be seen wending their way to the Town Hall until it was completely packed. A bounteous supper was provided by the ladies and all did ample justice to the chicken pie and other good things provided. A musical programme which was much enjoyed by all present was rendered by the following: Piano duet, Mrs. T. Morrow and Miss G. Coates; song, Rev. Rural Dean Lewis, encore; duet, Eddie McCanna and Catherine Bennett; song, Miss Myra Ross, encore; recitation, Miss K. Clark; piano duet, Mrs. T. Morrow and Miss G. Coates; recitation, Miss G. Bennett; song, Miss W. Smith. Remarks by the Rev. Rural Dean Lewis and Rev. E. de Grouche. A one act comedy caused a great deal of laughter, the parts of which were exceptionally well taken by Mrs. T. Morrow, Miss

Fannie Quick, Miss E. Obleigh, Miss Clara Cote, Abel Whitehead, Jr., J. Sharp, A. Manday, Percy Keane, A. R. Savaria, Josh Spots. Rev. Father Desève acted as chairman and in a few well chosen words thanked the people of Bury for helping to make the entertainment a success. The proceeds amounted to \$77.70. The many friends of Mr. Chas. Bowns will be pleased to hear that the operation which was performed on his eye last Monday by Dr. Darce in the St. Vincent de Paul Hospital, Sherbrooke, was very successful and the latest reports are that he is progressing favorably. Arrivals and departures: Mrs. Leigh and her son from England for the winter with her sister, Mrs. Jas. Whitehead. Mrs. Leigh reports a very rough voyage. Mr. Peter Campbell of Scottstown, guest at Mr. Walter Locke's on Monday. Mr. A. Whitehead to Quebec on Thursday. Mr. H. Picard from Eaton visiting his sister, Mrs. T. Morrow, on Tuesday; Mrs. Lewis to Sawyerville on Wednesday; Mrs. Burrill who has been the guest of her cousin, Mrs. F. Barter, to her home in Colebrook, N.H., accompanied by Mrs. Barter who will remain for a couple of weeks; Mr. T. Morrow from Lisgar on Tuesday;

Mrs. Rennie, of Bulwer in town on Tuesday; Mr. E. A. Moore to Le-banon, N.H.; Miss Kerr to her home in Montreal after a short time with her niece, Mrs. J. B. Greenlay; Mr. E. Stokes in Lingwick on Monday; Mr. A. B. Hunt motored to Sherbrooke on Monday; Mrs. Parsons to Stewartstown, N.H., for Thanksgiving with relatives; Mr. J. B. Greenlay the week end with his family; Mrs. Irwin from Birkton on Monday where she had been a few days with her mother, Mrs. Henry Coates who is very ill. Miss Sidney Beaton is improving slowly after her severe illness. Mr. and Mrs. William McClintock, from Lennoxville with their sister, Miss Rebecca McClintock, who is seriously ill. Messrs. O. Barter and L. Colby, of Bulwer, were successful in getting a fine deer which dressed 170 lbs.

FAIRFAX.

Mr. A. C. Roberts has purchased the farm of Mr. Wm. Desmarais. Arrivals and departures include: Mr. and Mrs. T. LeRoy and daughter also Mr. John Desan, Sunday at Massawippi; Mr. T. M. Gould a day recently in town; Mr. H. H. Brown of Hatley at Mrs. Etta Brown's; Mr. A. Sanborn is entertaining his sisters; Mrs. F. Brown, of Libbytown, Monday, at Mr. O. B. Crook's. Mrs. Sanborn is on the sick list. Mr. and Mrs. Frank Bessette, of Worcester Mass., are spending the winter at E. Bessette's.

BIRCHTON.

The Rev. Mr. Norman, of Lennoxville, will speak on the subject of Education in the Church next Sunday morning. The play, "Blundering Mr. Brown" will be repeated in the Birchton Hall by local talent of Eaton Corner, on Thursday, Dec. 4th. Mrs. Alonzo Todd, who sustained injuries from a fall two weeks ago, is able to be around again. Mr. A. E. Swan, of Sherbrooke, was visiting here recently. Mrs. Dudley is the guest of her son, Mr. H. C. Bailey and family.

EAST ANGUS.

Messrs. A. I. Willard and Peter McLean had the good luck to catch a deer while out hunting on Wednesday. The Ladies' Guild of Christ Church will be entertained on Wednesday afternoon, Dec. 3rd, by Mrs. S. A. Banfil.

The Senior Branch of the Woman's Auxiliary will meet with Mrs. J. H. Ekberg on Thursday afternoon, Dec. 4th. Messrs. W. Fleming, T. H. Currie, F. L. Tincarr and H. L. Reilly have returned from Montreal, where they were investigating a real estate proposition.

Arrivals and departures: Mrs. H. Sawyer and Mrs. F. Needham on Tuesday from Theford Mines, where they were the guests of Mrs. W. Bean for a few days; Mrs. George Arkley in Sherbrooke visiting her sister, Mrs. W. H. Hodson; Mrs. R. C. Cowling and Miss Frances Cowling in Sherbrooke Wednesday; Mrs. B. W. Jenkinson, of South Dudsell, in town Thursday; Messrs. J. Burns and J. Dempster in Ascot Corner Wednesday; Mrs. F. C. Barlow in Cookshire Thursday, guests of her sister, Miss Mamie Sawyer; Mr. and Mrs. Alonzo Hurd, of Sawyerville, guests of Mrs. D. C. Metcalf on Friday; Dr. Banfil, Mrs. Banfil and

Reilly Wednesday from Montreal; Mrs. Fred Gilbert, Bishop's Crossing, guest of Mrs. W. Riddle visiting friends in Sherbrooke; Mr. Henry Gilbert, Bishop's Crossing, visiting his sister, Mrs. H. L. Reilly; Miss Lizzie Beaulieu, of Sherbrooke, visiting her aunt, Mrs. George Arkley; Miss Cassie McKeage visiting relatives in Sawyerville; Mr. George Arkley at Ascot Corner Monday; Mr. W. H. Stacey, Dudsell Centre, in town Tuesday.

JOHNVILLE.

Mr. and Mrs. C. Cookshire, guests of their parents, Mr. and Mrs. W. O. Colby; Mr. Bert Doherty, Sherbrooke, guest of Miss Gladys Smith, on Wednesday. The Ladies' Aid of the Methodist Church had a very successful gathering on Wednesday afternoon and evening. The candy booth and ten-cent counter were very prettily decorated with green and white. The candy booth was in charge of Miss Gertrude Whitman and Miss Gladys Smith. The ten-cent counter was in charge of Miss Lulu Coates and Miss Eva Colby. Mrs. W. C. Smith, and Mrs. Vernon Smith had charge of the fancy work table, while Mrs. H. J. Smith, Mrs. Jessie Smith, Mrs. Lorrain and Mrs. Whitman presided at the refreshment table. The proceeds were \$46.50. The Ladies' Guild which met on Thursday with Mrs. Ida Smith, was well attended.

Rev. Alfred Bishop will exchange pulpits on Sunday, Nov. 30th, with Rev. Isaac Norman, of Lennoxville, who will preach the annual Educational service.

DANVILLE.

Mrs. M. E. Gilman, represented Maple Leaf Lodge, D. of R., at a meeting of the Rebekah Assembly on Thursday, in Sherbrooke.

The Ladies of the Federated Church Guild will hold a sale of useful and fancy articles on December 5th. The sale will be held in the basement of the Church. A special feature will be a domestic table in which cakes, pies, bread and pickles will be offered for sale. There will be also the table of fancy articles. Refreshments will be served.

The semi-annual business meeting of the Christian Endeavor Society was held on Thursday night in the Advent Church. The Treasurer's report was submitted and showed a balance of \$7.00 on hand after sending a donation of \$9.00 to the Fresh Air Fund of the Old Brewery Express and paying some \$5.00 expenses on flowers which were sent during the summer months to deaconesses in Montreal for distribution among the sick and poor. The weight of the August shipment was 55 lbs. The election of officers resulted as follows: President, Miss Lucy Stockwell; Vice President, Chas. Horan; Treasurer, Mrs. E. Findley; Secretary, Miss Alice Wilson; Corresponding Secretary, Miss Della Barnard. The Endeavor meetings for the month of December will be held in the Memorial Room of the Federated Church, the first of which on December 4th, will be a Missionary meeting at which letters from Miss E. Smith, now in Corea will be read. The Guild of the Federated Church was held at the residence of Mrs. John Riddle, Friday afternoon, with quite a good attendance. Refreshments were served by the hostess.

STANSTEAD.

Mr. Henry A. White, who recently purchased the C. H. Taylor house, has resold it to Mr. W. E. Gibson and bought a farm at Orleans, Vt. Mr. Gibson has rented the property to Mr. Ed. Chabot.

Mrs. E. H. Begin and son Paul of Fort William, Ont., is visiting her sister, Mrs. J. A. Begin. Miss Frances McGaffey has finished her services with Mr. Geo. H. St. Pierre, Sherbrooke, and accepted position with McCurdy & Co., Rock Island.

The W. C. T. U. will meet with Mrs. Chas. Hill, Derby Line, Wednesday afternoon, December 3rd at 3 o'clock.

A number of lady friends of Mrs. Fred McGaffey gave her a surprise party on Wednesday evening it being the thirty-fifth anniversary of her marriage. Miss Colby on behalf of the ladies presented Mrs. McGaffey with ten dollars in gold. Mrs. Joseph Devien and daughter of Waterloo are visiting her sisters, Mrs. Begin and Miss Lanctot.

UPPER MELBOURNE. Mr. John Davidson, who went to the Sherbrooke Protestant Hospital, does not improve very fast. Mr. and Mrs. F. Burns were called to Lawrenceville on account of the serious condition of Mr. Burns' brother, Mr. Wm. Burns, who was badly injured on Sunday last during the heavy wind storm. While trying to

shut his barn door after taking out the buggy to go to church, he was thrown backward with great force over the wharfing and received serious injuries. He injured his spine and cut his face. He is under the care of a doctor.

Miss L. M. J. Galbraith home after visiting friends in Lawrenceville, Stukely and Bethany during the past two weeks.

Mrs. Chas. Pepler, who has been sick so long, now shows some improvement.

Mr. R. H. Galbraith shot a weasel recently that had killed seven chickens in one night.

RICHMOND.

The dance given by the band Wednesday evening in the Opera House in honor of the ladies and gentlemen who assisted in the recent bazaar was well attended, and a very successful function. A selected program of dance music was rendered by the band, while Mr. Chas. Galvin acted as announcer. Refreshments were served at midnight and the merry whirl lasted 'till shortly after one o'clock. The Willing Workers of Chalmers' Church met at the home of Mr. and Mrs. Duboye on Wednesday afternoon and decided to hold a sale of useful and fancy articles on Wednesday, December 17th, in the basement of the Church.

Mr. Leighton, teller of the Bank of Commerce, is confined to his room through illness. Personal—Mr. and Mrs. David E. Taylor, in Montreal over Sunday; Messrs. Chas. M. Cotten, advocate, and M. E. Whaley, of Montreal, in town on Tuesday; Mr. W. J. Ewing, in Montreal on Tuesday; Mrs. Pope and Miss Alice Pope, to Houston, Texas, for the winter; the Misses Alice and Emma Lyster, of Montreal visiting their grandmother, Mrs. White; Mr. Averell Martin of Winnipeg, visiting at the home of Mr. J. C. Martin, Melbourne.

The Annual Christmas Tree and entertainment for the scholars of St. John's Church, Gallip Hill, will be held in the Church Hall, on Tuesday evening, December 23rd. The services last Sunday at the Methodist Church were largely attended, being full congregations at both services. Mr. J. R. Nutter of Montreal, assisted the pastor. Tomorrow, Sunday, the pastor preaches at both services. In the evening the service will be made specially bright and musical.

A special service will be held Sunday evening in Chalmers' Presbyterian Church, to commemorate Scotland's patron saint, St. Andrew. Strangers welcome. The Methodist Sunday School will hold their Annual Christmas Tree on Tuesday evening, December 23rd, in the church basement, when Santa Claus expects to be present in full regalia.

The Ladies of the Congregational Church intend holding an afternoon Tea and Food Sale on Thursday, December 4th, in the basement of the Church, Melbourne, from 3 to 6 o'clock.

There will be no December meeting of the Melbourne Village Council next week. The next meeting takes place on the first Monday in January.

The Ladies' Aid of the Congregational Church met at the home of Mrs. H. A. Jones, Melbourne, on Thursday afternoon. There was a large attendance and very pleasant and profitable time was spent. Rev. Mr. MacMillan is back at the Manse, after his trip with Mrs. MacMillan to Montreal, much benefited by the change and will take his services as usual on Sunday.

BISHOP'S CROSSING.

The death of Mrs. Alfred Atto, as previously reported took place at her home here on Tuesday. The deceased was 69 years of age and was much respected by all who knew her. The funeral services were conducted at the Methodist Church on Thursday at 2:30 o'clock. The Rev. L. E. Roy officiating. The bearers were Messrs. A. C. and W. E. Atto (brothers), W. Wiggett (cousin), and A. N. McCritchie (nephew). The interment took place at Lakeside cemetery. The floral offerings were many. The deceased leaves to mourn her loss a husband, two children, Miss D. Atto and Mr. J. Atto, one grand child, Miss K. McAuley, and many other relatives.

Arrivals and departures include: Mrs. J. Burns and Mrs. Hillman, of Angus, guests of Mrs. C. C. Rolfe; Mrs. Wm. Hooker home from a week in Bury with her children; Miss Vera Bishop from Ulverton where she has finished teaching; Mrs. C. C. Rolfe in Angus with relatives; Mr. D. A. Matheson home from Woburn; Mrs. J. McAuley and Mr. T. McAuley, of N. Hill, guests of her sister, Mrs. R. C. Rolfe; Mrs. H. W. Downes and children and Mrs. F. R. Hooker and Miss M. Hooker in Bury, guests of Mr. and Mrs. J. W. Downes; Mrs. Woodrow to Angus after a visit to her sister, Mrs. C. C. Rolfe.

KINGSBURY.

The Excelsior Club, of Kingsbury, held a sale of work last Friday evening. The booths were very tastefully decorated. A programme was provided by the members of the club with the assistance of local talent. Refreshments were served at the close of the programme. The proceeds realized from the sale and tea amounted to \$43. An interesting fea-

LADIE'S UNCOMMON COAT SALE

THERE is no regular price on these Coats, because being a Special Purchase, they are not a part of our regular stock, but we will place them alongside our regular Stock, and you can make comparisons. You'll find some to compare with our own Coats at \$18.00, some to compare with our Coats at \$20.00. Therefore, we are going by our own Standard of value when we say these Coats are worth \$18.00 to \$20.00.

If it be a nice Clear Cold Day Monday we will expect to see you in our Coat Section and you can come expecting the class of Coats that Seldom is found in a Sale.

L. A. BAYLEY

The Real Perrin Glove

Perfect fit, worn by all dressy women. All the latest shades. All sizes. The Ace of Clubs with the size inside, and the Goat on the Clasp are your guarantees against imitations.

ture of the evening was the presentation of a Bible to Mrs. Sinclair, who has since coming to Kingsbury aided the club in all its work by giving of her time and valuable advice. Miss Dorcas Armstrong read a short address in which the hope was expressed that Mrs. Sinclair would still be counted among the club members though she has resigned the position of supervisor. Miss Althea Fee made the presentation, after which Mrs. Sinclair expressed her appreciation and thanks in a few chosen words.

UNDER the name of "Worcestershire Sauce" there is as wide a range of difference as there is under the name of "wine." The quality of a mixture is not improved in the least by putting it into a bottle that resembles LEA & PERRINS', and by giving it a label that imitates the appearance of Lea & Perrins'. And still there are people who conclude that if the bottle has the appearance of Lea & Perrins', the fluid inside is like Lea & Perrins' Sauce.

HIGHWATER.

Mr. L. M. Gladden, of Springfield,
Mass., has been stopping with his son
M. O. Gladden, of the Central House
for several days.
Mr. and Mrs. D. E. Warner visiting
their daughter, Mrs. F. Burnham, of
Newport, Vt., who is ill.
The O.P.R. cement culvert gang,
who were at work on the culvert near
A. S. Hardy's a few days ago, are
now putting one at the south of the
station. The C.P. have also a gang
under foreman B. Ham, of Missisquoi
building fences here.
Dennison Brown, one of Potton's
oldest residents, passed away at the

home of his grandson, Mr. H. A.
Goulding, of Lyndonville, Vt., on the
20th inst., having gone there last
spring to reside. He was 82 years of
age and had lived his whole life ex-
cept a few years as a child near Vale
Perkins at the foot of Owl's Head.
His father's father was the second
whiteman to locate in the east part
of Potton and actually the first per-
manent settler, as Moses Austin did
not remain on his claim after finding
he was in the town of Potton.
The second eldest of a family of twelve
children, all but three have prede-
ceased him. His eldest brother, Ira,
lives near the old home at Owl's
Head, and two younger sisters, Mrs. B.
C. W. Barnett, of Dunkin, and Mrs. B.
Page, of West Derby, Vt. He leaves a
wife, formerly Mary Horn, of Glen
Sutton, and three daughters, Mrs. J.
T. Goulding, of South Troy, Vt.;
Mrs. Chas. Ramsdale, of Newport
Centre, Vt., and Mrs. George Peters,
of Vale Perkins, also a number of re-
latives and friends. The interment
took place in the little cemetery at
the foot of the mountain near his old
home.
Mr. and Mrs. Harry Newman spent
Sunday in Newport, Vt.

SUTTON.

Mrs. Frank Comeau has returned
from New Bedford, Mass., where she
spent the summer. Mrs. Alon Place
of North Troy, Vt., a guest of her
mother, Mrs. Wm. Wilkinson, on
Thursday; Miss Wood, of Knowlton,
a guest of Mrs. C. E. Rousseau; Mrs.
H. R. Stetson will accompany her
mother, Mrs. T. Blanchard to New-
port Centre, Vt., on Saturday. She
goes on to Boston to nurse her son,
Robt. Stetson's wife, who is ill; Mr.
J. W. Murphy to St. Johns on Wed-
nesday and to Montreal on Thurs-
day; Mr. Chas. H. Griggs from a
sixteen days' trip through Michigan,
where he found three feet of snow on
arrival there; Mr. George Norris, of
Newport, Vt., here on Thursday; Mr.
Thos. Landers, formerly roadmaster
at Farnham, through here on Thurs-
day. Mr. Landers' duties now take
him west from Montreal.
Mrs. George Butler is very ill and
but slight hopes of her recovery are
reported.
Dr. Dyer is able to be in attend-
ance on his patients once more after
a slight indisposition from an attack
of tonsillitis.
The husband of Goldie Brady, the
daughter of Mr. F. P. Brady, is dan-
gerously ill in a New York hospital.
Please remember Optician Shaw at
Sutton on Monday, Dec. 1st. Give
him a call and have your eyes tested.
Mr. C. A. Miller who was stricken
with fever recently in Montreal was
able to visit his sister, Mrs. James
Harn at Glen Sutton on Thursday
night for a few days.
About one dozen from this Vill-
age attended the Thanksgiving Ball
at Richmond, Vt., on Thursday night.
Rev. H. Charters and several other
others attended the District Masonic
Meeting at Waterloo on Friday.
Conductor Jackman is having a
galvanized iron roof put on his
house to replace the former shingle
roof.
Mrs. Harley Dannister of North
Troy, Vt., nee Maggie Brown, form-
erly of Glen Sutton, writes that her-
self and husband are nicely settled
for the winter in Plymouth, N. H.
Magazines make ideal Christmas
gifts—family club rates. Place your
orders early with Wm. Brown, Agt.

LAWRENCEVILLE.

Arrivals and departures: Mrs. Geo.
Hill, of Fitch Bay, at Mr. and Mrs.
W. E. Solomon's; Miss L. M. J. Gal-
braith, of Upper Melbourne, to her
home after visiting here and at North
Stukely and Bethany; Mr. Emery
Beauchemin to Montreal Monday to
see his son, Mr. D. Beauchemin, who
had his foot taken off Saturday
while he was getting on to a street
car; Miss E. W. Varney to the week-end
with her parents at Greenlay; Miss
Cora Kendall, of North Stukely,
guest of Mrs. S. J. Kendall Wednes-
day; Mrs. (Rev.) E. S. Howard, of
Lennoxville, at the parsonage with
her husband, Rev. E. S. Howard, and
expects to remain for some time; Mr.
Hornisdale Dubois has moved to the
village with his son Arthur, who re-
cently purchased a butcher business;
Mr. W. E. Solomon to Eastman on
Monday; Mr. Wm. Lay, who was
quite ill, is now recovering.
Mrs. S. J. Kendall entertained the
W.M.S. recently. There was a good
attendance and a profitable after-
noon was spent.
Miss D. Kitching, of North Stuk-
ely, gave a birthday party for her
daughter Agnes, Saturday afternoon,
and had guests from here and Water-
loo, Warden, North Stukely and Mel-
bourne. An enjoyable time was spent.

BEDFORD.

Mr. and Mrs. L. P. Trotter have
returned home after their wedding
trip spent in Montreal and other
points.
Mr. and Mrs. Duchesneau, Lower
Main Street, have sufficiently re-
covered from the injuries sustained in
their recent accident to be able to
be out once more.
Miss Lila Burrage took in the
Thanksgiving ball at Richmond on
Thursday in company with a party of
friends from Farnham.
Mr. Howard Shepard returned on
Wednesday after a ten days hunting
trip, and bringing with him a fine
deer as a result of his prowess as a
hunter.
Miss Poirier left this week for
Montreal, where she has accepted a
position with one of the leading
jewellery concerns of the Metropolis.
Miss Violet McNamara of Mont-
real is spending the week-end in town
the guest of her parents, Mr. and
Mrs. M. McNamara.
Mrs. E. Corey has returned to Bed-
ford after spending the summer
months in the Canadian West.

ABBOTT'S CORNER.

The chicken pie supper was a big
success, \$70.50 the amount realized.
The Church was crowded even to the
doors, and all enjoyed themselves.
The crowd of people were all served
by 8.45 and the programme started
at 9 o'clock. The programme was not
long, but very good. The towns of
Richford, Enosburg Falls, Berkshire,
Franklin, Frelighsburg, North Pin-
nacle were represented.
An Oyster Supper has been promis-
ed in the near future.
EAST FARNHAM.
Recent arrivals: Mrs. H. W. Jones
of Waterloo, recent guest of her sis-
ter, Mrs. Martin Collins; Mrs. Jas.
Buchanan of Farnham Glen with Mrs.
McClay on Wednesday; Mrs. George
Hawk of Cowansville with her sis-
ter, Mrs. Beaufel Friday and Satur-
day; Mrs. Laurie Rogers to Que-
bec, guest of her uncle, the Hon. Mr.
Gilman at the Chateau Frontenac.
Mrs. Azro Collins has not sold her
place as at first reported.
Mrs. Beaufel and Miss Fanny Vil-
las to Mr. C. Hawk's, Brigham last
Wednesday. Mrs. Elliott of Farnham
Centre, with Mrs. Welch, who is ill;
Mrs. R. Goddard of Dunham, a week
with her son, Mr. Earl Goddard and
Mrs. Goddard; Mrs. Dawson home
from Dunham.
Rev. E. M. Taylor, accompanied by
Mrs. Taylor, inspected the school re-
cently and found everything satis-
factory. They were guests at the hos-
pitable home of Mr. J. J. Brimmer.
SUTTON JCT.
Miss Georgina Norton, daughter of
Mr. and Mrs. Geo. Norton was mar-
ried in Calgary on November 20th,
to Mr. L. O. Rebozo of Granby.
They will reside in Calgary.
The meeting of the W. C. T. U.
with Mrs. Norton on Wednesday was
fairly well attended. A full report of
the last Convention was read by the
Recording Secretary, Mrs. A. W.
Westover. A very interesting and
pleasant afternoon was enjoyed by
the ladies.
Mr. P. H. Lee Gallais, is very ill
with neuralgia.
Mr. and Mrs. D. Miles of Manches-
ter, N. H., are guests of her parents,
Mr. and Mrs. P. Scott. Mr. Miles
has been very ill and hopes that our
good Canadian air may be a benefit
to his health.
Mr. A. P. Hillhouse and two
daughters of Bondville, guests of Mrs.
A. W. Westover for the week-end; Mr.
and Mrs. H. Drew of Greenfield, Mass.
guests of Mr. and Mrs. Geo. and
Elmer Hawley; P. O. Inspector, Mr.
Soule of Montreal, in town on busi-
ness; Mr. D. Martin guest of his
daughter, Mrs. W. R. Safford.

MILETTA.

Arrivals and departures include:
Mrs. B. Plinn and son, Willie, of S.
Bolton, at Mr. E. B. Townsend's;
Mrs. Myron Tibbitts, of Eastman and
niece, Miss Blanche Trisillian of Man-
chester, calling on friends; Mr. and
Mrs. Ed. Wing the guests of their
daughter, Mrs. Jos. LaGorce, Magog;
Mr. and Mrs. Ernest Townsend visit-
ing friends and relatives at Waterloo
and Warden; Miss Clara Wing at
Magog; Mr. W. Chamberlain through
here on business.
Mr. Leonard Hastings shot a couple
of fine deer here last week.
Rev. E. M. Taylor visited School
No. 12, last Wednesday on his in-
spectorate.
Miss G. A. Sweet has recently re-
ceived a nice large globe and black-
board and other equipments for her
school, which will make the work
easier for both teacher and scholars.
Mrs. Lindsay Townsend while draw-
ing water from the spring fell and
sustained several bruises.

FIFTY-TWO BUSHES OF WHEAT
PER ACRE.
Various reports of large crops of
wheat in Western Canada are fre-
quently reported, but the last and
best that have been made is that
reported by Mr. Arthur Bronson, a
farmer at Rutan, Saskatchewan, a
point on the Prince Albert branch
of the Grand Trunk Pacific Railway.
Thirty-six acres of Red Fife Wheat
yielded forty-nine bushels per acre,
and forty-eight acres of Marquis yield-
ed fifty-two bushels per acre. The
success is all the more remarkable
from the fact that Mr. Bronson
when he came to Canada from Eng-
land, eight years ago was quite in-
experienced in farming, and had liv-
ed all his life in the heart of Lon-
don.

SOUTH ROXTON.

Recent arrivals: Mr. Clarence Sav-
age from Calgary for the winter; Mr.
Earl Blampin home after being ab-
sent six years; Mr. H. Reynolds and
Mr. Paul Delorme home Tuesday from
Montreal on a business trip; Mr. P.
Blampin, home Monday from Victoria
Hospital, Montreal where he under-
went a successful operation for ap-
pendicitis; Mrs. J. Wells, of Lowell,
Mass., the winter with her grand-
son, Mr. Chas. Reynolds.
The Methodist Church people had a
bee Saturday putting a new roof on
the Church shed.
Mr. Ovide Despart has a gang of 20
men working in the lumber yards,
near St. Joachim.
Mr. Marcotte and brothers are busy
cutting logs to stock their mill.

GUTHRIE.

Mrs. J. S. Burleigh, an aged and
respected lady passed away rather
suddenly, Monday afternoon, Nov.
24th. She was in her 91st year and
able to be around until a few hours
before her death. The funeral service
was held in the Church at Stan-
bridge Ridge, Wednesday at 10 p.m.
Rev. Mr. Carson officiating. The
Church was filled with friends and
relatives who gathered to pay a last
tribute of respect. She leaves to
mourn her loss, one son, Mr. Har-
man Burleigh and two sisters, Mrs.
Walker of Bedford and Mrs. Jane
Martindale of Stanbridge Ridge.

ALVA.

A card party was given by Mrs. T.
Hextall on Wednesday evening. A
pleasant evening was spent by all
present.
Arrivals and departures: Mr. Geo.
Logan from Glen Sutton, Wednesday
at C. E. Cowan's; Miss Maggie Mc-
Dougal from Knowlton visiting Mrs.
Jos. Foley for two weeks; Mrs. D.
Boright visiting friends in Richford,
Thursday and Friday.
FARNAM'S CORNER.
Arrivals and departures: Mrs. J.

attended and enjoyed. The sum of
1.85 was realized.
Rev. Mr. Forde is holding special
services here, nightly, for two weeks,
assisted by Rev. Messrs. Powkes,
West Brome and M. Brundage, Cow-
ansville.
Mr. D. Miller who is in the employ
of Mr. E. C. Drew is suffering from
blood poisoning in his hand.

GRANBY.
The Ladies' Reading Club met on
Wednesday at the home of Mrs. W.
T. B. McDonald, Mountain Street.
Miss L. Parker is moving into the
vacant tenement in Mr. E. Brad-
ford's house on Elgin Street.
Mr. and Mrs. Nelson Mitchell in
Montreal on Tuesday.
A very thin coating of ice formed
this week on the river at Granby.
The Ladies' Reading Club will meet
on Wednesday next at the home of
Mrs. (Dr.) Martin.
Attached to the regular train from
Montreal when it pulled into Granby
was a special pullman car which was
conveying high dignitaries of the
Masonic Lodge through to Waterloo
to be present at the dedication of
the new Masonic Temple. Mr. E.
Gleason a prominent Mason from
Granby joined these officers of the
Grand Lodge here and accompanied
them to Waterloo. Among the other
Masons from this place who went
from here were, Rev. W. S. Lennon,
Walter Legge, T. Jackman, H. Ball,
Mr. J. Symond, W. Lewis, F.
Seale and others.

ROSENBERG.
A fine large deer was shot and
killed by Mr. G. B. Campbell Thurs-
day, while crossing a field near his
home. This is the first deer that has
been seen in the neighborhood for a
long time past. But Mr. Campbell
was successful in securing one a few
years ago. He is looked upon as one
of the most fortunate sportsmen. His
luck in fishing, hunting, trapping, etc.
is well known and often commented
upon.

Seldom has such a November of
almost uninterrupted bright sunny
days been known. The winter must
necessarily seem much shorter owing
to the mildness of the late fall as
well as early Autumn. In driving
about the country one is particu-
larly struck with the amount of plow-
ing over other years at this date.

PEARCEYTON.
Mr. Edgar Carter, of the Corey
neighborhood is moving into the house
he lately purchased from Mr. R. Wight-
man, and Mr. Ernest Thompson is mov-
ing into the house he recently bought
from Mr. C. H. Jones.
Mr. Remond's youngest daughter
died on Monday of typhoid fever. Sev-
eral more of the family are down with
the fever.

BOLTON CENTRE.
The Ladies' Aid in connection with
the Methodist Church was pleasantly en-
tertained at the home of Mrs. M. L.
Willard on Wednesday.
The McGill Bros. are running their
Sash and Door Factory to full capac-
ity.
Arrivals and departures: Mrs. H.
Coons home from Bolton Glen; Miss A.
Dixon, of Montreal, guest of Mr. and
Mrs. Isaac Cousins; Mr. J. C. Willard
of Eastman, visiting at Mr. and Mrs. M.
L. Willard's; Mrs. H. Moffat to Jay,
Vt.; Mr. and Mrs. S. S. Ward to Ma-
gog.

A Cure for Drunkenness
Within the Reach of All
That Alcoholism is a disease is now
recognized by Science. No man in
his senses brings disgrace and ruin
on himself and family through choice.
Alcure stops the craving for drink,
builds up the system, steadies the
nerves. It is guaranteed to cure or
benefit or money refunded after a
fair trial. Alcure No. 1 can be given
secretly by any wife or mother want-
ing to restore a dear one to health
and usefulness. Alcure No. 2 is the
voluntary treatment.
Can be had at our store, only \$1.00
per box. Ask for our free Booklet
about Alcure.

A shipment of dolls from Santa Claus to be sold at Wesley Hall, on Tuesday afternoon, Dec. 2nd.

Miss Anna Roche, of Berlin, N. H., arrived in town yesterday on a visit to relatives, and later will go to Quebec City.

NEVER HAD ITS EQUAL

Rochester, N.Y. Man Found Something Good in Canada.

Mr. Thos. Johnston, whose home is in Rochester, N.Y., 44 Tremont Street, is enthusiastic over one Canadian product at least. He says:

"While visiting in Millbrook, Ont., I was suffering from a sprained knee, and could get nothing to help me until my father gave me a bottle of Egyptian Liniment, which relieved me in a few minutes. I have never had anything to equal it in my life. I am sure if your liniment was introduced to the people of Rochester it would sell like hot cakes."

Quick work is one of the strong points of Douglas' Egyptian Liniment. It goes right to the spot.

It stops bleeding at once. It prevents proud flesh or inflammation, and is a positive safeguard against blood poisoning. It relieves all kinds of aches and soreness.

25c. at all dealers. Free sample on request. Douglas & Co., Napanso, Ont.

Millinery, reduced prices at Miss Lee's, remainder of week only.

Read want adv. for Poultry at Sherbrooke Protestant Hospital.

Tuesday afternoon in Wesley Hall, mince meat, home made candy, useful and fancy articles and afternoon tea.

Afternoon tea for the ladies, and afternoon cocoa for the children at Wesley Hall, Tues. afternoon, Dec. 2.

REMOVAL NOTICE--The Canadian Pacific and Dominion Express Companies will remove from No. 6 Stratheona Square to their new offices on ground floor of new Quebec Central Railway Building No. 76 Wellington Street on Monday December 1st.

STRAY TEAM. The police found a bay horse hitched to a buggy on Aberdeen Avenue at 12.20 this (Saturday) morning. It was put up at Gages' Livery Stable.

CORRECTION. The announcement of the death of Mrs. Mary Mouldy, published in good faith in yesterday's Record, is untrue, as Mrs. Mouldy is alive and well. The perpetrator of this stupid and malicious hoax, designed to annoy and distress the object of it, will be dealt with severely, as she is known.

NO RISE IN PRICE OF MILK.

A report is being circulated in the city to the effect that the price of milk will be on Monday raised from seven to eight cents a pint in accordance with a decision arrived at by a meeting of milkdealers on Thursday evening last.

Pure Milk Co., who was approached by Mr. Armitage, of the Sherbrooke on the matter this morning by the "Record," stated there was no truth in the report.

Y. M. C. A. NOTES.

In the Pool Tournament last night Hatcher defeated Breckenridge by 25 to 7. The drawing took place to clear off the odd game and Fraser was drawn against Gibson for tonight, (Saturday.) Four men will then, left to play.

Next Monday evening will be the last opportunity for teams to enter in the three men team Bowling Tournament. So far nine teams have applied for entrance. The schedule will be arranged on Monday night.

BOARD OF TRADE RALLY TUESDAY EVENING.

Arrangements have been completed for the Board of Trade rally, Tuesday evening.

The members will meet at the Chateau Frontenac at 6.30 p. m. sharp for supper.

Following this a general business meeting will be held when the work of the year will be reviewed and plans for 1914 discussed.

Mr. Ernest L. Watt, of Boston, will give a short address on civic patriotism.

ASSAULTED POLICE OFFICER.

Jean Lapointe appeared before Judge Mulvina this morning charged with disorderly conduct on King Street last night and assaulting Police Officer Dandenault.

The officer stated that three men while under the influence of liquor were creating a disturbance and insulting ladies. The defendant struck him on the face and the other men escaped while he was being arrested.

For assaulting the officer, defendant was fined \$20 or 60 days, and for disorderly conduct, a fine of one dollar and costs was imposed or 15 days.

DAUGHTERS OF THE EMPIRE.

On Thursday afternoon a joint meeting of the three chapters of the Imperial Order of the Daughters of the Empire was held for the first time in the new club room in the Art Building.

All the chapters were well represented and the chair was taken by Mrs. George L. Hume, Vice-Regent of the Duke of Wellington Chapter in the absence of the Regent.

Mrs. Fraser, Regent of the Municipal Chapter, gave the report of the meeting in the Art Hall, which had resulted in acquiring a club room for the use of the chapters, and referred with pleasure to a number of gifts that had already been made towards the fitting up of the room, including china, tea-spoons, a small gas stove, a corner cupboard, and two portraits of the king and queen, the latter presented by Mrs. Norreys Worthington.

Other articles required would soon, she hoped, be installed.

The report of the Les committee was submitted by Miss Wilson, who gave the net proceeds as \$81.00. No report was received from the educational committee, all the schools not having been heard from.

A vote of thanks was unanimously accorded to all those who took part in the programme of the recent tea and musicale, and also to all, including the Children of the Empire, who contributed to its success.

Mrs. S. A. Jones read an interesting and instructive paper on "Parliamentary Procedure."

At the close of the very able and interesting paper, a vote of thanks to Mrs. Jones was adopted.

The meeting closed with the National Anthem.

ANNUAL DANCE OF BISHOP'S UNIVERSITY FOOTBALL.

The Football Club of Bishop's University held their annual dance on Thursday evening, Nov. 27th, which was, as usual, a great success.

There were not so many present as in former years, but, taking everything into consideration, it was an advantage as the floor was at no time too crowded, which made the dancing all the more enjoyable.

The dance was held in the Council Chamber and in the School dining hall, which was kindly lent for the occasion by the headmaster, Mr. Tysen Williams.

Those present can testify to the excellence of the floor, and also of the music, which latter was furnished by Turcotte's Orchestra.

The supper, which was held in the Council Dining Hall, was daintily served at small tables, and the lamps in the Hall were shaded with pur-

Owing to unforeseen circumstances, the cantata, "Livingstone the Pilgrim," will not be given by the choir until Sunday evening, Dec. 7th, instead of to-morrow as at first announced.

CHRISTIAN SCIENCE SOCIETY.

Christian Science Society service every Sunday morning at 11 o'clock, Art Building. All welcome.

Miss Bernice Fuller, Miss McLeod, Miss Simpson, Miss Fothergill, Mrs. H. S. Laws, Misses Gwyn, Miss Eva White, Miss Daisy Reid, Mrs. and Miss Wright, Miss Rose Bowen, Miss Muriel Wood, Mrs. Wm. Morris, Col. and Mrs. Worthington, Mr. and Mrs. F. Wilson, Mr. and Mrs. H. A. C. Scarth, Col. and Mrs. H. R. Fraser, Mr. and Mrs. Norreys, Rev. Dr. Allnatt, Rev. E. R. Roy, Rev. A. Sisco, Rev. N. Ward, Rev. Professor Burt, Rev. Professor Vial, Professor Carl, Professor Richardson, Rev. W. H. Morehead, Dr. Winder, Messrs. Morlins, Virgo, Campbell, Gittens, Parker, Robins, Belfort, Norreys, Fredericks of the School, C. Jacques, G. Reide, Black L. V. Whitehead, Allan Routledge and many others.

The programme, which called for twenty dances and five extras, was carried on until about 2.30 a. m., when a most enjoyable dance was brought to a finish. A special car was in waiting for the convenience of the guests from Sherbrooke.

The Committee: Professor E. E. Boothroyd, M.A., Messrs. R. H. Wademan, C. G. Wintle, C. F. L. Gilbert, H. H. King, A. P. Williams, are to be congratulated on the perfect way all arrangements were carried out.

The College corridors were tastefully decorated with evergreen, and the Council Chamber was decorated with the College colors and arms. Sitting out rooms were provided on the main floor of the Arts building and card tables were also provided for non-dancers.

The guests, among whom were noted the following, were received, by Mrs. Parrock, Mrs. Vial, Mrs. Burt and Miss Gill. Mrs. and Miss Hall, Miss Hamilton, Miss L. Hunt, Misses Wilson, Miss Muriel Parker, Miss Olive Palmer, Miss Wyatt, Misses King, Mrs. Luke, Mrs. F. Boothroyd, Misses Ward, Miss Burrage.

EXAMPLE FOR "BEATS."

Unto the yeast cake ought to go Each impetuous shirk, For there he'll learn, to raise the dough The yeast cake has to work.

GETTING IT STRAIGHT.

She—I believe you married me simply because I had money.

He—Quite the opposite, madam. I married you because I hadn't any.

UNAVOIDABLE.

"Have you been able to meet all the demands of your creditors?"

"Meet them? I haven't been able to avoid them." (Buffalo Express.)

Humiliated Woman

Would not attend Social Functions because of her Hair.

There are many women in this world, handsome in features, perfect in form, graceful of movement and brilliant of mind, who keep in the background just because they have thin, colorless and lustreless hair.

In Paris they understand things about the hair that we do not know in this country. It was a Parisian, Dr. Sangerbond, who discovered that thin hair and dandruff are caused by a microbe.

It is Parisian Sage that proves Dr. Sangerbond's theory to be correct, for it is rigidly guaranteed to kill the dandruff germ and cure dandruff, falling hair and itching scalp in two weeks or money back.

Parisian Sage is

Ducks	20c.
Leeks, bunch	5c.

DAIRY PRODUCE

BUTTER MARKET FIRM WITH
NEW BUSINESS.

Montreal, Nov. 29.—The local trade has shown a decided improvement during the past few days owing, no doubt, to colder and more seasonable weather, and much smaller receipts. Grocers and buyers for departmentals, who laid in stocks about three weeks or a month ago, are looking around in order to replenish their supplies, and a sale of over 100 packages to one of these buyers at 28c. for finest, is reported, whilst pasteurized has brought 28c.

There has been some new business for the Middle West, the sale of two cars of finest creamery being reported at around 28c., and another car at about the same figure, both lots said to be September goods. The sale was also reported of 500 boxes of finest June creamery at 28c., but this was understood to be for the local trade. A lot of June goods held for account of a firm in the Northwest is offered for sale here.

CHEESE MARKET IS STEADY.

Montreal, Nov. 29.—(Special)—A stronger statistical position has seldom, if ever been known, at the close of navigation than that in which cheese is found at present, which must be as clear to the trade in England as on this side. But as the New Zealand make is coming on, English buyers appear to think that with two foreign strings to their bow they can afford to wait and take things easy for a time. But probably when

they are made aware of the stocks held here on the 30th of November they may change their minds. Already London is forwarding a few more orders, although not at advanced limits. Some, however, have been accepted, as a shilling per cwt. is saved on the freight by last boats, which are expected to clear at the close of the present week.

The total exports of cheese from this port during the present season of navigation will reach about 132,825,000 pounds, and represent a value of about \$16,750,000.

Current receipts have been picked up as they arrive, a lot of 205 boxes being offered at 12c. all white. A lot of 500 boxes of late October two-thirds colored and one-third white, was offered at 13c. Sales of finest Western white are mentioned at 13c., and colored, do., at 12c. Of course, after the close of navigation holders need get about 4c. per lb. more for their cheese to cover the extra winter freight.

PROVISION MARKET

DRESSED HOG MARKET STEADY.

Montreal, Nov. 29.—The dressed hog market rules steady, but without change, supplies are light, sales being made at \$13.75 to \$14.00 per 100 lbs. for dressed hogs. Live hogs are unchanged at \$10 per hundred pounds for selected lots.

COUNTRY PRODUCE

EGG PRICES RULE STRONG.

Montreal, Nov. 29.—There is not much fear that the talk of boycotting the egg market will have much effect on the trade here. The stocks held in storage on Thursday were \$1,796 cases, and with the consumption of about seven thousand cases per week it will be readily seen that the stocks will hardly last up to the end of the present year. Besides the local demand there is a big demand from outside centres in this province. In Ontario where the bulk of the supplies come from, the market, the conditions are about the same as here, and they require all they have for their home consumption, so that very little stock may be expected here to increase the supplies. Prices rule strong but unchanged at last week's advance. We quote prices as follows: No. 1 stock, 34c.; select, 38c.; new laid, 60c.

BEAN MARKET GOOD.

Montreal, Nov. 29.—The market for new crop Canadian beans is exceedingly strong, but owing to the absence of supplies the market rules quiet. Prices here are purely nominal at \$1.85 to \$1.90 track, Montreal, for three pound pickers.

POTATO MARKET UNCHANGED.

Montreal, Nov. 29.—There has been no particular change of note in the market for potatoes during the week. Prices have been fully maintained, the demand has improved. Sales of Green Mountains made this week range between 85c. to 90c. per bag on track Montreal. Quebec white grades are worth 75c. to 80c. track, Montreal.

GRAIN MARKET

MARKET GENERALLY QUIET.

Montreal, Nov. 29.—The last cargo of Argentine corn is being worked off slowly at 79c. which is 1-2c. lower than the first lots sold at.

OATS—There has been more enquiry for car lots in store, sales of No. 2 C.W. being made at 40c., to 40c., and No. 3 C.W. at 39c., to 39c., and No. 2 feed at 38c. to 38c. Round lots of No. 2 C.W. sold at 39c. to 40c.

BARLEY—The market is quiet, there being no export business as prices here are too high. Malting barley is quoted at 72c. to 73c. for best samples. Feed barley is quoted at 38c. to 38c.

PEAS—There is no change in the market. Canadian peas are quoted at \$0.75 to \$2.25.

BUCKWHEAT—The market remains quiet. Car lots of buckwheat are quoted nominally at 55c. in

store. Farmers are not making deliveries.

FLAXSEED—Prices are quoted at \$1.30 to \$1.32 in round lots.

RYE—The exports during the past week were nil. Prices nominal at 72c. to 72c.

FEEDWHEAT—Market firm and active, supplies getting into very small compass, sales being reported at 72c. to 74c.

MALT—The market continues to be quiet and steady for new malt at 85c. to 88c.

HOPS—The market is firm and unchanged. Canadian hops 28c. to 30c. f.o.b. at shipping points, B.C. 30c. to 31c. f.o.b. at Coast. English East Kent 55c. to 57c.; Bohemian, 62c.; Bavarian, 57c.

HAY AND STRAW

TONE OF HAY MARKET STRONG.

Montreal, Nov. 29.—The strong tone of the hay market has been fully maintained, although there has not been so much activity in the market. The bad condition of the country roads has curtailed the shipments from the interior to this market. American buyers are not operating as freely as they have been in the past, but quite a few small lots have been picked up for shipment to the United States. The exports to Great Britain this week are heavier than for some time past, but a good deal of the hay going forward is cut hay. The heaviest shipments this week are to the Glasgow market, while some smaller lots are booked to Liverpool, Bristol, Manchester and Leith.

Cable advices just to hand quote as follows: Liverpool at 80s., London, at 70s., Glasgow at 82s. 6d., Manchester, 75s.

We quote prices as follows: No. 1 quality, \$16 to \$16.50; No. 2 extra \$15 to \$15.50; No. 2 ordinary, \$13 to \$13.50; No. 3 hay, \$10.50 to \$11, clover as to grade, \$10.50 to \$11.

MISTOOK COMPANION FOR RABBIT.

Harrison, Ont., November 28.—John Pears, of Toronto, while hunting yesterday in Minto Township was accidentally shot by a fellow hunter. Pears was wearing a white cap and was seated on low ground. His companion mistook the white cap for a rabbit and fired, 24 shots taking effect in the lower part of Pears' body and several in his arm. Dr. Thomas Henry, of Harrison, was called and extracted some of the shot. Mr. Pears was taken to Toronto yesterday afternoon for further treatment.

AEROPLANE TANK EXPLODED.

Epemay, France, Nov. 28.—The two aviators who were burned to death when their biplane caught fire Wednesday near Chantemyle, were identified yesterday as Captain Briot of the artillery, and Sapper Pouillard. The men were attached to the French army aviation centre at St. Cyr, and were flying from the aviation field to the army camp at Mailly.

As the pilot attempted a landing on the outskirts of Chantemyle the machine crashed into a hedge. The tank then exploded, covering the aeroplane and its occupants with burning oil.

S. S. CANADA AT HALIFAX.

Halifax, N. S., November 28.—The White Star Dominion liner Canada arrived from Liverpool yesterday and opened the winter port business. She landed over two thousand packages of mail, which were placed aboard a special train for Montreal. It was just two hours and forty minutes from the time the steamer docked until the train with the mails pulled out for the West. She also landed 111 passengers and is discharging 715 tons of cargo, after which she will proceed to Portland, Maine.

ASCOT CORNER.

Arrivals and departures: Mr. and Mrs. H. Wingate of Ayer's Cliff, home after visiting the former's parents, Mr. and Mrs. T. Wingate; Mrs. J. Murphy home after a few days in Sherbrooke visiting her daughter and son-in-law, Mr. and Mrs. P. Parrel.

Mr. J. Cyr has sold out and has removed his family to Waterville.

Mr. G. Clement has sold out his stock and moved to the village for the winter.

WEST SUTTON.

Arrivals and departures include: Mr. and Mrs. N. H. O'Brien to Richmond, on Wednesday; Mr. P. Royce to Cowansville, recently; Miss Ada Wilkins, North Pinnacle, a couple of weeks here the guest of her sister, Mrs. F. M. Worden; Mr. William Lowery to his work on the C.P.R. after a week at his home here; Mr. and Mrs. W. Kemp, of Sutton, Sunday at Mr. E. J. Lee's.

SPORTING NEWS

HOCKEY

RICHMOND WANDERERS PREPARE FOR SEASON.

Richmond, Nov. 29.—(Special)—The Richmond Wanderers hockey team held a meeting on Thursday evening in the Grand Central with about fourteen members present. General business was attended to, team rules drawn up, and the Intermediate League proposition discussed at some length. It was decided to change the colors to orange and black, the old Richmond colors, which have so often been carried to victory. The proposition was made that a subscription list be made up and circulated to secure the necessary funds to back a live hockey team. There is little doubt that the boys will get all the backing they want in Richmond. They are good sports in Richmond and the public spirit is always in evidence.

THOUSANDS IDLE IN WINNIPEG. Winnipeg, November 28.—Seventeen thousand three hundred men are out of employment in Winnipeg at the present time, according to Mr. W. Hammond, past president of the Building Trades Council.

Mr. Hammond arrived at his figures by a consideration of trade unionists now idle. There are over 13,000 trade unionists in the city, and of these, he says, over fifty per cent are idle. Mr. Hammond says 26,000 will be idle by Christmas.

Several western cities, Vancouver and Brandon among them, are feeding their unemployed under municipal organization.

"STARR"
Canadian Made
Hockey Skates

The Symphony of Skating

On a winter evening, in almost every Canadian town, under the clear, starlit sky, you can hear this beautifully fascinating Skating Symphony.

Hundreds of happy, red-checked couples go swinging around the curves of the rink, the boards of the river, or the broad stretches of the lake, their glittering "STARR" skates flashing on their feet.

They skate lightly along—vigorously—alive and joyous—the merry clash of skate and ice—the happy laughter—the musical rhythm of the strokes all combine to make this wonderful Winter Symphony.

Have you ever heard this Symphony? Of course you have—then help it to a joyous anthem—hitch yourself to a pair of "STARR" skates, and swing out with the rest.

They are all the best possible products possible, and their prices are reasonable.

"STARR" Skates are equally good for artificial or natural ice.

(Design registered and trade mark "Valco" copyrighted as Ottawa.)

The Job Seeks You if You Are Trained,

But you seek the job if you are untrained, and there is a world of difference! For the untrained man, business firms SET THEIR OWN PRICE, and the price is humiliating to your self-respect. The employer is not to blame for this. He can get oceans of unskilled help, and where the supply is greater than the demand, the price must necessarily be low, or at least, be dependent upon the generosity of the employer.

Business training puts you in the skilled class and you SET YOUR OWN PRICE.

BUSINESS CONDITIONS IN STANBRIDGE EAST

Returns For Past Year Show an Advance Over Previous Year

LARGE TURN OVER MADE IN LIVE STOCK DEALINGS AND FROM CREAMERY.

Stanbridge East, Nov. 29. —(Special)—The business conditions in this section during the past year have been good and slight increases over the previous year can be reported in nearly all lines. The farmers especially have benefitted by the high prices which everything they have to sell has commanded and although the wage earner finds the cost of living high yet the demand for labor has been good at very fair wages. The farms in this section have yielded abundantly the past season. The hay crop was much above the average and is selling at a good price, loose hay being from \$10 to \$11 and pressed hay about \$2 per ton higher. The potato crop was especially good and they are bringing a good price. Field corn suffered from the early frosts, but the silo corn was put in mostly in good condition. The crops of oats, barley and buckwheat and beans were well up to the average and are commanding a good price. The mild weather will mean quite a saving on fuel, but those having wood to sell find a ready market for the same. The dairy industry, which is the backbone of the farming business in this district, has been very prosperous during the year.

RETURNS FROM CREAMERY
The secretary of the local creamery which is owned by Mr. E. H. Hunter, in comparing business for the creamery, reports sales in 1911 to have been \$28,000; 1912, \$48,000, and for the past ten months of this year to November 1st, \$48,000, with an estimate at the close of the year of \$50,000. Number of patrons are highest, 117 and lowest, 45 during the year, as compared with 1912 when the highest number was 103 and the lowest, 35. The cream from this factory has gone mostly to the United States, the price for butter figuring out from 27c to 32 cts.

LIVE STOCK TRADE.
The local cattle and hog dealer reports a good season in his line with prices ruling high, he having shipped over fifty carloads during six months from May 1st to November 1st of this year with a turnover of \$75,000. The hog industry has received a very serious blow through the appearance of hog cholera from which it will take it some time to recover. The prices of cattle have ruled very high and those having stock to dispose of have found them to be nearly fifty per cent higher than other years.

INCREASE IN FREIGHT.
The records of shipments from this railway station during the last year show an increase of several tons of miscellaneous freight. The receipts for freight received have increased over 1912, \$1,923, and there is an increase in tickets sold of \$288. Receipts from express show an increase of \$295, and in the telegraph business amount to \$5.

RETAIL TRADE GOOD
The local merchants and grain dealers report increases in their business and find trade has been good during the whole year.

CONSIDERABLE BUILDING.
There has been considerable building in the vicinity and many properties have been improved. The extension to G. W. Sadler & Company's tannery is worthy of note as they are first class fire proof buildings and allow for an

INDUSTRIAL PROPOSITIONS

Are Awaiting the Advent of the Railway in Kirkdale District

LARGE QUARRY OF RED GRANITE WHICH IS SAID TO BE OF A SUPERIOR QUALITY

Kirkdale, November 28.—As soon as the railway is constructed through this section, a substantial boom will take place in various industries that are only awaiting the iron road to commence operations. Upon the property of Mr. Alex Elliott is a hill of gravel, a deposit so great that a hundred years of working would not exhaust it. Mr. Stimpson, the contractor who made the concrete fence around the cemetery, and who used the gravel from this hill, pronounces it the best quality he ever used. For concrete blocks, tiles, etc., nothing better could be found. As lumber is becoming scarcer and dearer every year, concrete products will find an ever-increasing market. While across the river, not more than a half mile from this hill, is a large vein of red marble, upon property owned by McMorine Bros., Richmond, a marble that takes a polish equal to the best.

Increased capacity for handling hides, extracts and leather. A large number of men are given steady work here. The house and barn which have been newly built on the Campbell farm have given employment to a large number of men and are among our finest farm buildings in this section of the country. The new barn built by Mr. J. Dion of the American House is also an improvement to the village. A large number of property owners have painted their buildings which adds to their looks and improves the appearance of the village.

WORK ON ROADS.
The electric lights on the streets make a vast improvement to our town and the prospects are that a large amount of work will be laid out on our sidewalks next year. The Municipal Council have been interested in the general progress and have built a good stretch of stone road this summer as well as improving all roads, bridges and sluiceways. The tenements in the village are all occupied and are kept up in very good condition. There has not been a large amount of real estate change hands here but a number of the citizens have invested in real estate in Montreal.

The Board of Trade has been very interested and active in all local improvements. The Canadian Bank of Commerce has had a good business year which warranted an increase in the staff and this has become now a regularly established branch. It is hoped that the progress and prosperity of the past year may continue and there is no reason to feel that it will not do so.

MARBLETON.
Arrivals and departures: Mr. and Mrs. Nugent guests of Mrs. McIver, Sherbrooke; Mrs. Sol Gilbert to Bury; Miss Martha Stevenson, nurse, at Thorford Mines on a case. Mrs. F. Wilson Bishop is confined to the house through illness. The Ladies' Guild met at Mrs. Fred Munkittrick's on Wednesday afternoon and was very pleasantly entertained. A goodly number of ladies were present. Mrs. Munkittrick was assisted in waiting upon her guests by Miss Lewie Hunt. A dainty lunch was served. The ladies are busy preparing for a sale and baked bean supper to be held in the Church Hall on Saturday, Dec. 6th.

TOWNSHIPS DEVELOPMENT

Trade And Other Notes of Local Interest

BIG INDUSTRIAL GROWTH IN PROSPECT—ASSOCIATED BOARDS NEXT WEEK.

Many men, in close touch with the general commercial situation, predict a big industrial expansion in the Eastern Townships during the next few years. There may be a little lull at the present time owing to financial stringency, but this is only temporary.

A country growing as Canada is growing demands vast industrial expansion to keep pace with growth of population. It is admitted that to a very great extent Eastern Canada will manufacture for all of Canada, and the Eastern Townships with water powers and good labor is bound to come in for its share of development along manufacturing lines.

DELAY IN QUEBEC REPLY.

No reply has yet been received from the Quebec Cabinet to the petition presented some weeks ago relative to immigration and repatriation.

The delegation was assured of a definite answer within a week but five or six weeks have rolled by and the reply has not come to hand.

It is expected, however, that the Government's answer will be received in time for the meeting at Lennoxville, next week.

A YEAR AND A HALF OLD.

The Eastern Townships Associated Boards of Trade are now a year and a half old. There were only some eight or ten local boards when the central organization was started. There are now twenty-six individual boards. It looks as though the E. T. A. B. had come to stay.

INCREASE AGRICULTURAL PRODUCTION.

In the debate at Quebec this week the question of high cost of living came up for some consideration. The leader of the Opposition hit the nail on the head when he said the most direct solution lay through increased agricultural production. Make the farmers yield more and the high cost of living will dissolve. Eggs are seventy cents a dozen because the hens do not produce at this season of the year. Prices will become normal when the supply increases. This is but an illustration which applies to all branches of agriculture.

If Eastern Townships farms were made to yield twice or three times what they do now, the cost of living would moderate in this territory.

The Associated Boards through their immigration and repatriation proposals seek to increase the farm population and thereby increase the agricultural production. The Government's co-operation is essential to the success of this undertaking.

The delayed answer of the Quebec authorities to the petition referred to above, should be emphatic in its assurance of full co-operation in the interests of Eastern Townships agriculture.

ASSOCIATED BOARDS ON WEDNESDAY

Lennoxville Making Preparations to Entertain Delegates

WILL TENDER BANQUET IN THE EVENING AT COLLEGE HOUSE.

Various Boards of Trade throughout the Eastern Townships have met during the past week to prepare for the quarterly meeting of the Associated Boards at Lennoxville on Wednesday next. It is expected that there will be a very large attendance at this meeting, as there are a great number of very important matters now before the Board for action.

The Lennoxville Board has made elaborate preparations for the reception of the delegates. In the evening they will be tendered a banquet at the College House.

TRADE NOTES

The Elbram Stone Company Limited is offering a block of stock for sale. This industry appears to have a bright future, as their product, an imitation of marble, should be in great demand. Ald. Joseph Simoneau is managing director of the Company.

Mr. Hamilton, of Lewis, who is interested in the shoe factory which is shortly to locate in Sherbrooke, has been in town during the past week. The deal between the Company and the City should be brought to a head at an early date.

The erection of the new plant of the Canadian Connecticut Cotton Mills Co., is progressing by leaps and bounds. A large number of men are at work night and day. The roof has been put on during the present week.

Industrial conditions in general are quiet at present. It is a case of the "evil of fine weather." What is wanted to waken business up is a good three feet of snow.

During next summer a great deal of road work should be done throughout the Eastern Townships. Municipalities throughout the Townships should bear in mind that all the

Your most disagreeable experiences, during the past summer have arisen from tire trouble. You don't want to have them repeated, and rightly so. We have the sure cure remedy in

Day's Resilient Tire Filler

It's no fake—see it—use it. Send us your wheels during the winter. Get ready for early spring.

Canada Tire Filler Co'y.
275 Wellington St.

Our senior member first visited and bought tobacco in the Havana market in 1892, and has been in Cuba several times since. He has not had 50 or 75 years' experience and never expects to, but he has put a whole lot of personal work into the cigar business during the past 25 years, and is acknowledged to be one of the best tobacco judges in Cuba and one of the best manipulators in Canada.

THE GRIT 5c Cigar

is the result of a judicious contract with a Clear Havana manufacturer for the cuttings from the tables of Cuban workmen. The Grit 5c Cigar is mild, aromatic and sweet as a nut.

J. BRUCE PAYNE, LIMITED

Granby, Que.

P.S.—The Pharaoh for 10c is unequalled.

machinery necessary for road work can be obtained right here in the Townships. An announcement from a firm making the machinery appears on this page.

Mr. Samuel Boy, Secretary Treasurer of the Scottstown Mfg. Co. was in Sherbrooke this week. He states that the company will soon be turning out chairs, and they already have a number of orders on hand.

The Cliche Manufacturing Company, makers of brooms and brushes, have nearly completed their new factory at Lake Megantic. This will give much needed work to a number of hands. The burning down of the furniture factory turned a large number of men out of work.

It is rumored that a company will soon be formed for the purpose of opening a knitting factory in this city.

Tenders are about to be called for, for the construction of a dam for the development of electricity at Lake Megantic. When this power is developed by the municipality they will be in a position to offer very attractive inducements to new industries.

BROME.

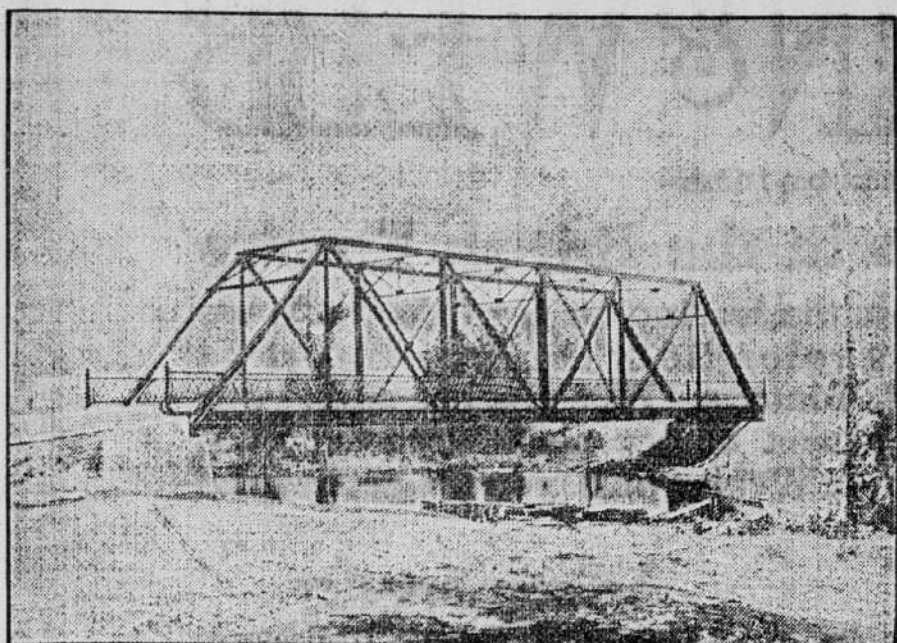

A meeting of the members of the Ladies' Guild was held in the Parsonage on Wednesday afternoon, relative to the preparation for a sale and programme in connection with the annual Oyster Supper which will take place on December 12th., in the Town Hall, Brome.

Arrivals and departures: Mr. and Mrs. Chas. Beals and Mr. Basil Beals motored to Richmond on Monday; Mr. Geo. Barr of the Dairy Division, Ottawa, in town on Wednesday in the interest of the Government creamery; Mr. Andrew Libby of Richmond at Mr. and Mrs. C. Libby's; Mr. A. M. Vernal and daughter of Brome Centre to Sutton on Wednesday for the day.

Mrs. H. A. Smith has recovered from an illness which confined her to her room for a few days. Mr. F. A. Lafontaine is included among those convalescing.

The Ladies' Guild will meet at the Parsonage on the afternoon of December 3rd., when each lady is expected to bring her donation for the entertainment of the 12th. Mr. and Mrs. M. E. Darbe and Mr. and Mrs. H. Fuller of West Brome, recent guests at "Glensdale."

Daily News Specials From Eastern Townships

TRANSFER OF FARM PROPERTY.
Lorne, Nov. 29.—(Special)—Mr. William Smith has sold his farm for the sum of \$5,200, to Mr. Am-
eau of Cassville. Mr. Joseph Ploude
has also sold his (Robert Bagley)
farm to George Fowler for \$4,600.

MEETINGS AT BROME.
Brome, Nov. 29.—(Special)—A
meeting of the Municipal Council
will take place on Monday at 10
o'clock a. m.
The School Commissioners of the
Municipality of Brome Township
will hold a meeting on Tuesday, De-
cember 2nd., at 10 o'clock a. m.

TREES BY THE CAR LOAD.
Richmond, Nov. 29.—(Special)—
Christmas trees are passing through
Richmond these days in carload lots.
The weather, too, seems to be in
keeping with the spirit of the passing
trees, as it is sharp and briskly cold.
The merchants, doubtless, are think-
ing of snow, and a heavy Christmas
business.

GUARD PIER REPAIRED.
Richmond, Nov. 29.—(Special)—
The guard pier in the St. Francis
River has been subjected to a thor-
ough rebuilding and stands now in
better shape for the spring tussle
with the ice. New heavy hardwood
timbers have been bolted in place,
and the pier raised about two feet,
with a new covering of sheet iron
plates.

INDUCTED TO CHARGE.
Richmond, Nov. 29.—(Special)—
Rev. Mr. Bunbury was inducted as
rector of St. Anne's Church on Sun-
day morning last, by Bishop Dunn,
of Quebec, assisted by Rev. Mr. Roy,
of Gallup Hill. The attendance was
large and the service duly impres-
sive. The new rector took the even-
ing service and preached a thoughtful
and masterly sermon that favorably
impressed the congregation. The new
rector and Mrs. Bunbury are assured
of a warm welcome in Richmond.

DEATH OF MRS. HENRY LOVELL.
COATICOOK.
Coaticook, Nov. 29.—(Special)—
Mrs. Henry Lovell passed away at
her home here last night. She was
stricken with apoplexy last Sunday,
and on Monday had a second attack,
when she lapsed into a state of un-
consciousness from which she never
recovered. The deceased was the widow
of the late Mr. Henry Lovell, who
represented Stanstead in the Federal
Parliament for several years.
The funeral will take place from
the house to-morrow (Sunday) after-
noon at 2.30 p.m.

INJURED BY RUNAWAY TEAM.
Brome, Nov. 29.—(Special)—A
pair of horses attached to a wagon
belonging to Mr. Israel Metivier of
East Hill were left unattended at the
Oriental House for a few moments
on Wednesday afternoon. Taking ad-
vantage of this they started to run
away and collided with a wire fence.
They were captured by Mr. Wm. Her-
man who caught a rein as they made
a turn and was thrown to the
ground, both wheels passing over his
shoulder. Fortunately he had on a
heavy fur coat which prevented a
more serious injury, than that of a
sprained thumb and a few minor
bruises. Mr. Herman in his chase
to stop the runaway lost a pocket
book containing about \$200.00 and
picked it up on his return to the
house, not being aware of his loss
until he discovered it in his path.

SCOTCHMEN TAKE PRECEDENCE.
Richmond, Nov. 29.—(Special)—
A meeting of the Cleveland Council
will be held on Tuesday next, Dec.
2nd, in the Secretary-Treasurer's of-
fice at the Court House at 10.30 a.
m. The principal business will be the
letting of contracts and making ar-
rangements for supply of stones to be
used in macadamizing the roads next
summer.

The Council for the Municipality of
Melbourne and Brompton Gore meets
on Tuesday next at Upper Melbourne.
The resolution in regard to purchase
of right of way for the St. Francis
Valley Railway will come up for at-
tention.

The various Municipal Councils
throughout this section are holding
their regular monthly meetings a day
later than usual for December. These
meetings are supposed to be held on
the first Monday of the month, but
the Scotchmen of Richmond County
will all hike to Richmond on that
day for the big St. Andrew's cele-
bration, and the lure of the great day
puts everything else in the shade.

REPORT WAS PREMATURE.
Granby, Nov. 29.—(Special)—The
report that Mrs. Macdonald had sold
her property to the Southern Coun-
ties Railway was premature. Messrs.
McNamara & Son had an option on
the property, and they have now
taken it over for \$1,100.

LOSS OF STOCK HEAVY.
Brome, Nov. 29.—(Special)—Mr.
Frank Masson of East Hill, recently
found a valuable colt hung in its
manger. The amount of stock which
the farmers loose by accident and
otherwise each year will run away
up into the thousands.

SMALL BLAZE AT GRANBY.
Granby, Nov. 29.—(Special)—The
dwelling house occupied by Mr. Moy-
ette was scorched on Wednesday
night. Fire broke out in the kitchen
and before the brigade arrived, it
had worked its way into the main
part of the house. The loss was set-
tled for \$121.

READY, AYE, READY.
Richmond, Nov. 29.—(Special)—
Every Scotchman in Richmond is on
the qui vive and eagerly furnishing
up Highland accoutrements in view
of the fact that Monday is St. An-
drew's Day, and it will be celebrated
in Richmond in the grand old style.
The day will be practically a holi-
day. The factory will be closed for Monday
and Tuesday.

FRACTURED ELBOW BY FALL.
Stanstead, Nov. 29.—(Special)—
Miss Beatrice Baldwin, daughter of
Mr. P. Baldwin, caught her foot in
the rope while alighting from a wa-
gon at Stanstead station on Thurs-
day morning and was thrown violent-
ly to the ground fracturing her left
elbow and giving her a bad shaking
up. Drs. Stockwell and Colby were
called and reduced the fracture.

MARRIAGES

McMANUS—WILLOWS.
Magog, Nov. 28.—At six o'clock
Wednesday evening St. Luke's Church
was the scene of a quiet but pretty
wedding. The contracting parties
were Mr. W. H. McManus, of Mont-
real, and Miss Minnie M. Willows,
daughter of Mr. and Mrs. Philip Wil-
lows. The Rev. R. J. Fothergill, per-
formed the ceremony, and Mrs. R. J.
Fothergill was at the organ, play-
ing the Wedding March as the party
left the Church.
The bride was given away by her
father, Mr. Philip Willows. Mrs. C.
E. Stone, sister of the bride, was
matron of honor, and Mr. J. Moss,
of Montreal, accompanied the groom
as best man.
After the ceremony the party re-
turned to the home of the bride's pa-
rents where congratulations were ex-
tended and supper was served.
Mr. and Mrs. McManus left by the
evening train for a wedding trip. On
their return they will reside in Mont-
real.

MAPLE SUGAR ADULTERATION

AN OPEN LETTER TO THE CHIEF CHEMIST.

Editor of Record:
Sir,—In the issue of Nov. 1st,
"Journal of Agriculture," you make
a reply to an article of mine on syrup
adulteration which while it questions
the good faith of the writer when he
attacks the adulterator, yet is a good
letter in its way and holds out some
hope for the future. Now, the last
thing the Pure Syrup Association
wants to do is to antagonize a man
of the standing of the Chief Chemist,
in any way whatever, but the situa-
tion is rapidly coming to such a pass;
improper legislation has been borne
with so long, that you must really
pardon us if we take every means in
our power to stir up and interest
the powers that be into full recogni-
tion of the facts. Lethargy and in-
difference are harder to deal with
than open opposition, especially in
big public officials, and if we can
convince the Government Department
heads, even at a cost of a few hard
words, that they have been asleep
on the subject for years, and that the
adulterators are rapidly driving the
maple syrup trade on the rocks, while
pocketing unfair gains from deluded
customers, we are convinced we are
doing the country a great service.

As Chief Chemist you would ques-
tion the purity of our motives, and
openly hint at self interest and mo-
nopoly; with justice we could retort
that adulteration lies largely at the
doors of about five concerns, and
that the facts disclosed in your Gov-
ernment bulletin are something dis-
graceful. Mr. McGill, do you want
these people to have a monopoly?
Why should they be protected? If
anybody has a monopoly at present
they have. We won't ask the Chief
Chemist of the Dominion to lay his
hand on his heart and give utterance
to the good faith and the purity of
his motives, we take that for granted
already, but we do want to prod him
into something active in the way of
helping along real preventive legis-
lation. Bulletins, bulletins, stacks of
them. Who cares about bulletins?
Who reads them? The adulterator
snaps his finger at bulletins and goes
on his way. You can't bulletin the
loan shark from his easy mark, nor
the adulterator from his crooked pro-
fits, it requires the strong arm of the
law, going straight to the main is-
sue and wasting no time on side is-
(Continued on page twelve.)

FACTS!

That's What Skin Sufferers Should Know—THE FACTS
—for 15 Years D. D. D. Prescription Has Been
the Standard—Now Read.

It is in this last decade of medical research that internal drugs have proven as worthless for skin disease as for toothache.

It is also in our modern rush of medical enlightenment that salves and ointments have been discarded. First, because they cannot penetrate the tissues correctly; second, because they clog the deep pores of the skin and imprison the disease germs.

To affect a cure of skin trouble the remedy must be in fluid form. This statement, now proven, was first made 15 years ago by a famous skin specialist and it was his tireless work that resulted in the discovery of D. D. D. Prescription, a simple, soothing, cooling wash.

Apply D. D. D. to the skin and see how the itch is gone—INSTANTLY—the moment the liquid is applied!

D. D. D. Prescription—for 15 years—the standard skin remedy

**DON'T FEEL RIGHT? HEADACHY, BILIOUS,
CONSTIPATED, STOMACH BAD—DIME A BOX**

Young men and women who can't get feeling right—who have headache, coated tongue, foul taste and foul breath, dizziness, can't sleep, are nervous and upset, bothered with a sick, gassy stomach.

Are you keeping your bowels clean with Cascarets—or merely dosing yourself every few days with salts, pills, castor oil and other harsh irritants? Cascarets immediately

cleanse and sweeten the stomach, remove the sour undigested and fermenting food and foul gases; take the excess bile from the liver and carry off the constipated waste matter and poison from the bowels.

A Cascaret to-night straightens you out by morning—a 10-cent box keeps your head clear, stomach sweet, liver and bowels regular and you feel buoyant for months. Don't forget the children.

AGRICULTURE: STOCK RAISING: FARM NOTES

large importers of bacon and other hog products." If this condition materializes, the law of supply and demand will ensure a steady and profitable price to the breeder and producer of the bacon hog. United States generally speaking, does not demand the bacon hog, but the Eastern States and cities do take the thinner kinds and a shortage of any kind of pork means advances for the bacon hog. With an increase in population and a rural development not corresponding with the urban growth the price of bacon must remain firm. The present outlook does not promise any great shipments into America from hog-producing countries, for they have their own markets at their own doors. It remains for Canadians to acquire some Danish alertness, ingenuity and persistence in the application of principles and incorporate them into their agricultural routine. If such a condition ever exists as surplus of bacon in Canada and United States we still have the English market, though not so secure as in former years. But under any conditions Canada to-day warrants a large increase in the bacon industry at home.

SEPARATION AND CREAMERY WORK.

Where the milk is separated on the farm and the cream delivered to the creamery, the separator and room where the separating takes place should be kept clean. The practice of washing the separator once a day, or less often, is one not to be recommended. The quality of the cream under such conditions is not good, and the cream outlet of the separator is likely to become partially clogged, which causes more of the fat or cream to go into the skim-milk outlets, thus causing a double loss. The separator parts are more easily washed if done as soon as possible after each time of using. The parts having milk on them should be placed in lukewarm water at once after separating, and if a little washing soda be added, the bowl, etc., will wash more easily. A very good plan is to put the bowl, discs, cream and skim-milk spouts, float, etc., in a milk pail, or other vessel, and allow them to stand in lukewarm water until they can be washed. This is usually the woman's work, and they are often too busy to attend the washing of the separator parts early in the morning or at once after the night's milking, especially when separating takes place before supper, as is the case on many farms in winter.

The cream should also be cooled at once, and before mixing with the cream of previous separations. This is the point where trouble arises for the buttermaker who is taking in cream only, or mixed lots of cream and milk. If the cream, while yet warm, is added to lots already cooled, the warm cream starts fermentations in the dormant cream, and although chilling again renders the bacterial life sluggish, their products of acid and lactic acids, their "residual material" is present, and causes the bad flavor with which the buttermaker has to contend at the creamery. He has the same trouble as with the old milk cream. In principle the causes are identical. Delivery of cream ought to take place at least twice a week, although there is not the same danger in once-a-week delivery of cream as with once-a-week milk, because the conditions are less favorable for bacterial growth, especially in rich cream, as compared with milk.

At the creamery, the buttermaking room ought to be at a comfortable room temperature, say 60 degrees to 65 degrees F. This is best obtained by the use of steam heat from the boiler. Stoves are messy and do not heat the whole room.

All winter cream should be pasteurized, in either a continuous or "flash" pasteurizer, or in one of the more modern "holder" type. The "flash" pasteurizers should heat the cream from 130 to 155 degrees, while 140 to 145 degrees will be high enough for the "holder" plan. No buttermaker can expect to make a uniformly high quality of butter from winter cream without pasteurizing. A good culture as "starter" is also an aid in getting improved flavor. The buttermaker who does not understand pasteurization and the making and use of a pure culture is behind the times. Cold storage butter can easily compete with most of the fresh winter-made goods, because of lack of care on the farm and lack of skill in the creamery.

The temperatures for churning, washing and working butter need special care in winter, when the tendency is to have these too low, which produces an insipid flavor, and a short, mealy texture—H.H.D. in Farmer's Advocate.

SAVE FARMY AND FERTILIZER.
Right at the beginning of the winter is the time to put in operation the system to be followed in disposing of the manure as it comes from the stables. By this time the greater portion of the live stock are in the stalls, at least a part of the time, and considerable manure is being made to be carted out on the land. Farm fertility must be replenished from farmyard manure or from commercial fertilizers, or both. Manure is so exceedingly valuable. Far more so than many people seem to realize, judging from the careless way in which it is handled. For a while when the stock first comes in the litter and manure are forked out the stable door just under the eaves of the barn until this pile gets so large as to back up and partially block the door. Then the wheelbarrow is brought into use and the manure is spread here and there over a rather poor yard. Little care is taken to keep it in a tidy pile away from the eaves and where too much of it will not be washed away. Many draw the green manure as it is made out to the fields, where it is spread. This is economy of labor, and where land is not too rolling and liable to wash, carrying away the fertility applied, this is good practice. Others use a covered shed in which the manure is spread around and the stock

The All-Weather Tread

Another Goodyear Invention

A Smooth Tread on Dry Roads—An Invincible Grip on Wet

Now comes the solution of the All-Weather tread. The tread for all wheels and all seasons. As smooth as a plain tread on dry roads. Equally economical. Yet grasping wet roads with a most tenacious grip. It outsells smooth treads now with users on the largest-selling tires in the world.

Deep, Sharp-Cut Flat-Top Blocks

Safety suggests, to every motor car driver, the universal use of anti-skids.

But smooth treads were better and more economical for 90 per cent of one's driving. So many added chains on wet roads.

Now Goodyear has an anti-skid which presents a smooth tread to dry roads. The projections are broad and flat. They are regular, so they cause no vibration.

The blocks widen out so they meet at the base. Thus the strains are distributed over the fabric the same as with smooth-tread tires.

It was separate projections—centering the strain at one point in the fabric—which ruined so many anti-skids.

This All-Weather tread is an extra tread, giving double thickness. It is made of very tough rubber—toughened by a secret process—immensely wear-resisting.

The blocks are so deep—the rubber so tough—that the grips last for thousands of miles.

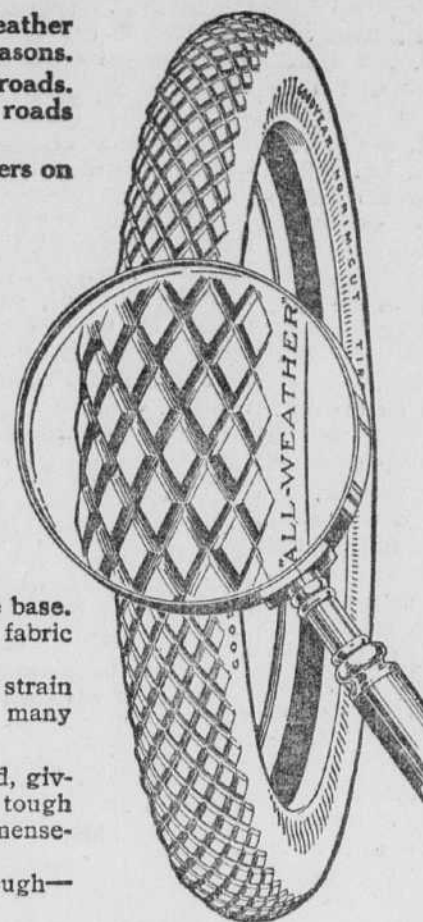

The block edges are sharp, and they stay sharp. Sharp edges alone can afford a firm grip. The edges are set at 45 degrees to face the skidding direction. Cars skid, we find, at 45 degrees.

Compare it point by point with others—its thickness, its toughness, its sharpness, its grip. Its regular projections, avoiding vibration. Its distributions of strains, its smoothness, its angles.

We don't need to argue that this tread excels any other anti-skid tread.

The result is a universal tread. A smooth tread ready for any emergency. A durable tread. A cool tread, because of the swish of air.

Our sale is enormous. Men who know them will use nothing else.

Note the deep blocks, the sharp edges, the flat tops. Note the broad bases which distribute the strains. Note the perfect alignment to avoid vibration and give the smooth-tread effect.

Unsightly Hair Made Beautiful by the Use of Newbro's Herpicide

Many ladies are, and many more should be, ashamed when they look in a glass and see their hair. The condition of some is almost a disgrace. It simply shows that while they may be scrupulously neat in every other way, they are careless about their hair. Thin, scraggy, wispy hair generally indicates dandruff, which is due to a germ. Newbro's Herpicide will remove the dandruff and keep the scalp clean and healthy. This permits the hair to grow naturally and luxuriantly and take on that glossy beauty which always follows the intelligent use of Herpicide. That annoying itching of the scalp which always comes with dandruff stops almost with the first application. You may sometimes be offered "somebody's good," but you will be better satisfied if you insist upon having the original dandruff germ killer Newbro's Herpicide. If you wish to try this scalp and hair cure in postage or silver to The Herpicide Company, Dept. R, Detroit, Mich. You will receive a sample size bottle of Herpicide and a booklet telling all about the care of the hair by return mail. Newbro's Herpicide is sold in 50-cent and \$1.00 sizes at all drug and department stores. Applications obtained at the better barber shops and beauty parlors. But a trial isn't necessary. There is no guesswork about Newbro's Herpicide. Just buy a bottle and use it. The results are sure to be better than you expect. Furthermore, satisfaction is guaranteed, and should it fail to prove the results claimed, your dealer will return your money. W. H. Griffith, special agent.

ELY'S CREAM BALM OPENS CLOGGED NOSTRILS AND HEAD—CATARRH GOES

INSTANTLY CLEARS AIR PASSAGES; YOU BREATHE FREELY; NASTY DISCHARGE STOPS; HEAD COLDS AND DULL HEADACHE VANISH.

Get a small bottle anyway, just to try it—Apply a little in the nostrils and instantly your clogged nose and stopped-up air passages of the head will open; you will breathe freely; dullness and headache disappear. By morning the catarrh, cold-in-head or catarrhal sore throat will be gone. End such misery now! Get the small bottle of "Ely's Cream Balm" at any drug store. This sweet, fragrant balm dissolves by the heat of the nostrils; penetrates and heals the inflamed, swollen membrane which causes the nose, head and throat clears the air passages; stops nasty discharges and a feeling of cleansing soothing relief comes immediately. Don't lay awake to-night struggling for breath with head stuffed; nostrils closed, hawking and blowing Catarrh or a cold, with its running nose, foul mucus dropping into the throat, and raw dryness is distressing but truly needless. Put your faith—just once—in "Ely's Cream Balm" and your cold or catarrh will surely disappear.

ECZEMA CAN BE CURED I Will Prove It to You Free

You who are suffering the tortures of Eczema, Itch, Salt Rheum or other skin diseases—you whose days are miserable, whose nights are made sleepless by the terrible itching, burning pains, let me send you a trial of a soothing, healing treatment which has cured hundreds, which I believe will cure you. I will send it free, postage paid, without any obligation on your part. Just fill the coupon below and mail it to me, or write me, giving your name, age and address. I will send the treatment free of cost to you.

PAIN NEARLY DROVE HIM MAD

Suffered Horribly Until He Turned
To "Fruit-a-tives"

J. A. CORRIVEAU

DRYSDALE, Ont., June 18th, 1913.
"I am a general storekeeper at the above address, and on account of the great good I have experienced from using 'Fruit-a-tives', I recommend them strongly to my customers. They were a great boon to me, I can tell you, for about two years ago, I was laid up in bed with vomiting and a terrific pain at the base of my skull. The pain nearly drove me mad. Doctors feared it would turn to inflammation of the brain but I took 'Fruit-a-tives' steadily until I was cured. I have gained fifteen pounds since taking 'Fruit-a-tives' and I verily believe they saved me from a disastrous illness."

J. A. CORRIVEAU.

For Headaches, Neuralgia, Rheumatism and other diseases arising from an impure condition of the blood, 'Fruit-a-tives' is invaluable and infallible.
50c. a box, 6 for \$2.50, trial size, 25c. At all dealers or sent on receipt of price by Fruit-a-tives Limited, Ottawa.

THE ONLOOKER COMMENTS

Consolidated Schools

The Protestant Committee of Public Instruction is still battling with the rural school problem. The report of conditions, as presented at a recent meeting, is not very encouraging. This report shows that in 320 rural schools in the Eastern Townships, the Inspector found 8,644 pupils, or an average of a little over eleven pupils per school. The figures, school by school, showed that there were 22 schools with 10 pupils, 34 with 9 pupils, 22 with 8, and 22 with 7, 15 with 6, 16 with 5, and 9 with 3 pupils. Out of these 320 schools no less than 144 have unqualified teachers, and thirty-six had teachers with the Grade II Academy permit, that is to say, 45 per cent. of the teachers had no legal qualification, and 55 per cent. were without normal school training.

The census was taken on the occasion of the inspectors' visits, and it is probable that it does not represent the full enrolment. It, however, reveals a condition that is not satisfactory from the educational point of view.

Consolidation is the only solution if good schools are to be maintained. It has objections, chiefly in the long drive for young children. This, however, is unavoidable, and the end in view—good elementary school training for the youth of the Eastern Townships—more than compensates.

Life's terrible handicap of illiteracy is the alternative for the children in many scattered communities. Parents should get behind the consolidated school idea. They owe it to their children, who will bless them in after-years for the educational groundwork their action will have provided.

Facing The Winter.

Indications are not lacking that the winter of 1913-14 will be a particularly difficult one for many people in Canada. The financial stringency, with the resultant curtailment of enterprises and general development, is resulting in quiet times at the manufacturing plants, with the consequent laying off of hands.

In the East, this condition is not

of our making. In the Eastern Townships farming conditions were never better, and there has been a healthy development in the towns and villages. The bursting of the boom bubble in the West, however, has reacted eastward. People returning from the Western Provinces relate that thousands are idle in all the large centres. With such a condition prevailing in one part of Canada, other sections could not hope to wholly escape.

The solid foundation of sturdy growth will serve to minimize the effect of the wave of temporary depression in the Eastern Provinces.

A check upon extravagance, and careful management for a few weeks or months, till the world's money market loosens up, will carry the people of these eastern districts through whatever crisis there may be, and with the minimum of inconvenience.

Boards of Trade.

The Eastern Townships Associated Boards of Trade will hold its quarterly session next Wednesday at Lennoxville. The previous evening the Sherbrooke Board will hold a rally. Reports are published almost daily of Board of Trade activities in the Eastern Townships. Twenty-six towns and villages have organized and others will doubtless join the procession during the winter.

The importance of this Board of Trade movement in the Eastern Townships can scarcely be overestimated. In the first place it's a good thing for men to get together and study the opportunities and requirements of their own individual communities. In the second place, it is a very excellent thing for representatives of all these communities to get together and study the problems of the whole Eastern Townships.

Already the Associated Boards have taken up many matters of great interest to this section of country, such as improved postal facilities, immigration and repatriation, experimental and demonstration farms, conservation of water powers, general sanitary conditions, and matters affecting the public health, bovine tuberculosis, etc.

Other questions quite as important as these will arise from time to time. The Eastern Townships Associated Boards, as a representative body of business men, is in a position to grapple with these problems.

The Road Projects.

A news item from Hatley township reports that Government representatives have recently been there looking for supplies of stone and material for the proposed Sherbrooke to the boundary highway.

Great bodies move slowly, and the Quebec Government is playing the part well with regard to these good roads projects. That the matter is moving at all, however, is encouraging. Whether or not actual construction will be undertaken next year is still problematical. The fact that material is being sought, however, is a good indication.

The Quebec, Richmond, Sherbrooke and Montreal road project has received Government approval. It is probable that the Sherbrooke to the boundary road will be built first, followed by the other and larger construction.

There are sufficient indications, of the Government's sincerity in the matter of its good roads policy to warrant the belief that its full accomplishment will be witnessed before many years have passed.

Rural Community Interests.

Eastern Canada is not alone concerned with its rural problems of how to keep the population on the land. Even a state so western as Wisconsin is facing the question of the depopulation of its farming communities. Efforts are being made to combat this condition.

"Preparatory education of Wisconsin rural communities fitting them to organize and to carry on local 'community institutes' is about to begin. A party of twenty specialists in dealing with problems of education, recreation, agriculture, sanitation, drainage, dairying, lumbering and allied matters, recruited at the welfare department of the extension division of the state university, is to tour the state, staying three days in centers selected in a way to make the propaganda most effective and to reach the largest number of villages. This process of seed sowing having been completed, it is hoped that the harvest will be a rapid formation of 'community institutes' where henceforth all the local betterment forces may find fellowship and coordinate their resources so as to cause a maximum change for the better. Combining the best features of the neighborhood dance of the early period, of the lyceum lecture of a later time, and of the up-to-date social conference, these village institutes may be expected to serve their communities satisfactorily if given right ideals and models at the beginning."

"What Wisconsin is doing on a large scale and in a formal way, to

check if possible the depopulation of her comparatively recently settled rural regions, other commonwealths are trying in somewhat more restricted ways. In this type of rural construction policy lies the hope of the future. Church, school and home need the new ally that can be found wherever higher institutions of learning, such as universities and colleges or agricultural schools, have awakened to their duties as servants of the entire population."

Parcel Post.

The Post Office Department of Canada is about to inaugurate a system of parcel post by which parcels of several pounds weight may be transmitted by mail at a rate much less than the present express charges.

The parcel post system is now in operation in the United States and is working out most successfully. It is anticipated that the experience in Canada will be the same. For a long time there has been a feeling that express charges were excessive. The parcel post rates have not yet been announced, but, it is understood, they will be such as to make this means of transmission very popular.

The Postmaster-General has announced that he expects to start the system in January.

Of the rates he says: "The rates, for instance, will not cover more than half a page of foolscap. To begin with, there will be the twenty mile local zone around every post office, designed to give the local overhaul a preferential rate. It will cost the same to send a parcel from Ottawa across the river to Hull as from Ottawa to Rockland, twenty miles distant. The rate from Ottawa to Vancouver will be the local zone plus the rates to the intervening provinces. They will naturally increase as the parcel is carried from one province over the border lines of others."

The inauguration of parcel post in Canada will be awaited with pleasant anticipation. It promises to prove an important new economic convenience.

MONEY-MAKING MICE

A Scotchman Invented a Thread Mill
Run by Mouse Power

To an ingenious Scotchman goes the credit of being the first person to harness a mouse and make him a money-earning factor. He was David Hutton, a native of Dunfermline. Though he proved that an ordinary mouse would average a run of ten and a half miles a day, he had one mouse which ran the remarkable distance of eighteen miles in that time. A cent's worth of oatmeal was sufficient for its food for thirty-five days, during which time it ran 862 miles. He kept two mice constantly engaged in the making of sewing thread for more than a year. This thread mill was so constructed that the mouse was able to twist twice and reel from 100 to 200 threads a day, Sundays not excepted.

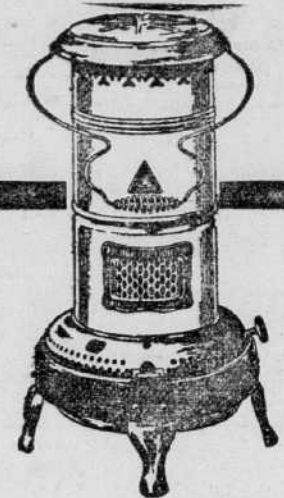

To perform this task it had to run ten and a half miles a day, which it did with perfect ease every other day. On the cent's worth of oatmeal, which lasted for five weeks, one of these little mice made 3,350 threads, 25 inches long, and as a penny was paid to women for every hank made in the ordinary way, the mouse at that rate earned 180 every six weeks. Allowing for board and for machinery, there was a clear yearly profit from each mouse of \$1.25. It was Mr. Hutton's intention to apply for the loan of the Dunfermline Cathedral, which was empty, where he planned to set up 10,000 mouse mills, and still leave room for the keepers and several hundreds of spectators; but this wonderful project was never carried out because of the inventor's sudden death.

NORTH STANBRIDGE.

Arrivals and departures: Mrs. Joseph Lamoureux visiting at St. John's and Montreal; Miss Addie Hungerford home from Farnham; Miss A. J. Derick to her home at Lacolle; Mr. W. Wanzler, of Fairfax, Vt., visiting his sister, Mrs. A. M. Stone; Mrs. D. F. Veysey, of Perceton, visiting friends here.

That Persistent, Hacking Cough

is not only wearing, disagreeable and dangerous—it is unnecessary, too, for you can quickly stop it by taking

NA-DRU-CO

Syrup of Linseed, Licorice and Chlorodyne

This remarkable combination of these three standard cough and cold remedies loosens the phlegm, promotes expectoration, relieves that exasperating tickling in the throat, and the cough disappears. Of course it is better still to take Na-Dru-Co Syrup of Linseed, Licorice and Chlorodyne when you first feel the cold coming on, and check it at once. Get a 25c. or 50c. bottle from your Druggist and keep it on hand, ready.

NATIONAL DRUG AND CHEMICAL CO. OF CANADA, LIMITED. 318

"OUR first range was a Monarch too"

Bright, easy-to-clean steel body. Drop oven door. Large broiler. Adjustable damper. Broiling and Toasting lever. Sliding top section.

AND she has it yet. The Monarch of to-day is of course a much better range than the Peninsular Range Grandmother bought. Looks better. Cooks better. And uses less coal. The oven is of quick-heating steel—the flues perfectly proportioned—all of which saves fuel. The doors drop, forming shelves to draw out the cooking dishes. The top raises for broiling. The grates work without sticking. And the appearance! Grandmother admires the new Monarch Peninsular with its plain heavy nickel and its bright polished steel body. But yet—she clings to her own Peninsular Range. The faithful old companion of her early culinary adventures still has—and always will have—a place in her home.

See the Monarch or write for booklet "The Cost of a Range"

Sherbrooke Agent - Jos. Lacombe

No. 1
Toronto, August 22, 1913.
Russell Motor Car Co., Ltd.,
City:
Gentlemen,—

With reference to the Model "28" touring car purchased by me from you on April 1st, I have now driven this car over 2,500 miles, with every satisfaction.

The self-starter has never failed to start the car. It is both efficient and very powerful.

The electric lights and horn have also worked splendidly.

The heating system under the rear seat has been used on night trips, and added very greatly to the comfort of the rear-seat passengers.

The second wind-shield is invaluable.

I consider the lines of the car and its general finish extremely beautiful.

This is the third Russell car I have had. The springs are excellent—I have ridden in a great number of other more expensive cars, but have yet to find one that rides so comfortably.

Up to the present time the car has not cost me a dollar for repairs, nor have I had any difficulty with it on the road.

Yours very truly,
(Name on request.)

No. 2

Russell Motor Car Co., Ltd.,
24-26 Charles Street,
City:
Gentlemen,—

I have just returned from a 1,200-mile motor trip, and I want to express to you my entire satisfaction with the way my "Russell" car made the trip. I have paid practically no attention to its mechanism, and as I let my chauffeur go two or three weeks ago, I naturally hesitated somewhat about undertaking such a long trip alone.

However, the car ran perfectly, and aside from a little tire trouble we had no difficulty the entire trip.

The car seems to be very easy on tires. With but one exception, all my tires have gone over 5,000 miles before we even had a puncture.

It is easy-riding, noiseless, and powerful. We took all the hills through the Berkshires on high, although some of them were quite steep and long. We have covered over 8,000 miles, and the car runs as well to-day as it did at the start.

Wishing you every success in building a purely Canadian car, I am,

Sincerely,
(Name on request.)

Russell KNIGHT

Our ambition was and is to-day, to make the **RUSSELL-KNIGHT** the final type of motor car on the market. We were content to spend years and a great deal of money to make certain that the RUSSELL would be the most advanced car of the time. We wished to perfect what was already conceded an advanced product.

We could have placed upon the market a car that would have compared most favorably with our competitors, yet we waited—waited until our ambition could be realized, rather than give to eager purchasers a car that was incomplete in any detail.

We have refined and improved our car, until to-day our owners speak as these have written. (Their names and addresses can be secured from any Russell Branch or Agent.)

"Made up to a standard, not down to a price."

No. 3
MANITOBA CLUB,
Winnipeg, Man.,
Aug. 22, 1913.
Russell Motor Car Co., Limited,
Winnipeg, Man.:
Dear Sirs,—Referring to the Model "28" touring car, which I purchased from you in May, I have now made 5,000 miles in this car, including a trip to Minneapolis and return.

The car has given me every satisfaction, and climbed sand hills on high on the way to Minneapolis. Motorists tell me this has never been done before on high speed.

The engine runs beautifully; the self-starter is absolutely perfect, and as far as comfort is concerned it rides better than any car I have owned before—and this is the fourteenth car I have had.

I also wish to speak very highly of the treatment I have received from your staff in Winnipeg, and the care which has been taken of the car in their garage. With the Russell people standing behind their car in this manner, I have not the slightest hesitation in strongly recommending them to my friends and intending purchasers.

Yours very truly,
(Name on request.)

Toronto, Ont.,
Sept. 18, 1913.
Russell Motor Car Co., Limited, West Toronto, Ont.
Dear Sirs,—

My present car is the fourth car I have purchased from your firm, the "Knight 28" being my latest.

I thought my "Knight 22" was a splendid car, but the "Knight 28" proved to be, in the words of several persons with me, "A Dream."

We think it is as near perpetual motion as it is possible to get. If it stands up with as little upkeep as the "22" I shall be well satisfied.

I owe you these remarks for the generous way you have treated me, and you may publish them if you choose.

Yours truly,
(Name on request.)

DEDICATION OF MASONIC TEMPLE

Grand Lodge Officers
Take Part in Ceremony
at Waterloo

IS ONE OF THE FINEST MASONIC
CHAMBERS OUTSIDE CITY
OF MONTREAL.

Waterloo, Nov. 29.—(Special)—The Masonic gathering yesterday was one of the largest ever held in this section. It was the annual district meeting, and at the same time the opportunity was taken to have the new Masonic Temple dedicated by the Grand Master, assisted by Grand Lodge officers. The temple is a credit to Sheffield Lodge, and is without doubt the finest Masonic chambers outside the city of Montreal.

The Grand Lodge officers arrived by special car at noon. They were Messrs. John Wright, G.M.; Will H. Whyte, G. Sec.; John Turner, G. Tyler; W. Jennings, G. Pursuivant; C. M. Mills, W. M. Pike, Geo. Brown, J. A. Cook, Geo. Stewart. There was also a large attendance of officers and brethren from Knowlton, Sutton, Cowansville, Granby, Sherbrooke and other lodges in the surrounding districts.

The afternoon meeting began at 2.30, when Brome Lake Lodge, Knowlton, and Sutton Lodge worked the first and second degrees respectively.

In the evening the dedication ceremony of the new temple was proceeded with and was most impressive. At the conclusion of this part of the proceedings the members of the craft repaired to the fine banquet hall in connection with the temple, where a banquet was held. There was a large attendance and a very pleasant evening was enjoyed.

WINSTON SPENCER CHURCHILL
Is 39.

London, Nov. 29.—(Special)—The Rt. Hon. Spencer Churchill, First Lord of the Admiralty and one of the most conspicuous among the younger men in British public life, will enter upon his fortieth year tomorrow, having been born Nov. 30, 1874. He is the son of the late Lord Randolph Churchill, one of the most brilliant men of his day. His mother was Miss Jennie Jerome of New York. After the death of her first husband Lady Randolph Churchill married George Cornwallis West, from whom she has just obtained a legal separation.

CHATEAGUAY ELECTION PROTEST

HEARING OF PRELIMINARY OB-
JECTIONS TO TAKE PLACE
ON DECEMBER 12 OR 13

Valleyfield, Nov. 29.—The hearing of the preliminary objections in the Chateaguay bye-election protest will likely take place on Saturday, December 13. The motion to fix the date was made yesterday by Mr. L. Codebecq, on behalf of the petitioners, before Judge Charbonneau, of the Superior Court. Mr. J. T. Landeau was present for the respondents, Mr. James Morris, and made no objection to the motion.

Judge Charbonneau was not able to state finally just what date will be fixed as he must confer first with his conferees in Montreal, but he was able to assure the counsel that it would be either on the 12th or 13th of December and probably the latter day when the now famous election case will obtain its first hearing.

So far nothing has been heard of the counter charges which it has been stated from the Conservative headquarters have been prepared against the Hon. Sydney Fisher and his agents. Mr. Landeau made no statement regarding this aspect of the case and seemed reticent regarding it.

The petitioners are most confident and feel that the result of the first hearing will be a triumph for them. They feel certain that they will be able to meet all the contentions incorporated in the preliminary objections and that the next step in the procedure will follow quickly.

U.S. REMOVE DUTY ON WOOL

FREE CLAUSE OF NEW TARIFF
ACT GOES INTO EFFECT ON
MONDAY.

Washington, D. C., November 29.—(Special)—On Monday there will come into effect one of the provisions of the new Underwood tariff law which excited the most heated discussion while the measure was pending in Congress. This is the free raw wool clause, which exempts from duty all wool of sheep, hair of the camel and of like animals, all paper twine for binding such products, all wool wastes, including noils, top, card, slabbing, roving, ring, yarn, bur, thread, and garnetted wastes, all shoddies, mungo, flocks, wool extract, carbonized wool, carbonized soils, and other wastes not specially provided. One month later the new rates on wool manufactures provided by the Underwood law will come into operation.

of Conflict."

GLOBE MINE STARTS UP

Now Turning Out Yellow
Metal For Townships
Folk

TELEGRAM RECEIVED TO-DAY
FROM T. M. CRAIG—PLANT
UP-TO-DATE.

A telegram received today from Mr. T. M. Craig, who is in California, states that the plant of the Globe Gold Mine, in which many Townships people are interested, has started up and is now in full operation. This plant has been over a year under construction and is said to be one of the most up-to-date in California.

Letters from Mr. T. M. Craig, who is in California, state that the plant of the Globe Mining Company is practically completed and that the mill is about to be started.

A copy of the engineering and mining journal, of New York, which has come to hand, gives a description of the new plant at this property in which many Eastern Townships people are interested.

The article says in part:
"Wallace McGregor, general manager of the company, is in active charge of construction and will direct the mining and milling operations. He has had much experience in Western mining, particularly at Goddard, J. W. Rutherford is superintendent of construction. He has had similar experience in the construction of the Mexican mill at Virginia City, Nev., and at the Black Oak, at Solsburyville, Calif., and other smaller plants."

The 20-stamp mill will embrace the newest ideas in mill practice. The cyanide plant is the second all-slimes plant installed in California, the Black Oak plant being the first. The ore will be thoroughly sampled after passing through the Gates breaker, before reaching the stamps, which is comparatively recent practice in California. From stamps the crushed ore will pass to a Dorr classifier and thence to a 22x35-ft. tube mill of the closed circuit type. The remainder of the mill equipment includes three Dorr agitators, four thickeners, an Oliver 16-ft. filter and three sump tanks.

The ore will be delivered to the mill by a 6000-ft. aerial tramway, built on a steep incline describing a vertical drop of 2500 ft. This is said to be the second longest aerial tramway installed at a metal mine in California.

The plant will be driven by water power generated by eight water wheels. The water is furnished through a 6000-ft. flume newly built. The flume will carry 25 cu. ft. of water per second and the wheels will be driven under a 450-ft. head. The water is delivered on the opposite side of the canyon from the flume to an inverted siphon installed in the canon, thus delivering the water to the wheels. The lumber used in the construction of the flume was transported from the sawmill by means of a cable car, a simply devised aerial tram, rigged for the purpose.

The entire plant is substantially constructed, and required careful planning, as the mill site is on a steep-pitched hillside.

"Dedrick is 40 miles northwest from Redding, the nearest available railroad shipping station. The wagon roads from Redding and other points are fair as far as Junction City, but from that point to Dedrick, a distance of 13 miles, the road is a typical canon road, mostly rough and extremely narrow, so that travel is rather hazardous. A daily stage service is maintained, and during the past summer an auto-stage service to Weaverville, a distance of 25 miles. The mine owners contemplate the improvement of the road to Junction City."

"During the period of construction of surface equipment the mine has been under systematic development. No. 6 tunnel in the Bailey ground adjoining has been advanced and a raise will be driven to connect with the Globe working situated at greater elevation. A temporary two bucket tram is employed to carry the ore from the Globe through the Bailey crosscut for delivery to the mill. A large tonnage of ore is blocked out and ready for extraction and direct delivery to the mill."

DEATHS REPORTED

WILLIAM SEARS, SUTTON.

Sutton, Nov. 23.—(Special)—Another of Sutton's most worthy citizens passed away at his home here on Tuesday in the person of Mr. Wm. Sears at the age of 69 years.

The funeral was held in the Olivet Advent Church at two o'clock on Thursday, Rev. John Champion officiating, assisted by Rev. F. J. Hayden, B.A., Rev. A. Wallace and Rev. W. G. Mansfield, the latter from Montgomery, Vt.

A deceased was born in this town and has always made it his home. He was an honest, hardworking citizen, a leader in Church work and a noted Sunday School teacher. His other good qualities were numerous. A good citizen, a kind neighbor, a loving husband and father. The bearers at Mr. Sears' funeral were four brothers-in-law of deceased. They were Mr. J. H. Smith, of Sutton; Mr. F. Smith, of St. Albans, Vt.; Mr. H. Smith, of North Troy, Vt., and Rev. S. H. Smith of White River Jct., Vt.

His wife survives to mourn a worthy husband. He leaves three daughters and one son. The daughters are Mrs. Lewis Bombard, of St. Albans, Vt.; Mrs. Arthur Proper, of Sutton, and Miss Hattie Sears, the youngest, who resides with her mother. The son, Ernest Sears, has for some years been a strong staff on which his aged father leaned for support, which was always given full heartedly from the worthy son.

The funeral was largely attended on Thursday afternoon.

INTERNATIONAL LIVE STOCK SHOW

OPENED AT CHICAGO TODAY AND
WILL CONTINUE FOR ONE
WEEK.

Chicago, Ill., Nov. 29.—(Special)—With exhibits valued at millions of dollars, Chicago's annual international live stock exposition was opened at the stockyards today and will be continued through the coming week. In the number, variety and high class of the exhibits the show this year never has been equalled. The display includes pure-bred cattle from Europe and Canada as well as from many sections of the United States. Carload lots from Texas and the West are included in the display.

The educational features of the exhibition are to be given more emphasis this year than heretofore. One hundred thousand progressive farmers and breeders are expected here from Minnesota, Iowa, Wisconsin, Michigan, Kansas, Illinois, Indiana and other States, to witness the cattle judging contests and to listen to addresses from experts representing the United States Department of Agriculture and numerous State agricultural colleges. A score of governors have signified their intention to visit the exhibition. Others in attendance will include the agricultural commissioners of practically all of the Southern States.

MAPLESUGAR ADULTERATION

(Continued from page seven.)

sues or quibbling. Would the Chief Chemist explain where the hardship to the consumers comes in? What class of consumers? If a poor person to-day wants maple syrup he has got to pay through the nose for the adulterated article just as much as for the pure in lots of cases, (see your bulletin) and the adulterator waxes fat off the profits of palming off commercial glucose or molasses for the pure sap of the maple tree. I challenge right away the statement that the maple consumer wants a compound, even at a cheaper price. Maple products are luxuries, and even a poor person when indulging in a luxury wants it pure. If he wants a compound he will ask for it and never fear there will be plenty of makers on hand to hand it to him, even as a compound, and make a good profit of it, too. I question if one person out of a thousand asks across a counter for Maple Compound. It is peculiar, it is irritating, it is even pathetic to watch the supine, shiftless, do-nothing attitude of public officials over questions of this sort, until an aggravated public spirit kicks them into action or out of their jobs.

Here is a headline from one of our city dailies: "Trade Declining in Maple Sugar — Year's Production Shows Loss of One Million Dollars' Value." The article is dated Ottawa, Nov. 12th, 1913, and is taken from a Department of Agriculture Bulletin; it goes on to state that only about 10 per cent. is No. 1 grade, while No. 4 grade bringing half the price is 60 per cent. of the total production. Here is a statement from the thirteenth Annual Report of the Canadian Forestry Association. On page 108 it says:

"Aggregate for ten years, 1881-91 — 225,000,000 lbs.
"Aggregate for ten years, 1891-01 — 212,000,000.
"Aggregate for ten years, 1901-11 — 196,000,000.
A slump in production of 29,000,000 lbs. since 1881, and 16,000,000 lbs.

One word in conclusion, the next time you hear "The Maple Leaf For-

BROMPTONVILLE SLANDER CASE

Settled Just Before The
Case Was Called in
Superior Court

WM. AUGER SUED DR. ALLARD
FOR \$200. —CASE AROSE
OVER MUNICIPAL ELEC-
TIONS.

The case of Wm. Auger vs. Dr. J. A. Allard of Bromptonville, was called in the Superior Court yesterday before Mr. Justice Hutchinson. This was an action for damages for \$200 and arose out of the municipal campaign in Bromptonville in December last. The plaintiff claimed that on December 29th at a meeting held in that place he was slandered by the defendant, who was one of the speakers.

A large number of witnesses were on hand, and when the case was called it was declared settled out of Court.

since 1891, figure out that loss to the farmer even at ten cents a pound. It is a pretty steep figure to pay for the privilege of selling molasses, hickory bark and coal tar flavors to a few imaginary consumers who might want these compounds instead of the pure article.

A few days later we read of half a dozen retail dealers being fined sums averaging \$5 and costs for selling adulterated syrup; the present agitation is evidently doing that much good. But if that is all the protection the syrup industry is going to get, it is farwell to the maple groves of Canada.

There is a lot of talk of forest conservation, conservation of natural resources; why here is where the government can conserve groves and industry at the one time. Their efforts so far have been particularly effective to judge by the above figures.

You, Mr. McGill, want us to be patient—patience is a virtue; but you can't preach patience to a goose that is being plucked, the goose is apt to view the plucking process from a different angle.

In short, there is no way out of the mess, that incompetent bungling of this big issue (a very big one to the farmers of Eastern Canada), has brought about, but hard and fast legislation, actively applied, that will put the adulterator out of the adulterating business. Let him sell goods under a genuine label or sell adulterated goods under another name than maple.

The matter has been juggled to and fro long enough between the Department of Agriculture and the Department of Inland Revenue with you as Chief Chemist, acting as consulting expert. If manufacturing interests can hire expert chemists to outwit your staff and mislead the public while ruining a magnificent farming industry, and you and your analysts stand by helpless, what are we to think? But perish the thought. It only wants the necessary incentive; go to it, Sir. We have this much confidence anyway in the brains and capabilities of you and your men. Where there's a will there's a way. It is only because the will appears to be lacking that all this bother is raised.

One word in conclusion, the next time you hear "The Maple Leaf For-

Beautiful Sets of Real Mink Furs

Offered at Reduced Prices

20 p. c. Reductions apply on our Mink Sets here are examples of our low prices.

A set of genuine No. 1—
first quality—Natural
Mink that would cost
over \$250.00 in most any
store. Handsome Stole
and large warm and sty-
lish Muff. This set is
one of the finest that we
have and at our Reduced
Price will be snapped up
quickly. Price only

\$200.00

Another set, this one at
a lower price because it
is No. 2 Mink Fur.
Just as stylish and well
made and we have Re-
duced it more than 10
p. c. Muff and Stole,
both latest pattern. Value
\$105.00. Reduced Price

\$85.00

Guaranteed Persian Lamb Muffs and Stoles 10 p. c. Discount

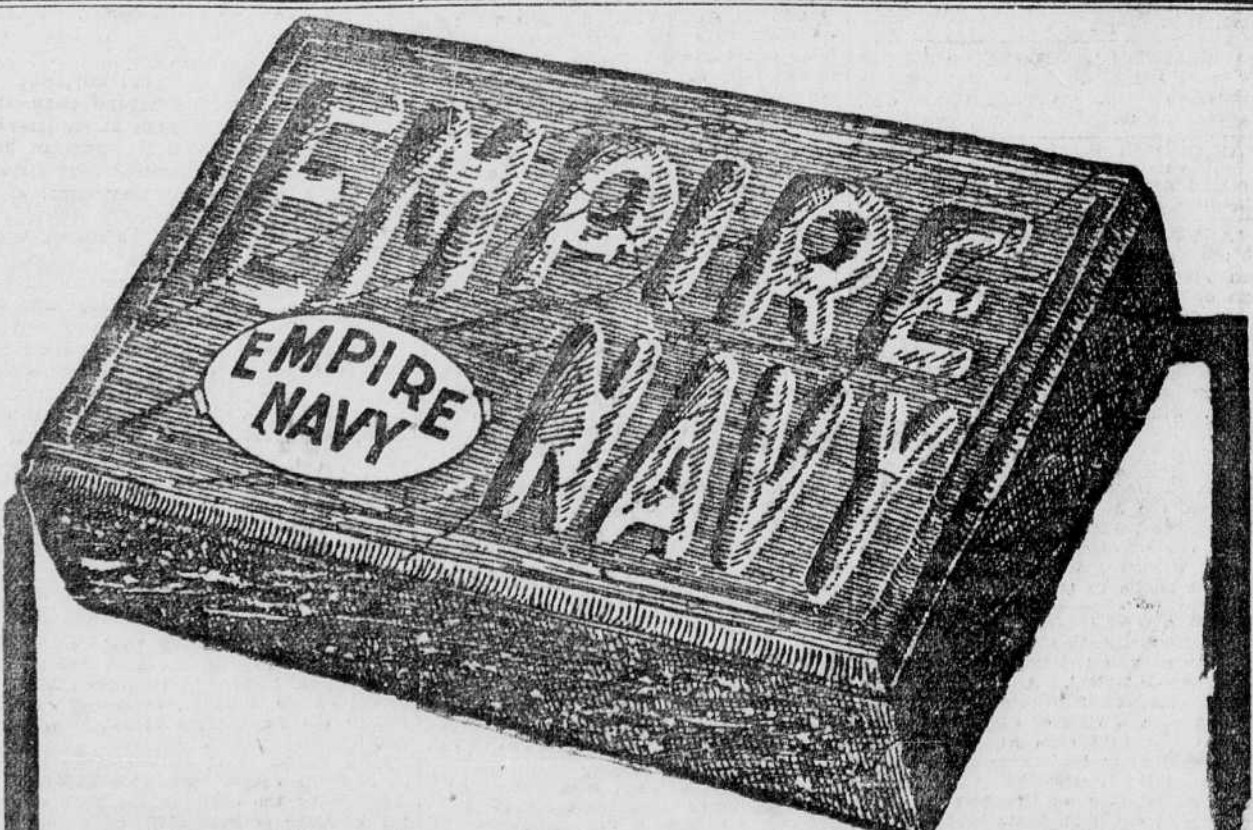

We specialize in fine Persian Lamb Fur and long ago—last summer—
bought many skins; and picked the best. Now we can offer better inducements
than anyone.

These Persian Lamb productions are guaranteed to be fine quality, to be
made perfectly and to wear satisfactorily. We have a large choice of handsome
and stylish Muffs and Stoles that we are offering at Ten Per Cent Discount.
Prices vary from \$22.50 to \$75.00 for Stoles, and from \$20.00 to \$50.00 for Muffs.
If you want a fine Fur Set, see these Persian Lamb Sets now.
